OKLAHOMA

Spearman High School will present Rodgers and Hammerstein's "Oklahoma" on November 1 and 3 at 8:00 p.m. The Musical is considered to be a landmark of the American musical theatre and made its Broadway debut on March 31, 1943. It was to win a special Pulitzer Prize in 1944 and since its New York run has been performed in every major city in the world.

The story is an adaptation of the Lynn Riggs' play, "Green Grow the Hilts", and the songs, with music by Richard Rodgers and Lyrics by Oscar Hammerstein 2nd, are among the great standard songs of the musical theatre.

Musical highlights: "Oh, What a Beautiful Mornin'," "People Will Say We're in Love," "The Surrey With the Fringe on Top," "Kansas City," "I Can't Say No," and "Oklahoma."

Eddie Clemmons and Jay Pack play Laurie and Curley, one of the main stories through the musical. Laurie's Aunt Eller is played by Shelly Strawn who tries to keep everything going. The "bad guy" is Mike Brinson in the part of Jud and the triangle of Will Parker (Buddy Pool), Ado Annie (Angela Lesly) and Ali Hakum (David Hall) provide humor and action throughout the musical. Tickets are available from the cast and at the High School. **ADULTS--\$3.50; STUDENTS--\$1.50 and CHILDREN UNDER 8--\$1.00.**

The walkers were carried out to the blinking light on Highway

Escape Trial Set For Hansford

After months and months, the other shoe has dropped!

Two of the most celebrated inmates of any jail on the High Plains since the Thirties--Michael Clyde Jones and George Marshall Hall will be tried for the jail break charges against them in Hansford County.

The pair were lodged in Hutchinson County jail months ago and made their escape slaying the Hutchinson County jailer on duty in the process. They told law enforcement officers who apprehended them a few hours later in the Canadian River breaks they just wanted "to get out and drink some beer"--and that was what they were doing when discovered.

Hutchinson County Sheriff Lon Blackmon waited and waited and waited for a trial decision from Judge Guy Hazlett. Judge Hazlett first decided to try them at Huntsville and they may still be tried there for the accused death of the jailer. But the jailbreak part of their trials will be conducted here in Hansford County according to an announcement this week by Sheriff R.L. McFarlin.

During the months Hutchinson County was forced to harbor Hall and Jones, they filed charges upon charges against Sheriff Blackmon and various Hutchinson County officials in federal court at Amarillo for causes ranging from sub-standard jail conditions to a lack of proper nutrition and medical care.

Sheriff McFarlin noted that they would not have grounds for any such capricious suits while in Hansford County jail because that facility has just, within days, passed state and federal standards with flying colors.

Jones is already in the county jail here at Spearman and members of the sheriff's department will return Hall from Huntsville within a few days.

Each of the accused will be tried separately with jury selection for hearing the case against Jones beginning Monday. Hall will be here as a witness. Should there be no further changes of venue, the procedure will be reversed to try Hall.

Judge Guy Hazlett will hear the case against Jones.

NOTICE TO THE PUBLIC
The Spearman CYO is planning to have a Coke Bottle Drive on November 2. Please save your coke bottles. The drive will be from 1:00 to 4:00 p.m.

DON'T FORGET SUNDAY, OCTOBER 26

THE TIME CHANGES!

VOL. 71, NO. 50 SPEARMAN, TEXAS 79081

THURSDAY, OCTOBER 23, 1980

Fire Safety Device Sale To Benefit New Building

Spearman residents and business people have an opportunity to join in celebrating completion of the new Spearman Fire Station with an added margin of safety through purchase and installation of smoke detectors and fire extinguishers.

Spearman's corps of firefighters volunteered to complete the interior of the new building, partitions, paneling and other finishing work--this in addition to their regular jobs and voluntarily fighting fires in the community.

They are bearing the cost as well as the labor and a part of the program is sale of smoke detectors and fire extinguishers

for local homes and business houses. These are being made available at a special price and purchasers can contact the local fire department for advice on the equipment needed for a particular home or business, placement of it, installation if requested and a 100 percent satisfaction assurance from the local firefighters.

The stories are legion regarding averted injuries and reduced loss from fire after fire extinguishers were made available even for home application in what was a pioneering move years ago. Now the smoke detector is taking its place in this modern world of many,

many gadgets and increased fire hazard from some of them. Get in touch with a member of the Spearman Volunteer Fire Department and find out just what you need and what it will cost. Your purchase is a double bargain: your home or business is safer and you are having a part in completion of an ultra-modern fire station.

You want to hold your fun calendar open, too, for firefighters have some good times coming up and you will not want to miss them. Fight fire all the way! Consult a firefighter today.

JUDGES ATTEND SEMINAR--Ninety-six justices of the peace attended a 20-hour Texas Justice of the Peace Training Seminar September 16-17 in Amarillo. The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with article 5872, Section B, of the Texas Revised Civil

Statutes. Among the judges attending were, left to right: Johnny P. Vernon of Spearman, Hansford County, Precinct 1, Place 1; June W. Cook of Perryton, Ochiltree County, Precinct 4, Place 1; and Billy Conner of Perryton, Ochiltree County, Precinct 3, Place 1.

Loop Tie With Perryton Lynx Take First Conference Win

The Spearman Lynx set up a 17-7 detour sign on River Road, Friday night, to wind up tied for first place in the conference standings with Perryton after winning the very first conference clash of the season.

The Lynx took the lead early in real pro style on the toe of Monte George who split the uprights for a field goal and first blood. The try was from 37 yards out!

The Lynx had only that slim three-point margin at half-time in the first conference tilt for both teams.

Then as the second half got underway, Karey Bodey made a 12-yard sprint to paydirt and George made the extra point and there was a 10-0 smell of "skunk" in the air.

In the fourth quarter the Wildcats' Jeff Reynolds covered six yards to put River Road on the board along with a PAT.

Late in the fourth quarter, the Lynx mounted a 94-yard drive with the last yard of it Rocky Randall's plunge into the end zone and George's PAT.

The stature of this Lynx title tilt win is told in the opponents

River Road defeated up to this first conference game for both teams.

thus the decks are cleared for action for the Friday fracas with the Perryton Rangers that just may tell the tale in conference play. The Rangers squeaked by Dalhart and the Lynx have Dalhart as the last opponent on

their schedule. The Lynx' only other conference opponent, Boys Ranch, has not come on very strong this season.

The Spearman 'Cats have a breather Oct. 31, but a win over the Rangers Friday night will probably leave fans tense through the title showdown.

All-Region Choir Tryouts

On Saturday, October 18 at Canyon High School, All-Region Choir Tryouts were held for schools in class A to AAAAA. All of the students tryout against each other with no preference given to school size. They are heard individually on parts of music that they have prepared. In preparing for this first step to the All-State Choir, the students had to learn: Vere Langnores by Victoria, Zum Gail [Dance the Hora] an Israeli folksong arranged by Goldman, Didn't My Lord Deliver Daniel? by Fissinger, Deus in Adjuvatorium by Pachelbel, Blow, Blow, Thou Winter Wind by Rutter, and Os Justi meditatiur sapientiam by Bruckner. Of all the students heard, only 16 per section are chosen for the choir. These students are eligible to audition for the Area Choir on December 5 and also participate in the All-Region Choir Concert on December 6 in Canyon. In auditioning for the Area Choir, they must learn Mass in D Minor by Haydn and O Praise the Lord of Heaven by Vaughn Williams. Only 4 per section are chosen for the Area Choir and they are able to go to Odessa on January 10 to audition for the All-State Choir. The odds of making the All-State Choir are amazing and besides luck, it takes skill, talent, and many hours of practice. The young people from Spearman High School in the Region I 1980 All-Region Choir are:

I Soprano, Lesa Thomas and Sherry Greene, **I Alto** Denice Blackburn, Lesa Scroggs and April Percy, **II Alto** Tamera Scroggs, Becky Lusby and Cammye Gee, **I Tenor** Jon Garnett and John Weakley, **II Tenor** - Buddy Pool and Bill Cope, **Bartitone** - Jay Pack and Preston Taylor, **Bass** - Randy Farmer, Curtis Davis and Greg Meek.

These student deserve your congratulations for a job well done and also your encouragement for the future tryouts.

Wildcats Sneak Past Lynx

Our Jr. Varsity Lynx went to River Road to play the Wildcats. Well, our Lynx played Super Defense. Billy Pat Underwood got the Lynx on the board with a touchdown. Our Lynx tried for the two point conversion but didn't make it. The game ended 7-6 the Wildcats favor.

Coach Collinsworth said, "We just couldn't get any offensive drive started."

Our Lynx will play Perryton at Lynx Stadium Thursday, October 23, starting around 6:30 or when the Freshmen get finished.

Get your Thunderbird tickets today! All of the proceeds go to the YMCA program!

Halloween Carnival

The Annual Halloween Carnival, sponsored by the SHS Student Council, will take place at the County Barn from 6:30 - 11:00 p.m. on Friday, October 25. The booths that have been taken include: Cakewalks--Seniors, Bingo & Dunking Board--Juniors, Cake-Ring Toss Sophomores, Bucking machine & Ladder - Freshman, Spooks House-Celebrate, Fishing Booth-FHA, Wheel of Fortune-FCA, Basketball throw-Rodeo, Car-Bash-Band, Football Throw & Kiddie-Kart - Student Council, Kitchen-Gladiola Flower Club, Wet Sponge - YMCA, and Frisbee-Throw-SHS Cheerleaders.

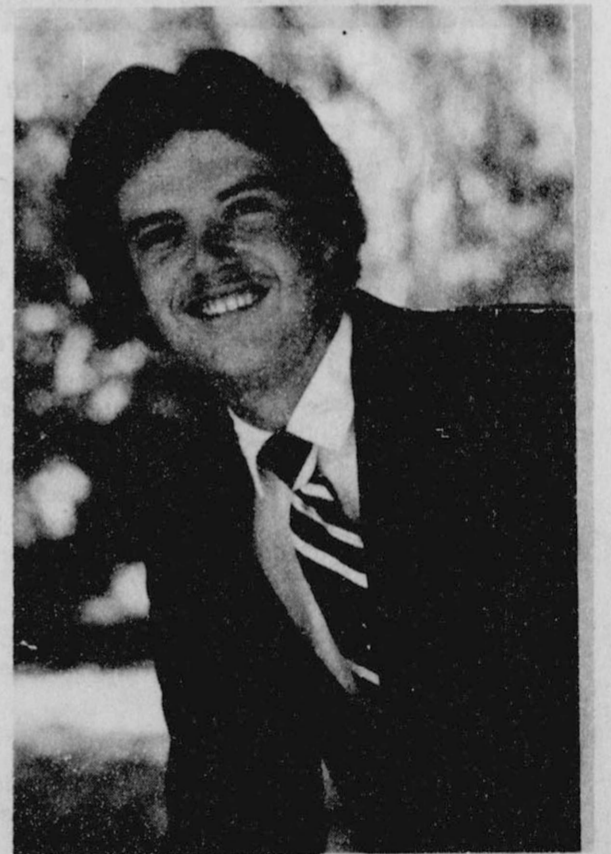

If you are interested in having a booth, please call 659-2585 for more information.

Marching Contest, WTSU Thunderbird Ball

October 25. The event will be in the B & B Industries building.

The Spearman High School Choir is holding their second annual Haunted House on October 25. It will be held in the old house behind Ideal at 21st & Barkley from 6:30 to ? Admission will be \$1.00 per person.

Mark Hays Selected

Mark Hays

The National Association of Farm Broadcasters recently selected Mark Hays of Eufaula, Oklahoma, as their 1980 scholarship recipient. The Association awards one scholarship nationwide each year to an applicant who has exhibited achievement, leadership, and scholastic ability in his chosen field. Mark will travel to Kansas City in November at the expense of the Farm Broadcasters Association to accept the \$1,000 scholarship from Secretary of Agriculture Bob Bergland.

Mark is a junior agriculture communications major at Oklahoma State University in Stillwater where he maintains a 3.5 gradepoint average. He is a

member of Farmhouse Fraternity, Associate Editor of the national fraternity newsletter, member of Alpha Zeta, honorary agriculture fraternity, Omicron Delta Kappa, national Leadership honorary fraternity, Iota Kappa, national sophomore honorary fraternity, reporter for the Agriculture Council, editor of the Ag Forum, and farm reporter for KOSU-FM radio station. Mark was also awarded the Fern Brown Memorial Scholarship at OSU this year.

Mark is the son of Mr. and Mrs. Larry Hays, former Spearman residents, and the grandson of M. and Mrs. Floyd Hays, and Mrs. Ruth Kirkland and the late Wallace Kirkland, all of Spearman.

Judge Blackburn was guest speaker at the Spearman Lions Club yesterday, Tuesday. Judge Blackburn, known as "Chunky" gave a very interesting talk on civil and criminal cases in Texas!

Class AAA Competition will be as follows:

TIME	SCHOOL
3:42	BOYS RANCH
3:54	SPEARMAN
4:06	RIVER ROAD
4:18	PERRYTON
4:30	DALHART
4:42	TULIA
	SHERYL MEEK

Missionaries In Special Services

John & Amonna Sue Goodwin will be in Special Services at First Assembly of God October 26 in the morning only.

The Goodwins, both children of missionaries, grew up in Ghana, West Africa. Born in Lubbock, Texas, John received a master of arts degree in sociology from West Texas State University in 1978. He earlier earned a bachelor of arts degree with a double major in Theology and Sociology from Oral Roberts University in Tulsa, Oklahoma.

He was ordained by the West Texas District of the Assemblies of God in April, 1975 while

servind as co-pastor of First Assembly of God in Hereford, Texas. He was an instructor at Evangel College of the A/G in Springfield, Missouri for two years before receiving missions approval.

