

7,000 Pounds Of Scrap Rubber Collected Here

President Roosevelt announced the nation-wide campaign to collect scrap rubber now under used as a yardstick for gasoline rationing in this area.

Several citizens are donating the rubber flooring in their cars saying "A mat will slap a Jap."

This campaign closes June 30 and it is estimated that this county will turn in nearly 50,000 lbs of scrap rubber.

Thursday morning at 10 a. m. the following stations reported:

overshoes, tennis shoes, tires, tubes, etc. These are all needed for recapping and retreading car and truck tires.

Several citizens are donating the rubber flooring in their cars saying "A mat will slap a Jap."

This campaign closes June 30 and it is estimated that this county will turn in nearly 50,000 lbs of scrap rubber.

Thursday morning at 10 a. m. the following stations reported:

CHAMPLIN 3,015 lbs.
CONOCO 2,759 lbs.
CONSUMERS 6,289 lbs.
MAGNOLIA 4,000 lbs.
PHILLIPS 1,000 lbs.
SINCLAIR 200 lbs.
MORTON 500 lbs.
Total 17,763 lbs.

Tuesday evening members of the Salvage for Victory committee met at the court house for their first meeting. Chairman N. M. Doyel presented to the com-

mittee the rubber drive and committees were appointed to hand in reports on the progress. It was announced that the response by citizens on saving waste paper was so great that national headquarters were now advising that all the paper needed for some time was on hand. However, they stated if it was convenient, citizens should save as much waste paper as possible in case another drive was started.

Attending this meeting, Tom Etter, Mrs. C. A. Gibner, A. R. Turner, Roy Jones, T. R. Shirley, A. F. Barkley, N. M. Doyel, P. A. Loftin, Spearman; Mrs. A. R. Bort, Frank Wallin and F. A. Shapley, Gruver.

Two cotton scales are needed by this committee to weigh scrap metal and rubber. They will guarantee their safe return after drive is over.

SCRAP METAL
A county-wide scrap metal drive will start soon for rural residents. A letter of explanation will be mailed each farmer of the county with an enclosed card to be filled out and returned to the scrap metal headquarters. Trucks will be furnished by the government in this drive to pick up all scrap metal on farms in this county.

The price for scrap metal,

when picked up by government trucks will be 25 cents per 100 pounds. Scrap rubber 1-2 cent per pound.

R. L. McClellan Grain Co., will be the official weighing station for this area and H. L. Heard, Santa Fe agent, says a place on the railroad siding will be used to dump scrap metal and rubber accumulated in this county-wide drive.

ER CAUSES
BLACKOUT
Goodwell, Oklahoma had a 7 hour blackout June 6th. Ed Spearman, sportsman flyer, coming in for a landing when ship clipped power lines and served Goodwell 10 miles.

CROSS NEWS
The Production department of Ford County Chapter, American Red Cross, was asked to report with headquarters at St. Louis of all garments and shipped by this chapter for the year beginning April 1st ending March 31, 1942. Garments were made for for-foreign and 31 garments for Navy. This does not include relief sewing and knitting, the rest of the year. Since garments were shipped April 1st, 1942, 140 volunteer have assisted in this. The only thing we have to give out is yarn for neck sweaters, helmets caps for the Navy. Scraps are used for quilt tops. The demonstration club from Medlin community made a top a few weeks ago. These will be made into quilts and along with the other war garments. We would like those who are knitting the less sweaters for the Army complete them as soon as possible they may be shipped later than June 30th.

EARL MADDEN NEW CITY MARSHALL
Earl Madden was employed last week by the City to take the place of Bob Crawford as nightwatchman. Crawford resigned because he had other work that had to be done in the day time making it impossible for him to continue his all-night work.

Madden is well known here, as he was an outstanding football player, and boxer. He had served with peace officers of the city and county for the past few years and he is fully qualified to handle his new duties.

Earl says he is going to work on this new job to the best of his ability and urges the cooperation of Spearman citizens.

6 LBS. SUGAR AVAILABLE FOR CANNING
Inquiries have been coming in concerning getting sugar for canning purposes. Following are some of the rules which should govern the consumer.

