SPEARMAN, TEXAS 79081

Junior Lusby services held

Junior Lusby died Sunday in Amarillo where he had undergone surgery earlier in the week.

Memorial services were held at 10 a.m. Tuesday in the Union Church with the Rev. Steve Rogers, pastor, officiating. Burial was in Hansford Cemetery by Boswell Brothers Funeral Home.

Mr. Lusby was born in Elk City, Okla. Nov. 2, 1930. He married Dorothy Campbell in 1949 in Panama.

Junior and Dorothy came to Hansford County in August 1956. Junior saw an opportunity to start his own bulldozer business because of the oil boom in Hansford County. In November 1957 he purchased one bulldozer and one truck. From one bulldozer and one truck they built Junior Lusby "Cats" with yards in Spearman and Canadian.

He was a member and past president of Spearman Rotary Club and was a Paul Harris Fellow.

He was a member of the Spearman Chamber of Commerce and was honored by that body by being named Citizen of the Year in 1981.

He was a member of the Panhandle Producers and Royalty Owners Association and a member of the Union Church.

Survivors include his wife; three sons, Monte Lusby of Canadian, Ronnie Lusby of Spearman and Lonnie Lusby of Elk City; a daughter, Becky Lusby of the home; three brothers, Roy Lusby of Sayre, Okla., Warren Lusby of Oklahoma City and Dean Lusby of Duncan, Okla.; two sisters, Florence Bryant of Amarillo and Jewel Hickey of San Antonio; and seven grandchildren.

In Memoriam
The Spearman Boxing Club has lost a wonderful friend and sponsor, Junior Lusby.

In the four years that the club has been organized, approximately 80 boys have been involved. Each year Junior would give his support and encouragement. Saying if the need arises we could call on him again.

Having known Junior for over 15 years, myself being involved in volunteer work with Spearman youth, I can say that each time Junior was called upon for help, he would always do more than his share.

We each will miss Junior and his personal support and friendship. We will be able to see in each young person, involved in all the different programs Junior supported. Each time Junior donated his time and support he knew he was donating to the molding of a young person into a responsible adult.

Eugene Yarbrough
The Spearman Boxing Club
and the youth of Spearman

Shown with Junior Lusby are boxers Will Black and Brian Beck.

THURSDAY, DECEMBER 16, 1982

Win 1st Place At S-F Tourney as...

Lynxettes 'Nip' Phillips

Two of the best teams in the Panhandle, if not the best, played for the third time in this young basketball season—the two being our own Lynxettes going up against their tough arch-rivals, the Phillips Blackhawkettes, in the finals of the Sanford-Fritch Invitational Varsity Tourney!! It was another excellent game all the way, and the fans were not disappointed at all, being on their feet almost all the way during the game!! NOTE FROM SPORTS DESK: The Lynxettes and Blackhawkettes had met twice before, the first of all at Phillips for the first game of the season, the Lady Lynx losing 57 to 56; but then the second meeting was at the Spearman Lynx and Lynxettes Invitational Varsity Tournament this time the home-field was turned, and the Lynxettes came from a 13 point deficit to win the game in the final quarter, 67 to 63!! Winning the 1st Place Trophy. This was the third time so far that these two fabulous teams met, the Lynxettes were in control all the way during the game, although many times, it was very close, the Lynxettes held on to a two point lead and won the game 71 to 69!! If these two teams don't make it to the State Playoffs, then the State of Texas will be missing to see two of the very best!!

When the game began, both teams shooting from one corner to the other, from the top of the circle, from the free throw line and from the inside, this foreshadowed that this game was #1, going to be close, and #2, going to be very explosive, Offensively!! Both teams were shooting very well from the floor. When the first quarter ended, the Lynxettes found themselves ahead 15 to 12. Those that played included Lea Ann Gibner, Susan Davis, Jean Davis, Jan Davis, Janet Reed, Cindy Young and Lana Paul—all Seniors, Robbie Heinrich, Kelli Crawford, Andrea Mires—all Juniors, and Sophomore Tiki Jackson. Two other member include Nita Baker—who has an injury and Denise Brewer—both Juniors. Every single one of the Lynxettes played, and each one did a great job. In the second quarter, the Lynxettes and Blackhawkettes were shooting with a better percentage both from the field and from the free throw line!! The Lynxettes outscored the Blackhawkettes 21 to 20 and took in a 36 to 32 halftime lead.

You can bet that Coach Ralph Newton, the head coach for the Lynxettes, was telling his Lady Lynx to watch out for mistakes, shoot the better shot, don't foul unnecessarily, because the Blackhawkettes are a very tough team and with just one little miscue between his Lady

Lynx, the Phillips Blackhawkettes will "swarm" all over them and turn things around. While this was going on, the Phillips Blackhawkettes' "interim" coach Craig Hunter, who was subbing for the Blackhawkettes head coach Danny Dawson because of him being in the hospital, was telling his team that the Lynxettes are tougher than tough, but they too can make mistakes, and when they do, that is the time for the Blackhawkettes to get their Offense shifted to 5th gear if possible and win the game!!

The Lynxettes Defense was something else, their ballhandling was spectacular. The Lady Lynx simply played a lot better and score 6 more points than the Blackhawkettes—20 to 14, and took to the fourth and final quarter a 56 to 46 score. But the 4th quarter was mistake quarter for the Lynxettes, they actually turned the ball over 3 times in a row, the Blackhawkettes cut the 10 point lead to a 3-point lead with 6 minutes to play in the game!! Then Sonya Gibbs and Marlene Workman—Blackhawkettes—hit three free throws together, real quick like, and the lead was now 58 to 56. So the free throws were keeping the Blackhawkettes in the game, ironically, the free throws are what lost the game for the Blackhawkettes as you shall see. Miss Blakenship scored a layup with 6 seconds left to put the score at 71 to 69, in favor of the Lynxettes, and then the Lynxettes inbounded the ball, Lea Ann Gibner, who had a great Offensive night, was called for a foul, with no time remaining as a loose ball rolled around the floor. Then Laura Williams was to have a one-and-one, she was 5 out of 7 free throws for the night!! Everyone in the Gym could barely breathe the pressure was on, if Miss Williams hit the first free throw, she would have another, if she made that one, the game would go into overtime, with 2 starting Lynxettes out, this would be tough for the Lynxettes to pull out. She shot the first, which hit the front of the rim, then the back and then the front again, before falling straight down—not going thru at all!! All the Lynxettes and their fans jumped for joy!! This was the second 1st Place Trophy the Lynxettes have won in two invitational!!

Lea Ann Gibner was the leading scorer with 17 points, right behind her was Susan Davis with 15. Both Lea Ann and Susan are Seniors and have done a great job this year leading their team to 8 straight victories!! The Lynxettes will be hosting the Sundry Robbies tonight—Tuesday, December 14, beginning at about 6:30 or 7:00. Then

on Friday, the Lynxettes will face the tough Stinnett Rattlerettes on Friday, December 17, beginning at 6:30 or 7:00 depending on the length of the JV games!! Both these games will be played at Lynx Varsity Gym, don't miss them!!

Pheasant costs Postmaster \$300

Postmaster Ray Robertson does not recommend grilled pheasant. A pheasant flew through the grill of his car and it cost him \$300 to get it fixed. This event happened a year or so ago.

Lion Al Rochelle was thrown out of the pickup he was riding in Saturday, driven by Rotarian Mike Schnell. Rochelle shot everything in sight while lying on his back.

Owen Montgomery had a pheasant hen in his yard over the weekend and Sylvia Robertson saw a pheasant rooster in her backyard Sunday.

Publisher Billy Miller saw a pheasant flying around Ralph Blodgett's home looking for a place to land.

These pheasants this year are smart, they come to town, while the hunters go to the country to hunt them.

Hospital News

Patients at Hansford Hospital are Jewel Renner, Ike Richeson, Laci Miesner, Nelda Cook and Delbert Allen.

Dismissed were Ella Hull, Josephine Gruver, Jeff Melton, Leah Garcia and daughter, Hattie Mackie, Anson Ward, Harold Goodwin and Annette Hopstetter and daughter.

ATTENTION SPORTS FANS!!

We, here at Spearman, now have the Sports Channel, ESPN on Channel 2 on the cable. It has all kinds of news about sports, actually it is sports 24 hours a day for all you sports fans!! It is a feature of your local Cable Office. You can see live sports action on ESPN, the 24-hour Sports Channel!! It even has special programs like the program known as Women Sports. ESPN keeps you up to date as to all sports headlines, like the professional football teams that will be in the playoffs, the college football teams that are in the Bowls for the Holidays, basketball, hockey, soccer, boxing, golf, tennis, baseball, softball, water polo, etc.

AMARILLO—Lipham Construction Company of Aspermont is the apparent low bidder to seal coat 13 Panhandle highway sections during the summer of 1983, including one road in Hansford County.

Farm to Market Road 520 will be seal coated from the Sherman County line east 10 miles to State Highway 136.

Lipham's bid of \$909,677 was the lowest of four bids submitted on the seal coat contract to the Texas State Highway and Public Transportation Commission.

A seal coat restores and waterproofs the riding surface of a highway and adds to the expected life of a roadway.

H.L. "Lou" Gallegly of Dalhart will be the State Department of Highways and Public Transportation engineer directly supervising the seal coat work.

Will Jarvis winner in district 4-H food show

Take some favorite recipes, add a dash of ingenuity, blend well with nutritional knowledge and stir in an abundance of cooking skills by 128 boys and girls. That all adds up to the Panhandle District 4-H Food Show, with three girls and one boy advancing to the State Competition next year.

Winners in the Senior Division of the 20-county competition Saturday, December 4, at Dumas High School, were Donna Peters of Moore County, Breads and Cereals; Sam Pender, Randall County, Fruits and Vegetables; Robin Conkright, Deaf Smith County, Main Dish, and Annie Mellama of Dallam County, Nutritious Snacks and Desserts. Each received a Plaque and Rosette in addition to advancing to the State Event.

Junior Division winners in the four food categories also earned Rosettes, but don't compete beyond the District Level. Plaques were donated by Morrison Milling Co., Rosettes by the Panhandle District Extension Homemakers Assn., and Ribbons by Energas Corp.

Each contestant had earned championships in their county to advance to the District Meet, which was viewed by thousands of shoppers during the daylong competition.

Seven 4-H'ers from Hansford County and their Awards were: Will Jarvis—Top Four, and Blue Ribbon, Senior Snacks & Desserts; Anne Marie Jarvis, Blue Ribbon—Senior Vegetables & Fruits; Kathy Poole, Red Ribbon—Junior Bread & Cereals; Ashley Wagner, Blue Ribbon—Junior Snacks & Desserts;

LYNXETTES & BLACKHAWKETTES BATTLE IT OUT!!—Two of the best teams played against each other for the 3rd time this season, in the finals at the Sanford-Fritch Tourney. The Lynxettes won the

game, 71 to 69. #33, Susan Davis, one of the Seniors tips the ball to her teammate, Kelli Crawford, a Junior, as Cindy Young, a Senior, gets ready for the results.

Michelle Cook, Blue Ribbon, Junior Vegetable and Fruit; and Bonnie Jarvis, Blue Ribbon—Junior Main Dish.

Sam Pender took top Senior honors in Fruits and Vegetables with his "Broccoli Supreme". A casserole, it blended the vegetable with cheese and a mushroom sauce.

Senior Winner in the Breads and Cereals category was Donna Peters of Moore County. Her winning entry was a braided, cheese-flavored yeast loaf.

Robin Conkright's "Round Steak Deluxe" the award for Main Dishes. It combined braised beef with green peppers, cherry tomatoes, olives and mushrooms.

An eye-catching treat for holiday feasting, Annie Mellama's Pineapple Coconut Cheesecake earned first place in Nutritious Snacks and Desserts. The dishes were judged by a panel of professional home economists and homemakers. Contestants were quizzed on nutritional values, preparation methods and costs of preparation.

The show is one aspect of the year-round foods and nutrition project in 4-H, explained Sue Farris, district director with the Texas Agricultural Extension Service. Four-H is the youth program of Extension.

Mrs. Farris said the project helps youths learn the relationships between science, foods and nutrition, and food preparation, as well as food buying, managing time, use of energy, food storage and safety.

ONE OF TOP 4 WINNERS—Will Jarvis was a winner in the Senior Division for Nutritious Snacks and Desserts. His Dish is "Fruit Pizza".

A.E. "Jr." Lusby is shown with his 'Citizen Of The Year' award received at the Chamber of Commerce Banquet Saturday night. Shown with him are his wife, Dorothy and son, Ronnie.

Lose to Gruver, makes first loss in season...

