#### THUMBS UP FOR CHINA!

These three little Chinese boys give the ancient Chinese greeting of good cheer familiar to all Americans who visit China. Centuries old, this gesture is accompanied by the Chinese salutation, "Ding Kwa Kwa," which the British have aptly translated into their wartime greeting, "Are we downhearted? No!" The Chinese, too, meet every bombardment, every battle, every trying moment with this slogan of determination and courage to smash aggression . . . and they do it with a smile.

### Kit Bag News

#### COUNTY ASKED TO FILL 57 KIT BAGS THIS MONTH

Mrs. C. E. Campbell, chairman of the Red Cross Kit Bag Fund and making the bags, announced that material had arrived for the Kit Bags. Volunteers are requested to help make them. Get a touch with Mrs. Campbell or Mrs. P. A. Lyon today.

Hansford county accepted a year's quota of 400. Of this quota, 57 completed bags must be shipped each month.

Material for construction of the bags is furnished by the Red Cross. The contents must be furnished by Hansford citizens. Each filled bag costs wholesale \$1.00.

Please leave your donation with Mrs. C. E. Campbell, R. L. McClellan, P. A. Lyon, Spearman Drug Co. or the First State Bank.

The Santa Fe System carloadings for the week ending Oct. 17 were 25,343 compared with 25,890 for the same week in 1941. Cars received from connections totaled 14,173 compared with 14,528 for the same week in 1941. The total cars moved were 39,546 compared with 34,618 for the same week in 1941. The Santa Fe handled a total of 39,142 cars in the preceding week of this year.

#### LIONS WILL NOT MEET NEXT TUESDAY

Lions, there will be no meeting next Tuesday noon. The meeting will be in the form of a banquet for Monday, October 26th.

#### DISTRICT GOVERNOR LIONS 'LADIES NIGHT' WILL BE GUEST AT BANQUET, OCT. 26

Lions and their "Ladies" will attend a "Ladies Night" banquet next Monday night, 7:30, at the Methodist Church annex. All members are urged to attend.

Tickets will be on sale at the Annex Monday night.

Honor guest of the evening will be Murry Fly, district 2T Lion Governor from Odessa, Texas.

Joe Hatton and Bill McClellan have charge of the program.

#### JOHN BISHOP PAYS \$1.00 FINE

Vester Hill, of the Consumers Sales Company and R. F. Newmon of the Phillips Petroleum Company, Borger, were guests of the Spearman Lions Club Tuesday noon at the Methodist Church Annex.

Newmon made a brief talk on employing new men and different methods of teaching men new jobs.

Lion John Bishop gracefully paid the top fine of \$1.00 for failing to have a program.

#### SHIRLEY ELECTED MASONIC SECRETARY

T. R. Shirley was elected to serve the remainder of the year as secretary of the Hansford Masonic Lodge, No. 1040, due to the resignation of Thomas Etter who is entering the service of his country.

#### RESTRICTIONS HAVE BEEN REMOVED

##### Penalty To Farmers Who Do Not Plant Enough Acreage

Restrictions on the planting of Barley, Oats, Maize, Hegira, and other general crops have been removed for the coming crop year, according to word received last week by local AAA officials.

This means that a farmer may plant every acre on the farm to a feed grain crop, other than wheat and still draw his conservation payment.

In fact, each farm will be given an allotment of general crops that MUST be planted.

If the farmer fails to plant his allotted acreage a stiff penalty will be imposed.

These changes in the farm program resulted from the fact that more feed grains are essential if increased production goals for dairy, swine, poultry and beef are to be met.

#### ALL DRIVERS LICENSE EXPIRE NOV. 1ST

##### That Have Not Been Renewed

Austin—In a last minute rush 20,000 Texans a day are applying for drivers licenses, State Police Director Homer Garrison said today.

No old style licenses, the ones with two detachable segments, will be good after Nov. 1. The law provides that, unless the holders of these old licenses get their applications for renewal in to the mail before midnight of Nov. 1, they will have to take an examination.

So many people have waited until near the deadline to file their application that "we are just about snowed under," Chief Draper said. While the Drivers License Division is able to issue 10,000 renewals a day, it may be three or four weeks before late applicants get back their licenses.

#### \$50,000.00 IN PARITY CHECKS RECEIVED BY FARMERS

One hundred and seventy-seven parity checks totaling \$50,000.00 have been mailed wheat producers of Hansford county so far this week.

This represents about one-fourth of the total.

Parity checks are being mailed DIRECT to producers this year. Do not call at the county agent's office for your parity check.

