

BUSINESS FIRMS ORGANIZE FOR TRADE EXPANSION

FIRST MEETING IS HELD MONDAY NITE; COMMITTEES NAMED

Approximately seventy local business men have banded together in an organization for the purpose of business expansion. A preliminary meeting was held Monday night of this week and a temporary organization formed. Twenty six business men were present at the first meeting, and formulated plans subject to approval of the business men of Spearman. A committee composed of Simeon Caldwell, C. V. Main and W. E. McClellan was appointed to assess dues to each merchant that would raise funds necessary to carry out the plans of the organization.

C. W. Smith, Louis Bryan and Lon Hays were appointed on a committee to solicit funds for the organization in the amounts assessed by the assessment committee. Both committees completed their work today (Thursday) and will report to a meeting of the business men tonight at 8 p. m.

The new organization is styled the Spearman Business Men's League, and will foster trade expansion.

As a result of the new organization some individual citizen of the Spearman trade territory will be benefited to the extent of \$50. each Saturday—or rather if the individual is not present to receive this benefit, some other individual will gain \$100.00 benefit the next Saturday. The plan is similar to a plan used by many theatres of the country, and is calculated to bring large crowds to Spearman each Saturday.

Blundering Herd Shows To Crowded House in First of 3 Benefit Plays

Completely filling the large auditorium at the high school building, an audience of Spearman citizens placed their stamp of approval on the first of a series of three benefit plays being staged by Hansford County P. T. A. Organizations Friday evening of last week.

Gross proceeds of the play amounted to \$69.55. This fund, minus the small amount needed for expense will go to the Library fund of the Spearman school.

Considerable credit is due the players and their coach, Miss Ethel Deakin, for the splendid entertainment they presented with he short time they had to prepare the play.

NINE INDICTMENTS ARE RETURNED BY LOCAL GRAND JURY

Hansford County's grand jury was dismissed Wednesday morning of this week after two days of service. Two felony indictments and seven misdemeanor indictments were returned to the 84th. District court. The felony indictments covered alleged forgery and were for the same man. The seven misdemeanor indictments covered alleged wilfully killing domestic animals, carrying a pistol, wheat theft from storage.

Earl Madden Featured in Alva, Okla. Fight

Earl Madden, Spearman fighter is featured in the main bout at Alva, Oklahoma Monday night November 5th.

Tom Tindell, another Spearman boy is scheduled for the semi-final bout of the evening.

The program includes: 10 round main event, Everett Bales, Wynoka, Oklahoma vs Earl Madden.

Eight round semi-final, Garnett Bales, Wynoka, vs. Tom Tindell of Spearman.

Six round special, Lawrence Brewer vs. Newell Strassbaugh.

The program states that 12 other rounds of fast and furious fighting is scheduled for the evening.

Repair Work Being Done On City Water Tower

Work was started the first part of the week to recondition the city water tower and make a few repairs. A new valve and expansion joints were installed in the tank and the sway rods have all been tightened and pronounced weather worthy.

This work is being done by the Chicago Bridge and Iron Works, whom the city employed as experts in this line.

"A NEW DEAL AND NEW DEALERS" PROMISED

Governor Elect Jimmie Allred, has been quoted as having said that West Texas would receive a 'new deal' and a new dealer. It is alleged that this statement was made following his inspection of West Texas roads and finding a number of gaps in the West Texas highways.

More than a couple of hundred representative citizens of the Panhandle, where the 'new deal' is badly needed, and where the new dealer, in the form of a highway commissioner, is to be requested, are quietly working for the appointment of W. L. Boyles of Panhandle, Texas, to replace the present commissioner whose term expires this year.

Following the publicity given the prospects for appointment of a new commissioner, candidates were suggested from every section of the Panhandle. Seeing the folly and hopelessness of competition within the Panhandle representatives from the entire Panhandle selected W. L. Boyles of Panhandle as a candidate for the office upon whom future efforts will be centered for the state appointment.

Official organization of the support of Mr. Boyles was effected Wednesday night of this week at a meeting held at Borger, Texas. Represented either by proxy or by prominent citizens, twenty of the twenty six counties of the Panhandle placed their stamp of approval on the new candidate and a Panhandle organization was formed. A half hundred citizens were present at the Borger meeting including bakers, editors, ranchers, county officials, merchants, and attorneys. Word was brought to the organization from Amarillo and Clarendon that favorite candidates in these cities were withdrawing in favor of Mr. Boyles.

Talks from every section of the Panhandle indicated that public sentiment "back home" demanded a change in the highway commission, and that every portion of the Panhandle would unite in an effort to gain the appointment of W. L. Boyles of Panhandle. However, it was revealed at the Borger meeting that a powerful organized effort was being made to retain the present highway commissioner W. L. Ely.

County Democratic Chairman R. L. McClellan, Judge J. H. Broadhurst, John R. Collard, W. E. McClellan and Bill Miller of Spearman attended the Borger meeting representing Hansford County. These gentlemen pledged an organized effort in support of the Panhandle candidate.

It has been the pleasure of the management of this newspaper to know the prospective highway commissioner, W. L. Boyles a number of years. He is a self-made business man, head of an independent oil company who has made a success of his own business. He is capable of making Texas an efficient servant—and will be a state-wide official who deals the cards fair and square to every section of the state. He has never been in politics, and owes allegiance to no individual or group. In the opinion of this publication the Panhandle can serve itself and the state to the very best of advantage by seeking the appointment of W. L. Boyles as highway commissioner. This writer asks that each individual citizen investigate the claims of the Panhandle organization backing the proposed new highway commissioner—if you find this man worthy of your efforts—wire, or write Governor elect, James V. Allred that the Panhandle want Boyles for highway commissioner.

Let us all cooperate in this Panhandle movement and take advantage of the first favorable opportunity to place a Panhandle citizen in an important state office.

PIE SUPPER PLANNED AT HOLT SCHOOL

Announcement coming from the Holt community invites all Spearman Reporter readers to attend a pie supper to be held at the Holt school house Saturday night November 3rd. Special music will be included in the program of entertainment.

MRS. W. V. MURRY DIES MONDAY, OCTOBER 29

A mantle of sorrow and grief was cast over Spearman and surrounding neighborhood Monday, October 29, when news came of the death of Mrs. W. V. Murry, wife of Bro. W. V. Murry, minister of the Church of Christ of Spearman.

Death came as the result of a heart attack following church services Sunday evening, from which she never recovered. Bro. Murry was away from home at the time, having filled Bro. Wiseman's pulpit in Borger Sunday, but Mrs. Murry was able to arouse neighbors and ask for a doctor. She complained of indigestion and became suddenly very ill. Dr. Gibner was called to the home and worked faithfully, calling to his aid Dr. C. J. May of Perryton. Bro. Murry arrived home as soon as he could drive from Borger after preaching.

Mrs. Murry was the daughter of Mr. and Mrs. W. W. Gabhart, Tioga, Texas. Miss Veda M. Gabhart was born in 1907, at Tioga. She spent her young childhood there, completing her school work in the public schools of that city. On November 17, 1924, she was married to W. V. Murry. To this union was born two children, Virginia Lou, and Wallace Earl.

Mr. and Mrs. Murry have lived in the Panhandle country about ten years. Brother Murry took up the ministry about a year ago, filling his first pulpit in Spearman.

Mrs. Murry has been a devout Christian since early childhood, having united with the Church of Christ of Tioga at the age of 10 years.

Funeral services were held at the Union Church in Spearman at 10 a. m. Tuesday morning, conducted by Bro. J. F. Wiseman, Minister of the Church of Christ of Borger. Following the Spearman services the body was carried overland to Tioga for burial. Funeral services were held at Tioga prior to the burial rites, conducted by Bro. Wiseman.

Accompanying the bereaved family on the funeral trip to Tioga were Mr. and Mrs. C. J. Todd and Bro. J. F. Wiseman.

All of Spearman extends heartfelt sympathy to the bereaved family and to their loved ones.

Mr. and Mrs. W. J. Vasey of Pampa were in Spearman Tuesday to attend the funeral of Mrs. W. V. Murry.

HEAVY CIVIL DOCKET FAILS TO PROVIDE MANY JURY CASES

Hansford County large civil docket for the fall term of the 84th. District Court failed to develop more than routine work for the first two days of the court. No jury cases were announced before Friday of this week, and Judge E. J. Pickens dismissed the jury for the first week service before noon Tuesday, with instructions to report back for service Friday November 2nd.

