Back of Every Bank are the Men Who Run It

Upon those men depend the service you get and the safety of your deposits.

The men who control the policy of this bank are experienced business men who understand the principles of successful management of financial affairs.

We are ever mindful that it is your money we are guardians of, and we intend to run a bank where your money will be safe.

First National Bank of SPEARMAN

For County Judge A. E. Townsend

In the announcement column this week will be found the name of A. E. Townsend as a candidate for the office of county judge and ex-officio county superintendent of Hansford county. Mr. Townsend has served in the capacity of county judge of Hansford county and his ability to look after the duties of this important office is well known. He has been a resident of the county many years, coming here in the early days, he foresaw the great possibilities of the country, and has worked unceasingly for the development of same and the betterment of conditions generally. Mr. Townsend is a great road builder and school man. He understands these problems from a to z, and if elected will give them proper attention. Give his claims due consideration.

Twenty five per cent off on all coal stoves and chinaware
ANDREWS HARDWARE CO.

Pure blood S. C. Rhode Island Red eggs, \$2.00 per hundred; 50 cents per setting. Telephone H52.
Mrs. P. H. Jamison,

Farmer's Short Course

The International Harvester Company Agricultural Short Course and Community Meetings will be held in Spearman on March 15 and 16. H. S. Mobley, well known to many of our people, will be among the principal speakers. There will be charts, lantern slides and moving pictures, all instructive and entertaining. This will be free to all who wish to attend. Word has been received that the advance man, Mr. York, would be in Spearman within the next few days to make the final arrangements for the course. Remember the dates—March 15 and 16—and make arrangements to spend these two days in Spearman.

Mrs. Lee Chamberlain is listed with the sick this week.

C. B. Reaves is looking after business matters in Plainview this week.

Born, to Mr. and Mrs. R. C. Johnson on Monday night, February 27, a fine girl.

Miss Ola Berry came from Texhoma Sunday and is a guest of her sister Mrs. Louie Coate.

Take advantage of the reduction—25 per cent off on stoves and chinaware. Andrews Hardware Company.

Tom Rosson, Newt Holt, Jimmy Roberts and other south-of-town farmers, broke the snowdrifts and came into town Thursday afternoon for supplies.

Dr. Richardson, the dentist, went to Woodward Thursday to look after business matters and to visit with his family. He will return to Spearman the first of next week to remain permanently.

The pianoforte recital which was to have been given on Tuesday night of this week by the pupils of Miss Johnnie Reaves, did not take place on account of the inclemency of the weather. It will take place as soon as the weather will permit, we are informed by Miss Reaves.

T. R. Johnson returned the latter part of last week from Elk City, Oklahoma, where he was called to attend the funeral of his father, held there on February 20. The deceased was 73 years old at the time of his death. On his return to Spearman, Mr. Johnson immediately made arrangements to move with his family to Amarillo, where they will make their future home.

SPEARMAN COUNTRY SNOWBOUND

Big Blizzard Reached Here Sunday Night—Ten Inches of Snow and Ten Below Zero

The Spearman country was visited by a "regular" snowstorm, which arrived on Sunday night, February 26, and continued all day Monday and Tuesday. It was the worst blizzard and snowstorm since the winter of 1918. The snowfall is estimated at from 6 to 10 inches, and in places it drifted to a depth of several feet. Spearman had no mail from the outside world from Monday afternoon until Thursday afternoon—72 hours—as all trains on the Spearman branch were snowbound. The Spearman-Guymon and Spearman-Plemons mail carriers have made the round trip once this week, going one way Monday and returning Thursday, and are getting back on regular schedule today. The train arrived on time from Shattuck Monday afternoon but did not get back to the main line until Wednesday night. A snow plow was

sent out to clean up the track and it arrived in Spearman Thursday at noon, followed by the regular train a few hours later. The snow plow was over thirty hours making the run from Shattuck to Spearman, 81 miles. Traffic is back to normal now and no trouble is reported on the main line. It would be difficult indeed to estimate the value of this great snow to the Spearman country, which was beginning to need moisture very badly. Old wheat raisers claim we now have a good chance for a ten to twenty bushel wheat crop, and a record breaking row crop. Farmers will begin the spring plowing as soon as the snow melts away and an unusually large acreage will be sown to spring wheat. Cattlemen report light losses. So many cattle were shipped out of this country, it is not such a task to care for those now on hand.

