## GOOD NAME

"A good name is rather to be chosen than great riches."

So says the good book.

This fact has always been appreciated by those who have guided the policies of our institution and to have given it "a good name" for safety, service, length and stability.

It adds to the good name of an individual or an institution to be affiliated with a bank that has a good name.

## Wileox-Burges

Thursday, March 25, 1920, at the home of the bride's parents, Mr. and Mrs. C. E. Wileox, Bentonville, Arkansas, occurred the marriage of Miss Vera Wileox and Thomas W. Burges. The happy couple arrived in Spearman Wednesday, where they made their future home. Miss Wileox is well known to the people of this community as the family correspondent of the Hansford County Reporter. She is now in the employ of the Hillhouse Drug Co. Reporters extend their warmest congratulations and best wishes to the newlyweds.

V. Andrews and T. M. Kerr made a business trip to Texhoma Friday of last week.

## What Others Say

Weatherford, Texas, 3-25-20.  
Editor Spearman Reporter,  
Spearman, Texas.

My Dear Sir: I have been very much interested to know if you have had any responses to your call for \$1,000 subscriptions toward the erection of a church building to be used by a union church.

Your method of presenting the matter attracted my consideration when I received the clipping of this article by you, and I have wondered if the status of Christian fellowship is such in your community as to enter into such a union.

I have tried to picture in my own mind the position of a minister in such a work, in the central place in the county, reaching out to all parts of the county as the undershepherd and spiritual guide to all who should be inclined to seek his guidance. Under certain conditions such a work would be very delightful, though very laborious, and would be laden with the finest of eternal fruits under the hands of a wise and pure-hearted, staunch minister of the gospel of Christ.

My conception of the minister for such a place is one of very strong convictions and clear views on all questions of importance, with a great heart of real love (charity) for those who do not see conclusions that appear self-evident to him. He must be a man who can "see God" in the other fellow, even though obscured by a rough exterior and a cruder interior; a man in whose estimation a failure to conform in mere ritual would not constitute a cause of withdrawal from or exclusion out of.

When there is more to be said on the subject by your paper, I will thank you for a copy of the issue.

Yours cordially,  
STONEWALL J. McMURRY.

## Our New Press

There is a grim humorist pushing the pencil for the Spearman Reporter, a weekly newspaper published for the people of Hansford County. This is exhibit A: "If Mr. Bailey and Mr. Thomason want to run a little race for governor of Texas down in Cooke county all by themselves it is none of our business, but we would suggest that now, as they are both in the running, they remain in until July 24, when the voters of the entire state will likely eliminate both of them." Editor Oran Kelly has a mean disposition, and he doesn't care who knows it. He is reminded that this is the paramount issue: "Shall the democrats of Texas repudiate President Wilson and a democratic national administration?" Keep to the issue. There is a May bridge to cross. See to it that the crossing is a successful one. There is work to be done and the place to do it is at the precinct convention the first Saturday in May.—Fort Worth Daily Record.

The Reporter editor admits that he is no paragon of excellence, still he does not enjoy being told about it in such an unwholesome fashion as to have it published in the leading daily paper of the state. By way of explanation we wish to state that the cause of our vile, crabbed disposition in the past has been an old George Washington hand press on which the Reporter was printed. The editor is also the head pressman in this print shop. But everything is different now. Mr. Bailey and Mr. Thomason may get more votes than the Reporter had any idea they would, and may be the two who will run in the second primary. They are able men, and either would make a good governor. We will no longer hang back, but here and now serve notice on our friend Al Barkley that he should call the precinct and county conventions and send full delegation to the state convention. We also believe that this delegation should be strictly "administration men." In fact, everything is lovely now, and we are no longer mean. We have a brand new press, and the old George W. has been discarded.

List your farm, ranch or other property you have for sale with McLain & Willis. 171f.

Brazell Brothers of Perryton were visitors to Spearman last Sunday, and aided us materially in the erection of our big new press, for which they have our sincere thanks.

George L. Aycock, a real estate dealer, and W. L. Ulmer, manager of the Briggs & Briggs clothing store of Texhoma, were looking after business matters in Spearman Tuesday.

J. S. Carter has purchased building lots in the new railroad town, Spearman, over in Hansford county, and will move there as soon as a home can be built for his family.—Panhandle Herald.

