

Annual Drive Of Red Cross Begins November 11th

A growing demand for assistance to Europe's war-torn people and a need for its domestic operations are the reasons the American Red Cross is launching its membership campaign Nov. 11 on the anniversary of the Armistice Day.

Prior to the outbreak of hostilities in Europe the American Red Cross planned to appeal for a million more members in an effort to strengthen its services in this country. War, however, has increased the responsibilities of the Red Cross to the point where even greater mem-

bership support is needed to meet the appeals from abroad. The Red Cross is obliged by the Treaty of Geneva to assist in alleviating the suffering of war. Our chapters throughout the country already have started the

production of garments for the needy civilian populations of belligerent countries, while a limited number of chapters are now preparing hundreds of thousands of surgical dressings for use at the front. The success of roll call this year will gauge the amount of assistance the American Red Cross can give the sick and injured of war and the comfort that can be brought to refugees and other non-combatants fleeing the danger zones.

At the same time the Red Cross must be prepared to continue its battle against human suffering in this country. The Red Cross has been constantly increasing its volume of service during the past few years. Along the nation's highways, in the homes of the underprivileged, in hospitals, military stations, schools and at the scenes of disaster, the Red Cross is facing a challenge for greater service.

Mr. Sheets pointed out that the 12-month period extending through June of this year brought to this country the largest number of disasters in history. Tornadoes, floods, hurricanes, mine explosions and calamity in its various forms struck in 157 communities in 43 states. In meeting this need for assistance in disaster-stricken areas the Red Cross assisted 130,000 persons at a cost of over 2 million dollars. During 1938, 32,400 persons

lost their lives as a result of car accidents. To help curb this alarming spectre of death on the highway the Red Cross established its highway first aid stations in 1935. Today there are 5,362 of these stations. The Junior Red Cross is recognized as the largest youth organization in the country. It has a membership of approximately 9,000,000 young Americans.

The Spearman Reporter

VOL. 32—NO. 47 SPEARMAN, HANSFORD COUNTY, TEXAS, THURSDAY, NOV. 9, 1939 6 Pages Today

Two Sentenced In Trial For Burglary Of Gruver Businesses

Jack Borger, of Borger, and James Stayton, Borger, both indicted on charges of burglary of the Gruver Lumber Co. of Gruver and the Dan Shradler Oil Co. of Gruver, were tried in the 84th district court Tuesday of this week.

Conviction was gained in both trials. Sentence was given Jack Borger of 2 years in each case. Judge Jack Allen made the sentence concurrent. James Stayton convicted, was sentenced to two years, but the sentence was suspended.

Important Notice To Wheat Producers Of Hansford County

A meeting will be held at the court house in Spearman Friday afternoon Nov. 17th, to determine the program Hansford county wheat farmers will select for 1940. At the time of the meeting the regular 1940 farm program will be explained, and the special Sherman county program will be considered. A vote will be taken to determine which program will work to the benefit of Hansford county. County agent Joe Hatton urges that every wheat producer and land owner of Hansford county attend the meeting.

Government Loses in First Effort To Insure Crops

WASHINGTON — Uncle Sam went into the red in his first effort to insure American farmers against crop losses from drought, floods, hail, insects and other natural causes.

Government policies were taken out by 165,551 farmers on the 1939 crop. They paid 6,769,120 bushels of wheat as premiums. About a fourth of the policy holders or 42,420 reported crop losses and received indemnities totaling 9,461,730 bushels.

Thus, the Government Insurance Corporation's losses amounted to 2,691,610 bushels of grain or a cash equivalent of about \$1,885,000 at current prices. The losses were taken from a \$20,000,000 capital stock with which Congress invested in the agency.

In theory, the insurance program is designed to make premiums and indemnities balance. However, fluctuations in years can be expected from year to year.

Texas had 2,347 losses and were paid 1,019,461 in wheat up to Oct. 24.

Hansford Veterans Invited To Program At Perryton

Following the custom of long standing, Hansford county war veterans will join with Ochiltree county veterans for the annual Armistice Day program. The program will be held at the high school auditorium in Perryton, Saturday Nov. 11th beginning at 10:30 a. m. Dr. S. H. Condon, professor of economics and physics of West Texas State College Canyon, will be the principal

speaker for the Armistice program. The address will be on the subject "America in Retrospect and Prospect." Observation of the "zero" hour will be at 11:09 a. m.

Following the morning program all veterans of Hansford county are invited to be the guests of Ochiltree county veterans for a basket luncheon to be served at the American Legion Hut at the noon hour.

WEATHER

Panhandle's weather man has been just about as easy to figure out the past week as the national legislation while they were trying to pass the Embargo Act. Starting with the coldest snap of the season the thermometer registered a fifteen above. The heat wave that came back to envelope the cold weather hit

76 Degrees
15 Degrees

HUNG JURY

Dell Goldsmith, indicted by grand jury of the 84th district court, charged with burglary of J. M. Hart home, near Gruver, was tried in the local court on Tuesday of this week. After the jury had been out several hours, Judge Allen pronounced the case as a hung jury.

A new trial will likely be had at the next term of court.

4H SHOW WELL ATTENDED

Twenty six calves were exhibited at the Hansford county 4H club preliminary show at the Walter Wilmett stock pens last Saturday. Comments of the visitors to the show were favorable.

Farm Group Attend Amarillo Meeting

County Agricultural committeemen Bob Bennett and Ed Close and county agent Joe Hatton and J. B. Cooke attended a 2-day meeting of the district agricultural school held at Amarillo Tuesday and Wednesday of this week. Explanation of the 1940 farm program was the subject of the school.

