## ALL PEOPLE ON RELIEF LISTS TO GET EMPLOYMENT

### DON'T NAME IT

HONEST BILL

Well LYNN, guess you have hung up your suits for this year. Better luck next year.

While we are here all-together, let me mention the fact that you boys have received a great many compliments on your sportsmanship, not only from your home folks but from Follett, Perryton and the Hotel owner. The Hotel owner said he had rather have suit out in his hotel than that had ever played Lyton citizens compli-ou very highly. To tell you the truth some of them talk like they expected you to start a scrap if you couldn't win in football—and they were very agreeably impres-.

Fans and football boys, let all remember that Perryton treated us royally Saturday. There was not a single thing left undone to give us a hearty welcome—and a darn good whipping. You boys showed you could take defeat in the right spirit. Let's whip them just as hard next year, and treat them even better than they did us Saturday.

Boys! don't destroy your rabbits foot. I saw Alva Banks give his rabbit foot to a Perryton player in the game. Couldn't blame him, but did not bring him any luck—but heard John Collard say that the reason the rabbit foot didn't work their charm the Saturday game, was because Arnold Wilbanks and Bill Murray were killing the rabbits. The feet will have plenty of length for next year, and will work a double charm against Perryton. Keep em for the basketball season—we may need em to win our ruver.

Wish every grown person in Hansford County could have seen he delivered the principal address at the Perryton Armistice program. You fellows who a little impatient with the administration would have appreciated the fact that the Democratic party is doing everything possible to carry on the gigantic program, that will bring this country back to prosperous times.

Marvin said you could not get over typhoid fever in a day, and you could not recover from the ills of 13 years of Republican misrule in a few short months—but he was emphatic in the statement that the administration was keeping the deck clean of the rubbish left by the Republicans, and he asked the loyalty and support of the people who will be benefited by the many reconstruction measures being enacted by the administration.

He came into my office Friday afternoon and talked with me a long time. He was tempted to remain in Spearman long enough to attend the Lions Football banquet, but at the last minute he decided he would have to come rest and could not make a banquet. However, he promised Mr. Collard and me that he would return to Spearman at some future date and make us a public address. Let us have some suggestions as to when you would like to hear Mr. Jones make this address. I will guarantee that it will open your eyes, and it should be arranged for a time that it would be convenient for all the farmers of the county to attend.

Boys you farmers have the best friend in Marvin Jones that a collection of people have ever had in the United States. He gives all the praise to President Roosevelt and the relief work, but he is the gentleman who first sold President Roosevelt on the farmers' plan of the wheat allotment worked out the details. Give him a royal welcome when he comes over to visit us. don't forget to pat him on the back and tell him he is doing a job up brown.

You know I believe we are prone to raise Hell with our government officials, and take it granted when we get one like Marvin Jones. If he was making a failure, we shore would be telling him about it—now that he is bringing credit to this section of Texas, let's tell him we appreciate his work.

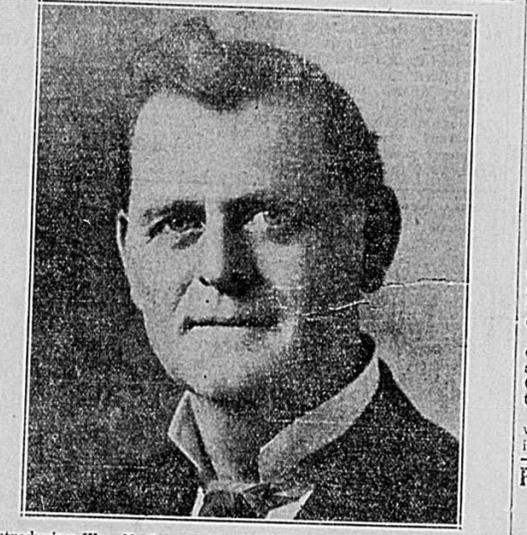

### Gruver Hunters Bag 5 Deer and Mountain Lion on Hunting Trip

Mr. Kiff White, Paul Higgs, Harley Alexander and Mickey Westerfield returned Thursday from a very successful deer hunt. They shot four fine deer and a large mountain lion. They captured one mountain lion and brought it back with them.

### Mrs. Gay Fletcher Is Badly Burned at Gruver

Mrs. Gay Fletcher escaped a very dangerous accident last Sunday morning. As she was lighting the gas heater her gown caught on fire burning her severely on the legs and back. Dr. Gibner was called from Spearman. She is getting along nicely.

Mr. and Mrs. Frank Wendt returned early this week from a visit to College Station, Texas.

Introducing Wm. N. Carter, Evangelist, who is conducting a Revival at the Church of Christ. Mr. Carter has baptized over 5,000 people and conducted over 1,800 funerals.

### LIONS AND CITIZENS BANQUET FOOTBALL PLAYERS FRIDAY

More than a half hundred football fans met with the Spearman Lions football players and their Coach, Elmer Gunn, and Assistant Coach, Mr. Morris, last Friday evening at the Legion Hall for a pep rally and banquet on the eve of the Perryton-Spearman football clash.

Hardly had the program started until an unearthly noise was heard in the cloak room of the Legion Hall, and Tailwister Bill Miller was sent in to investigate. After considerable fight, the tailwister dragged out a form resembling a human body, clothed in men's clothing, and minus a head and one boot. The Tailwister declared it was the jinx of the Lynx and that he had shot his head off with a trusty revolver borrowed from Sheriff Hicks Wilbanks. Undertaker Jess Womble assisted by Captain Bob Howard and Co-Captain Vernie Black made short work of planting the jinx and the program went forward.

Each football player, the two coaches, school officials and most of the fans made several talks, and in face of the final results of the football game, not a speaker present made a good prophecy of the game.

The Lion Club Quartette composed of Fred Hoskins, Pal Lyon, Frank Lyon and Bill McClellan sang an inspiring number, predicting that the Rangers would not have a chance to score and the Lynx would have a paved highway for scores.

