

## DON'T NAME IT

Will J. Miller

The letter published below is one of our patriotic boys, much more interesting than anything this writer can give his pen to thank Dwight Hutson, and invite other men in service to write in interest-letters to this paper. Bear "Honest Bill" and reach:

How are you and the people near Old Spearman making it? These days are a little rough for some of the folks. I see the people in civilian life having to put up with a lot the same as we boys here in service are. We think that of the things in the service hard to endure but if we set down and think about it, even just stop a minute to think about a few of the things are going on, and the morale of the Army, and the hardships the boys across the water having to undergo, we are glad to do what we can at Sheppard Field.

Although this is only a young man, it has started turning out trained mechanics, who will be reporting to the fronts for service. There are a few that will be made instructors for this school or other schools that are being run. The first mechanics of 219 men graduated Feb. 10, but from now on the field will be turning out some 900 mechanics every 10 days, which can see will total several millions in a years time, but I am sure that we will be able to handle them.

The folks send me a Spearman letter once in a while and I had to get it as I am a letter in spite of the fact that in Spearman I seldom read but now since I am away from Spearman it gives me lots of news that I do not get thru the paper.

Being in the service of the United States is not quite as bad as Wayne and I as it is for some of the boys, as we are both located here at Sheppard Field. We have both been here on the field together, since October, which seems almost a miracle to me. I do not expect we will be together much longer as he is attending the Mechanics school and is to graduate a few days after the first of April. So soon as he graduates from school he will probably be sent to one of America's Air Corps to work on the line.

I also enlisted in the Air Corps, but a few days after arriving here on the field I was sent to work in the Post's Finance Office which I accepted on March 3 weeks I ask to be transferred from the Air Corps to the Finance Department which was moved and later transferred. My work at Sheppard Field in Finance Office is to help to maintain the morale of the cadets, a little higher than usual by paying that they get paid once a month. In case you do not know the Finance Office of the Air Corps carries on all of the transactions of settling all accounts of the post. I like the work fine. Well, I read your column in

the last Reporter that I got and I noticed that you were raising "Hail Columbia" with some of the people of the city for complaining about the way our government was running things in connection with our men in the service. Bill, I want to say that I am 100 percent behind you on everything that you said in your column. I imagine that if we could put those folks that do so much complaining about what the government is doing for the men in the service, in the service for just a few months not years, they would be willing for the government to do nearly anything for the boy in uniform, as the biggest part of them have not had to undergo what the boys have to. Our men are trying to protect the liberty of the civilians at home by working 7 days a week preparing for service and several of them giving up their lives each day and yet some of our people back home are not willing to pay a few more taxes for it. Why not give our boys in the service a little enjoyment while they are here to enjoy it? Bill, I am sure that I am not expressing only my view point on this matter but every man's in every camp or post of the service.

Anything in the line of amusement is welcomed by the boys as it gives him something to take his mind off of things at home. The government has a task of keeping the morale up of the great number of boys they have in the service today. After all, the morale of the men in service is what makes a powerful unit for our government.

Bill and Preach, I just wanted to let you know how I felt about what you were doing for us in the service and I hope that the people at not only Spearman but all of the people all over the nation will come to realize that even if it is just some little act that may help the boys it will go a long way toward helping win this war.

Bill, I also noticed in one of the papers that you were trying to get into the service as a commissioned officer. I hope you are able to make it. I feel as though being in the service of the U. S. is one of the highest things a person can be in although I have not been in long.

We have had freedom for several years now and I am willing to do what I can, no matter what it is to help us continue to have that freedom we enjoy, even if we have to undergo several sorrows and heartaches in order that the freedom of this nation may continue to live.

So in closing may I say as the object of this post is to keep the Air Ships Flying may each of us, wherever we may be, do our part in Keeping The Stars and Stripes Flying Over Our Lands.

Very truly yours,  
Dwight Hutchison.

## GRAND JURY SUMMONED FOR APRIL 6TH

Summoned to appear Monday, April 6th at 10 a. m.  
W. L. Harris, John Venneman, T. C. Harvey, W. Q. Thorne, V. V. Floyd, Kiff White, L. G. Nobles, Allen Pierce, A. L. Jackson, R. E. Lee, Cecil Crawford, Pearl Dixon, Orval Walker, Delon Kirk, H. H. Crooks, Arthur Coats.

## Sugar Supply Limited 2 Pounds Per Person

Hansford county citizens who accumulated a surplus of sugar during the past few months are asked to bring back this sugar to the grocery store where they purchased same, and sell it back to the merchant. We say they are asked to perform this task, and this is due to the fact that Uncle Sam realizes that many people were not especially trying to be unpatriotic when they accumulated the surplus. But now that they know they must cooperate in the national movement, they will either follow this kindly request or face a penalty that ranges as high as 10 years in prison or \$10,000.00 fine.

