Visit The Worlds Fair - With each new Chevrolet we will give a prepaid expense trip to Century of Progress.

This territory last month. The new tractors were all equipped with tires instead of lugs. Cecil Foote bought one of the four, and he doped up his tractor with head light, tail light and all modern conveniences, and says he will take "Don't Name It", to the mountains on a fish'n trip just as soon as he gets his crop laid by.

Crawford says the new tire-equipment is the only thing worth considering in new tractors. He is positive that the saving in power will replace a new tractor and a couple of sets of tires ever so often. It sounds like good sales argument, but we are not going to give you the real answer because we feel sure Mr. Crawford will want to tell you all about it in a big and turning.

"SUNSET PASS AT ELLIS THEATRE

Zane Grey's "Sunset Pass" will be welcomed at the Ellis Theatre in Perryton Friday and Saturday by the show-loving public. All of Zane Grey's stories in pictures are awaited by a large audience and "Sunset Pass" proclaimed his greatest will undoubtedly be seen by many people in this section, during its two days showing.

A five-car Pullman train was home for six weeks for the 80-odd players, cameramen, property men and technicians who made up the company which filmed the picture. The train parked on a siding in Red Rock Canyon in the Mojave Desert, was the place they ate slept and relaxed between scenes.

Randolph Scott, Tom Keene, Kathleen Burke, Noah Berry, Harry Carey and Kent Taylor headed the cast of players. They were in charge of Henry Hathaway, who directed, and Richard Blaydon, business manager of the production.

Blaydon had numerous problems on his hands while the cars remained on the sidings. He had to secure up a source of electricity to light them, for their storage batteries, ordinarily recharged by the turning of wheels, would have run down in a short time. He had to provide steam to heat them during the cold desert nights and had to dig a well to provide water for the company.

"Sunset Pass" is the story of a cattleman association deputy who discovers that the man he is supposed to trace down and apprehend is the brother of the girl he loves.

OKLAHOMA'S CHAMP PEA EATER FOILED

Dave Tice, carrying the title of "Oklahoma's Champion Pea Eater" has been foiled. It happened recently when his wife was away and while Dave was cooking his own meals. He went to the cabinet and found what he thought was a quart jar of canned English peas. After opening them he fixed them to cook by adding a sizeable hunk of butter for flavoring, salt and pepper and other ingredients used in cooking creamed peas. When the meal was ready he proceeded to eat his favorite dish of creamed peas--his disgust, when he discovered that he had cooked a mess of canned grapes.

HILARIOUS RIOT OPENS NEXT SUNDAY AT ELLIS THEATRE

"International House" begins a three-day run; Peggy Joyce, Fields, Vallee, Burns and Allen in film.

Paramount's new Musical comedy hit, "International House", one of the most lavish, most tuneful, most amusing productions ever to leave Hollywood, opens at the Ellis Theatre in Perryton next Sunday August 13th for a three day showing.

In its enormous all-star cast of stage, screen and radio favorites are Peggy Hopkins Joyce, W. C. Fields, Rudy Vallee, Stuart Erwin, George Burns and Gracie Allen, Sari Maritza, Colonel Stoopnagle and Budd, Cab Calloway and his orchestra, Baby Rose Marie, Bela Lugosi, Lona Andre, Sterling Holloway, Franklin Pangborn, Edmund Breese and Lumsden Hare.

International House has a genuine plot in addition to its musical and spectacular qualities. Its action takes place at a hotel in a Chinese city, where representatives of business from all over the world are assembled to bid upon a marvelous new invention, a device which can see and hear anything anywhere.

The complications result from the activities of Bela Lugosi, a villainous character who is trying to keep the American representative from bidding. Erwin, the American develops a rash, and Lugosi insists that he be quarantined. The scheme works too well; the whole hotel is quarantined while Lugosi is outside.

The latter's consternation becomes even greater when he sees, from across the street, that Peggy Joyce, who had once been his wife, is now "on the make" for another man. The man is W. C. Fields, an aviator who had mistaken Wu-Hu for Kansas City and has landed on the roof of the hotel.