Lion Pal Lyon made an excellent talk on sportsmanship, and inspired the boys to play the game fair, regardless of the outcome.

Mrs. A. H. Word gave a piano number which was greatly appreciated.

At the conclusion of the program, Tailwister Bill Miller presented each player and the two coaches, a rabbits foot, all done up in ribbon carrying out the club colors. It was alleged the rabbits feet, would work a charm during the game and the outcome would be different from what the outcome proved to be.

### Mr. and Mrs. Frank Wendt Adopt Son

Boss Lion, County Agent, Wheat Allotment Advisor, pinch hitter, Frank Wendt has assumed some more duties and obligations. However, in this last job, the popular County Agent did not undertake the rather joyous, if serious task without the aid and help of Mrs. Wendt. What I am trying to tell you is that Mr. and Mrs. Wendt have adopted Arthur Charles Wendt, a three months old baby boy, who returned with the couple from their last visit to College Station.

### Turkey Shoot Held On Monday Afternoon

Nearly all of the expert marksmen and many of the near-so-well shots attended the big community wide turkey shoot held in Spearman Monday afternoon at 2:30 p. m. A total of thirteen turkeys were won in the events. Some exceptionally good records were made during the day as the weather was fine for the event. Fred W. Brandt, veteran shotgun artist never missed a shot in the two events in which he participated, winning two turkeys. The other turkeys were won as follows: F. E. Mitts, 3; Wm A. Wilbanks, 3; Burl Brockus, 1; D. M. Jones, 1; Paul Wright, 1; Lloyd Allen, 1; and Bruce Sheets, 1.

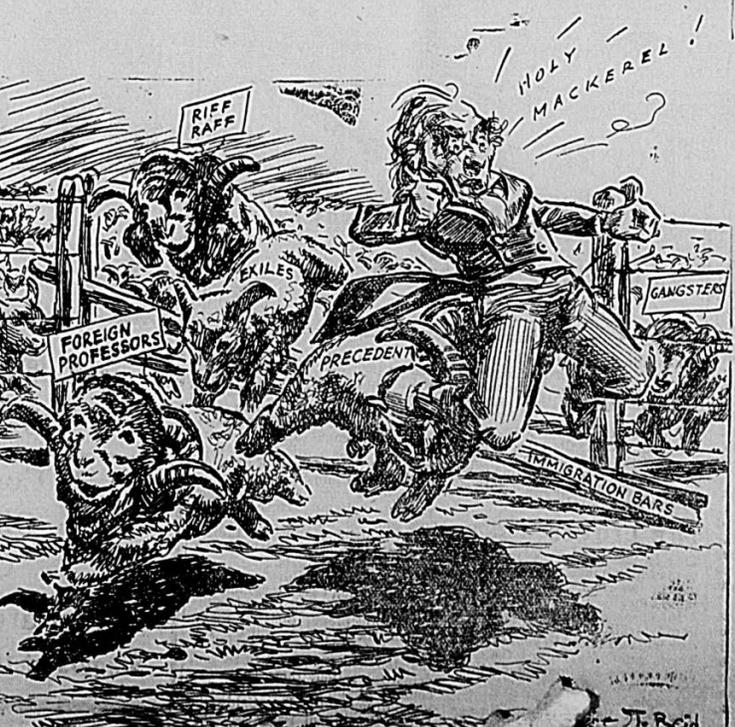

Definite plans for another turkey shoot in the future are not completed at this time but will be announced later.

Bob Thom and Clayton Pepper of Wichita, Kansas were week-end visitors in Spearman.

Judge J. H. Broadhurst returned Wednesday from a trip to Austin, Texas.

### TIME FOR ACTION

Chairman Jay Jones and County Agent Frank Wendt returned from Amarillo early this (Thursday) morning with definite instructions from the Plains Allotment Review Board that the Wheat Allotment acreage of Hansford County must be cut at least 15 per cent before the applications would be acceptable.

The Review Board was in possession of information that would lead them to believe that the acreage was in excess of amount mentioned above. This brings the farmers face to face with the fact that this reduction must be made before the applications are approved and checks are issued to cover the acreage.

One fact that is rather encouraging is that even with this reduction Hansford wheat growers will be given nearly a hundred thousand acres more than was originally allotted.

Another fact that must be faced is that the time is short for completing the records and forwarding to Washington, Hansford Wheat Growers MUST ACT NOW if we are to receive our checks which are so badly needed. Do not delay. Go to your local committee and have every acre possible from your application so that the county as a whole can get the badly needed checks.

One thing that should be of interest to the farmers is that the demanded reduction in acreage in Hansford is much smaller than in many other Plains sections. One county allotment committee was instructed to reduce their acreage forty per cent if they were to expect their applications to be accepted. This county is going to get a square deal. The chairman, Jay Jones, stated that he and Mr. Wendt were treated with the utmost consideration, and that the applications submitted were highly complimented, but that the board insisted that in justice to the nation and the state the acreage must be rechecked and squeezed dry of all excess water.

County Agent Wendt was of the opinion that the average for the county would not be far from the original allotment of 10 bushels per acre, provided the farmers would co-operate and reduce the acreage the needed fifteen per cent, so that the applications would be acceptable.

WHEAT GROWERS, get out your pencil and thinking cap—check over the acreage that has been recently placed in wheat and see if the amount comes under the requirements of the three year average. Check again for any error that you might have made, and ACT, so the Hansford applications can be accepted and this county get checks. Chairman Jay Jones was informed that in all probabilities checks will be forthcoming within one month from this date if quick action is completed on the needed reduction in acreage. GET BUSY—ACT.

### PREACHER RAISES A 'BELIEVE IT OR NOT'

Rev. A. F. Loftin of Spearman aside from raising the biggest turkeys in Hansford county has gained another distinction. He raised a radish that looked like a man's hand. When he had harvested the radish it was of such a peculiar form that he shipped it to Ripley or Not Ripley. The following letter was received in response to the gift:

Dear Friend:  
Thank you for your suggestion. It is being considered for use in my "Believe It Or Not" cartoons, and you may soon see it published in either the daily or Sunday papers.