Robert E. Meek, county rationing committee chairman joins the state and national government in urging all local Hansford citizens to turn back their sugar before the rationing of sugar stamps is begun. In this county rationing books, which incidentally may include other items other than sugar, will begin when all the citizens of the county register at the nearest elementary school. The date for this registration will be some date during the last week of March or the first week of April.

You will go to the school nearest your home and teachers will handle the registration. A book containing 28 sugar stamps will be issued for every member of each family in Hansford county. Before you can secure a book, you will make a sworn statement to the government that you do not have in your possession more than 2 pounds of sugar for each member of your family. If you should have a slight amount in excess of this allowance, you will have to sell it back to your grocer before you can receive a rationing book. When you have received this ration book you are allowed to buy 2 pounds of sugar for each member of your family per month. For example if there are five members of your family you can purchase 10 pounds of sugar per month. Grocers will keep tab on your purchases, as well as the Hansford county rationing board.

According to Mrs. Elma Gunn, secretary to the rationing board of Hansford county, the very important thing for each family to do at this time, is to check their sugar supply and sell back all but an approximate 2 pounds for each member of the family.

Next weeks paper will carry notice of dates for registering, and any additional information available at that time.

## VESPER SERVICE MARCH 15

Vesper services will be held at the Methodist Church Sunday, afternoon beginning at 5:30 p. m. March 15 by members of the Spearman Music Club. The public is urged to attend the services.

FOR SALE Good used combine, equipped with V-belts and pulleys. See W. U. Cook, 10 miles West of Gruver 4tp

Joe Raney is one among the young men to join Uncle Sam's army.

## 150 ATTEND PTA MEETING TUESDAY

"Safety" was the theme of the Spearman Parent-Teacher meeting held Tuesday night in the high school study hall. The meeting was held in connection with the Red Cross First Aid School being conducted by Carl Crutchfield. About 150 were present.

Miss Sammie Roach read the minutes of the last meeting and Mrs. T. R. Shirley, gave the treasurers report.

Pupils of the 4th grade presented an interesting playlet on "Safety on the Farm". Mrs. Loftin teacher.

Mr. Russell of the Texas Highway Department gave a very interesting talk on "Safety" and explained some of the functions of the Department of Public Safety. He said the Department used 3 Es to explain their program "Engineering, Education and Enforcement". Russell pointed out that car accidents in England cost more lives than all the bombs dropped by the enemy. In the U. S., he said, more people were killed in car accidents in the same time period of 18 months than were killed in World War I. 55 percent of car accidents involved only 1 car. And the one or two drink drivers accounted for a big percent of all wrecks. Property damage alone from car accidents amounted to over two billion dollars yearly in the United States.

A. L. Schnell, manager of the Community Public Service Co., illustrated safety with Electricity, using equipment he made to present educational lectures to students. He emphasized the fact that 110-volts will kill you about as quick as an electric chair. He said that it was not the actual voltage that killed you but the amperes in the electricity that did the dirty work. He illustrated this by taking 5,000 volts of electricity, lighting a torch from the tip of his finger.

Members of the association were invited to send a delegation to the Teachers meeting to be held in Amarillo March 20-21.

## GERMAN LICE IN DENMARK

An Army of German soldiers from Russia has arrived in Denmark to be fed out on Danish feed, home brew and wine for spring killing. The scientist of Denmark have put their heads together to see what can be done about the bacilli-carrying lice the Germans brought with them. Already 2 cases of the most dreadful disease Typhus (spotted fever) has occurred.

The U. S. Navy needs a lot of Field Glasses and are asking people to send in their 6 Power glasses. (I sent mine) What about you (Bill) getting up a drive for rounding up Field Glasses. The Navy Department pays \$1.00 rent for them and will return them after the war is over. Send them to the U. S. Navy Department, Washington, D. C.

Karl A. Nielson.

## TELFORD, SCS NURSERYMAN TO BE SPEAKER

The Hansford County Home Demonstration Council wishes to make the Victory Demonstration a vital part of this county's contribution to the war. To do this the council wants every club and organization to appoint or elect a Victory demonstrator leader who will carry out the demonstration and who will distribute information about the phases of the Victory demonstration to the club or organization members and neighbors. Through the organizations and clubs it is hoped to reach everyone in the county.

On Thursday, March 19 there will be the only meeting of the Victory demonstrators held in the court room at 3 p. m. The council would like for each organization to be represented by at least 5 members including the Victory demonstrator leader. The Victory demonstration will be discussed briefly by the Home Demonstration Council Members. Then Mr. Emery A. Telford, nurseryman of the Soil Conservation Service experiment station at Bushland, Texas will give a talk illustrated by slides on "What Plants Grow Well in the Texas Panhandle. He has been highly recommended as one who would give you a "yes" and "no" answer to your questions on plants.