Looking Forward

We all look forward to the time when we shall be more independent.

Old Father Time will some day have his Grip on us.

Let us fortify ourselves against this old gentleman by persistently adding to our bank account so that when he comes he shall not find us on Poverty Street.

Guaranty State Bank

SPEARMAN, TEX.

Bro. Storey Coming

Monday March 6th Bro. Storey will be here and preach at night, 7:30, and hold the second Quarterly Conference after preaching. Every body is invited to attend preaching and remain through the business session.

Last week Bro. Baker from Waxahachie, a Presbyterian minister, preached at the Methodist Church Tuesday night and Bro. Hand on Saturday night. We were glad to have these Brothers preach.

There is preaching at the Methodist Church the second and fourth Sunday at 11 A. M. and every Sunday night Z. B. PIRTLE, Pastor.

Interscholastic League

The Canyon District of the Interscholastic League will hold the annual Meet on April 21 and 22. Twenty-three counties are represented in the Canyon District and the annual Meet is rapidly becoming an event of great importance among the students of this section of the state. Schools in Hansford county which are members of the Interscholastic League are: Spearman High, Hansford, New Hope, Kimball, McBride, Two-seven, Lakeside, Maupin, Lieb and Woodward.

Block salt, \$15 per ton, at the Spearman Equity Exchange.

Typewriter ribbons and carbon paper at the Reporter office.

The best stoves at less—25 per cent off. Andrews Hardware Co.

LOST—A plain gold "Eversharp" pencil; was lost in Spearman several weeks ago. Finder please leave same at the Reporter office, as the owner is very desirous of recovering the same.

Judge Morton G. Mathis and wife and their two fine boys, Edford and Winston, were here from Plemons Saturday, looking after business matters and trading with our merchants.

Get your shoe laces at Doc's Shoe Hospital. Long ones, short ones, wide ones and narrow ones, all good. Also Bixby's AA Brown Shoe Polish, the best what is. Will not injure the leather. East side Main, Spearman.

WON TWO GAMES AND LOST ONE

The Spearman High boys proved to all who saw the games at Texhoma that they are as good as the best in this part of the country when it comes to playing basket ball.

In the game with Stratford Saturday afternoon, our boys started playing with two things in mind, first, to win the game they were playing, and second, to save themselves for the game that was to follow in a few hours with Texhoma. That they accomplished this is evidenced by a score of 40 to 20 at the end of this game and a score of 19 to 16 that night, also in their favor.

The game as every one expected was by far the fastest Spearman has participated in this season. Our boys had already defeated Texhoma twice this season, but each time there seemed to be something Texhoma could offer as favoring Spearman. In this game, however, both teams seemed to be at their best and nothing was heard to the contrary either before or after the game.

To go into detail about the game would be to repeat what every one in Spearman has heard before this time. It seemed that about half the people in Spearman were there to see the game.

The boys came up to our highest expectation and we hope that they may be seen in action once more before the season closes.

Saturday, Feb. 25, the Boys and Girls Basket Ball teams of Spearman went to Texhoma, Oklahoma, where they participated in a basket ball tournament.

Upon reaching Texhoma, the girls found a disappointment awaiting them. They left here thinking that they would play the girls' team of the Dalhart High School in the evening and the Texhoma girls at night. They learned, however, upon reaching Texhoma that the Dalhart girls would not play. This was a great disappointment to the Spearman girls as they had expected to meet and defeat that team. As the girls had no game for the afternoon, there was nothing for them to do but wander around

down town and wear themselves out before the night game.

