THE SPEARMAN REPORTER, SPEARMAN, TEXAS 79081

THURSDAY, SEPTEMBER 9, 1982

Lynx entertain eagles here Friday 8:00 p.m.

The scrappy Spearman Lynx, coming off of a heartbreaker loss to Stratford Friday night, will meet a young and inexperienced rebuilding team, the Sanford-Fritch Eagles Friday night here at 8 p.m. at Lynx stadium.

The Eagles also lost their first game of the season last Friday night to the Panhandle Panthers by a score of 41-6. A strong Panhandle team dominated the play, with S-F's lone TD coming in with the score 41-0 when Wes Baggs caught a 42-yard scoring strike from Andy Anzaldúa.

Players returning to the Eagle corps are nothing short of quality. Heading a list of six hold overs from last season is tailback Gary Opendhoff. The 6-0, 190 pound senior rumbled for 1000 yards earning him honorable mention all-district awards. He also doubles as a defensive end for the Eagles.

Barking the signals for Fritch will be senior Andy Anzaldúa.

He won the position half way through his sophomore year and has yet to be dethroned.

Freshman Robert Lehmann is a probably prospect for the starting fullback position.

Clogging the Eagles' defense and returning to middle linebacker will be Del Shelton. He is seriously considered as a starting center also, said coach Duane Jacobs.

"Del is probably the most intense player we have when the chips are down," Jacobs commented.

Returning to defensive tackle is junior David Garipey (6-1, 208). The offensive line will have a completely new look with the exception of possibly Shelton and 6-7, 220 pound sophomore tackle, Ed Cunningham.

Kevin McIntire is expected to move in at tight end and could see some linebacking time.

Jacobs is looking at Cavitt Ashby (6-2, 191) to handle the right guard chores.

At left guard, Brent Lynch should get the starting nod.

Sophomore Ronnie White will flank Lynch at left tackle. Lynch is a good bet at linebacker also.

Split end will be manned by either Dean Thomas or Jeff Laird. A junior, Laird will also see defensive duties.

Greg Rice and Bryan Taylor are two tough figures who could play center. Jacobs has plans for them on defense as well.

Posting a linebacker spot on defense, junior Jesse Gehrke, a transfer from California is a player Jacobs says likes to hit.

Rounding out the defense is Taylor at the strong safety slot and Tye Geppi on a Corner.

Despite the youth in his lineup, Jacobs remains optimistic. His and his team's feelings, summed up when he was asked how he felt about playing a tough Panhandle team his opening game. "The Eagles are going to be ready" was his comment.

The Spearman Lynx have 13 seniors this year. They are QB Billy Pat Underwood, 165 lbs.,

Ricky Torres, HB, 140 lbs., Jay Pack, HB 169 lbs., Darren Goodheart, FB, 175 lbs., Dennis Randall, TB, 203 lbs., Steven Francis, WR, 135 lbs., Dell Brandt, FB, 155 lbs., Clint Graves, G, 145 lbs., Charlie Salgado, C, 170 lbs., James Potter, T, 170 lbs., Jan Hartsell, T, 160 lbs., Jeff Pool, WR, 135 lbs. and Gary Thomas, E, 200 lbs.

Also adding power to the Lynx team are Juniors Julio Vasquez, TB, 135 lbs., Israel De La Rosa, C, 155 lbs., Joe Gomez, T, 230 lbs., Mark Guthrie, T, 200 lbs., Byron Sutterfield, G, 150 lbs., Billy Ray Haden, C, 209 lbs. and Darl Farris, G, 185 lbs.

Sophomores on the team this year are Ross Donahue, QB, 165 lbs., Steve Burke, E, 195 lbs., Karl Bynum, FB, 190 lbs. and Kevin Staten, T, 210 lbs.

Stars of the Lynx-Elk game were Goodheart, Randall and Francis. All the Lynx that saw action made a good showing at Stratford.

Lynx lose heartbreaker

The Spearman Lynx kicked off their 1982 football season with a 18-13 loss Friday night against Stratford.

Playing before a near-capacity crowd both teams displayed good offensive drives in the opening quarter. The Elks first scoring drive occurred after 7 minutes of play. Starting from their own 47 yard line, the team made two first downs running the ball well on the ground.

After a 10-yard gain by Sammy Gomez, starting quarterback Jere Keener completed an 18-yard pass to Coombes in the end zone. The point after failed and Stratford led 6-0.

Taking the kick-off, the Spearman Lynx came right back with their own scoring drive behind the strong running of Senior Fullback Darren Good-

heart. The two minute 40 second drive was highlighted by a 13-yard Goodheart run and a 27 yard touchdown scamper, also by Goodheart.

The second quarter saw the Lynx dominate play, controlling the ball for almost nine minutes of the quarter. A missed Spearman field goal gave the Elks the ball on their own 20, but unable to move it, the Elks had to punt it away to a waiting Lynx team.

Taking the ball from their own 42, Spearman scored after just four plays, including a 42-yard run by Senior Tailback Dennis Randall. The point after was good and Spearman took the lead 13-6.

The final minutes of the second quarter saw numerous penalties by both sides. With 1:08 left in the half, Elks linebacker Sammy Gomez intercepted a Spearman pass and returned the ball to the Lynx 40-yard line. On the next play, a 10-yard run by QB Keener, was called back on an illegal procedure penalty.

One play later the Elks were called for holding. With eight seconds left on the clock, a Keener pass was intercepted by Lynx Safety Steven Francis who fumbled the ball on the Spearman 25-yard line. An incomplete pass and interception ended first half of play.

The Elks took the second half kickoff returning it to the 43-yard line. Moving well on the ground, Stratford picked up a first down and were in Lynx territory when the drive ended on an incomplete pass to Gomez.

In the next series of plays the Lynx saw a tough Elks Defense back them to their own 4-yard line with a QB sack and two Lynx penalties. Spearman punted from the 10 and Stratford got the ball on the 38 yard line.

On the first play from scrimmage QB Keener ran a sneak for a 34-yard gain. One play later Gomez scored the touchdown with a four-yard run. With the score now 13-12 in favor of the Lynx, the Elks attempted in vain for a 2-point conversion.

Stratford took control of the ball with eight seconds left in the quarter. Unable to mount a sustained drive the Elks punted only to have it returned four plays later on a Lynx punt.

An Elk fumble on a fourth-and-one gave the ball to Spearman on their own 45. The Lynx saw a tough Elk Defense push the 10 yards back and were forced to punt on 4th and 20.

A bad three-yard punt gave the ball to the Elks on the Lynx 38-yard line. On the first play from scrimmage a 12-yard pass to Gomez put the ball on the 26 yard line to set up the winning Elk touchdown.

On first and 10 Elk QB Keener passed laterally to junior halfback Kent Holman who threw a perfect pass to Coombes in heavy traffic for the touchdown. The leaping catch was Coombes' second touchdown of the night.

The Lynx did a great job in playing such a close game against the Stratford Elks!

Keep up the good work, Spearman Lynx.

Arts & Crafts Show and Sale

The Spearman Study Club's second Arts & Craft Show will be held this weekend. Saturday and Sunday, Sept. 11 and 12, in the old Beedy Furniture Building.

If you liked us last year then you're gonna love us this year! We have added some new attractions to Arts and Crafts show and sale. I think you will be well pleased.

There will be four states represented again this year. Texas, Oklahoma, Colorado, and Kansas will be showing and selling the following: depression glass, wooden toys, ceramics, dolls, wooden frames, photography, wind chimes, silk flowers, jewelry from Hawaii, coins, antiques and collectable butterflies in shadow boxes, personalized Christmas stockings, bronzing, homemade breads, and many more hand-made items. I wish I could list them all but there is just too many.

We have also added some new local talent to this year's showing. These local talents are definitely our biggest attraction because everyone knows of their outstanding abilities and achievements. We are very proud to have: Kindra Ivey Davis-Paintings; Beth Phelps and Ruth Bryan-Antiques and Paintings; Sybil Miller-Antiques and Paintings; Martha Latham and Frankie Sloan-Paintings; Larry Porter and Joe Close-Sun Catchers; Albert and Evelyn Mackie-Guns; Karen Reimer-Paintings; Lometta Sparks-Paintings; Patty Christy; Stephanie Brock; Dara Faries.

Refreshments will be sold in the back again this year. Come eat lunch and have a full day of fun. The funds from the refreshments and sale will once again be donated to local charities and functions along with Girls Town in Whiteface and our local scholarship fund given again this year to Donna Reed, daughter of Donald and Wanda Reed.

All of the returning dealers told us we had one of the most successful arts and crafts shows last year in the Texas Panhandle.

Mark you calendars for Saturday Sept. 11th 9:00 a.m.-6:00 p.m., Sunday Sept. 12th 10:00 a.m.-5:00 p.m. Be sure and call your friends and neighbors and come on out to one of the biggest and best sales in the Spearman area this year. See you there!

Estate sale nets

\$100,000

Dr. R.L. Kleeberger, who practiced medicine in this Panhandle community for almost 35 years, left his final legacy this past weekend-\$100,000 to be donated to charity after the auction of his personal possessions and office equipment.

Thirty guns, some swords, china and towels, two cars and office equipment—all auctioned Friday and Saturday here—attracted bidders from throughout the Midwest.

As many as 1,000 persons were estimated to have attended the final phase of the auction Saturday, when his personal possessions and collections were auctioned off.

The American Cancer Society, Texas Division; the Texas Heart Association, the Medical Education Foundation of Creighton University, Omaha, Neb., and the Sacred Heart Catholic Church here in Spearman are beneficiaries of the money brought by the two-day auction.

Of the \$100,000 raised, about 60 percent came from Kleeberger's home furnishings and personal effects. The remainder came from the sale of his medical office equipment.

About 200 persons attended Friday's sale of medical equipment, including persons from Kansas, Nebraska and Oklahoma. One lot of equipment was purchased for use by an African missionary.

Sale of the personal property opened at 10 a.m. Saturday and concluded at about midnight—14 hours later.

Sold were 16 assorted rifles—one bringing a bid of \$700, 13 pistols, three gun cabinets, and three swords and scabbards. Also sold were 54 pieces of furniture, including some antiques; 126 decorator items, several sets of good china—one of which brought \$750; crystal and silver.

