'Hall of Fame' set BEFORE Tech game Saturday

GARLAND HEAD

At the Texas Tech - Southern Methodist U. football game, Saturday, Garland Head, former Spearman athletic coach, successful Hansford County farmer and county commissioner will be inducted into the Red Raider Hall of Fame, but . . . There has been one change. Ceremonies will be at approximately 1:30 p.m. just before the start of the Red Raider-Mustang gridiron classic. They were originally scheduled for half-time.

Besides an illustrious career as a Red Raider both on the basketball court and the gridiron, Garland Head went on to build a distinguished coaching career at both Spearman and Dumas before dedicating his total energies to agriculture. He graduated from Clovis,

N.M. high school where he was an all-state player both in football and basketball.

He went to Texas Technological University ("Tech") on a football scholarship.

"There were no basketball scholarships in those days," Head explained. "Football helped finance our education but we played basketball, too. Sometimes, I felt I was really a 'quick-change' artist."

Garland was referring to the times players would come in from a basketball tour with just enough time to change into football uniforms and catch a train.

"One time, we went from a basketball series at the extreme eastern edge of the old Border Conference directly to the football field at El Paso where our football gear was already wait-

ing for us," Head recounted.

In spite of the fact he was on a football scholarship, Head was named to the Border Conference all-conference basketball team three seasons and during the 1942-43 season, was voted the most valuable basketball player!

At six-foot-two, Head was a natural for basketball, starting at guard. As an all-around athlete his size and physical agility made him a tireless center and linebacker on the football varsity three years.

Head had his education and his athletic career side-tracked by World War II. --But he did return to finish, then, went into the field of high school athletics as a coach.

At Spearman he was both football and basketball mentor. It is argued that, during his coaching tenure at Spearman, the first stadium was constructed.

However, it is possible that the most impressive record he racked up in coaching before he went into farming was at

Dumas. There he was the assistant football coach and the head basketball coach.

With Coach Head at the helm during the 1952-53 season, the Demon boys basketball squad posted a 25-5 record for the regular season and reached the state championship play-off game. The Demons downed Phillips for the District 1-AA crown. In the regional tourney, Dumas won three games, defeating Stamford, Childress and Hereford.

In the state tournament at Austin, Dumas defeated San Marcos in a 48-45 "squeaker" then lost to Bowie in the final tilt by 40 points.

Listing of the roster of that 1952-53 team sounds like a current roll call of success. Notable among the "survivors" is P.D. Fletcher who has coached the Dumas High School girls basketball squad the past seven seasons.

Fletcher was also a unanimous choice for the all-state team following the 1952-53 championship play.

Head's overall coaching record was 110-48 -- a winning ratio of 69.6 percent.

In the 1956-57 season, Dumas just missed a perch in the playoffs! The Demons beat Phillips -- all now in 1-AAA competition -- in double overtime . . . only to lose to Levelland 56-43.

In the final game of the season -- and Head's final game of his coaching career, he piloted the Dumas Demons to a 58-56 victory over Hereford.

"I sure did hate to quit coaching!" Head said. "But, I had a good opportunity to go into agriculture."

He has made good on that opportunity.

Asked for the secret of his success in a word -- or two -- Head placed it where he always, season after season, placed the credit for his successes:

"--The kids were enthusiastic! They did everything I asked them to do. They really gave me all they could."

"They made it very hard for me to quit coaching!"

Veteran's Day

A Veteran's Day program will be held Nov. 11 at 10 a.m. in the high school gym.

County Extension Homemakers are sponsoring the program. There will be patriotic music by the high school choir and band, and the junior high band, high school band.

Ed Garner, executive at Baker & Taylor and city councilman will be the speaker for the program. Ed was a prisoner of war in World War II.

Everyone is urged to come out and honor the veteran's of our wars Thursday.

open house

Dr. Douglas W. Steger will be having open house at his new office building Sunday, Nov. 14 from 2 to 4 p.m.

The new facility is located at 710 S. Roland.

Everyone is invited to come and visit during the open house Sunday.

There is a change . . .

It was a busy session at the Palo Duro River authority in Spearman, Tuesday morning. The authority had their regular meeting, and several out of town men attended the meeting. Pictured, standing left to right; Pete Tart, Bob Davis, Bill Lowe, Jim Nichols, Bill Carpenter, Gary Reeves and R. E. Boykin. All of these men discussed the financing and build-

ing of the Palo Duro River Dam, North of Spearman. Boykin was their pilot. The meeting was very optimistic, and construction on the new dam for Hansford County and area towns should begin in the near future. The local Palo Duro authority members are seated; Judge Lee, Mr. Stedje, Mr. Novak, and Mr. Evans.

Hansford goes Republican County vote canvassed

Newly elected county commissioner precinct 4, Val Winger, second from the left, is shown with other commissioners, B.J. Renner, Joe T. Venneman, and longtime commissioner Buddy Lowe,

who did not seek re-election. Seated are Weldon Greene, county auditor, Roy Lee McClellan, county judge, and commissioner, Garland Head. Winger will assume his duties Jan. 2, 1983.

772. Collins bested Bentsen here 943 to 751.

Richards rose above Bullock 905 to 762 and local state legislative candidate Chalmers Porter pressed past Buchanan 1,082 to 615.

The lone reversal of a Republican pattern was Hightower over Slover, 1,009 to 693. Unfortunately for the appar-

ent majority consensus in the county, the rest of the state did not go that route.

Commissioner-elect Val Winger, certified a winner in the contest to replace the retiring Buddy Lowe, will be sworn in at an upcoming meeting of the commissioners court.

Canvass of the "mid-term" election votes for Hansford County was the main point on the agenda of the regular county commissioners court session, Monday.

There were a few items to qualify and the regular routine transaction plus the introduction of commissioner-elect Val Winger -- a product of the ballots to be canvassed.

With the exception of the Hightower-Slover campaign, Hansford County went solidly Republican as well as ratifying all the constitutional propositions before voters.

Governor Clements carried all voter precincts over Mark White, the challenger, 1,122 to 595.

Strake over Hobby in Hansford was a tighter race: 888 to

Clara Jackson services held

Services were held at 2 p.m. Tuesday, Nov. 9 in the First Baptist Church here for Clara May Jackson, 88, who died Sunday. The Rev. Bruce Chesler, pastor, officiated. Burial was in Holt Cemetery by Boxwell Brothers Funeral Home.

