

River Road Is First Conference Foe

Freshman
Lose
Heartbreaker

The Dalhart Freshmen were furious, supposedly, when they found out the Spearman Freshman had a "Homecoming" too. Well, they weren't going to lose in Spearman if they could help it.

When our Lynx had their first possession they marched 68 yards on 10 plays. Jeff Laird "scampered" 38 yards for a touchdown; making the score 6-0. Mark Guthrie "rammed" in for the 2 point conversion. Halftime ended 8-0, our Lynx ahead.

The third quarter was defense against defense. The third quarter ended 8-0, our Lynx still ahead. The fourth quarter looked as if it would be the same as the third—a defensive struggle. Finally Dalhart got something going and for the first time that night, they "bullied" into paydirt. The 2 point conversion failed and the score was 8-6, our Lynx still ahead. With 3 minutes left, Dalhart kicked an on-side kick and recovered. Their hopes of destroying our Lynx "Homecoming" was still alive. Lots of people think "3 minutes ain't much". In football 10 seconds is forever if timeouts are used and the sideline is used, too. Dalhart using the sidelines and timeouts got another touchdown and made the score, with 1 minute left in the game, 13-8, Dalhart's favor. Our Lynx couldn't get going and so the final score was Dalhart 13; Spearman 8.

Coach Morris said "This was the best team effort so far this year!" He also said that Byron Sutterfield and Jack Hanson played great on Defense and Jeff Laird and Darl Farris played great on Offense.

Our Lynx Freshmen will play the River Road Freshmen at River Road Thursday night, October 16, starting at 5:00 p.m. Ya'll be there, ya hear!!

'Okie Hawg
Law' Beats
Spearman

Much lip service has been made to the reasons the Spearman Lynx lost the football game to the Guymon Tigers, Friday night, with both the electronic medium and the coffee-cup-quarterbacks calling for an end to the "horrendous mistakes."

We are willing to be shown but we find either major or minor mistakes incompatible with the Lynx comeback campaign of an average point every 30 seconds of play in the final six minutes of the contest.

The Lynx were beaten by the house rules. One of the maxims of gaming is: "the house never loses." That proved to be true, Friday night, whether at the tables of Las Vegas or the turf of the Great Indian Reservation to the north.

You were not rooting for your Dallas Cowboys or your Pittsburgh Steelers nor your Green Bay Packers. You were watching a cadre of your scrappy strappings indulging in activities extra-curricular to getting a high school education.

When your ordinary garden-variety punt bounces off a Lynx and is gathered in and rushed into the end zone by a Tiger and it is officially ruled a touchdown, you have a squad of game guys wondering what the indians will pull out of their quivers next.

The situation had not come up in the game with Boise City and it is inconceivable that an able crew such as Jimmy Duncan and his coaching squad would know about the "Okie Hawg Law" and not apprise his troops of the trap.

So, you have some extremely able young men "playing blind" for the next few scrimmages with no opportunity to get a complete briefing until the half.

Instead of dwelling on alleged mistakes, we think more should be made of a fact we have contended for some weeks in these columns: the Lynx have no second string; they have two first class squads to field if and when needed. Friday night, Jamie Bulls and Dennis Randall only emphasized what had been evident for several games.

This is not to take away from Steve Tindell nor a lack of sympathy for his injury. Instead, it is the very expertise of the wily Tindell that points up

County Farm Bureau Convenes

The annual meeting of the Hansford County Farm Bureau will be October 20 at the La Casita Room of the First State Bank in Gruver starting at 7:30 p.m. according to Delbert McCloy--President.

Main purpose of the meeting will be to adopt policies for the next year and elect directors.

All members are invited to attend. However county by-laws provide that only agricultural producers may vote or hold office.

Adopted resolutions dealing with local matters will become county policies for next year. Other approved resolutions will be forwarded to the state convention as recommendations for state and national policies.

The county Policy Development Committee is still receiving recommendations for resolutions to be voted on. All suggestions received, including ideas surfaced at the community discussion meeting in Gruver will be considered in drafting the tentative resolutions.

Speartex Suspects All In

All suspects in the theft from Speartex Grain Co. that occurred some weeks ago, are now in custody according to Hansford County Sheriff R.L. McFarlin, with the arrest, Monday morning, of Frank Paul Dowdy when he reported for work on a new job with a Great Bend, Kansas firm.

Dowdy's son, Terry, was arrested by Waukegan, Illinois authorities last week. He waived extradition and was returned to Hansford County by sheriff's deputy, Wednesday.

The first arrest in the case came just days after the break-in occurred.

Sheriff McFarlin had stated earlier, at the time of Terry Dowdy's arrest that the exact origin of the trio was unknown but that they were not Hansford County residents.

Another fugitive apprehended and returned to Hansford County for trial was sentenced to five years in the Texas penal institution at Huntsville. Larry Delano was jailed by Missouri authorities at Cassville recently and refused to waive extradition. Proceedings were instituted and he was returned to Hansford County for trial.

He will be transported to Huntsville some time during the next week.

Grain Harvest Slow

The big Fall Harvest is on...

