

# Powell, Lamarr Starred At Ritz Theatre Sun-Mon.

Horoscopes and telescopes play an important part in M-G-M's delightful domestic comedy, "The Heavenly Body," now at the Ritz theatre. William Powell and Hedy Lamarr star in the hilarious tale of an astronomer's wife who takes up astrology. James Craig is cast as the willing third angle.

William Powell is a professor of astronomy who has discovered a new comet. When he must work at night on his discovery his wife, played by Miss Lamarr, becomes bored. Under the influence of a neighbor she takes up astrology and Bill's troubles then begin.

Things reach a head with the prediction Hedy will meet "the true love of her life" during a certain period. Just at the deadline, Air Raid Warden James Craig knocks at the door. He meets all specifications and Hedy prepares to divorce Bill and fall in love with Craig. Complications arise when Craig decides he is not at all unwilling to become Hedy's second husband and sets out to thwart Bill's frantic attempts to make his wife see sense. And it's a merry time for the audience until Hedy discovers her heart is more reliable than her horoscope.

Filmdom's most glamorous glamour girl shows she can do more than look beautiful on the screen. In fact, Hedy demonstrates she is a very capable comedienne. William Powell handles his role with all the skill at his command and is screamingly funny as the harassed husband. James Craig strolls comfortably through his role as the willing-unwilling other man. He acts easily and gracefully and one can readily see why Hedy found so little difficulty in deciding that she could love him.

In the cast are Spring Byington as the busybody neighbor and Fay Bainter as the astrologer. Henry O'Neill, and Robert Sully, a handsome newcomer, are seen as Powell's fellow astronomers.

The film was directed by that master of comedy, Alexander Hall.

# Action in Arabia Shows Sun.-Mon. At The Lyric

International intrigue to control the desert tribes is the basis of "Action in Arabia," RKO Radio's new romantic drama with George Sanders, Virginia Bruce, Lenore Aubert and Gene Lockhart. Sanders plays an American newspaperman and Miss Bruce a mysterious woman, the two matching their wits when Nazi agents endeavor to take over authority among the wild tribesmen and use them against the Allied forces.

In Damascus two American war correspondents are interested in the actions of a mysterious Frenchman, Leroux, Chalmer, played by Robert Anderson, is killed following Leroux, and Gordon, played by Sanders, grimly decides to unravel the puzzle of his friend's death. His efforts are opposed by the beautiful Yvonne, who is a Free French agent, and by the American Legation officials. However, Gordon finds that Leroux is secretly inciting the Arabs to revolt by double-crossing their revered and elderly leader, Abd-el-Raschid.

How Gordon narrowly escapes death by assassination and convinces the old Sheik of the truth provides exciting drama. Sanders has one of the best roles of his career, and Miss Bruce supplies plenty of suspense and romance as Yvonne, H. B. Warner as the Sheik, Lenore Aubert as his daughter and Gene Lockhart as a secret service agent, mingle in the romantic and exciting events.

Leonide Moguy directed "Action in Arabia," produced by Maurice Geraghty from the Philip Mac-Donald - Herbert Biberman screenplay, said to be unusually vivid in its revelation of the persistent activities of Nazi agents in the Near East. Robert Armstrong, Alan Napier, Andre Charlot, Marcel Dalio, and Jamel Hannon are also in the cast.

"Action in Arabia" presents one of the most spectacular climaxes ever filmed. Thousands of Arab warriors and hundreds of charging camels are featured in an uprising in the heart of the desert.

**Exciting**—A scene in which Marlene Dietrich takes the beating of her life in "Pittsburgh," co-starring Randolph Scott and John Wayne at the State theatre Sunday and Monday.

# "Pittsburgh" Showing At The State Theatre

"I am not going to let my children see this picture," John Wayne made that statement during the production of Universal's "Pittsburgh," in which he co-starred with Marlene Dietrich and Randolph Scott. The film is now at the State Theatre.

"There's nothing in the feature that is bad for any other children," Wayne explained. "But for mine—no. You see, they believe that I actually do everything they see me doing on the screen. And I certainly don't want them to think I'm the kind of a guy I portray in this one."

Wayne appears in one of the few "heavy" parts of his entire career in "Pittsburgh"—a man who rides rough-shod over everyone else in order to advance his own career. The fact that he undergoes a change of heart before the final "fade" will cause most audiences to forgive him.

But he was afraid his own youngsters might remember the bad things he does as well as the good. So he decided not to take any chances.

"I took a chance once and let them see a picture in which I was a 'heavy,'" Wayne recalled. "And for three days afterward they peered at me from behind chairs. Finally my oldest son came up to me and asked, 'Did you really kill that pretty lady like we saw you in the picture?'"

"I don't want anything like that happening again," the actor told Lewis Seiler who directed "Pittsburgh."