## The Winner

MAX CLAWSON . . . and the prize winning 4-H Club Boy Baby Beef shown at Hansford County's 7th annual Fat Stock Show Held at Spearman March 2nd.

## WANT PICTURES OF SERVICEMEN

The High School bulletin board is carrying pictures of all its former students who are now in the services of Uncle Sam.

If your son, brother or friend, has in years past ever attended Spearman High School and is now in the service, will you please contact Supt. Gunn and furnish a picture for the bulletin board.

## MAY NOT STAGE ANNUAL CELEBRATION THIS YEAR

As result of a survey made by Paul Loftin, secretary of the Chamber of Commerce, this newspaper has come to the conclusion that the directors of the organization may reverse their former vote and give up our annual celebration this year.

Many changes have taken place since the directors voted to hold the celebration. It is a known fact that visiting bands would have to come to Spearman with the aid of private cars, since the tire rationing board absolutely excludes school buses for use to transport bands or athletic organizations. A feeling of bitterness out that the people need to become more conscious of the war, and not get themselves with any of the pleasure as usual habits.

A meeting will be held soon to determine what is to be done, and if directors vote to hold the celebration, committees will begin to work. The time is drawing near and committees must begin their work within 10 days if we are to have a real celebration.

Adjusted plans, not official of course, calls for a Rodeo and making the celebration a county affair, with our band on the ground to furnish music and the people to enjoy an old fashion picnic-style of celebration.

Perhaps we could have the dances for two nights, and eliminate such features as the band contest, barbecue and parade.

Next weeks paper will carry an official announcement.

## LITTLE MAN JOHN BISHOP MAKES GOOD WITH PROGRAM

The Little man John Bishop, who paid a dollar fine last week for failure to provide a Lion Club program made good this week with one of the most interesting programs of this year. Bishop asked a series of questions that were answered with yes and no. From the answers given Bishop was able to read a character picture of the individual members. The contest was quite interesting and the character pictures rather accurate. The club gave a standing vote of appreciation for the membership of Pete Smith, who will leave Spearman Saturday to join up with the air corps of the Army. Smith has been a very active member of the organization during the time he has lived in Spearman and his record of a Lion is an enviable one.

## CITY COOPERATING IN DEFENSE MEASURE

City officials announce this week in a paid advertisement that Spearman will cooperate in the national civilian defense program to eliminate rats.

The city received officials request to join this movement, and a planned campaign to rid our city of the disease carrying rats will be worked. The city government is going into this program quite efficiently, and every citizen of the principality will be mailed a letter telling how the individual can cooperate. Also large signs will be posted in the business district calling attention of the people to the importance of killing rats.

While none of the official literature suggests such a thing, it is talked on street corners and impolite gossip, that foreign enemies might try to plant disease in America by infecting rats and releasing them in strategic places of the nation. Any clean-up of rats in advance of such a diabolical deed would lessen the hazards of the nation.

In normal times the rat is an enemy of health. Under war conditions, it becomes an important part of our health program to lessen this hazard to health.

Please cooperate with the city in this movement.

## GIRLS WIN GRADE DIVISION AT STINNETT

The grade school basketball team had a good time at the Junior Basketball Tournament at Stinnett last week, and the girls succeeded in bringing home a beautiful trophy which represented first place in the grade division. The girls won games from Spring Creek, Stinnett B, and A teams in the grade division. In the finals Saturday they were matched to play the winner of the Junior high division, and gave a good account of themselves in losing to a team which was largely the team that has represented Stinnett high all this year.

The grade school boys defeated Miami, Stinnett B, Amarillo Mavericks and lost to the Stinnett A team by 5 points. Although disappointed in not being able to bring home a trophy they feel that they did well in going thru a tough bracket to reach the finals of their division and in spilling the unbeaten record of two teams during the tournament. The boys have had a very successful season this year winning 13 of the 16 games played.

## GAME TOURNAMENT

The Medlin HD Club is sponsoring a 42 tournament at the School building Friday the 13th. Defense Stamps will be given as prizes. Plenty of good eats will be served. Come and enjoy the evening with us. Admission 10c and 25c.

Dolly Shedeck has been home the past week during the illness of her mother Mrs. Harry Shedeck who underwent a minor operation last week in an Amarillo hospital.