But cutting seems to be too early and too "patchy" to establish a trend. First reports range to the extremes:

The patchy cutting is to get around milo and other grains too wet to harvest yet, gleaming out the crop dry enough to take to the elevator--over against reports that what is reaching the elevator is below normal in moisture content.

Jimmy Hicks of McClellan Grain Co. Inc. was the first to note cutting was not far enough along to establish a trend either for bushels-per-acre or moisture content average. However, Hicks, a veteran of many High Plains harvests, said he felt the final overall yield would be less than average-to-better years in the past due to the spate of dry weather recently suffered in Hansford County. Hicks was

reluctant to fix a per-acre yield but said moisture content was

running "under 14" at his elevators.

At the other extreme was Agco of Spearman Inc. Kenneth White at their elevator said according to their receipts thus far, crop yield was running about six bushels per acre--but was testing "awfully dry." He said it was running a point to a point and a half below normal for High Plains grain harvests. Here again, however, official or specific statements or even conjecture was with held due to the small amount of acreage that had been harvested to date.

The spokesman at the Spearman elevator said their experience was that harvesting in bulk had not begun because of "patching around" to get the dry grain. He said there was much green milo not cut because of moisture. He emphasized, along with the others, that once it dried enough to cut it was drier than normal. He was optimistic about the final

yield noting receipts thus far have been averaging five to six bushels per acre.

It was essentially the same story from Myrtle Ware at Equity's elevator. Harvested grain was coming in too slowly to establish a trend so far as yield per acre or the stature of the total harvest was concerned. Here again, slow cutting was due to moisture but receipts at Equity were said to be much less dry than expected following dry weather. Optimism was high here for a bountiful harvest in terms of per acre yield.

