1000 VISITORS IN SPEARMAN SATURDAY NOV. 17TH.

OFFICE SHIFT IN PERSONEL

Changes have been made in the consolidation of the administration. Miss Moore will report to Moore in the morning. Miss Opal Cline will be office to Dumas on Monday and will handle the public work for the two weeks. Gibson, former Moore county has been assigned to this arrangement. Mrs. J. M. and Mrs. J. M. will assume duties in the office today.

GOOD RAIN FALLS IN HANSFORD COUNTY SATURDAY MORNING

Approximately 80 hundredth of an inch of rain fell in Spearman according to the records of F. W. Brandt, U. S. weather observer. The rain came Friday night and early Saturday morning of last week. Information coming from other sections of the county is to the effect that the rainfall was about the same all over the county. It was probably a little lighter in the North West section of the county. Hardly enough moisture fell to sprout the wheat, due to the fact that the earth was so dry before the rain. Cloudy weather all the first part of this week has been encouraging, and many feel that the prolonged drought has been broken.

Business Men Banquet Lynx Team - Coaches

Perhaps the most interesting and appropriate program ever given in a local Lynx football team was that held at the American Legion Hall last Thursday, sponsored by the business men of this city. Following an introductory talk by Boss Lion Fred Hoskins, the Spearman Junior pep squad, composed of little tots below school age, gave a few rousing yells and cheers for the Lynx team. Mrs. Fred Hoskins and Mrs. J. H. Broadhurst trained and sponsored the Junior pep squad. One of the attractive numbers on the program was a song and dance by little Miss Pat Hutton. Miss Hutton received two encores. Always popular with Spearman audiences, Miss Garrison, public school music teacher gave two accordion numbers on the Thursday night program. A talk by Frank Wendt and A. L. Barkley with Bill McClellan introducing the football players completed the program.

Albert Burran Operated On for Appendicitis

Albert Burran, son of Mr. and Mrs. Rob Burran of Spearman was operated on for appendicitis at Bartlesville, Oklahoma Tuesday afternoon of this week. Dr. J. E. Crawford, an uncle of the patient performed the successful operation. A wire received Wednesday afternoon by Uncle Rob, stated Albert was getting along exceptionally well.

R. D. Chamberlain and R. E. Lee were business visitors in Amarillo Saturday.

Mr. and Mrs. R. E. Lee and children visited in Amarillo Tuesday afternoon.

Larger Crowd Expected At Second Trades Day Event Saturday November 24th.

Approximately two thousand visitors were in Spearman last Saturday to attend the First Trades Day inaugurated by the Spearman Business Men's League. In the above photo you will see (upper) a small portion of the crowd extending from the center of Main St. East towards McNabb Land Company. Due to the inexperience of the photographer, this was the only scene of the crowd that showed up after eight snap shots had been taken. In the lower picture (left) C. C. Newcomb is shown just after he received \$25.00 as one of the features of the trades day. A picture taken of A. L. Easley failed to qualify for newspaper cuts. Mr. Easley was benefitted to the extent of \$50.00 as part of the program for the First Trades Day. Lower (right) Judge J. H. Broadhurst, Master of Ceremonies at the Trade Day Program, is looking well pleased with the results of the first day's crowd.

Frank Tatum Appointed Home Loan Attorney For Hansford County

Judge J. H. Broadhurst who has been the attorney for the Home Loan Corporation in Hansford County has resigned and Frank Tatum of Dalhart has been appointed to complete the work in Hansford county in the Judge Broadhurst accepted the work in Hansford county in the beginning only because there was no other attorney in the county. He handled some 30 loans for the Hansford county citizens and felt like the duties of the office demanded more time than he could spare from his official duties as County Judge. Several weeks ago when Travis Lackey accepted to Hansford County an accepted the position of County attorney, Judge Broadhurst sent in his resignation requesting the appointment of Mr. Lackey. The matter was taken under advisement and Government loan officials decided that in view of the fact that no new loans would be made in Hansford county, and only loans that had been approved were to be completed, they did not want to place an inexperienced attorney in charge of the work of completing the loans. They therefore notified Judge Broadhurst of the appointment of Mr. Tatum of Dalhart who has been working with the Home Loan Corporation since its organization.

Listing Cattle For Gov. Purchase in this County

Listing of cattle for government purchase will continue until the government sends an appraiser to the county, according to information from County Agent Frank Wendt. More than 300 head were listed for purchase last week. Mr. Bill Mac Gibson of Gruver spent the first of the week at Lubbock, Texas on business.

HOLT CURTAIN CLUB PLAY WELL ATTENDED

A large and appreciative audience of Spearman folk were present at the Lyric theatre Thursday evening when the Hot Curtain Club presented "Spooky Tavern" a mystery play. Certainly the Holt Curtain Club players are building a reputation for their ability in this section of the country. They played to a full house at the Holt school house earlier in the week. Comments from those who witnessed the play in Spearman were very complimentary and the entire cast deserves the plaudits of those who attended the play.

Watch Your Steps Boys — We Gota Lady Deputy At the Hansford Sheriff Office

Miss Reba Barkley has been employed as a Deputy Sheriff in Hansford County, and at the present time is working on the delinquent tax rolls of the county. She admitted Tuesday that she had not planned "to pack a gun" and did not expect to have anything to do with the law enforcement problems of the county. However, Miss Barkley could qualify according to law if the occasion demanded.

Pampa - Harvester Game Results To Be Posted At Lynx - Panther Game Fri.

Football fans who are interested in the outcome of the Lubbock Pampa football game to be staged at Pampa the same time the Lynx Panhandle game is played Friday, can attend the Panhandle game and hear from the Pampa game during the contest. Officials at Panhandle will provide information of the Pampa games at the end of each quarter.

Mr. and Mrs. W. L. Russell, Judge and Mrs. Broadhurst, attended the show in Perryton Sunday afternoon.

STATE OFFICIALS WARN TAXPAYERS ON NEW TAX LAW

Due to the numerous inquiries received regarding H. B. No. 7 passed at the 4th Called Session of the 43rd Legislature, releasing penalty and interest, I am advising all tax collectors that said Bill, and H. C. R. No. 11, not having received the necessary vote of two-thirds of all the members elected to each House, will not become effective until 90 days after adjournment, or February 9, 1935, and therefore can not affect existing laws or collectors' duties prior to the date it becomes effective.