Amonna Sue, born in Baytown, Texas, received a bachelor of arts degree with a major in Elementary Education from Evangel College in 1973 and has begun work on a master's degree from WTSU.

She has worked for the State of Texas directing a workshop for mentally retarded adults, and held various teaching positions. She has been involved in

many phases of ministry since an early age. Both her preaching and singing have been well received.

The couple has two children, Cherisse, age 3, and Karen, age 5.

Both John and Amonna Sue have completed about 1/2 of an MA program at the Assemblies of God Graduate School in Springfield, Missouri, as a part of the missionary candidate program.

Their ministry has **TWO GOALS** at its heart, a deep desire to impart their **BURDEN and LOVE** for Africa and an even greater desire to see people stirred to a personal commitment for service to our Lord Jesus Christ.

Will You Have A Heart Attack

What is your risk of having a heart attack? You can find out at the Heart Chex Program, sponsored by the Hansford YMCA and the Seventh-day Adventist Church. This unique heart screening will be offered on Sunday, November 2, at the YMCA from 2:00 p.m. to 6:00 p.m. and is free to the public.

Pastor Tony Gonzales M. S. P. H., who will be directing the program at the YMCA explains that the screening consists of first taking the height, weight,

blood pressure and heart rate. Then each person fills out a health history and life style evaluation to which numerical values are attributed. All this information is considered and an estimation then can be determined as to what are the chances of having a heart attack or heart disease.

Later, at 7:30 p.m. the film, "Live or Die" will be shown at the YMCA, upstairs. Following the film, there will be a period when results of the Heart Chex

evaluation can be discussed and suggestions made.

Dr. David McClellan and several other medical personnel will be helping with the screening program.

Jim Benson, director at the YMCA asks that if you are interested in having this free evaluation please call the YMCA and leave your name and also how many people will come with you. This program is geared for youth and adult age.

YMCA News

BOYS FLAG FOOTBALL

The last games of the flag football season will be played at the high school practice field this Saturday. Due to the boxing tournament in Amarillo on Friday evening and Saturday, the games will be played two hours later than normal.

The standings through five weeks are: 1st - 3rd Graders: Green Giants 6-0-1 Maroon Raiders 3-2-1 and Blue Oilers 0-7-0. 4th - 6th Graders: the Cowboys 3-1-3, Steelers 2-3-1, and Colts 2-3-2.

Games for Saturday, October 25 will be: 10:30 a.m. Raiders vs Oilers, 11:30 a.m. Cowboys vs Steelers, 12:30 Raiders vs Giants and 1:30 Steelers vs Colts.

YOGA CLASS
The first session of yoga began on Tuesday, but if you would like to enroll for the remaining five you may still register. Yoga is held from 5:30 - 6:30 each Tuesday evening.

BOXING
Boys from Spearman and Gruver will participate in a two-day Boxing Tournament hosted by the Amarillo Boxing Club Friday and Saturday evenings. Competition will be by age and weight. Those winning the match on Friday night will meet again on Saturday night and compete for trophies.

Womens Volleyball
On October 13, Womens League Volleyball began at 7:00 with JG's playing Golden Spread. JG's won 2 games with the scores of 15 to 9 and 15 to 8. Then at 8:00 Thriftway played against Baker & Taylor. Baker & Taylor won 1 game 15 to 13, but Thriftway came back and won 2 with the scores of 15 to 3 and 15 to 7. At 9:00 on Tuesday October 14, the First State Bank team played Busters Dusters. The First State Bank, having only 5 players, beat Busters 1 time 16-14 but Busters won the last two games 15-13 and 15-13.

BIBLE VERSE

"For the Lord seeth not as man seeth: for man looketh on the outward appearance, but the Lord looketh on the heart."

1. Where is this saying recorded?
2. To whom were the words addressed?
3. What was the occasion?
4. Where was the prophet at the time?

Answers to Bible Verse

1. 1 Samuel 15:7.
2. Samuel.
3. Selecting a son of Jesse to become king of Israel.
4. In Bethlehem.

Womens Volleyball

FEATURED TEAM
This weeks featured team is JG's. This team has played together for several years and has 3 wins and 3 losses in the YMCA league. The team members are Karl Lou Schumann, Judy Hutchison, Verna Strawn, Sharon Cook, Glenda Guthrie, Donna Lusby, & Hazel Shield-knight.

NEXT GAMES: October 20 at 7:00 First State Bank vs JG's; at 8:00 Busters Dusters vs. Thriftway; and at 9:00 Golden Spread vs. Baker & Taylor.

Electric Cars

Fifty electric mail trucks ordered by the Postal Service are soon to be delivered to three west coast Florida cities for use as mail carriers. The fifty are the first part of an order for 375. The service is considering enlarging that order by another 350.

That's because the electric vehicles passed all tests with flying colors last month. They're designed to deliver mail on routes of 25 miles, making 350 stops, and then return to the post office--for a recharge.

Electric cars and trucks are widely used in France, and have passed their probationary period there impressively. And golfers have been successfully using electric cars for years, with good results.

The experimental mail delivery program, then, in Tampa, St. Petersburg and Sarasota, is of national significance, even if a foregone conclusion as a success. The test begins in December; and surely within six months, the Postal Service will know how the new mail trucks are working out.

If the test is indeed a success, utility companies all over the country are likely to be among the first to follow the Postal Service example. Electric companies, gas companies, dairies, newspaper deliverers and others will be able to avoid the use of petroleum fuels in their house-to-house operations.

Be Reasonable

A new congressman flung down several typewritten sheets before his secretary. "Don't use such long words in my speeches," he said. "I want to know what I'm talking about."

Lucky

Rufus--Did you hear about the man who was murdered last night for his money?
Goofus--Yes. Wasn't it lucky that he didn't have a cent on him at that time?

Agriculture Today

by Ed Curran

U.S. Department of Agriculture

Any day now, you're going to be reading -- if you haven't already -- headlines about farmers receiving record high prices for the goods they produce. The stories will, of course, go on to say how the prices consumers pay for their food items will be going up as a result.

It won't be at all fair, but then nobody ever said it was fair. If it was, there'd have been headlines for 34 of the last 35 months saying that prices paid by farmers hit a new record high. But, you see, when something happens with that much regularity, it's hardly news.

The fact that the last time that prices paid by farmers fell off -- and then less than one half of one percent at that -- was in August of last year. The time before that

was June - August of 1977.

What we're saying is that except for August of last year, the prices farmers paid for their goods and services have either set a new record high or equalled one every month but one since August of 1977.

So, in effect, farmers shouldn't at all be defensive about the prices they receive being at a record high. It's not only about time, it's something that's long overdue.

Some recent comparisons made by the department show that the price of diesel fuel has increased 150 percent since 1975; that fertilizer prices have increased 13 percent; combine prices have gone up 74 percent. The price of hired labor has increased 49 percent, feed prices have gone up 28 percent and the price of hay

balers has gone up 55 percent. Over-all, since 1975, prices that farmers pay for items have gone up an average of 54 percent.

On the other hand, the prices farmers receive for their goods have gone up an average of 30 percent in the past five years. That means they've lost a lot of ground in the past five years. For that matter, they've lost a lot of it in the past year. The prices they have received have stayed lower or remained unchanged throughout most of the year. On the other hand, the prices they've paid for goods have gone up another 11 percent in just one year.

ON UNEMPLOYMENT

The Labor Department reported that the nation's unemployment rate dipped in September for the second consecutive month. The unemployment rate declined to 7.5 percent in September from 7.6 percent in August. The new figure is the lowest since last April.

Federal studies support rise in organic farming.

SARPALIUS FOR SENATE

An Effective Conservative

Humanitarian

Bill Sarpalius and his two brothers were raised at Cal Farley's Boys Ranch. After college graduation, Bill returned to Boys Ranch with his wife, Donna, and his son, David, to work for five years as a staff member and teacher.

Agriculture:

A former State President of the Future Farmers of America, Bill Sarpalius has earned both Bachelor and Masters degrees in Agriculture from Texas Tech University and West Texas State University. He

understands the importance Agriculture plays in our economy.

Educator:

As a school teacher Bill Sarpalius understands the value of a good education. As a parent, he is concerned with the role quality education plays in the future of our state.

Businessman:

As a businessman, Bill Sarpalius can relate to the problems facing businesses in the 1980's. A longtime District resident, Bill is sensitive to the needs of business in the area.

Experience:

Bill Sarpalius understands the Texas Legislative process. He believes that to be an effective State Senator you must make yourself available to the people. Bill intends to do this through the use of a mobile office.

"I believe we must go back to having an effective voice in the State Senate ... someone who will listen to the people and work for their concerns."

It's Time For A Change

Bill Sarpalius for 31st Senatorial District

TG&Y'S ADVERTISED MERCHANDISE POLICY--TG&Y's policy is to always have advertised merchandise in adequate supply in our stores. In the event the advertised merchandise is not available due to unforeseen reasons, TG&Y will provide a Rain Check, upon request, in order that the merchandise may be purchased at the sale price when it becomes available, or you may purchase similar quality merchandise at a similar price reduction. * We will be happy to refund your money if you are not satisfied with your purchase. It is the policy of TG&Y to see that you are happy with your purchases. * It is TG&Y's policy to be priced competitively in the market. Regular Sale Prices may vary market by market, but the sale price will always be as advertised.

Your best buy is at TG&Y!

Now, here's a home that Mom and the kids'll be proud to call their own!

Beautiful brick home **FOR SALE BY OWNER** - loan is assumable. Inside, there are approximately 1600 sq. ft. of living area. Three bedrooms and two full baths. Large living room has a cathedral ceiling and a built-in energy-efficient fireplace.

And look at all the room in the country-style kitchen! The built-in Jenn-Aire range/oven and Whirlpool Dishwasher are real plusses, too. A sunny dining room adjoins the kitchen and living room. Separate utility room and pantry. Oversized double-car garage with electric door opener.

There are plenty of closets and storage space, too, Mom! Central heater and air conditioner are controlled by a computer thermostat for real energy savings! And the yard is fenced and beautifully landscaped. Priced in the mid 60's with so many extras you have to see.

See this home at 719 Wilbanks Drive. Please call for an appointment to see the interior: Weekdays until 6:00 PM, call 659-3721, extension 8; or weekends and evenings after 6:00 PM, call 659-3388.

Engagement Announced

Mr. and Mrs. Bob L. Rylant of Spearman are proud to announce the engagement and approaching marriage of their daughter, Kelly to Brad Hart, son of Mr. and Mrs. Don Hart of Gruver, Texas.

Kelly is a 1980 graduate of Spearman High School. Brad is a 1975 graduate of Gruver High School and attended Texas Tech University.

Kelly and Brad plan their wedding for November 29, 1980. They will be making their home in Gruver.

Twentieth Century Club Spearman Music Club Meets

Twentieth Century Club met Thursday, October 9, 1980 at 2:30 p.m. in the Hansford County Library with Mrs. Michael Holt presiding.

After the business meeting, Mrs. O.C. Holt led the collect. Roll call was answered with a show and tell of something from China or Japan. Many beautiful and interesting items were displayed.

Mrs. J.R. Stump gave the program on "China-Yesterday, Today". This program gave the history of China and illustrated the changes in Chinese culture and society.

Hostesses Deta Blodgett and Mrs. D.E. Spoonmore served refreshments to guest Georgia Turney and also to members Mesdames: John Bishop, P.A. Lyon, Woodville Jarvis, L.L. Anthony, Wayne Hutchison, Fred Holt, J.R. Stump, C.U. Pope, O.C. Holt, Ed Freeman, Michael Holt, and Cecil Biggers.

The next meeting will be October 20, 1980 at Mrs. O.C. Holt.

In Fashion

The key to a classic wardrobe is versatility. A skirt suit in gray, brown, or navy is the basic of a career wardrobe. The blazer can be worn with pants or a plaid skirt. The suit skirt can be worn with soft turtle or cowl-neck sweaters. The skirt suit must be of quality fabric such as light flannel or a wool blend.

Rotary Club

Steve Rogers, pastor of the Union Church, gave a classification talk at the Spearman Rotary Club Monday noon, October 20, in the garden room of the Cattleman's Restaurant. Ed Freeman led community singing. Robert Elliott led in the Pledge of Allegiance. John Hutchison led the prayer of invocation.

Steve said that God had called him into the greatest calling in the world and that he enjoyed helping people with their problems. He enjoyed helping them to understand the Problem Solver and to understand the book with all the answers, the Holy Bible. He said that he would rather be the pastor of the Union Church than the President of the United States of America or the King of England.

Visiting Rotarian was Vernon Dronen of Cashmere, Washington. Other guests were Donald Earl Wirsdorfer of Tacoma, Washington; Thomas Collard of Austin, Texas; and Donnie Wirsdorfer of Spearman.

Members present were Jim Benson, Carrie Marie Berry, Eschol Blankenship, Roy Bulls, Durane Castleberry, John R. Collard, Jr., Robert Elliott, Ed Freeman, Ed Garner, Kerry Henton, John Hutchison, Junior Lusby, David McClellan, Jim Murray, Frank Oglesby, Coy Palmer, Steve Rogers, Mike Schnell, Jim Shirley, Gary Sims, and Don Wirsdorfer.

Members absent were Pete Fisher, Eddy Limbocker, and Jack McWhirter.

Arts and Craft Guild Met

The Arts and Crafts Guild met Friday, October 17 in the home of Mrs. Bruce Sheets.

Those attending were Mmes: F.J. Hoskins, Guy Fuller, C.A. Gibner, Pope Gibner, Garrett Allen, Bill Russell and F.J. Daily. Two guests were Carry Marie Berry and Marty Lee.

The next meeting will be Friday, October 24 in the home of Bill Russell.