Address: Pvt John M Archer Co A Reception Center Fort Sill, Okla.

Mr and Mrs T. C. Harvey were in Spearman Thursday.

#### PROMPT SUBSCRIPTION RESPONSE WILL BE APPRECIATED

Your prompt response to requests to pay up your subscriptions will be greatly appreciated. If your subscription is in arrears or runs out this month, please mail or bring in your check without delay.

The Reporter does not wish to send its paper to people who do not want it. If you do not like our paper or think it is not worth the money, let us know and we will take your name off the lists.

This newspaper carries the names of hundreds of persons every week. It is the cheapest way possible to get the news of this community for only 4 to 5 cents a week. Rates are \$2.00 a year in Hansford and adjoining counties; \$2.50 a year elsewhere.

#### SCHOOL STUDENTS RECEIVE AWARD FROM STATE COMMITTEE

Supt. J. E. Gunn announced Tuesday noon, that Spearman schools had reached their quota of 1 pound of scrap iron for each pound the student weighed.

Spearman school have been sent a certificate from the state committee of their proficiency. Each room will receive a similar certificate.

Bad weather last week hindered the final round-up of scrap metal. The school drive will end October 24th.

If you have no means of carrying your scrap metal to the McClellan Grain Co., phone the McClellan Grain Company and they will see that your scrap iron is brought in.

Last week's total scrap iron for the county 424,000 pounds. This week's county total is probably 450,000 pounds or a little over 163 pounds per capita for the entire county.

Prizes of War Stamps, furnished by the Spearman Lions club will be announced next week.

Daily papers are carrying the information that steel mills will not have to close, due to the splendid response of the public in getting in the scrap.

The job is NOT OVER until the war is over. Several farmers HAVE NOT made an effort to gather in scrap metal. Are you a slacker?

Several residents of Morse, Spearman and Gruver have not cleaned scrap metal from their homes. Will your neighbors boy DIE because you failed!

#### PAY TAXES NOW SAVE THREE PERCENT ON STATE, SCHOOL AND CITY TAXES

School, City and County-State taxes are now due and payable.

A saving of 3 percent is offered those who pay their taxes during October. 2 percent in November and 1 percent in Dec. 1942. This reduction does not apply to county taxes.

Meet residents of this county have surplus money. Better pay your taxes with some of it.

Mr and Mrs Fred Womble were in Spearman Tuesday.

Mr and Mrs Vic Ogle were in Spearman Monday.

Mr and Mrs Andy Gorman were in Spearman Thursday.

#### MADAME CHIANG "MOTHERS" WAR ORPHAN

Madame Chiang Kai-shek comforts a shy newcomer to one of the war-orphanages she maintains in Chungking with the aid of American relief funds. Childless herself, China's First Lady is a real "mother" to more than 30,000 homeless waifs rescued from starvation and receiving food, clothing and shelter under her care. Relief of China's war-stricken children is a major objective of the United China Relief drive for \$7,000,000.

#### APPLICATION BLANKS FOR TRUCKS MUST BE FILLED OUT BY NOV. 15

#### Local Transportation Committee Will Assist

The following letter was sent to every truck and pickup owner in the county.

"If you are a truck or pickup owner, you have a job to do to help win the war. This is the job of helping save the tires and trucks you now have because it's going to be a long time before you can buy new ones. The Government is going to make sure no tires or trucks are wearing out through unnecessary use. This means everybody who has a truck or pickup must have a Certificate of War Necessity in order to drive after NOV. 15."

"Every producer who has a licensed vehicle (other than passenger car) has already received, or will receive, application blanks to be filled out for the Certificate. If you have received your blanks, the County Transportation Committee will assist you in filling out your application on Oct. 22, 23 or 24th in the courtroom at the courthouse in Spearman."

"If you have NOT received your application blanks, DO NOT come in. Another sign-up date will be announced if the blanks have not been sent producers by Oct. 22nd."

"If you have in your possession a truck, pickup or trailer not registered in your name for 1942, please report it to the Transportation Committee at the County Agent's Office, and application blanks will be ordered for you."

"You must bring the application blank sent you through the mail. We have no blanks in our possession."

"F. R. Wallin, chairman, Hansford county USDA War Board."

Fred J. Hoskins, chairman of the China Relief Drive for this county, asked members of the Lions Club to help him in securing the \$500.00 quota set for this county.

Citizens of Hansford county are urged to mail their contributions to The First State Bank Spearman, Texas. Mark on your check or letter "For China Relief".