The Bill does not relieve the collectors from the provisions of Article 7324 as amended by Chapter 117, Acts, Regular Session, 42nd Legislature, requiring the collection of taxes, penalties, interests and costs. By reason of conditions as above stated the collector has no authority to accept prior to February 9, 1935, the delinquent taxes, credit the taxpayer with payment and issue a receipt therefor, without the payment of penalty and interest; nor has this office authority to do direct. The date of the receipt and the collection made should be in accordance with the law as it exists at the time the receipt is issued. Our statutes provide for half payments and also split payments under certain conditions but they do not provide for the payment of taxes separate and apart from the penalty and interest accrued thereon.

We know the information here given is not what most of the collectors and many of their constituents would like to have, but it is in accordance with the law brought about by legislative procedure over which this office had no control.

Yours very truly,
GEO. H. SHEPPARD,
Comptroller of Public Accounts

THANKS FOR FOUR LB. MOUNTAIN TROUT

Hereby expressing thanks for a four pound mountain trout presented Bill Miller by Carl Meek of Spearman and H. L. Flannigan, owner of the Panhandle Gas Co. These gentlemen returned last Thursday from a deer hunt in the mountains near Thurma, New Mexico. The deer hunters did not have much luck hunting but they spent a day fishing in Eagle Nest and caught more fish than they knew what to do with. Rev. A. F. Loftn and Bill Miller relieved them of their worries in respect of what to do with the fish.

STOCKMEN ELEGIBLE FOR FEED LOANS

Special From Loan Office Dallas, Texas, Nov. 20, 1934. "Stockmen in the drought areas who cannot obtain credit from other sources will continue to be eligible for emergency feed loans for their foundation herds this winter, provided they keep their credit in good standing and show their intention of repaying the loan W. L. Myers, Governor of the Farm Credit Administration said.

Lynx Football Team See Panhandle-Groom Game

Coaches Elmer Gunn and John Morris of the Spearman schools, together with the entire squad of Lynx players attended the Panhandle - Groom football game at Panhandle last Friday. Bill Whitson, Bill Miller and Rex Sanders accompanied the team to see the game. Many other Spearman fans attended the game in order that they might perhaps gain a little knowledge that would help Spearman defeat Panhandle in the contest to be staged at Panhandle next Friday for the District honors.

Important Notice

Due to the fact that press comes on Thursday November 29th. (Thanksgiving day) the Reporter will be published a day early next week. Advertisers are urged to get their copy ready by 2 p. m. Tuesday Nov. 27. Correspondents must have their copy in the Reporter office before 6 p. m. Tuesday evening.

WHAT? NO LIQUOR OR PLEASURE CAR FOR RELIEF WORKER

Destitute persons who own automobiles will NOT be denied relief so long as funds granted them are used for subsistence needs, Adam R. Johnson, state relief director, has announced. At the same time, Johnson said county administrators will not grant funds when it is evident that an appreciable part of them are being used to operate automobiles for purposes of pleasure. The directors state the policy toward automobile owners as follows: "No county relief administrator is to demand from the owner of an automobile his license plate and or key as a condition to receiving relief. Derelict heads of relief families who spend cash grants for alcoholic liquors or in games of chance hereafter will be paid only in kind and only after they have worked out a weekly budget, it has been announced by Mr. Johnson.

TURKEY SHOOT TO BE HELD SUNDAY

A Thanksgiving turkey shoot will be held Sunday afternoon beginning at 2:30 p. m. The shoot is sponsored by the Spearman Gun Club. Everyone is invited to bring their gun and attend the Thanksgiving shoot.

Fifteen Government Men Making Geodetic Survey

Fifteen Government surveyors are located in Spearman this week and will remain in the city next week completing a Geodetic survey. The dictionary says Geodetic means survey of large portions of the earth's surface, taking into account its curvature, elevation and etc. At any rate the boys are not trying to locate an oil well, or fixing to dam up the Canadian river as rumor had it when they first struck Spearman.

Lee McClellan Sells 40th Car Load Hogs Wednesday

Lee McClellan, local hog dealer shipped his 40th car load of pork to the California market this week for the year 1934. The car load shipment weighed 42,000 pounds and brought a price of \$5.20 per hundred on the Spearman market. Mr. McClellan stated the lowest price he had paid for hogs this year was \$1.75 and the highest price was \$7.05 per hundred. Many farmers in the habit of shipping their hogs to Borger or Amarillo have learned that the Spearman market is the top for Hansford county, and the increase in business naturally resulted.

Spearman Lynx Will Play Panhandle For Bi-Sectional Honors Friday Afternoon

On another page in this paper you will find the story written by the students of Spearman High School of the football game to be played at Panhandle Friday (today) for the bi-sectional honors of Class B football. The story as carried by the students is complete and we ask our readers to consult the L Y N X news for all news relative to our schools of Spearman. Let this publication management urge all who possibly can to attend the game to be staged Friday beginning at 3 p. m. Spearman will need the aid of all the fans possible. This is probably the toughest game on the schedule so far this year. Should Spearman win in this contest we understand they will play the winners of the McLean Shamrock contest which will be staged the same afternoon.

Cattle Buying Inspector To Be Here Dec. 10-12

Late information from County Agent Frank Wendt was to the effect that the government will send cattle buying inspectors and appraisers to Spearman December 10 - 12. All cattle that will be purchased by the government must be listed at the court house on or before December 7.

Final Hog Compliance Records Must Be Turned In to Officials this week

Information from hog allotment officials is to the effect that final compliance records are being completed this week. Any individual who has not completed their compliance papers are invited to get in touch with the proper officials.

Spearman Merchants Will Close Stores For Holiday Thanksgiving Nov. 29th.

Practically every store in this city will be closed for the Thanksgiving holiday November 29th. A few service stations and grocery stores will be open until 10 a. m. but plan to close for the remainder of the day.

Allotment Board Expect New Shipment of Checks

With more than a hundred thousand dollars in checks already received in Hansford county more allotment checks are expected this week according to information from A. E. Ferguson, President of the Hansford County Wheat Allotment board.

Mr. and Mrs. Frank Wendt and Mr. and Mrs. W. W. Merritt attended the show in Perryton Sunday afternoon.

Mr. and Mrs. Van Earl Steed returned Monday afternoon from Groom, where they had been called on account of the serious illness of Mr. Steed's father.