## TWO BUSES DAILY

A new schedule of the Panhandle Stages Inc., gives Spearman two busses daily. The first bus leaves Spearman at 7:00 a. m. arriving at Amarillo at 9:20 a. m. The second bus leaves Spearman at 3:05 p. m. arriving in Amarillo at 5:45 p. m. Returning from Amarillo the first bus leaves at 11 a. m. arriving at Spearman at 1:40 p. m. The second bus leaves Amarillo at 6:45 p. m. arriving in Spearman at 9:25 p. m.

One can leave Spearman at 7 a. m. spend the day in Amarillo and return on the 6:45 p. m. bus.

See the new schedule in this issue of the paper.

## FIRST AID CLASS IS OUTSTANDING

A reflection of the patriotic spirit of Spearman is indicated in the large class that has enrolled at the school, under the instruction of Prof. Crutchfield for the Red Cross First Aid course. More than 75 local citizens have joined the class, and the instructor states that he has never taught a more interested person than he has in the local school room. The classes are held in the study hall at the high school each Tuesday and Thursday evenings. Anyone desiring to enter can still enroll in the class.

Mr and Mrs L. G. Andrews, received word that their son J. D. has been suffering with rheumatism for the past two months. He has been transferred from Mercer, Calif., to a hospital at San Francisco. J. D. joined some few months ago.

## HESTER WANTS MILITARY TRAINING IN SCHOOLS

Dave Hester comes forth with a practical suggestion that we start a movement to secure military men for our schools. Give the boys a bit of training before they are drafted into the armed service. The writer believes it is a good suggestion.

## COMING ATTRACTIONS ELLIS THEATRE PERRYTON, TEXAS

March 12-13 "Lady For A Night" with Joan Blondell and John Wayne.

March 14 "Riders of Badlands" with Charles Starrett and Russell Hayden.

March 15-16 "Ball of Fire" with Barbara Stanwyck and Gary Cooper.

March 17-18 "On The Sunny Side" with Roddy McDowell and Jane Darwell.

March 19-20 "Valley of the Sun" with Lucille Ball and James Craig.

March 21 "Gangs Of Sonora" with Bob Steele, Robert Livingston and Ruff Davis.

Preview March 21 "Fiesta" in technicolor with Antonio Moreno and Arminda.

## Three Winners

ENDING FROM Left to Right . . . Max Clawson and the Champion Baby Beef, 2nd, Robert Noe with the Reserve Champion of the County show and Carl Craig Hutchison and his calf was judged 2nd in the Show class at the annual event.

town and sell it to Lee load of soldiers enroute here and eggs in my life.

the hospital at Berger.

### SNOOPER

—Marjorie Russell  
 Margie is getting rather popular with a certain Junior nowadays.

Sada Ruth, you shouldn't be so popular and keep all the boys on your doorstep.

**DOUBLE EXPOSURE**  
 Nadine was the lucky one Sunday night. How do you rate him?

Buck, your new hobby is going to get you in trouble if you are not careful.

Isn't there anything to entertain her or anybody when you leave, Frank?

**DOUBLE EXPOSURE**  
 What boy was Betty H. dating Sunday afternoon?

Vivian B. seems to be dating the X's now-a-days.

Mildred is getting awfully popular with Perryton or has she always been?

What's the matter Irvin did the cigar get you down Sunday night?

Jewel must have had an awful good time Saturday night.

Did Jerry J. and Buddy B. find something interesting in Lubbock or what kept them so long?

How did Bobby H. earn 10c in Science Class Monday. Know anything about that, Betty Jo?

### THINGS THAT REMIND US OF

 Which One Do I Really Love

—Betty June Godfrey.  
 Will You Still Be Mine—Velma Dillow.

**DOUBLE EXPOSURE**  
 Tommy's Mustache—Bonnie L. Becker.

If I Could Have A Wishing Pipe I'd Wish For You—Nadine Hardin.

Hold Back the Dawn (Saturday

night)—Alton Ellsworth.  
 You'll Never Know How Much You've Hurt My Heart—Nellie Hamilton.

Be Fair—Sybil Martin.  
**DOUBLE EXPOSURE**

Drink To Me Only With Thine Eyes—Onetia Horn.

This is no Laughing Matter—Mary Lee Dacus.

I Think of You—Jack Dacus.  
**DOUBLE EXPOSURE**

Lost in a Dream—Arlys Womble.

You Fascinate Me—Loretta Crawford.

### FRESHMEN NEWS

—Floyd Crawford  
 Now that the basketball season is over, we will look forward to the band contest. Speaking of basketball some certain freshmen certainly had a good time at the Stinnett tournament. Everyone in band is working and trying to get ready for contests.

**DOUBLE EXPOSURE**  
 I think we will start marching soon. Our 6 weeks exams are over and we will look forward to the day when school is out. We worked harder this last six weeks and received better grades. The next time we want to work as hard and find we have made a success at the end of school.