8th Lynxettes 'Stampede' River Road

The 8th Lynxettes had their first taste of defeat at the Gruver Tourney against Gruver. It was a tough game, but the 8th Lynxettes lost by 1 point, 27 to 26. It was a very good game, but the 8th Lynxettes lost the game, making them have a loss. The Gruver Tourney was cancelled due to the weather, so the Consolation and Finals games were not played. But Monday, December 13, the 8th Lynxettes coached by John Roller, jumped right back to their winning ways and defeated the River Road Wildcats with the score at 38 to

NOTE FROM SPORTS DESK: All the 8th grade girls have now played in one of the first 4 games, as Coach Roller indicated in the beginning of the year. The ones that played against River Road included Jill McLain, Michele Savage, Carrie Ann Guthrie, Rhonda Gibson, Cayla Eaton, Shari Vernon, Jennifer Yarbrough, Tammy Nollner, Jan Allen, Vicci Elbert, Sandi McLeod, Neta Burger, Diane Sorgi, Julie Latta, Denise Rojas, Rocio Rosales, Ronda Matthews,

Kerri Holt, Lynette Dunaway, Jana Pittman, April Abston, Jennifer Sintas, Diana Arjona, Stephanie Baxter, Liz Sumner, Charlotte Brandt, Tammy Goodson and Melissa McLain. All played a few minutes and did a fine job. The leading scorer was Carrie Ann with 13 points. They came up against River Road and played a tremendous game, winning 38 to 26. The 8th Lynxettes are now 3-1 for the season. Monday, December 20, will be the last game for this year—in a matter of speaking—it

will be the last game before the Christmas and New Year's Holidays—for 1982, when the 8th Lynxettes play their next game, they will be playing in a new year, 1983—same season, just new year. The game will be against a very tough Dumas 8th grade Demonette team. It should begin at 5:30 or 6:00. Go on over to the Lynx Little Gym and cheer on the 8th Lynxettes.

SPEARMAN BUCKS WINNERS

Buford Baker was the Monday winner of \$200 Spearman Bucks and Bruce Chesser was the Tuesday lucky winner.

ODE TO JR.

"... Got a little ditty to lay in your ear
To honor one of our own...as Spearman's
Citizen of the Year."
It's with much pleasure and pride we present
this award
To a person whose efforts have taken this
community forward.
Birth came in the year of 1930, November 2,
the day.
Oklahoma was the state...near Elk City they
say.
High school came with baseball and basketball.
He weighed in at 140 pounds. --TH, t's all
Now, I don't know if he was head of his class,
But I know he went on to marry a lovely
lass.
The wedding was in 1949, January 24.
You may know who he is but wait! There's
more!
Now a strong desire to be a farmer and work
the land
Caused this lad rapidly to become a man.
With four hungry children to clothe and to feed
And provide all those odds-and-ends that
children need...
From Pampa to Spearman the family came --
1956 was the year--to stake his claim.
The earth still seemed to call,
So, with determination to get on the ball
He began his business -- from a one-man stand
To 50 employees -- just to work with the
land.
His company grew -- and grew -- and grew
Until now, he's the best boss his employees
ever knew.
High school for his kids and all the activities
that prevail.
Following all the athletic games, this man
would never fail.
As a Lynx supporter and number-one fan
Win, lose or draw, to him they are grand.
Love of community stirred always in the heart
of this winner
From Red Cross, Salvation Army, Boy
Scouts to Golden Spread Center;
From the YMCA, Union and Baptist churches,
The Chamber of Commerce with all its
searches...
To better our community for one, for all,
He has donated his men and machines for
whatever the call:
The airport, the city cleanup -- just to mention a
few --
And, by the way, the M.K. Brown Boy
Scout Camp, too.
Past-president of our Spearman Rotary Club,
He enjoys the fellowship, service and lots of
good grub.
He loves the land though a farmer he became
not.
He leveled a plenty and cleared many a lot.
Dirt by the tons has been moved by force
Because this man is a man of resource.
He is quiet, unassuming, unselfish and caring.
With miles and miles of heart, he's always
sharing.
His love of God and community are reasons
two,
I proudly present a "Junior" to you...
Mr. A. E. Lusby, stand and take a bow!
--Then come forward and receive our
heartfelt thanks right now."

Season's Greetings

We wish all of our friends a very Merry Christmas and a Happy New Year. Instead of sending cards we have donated to the Hospital Auxiliary Fund for the benefit of the Hansford County Hospital and Extended Care Facility.

If you wish to send your Christmas card money to the Auxiliary to help in their gifts to the Hospital, please send your donation to Helen Etter, Box 1045, Spearman, Texas, 79081, listing the way you wish your name to appear in this paper. This column will be printed weekly through the Holiday Issue. This is the only fund drive the Auxiliary has so send your donations are needed and appreciated.

Buford Baker, Monday winner of \$100 of Spearman Bucks is shown receiving his prize money from Sheri Benton at Anthony Electric.

JV Lynx Teams to Play at Home Fri

The Spearman Jr. Varsity Lynx and Lynxettes will be hosting Sunray and Stinnett. The Lynx members are Billy Ray Haden, Johnny Rodgers, Pat Tucker—all Juniors, Teddy Vela, Jerry Garcia, Mack McLain, Jeff Graves, Bob Cook and Ernie Bowen—all Sophomores. The JV Lynx have been having a great season, unbelievable!! They seem so young, but they have a lot of talent. They will host the Sunray Bobcats tonight—Tuesday, December 14, at Lynx Varsity Gym. Then on Friday, December 17, the JV Lynx will take on the tough Stinnett JV Rattlers. Both these games should be very, very good. Their coach is Gary Rambo. The JV Lynxettes have not been having the kind of year they hoped!! They have a lot of young talent, but so far have not been able to win the games they figured they would. The members include Denise Brewer, a Junior, Ciria Vela, Lee Barnes, Genne Womble, Andi Hager, Stacey Poole—all Sophomores, Carlee Dixon, Julie Jones, Dana Irlbeck, Traci White, Shelly Dunnihoo, Mary Anne Evans, Linda Evans and Heather McRee—all Freshman. The JV Lynxettes will be facing the Sunray JV Bobkittens at the Lynx Varsity Gym tonight—Tuesday, December 14. Then on Friday, December 17, the JV Lynxettes will be facing the JV Stinnett Rattlerettes, also at Lynx Varsity Gym with the games beginning at 4:00 p.m., the boys games will begin at 5:30 or 6:00.

Most Americans welcomed recent statements from congressional Democrats and Republicans that social security must be reformed by next summer.

Martha McRee and Eulalia Blankenship are shown at Lady Fair presenting the \$100 Spearman Bucks to Wilda Wilson of Farnsworth. Mrs. Wilson was Tuesday, Dec. 13 winner.

This Sunday at 7:00 p.m. Faith Lutheran Church will have its Children's Christmas Program. On Sunday morning the Sunday School is at 9:45 and worship is at 10:45. The sermon theme is: WHY THIS FAVOR TO US?—Luke 1:39-45. A cordial welcome awaits all who come to study and worship.

Legal Notice

NOTICE OF PUBLIC HEARING SPEARMAN ZONING BOARD OF ADJUSTMENT

Notice is hereby given that the Zoning Board of Adjustment will hold a public hearing on January 4, 1982, at 7:30 p.m. in the City Council Chambers of City Hall located at 221 Sanders. The purposes of the public hearing is to consider the following zoning variance:
1. Request a variance to waive a minimum front yard setback of 25' in order to build a porch which will be attached to the main structure on Lot 1, Block 5, Glover Addition and the N/20' of Lot 4, Block 28, Reeves Addition; street address 1013 S. Townsend.
Any interested party may attend the open meeting to speak for or against the proposed zoning variance. For more information call 659-2524.

THIS IS A FIRST OF A THREE-PART SERIES

TOO-COLD-HOUSE DANGERS
On the other hand, remember that too-cold temperatures-between 60-65 degrees-can trigger hypothermia or low body temperature.
* Those with impaired circulation or specific diseases of veins and arteries or hypothyroidism, and
* Those taking phenothiazines (used to treat anxiety, depression and nausea).
These people should avoid being alone in cold weather over long periods of time. They may have a friend or relative who can check in with them each day.
Finally, remember, the choice doesn't have to be between food or health care or utility bill payment. Older Texans can protect their basic living funds from "outlaw" energy expenses.

Cake Decorating Course Set

Cake Decorating will be taught at Spearman High School by Cindy Davenport of Frank Phillips College. The course will begin January 3, 1983 and run through February 3, 1983. The class will meet from 7:00 to 10:00 p.m. on Mondays and Thursdays in the home economics room.
To register contact the Superintendent's Office at Spearman ISD. The cost of this course is \$45.00 per student. This includes a supply kit. Enrollment is limited to 16 students.

MAKE MOST OF ENERGY

Scrimping with energy-and living in a too-cold home during winter months-is dangerous for older adults, so make the most of existing energy instead of sacrificing it.
You can make your home an "energy saver" with some simple weatherizing steps-and you can learn to live with a little less heat.
Doctors say 70 degrees isn't too cool for most older adults in normal health, and some may even be comfortable with 66 degrees if they get used to it gradually.
To get used to lower temperatures gradually, lower the thermostat one or two degrees a week over a month's time.
But be sure to check with your doctor before doing this-remember, a mild cold can cause serious problems.
To feel more comfortable in cooler temperatures, consider the "layered look" in clothing. Rather than turning the heat up, put on a sweater.
Also, a small investment in "longjohns" or insulated underwear can mean a pay off in energy savings.
Of course the "layered look" should never constrict your circulation or get heavy enough to be uncomfortable or cause excess perspiration.

Santa Letters

Dear Santa,
Hi! How are you? I've been pretty good all year so you can come to my house on Christmas Eve. I'll be asleep when you get there but I'll leave you some milk and cookies. I wish you would bring me a record player and some records, a doll, some games and some cowboy boots. Tell Rudolph and his friends Hi!
Your friend,
Haley Farber

Dear Santa,
My name is Kody Rea and I am 2 years old. My brother Clint is 4 months old. Clint wants some little toys. I want a motorcycle, horsie, pickup, trailer, and tractor. I have been a very nice boy.

Love,
Kody & Clint Rea

Our advice to you this week is to take care of your health and live a while.

Home is what the family makes it.

Dear Santa,
I have been a good girl this year. I would like you to bring me a doll, record player and a goosey bird.
I would also like a necklace and ring and earrings that match. Please bring me some makeup, too.

Thank you,
Christina Fain

SATURDAY BANKING.
Just In Time For Christmas.

Open Every Saturday From Thanksgiving To Christmas.
All six lanes of the MotorBank at First National Bank will be open each and every Saturday beginning Thanksgiving weekend, going right up to Christmas. The MotorBank will be open Saturdays from 9 a.m. to 1 p.m. through December 18. We know these four Saturdays will be some of the busiest of the year.

Here's A Gift That Everybody Can Use.
When the Christmas rush is on everyone needs more hours in their week to get all the shopping and banking done. To help First National Bank is doing something special for the community this Christmas season. Saturday banking is the best Christmas present we can give to our customers. For the people who have everything, we just gave them something new: another banking day in their week. And it's a present you don't have to wait until Christmas to use!

Now That's The Christmas Spirit!
The Christmas season is always a demanding time of year. At First National Bank we're looking for ways to help. We'll be open to do our part in making this busy time more convenient for you our customers, and more successful for area merchants.

Celebrate "The First Christmas" With Us.
There are many enjoyable events happening at the Bank all through the month of December. We call it "The First Christmas". It begins with the PHS Varsity Choir in our Lobby singing traditional Christmas songs. We'll continue to celebrate the season everyday from then to Christmas Eve with hot punch and other goodies from our hospitality table. Together we'll make "The First Christmas" a warm and happy celebration for all.

When Special Things Happen In A Special Community, We're The Bank You Call "First".

Lynx Lose To Perryton at S-F Tourney

The Spearman Lynx were never in control of the game--for the 3rd Place Trophy at the Sanford-Fritch Tournament--going up against the Perryton Rangers. The Lynx, coached by F.G. Crofford, are a fine young team with a lot of talent, but in this game, although Ross Donahue, one of the 3 Sophomores on the squad, lead all scorers with 23 points, came up empty with the Rangers winning 62 to 40. Even though the Lynx lost, they never said "die", but kept playing with all their intensity.

The Lynx members include Seniors, Darren Goodheart, Buddy Pool, Jay Pack, Steven Francis, Mike Caldwell and Scott Dunlap; Byron Sutterfield a Junior; and Mark Pearson, Steve Burke and Ross Donahue, who are all Sophomores, and good ones at that!! Coach Crofford's Lynx have been behind many times, but have come back and done a great job in the second half, this year, this game was not that way, although the Lynx played their hearts out!!

The Rangers had a 15 to 8 1st quarter lead. The Lynx could not get the ball to go into the hoop, but scored 7 points, while the Rangers managed to score 12. The score at the half was 27 to 15.

Coach Crofford was telling his Lynx to try and score from the outside, get fast breaks, and so forth. He would have loved to have defeated the likes of the Perryton Rangers. The Rangers' coach was telling his guys to keep up the good work, both Offensively and Defensively, to watch out, because the Lynx have been known as "come-back" kids, especially this year!