I appreciate your interest. "Believe It Or Not" RIPLEY.

### November 24th., 1933 Parents' Visiting Day

Friday November 24th, 1933 is the day set aside by the P. T. A. as "Parents' Visiting Day" in the Spearman schools. Every parent should make an effort to visit the school during some part of that day. Those visiting at 12:15 p. m. will have the opportunity to visit the lunch room and partake of the nice hot soup at 5c and 2 and 1-2c a dish that the children purchase daily.

Mrs. John L. Hays went to Wichita, Kansas early this week where she will visit in the home of her daughter, Mrs. Linn Pack.

Mrs. J. B. Cook and son Donald are visiting in the home of Rev. and Mrs. J. H. Richards of Waco, Texas.

Fred W. Brandt will vie with Amarillo marksmen for honors and the Thanksgiving birds at a turkey shoot to be held in Amarillo next Sunday.

### REV. A. F. LOFTIN TO PREACH AT REVIVAL AT BAPTIST CHURCH

Our Revival is to begin Sunday November 19th. And here and now we most cordially and earnestly invite the whole of Spearman and surrounding country to join us in a soul winning campaign. Just here let us raise a question for your most serious consideration:

- #### What Kind of a Revival Needed?
1. We need a revival that will give men a new vision of the holiness of God and the heinousness of sin.
  2. We need a revival that will awaken conscience and give a new sense of responsibility to God.
  3. We need a revival that will proceed with a determination to root out evil thoughts, temptations, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness: all these evil things come from within, and defile the man. Mark 7:21-23.
  5. We need a revival that insists as God insists, "Ye must be Born again."—John 3:7.
  6. We need a revival that insists, as the Holy spirit tells us, "there is none other name under heaven given among men, whereby we must be saved." Acts 4:12.
  7. We need a revival that believes and preaches that the Gospel alone "is the power of God unto salvation to every one that believeth; to the Jew first, and also to the Greek. Rom. 1:16.
- How Can We Promote Such a Revival?

"If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear their sins and will forgive their iniquities and will heal their land." 2 Chron. 7:14.

We invite you to be with us in this soul winning campaign.

"Come Thou with us, and we will do the good." Services each night at 7:30.

The Pastor, Rev. A. F. Loftin will do the preaching.

### Armistice Day Program Held at School Building

What was considered one of the best Armistice Day programs ever held at the Spearman Schools was that conducted last Friday morning at the chapel hour.

Headlining the program was a talk from District Legion Commander Van Stewart of Perryton, and a series of songs by the Spearman High School Glee Club, of which there are 67 members. The talk on Armistice was well prepared and delivered by the visiting Perryton newspaper publisher, and gave inspiration to the student body. The large high school glee club made a wonderful impression in singing several of the old war-time popular songs. Although the club has only been organized a short while, the quality of their performance indicates they will make a wonderful record for the high school. They are under the direction of Mrs. A. H. Word, and have quite an impressive program mapped out for the future.

- The program was as follows:
1. "America," by first—Seventh Grades.
  2. Pep Squad Demonstration.
  3. Announcements by Superintendent Word.
  4. Reading—Carl Archer.
  5. Address, "Armistice" by Van Stewart, Publisher Ochiltree County Herald.
  6. Talk by Superintendent Irving of Perryton Schools.
  7. Reading, Nannie Grace Sheets.
  8. Songs, War Time High School Glee Club.
  9. Taps—E. K. Snider.

### ORDERS CALL FOR 30 HOURS PER WEEK AT N. R. A. WAGE

John L. Hays, Hansford County Relief Administrator received instructions from the Texas Relief Commission early this week which will practically eliminate the unemployment in this county.

As the order effective (today) November 16, specifies that all employable men registered on the relief rolls must be put to work allowed as much as 30 hours week with a wage scale in with the N. R. A.

Pay To Be In Cash Instead of issuing scrips orders for merchandise as has been the rule in the past the Relief Administration is to pay for cash. Mr. Hays stated today he had orders to develop such projects in this county to employ every unemployed person on present relief roll could be put to work November 16th.

In order to carry out the orders of the Texas Relief Commission the local association has sent five new projects for approval. Five have already been approved. At present approximately 200 men are at work on project No. 88 project "W" with about 24 teams of men. As far as the men some five ladies are given employment in helping with preparing the school lunches for children daily, at the school building. The local relief association also furnishes the milk used daily and has given quite a quantity of canned products to the ladies in preparation.

### LYNX END SEASON WITH DEFEAT

Completely exterminated the every football player with a rabbits foot to bring to the Spearman high school the football squad and approximately a thousand fans journey over to Perryton on Saturday face a crushing defeat from powerful Perryton Rams. final count resulting in a 10-0 victory.

Despite the defeat fan was dissatisfied with the game and the wonderful play up by the Spearman team. Since there was not two teams difference between competing teams.

For the first quarter game the contest was a duel, with Spearman small edge in distance. Later in the game loose with an end near being a touchdown, pushed across the goal fourth down.

Fumbles were costly, as bad breaks robbed the team of any advantages. Several penalties were given in the game.

One of the outstanding players of the Saturday game was the splendid sportsman, teams, and the most come accordered the spectators.

### Members of Methodist Church Pounded Pastor

Monday night the members of the Methodist church stormed the parsonage and pounded Rev. and Mrs. H. A. Nichols to the satisfaction of all concerned. C. D. Foote spoke in behalf of the church, words of appreciation, and Rev. and Mrs. Nichols responded. A happy hour was spent and both pastor and members expressed many words of appreciation of each other. Many valuable and useful things were left and the parson's pantry is filled to the brim.

### Farmers Realizing Profit From Maize

Many farmers in this county are realizing a neat profit from maize crops that are now being harvested. The local market on maize is approximately 65c per hundred, and some of the crops are netting as high as 20 bushels per acre.

