INDEPENDENCE DAY

From The Living Bible

Blessed is the nation whose God is the Lord, whose people he has chosen as his own. The Lord gazes down upon mankind from heaven where he lives. He has made their hearts and closely watches everything they do. The best-equipped army cannot save a king—for great strength is not enough to save anyone. A war horse is a poor risk for winning victories—it is strong but it cannot save. But the eyes of the Lord are watching over those who fear him, who rely upon his steady love. He will keep them from death even in times of famine! We depend upon the Lord alone to save us. Only he can help us; he protects us like a shield. No wonder we are happy in the Lord! For we are trusting him. We trust his holy name. Yes, Lord, let your constant love surround us, for our hopes are in you alone. (Psalms 33:12-22)

The Spearman Jaycee's and the Chamber of Commerce have a Family Day planned for Friday, July 4, with a bicycle and tricycle parade scheduled to begin at 2 p.m. The parade will form at the north end of main street and end on the Court House parking lot. Trucks will be provided to transport the smaller children to the swimming pool park where the games and watermelon feed will take place.

Afternoon games will consist of sack races, a tug-o-war, a greased pole climb with a new pocket knife to be awarded the winner.

Don Bell will conduct the househoe pitch and the washer pitch. A penny search in a sand pile will also be held.

A FREE WATERMELON feed will be held at the park, and then the big fireworks display at the new Lynn stadium will top off the evening beginning at dark.

Make your plans now to attend this big Family Day 4th of July in Spearman.

The track meet which had been scheduled for the 4th will be held on the 3rd and will not be a part of the July 4 festivities.

City and county offices and the Post Office will be closed on July 4. No deliveries will be made on city or rural routes by the Post Office.

A check with the Chamber of Commerce office shows that most businesses in Spearman will be closed with the exception of those related to farming, drug stores, grocery stores and filling stations.

Services Pending For Mrs. Yarbrough

Services are pending for Mrs. Aubrey Yarbrough of Perryton, mother of Eugene Yarbrough of Spearman. Mrs. Yarbrough died Wednesday morning at 6 a.m. in Ochilree General Hospital. She had been in ill health for many years.

Markets

WHEAT	\$3.00
MILK	4.20
CORN	2.73

What would be the matter with having the biggest 4th of July parade ever? What's the matter with having the greatest watermelon feed and playday ever held in Spearman? What's the matter with enjoying the greatest fireworks display at the High School the night of July 4th ever seen in Texas? Answer: Nothing! So everybody come out and enjoy yourselves. I understand our volunteer firefighters will be playing some water polo in the street area west of the park. That sounds like a game you could get a little wet at.

G. K. Rupprecht Rites Held

G. K. Rupprecht

Services were held at 2 p.m. Wednesday at the First United Methodist Church in Perryton for G. K. Rupprecht, 48, who died Monday in M. D. Anderson Hospital in Houston. Burial was in Ochilree Cemetery by Boxwell Brothers Funeral Directors of Perryton.

Mr. Rupprecht was born in Perryton and lived there until he was transferred here three years ago. He was the executive vice president of Interstate Savings and Loan. He was a World War II

veteran, member of the Methodist Church, Spearman Rotary Club and was a past president of the Spearman Chamber of Commerce. He was very active in civic affairs in Spearman before his illness. Survivors include the widow, Mary Kathryn; two sons, Allen of Armonito, Colorado and Ben of Caradiah; one daughter, Mrs. Milie Hargrove of Arlington; his parents, Mr. and Mrs. George Rupprecht of Perryton; one sister, Mrs. Don Eudy of Perryton and one grandchild.

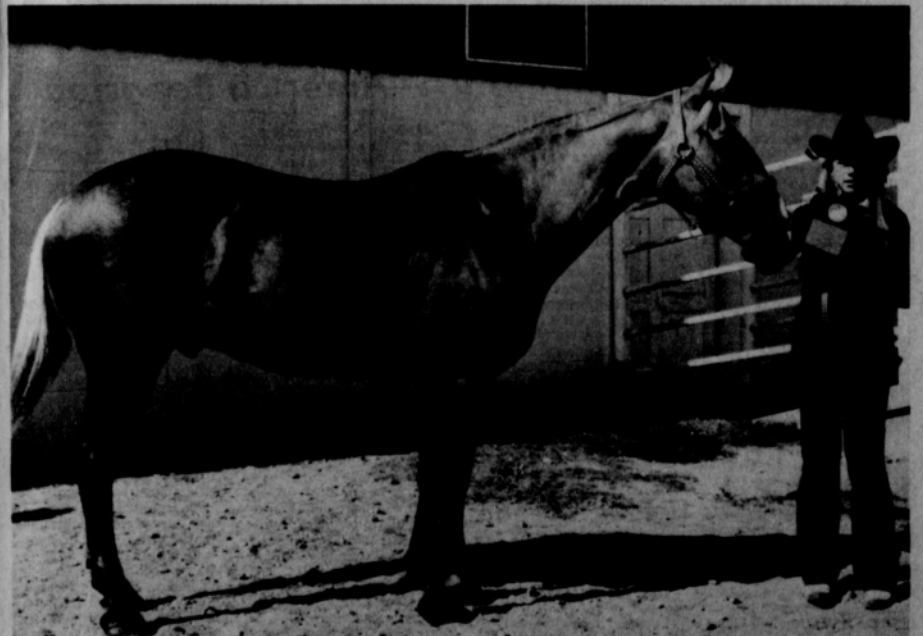

Ronnie Arzalek feels he will have to be rated as the favorite because of his experience as Humane Control Officer. Humane Control Officer! How can this help? Oh, well, Ronnie will probably tell us later. Lee Phillips is trying to get the rules committee to let him use his sawed off shotgun instead of the 12" ready line. Steve Slater wants to use a putt-a-power. Sounds like fun. See you there.

SNOKEY

THOUGHT FOR THE WEEK. There are two ways to get to the top of an oak tree. 1. Climb the tree, or 2. Sit on an acorn and wait for it to grow.

Committee To Meet Here

The Spearman Bicentennial Committee will host the Panhandle Centennial/Bicentennial Committee at their next monthly meeting, Thursday, July 17, at 2:00 p.m. in the B & B Farm Industries Building.

WINS FIRST - Hakee Reed, Spearman 4-H'er won first place in the halter class for grade gelding last week in the District 14-H Show in Amarillo. She is shown here with her gelding Charlie. She is the 12 year old daughter of Mr. and Mrs. A. D. Reed, Jr. of Spearman. In addition Hakee also placed ninth in the very tough Showmanship class. These two placings gave her 9 points and she is second alternate to go to the State 4-H Horse Show.

Assessment Ratio Increased School District Re-Evaluates Property

The effect of the new school finance bill passed by the last session of the Texas Legislature, will be felt throughout the Panhandle area. At the same time they increased the cost of operating the schools, the legislature drafted new financing laws that will drastically reduce the amount of State financial aid to be received in the schools throughout the rural areas of the State. In the Spearman School District, the combined effect of increased cost and

loss of State money necessitated the re-vamping of the tax structure within the district. The Board of Trustees, after several lengthy sessions, determined that a tax re-evaluation would be necessary to meet the needs of the school. All rural land has been classified, by soil type and slope from soil maps, and valued as pasture land, dry farm land or irrigated farm land. All urban property values have been increased, and the Board has instructed the Tax Office to work out de-

tails to measure and class all buildings before the 1976 tax roll is prepared. Industrial property, including pipeline, oil and gas, plants, telephone and electrical lines, have been re-worked and increased. The assessment ratio will be increased from 50% of market value to 60% of market value, which is a 20% increase on any property whose market value did not change. The last re-evaluation done in Spearman School District was done in 1947, and the many changes in the properties within the

district make a re-evaluation necessary in an effort to equalize property assessments. Because it was apparent that the legislature was going to make drastic changes in school finance, rendition sheets that are usually mailed to property owners in April have been delayed until it was clear what the new legislation would do. The rendition sheets will be mailed in the next few days with the proposed new values shown.

Man Jailed On Rape Charge

According to Sheriff R. L. McFarlin, a 24 year old man, Ignacio Ornelas is in custody, charged with the rape of a 16 year old girl. The offense allegedly occurred at 2:30 a.m. in Spearman. Mrs. Antonio Herrera is also in custody for forgery. She has forged several checks in Gruber and Spearman. Extradition proceedings are being started for J. D. Pinkston, who is in jail in Hobart, Oklahoma. He

is wanted here for forging checks on local merchants in May. Pinkston has refused to sign extradition papers. Lawrence Lyles was picked up on DWI and was charged \$200 and \$30,000 court costs. The Department of Public Safety officers made the arrest.

Contributors To Fireworks Listed

Businesses and individuals who have contributed to the Fireworks and Watermelon Feed are: Mrs. Milled Daily, Mrs. Eleanor Reed, J. L. Brock Agency, L. E. Thomas, Jr., Huchison and Pearson, H & H Water Well Service, Inc.