Matters in the hotel go from crazy to crazier--Burns and Allen and Col. Stoopnagle and Budd wisecrack; Rudy, Vallee, Cab Calloway and Baby Rose Martin sing and play; Erwin makes love to Sari Maritza.

Relatives of Archa Morse arrived from Dacoma, Oklahoma Tuesday night for a few days visit. Those who came are: Mrs. Joe Morse, Miss Opal Morse, Mr. and Mrs. Charles Nusser and family and a friend, Miss Violet Murrow.

Paul Wright and Burl Brockus attended the wrestling match in Amarillo Monday, which was refereed by Jack Dempsey.

MORE THAN \$800.00 DAMAGE SUSTAINED IN WEDNESDAY

Fire of undetermined cause completely destroyed the tent tabernacle located on the corner of North of the city. The estimated loss of the tabernacle, tent and electrical equipment, tent and chairs is roughly estimated to be \$800.00.

The fire started in the trailer which was inside the tent near the South wing, and in a few minutes the tent lay a mass of smouldering ashes. Mrs. Mann stated the canvas for the tent was treated with a treatment to make it rain proof, and this probably accounted for the flammable condition of the cloth.

Mrs. Helen Mann and party have been conducting revival services in the tabernacle for the past two weeks and Wednesday evening the "graduating night" program was to be given in the tent.

No insurance was carried on the tent and none on the piano or other equipment, said Mr. Mann, husband of the evangelist. The piano destroyed by the fire belonged to Mrs. Evelyn Berner, who had graciously loaned it for use in the revival. The seats in the tabernacle were the property of the White House Lumber Company and the Church of Christ and were being rented.

The program and services for Wednesday night were given in the Union church before an overflowing audience.

Sunday services planned before the destruction of the tent by fire will be carried out, with the exception of the place they are to be held. The all-day barbecue picnic dinner with services in the morning, baptizing in the afternoon and evening services will be held at the Sheets Ranch on Duro creek. Everyone is invited to attend and the ladies are urged to bring lunch baskets, to be barbecued meat.

Several local men are making campaign to raise funds for the property destroyed. They urge that all who can contribute liberally during the next few evenings of the revival.

ENJOY ICE CREAM

Several friends and neighbors of Mrs. A. F. Cook gathered at her home Friday night to enjoy an ice cream supper. Present were: Mr. and Mrs. Clement and children, Mr. and Mrs. Decan, Shirley and Bill, the Clarence Clement, Dussie, and Miss Bessie Walling.

DEPRESSION LOAF

You would think the depression loaf of bread one that stopped bread in a quart, but here it is. Let my Mother make it. I made a loaf of THE DEPRESSION loaf. In the oven when I then I went to work. Not thinking it was a harm.

Forgetting to get the bread to brew myself some tea. My leavened dough began to rise on the walls of the oven.

The bread slowly baked in a huge loaf. By the walls of the oven. In the picture it's still there. Tho' a week on it still is.

In a drought vegetation dwarfed. From a lack of moisture. We failed to make any. And scarcely made any.

And now I've used the wheat crop. For the year of Thirty. In one huge golden loaf. When cold winds howl.

What shall we eat instead? Don't put all your eggs in one basket. So the wise men have said. Don't put all your eggs in one loaf.

When you are baking, your tree an entertaining and impressive Christmas program is being planned.

Hansford Citizens!

There is something that concerns us. Read this over carefully before voting on state bond amendment.

VITAL FACTS FOR HANSFORD COUNTY

1
2
3
4

Hansford County has received \$22,392.70 in Federal relief funds since November 23, 1932. If this sum had been provided by the tax payers of the county the tax rate would have doubled in one year and individuals of the county with taxable

property would have footed the bill. Compare the situation as it now stands with the possibilities of the future. If the bond issue carries the most liberal estimate provides for Hansford county, with a population of less than 4000, to spend something less

than eight thousand dollars to liquidate Hansford's share of the twenty million dollar indebtedness. If the bond issue does not carry, Hansford county has the problem of feeding, clothing and providing fuel and medical attention for at least one-third of the county's

population. The LAW says the commissioners court must provide these necessities to all Hansford citizens without any funds who take the paupers oath. These estimates based on information covering the expenditures during the past six months.