Side from the maize crop is an abundance of cane and other feed in the

### International Sunday School Lesson

By DR. J. E. NUNN

#### General Topic: PAUL IN ATHENS

Scripture Lesson: Acts 17: 2-34

22. And Paul stood in the midst of the Areopagus, and said, Ye men of Athens, in all things I perceive that ye are very religious.

23. For as I passed along, and observed the objects of your worship, I found also an altar with this inscription, To an Unknown God. What therefore ye worship in ignorance, this I set forth unto you.

24. The God that made the world and all things therein, being Lord of heaven and earth, dwelleth not in temples made with hands:

25. Neither is he served by men's hands, as though he needed anything, being himself giveth to all life, and breath, and all things, made of one every dwelleth on all the earth, having determined the bounds of their habitations:

26. That they should seek God, if they might feel after Him, for He is not far from each of us:

27. For in Him we live, and move, and have our being; as certain of your own poets have said, We are also His offspring.

28. Being then the offspring of God, we ought not to think that the Godhead is like unto gold, or silver, or stone, invented by art and device of man.

29. The times of ignorance therefore God overlooked; but now He commandeth them that they should in every where repent:

30. Inasmuch as he hath appointed a day in which he will judge the world in righteousness by the man whom he hath ordained, who hath given assurance unto all men, in that he hath appointed a day, in which he will judge the world in righteousness by the man whom he hath ordained:

31. Now when they heard of the resurrection of the dead, some mocked; but others said, we will hear thee concerning this yet again.

32. Thus Paul went out from among them.

33. But certain men clave unto him, and believed: among whom was Dionysius the Areopagite, and a woman named Damaris, and others with them.

34. Text: In Him we live, and move, and have our being. Acts 17: 2-34

35. A. D. 51. Athens. The Areopagus. Introduction.

36. After their release from the prison at Philippi, Paul and his companion journeyed about an hundred miles to Thessalonica, then as now an important city (Salonica). The church here soon became a prominent one and to it he wrote two letters, 1 Thessalonians and 2 Thessalonians. The Jews again drove him to Berea, sixty miles southwest, where many believed (ver. 12). Paul and Luke went on to Athens.

37. The City of Athens. Athens is synonymous with art and beauty. And to enter of supreme intelligence and accomplishment Paul comes with the gospel of Jesus, the Son of God, and the love of God, which has been insensible to the nations and loveliness of Athens. But the statues, the temples and alters, everywhere met his sight, and he walked about the place, provoked Paul's spirit.

38. A temporary writer says that there were thirty thousand idols of Athens alone.

39. Epicurean and Stoic philosophies would have little sympathy with Paul's teaching. Both systems had sadly degenerated. Epicurus and Zeno had died, three and a half centuries earlier.

40. At the Marketplace vs. 17-18. As Socrates had done five hundred years before on the same spot, Paul began conversations every day in the marketplace with those that met him. The Agora was the public square, and recognized as an intellectual exchange, or "the lounge of the learned." Here "Socrates had taught, here was the Academy of Plato, the Lyceum of Aristotle, the Porch of Zeno, the Garden of Epicurus." We may well suppose that in his argument with all who paused to question him, Paul attacked idolatry, atheism and materialism. A new voice was thus raised, and it had the accent of authority.

41. There were two great rival philosophies of the day held by educated Athenians. "Stoicism" was the philosophy of the majority of serious minded people. Epicureanism that of the frivolous and irreligious. As these Pharisees and Sadducees of Athens, as Josephus called them, encountered the Apostle, we discover their relation to the gospel: "The two enemies it has ever had to encounter with are the two ruling principles of the Epicureans and Stoics—pleasure and pride." "In Epicureanism it was man's sensual nature which arrayed itself against the claims of the gospel. In Stoicism it was his self-righteousness and pride of intellect.

42. Paul on Mars Hill. As Paul stood in the Mars Hill he was "in the Athens city, and in the view of it. The temple of

men was immediately below him and the Patheon rising above him; and on his left the bronze cress of Minerva, the champion of Athens, and the temple of Victory to the right; behind him was the temple of Theseus; and a countless multitude of smaller temples and alters below him."

43. We are reminded of Moses on Sinai where he received the tables of stone, and of Elijah on Mount Carmel when his altar was consumed with heavenly fire, and of Jesus on the horns of Hattin when he delivered the Sermon on the Mount.

44. Repentance A Universal Obligation. "He commandeth men that they should all everywhere repent. Repentance runs all through the Bible as an essential of God's favor and forgiveness. Repentance is turning from our sins to God, and he cannot receive us while we cling to our sins. "It is repentance or perishing. As the old saying is, 'If you have got to turn or burn.' It is repentance of your sins or it is eternal hell. You cannot come into God's kingdom loving your sins and holding on to them. Jesus lays down the law that it is repentance or eternal punishment." Pres. L. R. Scarborough.

45. A Day Of Judgement. "He hath appointed a day in which he will judge the world in righteousness." Sin is not to be allowed to continue forever. It will in time come short up against judgement and punishment. The sinner goes complacently along. He has lived wickedly for many years and nothing has happened to him, so he thinks that nothing will happen to him. His life is like the long stretch of the river, smooth and placid, before it comes to the precipice and the fall.

46. Doctrine of Accountability. (1) Why? "Inasmuch" as God is sovereign and man subject and the way of salvation is open, men are responsible. They are responsible to God. Greek as well as Jew must repent in order to be ready for judgement.

(2) When? "He hath appointed a day." That day is set already. It is fixed in the councils of God himself and his alone. No one else knows just when it will be.

(3) Who? "He will judge the world in righteousness." Some decisions of the Athenian council must have been faulty and wrong, but righteousness will be the rule on the world's last day. Nor will any in all the world through all the ages be excused from appearance before the bar of God.

(4) By Whom? "By the man who he hath ordained." The doctrine of accountability finds its supreme test in Jesus Christ the Son of God and Savior of the world. If saved by him, men will be saved forever. But if he declares, "I never knew you," nothing remains but the everlasting prison.

