VOCATIONAL AGRICULTURE & FFA

It doesn't cost, it pays! The vocational agriculture and FFA educational program is vital to America, our local communities and to the industry of agriculture. This program has directly contributed to making our nation the world's leading agricultural producer by supplying a highly-skilled work force.

Vocational agriculture and FFA comprise an educational program in over 8,300 high schools which pays dividends to local communities in many ways. It pro-

vides skilled graduates ready to accept agricultural careers in their community. Earnings from the members' Supervised Occupational Experience (SOE) programs are invested back into the local economy. The program also prepares tomorrow's community leaders by providing students with leadership and communications training.

The nearly one half-million member FFA organization not only prepares students for careers in farming (production agriculture), it also provides them with skills

to enter careers in agricultural processing, sales and service, forestry, horticulture, natural resources and agricultural mechanics. The educational program is especially responsive to the manpower needs of the local agricultural industry.

Vocational agriculture and FFA are bluechip investments in three important basics of America's future: youth, education and agriculture. Your support will help ensure that vocational agriculture and FFA continue Keeping America on the Grow!

SHS Chorale gets it all!

Last weekend in Amarillo, Spearman High School Chorale participated in the Greater Southwest Music Festival at Amarillo College. They were awarded all the trophies that could have possibly been given to a High School Choir.

Chorale sang three songs: "Sing Praise to Christ", "Never Tell Thy Love", "A New Psalm" with a handbell accompaniment consisting of four very talented young ladies from First Baptist Church. These ladies were Carol Pack, Becky Baker, Judy Davis and Charla Friday, and we appreciate their help. For their efforts, Chorale received three straight First Divisions, the Outstanding A-AA-AAA Mixed Choir Trophy, the Overall outstanding A-AA-AAA Mixed Choir BVCA Trophy, and the GSMF Overall Outstanding Mixed Choir A-AA-AAA Traveling Trophy which has been won three times prior by Spearman.

Also competing was the Girls Choir singing: "When Spring is on the Meadow", "Velvet Shoes", "Holy Valley". For their efforts, the Girls

Choir was awarded a First Division in Concert, and Outstanding A-AA-AAA Girls Choir. Other groups performing and doing well were the Boys Choir and Celebrate.

Soloists competed on Saturday and five students received First Division Awards for their work: Shane Swenn, Shannon Rylant, Shalynna Harris, Lori Eaton, and Vernon Tindell. Other students who participated were Sara Blackburn, Vicki Hand, Anne Sheets, J. J. Schaffer, Jaime Garcia, Jenny Bynum, Jeff Vanlandingham, Will Black, Karen Cook, and Ciria Vela.

To all who participated this last weekend, CONGRATULATIONS!!! and keep up the good work. We are proud of all of you. These kids will be performing along with the Junior High, sixth grade, and fifth grade choirs on the Spring Concert Thursday night at 7:30, May 16th. There will be tickets sold at the door and by the students. Cost will be: General Admission of \$2.00, and no charge for preschoolers. You need to make plans to attend this final concert. It is going to be mighty fine.

20 days of the date the seller signed the title.

The tax collector processes the papers and provides the buyer with a temporary title receipt. If all papers are in order, the buyer will receive a new certificate of title.

If there is no lien on the vehicle, the buyer's certificate is labeled "original." If the vehicle is being financed, the buyer's certificate is labeled "duplicate original" and stamped "non-negotiable." The "original" copy goes to the creditor.

When the last payment is made, the creditor signs the release of lien on the "original" and gives it to the buyer. When this document is submitted to the tax collector with a title fee and application, the buyer is issued an "Original Certificate of Title" indicating no further lien.

Failure to transfer ownership of title correctly is a crime and punishable by a \$200 fine.

