Valuation zooms

commissioners at the regular Monday meeting in Spearman. Weldon Greene, County Auditor, informed the commissioners that the new tax rate will be 24.5 cents per hundred, as compared to 25 cents per hundred last year. Total valuation for the county will be four-hundred one million dollars for 1985. Dollar valuation for 1984 was three hundred seventy-eight million dollars.

In other action the commissioners read the minutes of the last meeting and paid the monthly bills. The commissioners also approved the fire contract with the city of Spearman. A pipeline easement was granted to Archie Nelson. An easement was also granted to General Telephone.

MAYOR RALPH BLODGETT

Mayor Ralph Blodgett underwent heart surgery in Amarillo, Monday of this week. The mayor is at St. Anthony's. He is still in intensive care as we go to press and we do not have a room number for him.

Walls Heaving

The Spearman School Board though about calling on "Joshua" to stop the heaving of the Jr. High East wall. We're only kidding, as the board did vote to pursue the proposal of engineers to actually stop the heaving of the East wall.

In other business, the board approved the minutes of the last meeting and paid bills. The board agreed to pay the Spearman Schools portion of the cost of the new Appraisal District's building in one year.

The board accepted bids from Bordens, and Bairds Breads for lunch room items. The board set the public hearing on 84-85 budget for 8 p.m. Monday, August 27 at the high school building. Mrs. Bennie Jones was employed as a teachers aid for the school year 1984-85.

Defensive Driving Course Set

A Defensive Driving Course will be held August 21 to August 22 from 6 to 10 p.m. each

The cost of the course is \$20.00 and on completion fo the course you get a 10% reduction on your automobile insurance.

John R. Collard, Jr. will be the instructor and the course is sponsored by the Hansford Association of Insurance Agents. This is the National Safety Council Defensive Driving Course.

HANSFORD COUNTY APPRAISAL DISTRICT

Board Meeting August 8, 1984

The Board of Directors of the Hansford County Appraisal District met in regular session Wednesday, August 8, 1984, at 9:00 a.m., in the conference room of the appraisal district offices located at 13 West Kenneth Avenue, Spearman, Texas. Members present were Lynn Hart, Thane McCloy, Gene Fletcher and Chief Appraiser Alice Peddy. Guest in attendance was Cledon Billington from Panhandle Steel Building, Amarillo, Texas.

Vice-Chairman Hart called the meeting to order and presented the Agenda for the meeting:

Call to order.

2. Approve Minutes. Regular Meeting July 10,

b. Special Meeting July 24, 3. Open Bids on Forms

Burster

4. Open Bids on Office Building 5. Public Hearing on 1985

6. Pay Bills 7. Chief Appraiser's Reports

a. Financial

b. Budgets Minutes of the regular meeting held July 10, 1984, and the special meeting held July 24, 1984, were approved as read.

Bids from NCR and Uarco were opened and read aloud on the forms burster. Bids are on file in the District office. After reviewing the bids, motion was made by Thane McCloy and seconded by Gene Fletcher to award the bid for a model #1741C forms burster to

Uarco in the amount of \$6,136.00. Motion carried 3-0.

Roy Bulls joined the meeting at 9:30 a.m.

Bids from Jerry Haning and Panhandle Steel Building on the construction of a new office building were opened and read aloud. Bids are on file in the District office. Motion was made by Roy Bulls and seconded by Gene Fletcher to award the bid to Panhandle Steel Building in the amount of \$106,600:00 and to authorize Chief Appraiser Alice Peddy to choose color selections and work out details. Motion carried 4-0.

Motion was made by Roy Bulls and seconded by Thane McCloy to pay bills, exceding Lee Architects, in the amount of \$106,600.00 and to authorize Chief Appraiser Alice Peddy to choose color in the amount of \$2,835.78 and to approve bills paid prior to regular meeting in the amount of \$412.66 as per attachment to the Minutes of this meeting.

Motion was made by Gene Fletcher and seconded by Roy Bulls to negotiate a final settlement with Lee Architects in the amount of \$1,562.98. Motion carried 4-0.

Motion was made by Thane McCloy and seconded by Roy Bulls to adopt the 1985 official appraisal budget in the amount of \$182,294.00 and the 1985 official collection budget in the amount of \$41,236.00 for a total budget of \$223,530.00. Motion parried 4-0.

Chief Appraiser Alice Peddy presented the attached budgets and financial reports.

There being no further business to bring before the Board, meeting was adjourned at 11:00

Lions Club runners ready for Perryton

Defending champion issues challenge!

Defending 10-K champion Tim Godfrey will be in top shape for the 10-K run in Perryton this Saturday morning at 8:30 a.m.

TIM GODFREY

Godfrey issued a challenge to top Panhancie area runners, Cliff McCurdy of Canadian; George Chavez of Tucumcari, N.M.; and Greg McKinney of Perryton.

Al LaRochelle, hospital administrator of Hansford Hospital in Spearman will enter the 10-K, and this will be his first run. Al has been running for several months.

The '84 Wheatheart of the Nation Celbration, commemorating Perryton's 65th birthday began Sunday and runs through Saturday. From free watermelon and barbeque to special events, the Perryton celebration, sponsored by the Perryton Jaycees, has something to offer everyone.

Much of the '84 celebration continues the traditions and events which have made the birthday party such a success in years passed. And some new events have been added. It all adds up to fun and excitement and a great way to polish off the summer season.

Some of the events include a car show, which will be held Thursday at the Exposition Center. Antique, classic, and new cars will be on display from 5 to 9 p.m. Plaques will be awarded to the top finishers in the car show, courtesy of Perryton's auto dealers. The Jaycee Women will have a concession stand set up. Entries in the car show will be

judged by the public. On Friday from 8 to midnight,

Lion Cecil Biggers and Lion Al LaRochelle will run in the Perryton 10K, Saturday for the Spearman Special Ed Class.

The Lions Club raised \$100 cash at the Tuesday noon meeting and challenged the Spearman Rotarians to either

area teenagers will be meeting at the Exposition Center for the annual teen dance. Prices are \$3 per person or \$5 per couple. This is a supervised event, there will be no liquor or drinking on the grounds.

Celebration Saturday, offers activities from sun up to sundown. It is the culmination of I aycee work and community pride unsurpassed for smaller sites in the West Texas area.

The United Supermarket free breakfast kicks off the day, with an all-you-can-eat breakfast being served from 6 to 8 a.m. An estimated 4,000 persons attended last year's breakfast and Bob Crumpton and crew are hoping for that many or more this time around. Traditional breakfast staples are on the menu-so don't even as much as drink a cup of coffee before you head to United. Jaycee Randy Elkouri will be

assisting. Old-timers will be congregating at City Park at around 8 a.m., with the staff of assessor-collector's office issuing cards. Joey Smith of the Jaycees will be helping out.

Parade registration begins at about the same time under the direction of Bryan Pool, while the 10K run will begin at 8:30 a.m. Runners from throughout the Top of Texas area, as well as the Oklahoma Panhandle and southwest Kansas, are expected to be on hand. The race will start near City Park and the course will be around the loop road. First National Bank is the sponsor. There also will be a mile fun run. It's not too late to break out your jogging shoes and shorts and participate. Bill Goldsberry is the Jaycee in

At 10 a.m., the Wheatheart of the Nation parade will begin. The parade route remains the same, from Eleventh and Main north to Brillhart. There will be various floats, exhibits, funny cars, wagon trains, and more. Pool is the parade chairman.

Following the parade, the Jayees

event Saturday at Perryton or fork over a matching \$100 for the Spearman Special Ed Class-

Biggers is a local lawyer and LaRochelle is manager of the Hansford Hospital.

will be serving their pit barbeque at the Expo Center. Some 1,700 pounds of beef will be cooked in a closed, pit barbeque, and the free lunch includes all the trimmings. Again, it is all-you-can-eat. Steve Busch returns to head up the barbeque for the second straight year.

After a short breather, the demolition derby will be held. The derby begins at 4 p.m. Prices are \$4, with kids under 12 being admitted free. Upwards to 30 drivers are expected to ride in this year's derby, with cash prizes and trophies being awarded to the top finishers. There also may be a powder puff derby for the women.

Gary Ellis heads up the demo derby, while Sabrina Griggs has the powder puff event.

Rounding out the celebration will be the adult dance, to be staged from 9 to 1 at the Exposition Center. Perryton's Country Thunder will provide the entertainment, with costs being \$6 for singles and \$10 for couples. James Arthur is the dance chairman.

