This & That

We are all the time getting into lobs that we know nothing about ealy it has a high sounding title, and no pay. Every once in a a while we discover ourselves to be Vice President's of something or other. Now, we discover we have a new job. How we got this job we do not know, nor who appointed us. It is 'Chairman Advertising and Publicity, Hansford County Saving Bond Comittee.' That is a lot of title. It is a good cause, but a poor chairman. Everyone I nthe county who possibly can should buy some of these Segreat danger as many seem to think, then the government is going to have to spend a lot of monome tax savings. As one of the unannounced feaures of the Spearman Celebrat ion Saturday April 24th, the mem bership of Spearman's Delphenium Flower club paid compliment and honors to three prominent Hansford county citizens, W. E McClellan, R. L. McClellan and Ted McClellan. The club in regular meeting expressed their appreciation of the fact that the Mc Clellan brothers, Lee and Bill of Spearman and Ted of Gruver had contributed materially to the civic beauty of our city, and the civic enterprise of the county when they arranged to have the hotel building remodeled and rebuilt into a modern two story building. To signify to home folk that we all appreciate the new building the club voted to tender a large bouquet of roses to the McClellan brothers. The roses were presented by Superintendent Ballengee on Main Street in Spearman just after the big parade Saturday. Good morning! Won't you come in? This is the friendly greeting extended to others by the home demontration agent, Vivian Vance of Hansford County. She likes to see you, talk with you, and help in any way she can.

demonstration women are doing in Hansford county is summarized below; Also, a few snapshots.

First, we keep in mind the two fold purpose of home demonstration clubs;

TO MAKE A LIVING IN THE COUNTRY .....

TO MAKE A LIFE IN THE COUNTRY

You can bet too, that the Hans ford county women are working toward club goals set forth for this purpose, for both the women and 4-H girls have done much to promote better living. There are seven organized H. D. Clubs in the county and four 4-H Clubs, having a total enrollment of 200. The names of the clubs and presidents are Medlin, Mrs. Virgil Hull; Hansford, Mrs. Ted Rosenbaum; Morse, Mrs. Henry Davis: Better Homes, Mrs. Richard Shedeck: Kimball, Mrs Elmer Ayres; Spearman, Mrs. Don Tustin, and Spearman Young Women's Club. Mrs. W. E. Sparks.

For the year 1948, the major demonstrations are Bedroom Improvement and Frozen Foods. Each club has at least one demonstrator and many cooperators. Below is one frozen food demonstrator who is a member of the Better Homes Club, Mrs. Deta Blodgett.

Step into new freedom, new luxury, new convenience...when you live electrically. It's the smartest, and most economical way to live today. With so many wonderful new appliances to make housework less tedious, and with electric service costing less than ever before... NOW'S THE TIME to graduate to better living electrically.

ack and Jill tore up the hill, Passed a car on the way; A truck coming down broke Jack's crown, And Jill a harp doth play.

Thousands of foolhardy Jacks and Jills ride to ruin over the center line of safety. Wrong-side-of-the-road driving ranks third as a cause of highway deaths.

A good driver develops a safety state of mind. He keeps to his own side of the road except when vision is absolutely clear ahead. Do you do this? Hills, curves and winding roads are death traps for the reckless and careless. Spend seconds to save livesthose in your car-and in the unseen car that may be coming!

# **Pope Gibner Gets** New Ford Can As Reward For Gift

Perhaps as reward for his ennthusiastic civic help in most any and all programs of the county. Pope Gibner was the contributor, to the VFW Memorial fund that received the new Ford Car at the Celebration Saturday. Pope was at home sound asleep, since he had spent the night before working pretty hard helping to prepare the barbecue that was served 3000 visitors and homefolk Sat.

Most humorous was the fact that Mrs. Pope Gibner could not believe the news that her husband had been given the new Ford Convertable, which was purchased by the VFW from the popular Woodward Motor Company of Spearman. Mrs. W J-Miller listening to the program across the street at the Repoter office, phoned Mrs. Gibner immediately after the decision was made. Margaret said in substance 'You surely wouldn't John Mills, Martha Scott, fool us about that would you.' She was finally convinced that the car belonged to her husband. and awakened him from his sleep to break the news to him.

Bike Regulations For Youths Urged To

Make Future Drivers Safety Conscious

Thousands of youngsters take to their bicycles every

year, swelling the ranks of America's cyclists to well over

9,000,000. On the basis of past records it seems tragically

certain that unless measures are taken for their protect-

does not rest on any single agent, nor can it be shifted a-

bout from one set of shoulders to another. The responsi-

# SILENT AS A PRAIRIE BIGHT

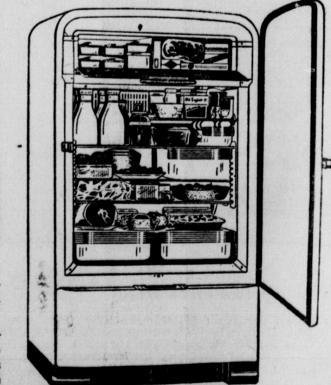

### SERVEL Stays Silent Because It Freezes With No Moving Parts!

Come see it-the famous Servel Gas Refrigerator with no motor, no valves, no piston or pump, no machinery, in its freezing system. Just a tiny natural (or liquid) gas flame does the work-with no noise, no wear. So Servel IS silent . . . STAYS silent. And, too, because the Servel Gas Refrigerator has no moving parts in its freezing system there's nothing to grind . . . to wear out. So Servel is longer lasting.

But that's not all . . . with Servel's silence and long life you also get the beauty of modern Servel styling. For Servel is beautiful . . . and, practical, too! It has every new convenience to save you marketing time, make food storage easier. Fresh foods and frozen foods are right at home in a Servel Gas Refrigerator retaining the wholesomeness and freshness so necessary to good, tasty eating.

More than two million families (thousands in the Panhandle) are enjoying silent Servel Gas Refrigeration today. Ask any of them, and they'll say, "Pick Servel. We know from ex-perience, it stays silent, lasts longer!"

And, for those of us in the Panhandle, Servel's operating cost is so small as to be almost negligible. That's because we are fortunately situated near the heart of the world's largest gas fields and so enjoy gas rates which are among the lowest in the entire nation.

The GAS Refrigerato. Only Servel offers so much . . . saves so much!

Is Servel Available? Of Course! Most Models Now.