To God: a note of thanks By Mrs. E.A. Grever

Friends, this week we are going to study about the church Jesus is building. In our town of Spearman, in front of a number of buildings, we are told the name of a certain church and this we see wherever we may be traveling in the U.S., and I'm thinking, in any nation. This is not the church Jesus commenced to build when his ministry began. This, found in Matt. chapter 16, verses 13-18. When Jesus came into the coasts of Caesarea Philippi, he asked his disciples, saying Whom do men say that I, the son of man am? And they said, Some say that thou art John the Baptist, some Elias, and others Jeremia or one of the prophets. He saith unto them, But whom say ye that I am? And Simon Peter answered and said, Thou art the Christ, the Son of the living God. And Jesus answered and said unto him, Blessed art thou, Simon Barjona, for flesh and blood hath not revealed it unto thee, but my Father, which is in heaven. And I say also unto thee that thou art Peter and upon this rock, I will build my church and the gates of hell shall not prevail against it. This tells us to know Jesus is very different, to knowing about him and it also makes us to know it must be revealed by God. To you readers, please read John 4, verses 19-27. So, as Peter was blessed because he knew Jesus was the Christ, the son of God, so will we be. And God's word says the knowledge of the Father and Son is life eternal. Jesus said on this Rock, and God's word tells us plainly that Jesus is the rock, the foundation of the church. A rock is something that is firm and tried and as we travel through the Old Rocky Mountains in Colorado, we are convinced this is true.

malice and all guile and hypocrisies and envies and all evil speakings, as new born babes desire the sincere milk of the word, that ye may grow thereby. If so be, ye have tasted that the Lord is gracious. To whom coming as unto a living stone disallowed indeed of men, but chosen of God and precious. Ye also as lively stones are built up a spiritual house, an holy priesthood to offer up spiritual sacrifices acceptable to God by Jesus Christ.

We have been made alive, who were dead in trespasses and sins, so by this we are added to the church, we don't join it. This commenced by the Lord, we find recorded in Acts 2:47. O what a wonderful stone building and God's word declares it will stand the test. The Lord knows where these living stones are that make a glorious church not having spot or wrinkle or any such thing but should be holy and without blemish, Eph. 5:27.

Now, who can separate us from the love of God? Rom. 8:38-39. For I am persuaded that neither death nor life nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature shall be able to separate us from the love of God, which is in Christ Jesus, our Lord. And in Heb., we read all things that are made are going to be shaken, but

the church built by Jesus will stand, Thank God.

Let us read Eph. 2:20-22. We are built upon the foundation of the Apostles and prophets, Jesus Christ himself, being the chief corner stone. In whom all the building fitly framed together, groweth unto an holy temple in the Lord. In whom ye also are built together for an habitation of God through the Spirit. (You see, we all fit perfectly together). We are put in by no man and no man can put us out. Sin will put us out of the church. What is sin? Answer: Refusing to obey God's commandments.

Now, I realize some could say Mrs. Grever, if all here in Spearman who are members of the body of Christ (Church) Jesus is building met together at all times in the same building, what would this building be called? Jesus, who refers to Isa. 56:7 tells us. Luke 19:46, Jesus says it is written, My house is the house of prayer. In Mark 11:17, Is it not written My house shall be called of all nations, the house of prayer.

Straight Answers to Your Questions

Q: Why have electric bills increased so much in the last few years? How can I control my total electric bill?

A: Back when many of us were growing up, our homes used electricity for lighting and sometimes to play a radio, but most of the tasks around the house were accomplished without the help of electricity. Clothes were dried on a clothes line in the back yard, and most appliances found in modern homes were still being developed. As a result, our electric bills were usually only a few dollars a month.

TNP's Vice President of Corporate Affairs, Maxie Davie knows consumers use more energy now than ever before. He recommends using energy wisely to get the most for your energy dollar.

Today many homes have lights turned on most of the day and night, and the average home has a television set (or several sets) turned on as many as sixteen to eighteen hours a day. Many homes use electricity to cook and dry clothes and also have mixers, blenders, food processors and other time saving appliances. Homes are cooled in summer and heated in winter. You can see that our homes are using an increasing amount of electricity year after year.