Gathering the melon and wood are major projects in themselves. And, as usual, there are businesses and individuals in the community giving a helping hand. The Ellis and Luck boys left early Saturday morning to pick up the melon. They are using James Avant's truck and trailer. Duane Stamps donated the . hay which will be used as a cover to protect from bruises. Brad Schultz will be providing the trailer Tuesday night for the melon to be served His cattle trailer also will be used

to pick up the wood in New Mexico. Jody Henson's trailer will be used to pull the trailer.

Hospital

Patients in Hansford Hospital are John Lackey, Myrtle Bernstein, Randy Klairen, Vida Townsend, Gid Nobles.

Dismissed were Sandy Kuriyama and son, Jean Close, Sara Vela and son, April Abston.

County Fair set

The Hansford County Fair will be held Friday, October 5, and Saturday, October 6 at the County Barn in Spearman and horse races will be held Sunday afternoon, October 7 at the horse training track at Old Hansford. Brice McRee, Chairman sponsored by Spearman Chamber of Com-

Food booths will \$25 each and the ones that already taken are: Soft Drinks - Servitors, Candy Apples - Rebekas, Baked Goods -

Golden Spread Center, Sno Cones - CYF, Ice Cream and Cookies - Xi Zeta, Hot Dogs - Extension Homemakers, Popcorn, Lemmons and Pickles - WDCC, Nachos -CWF, Sloppy Joes and Frito Pies -Hospital Auxilary.

The JayCee's will assist with chairs and tables. Commercial Booths will be \$50

AGCO is the first to request a

Money for booths must be in by September 1, 1984. Make checks to Hansford County Fair and bring to the Chamber of Commerce office. If you are interested

Reserve seat season football tickets will go on sale on Monday, August 20th, at the school business office. Those persons holding tickets last year will have until September 1st to claim the same seats. All remaining tickets go on sale on September 1st. The first home game is on September 7th at 8:00 P.M. with the Lynx hosting the White Deer Bucks.

in a booth contact Brice or Mary Lou at the Chamber of Commerce

Exhibit superintendents will be clubs and/or individuals: / Antiques--Lloyd Buzzard, Home Canned Goods--Karen Harruff, Ext., 4-H Bake Off--Karen Harruf, Ext., Vegetables--Rho Rho, Flowers--Gladiola F C, Arts & Crafts--Nell Patterson and Mary Lou Wysong, Clothes--Karen Harruff and Ext.

First, second and third place ribbons will be given and judges will be from out of town.

Items may be brought to the show barn and checked in between 9:00 a.m. and 12:00 p.m. on Friday, October 5. The judging will be from 1:00 - 3:00 p.m. and the doors will open to the public at 4:00 p.m.

Activities in the Rodeo Arena on Saturday will be Lamb and Steer jack pot at 11:00 a.m. Play Day Activities - Wanda Eakin and Bobby Archer in

A Petting Zoo will be available with N.J. Mackie and Gary York in charge of this event.

Congratulations to Spearman TG&Y who led all 93 TG&Y stores in their Oklahoma-Texas area in increased sales.

Markets

WHEAT MILO

DPS officer discusses new law

At the noon meeting of the Spearman Rotary Club, Jerry Bergtoff, Texas Department of Public Safety, outlined the new law recently enacted by the Texas Legislature on child passenger safety seat systems.

Basically, the law states that a child must be secured during the operation of the vehcile in a child passenger safety seat system. A child riding in his mother's arms is not satisfactory. Also, children riding in the back of a pickup must be secured.

The law reads as follows: SECTION 1. Article XIII, Uniform Act Regulating Traffic on highways, as amended (Artide 670ld, Vernon's Texas Civil Statutes), is amended by adding Section 107B to read as follows:

'Section 107B. CHILD PAS-SENGER SAFETY SEAT SYS-TEMS. (a) In this section 'child passenger safety seat system' means an infant or child passenger restraint system that meets the federal standards for crashtested restraint systems as set by the National Highway Traffic Safety Administration.

"(b) A person commits an offense if the person:

"(1) is a resident of this state; "(2) transports a child younger than two years of age by operating a passenger car or light truck on a road, street, or

highway of this state; and "(3) does not keep the child secured during the operation of the vehicle in a child passenger safety system according to the instructions of the manufacturer of the safety seat system.

"(c) A person commits an offense if the person:

"(1) is a resident of this state; "(2) transports a child who is

two years of age or older and under four years of age by operating a passenger car or light truck on a road, street, or highway of this state; and

"(3) does not keep the child secured during the operation of the vehicle in a child passenger safety seat system according to the instructions of the manufacturer of the safety seat system or by a safety belt.

"(d) An offense under this section is punishable by a fine of not less than \$25 nor more than

"(e) It is a defense to prosecution under Subsection (b) of this section that the person acquired a child passenger safety seat system within 10 days after the date of the offense. The court shall dismiss the charge if the person shows proof of acquisition by purchase, loan, or rental program.

"(f) Use or nonuse of a child passenger safety seat system is not admissible evidence in a civil

"(g) This section does not apply to a person operating a vehicle transporting passengers

"(h) This section does not apply to a person transporting a

child in a vehicle in which all seating positions, equipped with child passenger safety seat systems or safety belts are occupied."

SECTION 2. An offense under Section 107B, Uniform Act Regulating Traffic on Highways (Article 670ld, Vernon's Texas Civil Statutes), is not punishable unless it is committed on or after January 1, 1985. For purposes of this subsection, an offense is committed before that date if any element of the offense occurs before that date.

Note that while the law takes effect October 31, 1984, troopers will not begin writing tickets until January 1, 1985.

The fine is \$25 with a maximum of \$50.

Cypridina, bioluminescent crusteceans the size of tomato seeds, were carried by Japanese soldiers in World War II. By moistening his palm and rubbing the dried sea creature on it, a soldier could restore their luminescence and read battle maps by the light from this

endorses Gramm

The United States Chamber of Commerce has endorsed U.S. Rep Phil Gramm for the Senate. saying that his election will help bring about the improvements our country so desperately needs so that our nation may continue to realize the economic recovery that will benefit all Americans."

The endorsement represents the support of 14,772 member organizations in Texas and 200,000 nationwide, said Richard Lesher, president of the U.S. Chamber.

Chamber members, who were polled prior to the endorsement, believe the congressman's candidacy represents "an opportunity to increase support in Congress for curbing the growth of government and slowing the rate of federal spending.

"As a pro-free enterprise candidate, you have shown your understanding of and respect for American business and efficient government," Lesher told Gramm.

"I urge businessmen and women to support your candidacy. Your are well deserving of the support, commitment and involvement of the business community," the Chamber president concluded.

The Property of the Property of the contract o

Support sought for lake project

North Plains cities and counties - Dumas and Sunray included -- are being lined up to support the Palo Duro Water Authority by manager Johnnie Lee of Spearman in an efeffort to build a municipal water reservoir, north of Spearman.

City councilmen at Sunray expressed an interest Thursday night in municipal water supply from the lake.

And Dumas city commissioners Monday night may meet with the former Hansford county judge to listen to Lee's outline of the water project

His meeting with Dumas commissioners will follow up a session earlier in the day with the Ochiltree county commission at Perryton.

The Palo Duro project proposes construction of a \$50 million water reservoir and municipal water supply distribution system across the North Plains.

The lake would be formed behind a 2-mile long dam at the junction of the Palo Duro and Horse creeks, north of Spearman. It would impound 60,900 acre feet of water.

Also included is a central water treatment plant and a 90-mile pipeline to provide drinking water to the cities of Dumas, Sunray, Gruver, Stinnett, Spearman and Perryton.

"As soon as we get an idea of the support from cities and counties in the area, the water authority

will begin circulating membership petitions," says the PDWA executive.

Lee already has support of Moore county commissioners and the cities of Perryton and Stinnett.

Hansford county and the cities of Gruver and Spearman are members -- the only members of the district.

Lee explains that once the prospective members are lined up, petitions will be circulated in the North Plains counties. These will request the PDWA board to call membership elections.

Elections are required in counties and cities seeking memberships because of taxes which will be levied by the Palo Duro district

Currently the district rate is one cent per \$100 of value. Lee, however, anticipates a 2-cent rate for operation of the district.

The main source of income will be from water sales the district anticipates. Revenue from sales will be used to pay off a 20-year bond issue which will be necessary to finance the project.

"We've got a little time to start the petitions," the PDWA manager says. "Hopefully, they will be in circulation the first of Sep-

He continues noting that 50 signatures are required on each petition requesting a vote on the water district. When completed, each must be verified and

elections set.

