Mr. and Mrs. Jim Reed named successors to choir posts

## Travis, Charlotte Angel resign

Travis Angel  
Choir and Band

Resignations of Travis and Charlotte Angel—submitted after 4 p.m. Monday—were accepted Monday night by school board trustees who immediately named a highly recommended couple to replace them and head up the touted junior and senior high choir programs here.

The Angles resigned to accept positions at A&M Consolidated High School, College Station, the high school at Texas A&M University. They will be succeeded by Jim and Luana Reed who will move here from Wichita Falls, bringing with them a reputation as award winning choir builders.

The board first took up the resignations of the Angels and Paul Ruiz, who had been hired to teach social studies this fall but instead accepted a position in Washington, D.C.

Superintendent James Cunningham told the board the Angels had approached him about resigning more than a week ago, but that he told them there was "no way" they would be released from their contracts and their resignations would be accepted unless suitable replacements were found.

Cunningham said this was the situation when the Reeds came to his office Monday. They spent considerable time visiting. They visited "quite extensively" he said. Meanwhile, Spearman High School Principal Eddie Clemmons and Junior High Principal Kenneth Freimel checked with their counterparts in Dumas where the Reeds had been in charge of choirs for six years. Cunningham, Clemmons and Reed told the school board that the Reeds had been highly recommended by the Dumas principals. Later in the day, the Angels tendered their formal resignations.

Cunningham said, "The Good Lord looks after us souls sometimes better'n we deserve," and handed out copies of the Reeds' resumes for the board to study.

Jim Reed was "originally" from Wichita Falls where he was graduated from Wichita Falls High School in 1961. He attended Hardin Simmons University in Abilene, and was graduated there in 1966 with a bachelor of music degree. From 1966-68 he served as an officer in the

U.S. Army and served a stint as a company commander.

In 1972 he received his Master's degree with a major in school administration, and minor in music from Sam Houston State University, Huntsville.

Mrs. Reed was reared in Amarillo, and was graduated from Amarillo High School. She, too, attended Hardin Simmons, but was graduated from the University of Houston in 1970 with a bachelor of music degree.

The Reeds first taught in Pasadena, Texas, where he was junior high choir director for five years. She taught fifth and sixth grade music in Pasadena two years. For the next six years they served in Dumas. There Reed built one of the most successful, award winning choir programs in the state.

Every year while Reed was in charge of the Dumas High School choir, he had students win All-Region and All-State Choir, in "quite a number of cases," Cunningham said.

They were equally successful in U.I.L. competition winning numerous Sweepstakes, and also won honors at events such as the Texas Invitational Choir Festival, the Greater Southwest Choir Festival and at Six Flags over America.

Reed returned to his alma mater, and began rebuilding the Wichita Falls High School choir program. But after two years he decided to try working as a representative for Josten's American Yearbook Co., and spent the last two years with the firm while Mrs. Reed continued to teach elementary school music in the Wichita Falls school system.

After reviewing the qualifications of the Reeds, the trustees voted to accept the resignations of the Angels, although one board member voiced reservations about setting a bad precedent allowing teachers to resign after the deadline for accepting resignations was past.