Spearman agricultural representatives have received complete details of the Sherman county experimental program. This special program is allowed only 5 counties in the state, and farmers of this county will vote soon on adopting the regular farm program or accepting the Sherman county special agricultural program.

PTA WILL MEET

The Parent-Teacher Association will have their regular meeting and program Tuesday Nov. 14 at 3 o'clock in the auditorium. Miss Revah McLain will have charge of the program. Special entertainment will be by the children. Every parent is cordially invited.

Hansford Makes Record

Hansford county lowered the administrative cost of the present agricultural set up this year. The administrative cost for this year amounted to 1.5% of the cash handled. Last year the county enjoyed a state wide record when the cost was 1.7% of the cash handled. While comparisons are not available for this year, it is expected that the local economy record will be outstanding in the state.

CITY BUYS BONDS

City Secretary Robert Douglas purchased \$400,000.00 in bonds for the city of Spearman this week. The price paid for the bonds was \$20,000.00. Due to the cooperation of the tax payers in paying both current and delinquent taxes some additional funds are available for purchase of bonds, when tenders are made. The city can purchase bonds at any price bond holders tender them for sale. It is hoped that some bonds may be purchased at a lower price than the price paid this week.

Nationally Known Columnist Here

Wlch Richardson, columnist on the national farm magazine "Country Gentleman" was a visitor in Spearman this week. Mr. Richardson writes the column "Rolling Along the Road". He was visiting the Texas Panhandle after an extended trip to south Texas. The columnist stated that drought conditions in south Texas were severe. While in our city he called on county agent Joe Hatton.

NEED RUBBER STAMP CALL 16

GIBNER TO DETROIT

Barbecue C. A. Gibner and Mrs. Gibner will leave Friday of this week for Detroit. Mr. Gibner plans to drive home a new deluxe Ford sedan.

Election Of Officers And Delegates For Hansford Agricultural Ass'n. To Be Held Monday Nov. 20th

Hinton Reports

According to a report from Carl Hinton, secretary of the Amarillo C. C. and legislative representative of the 19 Panhandle counties enrolled in the Water Conservation and Lake Building Program, prospects for completing 17 lakes in this area, are very good. Hinton believes that all these lakes will be built and that the large dam on the Canadian river, tentatively allocated to the Stinnett area, will be constructed.

LYNX LOSE

In a game that was near heart breaking the Spearman Lynx football team lost to Beaver, Okla. Friday Oct. 27, with a score of 14 to 0. The Spearman team was within 6 inches of a touchdown with three tries when the whistle blew for the half. First downs and gains on passes were very near the same margin, but the Oklahoma team received many breaks of the game.

WHEAT SHORTAGE PREDICTED BY AGRICULTURAL DEPARTMENT

Stories carried in daily papers quote the department of agriculture as believing there would be a shortage of wheat so far as the 1940 wheat crop is concerned. Present figures indicate approximately the same acreage seeded to winter wheat as in 1939 but the wide spread drought from the Canadian border to the Pacific coast will cut the production materially, according to predictions. Many sections of the nation have reported thousands of acres of wheat seeded but without a stand, because of drought conditions. Locally wheat producers predict a better price for wheat in the near future. Mrs. Lawrence Wilbanks, Mr. and Mrs. Ike Klutts and T. H. Moon visited in Amarillo Wednesday.

Perhaps the most important meeting of the year for the Hansford county agricultural association will be held at the Hansford district court room in Spearman, Monday evening Nov. 20th.

At the coming meeting all officers and directors of the organization to serve for 1939-40 will be elected. Delegates to attend the state convention to be held at Dallas, Dec. 1-2, will be elected at the coming annual meeting.

President Johnny Vennemann urges the entire membership of the organization to be present at the meeting, and to begin thinking about choosing officers and delegates. Mr. Vennemann stated that it was essential that the best representatives of the organization be selected to fill the responsible positions. He urges widespread discussion among members to the end that the best available members may be chosen in the places of trust.

ELLIS THEATRE
PERRYTON, TEXAS

Nov. 9-10—"Bad Little Angel" with Virginia Weidner and Ira Hunter.
Nov. 11—"Pack up Your Troubles" with Jane Withers and The Ritz Brothers.
Nov. 12-13—"Mr Smith goes to Washington" with Jean Arthur and Edward Arnold.
Nov. 14-15—"Calling all Marines" with D. Barry and Helen Mack.
Nov. 16-17—"Beware Spooks" with Joe E. Brown and Mary Carlisle.

UNDEFEATED

Hansford county has one undefeated football team. The Morse, Texas, 6-man football team has completed a schedule of six games without suffering a defeat this season.

TURKEY SHOOT SUNDAY BEST IN YEARS

According to reports from the many fans attending the pre-Armistice turkey shoot held at the gun trap Sunday, the shoot was the best held in several years.

RIFLE TURKEY SHOOT TO BE HELD SUNDAY NOV. 12

All arrangements for the first Hansford county rifle turkey shoot to be held in the canyon 2 1/2 miles north of the gun club trap on the Steel Ranch road, have been completed. D. M. Jones, chief range officer has announced definitely that the shoot will be held Sunday Nov. 12 instead of Nov. 11th as first planned.

Visitors from all over the Panhandle of Texas are expected to attend the shoot. T. J. Templeton, arms expert with headquarters at Amarillo stated this

week that there would be a large delegation from Amarillo, and possible delegations from Borger and Pampa, who will attend the shoot. Some exhibition shooting is planned as part of the program.

The present plan calls for giving a turkey to any contestant who can hit a plate at a distance of 200 yards, using any rifle and any sight. While it has not been officially announced, it is expected that contest shooting will be part of the program. Groups of 2 to 5 contestants will enter for elimination and wins.