1. The applicant must have something to can, or know that he can get it immediately, when he turns in his application.
2. The applicant is eligible to receive up to 6 pounds per person in the family for canning during the year, in addition to the regular allotment of 1 lb. each two weeks. He can get a certificate for part of this amount when he has something to can and then he may get the rest of his allotment when he gets fruit to can.
3. Government regulations limit the usage to one pound of sugar for each gallon of canned fruit. The limit for jams, jellies, preserves, butters, etc., is one pound per person per year, and this must come out of the six pounds which each person is eligible for, if he has the fruit.
4. Some of the information the applicant must have at hand is:
 - a. How much fruit the family canned last year.
 - b. How much fruit they now have.
 - c. The number of quarts of fruit to be canned with the sugar applied for.
 - d. Whether any part of the sugar is to be used for jams, jellies, preserves, etc.
 - e. Bring the War Rationing Book for each member of the family, when you place your application.
5. You may make application upon any day of the week when you get the fruit to can.

Mrs. Delbert Caldwell and children of Colorado are visiting with her parents Mr. and Mrs. Smith and sisters Mrs. Dub Hanners and Mrs. Roscoe Sparks.

3,000,000 BUSHELS PREDICTED IF WEATHER HELPS
Barley Crop Will Be Smaller Than 1941
Next week, harvest in this area should be in full swing providing no more rain is received. "Elevator row" will buzz again with the traffic of trucks, the hum of dumping pits and the screeching of train car brakes. And the golden grain will be pouring into Spearman from all sides.

With a storage capacity of well over a quarter million bushels, six grain companies will handle the crop of this year's harvest. Spearman Equity Exch. recently consolidated with Perryton Equity Exch. managed by Dude Hart; W. B. Johnston Gr. Co., Charley Tucker, local manager; Hansford Grain Co., L. S. McLain, manager; R. L. McClellan Grain Co.; R. L. Porter Gr. Co., and Frank Hardin Grain Co. managed by W. A. Ellsworth.

The grain dealing business was opened here in the year of 1920 the year following the opening of the town. Since that time this city has handled millions of bushels of grain within a price range of \$1.75 to 27cents per bu.

Prospect this year has been estimated at about 3,000,000 bu. by some of the optimistic producers to as little as two million bushels by more conservative growers. There is little doubt that this year's crop will, if the weather stays favorable, nearly double last year's crop. Last year, 1941, Hansford county raised 1,750,000 bushels. This year about 175,000 acres of wheat will be cut with most of it supposed to average about 20 bushels on up to 50 bushels.

Barley No Good
Old man green bug proved too much for this year's barley crop and observers say that the 1942 barley crop will be about 1-10th of the 1941 crop. However, several volunteer fields of barley will produce 40 to 60 bushels.

More wheat will be stored on Hansford county farms this year than ever before in history, since nearly all terminal warehouses are full of 1941 wheat.

CCC GRANARIES FOR SALE TO FARMERS
Commodity Credit has bought for resale to farmers some 1,592 bushel granaries at \$225 each and 1,843 bushel granaries for \$270. Farmers may obtain these granaries by making application at the office of the County Agent.

Payment for bins may be made in cash or by note and chattel mortgage which must be made on or before delivery of bins to producer. Notes will become due and payable at the time loan is taken out on wheat.

Mrs. J. L. Prather and son Richard of Holdenville, Okla., are visiting this week with her parents Mr. and Mrs. Willis Peters.

Mrs. Nora McNulty and Charles Fisher of Topeka, Kansas are visiting in the homes of Mrs. McNulty's daughter Mrs. Willis Peters and family and her son, Jim McNulty and family of the Medlin community.

Mr. and Mrs. Clarence Martin and son Clifford of Las Animas Colorado visited Mr. Martin's mother here the first of the week. Clifford was one of the young men who left Monday to join Uncle Sam's service.

Mrs. Joe Hatton returned Sunday from Amarillo where she spent the last week with her parents, Tommy and Joey remained in Amarillo.

Freeman Barkley visited his wife and young son over the week-end in Amarillo and also attended a farm meeting.

Mr. and Mrs. J. D. Bassel of Longview, Texas visited her parents, Mr. and Mrs. J. H. Buchanan this week.

