

THE SPEARMAN REPORTER

Spearman Reporter, Spearman, Texas, Thursday August 1, 1935

WORK OF CCC CAMP WILL INCLUDE 182 SECTIONS IN COUNTY

Work of soil conservation, as planned by the new Perryton CCC Camp will begin in Hansford County in the near future, according to information from Camp officials, as given County Agent Lester Boykin at a meeting held at Perryton Friday of last week.

Roughly speaking the work as planned for Hansford county will include 182 sections of the 1000 sections in the county. An unofficial boundary was worked out by County Agent Lester Boykin, starts in at the South boundary at section 142, cuts off a corner of section 143, extends North and East thru sections 132 131, 114, 115, 100, 99, 86, 87, and thence thru sections 68, 68, 37, 34, 102, 91, 86, 76, 67, thence thru section 1 block 2 S. A. and M. G. thence thru sections 7, 8, 21 and 22 block 1 C. I. T. thence thru the East end of W. J. Riley survey, and section 31 block 1, W. C. R. R. survey thence thru sections 30, 29, 28, 24, and 25 block 1, P. F. S.

This estimated boundaries of the work to be done is not official since the government engineers will make surveys that will officially establish the proper boundaries. However, it gives an excellent idea of the working territory. It includes much of the North end of the Palo Duro valley, where the class of work to be done by the CCC workers is most needed.

Th officials of the camp have an outline of 26 activities that camp personnel will cooperate with land owners in accomplishing. Among those that will be most beneficial in Hansford county are: surveying contour lines, destroying weeds, range revegetation, tree planting, ditching, tree planting in gulleys, sodding, terracing and other activities.

In all these activities the landowner must sign up with the government and in some cases is required to furnish much of the cost of the activity. The individual who plans to take advantage of any of these activities are urged to get in touch with the proper officials and plan out their respective activity in the immediate future. Hansford county citizens may seek additional information from County Agent Lester Boykin.

Gib Nobles and Jim Cator announce the date for the second annual NTN Rodeo as August 10th and 11th. These Hansford County boys have made a success in their first rodeo. They claim they know nothing yet. They claim they have imported a number of real live numbers for the Cowboys in this section to tame and they have made such an attractive prize list that they will attract some of the best riders and ropers in the Southwest to the two day affair at NTN Park.

ANNOUNCEMENT MADE OF SECOND ANNUAL N.T.N. RODEO

Their contests include calf roping, steer riding, bulldogging, and wild cow milking. The Hansford boys own quite a number of their stock, and are securing more from over the state. In addition to the rodeo, Hansford citizens will have an opportunity to enjoy the old fashioned picnic style of come and spend the day, bringing their own lunches, or if they do not care to take their eats ample provisions have been made to provide them with palatable food at reasonable prices on the ground.

The usual concessions such as doll racks, and other entertainment will be at the picnic grounds for the enjoyment and pleasure of visitors. Free spring water and free swimming available each day of the rodeo. The NTN Park is probably the most lovely picnic and outing location in the Panhandle. Large trees all over the grounds make an outing at the park a real pleasure.

Oats Are Available At 40c. Per Bushel, and Seed Barley, 80c. Bu. A car load shipment of bulk Oats will be received by the Hansford relief office in the near future for sale to ANY citizen in the county except dealers at 40c per bushel. This grain is re-cleaned, available for feed or seed. If sufficient Hansford folk want seed barley it can be purchased at 80c per bushel thru the relief office.

Dr. Powell Eye Ear Nose and Throat specialist will be at Dr. Gower's office Wednesday August 8. Glasses fitted, tonsils and adenoids removed.

Relief Director Haile Called To Austin, Texas Hansford County Relief Director Haile was called to Austin, Texas this week to confer with state Relief Officials.

NEWS REEL - Aquatic Number - by A. B. Chapin

HIGH TIDE
LITTLE HARBOR, N.J. - The Amazing phenomenon which occurred on the Atlantic seaboard recently was, in reality, the highest tide ever recorded. The gigantic inland sweep of water was caused by the biggest crowd in years along "Seven Mile Beach" taking a dip in Old Briny.

SHOWERS
WASHINGTON, D.C. - The weather Bureau reports from coast to coast the most prodigious downpour since last July.

STORMS
FAIRFIELD, ILL. - Severe thunder has accompanied the numerous storms hereabouts during the recent torrid spell and quite a number of persons have been struck by lightning. Late reports state that none have been fatally injured, and most will be walking soon.

DELUGE
SPRINGFIELD, ILL. - Mrs. Ben Johnston was nearly drowned the other day in an unexpected place and in an unexpected manner.

WILD WAVES
CYNTHIANA, KY. - This vicinity was submerged by wild waves of talk last week when Miss Goldie Dave tried out her new bathing suit in her back yard.

HIGH-WATER MARK FOR '35
GENEVA, ALA. - Local records for high water were busted last week. Much visible gulf water and mud were deposited during the inundation.