The Public

Spearman is large city and the City officials are busy. The City Fire Department is meeting with the State Fire Department. The meeting was held Monday for the purpose of discussing the fire department and better Voluntary Fire Department. The meeting was held at the City Fire Department. The meeting was held at the City Fire Department. The meeting was held at the City Fire Department.

walks, and not get out into the streets, or run from one street corner to another. The fire truck may be coming around that very corner. THINK about a Fireman rushing to a fire in his car, risking his own life, (A Volunteer Fireman) trying to save the life and homes of others. It may be your home or your child. You can make his run for life of others safer by giving them the undisputed right-of-way. Again it may be your home or your child they save. Driving Across Fire Hose At a recent fire, the department reported that several cars were driven across the fire hose, ignoring the protest of the fireman. I wish to call your attention to the fact that there is a National Fire Underwriters Law prohibiting traffic from driving over fire hose, making it a fineable offense from \$250 to \$500 for violating this law. Fire hose cost from \$1.00 to \$1.50 per foot, and when it is placed under high pressure fighting fires it is easy to burst, without being run over by cars. The hose we have has been in use several years, and is easily damaged. Help the Firemen to protect it, because it is expensive. No person is allowed in a building while it is on fire, except a fireman. The City is responsible until the fire is extinguished and the building turned over to the owner. Therefore, THINK and give the Fire Department every advantage over the right-of-way, and your earnest co-operation on the above matters. It may be your home, his home, your child, his child. D. W. HOLLAND, City Manager.

Grain Men Strike Back

Supposed representatives of a labor union magazine presented themselves to the merchants on Elevator Row the first of this week to collect the annual advertising for their publication. A few of our local grain magnates remembered that they had paid for this service in June so by mental inductions reasoned that there must be an Ethiopian in the well known wood pile. Sheriff Wilbanks was immediately put in charge of the case, but after apprehending the culprits, nothing could be proven as they had not collected anything from our market wizards. These folks on Elevator Row are a pretty shrewd lot - they have waited a long time to realize any profit on a panhandle harvest and they want to be darn sure none of these "city fellers" will come along and fast talk them out of any of it.

Spearman would have a magnificent three - story hotel to stand as a monument to the integrity and progress of our populace. The public were assured that this new structure would very shortly be completed via the most modern tried and true method of a "gentlemen's agreement". We wish we could find these gallant gentlemen and get the darn thing finished - surely chivalry cannot be dead!

Reporter Windows Washed

The efficient force of the Reporter office were compelled to resort to the use of colored glasses for a few days to protect their eyes from the unaccustomed dazzling light pouring in at the front of the building when the windows were completely cleared of all obstructing debris. Evidence of Halow'e'n soaps were uncovered alleged to have been perpetrated by Wilson Buchanan and Bill Burran in the gay nites of '29. Many other reminiscences of the past were brought to light such as posters of Hazel Herd players presenting "Little Nell" in the fall of '28.

"EASY MONEY" IS GONE FOREVER

We hear a good many people talking about "Recovery" as if they believed that the aim and purpose of all the things that are being undertaken in the name of that commendable objective was to bring back the "easy-money" days of the later 1920's. We don't think that any thoughtful men, in or out of politics, expect or desire anything of the sort.

Those days were the times when the hope and belief that there was some short-cut to riches prevailed a large section of the American people. We fear that there are many ambitious young men today who cherish the same sort of hope. We believe that most of them are doomed to disappointment.

To be sure, not many people actually did get rich in a hurry, but everybody, figuratively speaking, had a try at it. And enough achieved sudden wealth to inspire others with the belief that it was easy. As a matter of fact, it never was easy. The public simply didn't hear about the hard, patient work that those who succeeded did before riches began to come their way; they only heard of them after they had won their wealth.

We do not understand that there is a purpose, anywhere, to restore conditions under which anybody can expect or hope to get rich without working even harder for them than those who gained them in the past worked. There always have been, always will be, a few to whom making money is a natural talent, who, under any social scheme, will always accumulate more than the majority. And we believe that there are as many opportunities as ever, perhaps more than ever, for the accumulation of wealth.

It seems to us, however, that for a good many years to come there is going to be a much closer scrutiny of the means whereby men become wealthy, and important riches are not going to be earned except by those who, in earning them, do something which definitely benefits society as a whole.

Organizations that work for the common good are rarely without appreciation in any community.

NOTICE TO CREDITORS OF THE ESTATE OF A. P. BORGER DECEASED

Our foreign trade for 9 months of 1934 30 per cent above year ago.

Notice is hereby given that original letters of permanent administration upon the estate of A. P. Borger, deceased, were granted to us, the undersigned, on the 29th day of October, 1934, by the Court of Hansford County. All persons having claims against the said estate are hereby required to present the same to us within the time prescribed by law. Our residence and Post Office address are Borger, Hutchinson County, State of Texas.

PHIL BORGER, FRITZ THOMPSON, Permanent Administrators of the Estate of A. P. Borger, deceased, 5014.

NOTICE OF SALE OF REAL ESTATE

The State of Texas, County of Hansford.

By virtue of an order of sale issued out of the District Court of Hansford County, Texas, on a judgment rendered in said Court on the 5th day of Nov., 1934 in favor of F. B. Buzzard and against T. S. Morris and J. E. Doyle, No. 241 in such Court, directing me the undersigned sheriff of Hansford County, Texas, commanding me to levy upon and sell the following described property:

All the Northwest Quarter (NW 1/4), of Section Number Forty Three (43), in Block "R" Adams, Beaty and Moulton, Original Grantee, Hansford County, Texas, containing 160 acres more or less. Said land being located in the Southeast corner of Hansford county, Texas, ab-

out 15 miles Southeast of Spearman, Texas, known as the J. E. Doyle land,

to satisfy a judgment and decree of foreclosure in favor of said plaintiff and against said defendants, obtained and made in said Court on the 5th day of November, 1934, for the sum of \$1592.00 with interest thereon at 10 per cent from the date of said judgment and costs accruing in said cause, I did on the 8th day of November, 1934, at 10:30 a. m. levy upon the above described property of T. S. Morris and J. E. Doyle, and on the 4th day of December, 1934, being the first Tuesday of said month, between the hours of 10:00 o'clock a. m. and 4 o'clock p. m. on said day, at the Court House door of said County, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said T. S. Morris and J. E. Doyle in and to said above described property.

Dated at Spearman, Texas, this 8th day of November, 1934.

Saved by new Vitamins of Cod Liver Oil in tasteless tablets.