Library Board

Hansford County Library Board met in regular session at 3:30 p.m. with the following members present: Mary Alice Gibner, presiding, Mrs. J.R. Stump, Mrs. Larry Murphy, Mrs. John Trindle, and librarian, Rita Curtis.

The librarian reported a circulation of 1,664 during September, 1,166 of which were adult materials, 498 children's.

Meeting was adjourned at 4:30. The next meeting will be held on November 10, 1980.

Whenever an individual expects the world to conform to his or her ideas, that individual is doomed to disappointment.

Servitors Met

Servitors met Thursday, October 16, at 7:30 p.m. at the B&B Building. The Arts Department Chairperson, Sheila Watley, introduced the speaker, Mrs. Rick (Karen) Reimer. Karen, a very talented artist, gave a very interesting demonstration of "Wet on Wet Watercolor Painting." Karen answered many questions after her program.

The meeting was called to order by President Michele Davis.

The minutes of September were read and approved.

Roll Call was answered by 15 members on "My Favorite Craft". Members also brought their item for girlstown.

Prayer was led by Patti Hudson. Gail Thomas lead the Junior Club Pledge. Sheila Watley introduced her guest, Diana Rambo.

DEPARTMENT REPORTS were given:

Federated report given by Stephanie Brock.

Treasurer given by Patti Hudson.

Committee reports: Story Hour-Debbie Benton. Projects-Cindy Schneider. Cindy reminded our Raffle money to the Junior Director, Jacque Naylor.

Everyone decided to bring a Christmas gift to send to the Vernon Institute in November.

Meeting adjourned.

A beautiful installation for the new members was held by candlelight. President Michele Davis and Membership Chairperson, Donna Thomas, installed members, Linda Hiller, Carolyn Close, Sheila Chappell. Becky Brown was absent due to illness. After the ceremony Donna presented each new member with daisies, the club flower.

The raffle was made by Patti Hudson and won by Donna Thomas.

Hostesses for the evening

were: Donna Thomas and Sheila Watley.

Members present: Mary Baker, Debbie Benton, Stephanie Brock, Michele Davis, Patti Hudson, Laura Mackie, Cindy Schneider, Gail Thomas, Linda Winegarner, Gaye Woolley, Sheila Chappell, Linda Hiller, Carolyn Close.

Members absent: Susan Castleberry, Holly Simson, Denise Donnell, Eva Reger, Alicia Davis, Candi Delozier, Cheryl Gibson, Becky Brown, Kay Snider.

Guest: Karen Reimer and DeJauna Rambo.

Next Meeting: November 18 is Federation Day. This will be a joint supper with Spearman's Federated Clubs: Spearman Study Club, Twentieth Century Club & Servitors. Hostesses will be: Edith Chandler, Hester Sue Crawford, Sue Holt, Linda Winegarner, & Gaye Woolley.

The First United Methodist Church will be the meeting place at 7:00 p.m.

Servitors members are encouraging everyone to go out and vote, on Tuesday, November 4.

As a service, to the public, we will provide transportation for people who need it, just call Gaye Woolley at 9-3550 or Gail Thomas at 9-3558.

La Leche League

Mothers interested in information about breastfeeding are welcome to attend the next meeting of the Spearman La Leche League. It will be held on Monday, October 27, 1980 at 9:05 S. Haney at 10:00 a.m. For further information call 659-2794.

Absentee Voting Begins Wednesday

Absentee voting for the upcoming Nov. 4 general election will begin Wednesday and continue through Oct. 31.

County voters can cast ballots from 9 a.m. to 5 p.m. Monday through Friday at the county clerk's office in the courthouse.

Sammy Celebrates Birthday

Sammy Graham was honored for his 6th birthday on October 16. The celebration took place in his house. The decorations and the cake were of Star Wars. The children played all sorts of games especially, Pin the Tale on the Donkey. Children attending were Chad Depee, Sonya Tindell, Regina Abston, Josh Dean, Chuck Arnold, Mark Chandler, his sisters April and Michelle.

Thanksgiving Dinner

The Union Church will hold their annual Thanksgiving Dinner, November 13, 1980. Serving hours will be from 11:30 to 1:30. It is \$4.00 a plate. **DON'T MISS THIS DELICIOUS DINNER!!**

Golden Spread Center News

ALMA KIZZIAR, RICHARD KINGSLEY, AND ORFELINDA VELA were honored at the October birthday party at the Golden Spread Center Tuesday, October 14. Ed Freeman led in the singing of "Happy Birthday". The beautiful birthday cake was baked by Margie Schoenhals. Eight tables of forty-two, pitch, and skip-bo completed the evening's entertainment.

Table games will be enjoyed by all who gather at the Golden Spread Center on Monday, October 20, from 2:00 to 5:00 p.m. Presbyterian Women will furnish meat dishes and desserts for the Golden Spread Center's covered dish dinner on Tuesday, October 21, at 6:30 p.m. Golden Spread Club hostesses will be Alice Lackey and Ada McLain. A nurse from the Panhandle Region Home Nursing Association will be present to take everyone's blood pressure. There will be as many different table games as the interests of those who attend.

Nina Hendricks will be driving the Golden Spread Center's van-bus on Wednesday, October 22, from 9:00 a.m. to noon, picking up the sixty-plus bunch and taking them shopping, on errands, and to meet appointments. This service is furnished free by the Golden Spread Center to all persons sixty years of age or older without discrimination as to sex, color, race, religion, politics, or handicap. People needing transportation would call the Golden Spread Center (9-3521) on Tuesday

and get your name on the list. Marv Hendricks, Martha Batton, and Jettie Davis will be directing arts and crafts on Thursday, October 23, from 10:00 a.m. to 5:00 p.m. There will be a break at noon for a bountiful covered dish luncheon.

Table games will again be the order of the day on Friday, October 24, from 2:00 to 5:00 p.m. Fifteen fortunate friends will be traveling to Amarillo in the Golden Spread Center's van-bus on Friday, October 24, at 5:00 p.m. to go to the Country Squire Dinner Theater to see Bob Denver from TV's "Gilligan's Island" in the mystery/comedy, "Catch Me If You Can".

Golden Spread Center is open Monday through Friday, from 9:00 a.m. to 5:00 p.m. and is a walk-in referral center for all problems on the aging.

Marv Hendrickson and Martha Batton will be directing arts and crafts at the Golden Spread Center on Thursday, October 23 from 1:00 a.m. to 5:00 p.m. There will be a break at noon for a covered dish luncheon.

There will be an afternoon of table games at the Golden Spread Center on Friday, October 24 from 2:00 to 5:00 p.m.

Fifteen fortunate friends will be leaving the Golden Spread Center on Friday, October 24, at 5:00 p.m. on the Center's van-bus to go to Amarillo to the Country Squire Dinner Theater to see Bob Denver of Gilligan's Island starring in the mystery/comedy "Catch Me If You Can".

There will be another game afternoon on Monday, October

27 from 2:00 to 5:00 p.m. Table games will be the order of the day on Tuesday evening, October 28, at 6:30 p.m.

Wanda Brown will be driving the Golden Spread Center's van-bus on Wednesday, October 29, from 9:00 a.m. to noon, picking up the sixty plus bunch and taking them shopping, on errands, and to meet appointments. This service is furnished free by the Golden Spread Center to all persons who are sixty years of age or older without discrimination as to sex, color, race, religion, politics, or handicap. People needing transportation for any purpose should call the Golden Spread Center (9-3521) on Tuesday and get your name on the list.

Golden Spread Center is located at 14 S. Haney and is open every day, Monday through Friday, from 9:00 a.m. to 5:00 p.m. All activities are open to anyone who is fifty-five years of age or older.

Pearl Pierce, the full-time director, runs a walk-in referral and information center for all programs on the aging. She is a good listener, counselor, and friend. Come in and get acquainted.

Edna Hays works under the Farmers Union green-thumb program as a reassurance worker. She calls over thirty people who are homebound every day and checks on their needs.

Orfelinda Vela works under the CETA program as a custodial assistant.

This is the season for shot-off toes and feet, and some hunting accident deaths.

Presbyterian Church News

There is a Sunday Church School class for everyone every Sunday at 9:45 a.m. and a concerned, loving teacher in each class with an interesting, well prepared Bible Lesson.

"Remember Jesus Christ" will be the subject of Pastor Edward D. Freeman's sermon on Sunday, October 19, at 11:00 a.m. at the service for the public worship of God.

Palo Duro Union Presbytery will meet at the Westminster Presbyterian Church in Lubbock beginning at 7:30 p.m. on Sunday, October 19, and close at 3:00 p.m. on Monday, October 20.

Presbyterian Women will furnish meat dishes and desserts for the covered dish dinner at the Golden Spread Center on Tuesday, October 21, at 6:30 p.m.

The session will meet on Wednesday, October 22, at 8:00 p.m.

The annual congregational meeting to elect new officers and to adopt the budget for 1981 will be following the morning church worship service on Sunday, October 26. This in turn will be followed by a family covered-dish dinner.

Dr. Richard G. Hutcheson, under the sponsorship of the Reformed Center of the South-west will be speaking on "The Nature of the Church" at the First Presbyterian Church of Amarillo on Sunday, October 26, at 7:00 p.m.

There is a warm, Christian welcome awaiting everyone who attends any of the services and

activities of the First Presbyterian Church.

Mexican Dinner

The Sacred Heart Church will be having their Mexican dinner Sunday, October 26. Serving time will be 11:30 till 2:30.

The Menu consist of Enchiladas, beans, spanish rice, salad, sopapillas, honey, home made hot sauce tostadas, dessert, tea or coffee.

There will be a Pinata for the little ones to break at 2:00.

The ladies are getting their talents together to make this a very delicious dinner. Plan to come and eat good Mexican cooking at 901 S. Roland in the Parish Hall Sunday, October 26.

Prices will be \$4.00 Adults, \$2.00 for 6-12yrs. and under 6 eat free. Carry-out orders are available. To place an order for a carry out call 9-2166 after 9:30. If someone would like to order a carry out and has no way to pick it up there will be someone to deliver orders to those that need this service.

Troop 42 Met

Troop #42 met at the Scout Building Oct. 9. A troop cookout was held in the back yard. The menu consisted of Dump Stew, and Kool Aid. Each girl brought something and all participated in helping build the fire, cooking and cleaning up. Mitzi Pearson led the troop in singing The Lord is Good to Me.

Those present were Margaret Evans - leader, Mitzi Pearson, Joy Kizziar, Shenda Graham, Cacy McGill, Jamie Maize, Pam Ring, Lacey Wood, Michelle Cook, Chantell Robinson and Tricia Shedeck.

Films Available at Library

The following group of film will be at the Hansford Coun Library through November 12.

THE DEER AND THE FOR EST. 16 min.-color-distributed by EBEC-primary.

A "life ballet" of deer and other animals moving through a year's cycle in this film story without words.

CATCH THE JOY. 15min.-color-distributed by Pyramid Films-Jr. Hi. through adult.

This film captures all the thrills and excitement of dune buggie racing.

SHIVERING SHAKES-PEARE. 20 min.-b&w-distributed by Eastin-Phelan-all ages.

The Little Rascals manage to turn a school play, "The Gladiators Dilemma," into a pie throwing melie.

DEAD IS DEAD. 21 min.-color-distributed by Paramount-Oxford-Sr. Hi. through adult.

This film seeks to fight drug addiction with the shocking truth. The truth about pill-taking in peaceful suburbs, about youth's flirtation with marijuana, glue, and other destructive chemicals; and the grisly truth about the end of the road for junkies and pill-poppers.

SENTINELS OF SILENCE 19 min.-color-distributed by EBEC -Jr. Hi. through adult.

The ancient religions of Mexico are pondered as the viewer is taken on an ariel view of 7 archeological sites in an attempt to explain the beliefs and practices of the "original Americans."

Golden Gleams
Trust that man in nothing who has not a conscience in everything.
-Laurence Sterne.

Whatever I feel to be good is good. Whatever I feel to be evil is evil. Conscience is the best of casuists.
-J.J. Rousseau.

Conscience admonishes as a friend before punishing as a judge.
-Stanislaus Leszczynski.

Conscience is but the pulse of reasoning.
-A.T. Coleridge.

Conscience is in most men, an anticipation of the opinion of others.
-Henry Taylor.

SMILES
Modern
Young lady motorist:
"It's snowing and sleeting and I'd like to buy some chains for my tires."
"I'm sorry--we keep only groceries."
Motorist: "How annoying! They told me this was a chain store."
No, I'm All Right
"You admit that you put a lead nickel into the complainant's cigar vending machine. Don't you know that that was cheating?"
reproved the judge.
"Did you ever smoke one of those cigars, judge?"

Accidents are preventable but most Americans act otherwise.

Leonid I. Brezhnev, Soviet leader: "I am confident that developing and deepening Syrian-Soviet relations will serve the interest of our two nations and the cause of peace in the Middle East."

Dahlia Flower Club

The Dahlia Flower Club met with Mrs. Hazel Loftin. The President, Louise Archer, called the meeting to order with the Pledge of Allegiance.

After a short business meeting, we had the installation of the 1981 officers. Hollie Riley was the installing officer, using the flower ceremony. Daisy mums were the flowers given to all the officers, tied with their appropriate colored ribbons. The new officers will be as follows.

President--Myrna Biggers, Vice-President--Ruth Mary Whitson, Secretary & Reporter--Jewel Turner, Treasurer--Sada Hoskins, Parliamentarian--Hazel Loftin.

Lovely refreshment plates using the Halloween motif were served to the following members: Annie Allen, Louise Archer, Martha Batton, Myrna Biggers, Mabel Edwards, Nell Evans, Sada Hoskins, Hollie Riley, Ora Sanders, Margaret Shedeck, Cora Smith, Ruth Mary Whitson, and the Hostess--Hazel Loftin.