Four divorces were granted and four default judgements were taken Tuesday afternoon in non-jury trials. A few cases were settled by agreement and one divorce case dismissed, but the bulk of the heavy docket is continued, or will likely be continued to another term of court.

13 RELIEF PROJECTS ARE APPROVED FOR HANSFORD COUNTY

Thirteen relief projects for Hansford County have been approved by the district project engineer, according to information from Relief Director S. H. Haile. Due to the fact that there had been a change in district officials approval of various projects has been held up for a few weeks.

The projects that have been approved are:

1. Janitor for Relief Office to assist county janitor at court house.
 - Projects 2 to 5 inclusive, four different projects for road work.
 - Projects 6 and 7. Hot lunch room assistants for Spearman and Gruver public schools.
 - Projects 8-9-10, Spearman Gruver and Morse Sewing room projects.
 - Projects 12 and 13 tiling for irrigation for both the city and county.
- Information from Mr. Haile was to the effect that state relief officials had granted a request for a supervising engineer to assist in county road work. The local officials have asked for Ray C. Spitzer who formerly assisted in this work in Hansford and Moore counties.

Approximately 160 workers are registered on the case load of Hansford county relief rolls. With the 13 projects approved it will likely give opportunity for full budget employment of Hansford relief workers.

FIVE MORSE BOYS INJURED WHEN CAR OVERTURNS SUNDAY

Five Morse boys were seriously injured in an accident occurring Sunday afternoon about five miles south of Gruver. The boys, all of Morse, had been chasing coyotes in a truck when they hit some loose dirt that turned them over.

Desmond Kelly, 10, received a severely bruised hip when he was caught under the truck as it rolled over. Jack Noe, suffered a broken right arm and his left collar bone was broken in two places. Robin Giblin received some very painful cuts, 4 stitches were taken across his right eye and 2 stitches on his right hand. Woodrow Forester and Fred Coppel sustained only slight injuries in the mishap.

The boys were brought to Spearman for medical attention, but were able to be moved to their homes at Morse Monday.

Mr. and Mrs. Van Earl Steed are spending the week-end in Groom.

HOLT CURTAIN CLUB TO PRESENT PLAY AT HOLT SCHOOL

"Spooky Tavern," a comedy mystery play is to be presented by the Holt Curtain Club at the Holt school on Friday night, November 9. The play is being directed by Cecil Kirk and a splendid cast of local talent will be featured. The club is contemplating bringing the play to Spearman following this presentation, if a satisfactory date can be arranged for the school auditorium.

This play is of a special interest as the plot is supposed to have been suggested by events actually happening in a little tavern in Kansas operated by an old lady and her brother. In this instance, as disclosed by police investigation, travelers had been murdered with a hatchet from behind a curtain while eating their meals, robbed of their belongings and their bodies buried in the basement and back grounds. However the play does not follow this particular theme but deals more with a tavern operated by an old ghost lady and frequented by a bunch of college students, all of whom are involved in a dope racket. The play is packed with excitement supplied by disappearing bodies, shots fired from opening mirrors etc., and plenty of fun and humor emanating from these situations.

Tri-motored Plane Wins Race From Ford V-8

In a thrilling race that held the attention of practically every boy in the Spearman trade territory, and most of the grown-ups, an airplane beat a Ford V-8 pick up owned by Marion Glover and driven by Leo Dacus, in a half mile and return race Sunday afternoon at Collard field.

Prior to the race many local people enjoyed rides in the tri-motored plane which spent the day at the field near Spearman.

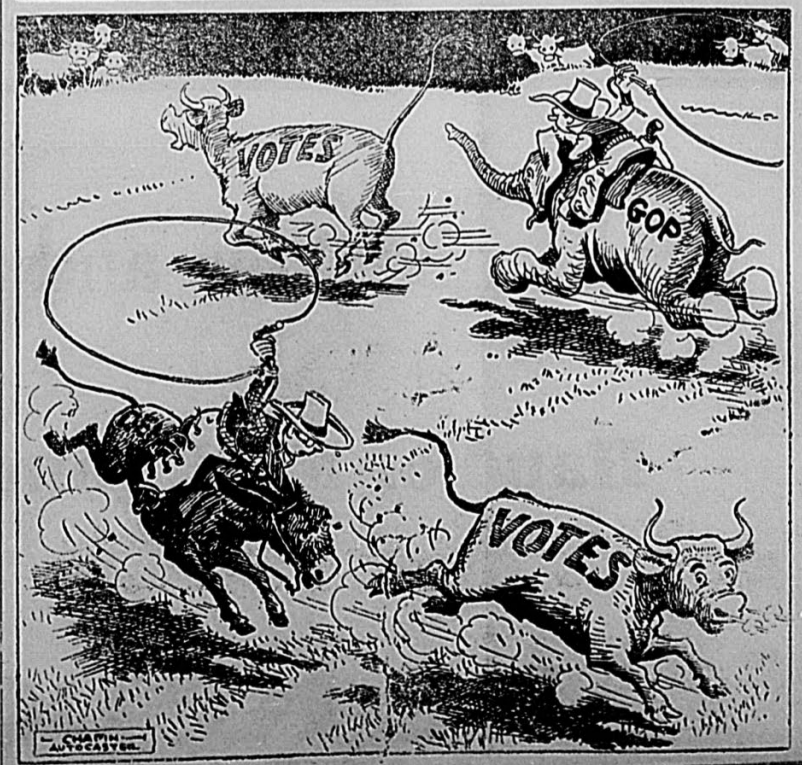

POISON GRAIN FOR KILLING PRAIRIE DOGS AVAILABLE

A supply of poison grain prepared by the state agricultural department is available to farmers and ranchers of this section. County Agent Frank Wendt has several sacks at his office. The price for this grain is 7c per pound.

FORTY MEN AND FIVE TRUCKS WORKING ON HIGHWAY 88

Forty men and five trucks are rapidly completing the work of placing caliche on highway 88 between Spearman and Gruver. The labor is provided by men on Hansford county relief rolls. Truck and supervision of the work is provided by the state highway department. Information coming to this city is to the effect that the new caliche will be rolled and likely be topped with a 2 inch base topping.

Christian Growth
Luke 2:42-52;

And when he was twelve years old they went up after the feast. And when they had fulfilled the days, they returned behind him and his parents. And when they found him not, they returned to Jerusalem, seeking for him. "How anxious were they as to what might have become of the dear boy in the great city!" "They found him in the temple." It was strange that they knew so little of the lad that they did not look in the temple first of all. "Sitting in the midst of the teachers." During the feasts the great Jewish rabbis taught in the porches and courts of the temple, gathering groups of eager listeners around them, and discussing religious problems with them. "Both hearing them, and asking them questions."

When they saw him, they were amazed; and his mother said to him, Son, why hast thou done this to us? behold, we sought thee sorely and thou wast not here. And he understood not what he spake unto them. And when he went down with them, and came into Nazareth, and was seated with them; and his mother said unto them, I sought thee sorely and thou wast not here. And he understood not what he spake unto them. And when he went down with them, and came into Nazareth, and was seated with them; and his mother said unto them, I sought thee sorely and thou wast not here. And he understood not what he spake unto them.

Jesus advanced in stature, and in favor with men. "Yes, and for this reason on your part all your faith supply virtue; for your knowledge self-control, in your self-control; in your godliness, progress; and in your progress, love. If these things are abundant, they make you not unfruitful unto us." "But grow in the knowledge of our Lord Jesus Christ."—2

Introduction
The program of Christian-ity made out for the pleasure of Mary in Nazareth is made out for the new territory. There is virgin soil to be tamed, and new rivers to be cut down, rivers to be tamed, and new rivers to be cut down, rivers to be tamed, and new rivers to be cut down.