Lee expects the PDWA board will call the elections in October at a regular board meeting. The earliest date would be Jan. 12, 1985.

"Texas election laws will not allow us to hold the election on Nov. 6 because this is a general election year," he points out. "Any other year, it could be held in November."

The project is being pushed since Lee believes private, rather than federal, financing "is the cheapest and quickest means" of developing the water supply project.

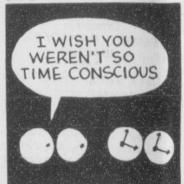

ing the water supply project.

"The U.S. Army Corps of Engineers is very interested in the lake, but they are not ready to build it yet," Lee reports. "We can't afford to wait because inflation is costing \$2 million a year and we may not get help from state funds."

Some \$10 million to \$15 million may be allocated to the Palo Duro project from the Texas Water Development fund.

"This North Plains water project has one of the highest priorities of any in Texas," Lee declares. "We're getting ready to go."

Home ceremony unites couple

Mrs. Lonnie Merle Burnam

The home of Mr. and Mrs. Val Winger provided the setting Saturday, August 11, for the wedding of their daughter, Marva May Winger to Lonnie Merle Burnam. Parents of the groom are Mr. and Mrs. Mike Burnam.

Conducting the double ring ceremony was Steve Sexson, minister of the Goodwell Church of Goodwell.

The couple pledged their vows before a brass archway entwined with greenery and baby breath.

Presiding at the guest book and greeting guests was Mrs. Davin Winger, sister-in-law of the bride. Also greeting the guests as they arrived were Davin Winger and Darin Winger, brother of the

The pianist, Mrs. Lon Godley, of Hardesty presented the wedding music and sang "Sunrise Sunset" preceeding the cere-

A fan candleabra with votive candles enhanced decoration for the ceremony. Lighting the candles were Laneida Burnam sister of the groom and Clay Hobbs,

The pianist played "I Love You Truly" as the bride's mother was escorted in by Darin Winger, brother of the bride.

Hobbs, cousin of the bride, as he sang "At Dawning", a song that was also sang at her parents

maid.

cousin of the bride.

Mrs. Godley accompanied Bret

Attending her sister as maid of honor was Manda Winger, with Jana Spivey serving as brides-

The honor attendants were identically attired in formal length gowns of light lemon yellow and matching light lemon yellow derby hats adorned with satin streamers. They carried bouquets of white and yellow daisies arranged in crystal bells.

Serving the groom as best man was his brother, Mike Burnam Jr. His groomsman was Don Dil-

Men of the wedding party were attired in grey tuxedos, grey cummerbunds, white pleated shirts and bowties. They each wore boutonnieres of white roses.

As the pianist played the traditional wedding march, the bride was escorted in on the arm of her father and given in marriage by her parents.

For their special day the radiant bride chose a formal gown designed by Alfred Angelo. The victorian-look gown featured a queen Ann neckline, beaded bodice and puff sleeves trimmed in satin ribbon bows. The skirt featured rows of paint D'Esprict Venice lace and wedgewood lace which formed a semi-cathedral train. The skirt was scattered with Venice lace and appliqued with seed pearls. She carried a cascading bouquet of white roses tied with white satin ribbons atop her father's white Bible. It was the same Bible her mother carried on her wedding day. The bouquet of white roses was a gift from the

The derby-style wedding hat was adorned with pearled-lace appliques. It was highlighted with a fingertip length veil of illusion edged with lace and attached with a pouf of illusion.

In carrying out the traditions she wore a new wedding gown, hat and veil. Her something borrowed was a pair of shoes belonging to her sister-in-law, Mrs. Davin Winger. The old and blue tradition were her mother's blue garter and pearl necklace. The necklace was a wedding gift from her father to her mother on their wedding day. She also wore a sixpence with her birthdate in her shoe, a gift from her Grandmother Gruver.

For her daughter's wedding Mrs. Winger chose a grey crepe dress with matching accessories.

Mrs. Burnam, the groom's mother, chose a royal blue two piece suit with beige blouse and matching accessories. Each

mother wore a white rose corsage. Following the ceremony a rece-

ption was held in the game room of the home, which was decorated with floating balloons tied with white ribbon streamers.

Mrs. Jerry Williams served as reception hostess. Servers included Kathy Nelson, Gruver, Keri Brown, Booker, and Janna Smithson, Dalhart.

The serving table was covered with a draped white cloth trimmed in lace accented with bows of ribbon and lace at each corner. Silver punch bowl coffee service. and crystal appointments complimented the table.

The three tiered wedding cake topped with loving bells was designed and decorated by Mrs. Oliver Wallin. It was served along with mints, punch, assorted breads, tortilla wheels, cheese roll, an assorted fruit bowl, and poppy seed dressing. Smoked brisket was prepared by the bride's brother Darin Winger. Calf fries and chicken fried steak tidbits were also prepared by

Darin Winger and Tadd Williams. As a going away ensemble the bride traveled in a navy dress and navy derby hat with matching accessories. Her white rose corsage was lifted from her bridal bouquet.

The bride and groom are both graduates of Gruver High School, and following their honeymoon to Colorado the couple will make their home in Goodwell where they will resume their studeis at Panhandle State University. The bride is majoring in elementary education and the groom is majoring in agriculture.

On the evening prior to the ceremony, the groom's parents, Mr. and Mrs. Mike Burnam hosted the rehearsal dinner honoring Lonnie and Marva in the fellowship hall of the Gruver Church of Christ.

On a lace covered table entering the fellowship hall was a Bible opened to Phil. 4:13. Behind the Bible was a picture of Lonnie and Marva and each side was accented with ivy vines.

The V-shaped dining table was laid with a white cloth centered with yellow roses and baby breath.

The members of the wedding party family members, and close

friends enjoyed the fellowship and food. The menu included barbeque, all the trimmings, and cake, strawberries and whipped cream for dessert.

Almost without exception the tributaries draining into the Amazon River are color-keyed. Streams from the north tend to flow black, darkened by the stain of rain-forest vegetation. Those from the south are filtered clear by the white sandy country and pick up the sky's deep blue. Streams from the west churn with the brown silt of the Andean

Year of the big sneeze

The more than 18 million hay fever sufferers in the United States will remember 1984 as the Year of the Big Sneeze. According to the American Lung Association of Texas--the Christmas Seal People--1984 will go down as one of the worst years in history for victims of hay fever. The heavy spring rains accelerated the pollen blooms which then were borne on the winds over the length and breadth of this continent.

A Serious Disease

For the 1 in 20 Americans who suffer from this serious ailment, hay fever is no joke. It is an allergic disorder that can cause headache, irritability, insomnia and gastric disturbances. The chief symptoms are sneezing spasms; stuffed-up runny nose; red, swollen and itching eyes; and itchy throat and mouth. Also, hearing may be impaired and infections of ears or sinuses may result. An even more serious complication is the asthma that 30 percent of chronic hay fever sufferers develop.

Hay fever (sometimes called rose fever in the spring) has nothing to do with fever. It is caused by sensitivity to airborne pollens of trees, grasses and weeds that invade the air seasonally and vary according to regional climates, so hay fever can occur during spring, summer or fall.

At least 75 percent of people with hay fever are sensitive to ragweed, although an individual may react to more than one pollen so that his own "season" can last from early spring to the first frost. It must have been a truly satanic botanist who dreamed up Amrosia as the Latin name for ragweed, the most common offender among all the pollens. Among the many other villainous flora is the Russian thistle which, as one might imagine from its name, is particularly persistent and pesky. Despite its biblical name, the burning bush is another offender--it primarily affects the Great Plains states.

Important Advice

No matter how intensely you suffer, not matter how much you think you're going to die, hay fever won't kill you. But since it can result in troublesome and even severe complications, consuit your doctor and follow his

Though there is no cure yet for hay fever, there are up-to-date methods to ease the symptoms. If your doctor thinks desensitizing injections will help, you should start them before the hay fever season and stick to them without skipping. And stay alert for possible complications, including a real nose or throat infection, or the development of

If you are using an old prescription, consult your physician because improved remedies have been developed over the last few years. Relief for hay fever may be given as drops for eyes or nose, as sprays, or as pills or capsules.