Buying War Bonds and War Stamps is a wonderful thing, but by your buying, you are investing your money. Won't you help feed and clothe our ally, China.

#### 71 LADIES ATTEND COOKING SCHOOL TUESDAY

Seventy-one ladies of Spearman and Hansford county were guests of the Community Public Service Company's free cooking school, Tuesday afternoon, under the direction of Miss Isabel Herndon, of the company's home service department.

Miss Herndon demonstrated cooking of Liver and Mushroom skillet, as the meat dish. Liver was used because it is rich in vitamins. Puddings, Salads, Vegetables, Orange Loaf bread.

"I want to thank the ladies of this county for attending our school," said manager A. L. Schnell. "It was a pleasure to see that you really enjoyed Miss Herndon's work. If our company can be of any assistance to you in the future, please call on us."

After the demonstrations and lectures, free vitamin charts were given those present.

#### A. L. SCHNELL RECEIVED 11-YEAR AWARD

A. L. Schnell, local manager of the Community Public Service Company, received from the National Safety Council an eleven year safety pin. Mr Schnell has not had an automobile accident in the eleven-year period.

**MECHANICAL MINDED VOLUNTEERS NOT ACCEPTED AFTER NOVEMBER FIRST**

Lubbock—Nov. 1 is the deadline for men who want to get in under the wire on the Army Air Forces' technical procurement program, Lt. Warren Freeman, has announced.

After Nov. 1, all men entering the air forces probably will be assigned through the regular channels of the selective service system, he said.

Men skilled as mechanics, radio repair men, sheet metal workers and in other technical trades may now enlist voluntarily directly into the air forces. If drafted, selectees have no choice as to type of service.

Men enlisting at the South Plains Army Flying School recruiting office in Lubbock will be sent to Fort Sill, Okla., for processing and then returned to SPAFS for assignment to a squadron and specialized training, he said.

18 and 19 year-olds man enlist directly into the air forces, but when provisions of the draft law affecting them go into effect they will have no choice as to service. These youths require no technical training to join the air corps.

Charley Whippo, manager of the Community Public Service Co. of Perryton, was a Reporter visitor Tuesday afternoon.

Veda Hutchison, employee of Amarillo United Electric Co. visited her parents Mr and Mrs Carl Hutchison last week-end.

**What You Buy With WAR BONDS**

Ships of the Destroyer type comprise the bulk of our fighting ships in the American Navy. Their average displacement is about 1800 tons, and they are fast, powerful, and hard hitting. They have been particularly effective in convoy duty and gave a good account of themselves in the Coral Sea engagement. They cost approximately \$3,600,000 each.

Every Navy shipyard is turning out Destroyers in record time. They are essential for our two-ocean Navy. Purchase of more and more War Bonds will assure all-out production of these vital units for the Navy. Buy every pay day. **What You Buy With WAR BONDS**

Barbed wire used by Uncle Sam's fighting forces is vastly different from that used on American farms. Army and Marine barbed wire is much heavier and the barbs, about three inches in length, are more vicious than ordinary barbed wire.

The Marine Corps pays fifty cents for each twelve yards, or 36 feet of this specially manufactured barbed wire. The Army and Marine Corps needs thousands upon thousands of feet for defensive warfare. Your purchase of War Bonds and Stamps will insure sufficient quantity for their needs. Invest at least ten percent of your wages in War Bonds every pay day. U. S. Treasury Department

Morning worship at Oslo Lutheran Church next Sunday, Oct. 25th. 21st Sunday after Trinity will begin at 11:30 a. m. Sermon Theme: The Relation Between Faith and Miracles. Mt. 16:1-4. The Sunday School will begin at 10:30 a. m. The confirmation class will meet at the parsonage on Saturday at 9:30 a. m. The Teacher's Training Class will meet at the parsonage at 8:30 o nWednesday evening. The Luther League will meet at 9 p. m. next Sunday. The place will be announced.  
H. C. Hjortholm, pastor.

The rain which began Wednesday night continued intermittently until Saturday night. This rain assures the farmers that they will have wheat pasture this fall and promises a good wheat crop next spring. Because we have only dirt roads in the community, the rain stops all travel. The school bus to Gruver did not go in Thursday or Friday. The pastor's confirmation class could not meet on Saturday and Services at the Oslo Church had to be called off last Sunday. Hard surfaced or even gravel roads would be a great help to this community. We are glad that the gravel road from

Guymon has reached the state line and hope that it will be continued into Texas.  
Mr and Mrs Ralph Mathis, who live in Denver, but who have been here to put in their wheat crop, stayed with the Clarence Johnson family for a few days last week before returning to Denver.