When he was twelve years old, the growth of the boy came of age, or "the son of the Law," at that time he was dressed as a boy in phylacteries for the feast. From his twelfth year he began to be initiated into the observances of the law, as was done when Jesus was twelve years old he went to Jerusalem with his parents to attend the deliverance of Israel from Egyptian bondage hundreds of years before."—E. Frank

At Jewish Custom
After the custom of the young folks can be seen what a young boy from a town like Nazareth would set off on his first journey to a great city. As early as possible, to be able to comprehend the religion; and in order that the parents must feel that "As they were returning, the boy Jesus tarried behind them." He did not know the anxiety to his parents, but he was con-stantly in what was go-

Journey Without Jesus
When he was twelve years old, they went up after the feast. And when they had fulfilled the days, they returned behind him and his parents. And when they found him not, they returned to Jerusalem, seeking for him. "How anxious were they as to what might have become of the dear boy in the great city!" "They found him in the temple." It was strange that they knew so little of the lad that they did not look in the temple first of all. "Sitting in the midst of the teachers." During the feasts the great Jewish rabbis taught in the porches and courts of the temple, gathering groups of eager listeners around them, and discussing religious problems with them. "Both hearing them, and asking them questions."

from nearby villages. These, including relatives, would make a considerable number, and Mary may easily have thought that her boy was with some neighbor or friend. "They went a day's journey." From ten to fifteen miles, the entire company probably walking. "And when they found him not, they returned to Jerusalem, seeking for him." "How anxious were they as to what might have become of the dear boy in the great city!" "They found him in the temple." It was strange that they knew so little of the lad that they did not look in the temple first of all. "Sitting in the midst of the teachers." During the feasts the great Jewish rabbis taught in the porches and courts of the temple, gathering groups of eager listeners around them, and discussing religious problems with them. "Both hearing them, and asking them questions."

"In My Father's House," v. 49
"Knew ye not that I must be in my Father's house?" The translation of the King James Bible, "about my Father's business," is equally possible, Christ may have meant, "about the affairs of my Father," or "in the places of my Father," and both thoughts may have been present to his mind. "A measureless weight of conviction is in that boy's word, 'I must.' A divine necessity, recognized with blended awe and joy, has him in its grip. 'I must' do my Father's work. A grand purpose fills his being, and his whole nature is bent on its accomplishment—a purpose exalting duty above all human ties and all human pleasure, and embracing within itself the highest ideal of being and doing." Rev. John Clifford, D. D. "The great principle of Christian duty lies in the truth, 'Not my will O God, but thine, be done.' Each one of us has his post assigned to him in life, and there he must abide, though he suffer and die." The Christian Addition Table 2 Pet. 1:5-8.

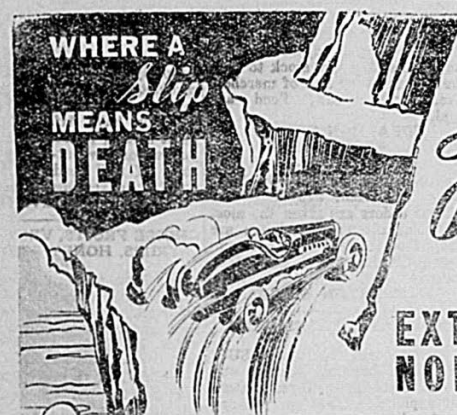

first, was written to the Gentle Christians of Asia Minor, and largely to the churches founded by Paul, with whose writings Peter shows himself familiar and in hearty agreement. "Adding on your part all diligence." Sloth has no place in the Christian life. We must press on earnestly if we would be, v. 5, "perfect and entire, lacking in nothing" (Jas. 1:4). This passage is called "the Christian's addition table." "In your faith supply virtue." Faith in Christ is the beginning of the Christian life, the first link in the chain of Christian character. "Faith apart from works is dead" (Jas. 2:26). Belief and trust spring up into life, must blossom and bear fruit in beautiful strong deeds. "And in your virtue knowledge." As we go on in a virtuous life, we shall add constantly to our knowledge of God's will. If "These Things" Abound, v. 8. "For if these things are yours and abound." "These things" are the Christian graces named, and the consequent right understanding of divine things.—Prof. W. H. Bennett. We are to have them not in any paltry measure, but

MRS. J. E. GRIGGS, PRES. DISTRICT EIGHT, SPEAKS TO THE MORSE P. T. A.
At a special meeting of the Morse P. T. A. Mrs. J. E. Griggs gave a most interesting and richly and fully, living the abundant life which Christ his followers to live (John 15:5). "They make you to be not idle nor unfruitful unto the knowledge of our Lord Jesus Christ." Who can compute the value in a community of a character enriched by patience, by self-control, by brotherly kindness, and by love? Such characters are moral health centers. 1. Christian growth is Christian duty. We ought to grow stronger, richer, every day in Christ's bounteous gifts of joy, strength, power. 2. Grow in knowledge, grow in grace—grow in grace, grow in knowledge. 3. Christian growth, like an athlete's, is planned, purposeful, persistent. 4. No Christian grows in grace without the means of grace. 5. Fourfold growth; wisdom, stature, favor with God, with man.

structive history of the National Congress of Parents and Teachers, emphasizing the growth and progress made in this great organization. Stressing that the Parent-Teacher Associations are an immense power for good. They strengthen the hands of the educators. They lead in every good movement for the schools, and they place every home behind every phase of school life. By developing mutual understanding between the home and the school, the teacher becomes more sympathetic and the parent more appreciative. The result is of inestimable benefit to the child. A large and most appreciative audience enjoyed this most excellent message from our District President. During the evening special music was furnished by the Morse Band under the direction of Mr. Riemenschneider. After the program delicious refreshments were served by the hospitality committee and delightful social hour was enjoyed by all present.

WINTER HAZARDS Need Not Worry Consumer Sales Customers

Most Amazing Proof Ever KNOWN OF EXTRA TRACTION AND NON-SKID SAFETY

UP... UP... UP... to 14,000 feet above sea-level. Skirting yawning chasms, tearing around 181 treacherous turns at breath-taking speeds—daredevil drivers fight their way up... grinding, pounding, swaying, over more than twelve miles of tread-torturing granite gravel. What a terrific test of tire stamina!

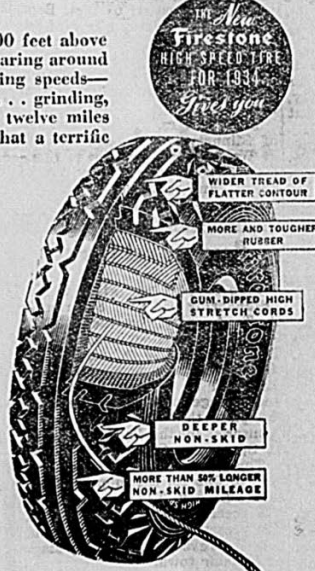

Firestone High Speed Tires with the tougher, wear-resisting tread were used on the winning car in the Annual Pike's Peak Race, where a slip means death! This gruelling grind is the most amazing proof ever known of Extra Traction, Non-Skid Safety, and Dependability.

This same Extra Quality and Reserve Safety are built into the new Firestone High Speed Tire for 1934, to protect you and your family. These new tires are Safety-Protected on the outside with a wider tread of flatter contour, deeper non-skid and more and tougher rubber—Safety-Protected on the inside by eight additional pounds of pure rubber absorbed by every 100 pounds of cords. This additional rubber surrounds every cotton fiber inside every cord in every ply, counteracting damaging frictional heat, the enemy of tire life.

This is accomplished by Gum-Dipping, the ingenious process developed and patented by Firestone. Through its exclusive use only Firestone is able to give you a tire of such cohesive strength and safety, giving more than 50% longer non-skid mileage.

Vacation Protection!

Protect yourself and family on your vacation trip—let the nearest Firestone Service Dealer or Service Strip equip your car today with new Firestone High Speed Tires for 1934. REMEMBER, you will save money at present prices, because crude rubber has advanced more than 442% and cotton 190%—tire prices cannot possibly remain at their present low levels.

'Scrappy' Lynx Meet Follett Panthers Nov. 2

Friday afternoon, November 2 at 3:00 the Lynx met the Follett Panthers on the Lynx Gridiron. This will be the first Conference game for the Lynx and they are going to have to fight to win. Follett has a very large team this year. The fact that Perryton beat them 20 to 0 is not a reason that they are not going to be tough. Follett beat Canadian 19 to 0 not long after the Lynx played Canadian. The Lynx are going through hard workout this week. It is not known whether all the boys have passed or not. All we have to say is "Here's hoping."

LYNX LOSE TO TEXHOMA

The Spearman Lynx met the Texhoma Red Devils Friday, Oct. 26 at 3:30, on Lynx field for a 12-0 defeat.

The Red Devils kicked to Lynx who carried the ball to fifty-five yard line and were held for down. Texhoma took the ball and carried it to the forty-six yard line. On first two downs their passes were good for thirty yards, and on the next play they had in place-kick formation and completed a pass for a touchdown.

The Lynx came back with the old fight and played better ball for the second quarter, but could not score. They did some hard blocking and holding and drove up the field, but to no avail.

In the third quarter the Lynx were on Texhoma's five yard line, this was the first time a team has penetrated their ten yard line this year, but they could not get thru the line and the quarter ended.