ARMISTICE GAME AT PERRYTON NOV. 11

Up until a few years ago the records of the 2 teams were very close, but more recent years has given the Perryton team the decided advantage. The records show that the Spearman team has not defeated a Perryton team since 1934, when the Lynx upset the dope to defeat Perryton 28

to 8. Fifteen games have been played in annual contests and Perryton Rangers have won 9, tied one. Spearman has won 5, and tied one of the contests. Since the Rangers took the lead they have been outstanding victors, defeating Spearman with scores ranging from 19 to 0 to 47 to 0. The record shows that Spearman has not crossed the Perryton goal line since their last victory in 1934.

This years contest promises to be just another victory for the virtually assured district winners, Perryton Rangers. However, it is more than likely that football

fans will have the opportunity to see a real contest. Unofficially we learn that the Perryton team only plan to win this game by a narrow margin and will use 2nd string men as much as possible, so they may save their first team for the most important contest of the year, their game with

the Panhandle Panthers, Nov. 17, at Perryton. These who are familiar with the records in this district believe that Perryton only have Panhandle to overcome to win the region honors. Naturally the Perryton mentor will protect his players for the big game of the year.

NO. 3

county.

To begin with, the Valley affords the finest natural basin in the entire area. Don't ask me how I learned the facts, but I will bet \$5.00 against a nickel that a dam 1800 feet long built to a height of 70 feet would provide a storage basin 8 miles long and from one half to a mile wide. This basin would provide ample storage to irrigate from 5,000 to 10,000 acres of land along the creek bed below the dam site. The dam could be built to a height of 125 feet, but drainage capacity would not fill such a basin as would result from that size dam. The dam constructed to a height of 70 feet, the digging of canals on acreage subject to irrigation would represent a government project costing more than one million dollars. It would give work to everyone in this county. It would mean hundreds of thousands dollars more income to Hansford county citizens. It would spell insured prosperity. It would take care of perhaps a hundred additional families to make an honest living. It would be a sin and disgrace if Hansford citizens allowed the selfish whim of one citizen to block such a program—especially if that citizen should profit materially by taking a part in the program.

Believing in giving flowers to the living, this writer takes the opportunity to compliment Judge Jack Allen on his excellent record in the 84th Judicial District. Judge Allen has worked long hours and given cooperation to attorneys in an effort to relieve the court docket of the clogged up cases on file for several years. His most recent outstanding record . . . perhaps a record for the state of Texas . . . was the disposition of 122 cases in Hutchinson county during a 5 weeks term of court.

This writer argued with himself the past week to the end that he would not be drawn into the propaganda relative to the often predicted resignation of Congressman Marvin Jones. Candidly, the writer believes as he stated in July after interviewing Congressman Jones, that our most efficient legislator will not resign. We base this logic on the fact that the people of the Panhandle cannot do without Mr. Jones—and he in turn will not sacrifice the trust and confidence of his people, merely to secure an easy life-time job. He is a power not only for his district, but for the agricultural Southwest. Mr. Jones has spent his life-time gaining the perfection he enjoys. He prepared himself to serve his people because he was wholesomely and vitally interested in the problems of the farm people of this nation. He cannot be replaced in value to Agriculture. It would take a talented member of Congress 15 years to gain the prestige and experience now enjoyed by our representa-

YOUR COWS will like this!

GIVE your milk cows a Great treat—give them a carbohydrate feed that's all feed; a feed that can't be beat for its results at any price. This is

Quaker Sugared Schumacher

Contains molasses in dry form. Animals relish it. Blends with any good protein concentrate. Excellent for all young stock, and dry stock. We have it.

We do not know of a better feed at any price which is better for a quick finish on calves or dry cows. It has the essential minerals, and sugar syrup in dry form, with an oatmeal base, making it an ideal feed to balance the ration for calves fed on wheat pasture, alfalfa or cane. Its value lies in its ability to utilize to better advantage the food contained in the remainder of the ration. It has a binding effect, rather than loosening. This feature, coupled with the minerals, prevents to a large extent, loss of cattle from bloating and other digestive troubles.

R. L. Porter Grain & Seed Co.

tive. Some of the would be successors to Marvin Jones would never gain his experience or knowledge. To think that he would willfully let down his people would be to cast a reflection on his character.

The truth of the matter is that a few selfish envious people of his district would like to see him resign, so that a representative could be selected that would fit into their selfish plan of aggrandizement. Naturally, Congressman Jones will bow to the will of the people. If he believes that a portion of his friends would choose a change in representation, he is ready to step out and give away to those who would supplant him. . . . not in the spirit of defeat, but in the spirit of good sportsmanship. Mr. Jones looks on his office as a gift from the voters. He appreciates this trust and I believe he will serve as long as he realizes he can greatly benefit the people who started him on his road to success.

The question arises—will we again bow to the Kings of politics out of Potter county and allow this injustice to the Panhandle and Southwest to be committed. Namely, will we allow some selfish men who control the political machine of the Panhandle, to sacrifice our great government representative by making it so unpleasant he decides to resign. Or shall we rise up as one man and tell the Boss politicians to go to a warmer climate.

Hansford county farmers will hold two important meetings during the next ten days. A resolution should be introduced at both these meetings urging Congressman Jones to stay on the job and disregard the nasty bickering of the political machine of the Panhandle. Let's have more talk about Marvin Jones staying in office, and give him the encouragement he deserves—and less talk about his resigning.

Gruver PTA Met Nov. 6th

The Gruver PTA met Monday night Nov. 6th at the high school auditorium. After a brief business meeting the following program was given:

Piano solo Billie Joe Sparks; Violin duet, Betty Jean Hill and Barbara Jean Daily, these pupils were from Spearman. The 5th and 6th grades of Gruver sponsored by Mrs. Etling presented a panorama of America.