Supporting Wayne and his co-stars is an impressive cast which includes Frank Craven, Louise Allbritton, Shemp Howard and other well known cinema players. The film is a Charles K. Feldman Production.

Interpreting The War News—

# Invasion Jitters Rampant In Europe; Spotlight On Mid-May

By KIRKE L. SIMPSON  
Associated Press War Analyst.

Invasion jitters running rampant through Hitlerized western Europe from Norway to the Franco-Spanish border this week and stirred Nazi conjecture that mid-May will see the crisis reached at last and the battle joined. The tides in the North Sea and the English Channel would seem best suited about then to the great Allied adventure that could end the war in Europe this year. Other factors such as weather orients which could govern the actual Allied jump-off from Britain are not down in the books for all to read.

Half way around the earth,

however, under the shadow of the towering Himalayas in northeastern India and northern Burma, there is no doubt as to the significance of the new season. The southwest monsoon can be timed like a railroad train once its first gust sweep across the Bay of Bengal, to eventually crash against the Himalayas and let loose deluges.

That is due to happen by May 15, with the monsoon onset, frustrated Japanese invaders of India will be cut off from their upper Burma bases and escape routes by flooded rivers and valley quagmires. Their fate seems sealed even now. Allied armies on the Imphal plain in India are reported on the attack westward. The great rains will no doubt impede their pursuit of the foe into Burma through sodden jungle tracks. But such of the estimated three-division army as makes its escape to the Irrawaddy can be in no shape to cope with Allied forces pioneering the Leda supply route to its junction with the old Burma road to China.

Japanese leadership gambled heavily on that "invasion" thrust across the upped Chindwin river in Burma into India; and it has lost. Planted before the wet monsoon struck, it might have held up for months the promised increased flow of Allied munitions and battle equipment including expanded air powder for China.

There are with the monsoon has been lost and with it the bulk of the Japanese army in northern Burma as an effective fighting force.

## Plans Completed For Liquidation Of Nazi Control; 'Big Three' To Have Say

LONDON, May 6 (AP)— Allied plans for occupation of Germany and the full liquidation of Nazi control have nearly been completed by the European advisory commission, with the possibility that final approval will be left to a new meeting of the "big three," it was disclosed today.

Working slowly and secretly since its creation in Moscow, the commission has ignored sharp criticism from several quarters for its refusal to take up what it regards as side issues and has concentrated on the basic problems which will arise when the German government topples.

Except for broad general terms details of the plans to handle those problems probably will remain secret until after the armistice lest they be twisted and distorted by enemy propaganda.

A first hand report of the commission's progress was carried back to Washington by Edward H. Stettinius Jr., American under-secretary of state. It was also understood that the state department and President Roosevelt were collecting from highly placed American sources detailed information on the Russian angles.

## Traffic Injuries Are Still High

AUSTIN, May 6 (AP)— March traffic accidents in Texas killed 80 persons and injured 335.

This compared to 86 fatalities and 265 persons injured in the same month last year, the public safety department reported. While fatalities for this year to date are fewer than those in the same period last year—252 compared to 270—the number of injuries is on the increase.

### Stock Market Has Week Of Recovery

NEW YORK, May 6 (AP)—On the best Saturday volume in a month, the stock market today finished a relatively strong recovery week with a slight tendency toward irregularity.

While liquors and scattered specialties climbed 1 to more than 2 points in the final session, profit taking and trimming of accounts for weekend insurance stemmed the rising tide generally.

The Associated Press 60-stock average was unchanged at 51.9 but for the week showed a net advance of .8 of a point. The industrial composite during the six-day stretch gained 1.4 points and had not suffered a losing session since April 24. The total of \$30,810 in today's session com-

pared with 245,630 last Saturday. Peaks for 1944 were reached today by Park & Tilford, Austin Nichols common and preferred and Atlantic Refining. Modest plus signs were attached to Dunhill International, Chrysler, U. S. Steel, Texas Co., Sears Roebuck, International Harvester, Du Pont and Douglas Aircraft. Losers included Santa Fe, Southern Pacific, Bethlehem, Anaconda, Good-year, Montgomery Ward, American Can and J. C. Penney. Bonds were a trifle uneven. Childs Co. preferred in the curb swung up 6 1-2 points in addition to yesterday's sharp rally. Cities Service preferred gained 2 1-2 and the "BB" preferred of the same company was up 3 1-2 as the SEC ordered the concern to divorce itself from either the utility or oil business.

### Ralston In Race For Constable

Johnny Raiston announced Saturday that he would be a candidate for the office of constable of Precinct No. 1, subject to action of the democratic voters. He made this statement:

"In view of the fact that I am too old for the armed forces of the United States, and wishing to be of service on the home front in a field of work in which I think I am qualified, I herewith submit my announcement for the Office of Constable, of Precinct No. One.