The Gift Box, Gordon's Drug, Lady Fair, Nita's Fina, Spearman Auto Supply, Inc., Earl Ed Novak, D. D. S., Mrs. George Buzzard, Chambers Dry Goods, Spearman Super Service, Paul Garza Welding Service, First State Bank, White House Lumber Co., Massads, Western Auto. The total amount collected as of this date is \$335.00.

Mr. and Mrs. Art Lynch visited in the home of his mother, Mrs. Faye Lynch over the weekend.

CARD OF THANKS

We wish to thank our friends and neighbors who came to our aid last Thursday nite when the tornado struck our home. We would not have been able to cope with the mess without your help. We especially thank those who brought food, coffee and cared for our cattle. Also Ronnie Sell of Schnell Electric who came and stayed until the power was restored. Thank you all very much. Walker & Lorraine Schick

During the time of the recent death and sorrow of our loved one, we realized how much that our friends really mean to us. Words seem inadequate when we try to express our appreciation and gratefulness to every one for their concern, prayers, floral and memorial gifts, food, and just being there when most needed. Also, for the ones who gave of themselves in time and energy. May our Heavenly Father abundantly bless each one of you. The Family of Evelyn Dearing W. B. Dearing, Sr. W. B. Dearing, Jr. Mary Evelyn Wright Wallace Dean Berner John Frank Berner Francis Dearing Irene Long

We wish to express our appreciation for the many courtesies that made our anniversary such a joyous occasion. The cards, calls, flowers, food and other courtesies will be long remembered. May God bless each of you. Eck and Mary Lee

July 4th Holiday to Claim 54 lives

AUSTIN--The director of the Texas Department of Public Safety today estimated that traffic accidents in the state over the July 4th holiday weekend will claim 54 lives. Colonel Wilson E. Speir said his department expects travel will be heavy in Texas over the holiday period "particularly in and around recreational areas" such as lakes and beaches. He added that the estimate covers a 78-hour period starting on Thursday at 6 p.m. and counting until midnight Sunday. Last year during a 102-hour Independence Day celebration, 46 persons were killed in traffic mishaps in Texas. Speir also pointed out that highway traffic deaths are about 25 per cent over the total at this time one year ago. "This is due to increased travel and somewhat higher speeds," he added. In a concerted effort to help keep deaths down, the DPS and local law enforcement agencies will be cooperating in the all-out effort to make the streets and highways as safe as possible. All available DPS troopers will be on duty, Speir said, and they will be especially watchful for drinking drivers, speeders and persons driving in a reckless manner. In addition, the DPS will be working with the news media in a special public education program termed "Operation Motorcade" which focuses public attention on where and why fatal accidents are occurring during the holiday.

Commission To Limit Grants

Legislative action requires the Commission to limit its grants to a maximum of \$50,000 and to communities of less than 75,000 population. It may be necessary to rely on staged development to ease a community's financial impact in any given year. Murphy found that the smaller counties, cities and towns, enthusiastically endorse this method of phased airport development as the communities must also match the state fund. It's a 50/50 program. Funds are limited and communities contemplating airport development during the next year are encouraged to make early application. The necessary form will be furnished upon request and the Commission's staff will answer any questions regarding this program.

MIDGET BOYS: Jeff Courtais - 3rd High Jump
JUNIOR GIRLS: Debbie Green - 1st High Jump; 1st Long Jump
INTERMEDIATE BOYS: Randy Reed - 3rd Long Jump
Other tracksters participating were: Mary Ann Kenny, Stephanie Friemel, Rhonda Hall, Jan Allen, Ross Donahue, Sammy Simpson, Charles Farish, Travis Patterson, Mike Pearson, Ross Bull, Shelley Friemel, Byron Sutterfield, Jimmy Hudson, Lance Simpson, Rory Sheppard, Mike Lovett, Jimmy Morley, Karey Bodey, Randy Stafford, Stan Sherwood, Kirby Hargis, Rocky Randall, David Hall, Jamie Bulls, Twane Friemel, Gary McCalmon, Zane Newton. Others attending were: Mr. and Mrs. Billy Haden, Mrs. Bert Sheppard, Lonita Greene, Mrs. Calvin Bodey, Mrs. James Hargis, Mrs. Randy Hargis, Mrs. Charles Hall, Mr. and Mrs. Roy Bull, Mr. and Mrs. Kenneth Friemel, Mrs. David Reed, Mr. Leroy McCalmon, Mr. Roger Odegaard, Mrs. James Gray, Mr. and Mrs. James Jackson, Mr. and Mrs. John Crawford, Mr. Woody Beck, Mrs. Byron Kenny and Karen, Mr. and Mrs. Dee Allen and Eldon, Mr. and Mrs. Al Tucker and Mike, Mr. and Mrs. J. C. Jackson, Mrs. Wayne Garrett and Jill, Mr. and Mrs. Roy Donahue, Mrs. Dan Pearson, Mrs. Pat Patterson and Clint, Mr. and Mrs. Jerry Morris, Mrs. Ray Martin, Mrs. Helen Sherwood and Mr. and Mrs. Marshall Sherwood of Panhandle. Coach Friemel would like to thank all the parents who took cars and supported these young people in their summer track program.

Theatre Productions In Amarillo

Amarillo Little Theatre, in conjunction with the Hilton Inn, will present two dinner theatre productions this summer, running each Thursday, Friday, and Saturday nights during July and August at The Hilton Inn. Opening July 4 and closing July 26 will be the Neil Simon comedy, "The Last of the Red Hot Lovers," which scored a tremendous success on Broadway with James Coco in the leading role. Simon's compassionate and funny view of this over-aged, would-be Romeo provides hilarious glimpses of an entertaining male character and the three marvelous women he encounters. Norman Krasna took a new look at the double standard of morality in 1961 and broke up Broadway with "Sunday in New York," playing August 8 through August 30. This entertaining comedy is the story of a boy, his sister, and the sister's boyfriend. Although the boy finds modern day morality much to his liking, he's not so sure he wants his sister to follow his example. Cast in "The Last of the Red Hot Lovers" are Duane Byers, Judi Shackelford, Dianne Hickmott, and Saralyn Moore. Tickets for both dinner and show are priced at \$7.50 on Thursday nights, and \$8.50 on Friday and Saturday nights. Reservations may be made by calling the Hilton Inn at 373-3071 or Amarillo Little Theatre box office at 355-9991. A.L.T. IS THEATRE AMARILLO.

Pre-Enrollment

The pre-enrollment dates have been scheduled in July for Freshman who'll be attending Panhandle State University this fall. The first date is Friday, July 7 and the second pre-enrollment is Monday, July 19. Students should make reservations with the Office of the Registrar on the dates that they plan to attend. The students should report at 9:30 a.m. at the registrar's office on the day that they enroll. They should also ask that their high school transcript be mailed to Panhandle State with their ACT test results with them. Students are encouraged to pre-enroll because they get a better selection of courses, as well as the day and time the courses are offered. University faculty will advise students during enrollment. This allows students to be guided into courses needed for graduation. Individual attention and faculty-student relationship is strongly emphasized at Panhandle State University.

Of the people.

With the people.

For the people.

We're dedicated to the common good, by way of doing the most we can for each individual—it's the same idea that makes one nation for all people the land of opportunity for you.

Autograph Party Honors

Mrs. Nova Bair

The public is urged to attend an autograph party honoring Mrs. Nova Schubert Bair at the religious book store, God's Corner, Spearman.

Mrs. Bair, of Amarillo, will be on hand between the hours of 2:30 to 5:30 p.m. Thursday July 3rd to autograph her new book "JOURNEY TO JERUSALEM."

Nova Schubert Bair is no stranger to area residents. She grew up in Spearman, attending public schools here. Classmates will remember her as the "1928 class poet."

"JOURNEY TO JERUSALEM" is a book of poetry. Both the imagery of her poetry and the photographs used in the book are the result of the poet's visit to this historic land. Nova had taken Old Testament scripture and provided a fresh and poetic inspiration to long familiar passages. She shares with readers names, places and people of the Old Testament as well as her religious and emotional feelings experienced when she visited the Holy Land on her jet pilgrimage back in 1972.

Mrs. Bair wrote her first poem when she was 9 years old and sold her first poem to the old Literary Digest while she was attending high school. She has poems published in Pen Point, Southwestern Anthology of Verse, other anthologies, as well as national and religious publications. Her poetry has won prizes and awards in Panhandle Pen Women and Poetry Society of Texas contests.

She is a long time member of the Panhandle Pen Women and the Poetry Society of Texas organizations. The poet has toured in Israel, the near East, England, Germany, France and Spain.

Her future writing plans include another book of poetry. She already has enough poetry written for a New Testament related book and will publish this book.