Well, both teams came back firing from all over the court, once again the Rangers outscored the Lynx, this time 15 to 11, the score was now 42 to 26. The Lynx outside shooting was spectacular!! Both teams were doing a great job on the boards. The Lynx have been outscored 3 quarters straight, they didn't want to be outscored again, so they went to work scoring lots of points. They managed to score 3 more points and make the 4th quarter their best in the game--scoring 14 points, but the Rangers outscored the Lynx, having their best Offensive quarter with 20. The final score was 62 to 40.

The leading scorer of the game--from both teams--was Lynx' own Ross Donahue. Ross had 23 points, his teammate and classmate--Mark Pearson--had 10. Both Ross and Mark are Sophomores, both have been having a great year!!

The Lynx will host the Sunray Bobcats tonight at 8:00 or 8:30 tonight--Tuesday, December 14. Then on Friday, December 17, the Lynx will face the Stinnett Rattlers--the Giants, who happen to be undefeated

for the season so far. The game will begin at 8:00 or 8:30 depending on the length of the earlier games. Both these games will be played at Lynx Varsity Gym.

9th Lynxettes to Compete in Dumas Tourney

The Freshman Lynxettes, coached by Richard Trantham will be participating in the Dumas Freshman Girls Invitational Tournament this week--Thursday, Friday and Saturday, December 16, 17 and 18. Eight teams will enter, Pampa, Perryton, Stanton, Dumas White, the Freshman Lynxettes, Dumas Orange, LaPlata and Borger, with Prizes awarded to 1st, 2nd, 3rd, Consolation and 7th.

The Freshman Lynxettes are Carlee Dixon, Julie Jones, Mary Anne Evans, Traci Whipe, Dana Irbeck, Carol Taylor, Shelly Dunniho, Linda Evans, Alicia Langston, Kim Younger, Nancy Queen and Heather McRee. These girls have talent, a lot of it, they can bring home a trophy this weekend.

The games are scheduled like so: Pampa will play Perryton at 1:30, Stanton will play Dumas White at 4:30; The Freshman Lynxettes will take on the Dumas Orange at 4:30 but on FRIDAY, not Thursday. And

the final game, LaPlata will play Borger at 6:00 p.m.

The Semifinals in the winners bracket will have the winner play for the Championship at 7:00 p.m. and the loser to play for 3rd Place at 5:30--both games being played on Saturday. The first Semi-final game in the winners bracket to be played will begin at 11:00, while the second will be played at 12:30 p.m.

The Semi-finals in the Losers Bracket will have the winners trying for Consolation, while the losers will battle it out for 7th Place. The Consolation game will be played at 4:00 p.m., the 7th Place game to be played for at 2:30 p.m. The first Semi-final game in the Loser's Bracket will be played at 10:00 a.m. in the Middle Gym, while the second game will be played at 11:30 a.m. in the Middle Gym.

As you can see there are 8 tough teams that will play, with each one trying their hand at one of the trophies.

DON'T FORGET, the 9th Lynxettes will play against the Dumas Orange on Friday, December 17, beginning at 4:30 p.m.

Lose at Gruver Tourney and...

7th Lynxettes Lose to Dumas

The 7th Lynxettes played Gruver in the Gruver Tourney and lost the game, since the tournament was cancelled because of the weather conditions, the 7th Lynxettes were not able to bring home a trophy, which they could have done. Their coach is Richard Trantham. Coach Trantham has a fine team in the 7th Lynxettes. The ones that played in this game include Mary Lou Baker, being the high

scorer with 14 points, Sherri Sexton, Stacy Nitscke, Sandy Hill, Kim Jenkins, Earla Spencer, Julie Godfrey, Shannon Graves, Sara Blackburn, Tina Breeden, Kari Schneider, Deana Turner, Lori Eaton, Andria Dennis, and Cindy Dowdy.

The 7th Lynxettes played hard on Monday night against the Dumas 7th Demonettes, but came up short of the win by 12 points. Coach Trantham is

getting his 7th Lynxettes ready for the game on Monday night, December 20, against the Dumas Demonettes beginning at 4:00 p.m. This will be the last game before Christmas Holidays. Go on over to Lynx Little Gym and cheer on the 7th Lynxettes to victory over Dumas on Monday.

Your money won't do much good when you're dead. Put it to work now.

Defeat Gruver in Tourney...

7th Lynx 'Bow' to River Road

The 7th Lynx, coached by Dan Shaver, did a great job at the Gruver Tourney, which was later cancelled due to the weather conditions. They went and beat Gruver 30 to 25, with Brett Davis leading the way with 14 points, Justin Ooley was right behind with 12 points for the game. Coach Shaver said that his 7th Lynx would have played Stinnett for the Championship, but due to the snowy conditions and icy roads, the tournament was cancelled. But on last night, Monday--Decem-

ber 13, the 7th Lynx lost to the River Road team 26 to 21.

Coach Shaver also said, "The game against Gruver was the best game the guys have played so far." Coach Shaver also said that his team just played great, as great as they are supposed to be.

The game against River Road was something else. It was a fine game, and Brett Davis came up with 12 points, the leading scorer for the 7th Lynx.

The 7th Lynx, Justin Ooley, Alan Beeson, Brett Davis, Kevin Nelson, Timmy Woolley, Carl Urban, Tony Herndon, Jesse Herndon, Will Black, Steve Moore, Junior Ochoa, Chris Lopez, Norman Scroggs and Carl Urban, all did a fine job. The 7th Lynx will meet the Dumas 7th Demons at Dumas before the Christmas Holidays, Monday--December 20. Be sure and make it to Dumas, and cheer on the 7th Lynx.

YMCA boxing tourney results

The Spearman YMCA Boxing Club hosted a tournament Friday, Dec. 10 and Saturday, Dec. 11 at the YMCA.

Teams were present from Tulia, Amarillo, Amarillo Northside, Guymon, Okla., Liberal, Kans., Lakin, Kans., Hugoton, Kans., and Spearman.

Friday night the Tulia team and Amarillo Northside team were absent because of the weather.

The club would like to thank Zeke Clements of Stinnett and Ricky Riggins for refereeing the matches.

Friday night results are: Richard Garcia of Guymon, 60 lb. exhibitioned Chad Riggins of Spearman; Shawn Moore of Spearman, 40 lb. won over Schane Schneider of Spearman; Roman Arnold of Spearman, 55 lb. division over Eddie Garcia of Spearman; Shawn Tanner of Spearman, 70 lb., over Gabriel Mendoza of Lakin; Chay Gillispie of Hugoton, 75 lb. decision over Paul Huebner of Spearman; Danny Lopez of Spearman, 65 lb., decision over Mark Urias of Guymon; Mike Martinez of Lakin, 75 lb., over Carlos Urias of Guymon; Will Black of Spearman, 75 lb., decision over Shannon Sims of Amarillo; Edward Pondo of Hugoton, 100 lb., over Ben Procter of Amarillo; Mauricio Pondo of Hugoton, 55 lb., over Matt Eakin of Spearman; John Calderon of Lakin, 60 lb., over David Samora of Amarillo; Dan Wall of Guymon, 156 lb., exhibitioned John Wilke of Amarillo; Temp Sheppard of Spearman, 80 lb., over Kiley Coombs of Spearman; Cass Lasater of Spearman, 50 lb., over Stuart Riggins of Spearman; Homer Pondo of Hugoton, 60 lb., decision over Kiley Coombs of Spearman; Mark Love of Spearman.

Friday night trophy winners were Shawn Moore of Spearman, 1st Place Trophy, Schane Schneider of Spearman, 2nd Place Trophy; Edward Pondo of Hugoton, 2nd Place Trophy; Mauricio Pondo of Hugoton, 1st

Place Trophy; Temp Sheppard of Spearman, 1st Place Trophy; Kiley Coombs of Spearman, 2nd Place Trophy.

Saturday night matches were: Carlos Flores of Amarillo Northside, semi-final, 65 lb. decision over Danny Lopez of Spearman; Monroe Jennings of Tulia, 65 lb. over Carlos Flores of Amarillo Northside; Fred Bennett of Tulia, 60 lb. over Mark Landau of Hugoton; Shannon Sims of Amarillo, 85 lb. over Jerry Smith of Amarillo; Don Davis of Guymon, 112 lb. won by retirement over Benny Solis of Amarillo Northside; Dan Wall of Guymon, 109 lb. exhibitioned Mike Russell of Amarillo; Johnny Williams of Amarillo, 156 lb. over Johnny Wilke of Amarillo; and Merwyn Parker of Tulia, 119 lb. over John Orasco of Amarillo Northside.

Trophy winners Saturday night were Cass Lasater of Spearman, 1st place; Jonathon Patterson of Tulia, 2nd place; Matt Archer of Spearman, 1st place; Jeremiah Johnson of Guymon, 2nd place; Mark Procter of Amarillo, 1st place; Leonard Dick of Tulia, 2nd place; Roman Arnold of Spearman, 1st place; Dee Mayfield of Spearman, 2nd place; Shawn Tanner, 1st place; Eliji Patterson of Tulia, 2nd place; Kasey Tolliver of Amarillo, 1st place; Khris Kelp of Spearman, 2nd place; Nolan Brewer of Liberal, 1st place; Chad Riggins of Spearman, 2nd place; Jason Riggs of Spearman, 1st place; Paul Huebner of Spearman, 2nd place; Mark Brown of Spearman, 1st place; Frederick Bennett of Tulia, semi final, 60 lb. decision over Casey Mays of Guymon; Timmy Tinner of Tulia, 60 lb., decision over Johnny Calderon of Lakin; Edward Mayfield of Spearman, 75 lb. decision over Jason Brewer of Liberal; Roman Hahn of Hugoton, 70 lb. over Tony Willis of Tulia; Steve Elliot of Hugoton, 85 lb. over Mickey Easley of Liberal; Art Paloma of Amarillo, 65 lb., won by retirement over Chris Williamson of Spearman; Mike Martinez of Lakin, 75 lb., over Ruppert Bradashear of Amarillo Northside; P.D. Hurd of Tulia, 100 lb. over Robbie Johnson of

Guymon; Benny Lucero of Amarillo, 85 lb., exhibition with Tony Herndon of Spearman; Jerry Thomas of Amarillo, 132 lb. over Rodney Tolliver of Amarillo; Richard Calderon of Lakin, 80 lb. over Will Black of Spearman; Monroe Jennings of Tulia, 65 lb. over Carlos Flores of Amarillo Northside; Fred Bennett of Tulia, 60 lb. over Mark Landau of Hugoton; Shannon Sims of Amarillo, 85 lb. over Jerry Smith of Amarillo; Don Davis of Guymon, 112 lb. won by retirement over Benny Solis of Amarillo Northside; Dan Wall of Guymon, 109 lb. exhibitioned Mike Russell of Amarillo; Johnny Williams of Amarillo, 156 lb. over Johnny Wilke of Amarillo; and Merwyn Parker of Tulia, 119 lb. over John Orasco of Amarillo Northside.

place; Mickey Easley of Liberal, 2nd place; Art Paloma of Amarillo, 1st place; Chris Williamson of Spearman, 2nd place; Mike Martinez of Lakin, 1st place; Ruppert Bradashear of Amarillo Northside, 2nd place; P.D. Hurd of Tulia, 1st place; Robbie Johnson of Guymon, 2nd place; Benny Lucero of Amarillo, 1st place; Tony Herndon of Spearman, 1st place; Jerry Thomas of Amarillo, 1st place; Rodney Tolliver of Amarillo, 2nd place; Richard Calderon of Lakin, 1st place; Monroe Jennings of Tulia, 1st place; Carlos Flores of Amarillo Northside, 2nd place; Fred Bennett of Tulia, 1st place; Mark Landau of Hugoton, 2nd place; Shannon Sims of Amarillo, 1st place; Jerry Smith of Amarillo, 2nd place; Don Davis

of Guymon, 1st place; Benny Solis of Amarillo Northside, 2nd place; Dan Wall of Guymon 1st place; Mike Russell of Amarillo, 1st place; Johnny Williams of Amarillo, 1st place; Johnny Wilke, 2nd place; Merwyn Parker of Tulia, 1st place; John Orasco, 2nd place. A drawing was held Saturday evening for a handmade afghan. The winner was Wanda Eakin of Spearman.

We would like to thank the attending teams for their participation and for those attending the matches. Also a big thank you to Jim Benson for his help and time spent making the tournament a success. Bobby Archer, Butch Lasater, Eugene Yarbrough and the Spearman Boxing Team.

Calendar of Events

The Spearman High School are getting ready for their long-deserved vacation—Christmas Vacation, which will officially begin December 23 and last until January 2nd. The main activities for the Spearman High School are basketball games. There are approximately 41 games of basketball to be played in 15 days, with 4 tournaments in between!! So all those in athletics are gonna be as busy as a Beaver building his home, while those in athletics and academics will be busy with ACT tests, All-Region Choir and the Christmas Concert!! Following are the activities for the SHS.