## Every Man's Reason Says

# "SAVE"

But every man does not save. That is where failures are made.

Are you intending to be a failure.

There always lies in front of every man a sure road to success and that is by the saving route. Think of what a fortunate thing it would be if you could walk into our banking institution and find there all the dollars wasted in years past.

That cannot be done now but you may begin saving now and enjoy it later.

## City Garage Sold

Joe Hays this week sold the City Garage, which he purchased several months ago of Dillow & Son, to Douglas Gatlin, who will have charge of the same in the future. Mr. Gatlin is an experienced machinist and garage man, and will no doubt make a success of the business.

It is almost time for M. B. Wright, Clark Snively and others of our capitalists who spend the winter months at famous watering places, where the wind is not so cold and continuous, to come back to the old home and assist the remainder of the bunch in this job of town building. They are needed at this particular time in the matter of building a school at Spearman.

J. W. Jordan came from Guymon Tuesday to look after business matters here. Mr. Jordan is now pushing the sale of the Republic trucks and Overland cars. He was in Wichita recently and returned to his home at Guymon with one of the famous Overlands, known as the "Little Wonder." John says this car is really a wonder and looks for a big sale on them. He has a car load on the road.

## Urge Adequate Rates.

In a resolution adopted by the Association of Life Insurance Presidents the heads of the country's large insurance companies express their attitude toward the railroad situation as follows: "Rehabilitation of the railroads and establishment by law of rates adequate to provide for the present and future demands of our growing commerce and to stabilize the credit and securities of the roads."

## Protection for Public.

The executive council of the National Association of Credit Men in a public statement on the credit situation of the country says: "The council in its consideration of the transfer of the railways to private control felt that it is of the highest importance that the railways be protected from the dangers of receivership and the public assured against uninterrupted service."

Mesdames Charles Riley and W. H. Crawford are this week opening up a dressmaking establishment in rooms at the Palo Duro hotel in Spearman. This business will be run in connection with the millinery business of Miss Vera Crawford. We predict for the ladies a flourishing business.

George E. McClure, representative of the Standard Lyceum Company, passed through Spearman Tuesday en route to Stratford. Mr. McClure stated that he was booking most of the towns throughout this section for his company and hopes to also book Spearman at a later date. Which reminds us that Spearman will have a chautauqua this summer. Don't forget that.

P. M. Woodring arrived Wednesday from Long Beach, California, where the family now resides, and has spent most of the week in Spearman. Mr. Woodring says they are very pleasantly located in Long Beach and that California is a great state, but that he cannot shake off the pining for the plains. Woody will beat it back to this county in a few years, is our prediction.

## BIG STRIDES IN WOOD CAMPAIGN

Support Coming From All Sections of the Country for His Presidential Nomination.

New York.—General Leonard Wood's campaign for the presidential nomination on the Republican ticket is gathering strength and momentum more rapidly than even his most ardent supporters believed would be possible this far in advance of the National Convention, June 8.

From an humble, informal beginning in the minds of a few of General Wood's friends and admirers a few

LEONARD WOOD.

months ago, the "Wood for President" movement has spread throughout the country and there is a nation-wide demand for him as the next occupant of the White House to pilot the country through the trying days of readjustment which lie ahead.

General Wood's campaign managers are daily in receipt of the most gratifying reports from the thirty-five or more states in which there are flourishing and constantly increasing Leonard Wood Leagues. The movement is spreading so rapidly that General Wood's managers are working night and day to keep up with it. Not only are the states in which there are Wood organizations bubbling with enthusiasm over his prospective nomination, but from the native states of favorite sons, who are opposing General Wood, there continue to come the strongest and most sincere assurances that he is the popular choice of a majority of the voters. All the indications are that the people throughout the nation intend commanding him as their leader in the White House because of his remarkable record as an executive, his marvelous powers as an administrator, abundantly shown in Cuba, the Philippines and during the world war, and because of his frank and fearless stand on the paramount issues of the day.

### Wood Against Field.

"It is a case of Wood against the field," said Congressman Norman J. Gould, eastern manager of General Wood's campaign. "General Wood has a commanding lead because of the great amount of personal, volunteer work done by his friends and admirers before the campaign committee came into existence. The support General Wood is receiving from voters all over the country clearly indicates that they will instruct their delegates to vote for him in the convention and that the number of delegates so instructed will be sufficient to give General Wood the nomination. There will be 984 votes in the convention. General Wood will have 300 pledged delegates when the convention opens, and will need only 183 more to get the nomination."