Mrs. Jackson was born in Jennings, La. She moved to Spearman in 1923 from Greer County, Okla. She married Dan Jackson in 1917 in Greer County. He died in 1981.

She was a member of the First Baptist Church.

Survivors include four daughters, Loree Harbour of Spearman, Nell Leverton of Odessa, Ada Rose Phelps of Forgan, Okla. and Ruth Chisum of Stinnett; a son, Doyle Jackson of Spearman; a brother, Floyd Stephen of San Diego, Calif.; a sister, Jerlene Hammond of Mangum, Okla.; 13 grandchildren and 23 great-grandchildren.

The family requests memorials be made to Holt Cemetery Fund or favorite charities.

Union Church Thanksgiving Dinner

The Union Church's Annual Thanksgiving Dinner is all set for November 18th. People really enjoy and look forward to this every year because they know how good it is.

This year's menu will include: Turkey, Dressing, Gravy, Creamed Potatoes, Sweet Potatoes, Green Beans, Waldorf Salad, Jello Salads, Rolls, Chery, Apple, Pumpkin & Pecan Pies, Cranberry Sauce, Tea & Coffee.

All of that for \$5.00 and you even get to fill your own plate. (Children under 6 are FREE).

This is a tradition the Union Church has had for more than 30 years. The proceeds of this dinner go to support various Missionary Projects and Missionaries. One such project is the adoption of a Missionary Family for one year. They send them money on each family members' Birthday, their Anniversary and for the entire family at Christmas.

They will begin serving at 11:30 and will stop at 1:30. They are baking 14 Turkeys this year and have increased all the amounts of food they fix, so there should be plenty for everyone. (If not, your money will be cheerfully refunded.)

Make it a point to be at the Union Church for Lunch, Thursday, November 18th. Let the Annual Thanksgiving Dinner become a tradition for you, too!!

Police Report

OFFENSE REPORTS

On Monday, November 1, 1982, at approximately 5:30 p.m., a Spearman resident was arrested on a warrant from Hansford County Sheriff's Office. The subject was initially stopped on a routine traffic violation and it was discovered through use of the teletype system that the individual was wanted by the Sheriff's Office. The subject was transported to the Hansford County Jail and turned over to authorities there.

On Tuesday, November 2, 1982, at approximately 9:30 a.m., it was reported that unknown person(s) had broken three (3) window panes in the front door of the Planned Parenthood Office. One piece of glass had been struck by a small object, possibly a B-B or pellet. The other two pieces were cracked with no indication of cause. Investigation is pending at this time.

On Tuesday, November 2, 1982, a Spearman resident reported that a gas meter in the alley for 303 N. Bernice had been hit and was leaking. The meter had been off for approximately three (3) weeks and the damage could have occurred at any time during the three (3) weeks.

On Friday, November 5, 1982, a Spearman resident reported the back yard of her residence had been damaged by a vehicle driving through it. An officer was dispatched to investigate and observe the damage. According to the officer, the yard had tire tracks damaging it and an underground sprinkler had also been damaged. The officer also interviewed one of two witnesses concerning the vehicle they had seen committing the offense and leaving the scene. Investigation is continuing at this time.

On Saturday, November 6, 1982, a Spearman resident was stopped for traffic violations and subsequently arrested. The subject was processed and arraigned before Judge Paul Jones. After pleading guilty, the subject was incarcerated until his fines were paid.

On Sunday, November 7, 1982, a Spearman resident reported that a white pick-up truck had driven over the curb and into the front yard of the residence. The vehicle was occupied by three (3) or four (4) individuals. The driver got out of the vehicle after stopping and

then returned to the vehicle and drove off. The vehicle is possibly a late model Ford with West Coast mirrors. The investigation is continuing at this time.

ACCIDENTS

There have been two accidents for this reporting period (11-01-82 through 11-02-82.)

On November 3, 1982, it was reported that a parked vehicle had been hit by another vehicle in the parking lot of the Home Demonstration Building. The accident was investigated. No citations were issued and there were no injuries.

On November 5, 1982, we received a call that there had been an accident at 100 NW Court (in front of the Court House) involving two vehicles. An officer was dispatched to investigate. No injuries occurred. One citation was issued for failure to yield right of way.

Workshop & Contest Set

Area students are invited to participate in the Second Annual Junior High and High School Writing Workshop and Contest sponsored by Texas Press Women, District 15 from 8 a.m. to noon on Nov. 13 in the Ordway Auditorium at Amarillo College.

Workshops will be conducted by experts in the areas of news writing, feature writing, headline writing and page layout. Students will be able to participate in two workshops or one workshop and a tour of the Amarillo College radio and television studio.

Competition will be held for both junior high and high school students in news writing, headline writing and feature writing. Students may enter one contest each with first and second place certificates to be awarded.

To conclude the half-day event, participants will hear a short presentation and be able direct questions to a panel consisting of experts in radio and television news, photography, advertising and public relations.

A \$3 registration fee will be collected at the door.

McWhirter Is Swisher County Counselor

Lloyd McWhirter assumed duties as the Swisher County Substance Abuse Counselor October 1. Until recently, he has been farming with his father in Spearman and conducting a part-time private practice in counseling in the Hansford County area.

McWhirter graduated from Georgia State University with a Masters of Education in Counseling and Guidance in 1975. In 1975, he helped form the Georgia Council of Alcoholism

and Addiction Professionals. In 1976, he was one of the charter organizers of the National Association of Addiction Counselors.

In the early Seventies, Lloyd worked in various capacities as a counselor, hospital based coordinator of inter-disciplinary intervention teams, and personal counselor. He has a background in family education and public seminars and clinics in family intervention techniques. He graduated from Spearman

High School in 1966, received his B.A. in religion and psychology from McMurry in 1970 and attended the Chandler School of Theology at Emory University prior to enrolling in Georgia State.

Education isn't to be confused with going to college--not these days.

Balanced judgment is the difference between wisdom and foolishness.

This is the time to mail Christmas cards, letters and parcels.

The amazing thing about man's intelligence is his failure to use what he has.

Real education is not to be confused with a degree from an institution of learning.

If you learn one thing every day, you will know 365 new things by the end of a year.

The more we read the less we know; the less we think we know, the more educated we become.

No matter how much money some men make, they always want to make more.

Rehab '82 offers economic opportunities

Old buildings are providing new investment opportunities across Texas as a result of tax incentives in the Economic Recovery Tax Act of 1981. To demonstrate how rehabilitation projects can qualify for as much as 25% tax credit, the Texas Historical Commission and Texas Society of Architects have scheduled a conference series, **REHAB '82: New Economic Opportunities**, focusing on the rehabilitating and adaptive use of older commercial buildings.