FAMOUS LECTURE ON Work Begun on Topping SOUTH POLE TRIP TO BE GIVEN AUGUST 6TH.

A thrilling Ice Party to Little America, in the vast Antarctic, which will be conducted personally by Mr. Joe Hill, Jr. youngest member of Admiral Byrd's recent South Pole expedition, has been arranged for Spearman for the evening of August 6th, at 8 o'clock in the High School auditorium, under the sponsorship of the Mary Martha Missionary Society.

Mr. Hill according to glowing tributes from distinguished critics, is a delightful story-teller, whose exuberant spirit and boyish enthusiasm aid him to picture most realistically and interestingly to his audience the marvelous adventures that he, himself, experienced in a far off, little known wonderland of biting cold stinging and unbelievable discoveries.

Brotherhood Organized At First Baptist Church

At a meeting of the men and boys over 16, members of the First Baptist Church of Spearman and their friends, a Baptist Brotherhood was organized Friday evening of last week. Frank Cheney, was elected President and J. B. Cooke, Sec. and treasurer. Other officers including two vice presidents and the chairman and members of the various committees will be appointed at the next meeting Friday evening of this week.

Revival at Presbyterian Church Starts August 4.

Announcement of a series of revival services to be held at the First Presbyterian church of this city has been made. The services will begin at the morning hour Sunday August 4th. Rev. H. C. Akers of Happy, Texas will do the preaching during the revival, and will be assisted by Rev. Albert Smith of Dallas, directing the song services.

Labor For Highway 88 To Come From Men Of Hansford County

Local Hansford county men will be used as long as it is available on topping Highway 88. The work is open to any Hansford County citizen who can deliver a days work and is willing to work at the rate of 35c per hour. Applicants for work do not have to be on relief, but they must get an introduction card from the relief office before reporting on the job.

ELECT OFFICIALS FOR WHEAT ALLOTMENT BOARD SATURDAY

Wheat Allotment officials who will serve the 900 contract holders of Hansford County were elected at a series of elections held in the nine precincts of Hansford County Saturday of last week.

The officers elected were as follows: Precinct No. 1, R. V. Converse, chairman, R. C. Bennett & J. L. Edwards, committeemen. Kimball, E. C. Greene, chairman, R. D. Tomlinson and W. C. Moller, committeemen. Gruber, J. A. Ferguson, chairman, H. Alexander and W. L. Harris, committeemen. Graver, W. E. Maupin, chairman, H. Spivey and Darrell Cooper, committeemen. Hitchcock, A. L. Thorson, chairman, Joe Logsdon and John Veneman, committeemen. New Hope, J. Sanders, chairman, J. C. Cluttz and Ed Cooper, committeemen. McBride, W. F. Etlng, chairman, T. Smith and R. Reimer, committeemen. Oslo, W. L. Oldaker, chairman, James Stegge and Gus Olson, committeemen. Morse, W. A. Gillispie, chairman, E. E. Pittman and L. F. Noe, committeemen.

Congressman Jones Writes Voters Regarding Local Postmaster For 1936

No news is good news... at least that must be the situation in respect to the present postmaster Bill Whitson. Poll tax payers of Hansford county were sent a letter by Congressman Marvin Jones the past week, in which he stated the three eligibles for the postmasters position in Spearman were: D. W. Holland, Floyd Sumrall and Marvin Chambers. Congressman Jones asked that each individual receiving the letter to indicate their favorite of the three mentioned. Todd's no indication of appointment has been received in Spearman.

PETITION FOR CCC CAMP IN COUNTY

Representative men of Hansford County are circulating a petition asking the proper government officials to designate Hansford County as the site of a CCC camp, when any new locations are made. Every citizen of the county is asked to sign up these petitions when they are presented.

JUDGE J. H. BROADHURST SPEAKER AT KIWANAS MEET IN BORGER TUESDAY NOON

County Judge J. H. Broadhurst was guest speaker at the regular noon day luncheon of the Borger Kiwanas Club Tuesday noon. Judge spoke on Civic Relationship.

Cecil Foote of End Oklahoma was a business visitor in Spearman Tuesday of this week.

SUPT. A. H. WORD RESIGNS WORK IN SPEARMAN SCHOOLS

Accepts Associate Professorship Of Boulder University Boulder, Colo.

Announcement was made this week by the Board of Trustees of the Spearman Independent School District that the Board had accepted the resignation of Supt. A. H. Word of the local schools in order that Supt. Word could accept an Associate professorship at Boulder University. Mr. Word plans to complete his Masters Degree while conducting the duties of his new position.

Mr. Word has made an enviable record while connected with the Spearman schools for the past 12 years. Coming to the Spearman school system in 1923 as Principal of High school and science teacher. Mr. Word gave satisfactory work that placed him in the office of Superintendent of the school system in 1933. His work during the 2 years has been outstanding, considering the very unfavorable conditions that existed in this section of the state during this time. The school has added materially to the library, placed public school music in the system, and has made a number of improvements.