You are in the best position to control your electric bill. Encourage your family to turn off every electric appliance, light, television and radio when it is not actually needed. Be sure your home is properly insulated and set your thermostat at a warmer setting in the summer and lower setting in winter. For more ways to save on your electric bill, call our office.

A Centerpiece

Well we had rain-and we had more rain. We have been fortunate not to have had like in so many places around Sunray gardens are beaten into the ground.

Last Tuesday we here at the center had a wonderful sunner at 6:30. The barbecue chicken was presented by the First State Bank, as they do this on every 5th Tuesday of the month. Some 50 people came out and the senior citizens brought cakes, pies, casseroles, sweet potatoes and just rounded it out with a very good dinner. Mr. Clay Gibner and Muriel Boyd were here, helping to take care of the huge crowd. Everyone seemed to have a good time with games of their choice after dinner.

The volunteer ladies came on Thursday and several projects were started and some were finished. We had 13 out for dinner and everyone seemed to work and enjoy it. Let us remind you senior citizens that anyone who wishes to give a gift to the center please get them in as soon as possible. Time is getting by, we have less than 2 months to get everything in place.

Our Miss Hansford County was chosen May 4th with a very nice program. Linda Evans got first place and was crowned Miss Hansford County. She is the daughter of Laquita and Jim Evans. We may not know all the girls but they were all a sweet bunch and I feel a special interest for Linda as I used to see her some when her mother was gone for a few hours. Our congratulations to you Linda.

So will say things are shaping up nicely so hope we'll be ready by June 1.

While in California, they visited nephews and nieces, and did a great deal of sight-seeing.

The Pendergrafts are planning to leave this Thursday to attend the Satanta, Kansas celebration. The highlight for the Pendergrafts will be the reunion with the Good Sam Camper Group.

Kathy and Rex Reid and Kathy's mother Lucille Hagerman, drove to Roscoe, Texas last weekend to welcome a new grandson for Lucille. Valerie Hagerman joined them in Amarillo. They report driving in constant rain south of Plainview all the way to Roscoe and back and during their stay in Roscoe. However, the rain didn't dampen the enthusiasm of the arrival of Steven Christopher, 8 pounds and thirteen ounces, who joins sister, Stephanie in the home of Steven and Patsy Hagerman.

Lucille comments that she now has an even 1/2 dozen--four grandsons and two granddaughters.

Don and Elaine Floyd of Lubbock were in Spearman Friday to help Virgil Floyd observe his 84th birthday. The Ronnie Lusby's also attended.

Mrs. Martin is staying at the Farrell Manor in Amarillo to be near him.

Mr. and Mrs. Norlan Winegarmer had as weekend guests his parents, Mr. and Mrs. Herbert Winegarmer of Campo, Colo. Other guests were Mr. and Mrs. Gailan Winegarmer of Sunray. Gailan is a brother of Norlan Winegarmer. The guests were here to help to celebrate the 6th birthday of Keith, son of Mr. and Mrs. Norlan Winegarmer.

Mr. and Mrs. Ken Simon, with their daughter, Stacy Kendricks and her friend, Kevin, all of Amarillo, visited in the home of Mr. and Mrs. Phil Jenkins over the weekend. Mrs. Simon and Mrs. Jenkins are sisters.

The previous weekend the Jenkins had as their guests, their daughter, Mrs. Kathy Smith, and her daughter, Lisa, as well as Mrs. Jenkins' mother from Amarillo, Mrs. Myrtle Stevens.

Mrs. Smith and Lisa are from Austin where Mrs. Smith is employed by the Texas Department of Human Resources and Welfare. This department held a convention in Amarillo which Mrs. Smith attended. During the convention, granddaughter Lisa stayed with the Jenkins.