REHAB '82 will bring together nationally known experts in the restoration field to present case studies and discussions on project development, certifiable rehabilitation techniques, tax incentives, codes, project management, and maintenance. Speakers will be Maximilian Ferro, The Preservation Partnership, New Bedford, MA; Richard J. Rodewig, attorney and independent real estate consultant, Chigaco, IL; Kenneth Gifford, developer, Charleston, SC; and Paul Snyder, contractor, Austin, TX.

November 9-Hilton Inn, Amarillo
November 10-Plaza of the Americas, Dallas
November 11-Marriott Hotel, San Antonio
November 12-Shamrock Hilton, Houston.

The conferences will run from 9 a.m. to 5:30 p.m., and late registrations will be accepted at the door. For complete program information contact the Texas Historical Commission, P.O. Box 12276, Austin, TX 78711, 512/475-3094.

Thanksgiving is almost here and Christmas just around the corner. Here are a few suggestions that may make your preparations for the turkey dinner a little easier.

Write out your menu. List separately all the foodstuffs needed to prepare it. Check your supply of staples--flour, sugar, vegetables, shortening, spices, seasoning, etc.

Buy a hen turkey if you want one of 8 to 15 lbs. Tom turkeys are better for an 18 to 25 lb. bird. Allow 1/4 lb. of full-drawn turkey (minus head, feet or organs) per person.

If you buy a frozen turkey thaw with care. Two to four days in refrigerator, or six to

Our Heritage of Faith

Most commonly we speak of Jesus as Savior and Lord. The writer of Hebrews, in his endeavor to reach Hebrew people with the gospel of Jesus Christ, speaks of Jesus as a High Priest—permanent, holy, blameless, unstained, separated from sinners and exalted. The sermon theme is: Jesus the permanent High Priest. --Hebrews 7:23-8. Sunday school is at 9:45 a.m., and worship with holy communion is at 10:45 a.m. The evening study of the book of Luke is at 6:30 o'clock. A hearty welcome awaits each worshiper. Worship is not optional.

Refinished Project Completed

The Spearman High School has a few students in the class, "Home Furnishing Class". Susan Daniel is the teacher. The class members include Moose Brinson, Monica Crawford, Steven Francis, Margie Galvan, Clint Graves, Cindy Ivey, Melissa Manns, Andrea Mires, Eddie Rojas, Teri Thomas, Billy Pat Underwood and Sondra Younger. These students worked awfully hard in refinishing a dresser and a night stand. As a matter of fact, they both looked very nice. It took a lot of hard work and patience, and all these students portrayed both, making their project very successful. The students, themselves were all enthusiastic about the results of this "refinishing" bit, the results were superb.

Golden Spread Center News

With the month of November the activities at the Center have begun to step up. Our quilt, under the supervision of Marilyn Cline is coming along great. It is beautiful and there has been so much interest that when this one is completed, we might start another one. On Monday afternoon from 2:00 to 4:00 p.m. is the time the Center has set aside for quilting. It's lots of fun. The "Sustaining Membership Drive" is now under way. If you have not received a letter and would like to be a sustaining member - this is all you have to do. Any individual can mail us a check or cash in the amount of \$25.00 or bring it by the Center. This is just a way you might let the Board of Director's know that they are doing a good job. Your contribution is tax deductible.

Storytime Program is 'For The Birds'

Storytime at the Hansford County Library was "for the birds" on Friday, Nov. 5. The theme of the first Storytime program was "Birds", and fifteen 4 and 5 year old children attended the half-hour program.

Librarian, Rita Curtis presented the program. She read two books, showed a film, did finger plays with the children, and showed them Barbara Reger's bird nest display. Mrs. Curtis gave each child a peacock feather to take home as a memento of Storytime.

Children in attendance were: Van Baumgardner, Blake Beedy, Regan Boxwell, Eric Cudd, Frankie Dominguez, Haley Farber, Clayton Hergert, Jason Holton, Lee Jarvis, Lance McMahan, Mandi Porter, Martin Sanders, Phillip Sanders, and Shari Smith.

Twentieth Century Club members, Frances Stump and Jane Meek assisted at the library during Storytime.

The next Storytime will be Friday morning, Nov. 11, from 10:30-11:00 at the Hansford County Library.

Union Church schedules revival

Do you feel something is missing in your life? You can only find true happiness in Jesus Christ, our Lord and Savior.

The Union Church and their Pastor Steve Rogers extend an invitation to you to come worship our Lord with us.

Jerry Phillips will be ministering the Word of God. In 1973 he served as Pastor of youth and college age students in Lubbock, TX. He was called to Trinity Fellowship in Amarillo in 1978. Pastor Phillips estab-

lished the Amarillo Christian Center in 1981 and is now serving as Outreach Minister of Amarillo Christian Center.

Sonya Caldwell of Apache, OK, will be ministering to us with special music. Please make plans to come worship with us. Your life will be truly blessed.

Great American Smokeout Nov. 18

COLLEGE STATION--More than 52 million Americans still smoke. Nine of every 10 of them contacted in surveys have said they would like to quit.

But giving up cigarettes isn't easy--and procrastination seems to reign. repost Dr. Mary Ann Shirer, health education specialist with the Texas Agricultural Extension Service, Texas A&M University System.

"Any needed behavioral change always seems easier to accomplish when someone joins with you in making the change. This is an ideal time to join the millions of Americans who intend to take a day off from smoking on Nov. 18, the day of the 'Great American Smokeout,'" suggests Shirer.

The Smokeout annually fo-

cuses public attention on cigarette smokers from coast to coast, Shirer reminds.

"It's their day! The Smokeout is an up-beat, good natured effort to encourage smokers to give up cigarettes for 24 hours, if only to prove to themselves that they can do so. Everyone enjoys watching and encouraging them while they try," she says.

During last year's Smokeout, three of every 10 cigarette smokers either cut down or cut out smoking for the day.

Persons desiring to find out more about the "quit smoking programs" and the Great American Smokeout should contact the American Cancer Society located in your immediate area. A toll free number in Austin is 800-252-9174.

DeArmond new Bureau of Reclamation officer

A native of Spearman, James (Jimmy) N. DeArmond has been appointed as regional personnel officer for the Southwest Region of the Bureau of Reclamation headquartered in Amarillo. The appointment was announced by Regional Director Gene Hinds.