"I am 43 years of age and have served in the capacity of deputy constable for the past 2 years, my service, such as, is open for inspection, and I invite full investigation, you the people, whom I have served in the capacity of an officer, know whether or not I have performed these duties in such a way as to merit the confidence you would bestow on me in electing me to this office. It is department, and believe that as such, I will be in a better position to render the type of service to which the people are entitled."

"I still consider myself a young man, and having chosen to cast my lot with the law enforcement agencies, I will work diligently, and conduct this office in an efficient and impartial manner.

"Anticipating and soliciting your active influence from now to the election, and your vote on election day. Respectfully,  
JOHNNY RALSTON

### Lockers Being Shipped For Big Spring Plant

All-metal lockers to be used in the Big Spring Locker plant will leave St. Louis on Wednesday, officials of the Midwest Metal Manufacturing Co. advised Saturday.

"Thus, it is hoped that they will arrive here by May 15 and that installation may start immediately thereafter. Harris and Beeman, Fort Worth, contractors for the job, will be ready to make the installation.

The remainder of the plant at 100 Goliad is in readiness for operation, said Marvin Sewell, owner. He has tested all refrigeration equipment and Friday had the quick freezing facilities temperature. Anticipating operation of the locker system within a month at the most, Sewell has started his pork curing department in operation.

### Hooser Makes Race Statement

In a statement regarding his candidacy for the office of county attorney, H. C. Hooser said Saturday that he believed his experience in practice and his acquaintance with the public qualified him for the post.

Hooser served three months as assistant county attorney in 1941, handling the office at the expiration of Joe Faucett's term. He made the race in 1942 for the office.

He holds an AB degree from Baylor and had his law work there before taking the bar examination. Hooser moved his family here in 1928 and has been in active practice since. Until a few months ago he served as a member of the Howard county selective service board, resigning to make the race for county attorney.

"I believe," he said, "that I know how to work with the office, and that I am familiar from actual experience in the office with the duties of it. I will give fair, honest and steadfast service in the office."

### Suggests Organization By Mexican Nationals

CHICAGO, May 6 (AP)—Dr. Ernesto Galarza, Washington, director of the Pan-American Union's labor division, suggested last night at a Cinco de Mayo observance by 3,000 members of the Mexican colony of Chicago that the 3,000,000 Mexicans living in the United States should "form a national organization" to seek economic equality and education for themselves.

He declared organization now was necessary for the welfare of Mexican youth, and added, "as it is now they are, neither Mexican nor American. They have no culture and are going to pot. They grow up to be suit-suiters and worse."

Dr. Galarza also expressed alarm for Mexican workers in the United States, especially in the west, who, he said, were paid a lower wage scale for the same work "because their skin is darker," and whose problems range from poor food to inadequate housing.

### Dairy Payments Hit New Peak

A total of \$4,442.46, by far the largest amount issued in any single week in Howard county for dairy feed payments, was paid to farmers by the Howard county AAA office during the last week.

The increase was due partially to the increase in milk and butterfat subsidy payments which went into effect during the March-April period and to the fact that an influx of applications for those two months has occurred since payments for the period opened May 1.

All of the payments were for March and April except \$6.88 paid in response to three applications based on February sales. Sixty-four applications for March-April payments listed sales of 6,577 hundredweight of whole milk and 6,120 pounds of butterfat. Increased payments which went into effect March 1 were 80 cents per hundredweight sales of whole milk, 10 cents higher than previously, and 8 cents per pound of butterfat, 2 cents higher than previously.

### Three Charged In Theft Of Coupons

Three men were arrested and charges filed in Federal Court in Abilene Thursday charging them with illegal possession of gasoline coupons, the Office of Price Administration announced today.

ministration investigators, arrested L. A. Crawford and L. T. Crawford, both of Lubbock, and E. A. Brookshire, Colorado City, in Abilene Thursday. In their possession were found 5840 serially-numbered "R" coupons which had been stolen from the Ration Board at Farwell the night of February 16.

In addition to the 5840 coupons, the men had in their possession others that appeared to have been torn from gummed sheets, indicat-

ing that they had been stolen from a filling station, the OPA Enforcement Division announced.

### Combat Deaths Already Exceed World War I

NEW YORK, N. Y.—America's combat deaths in World War II are already greater than in the first World War, according to Dr.

Louis I. Dublin, third vice-president and statistician of the Metropolitan Life Insurance Company. In the first World War, about 53,000 of our men lost their lives in action or died of their wounds. For the present war, the latest announcements of the War and Navy Departments show nearly 45,000 known dead. But when to this figure are added the deceased among the 72,000 wounded and the large number of dead among the 42,000 missing,

the actual toll in our armed forces certainly exceeds that for the first World War.