Two cars—a late-model Cadillac and Oldsmobile—brought \$8,200 and \$6,200, respectively.

Yet to be sold are the doctor's three-bedroom Spearman home and a collection of jewelry owned by Kleeberger and his mother. The jewelry currently is

on display at Barnes' Jewelry in Amarillo.

Dr. Kleeberger opened his practice in Spearman in 1948. His mother made her home with him before her death, which was only a short time before Kleeberger died in July.

Kleeberger, 62 at the time of his death, specified in his will that all his property would be auctioned and the money gained from the auction would go to the four specific charities.

Hospital News

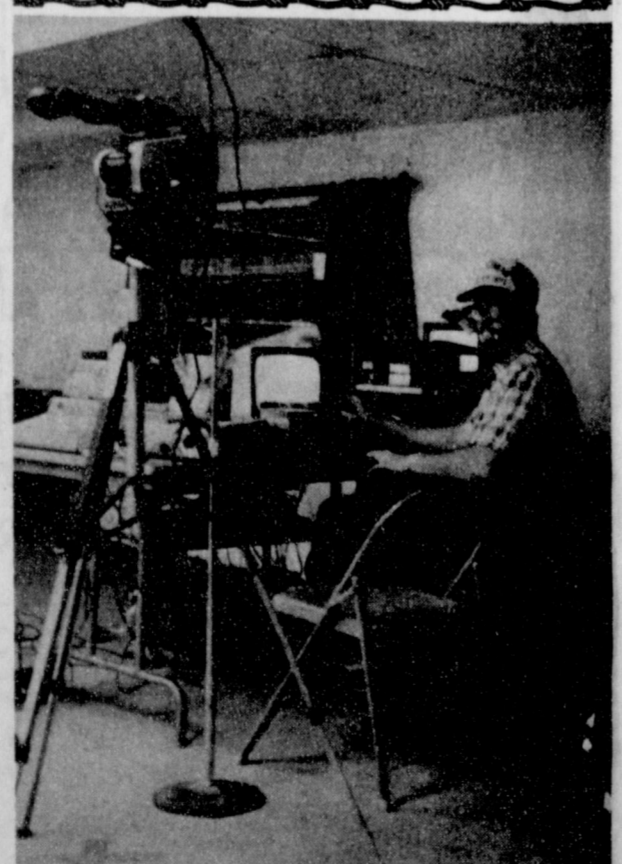

Patients in Hansford Hospital are Maria Avila, Mattie Dyer, Kathy Bowen, Ike Richeson, Lea Cooper, W.E. Jones, Bill

Goodson, Anna McGary, Cheryl Whitefield and daughter, Barbara Patterson and Will Ella Martin.

Dismissed were Rita Underwood, Dorothy Erwin, Sara Sherwood, John Sprigg, Doug Medley, Joe Alvarez and Doug Saxon.

Square Dance Lessons

Square Dance Lessons will be offered at the Hansford County YMCA beginning September 21 (Tuesday) and continue Tuesdays and Thursdays for about 10 weeks under the instruction of Jimmy Shieldknight. If you would be interested in learning and joining the class call either 659-3460 or 3519 and enroll today.

Pictured above is John Shaffer working the camera making it possible for Spearman to see the Telethon Live from Las Vegas and also the Spearman Cable with the challenges and talents of our own telethon.

John has been working all night for Jerry and his kids.

MDA Telethon raises

\$6,427.24 here!

The Spearman Pledge Center for the Jerry Lewis Labor Day Telethon raised \$3,315.00 in pledges and \$3,122.24 in special events during the 22½ hour marathon to benefit the Muscular Dystrophy Association (MDA). In the Panhandle area, a total of \$6,427.24 in pledges went up on the toteboard representing the support of those in the KFDD-TV, Channel 10 viewing area.

"This community showed a tremendous compassion and generosity, and we are grateful for their support," said Pledge Center Coordinator Vicky Bullard, a member of the Spearman Volunteer Fire Department who sponsored the 1982 center. The Pledge Center location was at the Fire Station.

In addition to pledges raised, the following special events and their results were also held: Flahbow & Door-to-Door--\$1112.09; Video Game Arcade--\$611.00; Isabel Martinez--\$400.00; and Dance-A-Thon--\$862.45

Funds raised by the Telethon help support MDA's global research effort and nationwide program of medical services. The Association sponsors 10 research/clinical centers in the U.S., England, and some 600 research projects worldwide. It also maintains more than 240 outpatient clinics, where MDA patients receive medical care, orthopedic aids, and related services free of charge.

All of us at the telethon wish to thank all of you that called in your pledges, sponsored our dancers, donated food and supplies and those of you that stopped by to help out and make our 1982 telethon a success. Thanks

A special note from Vicky Bullard, coordinator for this year telethon: I want to express a sincere thank you to the very dear friends that helped me before the telethon and during the telethon. Also, to my mother and my husband who are my best friends, you all did a terrific job. I'm very proud of you and I love you all.

Vicky

This is a typical scene in Spearman on Labor Day. Everyone is joining in to help raise money for Jerry Lewis' kids. Those helping are Attorney John Hutchinson, Melissa Bullard, Rosa Pierce, Kim

Williamson, Gayle Coats, and Juanita Pierce.

A special thanks to all of the volunteers who helped on Labor Day.

These very active girls have been dancing at the fire station since 7:00 p.m. Sunday evening to help raise money for the telethon.

MAKING AUTUMN'S OUTDOOR COOKERY EASIER, MORE SATISFYING

Making Autumn's outdoor cooking an easier, more satisfying event takes a little planning-in advance, but it can be done.

PLANNING THE EVENT

Start by writing down a menu.

Prepare a time schedule for the entire meal-when to start the fire and length of time for each food are things to include, among others.

Do as much "kitchen work" ahead of time as possible. Make garnishes and prepare salad greens and garlic bread in advance, for example.

Collect all items you'll need for the meal.

Place them on large trays or a cart that can be carried to the grill area. This is a real time saver and can cut down on extra trips to the kitchen.

Assign "jobs," so family members can help prepare the food. Don't forget to include everyone in the clean-up activity.

Most people enjoy taking part in outdoor entertaining if it's organized and relaxed.

Keep the menu simple.

Select foods with a variety of color, texture and sizes. This gives eye appeal to the overall arrangement.

Plan menus so flavors harmonize or contrast-not compete.

Also, plan the menu with some regard for food likes and dislikes of guests, if you know these.

CHOOSING MEATS

In choosing meats, remember that cooking over charcoal is a dry-heat method-similar to broiling. Any tender steak, ground meat, fish or chicken will grill nicely.

If you choose less-tender cuts of meat for budget reasons, make them more tender with meat tenderizer or by marinating them. They'll do just as nicely as more expensive, tender cuts.

If you barbecue pork, be sure to adjust the grill rack to allow for long, slow cooking, so meat will be well done without scorching the surface.

SELECTING VEGETABLES

Vegetables such as corn on

the cob do well on the grill. Wrap ears of corn in a double thickness of heavy foil. Add butter and seasonings. Turn once during cooking.

A crisp tossed green salad with a choice of dressing or coleslaw will add zest and appeal to outdoor meals--so don't forget the salad!

FESTIVE DESSERTS

Fresh fruit, ice cold watermelon or cantaloupe are colorful and refreshing for outdoor dessert. Homemade ice cream is always a favorite, too.

COOKING POINTERS

For best cooking results, make sure you have some way of controlling the grill level or height.

With an adjustable unit, the grate cooking temperature is increased by lowering the grate closer to the coals. On the other hand you can slow the cooking rate by raising the grate.

If the cooking grate is stationary, then control the heat by adding more charcoal when the fire cools down. Add charcoal to the edges, not the center.

[REMEMBER, ADD ONLY THE CHARCOAL--DO NOT POUR LIQUID CHARCOAL STARTER ON BURNING COALS.]

If heat from the fire becomes too hot, spread the coals apart or push them to one side.

For steaks, place the cooking grate three to six inches from the coals, depending on the meat thickness and the desired degree of doneness.

Here's a rule of thumb: the thicker the steaks--or the more well done you want them, the farther you should place them from the coals. Both require longer, slower cooking to prevent scorching.

In fact, place all meat far enough above the fire so flames can't sear it. Remember, even if you have flames under control, dripping fat creates occasional flames throughout cooking.

If your grill is new, it may be necessary to do some experimenting in order to cook food to your liking.

Finally, half the fun of eating outdoors is cooking outdoors!

So, this fall, move your kitchen to the great outdoors and see how wonderful dining under the open sky can be.

Hansford Hospital Auxillary meets

The Hansford Hospital Auxillary met in the Doctor's Lounge at the Hospital Friday morning Sept. 3rd.

The meeting was called to order by the President, Betty Jean Davis. Minutes of the previous meeting were read and approved as read. In the absence of the Treasurer, Betty Davis gave the report.

Edith Smith gave a report of the recent Blood Mobile held in the Sacred Heart Parish Hall.

There will be a district meeting in Pampa, Texas Sept. 13th. Several of the members will be going to the meeting.

Rosa Lee Butt reported that the Hospital Kitchen was in need of a commercial blender. Members of the Auxillary voted to purchase one for them.

The Auxillary ladies will be serving cookies at the Open House for Hansford Manor on Sept. 19th.

Members present were: Barbara McClellan, Betty Davis, Dorothy Haner, Mary Cornelius, Virginia Head, Gwen Smith, Laura Mackie, Myrt Bohanan, Rosa Lee Butt, Clementine Renner, Ethel Byers, Buena Lyon and Edith Smith.

CWF meeting held

The CWF met Sept. 1 at 2 p.m. in the Fellowship Hall. President Stephanie Brock called the meeting to order. Janie Kunselman gave the opening prayer. The minutes of the previous meeting were read and approved. The treasurer's report was given by Dorothy Haner.

Retreat communications were passed around to the group. Jane Henton made a motion to purchase name plates for the rooms in the Hansford Manor. Candy Boxwell seconded the motion. The motion carried. Members were reminded that Phillip and Carol Stumpf will be returning from Houston this week.

Penny Ralston gave the program entitled "Who Is My Neighbor?". This title referred to the many refugees over the world. Margarette Evans gave the worship taken from the second chapter of James.