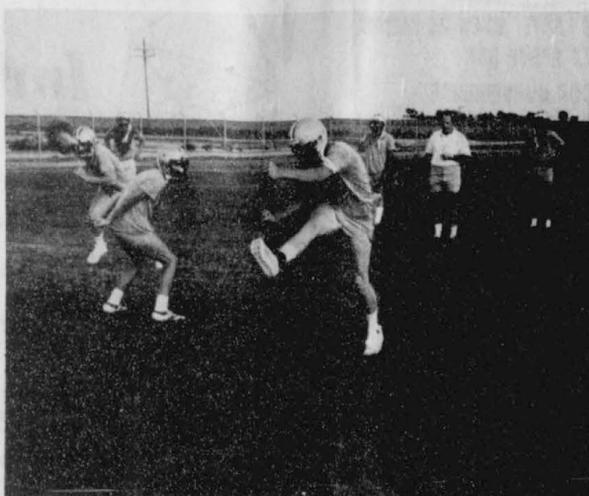

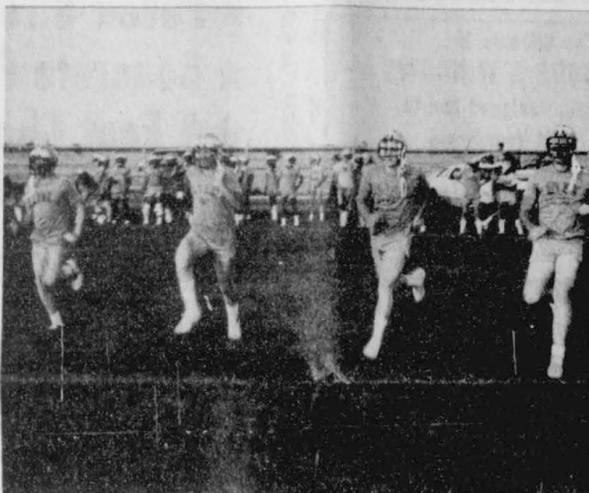

Another voiced the opinion that they could justify such action in light of the fact, suitable replacements "came in and applied," so the board voted unanimously to accept the resignations of the Angels and Ruiz.

Another board member asked if Mrs. Reed would have any problem with reading seventh and eighth grade choirs for competition, and was told Mrs. Reed was very well recommended but that her husband would also assist here in the junior high choir program.

Reed would also assist with the band program, but would not be in charge of the band, nor serve with the title of Music Director this year, as Angel was to have.

School Board President voiced displeasure because the Angels submitted resignations so late, but said in the seven years Angel has

Continued on page 2

### Football boys report

Running high knees, calisthenics, sprints, working on basic assignments in shorts and football shoes, and even getting in a little kick off and return practice, Lynx football candidates opened their first two-a-day drills Monday. Head Coach-Athletic Director Larry Lanier said 44 boys suited out for the first day of practice and another is expected to join the workouts later.

Twenty-five juniors and seniors--10 of them returning varsity lettermen—answered the call to action, joining with some 20 freshmen and sophomores in the pre-season drills. Lanier said the grid candidates looked "real good" for their first drill. "They've been showing great enthusiasm, and we have great hopes for a winning season," Lanier remarked.

### Collision near water tower

A 1970 Ford oil field servicing truck and a 1971 car collided Monday morning when the truck driver apparently attempted a right turn from Kenneth into an alley running beside Spearman Police Station, according to the Spearman Police Chief D.J. Alberts.

The truck and car had both been westbound on Kenneth. The left front of the car, driven by Mrs. Helen Jones of Spearman, and the right front and door of the truck were damaged in the collision, Alberts said.

The driver of the truck was Juan

Salazar, also of Spearman, Alberts said.

After the truck and car were pulled apart by a wrecker, and the car was driven off the curb it straddled, both vehicles were driven from the scene. The truck was pulled up to tank up on water from the city water tower behind old City Hall, and the car was driven off.

No citations were issued, according to Alberts. Mrs. Jones complained of pains in her left knee. If she was taken to the hospital or doctor at the time, it was by private vehicle.

## Lions Club has excellent meetings the past 3 wks

Boss Lion Ray Robertson was master-of-ceremonies the past three weeks for three of the most exciting meetings of the year for the Spearman Lions Club.

Two weeks ago Stinson Gibner brought slides of his trip to China and they were outstanding. Stinson purchased a China Red Star hat and uniform and wore it during the slide showing at the Lions Club. Stinson stated that the Chinese were very interesting people, and they especially were interested in seeing his red hair. Also, Stinson showed slides of the great wall of China, and many other beautiful pictures at the meeting.

Last week Bobby Brown brought the program on satellite TV reception. It was an outstanding program, and until we would write up the story, we made a stop at Albert Graves house last Saturday night and viewed the TV antenna reception at the Graves home. It was absolutely unbelievable the picture was so clear. Also on the TV satellite antenna we watched the Cowboys live on Saturday night thanks to Joan and Albert Graves, and Bobby

Brown. We highly recommend one of these antennas if you want to really get into TV properly. Just call Bobby and he will show you the best picture in the world...