That Supt. Word deserves much praise is apparent, when the patrons of the school realized that the administrative costs of the school had been cut in half during the past few years. Records at the High School office show that a budget of \$60,000.00 was used in 1930-31. This year's budget was for \$34,000.00. This includes the liquidation of bonded indebtedness for the school system, and this item is practically the same each year, so that the entire saving is effected in the administration of the system. Under the lowered operating cost the system has maintained the same high standard of affiliation with colleges of the state and the South as before the cut in expenses. Any graduate from Spearman High School can enter the state institutions of higher learning without entrance examinations.

Both Mr. and Mrs. Word have made splendid citizens while working with the Spearman school systems. Mr. Word organized and carried on the Boy Scout work in Spearman for a number of years before his duties forced him to abandon the work. He has been an active member of the Lions club since its organization in Spearman and cooperated and worked with the Spearman Chamber of Commerce when that organization was active in Hansford County. Mr. Word has handled the work of the Red Cross in Hansford County for a number of years, and has been connected in some official capacity with that organization the past few years. Mrs. Word has served as organizer and first President of the Spearman Music Club, has sponsored any number of programs for church and civic organizations, and has helped to train the young people in music during the past two years. She organized the boys and girls of the school into glee clubs and accomplished outstanding work in this direction the past year.

SOFT BALL LEAGUE RESULTS, GAME BY GAME, PAST WEEK

Thursday July 25th	Braves Vs. Cats
Slim Windom's Braves continued the winning streak that has marked the progress of this team since the beginning of the season. The score of 11 to 5 does not however, show a true picture of the game, since Bill Hutton's Cats prowled about a good deal more than the score board indicates.	
Summary of the game is as follows:	
Braves	Runs Hits Errors
Cats	11 10 5
	4 8 7

Friday July 26th Cords Vs. Yanks

Friday July 26th	Cords Vs. Yanks
Dwight Holland's Yanks the favorites in the series with the Whitson Cards lived up to their name by defeating the Cards 11 to 7 in the final contest of games with the Bill Whitson team. Exceptional team work and heavy hitting turned in the victory.	
The summary:	
Yanks	Runs Hits Errors
Cards	11 9 6
	7 10 8

Monday July 29th BRAVES SCALP YANKS

Seems as though Slim Windom's Braves are headed for a clean sweep in the softball games that are played just east of the Court House. After cleaning up on Bill Hutton's team three games

FARM LECTURER AT PERRYTON ON AUGUST SEVENTH

HARLEY A. DANIEL OF GOODWELL EXPERIMENT STATION ON CONSERVATION OF RAINFALL

Due to the efforts of the Ochiltree County Agricultural Council Hartley A. Daniels, acting director of the experiment station at the Goodwell A.&M. College, has been secured to give his famous illustrated lecture on land terracing, contour farming and rainfall conservation in Perryton on the evening of Wednesday, August 7. Mr. Daniels' lecture will start at 8:30 p. m. in the district courtroom. Every farmer and person in the county is invited to attend this meeting. A special invitation is extended the housewives as the methods of farming covered in this lecture will eliminate the dust storms as well as increase crop production.

Mr. Daniels is serving as director of the Goodwell station during the absence of Mr. H. H. Finnell, who has been loaned by the college to the federal government to direct the soil erosion battle. He has a message that is of vital importance to every Plains farmer. His talk is illustrated with dozens of charts covering rain fall etc. He shows many methods of farming, and on many other phases of scientific farming that will make for increased production and reduce erosion of our lands from wind and water.

Prepare For Lake and Dam Project On Palo Duro Creek, is Plan

Under the suggestion of the Spearman Lions Club Directors, a meeting of the Hansford County Commissioners court reported favorable on the possibilities of a Works Progress Project on the Palo Duro Creek, forming a recreational park, and a large lake, or a series of lakes that might be used for irrigation purposes in the Palo Duro Valley. The Commissioners requested an engineer to look over the possibilities of such a project, and District Engineer Dietrick of Amarillo will be in Spearman today (Thursday) for the purpose of a preliminary survey. If he passes favorable on the project the Commissioners Court will employ an engineer to prepare briefs in order that such a project may be submitted to the Works Progress Administration at the district office in Amarillo.

Hansford Men Asked To Meet At Spearman For Amarillo Trip Mon.

Hansford county is expected to send a large delegation of men to Amarillo Monday to attend the visit of Sec. of Agriculture Wallace's visit to that city. All who plan to make the trip are asked to meet at Spearman at 7 a. m. Monday and present a united front for Hansford County on the occasion of the visit.

Original plans called for a five minute interview of each county with Sec. Wallace. Should this plan be followed Hansford county representatives should elect a spokesman and instruct him as to what he should say to the Sec. of Agriculture.