Penny Ralston served refreshments to the following: Stephanie Brock, Lelia Bynum, Betty Davis, Lorene Kunselman, Fern Fulkerson, Candy Boxwell, Linda Sanders, Jane Henton, Paula Foster, Dorothy Haner, Penny Ralston, Margarette Evans, and Janie Kunselman.

The next meeting will be in October. The program will be given by Sue Woolley. The hostess will be Ruth Bryan.

Auxilians to attend district meeting

Auxilians from Spearman and throughout the Panhandle will be attending the Annual District Meeting for the Texas Association of Hospital Auxiliaries in Pampa next week, according to Nancy Meredith Hooker, president of the state-wide organization.

Coronado Community Hospital Auxiliary in Pampa is hosting the meeting which will highlight information about volunteer programs, new health programs, and a motivational speaker, Monday, September 13.

Mrs. Eleanor Gill, past president of the CCH Auxiliary and District TAHA Councilwoman, said the guest speaker for the day will be Margaret Keyes of Austin, an educator, organizational consultant, and professional speaker. Her topic is "Rx for Volunteers".

Running concurrently with the TAHA session will be a meeting of the Texas Association of Volunteer Services, likewise being hosted by the Pampa hospital auxiliary, according to Mrs. Nan Osborne, TAHA co-councilwoman and

Get into action with 4-H

How would you like to join 4-H? You can, you know, if you really want to, and we'd be glad to have you.

4-H is a national youth program for all youth between the ages of 9 and 19 regardless of race, color, ethnic background, economic status or cultural differences. The Texas 4-H program is administered by the Texas Agricultural Extension Service, a part of the Texas A&M University System.

The purpose of 4-H is to develop leadership and character in young people. 4-H'ers learn by doing through actively working on projects and participating in club meetings and 4-H activities, says Jim Smith, county Extension 4-H program coordinator.

4-H clubs are organized in such places as rural, suburban and urban neighborhoods. Groups may be organized among neighborhood families in one or two city blocks, housing complexes or anywhere they are needed.

You can participate in a variety of projects in 4-H, such as foods, clothing, animal projects, electricity, photography, arts and crafts, and many, many others. In fact, almost anything you want can be a project, points out Smith.

Most important and most of all, 4-H is a lot of fun! Where else can you get together with other people your age and have fun while you learn? Boys and

girls in 4-H are always on the move doing something and participating in various activities.

For instance, the 4-H shooting sports project attracts numerous youngsters each year who are interested in learning to shoot and observe gun safety.

Livestock projects give youngsters a chance to be responsible for an animal and enter stock shows where they learn competitiveness and sportsmanship.

4-H'ers can even learn to make their own clothes through clothing projects.

Besides projects, other activities such as the share-the-fun give youngsters a chance to participate in organized recreation. County 4-H Fun Day, Day Camp or Rally Day is the time for playing games and making new friends. Members in 4-H can go on trips, take tours of interesting and educational places, and help finance their college education with scholarships awarded through 4-H.

Boosting the 4-H program is the private sector which provides great resources of money, personnel and materials for the advancement of 4-H. The many business and industrial leaders who support 4-H give significant testimony that 4-H is a valuable educational program for America's youth.

Remember, you are what you want to be in 4-H, emphasizes Smith. It is educational, inter-

esting, challenging and lots of fun.

The Spearman 4-H Club will meet Monday, September 13 at 7:00 p.m. in the Spearman County Barn. Gruver 4-H Club will meet Tuesday, September 14 at 7:00 p.m. in the Gruver County Barn. If you would like to join 4-H and cannot attend either meeting, please contact the office at 659-2136 or 733-2901.

4-H "Is"

Each year, beginning in September, more than 100,000 Texas Boys and girls aged 9 to 19 join millions of others throughout the country in the world's largest youth organization--4-H.

What is it and why do they do it?

A brief look into the nature of the 4-H program and what it has to offer youth and their families can provide the answers to these questions, says Jim Smith, County 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

First of all, 4-H is fun. 4-H'ers take part in a wide variety of enjoyable activities--club meetings, recreation, camps, learning laboratories and project work. Meanwhile, their families have the joy of working together on projects, participating in fun days, and enjoying a host of other opportunities, Smith says.

Secondly, 4-H offers educational experiences. Youngsters learn that learning can be fun. 4-H learning takes place in small group work, in individual work on projects, and in conjunction with adult volunteers and family members. They

learn at fairs and project shows of various sorts and in a variety of other "non-classrooms" environments.

In a sense, 4-H education involves youngsters in a "learn to do by doing" atmosphere where useful and practical skills and facts are learned.

Finally, 4-H is for everyone--young or old, rural or city, male or female--regardless of race or ethnic group. Furthermore, 4-H requires no membership fee or

dues. It is sponsored by the Texas Agricultural Extension Service which is a part of Texas A&M University System and by local, state and national donors.

So, become a part of 4-H, says Smith. You and your family will have fun, meet new people, and take part in many new and interesting activities.

Find out all about 4-H by contacting the County Extension office or enroll at the regular 4-H meetings to be held on Monday, September 13 in Spearman at 7:00 p.m. in the County Barn. Gruver 4-H will meet Tuesday, September 14 at 7:00 p.m. in the Gruver County Barn.

Continuum of alcoholism study

Panhandle area citizens who attend the Ninth Annual Panhandle Institute on Substance Abuse will be among the first to see an unusual document that outlines the status of alcoholism services in the region. The institute will be held Sept. 9 and 10 in the West Texas State University Student Activities Center.

The study was co-authored by representatives of the Panhandle Regional Planning Commission, the Amarillo Community Council, the Amarillo Council on Alcoholism, the Amarillo MH/MR Regional Center and the area office of the Texas Commission on Alcoholism.

It is the result of groundwork laid by the Amarillo Community Council in 1981. Based on research into the status of alcoholism treatment and rehabilitation services, the community council found that there is no method for complete coordination, of services for the alcohol abuser or his family.

During a March news conference, representatives of the five agencies responsible for the joint study announced that the Amarillo Council on Alcoholism should take on the role of primary intake, evaluation and referral point for the city and

eventually, the Panhandle region.

The bi-lateral committee then began work on defining the type of services that should exist not only in the Amarillo-Canyon area and the Panhandle region. They came up with a detailed flow chart that shows the direction care should take for the alcoholic and those affected by his drinking.

The chart and accompanying explanation covers the areas of intake, evaluation and referral; detoxification, treatment and recovery. During a special meeting of the Regional Alcoholism Advisory Committee, scheduled for 4:00 p.m., Friday, Sept. 10 at the end of the substance abuse institute, the chart will be made public for the first time.

At this point, the chart and narrative cover only the system that should exist for the alcoholic person who wants to enter recovery. Future work sessions will be devoted to expanding the study, producing flow charts for the status of services and formalizing the continuum of care in the metropolitan area and the region.

The institute begins with a keynote speech by Dr. Donald MacDonald of Florida, an expert on drugs and youth. It will also include presentations by area, state and national experts on alcohol and drug abuse. An outstanding worker in the field of substance abuse will be recognized during the two-day institute.

Legal Notice

CONTRACTOR'S NOTICE OF HANSFORD COUNTY BRIDGE CONSTRUCTION
Sealed Bids, addressed to Weldon Green, Auditor, Hansford County, Spearman, Texas 79081, will be received at the office of the County Auditor and/or the Commissioner's Court until 1:00 p.m., Central Daylight Time, September 13, 1982 for furnishing all plant, labor, materials and equipment and performing all work required for the construction of one multiple box culvert, 2-10 x 9-28, across Farwell Draw, located 0.9 miles West from the intersection of Main and Broadway in Gruver, Texas and South 0.4 miles.
All proposals shall be accompanied by cashier's or certified check upon a national or state bank in the amount of 5% of the total maximum bid price payable without recourse to the Commissioner's Court of Hansford County, Texas or a bid bond in the same amount from a reliable surety company, as a guarantee that the bidder will enter into contract and execute performance and payment bonds within ten (10) days after notice of award of contract to him. The notice of award of contract shall be given by the Owner within ten (10) days following the opening of bids.
The successful bidder must furnish performance and payment bonds upon the forms provided in the amount of 100% of the contract price from an approved surety company holding a permit from the State of Texas to act as surety.
The right is reserved, as the interest of the Owner may require, to reject any and all bids, and to waive any informality in bids received.
Plans, specifications and bidding documents may be secured from the office of Harvey W. Schmidt, Consulting Engineer, 314 Sunset, Amarillo, Texas 79106.
Attention of bidders is directed to the provisions of Article 5159 A, Revised Civil Statutes of 1925, as amended, requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of the foregoing project.
Bidders shall inspect the site of the work and fully inform themselves as to the conditions and matters which can in any way affect the work or the costs thereof.

OUR APOLOGIES!!

We apologize to all you, folks that check the TV Guide that we put in the paper each week. Due to the Labor Day Holiday, we did not receive it this week.

9th & JV Lynx To Meet Canadian

The Freshman and Jr. Varsity Lynx are planning to start their season off by playing the Canadian Wild-cats first this Thursday, September 9, beginning at 5 p.m. It should be a very good game indeed. The Freshman Lynx have a lot of talent on their team, all they need is a tough team to start the season off with and if they play good in that first game then "presto", they will have a very good season. Try and make it over to Canadian and check the action out.

The Jr. Varsity Lynx are fired up and ready for Canadian this Thursday-September 9. Their game against the Canadian JV will begin at 7 p.m. or

after the Freshmen square off. The Jr. Varsity has been looking good-although they lost both of their scrimmages against tough teams like Guyton and White Deer, the JV Lynx have the talent to be right up there with the best of them, and one of the "best of them" is the Canadian JV team. The JV Lynx are consisted of Sophomores and Juniors. Some of these could still work their way up to the Varsity level before the year is over. So, to all the Jr. Varsity Lynx members, all the games mean a lot. There are plenty of guys that have the potential to be on the Varsity and play with the intensity to win all the games. Try and make it to Canadian and check out the talented players on the JV Lynx team that are Varsity Bound. Each one will show you, the fan, just what he, the player, is good at and improve as the year goes on.

7th & 8th Lynx To Play At Home

Well, the season for the young football Lynx-the 7th and 8th graders, it will be a long journey but maybe a successfully long journey.