Founda of firm healthy flesh instead of bare scraggy bones! New vigor, vim and energy instead of tired listlessness! Steady, quiet nerves! That is what thousands of people are getting through scientific latest discovery—the Vitamins of Cod Liver Oil concentrated in little sugar coated tablets without any of its horrid, fishy taste or smell.

McCoy's Cod Liver Oil Tablets, they're called "Cod Liver Oil in Tablets", and they simply work wonders. A little boy of 2, seriously sick, got well and gained 10 1/2 lbs. in just one month. A girl of thirteen after the same disease, gained 8 lbs. the first week and 2 lbs. each week after. A young mother who could not eat or sleep after baby came got all her health back and gained 12 lbs. in less than a month.

You simply must try McCoy's at once. Remember if you don't gain at least 3 lbs. of firm healthy flesh in a month get your money back. Demand and get McCoy's—the original and genuine Cod Liver Oil Tablets—approved by Good Housekeeping Institute. Refuse all substitutes—insist on the original McCoy's—there are none better.

Her mother felt that family physicians and child specialists, and the hospitals must be right. A simple test that proves they are.

If anyone in your family is occasionally sluggish or constipated; especially any child, you should know this medical truth:

You cannot get safe relief with any medicine if you cannot regulate the dose. And to regulate dosage, you should have a liquid laxative. With a liquid laxative, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition.

Why Doctors Use Liquid Laxatives

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of natural laxative elements like senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves, not make matters worse.

MRS. STRONG AND DAUGHTER, NANCY "Dr. Caldwell's Syrup Pepsin brought relief at once," says Mrs. A. G. Strong of 34-47 80th St., Jackson Heights, N.Y.

Dr. Caldwell's Syrup Pepsin is approved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug-store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better than you have in a long time.

If you will risk sixty cents to discover the natural, comfortable action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

CONFERENCE BASKETBALL SCHEDULE ARRANGED

At a meeting held at the high school building Wednesday evening November 14, representatives from the schools of Hutchinson, Hansford and Ochiltree Counties worked out the conference schedule for the coming basketball season. The schools represented were Berger, Plemons, and Stinnett, from Hutchinson county, Morse, Gruver and Spearman from Hansford County and Perryton from Ochiltree county. Coach Moulden of Berger was elected chairman of the group, and Supt. A. H. Word, secretary. It was voted that the championship of the section be decided by a round robin contest, to play on a home and home basis with the exception of Plemons and Stinnett, where there is no gymnasium. All conference games for these two schools are to be played away from home. Since the championship of the district must be decided by February 24, the group voted that the last conference game of the section be scheduled for February 19th.

The official schedule for 1935: Friday, January 4th: Spearman vs. Stinnett at Spearman; Plemons vs. Gruver at Gruver; Berger vs. Perryton at Perryton; Morse, by.

Tuesday, January 8th: Spearman vs. Plemons at Spearman; Morse vs. Perryton at Morse; Berger vs. Stinnett at Berger; Gruver, by.

Friday, January 11th: Spearman, by; Perryton vs. Plemons at Perryton; Morse vs. Stinnett at Morse; Berger vs. Gruver at Gruver.

Tuesday, January 15th: Spearman vs. Berger at Spearman; Gruver vs. Stinnett at Gruver; Morse vs. Plemons at Morse; Perryton, by.

Friday, January 18th: Spearman vs. Morse at Spearman; Gruver vs. Perryton at Perryton; Berger vs. Plemons at Berger; Stinnett, by.

Tuesday, January 22: Spearman vs. Gruver at Gruver; Perryton vs. Stinnett at Perryton; Berger vs. Morse at Morse; Plemons, by.

Friday, January 25th: Spearman vs. Perryton at Perryton; Morse vs. Gruver at Gruver; Stinnett vs. Plemons at Berger; Berger, by.

Lynx Meet Panhandle Friday In Title Game

The fighting Lynx will meet the Panhandle Panthers Friday, November 24 at 3 o'clock at the Phar-Deahl Stadium at Panhandle.

The winners of this game will be Bi-Sectional champions and will play the winners of the McLean-Shamrock game.

The Lynx are working hard for this game. They expect to be in good shape to win a victory for the old school as a result of hard workouts and good training.

The football team and the coaches did a little scouting Friday when they went to Panhandle and saw the Groom-Panhandle game. Panhandle won with a 19-0 score.

The Panthers have a fast team and will be hard to beat. They outweigh the Lynx about eight pounds to the man, but the Lynx say "the bigger they are the harder they fall" and the boys are going to hit 'em hard.

This game is expected to be a hard battle for the Lynx and a good one for the spectators. The only way to determine the outcome is to be there.

P. T. A. LUNCHROOM OPENED

An average of seventy-five students and faculty members have enjoyed the hot lunches served at the P. T. A. lunchroom the past week.

The P. T. A. has remodeled and furnished the old agriculture rooms into a permanent lunch room. The relief administration is furnishing help to do the work and also some of the food. A plate lunch, consisting of two hot dishes, bread and butter sandwiches, dessert and hot cocoa is served for ten cents. This hot lunch is greatly appreciated especially by those who have been bringing cold lunches.

We wish to thank the P. T. A. and all concerned for providing these hot lunches for us.

The greatest surprise of the year was the rainfall last weekend.

LYNXETTES WIN GAME FROM WAKA TEAM

At 7:30 Tuesday night the girls' basketball team played Waka. When the game ended the score was 22 to 9 in favor of the Lynxettes.

Fast and accurate passing, together with much teamwork netted the home team several baskets.

The Lynxettes plan to play Perryton another practice game Thursday night of this week at Perryton.

LYNX EKE OUT WIN OVER WAKAITES

The Spearman Lynx Second team Tuesday night won a hard-fought game from the Waka basketball team by a 12 to 11 score. The game was a thriller from start to finish with the Waka boys leading several times.

The Lynx' "goal-getting twins" Rock McLeod and Vic Ooley were at bit off form but accounted for three-fourths of the Spearman points, nevertheless, Floyd Sheets at center and Oscar Archer at guard were stars for the Lynx.

The Lynx starting line-up was: McLeod and Ooley, forwards. Sheets, center. Archer and Womble guards.

These boys and a few others make up a team that has been practicing for about two weeks. They hope to match games with Perryton, Stinnett, Gruver, Morse and other schools before the basketball season is over.

FRESHMAN REPORT

We are all looking forward to game at Panhandle, also to six weeks exams—in a different way.