Kenneth McKinney Guest Entertainer At Lion Club Meet

Kenneth McKinney, son of Mr. and Mrs. E. R. McKinney of Texhoma, Okla., a nephew of former Boss Lion Fred Hoskins, was guest entertainer at the regular luncheon of the club held Tuesday noon. Young McKinney played several selections on the cornet, receiving enthusiastic applause. Following the regular program the membership of the club considered as a matter of unfinished business, lighting the softball field for night games. A committee from the club will cooperate with local men, but the club members express themselves as being of the opinion that the field could not be properly lighted this season.

Boss Lion C. J. Todd called a directors meeting for Friday of this week. The meeting will be held at the Spearman Drug store. Visitors at the noon luncheon included Rev. Hill, Ceel Foote, Tom Riley, and Rev. Stevens. Tom Riley and Rev. Hill were introduced as new members.

The young folks tripped the light fantastic at the homes of Mr. and Mrs. Poole and Mr. and Mrs. Syl. Frizzell, on Wednesday night of this week.

NOTICE OF SALE OF REAL ESTATE

THE STATE OF TEXAS

COUNTY OF HANSFORD

By virtue of an order of sale issued out of the District Court of Hansford County, Texas, on a judgement rendered in said court on the 5th day of November, 1934, in favor of F. B. Buzzard against T. S. Morris and J. E. Doyle in the case of F. B. Buzzard against T. S. Morris and J. E. Doyle, No. 241, in such court, directing me the undersigned Sheriff of Hansford County, Texas, commanding me to levy upon and sell the following described property:

All of the Northwest quarter (NW1-4), of Section Number Forty three (43), in Block "R", Adams, Beaty and Moulton, Original Grantee, Hansford County, Texas, containing 160 acres more or less. Said land being located in the Southeast corner of Hansford County, Texas, about fifteen miles Southeast of Spearman, Texas, known as the J. E. Doyle land.

to satisfy a judgement and decree of foreclosure in favor of said plaintiff and against said defendants, obtained and made in said court on the 5th day of November, 1934, for the sum of \$1592.00 with interest thereon at 10 per cent per annum from the date of said judgement and costs accruing in said cause, I did on the 29th day of June, 1935, at five o'clock P. M. levy upon the above described property of T. S. Morris and J. E. Doyle, and on the 6th day of August, 1935, being the first Tuesday of said month between the hours of ten o'clock A. M. and four o'clock P. M. on said day, at the Court-house door of said County, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said T. S. Morris and J. E. Doyle in and to said above described property. Dated at Spearman, Texas, this 29 day of June, 1935.

H. L. WILBANKS, Sheriff, Hansford County, Texas.

ORDINANCE NO. 50

THE STATE OF TEXAS

COUNTY OF HANSFORD

CITY OF SPEARMAN

Be it resolved, by the City Commission of the City of Spearman, Hansford County, Texas, that on and after the passage of this Ordinance that from every person, firm or corporation engaged in the occupation of selling cannon-crackers, or toy pistols used for shooting or exploding cartridges, within this city, an annual tax of the sum of Two Hundred Fifty Dollars, and such persons, firm or corporation shall be required to pay an additional tax in the above amount and take out an additional license for each establishment or place where such cannon-crackers or said toy pistols are sold. By the term "cannon-cracker" is meant any fire cracker or other combustible package more than two inches in length and more than one inch in circumference commonly sold for purposes of amusement. Notin herein shall be so construed as to prohibit the sale of, or to place a tax on the sale of cartridges, combustible packages commonly used for firearms or artillery, mining, excavating earth or stone, scientific purposes or for public or private works.

WE, the undersigned, composing the City Commission of the City of Spearman, Hansford County, Texas, do hereby certify that the above and foregoing Ordinance was passed at regular meeting of the said City Commission held in the City of Spearman, Hansford County, Texas, on July 2nd, 1935 and ordered published for four consecutive weeks in a newspaper published within the limits of Spearman, Hansford County, Texas.

LIVESTOCK LAW WILL BE ENFORCED AUGUST 10

The Legislature of the State of Texas this year passed a law providing that any person owning or controlling any horse, sheep mule, donkey, bull, cow, steer hog, etc. or any kind of livestock who permits the same to run at large on that portion of any designated State highway in this State which is inclosed by fences on both sides shall be guilty of a misdemeanor. Each day such livestock are allowed or permitted to run at large is a separate offense. The punishment for each offense shall be a fine of any sum not more than two hundred dollars (\$200.) The law further provides that State Highway patrolmen as well as local officers shall have the power to enforce said law.

This law will become effective on August 10, 1935, and thereafter will be strictly enforced upon the complaint of any citizen of the State of Texas.

HOLT AND PRINGLE WOMEN ARE GOING TO A. & M.

Twenty-eight Hutchinson County women left Borger at 5: Sunday morning by bus for College Station to attend the 26th annual farmer's short course sponsored by the Texas Agricultural and Mechanical College.

The short course program, which features The Changing Country Life, will begin Monday and last through Friday. On Saturday the Hutchinson County group will go to Galveston for a day of sightseeing.