### Guard Company Has Busy Week

Texas State Guardsmen last week went through a variety of drills, and officers pointed out that there was still time for new enlistees to get in some valuable training in time for battalion maneuvers.

Date has not been set pending receipt of rifles due to be furnished the various companies, including the Big Spring unit (company E) of the 34th Battalion. Joining now, Capt. H. L. Bohannan pointed out, recruits would have time to get in some fundamentals in time of benefit by the bivouac.

Last week there was one enlistment, James P. Womack. The company practiced guard mount, charging the guard, had instruction in interior guard duty, went on a short march with full pack, pitched tents, displayed

### Increase Indicated In Kimble County Wildcat

By JOHN B. BREWER  
SAN ANGELO, May 6 — Increased oil yield attributed to the districts most easterly Ellenburger wildcat — Phillips Petroleum No. 1 Mrs. Robert H. Spiller, a "tight" operation—and indicated extension of the Keystone Ellenburger field in Winkler county 1 1/2 miles southeast by Gulf Oil Corp. No. 46-F Keystone were among principal West Texas oil developments this week.

Wildcat locations included one each in Upton, Reagan, Howard and Yoakum counties.

Phillips No. 1 Spiller in northern Kimble county near the Menard county line, in sec-

tion 10, H. W. Choise survey, was shut in after being swabbed in and filling two slush pits with fluid, most of it 24 gravity crude, according to reports that lacked official confirmation but were considered reliable. The strike, bottomed at 2,402 feet, was estimated good for 200 to 300 barrels daily. The low followed treatment with 1,000 gallons of acid.

Gulf No. 46-F Keystone, southeast extension to the Keystone Ellenburger field in Winkler county, C SE SW 6-B-2-pst, flowed 20 barrels of distillate and rated a peak of 9,433,000 cubic feet of gas daily on a one-hour drillstem test from 9,250 to 9,367 feet. Obtaining more pan in deepening, it again flowed 20 barrels of distillate and rated a maximum of 8,915,000 cubic feet of gas daily on a 45-minute drillstem test from 8,367 to 9,477 feet. Drilling continued below 9,486 feet.

The Ellenburger top, 9,250 feet, 6,279 feet below sea level, was correlated only 15 feet lower than in the pool opener, Amon G. Carter and Pure No. 2-C J. B. Walton, Warren Petroleum Co. No. 1 M. W. Fowler, first Coke county wildcat to explore the Ellenburger, swabbed four to five barrels of pipeline oil hourly for several days after reacidizing with 3,000 gallons, bottomed at 6,412 feet, to which point it had drilled out after plugging back from 6,425 feet to shut off salt water. When re-treated with 10,000 gallons of acid, however, it swabbed salt water with only a scum of oil. Location is the C NW NW 275-1A-H&TC, two miles southwest of Blackwell.

Phillips Petroleum No. 1 Ada C. Price, southeastern Pecos county wildcat which set a new world's depth record in passing 15,004 feet, was reported running 5 1/2 inch casing to test a high pressure gas zone around 11,561 feet offering production possibilities. Both the Simpson, topped at 13,100 feet, and the Ellenburger, entered at 15,075 feet, were barren. All data was unofficial. No. 1 Price is in the C SW NW 11-101-TCRR, 25 miles southeast of Fort Stockton, and has elevation of 3,287 feet.

Shell No. 1 Atlantic, C SW SE 101-11-H&GN, east offset to Bryce McCandless' opener of Pecos county's fifth Ellenburger pool one mile southeast of Owego, swabbed one barrel of oil hourly after treating with 3,000 gallons of acid through perforations from 4,006-16 and 4,036-41 feet.

Topping the Ellenburger low at 4,258 feet, 1,747 feet below sea level, Magnolia and others' No. 1-A Lamar, south offset to the McCandless strike, had shown only slight porosity in coring to 4,285.

The Texas Co. No. 1 Charles W. Hobbs estate, southeastern Crane county wildcat, found the Silurian barren in testing through perforations from 5,670-85 and prepared to test the section between 5,267 and 5,390 feet from which the first production in Texas from the Devonian was indicated. Location is the C N N 46-35-H&TC.

# Concert Opens Annual Music Week Observance

"Use Music to Foster Unity for the War and the Peace to Follow" has been chosen as the theme of National Music Week, May 7-14, which this year is entering its third decade.

In 1940 the movement was broadened into National and Inter-American Music Week, and there is every prospect that it will soon become inter-national in scope, unrestricted by geographical boundaries.

The initial program in observance of Music Week in Big Spring will be presented at the city auditorium this afternoon at 8:30 o'clock under the sponsorship of the Music Study club.

Featured in the concert will be Miss Ernest Hock, soprano, Elsie Willis, pianist, and the Women's Chorus, composed of nine local women.