The Lynx were still fighting hard in the last quarter but could not make much headway. The Red Devils went over for another touchdown on a completed pass, but failed to make the extra point.

The Lynx showed a real fighting spirit and this defeat did not make them lose confidence in themselves. They are now preparing for the two conference games to come.

JUNIOR SEND ORDER FOR CLASS JEWELRY

At last we Juniors have succeeded in ordering some class jewelry. An emblem was finally decided upon and each member of the class got to choose what piece of jewelry he wanted. Class pins, wristlets, lockets, footballs and belt buckles were ordered. We bought our jewelry from the Star Engraving Company, and by signing a contract to buy our rings from that company next year we were given a cut in price on the jewelry.

O yes we Juniors also had our pictures taken last week. Some of us thought the picture wasn't good, but we had to admit that it looked just like us. The order has been sent off for the pictures and they will be here in about two weeks.

We are planning on having a good time at our Halloween masquerade party next Wednesday. We are going to wear costumes so that no one can tell who's who. We were glad to have a visitor last week, Ruby Delbrugge, who is not attending school here any more.

We Juniors all wonder why Vyta has quit going to Perryton. I wonder why George Niece is taking physics so seriously.

GIRLS BASKETBALL SUITS ARE REPAIRED

The basketball girls have started practice and are enjoying it immensely. Mr. Morris has issued most of the suits and the girls were pleasantly surprised to find that they had been practically made over to look almost like new. The suits were in pretty bad shape and the girls certainly appreciate having them fixed. Mrs. Gunn proved to be the good Samaritan who fixed them. To show their appreciation the girls gathered at her home Monday night, and gave her a handkerchief and fruit shower. Everyone enjoyed the visit, that is until Mr. Gunn and Mr. Morris began bringing up embarrassing subjects, such as the first time certain girls got to play in a game. The party dispersed at a little after 8.

FAVORITE SONG OF ENGLISH IV STUDENTS

(Tune: "I've Got a Feeling I'm Falling")
I'm fighting hard, but I've got a feeling I'm failing,
Fighting for nobody else but English IV.
They're not in accord now, I've got a feeling I'm failing,
English IV is no joke and sure not bliss!
I used to be happy—oh!
Until I studied English IV!
Now I'm failing just over him!
Say, teacher, please go slow,
For I've got a feeling I'm failing,
Fighting for nobody but English IV.

"THE BLUNDERING HERD" PLAYS TO FULL HOUSE

"The play, 'The Blundering Herd,'" sponsored by the P. T. A. was presented to a full house Friday night and judging by the many laughs it caused, the audience enjoyed it thoroughly. The net proceeds amounting to \$53.90 will be used to buy library books.

This play will be taken to Gruber and Morse Tuesday and Friday of this week, where the proceeds will be used for the benefit of their schools. In turn Gruber and Morse will present their plays here and the net proceeds will be used for our schools. Watch for the dates of these plays and don't fail to see them.

NEW ENCYCLOPEDIAS IN HIGH SCHOOL LIBRARY

Two new sets of encyclopedias were placed in circulation in our high school library this week. The World Book Encyclopedia in nineteen volumes, and the New Standard Encyclopedia in twenty-five volumes. We are very glad to have some new books as our old ones were getting badly worn and out of date.

PEP SQUAD BACKING LYNX

The pep squad girls have made a good showing at all the football games, especially since they have their uniforms, and they show by their enthusiastic and willing spirit that they are 100 percent for the Lynx. All members are doing their best at the games and are showing their interest by attending the meetings.

The pep squad is very proud of the new bleachers and wish to thank those who built them. They had their picture made last week and the proof shows it to be very good.

Spearman High School has a pep squad of which it should feel proud. It has not failed to support the Lynx team so far and it will not fail to support them in the coming games.

Rah, Rah! Lynx!

SENIOR NOTES

More excitement for the seniors. We had our photographs made last Friday.

Alino Caldwell had a tonsillectomy last Wednesday. She returned to school Monday, but we are sorry to report she is not doing so well today.

The returns are all in. We know the worst. Our report cards are very much in evidence. If happiness is the capacity for forgetting the past and trusting in the future, then we are truly happy.

Several seniors went high-hat Sunday. At least they were looking down on the rest of us from a soaring air plane. It is great to fly—so they say.

Most of the seniors attended the Lynx-Red Devil game and did some good rooting for the old Hi.

Why is the store such a popular rendezvous at the 10:30 period. Tsh! Tsh!

Mary Brandt: "I hate dumb men!"

Juanita: "Aha! A man hater!"

We are very thankful for the splendid patronage accorded the P. T. A. play, for our library is more good books in our library.

FRESHMAN REPORT

We are very glad that six weeks exams are over. Most of us passed, though more or less mid-night oil was burned while preparing for them.

We are wondering why our boys had to feel sorry for Texhoma. We hope they won't begin to pity Follett.

Another pupil has enrolled in the Freshman class, Marie Morris. We are very glad to have her in our midst.

SEVENTH GRADE

Most of our members attended the party given by our room mothers Saturday night. We wish to take this opportunity to thank our room mothers for the enjoyable time they gave us.

About three-fourths of our members attended the art exhibit last week and we wish that all could have attended and enjoyed it as much as those who did attend. We hope that we may get one of these pictures for our room.

Miss Pearson has so changed us about as to make it less desirable to speak to our neighbors. We do not appreciate our new seating arrangement very much.

We had our pictures taken Wednesday and they were good. We were glad we won in the "Treasure Island" contest. We went Monday, October 22 to see the show.

BOY'S GLEE CLUB IS ORGANIZED

Mrs. Word organized a Glee Club for the boys in which much interest is being shown. They have met three times in the music studio and have sung several different songs and are practicing on several others. They plan to give a program on Armistice day, and are practicing some songs for it.

The next meeting will be held Wednesday in the music studio.

PHYSICAL EDUCATION

The boys physical education groups have been having exciting "world series" game sever since school started. The two instructors, Mr. Gunn and Mr. Stewart, held these classes almost daily. Mr. Stewart's group has challenged Mr. Gunn's group to a baseball game, but the latter have not accepted as yet. George Niece, star pitcher for Mr. Gunn's group, says that his group wants to give Mr. Stewart's group plenty of time to get ready for the game.

When this all-star game does come off there will be school wide interest shown in it.

SCHOOL HAS PICTURES MADE

Mr. Wallace, photographer of Canadian was in Spearman the latter part of last week making pictures of the different classes and organizations. He made group pictures of the grades and of the Freshmen, Sophomores and Juniors. The Senior pictures were made individually with very reasonable price lists. The prices are: \$6.00 for twelve small pictures in folders, one 8x10 in folder and one copy of the Senior class; \$4 for six small, one 8x10 and one copy of class, and any other amount sold accordingly.

Mr. Wallace also made group pictures of the basketball girls and the pep squad. All group pictures are sold for twenty-five cents each.

The quality of the work done by Mr. Wallace is very good. His pictures are always satisfactory, as is proved by the fact that nearly everyone bought pictures.

The proofs were ready Thursday afternoon almost breaking a record for speed and orders for pictures were sent off Friday morning. Mr. Wallace stated that the pictures would be here in about a week and a half.

PRIMARY DEPARTMENT

First Grade
Everything in our room is beginning to look very "spooky." We have made several Halloween posters and have also made some Jack-o-lanterns.

We are beginning on a fruit man poster in our health work, from all indications some of these will be very humorous.

We all enjoyed our art exhibit very much and hope to purchase a picture from the group.

Our hearts are saddened by the death of one of our room-mothers, Mrs. Murry. May god bless Bro. Murry and the children in their great sorrow is the prayer of the First Grade.

Second Grade

We have been working in Halloween posters and decorations in our room the last few days.

Last week everyone enjoyed the art exhibit, that was at our school, very much.

We were very sorry to lose one of our pupils last week. Little Junior Keahey moved back to his home in Wyoming.

Second and Third Grade

All of us went to the art exhibit last week and enjoyed it very much. We have been making some Halloween decorations for our room including posters, Jack-o-lanterns and black cats.

We were sorry that Frank Porter and Mansel Phillips missed several days last week due to illness.

Third Grade

The hearts of the third grade pupils were saddened this week by the death of their room mother, Mrs. C. V. Murry. They have learned to love her in the short time that she has been their room mother. May God's richest blessings rest upon Brother Murry, Virginia Lou and Wallace Earl, is their prayer.