Home Demonstration Club women who are making the trip from Holt and Pringle are as follows:

Miss Iris Lieb, Mrs. Raymond Jarvis and Miss Ona Stith, Pringle; Mrs. H. H. Stephen and Mrs. W. B. Lackey, Holt.

County 4-H girls who are to attend the short course are: Kibbe Louise Lackey, Holt. Denzil Lee Henderson, Pringle.

Miss Luella Chance, county home demonstration agent, will drive to College Station after visiting at her home in Denton.

PROPOSED AMENDMENT TO BE VOTED ON AUGUST 6th, 1935

(Editors Note)—Gerald C. Mann, Secretary of State has departed from the general custom and has sent out to newspapers a brief concise, and, he hopes, accurate summaries of

each amendment. He states this move is strictly in an attempt to acquaint the voters with the contents, not the merits or demerits of these amendments. The Reporter

feels that this is a real service to the people, as the amendments deal with laws and to properly judge their advisability or inadvisability, one would have to be thoroughly inform-

ed on the law, which is to be amended. Secretary Mann plans to go on the air in a Southwestern hookup in August in an explanation of these amendments, and in addition

to this service, at this coming election, for the first time, the amendments will be numbered on the ballots which means that the state will have uniformity of ballots in voting on amendments.

The Old-Age Pension Amendment proposes to give the Legislature the authority to pay these pensions to persons over the age of 65, who are not habitual drunkards nor criminals, nor inmates of any State Supported institution. Those who are eligible must have lived in Texas at least 5 years, during the nine immediately preceding application and in the state continuously for one year.

All other restrictions and limitations would have to be set up by the Legislature. The Amendment authorizes the Legislature to accept money from the Federal government for the same purpose. It is presumed that Federal funds would match the State Funds. The maximum amount to be paid by the State would be 15 per cent per person. It is presumed that the Federal government would match State funds. The total pension per month in this case it is presumed would be \$30. The amount might be smaller, however but not larger.

It is estimated that the cost of this pension to the state would run between forty and fifty million dollars annually. No provision is made for the income. It would be up to the Legislature to determine where the money would come from. The Legislature would have to enact such laws as it deemed proper to utilize the right granted by the amendment. The Legislature might do this at once, or some time later for that matter not at all. The amendment is permissive and not mandatory, though few doubt that some form of Old-Age pensions would be enacted if the amendment is adopted in August.

PROPOSED AMENDMENT No. 2
Proposition No. 2 on the August special election ballot has to do with the temporary committalment of insane persons preliminary to a trial by jury.

Under the present Constitution whereby everyone is granted a jury trial, it is impossible to commit a mentally ill person to an institution for treatment or observation without the necessity of a jury trial. It has been pointed out that this is often very inconvenient and embarrassing.

The proposal, according to Secretary of State, Gerald C. Mann authorized the Legisla-

ture to pass such laws as would permit mentally ill persons to be confined by County Courts in institutions, presumably, or under the care of physicians or experts for a period of ninety days prior to the jury trial. It is presumed that the ninety day period of confinement would be for the purpose of observing such person.

The amendment specifically sets out that the right of trial by jury shall remain inviolate, but that in the particular case of insane persons a confinement period of ninety days for observation may be prescribed without the necessity of a jury trial. At the end of the time a jury trial would be held.

Proposed amendment No. 3
Probably chief interest in the August 23rd election on the seven proposed Constitutional Amendments will center on Proposition Number 3 on the ballot--the repeal of Prohibition, according to Sec. Mann.

The Constitution, at present, prohibits the sale, manufacture and transportation of alcoholic liquors ("except (3.2) beer"). This prohibition would be stricken out by adoption of the Repeal Amendment.

The proposed amendment specifically prohibits the return of the open saloon, and it would be up to the Legislature to define the term open saloon. No machinery is set up for the sale of liquor. The Legislature would have the authority to determine just who and just how liquor should be sold. This could be done by State monopoly or through private channels. The Legislature would have the authority to pass laws regulating local option elections.

If the amendment is adopted all counties, cities and precincts that were dry in 1919 when state wide prohibition was adopted would be dry now, at least until local option elections were held to determine otherwise.

It is well to remember that there will be an election next year in November to determine whether the State shall sell liquor through a State Monopoly System. If the repeal amendment is adopted in August the State MAY establish a state control and monopoly system. If the repeal amendment is defeated in August, it will in effect be submitted again in November 1936, in the

State Monopoly Amendment which says the State SHALL have a liquor monopoly. To retain the present dry status both the August 24th Amendment and the November, 1936 Amendment must be defeated. Passage of either will repeal the present prohibition section of the Constitution.

Proposed amendment No. 4
At present the Legislature can submit proposed changes in the Constitution only at regular sessions held every 2 years.

Proposed Number four on the ballot for the August 24th election revise the Constitution to permit the Constitution to permit the submission of amendments at special sessions. It is pointed out that in emergency cases, particularly on relief matters, that it might be necessary for Texas voters to vote on an emergency measure at a time, when the regular session of the Legislature is quite far distant in the future.