Following General Wood's victory in New Hampshire, the first state in the Union to hold a primary for the selection of delegates, Congressman W. W. Lufkin, who is directing Wood's campaign in Massachusetts, said a careful canvass of New England showed practically every state in that section would support the general by sending delegates to the convention pledged to his nomination. Governor Milliken of Maine personally assured General Wood in Boston, recently, that that state was solidly for him.

Mr. Hitchcock's affiliating himself actively with the Wood campaign has brought strong support from the South for the general. Mr. Hitchcock has a host of friends and admirers in the South and they have been writing him many letters of congratulation on joining Wood and assuring him that the general will have many, if not all, of the Southern delegations in the convention with him.

Announcement is made by the Wood managers that they will put up an active fight for delegates in Ohio against Senator Harding and in Illinois against Governor Lowden. William Cooper Procter, national campaign manager for General Wood, has issued an unqualified denial that either General Wood or anyone connected with his candidacy will attempt to unseat Will Hays as chairman of the Republican National Committee after the national convention. This statement is official and is made in reply to baseless stories circulated by General Wood's opponents for the obvious purpose of stirring up trouble between the chairman of the Republican National Committee and General Wood.

Corporal Bute Presides Over Recently Formed Organization at Walter Reed Hospital.

Corporal J. E. Bute was elected commander of the new post of the American Legion recently formed at Walter Reed hospital in Washington, D. C., where about 1,800 sick and wounded men are receiving treatment. Corporal Bute was the addressee of a Christmas greeting, which Franklin D. Oller, national commander sent to the ex-service men of the country.

In a letter recently received by Mr. D'Oller, Corporal Bute said: "I very much suspect that you will be surprised to know that we have formed a very good post of the Legion here at the hospital. Two hundred and some signed the first night and it is near the four hundred mark now. I expect to have the post 1,800 strong by the first of the month. "You may expect to hear some peculiar resolutions from us, but I am going to ask you to give us credit for wanting to help in any way possible ourselves and our brother comrades who have been back in civilian life for some time."

#### PLAN IS ENDORSED BY LABOR

New Jersey Unions and Labor Paper Editor in Favor of Americanism Program.

The Charles Henry Post No. 29 (New Brunswick, N. J.) secured the active co-operation of the local unions of the American Federation of Labor in the Americanism program which has been worked out by that post. Members of the post Americanism committee first explained in detail to the editor of the labor paper what their aims and plans were. They asked his help in advancing the cause of good citizenship and he not only publicly gave his editorial support, but offered space in his paper for publicity they wished for their work. Members of the committee also went to the heads of various unions, and explained their aims and plans of campaign. The labor leaders, who were all patriotic Americans, were enthusiastic in their support of the legion's plans and at one of the early meetings of all the labor unions the committee presented an outline of the Americanism work, for which they wish to obtain the assistance of the unions.

#### CITATION BY PUBLICATION

The State of Texas to the Sheriff or any Constable of Hansford County Greeting:

You are hereby commanded to summon Charles Gray by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the Thirty-first Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest district to said Thirty-first Judicial District, to appear at the next regular term of the District Court of Hansford County, to be holden at the court house thereof, in Hansford, on the Third Monday in April, A. D. 1920, the same being the 19th day of April, A. D. 1920, then and there to answer a petition filed in said court on the 25th day of February, A. D. 1920, in a suit, numbered on the docket of said court No. 202, wherein The First National Bank of Spearman, Texas, is plaintiff, and Charles Gray is defendant, and said petition alleging that the said defendant is indebted to the plaintiff in the sum of \$1,150 for and on account on money loaned and advanced to said defendant by plaintiff, that the said defendant made and executed his promissory note dated December 3rd, 1919, payable to plaintiff May 31st, 1920, in the sum of \$1,150, bearing interest from maturity at the rate of 10 per cent per annum; that no part of said note has been paid.

Plaintiff prays judgment against said defendant for the sum of \$1,150 principal and interest and for costs of this action.

Herein fail not but have before said court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Hansford, Texas, this, the 4th day of March, A. D. 1920.