LYNX REPORT

This week we enjoyed having Mrs. Deck visit us. Virginia Keim is back with us after an absence of several weeks. We were very glad to have her again. We were all pleased with our grades this six-weeks, but we think we can all do better next time.

This morning (Tuesday) we have the heat turned on in our room and it surely feels nice.

Miss Jaunita Tackitt, who is in school at Goodwell, Okla., visited this week in the home of Floyd Sumrall.

Pringle Items

Mr. and Mrs. Thornton and son of Stinnett, were luncheon guests of Mr. and Mrs. W. J. Warren Sunday.

Mr. Noble of Clarendon, was visiting Miss Helen Slater the past week-end.

C. P. Burns and children and C. J. Tyler made a trip to Borger Saturday.

Mr. and Mrs. C. E. Lieb, Mrs. H. B. Parks and H. N. Parks attended church services at Morse Saturday night.

Mrs. W. J. Warren entertained Miss Mary Lou Warren and Cecil Springer with a dinner Thursday night honoring Mary Lou's birthday.

Mr. and Mrs. Claude Weatherford and children were luncheon guests of Mr. and Mrs. M. L. Chisum Sunday.

Mr. and Mrs. C. P. Burns made a business trip to Spearman Monday.

Mr. and Mrs. L. F. Noe and Louise of Morse, W. M. Lieb and Iris Lieb, were dinner guests in the O. C. Smith home Sunday.

Mr. and Mrs. O. A. Board and children made a trip to Borger Friday.

Mrs. Annie Lou R. Deering was a guest in the home of Mr. and Mrs. S. H. Chisum Sunday, where Trella Chisum was honored with a birthday dinner. It was her 7th birthday.

Those who attended the Singing Convention at Dumas were: Richard Groves and family, R. C. Chisum and family, Mrs. L. C. Henderson and daughter, Denzel Lee.

W. T. Womble, Allen Womble and Ray Ownbey of Pringle left last week to go deer hunting.

Willie Watters of Amarillo was out last week looking about his farm.

Mr. and Mrs. B. F. Bentley left last week for Palestine, Texas, to attend the funeral of Mrs. Bentley's brother-in-law, who died last Wednesday.

R. E. Holton and daughters, June and Erlis and Arlene Chisum attended the show in Borger Sunday.

Mr. and Mrs. Thornton and son of Stinnett, and Mr. and Mrs. W. J. Warren made a trip to Spurlock Sunday, where they visited friends and relatives.

"Blundering Herd" Is Well Received at Gruber

Fine support was given to the "Blundering Herd," Spearman's P. T. A. play presented at the Gruber High School Tuesday night. The play delayed in starting until after the revival services were dismissed so as not to conflict, and a large crowd turned out for the play, the first of the series sponsored by the Parent-Teachers of Spearman, Gruber and Morse.

This play brought in a net proceeds of \$50 for the support of the school library. The Gruber school will receive the full benefit from this presentation as each school gets the revenue of the play staged in their town.

The play was well presented and well received by the audience. Gruber High School is to be complimented on their fine stage with all its modern equipment. The local P. T. A. and the play cast wish to thank Mr. Wilson and the Gruber people for their help in supplying properties and support to help make the play a success.

May God richly reward you, is our prayer.

Mr. and Mrs. Lester Howell and Patsy.

Mr. and Mrs. O. H. McLeod and Family.

Mr. and Mrs. O. O. McLeod and Dot.

Mr. and Mrs. Carl Donley.

Mr. and Mrs. R. D. Howell and family.

MEN WANTED FOR Rawleigh Routes in Lipscomb, Gray, Roberts Counties, Perryton. Write immediately Rawleigh Co, Dept. 1XK-427-OD, Memphis, Tenn., or see Paul Roach, Spearman, Texas. 5013.

LOST—White Gold ear ring for pierced ear. Finder return to Reporter office. Owner values ear ring because it was a gift.

Mr. and Mrs. H. A. Peters and little daughter Patsy Ann plan to leave for their home in Los Angeles, Thursday, Mrs. Peters has been visiting her sister, Mrs. McKay.

Mrs. W. G. Barnhill arrived in Spearman Sunday for a visit with her sister, Mrs. Britton.

THIS WEEK IN WASHINGTON

EYES ON CALIFORNIA

Washington, October 31.—It is no secret that Upton Sinclair candidacy for Governor of California is giving the Administration more ground for worry than any other one sign on the political horizon. Whether Mr. Sinclair is elected or not on November 6th, the ideas which he has put in motion have impregnated many minds with Socialist theories and to that extent make any effort on the part of the Administration to preserve its middle-of-the-road course more difficult.

A great deal of the rather conservative, reassuring talk emanating from Washington, from the President down, in the past few weeks, has been intended to offset the idea that the radical influence upon the Administration is still dominant. Very definitely, Washington does not want Upton Sinclair to be elected Governor of California, even though he is running on the Democratic ticket. His victory would give strength to the radical, free-spending element which seems likely to be enlarged, rather than diminished, in the new Congress.

Our Credit Still Good

That is not to intimate that there is any likelihood of important curtailment of Government spending, and spending, but the Administration wants to do the planning and the spending and not have its hand forced by wild schemes which could only be carried out by inflationary measures far more than any that have so far been undertaken or that are contemplated. The credit of the United States is still good and Mr. Roosevelt wants to keep it good. And there are several things to be done which will call for all the credit the Government has.

Most important of these next to maintaining its relief disbursements is the project for a gigantic governmental building program, under the general heading of "slum clearance." While nearly 150 million dollars has been allocated from the PWA funds for the purpose of tearing down buildings unfit for human habitation and replacing them with modern housing, few of these projects have been started.

Spring Building Plans

There has been a fair response from private capital to the appeal of the Federal Housing Administration to make loans for modernizing dwellings, but the movement

has not been fast enough to put a large enough proportion of unemployed, carpenters, bricklayers, plasterers, plumbers and the like back to work. So a huge program which will take in every sort of housing activity, from subsistence homesteads to great apartment projects in the big cities, is being worked out, with the idea that in this way the Government can, by next Spring, perhaps, put four or five million men at work in the building trades.

Meantime, according to official figures, the number of individuals "on relief" is steadily increasing. It jumped in one year, from August, 1933 to August 1934, from 15 millions to 18 millions. Due to the drought and other causes, the increase since last April has been above a million more who are dependent upon public or charitable funds for their subsistence.

One result of the huge disbursements for relief has, of course, been to stimulate retail trade in consumer goods; but no great appreciation in the volume of purchase of automobiles, electric refrigerators and such items can be expected to result from this source.

Congress and Relief

What the Administration is most afraid of is that the new Congress will develop some scheme to bring the sums allotted for relief up to what would amount to a normal wage-scale, thus making it more difficult for private capital to embark with confidence upon new enterprises or extensions of old ones. And the great puzzle here is trying to find out ways in which the investment of private capital may be stimulated.

The hardest-worked man in the Administration just now is Chester Davis, administrator of the AAA. Besides trying to do work that would be a burden upon half a dozen ordinary men, he has an internal fight on his hands all the time, between the theoretical and the practical men on his staff. Beyond any question, the hardest job the Federal Administration ever tackled is the task of raising the farmers' income without putting an unbearable burden upon the consumer of the farmers' products. Whether, indeed, any plan which Government can administer will have that effect is beginning to be doubted by some of the men who were foremost in their advocacy of some of the important agricultural relief measures.

So it all simmers back to the purchasing power of consumers, and that comes back to how to get the unemployed back to work and off the relief rolls. In view of the failure to accomplish that so far, everybody here looks for the next Congress to propose more new and radical schemes than have been advanced yet.

S. O. S.

SAVE OUR SCHOOLS SCRATCH SECTION THREE

The following was an editorial in the Amarillo News, Sunday, October 14, 1934.

In the hysteria for tax reduction, when in 1932 and 1933 home owners and land owners rose in revolt, the legislature instead of shifting the burden to natural resources or monopolies, rushed to submit to the voters a proposal of a constitutional amendment arbitrarily limiting taxes to be collected to \$11.25 per year.

That amendment will be voted on November 6, and citizens are just now finding its promise misleading and its effect injurious instead of beneficial.

Study of this proposal has convinced many citizens that it should be defeated, for these and other reasons:

Its benefits would go to the large taxpayers and not to the everyday taxpayer.

It would protect monopolies that collect huge profits, and those who exploit natural resources rather than the home owner, who already has been given state tax exemption.

It would jumble state finances to a point where ad valorem tax could not be cut, when fixed far in advance, and limit would come on other forms of taxes.