DECEMBER 16, 17 & 18—The Lynx and Lynxettes Freshman teams to play in the Dumas Freshman Tourney. Lynx and Lynxettes will host the Stinnett Rattlers and Rattlerettes A & B Teams beginning at 4 p.m. at the Varsity Gym.

DECEMBER 19—Travis and Charlotte Angel's Music Department will hold their annual Christmas Concert—more details in a later issue.

DECEMBER 20—The Freshman Lynx will travel to Dumas to play Dumas beginning at 7 or so. The Freshman Lynxettes will host the Dumas Freshman beginning at 7 or so. The Varsity and Jr. Varsity Lynx and Lynxettes will travel to Stratford to meet Elks and Elkettes beginning at 4 p.m.

DECEMBER 21—The Lynx and Lynxettes Jr. Varsity and Varsity will travel to Gruver to meet up with the Gruver Greyhounds and Lady Greyhounds. This will be the last before Christmas Holidays.

DECEMBER 23 - January 2—Christmas and New Year's Holidays!! Have a Merry Christmas and a Happy New Year!!

Lose in tourney by 1...

8th Lynx Lose 'Thriller' to River Road

The Spearman 8th grade Lynx traveled to two towns during the weekend and Monday. On Friday, they were involved in the Gruver Tournament. The 8th Lynx, coached by Ken Rutherford, played a fine game. The game was won in the last two seconds by Gruver, 38 to 39. The 8th Lynx would have played the Gruver II team, but the tournament was cancelled due to the weather conditions. Then Monday night, the 8th Lynx lost by 1, once again, 28 to 27.

It was a tough game, but the 8th Lynx lost the game in the last 10 seconds, as they lost the basketball, which in turn lost the game for them.

The 8th Lynx, Allen Mires, Mark Garnett, Scott Taylor, Jesse Lozano, Dusty Hill, Ray Saldivar, Daniel De La Rosa, Wade Burgess, J.W. Hardy, Monte Beck, Trevor English, Allen Gardner, did a fine job, but if they do a better job they will win some games, when they start playing with the intensity that they have in many 1 point games.

The 8th Lynx will play the Dumas 8th Demons at Dumas on December 20, Monday, the game will be the last game before the Christmas Holidays. Try and make it to Dumas and cheer on the 8th Lynx to victory.

9th Lynxettes Defeated by River Road

The Freshman Lynxettes, coached by Richard Trantham, lost their game to River Road this Monday, December 13, by the score of 31 to 17. It was a tough game, and the Freshman Lynxettes tried their best but came up empty-handed.

Those on the squad include Carlee Dixon, Shelly Dunning, Traci White, Mary Anne Evans, Julie Jones, Heather McRee, Linda Evans, Dana Irlbeck.

TIPRO asks caution in natural gas legislation

LUBBOCK, TX--A Lubbock independent oilman has wired the Texas Congressional Delegation that two-thirds of the increased cost of natural gas to residential consumers is due to costs other than the price of natural gas, and urged their support to delay any natural gas pricing legislation effecting producers during the current "lame duck" session.

"Some congressional leaders want to freeze natural gas prices and legislatively interfere with producer sales contracts," said Rex Fuller, Lubbock, who is chairman of the National Energy Policy Committee for the 5400-member Texas Independent Producers and Royalty Owners Association (TIPRO). "But wellhead price freezes will

have no effect on 90% of the factors which have caused consumer price increases, according to the government's own figures," Fuller continued.

"The most recent Department of Energy data show that for every one dollar increase in natural gas prices, only 32 cents represented the additional cost of natural gas, and 68 cents was increased cost of transportation by the pipelines and utilities," Fuller pointed out. "and the overall problem is too complex for a 'lame duck' session to address without leading to more difficulty."

The text of Fuller's wire, sent individually to all Texas Senators and Congressmen on behalf of his Committee and TIPRO, said:

"We believe efforts to initiate emergency legislation concerning natural gas regulation, such as producer price freezes and abrogation of take or pay contractual provisions, are arbitrary stop-gap measures that would aggravate rather than resolve the natural gas problem for the consumer. The overall problem is extremely complex and demands full analysis to reach sensible solution. For example, virtually two-thirds of the arising cost to consumer is due to factors other than producer wellhead pricing, such as transportation and distribution. Further, hasty and inadequately considered adjustments to contractual rights involving the producer and his purchaser

would lead to serious erosion in exploration activity. This would cause another round of supply shortage that would be damaging to consumer interests."

"We urge your support in delaying to the 1983 congressional session consideration of the natural gas issue."

Fuller said that TIPRO wants a full hearing on natural gas deregulation in Congress early next year. He pointed out that while domestic producers currently receive an average of \$2.35 per 1000 cubic feet at the wellhead, the proposed freeze would have no effect on Canadian natural gas being sold for \$4.94, or Algerian LNG at \$7.15 per 100 cubic feet. "Such high-priced gas is a large component of the price midwest-

tern and eastern consumers pay for natural gas," Fuller said, "and we believe any legislation should carefully address all factors relating to federally-regulated gas prices, which continue to rise while producers have a temporary surplus that they can't sell at reasonable prices."

Job training available

AUSTIN, TX--The Texas Department of Community Affairs (TDCA) announced today that programs are still in operation for job training to meet the needs of private business and industry.

Under the authority of new federal legislation entitled the Job Training Partnership Act and the sponsorship of TDCA, local employment and training contractors serve 122 counties in Texas. These counties are in such regions as the Panhandle, South Plains, Texoma, North Central Texas, North East Texas, Brazos Valley, Deep East Texas, Concho Valley, Upper and Middle Rio Grande Valley and the Golden Crescent area of Victoria.

The Job Training Partnership Act provides a one-year transition period to put the new program into effect by October 1, 1983. Funding for job training and employment will continue at the present level until final appropriations for the new program are made by Congress prior to that date.

The Job Training Partnership Act was signed by President Reagan in October of this year. Job training will continue to be provided under existing CETA regulations through September 30, 1983.

The new act relies heavily on business and industry--which represent the majority of available jobs--and education to help meet unemployment and under-employment needs. Programs under the new act will be developed by business leaders, educators and government officials to meet state and local job training needs. Emphasis is placed on developing programs and plans at the local level.

For the past year, the current job training and employment program (CETA) has emphasized involvement by the private sector. Using the theme of "Texas Working Partnership," the Texas Department of Community Affairs and local job training contractors have encouraged business and industry to hire and train eligible workers in fifteen geographic areas throughout the state. The program and funding are administered locally in all areas under TDCA sponsorship, comprising towns and counties of less than 100,000 population.

Under current guidelines, if a worker qualifies for the existing

job training program, the employer can be reimbursed up to fifty percent of the worker's wages for training costs. In addition, if the employee qualifies under one of seven specially targeted groups, such as Vietnam veterans or the handicapped, the business could be eligible for additional tax credits.

Businesses wishing specific local information about the job training and employment program may contact Texas Panhandle Community Action Corporation, which administers the program in the following counties: Carson, Castro, Dallam, Donley, Hall, Hansford, Hartley, Hemphill, Hutchinson (portions) and Moore. Also Ochiltree, Oldham, Parmer,

Potter (portions), Randall (portions), Roberts and Sherman counties.

The Texas Panhandle Community Action Corporation can be reached at 372-2531, in Amarillo.

OVER ABUNDANCE

DETROIT--The distribution of cheese and butter to needy people is not without problems, but the government plans to continue the surplus foods program. Agriculture Secretary John Block says. About 280 million pounds of cheese and 75 million pounds of butter will be handed out next year.

Panel okays more aid for Israel.

Guatemala aid favored by Reagan.

District I Farmers Union to hold legislative forum

WACO, TX; December 7, 1982--District I of the Texas Farmers Union will hold a special Legislative Forum at 7:30 p.m. on Tuesday, December 14 at the Quality Inn-Seminar Center, 140 East in Amarillo. The purpose of the meeting is for the members present to review and discuss certain emergency action that needs to be implemented to improve the current farm program.

An agricultural economist will present and lead the discussion on the controversial payment-in-kind proposals that are currently being considered in Washington.

TFU District I Director Robert Green of Hartley will lead a discussion centered around improvement in the paid diversion program, higher loan rates for all commodities, and discounts and premiums on cotton.

Membership activities and fly-ins to Washington will also be discussed.

All interested participants are invited to attend the December 14 forum.

is careless or not properly supervised," Shirer explains.

Electrical toys have mandatory requirements for maximum surface temperatures and electrical construction along with

warning labels, she continues. Toy boxes should have a lightweight lid that can be opened easily from inside.

"This year alone a number of deaths and injuries were the result of falling lids and head or arm entrapments," Shirer says. Painted toys should be labeled "nontoxic," fabric products "flame retardant/resistant", and stuffed toys and dolls "washable/hygienic materials."

If a toy is found to be hazardous, Shirer suggests following these steps:

1. Immediately put the toy away.
2. Contact the Product Safety Division, Texas Department of Health at (512) 458-7519 or the U.S. Consumer Product Safety Commission Hotline at 1-800-638-CPSE.
3. Return the toy to the store and explain why it is being returned.

Make this a safe and happy holiday season by taking precautionary measures when buying children's toys.

If you want to live a long time, maintain the will to live--it's better than medicine.

Senator Bill Sarpalius Reports

FAMILY VIOLENCE

AUSTIN -- The number of reported cases of family violence in Texas has been increasing in the last few years. Many attribute this to the current economic conditions that have brought stress to all our homes. Regardless of the reason, this serious situation merits our attention and actions.

The following is a collection of statistics concerning family violence that we feel demonstrate the extent of the problem. One out of every two U.S. women will be beaten sometime during her married years. The FBI considers wife beating the most underreported crime in the country, with one beating every 15 seconds. In one half of spouse abusing families, the children are battered as well. One out of every 10 older persons living with a family member is abused. The majority of people in Texas prisons and 60% of the men who batter come from violent homes.

Additionally, conservative estimates are that 87,000 Texans are subject to spouse abuse on at least a weekly basis (about 2% of that number are battered men). There are only 450 shelter spaces currently available in the State: this is over 7,000 persons in need for each space.

In response to this growing problem the Senate Human Resources Committee, upon which we serve, has conducted an interim study on the various family violence issues. Their recommendations and findings are now being finalized. There are a few of these recommendations that we have specific interest in, such as developing service models for rural areas, and public education and awareness programs.

There is a definite need for

extending the services provided by the 35 member family violence centers to the rural areas. Due to increasing demand at their urban locale and limited resources, these centers cannot engage in as much rural extension service as they would like or the outlying areas need.

What is suggested is that the Family Violence Program of the Texas Department of Human Resources (TDHR) develop and implement program models designed to improve delivery of services to isolated areas. Funding for this endeavor will come from the state funds appropriated for the Family Violence Program plus additional state, local, or private sources that are available.

Increased public education and awareness is needed to improve society's response to violence within families. This education could increase awareness of existing services, encourage people involved in spouse or elderly abuse to take steps to eliminate the violent behavior, and increase the reporting of such cases.

It is suggested that the TDHR pursue specific educational activities that will raise the public awareness as to family violence. This should include specialized educational programs designed for the people directly involved in violent family situations.

We feel that the people of Texas are our most valuable resource and therefore deserve any protection that this state could provide. We hope you feel the same. If you have any comments concerning the work of the Senate Human Resources Committee please write Senator Bill Sarpalius, P. O. Box 12068, Austin, Texas 78711.

We will be open Sunday, Dec. 19 - 12 p.m. to 6 p.m.

VISA and MasterCard accepted.

Police deal with fires, robberies, and assault

INCIDENT REPORTS

On Monday, December 6, 1982, at approximately 2:34 p.m., this office received a call from an individual reporting that he would like an officer to come to his location in reference to suspicious persons that were in the vicinity. The individual advised the officer, upon his arrival at the scene, that a vehicle had been driving around and harassing individuals at the location. The vehicle was reportedly occupied by three white males. At one point, two of the individuals had entered the building at the location and subsequently had been advised to leave. At this time, the investigation is continuing.

On Tuesday, December 7, 1982, at approximately 1:36 a.m., an officer received a call to investigate a small fire behind Yancey Welding Shop on the Gruver highway. Upon arrival at the scene, the officer advised the dispatcher to alert the Fire Department. The fire was small and consisted of trash and wood, but due to the blowing wind, it could have spread easily. The Fire Department arrived at 1:49 a.m. and put the fire out. All units were backed in service at 1:57 a.m.

At approximately 8:30 a.m., on December 8, 1982, this office received a telephone report advising that a burglary had occurred at the Pizza Hut on Highway 207 South. An officer was dispatched to investigate and the investigation is continuing at this time.