The English 1 students have been copying poems to learn before this semester is over. There are many lines to be put into our "mental capacity" so we must work hard. "Annabell Lee" is one of our favorites.

—DdOoUuBbLlEe Exposure —

### SOPHOMORE NEWS

The Sophomores are proud of two new members, very nice looking boys named Billy Joe and Caylor Davis they come to our school from Gruver.

Our class, on the whole, has better grades than usual this 6 weeks.

### SOUR NOTES

—PAT HUTTON  
 Another group of solos has arrived. They are: "Polka-Lilies", cornet, Billy Jack Glover; "Vignette", cornet, Don Cooke; "Valse Caprice", clarinet, Worley Smith; "Salamander", bass horn Robert Schnell.

A definite date for Prof. Wiley's visit has been set for March 28th. The clinic will start at 2 o'clock. He will give us his interpretation of our contest music.

It will be necessary for the

band to go to the contest at Amarillo in private cars because the busses cannot go on band or athletic trips in the future. Mr. Byron would like to hear from all interested patrons and band parents who would take cars on April 24th.

Mr Rattan and his Phillips HI Band will be here next Friday.

### JUNIOR NEWS

Tests being over the Juniors are beginning to think of the Junior-Senior Banquet.

At a class meeting, Friday, May first was set as the date. No further plans have been made, but everyone seems to be thinking about it quite a bit.

Senior Play - Double Exposure  
 The Juniors welcome Louella Coox to their rank. They hope she has found Spearman HI a more than interesting place.

The Junior honor roll for the 4th six weeks is: A—Wilbur Fullbright, Pearl Robertson, Pat Hutton, Dickie Kiker, Sada Ruth Hoskins and Rita Roach.

B—Katherine White, Irvin Davis, Peter Vernon, J. L. Pierce Nadine Deck, Thadine Deck, Ella Mae Hull, Helen Kenney, Sybil Martin, Charlene Tucker, James Entriken, Robert Schnell, Dorothy Daniel, Betty Ellsworth Betty Godfrey, Wanda Lee, Nadine Hardin and Shirley Moses.

### CAMERA CLUB

—Joy Crooks  
 We are still waiting for the sensitized paper. It seems as if it will never come.

We find it rather complicated to develop Super X film, but we are improving. At times we have gotten our acids mixed, causing the negatives to be streaked and blurred. We have taken the negatives out of the developer too soon, and the results are not very plain.

The seniors seem to have forgotten about developing pictures in the freshman lab much to our relief.

Senior Play - Double Exposure

### SENIORS

—Zola Mae Sheets  
 The girls have been cast for our play. They are Velma Dillow as Nina King, the mother; Betty McKay, as Helen King, the daughter; Viola Jones as Nadine Shipman, a friend to the Kings; Onetia Horn as Bertha Keller, Leona Shedeck as Mrs Jerome Stanfield, Margie Gerber as Bertha Riggs.

There is another Bertha in the

play whose identity is not now revealed. This Bertha certainly doesn't help clarify matters any. Then Neal Duncan makes such a charming Daisy Schultz, a bodyguard for Mrs Stanfield. Bodyguard? Yes, Daisy, alias Neal,

alias Jerry Jacobs. You mustn't miss her!

A large percent of the class made the honor roll. They are A—Mary Lee Dacus, Velma Dillow, Jan Nabours, Jo Nell Riggs Zola Mae Sheets, Vernon Crooks, Jerry Jacobs, and Kenneth Killian.

B—Kenneth Burke, Charles Clement, J. D. Hester, Bill Jackson, H. L. Meers, J. D. Mitchell Robert Novak, Leroy Smith, Bonnie Becker, Jewel Brandt, Virginia Buchanan, Mona Burleson, Evelyn Garner, Margie Gerber, May Lee Harbour, Onetia Horn, Viola Jones, Geneva Mackie, Betty McKay, Bonnie Moses and Leona Shedeck.

### SEVENTH GRADE NEWS

We are happy to have a new pupil in our class, Bette Lee Davis from Gruver. Bette Lee brings an excellent record for her school work in the Gruver school, and has been a member of their volley ball and basketball teams. We are sorry that she did not come earlier so that she could play on our team.

Everyone enjoyed the chapel program last week. We are looking forward to hearing the Phillips band directed by Fred Rattan former principal here.

As the close of the year approaches we are getting anxious about our class activities. We now have 42 members of our class and expect to have a large

graduating class and a round of class activities to close out the year.

### FIFTH GRADE

We have \$479.05 in Defense Stamps and Bonds. We are also saving paper for defense.

We have a new pupil in our room, Bobby Dean Davis from Gruver.