The public is urged to stop by God's Corner at 2:30 Thursday July 3rd to meet and visit with this interesting woman who will be selling and autographing her new book at this time.

Various honors, clubs, organizations, and clubs that Patricia was a member include: Rodeo Club; FHA; FTA; Band; and GSA.

Correction

In the story of the tornado that struck the Morse area in Sunday's paper, we stated that the Schicks each traveled in different directions. According to Mrs. Schick, she and her daughter-in-law, Mrs. Mike Schick and her two sisters, Donna and Nora Muston of Rockdale had just finished feeding the calves and saw the storm and got in the car and headed toward Pringle. Mr. Schick was in a wheat field some fifteen miles away and was not aware that the storm had hit the home.

After the Schicks heard on the radio that the storm had struck north of Morse they returned to their home to report that they were safe.

Students Receive Degrees

Lubbock--Degrees have been conferred upon approximately 2,350 graduates in Spring 1975 commencement exercises at Texas Tech University.

Degrees were conferred by Dr. Grover E. Murray, president of Texas Tech, in ceremonies in Jones Stadium. The University, with an enrollment of more than 22,000 students, includes the colleges of Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics, the Graduate School and the School of Law.

Recipients, with majors from Spearman included: Bachelor's degrees--Buddy Ray Dossett, management, 119 S. Snider.

James Ray Lyon, Accounting, 909 S. Barkley.

Windell Eugene Rneau, Special education, Box 134.

Lyle Link Named to Honor Roll

Amarillo--Lyle E. Link was recently named to the President's Honor Roll at the Mid-Continent Campus of Texas State Technical Institute, according to Lovell A. Pillow, General Manager of the Amarillo Campus. Membership to the President's Honor Roll is attained by maintaining a 4.0 grade average.

Lyle is majoring in Auto Body Repair and is the son of Mr. and Mrs. Orville C. Link of 607 S. Evans, Spearman, Texas.

Hector Moreno Completes Deployment

Marine Lance Corporal Hector Moreno, son of Mrs. Paula M. Moreno of Gruver, Texas, recently completed a five-month deployment with the 2nd Battalion, 4th Marine Regiment, and supporting units.

He participated in various training exercises and visited several islands in the Western Pacific.

Moreno also took part in the evacuation of U. S. citizens and foreign nationals from Cambodia and South Vietnam.

He serves with the 3rd Marine Division on Okinawa.

A 1973 graduate of Deming High School, Deming, N. M., he joined the Marine Corps in February 1974.

The American Cancer Society wants to intrude in your calendar once a year like this: Memo--have an annual check-up including cancer tests.

Archery & Weight Lifting To Begin Monday

Coach Greg Sherwood, director of the Summer Recreation Program, announced this week that beginning Monday, July 7, archery lessons will be given at 9:30 a.m. and weight lifting at 10:30 a.m.

Any youth interested in either one of these activities are asked to be present at this time.

Summer Track Meet Thursday

There will be a Summer Track Meet on July 3rd at 9:30 A.M. in the new Lytx Stadium. This will be for all children through 13 yrs. old. Anyone who wishes to enter should be in the stands by 9:30 A.M.

There will be a 50 yd. dash and 100 yd. dash for 7 and under. Eight and nine year olds - 50 yd. dash, 100 yd. dash and long jump. Ten and eleven year olds - 50 yd. dash, 100 yd. dash, high jump, long jump. Twelve and thirteen year olds - 100 yd. dash, 220 yd. dash, long jump, high jump.

This is for boys and girls. Everyone come out and watch these young people perform in the new Lytx stadium.

This Track Meet was originally scheduled for the 4th of July but due to the festivities planned, it has been changed to the 3rd.

First Official Flag To Adorn Telephone Directories

Texas Governor Dolph Briscoe was presented an autographed copy of a painting of the first official American flag that will adorn the front cover of telephone directories issued by General Telephone Company of the Southwest in observance of the United States bicentennial celebration.

L. Gray Beck, president of General Telephone of the Southwest which has headquarters in San Angelo, made the presentation during informal ceremonies in Austin.

The painting depicts the flag adopted by the Continental Congress in 1777. It appears on the directory in a "hanging" position with the blue field at the upper left and the red and white stripes running vertically.

The first Southwest Company bicentennial directory was unveiled during ceremonies in Carrollton, Texas, June 25. All GTSW directories issued through June 30, 1975 will carry the special cover. Governors in states where General Telephone & Electronics Corp. (GTE) has telephone operations will receive autographed copies of the painting.

The flag was painted by Steven Dohanos, who is known for his paintings of historical subjects and his illustrations of contemporary American life. Dohanos was commissioned to create the cover by General Telephone Directory Company which publishes nearly 900 telephone directories and other independent telephone companies.

Dohanos' paintings and murals are in numerous galleries, museums and government buildings. He has also designed a number of U. S. postage stamps.

Crop Reports From Farmers Needed

IN EARLY JULY, about 24,700 Texas farmers will receive an acreage and production questionnaire from Charles Caudill, Agricultural Statistician for the Texas Crop and Livestock Reporting Service, Austin, Texas.

Information from this survey will be used to determine harvested acreage and production of early harvested crops for the state of Texas and for each county.

Farmers who receive questionnaires are urged to complete and return them by mail. All individual reports are confidential and will be used only for state and county totals.

This survey is a cooperative effort of USDA's Statistical Reporting Service and the Texas Department of Agriculture.

Conditions In Nonmetro America Reported

Washington--Population growth faster in nonmetro than in metro counties from 1970 to 1973, reflecting a shift of people from cities to smaller communities, according to a report by the U. S. Department of Agriculture.

The report, "The Economic and Social Condition of Nonmetropolitan America in the 1970's," was prepared by the Department's Economic Research Service and published by the U. S. Senate Committee on Agriculture and Forestry.

The study also reported that nonmetro employment increased twice as fast as metro employment between 1970 and 1973, explaining in part the change in population trends toward nonmetro areas.

While per capita personal income in the United States increased at an annual average rate of more than 8 percent in both metro and nonmetro areas from 1965 to 1972, the dollar amount of increase in metro counties (\$1,807) was greater than in nonmetro counties (\$1,474).

Per capita personal income in metro areas in 1972 was \$4,825, compared with \$3,586 in nonmetro areas.

Health care was better in metro than nonmetro areas, but educational attainment levels were about equal. The number of substandard housing units declined faster in nonmetro than metro areas, and new construction was accelerating in both areas in the early 1970's.

Single copies of "The Economic and Social Condition of Nonmetropolitan America in the 1970's" are available free from ERS Publication Services, Room 0064-S, U. S. Department of Agriculture, Washington, D. C. 20250. Include zip code. Or phone (202) 447-7255.

Holiday Traffic Toll Expected Heavy!

Traffic speeds are up and more people are expected to be on Texas highways this Fourth of July Holiday, advises Major C. W. Bell, Regional Commander of the Texas Department of Public Safety.

Fifty-four persons are expected to die in the three-day holiday period starting 6:00 PM July 3 and ending midnight July 5.

"It is most tragic that the start of the Bicentennial Anniversary of our country may be one of the most wasteful in terms of loss of human life," reiterated Major Bell. "We will have OPERATION MOTORCIDE in full scale operation throughout the holiday period with every available trooper on the road at all times."

Major Bell added that two violations will lead to the greatest loss in life; they are speeding and drinking while driving. "Every driver should be aware of both the condition of the road and vehicle as well as his personal condition before he gets behind the wheel. Also, he should drive as if his life depended on it, because it does," with more and more drivers on the road, and with more persons showing a higher disregard for the speed limits, OPERATION MOTORCIDE will take on an even more important role in an attempt to control the highway slaughter.

The Texas Department of Public Safety urges each and every driver to do his part this holiday period by "Driving Friendly" and practicing Defensive Driving to stay alive.

Home Wedding Unites Couple

On Saturday June 28, 1975 at 7:00 P. M. in a simple but very impressive ceremony, Cathy Jean Short became the bride of Allen Wayne Cook in the home of Mr. and Mrs. Ben Cook.

Parents of the couple are Mrs. Carol Short of Spearman and Mr. Bob Short of Gruver and Mr. and Mrs. Ben Cook of Spearman.

Pastor of the Union Church Brother Burress officiated in the reading of the vows.

Attendants for the couple were Greg VanBusckirk, as Best Man, Lori Short, sister of the bride was Maid of Honor.

For the traditional something old, she carried a white linen handkerchief, something new the bridal gown, something borrowed, a pearl ring and something blue was the blue lace garter.

A reception followed the wedding carrying out the colors of pink and white with a touch of lavender.

Out of town guests were Mr. and Mrs. Albert Cook of Dumas, Grandparents of the groom.

Paint Needed For Museum

Hansford County's Stationmaster's House Museum, located at 30 S. Townsend in Spearman, is almost ready to be painted on the inside. The county museum is in need of someone to put up sheet rock and volunteers for painting the museum interior. The plastering has already been done where needed.