Our next meeting will be December 15, Monday, at 2 p.m. at the B&B Hospitality Room. This will be our annual Christmas party. Our Hostesses will be Martha Batton, Deta Blodgett, Alma Remy, & Hollie Riley.

Girl Scout Leaders Met

The Girl Scout Leaders met at the Girl Scout House, October 14.

Those present were: Vicki Tinsler from Guymon, Cindy Schneider, Snirley Tenburch, Onie Moyer, Margarette Evans, Martha McRee & Theresa Weaver.

Margarette Evans was assigned as Neighborhood Chairman; and Theresa Weaver was assigned as Secretary.

There was a date set aside for neighborhood meetings which will be the second Tuesday of each month at the Girl Scout House. The next meeting will be November 11 at 1:30.

Cindy Schneider is in charge of the Girl Scout Nut Sale. The leaders orders need to be in by October 17. The Nut Sale will be

December 3.

Vicki Tinsler, from Guymon, talked about the Leaders Training Meetings which will be held in October. She also talked about fund raising ideas from Vicks and Colgate company's.

Martha McRee motioned for a bake sale; Onie Moyer seconded; and the motion carried. The Girl Scout Bake Sale will be held November 12. The tables will be set at Gordons for the Bake Sale at 7:30 and at Cut Rate at 8:00.

Family night will be held sometime in March 1981.

Hostesses in charge of December and clean-up-1st grade Brownies will have month of November, and 2nd grade Brownies will have month of December.

Collection Workshop

The Hansford County Library hosted a Collection Development Workshop for area librarians on Wednesday, October 15, at the library.

The librarians met with Baker & Taylor sales representative, Mr. Dee Spain from Ft. Worth. Baker & Taylor Co., the largest book supplier in the U.S., will

be the jobber for books ordered by the librarians with Texas Pnhandle Library System funds this year. Hansford County Library is allotted \$811.00 to be spent on books with System funds this year. Librarians attending the

meeting were: Dell Steel, Dal-lam County Library, Dalhart; Beverly Grimes, Sherman County Library, Stratford; Celestine Thompson, Perry Memorial Library, Perryton; Dan Snider, Lovett Memorial Library, Pampa; Wilma Wester, Hutchinson County Library,

Borger; Betty Long, System Consultant, Amarillo Public Library; and Rita Curtis, Hansford County Library, Spearman.

Envy is a form of self-poisoning.

Money is rather expensive when it gets scarce.

Comment On Sports

BOXING ****

By Pete Fritchie

WASHINGTON, D. C. -- Even the blindest moron ought to be able to see what Muhammad Ali is doing to his fans, and the public in general--bilking them for as much money as he can milk out of them. And he has to know what he's doing.

That is the real story of the disgraceful Holmes fight. Ali never had a chance. And Ali says he wants more. With his childish antics over the years, Ali confirms what the late H.L. Mencken said about the public. Mencken's words were that no one in America had ever gone broke by underestimating the

stupidity and gullibility of the U.S. public.

Even after his disgusting performance in Vegas, he talks about fighting again. He was a great fighter. But that kind of attitude toward his sport and the public reminds one that he also refused to be drafted and of years of constant conceit and boasting, etc.

The championship thing for him to do now is to at least be honest with his fans and the public and admit he's over the hill. His over-enlarged ego must face that eventually. That would also save gullible fans a lot of money.

ONE MINUTE SPORTS QUIZ

1. Who met in the World Series?
2. Tommy Johns pitches baseball for what pro team?
3. Who won the San Jose PGA tournament?
4. Who holds the record for most points scored in an NFL season?

TO SMOOTH OUT YOUR ELECTRIC BILL!

THIS IS HOW YOUR AVERAGE BILLING AMOUNT IS FIGURED:

FIRST MONTH
FIRST READING - 12 - BILLING AMOUNT
ACTUAL USE - AMOUNT

EACH MONTH THEREAFTER
FIRST READING - 12 + ACCUMULATED - BILLING AMOUNT
ACTUAL USE - DIFFERENCE - AMOUNT

*15% of accumulated difference is added when prior to the current bill, the accumulated amount for electricity used is more than the accumulated amount billed under the Average Billing Plan.

NOTE: If you have less than 12 month's history at your present address, the "average" will be based on the number of months available.

When you receive an unexpectedly high electric bill in the mail, it can really be a jolt to your budget. You might even have to delay a special purchase you were planning just to pay your electric bill that month. Community Public Service Company's Average Billing Plan can help you avoid this problem by averaging out the amount you pay over an entire year. This way, your bill won't put an abnormal strain on your budget, even during months of extraordinarily high electricity use such as August. Your bill may vary some from month to month, but not to any large degree. Your total annual electricity expense will stay the same while you enjoy the extra ease of averaged bills. If you think the convenience of the Average Billing Plan could help you plan your budget better, call Community Public Service Company for details.

CHECKING

PLUS

INTEREST

We welcome the Spearman LYNX and their fans to the Football game in Perryton Friday nite, 7:30 p.m.

The First National Bank of Perryton will begin paying interest on checking accounts January 1, 1981. We wanted YOU to have certain basic facts concerning our CHECKING PLUS INTEREST accounts:

Fact:

CHECKING PLUS INTEREST '4' is our personalized name for NOW (negotiable order of withdrawal) accounts. These accounts have been in existence since 1972 in some New England States, and Congress has now authorized them nationwide.

Fact:

Our '4' accounts will earn interest at 5 1/4%, compounded daily, which is the highest rate allowed by law for any financial institution.

Fact:

We, like all other financial institutions, will have certain minimum and average balance requirements on '4' accounts. This means that '4' accounts will not be for everyone. If your account balance will fall below the required minimum or average balance, and thus a penalty situation, a regular checking or savings account may be more beneficial to you.

Fact:

One thing is certain -- you should visit with any of our Texas Style Bankers as soon as possible to determine whether a '4' account will be beneficial to you. Our initial enrollment date for '4' accounts will be November 3, 1980.

— Another first from your FULL SERVICE First National Bank, Perryton, Texas, where all accounts are insured to \$100,000.00 by FDIC, an agency of the U.S. Government.

Know THE Weather

What do we mean by "football weather"? Do people really feel better in the fall when football is played?

There is such a thing as football weather, not because of football but because of the time of year football is played in the United States.

This sport comes when high pressure systems begin to push down from the north with greater regularity bringing with them cold, dry air. It is the beginning of the trend towards winter and there is usually less rain in the fall than in summer.

Since it's high pressure that makes people feel good (low pressure sometimes has a depressing effect), this, combined with cooler weather and resulting invigoration, produces an energetic feeling or that "football weather" in the fall when appetites and energy seem to return after a hot summer.

Program ranks No. 1 in nation

AUSTIN, Texas (Spl.)—A panel of experts in the community college field has picked the program in Community College Education at The University of Texas as the No. 1 graduate program of its kind in the country.

The UT Austin program prepares administrators for community colleges throughout the nation.

In the same study that ranked the UT Austin program, Dr. John E. Roueche, professor of educational administration, was cited as the outstanding living author in community college education since 1960. Two of his books were singled out among those making national impact on the community college movement.

(ASR) — Moisture can quickly cause an automobile or RV engine to stall. But WD-40 can solve this and other auto maintenance problems. The water displacing product penetrates between moisture and the ignition system to dry wet engines. To get the engine started again, remove distributor cap, wipe away moisture and spray lightly with WD-40. Then replace the cap and start the engine. The non-oily product also stops rust and corrosion on chrome and other metal surfaces, lubricates sticky mechanisms, loosens rusted bolts, and cleans and protects dirty battery terminals and antennas. It's available in handy spray cans, including two ounce, 9 oz. and 12 oz. sizes, at auto supply, hardware and other retail stores.

Political advertisement paid for by John W. LaGrone

Losing my thick waist gave me back my modeling career.

Marilyn Minchen may not look as if she ever had a figure problem, but after 6 pregnancies and 7 children (one set of twins), she was getting pudgy around the waist and hips. And that just wouldn't do if she wanted to continue her work as a fashion model.

"Holding in your tummy gets to be very uncomfortable when you're modeling all day," Marilyn says with a laugh. "If a model doesn't fit the sample size 8's, she's not going to be called often."

Never able to stick with exercising at home, Marilyn didn't like the idea of exercising in a class full of women either. Was there any other way to get her figure in shape again?

Her husband's gift to her for her 40th birthday last spring was the answer: she'd go to Pat Walker's.

The peaceful way to perfect your figure

Marilyn was immediately impressed with the serenity of her Pat Walker's salon. There's no hubbub... no gym atmosphere. Even when you're using the Symmetricon unit—Pat Walker's exclusive passive exerciser—you're in a private room. Two or three times a week, you relax for a half hour or more while the Symmetricon exercises and tones your body. It's no-sweat exercise, so you don't even change your clothes or muss your hair.

"The treatment rooms are cool, quiet, softly lit," Marilyn says, "I really appreciate the chance to lie back and think and relax. With a husband, 7 children, and a career, I need that kind of time to myself."

Sensible eating—not strict dieting

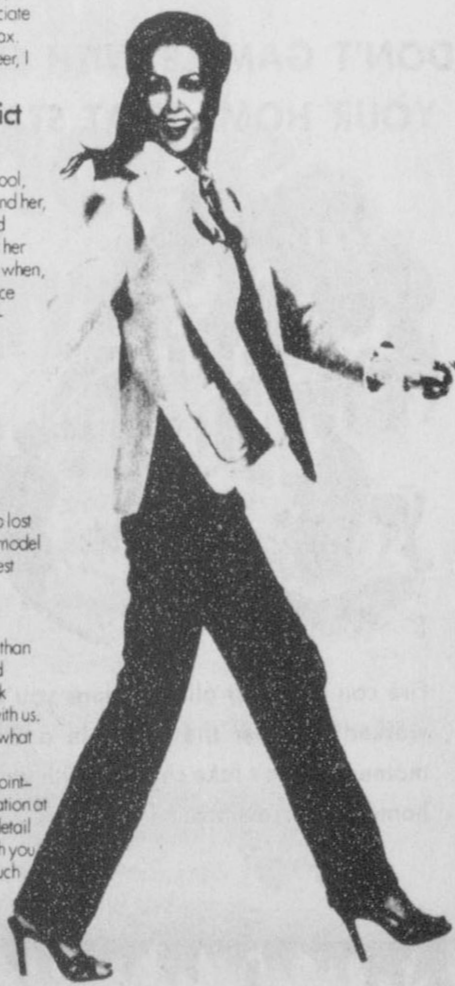

With 3 years of home economics in school and lots of talks with pediatricians behind her, Marilyn thought she knew all she should about nutrition. But Pat Walker's taught her what combinations of food to eat, and when, to stay healthy and in good shape. Since she's been practicing Pat Walker's principles in her cooking, her husband has lost 26 unneeded pounds.

And Marilyn? Well, her husband said it best: "Marilyn, your waist is so tiny!" She's trimmed 11½ inches in all the right places—3½ inches from her tummy, the rest from her thighs. Happily, she's also lost 6 pounds and now weighs 126, ideal model weight for her 5 feet 9 inches. It's the best birthday gift she ever had.

Free figure analysis

Maybe your weight problem is bigger than Marilyn's. Probably you're not worried about modeling—you just want to look good in your own clothes. That's fine with us. We want you to look terrific no matter what you do.

Let us show you how. Make an appointment for a free, no-obligation consultation at a Pat Walker's salon. We'll tell you in detail about the entire program... how much you can lose, how long it will take, how much it will cost. And we'll treat you to a session on the Symmetricon unit, so you can see how relaxing it is. Call today!

DOUGHNUTS/PECAN ROLLS

Savvy cooks treasure recipes that please the family and save money. When a recipe yields something in addition to that, some cooks refer to it as a recipe that pays dividends. The accompanying recipe for Doughnuts is such a recipe. The holes from the doughnuts are used to make Pecan Rolls.

The procedure goes like this: a caramel syrup goes into the bottom of prepared muffin pans and pecan halves go on top of the syrup. Add the holes from the cut doughnuts, 5 holes for each muffin cup. After rising for about an hour, the rolls are baked. The doughnuts are fried, then sugared and ready to be served with coffee or cider. The recipe makes 30 doughnuts and six Pecan Rolls. But you can vary that according to your needs.

DOUGHNUTS/PECAN ROLLS

Makes 30 doughnuts and 6 rolls

- 1 cup warm water (105° F.-115° F.)
- 2 packages Fleischmann's Active Dry Yeast
- 2/3 cup sugar
- 1 teaspoon salt
- 1/2 cup mashed potatoes (at room temperature)
- 1/4 cup (1/2 stick) softened Fleischmann's Margarine
- 1 egg (at room temperature)
- 4 or 5 cups unsifted flour
- 1/4 cup firmly packed light brown sugar
- 2 tablespoons light corn syrup
- 2 tablespoons Fleischmann's Margarine
- 18 pecan halves
- peanut oil

Measure warm water into pans. Arrange 3 pecan large warm bowl. Sprinkle halves in bottom of each in active dry yeast; stir until cup; set aside.

Punch dough down; turn potatoes, 1/4 cup mar-out onto lightly floured garine, egg and 2 cups flour; board. Roll dough out to beat until smooth. Stir in 1/2-inch thickness. Cut with enough additional flour to a 2-1/2-inch doughnut cut-make a soft dough. Turn ter. Place doughnuts on out onto lightly floured greased baking sheets. Ar-board; knead until smooth range 5 doughnut holes in and elastic, 8 to 10 minutes, each muffin cup. Reroll and Place in greased bowl, turn-cut scraps of dough. Cover; ing to grease top. Cover; let rise in warm place, free rise in warm place, free from draft, until doubled in bulk, about 1 hour. Bake bulk, about 1 hour.