The 7th grade Lynx will begin their season against the tough Canadian Wild-cats at 5 p.m. This should be a good game, mainly because both teams have never played football competitively before. The game is set for this Thursday evening at Lynx Stadium. The more folks show up, the more the 7th Lynx will want to win. Each 7th grade member seems to be ready for the season. Since their first opponents is Canadian, then the 7th Lynx will know how good they are, because all Canadian teams are tough. Go on out to Lynx Stadium and check out the future Varsity Lynx.

The 8th grade Lynx will face

the tough Canadian Wild-cats at Lynx Stadium beginning at 6:30 or whenever the 7th grade game is over. These 8th grade Lynx were last year's (1981) 7th grade team-inexperienced and so forth. Well, now that they are 8th graders, these boys know what to look for and how to play. Go on over to Lynx Stadium and see how much they have improved. Last year these boys only had 19 players-barely enough to make two teams. Most of the guys went both ways, on Offense and Defense, getting tired by playing 4 quarters both ways against fresh opponents' Offensive and Defensive players. These guys have tremendous ability to win a game, and beating Canadian would be, oh so sweet, because all Canadian teams are tough. So go on over to check out the 8th grade Lynx, you can see how much they have improved.

Strake Talk

PROPERTY TAXES—GOOD INTENTIONS AREN'T ENOUGH

I want to talk this week about taxes and good intentions. As I travel around Texas, I notice that what's known as the Peveto Bill is the subject of much talk and controversy. This bill, named after state representative Wayne Peveto, is a tax reform law; legislation of the best intention.

The law was designed to end confusion and unfairness in the way property taxes were assessed. Property was often on different tax rolls at different values. Older properties went years, sometimes decades, without being revalued or updated. New construction and newly sold property was on the rolls at more correct values and so people who owned it paid a higher share of taxes. Some property was simply left off the rolls entirely. The system was confusing and inequitable.

In an attempt to correct these problems, the Peveto Bill created property tax appraisal boards for each Texas county. These boards were charged with the responsibility of set-

ting all property at its full value—as residential or commercial property or as land used for agricultural purposes. Taxes could then be levied on this accurately assessed property according to the needs of the taxing entities.

It sounded good, but it hasn't worked. The biggest problem is that the people on the appraisal boards are appointed, not elected. They are not accountable to the taxpayers. So now we have a new, faceless bureaucracy to deal with. It amounts to taxation without representation.

My opponent has been on both sides of this issue, first supporting the bill in the legislature—then doing an about-face and calling it bad legislation after it was passed.

The Peveto Bill, though well-intentioned, has created problems which must be dealt with in the next legislature and as your next Lt. Governor. I will do just that. If you have any thoughts on this subject, please write me at 1213 W. 34th, Austin, 78705.

George W. Strake, Jr.

Football Fever

FOOTBALL FEVER! an exciting Football Sports Spectacular will be shown at the Spearman Union Church, 31 S. Endicott, on Friday, Sept. 10, after the football game. Refreshments will be served.

Join the millions of fans who have caught "FOOTBALL FEVER" as this dynamic and unforgettable motion picture unfolds with outrageous football comedy, non-stop grid-iron action, and in-depth inspirational interviews with the best of the NFL!

You'll split your sides with the rib-tickling antics of football crazies and unbelievable bloopers! You'll cringe at bone-jarring crashes, head-on collisions and bell-ringing tackles. Thrill to memorable moments of football history.

FOOTBALL FEVER! will give you a fascinating look at the emotion-charged locker rooms of the BUFFALO BILLS and the

In case of doubt, don't borrow and don't lend.

PHILADELPHIA EAGLES, the computerized defence of the DALLAS COWBOYS, the sideline signal calling of the ATLANTA FALCONS and the pre-game spiritual preparation of the CLEVELAND BROWNS. You'll see top-notch action of players representing every team in the NFL.

Coaches and players from teams across the league powerfully share their personal faith and commitment to Jesus Christ. These dedicated super-athletes speak out on how they found meaning and purpose to life beyond the Super Bowl.

Pastor Steve Rogers of Spearman Union Church extends an invitation to each member of the community to attend this special showing and adds that "FOOTBALL FEVER!" is a film that will be enjoyed by every member of the family. There will be no admission charge for the film.

When in doubt about a controversial point, say nothing.

Perryton tennis classic draws near

With the entry deadline of September 15th only ten days away, already a number of quality players have signed up for the first annual Perryton Tennis Classic sponsored by KEYE Radio and Wolff's Sporting Goods. The tournament the kickoff of the fall tennis calendar will run September 18th and 19th in Perryton.

Already committed to the Championship Division for the event are Pampa's Stacy Foster and Rick Wertz, along with Amarillo's Frank McAlpine. Stacy Foster, a former Plainview native and WTSU net star is now the tennis coach at Pampa High School. Foster's achievements are many, with a 2nd place at the Missouri Valley Conference Championships in 1981, a win over the Big 8 Conference's number one ranked singles player at the National Michelob Light Invitational in 1981, eventually losing to the

tournament champion in the semi-finals, he won a singles and doubles title during the European Tour in 1980, most recently his winnings include the Amarillo Open, T Bar M, and Tri-State in 1981, and the Pampa Open in 1982.

Rick Wertz is a 1980 graduate of the University of Kansas. He was a three year all state player in high school, reaching the state semi-finals as a Senior. He also was a member of the National Champion Junior College tennis team and played a number of tournaments on the Professional Penn Circuit last summer. Wertz moved to Pampa this year, and his wins include this summer's T Bar M in Amarillo and the Canadian Open.

Frank McAlpine, the top over 35 player in the Tri-State area, didn't even play tennis until he was 24 years old. Since that time he has become the top over

35 tennis player in this area, and one of the top in the state. He has won every over 35 event he has played this summer except the Pepsi Cola event in Abilene where he was beaten by Bob McKenna, currently ranked 5th in the national standings.

The Perryton Tennis Classic will boast 1100 dollars in prize money in the men's Championship singles and doubles events, making this one of two money tournaments in the panhandle area. Breakdown of the prize money will see \$500 for the singles winner, \$300 to the singles runner-up, and \$100 to the runner-up doubles team. Any high school or college athlete winning any prize money may have it donated to the school athletic fund, or to charity in order to protect eligibility.

While the Championship Men's field headlines the tournament, other entries are encouraged in the A, B, and C division men's and women's singles and doubles, and the A and B Mixed Doubles as well. Entry deadline is Wednesday, September 15th, with matches beginning Saturday morning, September 18th. Information regarding entry or accommodations is available from the Tournament Director, Mike Coggins, at 3222 S. Ash, Perryton, 79070 or by calling (806) 435-3263.

Volleyball to begin

Women's Volleyball League will begin with practices Tuesday, September 7th and Thursday, September 9th. Plans are to begin league play the week of September 13th in the junior high school gym. To enroll as a team or individual please call the YMCA 659-2591. The cost is \$50 per team and each team player must have a current YMCA membership to participate.

Isn't it?

Isn't it odd how each family on Main Street wonders how its neighbors can consistently live beyond their means?

Boy's & Girl's Flag Football & Cheerleading

The Hansford County YMCA will offer these three programs for boys and girls in the 1, 2, 3, 4, 5, and 6th grades beginning with clinics and practices on Saturday, September 11th.

Girl's Flag Football is a new program this fall and will be for girls in the 4th, 5th and 6th grades. Boy's Flag Football will be for those in the first through sixth grades. A clinic and practice will be conducted on

ing. The cost for the Flag Football will be \$7.50 for Y members and \$15.00 per child for non-Y members and includes T-shirt which is kept. Any parent who would like to assist in the Flag Football program as a coach or assistant coach is asked to call the YMCA or make a designation on the registration form.

Girls' Cheerleading will be continued for those girls in the 1st, 2nd and 3rd grades. Cindy Schneider will help coordinate the program and arrange for the junior high school cheerleaders to conduct a clinic on Saturday, September 11th from 9:30 a.m. - 11:00 a.m. The girls will be cheerleading during the boys' flag football games on Saturday mornings, beginning September 18th. Cost is for Y members \$7.50 and non-Y members is \$15.00 which pays for a T-Shirt.

Saturday, September 11th from 10 a.m. - 11:30 a.m. on the field east of the Y. Teams will be organized at that time. Practices will be during the week, after school. Games for the boys will be on Saturday mornings, with girls games in the afternoon. Not knowing the number of girl's teams and the like the number of games and times will be determined by the coaches and announced after organiz-

Bike-A-Thon for St. Jude Set

Wheels are turning to help save children's lives...St. Jude Children's Research Hospital is proud to announce that Deanne Latham has been named to lead the 1982 Fall BIKE-A-THON in Spearman.

Clifford Damstrom is the St. Jude Director for the Southwest Region.

"St. Jude Children's Research Hospital is the largest childhood cancer research center in the United States, and it is the first research center dedicated exclusively to the research and conquest of catastrophic diseases of children, such as cancer and other life-threatening diseases," Damstrom stated. "When St. Jude accepted its first patient in 1962, the survival rate for children diagnosed with acute lymphocytic leukemia was less than 5%. Today, the disease free survival figure for children has grown to over 50%. Cancer

Treatment procedures that originated at St. Jude are now being used to treat children throughout the United States and in other parts of the world. Such progress has brought world-wide acclaim to St. Jude."

"Children come to St. Jude for one purpose: A CHANCE TO LIVE!" Damstrom stated. With the wheels turning in this Bike-A-Thon, you will be making it possible for these children to have a chance to live! You will make it possible for daily treatments to continue. You will enable basic research into the cause and cure for cancer to continue. MAKE YOUR WHEELS TURN IN THIS BIKE-A-THON!!

Danny Thomas, who founded St. Jude Children's Research Hospital because of a vow, stated its purpose clearly: "To wipe catastrophic diseases of children from the face of the

Earth."
"Since Thomas opened the research center in 1962, his dream of conquering cancer and other diseases that destroy our children has been brought closer to reality," stated Damstrom. "Thomas is still

extremely active in pursuing this goal, and he inspires all of us in this cause."
The BIKE-A-THON in Spearman, Texas is scheduled for October 9, 1982 with a rain date of October 16, 1982.
Details of the Bike Ride will be announced later.

Personal financial planning course here

Beginning Sept. 14, Frank Phillips College is offering a course in personal financial planning. Instructing will be Roy M. Lusk, a Certified Financial Planner, with E.F. Hutton.