DeArmond will be responsible for developing and directing a comprehensive personnel management program for the region which encompasses the states of Texas and Oklahoma, the major part of New Mexico, and portions of Colorado and Kansas. Eleven field offices are located throughout the region.

He has been a personnel management specialist in the Division of Personnel and Management since 1972. He started his career with the Bureau of Reclamation at the Amarillo Regional Office in

1961 as a personnel management assistant.

DeArmond moved to Albuquerque, N.M., in 1969, serving as personnel officer for the Middle Rio Grande Project for 2 1/2 years. He worked one year in the Lower Colorado Regional Office in Boulder City, Nev. before returning to Amarillo.

He is a graduate of Spearman High School and Abilene Christian University.

He and his wife, Betty have two daughters, Jamie, a junior at Amarillo High School, and Karen, a junior at Abilene Christian University.

He worked for the Agricultural Stabilization and Conservation Service and the Texas Employment Commission before joining the Bureau of Reclamation.

He is the son of Leonard DeArmond and the late Alma DeArmond.

Marc Stepp, UAW vice president, on strike vote:

"I think they (workers) used very good judgment in not jeopardizing their jobs and in not jeopardizing the corporation."

John Lehman, Navy Secretary:

"The Navy plans to dispense its growing fleet to more ports in the United States to reduce its vulnerability."

Glen Campbell weds **Kimberly Woolen**.

"Godspell" presented here

"Godspell" was presented by the Spearman High School at the SHS auditorium November 6th & 8th.

Directors were Travis and Charlotte Angel and David Sorgi was in charge of the lights.

The cast included Stephen, Buddy Pool; Gilmer, Phyllis Lindley; Jeffery, Mike Brinson; Joanne, Teresa Miesner; Lamar, Preston Taylor; Sonia, Kim Nelson; Robin, Lesa Scroggs; Peggy, Cindy Hendrick; Herb, Greg Meek; David, Jay Pack; and members of the band were drums, Mary Ann Kenney; guitar, Mike Caldwell; Bass, Stephanie Friemel; and piano, Charlotte Angel.

The original directors John-Michael Tebelak and Stephen Schwartz took the story of Christ's life and teachings from a biblical setting into a modern one. The musical is about a group of young people search-

ing for direction and meaning in their lives, who discover the peace of Christ's message.

Parables from the gospel according to Matthew, were enacted by the cast as they learn from Stephen the meaning of Christianity. The play ends with the joy of resurrection and a celebration of eternal life.

The musical was in two acts.

Act I began with a prologue by Gilmer, Jeffery, Joanne, Lamar, Sonia, Robin, Peggy and herb. Other musical numbers were "Prepare Ye the Way of the Lord" by David and the cast; "Save the People" by Stephen, David and the cast; "Day by Day", Robin and the cast; "Learn Your Lessons Well" by Gilmer and the cast; "Oh Bless the Lord my Soul" by Joann and cast; "All for the Best", Stephen, David and cast; "All Good Gifts" by Lamar and cast; and the "Light of the World" by the cast.

Act II musical numbers were "Learn Your Lessons Well" by Lamar and cast; "Turn Back O Man" by Sonia, Stephen and cast; "Alas for You" by Stephen; "By My Side" by Peggy, Joanne and the cast; "We Beseech Thee" by Jeffery and the cast and the finale by the cast.

Warning to dirt-bikers

The Spearman Police Department and Hansford County Sheriff's Office would like to remind riders of dirt bikes and other off-road vehicles that the operation of these vehicles on a public roadway is a violation of Texas Motor Vehicle Law. If the vehicle is operated upon a public roadway, bar ditch or alley, the driver will be cited. Other violations of state and local laws will also be enforced. Just because the vehicle is not registered, it is not exempt from safe operation and compliance with other traffic laws. Questions of applicable traffic regulations should be directed to any law enforcement officer in the county.

If you wish to operate your

vehicle on private land, you should first contact the owner. Failure to do so could subject you to a variety of criminal and civil charges. Spearman Mayor Ralph Blodgett has made a portion of his property available for the operation of these off-road vehicles. It is located between Highway 760 and the High School, and East 11th Street and the county road.

Remember, what you do reflects on all operators of these vehicles. Your actions could take away the rights of everyone who operates these vehicles.

Shop Early, Mail Early

This year, the Postal Service is joining forces with the business community of Spearman in urging customers to shop early and mail early for the holidays.

Postmaster T. Ray Robertson has officially declared the start of the holiday shopping season by asking shoppers to shop early and mail early this year and to make certain that mail is addressed correctly (including ZIP Codes) and packages are wrapped correctly so that cards and parcels reach their destinations in plenty of time for the holidays.

"Normally, we handle about 6000 pieces of mail a day -- including cards, letters and packages, but during the holiday season, volume goes up to about 8000 pieces," the Postmaster says.

The key to successful holiday mailing is to mail early and correctly. Postmaster Robertson says that includes planning now for gifts that must travel long distances by Christmas.

"Many overseas mailing dates -- including those for the armed forces stationed overseas -- occur this month. Mailers can get specific information on the

international dates by calling us here at 659-3313," Robertson said.

"Customers should also take care to write legible ZIP Coded addresses for both the intended recipient and the sender. Since mail sorting depends on the ZIP Code as well as the name of the particular city and state, the use of the correct ZIP Code will aid us in processing the mail.

"Last year, our customers helped us tremendously. They mailed early in the season and early in the day. We hope they will choose to cooperate with us again this year, so we both will have an enjoyable holiday mailing season."

Central California registers strong earthquakes.

Allan MacEachen, Canadian Foreign Secretary, after meeting with Secretary of State Shultz:

"We agree that both nations should resist pressures toward protectionism in our economic relations."

Morse pen rider receives heroism award

AUSTIN, TEXAS--Dana Collins, a pen rider at McCloy Feedlot, Morse, Texas, today received the first-ever Texas Cattle Feeders Association (TCFA) Heroism Award.

Collins, an employee at McCloy Feedlot since April 1982, in June saved a fellow employee from being dragged by a horse. The \$500 cash award was presented here today during TCFA's 14th Annual Convention. Collins' quick action likely saved her fellow employee's life.

Co-sponsored by Ordway-Saunders Company of Amarillo, the TCFA Heroism Award is

presented to an employee of a TCFA member feedyard who takes action which saves a fellow employee from injury or death.