Paint has already been acquired for the interior, but the dark yellow paint needed for the exterior of the Old Santa Fe Railroad agent's house has not been obtained. Those wishing to make a donation of any amount toward the purchasing of paint can contact the museum director, Linda Crawford, at the Stationmaster's House Museum by phoning 659-3008.

The Stationmaster's Visiting Mr. and Mrs. Dick Hudson is their granddaughter, Kim Kidenhour of Houston.

Contract Awarded For Gruver Post Office

Hansford County 4-H Dress Revue Held

OKLAHOMA CITY -- The U. S. Postal Service today awarded a contract to Gene V. Owen of Plainview, Tex., lowest of five bidders, to build and lease a new post office building at Gruver (Hansford county) Tex., C. B. Solar, manager, Oklahoma City Postal District, said here.

Mr. Solar, whose district includes all postal operations in Oklahoma as well as those in the Panhandle of Tex., said the new post office building at Gruver will have 2,784 sq. ft. of interior floor space and will be located on the southeast corner of the intersection of Main

St. and Third St. in Gruver. The site, containing 18,750 sq. ft., is owned by the Gruver State Bank of Gruver. The Postal Service holds an option to buy the site and will assign the option to Mr. Owen, the successful bidder. Completion date for the building is March 1975.

After Surgery

The days after surgery can be difficult for the cancer patient but the American Cancer Society has volunteers able to make a hospital visit who can say, "I've had the same thing myself but I'm back enjoying life. You can, too." Check with the ACS for more information.

In the Hansford County 4-H Dress Revue held Friday winners were selected to represent Hansford County in the district revue July 29 in Amarillo. In the senior division Anita Walker of Gruver placed first with Sharon Evans of Gruver as alternate and Denise Ware of Spearman was third. The 12-13 year olds formed the second category. Julie Farr of Spearman placed first with Melinda Gammon of Gruver as the alternate. Red ribbons were earned by Rona Kelly of Morse and Tamera Scroggs of Spearman. The largest group as

usual was the 9-11 year olds. Taking the honors in that group was Pamela Clawson of Gruver with Karen Kenney of Spearman third. Other blue ribbon winners included Denise Doty of Gruver and Angela Francis of Spearman. Red ribbons were won by Cheryl Mitchell and Kathryn Cotter of Gruver, Susan Davis of Morse, and Carrie Bowen of Spearman. Several girls completed garments but were unable to attend the dress revue due to being out of town. They received white ribbons. They are Mary McIntyre of Spearman, Frances Romero and Julia

Romero of Gruver and Sherry Womble of Morse. The very capable judges were Brenda Hart and Kathy Potts of Gruver. They made many comments that will be helpful to the contestants. Decorations were provided by the Gruver Home Demonstration Club with Old Mansford and Town & Country Clubs providing refreshments. Each contestant received a tape measure in a leather case with the 4-H emblem on it from the Home Demonstration Council.

Low carbohydrate diets may cause undesirable metabolic changes in the body. Sally Springer, foods and nutrition specialist, Texas Agricultural Extension Service, The Texas A&M University System, said this week. An adequate supply of carbohydrates should be included in the diet to supply glucose, an essential energy source for brain and muscle tissue.

COUNTY 4-H DRESS REVUE WINNERS-left to right, Anita Walker, Senior winner, Sharon Evans, alternate, Julie Farr, 12-13 age group winner, Melinda Gammon, alternate, Pamela Clawson, 9-11 age winner, Karen Kenney, alternate.

WITH A \$2.50 Purchase Or More Excluding Cigarettes

Your County Agent

by Joe VanZant

There will be a Crop-Plant Clinic next Tuesday, July 8 in Hansford County. Three Extension Service Specialist will be present for the informal come and go clinic.

Tuesday morning from 9:30 to 11:30 a.m. the clinic will be in Gruver at the County Agricultural Building.

Since there are a lot of vegetables being raised this year, Dr. Roland Roberts, Area Vegetable Specialist will be present to assist with vegetable problems and questions. Dr. Robert Berry, Area Plant Pathologist will assist in answering plant disease problems and James Valerine, Area Soil Chemist, will assist with fertility problems.

Even though we don't currently have an Entomologist I will try to help answer your insect questions. If you anticipate having questions during July on any of these areas, then make plans to attend this clinic at either location. I will be leaving again on July 9 to attend three weeks of summer school at Texas A&M.

Hogs and pigs on U. S. farms June 1, 1975, are estimated at 48.2 million, 19 percent less than a year earlier and 20 percent below June 1, 1973. This is the lowest inventory since this series of estimates began in 1964.

The number kept for breeding, at 7.4 million, is down 17 percent and market hogs and pigs, at 40.8 million, are down 19 percent.

At 35.3 million, the pig crop from December 1974 through May 1975 was down 22 percent from a year earlier and down 24 percent from two years ago.

Hog producers intend to farrow 4.7 million sows during June-November 1975, 13 percent below that period last year and down 19 percent from 1973. These intentions, and allowances for projected litter size indicate a pig crop of 34.1 million, down 2 percent from a year earlier.

Many virus diseases occur in the home vegetable garden and there is little that can be done to control them once they occur.

Although viruses attack many plants, those commonly afflicted include beans, tomatoes, peppers, potatoes, Southern peas, squash, muscad and turnips.

Viruses can be identified by mosaic of the leaves (mottled appearances), ring spots on the foliage and sometimes on the fruit, yellowing of the foliage along with possible bronzing and reddening, and stunting of plants.

Virus diseases in home vegetable gardens are primarily spread by insects. Aphids and leafhoppers are mainly responsible. Therefore, insect control is important to the prevention of virus diseases.

Viruses can also be spread by contaminated clothing or hands. Tobacco mosaic can be spread to tomatoes by someone who has smoked recently.

Other viruses are spread by contaminated seeds, so the use of certified seed is important. Weeds can also serve as hosts to viruses, so a year-round weed control program is important in reducing virus infestations. Proper attention to maintenance practices around the home garden, including the control of weeds and insects, will go along way in reducing virus problems on vegetable crops.

Nelle's News

By HD Agent Nelle Evans

By Mrs. Nelle Evans, CEA-HE

Our 4-H'ers did an excellent job of making some garments needed in their war robes for the 4-H Dress Revue. It would not have been possible without the adults who assisted them in their work.

This week Diane Van Zandt is assisting with a 4-H Teen Leader Lab at TSTL. Also attending the lab are Andy Francis and Denise Ware. The training they receive will help these young people do a better job of serving as junior 4-H leaders.

Now is the time to begin thinking of the Christmas presents you plan to make and get the supplies. Often things are upped in price nearer the holiday season. You can also take advantage of July sales on many items.

And if you always save stamps for some presents go ahead and get the items when you have enough stamps. Prices go up on those items too. Stamps need to be budgeted and spent just the same as money.

We will be having workshops on canning and freezing before long. We do have many publications on freezing, canning, pickles, jams, etc. that you may come by and pick up if you need them. If you have any questions be sure to call us. If we don't know we have a specialist at A&M who can help us. We also have quite an extensive file of common and unusual recipes so check if you need something.

Again we have resources for finding them if we don't have what you need. The end of June marks the end of our extension fiscal year. The past year has been one of accomplishments in the extension home economics program and many interesting things have been planned for the next fiscal year.

Let me remind you that extension serves all people regardless of race, creed, color, religion or national origin. Any time any of you need assistance or have suggestions for programs let us know. We are here to serve you.

Services Held For Pearl Miles

memorial graveside services for Mrs. Pearl A. Miles, former Sherman County resident, were held at 10:30 A.M., Monday, June 30 at the Stratford Cemetery with the Reverend Milton Joehetz, minister of the Gruver United Methodist Church, officiating. Favorite scripture passages read at the service included Psalms 121, 23; John 14; 1-7 and 15-21; Romans 8; 36-39. Burial was under the direction of Henson Funeral Home of Guyton, Oklahoma.

Mrs. Miles, who died Thursday in San Antonio following a long illness, moved to Sherman County in 1902. "Miss Pearl", as she was affectionately known throughout the area, was born September 12, 1887 of parents Comfort Neil and Dave Alexander. She had one sister, Eva Alexander Holt and two brothers, Robert and Harley, all of whom preceded her in death

and all of whom were residents of the Gruver area.

"Miss Pearl" graduated from Stratford High School in 1907 and attended the University of Texas. She was a member of the Methodist Church.

In 1911 she married W. H. Miles at Boise City, Oklahoma, and they lived in Texhoma until 1914 when they moved to Dexter, New Mexico, where they made their home until 1929. In 1929 they moved to the Conlen community where they farmed and ranched until moving to Austin in 1944. Mr. Miles died in 1954. She has been a resident of Austin and San Antonio since that time and has been a frequent visitor in Gruver.