Sunday visitors at the Cecil Crawford home were Mr. and Mrs. Arch Morse and family, Mr. and Mrs. Jack Whitson and children and Mrs. C. E. Kiker.

Mr. and Mrs. Howard Trimble of Boyd, spent Sunday night with Mr. and Mrs. Cecil Crawford. Mrs. Trimble is the former Miss Mary Reimer who attended school here.

Mrs. Bob Crawford has been ill with the mumps the past week.

Mr. and Mrs. Sid Powers of Amarillo were in Spearman the first of the week.

GETS B A DEGREE FROM TEXAS TECH
Perren Lyon Jr., son of Mr. and Mrs. P. A. Lyon, Spearman, received his Business Administration degree from Texas Tech, Lubbock, June 1st. Perren volunteered in the Navy V-7 class and is subject to call on 24-hour notice.

WESTERFIELD
From now on, ALL orders we receive must be put in an envelope with proper postage on them. This is a Federal Regulation and we must observe it. **WESTERFIELD TRUCK LINE** J. D. Oakley, local mgr.

NO NEW TIRES ISSUED
No new passenger car tires were issued and no re-treads were issued this week by local rationing office.

Truck, pickup and tractor tires issued: McClellan Grain Co., 1 tire, R. L. Porter, 2 tires, 2 tubes B. M. Maize, 1 tire, G. J. Branvik, 1 tire, 1 tube, L. S. McLain, 1 tire, Arthur Thoreson, 2 tires, T. M. Allen, 2 tires, D. B. Keim, 1 tire and 1 tube, Ora Schroder, 1 tire, F. R. Wallin 1 tire, Oldaker Bros. 1 tire, R. V. Converse, 1 tire, 1 tube, Roy Thomas, 2 tires, 2 tubes, Carl Clawson, 1 tire, 1 tube.

Truck and tractor re-treads, F. Novak, 1 tire, Sterling Miller, 2 tires, Emit Ryan, 2 tires.

Sugar stamp No. 4 is now good for purchase of sugar.

WESTERN AUTO STOCKS PHONOGRAPH RECORDS
T. R. Shirley, owner of the Western Auto Store announced this week that he had a nice assortment of popular phonograph records for sale. Due to a shortage of materials it will be necessary for persons buying new records to exchange an old record, whether broken or not in on the new record. He also said that they would pay 2 cents each for old records.

WOMBLE HDW. ADDS FURNITURE STORE
Noel Womble, announced this week that their hardware store was now handling furniture. He said "we do not have a big stock on hand, but we can get nearly anything you want."

"If you need a stove come by and let me explain to you just the proper procedure for getting one", Womble said.

Wheat On Wheat Loans Is Listed
Announcement of the government loan rate on this year's wheat was made this week by the AAA office. The loan schedule has been set to include wheat grading No. 1 through No. 5.

1—\$1.08 per bu.
2—\$1.07 per bu.
3—\$1.05 per bu.
4—\$1.02 per bu.
5—\$.99 per bu.

It is stated that although storage like at first there would be a place for this crop the situation had changed and a favorable storage outlook was now viewed.

1 Barley 55c per bushel
2 cents per bu. for No. 2 or better.

Minimum premium above loan amount to as much as 10c per bushel.

JONES CLEARS \$32.00 BY SHOOTING COYOTE
Dennis Jones, No. 1 hunter of Hansford county is now offering his services to anyone in the county that is being bothered with coyotes.—Ted Rosenbaum, who lives west of town had been losing several sheep each week being killed by coyotes. He contacted our No. 1 hunter and offered him \$25.00 to kill the big coyote that was doing the damage. Jones went to the Rosenbaum ranch and found a den. He waited in the wheat until she came to feed her pups and taking aim he fired, killing two pups. He said his gun sight had been knocked out of line in crawling to the den. The next day Rosenbaum told Jones that the coyotes had killed two more sheep. Jones hunted for another den and found it at the bottom of a canyon. He hid near the top of the canyon and waited 7-12 hours until the coyote came to the den. Since this coyote was worth \$25.00 to him he really took aim and killed her. Rosenbaum told Jones he would give him \$100 each for the pups so Dennis proceeded to dig up the pups and collected \$7.00 for the pups. That netted Dennis \$32 for about 8 hours work.