How to Find Relief

For both city and country folk, air-conditioning can give some comfort. But if you really want to escape hay fever, get on a boat, sail 100 miles offshore--and stay therel While you're at it, pray for an early frost so you can return to land. If you can't go to sea, then go to the beach whenever possible. There is less pollen near a large body of water and salt air breezes are not only invigorating but good for the

For more information on may fever, contact the American Lung Association of Texas, 7701 N. Lamar, Suite 104, Austin, Texas 78752 or call toll-free 1-800-252-LUNG.

EARLY FARE - Keep frozen pancakes and waffles on hand for good breakfasts on the run. Toast two of either variety; top one with a drained canned pineapple slice. Add a slice of grilled ham or Canadian bacon and a thin slice of American cheese. Grill a minute; top with second pancake or waffle and eat as a sandwich.

Watch for chool children

It's that time of year again, when vacations end and back to school studies begin. "Unfortunately this also means an increase in traffic accidents involving school buses and school children." stated Major Vernon Cawthon, Regional Commander of the Texas Department of Public Safety. "Most of these accidents are caused by drivers who fail to follow safe operating procedures as well as laws pertaining to passing a stopped school bus," Major Cawthon

State law requires drivers on the same roadway as a school bus that has stopped to load or unload school children; to stop and remain stopped until one of three things happen. The bus driver turn off the flashing red lights, or the bus itself goes into motion. This law applies whether you are meeting the bus or whether you are going in the same direction as the bus. It also applies inside the city limit as well as outside the city limit. The only exception to the law is that drivers on the other side of a divided highway (roadways separated by a physical median) are not required to stop. Motorists who fail to stop for a school bus could be fined up to \$200.00.

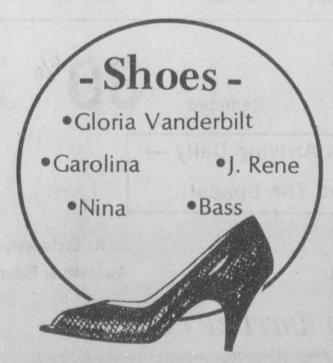

"We, as drivers, should realize the dangers involved and do everything possible to prevent these needless deaths and injuries involving our school children," Major Cawthon stated.

Hutchinson County Pioneer's day Water development & conservation plan needed

Over the years, our state and its citizens have prospered through an abundance of natural resources.

However, in recent years, population and industrial growth have been accompanied by increased demand on these resources and have resulted in their depletion.

Most noticeable and publicized has been out supply of oil and natural gas. Somewhat overlooked however, has been our most precious of these resources -water.

Today this depletion has struck home as a result of drought compounded with increased demand. It has become most apparent in may of our major cities where rationing has become a fact of everyday life.

And, I'm sorry to report, the situation is not getting any better. In fact, it won't go away and is likely to grow worse.

Statistical information accumulated through the Texas Department of Water Resources -- the state agency responsible for the

> **VOTER REGISTRATION APPLICATION** (SOLICITUD PARA REGISTRO DE VOTANTE)

PERMANENT RESIDENCE ADDRESS: STREET ADDRESS AND APARTMENT SUMBER, IF NOSE

FIRST NAME (NOT HUSBAND'S)

conservation and development of our water resources - indicated that groundwater (aquifers) is being depleted faster than it can be naturally recharged. Existing surface (reservoirs) water is not adequate for futher growth. In fact, much of Texas' existing surface water reservoirs will barely be sufficient to meet water demands during critical droughts, a fact reflected in our current water rationing programs in many of our cities and shortages in our troubled agricultural areas.

As industrialization and population continue to increase, our water requirements and water protection needs will contine to

That is why I implore you, my fellow citizens, to become more aware of the severity and magnitude of this problem. It will take your efforts and the efforts of your Legislature combined to find a solution to the problem of our water conservation and development needs that will benefit all Texans.

In the months between now and the next session of the Legislature

in January, this office and other lawmakers will be working to devise water development and conservation plans for legislative consideration.

My staff is currently working with me in formulating a conceptual plan for water development and conservation. If you would like additional information on our efforts, please contact Ms. Marry Rinaldi, Research Department, Office of the Speaker, P.O. Box 2910. Austin, Texas 78769.

Your help is needed and I encourage your active participation in the process by contacting your elected representatives and transmitting your concerns and suggestions for addressing this critical issue.

You and future generations of Texans will be the major benefi-

Thank your for your concern. Sincerely.

Gibson D. "Gib" Lewis Speaker of the House Texas House of Representatives

Everyone is reminded to attend the 43rd annual Hutchinson County Pioneer's All day meet-

ing, August 19, 1984. Beginning at 10 a.m. at the Stinnett High School Cafeteria, Stinnett, Texas. Bring a basket dinner and enjoy a free program and a day of

visiting with friends. Bring your family pictures to

Tumbling classes

Boys and girls age three and older may register for the fall semester of tumbling classes now by calling Mollie Holton 659-3973. Deadline for signing up is Wednesday August 22. Classes start Tuesday Agust 28. Class size will

be limited.

Mollie has taught tumbling since 1976 in Spearman. Four years in Spearman School system and eight years in private practice. She has a masters degree in Physical Education from Texas

All Classes will be held at 303

organization of approximately 10,000 members across the state. The Farmers Union works on behalf of small famers and ranchers in the state and national legislatures, and offers several different services for their membership. Part of the National Farmers Union (which was founded in Texas in 1902), the Texas Farmers Union is headquartered in Waco and is governed by a president and a board of directors all of whom are elected from the organization's membership.

The Texas Farmers Union is an

Each class will meet once a week for 45 minutes or 1 hour depending on the age of child. Ages three through third grade will meet for 45 minutes, while fourth grade and older will meet for one hour each week. Classes will be grouped according to age and ability. This year there will be morning classes for pre schoolers. These classes run September through April, ending with a tumbling demostration of all classes at the end of April. Holidays will be taken at Thanksgiving and Christmas.

Classes consist of aerobatic tricks those trick which can be done on mats without the use of any special equipment. Children begin with balance tricks and easy tumbling rolls and progress to running tricks and combination tricks and finally aeriol tricks such as back flips and aerial cart-

South Main Street.

WTSU Course Available in Perryton

One course will be offered for Perryton area residents by West Texas State University for the fall

Dr. T. Paige Carruth, associate professor of education, will teach Educational Research at 5 p.m. each Monday at Perryton High

The fall semester begins with registration on Wednesday, Aug. 29. A student enrolling only in one off-campus course may register during the first class period. Classes begin Thursday.

"The trouble with being in the middle class is that the ends are getting further away."

Aug. 30, and the first evening of the Perryton class on Monday, Sept. 10, because of the Labor Day holiday on Sept. 3.

Educational Research is available only for graduate credit. Other off-campus courses for the fall semester will be taught at

Pampa, Plainview and Amarillo. During the 1985 spring semester, Perryton area residents masy enroll in Educational Psy-

chology, available for graduate

credit at 5 p.m. each Monday.

"Tares" were a weed called "darnel." In the parable of the wheat and the tares in which the man's enemy sowed tares among his wheat and his servants asked whether they should pull up the tares, the man said not to do it until the harvest. Then the tares could be distinguished

"But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them. Let both grow together until the harvest; and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them, but gather the wheat into my barn." - Matt 13:29-30 © 1984 Suburban Features

Canada's 128-foot-high Kakabeka Falls flows only on Sundays. On weekdays, water from the "Niagara of the North" in western Ontario is diverted through a flume to generate hydro-electric power.

O.L. Chisum

services held

Memorial services for O.L. "Veda" Chisum, 56, of Stinnett were held at 2 p.m. Tuesday in Stinnett Church of Christ with Gary Blakeney of Gruver officiating. Burial was in Lieb Cemetery by Minton-Chatwell Funeral Directors of Borger.

Mr. Chisum died Saturday. He was born May 19, 1928 in Pringle and had been a lifelong resident of Hutchinson County. He was a field supervisor for Diamond Shamrock.

Survivors include his wife, Flo, of the home; three daughters, Debbie of Gruver, Teresa of Idalou and Janice Bratcher of Amarillo; two brothers, Don and Eual, both of Stinnett; one sister, Mrs. Earlene Fowler of Bakersfield, Calif.; and two grandchildren.

Donations may be made to Lieb Cemetery in care of A.A. Lieb.

Fairy tales for grownups: The something-for-everyone pitches we'll be hearing this election year.

For once, an interest-raising move by a bank gets our approval. The local money mine has a couple of new, classy-looking tellers.

The motto of the state of Idaho, "Esto Perpetua," means "Let It Be Forever." Like the life of a "temporary" tax, huh?