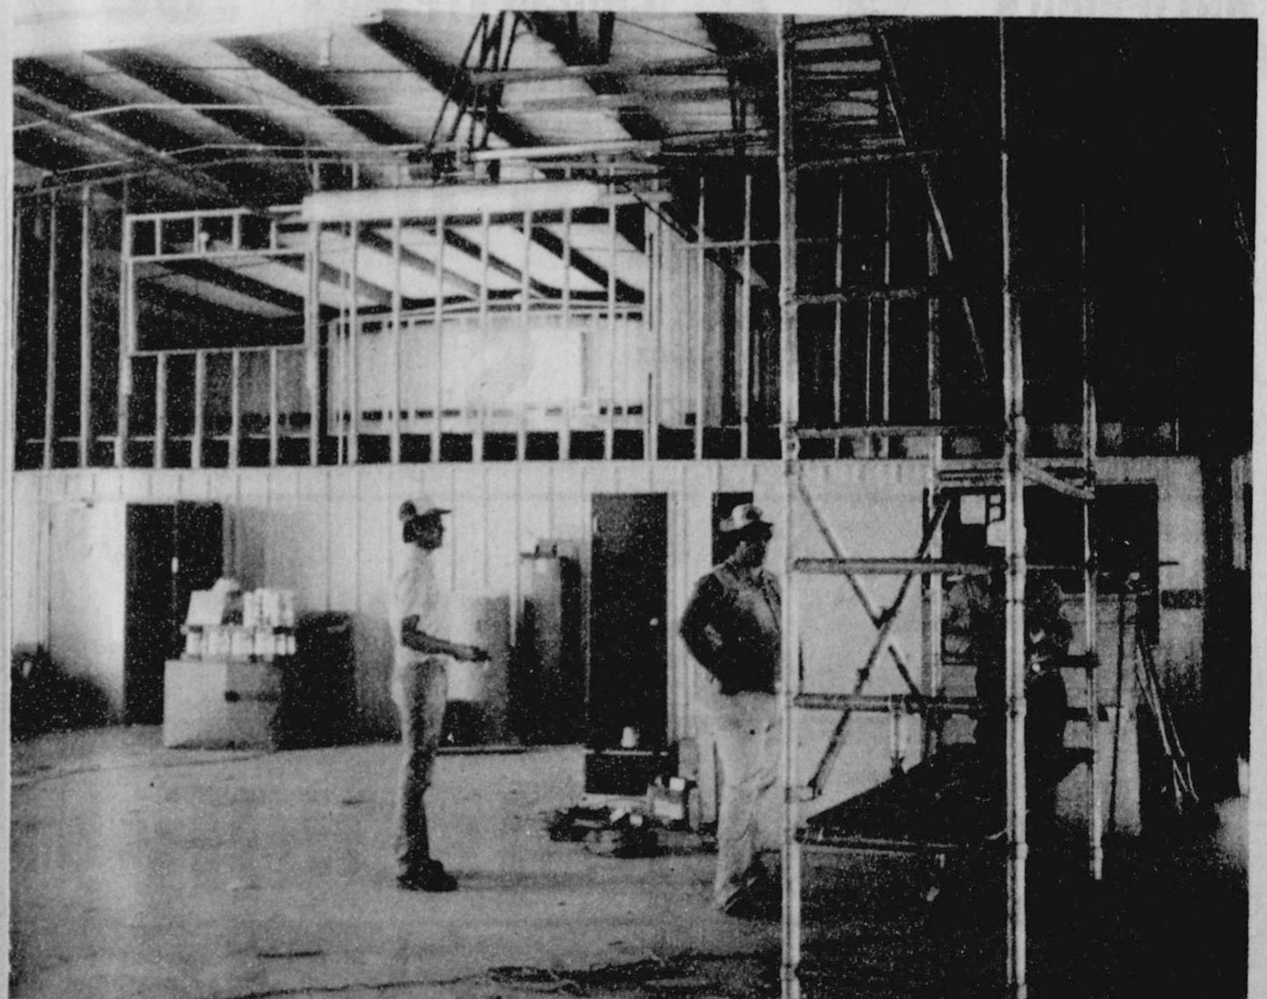

So, at press time, harvest workers were right in the midst of skimming the fertile High Plains soil for its growing gold.

NEW FIREFIGHTING HEADQUARTERS -- A part of the pact to finance and build a new fire station was for the volunteer firefighters -- they volunteered for this, too -- to do interior completion work themselves. This they have been doing in addition to their regular jobs and firefighting duties. Helping them are Roscoe Nelson supervising work on the building; John Trimmell, plumbing; Lawrence Anthony, electrical work and Clay Gibner, finances in the form of a loan.

INSIDE JOB -- Workmen completing the interior layout of Spearman's new fire station are volunteer firefighters. They will complete construction of partition walls, finishing, plumbing . . . all detail work. The building encompasses 6,000 square feet. Administration of both firefighting and emergency medical service will occupy 2,000 feet. The remaining 4,000 feet will house rolling stock and other equipment. Oct. 23 is set for moving day with Oct. 26 planned for official Open House.

Crusade Evangelism

Plans are being made for several individuals from the First Baptist Church of Gruver to participate in a church-to-church Evangelical Crusade to Costa Rica on February 5-17, 1981. Coordinators of the Central American Crusade are International Crusaders, Inc. The staff and directors of International Crusades are all pastors or laymen who believe that when Christ gave us the Great Commission and said, "Go ye," He meant just that-for every Christian. This group of barn again believers feel that Christ ordained the local church as the primary tool in telling the world about salvation. Churches of all nationalities, races and languages working together can be a more effective witness to the world. Every church member, regardless of age, education or experience, can be used as a witness by the power of God's Holy Spirit.

Because of these beliefs International Crusades coordinate crusades wherever the Lord opens the way. This coordination includes the enlistment and orientation of crusade teams and the preparation of churches in the host country. They make all travel and lodging arrangements for the crusade. During the past decade, International Crusades has completed nineteen very successful crusades in eleven countries in Latin America.

A church-to-church crusade begins with an invitation from the national Baptists of another country to join them in a week of evangelistic work for the sole purpose of sharing Jesus Christ. Only under the leadership of God should a church vote to participate in a crusade. This total church commitment to God the Father to share His Son, Jesus Christ, with a lost and dying world should involve the entire congregation in one or more of the following areas-prayer, finances, crusade team membership or other areas of assistance.

In previous crusades lay people with ages ranging from thirteen to eighty-five, have been United with a common thread which is commitment to Jesus Christ and His call to go. Two basic areas of crusade

work are visitation and evangelistic services. A crusader will spend two or three hours each morning and afternoon in scheduled visitation. Visitation times are spent in homes, schools, parks or wherever the host church desires. Most crusaders do not speak the language of the host country; therefore International Crusades supplies each crusader with several hundred copies of his or her testimony in the language of the host country. Other bilingual materials and aids are also supplied. This gives the crusader the ability to share his witness with or without an interpreter. Evangelistic services are held each night at the church or in a location they've designated. The visiting crusade team conducts the service in the language of the host church, using interpreters as needed.

The work is hard; the language is different; the food and customs are strange. A crusade is not a vacation, but a time to work at the task of spreading the gospel which God has given his followers.

Each team member is responsible for his or her crusade cost. It may be that God will provide part or all of a team member's financial needs through contributions and donations, or it may be that God's plan of provision is for that team member to pay his or her own way. Each participant's crusade cost includes transportation, food, lodging and bilingual materials. Also included in the crusade cost is \$50.00 for host country preparation. The host country often needs financial assistance to offset promotional expenses for an evangelistic effort of this magnitude.

Not included in the crusade cost are the administrative expenses and the staff salaries of International Crusades. These costs are paid by people who are willing to invest in the Lord's work. Salaries and expenses are paid through freewill donations and contributions.

During the past six years over twenty-three people from First Baptist Church, Gruver have participated in eleven different church-to-church crusades in foreign countries. Thus far this year alone, in the crusades to

Mexico, South and Central America for every one team member there have been fifty individuals to respond to the testimony of these Christians by accepting Christ as their Savior. All team members have returned praising God for the tremendous victories won and the wealth of blessings received.

Church-to-church crusades are not man's idea-they are God's idea. Jesus, Himself, organized and sent the first crusade, and Dr. Luke recorded it in Chapter ten of the Gospel

of Luke. Here Jesus sent untrained lay people to go into every city where He, Himself, would go.