The original purpose of the provision which makes submission possible only at regular sessions was to make the fundamental law hard to amend and change. Two schools of thought are at variance here. The one believing that the Constitution should be easy to change particularly in emergency cases, and the other that every safeguard should be placed around it to make it difficult to change.

If the proposed amendment is adopted the legislature in any special session can submit proposed amendments to the voters--provided such amendments are submitted by the Governor for the Legislature's consideration. If the amendment is rejected the present system will obtain: that is constitutional amendments can be submitted to the people only at the regular session of the legislature.

Proposed amendment No. 5
Proposition Number 5 on the ballot of the August 24th special election reads: For (and against) the Amendment to the State Constitution authorizing the courts to place defendants on probation.

Proponents claim that if this amendment is passed many who are now sent to the penitentiary for the first offenses will be permitted to enjoy suspended sentences under restrictions of-

the court. The only restriction under the present suspended sentence law is the fact that the defendant must not be convicted of a felony--that is a crime punishable by confinement in the pen. The judge or court has no control nor can it set up or impose any other restrictions.

It is the understanding of those who have studied the amendment that if passed it would permit the Legislature to pass laws giving the courts the right to suspend sentences and place defendants on such probation as the court might deem proper. In other words the court could suspend sentences subject to certain other limitations. If those restrictions or limitations were not observed the Court would have the authority to have the defendant committed to the pen without further ado. Many courts now refuse to grant suspended sentences for the reason that they have no control over the defendant after the same is granted. It is pointed out that this would prevent many first offenders from having to go to the pen, and reclaim many of them for society.

If a suspended sentence is given under the present law the only limitation is that the defendant must not be convicted of a felony. The court otherwise has no control over the person.

Proposed amendment No. 6

Two years ago a Senate investigating committee discovered a number of flagrant abuses of the fee system as practiced in Texas for recompensing certain public officials. The fee system was established and written into the Texas Constitution at a time when it was impossible to pay salaries and the theory was that an official entitled to all he could make. Since the Senate committee discovered and revealed the malpractices existing under the system there has been a demand for a Constitutional change on this score.

Proposed amendment No. 6 on the ballot provides that the fee system as a method of paying certain precinct, county and district officials shall be abolished in counties having 20,000 or more population according to the last Federal Census. The Legislature will, if the amendment is adopted, set the salaries for offi-

cials now receiving fees in such counties. In counties under 20,000 population the Com. Courts may pay their county and precinct officials on a salary basis if they so desire. The Amendment does not specifically state who shall set the salaries of such officials in this case.

If this amendment is adopted all district officers must be compensated on a salary basis.

The amendment provides that fees shall continue to be collected as at present but they will go to the county instead of the officer. The evident purpose of this amendment is to place as many public officers on straight salaries as is possible and thus abolish, insofar as is possible the payment of officials through the present fee system.

Proposed amendment No. 7

Advocates of this amendment state that this would entail no additional expenses because the State now purchases more books than are necessary. However, this point is merely one of the claims made and has not been substantiated by the Sec. of State. Advocates point out that they pay taxes to support public schools but that if they choose to send their children to private schools or parochial schools the least the State can do is to supply the text books free.

Probably the most important and less publicized provision of this amendment is the fact that it proposes to rewrite Section 5 of Article Seven of the Constitution so as to permit the apportionment of school funds on some other basis than scholastic population.

For many years there has been considerable agitation in certain quarters to abolish the school census or scholastic population system of apportioning school funds and substitute in lieu thereof the average attendance basis or some other basis. The Legislature would determine just how this was to be done, if this amendment is adopted.

If adopted this proposed Amendment Number Seven would mean in effect (1) that the State would furnish free textbooks to pupils in all the schools of Texas, and (2) that a new basis for apportioning school funds other than the scholastic census basis, could be set up.

THE WAR CLOUDS GATHER

The war clouds are gathering thickly over Europe Asia and Africa. All of the efforts in behalf of peace on the part of nations who have already got a satisfactory slice of Mother Earth seem to have no effect upon the nations which are bent upon grabbing off more territory for themselves.

Japan continues its incursions into Chinese territory Germany is speeding up its rearmament plans. Italy seems determined to make its invasion of Africa as vigorous as any of the campaigns of the old Roman Empire.

England has signally failed as a peace-maker. Mussolini has spurned the British advances, and practically defied the English to do anything about his attempt to seize Abyssinia. By her efforts to bring about a peaceful understanding with Germany, Great Britain seem to have reopened the scars of Japan's activities on the continent of Asia go unheeded.

All the instrumentalities set up to insure world peace seem to have failed. The League of Nations seem to be letting Ethiopia, one of its members, go to its doom without more than a feeble protest. The famous Kellogg Pact, America's scheme of insuring world peace turns out to be just another peace of paper. When the Emperor of Abyssinia applied to our Government to take some action under the Pact, the only reply he got was a pious hope that the League of Nations might do something about it.