Survivors include a son, Wayne, of Bogata, Colum-

bia, with whom she and Elizabeth Holt of Gruver visited in January of this year and who attended the services, coming from Panama where he is located at present. Also surviving is a daughter, Mrs. H. E. (Evaloe) Pressly, Jr., of San Antonio who also attended the graveside services along with her husband and daughter, Anne. Grandchildren surviving include Bill Miles of Bogata, Columbia; Lee Miles, San Francisco, California; and Ann Pressly of San Antonio. Great grandchildren include Bill and Carrie Miles of Bogata.

She was preceded in death by her husband, a 21 year old son, Bill, and a 19 year old daughter, Ruth Miles.

Attending the Monday morning services from Gruver were Elizabeth Spivey, Mrs. Jewel Ward, Mrs. Harley Alexander, Mrs. Buddy Murrell, Mr. and Mrs. Nick Holt; Mr. and Mrs. Pat Holt, Kevin, Eva, and Kristi; Mrs. Comfort Winders, and Todd; Coy Miles Holt; Mr. and Mrs. Harvey Holt, Mrs. Georgia (Cecil) Holt; Elizabeth Holt; and the Reverend and Mrs. Milton Joehetz.

Law Degree

David Patrick Long of Gruver was among the approximately 300 students who were candidates for the Doctor of Jurisprudence degree from the University of Texas School of Law at the end of the Spring Semester. Joseph Newton Riggs, III of Amarillo was also among the candidates.

Hospital News

Patients in Hansford Hospital are Clarence Pettit, Bessie Jackson, Don Archer, Nita Stewart, Wanda Smith, Lola Campbell, Deana May Douglas, Donald Cross, Emma Lopez, Wanda Burke, Bertie Lewis, Tony Henry, and Sam Gruver. Dismissed were Lola Scholtenbarger, Lola Mae Cator, John Longky, James Leatherman, Linda Leatherman, Lynn Turbow transferred, Wilbur Sims, Willie Darnell, Evelyn Burch, Margaret Kirk, Ray Morrison and Ellen Groves.

Norway, Sweden, Denmark and Iceland comprise the Scandinavian countries. French is the official diplomatic language of the world.

THE HANSFORD COUNTY FARM BUREAU BOARD OF DIRECTORS ANNOUNCED THE ANNUAL FARM BUREAU QUEENS CONTEST TO BE HELD THIS YEAR IN GRUVER AT THE EL VAQUERO ON SATURDAY, JULY 19, 1975. Mrs. Everett Simonds nee Nancy Lynn Anderson

Nancy Lynn Anderson of Lubbock and Everett Bryson Simonds of Dallas were united in marriage Friday, May 16th at 8:00 P.M. in Hodges Chapel of the First Christian Church in Lubbock. Parents of the couple are Mr. and Mrs. Seaborn Anderson of Spearman and Mr. and Mrs. Floyd W. Simonds of Dallas. A friend of the bride's family, Roy Canada, pastor of the First Baptist Church of Sunday officiated at an altar accented with an arch of six, fifteen candle candelabra with a wall of greenery below. The aisles were marked with greenery and white bows.

front. They wore blue spider mums and stephanotis hairpieces and carried nosegays of real and dried flowers.

Best man was Randy Simonds of Dallas, brother of the groom. Groomsmen were Russell Brown of Dallas and Raymond Dennis of Lubbock. Ushers were Carter Simonds of Houston, Clayton Cochran of Spearman and Randy Miller of Lubbock.

The bride, given in marriage by her father wore a formal Cathedral length gown of candle light organza and chantilly lace. The Victorian styled bodice featured a v-insert which was emphasized with ruffled Val lace. A large organza bow accented the back closing. A wide lace applique at the hem line overlapped the lace edged ruffle which continued into the attached cathedral train. For her head, she chose a waltz length mantilla of matching lace. For the traditional something old, she carried a handkerchief from Scotland which was a gift to the bride's mother from the bride's father; something new, her wedding dress; something borrowed, a garter with two lucky tuppence sewn in which was worn by the groom's mother at her wedding; and something blue, a blue ring. The bride carried a cascade of orchids, gardenias, white rosebuds, stephanotis and baby breath.

For her daughters wedding, Mrs. Anderson chose a formal length gown of eggshell chiffon. Mrs. Simonds chose a formal length gown of pale pink chiffon. Both wore gardenia corsages.

Following the ceremony, a reception was held in the Green Room of the church. Mrs. Hayhurst played medleys of love songs during the reception.

Guests were registered by Mrs. Fairy Crawford of Lubbock.

Hostesses at the bride's table were Miss Paula McNeese of Lubbock and Mrs. Candy Strickland of Denver City. Hostess at the groom's table was Miss Margaret Simonds.

Honored guests were the groom's grandmothers, Mrs. C. E. Bryson and Mrs. C. F. Simonds, both from Houston. Both were presented a gardenia corsage.

The couple went to Padre Island and the Gulf for their wedding trip.

The couple now reside at 2509 37th Street at Lubbock and are attending summer session at Texas Tech.

A rehearsal dinner was hosted by the groom's parents May 16th at the Lubbock Inn in Lubbock.

Mary Lou Wysong Completes Course

Mary Lou Wysong, Manager of the Spearman Chamber of Commerce recently completed a week's Institute for Organization Management at Southern Methodist University. Over 185 voluntary organization executives from 14 states participated in this personal development program.

The Southern Methodist Institute is one of six, annual one-week sessions sponsored by the Chamber of Commerce of the United States at leading universities throughout the country. Other universities which host Institutes are - Notre Dame, Georgia, Colorado, Santa Clara and Delaware.

During the five-day session, participants spent 27 classroom hours in the institute course of study, which is designed to assist voluntary organization executives in improving the knowledge and

skills they need to upgrade the effectiveness of their organizations. The Institute curriculum includes such areas as management philosophy, economic issues, government, law, organization structure, as well as contemporary issues, such as communication and interpersonal processes and environmental concerns. Each participant may attend progressive levels of the program throughout his professional career.

University professors chosen to lecture are distinguished authorities in their respective fields, with extensive university backgrounds. Additional courses are offered by top-level Chamber of Commerce executives, making the faculty unique in its depth and range of knowledge and experience.

Perryton Tennis Tournament Set

PERRYTON -- The Perryton Tennis Association will be sponsoring the PERRYTON OPEN TENNIS TOURNAMENT, on July 18, 19, and 20, here in Perryton. This will be an open tournament, so all surrounding players from Texas, Oklahoma, and Kansas are invited to attend. There is to be a Jr. High Division (9th Grade and Younger); a high school division; a women's division; and a mixed doubles division. In the men's division, both an open division, for novice men players, and a championship division will be available depending on your ability. Both a singles and doubles event will be held for each of the divisions. Trophies will be awarded for both 1st and 2nd place in each event. The tournament starts on Friday Morning, July 18 at 8:00 A.M. with the Jr. High School singles and doubles for both boys and girls. The High School Division starts at 10:00 A.M. Friday. The men and women events start at

5:00 P.M. Friday afternoon. Play will continue Saturday with final's slated for Sunday afternoon, July 20th. Entry fee is \$2.50 for each singles event entered for members of the Perryton Tennis Association, and \$3.00 for non-members. Double event entry fees are \$6.00 per team for non-members and \$5.00 for member teams. For more information as well as entry blanks, write "Perryton Open Tennis Tournament", in care of Mike Coggins, tournament director, 107 N. Drake, Perryton, Texas 79070. Or Call 806-435-5458 Days, or 806-435-4342, after 5:00 p.m.

Any Age

Cancer doesn't respect birthdays, it can strike young and old. But, explains the American Cancer Society, folks over 40 should especially remember to have an annual checkup including cancer tests. One of the important tests is called a "procto" and it's used to detect a very common form of cancer, colon-rectal cancer.

Mrs. Hudson Attends Meet

SAN ANTONIO -- Mrs. Frances Hudson, Head of Home Economics Dept., Spearman High School, joined almost 7,000 colleagues from across the nation for the 66th Annual Meeting of the American Home Economics Association in San Antonio, June 23-26.

With the theme, "TODAY'S ISSUES...REALITIES, RESOURCES AND REACTION," the meeting offered members choices between program sessions featuring about 200 speakers on such varied topics as the economy, energy and food shortages, the shift in values and lifestyles, housing, overpopulation and social policies. A 250-booth exposition introduced educational materials, new products and services to home economists.

The Monday evening opening general session covered the major issue of today... "The Economic Outlook for 1975." Austin H. Kiplinger, publisher of CHANGING TIMES and editor of the KIPLINGER WASHINGTON LETTER, gave his views on this vital subject.

In addition several awards were announced, including the Borden Award for fundamental research in the field of nutrition and experimental foods, and the second annual Home Economics Teacher of the Year Awards honoring outstanding home economics classroom programs.