Meanwhile, combine light minutes or until done. Im-brown sugar, corn syrup and medially invert rolls onto a remaining 2 tablespoons plate to cool. Fry doughnuts in deep margarine in saucepan. Fry doughnuts in deep. Heat, stirring, until mar-hot (375° F.) peanut oil garine melts and mixture is about 1 minute on each smooth. Divide evenly side. Drain on paper towels, among six greased If desired, dip doughnuts in 2-1/2 x 1-1/4-inch muffin cinnamon-sugar.

About 13 million kittens are born in the U. S. every year.

According to a recent broadcast sponsored by the Columbia-Presbyterian Medical Center and The Prudential Insurance Company, controlling air pollution is more than good public health - it's also good economics.

Investigators from the Research Triangle Institute of North Carolina published a report in the American Journal of Public Health on extra hospitalization costs for pollution-related diseases in Pittsburgh. The researchers found that hospitalization costs in Pittsburgh's higher pollution zones were nearly \$10 million in 1972.

Senior Engineer Ben H. Carpenter of the Research Triangle Institute says that if increased pollution exposure produces greater illness and expense, then a reduction could have the reverse effect.

Carpenter feels that the findings in the Pittsburgh study could be a basis for economic incentives to control air pollution, thus promoting a healthier, and perhaps a wealthier, society.

"Society can only gain by controlling air pollution," says Carpenter. "The expenses for such controls, therefore, could logically be shared on a cost-benefit basis."

CYO Met

The CYO, Catholic Youth Organization, held their regular meeting in the Parish Hall. The meeting opened with a prayer given by Stacey Cook.

We discussed our Halloween Party.

The Perryton CYO invited the Spearman CYO to a Halloween Party on October 27. One of the games suggested to be played at the Perryton CYO Halloween Party is "Celebrity game" - Stacey Cook in charge of it.

Tammy Janzen will read a story entitled "A Boy in a Toyshop".

We talked about money raising projects. There were two suggestions - "An Egg Sale" and "A Coke Bottle Drive".

Mark Avila motioned that we have a Coke Bottle Drive on November 2. Stacey Cook seconded it. Motion carried.

John Sullivan motioned we have an Egg Sale. Stacey Cook seconded it. Motion carried.

We discussed about having a dinner for all of the Parents of the CYO members so we could show them what the CYO is all about.

Plans for a banner were made. Stacey Cook demonstrated what the banner would look like. Mrs. Farr will take care of the material. CYO members will bring scraps of material to make the banner.

An officers meeting is scheduled for October 22 at 7:30 p.m. and will be at Julie Farr's house. Julie Farr will be in charge of the meeting.

Door Prize winners were Cruz Hermosillo and Mark Avila.

The closing Prayer was given by Cruz Hermosillo.

For the next meeting, Sara Avila and Dora Salgado will bring refreshments. Mark Avila will say the Opening Prayer and Dora Salgado will say the Closing Prayer.

In one minute, the average adult can read 300 words.

The first night game in baseball history was played on June 2, 1883 in Fort Wayne, Indiana.

TREAT UNICEF VOLUNTEERS ON HALLOWEEN

Halloween. The name conjures up an image of ghosts, goblins and witches on the prowling demanding treats or promising to trick those who do not have any goodies on hand. Individuals wise to the mischievous ways of these hobgoblins make sure they have plenty of Halloween treats for the big night.

But Halloween is also the night when UNICEF volunteers ask for contributions to help children in other lands. These hard working people donate their time and energy to help others and they deserve a reward. So why not invite your neighborhood UNICEF volunteers in for a special "treat" after they have finished for the evening?

You can serve Halloween Pops made with a new and exclusive flavor from Royal Desserts. New Royal Apple Gelatin, when combined with light corn syrup, red cinnamon candies and water, frozen and then whipped, will make a light,

refreshing snack that is just right after an evening of going door to door.

And when prepared according to package directions, apple gelatin brings a fresh apple taste to any meal and is the base for many flavorful dishes.

HALLOWEEN POPS
Makes 7 pops
3-3/4 cups water
1/4 cup light corn syrup
1 tablespoon red cinnamon candies
1 package (3 oz.) Royal Apple Gelatin

Combine 1 1/4 cups water, corn syrup and cinnamon candies in a saucepan. Bring to a boil, stirring until candies are melted. Remove from heat. Stir in Royal Apple Gelatin until dissolved. Mix in remaining water. Pour into a 9 x 5 x 3-inch loaf pan. Freeze 2 1/2 to 3 hours, or until mixture is almost frozen.

Transfer nearly frozen mixture to a chilled mixing bowl and beat on high speed of electric mixer until light and fluffy. Spoon into 5 oz. paper cups. Return to freezer. After about 1 hour place a plastic spoon or wooden stick upright in the center of each cup. Continue freezing until firm. Peel off paper cup to serve.

A flying honeybee beats its wings 250 times a second.

Washington produces more apples than any other state.

Less than half the population of America sees a dentist once a year or more.

The longest commonly performed opera is Richard Wagner's "Die Meistersinger" which usually runs for 5 hours, 15 minutes.

Hilton Specialized Instructor

We are privileged to have Mr. Sue Hilton from CEF International Headquarters as our specialized instructor. In recent years Mrs. Hilton has been traveling throughout the United States conducting Sunday School Clinics and Seminars. She will be instructing children's workers in the art of evangelism, counseling and discipling of children in Sunday School, Children's Church and Good News Clubs.

Such topics as Teachers preparation and Bible lesson preparation; the Christian child and victory; helps in teaching God's attributes to children; the child and prayer and teaching Scripture memory will be taught throughout the day.

All children's workers are encouraged to attend and bring

a sack lunch. Drinks and dessert will be furnished.

Has your business outgrown your phone system?

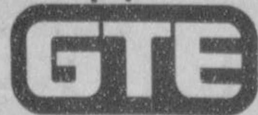

When a business is expanding, so is the load on its phone lines. The usual solution is to add more phones.

That's all right up to a point. But eventually, you can be spending more for a less efficient system.

And that is the time to have a talk with General Telephone's Communications Consultants. They will make a

complete survey of your business phone needs and show you how to use your system more efficiently. They may find ways to save you money. Maybe even make money. And best of all, there's never any extra charge for their service. Call your General Telephone business office today and make an appointment for a telephone survey.

We keep you talking.

District Convention

Spearman Music Club will host the Twentieth Annual First District Convention of the Texas Federation of Music Clubs on Saturday, November 1, 1980 at the First Baptist Church, 123 South Bernice. Convention Chairpersons are Mrs. Dean Leighnor and Mrs. Russell Townsend.

Convention theme is "I Am Sold", and will be dedicated to all federated music clubs. Mrs. Don Ray Knight of Stratford is president of the First District and Mrs. John Yows of Borger is district junior counselor.

Thousands of dollars for music scholarships go unused each year, according to Mrs. Ivan Frederickson of Amarillo. "The goal of our organization is to find and foster young musical talent, thus putting that money to good use."

First District is one of twelve districts comprising the State Federation and is a member of the National Federation, the world's oldest and largest philanthropic musical organization. The national organization has received a Congressional Charter.

During the convention guest artists will perform musical interludes. During the luncheon the "Celebrate" group from Spearman High School will entertain.

Many local artists will perform for the Performing Arts Program at 2:30 p.m. to which the general public is cordially invited.

Local members assisting with the convention are Betty Freeman, President; Charlotte Angel, DeAnn Dunnihoo, Fran Glass, Janie Kunselman, Bonita Reimer, Anne Sanders, Colleen Schaefer, Margie Schoenhals,

Dana Schnell, Phyllis Shedeck, Myrna Biggers, Eddie Largent, and Kathleen Sutton. All former members of the Spearman Music Club and all

interested people in the community are cordially invited to attend all sessions of the convention.

Thunderbird Ball

Rho Rho, Xi Zeta and Preceptor Epsilon have joined together to raise funds, as a community project, for the Hansford County YMCA. A Thunderbird Ball will be held on Saturday,

October 25. The event will be in the B & B Industries building. Decorations will carry out a western theme, with Sutphens providing the buffet and Eloy and the Troubadours providing

music for the entertainment and dance. For more information and tickets to the Thunderbird Ball contact: Marva Hohertz at 659-3157 or Jim McLain at 659-3724. The number of tickets to be sold is limited, so act now.

Man Made Channels

Waterways are man made channels which are designed for width and depth to carry the expected water runoff from rainfall storms. This width and depth design allows the excess water to flow at a non-erosive pace.

This will protect ponds and streams from silt and pollution.

Waterways are usually grassed and can be used for grazing or hay production. They will make an outstanding wildlife habitat for dove, quail and pheasants.

If you have a problem with excess rainfall runoff and are in need of a grassed waterway contact the Soil Conservation Office in Spearman for help.

Stud Service Auction

The Fifth Annual Benefit Stud Service Auction, sponsored by the Panhandle State University Rodeo Club, will be held Saturday, November 15th, at 7:30 p.m., at the Elks Lodge in Guyton, Oklahoma. The Stud Service Auction is a yearly function of the PSU Rodeo Club which annually raises several thousand dollars to be used in support of the rodeo program. Stud owners from the Panhandle area, and elsewhere, are asked to donate breeding services which are auctioned off to buyers who attend the auction. To insure that the Rodeo Club obtains a decent price and to minimize bad publicity for stud owners, minimum bids have been set for the services of the stallions. Over the past few years the auction has grown in both the number of services donated and the number of bidders. The upcoming auction is expected to feature over fifty stallions. Some of the horses which will be featured in this year's auction are: **Jr. Bay**, owned by Terry and Reta Smith of Guyton, Oklahoma; **Golden Reb**, owned by O.J. and Margie McKay of Henryetta, Oklahoma; **Larum's Irish**, owned by Butts Bros. of Texhoma, Oklahoma; **Watch My Step**, owned by Merel Moore of Hooker, Oklahoma; **Raise a Cavalier**, owned by Merel Moore and O.D. Crawford of Hooker, Oklahoma; **Pacific Jet Rail**, owned by Jimmie Meyer of Texhoma, Oklahoma; **Bold Clarion**, owned by Ken Ensminger of Isabella, Oklahoma; **Leadoff Fleet**, owned by Jere Nelson of Ringwood, Oklahoma; **Wild Warrior**, owned by Everett Clapp of Liberal, Kansas; **Kowa Blacky**, owned by Stanley and Junetta Barby of Beaver, Oklahoma; **Pasamonte Flash**, owned by Jack L. Swain, DVM, of Stratford, Texas; **Smooth King**, owned by Dr.

J.L. Hooper of Chichasha, Oklahoma; **Oh McNeill**, owned by Dr. J.L. Hooper of Chichasha, Oklahoma; **Ole Charge**, owned by Gene and Shirley Weiszbrod of Ft. Tobacco Chewing

(FORT WORTH, Oct.) Chewing and dipping tobacco have a new found popularity in Texas, and one specialist isn't at all happy.

Dr. Elbert Glover, TCU assistant professor of kinesiological studies, says smokeless tobacco poses tremendous health risks to users.

"A lot of people think that just because you don't inhale it it's O.K.," Dr. Glover said. "That's not true. All you're doing is trading one set of risks for another."

When asked about the health hazards of dipping and chewing, Dr. Glover listed four areas of risk:

-Cancer of the mouth and throat are the biggest risks. Many users develop white patches, called leukoplakia, in their mouth. About six percent of these cases will develop into cancer, he explained.

-Users of smokeless tobacco also face increased risk of tooth decay because of the sweeteners used in many tobaccos. Also, Dr. Glover said snuff and chewing tobacco can lead to gum damage and eventual tooth loss. Two to three times as many users lose all of their teeth by age 60 than non-users.

-Chewing tobaccos and snuff interfere with the taste buds. This causes users to use more salt on their food, which may contribute to high blood pressure and kidney disease.

-Smokeless tobacco also contains nicotine, which Dr. Glover said speeds up the heartbeat and constricts the blood vessels. This raises blood pressure and

may increase the risk of heart attack and stroke.

Dr. Glover emphasized that he is particularly worried about the large number of young people starting to use snuff and chewing tobacco. "Apparently they're really trying to be macho," he said.

Movies like "Honeysuckle Rose" and "Urban Cowboy" which feature characters who use chewing tobacco only glamorize the habit, the TCU associate professor said. Dr. Glover's latest book, "Tobacco and Your Health: From Cigarettes to Snuff," will be published next year. The textbook will be used by college health classes.

Too many political speakers appeal to the emotions rather than the intellect.

A bouquet of flowers usually brings a smile to the face of any female, regardless of age.

The parent who expects to discover how to raise a child successfully by reading books has a lot to learn.

What the nation needs is more statesmen who want to know what is right before trying to ascertain the number of voters involved.

Bill Sarpalius for 31st Senatorial District

SARPALIUS FOR SENATE

An Effective Conservative

HUMANITARIAN: Bill Sarpalius and his two brothers were raised at Cal Farley's Boys Ranch. After college graduation, Bill returned to Boys Ranch with his wife, Donna, and his son, David, to work for five years as a staff member and teacher.

AGRICULTURE: A former State President of the Future Farmers of America, Bill Sarpalius has earned both Bachelor and Masters degrees in Agriculture from Texas Tech University and West Texas State University. He understands the importance agriculture plays in our economy.

BUSINESSMAN: As a businessman, Bill Sarpalius can relate to the problems facing businessmen in the 1980's. A longtime District resident, Bill is sensitive to the needs of business in the area.

EDUCATOR: As a school teacher Bill Sarpalius understands the value of a good education. As a parent, he is concerned with the role quality education plays in the future of our state.