We hope that when the world-wide conflagration which seems to be impending, gets under-way, we may be more successful in keeping our country out of it. In it or not, we are bound to feel the effects of an important war.

Denver Lion Heads

International Clubs For Coming Year

The nineteenth annual convention of the International Association of Lions Clubs adjourned today in Mexico City, and the 5,000 delegates and guests who during the convention have been royally entertained by the Lions of Mexico City, have begun to spread out from the Capital City to take in all the sights of Old Mexico before returning to their homes in the United States and Canada. Advance estimates on registrations indicated the largest attendance of the Association's history.

During the four days of the convention the fact that the largest North American service club was holding its convention in Mexico was acclaimed as a great step toward the closer understanding between the races of North America. Messages from President Roosevelt and Premier Bennett of Canada were presented to the President of the Republic of Mexico, Senor Lazaro Cardenas, who welcomed the Lions at a grand reception attended by all Lions and the diplomatic representatives of several countries.

Yesterday the Lions elected their first vice president to the presidency, Richard J. Osenbaugh of Denver. Lion Dick Osenbaugh an official of the Denver Sewer Pipe and Clay Company, has been a widely known and respected figure in the Association for many years. Mr. Osenbaugh has been president of the Denver Lions Club, district governor of the Colorado Lions Club, became a member of the international board of directors in 1930, served two years and was elected to the third vice presidency in 1932. He rose successively through the three vice presidencies and was unanimously voted into the highest office of the Association at the Mexico City meeting by the accredited delegates representing 80,000 Lions.

The presiding officer of the convention was V. C. Hascall of Omaha, Nebraska. In turning over the gavel to the incoming president Mr. Hascall assured him of his personal support for the year. The association under president Hascall registered a considerable gain in membership and increased its number of clubs to the total of 2,710. The clubs in the Association during the year registered a total of 20,789 separate activities during the year, such as playgrounds, the supplying of typewriters, radios and Braille courses to the blind, the installation of safety devices, and community efforts in many other fields. This is the first time that the gross figures has risen above the 20,000 mark.

Swinging the gavel to announce the adjournment of the last session of the convention on Thursday, the new president praised the previous conduct of the Association, and pledged himself to direct faithfully the affairs of the organization during the term.

County Agent Lester Boykin is in Bryan, Texas attending the annual short course at A. and M. College. Mrs. Boykin and the children are visiting at Ft. Worth Texas, during the absence of her husband. The Boykin's are expected home this week.

STATE ACT FOR DISTRESS DEBTORS HELD V

The Court of Civil Appeals the Eleventh Supreme Jud District of Texas, in an opinion just rendered, has held the T counterpart of the Federal Tier Lemke Act void. The law, declared invalid, was passed by Forty - Third Legislature, 7 Called Session, entitled, An for the Reorganization of the stressed Debtors. The court that law impaired the obligatio contracts in contravention of Constitution of the State of T and the United States.

COUNTY AGENT BOYKIN IS ATTENDING SHORT COURSE

EXPECT THOUSANDS AT CAMP MEETING

Several thousand are expected at the old-time two weeks' camp meeting, opening August 18, NTN Park near Gruver, says Rev. L. D. Mitchell, Baptist pastor Dalhart, in charge of publicity. Dr. R. Scarborough Worth, will preach.

The event is directed entirely by the Trans-Canadian Baptist Ass'n, comprising Dallam, Hey, Sherman, Moore, Haasfe and part of Hutchinson county. Expectations are, that scores attend from the Palo Duro, Canadian, and other associations Texas; perhaps from other states.

W. B. Stradely, Gruver, is trying to arrange for a huge tent. Loud speaking equipment probably will be installed, so those who cannot get inside the tent can hear. Arrangements are being made so persons can camp on grounds all during the meeting.

The revival will recall old camp meeting days long ago, when Geo. W. Truett, Dallas, and late Dr. J. B. Gamble, former of Dallas, explained the Bible to the cowmen and their waddles the North Texas range. This is the first old-fashioned camp meeting since those days.

RETURN FROM VACATION

Gene Cline, employee of Consumers Sales Company Wayne Wallace, Cafe Owner, turned early this week from vacation trip to the mountains New Mexico. Neither of the men are laying any claims the title of Fisherman No. 1.

DR. L. L. COOPER GAINS GOOD RESULTS FOR THE CHURCH IN REVIVAL

Nineteen people were converted and joined the church or joined a church of Spearman as a result of a series of weeks revival services, conducted at the First Baptist Church, under the leadership of Dr. L. L. Cooper, evangelist of Fort Worth, Texas.

Ten of those who became a part of the church were baptized, following the services day night of the past week. The church was completely reorganized under plans that will able the membership to give efficient service, it is reported. Sunday school was divided into several departments, young people's organization was reorganized and the church organ proper came in for a few changes in many ways.

Popular Young Couple Married Sunday.