47. A Masterpiece of Oratory. From the standpoint of oratory, the address delivered by Paul was a masterpiece of real eloquence on the greatest of themes" (Robinson), an address that in courtesy, adroitness, philosophy, logic, polish and power is one of the masterpieces of oratory." Snowden. The address was also a masterpiece in its message.

48. It was really "a commendation of the gospel to the hungry heart of heathendom."

49. Paul's address before the council of Areopagus is "a speech which for grace, dignity, thought, and quotability, passes anything of equal length in letters. Of course Luke gives us but the introduction and general line of thought, but he does it so well that we need no more." Prof. C. F. Sitterly.

50. Chevrolet Sales Increase 175 Per Cent in October. Retail sales reported by retail dealers for Chevrolet for the first ten months of the year exceeded all estimates and projections made by executives of the company, W. E. Holler, general sales manager, announced today.

51. Sales for the month just ended reached 50,988 new cars and trucks, by far the best October since 1929. The figures compare with 58,000 in September and 17,547 in October last year, Mr. Holler stated. This October was 175 per cent better than last.

52. Ten months sales this year dealers reported as totaling 558,816 new cars and trucks, compared with 354,517 in the comparable period last year, a gain of 55.4 per cent, Mr. Holler, announced.

53. "At this time last year," Mr. Holler stated, "we got a quota of 450,000 new cars and trucks for 1932. We felt at that time that the quota if anything, was on the liberal side, because we sold only about 378,000 units in 1932."

54. "But our 1932 quota was met in mid-summer, and on August 1, we moved it to 508,000 cars and trucks. This figure was so far exceeded by the end of October that we stand an excellent chance of selling close to 600,000 units before the end of 1933."

55. "October sales showed surprising strength in all parts of the country, and went considerably ahead of our projection for the month. Field stocks of new cars are now at a low point, and used stocks were also reduced in October."

Lloyd Prutsman spent several days last week in Spearman. Several from this community spent a very enjoyable day in Spearman Sunday at the First Christian church. The program which was rendered, was not only very interesting but educational as well.

### Torison Lysne

Born December 1, 1848, and was baptized by Rev. Vigness in 1848, in Bergen, Lardalsoren, Norway. In due time he was also confirmed.

His parents were Knute Torison Lysne, and Uni Agrinson, both of Borlaug, Norway. One brother and sister died in infancy. Another brother, Agrem Knutson, and a sister, Breta Knutson, died in Norway. He was the last survivor of the family. Toris Knutson emigrated to the United States when he was twenty-five years old, and came to Lisbon, Wisconsin in 1873, where he stayed one year. In 1874 he came to Decorah, Iowa, where he stayed two years. Then in 1876 he came to Winnebago county, Lake Mills, Iowa. There he bought a farm.

He was married to Karen Jensen Holstad, by Rev. J. M. Dahl, Lake Mills, Iowa, May 16, 1879. To Mr. and Mrs. Toris Knutson eight children were born, six boys and two girls. But one son, named Carl Johan, died when he was three and one-half years old, and another, also named Carl Johan, died in 1912, in Jerauld county, South Dakota, at the age of 23 years.

The family moved to Buffalo county, South Dakota in 1885, where they lived nine years on their farm. Then again the family moved from Buffalo county in 1893, lived four years in Hand County, Miller, South Dakota. They moved to Jerauld county, Westington Springs, South Dakota in 1897 where they lived for seventeen years. On the 9th of April, 1914 the Knutson's moved

Thousands have Ended their Bowel Worries by taking this advice!

Can constipation actually be overcome? "Yes!" say medical men. "Yes!" say the many thousands who have followed their advice and know.

You are not likely to cure your constipation with salts, pills, tablets, or any of the habit-forming cathartics. But you can correct this condition by gentle regulation with a suitable liquid laxative.

#### THE LIQUID TEST:

This is the way many men and women have made their bowels as regular as clockwork in a very short time.

First: select a properly prepared liquid laxative. Second: take the dose you find suited to your system. Third: gradually reduce the dose until bowels are moving of their own accord.

Simple! and it works! The right liquid laxative brings thorough bowels about

using force. An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on the time, or after, as in the case of mineral drugs.

Hospitals and doctors have always used liquid laxatives. The dose can be measured, and the action controlled. Pills and tablets containing drugs of violent action are hard on the bowels.

If there are children in your household, don't give them any form of laxative, but use a healthful, helpful preparation like syrup pepsin. Its very taste will tell you it is wholesome, and agreeable to the stomach. Delightful taste, and delightful action, there is no discomfort at the time, or after. Ask your druggist for Dr. Caldwell's Syrup Pepsin, all ready to take.

## Mr. Word Attends Meeting

On Wednesday, November 1st, Mr. Word was called to Amarillo to meet with other members of the Interscholastic League Executive Committee of District One Class B schools. The meeting was held by Supt. R. E. Vaughn of Panhandle, Executive Chairman, for the purpose of settling a dispute over eligibility of certain players from each school. A lengthy discussion of the matter presented by the representatives of the Committee resulted in that two players from Dumas and two players from Stratford were ineligible for participation in the Interscholastic League Contests. This decision resulted in the future of a football game by Stratford and Dalhart that was to be played this week; and the game between the protesting schools was called "no contest."

Later evidence produced by Dumas satisfied the Committee that eligibility records were in error, and this information caused causing them to rescind their first ruling and declare the Dumas players eligible to participate in League Contests. This decision automatically forced Stratford to forfeit to Dumas which makes the Dumas team winner in the sectional race. The Perryton Rangers will play the Dumas team on Friday afternoon at a bi-sectional honors.

## School Lunch Room

Armen school children and girls are again enjoying the privilege of being served a hot lunch in the school lunchroom. The lunches are served five cents each and consist of nourishing soup, crackers and dessert. They are made possible year through the cooperation of a committee from the local P. A., the Relief committee, and the high school Home Economics department.