## PE-RU-NA

This Lady TELLS Her FRIENDS

Mrs. Mary Fricke, 507 Bornman St., Belleville, Ill., is just one of the many thousands of ladies throughout the country who, after an agony of years, have at last found health, strength and vigor in PE-RU-NA.

Her own words tell of her suffering and recovery better than we can do it: "I suffered with my stomach, had awful cramps and headaches so I often could not lay on a pillow. Saw your book, tried PE-RU-NA and got good results from the first bottle. To be sure of a cure I took twelve bottles. I have recommended PE-RU-NA to my friends and all are well pleased with results. I will not be one day without PE-RU-NA. Have not had a doctor since I started with PE-RU-NA, which was about fifteen years ago. I am now sixty-three years old, hale, hearty and well. Can do as much work as my daughters. I feel strong and healthy and weigh near two hundred pounds. Before, I weighed as little as one hundred. I hope lots of people use PE-RU-NA and get the results I did." An experience like that of Mrs. Fricke is an inspiration to every sick and suffering woman.

If you have catarrh, whether it be of the nose, throat, stomach, bowels, or other organs, PE-RU-NA is the remedy. It is not new; it is not an experiment. PE-RU-NA has been used by thousands who once were sick and are now well. To prevent coughs, colds, grip and influenza and to hasten recovery there is nothing better.

PE-RU-NA will improve the appetite and digestion, purify the blood, soothe the irritated mucous linings, eradicate the waste material and corruption from the system. It will tone up the nerves, give you health, strength, vigor and the joy of living. Do what Mrs. Mary Fricke and thousands more have done—try PE-RU-NA. You will be glad, happy, thankful.

**Catarrhal Deafness Cannot Be Cured** by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. 75c.

## Low Six Hundred Children Live Together in One Big Family

By Coleman Craig

The largest orphanage in the United States is in Texas, located seven miles out from Dallas, and is known as the Buckner Orphans Home. This institution has an interesting history. It was founded by the late R. C. Buckner in 1879.

**Began with Three Children**  
This home, which now takes care of six hundred children, began with just three children, in a rented cottage in Dallas. In 1881 the first building was erected. From this small beginning the institution has had a marvelous growth, and during its history has taken care of many thousand children. There are now four large buildings, several cottages and 1800 acres of land. During all its history, it has been non-sectarian in its ministrations, and children have been admitted regardless of creed, though it is under the control of the Baptist General Convention of Texas.

**A City Within Itself.**  
A visitor to the Buckner Orphans Home is impressed with the manifold activities that go on within its own bounds. The Home has its own farm; a fine dairy, stocked with good milk cows; a power plant for heating and lighting, a laundry, a bakery, and a grammar school, and the first two years of high school; a regularly organized church with its own pastor; a Sunday School; a library of 3,000 volumes, and a museum, composed of two famous collections with many thousands of geological, faunal and zoological specimens and foreign curios from all over the world.

JOE D. BUCKNER

**War-chest from Battlefield of Waterloo in Museum.**  
Among the many interesting relics in this museum, which is at all times accessible to the children, is an old steel bound war-chest, which came from the battlefield of Waterloo. Tradition has it that this old chest belonged to the Duke of Wellington. A handsome helmet, said to have been worn at one time by Napoleon, is also in the historical collection. The museum is also the final abiding place of a crude old log cabin, which was the first residence ever built in Dallas county. For a time it served as the first post office for Dallas, and was also the first court house.

**A Real Home.**  
Buckner Orphans Home is more than a charitable institution. It seeks to be a real home. Dr. Buckner, who died last year, was loved by all the children, and the visitor who happened in at the home would in all likelihood see the old white-haired man entirely surrounded by children of all ages, who clambered up on his knees with the same freedom and familiarity as does Johnny when "daddy" comes home from the office. Dr. Buckner was affectionately known as "Father Buckner" by all the children.

**Missionary from China Takes Up Father's Work.**  
When Dr. Buckner died, his two sons took up his work. One of them, Rev. Hal Buckner, was a missionary in South China, but upon his father's death, he returned and became general secretary. Mr. Joe D. Buckner, who had been associated with his father in the administration of the home for several years, became general manager.