On December 11, 1982, at approximately 11:48 p.m., an officer was making routine security checks and found the rear door of a business ajar. The officer called for a second officer. Upon arrival of the second officer, the officers entered the building. After searching the building, and finding no one inside, the officers requested the dispatcher to call the building's manager and have him come to the business to confirm that everything was still intact. Upon the arrival of the manager, it was learned that the back door had been giving them trouble and that the lock would be changed. The building was found to be intact and was then secured and the scene was cleared.

At approximately 8:52 a.m., on Saturday, December 11, 1982, this office received a request for an officer in reference to an apparent assault victim. An officer and an ambulance were dispatched. The officer arrived at the scene and found an unconscious individual, shortly thereafter, the ambulance arrived and examined the subject. After examination, the subject advised that it was not an assault case, and the officer and ambulance left the scene. At approximately 9:38 a.m., the officer was dispatched to the Hansford Hospital Emergency Room in reference to the same subject. The officer arrived at the hospital and ascertained from the subject that an assault had occurred and that a complaint would be filed. This case is pending at this time.

On Saturday, December 11, 1982, at approximately 7:15 p.m., the Hansford County Sheriff's Office advised that they had received a report of an individual breaking out headlamps at the Mall Parking Lot. An officer was dispatched and upon arrival at the scene, observed a vehicle with all of the headlamps destroyed. The officer was advised by a subject at the scene that he had seen the individual breaking the headlamps and gave the officer a description of the suspect's vehicle. The officer left the scene and later observed the suspect's vehicle and stopped the vehicle at the Mall Parking Lot. A subject was taken into custody for questioning and later released. The owner of the damaged vehicle advised the officer that he would prosecute when positive identification of the suspects was made. At this time, the investigation is continuing.

On Sunday, December 12, 1982, at approximately 11:32 a.m., an officer was on routine patrol and observed a vehicle crossing the center line of the highway. After repeated attempts to stop the vehicle, the officer called for another officer to assist. The vehicle was then stopped at an intersection by

both officers. The officers advised the subject to exit the vehicle, but had to be assisted from his vehicle. The subject was advised that he was under arrest for Driving While Intoxicated and the containers of beer in the vehicle were confiscated from the vehicle. The subject and the evidence were taken to the Police Station. The subject was processed and then transported to the Hansford County Jail and incarcerated, pending further Judicial procedures.

On Sunday, December 12, 1982, at approximately 7:15 p.m., an officer was called to the Police Station to speak with a complainant. The officer arrived and spoke with two (2) subjects. The subjects related to the officer that an unknown individual had entered their residence. The subjects advised the officer that the individual that entered the residence had struck one of the subjects that resides in the house. At this point, another resident of the house appeared, apparently frightening away the intruder. The investigation is continuing at this time.

At approximately 5:37 a.m., on Sunday, December 12, 1982, this office received a call for assistance from a Spearman resident. An officer was dispatched and upon arrival, the officer was advised that an individual inside the house had fallen and could not get up. The officer checked the individual for apparent injuries and then proceeded to lift the individual into a chair. The officer was advised that the individual would be taken to the hospital later in the day and the officer then cleared the scene.

At approximately 6:56 p.m., December 12, 1982, an officer on patrol observed a vehicle disregard the red light at Crazy Corner. The officer then pursued the vehicle and stopped it. Upon approaching the driver, the officer observed a beer bottle in the driver's lap. At this point, the driver was asked to exit the vehicle with the bottle of beer. After investigation, the officer learned that the driver was not intoxicated enough to hinder reactions and driving. The officer then issued two (2) citations.

ACCIDENT REPORT

On Saturday, December 11, 1982, this office received a call advising that there had been a two vehicle accident in the 600 block West 5th Street. An officer was dispatched and observed the vehicles and ascertained that there were no injuries. Upon further investigation, the officer learned that one vehicle was turning into the parking lot at this location, heading East and the other vehicle was exiting the lot at the same point. One citation was issued.

D.J. Alberts
Chief of Police

NOTICE

In addition to the regular weekly Police Report, the Police Department would like to remind all individuals concerned, that the traffic lights located at Highway 15 and Highway 207 and Kenneth Avenue or better known as Crazy Corner, are flashing between 10:00 p.m. and 6:00 a.m. On Highway 15 East and Highway 207 South the light flashes red and on Kenneth Avenue and Highway 15 West, the light flashes yellow. This is to remind individuals that all traffic laws remain in effect while the lights are flashing, as they are when the lights are working in sequence during the daytime. Please observe the traffic laws at this intersection at all times.

D.J. Alberts
Chief of Police

Quit Smoking - For Health & Wealth

Cigarettes are bad for your health and the new tobacco tax is bad for your wealth! Christmas Seal contributions to the American Lung Association are used to assist adults to stop smoking and to warn teenagers never to start.

You can still use priority mail

If you've waited this long to do your Christmas shopping, there's still a way to get your package delivered by the post office on time.

"Priority Mail or Express Mail are probably the best bet for shoppers at this point," says the Postmaster. Priced slightly more than Parcel Post, Priority Mail offers next-day delivery up to 150 miles from the originating post office and delivery in

three days anywhere in the U.S. during the Christmas season.

Express Mail or Priority Mail afford First-Class handling for packages weighing over 12 ounces and up to 70 pounds. Priority Mail can be sent from any post office, station or branch or through rural carriers to any address in the U.S. and even foreign countries. The service is available with insurance, return receipts, COD

certificates of mailing and special delivery.

Customers interested in Express Mail or Priority Mail should contact the post office for details.

Progress isn't achieved by following the crowd.

The truth probably is that no one today knows if Denspack will work.

Safety Measures for buying toys

COLLEGE STATION--Safety should be considered when buying children's toys this holiday season, says Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"According to the U.S. Consumer Product Safety Commission, an estimated 13,000 children under the age of 15 were treated in hospital emergency rooms for toy-related accidents in 1981," she announces.

A child's age should be used to determine which toy to buy.

"Manufacturers are required by the U.S. Consumer Product Safety Commission to place age recommendations and precautionary labels on toys," Shirer notes. "Testing is done for age levels 18 months and less, 19 months to less than three years and three years to eight years." Easily broken toys are dangerous because of sharp edges,

she says. And small toys, especially with removable parts, can sometimes be swallowed or get lodged in the ear, nose or windpipe.

"Remote-control airplanes, guided missiles and other flying toys can be harmful if the child

Major change in telephone business

SAN ANGELO—The telephone company and its customers will undergo a major change in the way they do business with each other beginning Jan. 1 as a result of the Federal Communications Commission's deregulation of terminal equipment or customer premise equipment (CPE), the industry's terms for telephones and other equipment on the customer's end of the telephone line.

Robert J. Meyers, operations manager for General Telephone in Perryton outlined the upcoming changes.

Existing customers who lease telephones or other terminal equipment from the telephone company and who do not change their service can continue to do so under rates approved by the state regulatory commission. They also will continue to have the option of purchasing their own phones or other terminal equipment from General Telephone or other suppliers, but under a deregulated environment.

The change will affect new customers, and existing customers who add or change their service beginning Jan. 1.

For single-line telephone instruments, similar to those used by most residential customers, new customers and existing customers who change their service or equipment have the option of leasing instruments and other equipment at the regulated rate as long as the existing regulated supplies of single-line phones last. However, the company has geared its supply of regulated single-line instruments and equipment to deplete as near as possible to Jan. 1 in order to begin operating under the deregulation mandate.

As a result of the limited regulated supply, most new single-line business or residential telephone customers will only have the options after Jan. 1 of (1) renting from the telephone company at competitive rates, as dictated by the market place, or (2) purchasing their phones and other equipment from General Telephone or other suppliers at competitive prices set by the market

place. General Telephone will offer a full range of basic, decorator and specialty telephone products for sale in addition to offering miscellaneous accessories such as cords, wiring kits and automatic dialers. It will also place special orders for unique telephone related products such as devices for the handicapped.

For multi-line telephones and systems, used mostly by businesses, including those existing customers who change their service, customers will have the options of either leasing or purchasing their equipment from a third party through the telephone company, or leasing or purchasing their equipment from other suppliers.

Maintenance of telephones and telephone systems will not change to any major degree. Existing company-owned telephones and telephone systems leased under regulated rates will continue to be maintained without charge as long as parts are available. Once the equipment cannot be repaired, and the supply of useable regulated equipment is exhausted, the customer must obtain the replacement under the deregulated procedures.

For telephones and other equipment purchased by customers, the warranties are with the company manufacturing the phones or phone systems. As with other products, the company selling or leasing the equipment may serve as the local repair center or warranty exchange, or the customer may have to deal directly with the manufacturer. General Telephone Phone Marts and local service facilities will serve as repair centers for products sold by the company to meet both company and manufacturer warranties, as well as offer on-site repairs for most products being sold. In most cases there will be charges for repair done after the warranty has expired.

Business system customers will have the option of obtaining maintenance agreements for equipment or purchased with a third party through General Telephone.

Single-line phones will be of the plug-in type, such as those now using GTE Phone Mart jacks. Customers with the old style wall wiring block will be able to purchase do-it-yourself kits that allow phones to be plugged in the new jack, or pay the appropriate charges to have the telephone company or other party make the change for them.

Because of ringing requirements for party-line service and current regulations, party-line customers should contact the telephone company prior to purchasing any phone.

Customers will be advised of the options available to them when they contact the telephone company to establish or change service.

Task force recommendations for traffic safety

AUSTIN—Colonel Jim Adams, DPS director, says public support for reducing traffic fatalities continues to intensify.

"The Department receives calls and letters every day from persons who support our DWI and speed enforcement efforts," Adams recently said. "They want something done about the traffic safety problem, particularly DWI, and they're looking ahead to January to see how the legislature is going to address their concerns."

Adams said the growing sense of public outrage has been fueled by the inability of the criminal justice system to deal effectively with problem drivers.

"DWI arrests by the Highway Patrol are up, statewide traffic fatalities are down, and we've seen a gradual decrease in the top speeds on our highways," the DPS director pointed out. "Yet, people still feel anger and frustration when one of their relatives or friends dies in an accident caused by a repeat offender, and the violator just gets a slap on the hand. Each member of the Governor's

Traffic Safety Task Force has sensed the public's interest about this life and death issue."

Adams chaired the 17-member task force which studied the Texas traffic safety problem in depth over an eight-month period before approving over 30 recommendations.

"Dealing with the repeat offender was our top priority," he said. "We proposed more stringent but reasonable laws designed to establish a certainty of punishment for the traffic scofflaw."

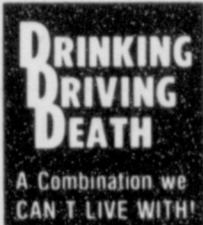

"Only 17 per cent of the DWI cases filed each year by the Highway Patrol result in meaningful punishment for the offender and establishment of a record which could be used by prosecutors in the future, Adams explained. "We suggested treating DWI probation as a final conviction for more effective prosecution of subsequent drunk driving violations. The task force also proposed eliminating 'deferred adjudication' in DWI cases. This is a type of probation often given in which the final court judgement

is delayed and frequently leads to dismissal of the charge."

Other task force recommendations include an automatic 90-day driver license suspension for persons refusing a breath test, prohibiting open alcoholic beverage containers in moving vehicles, raising the legal drinking age to 21, increasing DWI fines and making jail terms mandatory for second and third DWI offenses.

"We also suggested tightening up the guidelines for suspending the licenses of habitual violators, and we endorsed the DPS request for 150 Highway Patrol troopers to be added over the next two years," Adams said. "That additional manpower is essential if we are to create an effective deterrent for violators."

The DPS director urged citizens to express their concern and continue offering suggestions for dealing with the traffic safety problem. He also asked motorists to review their own driving habits and take special care during the holiday season.

A message from this newspaper and the Troopers of the Texas Department of Public Safety.

VIEDO GAMES SAN JOSE, CALIF. -- Viedo games "Centipede" and "Donkey Kong" have come to the rescue of San Jose High School, where students line up at electronic battlefields and their coins fill holes in the school budget.

CURED BOSTON -- Doctors have cured a baby girl born without resistance to disease and say the treatment offers hope for other children like her who are forced to live in germ-free plastic bubbles or face certain death.

Good News-Jobs For Seniors

Wanting a job and not being able to find one is a growing problem as the 10.8 percent national unemployment figure is predicted to rise before it falls again. A segment of the population for which finding employment is frequently difficult, even in a healthy economy, however is older people in our society. Add their age to residency in a small town where employment possibilities are already limited and this stacks up to a real disadvantage to older job seekers, according to Derrell Hale, Area Supervisor for Texas Farmer's Union Green Thumb, Inc.

And he should know. Hale travels a seventeen county area in the south plains and pan-handle alleviating this problem for as many rural, limited income seniors as time and energy allow. TFU Green Thumb is an employment and placement program for persons 55 and older, living in towns of 2,500 or less, and whose current income falls at or below the Department of Labor's income guidelines.