Most who reach some degree of success financially in life don't have time for 2 careers. Yet is today's economic environment we need to know how to keep intact what we earned... this is that 2nd career. Come... hear about the...money game of financial planning and learn how to win. The course will be at 7 p.m. at the Spearman High School Tuesday, Sept. 14. The

fee is \$20 registration and will be using Venita VanCaspel's book "Money Dynamics for the 1980's" which is \$16.
The course will last 10 weeks (one night a week).

Inflation Worries

As more and more people begin to think about adjustment to life in retirement, two problems emerge in sharp focus. One is how to afford it, and the other is what to do with it.

-Post, St. Louis.

Enrollment of Lynx band increases

The Spearman Lynx Band is preparing its first halftime show and the band will be somewhat larger this year. The hornline consists of 24 brasses and woodwinds, the percussion section consists of 10, and the color guard consists of 12 flaggers, for a total of 46 band members.

Much excitement will be generated by the corps-style show design which allows the band to appear much larger than it actually is by using the flag corps, hornline and percussion section in special ways.

The breakdown is as follows: HORNLINE--Alicia Ochoa, FLUTE--Tammy Welch, CLARINET--Tracy Taylor, Shella Schneider, SAXOPHONES--Nita Baker and Jeff Gressett, TRUMPETS--David Tucker, Tonya Curtis, Charlie Godfrey, Edward Beck, Brian Paul and Ruben Gomez. FRENCH HORN--Terje Thøgersen and

Jeese Moore, TROMBONE--Preston Taylor, Newell Peary, Chris Christy, Angela Galtner, and Jaime Gomez. EUPHONIUM--Ernest Bowen, Greg Reimer and Karl Bynam. TUBAS--Joe Gomez and Cristie Black. PERCUSSION LINE--Greg Meek, David Sorgi, Mary Ann Kenney, Lena Scroggs, Cynthia Hendrick, Rudy Saldivar, Michael Lopez, Shannon Scroggs, Karl Kizlar and Pearl Pacheco. FLAG CORPS--Pynn Brown, Bambi Berger, Julie Kell, Tisha Percy, Lee Barnes Ann Barnes, Angela Coombs, Mary Anne Brinson, Alicia Langston, Sara Avila, Vicki Hand and Teresa Miesner.

Hornline Captains are Tracy and Preston Taylor. Guard Captains are Yynn Brown and Bambi Burger and Percussion Captains are Greg Meek and Mary Ann Kenney.

8th Annual Allsup's marathon

The 8th Annual Allsup's/Clovis Marathon is slated to begin on Saturday, 7 a.m. October 9, 1982 in Clovis, N.M. Over 400 entrants are expected to enter this years event which is certified by the Amateur Athletic Union (AAU).

The Allsup's/Clovis Marathon, sponsored by Allsup's Convenience Stores, Inc., will offer runners a flat, asphalt surface with choice of three courses: 26.2 mile marathon, 13.1 mile half marathon, and a 10 kilometer course. Classes include: Men; 1st five in up to 14, 15-29, 30-39, 40-49, 50-59, 60 plus age groups with trophies for the first 5 overall and first 3 in each class. Women: 1st three in up to 15, 16-29, 30-39, 40 plus age groups with trophies for the first 3 overall and first 3 in each class.

In addition, Joe Henderson, world famous writer, editor and speaker on the subject of running will be in Clovis to compete and as guest speaker.

Registration fee is \$7.00 before September 25th and \$9.00 after

Mr. Henderson will speak at the kick-off dinner to be held Friday, Oct. 8th, beginning at 7 p.m., mountain time. He is presently the Executive Director of International Runners Committee and holds many coveted honors and awards including being a former state high school champion 7 times in cross country and track in Iowa. He has won the Road Runners Club of America Journalism Award, he is in the RRCA Hall of Fame as well as being the author of 11 popular books on the subject of running.

All runners are invited to come to the dinner and hear Joe Henderson speak, and compete in the 8th Annual Allsup's/Clovis Marathon. You may register until Oct. 8th at 8 p.m. by writing Royce Jones, 3532 Brynhurst Court, Clovis N.M. 88101 or by calling (505) 762-5010.

Deadline nears for all-risk wheat insurance

September 15 is the last date on which applications will be accepted for All-Risk insurance policies on 1983-crop wheat. All-Risk Crop Insurance Field Operations Director F.W. "Ted" Crouch, Jr. says that a list of local agents who offer the insurance can be obtained by contacting the county ASCS office.

Crouch says that the number of applications received to date and the interest expressed by wheat growers suggests that the amount of insurance in force will be a record high. "One major reason," Crouch notes, "is the continuing increase in crop production costs. Many

wheat growers simply do not have the necessary cash reserves or additional borrowing capability to take a chance on losing the money that they will have invested in their crops."

"Another reason," the insurance official contends, "is the reduced cost of purchasing insurance." The federal government, in an effort to encourage participation in the program, pays up to 30% of the cost of the protection. Anticipated sign-up also is expected to be higher because a growing number of lenders are requiring or suggesting that borrowers carry at least enough coverage to provide for repayment of production loans.

Austin—Governor Bill Clements said today he is "pleased" the unemployment rate in Texas once again has declined. Unemployment figures released Friday show that Texas' seasonally adjusted unemployment rate declined 0.3 percent from 7.0 percent to 6.7 percent last month.

"It proves what I have been saying all along," the Governor said. "Texas will lead the recovery because we have a strong and resilient economy here. It is clear from all economic evidence that a national recession hits Texas last and, at least, it comes to Texas last and

it certainly leaves us quickest," Clements said.

"The U.S. Department of Labor, Bureau of Labor Statistics, data shows that Texas created 64,000 new jobs during the month of August and in fact, Texans accounted for 60 percent of the increase in seasonally adjusted employment in the entire United States for the month."

"We in Texas will beat the effects of this national recession," the Governor continued, "because no matter what anybody tells you...Texas is the best place in America to live and do business."

Clayton to speak at "Appreciation Night"

House Speaker Billy Clayton is to be the featured speaker at an "Appreciation Night" honoring 88th District State Representative J.W. "Buck" Buchanan slated at 7 p.m. Tuesday, September 14, in the Lions Club Building in Dumas.

Representative Gib Lewis, conceded to be Clayton's successor as house speaker, is also expected to attend along with several other Panhandle-Plains area lawmakers.

Buchanan, who is serving his second term in the legislature, is a candidate for re-election in November.

In the interim between his legislative terms, he was man-

ager of the North Plains Water Conservation District and continues to be concerned with the vital problem of water conservation as a legislator.

He is presently vice chairman of a joint House-Senate task force seeking ways to deal with the increasingly serious problem of maintaining adequate water for the state, particularly the High Plains area he represents.

Representative Buchanan also serves on numerous area and regional bodies concerned with water conservation.

A reception will be held at 6:00 p.m. preceding the appreciation night activities at the First National Bank of Dumas basement for those wishing to meet Speaker Clayton.

"Ding Dong Daddy" steals

and a program of entertainment will be provided for guests at the appreciation event.

Our Heritage of Faith

"The best time to do something is between yesterday and tomorrow."—Pulpit Helps. That is applicable each day!

This Sunday we welcome Pastor (Retired) Carten McKemy as our guest pastor. Sunday School is at 9:45 a.m. Worship is at 10:45 a.m.

On Thursday at 7:30 p.m. on September 16th we have a special Stewardship Seminar on the new tax laws, estate planning, trusts, etc. The Lutheran Social Services of Texas has developed this program. Attorney Cecil Biggers of Spearman will present part of the program. Pastors Gerald Leaf and Arlyn Hausmann of Austin will present the remainder of the program. The public is invited to share this special Seminar.

Bruno Gaskamp, Pastor

Two injured in PU wreck

Two Spearman men, one a newcomer, were seriously injured in a pickup accident about 11 p.m., Saturday, 9.3 miles north on the airport road, according to Department of Public Safety Officer Max Gunn who investigated the mishap.

Newcomer "Lucky" Joe Conley, driver of the vehicle, was in the intensive care unit at Northwest Texas Hospital, Amarillo, but his condition had stabilized.

His passenger, Douglas Eugene Medley, Route 3, Spearman, was in guarded condition at press time.

Both men were expected to recover.

No reason was given for the accident. Officer Gunn said investigation into the mishap was not complete.

Thus Hansford County contributed two to the accident count over the Labor Day

holiday although the area escaped any contribution to the death toll predicted for the period.

Clements pleased "unemployment" declines

Trailer-Tractor collide at Stratford

Mr and Mrs. Elvin Martin were in a tractor-trailer accident near Stratford on Labor Day, Monday Sept. 6. The Martins were going to Eagle Nest and as they approached Stratford, a farm tractor side swiped their trailer. Neither Elvin nor his wife Mildred were injured in the accident.

Both doors on the trailer were wedged shut as a result of the collision with the farm tractor.

If you have done no ill the six days, you may play the seventh.

Clerk-Carrier Examination Set Sept. 13 & 14

Postmaster T. Ray Robertson, Spearman, TX 79081, has announced that the Clerk-Carrier entrance examination will be opened to the public September 13, 1982, 8:30 a.m., and will close to the public, September 17, 1982, 4:30 p.m., and urged that all those interested, apply to take the job-related test that can lead to Postal employment.

There are no openings at present. This examination will replenish the register from which vacancies are filled. We anticipate hiring approximately two (2) people during the next two years from the hiring register which will be established from the applicants qualifying on the examination.

Postmaster Robertson explained that those interested in applying to take the job-related

test could do so by contacting the Postmaster, in person, United States Postal Service, Spearman, TX, during the period September 13, 1982, 8:30 a.m., through September 17, 1982, 4:30 p.m.

Starting salaries for both clerk and carrier, part-time, PS-5, is \$9.95 per hour.

Applicants will be notified of date, time and place of examination. ALL QUALIFIED APPLICANTS WILL RECEIVE CONSIDERATION FOR EMPLOYMENT WITHOUT REGARD TO RACE, RELIGION, COLOR, NATIONAL ORIGIN, SEX, POLITICAL AFFILIATIONS, HANDICAP, OR ANY OTHER NON-MERIT FACTOR.

A look at 4-H membership

Some 140,000 Texas youth between the ages of 9 and 19 are members of the action-oriented, "learning by doing" program called 4-H.