The food is prepared and served under the management of Mrs. Roy Martin and Mrs. Mae Jones, and is under the supervision of the teachers of Home Economics. Miss Flora Hoskins acts as cashier and bookkeeper, and each person assists in the preparation and service of the food has filed a certificate of health signed by a reliable physician.

We are endeavoring to serve as palatable and nourishing a lunch each day as possible for the price. A lunch contains at least one hot dish has many advantages over the usual cold lunch brought from home, and it is hoped that as many of our pupils as possible will take advantage of the opportunity to provide themselves with this lunch. The lunch room has been in operation for five days, and an average of ninety-one lunches per day have been served.

## STUDENT BODY ENJOY

The student body of the Spearman schools assembled in the auditorium Friday morning and enjoyed a very interesting program in keeping with Armistice Day. Mr. Van Stewart of Perryton, who is District Commander of the Eighteenth District of American Legion, gave a talk on the meaning of Armistice. The Choral Club sang several songs and Carl Archer and Nannie Grace Sheets gave readings. Mr. W. A. Irvin, Superintendent of the Perryton schools, came with Mr. Stewart, and he made a short talk welcoming the Spearman students to Perryton for the football game Saturday.

## Sophomore Report

Most of the Sophomores saw the football game between the Rangers and the Lynx. As that was the last football game of the season, the boys and the girls are now looking forward to basketball season. Many of the Sophomores are planning to go out for practice. We are glad the three weeks tests are over. We think we made better on them than we did on our last tests. We were glad to have Lois Blackburn join our class.

## Fifth A Grade

We surely enjoyed the Armistice program Friday morning. We hope Mr. Irvin and Mr. Van Stewart will come back and talk to us again. We are sorry to have lost the game at Perryton but hope to regain our ground next year.

## Seniors

We were proud of our boys Saturday, even though they did get beat, but we are especially proud of the four Senior boys, Bob Howard, Tom Walker, Fred Holt, and Vernie Black, who played their last game for dear old Spearman High School. Mrs. Word has selected a Senior girls' quartet for this year. The members are Allen Gill, Evelyn Matthews, Jean Lyon, and Wren Luffin.

Girls' basketball practice started Monday. A number of the Senior girls reported.

## Junior News

We are sorry the boys lost the football game to Perryton Saturday, but we will expect them to make up for it in basketball. We have been informed that the girls will begin their practice this afternoon, and we are certainly happy over it.

The Juniors have decided not to buy pins this year, though many would like to have them. We are sorry Miss Deakin has been absent for so long, and will be glad when she returns.

We are working hard in order to have a great many Juniors on the honor roll this six weeks, and also in order to be eligible for basketball.

## Freshman Report

The Freshmen girls are quite enthusiastic over the prospects of basketball practice starting today.

We surely hope that Hershel Ooley has good luck. We decided that that is what he expects from that rabbit foot he is carrying around.

Saturday at Perryton the Freshman classes were well represented in the football scrub squad and in the Pep squad.

## Fifth B Report

Ernest Rosenbaum spent Sunday with Sam Van Cleave. Newton Traylor went to see Pierce Ogden Sunday.

Joe Harner had quite a few friends to visit him Sunday. June Reed and Juanita Hutchinson took dinner with Veda Hutchinson Sunday.

Virginia White saw the football game between Pampa and Amarillo. She says the game was well worth the trip, if one likes football. She spent the weekend with her grandmother, Mrs. John Whit of Pampa.

Dickie Day saw a show in Borger Sunday. Sophie Birdwell has moved to a new home. She says she is well pleased with the new place.

Quite a few motored to Perryton to see the annual battle between the Lynx and the Rangers. Mrs. G. C. Wilbanks visited our room last week.

## Sixth Grade

We are very sorry that Spearman did not win in the football game Saturday and hope they have better luck next time.

We are all looking forward to Thanksgiving. We are also very glad to welcome Charles Patten Archer back to school. He has been ill for some time.

We are planning a play in Health and hope it will be as good as we are trying to make it. All are studying hard in History as they hope for better grades.

## SEVENTH NEWS

We are very glad to have some pretty weather now for a while. We are very sorry we lost the ball game, especially to Perryton, but we expect to do better next time.

Everyone enjoyed the Chapel program. We enjoyed the talks made by the Perryton men. We were proud of our pupil, Carl Archer, who took part in the program.

The seventh grade is surely glad Mrs. Archer, their room mother, is able to come home again.

## What Would Happen If:

"Shine" forgot to imitate a firewhistle in study hall? R. B. should forget to be waiting for Gertrude at noon? Evelyn and Tim forgot to chew gum in English IV?

Adalyn would talk about someone other than Gene? Vera Beth would quit trying to make Billie jealous of Bob? Vernie B. and Flodell could not talk to each other in law class.

W. C. should ever pay attention in Spanish Class? Olen should bring Jean to school on time at noon? Sybil should stay in Spearman over the week-end?

Lorraine and Helen could have gone to Perryton Saturday in a tan Ford? BY A DIGNIFIED SENIOR

## P. T. A. Meeting

Tuesday at 3:30 p. m.

Over seventeen mothers were present at the first meeting of the Parent Education Study Group on Tuesday afternoon of this week. The lesson on "Character Training in Work and Play", was led by Mrs. Fred Hoskins. Mrs. Paul Roach was made chairman and Mrs. H. E. Campfield was elected secretary of the Study Group.

Every mother is extended a cordial invitation and urged to attend the meetings every second Tuesday at 2:30 p. m. in the high school auditorium.

E. Dowling McMurry returned from a several months stay in Chicago. He plans to work in Borger.

## GRUVER

Mr. and Mrs. Tom Dozier and daughter Ola Florence and Mr. and Mrs. Si Dozier were dinner guests in the home of J. A. Dozier Sunday. The occasion being Mr. Dozier's 70th birthday anniversary.

Mr. and Mrs. Tom Dozier and daughter spent the week end in Amarillo last week. Mr. Edward Huff was operated on for appendicitis at the North West hospital at Amarillo last week. He is getting along fine.