Mrs. Hock will open the afternoon presentation with three songs "Youth and Spring" by Steinel, "Still As the Night" by Bohm, and "Beautiful Dreamer" by Foster, and Miss Willis will play three piano selections "Waltz in E Minor" by Chopin, "Impromptu op. 142 No. 2" by Schubert and "Ballade op. 118 No. 3" by Brahms.

The following vocal selections

and "Aria" "Hear Ye Israel" from "Elijah" by Mendelssohn. Miss Willis' last selection will be "Punch" by Villa-Lobos, "Dancing Doll" by Poldini and "Hungarian Rhapsodie No. 6" by Liszt.

## Special Service To Be Held Today

Special services are scheduled at the East Fourth Baptist church today honoring over 50 Junior and senior high school students of the church.

The Rev. W. H. Colson, pastor,

announced Saturday that he would speak on "Building a Life" and a special solo, "Why Should He Love Me So" will be sung by Leslie Cathey.

Dan W. Conley band director

The Women's chorus, directed by Mrs. Wiley Curry with Roberta Gay, as accompanist, will sing "Dance Ye Gypsies" by Brahms, "Carmenita" . . . Ar. Riegger, with soprano solo by Mrs. Fred Schmidt; "Lawdy, What A Lonesome Day" by Margaret H. MacRae and "The Elephant and the Chimpanzee" by Hattie Louise Sims.

Members of the chorus are Mrs. A. H. Brown, Mrs. E. B. Blackburn, Jr., Mrs. Fred Schmidt, Mrs. Ray Clark, Mrs. William W. Silew, Jr., Mrs. Bill Daves, Mrs. Harold Runyan, Kathryn Molloy and Edythe Gay.

Thursday evening, the eighth grade chorus of the Big Spring high school, under direction of Kathryn Molloy, will present a musical program at the city auditorium, and sextet numbers will be featured. Mrs. Wiley Curry will play piano accompaniment.

High School Band

The eleventh annual concert of the Municipal high school band will be presented at the city auditorium Sunday afternoon at 3 o'clock under the direction of Dan Conley, director.

Guest director will be Frank Wentz and co-captains will be Charles Prather, Barney Jo Carr.

The Junior Music Study club is to entertain with a twilight tea at the First Presbyterian church Tuesday evening at 8:30 o'clock for mothers of the club and members of the Senior Music Club. A special musical program is to be presented by the Junior group.

Concluding observance of Music Week is scheduled on Saturday, May 13th when the Allegro Music club will entertain with a morning musical in the home of the sponsor, Mrs. Omar Pitman.

Mrs. C. W. Norman is general chairman of the affair, and a cordial invitation has been extended to all music lovers to attend all programs at the auditorium.

## Music Week Proclamation

WHEREAS, President Franklin D. Roosevelt and other high officials of the United States have recognized the great value of National and Inter-American Music Week by endorsing its generous observance; and

WHEREAS, it is recognized that the cultural growth of any city is synonymous with the enrichment of its community and individual life, and that a better understanding and appreciation of good music is one of the best means of this enrichment; and

WHEREAS, observance of Music Week this year stresses programs where local musicians, the high school and the Junior musicians are given due credit for their studies and accomplishments, so that appreciation now and enjoyment of music is put on its widest basis.

NOW THEREFORE, I, as mayor of Big Spring, do hereby set aside and proclaim the week of May 7-14 as MUSIC WEEK in Big Spring, join individuals and organizations in promoting the success of its observance, and call upon all citizens to assist likewise, to the end that the cultural standards of our city may be maintained and improved.

(Signed) G. C. DUNHAM  
Mayor of Big Spring.

## Delegate Lay Plans For District Meet In Stalin

Three delegates representing the Home Demonstration Club of Howard county will attend the annual meeting for the sixth district of Texas Home Demonstration association which will be held in Stanton on Thursday, May 11th.

Delegates include Mrs. Edwin Simpson, Mrs. W. H. Ward and Mrs. Elmo Birkhead. They will be accompanied by approximately 40 other persons representing clubs in the county, according to announcement Saturday by Miss Beba Merie Boyles, HD agent, who will also attend.

Keynote of the annual meeting will be "Produce More in 1944," and the party will be held in the First Methodist church with Mrs. John B. Yancy of Tom Green county, conducting the business sessions.

Following registration at 9 a. m. the general session will get underway at 10 o'clock with the Rev. Wayne Cook of Stanton giving the invocation.

Welcome Address

Welcome address will be given by County Judge B. F. White of Stanton and welcome for club women will be given by Mrs. Otis Davidson of Stanton. Response will be given by Mrs. Howard Jones of Ector county.

Principle speaker of the morning session will be Miss Ruth Thompson, director of home demonstration work from the extension service of Texas A & M college. Also scheduled to speak is Senator Penrose Metcalfe who will discuss the Joint House Bill 18.