Today, the world is responding to the preaching of the gospel in a greater way than ever before. Throughout the world, the testimonies always reflect an infallible truth-the people are hungry for God's salvation.

You and your church can be part of crusade evangelism. Contact International Crusades today for information about future crusades.

Lynx "Tame" Wolves

Our Spearman Lynx 7th grade went to Dalhart to play the Wolves. The people in Dalhart were expecting a "smear of a game", well that's sort of what they got. Oh, don't get me wrong, the Dalhart boys didn't "smear" our boys but our boys defense "smear"ed their backs to the ground, sort of speak, that our boys only lost by 20. As I told ya'll before Dalhart had beaten their opponents by 30 points or more. The final score was 20 to 0. Dalhart was stopped 10 points short of their average. What I am saying is "Our Lynx did a tremendous job against a pow-

erhouse."

In the 1st quarter Dalhart got a touchdown & the extra 2 points. So the players, cheerleaders, and fans thought, "We can beat this team the way Oklahoma beat Colorado- 82-41. Since Boys Ranch beat 'em by 40 and we beat Boys Ranch by 30 we can beat at least by 45 or 50 points."

Like I always say "Overconfidence can and will get the best of us!" And let me tell ya'll it-overconfidence-got Dalhart.

In the 2nd quarter Dalhart got their 2nd touchdown. Our Lynx stiffened and didn't let the Wolves get the 2 points conver-

son. The score at halftime was only 14-0.

Coach Hagar said "I am so proud of the whole bunch."

Coach Hagar also said "This is the first everyone could hear the Lynx hit their opponents!" In the third quarter Dalhart got their last touchdown of the night. Our Lynx making the 2 point conversion. The score was 20-0. The fourth quarter was a defensive battle on both teams. Our Lynx threatened with time running out. Our Lynx got to the 3 yard line of Dalhart but time ran out on 'em.

Brent Depee threw 6 great passes, and Dean Greene caught all 6 of 'em! The offensive players for the night were Brent Depee, Dean

Greene, Damon Goodhart, Tim Willis and Monte Morris. On defense the standouts were Michael Lopez and the front-line. The only thing that hurt our Lynx was when they went to the outside. The Kick off and kick return did a great job last night. Way to go to ya'll. The punter, Jeff Valandingham, and his crew did a fantastic job! Way to go ya'll, also!!!

Our Lynx play River Road here next Thursday, October 16, so ya'll go out to Lynx Stadium at 5:00 p.m. and watch our Lynx tackle the Wildcats.

Clay Gibner and Eldon Boese check a maize sample to see if it is ready to go! Clay said "it looks good" get to cutting!

Rotary Club News

Mark Hardin, new hospital administrator at Hansford Hospital, spoke to the Spearman Rotary Club Monday noon, October 13, in the garden room of the Cattleman's Restaurant. Community singing was led by Ed Freeman. The pledge of allegiance was led by Jim Murray. The prayer of invocation was voiced by Jack McWhirter.

Mr. Hardin reported that there were some new personnel at the hospital and that they were looking for others. Morale is good at the hospital.

He said that they were working on improving the billing procedures at the hospital and reorganized the business office.

Bids on the nursing home section will be opened on Thursday. Hopefully construction will begin as soon as possible.

He has been studying rates at the local hospital in comparison with other hospitals in Amarillo and north. Hansford Hospital rates are in the lower twenties five percent for the area. Rates are about \$15 a day under Amarillo, Borger, Guymon, and Perryton.

Rotary bought three cakes at the Cub Scout cake auction, but turned in two of them to be resold and make more money for the Cubs. The prize cake, a head of Santa Claus was enjoyed as dessert by Rotarians on Monday. Dollar dealer was Jim Benson.

Visiting Rotarian was Joe Jackson of Borger.

Members present were Jim Benson, Carrie Marie Berry, Eschol Blankenship, Roy Bulls, Durane Castleberry, John R. Collier, Jr., Robert Elliott, Pete Fisher, Ed Freeman, Ed Garner, Kerry Henton, John Hutchison, Junior Lusby, David McClellan, Jack McWhirter, Jim Murray, Frank Oglesby, Coy Palmer, Gary Sims and Don Wirsdorfer.

Members absent were Eddy Limbocker, Mike Schnell, and Jim Shirley.

Many Elderly Are Mail Fraud Victims

American consumers continued to lose millions to mail fraud and misrepresentation by mail last year, but public awareness of the problem has increased significantly, the postmaster said today.

In a continuing effort to heighten the preventive aspects of consumer education, October 6-11 has been designated the fifth annual Postal Consumer Protection Week by Postmaster General William F. Bolger.

"More people are coming to us with their complaints about mail fraud than in past years," the postmaster said. "In fact mail fraud complaints increased nearly 27 percent in Fiscal Year 1979 compared to the previous year," he added, "so we know our message about being on guard against incredible claims and get-rich-quick schemes is getting through to more people."

He emphasized that the majority of companies who are part of the \$60 million mail order industry are honest and dedicated to customer satisfaction.

"But with just a few operators cut to swindle the public—only two percent—you can see that consumer losses each year come to more than a billion dollars," the postmaster said.