The game with the Texhoma girls was called about nine o'clock. As soon as the game started, the Texhoma girls showed that they had spent quite a while in hard, genuine practice since last meeting our girls. Even though our girls did not win, they fought hard for the game, but not as hard as they have fought at other times. After spending the greater part of the day in Texhoma, our girls were tired and all of them seemed to have lost some of their pep and vigor. They did not seem to be able to get in the game during the first half, but during the second, they seemed to gain courage and played the Texhoma girls a pretty close game. The girls' defeat might have been due to several causes. The first and most important was the fact that they were tired to death before they entered the game, then we believe the Texhoma girls had spent more time in practice than our girls, and lastly, the coach probably had something to do with it in warning the girls not to start the game as rough as they did at Spearman, yet they can play hard without playing rough. Even though the Texhoma girls fouled a great many more times than our girls did, they played a clean game.

Our girls certainly proved to the Texhoma people that they can take defeat like sports. The girls were sorely disappointed over losing the game, yet they didn't get angry and make threats to kill some of the Texhoma players if they ever came down here again. They lost the game, but all the girls enjoyed a pleasant trip to Texhoma and also enjoyed seeing two teams go down to defeat before the onslaught of our boy's team. We certainly are grateful to the Spearman people for their support at Texhoma. For the night games, Spearman was about as well represented as Texhoma.

Lost, a class ring, bearing inscription "CC'14RP". The finder of this ring will confer a great favor on the owner by leaving the same at the Reporter office, where a reasonable reward will be paid.

Miss Gwenifred Jones and Miss Maime Bowman left Monday morning for Fort Worth and Dallas where they will visit with friends several weeks. They will spend a week or more with Miss Ann Bowman at Dallas.

Snowbound

Among the out-of-town folks who were snowbound at the Crawford hotel in Spearman this week were: J. L. Ridley and daughter Miss Leta Ridley, from Dalhart, who were en route to Woodward. They turned back toward home when the weather broke. A. L. Hess from Hesston, Kansas, who owns a fine farm out southeast of town and was here looking after the same. Mr. Woodliff, a traveling salesman from Alva. Tony Adams, auto tire salesman from Oklahoma City. Most of the transients got out of town Thursday, having been snowbound here since Monday.

One of our contributions toward normalcy—25 per cent off on all coal stoves and chinaware.
ANDREWS HARDWARE CO.

LOST, a Ford car somewhere off between Stratford and the Sporty-Gobbler oil well, an Iowa License No. 230573, one rim, tire and tube, with carrier, also tail light. Finder please leave same at office of A. E. Townsend in Spearman and receive reward for services.

Lad Invents Tiny Wireless Outfit

Kenneth R. Hinman, who is only twelve years old, has invented a wireless receiving apparatus that fits neatly into a safety match box. With this instrument and a pair of ordinary receivers, the juvenile inventor is able to catch not only telegraph signals, but the regular broadcasting programs from stations 20 and 30 miles distant. The lad lives in Plainfield, N. J. Kenneth and his brother, both "scouts," show how the little outfit works when you are lost in the woods in the dark.

Penn's spells quality. Why?

Because Penn's is packed airtight in the patented new container—the quality is sealed in.

So Penn's is always fresh. Have you ever really chewed fresh tobacco? Buy Penn's the next time. Try it. Notice the fine condition—fresh Penn's.

PENN'S CHEWING TOBACCO

satisfaction to the people in general. Iowa, Pennsylvania, Ohio, Maine, New Hampshire, Vermont, Massachusetts and Delaware have a county agent in each county, while New York and Minnesota have only one county agent each without an agent.

6. Out of every dollar collected a tax in this nation ninety-three cents are spent for war purposes, and seven cents for all other purposes. Less than one-half cent of each dollar collected is spent for agriculture and the benefit of the people who produce the food and feed for the world. No opportunity should be overlooked to secure some little part of this small amount spent for agricultural development when it is offered.