Hansford County has asked the Federal government to spend fifty thousand dollars to build highway 88 thru the county. Hansford county has asked the Federal government to appropriate two-hundred thousand dol-

lars out of RELIEF fund for the construction of county roads. Both these projects are up for consideration at Washington. If Hansford county does not vote ten to one in favor of state bond that would help to take care of the dis-

tressing conditions of our county, what can Washington think of our sincerity in picturing conditions that would justify Federal road appropriations to relieve unemployment, when we would signify by our vote that we do not in-

tend to help ourselves? If this county expects to maintain the cooperation of the National government, we MUST make-good in this election and support the bond issue whole-hearted.

Hansford County appropriated \$325.00 for the indigent of the county when the present budget was made. Of this sum, with less than a month to run until a new budget is made, the county has only spent \$1,192.77. The paid

billings show that the bulk of this expense occurred in the county when Federal funds were not available. In other words tax payers of this county will have to spend tax money to relieve distress conditions in the county, re-

gardless of whether they spend the money via state bond issue or via county appropriations.

and should the bond issue not carry we would have the entire burden to ourselves.

The one and big difference is that should the bond issue carry, this county will have the aid of the state and federal governments,

should be appropriated. And considering the fact that the federal government stands ready to aid the state provided the funds are needed, Hansford county would likely receive many dollars for each tax dollar derived from this

county to liquidate Hansford's share of the bond issue indebtedness. Not only do we owe an obligation for the funds we already received, but the outside aid from some source for the next ten months, is the only hopes we have

of keeping the population of this county intact and alive.

Why You Should Vote for State Bond Amendment

Washington to feed hungry people of Texas. The payments average one million and a half a month. The bonds that you are asked to permit the Legislature to issue can be repaid in ten years for two and one-half million dollars per year. Unless this amendment is passed the Legislature cannot appropriate a single dollar to aid hungry and destitute families. No matter how many destitute there are or how severe their condition, no Texas city or county can expect any outside aid in caring for them unless this bond issue is

passed. If the bond amendment to be submitted August 26th fails, it will be two years before it can be voted on again. If the bonds are defeated we can expect no more funds from the Federal GOVERNMENT. If more than a million Texans are left without food for a single week, there will certainly be a distressing situation. When they find out that it will be two years before they can be relieved, the result will surely be disastrous. THE PEOPLE ARE NOT VOTING BONDS. If the amendment

passes it will merely permit the Legislature to issue such bonds as are necessary. Our Legislature is not wasteful. A constitutional amendment voted last year authorized the Legislature to expend a large sum of money to stage the Texas Centennial. Because of the distressing financial conditions they did not appropriate a dollar for this purpose. If our vote on August 26th shows we do not want to help carry out the President's relief program it might cause us to lose millions of dollars that would

otherwise be spent in Texas under the Public Works Act. Texas must keep in step with the National recovery program. While Texans are generally opposed to state-wide bonds, our citizens must place the lives of more than a million of their fellow residents above their dislikes for state bonds. Fifty cents per person per year will pay these bonds in ten years they are permitted to run. No property tax can ever be levied to pay these bonds. Vote for the relief bond issue—Don't let a million Texans starve.

MYSELF

MILLIONS for Texas are to comprise the contribution to unemployment of the amendment to the bonds to that amount. The bonds, it seems to me should be voted; the crisis it too vital to be shunted aside. But behind the specter of want and hunger looms the travesties of an era that produced them. Discernment in recent years has been the trend towards paternalism, emphasized in exorbitant tariffs to protect industry, in farm relief to protect farmers, in doles to veterans in service, and in other manifestations of extravagances inspired by political rather than humanitarian motives. Today's crisis is escapable, but the thought recurs that because the emergency was created by a political era that could not economically sustain itself the fundamental grievances of the era and not the emergency will ultimately demand correction. One often wonders whether the nation would be steeped so deeply in industrial lethargy today had not the political policy of post-war American alienated markets, contracted trade, and produced a consciousness among great classes of people of dependence on government philanthropy for a fair price and a living wage.