Bill Johnson went to Leveland last Friday. Mrs Johnson and the boys are already there.

Mr and Mrs Johnson and their boys expect to return to their home here during the last part of this week.  
Clifford Stedje returned home from Wichita, Kansas where he has been employed in a airplane factory. He does not expect to return to Wichita. He is taking steps to enter the military service at Fort Riley, Kansas in the air corps.

Mrs Clara Stedje and Mrs Jack Christofferson returned last Monday from a visit of about two weeks with Mrs Stedje's mother and Mrs Christofferson's parents and other relatives and friends near Lake Mills, Iowa.

Mr and Mrs Alvin Ellsworth entertained with a Sunday dinner for their son Alton, Jo Carol Van Sant and William Newcomb who were leaving Monday. Those present were Mr and Mrs G. C. The Navy is making a plea to civilians to turn in their binoculars for military use during the War. The Army and Navy both need binoculars for navigation and scouting purposes. Depending on the power of the lenses, they cost from \$50 to \$80 each.

If you have a set of 6 x 30 up to 7 x 50-power lense binoculars loan them to the Army or Navy. If not, your purchase of War Bonds and Stamps will help buy this equipment for our fighting forces. ## ... but ELECTRICITY was never cheaper than it is today

Almost alone among items in the cost of living, electric service has resisted the upward spiral which made the recent anti-inflation bill necessary. Food, clothing, rent and most other family needs are far above the levels of just a few years ago, but electricity was never cheaper than it is today. And this is true in spite of greatly increased taxes, higher wages and other costs of doing business. What the future holds no one can say, but this much is sure—no effort will be spared to keep your electric service as dependable and cheap as possible under whatever conditions that may prevail.

The Gruver Music Club met Tuesday, Oct. 13, at 2:30 p. m. in the Community Church.

very interesting program was opened by choral singing of the Folk Song "Carry Me Back To Old Virginia." Mrs. Elmo McClellan gave the lesson on the

Folk Song. A piano solo "Londonderry Air" was given by Mrs. Wm. Etling Jr. Mrs. L. H. Gruver and Mrs. E. McClellan sang "How Can I Leave Thee", ac-

companied on the piano by Mrs. E. Sluder. Mrs. A. R. Bort gave a talk on her favorite Folk Song writer, Stephen C. Foster. A bit of informality was added by the club dividing into three groups and singing the the round "Row Row, Your Boat." The program ended fittingly with "The Day Is Done" by Henry W. Longfellow, the child's poet, given by Mrs. V. H. Ogle.

Two new members, Mrs. Harley Alexander and Mrs. R. H. Greene were welcomed into the club. Those present were mesdames E. M. McClellan, L. H. Gruver, R. H. Greene, C. B. Williams, Harley Alexander, W. J. Lowe, A. R. Bort, V. H. Ogle, E. Sluder and Wm. Etling Jr.

MRS ALBERT JACOBS
PACK A LUNCH THAT PACKS A PUNCH

Lots of Texans are eating box lunches these days. Many of them are defense workers and many are school boys and girls. Anyway, the food needs of growing young folks and of defense workers are quite similar.

In planning food for the lunch box, remember that this food, plus breakfast and supper, should total the daily food needs of the person. You'll find those daily needs in the Texas food standard. And it's mighty important that lunches contain plenty of the "protective" foods, green and leafy vegetables, fruits, and grain cereals.

By all means, don't pack lunch boxes composed entirely of left-overs. When you do use them, dress 'em up and make them appetizing and delicious. Here's a pattern for a good lunch. First, sandwiches, one or two good heart yones. You might plan one filling containing meats, eggs or cheese and another containing nuts, vegetables or fruits. Second is a vegetable. Include at least one raw or cooked vegetable, even if it's only a leaf of lettuce. A milk drink probably is best. Finally, add a good simple dessert. Such a lunch box will pack a punch!

FIRST GRADE NEWS
We are enjoying the new set of pre-primers purchased by the school this year. They have such colorful pictures that create a desire for reading.

Our attendance during the rainy weather has been unusually good not more than five being absent on any day. Vanell showed the class a pomegranate from Wichita Falls.

Our visitors were Mrs. Overton and Mrs. Earl Riley. We are glad to have some of the fathers take time to visit us. We are very proud to have the traveling prize The Six Flags of Texas, given by the PTA in our room this week.

THIRD GRADE NEWS
We were very happy to have two visitors this week: Mrs. F. J. Daily and Mrs. Rhoda Overton.