**A New Departure in Orphanage Management.**  
It has always been the object of this orphanage to make it as much a home, and less an institution, as is possible in taking care of such

a large number of inmates. With this in view, architects were called in, and work is now going forward in remodeling the old buildings, and in the planning of new ones, which will take care of the children in groups of thirty each instead of caring for them as a single unit of six hundred. The present buildings are now being remodeled so that each unit of thirty children will have its own apartment, with private bath and toilet. Each child will have a wardrobe where he may keep his own personal effects. Each unit will have a cozy little sitting room, tastefully furnished, and with artistic pictures and decorations. The units will each have a junior matron, who will be under the direction of the senior matron. By departmentizing and caring for the children in small groups, a long step will be taken in getting away from the institutional idea, which always exists where a large number are cared for under one management.

In further carrying out this idea, the new buildings that are to be erected out of funds provided in the Baptist 75 Million Drive, will not be large dormitories caring for several hundred, but will be cottages with a capacity of about fifty children. The management plans the erection of ten of these cottages during the next few years.

**Planning to Take Care of More Children.**

During the next five years the capacity of the Home will probably be doubled.

The cottages which are soon to be erected, will enable the Home to take care of an increasing number. The new policy of the Home will also favor the admittance of more half-orphaned children who have lost but one parent, but who, in the majority of cases, are in as desperate need of the Home as are the orphans.

**A Big Business Enterprise.**

The cost of providing the living and educational expenses of a large family of 600 is enormous. These children have to have shoes and stockings and clothes the same as other children. The increased cost of living has run the daily expense of the Home up to the figure of about \$300 per day. Eighty to ninety per cent of these expenses are cared for by free will offerings of the people of Texas. The industries and farm of the Home provides ten to twenty per cent of the expenses. The expenses of the Home for the next fiscal year will call for contributions to the amount of \$175,000.

**Daily Life of Children.**

A child's life at this Home is regular, and so arranged as to give it practical experience, combining the elements of play, work and education. In the morning the children go to school, in the afternoon they can be found out on the expansive grounds playing and frolicking—happy like other children. For the older boys and girls there is work to do—not burdensome and

HAL F. BUCKNER

servile, for it is equitably divided and the work is of such nature as to give the boys practical training in many of the trades and professions in which they will later make their own living; and the girls, training in home economics and management.

Its record has been unexcelled. So far as the records go, an inmate of this home has never been before any court on any criminal charge. From the Home these boys and girls go into the great outside, work-a-day world, prepared to make their own livelihood, as honest and law-abiding citizens.

## Can A Million Motorists Be Wrong?

Endorsement of a tire by one hundred motorists would prove nothing.

Endorsement by a thousand would prove little, but when a million motorists, scores of great corporations and three thousand dealers like ourselves say that Horse-Shoe tires actually cost less per mile of service, their collective endorsement carries tremendous weight.

If this is the kind of a tire you would like to drive we should like to tell you more about it.

### OLDEST UNIVERSITY IN STATE TO CELEBRATE 75TH ANNIVERSARY

The oldest educational institution in the state of Texas, Baylor University at Waco, is to celebrate its seventy-fifth anniversary at its commencement exercises, to be held in June. For several weeks now plans have been materializing to make this event in the educational history of the state one of the most unique celebrations ever staged. Invitations are being sent out to every student who ever attended Baylor, to return to his alma mater on this occasion.

#### Ex-President Taft to Be Present.

Many prominent speakers will be present to speak, among them ex-President William Howard Taft. Secretary of the Navy Daniels has been appointed by President Wilson to act as his personal representative at the celebration. Among the noted preachers who will be commencement speakers are Dr. Geo. W. Truett, pastor of the First Baptist Church of Dallas, and one of the most distinguished ministers in the United States; and Dr. Geo. W. McDaniel, pastor of the First Baptist Church of Richmond, Va.

Among the features of the diamond jubilee celebration will be the presentation of Bach's masterpiece, *The Passion According to St. Matthew*. To present this great musical program will require a massed chorus of five hundred voices, and it will be the first time in the history of the South that a college or university has attempted to give *The Passion*.

Other preparations include the erection of a huge rustle arbor which will seat 10,000 people. A staff of trained newspaper men will be present at the celebration to cover all the program, and from these reports a book reciting the history of the occasion will be published.