The Heroism Award is part of the TCFA Safety Program. The goal of the Safety Program is to reduce insurance costs for feedyards and to make feedyard employees more aware of safety hazards in feedyards.

Texas Cattle Feeders Association represents feedyards and cattle feeders in Texas, Oklahoma and New Mexico. TCFA members annually produce 20% of the fed beef in the nation.

The Annual Union Church Thanksgiving Dinner will be held Thursday, November 18. Tickets are \$5.00 each. Children under 6 are FREE. The Dinner will be from 11:30 a.m. to 1:30 p.m.

Volunteers Crucial in Ombudsman Program

The Panhandle Area Agency on Aging's (PAAA) Nursing Home Ombudsman Program is in full swing now, with ten task force members and 35 friendly visitors involved with the Panhandle region's 34 nursing homes.

For the past year, the program has helped guarantee residents of nursing homes that they will have representation with outside agencies when conflicts with nursing home administrators arise.

"We've had good acceptance from all segments of the nursing home industry," says Ola Kidd, director of the ombudsman program. "We've developed a good task force and have a good group of friendly visitors. I think we have one of the best systems in the state."

Ms. Kidd and her task force are responsible for overseeing the activities of volunteers as they work with nursing home administrators and residents. Usually, the volunteer will hear a complaint about service or facilities and pass the information along to one of the task force members.

Jettie Davis (second from left, top row) with friendly visitor volunteers from the Spearman area.

The task force member discusses the situation with the resident and the administrator and then recommend a solution. If every one is not satisfied, Ola Kidd gets involved.

"That hasn't happened too much to me," she says. "We have task force members who take their job seriously. Take Jettie Davis for instance. She handles homes in Spearman, Dalhart, Dumas, Perryton, Stratford, Canadian and Borger. She has the largest group of volunteers working for her, too.

All her volunteers - 15 of them - live in

Spearman and are most concerned with the resident's of Hansford Manor. That doesn't mean they won't go other places," Ms. Kidd said. "They've been very supportive of Jettie and have made her work a lot easier."

Jettie Davis obviously doesn't know the meaning of the word 'easy.' According to Ola, she's on the road visiting the homes in her area, which covers most of the top ten counties in the Panhandle.

"She's what we'd like all our volunteers to be," Ola said. "She has a boundless supply of energy, she has a natural talent for working with everybody and, most of all, she has the nursing home background to make her sympathetic with the problems everyone has in the industry."

Ms. Davis and others on the task force have a special status when it comes to relationships with nursing homes. Because of training conducted by the Texas Department on Aging, they are certified to go on complaint investigation with representatives of the Texas Department of Health.

Introducing the 1982...

Lynx Football Seniors

The football season is over for the Spearman Lynx. The football career of 13 young men is over in Spearman High School. Those young men are the Spearman Lynx Seniors. They all contributed to the winnings, and they all had great leadership qualities. Their coach, Larry Lanier, believes that with these 13 bunch of guys out there, while not on the playing field were rooting for their younger teammates, even when most of them got hurt near the end of the season. Some will be named to the District 1-AAA All-District Players, some will be Honorable Mention, those that don't get named for either one, will know that deep in their hearts, they played the best they knew how, they were the leaders because they were the Seniors on the squad and most of all, they helped form the younger players into tough, hard-hitting Lynx.

The fans will miss the Senior football players, the team will too, but the Seniors, although they will miss playing for SHS, know that the guy that takes his place on the squad was the guy that that Senior taught to take over and lead on-ward.

There were 13 Seniors on this year's Lynx Football Team, Dell Brandt, Steven Francis, Darren Goodheart, Clint Graves, Jan Hartsell, Jay Pack, Jeff Pool, James Potter, Dennis Randall, Charlie Salgado, Gary Thomas, Ricky Torres and Billy Pat Underwood.

Billy Pat Underwood is the 18 year old son of Pat Underwood. Billy Pat started off as starting Quarterback for the Lynx, then after a while, Ross Donahue, a Sophomore took over. Billy Pat then took over for the Place Kicking duties. Billy Pat could throw the ball well, hand it off well and runs with it very well. As far as kicking that ball thru two uprights, Billy Pat could do that without taking a breath. His number is number 12. Billy Pat will be remembered in SHS football history, like Roger Staubach is still known to at the Dallas Cowboys organization. Billy Pat got hurt near the end of the season, he had to watch his team from the sidelines, to see his team struggle and then lose in the final quarter to Perryton. Congratulations, Billy Pat, for having a terrific season and good luck in the future.

Ricky Torres is the 17 year old son of Mr. and Mrs. Pablo Torres. Ricky is one of this year's best Lynx running backs. Ricky isn't very big in size, but he runs as fast as a jackrabbit, can take hits without yelling in pain. Ricky has done a tremendous job for the Lynx this season. He has done a great job running with the ball past everyone and scoring for the Lynx. He has also done a fantastic job on Defense for the Lynx. Ricky's number is #20. Ricky, like Ron Springs, #20, of the Dallas Cowboys, has the ability to run with the ball after he catches it. Congratulations, Ricky, on having a great season both Offensively and Defensively!!

Jay Pack is the 17 year old son of Mr. and Mrs. E.N. Pack. Jay is another Lynx running back. He carried the ball a few times for the Lynx this season. Jay did outstanding on Defense. He played out in the secondary and would make sure, many times, that his opponent didn't catch the ball. Jay is number 30. He runs sort of like Timmy Newsome, #30 of the Dallas Cowboys. He runs with the same style, thru his opponents. Congratulations, Jay, on having a fine season!!

Darren Goodheart is the 17 year old son of Mr. and Mrs. Earl Goodheart. Darren played as a Fullback for the Lynx for the first time. He did a fantastic job. Darren did a great job as a running back, running either thru, past or over his opponents sometimes all three!! He then played as a linebacker for the Defense, and boy, could Darren hit. Some of those Offensive opponents remember #31 of the Lynx. Darren scored plenty for the Lynx, while making sure that the guys he was "taking care off" would not score for his team. Of course, nobody is perfect, and only once in every 5 games. Good job!! Darren's number is 31. He hits like Benny Barnes of the Dallas Cowboys--as everyone that likes to see football, when on the TV, knows that Benny Barnes is one of the best hitters in pro football. As a matter of fact, when Benny gets an interception, he runs, following his blockers or making a road for himself, so does Darren. Con-

BILLY PAT UNDERWOOD QB

RICKY TORRES HB

more like Pat Donovan of the Dallas Cowboys, protecting his quarterback, and being quick on sweeps. Congratulations, Clint, for having a great season!