Since mail-order fraud is only one type of scheme that uses the mails, he said, losses attributable to a wide variety of investment schemes, real estate and charity among them—probably make public losses even higher.

Typical examples of mail fraud and false representation schemes include "cures" for a variety of illnesses, work-at-home promotions, and a variety of chain letters.

The postmaster said the elderly continue to be prime targets of mail fraud operators, very often because of declining health and attempts to protect their savings from the continuing effects of inflation.

The postmaster urged consumers, especially the elderly, to seek advice from experts before investing in any claim that sounds too good to be true. "Asking a company to back up their claims is one way to protect yourself," he said, "but if you suspect fraud, or if you haven't received merchandise you ordered, contact my office or a postal inspector."

Phone numbers are listed under U.S. Government, Postal Service, in local telephone directories.

Annual Homemakers Day

AMARILLO-In celebration and appreciation of the American Rural Homemaker, the Amarillo Chamber of Commerce Women's Division, will present its 18th Annual Rural Homemaker's Day, Thursday, October 16, 1980.

President of the Women's Division is Lea Nussbaum, and Chairman for Rural Homemaker's Day is Eunice King.

Invitations have been extended to 450 rural homemakers from Texas, New Mexico, and Oklahoma.

The day's activities will take place at the Villa Inn, I-40 and Grand, beginning with registration at 9:00 a.m. and a "Get Acquainted Time" over coffee at 9:30.

Two special guest speakers will highlight the program, beginning with a presentation on money management entitled "Financial Fitness", by Bonnie Piernot, Family Resource Man-

agement Specialist from the Texas Agricultural and Extension Service at College Station. Ms. Piernot, a member of the American and Texas Home Economics Association, holds a B.S. in Home Economics Education and an M.A. in Family Ecology and Management from Michigan State University. She has served as a home economics instructor, a retail manager and as a member of the various state education committees, including the State Food Service Curriculum Advisory Committee and the State Consumer Education Advisory Committee for the State of Wisconsin.

Jr. Varsity Bow To Dalhart

Dalhart Jr. Varsity came to Spearman with one thing on their minds "Spearman won't win tonight."

Gary Thomas got the only Lynx touchdown for the night and Mike Dixon went in for the 2 point conversion. Coach Collinsworth said that his team played well at times, but not good enough to beat the "confident" Dalhart team. Coach Collinsworth as well as Coach Morris, Coach May, and Coach Hagar said, "Dalhart is a real good football team."

Jimmy Snider, Steven Francis, Jimmy Morley, Ricky Torres, and Richard Weakley played fairly well. The backs ran real well and blocked real well. The linemen were inconsistent in blocking.

What hurt was that Tracy Vernon didn't suit out and Jan Hartsell was sick. The final score was Dalhart 19; our Lynx 8.

Our Lynx will play River Road at River Road next Thursday, October 16, after the Freshman game.

To Speak

On October 16, 1916, Margaret Sanger opened the first contraceptive clinic in the United States. When Margaret died 50 years later, she had virtually devoted her life to the idea of reproductive choice and control being accessible to all women.

Margaret Sanger Marston, the namesake and granddaughter of the founder of Planned Parenthood, will visit Amarillo and be the guest speaker at Panhandle Parenthood Association's Annual Luncheon on October 31, 1980, at 12:00 noon. The location for the event will be the Country Squire Dinner Theater, 3618 I-40 E., Amarillo.

Mrs. Marston will reminisce about the 19 years that she lived beside her grandmother in Tucson, Arizona.

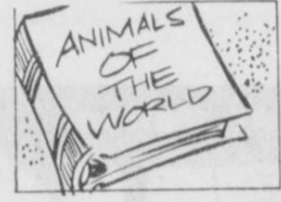

"Mimi", the name Mrs. Marston uses to refer to her grandmother, realized that limiting family size and spacing children not only benefited the woman, but served to strengthen the family and society. "She should be an inspiration to those who are determined to provide reproductive health care, to educate the public, and hence, to improve the quality of life," says Mrs. Marston.

Grandmother and granddaughter traveled together to Hong Kong and various other places, sharing the older woman's work and memories. "Mimi's crusade is a tale of strength and perseverance," recounts Mrs. Marston. Mimi's mother died young, after 11

children and 7 miscarriages. Trained as a nurse, she continually heard women's desperate pleas for knowledge and a means of contraception. The hardships she saw her mother endure were again reflected in the lives of the poor, whose uncontrolled fertility compounded their problems. As a consequence of Margaret's dedication, she was arrested several times. She used her jail terms and notoriety to generate support for her cause. In 1918, she formed the American Birth Control League, and by 1930, she had helped establish 55 family planning clinics. The title of her national organization was changed to Planned Parenthood Federation of America in 1942.

The strength of Margaret Sanger's convictions can be seen through her granddaughter. A registered nurse herself, Mrs. Marston is the wife of Donn Marston, an attorney in Washington, D.C. They are the parents of three children. Mrs. Marston is also dedicated to many causes. She is actively involved in education projects in her home state of Virginia, including Virginia Congress of PTAs, Task Force on Delinquency Prevention, honored by Arlington County School Board as Outstanding Citizen, and Virginia State Board of Education. Mrs. Marston is currently an administrative assistant for a firm of consulting engineers.