Austin, Texas, Aug 11, 1933.—Having sold their furniture, books, and clothes, civil engineers, teachers holding masters degrees, taxmen who have paid income taxes, and railroad men, are now having to accept aid from the Travis County Relief Committee, Mrs. Elizabeth Gardner, county administrator, reports to the state headquarters.

"These people have not appealed to us for help, but have been reported to us by their neighbors," Mrs. Gardner explained. "We had six such cases in one day and for the past month there has been a noticeable increase in this type of destitute persons."

We were asked to the home of a former university instructor, who was displaced by a man with a Doctor's degree. He and his wife had lived by coaching, after the wife, who had also been an assistant instructor, lost her position. This year, many teachers attending summer school have not been paid for a year, and their salaries have been cut, and they cannot pay for coaching. This couple was living in a bare room, with no light, water or gas. They would not accept groceries unless they could work for them. The man was allowed to rake and clean yards.

"These people have always contributed to the less fortunate through welfare associations. This year with the demand increased a hundred times, the agencies are having to operate on less than half of their usual income. And that means that the children, old people and men unable to do the heavier labor jobs provided by the R. F. C. will starve or go cold unless Texas votes for this bond issue to be voted on August 26."

20TH CENTURY CLUB CONTEST CLOSES SOON

 The gradings in the "Home Yard Contest" will be as follows: 25 per cent for cleanliness, 15 per cent repair of walks and fences; 15 per cent for Zinnia bed; 10 per cent for pruning; 25 per cent free from weeds; 25 per cent arrangement and 25 per cent repair.
 The grading in the "Vegetable Garden Contest" will be as follows: 25 per cent practical planting; 25 per cent free from weeds; 25 per cent six or more varieties; 25 per cent productivity.

 TOGETHER—IT COUNTS.
 Anyone who wants a description two years in advance can get a good deal. And I can give you a difference.

General Topic: SAMUEL
 Scripture Lesson: 1 Sam. 3:1-10; 12:1-4.
 1. And the child Samuel ministered unto Jehovah before Eli. And the word of Jehovah was precious in those days; there was no frequent vision.
 2. And it came to pass at that time when Eli was laid down in his place (now his eyes had begun to wax dim, so that he could not see)
 3. And the lamp of God was not yet gone out, and Samuel was laid down to sleep, in the temple of Jehovah where the ark of God was;
 4. That Jehovah called Samuel: and he said, Here am I.
 5. And he said, Here unto Eli, and said, Here am I. For thou calledst me.
 6. And he said, I called not; lie down again. And he went and lay down.
 7. And Jehovah called yet again, Samuel. And Samuel arose and went to Eli, and said, Here am I; for thou calledst me. And he answered, I called not, my son; lie down again.
 8. Now Samuel did not yet know Jehovah, neither was the word of Jehovah revealed unto him.
 9. And Jehovah called Samuel again the third time. And he arose and went to Eli, and said, Here am I; for thou calledst me. And Eli perceived that Jehovah had called the child.
 10. Therefore Eli said unto Samuel, lie down; and it shall be, if he call thee, that thou shalt say, Speak, Jehovah; for thy servant heareth. So Samuel went and lay down in his place.
 11. And Jehovah came, and stood, and called at other times, Samuel, Samuel. Then Samuel said, Speak; for thou servant heareth.
 12. 1 Sam. 12:1. And Samuel said unto all Israel, Behold, I have hearkened unto your voice in all that ye said unto me, and have made a king over you.
 13. And now behold, the king walketh before you, and I am old and grayheaded; and behold, my sons are with you; and I have walked before you from my youth unto this day.
 14. Here am I, witness against me before Jehovah, and before his anointed; whose ox have I taken? or whose ass have I taken? or whom have I defrauded? whom have I oppressed? or of whose hand have I taken a ransom to blind mine eyes therewith? and I will restore it you.
 15. And they said, Thou hast not defrauded us, nor oppressed us, neither hast thou taken aught of any man's hand.