Mr. Graves Spearman, gave a brief talk on "Getting Along With Others". We appreciate having Spearman help us and enjoyed the program.

Bryan Wilbanks of Butler Okla. Thurman Wilbanks of Ventura, Calif. Mrs. P. Loving of Ventura, Calif. and Mrs. Thelma Earle of Ventura, Calif. visited here in the home of Floyd Wilbanks and Mrs. Rhoda Wilbanks the past week end. The relatives came thru Spearman enroute home from Butler, Okla. where they attended the funeral of Emery Wilbanks, a brother of Floyd Wilbanks.

On Annual Deer Hunt

Bill Hutton left early Thursday morning on his annual deer hunting trip. Mr. Hutton, accompanied by Dr. A. R. Bennett of Canadian left for their favorite hunting ground in Arizona. Last year Mr. Hutton brought back a deer and quite an interesting story of his experience. We sincerely hope he has the same luck this year.

No Soda in Soda Water
Soda water is a misnomer. There is no soda in it. It is simply plain water that has been charged with gaseous carbon dioxide under high pressure. The bubbles that rise when it is poured into a glass are carbon dioxide gas.

Spectacles Long Used
Spectacles have been used since the Thirteenth century. A French priest, Nicholas Bulet, used the glasses when signing an agreement in 1282, and Roger Bacon in 1268 described convex lenses as an aid to vision.

Canal Eighteenth Century Maryel
The Middlesex canal, in Massachusetts, now abandoned, was 27 miles long and connected the Merrimac and Mystic rivers and was an Eighteenth century wonder.

Just Common Sense
If there's one piece of knowledge of less use to a fellow than knowing when he's beat, it's knowing when he's done just enough work to keep him from being fired.

The Oak Not an Ancient Tree
The oak family although one of the most important, is young. New species are developed rapidly, since the oaks now in existence are so closely related.

Answering Too-Personal Questions
The best way to get out of answering a too-personal question is to pretend not to hear it and to go right on talking about something else.

Many Large Lakes
There are many lakes of more than 1,000 acres in area within the so-called wilderness area of the Minnesota Arrowhead country.

Age Also Never Decays Wood
Research reveals that wood never decays solely on account of age. Deterioration is mainly brought on by an attack of fungi.

One Square, Square Mile
A mile square and a square mile have the same area, but only the first of these is necessarily square in shape.

Light From Earth and Moon
The moon gets 14 times as much light from the earth as the earth gets from the moon, says Collier's Weekly.

Names Leonora and Lenora
The names Leonora, short for Eleanor, and Lenore are forms of the Greek Helen and therefore mean "light."

Peggy's Diary in Shorthand
Samuel Pepys' diary was written in shorthand of the Thomas Shelton system, which came out about 1650.

Mrs Johnnie Huffines, formerly Miss Reba Barkley, visited her parents, Judge and Mrs A. F. Barkley, Sunday Nov. 5. Mrs Huffines lives in Amarillo. She had as her guest for the visit, a friend, Miss Flossie Rogers.

Steak Fry

Mr and Mrs Van Earl Steed entertained with a steak fry followed by several games of bridge Friday Nov. 6th.

A thanksgiving motif was carried out in the decorations.

Mr and Mrs R. E. Lee won high family score. Those present were Mr and Mrs Ewing Williams Mr and Mrs Bill Vasey, Mrs Freda Cattertan, Pampa, Mr and Mrs Cecil Foote, Borger, Mr and Mrs Will Miller and Mr and Mrs R. E. Lee and the host and hostess.

QUAKER EXPERIENCE

"I have been a Sugared Schumacher Feed user for the past 10 years. During that period I used between 50 and 75 carloads of this feed. I find Schumacher very good for starting beef cattle on feed and I especially like it for growing young stock of any kind. In periods when there is a shortage of corn, I use it to furnish the entire Carbohydrate portion of the ration. At the present, since there is plenty of corn, I use it to furnish a balance to my carbohydrate mixture. I use it for feeding both beef cattle and hogs." Herman Bubb, Atchinson, Kansas.

DELTA KAPPA GAMMA

Mrs J. B. Caldwell and Miss Ethel Deakin attended a Delta Kappa Gamma meeting held at the Black Hotel in Borger Saturday. They were accompanied by Miss Nellie Wingren and Miss Eugene Mitchell teachers in the Perryton schools and by Mrs. W. B. LaMaster of Perryton.

Mrs W. B. LaMaster was initiated as an honorary member of the Delta Kappa Gamma Society at this time. She has been very active in educational work for a number of years and is a state officer in the parent Teachers Association at the present time. Her many friends will be glad to know that this honor has been conferred upon her.

Mrs C. E. Campbell, a Delta Kappa Gamma member was unable to attend the meeting Saturday.

GRUVER HD CLUB

The Gruver H. D. Club held an all-day meeting at the home of Mrs. A. R. Bort. The morning was spent working on a 3/4 size mattress for her children's bed.

The club is now working on mattresses for use in the home to demonstrate the economy, special comfort and extra warmth of the modern home made cot.

ton mattress and also as a means of cooperation with the Federal Government in utilization of the surplus cotton in the South.

In the afternoon at the regular meeting hour a business session was held.

Roll call was answered by expression of the individual ideas as to "How I Can Be Of Most Service To My Club".

Plans were made for achievement day meeting which is to be held in the home of Mrs. F. A. Shapley Sr., Nov. 15 at 2:30.

Miss Locke brought an inspirational message in which she emphasized the importance of every committee chairman and individual making her report in plenty of time for the secretary to get the complete club report on time.