It would withhold much school aid to the public school system; and thus force back the burden upon added local taxation which could be applied to land and homes and real property only, and there the homestead exemp-

HOLT H. D. CLUB HAS COFFEE CAKE DEMON.

Miss Lucile Chance, Hutchinson County Home Demonstration Agent, demonstrated coffee cake, cinnamon rolls, Swedish tea ring, Dutch Apple cake at the meeting of the Holt Home Demonstration club Friday afternoon, at the home of Mrs. S. H. Graves. Miss Chance and Mrs. Graves gave talk on Pre Natal care. Miss Chance also talked on "Why register births?"

Annual reports were called for, to be turned to office Nov. 1.

Miss Chance served the cinnamon rolls, Swedish tea rings, coffee cake and Dutch apple cake to Miss Grace Mitts, visitor; Mesdames M. W. Laekey, P. H. Jameson, Bill Jones, Russell Baker, Mose Lamb, J. L. Edwards, Dan Burleson.

The next meeting will be November 9th at the home of Mrs. J. B. Patterson. Miss Chance will demonstrate fruit cake.

tion would not save the small man from the levy.

The state already is two years behind with eleemosynary housing and is suffering from it. This amendment would practically nullify all future efforts to provide requisite hospitals and ward buildings for the institutions.

BLODGETT NEWS

Mr. and Mrs. Ted Harbour of Clayton, New Mexico, visited relatives here the past week.

Sunday dinner guests in the T. J. Harbour home were Mr. and Mrs. Ted Harbour, Mr. and Mrs. Clyde Harbour and boys, Mr. and Mrs. Earl Hammond and family and Mrs. Harmond of Spearman.

Mrs. J. E. Kenney and son visited in the Blodgett home Tuesday.

Mr. and Mrs. A. D. Reed were visitors to Perryton Wednesday.

Mrs. W. Y. Williams and Mrs. Verna Kenney and children visited in the J. F. Sims home Sunday afternoon.

Mrs. Ralph Blodgett, Mrs. E. D. Church and Mrs. E. S. Uptergrove were visitors to Perryton Wednesday.

Mr. and Mrs. Frank Austin of Granite, Oklahoma, were visitors in the L. W. Austin home the past week.

Jimmie Evans, who has been visiting in the L. W. Austin home the past month returned to his home in Granite, Okla. Saturday.

Will Deck was a Perryton visitor Wednesday of last week.

Norman Riseley was a visitor to Canadian Saturday.

Mrs. J. B. Monroe is reported to be on the sick list, but is much improved at this writing.

Mrs. Clyde Harbour visited in Morse parents, Mr. and

BRAND NEW EYES!

Don't let improper light damage them

HAPPY little fellow! He probably has perfect eyesight today... as most babies do. Yet he has only a sixty per cent chance of avoiding eye trouble by college age, if his is an average case!

The new Science of Seeing has revealed startling facts about eyes and seeing. We know now that our eyes, accustomed for centuries to generous outdoor light, are almost universally deprived of enough light indoors. Is it any wonder that 95 per cent of all people over sixty have defective eyesight?

The kindly service of the eye specialist does much to allev-

iate eye trouble. But prevention is equally important... and adequate light for all reading or close work is one of the first essentials.

Here is an easy rule you can put into effect now. Make sure that every member of your family has his own reading lamp... equipped with at least one 100 watt lamp, two 60's, or three 40's... according to the number of sockets.

If you will telephone us, we will gladly send a representative to make further suggestions on how lighting in your home may be improved. There is no charge for this service.

MONEY

pretend to understand money. We don't know anybody else who knows very much about money. The only thing that is clear to us, and to the folks we know, is that money is something we haven't got enough of.

There were any real understanding of money that would seem to be among the big bankers and the Treasuries of the world. But when we read about the divergent views about money and its importance in the scheme of things, expressed by the various who, if the subject were fully understood, would be in complete agreement about it, we wonder where should be so much difference of opinion about things as gold, silver, paper currency, manna, the "commodity dollar" and all the other things of the subject on which it seems as if no two nations agree.

We read that the nations composing the "gold bloc" means those still on the gold standard, met in Brussels and decided to stay on gold. Today we read that Holland is very likely to go and join up with England under the sterling "currency" plan, although her representation with France, Belgium, Poland, Czechoslovakia and Italy in the gold bloc conference read about complaints from China that the silver-buying policy has injured their foreign trade. We hear of professors and economists who give new advice every few days to our Government on top of that, we hear not only of increasing the volume of money in circulation but a new scheme for "dated money" that would be spent within a given time or it wouldn't be

talking about such things, and recalling some "dated money" that was issued two or three years ago by communities in which the banks were closed which seemed to work pretty well, we wonder whether it makes much difference what we do. Our New England pioneers adopted the "wampum" currency, because they didn't have any other kind of money. In Virginia the early settlers used tobacco for money.

It looks to us that money is whatever people are willing to accept for what they have to sell, and as if the big problem now is to get everybody to use one kind of money good everywhere. Inside the United States, however, those pieces of green paper Uncle Sam issues are still good for their face when we can get them.

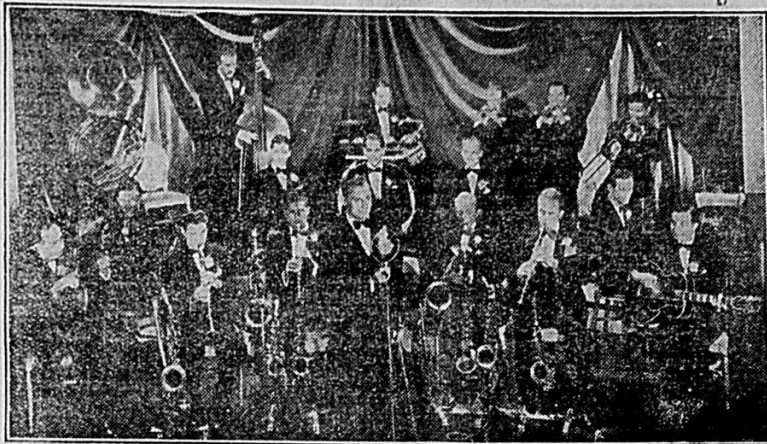

ONLY ONE KIND OF NEWS

At 10 o'clock every morning, Eastern Standard Time, and at 6:30 o'clock every evening, those who are interested in any one of 118 broadcasting stations will receive a five-minute review of the high-lights of the news. It comes to them without any advertising charge. It is furnished, free of cost, by the news-people of the United States, through the three great news organizations, the Associated Press, the United Press and the International News Service. And seven times a day "flash bulletins of important or sensational developments are broadcast in the same

news that you get from Press Radio Service. Dependable and reliable news. Why? Because newspaper news. There is no other source of news that can be relied upon except the newspapers. Many people have the foolish idea that newspapers do not give them all the news; that some mysterious forces operate to suppress news. It is often more interesting to listen to unfounded and sensational rumor than to read the plain facts; and a great many persons are credulous enough to believe rumor and give credence to facts.

Large advertisers have tried to hitch their advertising broadcasts to radio news. They cannot do so because they gather their own news. Newspaper news broadcast by Press Radio, is not for sale. Any

BEN BERNIE TO BE IN AMARILLO NOVEMBER 17

BEN BERNIE AND ALL THE LADS

AMARILLO, Tex.—Ben Bernie, the old Maestro and all the lads, will be in Amarillo in person on Saturday night, November 17, for a concert and dance engagement. Ben Bernie, whose cable address is "Yowsab," and who has the word copyrighted for use in radio programs, needs no introduction to radio, dance and stage fans. Not only is his orchestra one of the finest in the world, but Bernie is in a class by himself as a master of ceremonies. The Old Maestro, as he calls himself, appeared at the World's Fair in Chicago during its first year; has been a featured attraction on the radio for four years, and has one of the three highest-priced dance bands in America. He may be heard at 8 o'clock every Tuesday evening on the NBC chain.

Wilbur C. Hawk, who is bringing Bernie and his entertainers here, announces popular prices for the concert, which will begin at 8:15 o'clock. They are 35, 50 and 75 cents, \$1 and \$1.50. For the dance, which will follow at the Nat, \$2.50 per person will be charged.

Reservations may be made now by writing Miss Lois Black, care of the News-Globe in Amarillo.

- Blackstone**: Baird H. Markham, Director, American Petroleum Industries Committee

other kind of news is subject to suspicion; for the gathering, editing and distribution of news on a national scale is a task which calls for a great staff of highly-trained, alert, competent newspaper men.