### BRITISH PREMIER CANNOT VISIT AMERICA THIS YEAR

David Lloyd George, British Premier, who was invited to attend the annual session of the Southern Baptist Convention meeting in Washington next May will not be able to attend the meeting, according to a letter to Dr. J. B. Gambrell of Fort Worth, who is the president of the Southern Baptist Convention. At the last meeting of the convention in Atlanta last year, the body of 4200 Baptists voted to invite the distinguished premier to visit America during the meeting of its next session at Washington. Dr. Gambrell was appointed to head the committee which sent the invitation. In reply Lloyd George wrote as follows:

"I shall be grateful if you will kindly convey to the meeting of the Southern Baptist Convention my sincere thanks for their kind invitation to me to be present at the convention which is to meet this year in Washington. I should cordially welcome such an opportunity of meeting my fellow Baptists in America and of paying tribute to their devotion to those principles which are essential in the life of the community. The cordial relations which have for many years existed between your great country and the British Empire, and which have been considerably strengthened by their common experiences during the last five years of struggle and turmoil, are full of promise for the future. It would give me great pleasure to visit the United States, but I very much regret that the demands upon my time are such as to make it impossible for me to promise to visit your convention this year."

(First published March 19, 1920)  
CITATION BY PUBLICATION

The State of Texas to the Sheriff or any Constable of Hansford County, Greeting:

You are hereby commanded to summon T. W. Henderson by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the Thirty-first Judicial District; but if there be no newspaper published in said judicial district, then in a newspaper published in the nearest district to said Thirty-first Judicial District, to appear at the next regular term of the District Court of Hansford County, to be holden at the court house thereof, in Hansford, on the third Monday in April, A. D. 1920, the same being the 19th day of April, A. D. 1920, then and there to answer a petition filed in said court on the 13th day of March, A. D. 1920, in a suit, numbered in the docket of said court No. 204, wherein The First National Bank of Spearman, plaintiff, and T. W. Henderson, defendant, and said petition alleging suit upon three promissory notes, dated on June 7, 1919, being notes No. B1152, B1153, B1154, each for the sum of \$3,000.00, \$1,426.00 and \$2,500.00, respectively. Each payable to E. J. Thayer at the First National Bank, Hansford, Texas, 90 days from date, with interest from maturity at the rate of 10 per cent per annum, each note providing for the usual 10 per cent attorney fees and signed by T. W. Henderson and secured by a chattel mortgage on 174 cattle, 9 head horses and mules and an undivided  $\frac{2}{3}$  interest in 65 acres of oats and barley on the Jack Hatcher place, Hansford County, Texas; also to foreclose an attachment lien upon the undivided interest on the defendant in all of Section No. 4, in Block No. 1, Certificate No. 17-180, BBB & Co. original grantee, situated in Hutchinson County, Texas.

Plaintiff alleges that said notes and the chattel mortgage securing the same were transferred to it by the said E. J. Thayer for a valuable consideration long before the maturity thereof.

Plaintiff prays for judgment against the defendant for its debt, interest and attorney fees, also for a foreclosure of its mortgage upon said personal property, and its attachment lien upon said real estate, for order of sale, for costs and for general relief.

For a more particular description of the plaintiff's cause of action and relief prayed for, see plaintiff's original petition now on file in the office of the district clerk of Hansford County, Texas.

Herein fail not but have before said court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said county, at office in Hansford this 15th day of March, A. D. 1920.  
R. L. McCLELLAN,  
Clerk District Court, Hansford County.

**BAPTIST CAMPAIGN WILL EMPHASIZE EVANGELISM**

The new campaign which the Baptists of the state are to conduct during the next sixty days will emphasize the winning of souls, according to a statement issued by Dr. F. S. Groner, of Dallas, the general secretary of the Baptist Executive Board. Though an effort will be made during the latter part of April to increase the subscriptions to the 75 million campaign to the sum of 100 millions, the effort will largely be confined to churches that were not reached in the other campaign, and the evangelistic feature of the campaign will be stressed. Simultaneous revival campaigns

in the larger cities in which all the churches will conduct their meetings at the same time, are planned during the next two months. "The campaign for the 75 million was a glorious success," continued Dr. Groner in his interview. "More than ninety millions was subscribed, and with this encouragement it was decided to attempt to reach \$100,000,000. However, this effort to reach this huge sum will not in any way interfere with the main object of the campaign to reach the unevangelized of the state. It is planned that in the period of March and April, every church of the cities and larger towns will hold special revival meetings. The smaller churches of the country will probably prefer to hold their evangelistic services in the summer and early fall. To meet this preference, the summer months of 1920 were designated for the evangelistic period for the smaller churches."