Refreshments were served to Mesdames Elmo McClellan, C. B. Williams, R. E. Bandy, F. A. Shapley Sr., F. R. Wallin, Katie Weber, A. R. Bort and Miss Locke members and one visitor Mrs. W. B. Hart.

Visitors are always welcome.

HAPPY HOUR SEWING CLUB

Members of the Happy Hour Sewing club drove to Perryton Thursday to spend the day at the home of Mrs. G. E. Newcomb. A delicious covered dish dinner was served and the afternoon spent at quilting. Those present were Mesdames: Jake Lamb, Lizzie Benningfield, C. E. Kiker, F. K. Bannister, R. C. Bennett, Archa Morse, Bud Jackson, C. H. Newcomb, and Cecil Crawford. Mrs. Louis Buckneh and Mrs. James Sparks of Perryton were afternoon visitors.

OSLO NEWS

The morning worship at the Oslo Church next Sunday, Nov. 12, 23rd Sunday after Trinity, will begin at 11 a. m. Sermon Theme "The Standard by which Jesus Measures the Value of Your Gift." Mark 12:41-44.

The Confirmation Class will meet at the parsonage on Saturday at 9 a. m. The Leadership class will meet on Tuesday of next week. The place will be announced at Services.

The Sunday School Choir will meet on Sunday afternoon at 3 p. m. for the practice of the Christmas program.

H. C. Hjortholm, pastor.

NEWS ITEMS

Last Monday night, a week ago the Doyel School entertained the patrons of the school and the pupils from the Oslo school with their teacher Miss Sibyl McCall and other visitors with a Halloween program. After the program games were played and refreshments were served. Everyone made a desperate attempt to blow up his or her balloon. No one was as successful in doing this as Henry Moen, but everyone had a good time.

Mr and Mrs Reuben TeBeest and sons, DeWayne and Gerald Dean, and Miss Ruth TeBeest were supper guests at the Oscar Dahl home last Sunday.

Mrs H. C. Hjortholm was a guest at the Stejdie home last Tuesday and Wednesday, while pastor Tjortholm was away to attend the Pastoral Conference at Mason City, Iowa.

The program committee of the Oslo Sunday school consisting of Leona Knutson, Doris Dahl, Ruth TeBeest and Mrs Reuben TeBeest met at the parsonage last Sunday afternoon to plan the Sunday School Christmas service. The pageant "The Light of Christmas" was selected for this service. Mrs Reuben TeBeest was elected the director of the pageant. Mrs Hjortholm served cake and coffee at the close of the meeting.

The Oslo Congregation was very successful in its church paper campaign this year. The results of the campaign was that every home in the congregation now has a church paper coming to it every week. The pastor conducted the campaign.

Miss Ruth Voigt, who teaches the Doyle School, was an overnight guest of Mrs Hjortholm last Thursday.

Several new cars have been making their appearance in the community. The Stejdie and E. Knutson families each have a new car for their winter driving. James Dahl recently purchased a new car.

Mr and Mrs P. A. Dahl and children visited with the Elmer Jensen family last Sunday afternoon.

Oscar, P. A. Dahl and Frank Lierman shipped a nice consignment of turkeys to Liberal by truck last Tuesday.

Clifford Stejdie came home from Goodwell for the week-end last week.

Miss Selma Dahl has returned to her home here after having been employed in Guymon for several weeks.

THE TRUTH
SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of widespread use, surely must be accepted as evidence of satisfactory results. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes. If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed. Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, pinpoints under the eyes—feel weak, nervous, all played out. Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

Tale Lights

So—four band girls have suddenly become freight! And we thought only freshmen were so dumb!

Why doesn't Vance spell Night with a K anymore. Maybe Ginger can tell us.

Just what do Freddie, H. L., and Howard Dean mean when they mention "horse races"? Sadies R., Pat, and Nadine have the "cat that ate the mouse" look when such matters are mentioned.

Adelaide, where were you Sunday night? It seems to be a deep dark secret.

Why, were all (well, anyway most of) the boys singing 21-years, Babe? Wed. morning. Maybe that little gray hat was cold! (There is more than one way to spell it—clink or jug!)

Goodwell is a long way off and absence makes the heart grow fonder—of some one else!

My! MY! and who were your handsome friends Halloween nite Elnora and Georgia T.

Say, just who a Juanita dressing up for? Hm, food for thought.

What was that on your cheek during the second period study hall Thursday Jerry? It certainly looked like lipstick.

When did Patricia Hutton and Charlene turn cannibal? and who over.

Two of the saxophone players decided to go see the Morse and Gruver game. She says "I like Morse boys. He says "I like the Gruver girls" so why not.

Friday night a 39 Ford with license 924 and —well, Buck only comment is BOY did I have fun.

Everyone is wondering what has happened to Perry's popularity, Jewel, can you tell us?

Totsy, you had better study and quit admiring Allison's pretty blonde hair in study hall.

Evelyn is a bit bashful (at least that's what we heard) eh, Delmar.

Gail, remember that line only reaches so far! Any way Amarillo was fun.

Kerry Over

Schoolboy wisdom (from an examination paper): A passive verb is one in which the subject is the sufferer, such as He was married to her.

More Patter: A fellow is a bore who opens his mouth and puts his feet in it.

Hold Tight: A woman should hold on to her youth, but not while he is driving.

And More Patter: McTavish's new girl friend is so attractive that when he takes her home he can hardly keep his eyes on the meter.

Don't question your wife's judgment, look whom she married!

Come Out? A hair in the head is worth two in the brush.

SOUR NOTES FROM THE SPEARMAN HIGH SCHOOL BAND

Previews: "American Legion March" and "S.I.B.A." March have been released. These are very pretty marches that can be used either as concert or ballyhoo numbers. Most of the parts are up in fair shape on each of these marches which are exceedingly hard for any amateur band.