In Hale's mind the position of Area Supervisor for Green Thumb is unique. "There aren't many employment organizations, the majority of whose staff operate from their cars and homes totally. We go to the applicant, wherever he/she may be. For instance, I have taken applications in my car, at the applicant's home, in the city park, occasionally even in a

restaurant," he explains. So the applicant does not necessarily have to attend an interview at an employment office, though Texas Employment Commission offices and other offices in public buildings are made available frequently to the travelling Green Thumb staff.

Green Thumb offers the eligible applicant two possibilities. In some cases Green Thumb can hire a worker and pay him/her wages on a part time basis. Upon becoming a "Green Thumber" the worker is placed under sponsorship of a public service agency such as city and county governments, senior citizen centers, school systems, and a variety of other non-profit organizations. Or Hale will assist the applicant in obtaining employment where Green Thumb is not the employer.

"Green Thumb is not a new organization, though many people are just finding out about us," he states. "We have operated in Texas for twelve years, and we are the oldest and largest senior community service employment program nationally."

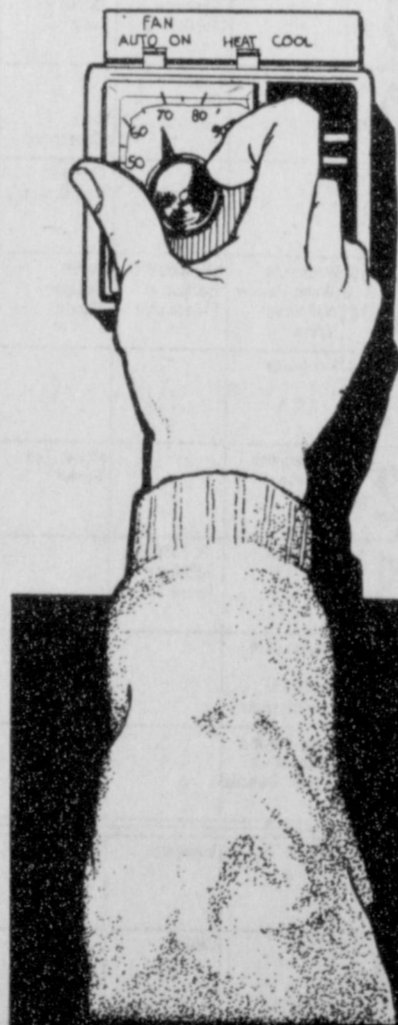

At a time when consumer prices keep rising and employment opportunities for rural older people are especially tight, Green Thumb is a god-send for many. Inquiries about TFU Green Thumb should be addressed to: Green Thumb, Inc. P.O. Box 7898 Waco, Texas 76714 (817) 776-4700.

Princess Di Thanks Christmas Seal People

The world's most famous new mother received a unique gift from an American Lung Association office and palace lady-in-waiting expressed Princess Diana's appreciation with a letter of thanks.

At the arrival of the little prince, two dozen blue pencils inscribed "It's a Boy" were speeded to the royal household. Will the royal stamp of approval bring closer the day when the pencil will replace the cigar as a symbol of parenthood? The Christmas Seal People® suggest that parents announce birth with a no-smoking message pencil. It's practical and doesn't harm your health.

Make A Smart Move... This Winter

Lower Your Thermostat To 68°

You can save energy on winter heating when you lower your thermostat to 68°. For each degree you lower your thermostat, you use 6 to 8% less energy. And at the 68° setting, your home saves energy while you stay comfortable. Save even more energy by lowering your thermostat a few additional degrees at bedtime or whenever you're away. Call us today for more energy-saving ideas.

Farm Bureau Makes significant strides

WACO--Texas Farm Bureau, now the largest state Farm Bureau in the nation with 306,359 member families, has made significant strides during the decade since Warren Newberry first became executive director of the farm organization.

"In 1972, when I made my first report, we had 136,943 members. In 1982, we have 306,359 member families, a gain of 169,416," Newberry noted during his annual report to TFB members.

Not only does TFB rank as number one in total membership among state Farm Bureaus, but it showed the largest single-year gain in Farm Bureau history with a 30,112 increase, Newberry said. It ranked the first year TFB ranked first. TFB was the first state ever to top 300,000. Illinois FB is second with more than 304,000.

TFB has also made significant advances in four other areas -- legislation, services to members, Farm Bureau programs and finances, Newberry said.

Newberry cited the passage of Proposition 3, a constitutional amendment to exempt implements of husbandry from ad valorem taxes, as the primary state legislative achievement in 1982.

"This exemption of implements of husbandry will save farmers and ranchers \$4.5 million each year from now on," Newberry said.

TFB improved its services to members with the establishment of the Texas Farm Bureau Rural Health Association, Newberry said.

"We changed carriers to The Travelers. We put the sale of the program in the hands of the agency force," Newberry stated. Since October, 1981, the group has doubled from 30,000 to 60,000. This includes the over 65 group and 13,000 new contracts, Newberry added.

The Safemark group purchase program has also come to a great distance in the past 10 years. Whereas, \$9,596,330 in Safemark products were sold in 1972, there were \$34,956,570 in total sales in 1982 -- nearly a 400 percent increase in a decade, Newberry reported.

That occurred in spite of the four-month-long strike at the General Tire Plant in Waco. During July alone, sales exceeded \$4 million, Newberry said.

The insurance program posted impressive showings in 1982, too, Newberry said. Whereas in 1972 there were 270 agents, in 1982, 605 agents were on the sales force. Life sales in 1982 exceeded \$1 billion in coverage.

There are 265,984 auto and 181,143 fire insurance policies in force.

One of the TFB programs is the Commodity Activities Division with 11 state committees and 419 county committees. The program began in 1974.

The Young Farmers and Ranchers program included one-year's free use of a pickup to the person chosen as the Outstanding Young Farmer and Rancher for 1982.

Ben Eietrich Jr. and his wife, Lou Ann, of Riesel were the winners. The pickup was furnished by Freindly Chevrolet of Dallas.

The youth activities include queen, talent find and free enterprise speech. There were 71 contestants from 57 counties in the speech contest.

Some 50,000 people in 82 counties attended demonstrations in the TFB safety program. New presentations were developed on safety with anhydrous ammonia, pesticides and grain bins. Two seminars dealing with farm labor safety were held in the Rio Grande Valley.

The TFB information department also made advances. The TFB broadcast services reported some 14,041 calls from radio stations for the two recorded reports. Twelve video-taped TV reports were carried on 214

newscasts. Forty-three news releases were sent out and 1,390 clippings were received from the news clip service.

Twenty-one area news conferences on the farm crisis were conducted for state and county Farm Bureau officials during May and June. The monthly publication, "Texas Agriculture", circulated 3.7 million copies in 1982 and its circulation topped 300,000 for the first time.

John Erickson was guest speaker at the Spearman Lions Club on Tuesday. John gave a reading on his book now being sold at the First State Bank in Spearman.

This was one of the most interesting programs of the year, and we all recommend that you run out and buy Johns book, "The Devil in Texas."

FRIDAY

SATURDAY

SUNDAY

Holiday Dessert Ideas

PUMPKIN CARAMEL CUSTARD

1 16-ounce package frozen pumpkin, thawed
2 eggs
¼ cup white or light brown sugar
1 tablespoon molasses
½ teaspoon ginger
½ teaspoon cinnamon
½ teaspoon salt
1 tablespoon melted butter or margarine
1 cup undiluted evaporated milk
¼ cup granulated sugar
¼ cup water

Beat eggs slightly and add to pumpkin. Add ¼ cup granulated or brown sugar, molasses, seasonings and butter to pumpkin mixture and mix well; then add evaporated milk and combine thoroughly. Place remaining ¼ cup sugar in heavy skillet and caramelize it. Pour sugar in heavy skillet or saucepan and liquify it over moderate heat, stirring constantly to liquify sugar evenly and crushing any lumps. Heat until sugar is amber. Then remove from heat; slowly add ¼ cup water and stir until caramel is all dissolved, heating if necessary. Pour caramel syrup into bottom of custard cups or ring mold, tilting the cups or mold to coat the sides with caramel. Add custard mixture and set cups or mold in pan of hot water. Bake at 350° F. about 35 minutes. A ring mold may require longer. Custard is done when a knife inserted into it halfway between the center and the edge of the custard comes out clean. Cool and unmold. The caramel runs down the sides of the custard and provides a sauce.

HEAVENLY DESSERT**Crust**

1 cup flour
1 stick butter or margarine
½ cup nuts, chopped

Blend and press into 8"x10" glass baking dish. Bake at 350° F. for 20 minutes or until light brown. Cool completely.

1 8-ounce package cream cheese
½ cup confectioners sugar
1 cup whipped topping

Combine cream cheese with whipped topping and confectioners sugar. Spread over cooled crust.

3 cups cold milk
1 package vanilla instant pudding mix
1 package chocolate instant pudding mix

Combine milk with instant pudding mixes; beat until thick. Spread over cheese layer. Top with rest of whipped topping from carton and sprinkle with chopped nuts. Refrigerate for 3 hours. Serves 12 to 15.

BUTTERSCOTCH COOKIES

½ pound butter or margarine
1 box light brown sugar
2 large or 3 small eggs
2 cups flour

1 cup pecans or more if desired

Cream butter and half of brown sugar together. Add one egg and cream until fluffy. Gradually beat in flour. Spread evenly in jelly roll pan. Beat the remaining eggs slightly with fork and spread over mixture in pan. Sprinkle nuts evenly over the top, then do the same with the remaining sugar. Pat lightly until most of the brown sugar looks slightly moist. Bake at 350° F. for 15 to 20 minutes. Let cool before removing from pan. Spraying pan with non-stick product will make cookies easier to remove from pan.

PRALINE-BOTTOM PUMPKIN PIE

4 tablespoons butter or margarine
½ cup toasted, chopped pecans
½ cup packed brown sugar
1 9-inch baked pastry shell
1 2¼- to 4½-ounce package no-bake custard mix
½ cup granulated sugar
1 to 2 teaspoons pumpkin pie spice
½ cup milk
1 5¼-ounce can (¾ cup) evaporated milk
1 16-ounce can (2 cups) pumpkin

In small saucepan, melt butter or margarine. Stir in the ½ cup pecans and the brown sugar; cook and stir until mixture bubbles. Spread over bottom of baked pastry shell. Cool. In 2-quart saucepan, combine custard mix, granulated sugar and spice. Stir in milk, evaporated milk and pumpkin. Cook and stir until mixture bubbles. Cover and cool 10 minutes. Pour into pastry shell. Chill until firm. Garnish top with additional toasted pecans. May be served with whipped cream or topping if desired.

HEAVENLY HASH CANDY

1 12-ounce package semi-sweet chocolate morsels
1 14-ounce can sweetened condensed milk
2 cups chopped nuts
2 teaspoons vanilla extract
1 10½-ounce package miniature white marshmallows

In top of double boiler over boiling water, melt morsels with sweetened condensed milk. Remove from heat; stir in nuts and vanilla. Place marshmallows in large mixer bowl; fold in chocolate mixture. Drop from teaspoon onto waxed paper-lined baking sheet. Chill 2 hours or until firm. Store in tightly covered container. Makes about 64 candies.

FUNNEL CAKES

2 cups unsifted flour

¼ teaspoon salt

1 tablespoon sugar

1 teaspoon baking powder

2 eggs, slightly beaten

1 to 1¼ cups milk (batter should pour easily)

Maple syrup or molasses for serving

Preheat oven to lowest setting. Line 2 large baking sheets with paper towels; place in center of oven. Pour 1¼ to 2 inches vegetable oil into a heavy skillet. Heat oil to approximately 375° F., hot but not smoking. Combine flour, sugar, baking powder and salt; sift together into a deep bowl. Blend eggs with 1 cup milk; make a well in center of dry ingredients; stir until batter is smooth. To make the cakes, use a funnel with top ½" diameter. Keep spout closed as ¼ cup of batter is poured into the funnel. Dribble the batter into hot oil; move funnel in a circle to build a snail-like coil of 3 or 4 rings about 6 inches in diameter. Form 2 or 3 cakes; fry approximately 2 minutes on each side; turn once with a slotted spoon. When cakes are brown, arrange side by side on paper-lined pans; keep warm in oven. Repeat procedure 4 or 5 times, using ¼ cup batter for each batch. If batter becomes stiff, add up to ¼ cup more milk, 1 tablespoon at a time. Serve the cakes warm with molasses or maple syrup.

FRUIT MEDLEY

1 pound dried prunes

1½ cups dried apricots

1 can pineapple chunks, undrained

1 pound can pitted dark cherries, undrained

Peel of ¼ lemon, cut into thin strips

1 cup sugar

¼ teaspoon nutmeg

2 tablespoons cornstarch

¼ cup Cointreau (optional)

2 cups water

1 tablespoon honey

Put dried fruit into slow-cooking pot. Pour in water. Stir in sugar, honey, lemon peel and spices. Cover and cook on low heat for 2 to 3 hours. Turn control to high. Mix cornstarch in small amount of water; stir into fruit mixture. Cook on high for 10 minutes or until thickened. Add Cointreau. Serve warm or chilled. May be served as fruit compote or as topping for ice cream. Makes 6 to 8 servings.