Our get acquainted party was postponed until fair weather. We are sorry that several bus children could not get into town during the duration of the rain. Since Ralph Swalm added a butterfly to our science collection, we have been studying how butterflies grow.

Watch us, parents! We are going to sit and stand straight.

SNOOPER
The freshman girls seem to think Richard Burke is quite cute. Just which PAT does Paul H. dream about? She finally got away, didn't she Ray R.?

J. R. Dixon wants advice in love matters. Is there any boy in SHS that would help this poor lad?

J. L. and Peter are friendly rivals anyway. They even take turns sitting with her in the drug store.

Pat, did you enjoy your party Sunday night? Boys, from what I hear all boys and just five girls does not agree so well with you.

Joyce Jones you should let the older girls in on these handsome acquaintances. Dorothy Daniel, did you spend a happy week-end. It is sure nice when they come home don't it.

Some of the Senior girls surely welcomed the appearance of a certain boy starting to school again. What about it Caylor? Dickie and Nadine surely are getting serious about a couple of boys.

These high school girls surely wear these wings proudly. Wonder who will get a pair next? Jack D. is one guy who is pleased with the draft. Leaves less competition. Did Pat and Buddy get you wrong, Mildred?

JUNIOR NEWS
The Junior class is standing the rainy weather fairly well although I don't think any of us would mind if it would clear up.

Our class is decreasing. B. G. Roberts is leaving us. He checked in his books Monday.

SOPHOMORE NEWS
Rosanne Porter
Well, six weeks tests are today so everyone will be glad when today is over. Although quite a few sophomores are absent we are having tests anyway.

We have a new student, Chas. French in our Biology Class. We are glad to have him.

SENIOR NEWS
Rita Roach
William Shakespear had no idea the witches in Macbeth would be preparing the Seniors of '42 and '43 for Halloween. In other words we are reading Macbeth in English.

All of our reviewing last week for tests Friday has been forgotten and gee, don't we hate to learn the same thing 3 times.

Farmers, please wait until after our six weeks tests to pray for rain.

We are still sending in our proofs for our pictures. We have another addition to the Senior Class, Caylor Davis is going to take some Junior and Senior subjects so he may be able to graduate with us.

That "Roman salute" invented by D'Annuzio, which has now become also the "German salute" was copied from statue or fresco. He forgot that in ancient Rome citizens greeted each other by shaking hands, only slaves made the sign adopted by the subjects of Mussolini and Hitler.

Intuition—That strange something that tells women they're right when they're wrong. Excelsior—Long sawdust. Good sport—one who will always let you have your way.

Indiscreet, where little children should not play after school. Sedate, what the girl friend answers over the phone to her beau.

Indorse, where we go to escape the rain. Intense, what the draftees sleep in.

Defense, that which the garbage can is on the other side of. Fodder, he who stands between you and your best girl friend.

EIGHTH GRADE NEWS
In our civics class we are beginning the study of crime. We have already learned some very interesting facts about it. It's causes, the number of crimes in the United States during a year, and methods used in detecting crime. We are taking up the study of the FBI and its work in running down many noted criminals. We expect to make a collection of clippings about crime, and perhaps make a collection of criminals pictures.

SIXTH GRADE NEWS
The Sixth Grade class has been studying bird life. Some have brought in very interesting facts about birds.

In our arithmetic class we are going to make our work books instead of buying them. We all think it will be fun to make them.

In our English we have been doing some letter writing. Each one of us have been writing many kinds of letters. We are going to make a notebook out of these letters we have written.

We want to invite any parent who can to visit our room at any time they can.

FIFTH GRADE NEWS
We were so busy last week studying for our six weeks tests that we did not get a chance to tell about our party. We all had a good time and want to thank our room mothers for planning it.

We have nineteen members in our class, six girls and the rest boys.

Harley Kerns brought us a table on which to put our plants. Clara Jean Ooley brought a pretty bouquet of flowers last week.

Doris Jean Novak made some pictures from leaves and flowers. They are very pretty. Our class has made posters on collecting scrap and some on fire prevention.

Our geography work books are here and we are enjoying filling in the questions and coloring the maps.

FHT NEWS
The FHT had their first meeting Friday, Oct. 16, 1942, in the Homemaking Department. The following officers were elected: President, Dicklee Kiker Vice President, Dorothy Daniels secretary Patsy Dacus, treasurer Georgie Burleson and reporter Jean Hill. The committees will be appointed at a later date.

Plans for future meetings were made and discussed. The theme of the yearbooks will possibly be "Inexpensive Entertainment for the Family and Small Groups."