Tuesday noon of this week, Albert Graves presented the Chief Probation officer of Hutchison, Hansford and Ochiltree counties who gave the program. Donald Farry is the probation officer and he gave an excellent program. Farry stated that the Texas Department of Corrections has the largest number of inmates in the U.S., a total of 37,000. The legislature is now going to have to build a minimum of 6,000 beds per year in jails to take care of the needs in Texas for the future years, according to Farry. The Amarillo area has the largest number of convicts in jail now, than at any time in history.

One guest, Steve Harris, Ideal Grocery manager attended the Tuesday noon luncheon. The Lions club are continuing their membership drive, and if you have not been contacted to become a member, let Lion Miller at the newspaper know!

## Collard Rotary Speaker

John R. Collard, Jr., gave the Monday program at the Rotary Club. He gave a slide program on "Effective Leadership in Rotary."

Next Monday's program promises to be very interesting. The three boys that the local club sent to RYLA camp this summer will give the program on their experiences at camp. They are Bob Cook, Mark Guthrie and Byron Sutterfield. Camp RYLA is a 12 month camp sponsored by Rotary International and is held 19 miles southeast of Taos, N.M.

New members to the club are J.E. Blackburn, Winn Crenshaw, Danny Howell and Lane Boyd.

### Evelyn Yancey buried Tuesday

Memorial services were held at 2 p.m. Tuesday in the First Christian Church for Mrs. Evelyn J. Yancey, 55, who died Sunday. Rev. Martin Foster, pastor, officiated. Burial was in Hansford Cemetery by Boxwell Brothers Funeral Home.

Mrs. Yancey was a lifelong resident of Hansford County and a member of First Christian Church. Survivors include her husband Frank; a son, Richard of Spearman; a daughter, Mrs. Glenda Campbell of Euleus; her mother, Mrs. Mattie Reynolds of Spearman; four brothers, Cecil Reynolds of Spearman, Leslie Reynolds of San Antonio, Gene Reynolds of Gruver and Olanda Reynolds of Borger; two sisters, Dallasene Reynolds of Spearman, and Nathalie Turner of Waka; and six grandchildren.

### Dortha H. Conner services held

Funeral services were held Wednesday, August 10, at 3 p.m. at the Church of Christ for Dortha H. Conner, 76, who died Sunday.

Burial was in Hansford Cemetery under the direction of Boxwell Brothers Funeral Directors.

She had been a resident of the Spearman area for the past 17 years, moving here from Ralls. She was a member of the Spearman Church of Christ.

Survivors include five daughters, Hazel Lesly of Spearman, Bernetta Lesly of Perryton, Pauline McClure and Barbara Irby, both of Kerrville, and Geneva Malone of Lubbock; three sons, W.L. Conner of Irving and Jack Conner and Vernon Conner both of Lubbock; and several grandchildren.

### Walker graveside services held

Alice A. Walker, 84, of Gruver died Monday.

Graveside services were at 10 a.m. Tuesday in the Gruver Cemetery under the direction of Boxwell Brothers Funeral Directors.

Mrs. Walker was born in Bosque County.

Survivors include three sons, Roy Walker of Sanford, Ross Walker and O.V. Walker, both of Gruver; three sisters, Mrs. Jeffery Gainey and Mrs. Ludie Duncan, both of Borger and Mrs. Anna Forrest of Los Angeles, Calif.; a brother, Robert Spivey of Borger; eight grandchildren and 14 great-grandchildren.

# Keeping up with the Joneses

"Keeping up with the Joneses" could be quite a chore in Spearman—if the current GTE phone directory is any indication.

Excluding business phone listings, there are 13 separate listings for Jones in the white pages Spearman section of the July 1983 GTE directory. Of course, scanning the phone book is not an absolutely true indication of how many families are around with any certain surname. Some households have a separate phone for each member of the family, some homes have no phone at all and still others have unlisted numbers.

Yet, the 13 listings for Jones "in the book" indicate it would not be the easiest thing in the world to keep up with the Joneses, at least in a numerical sense.

It would be just a tad harder even, to keep tab on the Smiths in Spearman—there are 14 of them listed in the phone book.

And the Browns would pose an even greater effort. There are 16 Browns down in black on white in the directories.

But hardest of all would be trying to stay abreast of all the Davises. If the phone book is right, there are more of them around—25 separate listings to be exact—than any other family name in Spearman.