Dr. Virginia Y. Trotter, the first woman and first home economist to become Assistant Secretary for Education, discussed "From Family Stress to Strength" at the third general session on Wednesday. She has special interest in the quality of family living; the welfare of the consumer; the rehabilitation of the handicapped, emotionally disturbed and mentally retarded and the changing roles of men and women in our society.

The Thursday evening Pacesetter dinner concluded the annual meeting. Patricia T. Carbine, publisher and editor-in-chief of Ms. magazine, asked members "But Can She Type?" Also, during the dinner AHEA president Margaret E. Fish transferred the gavel to incoming president Gwendolyn Newkirk, chairman and pastess of the Department of Education and Family Resources at the University of Nebraska.

The American Home Economics Association is a scientific and educational organization of 53,000 professional men and women in teaching, business, extension service and institutional administration.

Holt News

Mmes Bob Tevebaugh of Claude and Phil Jenkins were hostess to a Saturday afternoon June 28 Birthday Party, honoring Mrs. Bertha Jenkins on her 82nd birthday at the Leisure Lounge in Borger. Gifts were given to the honoree and refreshments were served to Mmes Mildred Chamberlain of Spearman, Bertha Jenkins, Bob Tevebaugh, Bertha Hok, Maxine Cox, Raymond Kirk, Phil Jenkins, C. W. Kirk and Maude Rosson.

Mr. and Mrs. Dan Jackson spent Wednesday nite with their daughter, Mr. and Mrs. Bob Phelps and Derek of Forgan, Oklahoma.

Mmes Si Dozier, Vivian Green and Charmin Lykes of Gruver and Mildred Chamberlain of Spearman were recently Saturday luncheon guests of Maude Rosson.

Mr. and Mrs. Garland Tucker and Freddie of Amarillo were Saturday nite guests of her parents, Mr. and Mrs. Richard Gaines.

Mr. and Mrs. Danny Jackson and family of Huntsville, Arkansas, have spent nearly a week visiting his mother, Mrs. Claude Jackson and other relatives. They returned home Sunday.

Ola Davis of Wheeler, Mr. and Mrs. David Campbell, Reed and Kyle of Shelbytown were weekend guests of Mr. and Mrs. Medlin Patterson.

Alta Morse and Frome Close of Spearman spent Sunday with friends, Mr. and Mrs. Jack Whitson. In the afternoon the Whitson's made home made ice cream and cake honoring Alta on her birthday, which was Saturday.

Lord, we thank thee for the memories of yesterday, the blessings of today, and the hopes we have for tomorrow.

Couple United In Double Ring Ceremony

Miss Darrle Lynn Owens, daughter of Mr. and Mrs. L. C. Owens, became the bride of Mr. Ricky Joe Howard, son of Mr. and Mrs. Delvin Howard, in a double ring ceremony performed Saturday, the fourteenth of June at 2:30 P.M. in the First Baptist Church of Spearman.

The nuptial area was decorated with two spiral candleabras draped with trailing ivy and two sprays of yellow daisies and white gladiolus. The bridal aisle was accented with yellow tapers, daisies and greenery.

Mr. Eddie Gail Martin of Spearman presented the music and performed three solos: SUNRISE, SUNSET; YOU MAKE ME FEEL BRAND NEW; and THE LORDS PRAYER.

The bride, given in marriage by her father, was radiant in her formal floor length wedding gown of Anglemist peau de Sole and Cluny lace over bridal taffeta designed with high, square neckline, natural waist, long tapered sleeves and bell skirt. Inserts of lace and pearls enhanced the neckline, bodice and skirt of the gown. Her mantilla veil of imported illusion, with a border of matching lace, fell from a coil and ended in a sweeping chapel length train, and she carried a nosegay of yellow and white daisies along with yellow roses.

Miss Laura Barnes of Spearman, was Maiden of Honor, The Bridesmaids were Michele Schuman,

Johnette Lee, Denise Benton, Jayne Godfrey and Shelly Howard - sister of the groom. Laura's dress was yellow with white inlaid lace daisies. All wore corresponding flop hats.

Mr. Dwayne Miller of Stratford was the best man. The Groomsmen were Billy Howard, Randy Howard-cousins of the groom, from Darrouzett, Gary Ferguson, Willie Mangia and Johnny Slover all of Stratford.

Cary Collier, Jeff Beedy, Timmy Harper all of Spearman and Steve Coats, Terry Kirkwood and Mark Beary, all of Stratford, ushered the guests. Chris Taylor, cousin of the bride, was ringbearer and Erin Shackleford, cousin of the groom, was flowergirl. Jeff Howard, brother of the groom and Mike Cudd, cousin of the bride were candlelighters. Miss Teresa Cudd, cousin of the bride and Miss Melaney Howard, sister of the groom registered the guests.

The serving table for the reception was appointed with crystal, silver candelabra on a white brocaded lace tablecloth. Rajan Martin, Kristi Gressett, Becky Wheeler, all of Spearman and Gina Bass, Bitsey Chesmer of Stratford, served the guests.

Out of town guests were: Mr. and Mrs. Tom Moshier of Hutchinson, Kansas; Mr. and Mrs. F. R. Miller and Mrs. Imogene Risley of Taft, California; Mrs. W. L. Dunnam of Burdick, New Mexico; Mrs. Sam Beard and sons of Jal, New

Mexico; Mr. and Mrs. Jim Kirkhart of Canadian, Texas; Mr. and Mrs. Irvin Howard of Logan, Oklahoma; Mr. and Mrs. Claude Bartow and Mr. and Mrs. Bill Howard of Laverne, Oklahoma; Mr. and Mrs. Roy Howard and Mr. and Mrs. Bobby Howard of Darrouzett, Texas and Mr. and Mrs. Jimmy Shackleford and daughters of Norman, Oklahoma.

Martin-Sutherland Vows Read

Miss Norma Ann Martin, daughter of Mr. and Mrs. Norman L. Martin of Amarillo, became the bride of Mr. Donald Ray Sutherland, son of Mrs. Eileen Sutherland and the late Mr. Jim Sutherland.

The double ring ceremony was performed on June 28, 1975, with Judge Roy Bird officiating.

Mr. and Mrs. Gene Sutherland, brother and sister-in-law of the groom, were the couples only attendants.

Mrs. Sutherland is a graduate of Caprock High School and Artistic Beauty School of Amarillo. Mr. Sutherland attended Spearman High School before moving to Amarillo. He is employed at Allstate Security, Inc.

The couple will be making their home in Amarillo.

Mr. and Mrs. Jack Love and children, Kathy, Mark and Lisa returned last week-end from a two week vacation trip. They visited her relatives in Knoxville, Tennessee and with his brother and family, Mr. and Mrs. Ronnie Love, Rhonda and Hank at Manes, Missouri.

Miss Brenda Fewell of Meade, Kansas spent the past week visiting her Uncle and family, the Clay Fewells.

Schedule For Congressional Recess Announced

Washington, D. C.--Congressman Jack Hightower today announced a schedule for the July 4 congressional recess that includes more than a dozen public appearances in eight cities in the 8th Congressional District.

Recesses have been criticized as vacations for the Congressman, Hightower said, "but for me they provide the best opportunities I have to visit personally with as many constituents as possible to learn firsthand how they want me to represent them in Congress."

His schedule is as follows:

Friday, July 4, 9:30 A.M. Borger, Parade; 1:00 P.M. Clarendon, Parade; 5:00 P.M. Canyon, Parade; 8:00 P.M. Pampa Bicentennial Celebration.

Saturday, July 5, 9:45 A.M. Amarillo, Parade formation at 45th and Western Avenue; 3:30 P.M. Dedicate City Building Howardwick. Return to Vernon.

Sunday, July 6, 7:00 P.M. Plainview, First Baptist Church-Church in the Park Monday, July 7, 12:00 noon: Speech, Wichita Falls Jaycees; Afternoon, Return to Washington.

Six Flags Entertainment Set For July 4th

Arlington, Tx.--Top names in country music and rock and roll head the agenda for July fourth weekend at Six Flags Over Texas.

On Friday, July 4, ABC recording artist Don Williams will bring his country music sound to the big theme park. Don's star-dom began with his first release, "Don't You Believe," and continued to grow with other smashes such as "The Shelter of Your Eyes," "Come Early Morning," and "Amanda."

His current release, "You're My Best Friend," is at the top of the country music charts. Don recently co-starred with Burt Reynolds in the Twentieth-Century-Fox movie, "W. W. and the Dixie Dance Kings."

Chuck Berry will head the Six Flags entertainment lineup on Saturday, July 5. Often credited as the premier figure of rock and roll, his success began with "Maybellene" in 1955 and continued with a long list of hits including "My Ding-A-Ling," "Johnny B. Goode," "Sweet Little Sixteen," and "Roll Over Beethoven," to name just a few. The flamboyant showman is still one of the most superbly exciting rock and roll performers today.

Show times on both Friday and Saturday evenings will be 8:00 p.m. and 10:00 p.m. in the Six Flags Music Mill Theater. There is no additional charge for the performances.