Mr. Finley: "Jack, what did Sir Walter Raleigh say to the queen when he put his cloak for her to walk on across the puddle?"

Jack Monroe: "Step on it, kid." The pep squad girls are practicing up to cheer the team and "freshies" are doing their part.

LIONS CLUB BANQUET FOOTBALL TEAM

On Thursday evening of last week the Spearman Lynx and their coaches and sponsor were guests at the annual banquet, sponsored by the Lions Club and other citizens of the town.

A delicious meal was served, after which a very interesting program was rendered. The first number on the program was a yell by the junior pep squad which was composed of a group of little girls about four years of age.

Patricia Hutton, accompanied by her mother, rendered two songs in keeping with the spirit of football. Miss Garrison played two selections on the accordion, after which of course there were numerous speeches.

Messrs Barkley, Wendt, Morris, Gunn, Word and Bill McClellan were called upon for talks. Mr. Barkley seemed to have voiced the sentiment of all who were present when he said: "As far as I am concerned the season has been a success, since we have beaten Perryton twice."

Mr. Hoskins served as a very clever toastmaster and proved to be equal to the occasion.

The Lynx team is very grateful for this consideration, and we shall endeavor to show our appreciation in the game at Panhandle Friday.

HOROSCOPE

By Iyama Utsnay

Nov. 19-25. This is a good period for doing what you want to do—if you can get away with it. It is a good time for romance—if you like Swiss cheese: good for business matters such as borrowing six-bits off the old man. It's swell along the amusement line, with the talkies and the dark byroads. If you were born on this day, look out for dangerous students with a paddle in their hands. Be careful of accidents if you are in the habit of standing in the path of moving trains, automobiles and the like.

SENIOR NOTES

In the recent P. T. A. membership drive, the seniors won in the high school department. There are twelve mothers and six fathers of seniors members of P. T. A. We should be happy to have all of our parents join this worthy Association.

Don't you feel more educated now that National Education week is over? It was fittingly observed in the local schools.

Typing speed tests were held this week. Several seniors made enviable records. We have had three week's tests in Civics and Commercial Arithmetic. These tests warn us of the near approach of the six weeks exams again.

Why not a party, fellow-seniors?

H. L. Wilbanks believes in self improvement during his leisure hours. Recently in study hall, while indulging in his favorite pastime of reading Mr. Webster's best known work, he almost suffered an apoplectic stroke at the definition Mr. Webster gave for the word "park."

Gentle reader are you wondering why the huddles of interested students? Let me wise you, they are vital statistic hounds! The mass of scientific data they have collected on you and you are lucky enough to see a copy—peruse and lament.

On to Panhandle victory, Lynx!

A PANSY

As the Juniors' class flower is a pansy, I feel that the history of a pansy would be of interest to us juniors.

There is a charming story about the pansy's origin. Nearly three centuries ago in Europe, someone carried wild violets, which he loved, to a cool, moist spot in a garden. There, sheltered from strong winds, warmed by the morning sun, and fed by rich soil the plants grew larger and more beautiful.

SEVENTH GRADE

The P. T. A. are offering a flag to the room that has the most parents at each P. T. A. meeting. We hope to get it at the next P. T. A. meeting and keep it the rest of the year.

We are studying about the Jamestown settlement in history. We have learned some of the things they used then and some of the ways of the people.

Mr. Word visited our room and held our history class the other day. I hope we did not act too dumb.

We are preparing ourselves for next week, which is both test and Thanksgiving week. Our teachers seem to think the former is the more important.

We do hope to get a vacation next week, anyway.

Eastman warns railroads on wholesale speed rivalry.

PICTURES TELL STORY OF SECOND BYRD ANTARCTIC EXPEDITION

Scenes at Little America Depict Life of Men Making History on World's Last Frontier

"O'ER THE HOME OF THE BRAVE" floats the Stars and Stripes. Little America's radio station, KFZ, in background.

BORN AFTER HER FATHER LEFT for the neighborhood of the South Pole, Marie Byrd Carbone, gave her Dad, Al Carbone, expedition chef, the thrill of a lifetime when she broadcast a gurgle for him during one of the regular Wednesday night programs sent to and from Little America.

TOMMY, PET PENGUIN, is "straw boss" of the ice party. Here he's talking over the food situation with Mike and Finn, hard-working members of a dog team.

"KLONDIKE" GOES for an Antarctic stroll in her new winter coat. Although "Klondike" and her two fellow Guernseys have spent more than 10 months in the 60-degree-below-zero temperatures of Little America, the cold weather doesn't seem to have bothered them, as they still average 30 quarts of milk a day between them.

ADMIRAL RICHARD E. BYRD, Expedition leader, sends a Wednesday night message hurtling through space 10,000 miles to the folks back home, where he is heard over the Columbia network as clearly as if he were speaking on the telephone in the next room. Through the miracle of two-way communication, members of the expedition and their families in this country hold "long-distance" communications during these regular weekly radio contacts.

NINE BLESSED PUDGEY EVENTS have augmented the pack of 157 huskies since the party sailed from Norfolk, according to Antarctic Winchells. Training of the new arrivals starts early.

SOUTH POLAR SEALS make up to members of the expedition. There's method in their foolhardiness, however: Maybe somebody will toss them a fish!

STURDY SLED DOGS easily make their way over snow and ice which constitute impassable barriers for other means of transportation. Airplanes and snowmobiles facilitate Antarctic exploration, but these huskies will never be replaced by machines, according to Byrd.

THE LATCH-STRING is always out, but company is never out. This front door in the roof was the only means of expedition's buildings during the long Antarctic winter.

NOVEMBER 25
The Christian

Matt. 25:14-30
As when a man, having gone into a foreign country, called his servants, and delivered unto them his goods, he went away, he gave five talents to one, two to another, and one to a third, according to their ability, and he went away. He that received the five talents went and traded with them, and made other talents.

21. His lord said unto him, Well done, good and faithful servant, thou hast been faithful over a few things, I will set thee over many things; enter thou into the joy of my lord.

22. And he also that received the two talents came and said, Lord, thou deliverest unto me five talents; lo, I have gained other two talents.

23. His lord said unto him, Well done, good and faithful servant; thou hast been faithful over a few things, I will set thee over many things; enter thou into the joy of my lord.