ATTEND FBI SCHOOL
Deputy Sheriff J. B. Cooke and Constable Earl Madden, attended a special Federal Bureau of Investigation (G-Man) school in Amarillo, Tuesday, June 16.

The talks were based on National Defense concerning peace officers. Deputy Cooke has attended every school held in this area.

June 23-24 "Submarine Raider" with John Howard, Marguerite Chapman.
June 25-26 "The Big Shot" with Humphrey Bogart and Brenda Marshall.
June 27 "Romance On The Range" with Roy Rogers, Gabby Hayes.

Amarillo Production Credit Opens Branch Office Here
Sid Powers, secretary of the Amarillo Production Credit Association, this week, announced the opening of a branch office for Spearman in the McLain building formerly occupied by the Dick Kiker grocery.

Powers said "we are opening this, our first and only branch office, to better serve our members of this territory. Lucian O. Burnett, well known in this territory, will be in charge of the Spearman office and will serve as field man for that area," Powers concluded.

Mrs. Alvino Richardson, former secretary of the local draft board has accepted a position as assistant in the Spearman branch.

Production Credit loans are made only to Producers of wheat and cattle and allied industry.

Twelve counties are served by the Amarillo Production Credit Association: Hansford, Sherman, Dallam, Hartley, Moore, Hutchinson, Oidham, Potter, Carson, Deaf Smith, Randall and Armstrong. Members in any of these counties may make application for loans at either the Amarillo or Spearman office, Powers said.

Japanese Try to Wreck Morale of U.S. With Dope

New 'Secret Weapon' Seen In Flooding Country With Narcotics.

WASHINGTON. — Law enforcement officers throughout the country are mustering all their forces to combat Japan's newly disclosed "secret weapon"—the flooding of America with morale-wrecking, poisonous narcotics.

The existence of this typically Japanese plot against American morale has been known to higher-ups in the anti-narcotic service for some time, but a recent statement by Secretary of the Treasury Henry Morgenthau Jr. establishes it for the first time as a deliberate instrument of the enemy's national policy.

For the past ten years, it can now be stated, the principal source of illegal narcotics reaching America has been Japan.

Three-fold Purpose.

This deadly traffic—which has been interrupted, but not halted, by war—is declared by Harry J. Anslinger, commissioner of narcotics, to have a three-fold purpose:

1. To gain additional revenue for war purposes.
2. To corrupt Occidental nations, which are regarded by the Japanese as peculiarly susceptible to the higher concentrations of narcotics, such as morphine, heroin and cocaine.
3. To demoralize and enslave the peoples of lands already invaded or marked for eventual invasion.

For more than a decade, the cargo of nearly every Japanese ship reaching these shores is believed to have contained hidden narcotics destined for the American people.

Even a ship bearing Prince Chichibu, brother of the Mikado, was not exempted as an agent of the sinister traffic. Customs officers searched it at Seattle, and found morphine worth hundreds of thousands of dollars (at U. S. illegal prices) concealed beneath an apparently innocent shipment of soy beans.

Similar smuggled cargoes of dope, virtually all of it originating in government-licensed Japanese factories, have been found by government men aboard vessels docking in New York, Boston, Baltimore, Los Angeles, San Francisco and other large ports on both coasts.

Cargoes Slip By.

But it is admitted that many other dope cargoes, equally large, have inevitably slipped by—to be sold at exaggerated prices to dope addicts.

Only the strong preventive campaign waged by this government in recent years, according to anti-narcotic officials, has saved thousands of Americans from falling prey to this vicious "secret weapon" of the enemy.

But the story is different on the Pacific, where the Japs have been able to operate without interference.

In occupied China, hundreds of thousands of Chinese, who had been cured of the opium habit by the stern measures of the Nationalist government, have been seduced back into it by the Japanese.

The same fate, without question, awaits the people of Thailand and the Philippines, provided the Japs can gain even temporary control of those countries.

By pursuing those insidious policies everywhere, the Japanese high command believes, resistance can be weakened so as to smooth the path of invasion, and to make it possible for a relatively small Japanese force to hold a conquered nation in subjection.