Right behind the Joneses in the numerical standings are the Jacksons and Martins, with 11 listings each. Rounding out the double digit listings are the Bakers who are down in print 10 times.

So, in Spearman for the present, the "in" thing would seem to be "keeping up with the Davises."

## Museum needs donations

The Stationmaster's House Museum Board met at 9:30 Monday August 1st at the Museum. Helen Boyd called the meeting to order.

Minutes of the previous meeting were read and approved. Ruby Jo Wilbanks gave the financial report. Gus Renner reported that hopefully work will be started this week removing the old utility lines and laying new ones—all this in preparation of excavating for a basement under the depot. That will be the next big step.

Due to the Labor Day Holiday the next meeting will be postponed one week to September 12th at the Museum. Members present were:

Coreata Ralston, Irvin and Helen Boyd, Harry Stumpf, Ruby Jo Wilbanks, Gus and Clementine Renner.

We were fortunate in having the depot donated by the Santa Fe; but it takes money to have it move and placed over a basement not to mention the cost of the basement. PRESENT AND PAST HANSFORD COUNTY RESIDENTS AND LAND OWNERS we need your financial help in doing this. We are proud of our heritage and want to preserve it. PLEASE HELP! Send your contribution to The Museum, 30 So. Townsend St., Spearman, Tex. 79081 or Ruby Jo Wilbanks, Box 532, Spearman, Texas 79081.

Continued from page 1  
been here, he has done a "tremendous" job of building the choir program an award winning, highly respected around the state choir program.

Mrs. Rhonda Brown was hired as social studies teacher to replace Ruiz.

## Hospital

Patients in Hansford Hospital are Fred Chase, Norma Hermosillo, Trena Munns and son, Harriett Wilmeth and Dorothy McElroy.

Dismissed were Gary Morrison, Dan Pearson, Lera Langston, Willie Vasquez, Sr., Irene Snider, Debby Bowman, Yolanda Hinojos and William Powell.

## Work Saver

Tomorrow has been defined as "today's greatest labor-saving device."  
-Record, Columbia, S.C.

Joseph E. Brennan, Governor of Maine (D):  
"I think we're doing a little better, but we've got a long way to go."

## Universal

It seems that modern statesmen can't tell a lie, either. The correct name for it is "official denial."  
-Star, Minneapolis.

## Ideal

The ideal wife is one who grows dearer instead of merely more expensive.  
-Times, Los Angeles.

## Processed Thought

Some people never have reflections unless they're standing in front of a mirror.

-Tribune, Chicago.

## Absolutely!

When a man changes his mind as much as a woman, chances are he's married to her.

-Air News, Jacksonville.

First night launching space shuttle delayed.

Twenty-member anti-crime commission created.

# Dear Editor

Letter to the Editor.

On March 31, 1983 the town of Popayan, Colombia was destroyed by an earthquake. Consequently, schools will not open there next year.

Sixteen year old Mauricio Jose Lopez would like to become an Exchange Student to the U.S.A. and it is hoped, through your newspaper, a local family might be located to host him.

Jose is entering the 12th grade. He speaks English and plans to be an M.D. like his father who is a professor in a school of medicine.

His interests include basketball, swimming, bicycling, reading and listening to music. He has four older brothers and sisters plus a twin sister.

Any family willing to provide a bed, 3 meals daily and transportation to school and church should contact Wm. R. Smith, International Fellowship, Inc., P.O. Box 1212, Sedona, Az. 86336, or phone 602-284-1413, collect.

Jose will have his own funds for personal expenses and will be fully insured. He will be one of the family for the school year, sharing in the tasks, joys and concerns, and tax deductible.

Signed: Wm. R. Smith  
International Fellowship, Inc.

## Band to begin rehearsals August 15

The Spearman Lynx Band will begin its rehearsals in preparation for the upcoming football season on Monday, August 15 at 7 p.m. in the High School Bandhall.

The rehearsals are necessary to prepare the band for its first halftime presentation of the year when the Lynx defeat the Stratford Elks. The music for the first show will be "Cornado" by Bob Cotter, "Cantind Band" from the Star Wars and the Lynx Fight Song.