4-H is the youth share of the educational efforts of the Texas Agricultural Extension Service, established in 1915 to diffuse among the people practical information relating to agriculture and home economics, points out Jim Smith, County 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System.

However, 4-H goes back farther than that. 4-H actually had its beginning in 1908 in Jack County when a boys corn club was organized to help grow better corn. Shortly thereafter, girls got involved as organized

groups such as tomato clubs, canning clubs and poultry clubs.

4-H in Texas has grown from an organization for farm boys and girls to one that is quite diverse in its makeup, says Smith.

Girls now consistently outnumber boys in the program. Current figures show 72,129 girls to 67,653 boys. And about half of today's 4-H'ers—68,783—come from towns and cities larger than 60,000 people. More than 33,000 still live on farms and ranches while some 37,000

live in small towns and rural non-farm areas. Of these 4-H'ers, more than 66,000 are active in about 2,000 community 4-H clubs. The remaining 74,000 4-H'ers participate through a number of different programs.

Assisting County Extension agents and the Texas 4-H staff to carry out effective learning activities and programs are some 15,000 volunteer leaders, notes Smith. Volunteer leaders organize many 4-H activities and conduct worthwhile learning experiences for 4-H boys

and girls. They are a vital cog in the total program, from recruitment to providing expertise in teaching various subject areas. Any interested individuals are invited to join the ranks of the 4-H volunteer leaders.

4-H continues to be a vibrant organization that is leading the way in helping youth learn practical skills and gain a knowledge of their environment that will make them better citizens and leaders of tomorrow, says Smith.

The Spearman 4-H Club will meet Monday, September 13 at 7:00 p.m. in the County Barn. The Gruver 4-H Club will meet Tuesday, September 14, at 7:00 p.m. in the Gruver County Barn.

Yasser Arafat, PLO leader: "Don't forget that I am chairman of the PLO and the leader of the Palestinian armed forces."

Casper W. Weinberger, Secretary of Defense: "We have to keep pace with them (the Soviets), not in a quantitative way, but in making our deterrent continue to be effective."

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOVEMBER 2, 1982

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment that prohibits any state ad valorem tax. Receipts from previously authorized state ad valorem taxes that are collected after the effective date of the proposed amendment shall be deposited to the credit of the general fund of the county collecting the taxes and may be expended for county purposes. Taxes collected before that date shall be distributed by the legislature among educational institutions eligible to receive those funds under prior law. The proposed amendment also repeals a section of the Constitution levying an ad valorem tax for a construction fund for 17 state colleges and universities.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment repealing the state property tax."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 62 as amended by Senate Joint Resolution 10 proposes a constitutional amendment that would eliminate the \$80,000,000 ceiling on state welfare aid during any fiscal year.

The amendment would set the state welfare spending limit at \$160,000,000 for the 1982-1983 biennium.

The amendment further provides that, for each subsequent biennium, the maximum amount spent for state welfare shall not exceed one percent of the state budget.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to provide assistance through the appropriations process to needy persons and to place a ceiling on payments for needy dependent children at one percent of the state budget."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed and the exemption would apply to corporations and partnerships as well as to families and individuals.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting implements of husbandry (agricultural machinery and equipment) from ad valorem taxation."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 77 proposes a constitutional amendment that would authorize the Legislature to set a four year maximum term of office for board members of certain water districts and conservation and reclamation districts.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the Legislature to provide terms not to exceed four years for members of governing boards of certain water districts and conservation and reclamation districts."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 119 proposes a constitutional amendment that would authorize Tarrant and Bee counties to hold county-wide elections to abolish the county treasurer's office by majority vote.

Should the county treasurer's office be abolished, the duties, powers, and functions of that office would be transferred to the county auditor or the successor to the auditor's functions.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to abolish the office of county treasurer in Tarrant and Bee counties."

PROPOSITION NO. 6 ON THE BALLOT

Senate Joint Resolution 6 proposes a constitutional amendment that would raise the constitutional interest rate limit on state general obligation bonds from 6% to 12%. The new 12% ceiling does not, however, apply to bonds issued by the Veterans' Land Board.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment increasing the maximum interest rate allowed on state general obligation bonds to a weighted average annual interest rate of 12%."

AVISO PUBLICO

Brevés Declaraciones Explicativas De Las ENMIENDAS CONSTITUCIONALES PROPUESTAS ELECCION GENERAL 2 DE NOVIEMBRE DE 1982

PROPOSICION NUMERO 1 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 1 propone una enmienda constitucional que prohíba cualquier impuesto estatal por avalúo. Los recibos de impuestos estatales por avalúo anteriormente autorizados que son cobrados después de la fecha efectiva de la propuesta enmienda a esta sección serán depositados al crédito del fondo general del condado que cobra los impuestos y pueden ser gastados para los fines del condado. Los impuestos que son cobrados antes de esa fecha serán distribuidos por la Legislatura entre las instituciones educativas que son elegibles para recibir esos fondos bajo ley previa. La propuesta enmienda también revoca una sección de la Constitución que impone un impuesto por avalúo para un fondo para la construcción de 17 colegios y universidades estatales.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que revoca el impuesto estatal sobre la propiedad."

PROPOSICION NUMERO 2 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 62 tal como fue enmendada por Resolución Conjunta del Senado 10 propone una enmienda constitucional que elimine el límite de \$80,000,000 de asistencia pública estatal durante cualquier año fiscal.

La enmienda establecería el límite de gastos de asistencia pública estatal a \$160,000,000 para el bienio 1982-1983.

Además la enmienda provee que para cada bienio subsiguiente la cantidad máxima que se pueda gastar en asistencia pública no será en exceso de 1% del presupuesto estatal.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer asistencia por el proceso de asignación a necesitados y establecer un límite sobre los pagos para niños dependientes necesitados de un por ciento del presupuesto estatal."

PROPOSICION NUMERO 3 EN LA BOLETA

Resolución Conjunta del Senado 8 propone una enmienda constitucional que exención de la imposición de impuestos la maquinaria y el equipo que se usan en la producción de productos agrícolas y ganaderos. No se impondría límites de dólares y la exención se aplicaría a las sociedades anónimas y colectivas tanto como a las familias y los individuos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que exención los implementos de producción agrícola (maquinaria y equipo agrícola) de la imposición de impuestos por avalúo."

PROPOSICION NUMERO 4 EN LA BOLETA

Resolución Conjunta de la Cámara de Representantes 77 propone una enmienda constitucional que autorice a la Legislatura establecer un límite de cuatro años para los plazos de los miembros de las juntas de ciertos distritos de agua y distritos de conservación y reclamación.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que autoriza a la Legislatura proveer plazos de no más de cuatro años para los miembros de las juntas gubernantes de ciertos distritos de agua y distritos de conservación y reclamación."

PROPOSICION NUMERO 5 EN LA BOLETA

Resolución Conjunta No. 119 de la Cámara de Representantes propone una enmienda constitucional que autorice a los condados de Tarrant y Bee celebrar elecciones en los dos condados para anular por mayoría el oficio de tesoroero del condado.

Si se anula el oficio de tesoroero del condado, se cederán los deberes, poderes y funciones de dicho oficio al auditor del condado o al sucesor de las funciones del auditor.

La enmienda propuesta aparecerá en la boleta como sigue:

"La enmienda constitucional que anula el oficio de tesoroero del condado en los condados de Tarrant y Bee."

PROPOSICION NUMERO 6 EN LA BOLETA

Resolución Conjunta del Senado 6 propone una enmienda constitucional que aumente el límite de la tarifa constitucional de interés en los bonos generales estatales de obligación de 6% a 12%. Sin embargo, el nuevo límite de 12% no se aplica a bonos emitidos de la Junta de Terrenos para Veteranos.

La propuesta enmienda aparecerá en la boleta como sigue:

"La enmienda constitucional que aumenta la tarifa máxima de interés que se permite en los bonos generales estatales de obligación a un promedio ponderado de 12% de interés anual."

Gruver-Guymon: 'tooth 'n' toenail' tilt!

"This will be a 'tooth-and-toenail' ball game. The team that wants it the most will win this game!"

That was Gruver Greyhound Head Coach Rick Nix' capsule comment concerning the coming "grid-grinder" with Guymon, Friday night.

There was no gloom in camp Monday when Coach Nix talked to the STATESMAN as all Gruver squads spent an early holiday morning at both "cal" and practice.

"Sure, Vega beat us 19 to Zip." Coach Nix led off the Monday post mortem of the Friday night bout with Vega. "But they didn't really 'scratch' until the fourth quarter when we defeated ourselves, actually, between mishandling the ball and scattering the team. Look at the stats."

Vega managed a safety in the first quarter.

Nobody scored in the second quarter.

Vega's Joe Potter got a long field goal in the third stanza.

Potter and Brian Taylor scored a touchdown each in the fourth segment and Potter

followed each with a point-after.

"Our big disappointment was our offensive line," Coach Nix said. "In both scrimmages we were really pleased with that line. In the game against Vega, it was nothing. We were pleased with our backfield but they have to have some help from that offensive line."

"On top of that, you remember I told you last week that Vega's strong point was their defense. Our backfield, particularly our quarterback, could do nothing when every play he stood nose-to-nose with an opponent before he could take a passing stance."

Sophomore Chad Logsdon skipped the Greyhound squad against Vega but Nix said it was impossible to evaluate him fairly because of poor performance by the offensive line.

"I will say this," Nix state emphatically. "We consider both our quarterbacks first-string men. We will probably use them equally next Friday."

The other quarterback is Junior Doug Garrett.

"The turning point in the Vega game was in the third

quarter," the Greyhound mentor observed. "We were first-and-one-to-go and mishandled the ball three times. You don't fumble 12 times and win a ball game."

"Our defense was good the first quarter; excellent the second period and still strong in the third quarter, but... there was no defense for Gruver in that last period."

The Vega post mortem over, Coach Nix turned to the coming clash with Guymon:

"This team is bigger than Vega size-wise. Like Vega, Guymon's strong point is defense. Offensively they are considerably behind their defense. They are trying some new stuff offensively and they haven't sorted it out yet."

Asked what remedies he was going to try between Vega and Guymon, Nix said:

"Some hard work -- especially on conditioning. We are not going to play anything different from what we have been practicing. Personnel-wise, there will be no changes--unless there are, some worse bruises

than we have seen. We were lucky in the Vega game and suffered no injuries other than scratches and bruises."