Parachute Jumping Is Tough, Declares Expert

SHEPPARD FIELD, TEXAS. — Parachute jumping is risky, takes a lot of nerve, and is a tougher job than the ordinary infantry, according to Private Franklin L. Ragon, who before his present enlistment in the air corps was a member of the first parachute battalion organized in this country.

Now a member of the 408th school squadron at Sheppard Field, Texas, Private Ragon took time off from his recruit training to recount his experiences at Fort Benning, Ga., where he was trained as a parachutist in the 501st parachute battalion.

A volunteer for this work from the 20th Infantry at Fort Warren, Wyo., Private Ragon went through the rigorous instruction in parachute packing and the proper method of jumping and landing. He made his first jump from 1,500 feet, the second from 1,000 feet and the third from 750.

Holidays Are Headache

For One Woman in Dixie

TALLAHASSEE, FLA.—Mrs. Bess Merryweather of Yankeetown is getting to the point where she hates to see another holiday come around.

She wrote to Gov. Spessard L. Holland that:

Her car was stolen on Thanksgiving day.

Her house was broken into on Christmas.

She was robbed of her jewelry and \$700 on New Year's day.

Besides asking the governor to do something about solving the crimes, she added, "we need a trained detective and a lie detector, if possible."

NOTICE OF APPLICATION FOR AUTHORITY TO MAKE OIL AND GAS LEASE In Re: Guardianship of Farene Odom and George Paul Odom, Minors. —NO. 219. In The County Court of Hansford County, Texas, In Probate.

Notice is hereby given that I, Charman Odom Lyle, guardian of the person and estate of Farene Odom and George Paul Odom, did on the 10th day of June, 1942, file my sworn application in the above entitled and numbered cause with the County Clerk of Hansford County, Texas, for an order of the County Court of Hansford County, Texas, authorizing me, as guardian of the person and estate of such minors, to make an oil and gas lease to D. D. Harrington, as lessee, upon such terms as the court may order and direct, on that certain real estate lying, being and situated in Hansford County, Texas, belonging to such minors, described as follows:

An undivided one-fourth (1-4) interest in and to the S.W. 1-4 of section No. 130, in Bk. No. 2 GH&H Ry Co Original Grantee, containing 163 acres of land, more or less, said 1-4 interest containing 40.75 acres more or less.

That A. F. Barkley, Judge of the County Court of Hansford County, Texas on the 10th day of June, 1942, duly entered his order designating the 22nd day of June, 1942, at 10 a. m. in the County Court room in the court house of such county in the town of Spearman, Texas as the time and place when and where such application would be heard and that such application will be heard at such time and place. Charman Odom Lyle, Guardian of the Person and Estate of Farene Odom and George Paul Odom, Minors.

BULK GARDEN SEED. See Don McLain at Hans. Gr. Co.

FOR SALE: Good milk cow. Can be seen at my home 7 miles north east of Spearman. E. C. Greene.

CONSERVE FOR VICTORY. TIPS ON THE CARE OF YOUR ELECTRIC RANGE. Properly used, your electric range can save you time, money, food and work. It helps conserve vitamins, too. Here are hints that will help you keep it in A-1 operating condition: Clean outside of your range as you would a china plate. Wash, when cool, with warm soapy water; rinse and wipe dry. Do not put cold water or cold objects on outside finish when hot. It may crack or craze the finish. Avoid letting spilled foods dry or harden on range. Food spilled on surface units should be burned off. Avoid using stiff brush or sharp instrument. Most surface units can be raised and the pan beneath removed for scouring. This should be done every day. To clean oven, first be sure it is cool and switch is off; then remove heating units by pulling them straight out. Wash oven linings with warm soap and water, scouring charred spots with steel wool. Rinse and dry. Scour oven shelves lightly with steel wool. Never wash oven or surface heating units. Keep dripping rags away from switches. Use a rag that is merely damp. Aluminum deep well cookers should be kept bright and shining by scouring with steel wool and soap and water. Porcelain enamel cookers should not be heated before adding fat, water or foods, should not be permitted to boil dry, and should not be subjected to sudden changes of temperatures. Have a competent serviceman check your range occasionally, to make sure it is "sitting level" on the floor, that the vent is clean, that the units are operating satisfactorily, and that wiring is in tiptop shape. Remember — an ounce of prevention is worth a pound of cure, so give that range of yours the best of care and it will last you longer and give you better service. FREE BOOKLET ON APPLIANCE CARE yours for the asking. Published by Westinghouse, it tells you how to make the most of your electric household servants. Get your free copy today. GRUVER NEWS