**IN CHARGE OF ORGANIZATION**

Director of Division Loaned to the American Legion by War Camp Community Service.

Russell G. Creviston, director of the organization division of the American Legion at national headquarters, Indianapolis, has been loaned for that purpose by the War Camp Community Service, with which organization he served as executive secretary in Minneapolis, prior to his affiliation with the Legion.

A Hoosier by birth, Mr. Creviston enlisted in May, 1917, in Company E of the Fourth Indiana Infantry. He served as a private in this company for three months when he was elected as a candidate from his company to the second officers' training corps at Fort Benjamin Harrison, Indiana. Commissioned as a first lieutenant of infantry, he was given complete charge of the administration co-ordination section.

On April 5, 1918, he was selected by the committee on education and special training to help in the organization of a vocational training system. In this connection, he was transferred to the inspectors' division and given charge of the states of Iowa, Minnesota, Nebraska, North and South Dakota, where he established various student army training corps.

Upon the completion by the war department of the S. A. T. C. movement, he was transferred to the general staff and put in charge of the ninth district commission on training camp activities, with station in Kansas City, Mo. In this capacity he covered nine states of the Middle West, during which time he was charged with the bettering of conditions within the camps and non-camp cities that bear direct relation to the demobilization period. He was discharged June 7, 1919, and accepted a position with the War Camp Community service.

**MILLIONS IN U. S. OWN RAILROADS**

Wage Earners Directly and Indirectly Affected by Roads' Solvency.

**DIVISION OF SECURITIES.**

Mutual Savings Banks Owned Entirely by Depositors Hold Large Amount of Railway Bonds.

Millions of thrifty Americans who have laid aside something for a "rainy day" are directly or indirectly owners of railroad securities. This ownership represents not only individual investment in the railroads, but holdings of railroad securities by life insurance companies, savings banks, fire and marine insurance companies, benevolent associations, educational institutions, trust companies and State and National banks. A large part of the assets of these institutions depend on the solvency of the railroads.

The ownership of railroad securities among these people is divided approximately as follows:

Individuals, numbering over 1,000,000, own outright about \$10,000,000,000 in railroad securities. Over 600,000 are stockholders with an average holding of \$13,956.

Life insurance companies, with \$3,000,000,000 policies in force, own nearly \$2,000,000,000 of railway securities.

Savings banks, with 10,000,000 depositors, own \$847,000,000.

Fire and marine insurance companies, casualty and surety companies own a total of \$649,000,000.

Benevolent associations, colleges, schools, charitable institutions, etc., own \$350,000,000.

Trust companies, State and National banks own \$835,000,000.

According to statistics compiled for the Association of Life Insurance Presidents in 1918, 27.65 per cent of life insurance companies' assets were invested in railroad bonds, and during the first half of 1919 the percentage of railroad bonds held by the life insurance companies was 26.25 of the total assets of these companies.

**Interest of Wage Earners.**

In addition to this widespread ownership of equities of American railroads by the people of the United States every wage earner who puts money into the savings bank has a direct interest in the soundness of railroad investment on account of the large part of the savings of men and women wage earners secured by the railroad bonds which are bought by the savings banks.

A great many of these institutions are mutual savings banks which have no capital stock, pay no dividends, earn no profits for stockholders, and their entire property belongs to the depositors. Every dollar that the bank earns beyond the actual cost of doing business also belongs to them.

The report of the United States Comptroller of the Currency for 1918 shows that 625 of these savings banks operated on the mutual plan had at the end of 1918 total deposits of \$4,422,066,393.15 credited to 9,011,464 depositors, an average deposit of \$490.72. These figures covered mutual savings banks in 18 states of the Union.

The Comptroller's report gives the amount of railroad bonds held by mutual savings banks in the six New England states—Maine, New Hampshire, Vermont, Massachusetts, Rhode Island and Connecticut—as \$406,272,163. The report of the State Superintendent of Banks of New York shows that the railroad bonds held by the mutual savings banks at the end of 1918 in New York amounted to \$361,711,334.