24. And he also that had received the one talent came and said, Lord, I knew thee that thou art a hard man, reaping where thou didst not sow, and gathering where thou didst not scatter;

25. And I was afraid, and went away and hid thy talent in the earth; lo, thou has thine own. 26. But his lord answered and said unto him, Thou wicked and slothful servant, thou knewest that I reap where I sowed not, and gather where I did not scatter;

27. Thou oughtest therefore to have put my money to the bankers, and at my coming I should have received back mine own with interest.

28. Take ye away therefore the talent from him and give it unto him that hath the ten talents.

29. For unto everyone that hath shall be given and he shall have abundance; but from him that hath not even that which he hath shall be taken away.

30. And cast ye out the unprofitable servant into the outer darkness; there shall be weeping and gnashing of teeth.

Golden Text:—Well done, good and faithful servant; thou hast been faithful over a few things; I will set thee over many things; enter thou into the joy of thy Lord.—Matt. 25:21.

Introduction

"Right giving is a part of right living. The living is not right when the giving is wrong. The giving is wrong when we take God's portion to spend on ourselves."—Henry Lansdell.

"Stewardship of money is only a fraction of our full Christian stewardship. Giving is only a fraction of our stewardship of money. Tithing is only a fraction of our stewardship in giving. All of these have their place in the larger stewardship, but when put together they do not constitute full stewardship living, nor meet the boundless needs of the times. The call is for such stewardship living as will not be fractional, in which the whole life will be included, in which self and substance will both come under the rule of stewardship living. 'Bring ye all the tithes into the storehouse' (Mal. 3:10).—Charles A. Cook.

"His Goods." v. 14

"And delivered unto them his goods." His goods; the talents did not become their just because they were entrusted to them. Yet how often do men regard abilities and goods as their own just because the Lord of all has placed them in their hands to use for him during the few short years of life! We need to reconstruct our ideas of ownership, if we would place our lives on a just foundation.

To one, Five Talents, To Another Two. v. 15

"And unto one he gave five talents." The talent was not a coin, but a certain weight of gold or silver, varying according to the money standards of the times. "To another two, to another one; so each according to his several ability." "This parable first gave the word 'talent' to all Christian languages."—Rev. Wolcott Calkins, D. D. The Christian's "talents" include whatever God has given him whereby he may advance the word of the Lord, promote the kingdom of heaven. We do not see the Owner, but he sees us, and watches our every deed. The thought of our stewardship—of time, money, influence, knowledge, beauty, social graces, and spiritual power—should be the dominant thought of our lives.

"The Day of Reckoning." v. 19

"The lord of those servants cometh." No feature of our Lord's teachings is clearer than his prediction of his second coming. He is constantly insisting that he will return to judge mankind, and bidding his followers to be on the watch for that solemn event. But "our watchfulness for Christ's coming is not to degenerate into idleness, but while we watch, we are to work, each in his allotted sphere, with the talents wherewith he has been entrusted."—Rev. William M. Taylor, D. D. "And maketh a reckoning with them." There are few articles in our creed to which we more easily and generally assent than that which affirms that God will come to judge the world by that Man whom he has appointed. And yet how seldom do we reflect on the fact that the Lord whom we serve will one day sit in judgment on our service! Every one of us must stand before his judgment-seat, and there he will make a careful, deliberate, and exhaustive "reckoning" with us.

them." There are few articles in our creed to which we more easily and generally assent than that which affirms that God will come to judge the world by that Man whom he has appointed. And yet how seldom do we reflect on the fact that the Lord whom we serve will one day sit in judgment on our service! Every one of us must stand before his judgment-seat, and there he will make a careful, deliberate, and exhaustive "reckoning" with us.

"Well Done." v. 21

"His lord said unto him, Well done, good and faithful servant." A philosopher would ask at least a hundred words to define a great life. A poet would perhaps demand as many more. A statesman could hardly get along with a less number. But Christ takes the philosopher's hundred, the poet's hundred, the statesman's hundred, drops at least 98, substitutes two words which may have been altogether absent from their reckonings, and writes a definition which is well-nigh overpowering in its simplicity: "Well done!"—Rev. Frederick F. Shannon, D. D. "What this parable teaches so powerfully and clearly, is absolute continuity of life, and absolute identity of character in this world and the next for us all. The good servant has not reached his goal—he has only come in sight of a diviner goal."—Rev. W. J. Dawson, D. D. "Fidelity over a few things here puts us in trust of many things there. Our toil does not give us eternal life but it enriches our eternal life."

The Two Talent Servant. v. 22,

"And he also that received the two talents came and said, Lord, thou deliverest unto me two talents; lo, I have gained other two talents." Probably this man was disappointed because he did not, like his fellow servant, receive five talents; but he was courageous; he made the most of what he had, and doubled it, even as the five talent man doubled his talents. "Whether you be a man of five, or four or three, or two, or one talent, you can never learn a lesson more profoundly useful than this—to make the best of yourself."—Rev. W. Mackintosh Mackay.

"His lord said unto him, Well done, good and faithful servant." The five-talent man and the two-talent man received exactly the same praise and the same reward, for their fidelity had been equal, and the praise and reward are for fidelity and not for concrete results.

Failure to Use Forfeits Possession v. 28

"Take ye away therefore the

Ten Million Car Drivers Can't All Be Wrong

The 10,000,000th Chevrolet came off the assembly line at Flint, Mich., Nov. 13, as Chevrolet workers all over the United States joined in a celebration marking the 23rd anniversary of the founding of the Chevrolet Motor Company.

Ceremonies were held at each of the nine Chevrolet assembly plants throughout the country, at which company officials were hosts to civic leaders and persons prominent in state and local government.

The building of the 10,000,000 Chevrolet was observed with ceremonies participated in by M. E. Coyle, president and general manager of the company, and the principal members of its staff.

Car Presented to City
The 10,000,000th Chevrolet was presented to the police department of the City of Flint, and officially accepted by Mayor Howard Clifford and Chief of Police James V. Mills. This car, a Standard four-door sedan, was placed on display in the lobby of the General Motors building in Detroit for the remainder of the week. When equipped with radio and loud-speaker systems, it will be used as a safety patrol car in Flint.

Many a candidate makes the mistake of putting into his platform a plank which an opponent makes him walk.—The Paterson (N. J.) News.

Some of these New Deal candidates are so aged that, if elected, they will have to go to their inauguration in wheel chairs.—The Daily Oklahoman.