This Holiday Do Something Revolutionary

Take A Break At A Safety Rest Area

In 1934, an unknown football player named Snooks Dowd scored the longest touchdown run on record in a game between Lehigh University and Lafayette. His total run was 210 yards!

Three of four Texas families with children under six have moved in the last five years. Thirty-three percent of these families moved three times or more; 10 percent moved five times or more. National Chicken Cooking Contest

AUSTIN--Not since the 'goose that laid the golden egg' has one bird been worth as much as the \$10,000 chicken that will be cooked by the winner of the 1975 National Chicken Cooking Contest in the San Antonio Convention Center, July 9.

Besides the top prize of \$10,000, the runner-up will earn \$4,000, third-place will get \$3,000, fourth, \$2,000 and fifth-place will win \$1,000, according to Agriculture Commissioner John C. White.

The "Cook-Off", sponsored by the National Broiler Council, in conjunction with the Texas Department of Agriculture, will get under way at 9:30 a.m. with opening ceremonies featuring a "Parade of States". Immediately after the ceremonies, the contestants will begin preparing two dishes for the panel of 13 judges, one to be judged for taste and the other for appearance.

The winner will be announced at an awards banquet later that evening.

Recipes of the contestants' dishes will be available to the public at no charge.

"Next year the contest moves back to the East Coast and Philadelphia for the Bicentennial, so anyone who wants to see a cook-off better do it in San Antonio this year," White said.

"And if you didn't enter this year, you might think about doing it -- and may be winning -- in 1976," he said.

The U.S. Postal Service and the Ministry of Posts and Telecommunications of the Soviet Union have announced joint plans to issue a twin pair of postage stamps honoring the Apollo-Soyuz space mission.

These stamps, one of the U.S. design and one of Soviet design, will be issued on the day of the launches, now scheduled for July 15. The same two designs will be used by both nations on stamps that will be identical with those issued in the other nation except for language and denomination.

The U.S. design is by noted space artist Robert McCall, of Paradise Valley, Arizona. The U.S.S.R. design is by Soviet artist Anatoly M. Akosmit who is best known as an aviation artist.

The denomination of the stamps issued by the U.S. will be 10 cents and those issued by the Soviets will be 12 kopecks. Both the U.S. stamps will be distributed to post offices in pines of 24 se-tenant stamps (12 of each design) and will measure 2.44 inches by 1.05 inches, (62 mm. by 26.7 mm.).

McCall has been closely identified with the U.S. space program since 1958. He designed the twin 8-cent stamps issued in 1971 to salute 10 years of U.S. achievements in space, as well as the Skylab commemorative of 1974 and the Pioneer Stamp of 1975.

McCall's space art combines the weightlessness of outer space in a convincing and dramatic way. Although much of his work is based upon NASA photographs, McCall's artistic perception keeps his pairings from freezing into photographic flatness.

Akosmit has been a professional artist since 1946. For many years, he was chief artist for advertising for Aeroflot, the Soviet Airline. Since 1960, he has worked on postage stamps with his best-known series, on the history of U.S. S.R. civil aviation, being issued in 1969. Besides the joint stamps with the U.S., Akosmit has designed additional Soviet stamps to be released in honor of a Apollo-Soyuz.

The United States Stamps will have their first day of issue at Kennedy Space Center, Florida, the day before the link-up of the two spacecraft.

First day cancellation requests should be addressed to "Apollo-Soyuz Stamps, Postmaster, Kennedy Space Center, FL 32815." The cost is ten cents per stamp to be affixed to the self-addressed envelopes which must accompany orders. Remittance should be by check or money order, instead of cash, and postage stamps will not be accepted as payment.

Because of the size of the stamps, the return address should be written low and well to the left. A filler of postal card thickness in each envelope helps to assure clear cancellations and to prevent damage to envelopes. Orders must be postmarked no later than July 15.

Details on other possible cancellations associated with the space program will be announced later.

CAMPBELL'S

SPORTS SPOTLIGHT JOYS OF BICYCLING

Now's the time to take to the open road. Over 100 million cyclists did it last year! Pedal for pleasure, good health or mobility. Cycling is one form of transportation not affected by the energy shortage. Just keep on pumping—those leg muscles that is! Here are some records to strive for:

Can you top the GREAT-EST DISTANCE traveled in 24 HOURS? Englishman Roy Cromock went 507 miles.

Age is no factor. In 1973, Becky Gorton—11 1/2 years old—rode to Boston from Olympia, Wa. in 6 1/2 weeks! She's the YOUNGEST TO CYCLE COAST TO COAST.

Before you set out to break any records or while you're on the road, have Biker's Broth. (It's easy to carry in a vacuum bottle.)

BIKER'S BROTH
Mix 1 can (10 1/2 ounces) Campbell's Beef Broth, 1/2 soup can apple juice, and dash cinnamon. Pour over ice cubes; or heat and serve hot. Makes about 2 cups.

Gifford-Hill Activity Below Normal

NEW YORK -- Business activity for the three principal operating areas of Gifford-Hill & Co., Inc., of Dallas, has been below normal volumes so far this year, John R. Hill, Jr., president and chief executive officer, told the New York Society of Security Analysts at noon Friday.

Mr. Hill said that none of these three basic industries -- construction materials, agriculture, and heavy haul truck transportation -- "is setting the woods on fire during the first half of 1975" although "the activity levels for all three industries is slowly beginning to climb back to more normal volumes."

Over the longer range, he said that the market areas in which Gifford-Hill does business should "enjoy above average economic health over the next decade." He cited as one reason for this expectation the fact that the company's primary markets are located in geographic areas "with vigorous economic prospects." Supporting this view is the recent F-16 fighter contract award to a Ft. Worth plant and the very heavy Texas and Louisiana share of domestic oil and gas production.

J. R. Spear, executive vice president for finance, told the security analysts that the company's financial condition is "sound" although he was "about as much leverage as we want." Citing financial data from 1969 through 1974, Mr. Spear said that net sales had

an average annual growth rate of 22.8 percent; earnings rose at an average annual rate of 8 percent; stockholder's equity increased at an average annual rate of 2.7 percent; and total assets more than doubled, rising at an annual compound growth rate of 20 percent.

Mr. Spear said that the company will be working on a policy of debt reduction in the months ahead with a reduced capital expenditures program this year of some \$8.4 million.

In discussing the weaknesses of Gifford-Hill, Mr. Hill said that the balance sheet at the close of 1974 was "not as strong as we would like because of debt equity ratio. He also said that the volume of shares of stock available for trading is considered by some to be low and that the component parts of Gifford-Hill are not well understood by some people.

Mr. Hill listed among the strengths of the company a skilled management team with a record of success; a "logical and compatible diversification which has tended to smooth out cyclical industrial trends; "undervalued" assets which could be converted to cash to help fund long-term growth; and the historically healthy market areas which the company serves.

Another important feature of the company includes the operation of two "modern, efficient, low-cost" cement plants in Texas and South Carolina, according to Mr. Hill.

There are 12 silver buttons on the front of a policeman's coat.

According to law, a minimum of three persons can create a riot.

IN FOR AN EMERGENCY TRANSFUSION

Packers & Stockyards Hearings Set

WASHINGTON D.C. -- Congressman Jack Hightower today announced that the Senate and House Agriculture Committees will hold public hearings July 12 in Omaha, Nebraska to amend and update the 54-year-old Packers and Stockyards Act.

"I am delighted that the chairmen of the committees accepted my invitation to conduct the hearings in Amarillo," Hightower said. "Amarillo is the center of one of the largest beef producing areas in the nation. Locating the hearings there will facilitate maximum participation with the least inconvenience for the participants."

The Amarillo hearing will be conducted by the House Livestock and Grains Subcommittee of which he is a member. The subcommittee is headed by Congressman W. R. (Bob) Poage, D-Texas, who is also Vice Chairman of the full House Agriculture Committee to participate in the Amarillo hearing. House Agriculture Committee members have been invited to be a part of the Omaha hearing.

Hightower said spokesmen for all phases of the Livestock and packing business will be invited to appear at the hearings to discuss their problems generally, as well as pending legislation.

Basically, the 1921 Packers and Stockyards Act applies to transactions involving producers, handlers such as commission houses and auctioneers, and packing firms. It outlaws certain discriminatory trade practices.

Congressman Hightower introduced a bill Wednesday that would clarify the relationship between buyer and seller by providing greater protection to the seller without imposing any additional burden on the reputable, solvent buyer.

Hightower's bill, H. R. 8234, provides protection for sellers of livestock and poultry by:

1. Clarifying the transactions subject to the Packers and Stockyards Act.
2. Requiring that packers:
 - A. Pay promptly for livestock.
 - B. Refrain from practices calculated to delay collection of funds and

3. Giving the Secretary of Agriculture the authority to seek injunctions when a packer fails to pay promptly or operate in an insolvent condition.
4. Giving debts or a bankrupt packer that are owing for livestock purchases a priority under the Bankruptcy Act.