EXPERIENCE: Bill Sarpalius understands the Texas Legislative process. He believes that to be an effective State Senator you must make yourself available to the people. Bill intends to do this through the use of a mobile office.

Charles Brillhart Elected

Charles Brillhart of Spearman, Texas was recently re-elected to the Hansford Soil & Water Conservation District on October 14, 1980. Brillhart represents Zone 2 of the district.

The purpose of the Hansford SWCD, with headquarters in Spearman is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other

organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Brillhart will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law. He is the current Chairman of the SWCD and has been elected to serve another time as Chairman.

In Texas there are 200 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural

landowners with the assistance of the Texas State Soil & Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowners or operator.

Organized in August of 1950, the Hansford SWCD has provided many years of direction of soil and water conservation efforts in the county. One of their main objectives is to advise and assist the USDA's Aoi Conservation Service in carrying out soil and water conservation.

TEHA Annual Meeting

Lynna Renner, Penny Ralston, Linda Sanders, Norma Jean Mackie, Adalyn Barnes and Ethel Byers will hear "Heloise" and author Jane Segerstrom during the Texas Extension Homemakers Association (TEHA) annual meeting October 14-16 at the El Tropicana Hotel in San Antonio.

Local delegates will join more than 1,000 other delegates from across the state as Texas Extension Homemakers Association members gather to discuss today's family.

They will attend workshops concerning family life, health, safety, citizenship, 4-H and

youth, recreation and cultural arts--and then bring home what they learned in order to benefit more than 20,000 additional Extension Homemakers Club members.

In addition, the delegates will later promote countywide activities for the public that will reach thousands more Texas homemakers and their families. Keynote speaker on October 15 will be Jane Segerstrom, author of "Look Like Yourself and Love It," who will address the annual convention on that same topic.

That evening "Heloise," who writes the syndicated column "Hints from Heloise," will speak to the delegates.

Heloise, of San Antonio, as author of the nationally distributed column is really a "second generation" author of the column, following her author-mother, who originated it.

Other activities during the state meeting will be the semi-annual election of officers and a closing-evening banquet featuring a Mariachi Band.

Contentment is a matter of reducing your wants and desires.

Very few participants in marriage ceremonies recall the "for poorer" phrase.

Health is the most unappreciated blessing in the world--by those who have it.

ABOUT YOUR HOME

HOME

By April Rhodes

When you need only part of an onion, use the top part first. The root half will keep longer.

Mildew can be removed from wood, painted shelves, and leather with a cloth dipped in plain, straight vinegar.

Be sure to check the calory count on "dietetic" labels. Sometimes these have as many calories as the food they are supposed to replace.

Books should always stand straight on the shelf; leaning weakens the bindings.

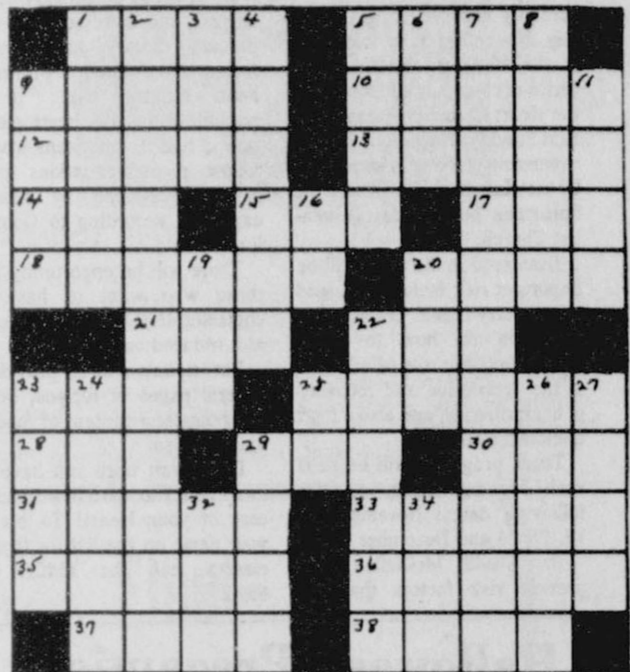

One cup of dried beans or peas (an excellent protein substitute) will make two and one-half cups, cooked.

10. October 24, 1861.

Why is it that tomorrow is so full of good working hours?

People tire easily when they are doing something they dislike.

When in doubt about a controversial point, say nothing.

New Cigs

New cigarettes are on the market--cigarettes which contain no tobacco, thus no nicotine. True, at least one brand, has been available for several years. But now a major national advertising campaign is underway in their behalf, and there are new brands.

Before gleefully sucking away to the heart's content, it might be remembered that nicotine, while a poison, is not the only harmful offender in cigarette smoking. There are tars and other solids which adversely affect the addict's health.

The new cigarettes may be an improvement. Yet full details of long-term effects of sucking them are not yet known. The only certainty is that they won't do anyone any good.

A good friend is one who doesn't care how much money you have.

It amazes us to see how seriously some people take themselves.

You might as well laugh at yourself at times; everyone else does.

Those who need advice rarely want it; those who ask it seldom follow it.

One of the most misleading factors in any national election is a forecast.

There's quite a difference between being present and doing the work.

Suggestion Approved

We are resetting a letter given to Mr. B.L. Dossett by Mr. C.R. Pool the Plant Manager of MASON & HANGER-SILAS MASON CO., INC. Mr. Dossett is the son of Mr. & Mrs. L.T. Dossett of Spearman.

Dear Mr. Dossett: Your suggestion, #3006, for a shim combination chart on the 76 program, has been approved.

According to the Program Engineer, this chart reduces the time needed by the operator to convert from metric on the gaging to inches on the shim stock and eliminates the possi-

ble use of the wrong size of shim. Based on an annual savings of \$6449.00 in operator and inspector time, you and your co-suggester will equally share a \$186.00 award of \$93.00 each.

We appreciate your efforts to improve the efficiency of manufacturing operations at Pantex and hope you will continue to participate in the suggestion program.

Very truly yours,
MASON & HANGER-SILAS
MASON CO., INC.

Preventive Coronary Care

A program in preventive coronary care will begin Monday, November 3, at 7:30 p.m. at the Hansford YMCA. This series of classes is a follow-up to the Heart Chex Screening to be held Sunday, November 3. This community service is sponsored by the Hansford YMCA and the Spearman Seventh-day Adventist Church.

Discussed in the class will be important risk factors that lead to coronary heart disease, information on how to lower cholesterol, the role of exercise in the prevention and recovery of heart disease, and also a food demonstration.

These programs will be held each Monday night, on the following dates: November 3, 10, 17, 24 and December 1.

Dr. David McClellan will present risk factors that in-

crease the risk of coronary heart disease, and Tony Gonzales will present dietary and health factors that can help to decrease heart disease risk. "It is possible to cut the heart attack rate in half if Americans would follow recommendations presently prescribed by health experts," according to Gonzales.

There will be opportunity for those who want to have a cholesterol/HDL ratio test done at a reduced cost.

Participants will be provided several pages of recipes, data on cholesterol content of foods, and exercise.

Don't wait until you have a heart attack to learn how to take care of your heart! To place your name on the list for these classes, call the YMCA at 659-2591.

Halloween Precautions

On Friday, October 31, children all over will be celebrating one of their favorite holidays, Halloween. This being so, scores of miniature "monsters" will scamper through the neighborhoods of Texas. For many of them, "trick or treat" may well turn into tragedy.

Major C.W. Bell, Regional Commander for the Texas Department of Public Safety, Lubbock, suggests that a few precautions on the part of the motorists and parents could prevent such disasters this Halloween.

If your children go trick or treating, one of the parents should go with them to insure their safety. If you buy or make your child a costume, it should be of white or light colored material so it can be easily seen at night by motorists. You

should also have your child carry a flashlight to serve as a warning to motorists and as an added safety measure on poorly lighted streets and children should be instructed to use sidewalks whenever possible and the motorists, on their part, should be especially careful when driving the neighborhood streets as many of the youngsters will be crossing the streets haphazardly as they go from house to house.

Major Bell also stated that because Halloween falls on a Friday there will be added traffic as most area high schools will be having a football game. If the parents and motorists will join together and think of the children's safety, we can turn this potentially dangerous evening into a safe and enjoyable one.

HOOP HISTORYMAKERS

Larry Kenon of the San Antonio Spurs set an NBA record in 1976 for most steals in a regular season game when he stole the ball 11 times from Kansas City.

Philadelphia's Wilt Chamberlain scored 100 points against New York in a 1962 game, setting an NBA record for most points scored in a single game.

The game of basketball, invented in the United States in 1891, was first played using halves of bushel baskets nailed to a gymnasium balcony.

According to A-T-O Inc.'s Rawlings Sporting Goods Company, passing was the only way to advance the basketball until dribbling was permitted around 1900.

Accent On Health

Texas Department of Health
Robert Bernstein, M.D., Commissioner

Even if you have lost all your teeth and wear dentures, it's still important to see a dentist regularly.

Elderly Texans learned this dental health fact of life recently at 13 Senior Citizen Centers during a special dental health pilot project administered in the Austin area by the Texas Department of Health.

During the project, a dental hygienist discussed topics such as the care of dentures and natural teeth, oral cancer, and the changes that occur in one's mouth with age.

"Facial muscles change with age, just like the muscles of the body do," explained Shelley F. Zausmer, the TDH dental hygienist with the special project. "When facial muscles lose their strength and tone, dentures won't fit correctly, and a person may experience pain and difficulty in chewing."

Mrs. Zausmer emphasized that dentures should be adjusted at least once a year by a dentist. "You can't just get a pair of dentures and then wear them the rest of your life. They must be adjusted periodically. Some of the elderly people we counseled received their dentures during World War II, and hadn't seen a dentist since then," she said.

"Many senior citizens don't know that dentures aren't supposed to hurt. They try to adjust their den-

tures with something like a nail file, and then give up. They leave their dentures in for chewing and then take them out."

The hygienist said dentures should be left out overnight and soaked in a cleaning solution. "In the Senior Citizen Centers, we talked with patients who had slept their entire lives with their dentures in and who didn't realize that dentures need to be cleaned once a day," she said.

Mrs. Zausmer emphasized that dentists don't just treat teeth, but care about the soft tissues of the mouth, the gums, tongue, facial bones, throat, roof of the mouth, cheeks, and the temporomandibular joint, where the mandible, or jaw, hinges in the skull.

These parts of the body can change with age, so it's good common sense to see a dentist no matter how old you are, she said.

Since the incidence of oral cancer increases with age, the 750 participants were taught self-examination procedures for detecting the early warning signs of cancer.

Clients also learned how to care for their natural teeth. "When most of these people were growing up, they were probably instructed to brush with a hard toothbrush," Mrs. Zausmer explained. "Now, we encourage everyone to brush with a soft toothbrush, and to brush both the gums and teeth. Soft bristle won't irritate the gums, which need to be brushed to combat periodontal (gum) disease."

Older people sometimes experience changes in their taste sensations, and this can lead to other health problems. "As their tastes change, they might need more salt, and this could influence high blood pressure," Mrs. Zausmer said. "Or, they might use an increased amount of sugar which of course would encourage tooth decay."

Another dental problem associated with the elderly is the reduction of salivary flow caused by medication, or a change in the salivary glands. This can result in saliva not functioning as a cleaning agent.

Dr. Carlos Lozano, Director of the TDH Bureau of Dental Health, says most people don't realize that their teeth are supposed to last a lifetime. He said about half the people in the country have lost their natural teeth by age 55. Dr. Lozano said about 20 million Americans have false teeth, and 100 million see a dentist only for pain.

"Many of the elderly were never taught good dental hygiene," he said. "But this group can be taught to be self sufficient in caring for their own mouths. In addition, they can reinforce the importance of good dental care in their children and grandchildren."

For more information, contact Dr. Carlos Lozano, Director of the Bureau of Dental Health, Texas Department of Health, 1100 West 49th Street, Austin, Texas 78756.

"Whoever gossips to you will gossip of you."

Halloween Safety Tips

To ensure Halloween is a safe, as well as fun, holiday for your children, parental vigilance and neighborhood cooperation are essential.

Experts at M&M/MARS, the leading confectionery company in the U.S., offer these precautionary tips for the occasion:

- Make sure your neighborhood is continuously supervised. Take turns with other parents keeping an eye on the block.
- Provide your children with a list of names and addresses where they can safely trick or treat and discourage visits to strangers' homes.

• Escort young children in particular from house to house. Encourage trick or treating during daylight hours.

• Allow your children to eat only the pre-packaged treats. Inspect even those to see that no one has tampered with the wrappers. Discard all fruit, cookies and anything else that is unwrapped or homemade.

• Dress your children in light-colored costumes to protect them from nighttime hazards, or attach reflector tape to visible parts of their clothing. And re-emphasize to them the importance of walking on the sidewalks and crossing the streets carefully.

• Heed these hints and a safe and pleasant Halloween can be in the bag.

The largest bat on earth is called a flying fox. Its wingspread may be up to 5 feet.

Wildcats Upset Lynx

Thursday night, October 16, was set up for an "upset". Everyone could smell it in the air--there was plenty of "air". No one knew before hand what the score would have been but everyone expected another 6-0 win by one of the teams. Of course, the home crowd was expecting the home team--the ever tough Spearman Lynx. The game was between our Spearman 8th grade Lynx against the River Road 8th grade Wildcats. Let me point out that our Captains--all who have been Captains this year; I cannot name the boys 'cause I don't have their names--always do such a great job with the coin. They always win it.

Our Lynx got to receive first. Well, the Wildcats didn't want to lose 2 times to the Lynx, so they did their best against our Lynx. The Wildcats got the ball after a fumble. Our Lynx Defense stopped 'em for 3 downs that the Wildcats had to punt. Our Lynx had the ball back again. Our Lynx got a first down but lost the ball on another fumble.