REFRIGERATOR FRUIT CAKE

1 pound whole pecan halves

½ pound whole English walnuts

1 pound dates

¾ pound candied cherries

½ pound candied pineapple (sliced)

1 can coconut

2 packages vanilla wafers (7 ¼-ounce size)

1 can sweetened condensed milk

Heat milk until warm, then add crushed vanilla wafers. Put a pecan half into each date. Add fruit and nuts to milk mixture. Line loaf pan with wax paper and press into pan. Let set at least 1 week in refrigerator before serving. Serve in thin slices. May use other fruit. One cup candied pears added to this recipe makes the cake even more tasty.

PECAN AND DATE CREAM PIE

2 cups sugar

4 tablespoons flour

2 cups milk

4 eggs, beaten

¾ to 1 stick margarine

¾ cup pecans

1 cup dates, diced

1 teaspoon vanilla

Dash of salt

Baked pastry shell

Combine above ingredients in double boiler; cook until thickened. Pour into baked pie crust. Refrigerate. Garnish with whipped topping and whole pecan on top of each wedge. Note: A graham cracker crust may be used.

BUNUELOS

3 cups flour

¼ teaspoon salt

1 teaspoon sugar

1½ teaspoons shortening

¾ cup water

1 egg

Mixture of cinnamon and sugar

Sift together flour, salt and sugar in a small bowl. Cut in shortening. Stir in egg and add water by teaspoons as needed. Gather moistened flour mixture into a ball. Divide ball into small patties and roll out with a rolling pin to about 4 inches in diameter. Stretch out by hand about 6 inches round. Drop in skillet with 2½ cups of hot oil or shortening. Cook until golden brown. Remove and drain on paper towel. Sprinkle with cinnamon and sugar mixture.

CHOCOLATE FUDGE

2 cups sugar

¼ cup milk

2 squares bitter chocolate or 6 tablespoons cocoa

2 tablespoons white corn syrup

¼ teaspoon salt

2 tablespoons butter or margarine

1 teaspoon vanilla

1 cup pecans

Mix sugar, cut-up chocolate or cocoa and corn syrup; cook without stirring until a soft ball is formed in cold water, 234° F. Remove from heat and add butter or margarine and vanilla. Do not stir until the mixture is cool. Beat until creamy and add nuts. Pour into buttered pan and cut in squares.

PEANUT BUTTER FUDGE

1 cup peanut butter

1 cup corn syrup

1¼ cups non-fat milk, solids

1¼ cups confectioners sugar

Mix and stir until well blended; then knead.

Form into balls. Roll in confectioners sugar.

May be garnished with nuts or chocolate chips.

MISSISSIPPI MUD CAKE

2 sticks butter or margarine

½ cup cocoa

2 cups sugar

1½ cups all-purpose flour

1 teaspoon vanilla

4 eggs, slightly beaten

Pinch of salt

1½ cups chopped nuts

1 recipe Chocolate Frosting

Miniature marshmallows
Melt butter and cocoa over medium heat. Remove. Stir in sugar and eggs. Mix well. Add flour, salt, nuts and vanilla, stirring well. Turn into greased and floured 13"x9"x2" pan. Bake at 350° F. for 30 to 40 minutes, testing at the end of 30 minutes. As soon as cake is taken from the oven, sprinkle top with miniature marshmallows and spread with Chocolate Frosting.

Chocolate Frosting

1 pound confectioners sugar

½ stick soft butter or margarine

½ cup milk

½ cup cocoa

Mix ingredients together until smooth.

COCONUT-MACADAMIA NUT BARS**Pastry Base**

½ cup butter or margarine

½ cup brown sugar

1 egg

1¼ cups sifted flour

¼ teaspoon salt

Make pastry base by creaming butter; add sugar slowly. With constant beating add egg; continue beating until light and fluffy. Add flour, salt to butter-sugar mixture; blend well. Pat dough onto the bottom of a 9"x12" pan. Bake at 350° F. for 15 minutes. Cool.

Filling

2 eggs

1 cup brown sugar

1 teaspoon vanilla

2 tablespoons flour

¼ teaspoon salt

½ teaspoon baking powder

1½ cups shredded coconut

1 cup chopped unsalted macadamia nuts

Combine ingredients for the filling; mix well.

Pour over cooled pastry base. Bake at 350° F. for 20 minutes. Cool.

Frosting

1½ cups powdered sugar

2 tablespoons pineapple juice

1 tablespoon lemon juice

Spread with frosting made by blending powdered sugar with pineapple-lemon juice; add liquid gradually until icing is spreading consistency. Cut into 1"x2" bars. Makes about 24 bars.

SPANISH FLAN

1 cup sugar

6 eggs, well beaten

1 can sweetened condensed milk

2 cups water

1 teaspoon almond extract

Whipped cream, optional

Place sugar in large heavy skillet; caramelize by cooking over medium heat, stirring constantly with wooden spoon until sugar melts and turns golden brown. Pour and spread quickly on bottom and sides of ungreased 10"x6" baking dish. Cool while preparing filling. In large bowl, combine eggs, sweetened condensed milk, water and extract. Pour into caramel-coated dish. Place in large, shallow baking pan; place on oven rack and fill second pan with 1 inch of hot water. Bake 1 hour at 325° F. or until knife inserted one-half inch from center comes out clean. Cool 2 hours. Loosen edges with spatula; carefully turn onto serving platter. Refrigerate until serving time. If desired, top with whipped cream before serving. Refrigerate any leftovers.

CARAMEL BARS

1¼ cups flour

1 cup quick oatmeal, uncooked

¾ cup light brown sugar, firmly packed

½ teaspoon soda

¼ teaspoon salt

¾ cup margarine, melted

1 jar (12.25-ounce) caramel topping

1 package (6-ounce) semi-sweet chocolate pieces

½ cup walnuts or pecans, chopped

Combine 1 cup flour, oatmeal, brown sugar, soda and salt. Mix well, pat into an ungreased 13"x9" baking pan. Bake 10 minutes. Meanwhile stir caramel topping and remaining 4 tablespoons flour until well mixed. Remove pan from oven. Sprinkle on chocolate pieces and nuts. Drizzle on caramel mixture. Return pan to oven and continue baking 20 to 25 minutes until browned. Cool before cutting. Makes 36 bars.

PASTEL FUDGE

1½ pounds white chocolate

1 14-ounce can sweetened condensed milk

Dash salt

1½ teaspoon peppermint or almond extract

½ cup chopped nuts, optional

A few drops red or green food coloring, optional

In top of double boiler, melt chocolate over boiling water, stirring occasionally. Remove from heat; stir in sweetened condensed milk, salt, extract (if desired), nuts and food coloring. Spread mixture evenly in waxed paper-lined 8"x8" baking pan. Chill 2 hours or until firm. Turn fudge onto cutting board; peel off paper and cut into squares. Store in tightly covered container. Makes about 2 pounds.

Holiday Customs And Traditions

Holiday time is a favorite time everywhere and a great time for girls and boys to learn about the traditions of their own families and of people around the world. To help kids appreciate the customs and traditions of various cultures Camp Fire, the national youth agency, has a project called "Many Cultures Make Up Our World."

According to Debra Connor, project director, environment is one factor that influences how people celebrate holidays. Take Santa Claus, for example. In Syria, a hot Mediterranean country, a man in a fur suit riding in a sled pulled by reindeer would seem out of place. So instead of Santa, Syrian children look for their presents to be delivered by the Youngest Camel, an animal that is familiar to them.

In Brazil, where Christmas falls in the middle of the summer, Papa Noel comes in through the window because the chimneys, if there are any, are too small. For the New Year, Japanese families decorate their houses with bamboo, evergreen and straw rope, all common items in Japan. The decorations symbolize long life and strong ties.

Many holidays had their beginnings as a way to celebrate the changing of the seasons, says Ms. Connor. For example, Chanukah and Christmas are celebrated near the winter solstice, the shortest day of the year. Passover and Easter fall near the spring equinox, when day and night are equal in length.

Here are some activities that are fun for kids and adults and can help give

In Syria, presents are delivered not by Santa Claus, but by the Youngest Camel.

families a feeling of togetherness during the holiday season.

Holiday Recipe Book

Get together with family members or friends and have everyone bring recipes for special foods eaten only during the holidays. Draw pictures of people making the food or eating it. Write stories about how the food is prepared or why it is served only during the holidays. Put the recipes, stories and pictures together in a notebook or on a set of recipe cards punched and tied together with string. Make an extra copy of the cookbook and give it as a gift.

Bring Back an Old Tradition

Get boys and girls together with grandparents or other older members of the family to talk about how holidays were celebrated in the "old days." Discuss what has stayed the same, what has changed and why. Choose a tradition from the past and make it

a part of this year's holiday celebration.

Explore Traditions of Other Cultures

Look in cookbooks for cookie recipes from around the world and bake an assortment of holiday cookies from different countries. Look in craft books or magazines for ideas on making holiday decorations from other cultures.

Camp Fire's Many Cultures project is made possible by a grant from NEH Youth Projects of the National Endowment for the Humanities, a federal agency established by Congress to promote research, education and public activity in the humanities.

For a free list of books about holiday customs and traditions, send a stamped, self-addressed envelope to "Holidays," Communications Department, Camp Fire, Inc., 4601 Madison Ave., Kansas City, MO 64112.

'Do Ahead' Cookies Make The Holidays More Fun

The key words to a more enjoyable holiday season are "do ahead." This applies to the holiday baking, too, because many cookies and cakes can be made well in advance of the big holiday rush, then frozen. This year, when "doing ahead," add some delicious new recipes to your traditional family favorites. Fudge Nut Layer Bars, Sparkle Cut-Out Cookies and Fruit 'N Nut Drops have the rich flavor of Philadelphia Brand cream cheese, making them stand out from the rest of the goodies on the cookie tray. All freeze well, so they can be kept on hand for the inevitable last-minute guests as well as for emergency gifts.

To make these cookies ahead, prepare them according to recipe directions, wrap securely and freeze. When ready to serve, thaw the cookies unwrapped at room temperature for approximately two hours.

Fudge Nut Layer Bars

- 1/2 cup Parkay margarine
 - 1-1/2 cups sugar
 - 2 eggs
 - 1/2 teaspoon vanilla
 - 3 cups flour
 - 1 teaspoon baking powder
 - 1/2 teaspoon salt
 - 1 12-oz. pkg. semi-sweet chocolate pieces
 - 1 8-oz. pkg. Philadelphia Brand cream cheese, cubed
 - 2/3 cup (5-1/3 fl. oz. can) evaporated milk
 - 1 cup chopped walnuts
- Beat margarine and sugar until light and fluffy. Blend in eggs and vanilla. Combine flour, baking powder and salt; mix well. Press half of mixture onto bottom of 13 x 9-inch baking pan. Combine chocolate pieces, cream cheese and evaporated milk; stir over low heat until smooth. Spread over crust. Sprinkle with remaining walnuts; press down gently. Bake at 375°, 30 minutes or until crust is lightly browned. Cool; cut into bars.

Sparkle Cut-Out Cookies

- 1 8-oz. pkg. Philadelphia Brand cream cheese
 - 1 cup Parkay margarine
 - 2/3 cup sugar
 - 1/2 teaspoon vanilla
 - 2-1/4 cups flour
 - Dash of salt
 - Colored sugar
- Combine softened cream cheese, margarine, sugar and vanilla, mixing until well blended. Add flour and salt; mix well. Chill. On lightly floured surface, roll out dough to 1/8-inch thickness; cut with assorted 3-inch cookie cutters. Place on ungreased cookie sheet. Decorate with colored sugar or decorative candies, if desired. Bake at 375°, 8 to 10 minutes or until edges just start to brown. Approximately 2-1/2 dozen. Note: Due to variation in ovens, watch carefully.

Fruit 'N Nut Drops

- 1 8-oz. pkg. Philadelphia Brand cream cheese
 - 1 cup Parkay margarine
 - 1 cup packed brown sugar
 - 1 egg
 - 2 cups flour
 - 1/2 teaspoon baking soda
 - 1/2 teaspoon salt
 - 1 cup chopped dates
 - 3/4 cup chopped walnuts
 - 1/2 cup candied cherry halves
 - Walnut halves
- Combine softened cream cheese, margarine and sugar, mixing until well blended. Blend in egg. Add combined dry ingredients; mix well. Stir in dates, nuts and cherries. Drop rounded tablespoonfuls of dough onto greased cookie sheet; top with nut halves. Bake at 375°, 9 to 11 minutes or until edges are lightly browned. 4 dozen.

dynamite HINTS FOR homemakers

Christmas With All The Trimmings

If the commercial Christmas grinch has made you wish that this holiday season almost wasn't, you may need a fresh injection of decorating ideas to update the standard perennial favorites.