Charlie Salgado is the 17 year old son of Mr. and Mrs. Frank Salgado. Charlie is the #1 Center for the Lynx this year, as a matter of fact, he has to be the #1 Center and Noseguard in District 1-3A. Charlie is not a big humangeous Center, but he can hit like John Fitzgerald of the Dallas Cowboys as a Center and as a Noseguard, he can read plays & hit like D.D Lewis of the Dallas Cowboys. Charlie has done a great job for the Lynx this year. Last year, Charlie was named to the All-District/Honorable Mention List for District 1-AAA. Charlie, like Dennis, has the ability to be an All-Stater. Congratulations, Charlie, on having a great season Offensively and Defensively.

James Potter is the 17 year old son of Glenda Potter. James is one of the Lynx Tackles. He has done a fine job with the Lynx as a Tackle. James plays like John Dutton of the Dallas Cowboys, being able to get off the line of scrimmage and hit hard. Congratulations, James, on having a fine season!

Jan Hartsell is 17 years old. He is living with Howard Hartsell. Our hats are off to Jan!! Jan had a great career going, he could have had the best year of playing football of his life, but misfortune hit Jan, his leg was broken above the knee, just before District started, this put Jan out of the Lynx uniform as a player and had to be a Lynx spectator as well as Lynx supporter. Everyone felt bad for Jan's misfortune took out one of the best, if not the best Tackles in District 1-AAA. He, like Charlie and Dennis, had the talent to become an All-Stater. As well as playing Tackle, Jan also played Receiver, and caught quite a few passes. He even caught a touchdown pass from Ross in a game. Jan's number is 68. He plays like Harvey Martin, Ed "Too Tall" Jones, John Dutton and Randy White--all from the Dallas Cowboys, all rolled into one. The Lynx missed Jan the rest of the season. They played hard and dedicated their play to him. Although short, Jan had a great football career at SHS. Congratulations, Jan, on having a great first half!!

Jeff Pool is the 17 year old son of Mr. and Mrs. Donald Pool. Jeff is one of the Lynx' better receivers. As a matter of fact, Jeff would usually be the target for QB Ross Donahue, in many passing situations. Jeff caught the ball like "Golden" Richards--former Dallas Cowboys' player, and more like

Dell Brandt is the 18 year old son of Mr. and Mrs. W.L. Stevens. Dell is another Lynx running back. He is a Fullback. Dell has the ability to run thru his opponents, block for his teammates and fly past a few defenders. Dell has done a fine job on Defense as a linebacker for the Lynx. He can hit! Dell's number is 45. He hits like #45 of the Dallas Cowboys, Timmy Wilson. Congratulations, Dell, on having a fine season!

Clint Graves is the 17 year old son of Mr. and Mrs. Terry Graves. Clint is one of the Lynx Guards. He plays outstandingly great!! Clint has great blocking ability for his runningbacks. Clint also did a great job protecting his quarterback. Clint's number is 50. He plays

Butch Johnson, Dallas Cowboys Receiver. Congratulations, Jeff, on having a great season!

Gary Thomas is the 17 year old son of Mr. and Mrs. Jim Thomas. Gary one of the Lynx receivers, had a short career, due to illness, with the Lynx. He would do a fantastic job catching the ball like Rob Carpenter, former Houston Oiler, and New York Giant. Gary was hit with some kind of incredible bug, he could not finish out the season, but yet with the times he did play with the Lynx, Gary did a great job. Congratulations,

Gary, on having a short, but sweet season!!

We congratulate all the Lynx ballplayers, but a special congratulations to all the Seniors, for they will not be back in Lynx uniforms the coming year, as football players, but spectators and fans!! All the Seniors contributed a lot to the Lynx wins and so forth. They showed the younger players how not to lose their cool, how to stay calm, how not to give up. The Perryton Rangers found out how tough the Lynx were, especially the Seniors!!

TWPA Meeting Scheduled

George Fletcher, a wheat grower of Eastend, Saskatchewan and farmer-elected President of the regional Palliser Wheat Growers Association headquartered in Regina will address the Texas Wheat Producers Association, November 18. The TWPA Thirty-Second Annual Meeting is scheduled for the Hilton Inn in Amarillo. Registration for the session and viewing of the exhibits will begin at 9:00 a.m., according to Wiley Tabor, Quannah, President of the statewide research, market development and service commodity group.

Texas producers plagued by record wheat stocks, declining prices and uncertain export policies, the organization has set an agenda and selected a host of speaker experts to address these burdensome problems, Tabor said.

"Problems and Opportunities in Developing New Wheat Markets", will be of particular interest to Texas producers who look to export markets for over

ninety percent of their income. This subject will be covered by Harrell Ridley, a Las Animas, Colorado wheat farmer-Chairman of U.S. Wheat Associates, the U.S. producers foreign market development arm through their check-off supported boards and commissions. In his nation-wide leadership position, Ridley has recently represented U.S. wheat farmers in Russia, China and Latin America. He is expected to report on findings and activities related to his travels and the work of U.S.W. Bill Spencer, Extension Grain Marketing Economist at Colorado State University will share the subject with Ridley and will address the economic issues related to market development. Spencer is a former agricultural attache in Latin America and a widely traveled and nationally recognized foreign market analyst and economist.

"Steps To Weathering The Current Farm Crisis" will be detailed by Dr. Gary Condra,

the membership. During a final business session, officers for the coming year will be elected. In addition to Tabor, other current TWPA officers are Leonard King, Jr., Childress; David Key, Munday; and Robert Graves, Perryton, all Vice-Presidents and C.L. Edwards, Panhandle, Secretary-Treasurer.

Participants in the Annual meeting will be able to view educational exhibits related to wheat production and marketing displayed by: Agricultural Insurance Administrators, Texas Department of Agriculture, Federal Crop Insurance Corporation, Texas A&M Research and Extension Center. Reuters will supply day-long market information and commodity news via satellite as well as originate news releases for world-wide distribution direct from the meeting.

All wheat producers and related agri-business individuals interested in wheat production and marketing and the technical information to be discussed are welcome and invited to attend, according to the association President. There is no registration fee. Lunch will be available in the Hotel's Garden Terrace.

How do you treat a cold?

HARTFORD, Conn.—How do you treat a cold? Bundle up next to a roaring fire? Sweat it out by running several miles? Immerse yourself in a tub of homemade chicken soup? Or, do you run out to your local pharmacy and buy all the cold remedies you can find, hoping that one will provide relief?