Talent from him, and give it unto him that hath the ten talents." If our lack of gain is due to neglect, even what we started with, more will be given us. "Every one who diligently and faithfully cultivates his powers, finds them becoming ever more effective; feels himself continually growing richer in capacity to know, to do, and to enjoy. Those, on the contrary, who are neglected discover after a time that they are steadily deteriorating, becoming less and less capable of doing anything useful, honorable, and good."—Rev. Ray Palmer.

Special Lessons
1. One word is worth a lifetime: "Well done."
2. The reward of faithful service is the opportunity for more service.

3. Blessed spiritual law of grace: "to him that hath, given;" relentless spiritual law of judgment: "from him that hath not, taken;" the unused evaporates.

B. F. CROW HAS BIG ARTESIAN WELL ON PLACE IN NEW MEX.

During 1930 a prospect for oil was begun in Section 9, Township 13 North Range 14 East M. P. M. about one mile west of Ribera, New Mexico. At a depth of about 300 feet an artesian flow of water was struck. It is reported that this water rose through casing to an elevation twenty feet higher than the surface of the ground. At this depth drilling was abandoned.

In February, 1931, Mr. B. F. Crow, of Soham, New Mexico, wrote the State Engineer requesting that an inspection of the well be made. In accordance with the request the writer visited the well on February 28, 1931. At that time there was a stream of water, estimated to amount to about 250 gallons per minute, emerging from the casing; which was partially closed by a bit and heavy wrench placed in and over it.

If allowed to flow free, it is believed the flow would amount to 1,000 g.p.m. or more. The outer casing is twelve inches in diameter and a ten inch liner has been run to the bottom. The water is of good quality, being tasteless, and soap lathers freely when used in it. A sample was taken and forwarded to the New Mexico College of Agriculture and Mechanic Arts for analysis, which was made on March 24th, 1931, and showed 45.2 parts of mineral matter per 100,000 of water and a hardness of 6.3, which is apparently satisfactory for most purposes, including industrial uses.

There is sufficient arable land in the immediate vicinity of the well to utilize the entire flow during the irrigation season for irrigation purposes. The Atchinson, Topeka and Santa Fe Railroad has a water tank at Ribera, about one mile distant, to which water from the well could be supplied by gravity. The water could be used for no other purposes.

The water bearing formation is reported to be about 20 ft. thick. It is undoubtedly part of the Abo formation which outcrops in the vicinity of the well as sufficient depth has not been reached to penetrate the supposed underlying Magdalena formation of the Pennsylvania group. The source of the water is probably the Pecos River which flows through the Abo and underlying Magdalena beds for many miles above the well. It is not known what structural features prevail which would cause the great hydrostatic head encountered, but it is probable the deep granites have produced an gaticinal condition which creates the hydrostatic pressure.

(Signed) R. F. BLACK, Engineer.

Mr. Crow now lives in Spearman, but is still in possession of the above mentioned well in connection with considerable tillable land that could be reached with the artesian water.

It sounds strange to those of us living in the United States of America, where woman's word is law, but there are women in this world who cannot do as they please. For instance, in China, women wanting to go about with bare arms simply cannot do it. The police will not let them. The police have paper sleeves which they slip over the barearms of the Chinese women. In Germany a wife is forbidden to accept paid employment. Mr. Hitler says woman's job is rearing a family, and what he says goes.

PANHANDLE POETS PUBLISH BOOKS

Dalhart, Texas, Nov. 20.—Three Spearman poets are included in Prairie Nights and Yucca, an anthology of Panhandle poetry which will be published by The Dalhart Texas this week. It was completely sold out ahead of its publication date. The three Spearman poets are Ruby Cole Archer, Gladys Close Buchner and Samuel J. Powell. The volume contains the work of 102 Panhandle writers and is the first effort made to collect the work of poets in this region. It was discovered when work on the book began that the Panhandle had a number of widely recognized writers whose work had appeared in various magazines and anthologies. The book contains 286 pages, is beautifully bound and has a cover design by George Autry of Amarillo, printed from wood cuts. Copies, many of them for reference shelves, have been bought by libraries over the country. John L. McCarty, Texan editor, compiled the anthology, assisted by H. H. Lawrence of The Texan staff who has achieved considerable recognition as a poet.

Tuttle's room and Miss Lois Bailey's room tied for the attendance prize. The next meeting which will be "Father's Night" will be the second Tuesday in December at 8 o'clock.

Pringle Items

The wise mother feels that the moral welfare of her family comes first. It is the atmosphere we create in the home that makes the child and also cements family ties. The home at its best is the greatest institution in the world said Mrs. W. C. Womble, in discussing "How to spend an hour with the family," when she spoke before the 23 members and visitors of the Pringle H. D. C. in the home of Mr. and Mrs. W. R. Forester Wednesday afternoon. All present entered into the round table discussion "Meal time a jolly time," with plenty of pep, and many helpful hints were left with the club members. Mrs. R. E. Maddox very ably discussed "Magazines for the Whole Family." To illustrate her talk she had about 15 different magazines and step by step she pointed out the good and bad points of some of the best magazines and condemned some entirely. During the afternoon Miss Lucille Chance demonstrated the making of white fruit cake. Two large cakes were made and will be used with other refreshments when the Pringle H. D. club entertains their husbands with a Christmas party. Visitors present were Mrs. O. W. Jarvis, Pringle, Mrs. W. L. Lachey and Mrs. Irene Foster of Holt. Members were: Mesdames, H. C. Holloway, Calvin Bickley, Chas. V. Conaster, S. J. Logan, Sidney Board, L. C. Henderson, S. H. Chisum, C. E. Lieb, W. R. Forester, Raymond Jarvis, M. W. McCloy, Ben Bentley, R. E. Maddox, Eunice Bentley, Lex Board, R. C. McNutt, W. C. Womble, Ruby Holton and Misses Iris Lieb and Lucile Chance.

BAPTIST CHURCH

A. F. LOFTIN, Pastor. It was a joy to have you in the congregations last Lord's Day. The Sunday School was well attended as were the SIX UNIONS in B. T. S. The offering was good; the singing uplifting; the fellowship whole hearted. Without you this could not have been. Ten o'clock—Sunday School. Eleven o'clock—Worship. Evening, 6:30—B. T. S. Evening 7:30—Worship. WHY A DEAD MAN STOOD UP. Text: "He Revived and Stood up."