7. Every nation in the world that has oppressed its farmers, or failed to encourage and develop a profitable system of agriculture, has failed. Russia and Mexico are very good examples of this fact.

8. The county agent brings the services of the U. S. Department of Agriculture and the A and M College to the doors of practically every farmer in the county.

9. To maintain a county farm agent in the county is not a burden on the people, or an expense to the county, but is an absolute necessity and an investment that will yield many dollars in return for each dollar invested by the county.

THIS SALE OCCURS RAIN OR SHINE

Elsewhere in this issue will be found the advertisement of the sale of the Texas Breeders' Association, which will be held in the big Free Fair Pavilion in Guymon, Oklahoma, on Friday, March 24th. This promises to be the biggest event of its kind ever held in the Panhandle of Oklahoma, in fact, most all of the leading breeders of this section of the country are participating in this sale. Their catalogue, which is now being printed will list something over one hundred pure bred cattle, and something over fifty pure bred hogs. This sale will afford the farmers who want to improve their herds the greatest opportunity they ever had to secure such animals as are needed to build up the blood lines, without having to travel a great distance, and go to a great expense. They have listed in this sale, many of the very finest blood lines of the various breeds, and every farmer of this section who is interested should send in a request for a catalogue, to Joe A. Meade, Secretary, Guymon, Oklahoma.

Notice for Road Grading Bids

Notice is hereby given that sealed bids will be received by the County Clerk of Hutchinson County, until March 13th, 1922, at 12:30 P. M. for the grading of eight or nine miles of road beginning at Northeast corner, survey No. 105, Block 5-T, T & N O Ry. Co. and termination at Southeast corner, survey No. 21, D. L. & C. Co. Hutchinson County, specifications same as now being used on grading on this road, or furnished upon application to County Clerk of said County. Each bidder may make two bids if they desire, one for them to furnish everything and one for the County to furnish grader and plow only. If County furnishes grader and plow the work on this job can not start until the grading now being done is completed. A bond of \$200.00 will be required with each bid.
M. G. MATHIS, Co. Judge.

Something to Think About

By F. A. WALKER

SOME INFLUENCES

IN THESE days of doing big things, which cannot be done properly without putting into them the hardest kind of work, accompanied with undeviating concentration of thought, there is a disposition among certain classes of employees to allow disturbing influences to belittle their efficiency.

Trifling as these retarding breaks may seem to the young man or woman who is inclined to entertain them, if not overcome, they soon become formidable barriers in blocking the way to progress.

The thoughts of last night's rollicking play or gay dances, as they come trooping before you in the morning when you take your place at your desk, may unfit you for the day's work.

Under their influence your mind wanders, eludes control and places you at a positive disadvantage with the man or woman who is able to think clearly and make every stroke count. Columns of figures refuse to prove themselves; words are misspelled; hands tremble and nerves tingle. In your dismay you wonder what has come over your usual placidity.

At the next desk is a worker twice as much in earnest and not one-quarter so hurried. This timidity of yours is proof of the presence of disturbing influences, which are digging pitfalls about your feet and leading you blindfolded to the brink.

The very flexibility and ease with which this is done, fail to arouse your suspicion until in some way or another you sense that you are standing on a precarious base, in imminent danger of toppling over.

And thousands of others like you, through disturbing influences, are standing helpless at the brink, disconcerted and miserable.

Yesterday you and they were certain of the future.

Today everything is in doubt, simply because of the lack of sufficient will-power to drive frivolous thoughts from the mind and to step down on the solid ground of common sense.

And these same disturbing influences have been fooling with mankind since the foundation of the world!

The proof of the pudding is in the eating.

FAMILY DESSERTS

TAPIoca is a dessert that may be used in many combinations and is always a wholesome dessert for children.

Peach Tapioca.