Here and There: Margie says "We probably won't march today so I'll go to Perryton And sure enough she got fooled.

Verna Gail, you and Adelaide will have to go some to keep up with this band.

We will have to give the fish credit for two brilliant students, "Burdway" Brockus and "Little Benny" Briley. They have worked out a snazzy drum drill.

Notes From The Amarillo Trip Many male members had that homesick look Wednesday night. A. L. can't see why the band sweetheart can't go on trips, and Lloyd wants to know why he can't invite her to make the trip.

Paul got stood up. The reason —his shadow rode in a certain Chevrolet.

Schnell, when playing freeze-out, you aren't jealous of two pairs of ear muffs are you?

What caused it to be so quiet on the bus. Maybe it was because Willie didn't feel well.

Those Novak boys are just regular butterflies.

Jackson, what a figure you have.

Hitler was singing the last part of Over The Rainbow on the way home. You know, if Blue Birds Fly, why can't I or something on that order.

There isn't much to write about since most of the Soph girls and Kelly rode in cars.

Kyble and Janey "Didn't wanta, but they hadta, Woo, woo I thought Anona was a home girl, but she says she saw her boy friend in Berger.

Verna Gail, it's a long way to Washington, but if you insist—Rita isn't it all too thrilling.

Some More Here and There The Junior Band has been practicing marching fundamentals this week. A little rough in spots, but that could be expected.

If some in the senior band don't get to work, their places will be filled with these juniors. This has already begun to happen to a certain extent.

The band is going to Perryton Saturday to play for the game which begins at 2:30 p. m. Be there and see a real show.

SENIOR

The outstanding news, as this is written, concerns our pictures. They are here!

Several of the seniors are working on a play that is to be presented in assembly next week. They are working hard and promise a good entertainment.

The seniors are an active class they have a big part in the band, chess club, basketball, and football. By the way, the seniors will give all of the support they can to the Lynx when they play Perryton this Saturday. The boys of our class that will be in the game are: Howard Perry, Roy Reed, Cecil Reynolds, Allison Unruh and Olen Riggs. Good Luck Boys!

The English IV classes have been giving oral themes the past week. They are based on the Anglo-Saxon period.

We enjoyed the program last Monday, presented by some of the Morse students.

THE SECOND GRADE

We enjoyed the play presented by the Morse High School at chapel this morning.

We are glad to have the potted plants and the fish brought to the room by members of our class.

22 pupils have been neither absent nor tardy the first two months of school: Marvin Andrews, Cloyd J. Carpenter, Max Hughes, J. M. Kenney, Harley Kern, Robert Palmer, Aaron Lloyd Schnell, Tommy Taylor, Shirley Tucker, Cloyd Windom, Mary Margaret McLain, Wilma Spearman, Frankie White, Wayman Edwards, Claude Sheets, Marcus Sheets, Marcus Stowe, Barbara Allen, Ruby Nell Braswell, Nancy Lee, Nancy McClellan, Margaret Reed and Nan McNabb.

NEED RUBBER STAMP CALL 10

SPORTS

Beaver, Oklahoma defeated the Spearman Lynx last Friday to the tune of 14 to 0. The Lynx threatened to score several times but just couldn't get the last yard punch to tally.

At the end of the half the Lynx had the ball on Beaver's 1-2 yard line, 2nd down and goal to go. The watch saved Beaver from having their perfect record marred. Although Beaver is untied, unbeaten and unscored on, they paid the Lynx the compliment of being the toughest team they had as yet played; so Perryton Rangers, watch out!

LYNX VS RANGERS

The Lynx journey to Perryton Saturday Nov. 11, for their traditional Armistice Day game. Perryton has a very good record up to date, but the fighting Lynx never say die. Spearman has beaten Perryton in the past when they were the underdogs. They may do it again. Perryton has come out on the long end of the score for the past few years, but when Spearman and Perryton get together you never can tell what may happen. With the odds greatly against them the Lynx are going into Saturday's game with their fangs bared.

THE LYNXETTES

The Lynxettes seemed to have quite a bit more pep the latter part of last week than they had Monday afternoon.

The Gruver girls will be in the Spearman gym Thursday afternoon at 4 p. m. for a practice game with the Lynxettes.

There is one thing a coach always hopes for, and that is not just a first team, but to have enough players that are good for two or three first teams.

I can't say that there are any positions definitely taken over by any seniors or juniors: so you freshmen and sophomores keep working. We have 12 beautiful white satin suits we would like to issue to the 12 best players.

LOOKING AROUND

The Manuel Training Room south of the school house was visited this week for the purpose of Looking Around. Hammers, saws, nails, wrenches, planes, and working tables line the walls. The boys taking this useful course are graded on attitude number of projects and quality of work. Mr Washington, their teacher, has made a full-length bed of red mahogany. Projects are made by the boys and include benches, book stands, tables, what-not shelves, and china shelves. Grade and high school boys take this course, which becomes more popular each year.

VOLLEY BALL GAMES

The Spearman Grade School girls volley ball team met the Gruver girls in the High School gym last Friday night. The local first team won 3 out of 5 games from the Gruver girls and the Gruver girls defeated the local 2nd team girls in one match, thus making a total of three games for Spearman and three for Gruver. A good crowd was present to enjoy the evening's entertainment. Beuna Vernon of Spearman refereed the games.

GRADE SCHOOL UNIFORMS

Many of you folks know more about the grade school basketball uniform than the staff does anyway, they have some new ones and are they "stepping high". Watch for their first appearance on the courts.