Please join us in reliving the triumphs and tribulations of Margaret Sanger as conveyed to us by her granddaughter. Tickets are \$10.00 per person, and reservations can be made through the Panhandle Planned Parenthood Clinic, 604 W. 8th, Amarillo, Texas, 79101. Deadline for making reservations is October 28, 1980.

National Spelling Bee

The Amarillo Globe-News and West Texas State University, Canyon, are again sponsoring the National Spelling Bee for boys and girls from grades 4 through 8.

Directors across the 46-county area are being named. The director for **Hansford County** is Roy Harris, Superintendent of the Morse School, Morse.

Directors are in complete control of their county events, and work with private and public schools.

Winners of the various county spell-downs will gather in Amarillo on April 25 to name the 33rd regional champion. The deadline for naming the 1981 county winners will be April 4, 1981.

Throughout the four states that are assigned the AGN-WTSU district, most schools

use the booklet prepared by the national sponsors, the Scripps-Howard Newspapers. "Words of the Champions", containing more than 500 new words is available from the Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166. The word list costs 40 cents each.

Orders may be placed by students, principals and county directors to the newspaper.

The date of the 1981 National Spelling will be June 1 through June 5 in Washington, D.C. where more than 100 regional finalists will compete. Expenses for the 1981 AGN-WTSU champion will be furnished by the Amarillo Globe-News. Various other awards will be given to some of the top area spellers and each county champion will receive a Bee trophy.

"OKLAHOMA"

Spearman High School will present Rodgers and Hammerstein's "Oklahoma" on November 1 and 3 at 8:00 p.m. The musical is considered to be a landmark of the American musical theatre and made its Broadway debut on March 31, 1943. It was to win a special Pulitzer Prize in 1944 and since its New York run has been performed in every major city in the world.

The story is an adaptation of the Lynn Riggs' play, "Green Grow the Hilts", and the songs, with music by Richard Rodgers and lyrics by Oscar Hammerstein 2nd, are among the great standard songs of the musical theatre.

Musical highlights: "Oh, What a Beautiful Mornin'", "People Will Say We're in Love," "The Surrey With the Fringe on Top," "Kansas City," "I Can't Say No," and "Oklahoma."

Eadie Clemmons and Jay Pack play Laurie and Curley, one of the main stories through the musical. Laurie's Aunt Eller is played by Shelly Strawn who tries to keep everything going. The "bad guy" is Mike Brinson in the part of Jud and the triangle of Will Parker (Buddy Pool), Ado Annie (Angela Lesly) and Ali Hakim (David Hall) provide humor and action

throughout the musical. Tickets are available from the cast and at the High School. **ADULTS--\$3.50; STUDENTS--\$1.50 and CHILDREN UNDER 8--\$1.00.**

FIRST MONTH		EACH MONTH THEREAFTER		
Most recent 12 month actual use	Average Billing Amount	Most recent 12 month actual use	15% of accumulated difference	Average Billing Amount
		$12 \text{ month} + 12 = \text{Billing} + \text{accumulated} =$		

*15% of accumulated difference is added to the current bill when the accumulated amount for electricity used is more than the accumulated amount billed under the Average Billing Plan.

NOTE: If you have less than 12 month's history at your present address, the "average" will be based on the number of months available.

Wheels For Life

Bike-a-thon chairman, Mrs. Tom Latta, today asked Spearman residents to participate in the St. Jude Children's Research Hospital "Wheels-for-Life" Bike-a-thon, October 18, 1980.

are needed for the Bike-a-thon to raise funds for the world-famous research center and its battle against childhood cancer and other catastrophic childhood diseases.

By riding for Terry, we'll really be helping all stricken children since research is the only way these illnesses can be conquered," Mrs. Latta said. "We're looking for people who will contribute some of their time and energy to help children live. We really need bike riders, since they are the ones who can make this Bike-a-thon successful."

In the Bike-a-thon, riders enlist sponsors who donate a sum for each mile completed. Riders who raise \$25 will receive a St. Jude T-shirt, and those raising \$75 will receive a back pack said Mr. Latta. "We also have prizes for other riders." Sponsor forms are available at Hansford County Veterinary Hospital or Gordons Drug.

Riders for the October 18, 1980, Bike-a-thon will be asking Spearman citizens to back their efforts by pledging a contribution for each mile they ride.

"We'll be showing that we care about children by helping this cause," Mrs. Latta said. "Please support your rider with a generous pledge, and then help them get the funds to us as soon as the ride is over."

"Each rider will be given a lap card when the register at Spearman High School, October 18, 1980, at 1 p.m. Every time they ride through the check point, we'll initial the card. At the end of the ride, we'll check it and sign it to show that the rider earned what the sponsor pledged." Riders will then return to the sponsors to collect the pledge.

"We'll also be giving them a hospital bracelet saying 'I'm riding for Terry to wear during the ride. I'm sure most of them will still be wearing them while they make their collections.' Terry is a St. Jude patient who represents all victims of the illnesses under study at St. Jude Children's Research Hospital.