The Lynx Color Guard, consisting of flag and rifle units has been hard at work already

as they attended camp August 1-4. The members of the Color Guard are: Flags - Angela Coombs, Tisha Pearcy, Pat Ochoa, Rocio Rosales, Kim Branstetter, Kellye McFarlin, Leticia Vela and Laura Coombs; Rifles: Neta Burger, Jennifer Yarbrough, Rhonda Matthews, Tommy Sheilds and Denise Rojas.

Some of the popular musical selections to be played this year are: "Ewok Celebration" from Return of the Jedi, "Flashdance...What A Feeling," "Gloria," "Always on My Mind" and "Down Under" by the Australian group, Men at Work.

### Byrd reports for duty

August 2 (FHTNC)--Navy Gunner's Mate 2nd Class Robert G. Byrd, son of Preston H. and Jean E. Byrd of 508 S. Bernice St., Spearman, Texas, has reported for duty aboard the USS England, homeported in San Diego.

U.S. & China reaches agreement on textile quotas.

## YMCA offering new fall programs

With a new emphasis, the Hansford County YMCA will be offering a "bushel basket full of programs for the Fall." In the past, the Y's major emphasis has been recreational activities aimed toward team sports. "This fall we will still have our team sports but will also have several programs geared toward Health Enhancement", says new Executive Director, Winn Crenshaw. "We will be having more fitness classes of several different varieties," Crenshaw stated.

The two major new programs are both Co-ed in nature and emphasize total fitness. Both classes will be offered five days a week with participants encouraged to attend 3-4 times a week. By offering the classes five days a week, Crenshaw hope to effect participants lifestyles. He stated that the Y wants to provide people the opportunity to make regular exercise a vital part of their lives, not just a far. The classes will be offered at 12:10-12:40 at lunchtime for those who want to substitute exercise for eating, and again from 5:30-6:15 p.m. at the home from work time.

Both these classes will emphasize flexibility, muscle endurance, and aerobic activities. Also included in the class will be basic information on exercise physiology, risk factor education, nutrition education, and behavior modification. There will be a small cost to the classes; however, the classes will be like none other in the Spearman area. The classes will run for twelve weeks.

Other new programs offered at the Y this fall will be: Senior Citizen Fitness, Weight Lifting Classes for men and women, Racquetball lessons, Square Dancing, Western Dancing, and Life Skills Management. Sports offered this fall will be Boxing, Soccer, Flag Football, Racquetball Leagues, Tennis Leagues, & Volleyball. Some of the Special Events will be a racquetball tournament near Thanksgiving and a Thanksgiving Day run. Finally, Crenshaw stated that the Y will be attempting to form a bicycle touring group. The group will meet on Saturday mornings to take moderately paced rides of from 15-20 miles. Those interested will need ten-speed bicycles.

Most classes will begin

Sept. 6 and run for 12 weeks. Crenshaw stated that the Y will have a Fall Newsletter that will be mailed to all members on the week of Aug. 15. The newsletter will contain details about all Fall programs. The newsletter will also be available at local business and will be mailed to anyone interested in receiving a copy by calling

the Y at 659-2591. Crenshaw closed by saying, "Come to the Y and change your lifestyle, just for the health of it!"

# Spearman school board public hearing

Spearman School Board set Aug. 25 at 8 p.m. as the date and time for a public hearing on the school district budget and accepted bids on milk, bread and insurance for ISD personnel during a regular meeting Monday night.

The board voted, on a motion by Tommy White and seconded by Dennis Nelson, to accept the apparent low bid from Mead's Bread Co. to supply the school district cafeterias with bread for the upcoming school year, with the proviso that Mead's can satisfactorily deliver the bread.

Mead's bid, 57 cents per loaf of bread, 61 cents on hamburger buns and 61 cents on packages of hot dog buns.

The board voted to accept the lone bid for milk from Borden's agreeing to pay .1185 cents for one-half pints of homogenized milk and .1765 for one-half pints of chocolate milk on a motion by Kent Guthrie and seconded by Mike Garnett.

The trustees voted to keep their health (hospitalization) insurance for personnel with Employee Benefit Plan for another year. On motion by Mike Garnett, seconded by Charles Shieldknight, the trustees agreed to pay \$30.29 plus \$1.48 for dental for employees. Employees may pay more and cover their wives or children or entire family with both health and dental coverage.