The Wildcats had "butter fingers" also, and our Lynx got the ball on the Wildcats 26 yard line; that was where the Wildcats fumbled. Our Lynx got a first down but lost the ball again on another fumble at the 10 yard line of the Wildcats. After the gun sounded the score was 0-0.

The Wildcats started a drive

from their own 10 yard line. They got a first down, but right after that, they fumbled the ball again at their own 20 yard line. With 6:00 to go in the first half, our Lynx had the ball at the 20 yard line of the Wildcats. The Wildcats were called for face masking one of the running backs which put our Lynx in fine style--1st down and ten yards to go at the 10 yard line of the Wildcats. Our Lynx offense could not penetrate at all. It was 4th down and about 5 yards to go for a touchdown. Our Lynx gambled and tried for the touchdown, but the gamble didn't pay off. So the Wildcats had the ball on the 5 yard line. This big back went about 95 yards for a touchdown, but the Wildcats were too anxious and were offside. So the touchdown was nullified. The Wildcats weren't going to let that penalty stop 'em, so they started driving down the field against the #1 Defense in the District. The Wildcats got approximately 4 first downs consisted of at least 22 yards each. Mark Pearson intercepted the ball at our Lynx own 5 yard line with only 12 seconds left in the second quarter. So the #1 Defense in District did not falter again. The half ended with a 0-0 tie.

At the start of the second half Rudy Saldivar really "booted" the ball and the coverage of the 'Specialty Team' was excellent that the Wildcats got the ball at their own 20 yard line.

The 'Cats got a long touchdown run with 6:26 left in the 3rd quarter. Somehow our Lynx Defense weren't expecting that play. Our Lynx Defense stopped the Wildcats from getting the 2 point conversion. Our Lynx got the ball at the 43 yard line. Our Lynx got 3 first downs before they "coughed" up the football once again. The 'Cats got the ball and made a first down before the end of the 3rd quarter. At the end of the 3rd quarter the Wildcats were ahead by the score of 6-0. It looked like the Wildcats were going to beat our Lynx at home by the same score that our Lynx beat them at their stadium.

The Wildcats got another touchdown with 3:48 left in the game. The 'Cats made two touchdowns against the best defense in this District. Now, for that even I'll give 'em credit for doing a good job. The Wildcats kicked off and our Lynx again did a super job running the ball back. They ran the ball back to the 45 yard line. So it looked like our Lynx Offense was ready to blossom. Our Lynx got a big first down. It was first down and ten yards to go--not for a touchdown, but for another 1st down--our Lynx did a professional "flee-flicker". Man, it almost worked!! Our Lynx quarterback threw to his split end who caught the ball and just before he went down he flipped it to a running back. And folks, that play was designed to make a touchdown or a

first down which ever came first. Well, the first down came first, 'cause the Wildcats recovered fast. As one fan put it, "At a way, boys. Way to give 'em their trick-or-treat for the month."

She was right that was some trick, but our Lynx in the next play gave the Wildcats their treat for the night to even it out "trick and treat" not "trick or treat"! The Wildcat's treat was their first interception for the night. The game ended 12-0, the Wildcats favor.

Coach May said, "Since they (Lynx) won the last time 6-0, they figured they would win again."

Coach May said his team was "physically" ready, but not "mentally". If a team isn't mentally ready then they are going to play half as good as they can play. That was how our Lynx played last Thursday October 16. Coach May said this game would have to be the poorest game his "Mighty Men" have played so far.

I had some stats for the game too. Our Lynx lost about 6 fumbles--2 of those fumbles set up the two touchdowns for the Wildcats! The Wildcats had about 4 fumbles that they lost. Our Lynx lost 1 interception as did the Wildcats. Our Lynx had 9 1st downs compared to the 12 1st downs the Wildcats got. Our Lynx were inside the 15 yard line 3 times but didn't get any points!

FLAKY FOLDOVERS USE AMERICA'S FAVORITE FRUIT

"An apple a day" has been popular advice for more than 300 years, and this crisp, delicious fruit is still America's favorite.

Flaky Apple Foldovers are an excellent way to savor the tart, tangy goodness of the season's fresh apples. The flaky turnovers are good warm or cool, so you can serve them for dessert, then enjoy any leftovers as snacks. Using refrigerated biscuit dough for the crust makes them especially easy to make.

Calorie counters will also be delighted to learn that this apple treat has only 167 calories, less than half the number for a piece of regular apple pie.

FLAKY APPLE FOLDOVERS

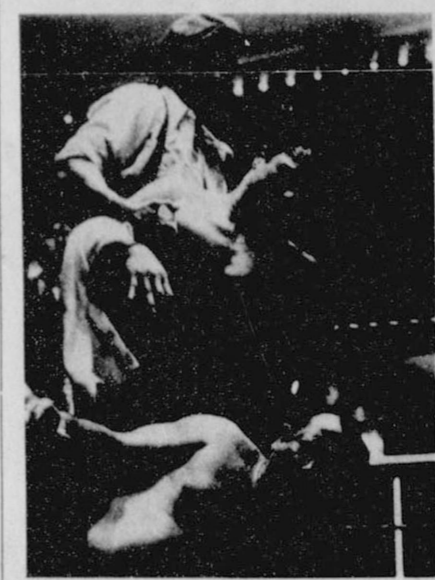

- 10-oz. can Hungry Jack refrigerated flaky biscuits
- 2/3 cup sugar
- 3/4 teaspoon cinnamon
- 1/4 teaspoon nutmeg
- 1 1/4 cups finely chopped, peeled apples
- 1/4 cup margarine or butter, melted

Heat oven to 375° F. Separate dough into 10 biscuits.

Press or roll each to a 4-inch circle. In small bowl, combine sugar, cinnamon and nutmeg. Spoon about 2 tablespoons apples onto center of each flattened biscuit. Spoon 1 teaspoon sugar mixture over apples.

Fold dough in half over filling; press edges with fork to seal. Dip both sides of each in margarine, then in remaining sugar mixture. Place in ungreased 15x10-inch jelly roll pan or 13x9-inch pan.

Bake at 375° F. for 15 to 20 minutes or until golden brown. Remove from pan to cool. Serve warm or cool. 10 turnovers.

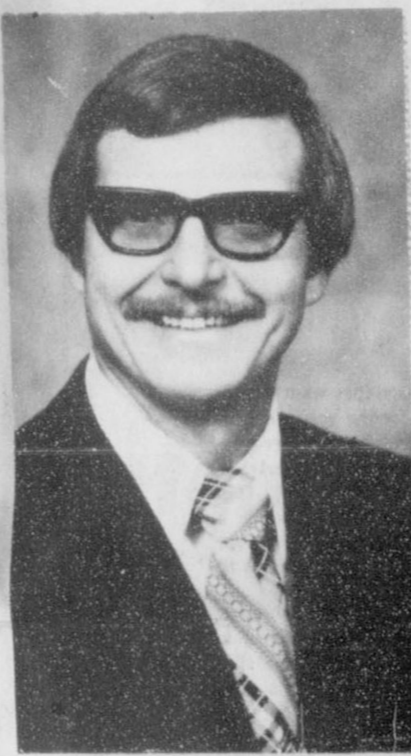

PARADISE ALLEY

Sylvester Stallone (standing), playing an aspiring promoter attempts to restrain Lee Canaito, who portrays his brother, during a wrestling match where victory has already been declared in 'Paradise Alley,' an action drama on NBC Thursday Night at the Movies, **OCTOBER**

TV COMPULOG SERVICES, INC.

23. Canaito, as the wrestler, agrees to enter the ring under the name 'Kid Salami' so that he and his two brothers (portrayed by Stallone and Armand Assante) can leave their slum and make a fortune.

Crusade Evangelism

Plans are being made for several individuals from the First Baptist Church of Gruver to participate in a church-to-church Evangelical Crusade to Costa Rica on February 5-17, 1981. Coordinators of the Central American Crusade are International Crusaders, Inc. The staff and directors of International Crusades are all pastors or laymen who believe that when Christ gave us the Great Commission and said, "Go ye," He meant just that--for every Christian. This group of barn again believers feel that Christ ordained the local church as the primary tool in telling the world about salvation. Churches of all nationalities, races and languages working together can be a more effective witness to the world. Every church member, regardless of age, education or experience, can be used as a witness by the power of God's Holy Spirit.

Because of these beliefs International Crusades coordinate crusades wherever the Lord opens the way. This coordination includes the enlistment and orientation of crusade teams and the preparation of churches in the host country. They make all travel and lodging arrangements for the crusade. During the past decade, International Crusades

has completed nineteen very successful crusades in eleven countries in Latin America.

A church-to-church crusade begins with an invitation from the national Baptists of another country to join them in a week of evangelistic work for the sole purpose of sharing Jesus Christ. Only under the leadership of God should a church vote to participate in a crusade. This total church commitment to God the Father to share His Son, Jesus Christ, with a lost and dying world should involve the entire congregation in one or more of the following areas--prayer, finances, crusade team membership or other areas of assistance.

In previous crusades lay people with ages ranging from thirteen to eighty-five, have been United with a common thread which is commitment to Jesus Christ and His call to go.

Two basic areas of crusade work are visitation and evangelistic services. A crusader will spend two or three hours each morning and afternoon in scheduled visitation. Visitation times are spent in homes, schools, parks or wherever the host church desires. Most crusaders do not speak the language of the host country; therefore International Crusades supplies each crusader with several hundred copies of his or

her testimony in the language of the host country. Other bi-lingual materials and aids are also supplied. This gives the crusader the ability to share his witness with or without an interpreter. Evangelistic services are held each night at the church or in a location they've designated. The visiting crusade team conducts the service in the language of the host church, using interpreters as needed.

The work is hard; the language is different; the food and customs are strange. A crusade is not a vacation, but a time to work at the task of spreading the gospel which God has given his followers.

Each team member is responsible for his or her crusade cost. It may be that God will provide part or all of a team member's financial needs through contributions and donations, or it may be that God's plan of provision is for that team member to pay his or her own way. Each participant's crusade cost includes transportation, food, lodging and bilingual materials. Also included in the crusade cost is \$50.00 for host country preparation. The host country often needs financial assistance to offset promotional expenses for an evangelistic effort of this magnitude.

Not included in the crusade cost are the administrative expenses and the staff salaries of International Crusades. These costs are paid by people who are willing to invest in the Lord's work. Salaries and expenses are paid through freewill donations and contributions.

During the past six years over twenty-three people from First Baptist Church, Gruver have participated in eleven different church-to-church crusades in foreign countries. Thus far this year alone, in the crusades to Mexico, South and Central America for every one team member there have been fifty individuals to respond to the testimony of these Christians by accepting Christ as their Savior. All team members have returned praising God for the tremendous victories won and the wealth of blessings received.

Church-to-church crusades are not man's idea--they are God's idea. Jesus, Himself, organized and sent the first crusade, and Dr. Luke recorded it in Chapter ten of the Gospel.

Harvest Fair

For many weeks, the UMW have been busy making items for the Harvest Fair. By 10:00 a.m. October 8, a long line had formed by those who were doing some early Christmas shopping. A wide variety of cookbooks, baked goods, canned vegetables, fruits, clothing hand crafted items were offered for sale.

IS JUST AROUND THE CORNER...

We have a fine selection of winter coats, featuring the **GRÄIS** line.

RUBIN GRAIS & SONS, INC.

"LODGE"--a classy corduroy jacket made of 50% cotton and 50% polyester with a 100% acrylic pile lining and framed collar. Great for work or play.

"DAZZLE"--a contemporary hooded version of the World War II "Bomber Jacket". This good-looking coat is made of our special "dazzle" iridescent nylon and polyester blend. It is lined in 100% acrylic pile with quilted sleeve lining.

Game Of The Year

The last time our Lynx played the 8th grade Raiders was September 18 at Lynx Stadium. The Raiders won 12-0, and our Lynx will try and return the favor by beating the Raiders at their home field. It's going to be tough, but our Lynx can handle anything with "two feet".

Our Lynx will have to play better—both "physically and "mentally"—to beat Perryton. The Raiders are 4-1 for the year, and our Lynx are 2-3 for the year. The Raiders are 1-0 in District play and our Lynx are 0-1 in District play. This game, which by the way, will be played at Perryton. The Perryton newspaper said that the Raiders are "smooth". Well, when our Lynx get a hold of them they are going to be "ragged and have lots of rough edges". The game will start approximately 6:30 or

when the 7th graders finish brawling it out.

Our Lynx played **spectacular** at home and I believe beyond a **Raider** of a doubt, that our Lynx will play even more spectacular when they play the Raiders at Ranger Field. I also believe that our Lynx have a very good chance to beat the Raiders if they don't make the mistakes they made at Lynx Stadium, and if they are "mentally and physically" ready for the game.