Afternoon

The afternoon session will get underway at 1 o'clock and Mrs. W. G. Westbrook of Menard county will speak on "Education." A post-war planning panel will be directed by Mrs. Wilbanks of Christoval who will be assisted by members of Tom Green, Schleicher, Upton, Concho, Howard and Crane counties. Mrs. T. A. Delaney of Reeves county will be in charge of the soybean exhibit and a message from Mildred Horton, state home demonstration agent and Mrs. Leon Sullivan, state president, will be the featured talks of the afternoon.

A courtesy tea, sponsored by the Martin county council is scheduled Thursday afternoon.

## Losing Team Has Box Supper In Thompson Home

A team captained by Mrs. Lena Koberg entertained a winning team captained by Mrs. Fannie Carpenter, with a box supper in the home of Mrs. Gladys Thompson, recently, following a school of instruction in the local chapter of the Order of the Eastern Star.

The annual school of instruction was climaxed by the affair which also honored instructors Mrs. Brownie Dunning and Mrs. Nora Williamson.

Members of the winning team who shared boxes of food with the losers were Mrs. Carpenter, Mrs. Bonnie Allen, Mrs. Peggy Davis, Mrs. Ethel Lees and Mrs. Mae Dabney.

Losers were Mrs. Lena Koberg, Mrs. Gladys Dalmont, Mrs. Mattie Muneke, Mrs. Ruth Pittman, Mrs. Minnie Michael, Mrs. Gladys Thompson and Henry Williamson.

Guests attending were Mrs. Agnes V. Young and Mrs. Edith Murdock.

Wilma Jo Taylor left Friday for Stephenville to be with her sister, Mina Mae Taylor, student at John Tarleton College where "Little Sister" week-end will be observed.

## Frances Emory To Give Review Friday

"Journey in the Dark," Pulitzer prize winning novel by Martin Flavin, will be reviewed at the city auditorium next Friday evening by Frances Emory of Dallas, who is considered one of Texas' most outstanding reviewers.

The review will be presented here through sponsorship of the local chapter of the Business and Professional Women's club under auspices of the Book Stall, and is being presented to raise funds for the day nursery school project.

Miss Emory has been recognized as a dynamic speaker and is noted for the reviews which she has given during the past six other organizations in the state.

The book to be reviewed, which also won the Harper Prize novel award, is a sensitive and full-mentioned portrayal of American life. Martin Flavin has created in his novel a memorable character, by turns admirable, pitiable, tough,

noble, weak, futile and brilliantly effective, the character in the story mirrors thousands like him who have put their familiar stamp upon the American Way of Life.

Tickets to the review are being sold by members of the local chapter, and the review will begin at 8 p. m.

## Troop To Sponsor Mother's Day Tea

Brownie troop 17 will entertain with a Mother's Day tea in the parlor of the First Methodist church next Thursday afternoon at 3:30 o'clock.

Mrs. George French and Mrs. Iva Huneycutt, leaders, will assist troop members, and all mothers of Brownies in troop 17 are invited to attend.

REMEMBER MOTHER'S DAY — SUNDAY, MAY 14th

Sometimes the nicest things happen!

Yes . . . they do.

There was the time—long ago—when you skinned your knee riding your new bicycle . . . and you ran crying to mother's arms. You remember her quick sympathy that made everything magically all right again.

Then you got your first job. Remember that? How the pride shone in her eyes when you told her of your young ambitions. You gave her five dollars as your share of the household expenses. And promptly borrowed it back again that night.

Then the war came. And because you were a top-notch, they put you to work in a war plant, hundreds of miles from home. You've been working at top speed ever since, doing your share for victory.

Maybe you've been so busy that you've forgotten that Sunday, May 14th is her day. But she knows you'll remember . . . you were her favorite.

You can make it the brightest day of the year for her. Select a gift of jewelry from this store. We'll wrap it for you . . . mail it for you . . . and enclose your personal greeting card. And if you're on time, your gift will be on time for Mother's Day.

# Annual Round Up Expected To Attract 1,000 Boy Scouts

More than 1,000 scouts and leaders are expected to attend the annual Round-up of the Buffalo Trail council next Friday and Saturday at the encampment east of the municipal golf course.

H. D. Norris, field executive and general director of the event, reported Saturday all preparations were nearing completion, including plans for a barbecue to be given Saturday noon by Big Spring residents.

Scouts from more than 30 communities in counties from Stone-wall to Reeves are to attend. Some are expected Thursday, but the main influx is expected Friday.

Boy Scout troop 2 attended camp Friday night, making preparations for this week's Buffalo

Trail encampment. A practice contest was held under leadership of Jack Roden and Charles Watson.

P. V. Thorson, who began duties as scout executive of the Buffalo Trail council with headquarters at Sweetwater April 13, has been in professional scouting 18 years.