The ride starts at 1 a.m., Saturday, October 18, 1980, at the East side of Spearman High School.

If you are not asked to sponsor a rider, please call 659-3584 and we'll get on to call you.

"The money our riders earn will help continue St. Jude's life-saving study of childhood cancer that has become so important to children all over the world," said Bike-a-thon chairman.

McCoy - White Vows Exchanged

MR. & MRS. CHRIS WHITE

In a beautiful candle-lit ceremony on Saturday evening the 6th of September, Sabre McCoy became the bride of Chris White, both whom are formerly of Spearman. The bride is the daughter of Darrell McCoy of Houston and Mr. & Mrs. Alan Ladd of Canadian. The groom's parents are Mr. & Mrs. Kiff White, Jr., of Spearman. The double ring ceremony was performed by Brother David Nuckels, of Spearman, at the Abundant Life of God Church in Canadian.

The bride was escorted to the altar & given in marriage by her grandfather, T.H. Loftin. She was lovely in a candle lit formal satin which was worn by her mother. It was very full skirted and featured a rounded neckline and had long tyeing sleeves; it was adorned with seed pearls and lace and had a long trailing train. Her full length veil was made by her mother and was attached to a floral headpiece that matched her bridal bouquet. She carried out all the traditions. Also the bride and groom exchanged gifts to each other at the end of the service. Chris' gift to Sabre was a dozen red roses with a streamer--"to my wife-I love you". Sabre's gift to Chris was a gold I.D. bracelet with his name and the wedding date.

Attending the bride as Matron of Honor was Mrs. Kim Lewis of Spearman. She wore a street length dark brown dress with peach colored print flowers and carried peach colored carnations.

Candle-lighters and brides maids were Miss Sharie McCoy-sister of the bride, and Miss Melissa McLain of Spearman. They each wore street length dark brown dresses with a ruffled off the shoulder neckline, the skirt was quilted. Each had peach carnations in their hair and carried peach carnations bouquets. Flower girl was Nicki Roberts of Spearman. Carpet roller and also train bearer was Billie Jo Moore of Spearman. Each wore dark brown dresses with tiny peach print flowers and a quilted skirt with puffed sleeves and were tied with a bow in the back. They each had peach carnations in their hair. Nicki carried a basket of white rose petals. All the dresses were made by Mrs. Betty Perry of Spearman.

The groom wore a formal white Tux. He was attended by Curtis Hayes as Best Man. Ushers and groomsmen were Johnny Kenney and Ricky Gordon. Bible Bearer was Russell Shaver, nephew of the groom, and ring bearer was Brandon White, the groom's son. All wore dark brown tuxes from Shadracks of Amarillo.

At the beginning of the service Chris presented each mother and each grandmother with a red rose. The brides' mother, Mrs. Shirley Ladd, wore a street length sheer long sleeved light brown dress with a tiny floral print. The groom's mother, Mrs. Nell White, wore a peach colored street length dress with colored lace, both wore corages.

The church was beautifully decorated with each pew marked with hurricane candle lamps and white satin bows. The front was decorated with a large spiral arch candleabra and two large heart shaped candleabras. Vows were repeated on a white satin kneeling bench. There were three large floral arrangements which were made by the brides mother. These were of wild dried flowers and wheat and fresh cut flowers. At the

beginning of the ceremony the guests joined in singing "How Great Thou Art". Mrs. Freddie Schneider of Spearman played the piano and sang "The Lord's Prayer" and "Love Me Tender", she was accompanied on the organ by Phyllis Smith. Brother Nuckels sang "We are Thien O Lord". At the close of the ceremony the couple lit the large unity candle together.

The reception was given in the church following the wedding. Mrs. Frances Loftin of Spearman was in charge of it. She had helping her Mrs. Alva Garner, Mrs. Jim McLain and Mrs. Sherry Moore, all of Spearman.

The bride's table was decorated in shades of peach-white-brown and beige. The tiered white wedding cake was made by Evelyn Hiller, it was served by Mrs. Jana Wilkinson of Amarillo. Pineapple punch was served by Debbie Eller of Spearman.

The groom's table was covered in a dark brown cloth and the traditional chocolate cake was served by Mrs. Regina Gordon while coffee was served from a gold coffee service by Mrs. Regina Kenny.

Guests were registered at both the wedding and reception by Mrs. Donna Fitzgerald of Canadian.

Peach and white satin wheat flower bags were handed out by Nalia Shaver and Alicia Burrell, nieces of the groom.

For her going away costume the bride chose a white sundress with accents of green. They traveled to Oklahoma City and Dallas. The couple are making their home in Canadian where he is employed by Ladd Trucking.

Special guests included grandparents of both. They were Mrs. Ruby Rippey--great Grandmother of the bride; Mr & Mrs. I.H. Loftin; Mr. & Mrs. Leon McCoy; Mr. and Mrs. Don Ladd; and Mr & Mrs. Kiff White, Sr.

The rehearsal supper was held on Friday night the 5th at the church. An abundant cold buffet was served to all those in the wedding party.

GAME from p. 1

Then, on the second down of the Lynx' turn at the ball, Bulls rifled a pass from 31 yards out to Monte George in the end zone lobbing it squarely in the end's arms.