If you do the latter, you're not alone. In fact, you contribute to a half-billion-dollar-a-year industry...and that figure doesn't include what is spent on aspirin.

A cold is caused by one or more of 120 different viruses and affects your body in many different ways. Viruses are usually short-lived and resist virtually all forms of medication. Most colds run their course in about a week, with or without cold medication -- including antibiotics.

To treat a cold, doctors suggest the following:

- get plenty of sleep
- drink more fluids than normal
- eat well-balanced, light meals
- avoid stress

Using cold remedies sold over the counter may provide temporary relief, which is important, but they won't "cure" or even shorten the stay of your unwelcome visitor, physicians say.

If you want temporary relief, Aetna Life & Casualty's staff physicians and pharmacists believe you should be aware of a few things before you purchase cold remedies.

Above all else, remember to read the labels carefully -- and completely. Even over-the-counter cold medications interact with other drugs and can cause more serious medical problems. Also make sure that the drugs you purchase and use have not been tampered with. Inspect the package or bottle for any signs of tampering and return any suspect ones to your pharmacist.

There are two common types of cold medications; one includes ingredients that will act on a specific problem, while the other will work on every cold symptom from A to Z.

To help decide which medicine is right for you, first ask yourself some basic questions, like: "Do I have a single complaint or are there a variety of symptoms?" "Is there any skin rash or irritation?" "What type of cough is it -- 'loose' or 'tight'?" If you aren't sure, consult your doctor. If you are reasonably certain you know the answers, ask your pharmacist for the best medication available over the counter.

Here are a few hints on how various medications work:

Antihistamines help stop a runny nose. When used in spray form, the drug contracts blood vessels which in turn constricts the dripping. **Oral Antihistamines** (tablet and liquid) act the same way. However, they can also restrict blood vessels in other areas of the body. People with high blood pressure, hyperthyroid conditions, diabetes,

glaucoma or other eye diseases, should consult a physician before taking any cold medications, especially antihistamines. They may also cause drowsiness and/or blurred vision.

Decongestants, which are found in a variety of cold medications, act differently than antihistamines -- they reduce the stuffed-up feeling that may accompany a cold. They are often mixed with other cold remedies instead of being marketed as a separate product.

Coughing is an annoying aspect of a cold. However, it does serve a function. Coughing is a natural defensive reaction against fluid buildup in the lungs. Therefore, trying to stop a cough is not advised. There are a variety of cough medications on the market designed to do different things for different types of cough. **Expectorants** induce coughing, while **antitussive** syrups restrain them. Before purchasing a cough remedy, ask your pharmacist which is best for your type of problem.

Last, and certainly not least, is aspirin. Americans take more than 20 billion aspirin tablets a year -- a daily consumption rate of more than 20 tons. Although aspirin is the most commonly used drug, it can be harmful unless label directions are followed. Because of its wide use, aspirin leads over-the-counter medications as a cause of adverse reactions leading to hospitalization or other problems such as gastric irritation.

Aspirin is mainly used to reduce the aches and pains that can accompany a cold. It is an anti-inflammatory drug. Thus, it reduces swelling in the joint tissues of the body. Aspirin effectively combats fever as well. However, like a cough, a fever can be an important body reaction to your cold. It is important to treat the cause of the fever, not just the rise in body temperature alone. If a fever persists more than three days while taking aspirin, consult your physician.

Aspirin substitutes, known as **acetaminophen** also work to reduce fever, but they do not contain the anti-inflammatory ingredient found in aspirin. The lack of this ingredient makes the substitute less irritating to the stomach lining. In some instances of a cold accompanied with an upset stomach, the acetaminophen may be preferred. Regardless of which you choose, doctors strongly recommend taking only the recommended dosage -- two tablets every four hours if you're over 12 years old.

To repeat -- sleep, get plenty of fluids, eat a balanced diet and avoid stress -- they are your best bet in the battle against the common cold. If your symptoms last longer than seven days, consult your physician right away. Always remember to read prescription drug and cold remedy labels carefully. When used wisely, over-the-counter cold medications and aspirin can provide welcome temporary relief from your cold.

Interstate pipelines blamed for increases

DALLAS — The chairman of the natural gas committee of the Independent Petroleum Association of America (IPAA), Danny Conklin, blamed the major interstate pipeline companies Wednesday for escalating natural gas prices.

Conklin, an independent gas producer from Amarillo, Texas, said that "an interstate natural gas pipeline claims the right to earn the same dollars of profit regardless of the volume of gas sold, free and clear of federal income taxes. Thus, as sales volumes go down, the pipeline seeks to raise its rates to protect this profit, called by the code word 'return on equity.'" Conklin called that "a pretty good deal" for businessmen and wondered, "How would you like to have the same profit regardless of sales volume?"

The IPAA committee chair-

man noted that the average price increase for old gas and new gas over the past year was only 4 per cent, the increase in high cost gas was 18 per cent, while the overall increase in price amounted to 17 per cent.

In fact Conklin quoted an Energy Information Administration report which said in part, "most of the increase in average prices was due to shift of purchases away from the old gas to the more expensive categories, rather than to major price increases with individual gas categories."

"The time has come to point out that the pipelines can, and do, exercise great control over the average cost of gas on their systems by choosing among the sources of gas available to them."

The natural gas producer added that the pipeline companies

are curtailing the maximum amount of their cheapest gas so that they can minimize curtailments of high cost gas. "Is it any wonder that consumer rates are skyrocketing?" Conklin asked. "This is hurting both consumers and natural gas producers."

"Consumers," he said, "naturally are angry about rising prices, but it is time they

blamed the Natural Gas Act, Natural Gas Policy Act and all of the governmentally induced distortions that are causing the pipeline industry to do the things it is doing." Conklin added that the need for total decoupling of natural gas is now more obvious than ever.

Farm Bureau plans convention

DALLAS--Texas Farm Bureau, the state's largest farm organization, will hold its 49th annual meeting here Nov. 28-Dec. 1, at which time some 1,400 voting delegates will decide policies for 1983.

The theme of the convention will be "United to Solve Problems".

The voting delegates from 216 organized counties will adopt state policies for the coming year. Approved resolutions on national issues will be forwarded to the 64th annual meeting of the American Farm Bureau Federation which meets Jan. 9-13, also in Dallas.