Mr. and Mrs. Willard Shapley attended the funeral of Albert Jones at Guymon, Friday. From Guymon they drove to Goodwell to visit over the week end with her mother there.

Mr. Rex Miller left last Thursday for Andrews County where he has work.

Mr. Stencil Greenwood, former Gruber High School student was operated on for appendicitis Oct. 31st at Carlsbad, New Mexico. His friends will be glad to learn he is getting along fine.

Miss Louise McRee visited last week end with home folks here. Mr. and Mrs. Homer Ormand and family of Panhandle, former residents here visited with relatives and friends last week end.

Mr. and Mrs. Harmon Howe of Stratford visited Sunday in the Bill Lowe home.

Mr. and Mrs. Guy Cooper and Oklahoma Monday to consult Dr. Newman about their daughter Faerie's finger which she mashed several weeks ago. While there Fern and Faerie were both given the diphtheria antitoxin.

Rev. and Mrs. Forbes returned from the Baptist State Convention at Ft. Worth Saturday.

Mr. and Mrs. Kelly Garrett, J. C. Harris, Ted McClellan, Miss Charlene Sullins, and Mr. and Mrs. J. A. Murrell attended the district quarterly conference at Clarendon Sunday.

Mr. and Mrs. Dan Shrader and son Don spent the week end with her parents at Texhoma.

Mr. and Mrs. Loyd Bender and sons of Tuscon Arizona visited several days last week in the home of Mr. and Mrs. Ben Harris. Mrs. Bender is an old school friend of Mrs. Harris.

Mr. and Mrs. Eugene Barnes. Mrs. Guy Gruber, Fred Cooper and Pete Cluck and Little Miss Fern Cooper were among those from Gruber who attended the Armistice celebration at Perryton.

Mr. and Mrs. Arnold Ferguson and family called at the M. F. Barkley home last Wednesday.

Mr. J. H. Harris became dangerously ill Sunday afternoon, but is slowly improving.

The Glee Club of Gruber practices over Monday and Thursday in the Home Ec. room, at 3:15 p. m. All high school girls who sing are urged to be present in the latter meetings. We have been practicing Christmas songs. New books have been ordered and we hope to receive them soon. There are approximately thirty members in our club and we are striving to make it a success.

The Third and Fourth grades gave the chapel program this week in the form of a doll dance. The dolls that were present were: French dolls, baby dolls, old fashioned dolls, chinese dolls, japanese dolls, indian dolls, eskimo dolls, raggedy ann, wooden soldiers, micky and minnie mouse.

The first and second grades will give the chapel program Wednesday the 15th. Everyone is urged to be there. It is a program by a bunch of real actors.

Mr. E. C. Barnes transacted business in Stinnett last Thursday. Mr. and Mrs. Arnold Ferguson and family were callers in the Leo Morrison home last Thursday.

Mr. and Mrs. C. B. Volles of Hooker came down Friday and visited in the home of her parents, Mr. and Mrs. W. N. Fletcher. Mr. and Mrs. Fletcher returned home with them to spend the week but were called home Sunday morning on account of Mrs. Guy Fletcher being badly burned.

Mr. and Mrs. A. L. Thoreson attended the ball game Friday and spent the evening in the W. N. Fletcher home.

Mr. and Mrs. George Deitrich and daughter Elaine were callers in the Ben Harris home last Friday evening. The evening was pleasantly spent in playing "42".

Mrs. J. E. Harbough and son Fred of Hitchland are visiting her daughter Mrs. Gay Fletcher this week.

## Parent Education Study Group Held First Meeting Tues.

More than one hundred were present at the Parent-Teacher meeting held at the school auditorium Tuesday November 14th. Mrs. E. K. Snider, Mrs. Paul Roach and Mrs. P. A. Lyon discussed the subjects: "Books Are The Child's World" and "Radio In the Home and School." The ladies had well prepared and interesting discussions on both the subjects.

Special numbers by the First and Third grades were enjoyed, also a Thanksgiving reading by Betty Jean Morton, and a piano solo by Miss Vera Beth McClellan.

Good reports from all committees were given, especially so from the Child Welfare and Hot Lunch Committees.

The President, Mrs. Sid Clark called an executive meeting at the close of the program to plan some special projects for the Association.

"This is GAS AND OIL MONEY — BELIEVE IT OR NOT!"

Sally: "Really? Tell me about it, Helen." Helen: "Well, the car most of the time these days and actually I'm saving gas, Dick thought it a good plan to turn the car over entirely." Sally: "How does that give you?" Helen: "I have more time than Dick and have learned some surprising things about the cost of car operation. Dick thought gas and oil sold at approximately the same price were of value. When the motor broke down, he considered a piece of luck and paid the repair bill." Sally: "Isn't it?" Helen: "No, poor motor protection. More than half the entire motor cost during the few minutes of starting when it penetrates the metal so that a portion of it, near the top in your motor, greatly reducing the wear. So chief

DICK TURNED OVER THE CAR BUDGET TO ME - THEN I GOT GAS THAT MOST MIL - THE BEST BUY - AND FOUND THAT HIDDEN QUART OIL SAVED ON REPAIR BILLS - THE SAVINGS AND BETTER OPERATION OPENED UP EYES - AND GAVE ME MORE TO SPEND ON OTHER THINGS

repair bills that were paid before I changed to Conoco, we've saved a lot of money this last year." Sally: "What about gasoline?" Helen: "To me that choice depended on quick starting—Dick used to choke the car until he was wild. It wasted so much gasoline in cold weather—ran the battery down and the nerves, too. With Conoco Bronze, the motor starts at the first turn and has power galore—goes further on each gallon and is anti-knock also. So you see how I did it?" Sally: "I certainly do, Helen—and I think you're a very clever girl!"

**CONOCO**  
at the sign of the Red Triangle

Full motor protection, especially in cold motor starting, can be found only in Conoco Germ Processed (Paraffin Base) Motor Oil because of the protective oiliness, called "The Hidden Quart" stays up in your motor and never drains away.