The board also named First State Bank of Spearman as the school district depository on motion by Guthrie, seconded by Shieldknight.

## YMCA having new program for children

This Fall the Hansford County YMCA will be having a new program for children K-6th grades. The program will be called "Football around the World" and will combine football and soccer. Teams will be formed into leagues for both boys and girls in September. Each team will play each other twice in soccer then again in flag football.

The purpose of the program will be to give the kids of the Spearman area a variety of activity and an opportunity to develop a variety of skills.

The Y is in need of coaches to make the program go. Anyone can be a coach. The Y philosophy for Youth Sports is "Child First, Sport Second." The objective of the program is not to develop great athletes, but to develop great kids.

Registration for Football Around the World will be from

### Big Bass

#### Tournament near

The first annual BIG BASS TOURNAMENT staged by CAMP TEXARKANA on LAKE WRIGHT PATMAN is only three weeks away -- Sept. 3 & 4 -- Some of the most dedicated bass fishermen alive haven't entered.

--THAT'S THE BAD NEWS!--  
--THE GOOD NEWS IS--  
You can still enter for a fee of \$65.00 per day for one of two days of fishing for a GUARANTEED \$100,000 PLUS in cash and prizes with \$50,000 in first place money.

There will be bonuses of \$100.00 on the hour for the biggest bass and other challenges.

LAKE WRIGHT PATMAN has always, in the past accommodated tournaments with big bass and --

TEXARKANA can accommodate a tournament full of big bass fishermen.

Address:  
CAMP TEXARKANA  
TOURNAMENT  
J.M. Enterprise  
Box 5697

Texarkana, Texas 75501  
Better still call: 1-214/838-9731 or 1-214/838-7431.

Net proceeds will go to TEMPLE MEMORIAL CRIPPLED CHILDRENS CENTER, Texarkana, Texas 75501.

This tournament also features a press division for "Editorial anglers".

ENTER NOW - Don't you be left out!!!!!!!!!!!!!!!!!!!!

9-11 AM on both Sept. 10 and 17. There will be a clinic on soccer on the 17th following registration for ALL participants.

If you are interested in coaching or need any other information contact Winn Crenshaw at the Y at 9-2591.

## School registration

Ready or not, it is time to begin thinking about school.

Allen Alford, elementary school principal, requests that new students to the district grade K-4 register Aug. 17 & 18 from 9 until 12 each day.

Registration for K thru 4th grade will be from 8:30 until 10:30 Thursday, August 25.

School will begin August 26. The first bell will be at 8:15 and the tardy bell at 8:25.

Kenneth Friemel, junior high principal, announced that all new students to the district are asked to register August 22-25 at the junior high with August 25th the maid day.

A general assembly will be held in the auditorium at 8:20 a.m. August 26, and students will be sent for pre-enrollment to homerooms. A short schedule of classes will be held that day.

High school principal, Eddy Clements, asks that new students to the district register at the high school August 15 thru August 19.

Registration for all high school students will be Thursday, August 25. Senior will register at 8:30, juniors at 9:30, sophomores, 10:30 and freshmen at 11:30.

Classes will begin August 26 at all schools in the city.

Use Energy Wisely

## ... INSTALL ATTIC VENTS

Did you know that on a hot summer day your attic can reach temperatures as high as 150° putting an additional burden on your cooling system? Proper attic ventilation such as eave, ridge, gable, turbine or power vents can keep the attic temperature down by removing unwanted heat in the summer. They provide the added benefit of removing unwanted moisture all year long. For more energy-saving tips ask for our free booklet, "A Guide To Better Home Energy Management"

## Tractor conference here Thursday

With their tractor and implements properly matched, Hansford County farmers can increase their fuel economy by as much as 25 percent, County Extension Agent Jim Smith says.

This will be only one of the topics to be examined during a daylong "Big Tractor Conference" at Amarillo on Thursday, August 11, Smith said. The program is designed for implement dealers as well as producers.

Specialists with the Texas Agricultural Extension Service and major farm equipment companies will conduct the educational conference at the Texas A&M University Agri-

cultural Research and Extension Center, 6500 Amarillo Blvd. West.