The Board of Trustees of the Speaman Independent School District will meet at 8:00 P.M. on Monday, August 27, 1984 at the High School Building, 403 East 11th St., Spearman, Texas, and among other business will be the adoption of an official budget for 1984-85.

WHEATHEART CELEBRATION...

On our 65th Anniversary we join in inviting all of Hansford County to attend the Wheatheart Celebration this week in Perryton.

THE LUTHERAN HERITAGE The Lutheran Church is a 'doctrinal church' which means we are a teaching church. We believe that Christian teaching is not to be taken lightly for the same reasons today as those sighted by Paul to the Ephesians (4:14) "So that we may no longer be children, tossed to and fro and carried about with ever

wind of doctrine, by the cunning of men, by their craftiness and

deceitful wiles."
The Bible is the ultimate norm and standard of teaching and preaching concerning the salvation of mankind. And the Bible has some specific things to say about what it means to be a Christian and what it means to show love to God and neighbor in

preach the gospel. Also when the

word believeth is used it is in the

same as found in Romas 1:16,

Acts 2:38, Acts 2:31, Acts 8:37,

and in John 5:24, in all of these

baptism is a result of your

salvation not a part of it. For

Baptism is public profession of

one's salvation experience. It is a

picture of Christ and His work of

the salvation plus baptism believe

in the loss of salvation. Peculiar

also is the fact that for each time a

person is saved there is only one

baptism for all. The times a

person is saved. I will also cover

the scriptures such as Acts 2:38,

Acts 8:26-39, and I Peter 3:18-22.

All this so that we may obtain a

better understanding of the word

Also, many of those who claim

regeneration.

of our Lord.

Christ. All are welcome to share with us the Worship and Fellowship of Christ, who came to die on a cross that sinful people might have eternal salvation.

NEXT TOPIC: Does Lutheranism Have Distinctive Teachings? Bill Schardin, Pastor Faith Lutheran Chruch Spearman, Texas

Vee Laffs

OKAY! YOU HAVE EXACTLY TWO MINUTES, TEN SECONDS TO VACUUM THIS ROOM BEFORE THE GAME STARTS!"

Two-Bit Sermons

by James D. Jones, Pastor Fellowship Baptist Church Baptism--Does It Save?

Baptism carries a controversy that is all its own. Very few doctrines have the questions or the arguements raised as does baptism. Today's question is, does baptism save? Traditionally as Baptist it is a definite no! Yet I do not like to base very much on what others teach from a traditional position. In my own studies I've found that Baptism does not save nor does it aid or help seal the salvation of an individual.

These are the scriptures most used in relation to baptismal--regeneration position.

1. Mark 16:15, in this verse of scripture you would be following the command given in verse 15 to

Strait to appear twice at fair

Because of the unexpected demand for advance tickets at the George Strait Concert on Friday, September 7th at the 1984 Tri State Fair. Fair officials announced today that George Strait has agreed to appear for a second performance at 5:30 p.m. on Friday, September 7th. Tickets for the second George Strait show will go on sale at the coliseum ticket office on the Tri State

Fairgrounds on Monday, August 13th at 10:00 a.m. The ticket office on the fairgrounds will be open Monday through Saturday throughout August for the sale of all fair concert tickets.

Those who advocate turning the other cheek have a point. It does prevent you getting walloped twice in the same place.

H&R Block To Offer Tax School In Perryton

Thousands of people are saving money at tax time and earning money in their spare time as income tax preparers.

H & R Block, the world's largest income tax preparation service, is offering a basic income tax course starting September 6th and 8th with Saturday and evening classes available.

During the 14 week course, experienced Block personnel will teach students all phases of income tax preparation including actual experience in preparing individual returns. Instruction topics include current tax laws and tax theory and their applications as practiced in Block offices nationwide. There is classroom lecture and practice problems on each subject. Courses are programmed to teach students increasingly complex tax problems as study progresses. Students will find the course both practical and challenging and will also be able to use their new skills directly to save money on their own tax returns.

Anyone may enroll. There are no restrictions or qualifications. Courses are ideally suited for housewives, retired persons, teachers, persons wanting to increase their tax knowledge or anyone who files a tax return.

Qualified course graduates may be offered job interviews for positions with Block. However, Block is under no obligation to offer employment, nor are graduates under any obligation to accept employment with H & R Block.

The modest course fee includes all textbooks, supplies and tax forms necessary for completion of the school. Certificates and 7.5 continuing education units will be awarded upon successful completion of the course.

Registration forms and a brochure for the income tax course may be obtained by contacting the H & R Block office at 314 N. Industrial (P.O. Box 964), Perryton, TX., telephone 806-435-5616.

Keep that Keep That Great GM Feeling With Genuine GM Parts.

Everybody's looking for a short cut today. And why not-there's never enough time, and gardeners from coast to coast, busy with harvesting and replanting, welcome anything that saves time and labor. Lots of 'em have delved into a small book called "A to Z Hints for the Vegetable Gardener," a treasure trove of fast and easy gardening help.

A publication of the Men's Garden Clubs of America, Des Moines, Iowa, the alphabetized book has plenty of harvesting and food storage help. Done in short takes, it takes the gardener, vegetable by vegetable, into savvy ways to store and keep the harvest for later use. Whether it's artichokes or zucchini, just knowing the correct stage of maturity at which to pick is a big leg up. Experience helps, but neophytes and long time gardeners both have to know what to look for in ripeness. Food storage essentials are proper temperature, correct humidity and good ventilation, and these are outlined in the "A to Z" book. City gardeners can learn the urban equivalents of old fashioned root cellars; hay and top of the ground mound storage. For all kinds, vegetables to be stored any way but freezing and canning should not be washed; a good brushing is sufficient to remove surface soil. Moisture in and around vegetable storage areas cuts down on shrinking and shriveling, but too much and you are promoting rot in your precious harvest. And, there's the "what goes with what" advice, or, conversely, what doesn't. Don't store fruits with vegetables like cabbage, potatoes or turnips. Gases released do not mingle with gases contained in the fruits.

Individual vegetables take special handling. The aforementioned artichokes, for instance; two kinds, one the globe artichoke served at gourmet dinners, and the other the knobby Jerusalem, which isn't an artichoke at all. Let's not get into that. You can freeze globe chokes whole, or keep them in the refrigerator for several weeks. And, as for zucchini — the book says use it any

way you can - breads, main dishes, pickles or whatever. For a copy, write to: Men's Garden Clubs of America, 5560 Merle Hay Road, Des Moines, Iowa © 1984 Suburban Features

WEATHERSTRIP DOORS - METAL

Spring-metal weatherstripping has been around a long time and works well. It is invisible when installed and lasts a long time. Its only disadvantage is that it may become bent and permits leaks - although it usually can be bent back into the proper shape when this

TOOLS AND MATERIALS Spring-metal weatherstripping

APPROXIMATE TIME: 30 MINUTES

1. You buy the weatherstripping in long rolls, and it takes 18 or so feet to do a door. Measure the doorframe beforehand to see how much you need.

2. Apply the weatherstripping to the doorjamb at both sides and the top of the door.

3. Using a hacksaw or tinsnips, cut a length of the stripping to fit across the top of the door. Nail it into place, using 4-inch wire nails (usually supplied with the stripping), driving a nail every 12 in. 4. Repeat this procedure for both sides of the door. Place the weatherstripping on the door jamb. It should be placed so that after application, if you stand on the outside with the door closed, you cannot see the stripping. It is hidden by the closed door.

5. When all of the stripping has been nailed into place, insert a screwdriver under the spring lip (outer edge) of the stripping and lift the lip a little. This will help to make a better seal.

Junior Lusby Cats team members are back row: Coach Eugene Yarbrough, Donna Heddins, Jana Buchanan, Lori Altman, Pam Barber, and Janeen Baumgardner. Front row: Stacie Swan, Brenda Miller [Lusby Kitten-Bre'

THE SPEARMAN REPORTER,

SUN STUFF - The waning summer sun can produce painful sunburn. Treat with ice compresses for about the first ten hours; switch to heat and soothing emollients afterward. Make a cold compress by wetting and wringing out a small size towel and freezing it until thoroughly chilled.

Edison's "The Great Train Robbery," filmed in 1903, was one of the first motion pictures with a story line.

Anne Miller], Donna Yarbrough, Ronda Witten, and Jennifer Yarbrough. Not pictured Kathy Beck and Ceria Vela. The Lusby team placed second in the Beaver Tournament held August 3 and 4.