Get in there, players, and keep that old school spirit. Work hard and be able to play well and to be a good winner and a better loser. It isn't how you look anyway that matters it's how you play the game. LET'S GO!

HALLOWEEN ENTERTAINMENT

The Halloween Programs given last Tuesday in the auditorium and gym both proved to be a great success. The first program was given in the auditorium and consisted of several short plays, songs, and dancing numbers.

The first play was given by the 1st, 2nd and 3rd grades. It was "The Halloween Pudding". Next came a play "The Witches Dance" which was put on by the 3rd and 4th grades. Miss Frazier then read "Johnie Goes To The Circus". Mrs Gunn's grade music department gave two action numbers "An apple for the teacher" and "I've Got the Rheumatiz" Miss Sammie Morris sang two solos "Deep Purple" and "Over the Rainbow". A short sketch was given by Harold Graves and Betty Morton and then a group of Miss Coon's dancing pupils danced "Roll out the Barrel".

The program in the gym was begun with a band concert. The drum major, Verna Gail Allen, her assistant, Mary Horn, and their assistants Joy Close, Billy Jack Glover and Mary Faye Oakes were featured in one number. The band and the drum majors really did themselves proud.

After the concert the boxing matches were started:

Boxing Matches
 Grade School—
 Leslie Reynolds vs Wayman Edwards; Melvin Dean Weber vs J. D. Floyd; Bobbie Heard, vs Billy Jackson; Kenneth Mahaffey vs Alfred Hughes.

Grade, Free for All
 Clarence Kern, J. R. Dixon, Harold Reed, Eddie Reed, J. C. Sanders.

High School Matches
 Doyle Cook vs Marcus Larson D. R. Daniels vs Richard She-deck; Frank Novak vs Robert Novak; Peter Vernon vs Jr Sparks; J. D. Haralson vs Roy Reed; and J. R. Keim vs Ledru Jacobs.

The proceeds from the two programs was \$52.5.

FIFTH GRADE
 Some of the fifth graders are working on a short play for Friday's assembly. This is to be presented Friday Nov. 10.

SAMPLINGS.
 Why Some People Find Reading Difficult. By LeRoy Easley

One of the greatest reasons that people do not like to read is that they do not understand the meaning of words. Another reason people do not enjoy reading is that they do not concentrate. Then too some people never seem to find time. Sometime when people are reading they try to listen to some conversation that distracts their thoughts from their reading. At times people divide their thoughts by trying to listen to the radio while they are reading.

Many people do not read because they think they get enough information from the radio, since the radios do have such a large variety of programs and the quiz type of program. A large number of people attend clubs from which they think they secure enough information.

There are some who think they are intelligent enough without reading. "So why bother to read anyway?" they ask. People who do not know how to read and who do not know the meaning of words read across them without looking up the meaning of the word or words in a dictionary. When they finish reading usually they know very little more than they did when they started. People who do not acquire the ability to read think of various reasons for their not reading more than they do.

The sophomore class has been having a lot of fun with the work in Literature II. We have read a drama "The Pied Piper of Hamelin." We each had a part to read.

We are very happy to know that the sophomores who made F's on their report cards have a chance to make up these grades and we especially thank the teachers for giving them this chance.

The Lynx are going to play the Perryton Rangers and I am sure that a large % of our class will be out there backing them.

The class certainly enjoyed the assembly program presented by Morse. Come again!

SOPHMORE

We are very happy to know that the sophomores who made F's on their report cards have a chance to make up these grades and we especially thank the teachers for giving them this chance.

The Lynx are going to play the Perryton Rangers and I am sure that a large % of our class will be out there backing them.

GRADE CHAPEL PROGRAM

A very interesting chapel program was presented to the grade school Friday Nov. 3, by Mr Graves and J. D. Wilbanks. J. D. entertained with his guitar and harmonica and songs. Gene Autry had better watch his step or J. D. will be claiming his laurels. The whole audience roared when Mr Graves came out dressed as a Dutch farmer and gave readings in Dutch dialect. His essay on the cow had us wondering. We shall be glad to have these two entertain again.

JUNIOR

The juniors are very hard workers. We have at the present \$30.68 in our treasury. We sold pop and candy at the Stratford-Lipscomb game Friday and made \$2.59. The juniors made \$10.10 at the Halloween program Tuesday night.

We wish to take this opportunity to thank Mrs Schnell for the ice which she so graciously supplied to the juniors during the program.

FRESHMAN

The freshman class received a letter from Elinor Faye Womble. We sent her a box of gifts. She is improving and we all hope she will be with us again soon.

The freshmen band members enjoyed very much hearing the United States Navy Band in Amarillo last Wednesday. The trip was very interesting.

The girls in Home Ec are beginning to sew. They have made four different kinds of seams. The home ec 1 class is going to give a play in the near future. The title is Didner At Six—Characters are:

Glen Powers, Dorothy Daniels Mrs Powers, Rita Roach; Bob Powers, Charleen Tucker; Bill Powers, Ann Dodson; Tom Powers, Patricia Hutton, Grace Powers, Sada Ruth Hoskins.

Samplings
 How a Book Increased My Experience—Harold Crooks.

I have never been out of the United States, and I have been in just a few states, but I have read books which have increased my experience. I have read books about Africa's deserts and dense jungles, and I have imagined that I was there with the explorers hunting for the place where elephants go to die or some other valuable treasure. I have read books of Canada and of the Canadian Mounted Police and imagined I was there helping the mounted police get their man and having all of the excitement that they have. I have read books of China, Japan and many other foreign lands, and I have imagined that I was there having many different experiences. I have read books of people who were shipwrecked on some tiny island where they had to live until a boat came along and

took them home. I have imagined that I was in the California gold rush as I read of it. I have read books of Columbus and other explorers who were famous in the discovery and settlement of our country. Books on aviation have increased my experience and have taken my imagination high into the air with the pilots of airplanes during the world war. Books on nature have increased my knowledge about the surface of the earth and about the many different kinds of plants that cover the earth's surface. I have read books about Indians and the way they lived to live and the way they live now. It is very interesting to study about the ways they doctored their sick and about the other strange customs they had.