In our Citizenship Club we decided to have an Easter Egg hunt.

### FIRST GRADE

Pupils in the first grade who made the A honor roll for the 4th 6 weeks were Ted Dacus, Jimmy DeArmond, Joe Mack Hill, Don McCammond, Carolyn Cator, Bill Joanne Greever, Opal Hale, Shirley Oakley, June Scroggs, and Loretta Smith.

### PERRYTON BAND TAKES OVER SPEARMAN

—Dickie Kiker

The students of Spearman were honored with a visit from the members of the Perryton band last Friday morning at assembly.

After the pledge of allegiance to the flag, Mr Byron introduced Mr Kelly, principal of Perryton and Mr Glenn Traux, band director. The first number played by the band was a contest overture "Student Prince."

**DOUBLE EXPOSURE**  
 "Listen to the Drummer" their next piece was enjoyed. It featured the drum section in the latter part of the trio.

"Buddies" a cornet and trumpet duet played by Dudley Hargraves and Danny Ellis, accompanied by the band was appreciated.

For a little change from the straight music the band sang Our Own U. S. A.

### DOUBLE EXPOSURE

Then to further the voice part of the program a trio of three sophomore girls, Ann Hurndon, Arlene Traux, and Pauline Cockrell, dubbed by Mr Traux as the Triple Tred Trio, sang To A Wild Rose and sang Taps Till Revillee for an encore.

**DOUBLE EXPOSURE**  
 The band followed this with a class D overture, Cardinal.

Mr Byron took the baton to direct the band in Semper Fidelias. The band evidently had it well practiced. Did Mr Byron look queer when the band rendered some well devised silence breaks. But as Mr Byron said later he did follow them quite well.

The next number was received very well by the audience. Maurice Fritz, Arlene Traux, Doc Patton, Gardon Leurs and Kenneth LaMaster played the contest drum quintet, written by Col. Irons.

The band followed with a snappy number, Kacki Bill.

A medley of three numbers featuring the clarinets playing Hear Them Bells, the cornets playing the Old Oaken Bucket and the Trombones playing The Old Grey Mare and then a combination of three at once was the next number.

The girls trio sang "Deep in The Heart of Texas" with the assembly joining in the hand claps and yells.

**DOUBLE EXPOSURE**  
 The strains of the Star Spangled Banner ended the most interesting program.

EXCHANGE  
 —Rosanne Porter

For Whom The Belle Peels  
 The girl who, incandescent glows Where sun and wind kissed her Is less alluring to beaux When she begins to teeter.

**DOUBLE EXPOSURE**  
 A War Tale  
 "You have never kissed wonderfully before, Laura. Is that? Because we are in blackout?"

"No, it's because my name is Vera."

**DOUBLE EXPOSURE**  
 The young man had taken many cocktails and suspected table partner was aware of ed apology and explanation anyway, he added though I be, slightly under the influence of inkahol, I'm not so thin you drunk I am.

**DOUBLE EXPOSURE**  
 "It was so cold where were," said the Artic explorer, "that the candle froze and could not blow it out."

"That's nothing" said his val. "Where we were the came out of our mouths in pieces of ice and we had to try to hear what we were talking about."

**SECOND GRADE**  
 The following pupils have A average Donald Riggs, B Elaine Dally, Jerry Beth bour, Carol Hull, Barbara Sant, and Arlo Williams. Having a B average Frank zard, Wesley Lackey, Nell Nabb, Larry Overton and Carpenter.

**Hardly added a quart "since Hector was a pup"**

**How this oil that defies "curdling" far out-mileaged five other great quality brands... beat their average more than twice over, in Certified Desert Test**

CURDS thickening up milk don't half give you a picture of the blobs of muck that can foul your oil—and your engine. For muck and "stickum" from oil that fails under present-day strain can't improve lubrication, nor add to safe mileage per quart. But now that you must change oil for Spring—really a law in every Car Instruction Book—you can easily switch to Conoco Nth motor oil. And in patented Conoco Nth oil you get Thialkene inhibitor... man-made... the modern synthetic invented to restrain stickiness—sluggishness—"simmering down thick!"

Conoco Nth gets every chance to stay smoothly fluid; full of life. And still another great Conoco synthetic—same as ever—makes Conoco Nth give you an OIL-PLATED engine, with lubricant "plated" you'd say—or seemingly "magnetized"—direct to inner engine parts. Then OIL-PLATING isn't all draining down fast during parking—or even overnight. Instead, OIL-PLATING can stay up high, to help out your engine at every start, before any oil-pump raises up its full stream.

That's how to foil a lot of wear, and not have your engine soon over-eating oil.