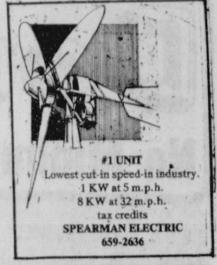

CREDIT RESOURCE - Problems that arise from unsatisfactory credit card purchases can be resolved under the Fair Credit Billing Act. Know its' terms: you have a legal right to an accurate bill and can refuse defective or worthless merchandise. Bankcard Holders of America, a consumer organization, has a booklet: "Your Rights Under Federal Law," that explains. Send a selfaddressed, stamped, business size envelope to: Bankcard Holders of America, 2025 Eye St. N.W. Washington, D.C. 20006.

ADULT EDUCATION SCHEDULE Fall 1984

All Classes Meet From 7:00 to 9:50 PM

Office of Adult Education
Panhandle State University
P.O. Box 430
Goodwell, OK 73939

GENERAL INFORMATION

A concerted and organized effort to provide college level courses for adults of the area was begun during the spring semester of 1979. From that first offering, six subjects, the Adult Education Program has grown to this semester's offering of 22 courses. The tremendous response by the people of the area has made possible this expanded program. Some of the courses offered during this term will meet requirements for a degree. A survey of persons who had taken previous adult ed courses indicated that the interest did exist for a way to obtain a degree by taking evening courses. The persons responding indicated that the areas of business would be most popular. The fall of 1984 finds five classes from this division that will meet requirements, total hour requirement or upper level requirements to a maximum of four credit hours without advisor approval. It is the belief of Panhandle State University that many people of the area have enjoyed the stimulation of learning and doing and meeting new people. A challenge has been re-experienced and the results have been rewarding. For information concerning enrollment of classes, contact Bob Wise, Director of Adult Education, Panhandle State University, Goodwell, Oklahoma 73939. Call 405-349-2611 EXT 269.

ENROLLMENT

Persons wishing to take courses in the Panhandle State University Adult Education Program may enroll two ways. The back cover of this brochure may be filled out and mailed with a check made out to Panhandle State University to the Director of Adult Education Panhandle State University, Goodwell, Oklahoma 73939. You may also enroll by going to room 101 of Sewell-Loofbourrow, (the administration building) between the hours of 9:00 AM to 12:00 noon, and 1:00 to 4:00 PM. Monday through Friday, August 16, 1984, through August 31, 1984. No enrollments will be accepted after August 31, 1984. Current Panhandle State students will be allowed to enroll on August 31, 1984, in any class not closed by limit. They will adhere to all policy listed for the adult education classes including book purchase, refunds, and tuition costs. They may enroll in room 101 Sewell-Loofbourrow on August 31 only.

TUITION, FEES & COSTS

Each person enrolling in the Adult Education Program will be charged tuition and fees at the time of enrollment. Tuition is \$18.30 per credit hour for courses numbered 1000 or 2000. Tuition for courses numbered 3000 or 4000 is \$19.65 per credit hour. Each person is assessed a \$3.00 general fee for each course in which they enroll. They are also assessed a \$1.00 per credit hour student union fee. All of these charges are established by state legislature. Some courses require an additional fee to be paid sometime during the class. This is to help defray costs of materials or foods used during the class. In all cases, this fee will be mentioned in the descriptive information contained in this brochure. Some classes also require textbook, workbook or both. This information will also be contained in the course descriptions on pages 4, 5, 6 and 7 of this brochure. The textbooks are to be purchased at the university bookstore. They are not part of the book rental plan available to the traditional student attending regular university classes.

INCLEMENT WEATHER

In the case of inclement weather, cancellation of class notices will be broadcast by KGYN Radio, 1210 on the AM dial and KKBS, 92.7 on the FM dial. They will air the announcements as soon as they receive them and will air them on the 5:00 PM central time local newscast. Please do not call the radio stations, call Panhandle State if you think you might have missed the announcement.

CLASS LIMIT

All of the classes offered through the Adult Education Program have limits governing the maximum number who may enroll. These limits are established due to lab facilities, classroom size, or instructor abilities to provide necessary individual attention. These limits are stated in the descriptive information and in the appropriately titled column of the schedule on page 3. Additionally, the university has instituted minimum enrollment of 10 participants per class. This minimum number allows the university to adequately fund the instruction of the course. Any person who enrolls in a class that does not meet minimum enrollment will be given a full refund. All who are canceled out of a class will be informed by telephone on Friday, August 31, 1984, and will be given the opportunity to enroll in another course that has not attained a maximum limit. Any persons not wishing to enroll in another course will then be given a full refund.

REFUNDS

It is the policy of Panhandle State University to make no refunds to persons enrolled in the Adult Education Program. The lone exception will be when PSU cancels a class because of minimum enrollment standards are not met. If and when that occurs, a full refund will be made.

GRADES & CREDIT

Grades for the 22 courses offered through the Adult Education Program will be awarded on a "P" and "W" basis. Persons who satisfactorily complete the course will receive a "P" or "Passing." Those who do not complete the work or who have unsatisfactory attendance will be "Withdrawn" from the course and will receive a "W." Seven courses may be challenged for a letter grade by those enrolled, if they so desire. The courses that may be challenged are: Elements of Accounting I, Feeds & Feeding, Real Estate Principles, BASIC I, Introduction to Computer Information Systems, Elements of Economics, Fundamentals of Photography I, and Beginning Typewriting. Any persons enrolled in these course may submit, in writing, a request to the instructor expressing a desire to take the course for the traditional "A", "B", "C", "D", or "F" grades. Those who do not will receive the normal adult ed grade of "P" or "W." All courses carry either one, two, or three hours of university undergraduate credit. All credit will be recorded on a Panhandle State University transcript.

ADULT EDUCATION ENROLLMENT

—By mail using the back of this brochure (fill out completely and attach check for tuition and fees). —In person, Room 101 Sewell-Loofbourrow from 8 a.m. to 12 noon and 1 p.m. to 4 p.m., Monday through Friday, August 16, 1984, through August 31, 1984. No enrollments will be accepted after August 31, 1984.

Diane Murphey

1701 Acct 2103 ELEMENTS OF ACCOUNTING I 3 Hours Credit--Monday--Room 309 Hamilton Hall--Class Limit 40 PSU Tuition & Fees \$60.90 Instructor: Dr. Russell Edenborough

This is the first year accounting course at the college level. It covers the fundamental concepts of accounting information, discusses how accounting data are accumulated, and the effective use of such data. A textbook and workbook will be required for this course. Elements of Accounting I will serve the educational needs of those persons who might use accounting in their career and those who will use accounting information in their personal affairs. This course will cover the

recording a transactions, adjusting entries, preparation of financial statements, use of a worksheet, and closing entries. The course will be taught by Dr. Russell Edenborough, Professor of Accounting and Chairman of the Division of Business and Applied Arts of Panhandle State University. Dr. Edenborough is a Certified Public Accountant.

1702 ANSC 2123 FEEDS & FEEDING 3 Hours Credit--Thursday--Room 201 Sewell-Loofbourrow--Class Limit 50 PSU Tuition & Fees \$60.90 Instructor: Dr. Jerry Martin

Feeds and Feeding will be a study of physical and nutritive characteristics of feedstuffs and the use of these feeds in the formulation of rations for farm livestock and household pets. Objectives of the course are to study the function of feed nutrients, to study the physical and nutritive properties of commonly used feeds for livestock and household pets, and to study ration or diet formulation including computer usage. A textbook, "Feeds and Feeding," will be required for the course

and available at the Panhandle State University Bookstore. The course is to be taught by Dr. Jerry Martin. Dr. Martin, Chairman of the Division of Agriculture at PSU has twenty-three years of university teaching involving courses in basic nutrition and applied nutrition. Dr. Martin has a Ph.D from Oklahoma State University with a major in nutrition and a minor in physiology.

1703 ART 4000 BREADDOUGH ART 1 Hour Credit--Monday--Room 206 Sewell-Loufbourrow--Class Limit 20 PSU Tuition & Fees \$23.65 Instructor: Kristy Patterson

Breaddough Art will feature the techniques in making and sculpturing breaddough into Christmas ornaments, baskets, wall hangings, figurines, and the like. Tips will be given on mixing paint with dough and various recipes and baking techniques will be shared. All participants will be required to bring flour, salt, wire, food coloring paste, garlic press, shelac, aluminum foil, cookie sheet, acrylic paint, and brushes, liquid soap, lace and fabric scraps. The coure will be team taught by Kristy

Patterson and Pam Wadley. Kristy has taught breaddough art at workshops to civic and extension homemaker groups. She has a degree in commercial art and design. Pam teaches breaddough art throughout the area to various groups, she exhibits and sells breaddough art as a freelance artist and has developed and specialized techniques in coloring and baking the dough.