Commenting on the news is another thing. Anyone is at liberty to express opinions on anything which is already public property. A few gentlemen are doing a very good job of news interpretation on the air. But when it comes to news itself, nothing that you may hear is to be relied upon unless it is definitely the only genuine sort of news there is—newspaper news.

Horseradish gives a desirable flavor to food but it often has the opposite effect in politics. It's easy to tell which party he belongs to. If he is a Republican he "views with alarm." If he's a Democrat he "points with pride."

LUCKY GIRL

Her mother felt that family physicians and child specialists, and the hospitals must be right. A simple test that proves they are.

If anyone in your family is occasionally sluggish or constipated; especially any child, you should know this medical truth:

You cannot get safe relief with any medicine if you cannot regulate the dose. And to regulate dosage, you should have a liquid laxative. With a liquid laxative, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition.

Why Doctors Use Liquid Laxatives

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of natural laxative elements like senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves, not make matters worse.

Dr. Caldwell's Syrup Pepsin is an approved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug-store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better than you have in a long time.

If you will risk sixty cents to discover the natural, comfortable action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

MRS. STRONG AND DAUGHTER, NANCY
 "Dr. Caldwell's Syrup Pepsin brought relief at once," says Mrs. A. G. Strong of 34-47 80th St., Jackson Heights, N.Y.

Ranger-Lynx Classic To Be Played Here Fri.

WIN CONFERENCE GAME FROM FOLLETT

CONFERENCE RIVALRY ARE READY FOR ACTION

The Lynx will be turned toward next Friday, November 9, when the gridiron feud between Spearman and Perryton resumed on the local football field beginning at 3 p. m. The Rangers are the only obstacle that stand between the Lynx and the championship of the plains section. The Rangers have each a conference game from

has scouted every Lynx have played this and doubtless believe the are about even. All in the vicinity are solidly behind the Lynx and there will be no possibility of hostilities unless the very last second of play. The outcome of the game is being watched throughout the country very keenly. The fact that the Lynx are the Rangers from the district 1. Should they win the game Friday night will be a triumph of this Canadian province. When they must battle the Rangers of the section south of the border. It would be foolish to even think of the Lynx as being the victors of this game. The Lynx are training hard and will be in fine shape for Friday.

is coming to Spearman a body Friday to root for the Lynx, but the Lynx will win without support on the field.

SEED ELECTED BASKETBALL CAPTAIN

The seed was elected as captain of the girls' basketball team for the coming year, at an election held in the gym at 3:15 p. m. on November 6. The girls received their baskets during the week, which is good. The girls' coach, has loaned a set of the same, and the girls are getting the practice every afternoon. Progress is being made. The girls are looking forward to having a winning team this year, and the season will probably open with a game with the Perryton Rangers on Tuesday, November 12.

SENIOR NOTES

Miss Caldwell is able to return to school this week after a long absence.

A group of enthusiastic students saw the Lynx win the conference game of the season on November 2. While team spirit is high, the Lynx are in line for a winning team Friday, November 9.

Robert Miller was absent two days last week. For particulars see his.

For the reading Shakespeare's Macbeth in English now.

First order for Senior rings is being sent this week. Our partners are expected this week also.

The following seniors are on the honor roll for this last six weeks: Elsie Reed, Omar Cotter, Sylvia Harwood, Lady Maurine Jacobs, Elmon Jacobs, Gertrude Jackson, Mary Brandt, Helen Brown, Alvin Caldwell, John Crook, Wilbur Davis, Robert Douglas, Woodrow Gibner, Oran Ross Kelly, Elsie Mackie, Carrie K. Smith, and the Twins.

PEP SQUAD SLOGAN IS "BEAT PERRYTON NOV. 9"

The pep squad attended the football game Friday in spite of all the wind and sand, and showed by their willing spirit that they were backing the Lynx to the limit. They are proud of the team for defeating Follett, thus permitting them to say with Shakespeare's Macbeth, "So foul and fair a day I have not seen."

Their slogan now is, "Beat Perryton, November 9."

The pep squad will continue to support the Lynx and intend to be at their best when the Lynx and Rangers clash for sectional honors.

They are behind you 100 per cent, Lynx, so show them what you can do!

HONOR ROLL FOR FIRST SIX WEEKS

We are proud to report eleven pupils making an "A" average for the first six weeks period. They are: Seniors—Lady Maurine Archer, Omar Cotter, Sylvia Harwood, Elmon Jacobs, Elsie Reed, Junior—Alma Johnson; Sophomores—Edward Larson; Freshmen—Dixie Ruth Buchner, Alice Hazelwood, Ruby Ruth Kelly, Elsie Ruth Potter.

INTERSCHOLASTIC LEAGUE WORK TO BEGIN SOON

The Interscholastic League of this county offers the schools this year a wide variety of contests, according to Mr. A. H. Word, recently elected Director General of the organization for the current school year.

"No other extra-curricular activity," he said, "engages the interest and stimulates endeavor along helpful lines more than the contests which are scheduled for the county meets. Here we have an activity for practically every child. There is opportunity for participation in fifteen different fields both athletic and literary, ranging from the third grade on up to the last year in high school.

"We are advised from the State Office that the Constitution and Rules is ready for distribution and that applications for membership are coming in from schools in all parts of the state. The schools in this county should get in on the ground floor and begin preparation early. Each school that joins is given a copy of the Constitution and Rules, a copy of the current spelling list and is entered for a year's subscription to the Interscholastic Leaguer. Last year nearly six thousand schools joined the League and participated in its work in 220 different counties, including rural, ward, and both small and large high schools, and all-round championships are decided in each of the divisions at the county meet."

ADVICE TO SENIORS

Always put off at night what you are going to put on in the morning. When you are undecided as to the lesser of two evils always choose the better looking. Change your mind often. It might work better.

Don't ask for justice on an exam grade, it is mercy you need. To keep warm at night reach for a blanket instead of a sheet. The best way to keep your youth is not to introduce him to your best girl friend.

Even if your boy friend does tell you he has an athletic heart, don't think it jumps every time he sees you.

Don't take a tramp through the town. Take your sweetie.

The Lord made the girls beautiful so that the boys would love them. He also made them dumb so that they would love the boys.

Don't think you are going to

JUNIORS ENJOY FINE HALLOWEEN PARTY

Wednesday night, October 31, a group of juniors met at the school building, and went in a body to Mrs. Marion Glover's home.

We were admitted at the back door by Mrs. Glover's ghost sister. We then made a pledge written in our own blood. After kissing the hostess we were directed into a beautifully decorated basement room. Here each one had his fortune told and received very exciting answers.

Games were enjoyed for quite a long time then a prize was given to the girl wearing the most appropriate costume. Miss Elsie Harbison was awarded this prize. She was dressed as a clown and acted her part well.

Next Doris Kirk was horribly murdered and several minutes were spent in finding the murderer. Alma Johnson was found to be guilty after much questioning on the part of Detective Morris.

More games were then played until a late hour and then we were all ushered into the living room where dainty refreshments were served.

The refreshments were enjoyed by all and then we all went home wishing everyone good-night.

We wish to sincerely thank Mrs. Glover for our lovely party and good time she showed us.

Beat Perryton November 9.

SOPHOMORE NEWS

Hold those Rangers! That is what everyone will be yelling Friday when we play Perryton, and the sophomores are going to do their part. We witnessed a good game last Friday when the Lynx defeated Follett even though the dust was terrible. We are hoping for a pretty day next Friday.

The sophomores received their class pictures today, and they are really good pictures. If the boys had smiled the picture would have been perfect. We are sorry to lose Irvin Wilson from our class. He has moved to Perryton and started to school there.

die just because you broke your life-time fountain pen.

Don't think you have to be a medical student to read Carlyle's Essay on Burns.

Don't think the four seasons of the year are football, basketball, tennis and vacation.

FRESHMAN REPORT

The freshmen received their pictures this morning. The picture as a whole is pretty good.

We all survived Halloween and got in almost enough jams to last us till next year.

We are glad the Lynx won as much as they lost, and we are 100 per cent behind them this game.

The Home Ec. Girls are starting on their Home Projects this week.

FIFTH B NEWS

Our room mothers gave us some refreshments Wednesday afternoon and brought us a flower. Mrs. Longley sent us a flower also.

Frank Smith is ill. We hope he will be able to come back to school soon. Bennie Bowling was absent Friday. We are glad he is back this morning.