The many friends of Mr and Mrs Walter Evans will be sorry to hear that Mrs Evans is very seriously ill in an Amarillo hospital. Mr and Mrs Evans are the parents of Art Evans well-known Gruver oil man.

Everywhere in Gruver one hears the sound of combines. Not that we are cutting wheat yet, but everyone is getting ready to cut some. We have had good moisture lately and gardens and lawns are looking beautiful.

A number of old Gruverites are either back in Gruver, or on their way back. Mr and Mrs Ab Willey are already here. Mr and Mrs Bill McRee are expected back any day, also Jim McRee. Mrs Mary Fletcher who is nursing her mother, who is very ill in Dalhart, spent a few days at her Gruver home.

Mrs Ted McClellan, Mrs Babe McClenagan and Mrs E. G. Garrett were all over in Spearman this week. Of course many other Gruver citizens visited Spearman but lately since tires are so precious there is much less visiting in our neighbor city.

Mr and Mrs Oscar Gross returned Sunday from a fishing trip to Kansas and points north and west. Oscar reports catching lots of fish, until the last day. That was the day he intended to make an extra big haul to bring home. But the weatherman ruled otherwise.

There is a report that our good friend Doc Jones will be leaving us soon. Doc Jones recently took his exam for the Air Medical service and passed with flying colors. Doc has not yet decided whether to go to Australia or Alaska. As soon as he decides we will tell you. In the meantime Doc will be sorely missed, for his skill is needed now as never before.

Bro. Herbert Hughes has returned for a two weeks meeting with the Sunray Baptist Church. He will be in the pulpit for both services Sunday. Seeing that Sunday is father's day, a special service will be held Sunday morning for Fathers and Sons. We would like all fathers who do not attend other churches to be with us. Bring their sons and sit with them. The pastor will bring a special message at this service.

Sunday School meets at 10 a. m. and the BTU at 8 p. m. You are cordially invited to be with us.

BLODGETT NEWS

J. M. Kenney celebrated his 10th birthday Sunday with a party. Games were played and refreshments served to the guests.

Mr and Mrs Norman Lewis and Mr and Mrs Bob Lewis and Miss Kathleen Kenney enjoyed fishing Saturday night and Sunday at Lake Fryer. They also enjoyed the opening at Lake Fryer.

Mrs Ralph Blodgett and Miss Florence Holton went to Amarillo Sunday to meet Ralph Blodgett who spent the week-end with home folk. He returned to Amarillo Tuesday morning to return to his work at Prior, Oklahoma.

Mrs James Reed and Margaret Alen visited in the Blodgett home Monday. The evening was spent in lining a bassinet for A. Dennis Jr. Reed. Margaret Alen was all smiles as she is expecting her mother and new baby to be home Wednesday.

Mrs Ralph Blodgett and Ralph Dennis Reed and Margaret Alen were Perryton shoppers Monday.

Miss Kathleen Kenney and Mrs John Kenney were Perryton visitors Saturday.

Mrs E. C. Hooper is enjoying

a visit from her daughter from Wichita, Kansas.

Mearl Beck returned from South Texas Monday with a load of lumber.

Mrs Bob Lewis and her mother in law, Mrs Lewis Sr., were visitors in the John Kenney home Monday.

OSLO NEWS

Morning worship at Oslo Lutheran Church Sunday June 28, third Sunday after Trinity will begin at 11:30 a. m. Sermon theme "To Turn To God In Repentance Is to Return to Rational Living." Luke 15:11-24. The Sunday School will begin at 10:30 a. m. The Bible School will continue in the Oslo School next week.