1704 ART 4000 COLOR WARDROBE 1 Hour Credit--Monday--Room 201 Sewell-Loufbourrow--Class Limit 30 PSU Tuition & Fees \$23.65 Instructor: Jo Dunham

Color Wardrobe-Dressing Thin, means looking great all the time no matter your size. Using a combination of one tenth optical illusion and nine tenths attitude, the result is a new you. It is for anyone who wishes to look up to 35 pounds thinner. Demonstration, models, clothes, and accessories, will be used, how to define and shape your wardrobe and how to put together looks with colors. Many extras will be taught to make dressing truly individual, creative, fun, and problem free.

Attention will be given to the following areas: line and design, style and detail, pattern and color, accessories, and wardrobe planning. The course will be taught by Jo Dunham who has extensive training in color and wardrobe with COLOR I Associates of Costa Mesa, California. A \$10.00 color type fee will be charged all participants taking Color Wardrobe.

1705 ART 4000 WATERCOLOR PAINTING 2 Hours Credit--Tuesday--Room 203 Carter Hall--Class Limit 20 PSU Tuition & Fees \$44.30 Instructor: Jo Dunham

Watercolor Painting has been designed for both beginning and intermediate painters. This course is offered for two hours of credit and will meet for 10 weeks. At least one field trip will be included in this course. Transparant watercolor techniques will be emphasized through the use of basic washes: graded, flat, wet-in-wet, and dry brush. Variation in color technique, and design will be stressed through step-by-step demonstrations, paintings to be completed in the ten week

class include: Field of Daisies, Plowed Field, Country Road, Morning Light, Casual Water, and several others. Jo Dunham holds bachelor and master's degrees from Northeastern Oklahoma State University and has studied with Carl Schmaltz, Robert Loughead, Ben Knois, and Stefan Kramar. She is founder and past president of Artists' Studio Northwest. A supply list will be furnished and supplies may be ordered by calling Mrs. Dunham, in Guymon, at 338-3232.

Kathaleen Thrasher

Sam Nelson

Rodney & D Barbara Seawright

David Driskill

Ed Bryan

1706 BUAD 3403 REAL ESTATE PRINCIPLES 3 Hours Credit--Wednesday--Room 110 Hamilton Hall--Class Limit 45 PSU Tuition & Fees \$64.95 Instructor: Russ Smith

The Real Estate Principles class is offered for three hours of university credit. It meets the requirement necessary for an individual to be able to sit for the Sales Associate Examination in the state of Oklahoma. Primary emphasis for the course will be placed upon contracts, home ownership, brokerage, deeds, and selling. The participants in the course will be required to purchase two textbooks. One will be

available in the PSU Bookstore, the other will be ordered the first night of class. This course is one which may be challenged for a letter grade. It then may be used toward a bachelor's degree in Business Administration. Real Estate Principles, the first course in Real Estate, will be taught by Russ Smith. Mr. Smith is a Broker and is the owner of Landmark Real Estate in Guymon.

1707 COSC 2123 BASIC I 3 Hours Credit--Wednesday--Room 208 Sewell-Loufbourrow--Class Limit 20 PSU Tuition & Fees \$60.90 Instructor: Diane Murphey

BASIC I is the second course in the logical progression of learning computer science and programming. The course will serve as an introduction to the strategies of program design and techniques of programming using BASIC, a high level programming language. Structured programming techniques will be used to teach formatting, input, output data, error trapping, sequential file handling, tables, binary search and more. This course requires that all who enroll have successfully

completed Introduction to Computer Systems. BASIC I may be taken for a letter grade or it may be taken on a "P" for passing, "W" for withdrawn basis. The course will be taught by Diane Murphey. She teaches many of the computer courses at PSU and holds bachelor's and master's degrees in mathematics and is presently working towards a doctors degree with an emphasis in computer science.

1708 COSC 2113 INTRODUCTION TO COMPUTER INFORMATION SYSTEMS 3 Hours Credit--Monday--Room 207 Sewell-Loufbourrow--Class Limit 24 PSU Tuition & Fees \$60.90

Instructor: Pam Nelson

1709 COSC 2113 INTRODUCTION TO COMPUTER INFORMATION SYSTEMS 3 Hours Credit--Tuesday--Room 207 Sewell-Loufbourrow--Class Limit 24 PSU Tuition & Fees \$60.90

Instructor: Julie Eggleston

1711 COSC 2113 INTRODUCTION TO COMPUTER INFORMATION SYSTEMS 3 Hours Credit--Thursday--Room 207 Sewell-Loufbourrow--Class Limit 24 PSU Tuition & Fees \$60.90

Instructor: Kathaleen Thrasher

These three introductory courses into Computer Information Systems will offer the same material. The popularity of this subject area has prompted Panhandle State to again offer three sections so that more area residents may be accomodated. The course key number 1708 will meet Monday evenings, the course with the key number 1709 will meet Tuesday evenings, and the course with key number 1711 will meet Thursday evenings. All three courses will provide an overview of computer information systems. There will be introduction to computer hardware, software, procedures and systems, along with an overview of human resources and computer applications in various segments of the society. Fundamentals of computer problem solving and programming will be discussed and applied. All participants will need a 5 ¼ inch floppy disk. It may be purchased at the University Bookstore the first night of class. A textbook will be required and will be

available at the PSU Bookstore. The Monday evening class will be taught by Pam Nelson, the Tuesday evening class by Buddy Brock, and the Thursday evening class by Kathaleen Thrasher. Pam Nelson has a degree in mathematics from Panhandle State University and a masters degree in computer science. She serves as a member of the PSU faculty, in math and computer science. Julie Eggleston is a recent PSU graduate in Accounting and Computer Science. She is now an accountant with Caprock Industries in Gruver, Tx. Kathaleen Thrasher holds a bachelors degree in Business Administration and a master's in Computer Information Systems Education from West Texas. She has previously taught in the Texhoma Public School System and is now employed at the First National Bank of Texhoma.

1712 COSC 4000 PRACTICAL APPLICATIONS OF MICROCOMPUTERS 3 Hours Credit--Wednesday--Room 207 Sewell-Loufbourrow--Class Limit 24 PSU Tuition & Fees \$64.95 Instructor: Mel Yates

Practical Applications of Microcomputers will teach the use of three application programs: word processing, spread sheet, and data base file management. The programs used will be Superscript, Visicalc, and Profile III-Plus. Machines used will be the TRS-80 Model IV. Although no programming knowledge is necessary, students must be familiar with computer operation, have experience operating a computer, and have completed the course, Introduction to Computer Information

Systems. Some business and record keeping knowledge is assumed. The course will cover basic operation of the three programs and will stress hands on experience. The course will again be taught by Mel Yates, Superintendent of Schools at Texhoma. He has used these programs extensively. Participants will be required to purchase three 5 ½ inch single sided double density floppy disks, costing approximately \$5.00 each.

Cleo Rainey

Penny Sommers Candi Kelly

Dan Faulkner

Bob Wise

Debra Cole

1713 ECON 2113 ELEMENTS OF ECONOMICS 3 Hours Credit--Thursday--Room 222 Hamilton Hall--Class Limit 25 PSU Tuition & Fees \$60.90 Instructor: Sam Nelson

This course may be used to fulfill part of the general education requirements and partial corequisite requirements for a major in business. The course may be challenged for a letter grade or taken on a "P" "W" basis. The course will offer some insight and explanation to the questions: How does supply effect demand? How does governmental policy, savings, and inflation affect income? How does the banking system work and how does it affect you? The course will also cover

international trade and its effects. Different levels of unemployment and its effect on the economy will also be discussed. There will be a required textbook for this course. The course will be taught by Sam Nelson, Head of the Department of Social and Behavioral Sciences. Mr. Nelson received both his undergraduate and graduate degrees at the University of Texas in Austin and has taken additional work at Oklahoma City University.

1714 EDUC 4000 LEARNING TO PLAY BRIDGE 1 Hour Credit--Wednesday--Student Union Cafeteria--Class Limit 24 PSU Tuition & Fees \$23.65 Instructor: Rodney & Barbara Seawright

Learning To Play Bridge will provide the participants of the course with the basic rules for bidding and play. This course will combine lecture and actual participation. Rules, conventions and methods of play will be of prime importance for the individuals taking this course. All will be explained and demonstrated and then will be put into practice by those taking the course. Bridge is one of the most socially

acceptable card games. Many persons hesitate to learn because they believe it to be difficult. Bridge is a game where the learning never ends. Some bridge players are more experienced than others but all are still students. This course, taught by Rodney & Barbara Seawright, will prepare the participants to begin playing bridge. There will be a textbook required for the course.