Talk about a strict economy diet! ... Down in Death Valley's record high heat, battling five other big-name oils—impartially—this same Conoco Nth oil was still up above half when all others tested had burned up their engines and their full 5-quart fills!

That's a certified sample. It makes you realize why you can change to Conoco Nth and keep away from adding quart after quart. Get rid of hazardous Winter oil now, at Your Mileage Merchant's Conoco station. Get economy to the Nth degree. Continental Oil Company

**MARY ALEXANDER AND WALTER M. HART OF GRUVER MARRY**

**GRUVER**—The marriage of Miss Mary Alexander, daughter of Mr and Mrs Harley Alexander to Walter Manning Hart, son of Mr and Mrs Hayden Hart, was solemnized Saturday night, at 8 o'clock in the Gruver Community Church.  
Rev. O. P. Kiker of Wichita Falls, great uncle of the bride, officiated.  
Nuptial music was provided by Mrs E. F. Bennett and Mrs Edward Rafferty. Liszt's "Liebestraum" was played as the tapers were lighted. Two vocal solos "Because" (d'Harlelot) and "At Dawning" (Cadman), preceded "The Bridal Chorus" from "Lohengrin" which was used as the processional. Mendelssohn's Wedding March was played for the recessional.  
Background for the ceremony was of pink snapdragons, palms and ferns with lighted white tapers casting a soft glow over the setting.  
Attendants Named  
The bridesmaids, Misses Hazel Irwin Ashley of Houston, Alberta Cheaney of San Angelo, Willie Mae Wilson of Dumas and Mrs Harold Orman of Borger, carried colonial bouquets of white and blue sweet peas. Miss Merle Mayo of Robstown, the maid of honor, and Mrs William Floyd Lynch of Dallas, matron of honor, carried colonial bouquets of pink and white sweet peas. The bride's attendants wore identical dresses of dusty pink marquisette and lace fashioned with long torsos and long full skirts. Their head-dresses were large blue velvet bows and shoulder length veils.  
John Delamater, son of Col. and Mrs B. F. Delamater of the Panama Canal Zone, served as best man. Ushers were Lee Rice of San Antonio, Ferris Hess of McLean, D. A. Russell of Temple, Carl Maloney of Berclair and Edward Rafferty, Jr., of this city.  
The bride, who was given in marriage by her father, wore ivory satin fashioned with elongated bodice with pointed midriff and a yoke of delicate handmade princess lace, full hooped skirt falling into a deep train, and short puffed sleeves which were accented by long fitted mits of satin.  
Her veil of ivory illusion was held in place with pearlized orange blossoms. She wore a heirloom bracelet of handwoven gold and carried a shower bouquet of gardenias.  
**Sabers Are Drawn**  
The bride and bridegroom walked under sabers drawn at the command of the best man.  
After the ceremony a reception was held in the home of the bride's parents. The table was covered with an Italian cutwork cloth and decorated with pink roses and white tapers in crystal holders.  
Misses Helen Ruth Robison and Mineth Rowland of Dallas cut the three-tiered wedding cake. Mrs Dick Goodall of Borger and Miss Leta Mae Phillips of McLean served the punch and Mrs Robert Alexander presided at the guest book.  
The bride donned a three-piece

belge suit with pastel blue and alligator accessories and an orchid corsage and the couple left on a short trip.  
They will be at home at College Station.  
Mrs Hart received her B.S. degree from Southern Methodist University where she was a member of Delta Gamma sorority and Pi Lambda Theta, honorary society.  
Mr Hart attended Iowa State College where he was a member of Beta Theta Pi fraternity. He is now attending Texas A&M College where he will receive his commission in June.

HANSFORD COUNTY

LAKE VIEW TATTLER

Tuesday morning the birds are singing. The wheat is growing, covering the field with a lovely carpet of green. The ducks are enjoying the lake near the house. The school bus is sailing along with happy school children. The stock on the farm are hurrying to the fields, they seem to know it won't be long now until they will be shut out of the wheat. The chickens are singing and cackling, every thing on the farm seems to be happy, because the weather has moderated and the sun is shining real bright, the wind has ceased its blowing and this is a great place to live.

town and the fat stock show. Mr and Mrs Ed Hooper and son Clyde were shoppers in town Saturday. Mr and Mrs Dan Nitsche and daughter Marylee motored to Beaver, Oklahoma Wednesday. Mr and Mrs Olan Williams, Helen and Maxine Kenney shopping in Spearman Wednesday. Mrs Vernie Kenney shopped in Spearman Saturday. Sailing along thru praries, valleys, deserts and mountains on their way to California are Mr and Mrs Van Cleave and Mr and Mrs Bob Bennett. Mrs Sam Nitsche attended the Black H D Club Thursday. Mrs Gilman Flowers and children were shoppers in town Friday. The Gossetts never stay at

home when the weather is bad. They bundle up and head out. John Sims transacted business in Spearman Saturday. Miss Olsen, Anetia and Willis King were in the S. J. Powell home Wednesday after school. Mrs S. J. Powell visited in the Dan Nitsche home. Mr and Mrs S. J. Powell called in the Sim home Sunday afternoon.