A wedding of more than usual interest to Hansford County Folk was the marriage of Miss Gertrude Barkley and R. B. Archer Jr. solemnized at 2 p. m. Sunday afternoon at the home of the brides parents, Mr. and Mrs. A. F. Barkley. Rev. H. A. Nichols, pastor of the Methodist Church officiated.

The rooms were attractively decorated with larkspur, petunias zennias, and fern which formed an improvised altar.

The prenuptial solo "Oh Promise Me," was sung by Mr. Howell McClesky, Dalhart, cousin of the bride. He was accompanied by Miss Reba Barkley, Lohengrins Wedding March announced the bridal party. The bride, preceded by the Misses Ruth and Beth Wilbanks who served as bridesmaids, met the groom at the altar. The groom was accompanied by Messrs Dan Archer and Freeman Barkley, Liebstraum, by Listz was played softly during the ring ceremony.

The bride wore a floor length gown of white lace over satin and an arm bouquet of rose buds and bridal wreath. The bridesmaids were dressed in pastel shades of taffeta.

Following the ceremony a reception was held, with Miss Elsie Reed presiding over the punch bowl. Mrs. A. F. Barkley assisted the bride in cutting the beautiful three-tiered cake which was topped with a miniature bride and groom.

The bride is the young daughter of one of the prominent families of Hansford County. She completed her high school career in Spearman graduating with the class of 35. She was one of the popular girls in the school work, and has always been an ardent worker in church and social affairs of the younger set.

R. B. is the son of Mr. and Mrs. R. B. Archer, and is one of the most popular young men of Spearman. He completed high-school at Spearman in 1933. R. B. was

ed West Texas Teacher's College for a time. After an extended wedding trip to Yellowstone National Park the young couple will be at home near Gruver.

The guest list at the wedding included: Mr. and Mrs. R. B. Archer, Sr. and family, Mr. and Mrs. P. A. Lyon Mr. and Mrs. Robert Cator Elsie Reed, Mrs. Walter McClesky of Dalhart, Howell McClesky, of Dalhart, Ruth, Beth and Mary Wilbanks, A. F. Barkley and family.

SOFT BALL LEAGUE (Continued from Page 1)

in a row, the aggregation of soft ball players got started in earnest when they annihilated Dwight Hollands players with a score of 13 to 2. Summary of the game.

Braves	13	11	0
Yanks	2	4	9

Tuesday, July 30 CATS MASSACREE CARDS

One of the biggest upsets of the season so far occurred Monday when Bill Hutton's Cats massacred the favorite Bill Whitson Cards. The story in brief is that Hutton's team hit everything offered and only registered one error during the entire game. Mr. Whitson's favorites registered only 4 hits and 41 errors. An adding machine was needed, and the man who kept the records will not guarantee that this report is correct.

Runs	Hits	Errors	
Cats	33	31	1
Cards	5	4	41

Wednesday July 31 WINDOM'S TEAM DEFEATED

Unquestionably the most interesting game of the season so far was the contest staged Wednesday in which the undefeated Braves lost to Holland's Yanks. The Yanks took a good lead the first frame of the contest, but lost their advantage in the 5th inning. At the end of the sixth the two teams were tied, and a seventh inning rally brought the victory to the Yanks by a mar-

gin of 2 scores.

MRS. HOSKINS ENTERTAINS HONORING SISTER.

Mrs. Fred Hoskins held open house Tuesday from 3 to 6 p. m. in honor of her sister-in-law, Mrs. W. R. McKinney of Clearwater, Calif., who has been here for the past two weeks. Mrs. McKinney renewed acquaintance with many of her girlhood friends and pleasant incidents were recalled to the amusement of all. Mrs. McKinney will be remembered as Miss Dana Barnes of Old Luerne and Texoma.

Master Kenneth, son of Mrs. McKinney favored the group with two numbers on the trumpet, and they were highly appreciated. Kenneth is only nine years old and is a member of two bands in his town. The remainder of the afternoon was spent in informal conversation and sewing. Lovely refreshments were served to the 20 guests who called during the afternoon.

Frank Carson, brother of Kit Carson former President of the First National Bank of Spearman visited here the past week.

34 NATIONS REPRESENTED IN MUNI FILM

Hollywood is Americas Melting Pot.

Proof of the right to such title is found in Paul Muni's latest starring picture for First National, Black Fury, now at the Lyric theatre. No less than 34 nationalities are represented.

In keeping with the locale of the story, a small coal mining village somewhere in the U. S., the Slavic race predominates in the film. An appeal was filed with the Slavics Folklore Society of L. A. and soon an abundance of bona fide Slavic screen talent was at hand. There were Russians, Poles,

Roumanians, Bulgarians, Turks, Greeks, Irish, Germans, French, Swedes, and etc.

Black Fury is a powerful picture based on the original story,

Jan Volkanik, by Judge M. Musmanano, and the play Bohemian by Harry R. Irving.

Michael Curtiz directed this amazing story.