H. C. Hjortholm, pastor.

Oslo News

Believe it or not. It was so cold last Sunday morning that some of us looked for snow. It was necessary to light the fire at the church to make it comfortable enough for services. After services many huddled around the stove as if it were mid-winter. Those who depend upon electric brooders for their little chicks hoped that the current would not be shut off. Instead of snow we had a good rain with no wind or hail Sunday evening.

Wheat Farmers

We are making every effort possible to find more grain storage for wheat. You farmers realize as well as we do that the storage problem this year is our biggest worry. When we started our business we stated that we are here to serve the wheat growers of this territory and we are going to do our best this year to keep our pledge.

We still have a complete assortment of field seeds. Better get yours today.

Don't forget the Scrap Rubber Drive from now until June 30th. Just take your scrap rubber to the nearest service station.

Daley Glass Shop

Perryton, Texas

The total rainfall for the week ending Monday was .70 inch.

The Vacation Bible School conducted by pastor Hjortholm, which had to be postponed because of rain did not begin until Tuesday. Weather permitting the school will continue this week and next.

Harold Collier has secured 3 young men from Clifton, Texas, to help him with the harvest. They are Lloyd Olson, Millburn Knudson, and Oran Olsen. Wilma Fay Olsen, a sister of Oran, is helping Mrs Collier with the housework. With so many from Clifton at the same place, none of them should be homesick. We are glad that these young people can come to our community for services and otherwise to visit the people here and also those from Clifton who are employed here.

James Stedje, Jodie Knutson, and Harry Sawbeck drove to Wichita last Saturday to visit Clifford Stedje, who is employed in an aircraft factory at that place. They returned on Monday.

Mr and Mrs Gordon Stedje and Marie Stedje drove to Amarillo on Thursday of last week. They returned the same day.

Mavis and Louella Dahl, daughters of Mr and Mrs Oscar Dahl stayed with their grandmother, Mrs Johanna TeBeest for several days last week.

Mr and Mrs Albert Moen were called to Lake Preston, South Dakota, last week by the death of Mrs Moen's father. We wish to extend our sympathy to Mr and Mrs Moen. Mr and Mrs H. Moen drove to Kerrick last Sunday to be at the Moen home when Mr and Mrs Albert Moen returned.

Louise Knutson is very ably taking the place of her sister, Leona, as organist at the Oslo Church, during the absence of her sister who is attending summer school.

Mrs Johanna TeBeest, Ted and Ruth and the Reuben TeBeest family called on Mr and Mrs J. Christofferson last Sunday afternoon.

Mr and Mrs Loud from Dumas and Mr Loud's brother and his wife called at the Emil Knutson home last Sunday afternoon.

Imogene Knutson and Louise and Amy Arlene Knutson visited at the John O. Bahl home last Sunday afternoon.

HAPPY HOUR CLUB

The Happy Hour Home Dem. Club was organized June 1st in a meeting with Mrs H. E. Read. Officers elected: Mrs Joe Entrenkin, president; Mrs J. F. VanSant, secretary and treasurer; and Mrs Oscar Reimer, council delegate. Other members present were Mrs Clarence Gill and Mrs H. E. Read. Miss Brown gave a demonstration on "Drying Food At Home." The next meeting will be with Mrs Oscar Reimer June 25th. The demonstration will be on preparing chickens for the locker. Everyone in this vicinity is cordially invited.

CLUCK - HART

Nuptial vows were spoken June 2nd at the Polk St. Methodist Church, Amarillo, for Miss Mary Rae Cluck and Mr Warren Hart of Gruver.

Mary Rae is the daughter of Mrs Homer Cluck, and Warren is the son of Mart Hart, both of Gruver.

Mr and Mrs Oscar Archer of Spearman served as attendants. Mr and Mrs Warren Hart will make their home at Gruver where Warren is associated with his father in farming and ranching.

Miss Vera Campbell has returned from Billings, Okla. to her home in Spearman.

Miss Verna Gail Allen is now working for Womble Hardware Co as bookkeeper.

Mr and Mrs Jim Sutherland are the proud parents of a daughter born June 4th.

Mrs W. C. Robertson and baby of Denver, Colorado visited in the home of his parents Mr and Mrs C. A. Robertson of Spearman.