Instant Starting and Lightning Pick-up can best be obtained with Conoco Bronze Gasoline, and without sacrifice of Long Mileage, Greater Power and Anti-Knock advantages. For cold weather starting it cannot be excelled.

Methodist Church

Services are as usual. Sunday at 10:00 a. m., preaching 11:00 a. m. Boys-Girls World Club at 4 p. m. Intermediate League at 6 p. m. Senior Young People at 6:45 p. m. Evening worship at 7:30 p. m. Both circles of W. M. S. Wednesday night 7:15. Choir practice Thursday evening 8 o'clock.

We are back from the conference for the fifth year. The past four years have been filled with activities and enjoyment - may this be the greatest of them all. We are happy to be back and anticipate every thing. We are expecting every member to be alert and in the harness. You need the church and the church needs you. It is mutual. The board of stewards met Monday night and made definite plans for this year - good sign of interest. We are starting into a new year with enthusiasm that will not wane. The report the past year was practically the same as the year which we think is the best when we consider the work we have done. Thank you one and all for the past year. The best benedictions were given to some 10 per cent higher this year than last or that much raised this year more than last.

A welcome awaits you at our Sunday to all the services. H. A. NICHOLS, Pastor

Church of Christ

Worship For Sunday Nov. 19th. Bible school 10:00 a. m. Teaching 11:00 a. m. Morning service, preaching, 7:15

Increased attendance and excellent interest at the revival being conducted at the Church of Christ and encouraging.

It is persuaded that the pure and Bible truths are in demand today than ever before. Today people think for themselves and act according to their own judgement, rather than the time worn sayings that it was good enough for my ancestors is good enough for me. And so it is in your religious thinking and study for yourselves you, yourself will account for your life on earth. Men can you afford to neglect your soul as your eternal portion.

Time to preaching. Hear Carter and get the truth that answers these questions that are being asked. All these questions answered by the Holy Spirit. That is the authority to speak. Offer you no book but the name of Jesus, no Christ, and no plea.

For the last few days we are asking you to remember your soul's salvation what we are interested in. We never asked you for more over we never will!

Folks, the Cat's Eye just couldn't be still any longer. There are so many things that he might want to brag about. First thing I'll tell you about is the Turkey shoot Monday when I won a turkey for Thanksgiving, Christmas and New Year's, a different turkey for each event. However, I only have the Thanksgiving Turkey left now. Had to sell the other two to pay the installment on the sewing machine.

Have you readers still got Amarillo's Wednesday paper? Several weeks ago they sponsored an essay contest and offered \$50 in cash prizes for the best essay on the subject, "Why I Consider the Amarillo Globe-News the best Advertising Medium in Amarillo." I figured that I might win and knew quite well that the money wouldn't work any hardship on me so I wrote an essay and entered. Well, I didn't win but they printed my essay in Wednesday's paper as one of those of "Honorable Mention". The question I want to ask is who can keep the big bad wolf from the door with "Honorable Mention"?

Mr. Baker who is head man at the Baker Hotel just returned from a hunting trip in New Mexico with his daughter and her husband. Mr. and Mrs. A. R. Adams from Wichita, Kan. They brought back a big deer that Mr. Adams killed a few miles Northwest of Cimarron City. Mr. Baker got the first shot at the deer but said he didn't want to kill him as he wanted to let his son-in-law have the pleasure of doing that. I ask you, who believes that? I don't.

Prairie Girl Club

The Prairie Girls Club met Nov. 13, 1933 in the seventh grade room.

The Armistice Day idea was carried out all through the program.

The roll call was answered by hint about camping and honoring the flag.

The next meeting will be with Mary Daugherty.

We are planning a Thanksgiving program. This will be presented in the school chapel Nov. 28, 1933. Everyone is invited to be present.

The Stitch & Chatter Club

Friday afternoon Mrs. Earl Doley was hostess to the Stitch and Chatter Club. The afternoon was spent quilting. Delicious refreshments were served to members. Mesdames. Jess Edwards, W. A. Van Cleave, Tom Allen, C. D. Kiff White, Main, web Sheets, Earl Ooley, hostess and to visitors, Mesdames Ora Schroder and Ship.

The Club will meet Thursday afternoon November 16th, with Mrs. O. L. Williams.

PRINGLE PARENT TEACHER MEETING

The Pringle Parent Teacher Association will have its regular meeting Friday evening at 8:00 o'clock in the school auditorium.

The main speaker of the evening will be Oliver S. Willham, Dean of Panhandle Agricultural and Mechanical College of Goodwell, Oklahoma. His topic will be "Health Education in the School." Piano Duet, "Serenade" by Schubert.—Mrs. L. W. Knudson and Mrs. Annie Lou Deering.

"The Three Bears" will be dramatized by the third grade pupils in observance of Book Week, which is from November 12th to 18th.

The public is invited to attend the meeting.

Pringle Study Club

The Mother's Study Club and the Pre-School Study Club of the Pringle Parent Teacher Association will meet October 16 from 2:00 to 3:30 o'clock.

"What About Work" and "What About Play" will be the 2 topics to be discussed by the members under the leadership of Mrs. H. H. Laws, president of the Mother's Study Club.

All members are urged to read the September and November numbers of the Child Welfare Magazine, from which these subjects are taken in order to be well prepared for the questions asked by the leader.

A short program will be given by several children of the Pre-School age.

After the meeting an executive meeting of the Pringle Parent-Teacher Association will be called and all chairmen are urged to be present.

Why Uncle Georg needs MORE LIGHT than Billy . . .

Notice how much smaller the pupil of Uncle George's eye is than Billy's. But then, Uncle is sixty-two years old, while Billy just turned twelve.

It only goes to prove that as people get older the pupils of their eyes shrink in size . . . and so they need better light than they did before. But Billy's eyes should not be neglected either, because he's in the growing stage and studying and playing in poor light now may mean poor sight later.

Why not give the whole family the kind of light that's good for them? We will be glad to consult with you on this all-important problem.

BETTER LIGHT—BETTER SIGHT