 PLACE:—Shiloh. Aphek. Gilgal.
 INTRODUCTION
 We have studied the wonderful birth of the great prophet-Judge Samuel, the man who was born in answer to Hannah's prayer. Today we study his entire career. Next to Moses, he was the greatest man produced by Israel during all the history of his people, being the second founder of the nation. He found it at a very low ebb under Eli, and by his wise counsels and firm leadership, in peace and war alike, he brought the people to such strength that Saul could lay the foundation of the kingdom, and David and Solomon could carry it to its heights unequalled in the annals of the Israelites. It all rested on the work of Samuel.
 SAMUEL AND ELI
 It is generally supposed that

formed a real companion and teacher, and was making real progress in the study of the Law, of which he was to become such a distinguished interpreter. Eli, bowed under the weight of advanced years, made heavier by the steadily mounting shame heaped upon his sensitive soul by his reprobate sons, was no longer active. In such circumstances, Samuel and Eli were together, the unfolding alertness of the lad and the receding vigor of the old man met on common ground, and they had fellowship together. It would seem that they occupied sleeping quarters, perhaps in adjoining rooms, in the Holy Place of the temple. Their compartments were close enough together to enable either to hear the call of the other.

Introduction- Leader Scripture: Isa. 42- 1:10 'A Figure on Horseback' Mrs. Frank Wendt

BRO. OF MRS. J. E. GERBER IS TO BE VETERAN OFFICIAL

Fred E. Young of Amarillo, a brother of Mrs. J. E. Gerber of Spearman has been appointed to serve on the Veterans' Administration reviewing board.

The Amarillo News carries the story as follows: Fred E. Young, post commander of Hanson Post of the American Legion, was notified Monday of appointment to serve on the Veterans' Administration reviewing board at the regional offices in Oklahoma City.

Mr. Young is an Amarillo attorney and for many years has been active in civic affairs. In his new position, his job is to review Veterans' Bureau cases from 26 Panhandle counties and the state of Oklahoma.

The special board of review of five members was created recently to hear veterans' claims.

Mr. Young will not close his local law office as the board will not be in continuous session in Oklahoma City.

MISS HARRIETT ANN COLLARD LION CLUB GUEST ARTIST TUES.

Miss Harriett Ann Collard was one of the Lions Club, giving three guest artist at the noonday lunch-splendid readings that brought hearty applause from the tribe of Lions.

The Club Sweetheart, Ruth Pearl Word, was in her accustomed place at the piano for the club singing, and if reports are not exaggerated the club singing improved.

Following the program, a letter from President Roosevelt was read relative to the NRA movement, but no action was taken at the meeting. Reports from the Lion baseball team indicated a great deal of interest in this club activity.

Mrs. W. L. Russell returned on Tuesday night from Waco, where she has been visiting with Jimmie Cooke.

Earl Riley, Joe Reeves, Lloyd Prutsman left for Chicago Saturday morning.

'SLUGGERS' TAKE FIRST GAME FROM STATE BANK TEAM

In opening the official In-Door baseball season for Spearman, the 'Type Lice Sluggers' beat the 'State Bank Interest Slingers' to the tune of 18 to 4.

The game was rather interesting despite the one-sided score, and many up-sets were recorded as the contest developed.

Walter Wilmet, pitcher for the 'Sluggers', was the outstanding player for the afternoon, and his perfect control and speed was attributed as the main factor in the victory of the winning team.

Max Lackey was knocked out of the box in the fifth inning and his substitute, 'Slim' Windom held the stellar team to six hits during the last two innings of the game.

Dr. Gibner and family and Clayton Gibner and family returned Tuesday from the mountains in Colorado.

Mrs. D. M. Jones was a business visitor in Guymon Tuesday.

Wayne Wallace visited his parents in Rotan, Texas last week.

Mrs. J. H. Broadhurst has been visiting in Minco, Oklahoma. Her sister, Mrs. Robinson, returned with her. She will spend a few days here and then go to California.

Mrs. Marvin Chambers has been ill the past week. She is showing an improvement at this time.

Mrs. Fred Hoskins visited in Amarillo Tuesday.

Herb Campbell returned to Dallas Tuesday morning. Herb has been visiting relatives and friends. Goodbye Herb.