1715 EDUC 4000 READING RATE IMPROVEMENT 2 Hours Credit--Tuesday--Room 127 Hamilton Hall--Class LImit 20 PSU Tuition & Fees \$44.30 Instructor: Dr. David Driskill

This course is designed to develop reading rate and flexibility. This should improve not only the reading speed but also the comprehension. The course is to be taught by Dr. David Driskill, Professor of Education and Director of the Reading Clinic at Panhandle State University. Participants in this course will use teacher made materials and some self contained materials. The methods and materials necessary

for increasing both rate and comprehension will be discussed. Many speed reading courses do not emphasize the increased comprehension, only the increased speed. This course will help the participants achieve both. Dr. Driskill has a number of years experience as a reading specialist prior to joining the Panhandle State University faculty in the fall of 1976.

1716 HPER 4000 FUNDAMENTALS OF BOWHUNTING 2 Hours Credit--Tuesday--Room 108B McKee Library--Class Limit 12 PSU Tuition & Fees \$44.30 Instructor: Ed Bryan

Fundamentals of Bowhunting will include subjects of bowhunting safety and ethics, equipment selection and tuning, shooting techniques, bowhunting methods, game habits and habitats, and field care of game. Those who complete the course successfully will be officially registered as Certified Bowhunters with the National Field Archery Association's International Bowhunter Education Program. Participants in the course will learn through lecture, visual aids, and practical experi-

ence. Participants must provide their own archery equipment and accessories and a \$10.00 fee will be charged for incidental supplies and books for the course. This amount is payable at the first class meeting. The instructor for the course is Ed Bryan. He is a certified instructor in the International Bowhunting Education Program and a lifetime NRA hunter safety instructor. Mr. Bryan has numerous listings in Oklahoma's Bowhunting Record Book.

1717 HOEC 4000 CHINESE COOKING 1 Hour Credit--Tuesday--Room 301 Hesper Hall--Class Limit 20 PSU Tuition & Fees \$23.65 Instructor: Cleo Rainey

Chinese Cooking will be taught by Cleo Rainey. She is a PSU graduate with a degree in Home Economics. Cleo is the wife of LTC Charles "Bud" Rainey, retired, who spent considerable time in Taiwan. During that time Cleo took lessons in Chinese cooking and also learned from their Chinese cook. Cleo will give a background on China and Chinese cooking during the course. There will be a variety of dishes prepared during each of the five sessions. The first session will be

held on October 9. It will be necessary to enroll prior to the August 31 final enrollment date. Chinese cooking will feature a variety of dishes that can be prepared with food products available in this area. Mrs. Rainey will be using a wok, a Chinese cooking vessel, to prepare the food. Dishes to be made include: Bso-Tse, Sweet and Sour pork, spring rolls and more. A \$15.00 food fee will be charged.

1718 HOEC 4000 CONTEMPORARY TAILORING 2 Hours Credit--Tuesday--Room 316 Hesper Hall--Class Limit 20 PSU Tuition & Fees \$44.30 Instructor: Penny Sommers

Contemporary Tailoring will enable participants to learn quick and easy tailoring techniques, to develop tailoring practices which produce a professional looking garment, to make proper pattern and fabric selections, and to construct an eight hour blazer. Participants must supply sewing equipment and supplies, fabrics and patterns to complete a garment. A textbook, "Easy, Easier, Easiest Tailoring,"

costing less than \$10.00 will be required for the course. Contemporary Tailoring will be taught by Penny Sommers, Head of the Home Economics Department at Panhandle State University. Ms. Sommers lacks all but dissertation on a doctorate in Home Economics Education with a support area of clothing and textiles.

1719 HOEC 4000 SEWING CRAFTS (DECORATOR PILLOWS) 1 Hour Credit--Thursday--Room 316 Hesper Hall--Class Limit 18 PSU Tuition & Fes \$23.65 Instructor: Candi Kelly

Learn how to make one of today's most popular decorating accessories. This class will concentrate on the basics of making decorator pillows, how to figure fabric measurements, methods of dealing with ruffles, types of filling available and when to use a specific type of filling. Two projects will be completed during this course: a pillow utilizing a removable pillow form and one in which fiberfill is used. A basic knowledge of sewing and machine use is necessary. The course will be taught by

Candi Kelly. Candi graduated from Panhandle State University with a Bachelor of Science degree in business administration with a minor in fashion merchandising. She has previously taught a course in home decorating and in boutique crafts. A list of supplies and materials necessary will be given to those enrolled the first night of class.

1721 HUM 4000 BEGINNING GUITAR 1 Hour Credit--Monday--Room 115 Hughes-Strong--Class Limit 25 PSU Tuition & Fees \$23.65 Instructor: Dan Faulkner

Beginning guitar is a course designed for the person who knows little or nothing about guitar but is interested in learning to play. This course will cover basic chord patterns, accompaniment styles, some playing by note, and reading tablature. Emphasis will be on acquiring skills which will enable participants to play for their own enjoyment and provide a basis for self instruction for continued learning after the course has been completed. The textbook "Comprehensive Guitar Method,"

will be supplied by the instructor and sold at the first meeting for \$5.95. An additional \$5.00 will be charged to cover the cost of duplicating materials that will be handed out by the instructor, Dan Faulkner. Mr. Faulkner is a graduate of Panhandle State University and has a master's degree from Fort Hays State University. He has been a music educator for fourteen years and currently serves as Instructor of Music and Director of Bands at PSU.

1722 HUM 4000 PANHANDLE CHORALE 1 Hour Credit--Thursday--Hughes-Strong Auditorium--Class Limit 50 PSU Tuition & Fees \$23.65 Instructor: Dr. John Slawson

The Panhandle Chorale is a regional community chorus designed to give people of the area who enjoy singing an opportunity to participate in an organized chorale ensemble. The Chorale, established in the spring of 1981 as the Panhandle Master Chorale has presented the Vivaldi "Gloria" and a portion of the Mendelssohn's "Elijah" with the Southwest Symphony Orchestra. The chorale is open to all

singers without audition. Rehearsals will begin in Hughes-Strong Auditorium and continue each week culminating in a concert of Christmas music, mostly traditional as well as non-traditional carols in early December. Dr. John Slawson, conductor and director of Panhandle Chorale currently serves as Instructor of Music and Director of Choral Activities and Music Theater at Panhandle State.

1723 JOUR 1123 FUNDAMENTALS OF PHOTOGRAPHY I 3 Hours Credit--Thursday--Room 203--Sewell-Loufbourrow--Class Limit 32 PSU Tuition & Fees \$60.90 Instructor: Bob Wise

Are you concerned with the basics in the operation of a modern 35mm single lens reflex camera, the developing of black and white film, and the enlargement process? This course will cover the operation of the camera, proper exposure, guidelines for good composition, using and controlling, artificial lighting, and correcting common photographic errors. These areas will be covered by lecture, filmstrips, visual aids and actual practice. All of the participants will take and

develop their own rolls of film. A textbook "Photography" is required and will be available in the PSU Bookstore. The photo materials: film, paper, chemical, etc. may be purchased through the PSU studio for \$28.50. This class will use the new photo lab facilities that have been added. It is possible for eight participants to use the enlarging and printing stations during a session. The course will be taught by Bob Wise.

1724 SESC 1103 BEGINNING TYPEWRITING 3 Hours Credit--Monday--Room 308 Hamilton Hall--Class Limit 30 PSU Tuition & Fees \$60.90 Instructor: Debra Cole

The goals of Beginning Typewriting include: To type letter, figure, and symbol keys by touch, to develop proficiency in shifting for capitals, in tabulating, and in handling other operative parts of a typewriter. Also to be covered are: the basic rules regarding the arrangement of copy on the paper, skills and understanding of the typing of letters and reports, proofreading for accuracy, and evaluating the acceptability as a finished piece of work. This course is designed for those persons

who have no typewriting skills. The objective of the course will be to teach the participants to type sufficiently well, to meet the requirements of a job, and to type personal papers. A textbook, "Introductory Typewriting" is required. The course will be taught by Debra Cole, a PSU Business Education graduate and employee of the PSU Business Office.