Dean Kleckner, president of the Iowa Farm Bureau Federation, will be the keynote speaker. He will address the organization during the Nov. 29 general session in the Dallas Hilton ballroom.

TFB President Carrol Chaloupka will deliver his annual address at the same session. TFB Secretary-Treasurer Wayne Cranfill will precede with his annual report.

TFB Executive Director Warren Newberry will begin the business session on Nov. 30 with his annual administrative report. The convention business will conclude on Dec. 1 with the election of new members of the board of directors and the TFB president.

Seven special conferences will be conducted on Nov. 29. One directed to the Young Farmers and Ranchers will be held at a 6:30 a.m. breakfast with AFBF field representative Vernie Glasson speaking.

The other six conferences set for 1 to 3 p.m. will include livestock, transportation, field

cropping, natural resources, taxes and labor.

Youth activities will include selection of a TFB queen from 13 contestants; a talent find winner from 13 finalists, and a free enterprise speech contest winner from 25 contestants.

The speech and talent contests will be held beginning at 7 p.m. on Nov. 28. The queen contest will be held at 7 p.m. on Nov. 29. The Outstanding Young Farmer and Rancher for the year will be announced during the queen contest.

The speech winner receives a \$2,000 scholarship; the next five finalists a \$1,500 scholarship and the last four finalists, a \$1,000 scholarship.

The talent winner receives a \$1,500 scholarship, the runner-up a \$1,000 scholarship. The queen will receive a \$1,500 scholarship; the runnerup a \$1,000 scholarship.

The queen, her runnerup and talent winner and runnerup will all receive trips to the AFBF Youth Leadership Conference in April 1983 in Missouri.

The top four speech finalists will receive trips to Washington D.C. and Williamsburg, VA.

The Outstanding Young Farmer/Rancher will receive free use of a 1983 Chevrolet Silverado for one year, contributed by friendly Chevrolet of Dallas, and free trip to the AFBF convention and the AFBF Young Farmers and Ranchers Leadership Conference Feb. 11-13 in Las Vegas.

During the convention, the TFB Meritorious Service Award and the recognition for public relations, safety and membership acquisition will be announced.

Brucellosis Control Continues

AUSTIN--Texas livestock producers are continuing to make progress in their efforts to control brucellosis. John B. Armstrong, Kingsville, chairman, Texas Animal Health Commission, reports.

The state is divided into two areas in accordance with the Texas brucellosis control program. Infection is less prevalent in the western part of the state.

"We have had a tremendous encouragement from the way things are going in West Texas, and we have an opportunity for additional progress in the eastern half of the state," Armstrong said.

"We are making progress, and we feel this is due primarily to the cooperation of our state's livestock producers. The number one criteria for successes we have seen is cooperation. There is no way for any disease program to be successful without producer cooperation," Armstrong said.

"When we began our two area program, the whole United States was skeptical about its chances. Now, I doubt there is anyone today who even ques-

tions whether we are able to make it work. Experts from throughout the nation are impressed by the progress that Texas has made," he explained.

He noted there is now a program underway in 32 counties in East Texas with emphasis on increasing vaccination. About 50 percent of the known brucellosis infection is located within those 32 counties. They generally are in a band from the Red River to the Gulf.

"Texas has the opportunity to get to be a B state totally in a very short time, maybe even a year if we concentrate on that band of 32 counties. We have an ongoing program in that area."

"By becoming a B state, Texas cowmen will have freer movement of livestock and fewer testing requirements," Armstrong explained.

Basic cornerstones of the Texas brucellosis program are vaccination with the reduced dosage of Strain 19, individual herd plans, increased research, and improved laboratory support systems to detect field strain brucellosis infection.

Independent producers & recommend legislation royalty owners

AUSTIN, TX--A major policy making committee of independent producers and royalty owners has recommended support of several legislative and regulatory actions to (1) protect consumers and oil and gas owners in a confused natural gas market, (2) reduce thefts of oil and equipment and (3) secure the interests of 650,000 Texas royalty owners in the event of bankruptcy of oil purchasing companies.

Hans Hansen, Midland, Chairman of the State Petroleum Issues Committee of the 5500-member Texas Independent Producers and Royalty Owners Association (TIPRO), said in Austin that, "Producers are angry because ludicrous federal regulations have so severely distorted the natural gas market that consumers nationwide are suffering price and supply problems. The unreasonable regulations have even tied the hands of state regulatory agencies who might otherwise cope with the problem."

"Texas consumers, royalty owners and producers are being especially impacted," Hansen related, and announced that the committee is recommending rule changes to the Texas Railroad Commission which will help insure that available natural gas is taken equitably from pro-rated wells in the state. "Under the present rules, some wells are virtually shut in, while others are producing at their full capacity," Hansen said, "and the rule changes we are recommending should help every producer and royalty owner to share the market proportionally."

The committee also passed a resolution to work with the RRC and federal agencies to solve the problem of interstate pipelines "dumping" excess gas into the intrastate market. "This practice is damaging Texas producers and royalty owners," Hansen reported, "and is driving up prices to some Texas consumers. It is another flaw in the federal regulations which our state regulators must try to address until corrections can be legislated in Washington."

The committee re-affirmed its support of a new bill proposed by Governor Clements which would allow royalty owners and independent producers to hold a lien against a bankrupt oil or gas purchaser. Under present Texas law, the owners of royalty oil are "unsecured creditors" who have small hope of recovering money owed for oil which has been delivered to buyers that subsequently go into receivership.

The committee said that oil field theft amounts to millions of dollars per year, which eventually raises consumer prices. Harold E. Wright, Gilmer, president of TIPRO and Chairman of the Petroleum Industry Security Council, commended the committee for taking "dead aim to help develop new legislation to prosecute oil field thieves, which will be recommended to the 1983 Texas Legislature."

Additionally, the committee is actively supporting a proposed RRC manifest system which will make it more difficult for thieves to transport stolen oil.

The TIPRO Committee includes two former RRC Commissioners--John Poerner and Bill Murray, former RRC Oil and Gas Special Counsel Rex White, and a number of prominent Texas royalty owners and producers.

It might pay some parents to know a little bit more about what their offspring are doing and where they do it.

If you think you have plenty of time for your Christmas shopping, there are only about forty-odd shopping days before Christmas, 1982.

Something new in football will be the hustler's cry. "Get a scorecard, with the names, numbers and salaries of all players." Times, Richmond.

Democracy is a system under which a fellow who didn't vote can spend the rest of the year kicking about the candidates the other fellows elected. -Wall Street Journal.