Mrs. Royce Ann Judkins has recently moved to Spearman from Stinnett. She is an employee of Hansford Manor and has been for 19 months, but has driven to and from Stinnett.

Originally she was from Missouri, but has lived in Texas many years. Her residence in Spearman is 117 1/2 S. Snider.

Dr. and Mrs. Newton Holt, of Dallas, were in this area over the weekend. They visited his sister, Myrie Farrington, of the Pioneer Manor, as well as other relatives. While here they were guests in the home of his brother, Nolan Holt. Dr. Holt retired from active practice about a year ago. He is hopeful of attending the Spearman High School reunion this coming July.

Hollie and Earl Riley returned Sunday afternoon from several days at the Guymon Pioneer Days Celebration.

This is the 24th year that they have attended and been part of the Rolling Plains Mule Train. This year there were 13 wagons, and the sound truck in the parade. The first and third prizes of the parade were awarded to the Mule Train. There were wagons from Oklahoma, Kansas and Texas.

The Rileys no longer take the wagon, but do take the sound truck and work with the Mule Train.

Hollie and Earl are the only charter members from the original train still active.

Another custom observed again this year was the celebration of the birthday of Hollie Riley by members of the train, May 3rd.

Anne Foster and Tim Smith drove over from Amarillo and shared in the festivities.

PDRA proposes tax rate

A tentative tax rate of 1.08 cents per \$100 of value on property in the Palo Duro River Authority -- now Moore and Hansford counties and the City of Stinnett -- will be set Wednesday by the PDRA board of directors.

The proposed rate is on the agenda for the May meeting of the 9-member water authority board. The meeting will be held in the Hansford county courthouse at Spearman, beginning at 11 a.m.

"The proposed tax rate is the same rate which has been used by the district since 1977," explains Johnnie Lee, PDRA general manager. "The rate will raise an estimated \$140,000 for operating expenses."

The Palo Duro tax will add another item to the bills Moore county residents will receive on Oct. 1 of this year, when the county tax office mails out its statements.

On a \$60,000 home, if no exemptions are listed, the PDRA tax will amount to \$6.48.

"One of the PDRA directors told me recently that his taxes last year on a section of improved irrigated farmland with two irrigation wells was only \$28," Lee adds.

Moore county, except for a square mile section, and the City of Stinnett are new members of the river author-

ity and were annexed through a Jan. 19 election.

The square mile area in Moore county not included in the annexation vote is the location of the Diamond Shamrock McKee plants. That section has been part of the PDRA for several years.

In addition to annexation, voters in the two newly annexation areas empowered the PDRA to levy an ad valorem property tax. The rate cannot exceed six cents, a limit set by state law creating the district.

Moore county and Stinnett property added to the 1985 tax roll, and Hansford county property, also may be eligible for a series of exemptions, which PDRA directors will consider Wednesday.

Exemptions proposed include \$50,000 for Social Security recipients; \$50,000 for persons over 65 years of age; \$30,000 on a homestead, and an exemption for disabled veterans.

These will be picked up from the rolls of the respective county appraisal districts, Lee notes.

He reports the \$140,000 of tax revenue the 1.08-cent rate will generate will be used for day-to-day operations of the district, for continuing engineering costs, and to begin

survey work in the area where the Palo Duro lake will be located.

The lake site is northwest of Spearman at the junction of the Palo Duro and Horse creeks.

Besides the 60,000-acre foot municipal water reservoir, the project proposed by the PDRA includes a water treatment plant and 90 miles of pipeline to supply drinking water to Dumas, Sunray, Cactus, Stinnett, Gruver and Spearman.

Lee explains that the district is setting a tentative 1985 tax rate now "to give county tax appraisal districts a figure to work with when valuation hearings are held this summer."

"The final tax rate will be set in August," says the PDRA manager. "I'm certain that the proposed 1.08-cent rate will be used for 1985 taxes."