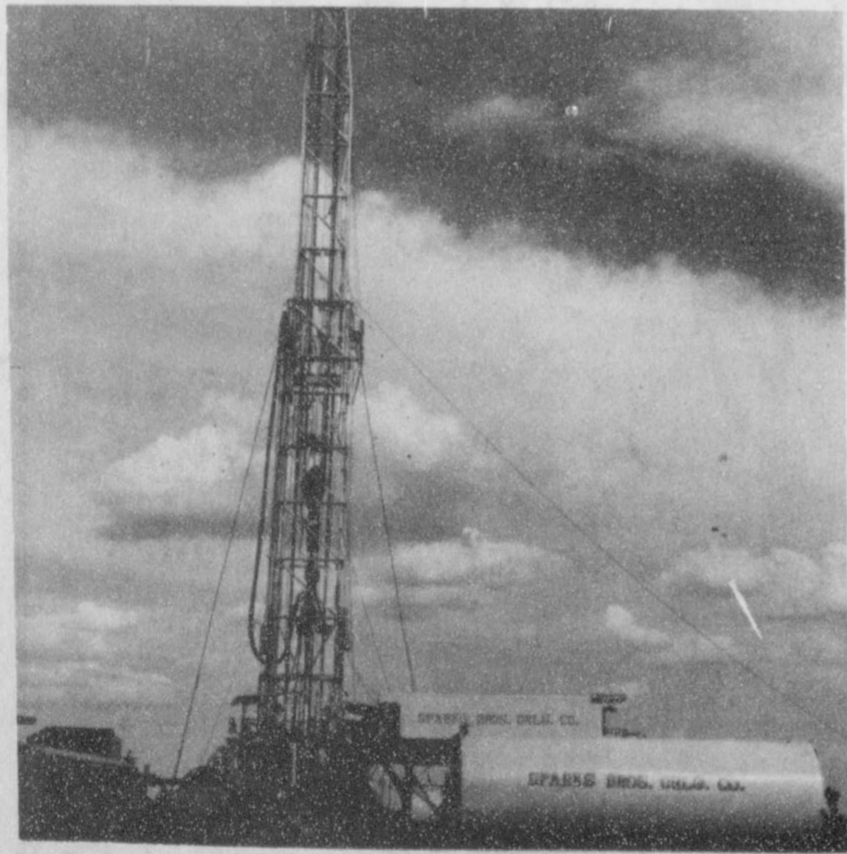

This game will be the **GAME OF THE YEAR** for both teams because of the rivalry between the two teams. This game means a lot to the Raiders because they want to make it 2 out of 2 victories for this year against the Lynx and so they (Raiders) can be 2-0 in District play. And of course, this game means a great deal for our Lynx;

for one reason they want to split the series for the year with the Raiders, and for another reason, our Lynx want to be 1-1 in District play.

This game is going to be a dooze so ya'll show up at Perryton and cheer our boys to victory.

Our Lynx will be in high gear and won't go down without a fight. Our Lynx Defense is still ranked #1 in the District, so the Raiders best be ready for the Defense. I believe that the Offense will be set to **like** down the field as many times as they wish and the endzone of Perryton will know that Spearman Lynx-Offense and Defense were there; the 1st will score plenty of times and the second won't let the Raiders score enough to win.

See ya'll at Ranger Field!!!

THIS BEAUTIFUL DRILLING RIG, belongs to the SPARKS BROS., Drilling Company, of Gruver, Texas. Dean and Jerry are two local boys that we are real proud of. They have drilled 33 wells, and have set casing in 24 of the wells, which is a fantastic "success" rate! Dean says he is the "best looking" of the two brothers!

At the same time, per capita pork consumption is seen up in the U.S. and most other countries this year. It's figured to average 75.7 lbs. per person here this year, the highest since 1946. Not close to the world leaders, though. It'll average 117.7 lbs. per person in East Germany, 116.2 lbs. per person in Denmark, 110 lbs. per capita this year in West Germany.

All of which means over-

all red meat consumption will be up slightly in the U.S. this year — from the 181.9 lbs. of 1979 to 183.3 lbs. But, Americans will still be in 5th place in per capita red meat consumption. Behind the world leading Argentinians, who're expected to consume 222.5 lbs. per capita this year, down from 226 lbs. in 1979; ... the Australians, who are expected to average 211.2 lbs. this year, down from the 222.2 lb. average of a year

ago... The good citizens of Uruguay, where the average is expected to work out to 201.5 lbs. per person this year, up from 178.7 lbs. in 1979... And, the New Zealanders, where per capita consumption is seen at 188.3 lbs. this year, down from 194 lbs. a year ago...

But, consider the average Soviet or Japanese citizen. Consumption of red meats averages only is 108.2 lbs. in the Soviet Union, 48.4 lbs. per person in Japan.

Beef and veal consumption is also seen off in Argentina. At 195.4 lbs. per capita this year, it's down from 197.1 lbs. last year and the 206 lb. average of 1978. On the other hand, it's seen up in Uruguay. The estimated 165.5 lb. total this year, is well above the 148.3 lbs. per capita of a year ago, though well below the 190.1 lb. average of 1978. Consumption of beef and veal is also seen off in New Zealand, where it's estimated to average 121 lbs. per person this year, down from 133.1 lbs. last year and the 143.7 lb. average of 1977.

Per capita consumption of beef and veal will be off in the U.S. again this year for the 4th straight year. The trouble is, the cutback isn't just national, it involves four of the five leading beef and veal consuming countries.

It is figured that per capita beef and veal consumption will drop to 106 lbs. (carcass weight basis) in the U.S. this year. That's from 109.5 lbs. a year ago, 123 lbs. in 1978, 128.4 lbs. in 1977 and the 1976 record total of 133.3 lbs.

When the first European explorers arrived in America, there were about 800,000 Indians.

PEANUTS SPECIAL

Snoopy, Charlie Brown's candid, cantankerous and captivating canine, gets collared by his first case of puppy love which is so beagle-boggling that it sends him off to join the circus, in a new half-hour animated Peanuts special, "Life is a Circus, Charlie Brown," **FRIDAY, OCTOBER 24** on CBS-TV followed by a rebroadcast of one of the most popular animated holiday Peanuts specials, "It's the Great Pumpkin, Charlie Brown."

This hour-long double-feature special event marks a double anniversary for the Peanuts—the 30th birthday of the Peanuts comic strip and the start of the 15th consecutive year that the multi-award-winning animated Peanuts specials have been presented on the Network.

Lynx "Looking Good"

Our Spearman 7th Grade Lynx will travel to Perryton, which is not very far away, to play the Perryton 7th grade Raiders this Thursday, October 23, starting at 5:00 p.m.

The last time these two teams met was here at Lynx Stadium, September 18. The Raiders won by the score of 12-0 in a hard fought game. Since that game both teams have improved a great deal.

Our Lynx are getting over their disappointing loss against the River Road Wildcats.

One thing that the Raiders will remember was that play at the 4 yard line of our Lynx and it was 1st down and goal; meaning 1st down and 4 yards to go for a touchdown. The Raiders had 4 chances to get another touchdown so that the score could have been 18-0, but our Lynx denied them that pleasure! That was when our Lynx Defense stiffened and stopped the Raiders at the Lynx 4 yard line on 4 downs!! So, I expect that sort of action will be awaiting all those who go and see this game between these

two rivals. Ya'll go out and watch Hager's Heroes get into battle with the Raiders.

Although Perryton is undefeated in District play with a record of 1-0, our Lynx will give 'em a run for their money. Coach Hager said, "It's a lot harder to win in foreign territory."

That's the truth!! Just look at the World Series, the Kansas City Royals lost the first two games by 1 and 2 points, and the games were played in Philadelphia. The Philadelphia Phillies, on the other hand, lost the next two games by 1 and 2 points and the games were played at Kansas City. A team can sometimes win under the circumstances a game or so in the opponents field as did the Phillies who won game #5 at the Kansas City Royals' Stadium. So ya'll see anything can happen-our Lynx can beat any team away from home as they can at home. Perryton ya'll be ready 'cause our Lynx Locomotive is going to "track on down ya'll's field".

See ya'll at Ranger Stadium.

Lynx Lose Tough Battle

The Wildcats weren't gonna "Let up" on our Lynx. Sure they beat our Lynx 32 to nothing but the 'Cats knew they would have a tougher time beating our Lynx at Lynx Stadium than it was when they beat our Lynx at their stadium. In other words, they-the Wildcats-would have to work twice as hard just to win by 3 touchdowns!

Our Lynx were ready for any razzle-dazzle the Wildcats would have to offer.

The first half of the football game was all Wildcats. They got 22 points in the first half. Coach Hager said, "The only positive point for the Lynx in the first half was the hit that James Davis put on the big, huge, back of the Wildcats."

Let me tell ya'll that hit made those 'Cats think "Maybe those little kids still have spunk." Ain't that the truth!!

In the second half our Lynx put a couple of guys to play positions that were awful new to 'em--you see the had never played that position before this game! It was Jamie Gomez who was put to play Defensive Tackle and man, did he do a job!! Way to go Jamie!

The guy was Martin Lopez. He was to play noseguard. And Martin did his job--he guarded the ball carriers' nose to make sure it hit the ground. Way to go Martin!!

I'd have to say that Coach Hager gave a real good Pep talk at halftime! Of course, maybe I should have talked to some of the football players, but the way our Lynx played there was no doubt in my mind--still isn't--that the Pep talk that Coach Hager gave must have been a "barn burner".

Monte Morris broke for a 40 yard run and everybody thought that he would score. Brent Depee did a real good job on offense, too.

The Wildcats were stopped to 8 points only in the second half! It was too little too late, but our Lynx made everyone--from Spearman and River Road--realize they might not have size but are a real gutsy team.

Our Lynx fell to 0-1 in District competition.

Our Lynx will tackle the undefeated Perryton Raiders Thursday, October 23, starting at 5:00 p.m. at Ranger Field.

man John C. White, a former Texas Agriculture Commissioner, aimed higher, saying Republican turnout will near 80 percent and Democrats could lose the race with lower than a 50 percent turnout.

Now for Oil

Republican Gov. Bill Clements and Democrat Atty. Gen. Mark White may finally have found something to agree on: they both dislike the windfall profits tax Congress levied this summer. Clements has asked White to file suit attacking the tax, and White already had indicated he may do just that. White's staff met last week with Louisiana and Oklahoma officials to discuss various legal strategies to fight the tax.

Clements and White have different politics behind their action, though. Clements is committed to President Carter's political defeat and wants to hang the windfall tax around Carter's neck. White reminds people that the whole issue of oil price control, including the Windfall Profits Tax (which actually was shaped by Congress), never would have been necessary had it not been for the controls imposed by Republican President Richard Nixon.

And so it goes . . . One certain thing is this: neither Clements, White nor few other Texas officials like the manner in which the new tax eats into the small royalties of independent oil well owners, particularly the aged.

Medicaid Imbrogio

In the latest chapter of the

state Medicaid contract imbrogio, in which two insurance companies are battling for the right to administer the lucrative program, the two companies may fight the final round in the courtroom.

Last week Atty. Gen. White ruled the state had made a binding contract allowing Bradford Corp. to oversee the \$2 billion program. His ruling, in effect, took the contract away from the insurance company owned by Dallas millionaire H. Ross Perot, now administering the contract which will expire in 1981.

Perot, who had personally contacted all three board members of the Department of Human Resources seeking an appeal of their original decision, filed suit last week to fight White's ruling and enjoin the department from finalizing the contract. His company contends the state did not create a legally binding contract when it awarded the contract to Bradford in July.

The sweet-looking pink floral dress has a big front. It comes from Mothercare, retailing specialists for mothers-to-be, babies and children under seven. The three-piece set has lace-decorated feet and fits babies up to 24 inches long.

Although most babies seem to prefer to sleep on their stomachs, some like their backs better. These may tend to sleep with their head on one side only which can flatten the skull slightly. Doctors say parents should not be alarmed at this, as it will round out properly by itself by the time he's two or so.

**STATE CAPITAL
HIGHLIGHTS**
By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—Farms, ranches and oil wells. Sometimes during an election year you begin to think that's all there is in Texas.

Both candidates in the presidential slugfest, or at least their proxies, tuned in to those two BIG ISSUES all last week. Texas is regarded by both President Jimmy Carter and former Calif. Gov. Ronald Reagan as a must-win state.

Carter's Secretary of Agriculture Bob Bergland started the ball rolling with a swing through the Panhandle, then the Central and Northeast Texas farm belts.

Following him all the way were a band of angry, protesting farmers who staged a public walkout wherever Bergland began to speak. Although the small band of radicals, generally considered to belong to the American Agriculture Movement, appear to be a splinter group, they nevertheless have won sympathy from the farmers who stay home in the fields. Their message: enough of Carter, let's try Reagan. Whether or not they are actually winning farmers over to Reagan is another matter. Just an hour after the farmers plagued him at a Temple breakfast, Bergland toured the prototype "on-farm" gasohol plant in Rockdale built by Rep. Dan Kubiak and spoke of the need for several more such plants in Texas.

Dollars for Gasohol

Bergland also promised Kubiak, a gasohol advocate in the Legislature, that \$260 million in Farmers Home Administration loans are available for gasohol plants across the nation immediately including two in the Texas Panhandle. Kubiak apparently was relieved at Bergland's

commitment of gasohol dollars for Texas, having stuck his political neck out for his pet project. The radical farmers had angrily threatened to picket Bergland in Rockdale, then reportedly promised Kubiak's aide they would back off only out of respect for Kubiak's 100 percent pro-farm voting record.

Carter's folks then released the Farmers and Ranchers for Carter/Mondale steering committee, which contained a few noteworthies in the agriculture world. Heading it is former chairman of the U.S. House Agriculture Committee Bob Poage, and also Texas Agriculture Commissioner Reagan V. Brown. Also named were six members of the Texas House Agriculture Committee: Kubiak, vice chairman Pete Patterson, solar advocate Bill Keese, Tip Hall, Betty Denton and Tony Garcia. State Senator Ray Farabee was named as was Jay Naman, president of the well-respected Texas Farmers Union.

Republicans: "Big Deal"

Texas Republicans were unimpressed. Vice Presidential candidate George Bush was stumping the Panhandle area, pointing out the inadequacies of Carter's farm program and getting loud applause from AAM members and others.

State party chairman Chet Upham unveiled Reagan's program for farmers, in which expanding international export markets will play a big part.

Upham, swinging through south Texas, also predicted Republican voters will turn out over 50 percent while Democrats will muster a little over 30 percent . . . thus assuring a Reagan victory. Democratic national chair-