Drain a can of peaches from the liquor or juice, using a pint of the fruit if home canned; sprinkle the peaches with one-third of a cupful of powdered sugar and let stand an hour; soak one cupful of tapioca one hour in cold water to cover, add enough of the peach syrup to make three cupfuls, heat to the boiling point; add tapioca drained from the cold water, two-thirds of a cupful of sugar and one-half of a teaspoonful of salt; cook over hot water until the tapioca is clear. Line a pudding dish with the quartered peaches, turn in the tapioca and bake slowly in a moderate oven for 35 minutes. Serve hot or cold with cream.

Cracker Custard Pudding.

Soak three-fourths of a cupful of cracker crumbs in one quart of scalded milk; cool, add one-third of a cupful of sugar, one-fourth of a cupful of butter, two eggs slightly beaten, one-half teaspoonful of vanilla and the same of lemon, with salt to taste. Bake slowly one hour in a moderate oven, spread with a meringue, return to the oven and brown delicately; serve with vanilla sauce.

Coffee Jelly With Cream.

Soak two tablespoonfuls of gelatin in one-half cupful of cold water one-half hour, dissolve in one cupful of boiling water, strain and add two cupfuls of clear coffee, one-third of a cupful of sugar and stir until the sugar is dissolved. Turn into a ring mould, chill, unmould on a serving dish, fill the center with sweetened whipped cream, flavored with vanilla.

Virginia Lee

Many will recall that during the World war there appeared on navy posters seeking recruits a very pretty girl—that was Virginia Lee. During the recent national beauty pageant at Atlantic City, Virginia was selected by President Harding as the most beautiful girl in the U. S. A. For years she has been playing in pictures and is regarded as one of the most handsome of the "movie" stars.

"What's in a Name?"

By MILDRED MARSHALL

Facts about your name, its history, meaning, whence it was derived, significance, your lucky day and lucky jewel.

ANGELICA

ANGELICA, a name of much more substance than the pallid Angelea, is still one of the "angelic names" which feminine fancy delights to bestow on its girl children. It means, of course, "angelic" and seems difficult to reconcile with the behavior of some of the small daughters whom one finds bearing the name.

Angelos was a Greek word meaning "heavenly messenger," hence "angel." It first became a name in the Byzantium empire when it was bestowed as an epithet upon persons of surpassing beauty. It was applied most often as a masculine name and there was a Carmelite saint called Angelo, who established it as a baptismal name. In his honor, the feminine also became popular and Italian history records many instances of its use.

Angelica sprang to fame since it named the faithless lady of romance for whose sake Orlando lost his heart and his senses. Though she was the invention of Boiardo and Ariosto, the romantic flavor which the story gave her name brought Angelica to instant favor. England liked the name and adopted it. In France it became Angelique, and Italy produced the other forms of Angioletta and Anziletta, though Angelica continued the reigning favorite.

Angelica's talismanic gem is the pearl. It guards the purity and sweetness of her, brings her friends, and much charm. Sunday is her lucky day and 2 her lucky number. The wild rose is her flower.

(Copyright.)

WHY— ARE BUBBLES ROUND?

A SOAP bubble, to use as an example the most familiar kind of bubble, is merely a hollow ball of water with air inside. The soap, partially dissolved, forms a very thin film or skin over the air which is endeavoring to force its way through it. This air exerts an equal pressure in all directions and thus forces the soap film out at an equal distance from the center of the compressed air, thus forming a perfect sphere or ball at the moment the bubble is first made.

However, after the bubble has been floating for a few moments, the water drips down toward the bottom of the ball and collects there in drops. The weight of these pull the bubble out of shape—spoil its perfect symmetry—and increase the pressure of the air inside to such a degree that it breaks through the film and the bubble bursts.

R. R. MAN LIVED ON CEREALS AND EGGS FOR YEARS

"Tanlac Made a New Man of Me and I Can Now Eat Anything on the Table," Declares Jos. Morris.