NOTICE TO CREDITORS

To Creditors of the Estate of Ida L. Douglas, deceased: Notice is hereby given that letters testamentary on the estate of Ida L. Douglas, deceased, were granted to me on January 12, 1942, by the County Court of Hansford County, Texas. All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law. My residence and post office address is Spearman, Texas. Dated this 9th day of March, 1942. H. W. Douglas, Executor of the estate of Ida L. Douglas deceased. First pub. 3-12

ZONE MEETING

The Women's Society of Christian Service held their Zone Meeting at Booker, March 5. Mrs Robert Douglas is chairman of the Zone on the program from Spearman were Mrs C. A. Gibner, vocal solo; and Mrs Sid Clark, talk on World Federation of Methodist Women. Others attending were Mrs G. P. Gibner and Mrs F. J. Dally.

Mr and Mrs Roy King and son James Roy came over from Amarillo Saturday night to visit Mrs King's father, Simeon Caldwell. Mr King returned on Sunday, but Mrs King and son remained to visit this week.

R. V. Converse Says:

We listened to the fireside talk delivered by President Roosevelt, Vice Pres. Wallace and Secy. Wickard. It was nice to be told by these high officials how important we farmers are in the economic set-up of the United States. Makes us feel like we are the proverbial goose who is just about to lay a golden egg. When we look at the situation seriously we wonder if the administration is not attempting to cut off the head of this wonderful goose who is capable of

THE SPEARMAN REPORTER

dumping the eggs into their lap. We as farmers, and I speak with experience, as I have made my living such as it has been all thru the Roosevelt administration from the farm located in Hansford and Ochiltree counties. I was here during 1926, the crop that year was so great that wheat was piled high on the ground. I have lived here ever since. The crops were fairly good in 28-29-30 and 31 and 32 was not so bad for this section. From then on it has been a question of can we hold out another year. Can we make it at all. We saw the dust storms wipe out our crops year after year and reduce the feed for our cows until we were unable to keep the number needed. We were here when the price of cattle went so low that one was compelled to almost give his cows to the government in order to secure a little feed to hold over the balance of his herd. We stayed as did many others when a hen or hog was a liability and it was almost a business disgrace to acknowledge you had either.

Now just as the farmer is getting where he can commence to see his way out the administration seems to wish to halt his chances on the pretext that it will cause inflation, but they do not think high wages and fabulous profits are a thing to worry about. The administration also tells us that we farmers can win the war. Knowing that we are a loyal class of citizens and in every war in the past the farmer has fed the army, and when the regular army moved into a tough spot the farmers have sent their boys to win the wars. Never have the farm boys failed. They have always waved Old Glory over the heads of every enemy. Mr President, so shall it be again. But we do think we should be granted the privilege of paying for our land and getting out of debt. We do not want anything that it wrong, but we would like to earn the same percentage of profits that are delt out to the manufacturers, as our products are war materiel just the same as theirs.

Yours, R. V. C.

DELPHINIUM FLOWER CLUB

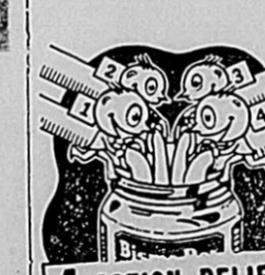

Mrs Freeman Barkley was hostess at the regular meeting of the Delphinium Flower Club at her home Monday, March 9th. Mrs Eugene Richardson presented the lesson "Lovely New Flowers for 1942". SHERIFF AND TAX COLLECTOR

24-Hour Alert

- The men who guard our coastlines are on the alert 24 hours a day. Aircraft spotters, naval patrols, and the pilots who range far out at sea maintain a constant watch for enemy movements. They know that upon their vigilance depends the safety of the nation. Unceasing watchfulness is also demanded of the men who provide your electric service. Theirs, too, is a 24-hour-a-day job... the job of maintaining a service vital to war production, to all industry, to business, agriculture and the home. They must be on guard against possible causes of service interruptions... quick to act in case of storms, floods or other emergencies. Day or night, they must be ready to uphold the tradition of the electric business: "The service must not fail." On the power front, as on the coast defense lines, unrelenting vigilance is the watchword for the duration.

Soldier of industry... guardian of your electric service... the lineman, like the men in uniform, is ready day or night to go where duty calls.