Look at that text. Study it. Ask questions about it. Then read the following Scriptures: Acts 9:11; 2 Kings 13:20, 21; Acts 5:15. LOOK—"BONES, SHADOWS, HANDKERCHIEFS, APRONS." In these days, modern times, do spoons, ghosts, miraculous cures and the like, take the place of what happened in Bible Times? Hear this sermon Sunday Night. "And God wrought special miracles by the hand of Paul, so that from his body were brought out the sick handkerchiefs and aprons, and diseases departed from them and evil spirits went out of them." "And when the man was let down, and touched the bones of Elisha, he revived and stood up on his feet."

Miss Ruby Horn, who has been visiting the past four weeks at Las Vegas, Wagon Mound, Mara, Springer, Raton and other parts of New Mexico and Trinidad, Colorado, returned to her home in Spearman Tuesday of this week. She reports an enjoyable visit. Mr. and Mrs. Raymond Keith of Borger, were week-end guests in Spearman in the home of Mr. and Mrs. R. E. Burran. Charles Darnell came from Higgins Saturday evening and remained over Sunday. He was accompanied home by Mrs. Darnell, who had visited here the past ten days. Dinner guests Saturday evening in the home of Mr. and Mrs. Clyde Hazelwood were Mr. and Mrs. Lester Howell and Patsy, Mr. and Mrs. Lufe DeArmond and Donald Lou, Mr. and Mrs. Charles Darnell and Charlene. Mr. and Mrs. Homer Cluck of Gruver left this week for Hot Springs, New Mexico. They will remain for an indefinite period.

Mary - Martha Circle

The Mary Martha Missionary society met Wednesday afternoon with Mrs. Bruce Sheets as hostess. Ten members and one visitor were present. Mrs. Lee gave a bulletin and the spiritual cultivation lesson. Mrs. Marvin Chambers gave a chapter from the life and letters of Paul. The society will meet next week with Mrs. Lynn Pack. Refreshments were served to: Mesdames, J. H. McCormick, Lynn Pack, T. E. Johnson, R. E. Lee, Robert Douglas, Clay Gibner, Gene Richardson, Marvin Chambers, Charles Chambers, Lloyd Campbell.

Bid - A - Bit Club

The Bid A Bit bridge club met Friday afternoon at the home of Mrs. R. E. Lee. Two tables of players enjoyed the afternoons games. At the close of the afternoon high score was awarded to Mrs. W. W. Merritt. Mrs. Bill Hutton was a guest for the afternoon. The following members were present: Mesdames, Dwight Holland, T. E. Johnson, Lloyd Campbell, David Hester, Bill Hutton, W. L. Russell, W. W. Merritt. A delicious refreshment plate was served.

DON'T NAME IT

By HONEST BILL

Everything is breaking k. o. this week.

—We got back our Methodist preacher.

—We received .80 inch of rainfall.

—Panhandle won from Groom in football, which will make it considerable more pleasure for this writer for the Lynx to beat Panhandle Friday.

—An estimated crowd of 1500 people were in Spearman last Saturday to attend the program staged by the Spearman Business Men's League. They came and were well pleased with the program.

—We are receiving more wheat allotment checks every week.

—The weather still stays warm enough for those of us who have not had the money to buy "heavies" to operate with our B V D's.

—Heard that a few ducks were coming in on Palo Duro and on Horse creek.

—Am still convinced that the Spearman Lynx will defeat the Panhandle Panthers two touchdowns.

—Have information from Coach John Morris that his Lynxette basketball players will defeat the Perryton girls next time they play em.

—Spearman Reporter have just erected a new sign that extends across the entire front awning of the Reporter building.

—Reporter will have new office room in the portion of the building formerly occupied by Dr. J. E. Gower. We plan to have a reception room and an executive office. Come up to see us some time—you can find room to start an argument with us now.

Management of the Reporter has just completed binding all the old files of the Hansford Herald and Spearman Reporter. Anyone desiring information carried in the paper from 1917 to the present time are welcome to consult the files. There is lots of interesting reading back yonder. Pal Lyon dropped in while we were binding the old files and had a few chuckles over a half column front page write-up of his marriage. Told him he must have been quite important back when he wed to get a half column on the front page. Pal said it was because there was not much news in them days.

Here's expressing our sincere thanks to Carl Meek and Mr. Flannigan, owner of the Panhandle Gas company. The boys brot in a 4 and a half pound salmon trout to the writer Thursday of last week. Mr. Meek and Mr. Flannigan spent last week at Eagle Nest Dam in New Mexico. They made the trip to do a bit of deer hunting, but the weather was so dry and their luck so bad they changed their rifles for rod and reel after one day of hunting. They report the best luck at fishing they had ever had. Caught more fish than they knew what to do with. Glad they thought to give the Irishman preacher A. F. Loftin and Bill Miller a good meas of the catch. Never was better encouraged for the future of Spearman than at the present time. Any time 84 business and professional men band themselves together to encourage trade as they have in this city you will always see results. Our prediction is that Spearman will become the most popular trading point on the North Plains. However, merchants! you goto offer for sale what the people want, and at a reasonable price. Will bet a five cent drink with the first man who doubts me and challenges this statement (we will have at least five inches of snow in Hansford County before December 25th.) It's a good bet for you if you lose—and don't you hope you lose

Blodgett H. D. Club

"To Make The Best Better" will still be our motto for the incoming year, and "More Tiled Gardens," hence better filled pantries is the slogan of the club.

The meeting November 19 at the home of Mrs. L. E. Wilbanks was opened at 10:30 a. m. with the president in chair. Club song and prayer given in unison.

The business was composed of the completing of all reports of the years work. The club also drew numbers for their Pollyanna member the next year. A covered dish luncheon was served at the noon hour to 11 members and 8 visitors.

The afternoon meeting was a fruit cake demonstration. 33 lbs. of fruit cake was made, 15 lbs. was steamed and baked in angel food cake pans and 18 lbs. was canned in No. 2 cans. This was one of our outstanding meetings of the year.

Those to enjoy the day were: Mr. and Mrs. E. S. Uptergrove, Mr. and Mrs. J. E. Kenney, Mr. and Mrs. Virgil Wilbanks, Mesdames, J. G. Monroe, W. C. Harbour, L. W. Austin, J. M. Blodgett, Deta Blodgett, Ike Klutts, Miss Opal Padgett, Hubert Uptergrove, Lawrence Wilbanks and the hostess, Mrs. L. E. Wilbanks. The next meeting will be December at the home of Mrs. L. W. Austin. Plans for a Xmas party will be the subject. A covered dish luncheon will be held at noon for club members and husbands. Visitors are always welcome.