Jos. H. Morris, for many years assistant yard master for the Texas and New Orleans railroad, who lives at 1816 Providence St., Houston, Tex., is another well-known railroad man who is now an ardent champion of Tanlac. He says:

"I am feeling just fine now and I understand why so many people praise Tanlac and I want my name to go down with the rest who endorse it. For two years I had to live on cereals and eggs on account of the wretched condition my stomach was in. I felt tired and laquid, too, all the time and was losing weight and strength right along.

"Tanlac has just made a different man out of me, my stomach is in tip-top shape and I feel stronger and have more energy than in a long time. Tanlac certainly does the work."

Tanlac is sold by leading druggists everywhere.

Stray Steer

A red, unbranded, bob-tailed, white faced Hereford steer, about two years old, has been at my place since last October. Owner will please call, pay charges and take this animal away or the same will be dealt with as the law directs.

J. A. ROBERTS,

Nine miles south of Spearman

The reason for only a part of the moon's disc being visible to the earth is that the east and west sides become alternately visible; this is called the moon's longitudinal libration. The libration in latitude arises from the moon's axis not being perpendicular to her orbit, in consequence of which a part of her surface round the North pole is visible during one-half and a corresponding portion round the South pole during the other half of her revolution in her orbit; the libration in latitude is about 6 degrees, 41 minutes.

THE ROMANCE OF WORDS

"CANDIDATE"

OWING to the ramifications of modern politics and the alterations in style of apparel, one would about as soon expect a "candidate" for a position to be entirely "candid" as they would expect him to make his appearance always dressed in white. But, according to the original meaning of the word, he should be the one and wear the other!

The Roman usage demanded that all who were openly seeking public office should be dressed in white and this, by degrees, led to their designation as candidi, or "wearers of white," derived from the verb candidare, to whiten. It is from the same stem that we obtain the word "candid," a word employed by some of the old English authors in its physical meaning of "white," but which has in ordinary everyday use been transferred to indicate a mental quality, a freedom from bias prejudice or deceit—all of which might be regarded as dark spots upon a character.

It is in its original sense of "white," however, rather than because of its connection with the modern meaning of the word candid, that we derive our word "candidate," and, to be strictly in accord with etymology and custom, no seeker after office should appear unless garbed in clothing of spotless dazzling white.

THE TRUTH AND NOTHIN' BUT THE TRUTH

Judge: Were you going to steal that automobile young man?
Prisoner: Why, yer honor i wasn't even thinking of such a thing.
Officer: No, he wasn't thinking about it yer honor, he had already decided on it.

YOUR HAND

How to Read Your Characteristics and Tendencies—the Capabilities or Weaknesses That Make for Success or Failure as Shown in Your Palm.

THE FINGER NAILS

AS A general rule, when the nails are short, it is a sign of sharpness and quickness of intellect and the ability to learn easily. These indications must be confirmed, of course, by a study of the line of the head, which must be good; that is, clear and strong.

If the line of Apollo, which runs up into the finger o. Apollo, the third finger, is also good, the short nails mean wit, and in some cases irony.

"Short-nailed subjects make the best journalists, by reason of their love of criticism and their readiness to engage in any dispute or contention," says Heron-Allen, a well known writer on palmistry. He holds also that in a good-natured and happy hand, or in a lazy hand, short nails denote a spirit of mockery and of good-humored sarcasm, frivolity, criticism and contradiction.

Of course, it must be understood that by "short nails" are meant those that are short from base to tip, not those that are shortened by the nervous habit of biting them. The latter is an indication of nervousness, melancholy, and worry, especially if the finger tips are spatulated.

Chicken Houses, Hog Houses Barns for Milk Cows

The people of the Spearman Country are rapidly reaching the conclusion that they must have something in addition to the crop prospect. They need milk cows, hogs and poultry. Our part in this plan is to furnish you with the houses, sheds, pens and fencing to do this kind of farming profitably. You cannot be successful in diversified farming without a certain amount of equipment. Our business is to furnish this equipment.