So, with a tandem try of quarterbacks Logsdon and Garrett, the offensive lineup will include Collier, Clawson, Hawkins, Fletcher, Dillow, Cator, Shipp, L. Burnam, M. Burnam and Barton.

Defense will include Martin, Clawson, M. Cator, D. Cator, Villalobos, Hawkins, M. Burnam, L. Burnam, Been, Clingan and Barkley.

The following week the Greyhounds' third game of the season will be at Spearman in the third game of the renewed rivalry between the across-the-creek neighbors.

When politicians forget principles of government in order to gain votes, representative government inevitably loses ground.

Time to think is as important as time to work.

Antique machinery show set

A glimpse into the past may be seen at the fifth annual Golden Spread Antique Engine, Machinery, and Tractor Show to be held Saturday and Sunday September 18-19 on the Donald Sell farm near Perryton, Texas.

A large number of antique steam engines, tractors, cars, trucks, gasoline engines, as well as horse drawn equipment will be a part of the show.

Although the grounds are open for viewing all day, a time to see the equipment in action will begin at 1:30 p.m. each day. The activity includes a parade of horse drawn equipment such as a header and barge, reaper, plows, and antique tractors, cars, trucks, and steam engines. There will be slow and fast steam engine races. The activity will conclude with an old time wheat threshing.

Worship services will be held on the grounds at 9:00 a.m. Sunday. Food and camping space is available. An admission charge of \$2.50 is charged for ages 12 and older. Children under 12 are admitted free.

The show is a result of an Association organized by people interested in antiques and in preserving a bit of the past for future generations.

The Donald Sell farm is located 10 miles east of Perryton, Texas on FM 377 and then 5 miles south on FM 2711. More information may be received by writing Donald Sell Route 2 Perryton, Texas or Richard Sell Route 2 Booker, Texas.

Guest exhibitors are welcome at the show.

Association members from Spearman are J.D. Wilbanks (who is an excellent steam engine engineer), Mr. & Mrs. Fred Groves, and Qua Crum.

FNB art show is big success

The First National Bank, in cooperation with the Ochiltree County Art Association, was host this week to 80 local artists displaying 250 works. The show was larger and more successful than anyone could have dreamed.

In order to decorate its expanded and remodeled building, the bank asked artists within a 100-mile radius of Perryton to submit up to three works along the theme of "The Southwest: Yesterday and Today." Twenty-five works selected by a five-judge panel were purchased and six works will be displayed on loan.

Perryton artists whose work was purchased by First National Bank are Byron Simpson, "Pumpin' Thunder"; Pat McAllister, "Abandoned Barn"; June Sexton, "Dry Hole"; June Cook, "Pathway"; Pearl Gibson, "Homestead"; Kay Cameron,

"Whisper of the Past"; Ann Holmes, "Beginning of the Breaks"; and Alta Williams.

Other area artists whose work was selected for purchases include Marilyn Yanke of Sunray, Karen Reimer of Spearman, Lewis Minnick of Pampa, Bryan Test and Jo Dunton of Guymon, LaNell Poling of Fritch, and Tom Beasley of Gruver. Darlene Holmes of Pampa, Travers Green of Lipscomb, and Roy Judd of Hooker, OK each sold two works to the bank.

Three oil paintings were purchased from 28-year-old William Elliott of Fritch. One, entitled "Dixon Creek," commanded \$1,500 -- the top price paid by First National. Elliott, who has had no formal art training, started painting only about six years ago. He paints in his free time from photographs he shoots, with inspiration from old masters.

Rape Awareness Seminar planned

Boy Scout Troop 551 is sponsoring a Rape Awareness Seminar. The seminar will be on Monday, September 13, 1982 in the Spearman High School Auditorium, 7:30 p.m. The seminar is presented by the Rape Crisis and Sexual Abuse Service of Amarillo, Texas.

- Topics to be discussed:
1. Services of Rape Crisis.
 2. What is a rape?
 3. Types of Rapists.
 4. Children and Sexual Abuse.
 5. Precautions.
 6. What to do if attacked.
 7. Questions and answer.

We encourage everyone to attend this seminar. We hope that through this seminar we can create a community awareness of this problem and how to deal with it.

Admission Free

Girlstown open house Sept. 18

The Borger Campus of Girlstown, U.S.A. will celebrate her 15th Birthday on Saturday, September 18, 1982 with her annual Open House and Bar-B-Que. We feel we have an exceptional program planned and ask that you please help us publicize this upcoming event.

Highlights of our 2:00 p.m. program are:

Hello,
My name is Kimberly Mayes and I live at Girlstown, U.S.A. at Borger. All of you have been so nice to us the eight years that I have lived here that I want to invite you to come to our 15th Annual Open House and Bar-B-Que on Saturday, September 18, 1982. Our program will begin at 2:00 p.m. and our Bar-B-Que will be served from 3:00 p.m. to 7:00 p.m. for only \$2.00 per plate. Mr. Marshall Cooper will be our guest speaker this year. All of you please come and help us have a big Open House.

Not all hunters are out for game. ****

Mr. Marshall W. Cooper, Executive Director of Girlstown, U.S.A. will be our speaker this year. He will speak on the past, present and future of Girlstown, U.S.A. Crowning of Miss Girlstown, U.S.A. at Borger 1982.

Hello
My name is Naomi Powers and I live at Girlstown, U.S.A. at Borger. I have lived here for 3 years now and have appreciated all of the help each of you have been during that time. I want to invite you to our 15th Annual Open House and Bar-B-Que on September 18, 1982. Our program will begin at 2:00 p.m. and our Bar-B-Que will be served from 3:00 p.m. to 7:00 p.m. It only costs \$2.00 per plate. We would really enjoy having you all come and visit with us. The girls will be conducting tours of the Campus and we would be glad to answer any questions that you may have about Girlstown, U.S.A. at Borger. I would like to thank all of you for the support you have given us here. Hope to see all of you on Saturday, September 18, 1982.

In Fashion

The frontier look is popular with all ages. The flounce bottom skirt, in solid or print, is topped with plaid or solid blouses featuring ruffles at the shoulder or neck to reflect a romantic country air.

GUYMON LIVESTOCK AUCTION

September 1, 1982 -- 2570 Lattle 40 Hogs

The Market would be \$1.00 to \$3.00 lower on the good steer and heifer calves, and \$4.00 to \$5.00 lower on the plainer kind. Our feeder Market was very active with alot of buyer demand from local feedyards. \$61.50 was top on the good hogs.

Ring-neck pheasant transplanted in '39

The ring-neck pheasant is a hardy and most adaptable bird. It was first introduced into the United States around 1790, but not until 1881 in Willamette Valley in Oregon did the ring-neck pheasant establish itself in the United States, said Soil Conservationist John Rogers with the Soil Conservation Service in Perryton. These birds came from the American consul General office in Shanghai, China.

Rogers said the first successful transplants of pheasants in the Texas Panhandle took place in 1939 and on the Texas Gulf Coast in the 1970's. The ancestry of these birds is a mixture of Chinese, Korean, and Manchurian birds.

The ring-neck has established its habitat in and around fields where grain crops such as corn, grain sorghum, and small grains make up a large part of the cropping system. It has also shown great affection for irrigated croplands in contrast to dryland cropland that have identical cropping systems.

As an adult the ring-neck is a seed eater, while pheasant

chicks for the first five weeks of life subsist entirely on insects because of their high need for protein, said Rogers. An adult pheasant's diet consists of about two-thirds vegetable matter and one-third animal mat-

ter. Domestic grains such as corn, grain sorghum, wheat, barley, soybeans, and other domestic crops provide the bulk of their diet. In the spring and summer insects provide a large amount of the animal matter in

their diet. The winter diet of the ring-neck consists of a significant amount of weed seeds such as ragweed, careless weed, smartweed, and crotons.

The ring-neck will move freely over a wide area to fulfill its life needs; however, if adequate food and cover are available year round it will spend most of its life on a square mile or less. Pheasants are not migratory birds, but may shift areas seasonally, depending on the weather. Therefore proper use and management of crop residues, leaving brush in fence rows, odd areas, tailwater pits and play lakes will provide the pheasant excellent cover and food. Destruction of these areas and burning of crop residues will lower the overall carrying capacity of the area. Leaving strips of unharvested grain is also useful.

Rogers said crop rotation is also important because cover and food can be maintained year round. For example, if grain sorghum and wheat are grown on the same farm there could be waste maize for food in the fall and winter and waste wheat for food in the summer plus adequate cover could be provided by maintaining the stubble instead of plowing it under or burning it off.

Pheasants have a high death rate, normally up to 75 per cent of the fall population will not survive a full year, said Rogers. This can be accounted for by such factors as starvation, predators, accidents, and winter kill. Research has proven that hunting makes no significant difference in this turnover rate.

For more information or wildlife habitat or other conservation practices contact the Soil Conservation Service

Police Report

For the reporting period of 9-1-82 to 9-6-82 the following were the activities of the Spearman Police Department.

ACCIDENTS:

On Thursday 9-2-82 at 1:00 p.m. an accident occurred in the 300 block of Hancock. Unit #1, a 1974 gold Chevrolet pickup, operated by Gladys Lorene Riddle of Spearman and Unit #2, a 1973 turquoise Cadillac four door. Unit #2 was legally parked, and opened by Dalasene Reynolds of Spearman. Unit #1 was backed from a parking place next to Unit #2 and the driver cut her wheels to quickly causing Unit #1 to strike Unit #2.

OFFENSE REPORTS:

On Wednesday 9-1-82 at 2:32 p.m. the police department received a report of a truck bearing license 1BA-389 losing parts of its load. The truck had turned West on Highway 15 from Highway 207 enroute to the City Dump. The truck was carrying a load of old roofing shingles and a large quantity of the shingles were falling from the bed of the vehicle. Officer Goehring was dispatched and located the vehicle at the City Dump, the driver of the truck was identified and was advised to go pick up the shingles he had lost and to be in Municipal Court on Monday September 13, 1982 at 10:00 a.m.

On Wednesday 9-1-82 at 9:39 p.m. an Amarillo resident was arrested for public intoxication from the Nursanickel Motel. The subject was fined and released from the public intoxication charge. Also a check of the subject on the teletype system found her to be wanted by the Sheriff's Office in Dallas, Texas. The subject posted bond on the Dallas charges and was released.