In addition to proper matching of tractors with implements, the conference also will examine tractor performance, high speed farming, tractor weighting, field operations and efficiency, tires, soil compaction, tractor electronics, and computer management tools.

Conference registration begins at 9 a.m. with the program starting at 10 a.m.

Additional information about the conference and registration is available at the County Extension Office, Smith said.

## Two graduate courses offered

WTSU—Two graduate courses will be offered for Perryton area residents for the fall semester through the West Texas State University College of Education.

Dr. Jane Norris, assistant professor of education, will teach Learning Disabilities, designed to help teachers with children in the classroom who exhibit difficulties with learning.

Educational Psychology will be instructed by Dr. T. Paige Carruth, associate professor of education. The course involves discussion of the psychological

assessment of human behavior as related to teaching and learning.

Both courses will be taught from 5 p.m. to 7:50 p.m. each Monday, beginning Aug. 29, at Perryton High School.

Registration for the fall semester at WTSU will be from 8:40 a.m. to 7:20 p.m. at the Activities Center on Wednesday, Aug. 24.

Students enrolling only in off-campus courses may enroll during the first class meeting.

Off-campus courses in education, business and nursing also will be offered at Amarillo, Childress, Dumas, Pampa and Panhandle.

## Snakebites

It's that time of year again the dry, hot, dog days of August when the weather is nice and we like to be outside. Just the right kind of weather to bring out the snakes, too! But don't let snakes stop your outdoor fun! Keep a few things in mind and you can avoid worrying so much about these crawling reptiles, says Clint Vardeman a paramedic with Amarillo Medical services.

There are only 1,500 snakebites annually in Texas, and most occur in Central and East Texas. In the Panhandle, there are only three species of poisonous snakes. Most snakes are very shy and will avoid any human contact. If you wander off into the country and don't reach under rock edges, you may never see a poisonous snake. If the worst happens though, and you or a companion are bitten, the main thing to do is stay calm. 30% of all snake bite victims have no poison injected into the wound!

Besides, physical activity will only spread the poison quicker. Try to get a good description of the snake. 90% of our snakes are not poisonous and do not cause serious injury. Vardeman says, if you are bitten on a leg or arm, as most people are, there are a

few simple steps to remember. Keep the limb from moving, if possible. If you have a snakebite kit, you might place a light elastic band about 6 inches above and below the bite, but do not tie it too tightly. Cleanse the area with water, apply suction only if you have the proper equipment and can do so within 30 minutes of the bite. Do not cut the wound. Take the victim to the hospital. Remember, remain calm and travel at a normal rate of speed. If possible, call your local ambulance service so the victim can travel more comfortably.

You can get helpful information from the Panhandle Poison Control Center by calling the Panhandle Emergency Medical Services toll free number at 1-800-692-1331.

### LIFT CONTROLS

MOSCOW -- The Soviet Union announced recently that economic "experiments" will be undertaken in five ministries next year in an attempt to free industry from rigid central control and boost production.

Amtrak train derails--no fatalities.

## THURSDAY

## 600 freshmen student students expected at WTSU

WTSU--When the fall semester begins Aug. 24 at West Texas State University, more than 600 freshman students will be registered through participation at summer orientation sessions.

At five orientation sessions in June and July, 642 students attended to learn about residence hall living, financial aid, counseling and toured campus.

Attendance at each of the sessions totaled 161 for June 10, 132 on June 24, 70 on June 30, 148 on July 9 and 131 on July 25.

Students traveled to WTSU from 11 states and Puerto Rico. A majority of the students, 587, listed Texas as their home while 53 students traveled from New Mexico. Ten students each came from Colorado and Oklahoma and Illinois was represented by the three students. Two students came from New York,

Iowa, Michigan, Pennsylvania, Louisiana and Puerto Rico each had one student.

Beginning freshmen and transfer students have one more opportunity to attend an orientation session before the beginning of the fall semester.

Beginning freshmen may enroll to take the American College Test at 8 a.m. on Saturday, Aug. 20. On Monday, Aug. 22, students who did not attend a summer orientation session may become acquainted with campus at 8:45 a.m. in the Activities Center Ballroom.