He dropped it. This is not criticism. There is no more able man on the Lynx squad than Monte George. It just seemed that his whole being was saying, "Oh, no! The coach wouldn't trust Jamie with the Bomb this soon."

--But the ball belonged to Bulls whether it was a shuffle or a rifle shot. However,....lest this sound like Jamie Bulls Night--it wasn't. Saying it was Bulls' ball, it must also be said he knew exactly who to share it with! There was not a Lynx that got his hands on the pigskin but what turned it into pure gold.

--That's the way the 'Cats from Spearman racked up an average point every half-minute in the closing moments of the game and almost came home from The Reservation with some scalps!

Next Friday night, October 17, play is for blood! The Lynx entertain another pride of Wildcats here in the first conference conflict of the season when the square off against River Road. The 'Road 'Cats are formidable opponents and the outcome of that game should be a strong indication of Lynx chances for the conference crown.

our point: few squads among the Lynx opponents of the season could field an interim quarterback of the ability of Jamie Bulls. In the same vein, few have backs of identical size and determination like the brothers Randall--so much so it was difficult to determine in the first excitement of a touchdown whether it was Rocky or Dennis who hit paydirt.

In the case of Bulls, it was as if the feather-weight field marshal was determined there would be no three backfield men of the same colors butting heads as they did during his brief substitution stint a few games back. He took command of the team and marched up the field almost at will steadily reducing the Tiger lead.

In our opinion, the only major flaw in the Lynx' game, Friday night, was an initial surprise at Bulls' ability. Consider this:

Late in the second stanza, Jamie Bulls went in for the knee-injured Steve Tindell. His first big bolt was a handoff to Karey Bodey following a very effective fake to Rocky Randall. Bodey went in for the score and the kick-after was good.

During the Tigers' turn with the ball, they brought the score up to 16 for them to the Lynx' 7.

Lynx Defense Impressive

Our Lynx 8th grade went to Dalhart to play the "offensive born" Wolves. The crowd wasn't to happy about the 7th grade game since our Lynx were the first not to get smeared. They were hoping that their 8th grade "giants" would smear our 8th grade bunch. Sure their team beat our team but again our Lynx defense wouldn't let Dalhart get 30 or more points-- a new record this year for an opponent of Dalhart!

In the first quarter our Lynx got the ball and on the first play, our Lynx tried a trick play but the Wolves got an interception at our Lynx 30 yard line. They drove in for a touchdown, making the score 8-0. The 2nd touchdown came in the 1st quarter too. They had to work harder to get it though. Their last touchdown came in the 2nd quarter, making the score 24-0. The Wolves really thought they were rolling. The half ended 24-0.

7th Grade Lynx

Revengeful

Well, the River Road Wildcats will play our Spearman 7th grade Lynx at Lynx Stadium starting at 5:00 p.m. Thursday, October 16, night. Now ya'll recall that the Wildcats really went "wild" with the football and scored 32 points against our Lynx. But Coach Hagar says that the boys are ready for the Wildcats of River Road. Coach Hagar said, "River Road is not as good as Boys Ranch, so we're gonna have to play better than the first game against them and then we might have a chance to beat them."

Coach May said, "My boys did a great job yesterday; they could have beaten any other team. Let's face it Dalhart is awesome!"

In the third quarter our Lynx defense stopped their offense completely, and their defense did the same to our Lynx offense! The fourth quarter was a replay of the third, so the final score was 24-0.

Coach May said that their running backs--individually, of course-- were bigger than any Lynx player!

Dalhart broke 2 long runs and had 1 long pass. Our Lynx defense stood up tall against the "California Red trees look-a-like." The game was between the #1 Offense--Dalhart against the #1 Defense--Spearman. And believe me although our Lynx lost they proved to Dalhart that our defense is #1 in District. Why do I say that, you ask? Because all the defenses that had gone against Dalhart could not contain them to under 30 points. Our Lynx defense did contain Dalhart under 30 points.

Coach May said that Brian Paul was great on offense-- he ran well. Coach May said that the line made some holes and at times, Brian got the yards on his own. Damon Henndon also played outstanding on offense. Damon, who is the center, blocked, get this, a 185 pound guy. He did a great job blocked the huge fella! Brian Williams sacked the quarterback a couple of times (two times and Bob Cook tackled and brought down the Dalhart halfback. Ross Donahue did a great job containing Dalhart on their sweeps. All in all our Lynx defense did a tremendous job.

Way to go Lynx!

Our Lynx will the River Road Wildcats next Thursday night, October 16, at Lynx Stadium after the 7th graders "battle" it out!

Freshman Ready

The Freshman Lynx will go to River Road to play the Wildcats. The game will start at 5:00 p.m. The Lynx are ready to start District play. As ya'll know, this week all the Spearman teams will start District play--7th grade, 8th grade, Freshmen, Jr. Varsity, and Varsity.

Jr. Varsity

The Jr. Varsity Lynx will travel to River Road to meet the River Road Wildcats. They will play right after the Freshmen game. Ya'll go out and support the Lynx over at River Road.