On Thursday 9-2-82 at 3:10 a.m. a Clayton New Mexico resident was stopped on a traffic violation and the subject was arrested for unlawful carrying of a weapon, clubs. Subject was arraigned and bond was set.

On Wednesday 9-1-82 at 8:25 a.m. a warrant and a complaint was filed against a Spearman

resident for issuance of a bad check.

On Saturday 9-4-82 at 8:58 a.m. a Spearman resident was questioned about an assault on the Animal Control Officer, and a complaint of releasing a dog from impoundment. Charges are pending at this time.

On Saturday 9-4-82 at 9:01 p.m. a Phillips resident was stopped by Officers Stephens and Madrid for turning from the wrong lane. Subject was then arrested for possession of marijuana and possession of a controlled substance. Subject was held in Hansford County Jail pending judicial action on Tuesday 9-7-82.

On Saturday 9-4-82 a complaint was received by a Spearman resident of a peeping tom in the 100 block of N. Endicott. Officer Madrid was dispatched and observed a subject looking in a window. Officer Madrid advised the subject to halt, but the subject took off on foot. Officer Madrid gave pursuit on foot, but lost the subject in the alley.

On Saturday 9-4-82 at 10:09 p.m. a complaint was received by a Spearman resident that a mail box had just been hit. The complainant advised the vehicle was a brown Golden Eagle Jeep. Investigation is continuing at this time.

On Sunday 9-5-82 at 3:45 p.m. the fire units and the police units responded to a call of a vehicle fire in the 700 block of Steele Drive. Officers arrived and met a complainant who signed a complaint against a Spearman resident for assault. The subject was arrested and is being held pending judicial action on Tuesday 9-7-82.

On Sunday 9-5-82 at 4:31 a.m. Officer Stroup was dispatched to the Hansford County Hospital in reference to a report of a subject being stabbed with a knife. No complaints have been filed at this time.

Effective on Tuesday, August 31, 1982, Officer Bruce Goehring was promoted to the position of sergeant of the police department in Spearman.

As a reminder, City Ordinance #17-61 prohibits the

making of U-turns on Main Street, at any point. Ordinance #17-62 allows that U-turns may be made only at intersections, unless otherwise prohibited. Also a large amount of complaints are being received about motorist turning from one lane of traffic, across the other lane

to park on the opposite side of the road. This is prohibited in the City Ordinance. Any person found in violation of these ordinances will be issued citations. Chief D.J. Alberts Police Department/Spearman

ACT assessment program available

As the new school year begins, more than one million high school juniors and seniors across the nation are preparing to participate in the ACT Assessment Program.

The ACT Assessment, which consist of four academic tests that measure educational development and a detailed questionnaire that collects information relevant to educational and career planning, is recommended or required by more than 2,700 postsecondary institutions and scholarship programs.

School guidance counselors recommend that students participate in the ACT Assessment Program during the junior year or early in the senior year, so their results will be available in time for use in planning for postsecondary education and careers.

Students can obtain registration packets that contain all the information necessary to register and prepare for the Assessment from their high school guidance offices. The basic registration fee for the Assessment is \$9.50. For 1982-83, ACT has established this test date schedule:

Test Dates	Registration Deadlines
October 30, 1982	October 1
December 11, 1982	November 12
February 12, 1983	January 14
April 16, 1983	March 18
June 11, 1983	May 13

It takes about three hours to complete the four ACT examinations in English, math, social studies, and natural sciences. A sample copy of a full-length test is available in every high school. Students who would like to have copies of additional tests may obtain them at cost from ACT.

The ACT Assessment also includes a two-part questionnaire that students complete at home when they register. The questionnaire focuses on the student's interests, academic and nonacademic accomplishments, and vocational and educational plans and needs.

Colleges use information from the ACT Assessment Program for academic advising, admissions counseling, course sectioning and replacement, student services, and institutional research. ACT Assessment reports are sent to students, their high school counselors, and only those institutions and agencies specifically designated by the student.

The ACT Assessment Program is a major service of The American College Testing Program, which has national headquarters in Iowa City, Iowa.

School district value study released by agency

AUSTIN — Market values of property in Texas school districts totaled \$621.5 billion in 1981, according to preliminary findings of a study released today by the State Property Tax Board (SPTB).

Kenneth E. Graeber, executive director of SPTB, said that the total represents an increase in property value over 1979 of about 53 per cent.

School district market values are compiled biennially by the state tax administration agency for the legislature's consideration in funding public education. The market value study is mandated by Sec. 11.86 of the Texas Education Code to provide a basis for equitable allocation of state funds to school districts.

"Our results are preliminary at this time," Graeber said, "and school districts have a right to appeal the findings." Petitions of appeal, which Graeber said must be filed with SPTB by Oct. 1, will be reviewed by impartial panels appointed by the agency and by the six-member State Property Tax Board.

The appeals process is scheduled to conclude in December in order that results of the market value study may be certified as final by Jan. 1, 1983.

Graeber noted that an estimate of the study's impact on individual districts is not possible at present because the legislature will consider the final results in conjunction with a new appropriation for 1983-85 school funding.

The ultimate amount of state money allocated to a given district will depend on the costs of the Foundation School Program, the total amount the legislature appropriates for public schools and on the formula selected for distributing the funds," he said. "The remainder of a district's budget is paid for through the local tax

levy," Graeber added.

SPTB's preliminary value report shows a total market value for each district, a breakdown of the total into various property categories, a total of state-mandated exemptions, and "index" values that account for land eligible for productivity valuation.

Statewide, the total market value of the 1,072 school districts increased by some \$214.4 billion, or 53 per cent, over the value determined by SPTB's study for 1979. Actual values reported to the agency from 1981 school tax rolls were \$379.1 billion.

State-mandated exemptions reduced the 1981 market total by \$14.3 billion, compared to \$12.9 billion in 1979. In both the 1979 and 1981 studies, single-family residences constituted about 27 per cent of the market total; these properties increased in value over the two-year period by 32.6 per cent.

Values of commercial and industrial real properties, combined with business personal properties, amounted to \$149.8 billion for 1981, increasing from 1979 by about two-thirds. Oil, gas and minerals made up a little less than one-seventh, or \$85.3 billion, of the state's market value for 1981. Their value increased more than 81 per cent from the previous study.

Acresage increased in market value between the two study years by 38 per cent to \$104.5 billion. SPTB's study, however, reports land value in two other ways. "Index I" figures reflect the value of lands which actually received productivity valuation; "Index II" shows the value of lands which could have qualified for special appraisal had application been made. For 1981, productivity valuation under Index I would reduce the taxable value statewide by 7.4

per cent and, under Index II, by 13.4 per cent.

Other property categories in the study are multifamily residences, vacant lots, farm and ranch improvements, banks, utilities, farm and ranch personal, other personal, intangibles and vehicles. An estimate of the value of vehicles is made in each school district for the legislature's information, whether or not that district taxes them.

A school district may appeal the preliminary value assigned to it in one or more of these categories. Appeals of SPTB's findings serve to equalize district values to ensure that each pays only its fair share of the cost of public education. Appeal hearings thus correspond to the functions of the local appraisal review board which ensure that an individual taxpayer contributes only his fair share of the costs of local government.

Golden Gleams

What a child is taught on Sunday it will remember on Monday. -Welsh Proverb.

Surplus cheese will be given away

Government surplus cheese will be available Sept. 8 for distribution to low income families. The cheese will be available from 9:30 to 4:30 Wednesday, Sept. 8 at the Golden Spread Center, 14 S. Haney, Spearman.

There will be applications to fill out if families are eligible.

There is no charge for the cheese to those who qualify.

The cheese distribution is under the direction of Texas Panhandle Community Action Corporation.

Following is a schedule of guidelines so that you may determine if your family is eligible for this surplus cheese.

FAMILY SIZE	ANNUAL NON-FARM	FARM
1	\$5,850	\$5,012
2	7,775	6,637
3	9,700	8,262
4	11,625	9,887
5	13,550	11,512
6	15,475	13,137

Add \$1,925 for each additional member in a non-farm family and \$1,625 for each additional member in a farm family.

	ONE MONTH	
1	\$487	\$417
2	647	553
3	808	688
4	968	823
5	1,129	959
6	1,289	1,094

Add \$160.00 for each additional non-farm member and \$135.00 for each additional member in a farm family.

Effective date: April 19, 1982

international menu at more than 200 food booths and restaurants. The mile-long midway offers skill games, souvenir stands and 60 rides. New rides for 1982 will include the UFO and the Looping Star, a version of the 360-degree thriller currently delighting World's Fair

audiences in Knoxville. Admission prices are still \$3.00 for adults and \$1.00 for kids (5-11). Children under 5 are admitted free, as are senior citizens each Tuesday. Hours are from 7 a.m. until midnight with exhibit buildings open from 10 a.m. - 10 p.m.

Preparations underway for State Fair

Preparations are underway for the October 8 opening of the 1982 State Fair of Texas. "Texas at its Most," this year's appropriately immodest theme, will make native, transplanted and would-like-to-be Texans proud to be a part of this 17-day ultimate Texas experience.

For the true Texan, nine days of championship rodeo and 30 different breeds of livestock for show and sale will be featured. Those who prefer putting their boot to the pedal will have the opportunity to have a first look at the 1983 automobiles displayed in one of the biggest new car shows in the country. Gridiron cowboys will not be disappointed when those Red River rivals, Texas and Oklahoma, battle it out once again in the Cotton Bowl on October 9.

Music Hall. A King of another kind will also be in the spotlight. King Olaf V will visit the Fair on Norwegian Day, October 9.

More than 300 exhibits, 25 contests and numerous shows and demonstrations will vie for the attention of the three million visitors expected to pass through the gates before the Fair closes on October 24.

Indoor and outdoor stages are located throughout the 277-acre grounds providing continuous free entertainment, a trademark of the State Fair of Texas. Daily events will include multiple performances of an outdoor ice show, a 3-ring circus, a full-scale parade and a fireworks show each evening. Street dances, marching band competition and ethnic day celebrations traditionally generate good-sized crowds.

Food and fun are primary ingredients for a complete fair experience, and visitors will be able to sample a varied and