He had been assistant scout executive at Houston two and one-half years. He attended the University of New Mexico and studied law at La Salle Extension university. He is a graduate of the 10th national training school and holds the highest (third) degree for scout executive. He and Mrs. Thorson have three sons, Playford

P. V. THORSON  
V., Jr., 18, who is in the army air corps; Teddy, 16, and Stephan, 8.

Mrs. Thorson and the two younger sons are in Albuquerque, N. M., and will join Thorson at close of the school term. Thorson replaces S. P. Gaskin, who has been commissioned lieutenant j. g. in the navy.

Several men from Big Spring district are among 20 of the Buffalo Trail council planning to attend the troop camping institute for leaders at Philmont scout ranch near Cimarron, N. M., May 19-21. Those from this district are Dr. P. W. Malone, Dr. W. B. Hardy, Elton Taylor, W. D. Soccit and Justin Holmes.

Troops 10, 14, and 18, of Lenora, Stanton and Courtney, attended a monthly camp Friday night at the Priddy ranch eight miles south of Stanton, said Norris. Leaders present were Grover Springer, Lenora; John Priddy and John Hamilton, Stanton, and J. W. Graham, Courtney.

## Demo Keynote To Be Named As Soon As FD Returns To Capital

WASHINGTON, May 6 (AP)— Selection of a democratic convention keynote probably will be made as soon as President Roosevelt returns to Washington and party leaders were reported today to be considering Gov. Robert S. Kerr of Oklahoma, among others, for the post.

The Oklahoma governor conferred with National Chairman Robert E. Hannegan here this week and told reporters that while he was "not an applicant for recognition" he would be glad to undertake any campaign task the party leadership assigns to him.

Kerr was one of several under consideration, including Senate Democratic leader Barkley (Ky.), who keynoted the 1932 and 1936 conventions, Ambassador to Chile Claude Bowers, the 1828 keynoter, and Chairman Truman (D-Mo.) of the senate's war investigating committee.

There has been talk also of Truman as permanent chairman of the convention, a post that most party members expect to go to a member of congress if a governor is chosen for the keynote address.

Hannegan is understood to be in search of a new personality for the keynote and Kerr apparently fills the bill. The Oklahoma governor, national committeeman from his state, is an ardent advocate of a

fourth term for President Roosevelt.

As another factor, Kerr comes from a state that might be considered in the doubtful column in the presidential election, although the governor himself is confident that President Roosevelt could carry it.

Party leaders indicated that the president will be asked to make a final decision on the temporary and permanent chairmen, although an arrangements committee to be named by Hannegan will make the final choice.

## Sgt. Aubrey Lea Is Prisoner Of Germans

A card from her son, Sgt. Aubrey W. Lea, stating he is a prisoner of war was received Saturday by Mrs. Eula Lea of 2200 Nolan St.

Sgt. Lea had been reported missing by the war department Feb. 4.

His card stated, "I am a prisoner in German captivity but in perfect health. From here I will be transported in the next few days to another camp, the address of which I will give you later. Only there I can get your letters and reply to them." The card was from a transit camp for prisoners of war.

**Ambassador To Russia Back For Consultation**

WASHINGTON, May 6 (AP)— W. Averell Harriman, United States ambassador to Russia, arrived in Washington this afternoon for consultations with American officials.

Presumably the Russian attitude toward practical participation in a world peace organization will be discussed, and possibly the Russo-Polish dispute.

## Indians Upset Leading Browns In Opener, 3-2

CLEVELAND, May 6 (AP)—Roy Cullenbine blasted relief hurler Sigmund Jakucki's first pitch over League Park's right field screen to break an eight inning 2 to 2 deadlock and give the Cleveland Indians a 3 to 2 win over the league leading St. Louis Browns today in a delayed series opener.

The round tripper enabled Hal Kleine to gain his initial major league mound victory. The husky southpaw recruit shut out the Browns with two singles for the first six innings and gave up single tallies in the seventh and eighth. The Browns loaded the bases in the ninth on two singles and a walk but Kleine put down the threat by forcing Vern Stephens to pop out.

PHILADELPHIA, May 6 (AP)—Mickey Haefner limited the Philadelphia Athletics to four hits today as the Washington Senators registered a 5-0 victory, their second over the Mackmen in two days. Russ Christopher relieved Don Black on the A's mound in the seventh after five runs were in.

DETROIT, May 6 (AP)—The Chicago White Sox staged a four run rally in the ninth inning today to defeat the Detroit Tigers, 4 to 2, in the opener of a three-game series. Leroy Schalk's two-run single provided the winning margin.

NEW YORK, May 6 (AP)—Bud Metheny's single off Manager Joe Cronin's glove, with one out and the bases full in the eighth inning, gave the New York Yankees a 4-3 victory over the Boston Red Sox today, before 9,661 fans.