Other measures have been introduced requiring packers or other persons buying or acquiring livestock or poultry to provide adequate bonding to pay producers whose sales have been negotiated.

Hightower said the recent bankruptcy of the American Beef Company dramatically highlighted the severe problems in the traditional relationship of the livestock buyer and seller.

"Although the American Beef situation had mitigating aspects to it," he said, "the net effect in too many cases was that producers -- small ranchers as well as larger producers -- lost most of their year's income in one transaction when the check they received bounced. The risks of farming and ranching are great enough without allowing the uncertainty brought on by this disclosure to continue."

Hightower said both Senator Clark, D-Iowa, who will conduct the Omaha hearing, and Chairman Poage have emphasized that the hearings are not intended to investigate American Beef, but only to receive comments on revisions to the Packers and Stockyards Act.

The Congressman said persons wishing to testify at the Amarillo hearing should communicate promptly with his Amarillo office -- 310 Post Office

Building, Amarillo, Texas 79105, telephone A. C. 806-376-2381.

Way to Increase Sorghum Returns

Bushland, Tx. -- If irrigation water is ample, no-till planting of sorghum after wheat harvest offers farmers a way to increase returns, according to USDA engineers at the USDA Research center at Bushland. This newly developed procedure also eliminates a year of fallow when rotating from wheat to sorghum. Five years of study by Ron Allen and Jack Musick showed that no-till speeds up planting and cuts costs enough to make double cropping practical. No-till planted seedlings, protected from hot winds by standing stubble, made a faster start and headed about 5 days earlier with the same planting date. In addition, yields were increased 12 percent by no-till planting.

Average yields over 5 years were 5,100 pounds per acre for no-till planting and 4,500 pounds per acre for conventional tillage. In the study, both plantings were made at the same time. "With big acreages, no-till planting is much faster," Musick stated. "Sorghum can be planted the next day after wheat is cut and watered up immediately," he continued. The scientists pointed out that in their experiments, double cropped sorghum was planted about July 1 or about 40 days later than normal seeding time for a full season hybrid in order to minimize possibility of frost damage, a medium-

early hybrid was planted. Many operations were eliminated in the study and fuel use was cut in half with no-till compared to a conventional disking and rebidding operation prior to planting. Time to prepare a seedbed and plant was only 0.25 hours per acre for no-till and 1.25 hours per acre for clean tillage. In other words, no-till was five times as fast. Using 4-row equipment on 100 acres, no-till seeding could be finished in 2.5 ten-hour days. Doing the same job with clean tillage would require 12 days. A 2-day delay would make sorghum planting impractical because frost would catch the crop most years.

No difficulty was experienced knifing anhydrous ammonia into furrows after sorghum was up to a stand. "Atrazine applied at 1.5 pounds per acre in an oil-water emulsion carrier when sorghum was about 6 inches, controlled both volunteer wheat and pigweed," Allen stated. Herbicide residues in the soil prevented wheat planting after sorghum harvest, and either corn or sorghum had to be planted the next year. Planting was done about 1 inch deep with coulters ahead of flex planters if wheat stubble was more than 6,000 pounds per acre. If less stubble remained after harvest, shallow planting with a wheat drill did a good job. A straw chopper on the combine made planting easy because

Cattle Price Outlook

COLLEGE STATION---What's in store for cattlemen as far as prices are concerned for the remainder of 1975? "Although there's optimism in some circles due to current stronger market prices and an increase in cattle feeding, it's a little early for cattlemen to begin cheering," contends Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service. "In fact, producers may be in for another drop in market prices as the year moves along."

So Uvacek advises cattlemen to market or contract calves early and cull old cows as soon as possible.

What are the reasons for Uvacek's gloomy outlook? First of all, the supply of grain-fed beef should increase during the second half of the year. Fed cattle marketings are expected to be about 9 per cent larger during the last six months of 1975 than during the first half of the year.

Increased cow liquidations will also boost the total beef supply. Uvacek expects cow slaughter to increase 42 per

cent during the last half of 1975 compared to the first six months of the year. More beef will also result from large kills of non-fed steers and heifers and calves. Slaughter of non-fed steers and heifers is expected to be up 62 per cent during the last half of the year while calf slaughter should be up almost 70 percent, according to the Texas A&M University System specialist.

"Cow-calf producers are loaded with calves that they will be moving to feedlots, but the expected overflow is sure to bring feeder prices down."

"All this means a weaker cattle market during the remainder of this year," believes the specialist.

Ritual and tradition are of great importance in the family. Celebrations of special days, special family events, and symbolic activities make up the fabric of life. Dr. Jennie Kitching, family life education specialist, Texas Agricultural Extension Service, the Texas A&M University System, noted,

Fraulin Greta Von Lederhosen, an eight week old registered red dachshund puppy will be auctioned off at 4:45 P.M., Saturday, July 5th at the climax of the Deutsches Fest "Welner Dog Contest". Greta was purchased by the Darouzzet VIP and is presently staying in the home of Molly Hanshu and will be housebroken by festival time. All families interested in a bundle of love and fun as a souvenir of Deutsches Fest '75 are urged to be present at the Puppy Auction, "under the circus tent" at 4:45 P.M. Bids will open at \$25.00.

FY 76 Program of State Aid To Texas Airports

Charles Murphy, Executive Director, announced today that work will begin on the study of requests for airport aid from Texas cities and counties. Initial formulation of the State of Texas Airport Aid Program for the fiscal year 1976 is being undertaken prior to the September 1, 1975 starting date in order to expedite program funding as a positive economic action benefiting the people of

Texas. Murphy pointed out that, though the funds appropriated by the Legislature amount to \$1,000,000, this amount, when joined with matching funds from the federal government and the local communities, will serve to generate approximately \$6,000,000 in construction in areas where it is economically most welcome. Emphasis will be given

this year on the basis of need, to those cities, counties and towns, most nearly ready to proceed with their projects. Every effort will be made to expedite construction on approved projects in order to assure their completion within the same fiscal year. Cities and towns not prepared for immediate action will be encouraged to think in terms of programming for the following year or years.

GREETINGS TO ALL CATTLE PRODUCERS

FRIDAY, June 27, we sold 3944 cattle and calves. The auction began at 10:00 AM and was completed at 8:15 PM. Buyers were in attendance from several states.

NOTICE
WE WILL NOT HAVE A CATTLE AUCTION FRIDAY, JULY 4. All of you enjoy the holiday weekend - GO TO THE RACES - GO FISHING - HAVE FUN - BUT, BY ALL MEANS, BE CAREFUL - WE NEED ALL OF YOU!

Our next cattle auction will be Friday, July 11. We have some consignments at the present time but can use many more.

Advise us in advance of your plans - We are presently advertising over six radio stations and in sixteen newspapers. This costs lots of money and the one to receive a part of the benefit from it is our consignors. We feel that the extensive advertising certainly helps to build a better market for our customers.

LVN Tests Scheduled For July

Pre-entrance examinations for the 50th licensed vocational nursing program will be administered July 2, 3, 8, 9 and 10 at the Amarillo College West campus School of Vocational Arts, 6222 W. 9th. Tests will open each day at 8:30 A.M. in Room 206 of the West campus Administration Building, said Sue Ann Hicks, department chairman. Applications for the program,

which begins Aug. 11, are now being accepted. AC nursing training is on a 24-month basis and conducted in cooperation with High Plains Baptist Hospital, St. Anthony's Hospital and Northwest Texas Hospital. Anyone wishing to have their name added to the test list or wanting additional information may call Mrs. Hicks at the west campus.

4th Of July Family Day

The Spearman Jaycee's and Chamber of Commerce will Co-host a Family Day on Friday, July 4, with a bicycle and tricycle parade. This parade will form at the north end of main street and end on the Court House Parking Lot. Trucks will be provided to transport the smaller children to the swimming pool park. Where the games and watermelon

feed will take place. The afternoon games will consist of Sack Races, and a tug-o-war with Coach Freimal in charge. A greased pole climb with a new pocket knife to the winner is the next thing on the agenda. Don Bell will conduct the horseshoe pitch and the washer pitch. A penny search in a sand pile will also be held.

A FREE WATERMELON feed will be held at the park! Then the big Fireworks display at the new Lynx stadium will top off the evening beginning at dark.

Also before the fireworks start a track meet for all ages is being planned. More on this will come later in the week. Make your plans now to

attend this big Family Day 4th of July. If you would like to make a donation to help off set the cost of the expense stop by the Chamber office 211 Main, or mail your check to: Watermelon and Fireworks - Box 161 - Spearman, Texas. All donations will be accepted and appreciated. Times will be posted on all events at a later date.

The 4th of July Family Day begins in Spearman Monday night with a big singles Tennis Tournament...