A book is a wonderful thing. A good book will make you forget all of your troubles and it will furnish many hours of pleasure. A book will indeed increase a person's experience and knowledge.

SPEARMAN PUPILS ON GRUVER PROGRAM

On Monday night a group of Spearman pupils presented numbers on the Gruver PTA program. Billy Jo Sparks gave a piano solo, "Tulips"; and Betty Jean Hill and Barbara Jean Dally gave a violin duet. Estella Garnett was the accompanist. The Spearmanites enjoyed the American History pageant put on by the Gruver pupils under the direction of Mrs Eling.

FHT NEWS

The Spearman FHT plans to have one of their regular meetings Friday Nov. 10. Each group plans to work up a short play for the others.

Our club received notice that we are to broadcast from Pampa, Feb. 22, 1940. We are looking forward to working up our program for this occasion.

FIRST GRADE

The first grade has begun to work on the Rhythm Band and they hope to be ready to play in assembly.

They have begun the study of a Farm Unit and are making some very pretty posters.

The first grade wish to thank their room mothers, Mrs Graves and Mrs Lackey for the nice treat on Halloween Day.

The following first grade pupils have not been tardy nor absent since school began:

Dan Dacus, Don DeArmond, Doyle Jackson, Joel Lee Lackey, John Patterson, Leroy Unruh, Betty Ruth Beck, Melva Buzbee Doris Birdwell, Frances Crawford, Lula Faye Gill, Jeanene Graves, Patsy Howell, Joan Mackie, Joy Ann May, Dorothy Meers, Peggie Pierce, Nancy Ann Platt, Tynelle Sansing, Luella Jantz, Doris Jean Scroggs and Joyce Scroggs.

BOOK REVIEW
 Samuel Clemens, better known as Mark Twain, has been dead several years, but his humor still lives. He was born in Mississippi and died in Connecticut.

What boy or girl doesn't like to read his humorous and adventurous writings? "A Connecticut Yankee in King Arthur's Court" is a very unusual book and the title might mislead a person. It is of a man living in the 19th century who somehow or other went back and lived in the 6th century. The Connecticut Yankee did great wonders for the people in King Arthur's kingdom.

When he first arrived, to save his life he told the king that he was a magician. He was going to be burned at the stake but just then an eclipse of the sun came about; the people thought it was his works and begged his mercies. They took him from the stake and gave him the name of "The Boss".

The Boss started putting things that were in the world he came from into the world he was in at that time. The people were very superstitious and did not know but what it was his magic that he was doing all of his work.

Friends, I leave the rest of the book for you to read for yourselves if you are interested enough to do it.

ASSEMBLY PROGRAM
 Monday morning a group of pupils from the Morse High School gave a 1-act play in assembly. "Those in Glass" by Robert Brome was presented by everyone. The characters were Jack Terry, Jack Gillispie, Terry, Merle Johnson; Mrs. Terry, Truman Tom; Mrs Terry, Maxine Durhan.

The play was a great success as far as Spearman goes. We hope that the Morse school entertain us again very soon.

RECITAL
 Miss Katherine Coon present her pupils in dramatic expression numbers at the auditorium Monday, Nov. 13.

Assisting will be violinists by Jean Hill and Barbara Dally, and solo numbers by Mr Rattan's band. Admission will be 10c for everyone and proceeds will go to the fund.

6-A NEWS
 Last Friday, Oct. 27, we had a meeting of the Citizens Club in English Class. We the public to know that room won the 2.50 offered by room who got the most votes to join PTA. We want to thank Mrs Maize and Mrs Mize for working so hard toward this.

During club meeting we discussed what would be done with money. We thought it would be nice to make curtains for book-cases and doors; and the money left buy a U.S. We will consult our roomers first. A program follows business. The characters of a committee presented this program. Jack Tice is chairman.

First on the program, Hill sang "I've Got a Pocket of Dreams" Wilma Mahaffey Jo Anna Mizar played Old Joe on their tonettes; and Harbor danced the Minstrel.

Their three best citizens of week were elected. They are Jean Hill, Floydian Crawford and Jack Tice. The meeting adjourned.

In our geography class have completed the study of Soviet Union. A test was given over Italy, Spain, Portugal and the Soviet Union. Only I was made. Friday another was given to those who made low 70. Those who made 70 played ball in the gym.

We are proud of Avis Hutton and Rosanne Porter as volleyball ball is concerned. Both these girls are playing on the team of grade school. Meet us hope to be on the team next season or so.

Thanks A Million . . .

For the splendid patronage afforded this store during the 25th Silver Anniversary ONE CE SALE JUST CLOSED.

We appreciate the fact that the customers of store made this SALE the GREATEST we have ever held in Spearman.

WARNING

Check the weather report. The thermometer jumped from a cold wave of 15 degrees above zero to a heat wave of 76 degrees above. This is entirely too much spread in the weather offering for a week. What we want to say is that just as weather as this is regular COLD & FLU BREED. Take all precautions to prevent cold and flu. Call your Doctor if you feel inclined to believe a severe cold is developing.

—See your Druggist for simple cold remedies

Many Local People Have taken out cold insurance in the form of "shots" or tablets. Both methods have proven effective, and are well worth the expense in health. There is really little use anyone suffering from winter colds if they will take the prescribed remedies to prevent all colds.