ENTERTAIN JUNIOR GIRLS

Mrs. Clyde Hazelwood delightfully entertained her class of Junior girls Tuesday afternoon, with a party at her home. Many amusing games were played and their delicious refreshments were served to: Crystal Lee Read, Mary Frances Crow, Marjorie Russell, Della Beth Uptergrove, Carolyn Wilbanks, Margie Gerber, Viola Jones and Miss Lillie Hazelwood, who directed the games.

Mrs. C. B. Reeves has returned to Spearman and is planning to spend the winter here.

SEVENTH GRADE NEWS

We are very glad our music game has come. We have played it one time and it is something like Bingo. We also have a game in Geography. In it we all draw numbers and answer the question with that number. We find it very interesting since the one who misses his or her number passes their number to the one who can answer it. The one who has the most numbers at the end get to ask the questions.

Dorelle Clark and Julia Kern gave us some very interesting reports in history.

We all write just as hard as we can in penmanship class so Mrs. McLain will read to us ten minutes each day. She is reading to us the book "Covered Wagon."

We enjoy this book very much.

L. M. Womble hit the ball so hard he broke the girl's bat.

THE LYNX WON A HARD FIGHT

The Lynx won a hard fought game from the Follett Panthers Friday, November 2, on the local gridiron.

The wind and dust blew so hard that it slowed the game up somewhat, but nevertheless, the fans witnessed a good game.

The Lynx penetrated the Panthers 10 yard line nine times, but scored only twice. The Panthers never reached the danger zone.

A. J. Curtis, fullback, made both touchdowns. The line and backfield did some mighty good blocking and tackling. The final score was 13-0.

The slogan for the Lynx now is "Beat Perryton November 9."

MERRITT'S

International Sunday School Lesson

By DR. J. E. NUNN

FOR NOVEMBER 11.

General Topic:—The Christian Citizen (Armistice Day)
Scripture Lesson: Galatians 5: 13-26.

For ye brethren, were called for freedom; only use not your freedom for an occasion of the flesh, but through love be servants one to another.

14. For the whole law is fulfilled in one word, even in this: Thou shalt love thy neighbor as thyself.

15. But if ye bite and devour one another, take heed that ye be not consumed one of another.

16. But I say, Walk by the Spirit, and ye shall not fulfil the lust of the flesh.

17. For the flesh lusteth against the Spirit, and the Spirit against the flesh; for these are contrary the one to the other: that ye may not do the things that ye would.

18. But if ye are led by the Spirit, ye are not under the law.

19. Now the works of the flesh are manifest, which are these: fornication, uncleanness, lasciviousness,

20. Idolatry, sorcery, enmities, strife, jealousies, wraths, factions, divisions, parties,

21. Envyings, drunkenness, revellings, and such like, of which I forewarn you, even as I have forewarned you, that they who practise such things shall not inherit the kingdom of God.

22. But the fruit of the Spirit is love, joy, peace, longsuffering, gentleness, goodness, faithfulness,

23. Meekness, self-control; against such there is no law.

24. And they that are of Christ Jesus have crucified the flesh with the passions and the lusts thereof.

25. If we live by the Spirit, the Spirit let us also walk.

26. Let us not become vain-glorious, provoking one another, envying one another.

Hidden Text:—All they that take a sword shall perish with the sword.—Matt. 26:52.

Introduction

"Can we not make Armistice Day not only a day of remembrance for the great hosts of departed in all countries, but also a day of consecration of ourselves to the cause of peace? Can we not take a solemn vow that, with God's help, we will devote the rest of our lives to furthering the cause of world peace? How better did we remember the deeds of

ward and downward."—Rev. R. T. Cross.

"The nine graces are one 'fruit.' Surely it is a most comfortable lesson—the Holy Spirit always clusters his work. One Christian virtue necessarily raises up another, there is no such thing as sanctification in a single point. As one berry in a bunch of grapes cannot ripen but that the others ripen too, so it is with the Christian. Cultivate one good trait and you will be surprised to find how many more seem to grow up, you scarcely know how, at its side."—Rev. James Vaughan.

"The Works of the Flesh" v. 19

"Now the works of the flesh are manifest." By "the flesh" Paul meant man's carnal appetites the desires of his lower nature, all shameful and dishonorable acts. These works of the flesh were indeed "manifest" when Paul wrote. "Perhaps at no time was the civilized world so depraved and godless as in the first century of the Christian era, when Tiberius, Caligula, Nero, Domitian, wore the imperial purple and posed as masters of the earth. Vice appeared in its most revolting and abandoned forms. Wickedness was rampant and triumphant. The age of early Roman Empire has left a foul mark in human history and literature. Let Tacitus and Juvenal speak for it."—Prof. G. G. Findlay.

The Fruit of the Spirit, vs. 22-26

"But the fruit of the Spirit" v. 22. Note that Paul writes of the works of the flesh, in the plural, but the fruit of the Spirit, in the singular. Evil is divisive, producing many varying results, each differently horrible; but good is unified springing from the central Source of all blessedness, and its results are of one nature, bound together by beautiful likenesses and kindred qualities. "Is love." "What follows are only eight different names for love, eight surfaces from which love is reflected, or eight windows from which it shines out of the soul, sending its bright rays upward and out-

Assembly of God

Last Thursday Rev. K. D. Baker arrived in Spearman, after accepting the pastorate of the Assembly of God Church here. He formerly worked with the church at Clovis, New Mexico, his home being in Nebraska. The church is interested in everyone and will give all a cordial welcome to the services. The week night services will convene on Tuesday and Friday evenings at 7:30. Sunday school at 10 o'clock and preaching at 11. There will be a lively evangelistic service every Sunday evening, and remember you all have a special invitation.

INTERMEDIATE LEAGUE

The Intermediates met Sunday evening, November 4, 1934 at 6 o'clock. We had a very interesting program. We discussed John Wesley, and learned much from this very interesting discussion.

The number of our members has increased surprisingly. But we need more members. We must have more. League is a lot more interesting then. You think it is? We have given two parties already and are going to give another very soon. I assure you that you

will gain something by a "Big, little, old or young." We invite you all to come. It is not difficult for a man to earn a good living has a rich dad.—New Yorker.

Ab Jenkins Smashes World's Tractor Speed Record

Low Pressure Pneumatic Farm Implement Tires

Ab Jenkins, the record-smashing daredevil race driver, on September 20 under official A.A.A. supervision, set a new world's speed record for tractors by driving an Allis-Chalmers tractor equipped with Firestone Low Pressure Tractor tires at the amazing speed of 65.45 miles per hour. This unusual demonstration of the "non-skid" of the tires was made in competition with Ohio state Tractor Farm Day with Ohio state Tractor Farm Day sponsored by the State of Ohio and held at Harvey S. Firestone's "Old Homestead," a farm of 640 acres at Columbiana, Ohio, on Thursday, September 20.

The many advantages of rubber-tired equipment were demonstrated in digging potatoes in the 62-acre irrigated potato patch, which is one of the largest in Ohio. It is estimated that the crop will yield 20,000 bushels.

During the day demonstrations were given on all types of farm implements equipped with pressure rubber tires. In fact, all sections of the country are benefited by the greater efficiency and economy in farm operation due to the Firestone development of these new tires for agricultural implements. Left to right: Jenkins, Harvey S. Firestone, Chairman of the Firestone Tractor Company and J. W. The President.

each	As Low as 50c each

Where a slip means death!

MOST AMAZING PROOF EVER KNOWN OF EXTRA TRACTION AND NON-SKID SAFETY

UP... UP... UP... to 14,000 feet above sea-level! Skidding yawning chasms, tearing around 181 treacherous turns at breath-taking speeds, daredevil drivers fight their way up, grinding, pounding, screeching! In the annual Pike's Peak Race, where a slip means death, Firestone High Speed Tires were on the winning car. Surely this is the most amazing proof ever known of Extra Traction—Non-Skid Safety—and Dependability!

The new Firestone High Speed Tires for 1934 have the toughest, longest wearing tread Firestone has ever made. They have a wider tread of better contour, deeper sipes, more and tougher rubber, giving you more than 50% longer non-skid mileage.

Every corner they build around is rounded and coated with Extra Rubber — eight additional pounds absorbed by every 100 pounds of cotton seeds. This is Cushioning, the Firestone patented process that provides extra Mileage Protection.

50% LONGER NON-SKID MILEAGE

- Superior Performance Records
 - No Life Against All Defects
 - No 12 Months Against All Road Hazards