## Lt. Alexander To Get A Special Citation

Mr. and Mrs. Ben Miller have received word that their son-in-law, 1st Lt. Herbert Hayes Alexander, is to receive a special citation following service overseas as a bombardier with the 390th heavy bombardment group.

The citation is for service beyond line of duty in a raid over Schweinfurt, Germany on October 14, 1943.

Lt. Alexander was graduated from the Big Spring Bombardier School on April 4, 1943, and returned to the United States on April 2. He is the son of Mr. and Mrs. H. Alexander of Lockport, Ill., and is now stationed in Miami Beach, Fla.

Mrs. Alexander is the former Dorothy May Miller.

## Gen. Eisenhower Preparing For Biggest Show In History On Tunis Anniversary

By DON WHITEHEAD  
LONDON, May 6, (AP)—Tunis fell one year ago—on May 7, 1943—and the first anniversary of that Allied victory finds Gen. Dwight D. Eisenhower preparing his armies for the greatest gamble in military history—a smash against the continent of Europe.

The Kansas-born leader of the long-awaited invasion will be playing with gigantic stakes when his legions sail against the enemy. No other American general ever was called upon to risk so much in manpower, in ships, guns and material produced by the hands of American labor.

The fall of Tunis was just the opening scene in the tremendous drama now developing on this troop-packed island, from which the blow will be struck.

What the result will be none can say. But New Zealand Prime Minister Peter Fraser voiced a sober viewpoint when he told a London press conference "I cannot say whether the impending attack on Germany is to be a success. We all hope and believe it will be. If it is not, we will have to set our teeth and go into it again."

But the gamble will be made. All odds have been assessed in months of careful study, planning and preparation. All the risks have been calculated, even to the varying heights of the tides. Tens of thousands of troops and millions of tons of supplies and tools of war have been piled up in England in preparation for D-day.

And after studying the odds, Eisenhower and his generals are confident that the great gamble will succeed.

That confidence had its birth

in Tunisia when the American, British and French troops smashed the armies of Field Marshal Erwin Rommel and Col. Gen. Jurgen Von Arnim and captured 248,000 enemy troops.

The final crushing attack in Tunisia began at 3 a. m. on May 6, last year, after an armored division shifted from the Eighth army front to the First army, and the American second corps switched in secrecy to the north to drive against Bizerte.

Within 36 hours the Allied drive had crushed the German resistance. Bizerte and Tunis were swarming with Allied troops.

On that solid foundation of triumphs by Allied arms, Eisenhower began planning for the invasion from England, assembling armies and weapons.

One year ago Allied armies freed one continent of the enemy, and today they are preparing to free another.

Two women were charged with theft of two pints of whisky in a complaint filed Saturday in the court of Walter Grice, justice of peace. They had not been arraigned.

**The Pork Curing Dept. of The Big Spring Locker Co. WILL OPEN MONDAY**

**All Refrigeration Has Been Tested and Proved Satisfactory for Pork**

Due to the fact that the weather is getting warm and the scarcity of feed is being felt—we feel like there are many who would be glad to get their hogs cured now.

Everything is complete, tested and ready to go—except the Lockers have not yet been received—but we have been notified they were to be shipped this week and we expect to have them installed on or about June 1.

NOTE: The opening of the Curing Department has nothing to do with your rent on your Lockers. Your money is still being held in escrow and rent will not start until lockers have been installed and ready for use.

We will be equipped to slaughter your hogs at Sewell's Wholesale Meat, located on Oil Mill Road, North of Big Spring.

Dinner And Dance Held At Hotel

Sorority Insignia Used In Decorations Of Banquet Table

The annual Beta Sigma Phi sorority dinner dance was held at the Settles hotel Thursday evening following the Ritual of Jewels service directed by retiring president, Mrs. Harriette Smith. Taking the ritual were Lucille Burke, Gene Goin, Caroline Smith, Joyce Croft, Frances Hendrix, Muriel Lehman, Pat Dobbins, Gloria Nall, Elizabeth Murdock, Lee Ida Pinkston and Billie Frances Shaffer. The banquet followed and centering the table which was laid with cloth bearing the sorority

insignia, was an old fashioned bouquet of tallman roses. Plate favors were match folders bearing the insignia of the organization. The banquet program opened with the singing of "America" followed by an opening toast given by Sara Johnson. Frances Hendrix gave a toast to the sorority members in the Navy and Dorothy Willis read an account of the "roving chapter" which was in North Africa and is now stationed in Italy. Mrs. Smith, who is retiring president, was presented with a gavel. She also reported on the convention which was held in Dallas last Sunday. Pledge Ritual Those taking the pledge ritual which followed were Earline Read, Waneta Walker, Beatrice Stasey, Mayme Robertson and Mary Satterfield. The dance climaxed the initiation celebration.