With a variety of household ingredients, Rit Dye and a touch of ingenuity, you can add a gust of fresh holiday spirit and years of future use to the traditional wreath. Surprise friends or infuse sparkling seasonal charm into your own home with these lovingly hand-crafted variations.

Try your hand at crafting the homespun wreaths pictured using a hot concentrated dye solution with your choice of colorful Rit Dyes (combine 1/2 cup liquid dye in two quarts hot water or one package powder dye dissolved first in one pint hot water).

For natural colonial charm, dye seven packages of cornhusks varying shades of Chestnut Brown and Orange. Cut into leaf shapes while still wet, wrap thread around the ends of every four leaves and secure at one-inch intervals to a styrofoam base with straight pins. Tuck in dried flowers dyed a contrasting shade of Plum and complete with a gold cornhusk angel or a golden pinecone spray.

Deck an ordinary hall with a brilliant splash of Christmas color. Dye unfinished rope Scarlet and braid into 12 pieces of equal length.

Bend each braid into a half-heart shape and tie both ends of the two pieces together with thin wire to form wreath. Center the wreath with a spray of fresh evergreens and top with a wide satin bow dyed to match the rope.

To capture simple country elegance, pack straw tightly and secure with white thread to a circular wire frame. Dye the entire wreath a deep shade of Forest Green. When dry, add accents with a large felt bow and a cluster of gold-tinted Christmas tree balls.

Create your own old-fashioned sugarplum fairytale by wrapping a circular straw wreath with green floral tape and thickly inserting dried flowers that have been Rit-dyed Golden Yellow, Orchid and Fuschia. Alternate with sprigs of baby's breath and trim outer edge with layers of delicate lace tinted an old-fashioned Ecru. Top your wreath off with silk flowers and a bow of matching lace to make visions of loveliness dance throughout your holiday season.

For more craft and gift ideas, write to RIT/2DH4, P.O. Box 307, Coventry, CT 06238.

Holiday Popcorn Balls Are Edible Ornaments!

In every family, certain holiday traditions are lovingly nurtured — and one of the nicest is trimming the tree with popcorn balls. You can perpetuate (or begin!) this custom with maple-sweet Holiday Popcorn Balls.

Best of all, these holiday treats are more than beautifully ornamental. They are deliciously edible — combining popcorn, peanuts and raisins. Maple flavored table syrup is the tie that binds all the ingredients together.

Just cook maple flavored table syrup and brown sugar to make the candy coating. Stir in butter and pour it over the popcorn mixture. When it's cool enough to handle, "butter up" your hands and shape the mixture into balls. When Santa's little helpers join in the shaping, it becomes a family affair.

Securely wrapped in plastic and decorated with brightly colored ribbon, the popcorn balls become festive ornaments. And they'll stay fresh for days... if they last that long!

Holiday Popcorn Balls

- 8 cups popped corn (remove unpopped kernels)
- 1/2 cup chopped peanuts
- 1/2 cup raisins
- 3/4 cup maple flavored table syrup
- 1/4 cup firmly packed brown sugar
- 1/4 cup butter or margarine

In large bowl, combine popped corn, peanuts and raisins. In heavy small saucepan, combine syrup and sugar. Bring to a boil over medium-high heat, stirring constantly. Continue cooking over medium heat until mixture reaches hard ball stage (260°F.) or until small amount of mixture dropped into very cold water forms a hard, but pliable, ball. Remove from heat, immediately stir in butter, mixing just until melted. Immediately pour syrup mixture over popped corn mixture, mixing until well coated; let stand 10 minutes. Butter palms of hands. Using about 1 cup mixture for each, shape to form 8 balls. Place on wax paper; cool thoroughly. Wrap securely in plastic wrap. Makes 8 popcorn balls.

Note: To make tree ornaments, tie plastic-wrapped popcorn balls with thread or cord, forming loops at top for hanging. Decorate with ribbon.

Lefse -- A Holiday Treat From The Land Of The Fjords

Holidays are rich in tradition, with each nationality having its own special way of celebrating. Here in America, the lovely traditions of many nations have blended together.

That jolly old man Santa Claus was given his name by early Dutch settlers in New York who called him Saint Nicholas Sinterklaas. The legend that he entered the house through the chimney is attributable to an old Norse tale.

The Germans are credited as the first people to have decorated the evergreen tree. The delightful custom of kissing under the mistletoe is thought to have originated from a Scandinavian belief that mistletoe was a plant of peace.

Besides these lovely traditions associated with the holidays, each nationality has its own delicious foods of the season. One food popular with Americans of Norwegian descent is lefse. This flat pancake made with mashed potatoes is served either as a treat or with a meal.

For timesaving convenience so appreciated during the busy holiday season, begin this lefse with instant mashed potatoes. They spread with butter and sprinkle with cinnamon-sugar. It's so good, it might start a new tradition in your house.

Lefse

Prepare Potato Buds® instant mashed potatoes as directed on package for 4 servings. Cover and refrigerate until chilled, at least 2 hours.

Turn potatoes onto floured surface; sprinkle with 1 cup all-purpose flour. Knead in flour until smooth (dough will be soft). Divide dough into 8 equal parts; shape each part into ball. Roll each ball into 8-inch circle with floured stockinet-covered rolling pin. (Sprinkle surface and rolling pin with additional flour if necessary.)

Heat ungreased griddle over medium heat until hot, or heat electric skillet or griddle to 400°. Roll circle of dough around rolling pin; unroll onto griddle. Cook about 2 minutes on each side. (Bubbles will form and become brown.) Lefse should be slightly limp, not crisp. Repeat with remaining circles of dough. Spread each with margarine or butter and sprinkle with mixture of cinnamon and sugar if desired. Roll up or fold. 8 lefse.

High Altitude Directions (3500 to 6500 feet): No adjustments are necessary.

Year Of The Eagle

Migisawa, an American bald eagle, is touring the U.S. as part of a National Wildlife Federation program to focus attention on the plight of the country's national symbol, now an endangered species in most states. During the tour, Migisawa is under the care of naturalist Roy Geiger (above). The special educational program is being funded by a grant from Exxon Company, U.S.A.

Where Toy Ideas Come From

Glamour Gals Cruise Ship (left) and Hot Iron Cannon Playset (right)

Toys such as STAR WARS, Strawberry Shortcake, and Glamour Gals don't just happen. The companies begin developing a concept more than two years prior to production.

The ideas come from three unique sources. First is the company's own design staff, second is licensed property of all time, and third is professional inventors.

Staff designers begin by examining the current best selling toys and more importantly, projecting what children will be playing with two years from now. Glamour Gals, mini-fashion dolls from Kenner, is an example of an invention from a company's design staff. There are 42 dolls each with its own outfit. The dolls are 4" tall with long rooted hair, and all are articulated at the shoulders, hips and knees. Each doll cost about as much as an outfit for a larger doll.

Children can have fun collecting and playing with the Glamour Gals in the new Ocean Queen Cruise Ship. The ship is a 3' foot long, triple-decked luxury liner with seven beautifully decorated cabins, a heart-shaped pool, and a lever-operated elevator. The furniture is also included.

The second source for ideas is licensed properties. This has become one of the most important elements in the toy industry. Here, toys are created from movies, television shows, and greeting cards. STAR WARS is the most successful licensed property of all time. George Lucas has been called "one of the greatest toy inventors ever." Everything in the two STAR WARS movies has qualities a toy should have—fun, imagination and play value.

Staff designers face quite a challenge with a toy line like STAR WARS. They have to take

a setting from the movie and develop a toy they think will keep a child's interest. The toy has to be fun. It has to have a certain quality that will make the child want to play with it more than a couple of times. Designers try to imagine themselves as children and adults. Not only do they have to give the toy qualities to interest a child, they also have to make the toy safe and priced right to interest the parents.

This past year, Kenner Products accomplished this by creating a new world of STAR WARS in a miniature size. These play environments come complete with miniature diecast figures. There are 11 play environments, each has its own figures and can be attached to other playsets for added play value. This also adds to the collecting aspect of the toy.

Toy creations from outside professional inventing organizations also play an important role in toy design. These organizations are staffed with professional inventors who create toy ideas and sell them to various toy companies. The individual company designers then develop the idea into toys.

At one time, major toy manufacturers evaluated ideas from the general public, but not any more. Because of the complexity of the industry and the poor acceptance record with individual ideas, most companies work exclusively with the professional agencies and will refuse to even discuss an idea or concept with a private individual.

A professional designers job is a challenge, whether he invents the toy, takes a concept from a licensed property, or from a professional agency. However, all successful toys have three qualities in common—imagination, play value, and most of all fun!

U.S. POSTAGE RATES A BARGAIN COMPARED TO OTHER COUNTRIES

The United States still provides the cheapest domestic mail service in the industrial free world.

According to a recent study published by Pitney Bowes Inc., a leading supplier of business equipment and mailing systems, rates for letter postage range from the equivalent of 22 cents in Switzerland to 30 cents in Sweden, compared with 20 cents in the United States.

The Pitney Bowes report also notes that while the cost of a first-class stamp increased 33 percent to 20 cents in the three and one-half years between the price hikes of May 1978 and November 1981, this figure was less than the 45 percent increase in the consumer price index.

This advice comes from the Texas Department of Agriculture (TDA) and the Structural Pest Control Board. This state board is composed of representatives from the pest control industry, the public, TDA, the Department of Health, and the head of the entomology department at Texas A&M University.

Test results reported by the Environmental Protection Agency, the U. S. Fish and Wildlife Service, the Department of Defense Pest Control Division, and Texas A&M University indicate that the

Consumers warned about electronic pest controls

AUSTIN—Consumer interested in purchasing ultrasonic or electronic pest control devices should first check on the success rate of such devices, Agriculture Commissioner Reagan V. Brown recently reported.

This advice comes from the Texas Department of Agriculture (TDA) and the Structural Pest Control Board. This state board is composed of representatives from the pest control industry, the public, TDA, the Department of Health, and the head of the entomology department at Texas A&M University.

Test results reported by the Environmental Protection Agency, the U. S. Fish and Wildlife Service, the Department of Defense Pest Control Division, and Texas A&M University indicate that the

electronic devices tested are not as effective as advertisements have stated.

Such devices are not required to be registered in Texas as are chemical pesticides. There is consideration of an amendment to the state's pesticide laws to require registration of devices so that efficacy and safety data can be reviewed and approved before the product hits the market.

George E. of San Antonio, chairman of the Structural Pest Control Board, said, "We are certainly not condemning this concept of pest control, but we feel obligated to advise the public to beware of buying any pest control product or service solely on the basis of testimonials that may be included in ads."

A Child's Holiday Gift -- That Keeps On Giving

As you carefully wrap each gift this holiday season, do you think about which ones the kids will break — or outgrow — in a few weeks?

A lasting gift for a child, one that could grow in value, might be a better choice. In fact, there's an easy way for you to help a child get a better financial headstart in the future — and help you save taxes at the same time.

If this appeals to you, find out about the "gifts to minors" laws in your state. People often don't know about them. But they're one type of tax shelter you may be able to afford. And the whole procedure isn't complicated.

You can invest for children in several ways. Basically, the choices include mutual funds with all types of investment objectives, stocks and bonds or a savings account. The investment is registered in their name. When they come of age (either 18 or 21, depending upon the state), they will get the funds you've invested over the years. They can use the money in any way they want to. This money can be spent on higher education. Or as a down payment on a house. Or even to start a business. It's their own nestegg.

If you take advantage of these laws, your gift can help you save on taxes. How? Since the child "owns" the investment, any income it earns, such as dividends, capital gains or interest, is really income to the child. But the child's tax rate is probably much smaller than yours, perhaps even zero. This will lower your taxes — especially if you've been putting money away for the child in your

own name, collecting interest on it and paying taxes on that income.

You can give up to \$10,000 yearly to anyone without paying a gift tax. A husband and wife together can give \$20,000 every year to any one person. And you can make these gifts to as many people as you like.

Of course, this all sounds pretty expensive. But you can invest for a child with much smaller amounts. In fact, with a mutual fund, the first investment could be as little as \$250, even less. And you can add to that mutual fund investment in small sums too — say \$25 or \$50 at a time, maybe on the child's birthday. The fund's managers pool the money of many investors and pick a range of money market instruments, stocks or bonds. So these professionals save you the worry of choosing an investment. And the fund handles all the paperwork.

Parents, aunts, uncles, grandparents — in fact, any adult — can invest for children under these gifts to minors laws.

Questions? Talk to almost any financial adviser, including a stockbroker or mutual fund representative. They'll tell you how to set up this type of gift and inform you of any other requirements. They can also tell you about the benefits of different investments.

If you'd like to read about gifts to minors laws and mutual funds, first try a booklet called "Invest Today For a Child's Tomorrow." It's free from the Investment Company Institute, 1775 K Street, N.W., Washington, D.C. 20006.