Students participating in the Monday orientation session may receive academic advising and schedule planning on Tuesday, Aug. 23, at 1 p.m.

Registration for the fall semester is Wednesday, Aug. 24, at the Activities Center with classes beginning the following day.

Dr. Bob Stout, associate director of the University Counseling and Testing Center, directs orientation sessions.

### Golden Gleams

Many a man fails as an original thinker simply because his memory is too good.

-F.W. Nietasche.

There's hope a great man's memory may outlive his life half a year.

-Shakespeare.

The things that were hardest to bear are sweetest to remember.

-Seneca.

### BIBLE VERSE

"In quietness and in confidence shall be your strength."

1. Who was the author of the above statement?
2. Through whom was it spoken?
3. What was his position at the time?
4. Where may this promise be found?

### Answers to Bible Verse

1. Jehovah.
2. Isaiah.
3. The foremost prophet of the Jews.
4. A part of Isaiah 30:15.

# WE'VE GOT ONE IN YOUR SIZE.

Why use a big tractor on a job a small tractor can do just as well? And for less. Our B Series Kubota tractors range from 12 to 19 hp, have 2- or 4-wheel drive and handle a variety of implements. All have hydraulic 3-point hitch, front and rear PTO, and a dependable diesel engine. Choose from a variety of transmissions. Standard shift models offer the right speeds to match your job. The hydrostatic models give you all this plus the ease of no-shift, one pedal control.

So if you want to get the job done right, get the right tractor for the job. We've got one in your size.

## Area Art Show planned 10,000 expected for Boys Ranch Rodeo

The First National Bank, Perryton, Texas, is sponsoring its second Area Art Show on September 8, 9, and 10th. The response given to the 1982 Art Show was so favorable that the bank is again sponsoring this show, to be held in the Community Room of the Bank. This will again be an Open Show. All amateur and professional artist (including photographers), as well as artists in other fields of wall hangings, are invited to submit entries for this show. Works previously displayed at other art shows may be submitted. There is no specific item for this show.

The Ochiltree County Art Association is again participating in the show. It will coordinate the displays of the works in the exhibition. Mrs. Jim (Nancy) Lamb, Perryton, is the new president of the organization. Invitations have been mailed to all Ochiltree County Art Association members, and all 1982 entrants from the area. All interested persons who would like to participate in the show may contact Mrs. Juanita Brillhart, First National Bank, Perryton, Texas, for further information and entry forms. Applications should be received for registration by September 2nd. As in the 1982 show, there is no age limit, and the only stipulation is that the entrant lives within a 100-mile radius of Perryton. The artwork should be delivered on Thursday, September 8th.

Judges from outside the immediate area will select the best artworks in the major media categories. Cash prizes will be given for the 1st through 5th places in each category. Ribbons will be awarded to all entries. The overall "Best of Show Award" will be \$100.00 cash. Judging of the entries will be held on Friday morning, September 9th, from 9:00 A.M. until 12:00 noon. The doors will then be opened to the public for the remainder of that afternoon (until 4:00 P.M.) and will again open on Saturday September 10th, from 10:00 A.M. until 4:00 P.M. The artists works will be on display for potential art purchasers during these hours.

Concluding the Art Show, artists may pickup their work after 4:00 P.M. on Saturday, September 10th, or on the following Monday, during banking hours.

Raymond Massey (Dr. Kildare series) dies at 86.

Nation's governors say recovery just reaching states.

## Technology changes

LUBBOCK--Changes in technology will help offset predicted declines in water availability, says Texas Tech University agricultural economist Arthur L. Stoecker. "The water shortage is very real, but irrigation efficiency will increase the usefulness of available water," said Stoecker, who holds a joint appointment with the Texas Agricultural Experiment Station at Lubbock. Recent water studies show irrigation will be continued well beyond the year 2000 and changes in technology could extend water use 10-15 years beyond that time. "With no changes in technology we would anticipate that by the year 2000 there would only be one-half the irrigated production found in 1980 because of high expense and aquifer depletion. There comes a point where it doesn't pay to pump water any longer," Dr. Stoecker said. Stoecker said that in three areas--crop varieties, irrigation systems, and secondary water recovery--technology looks promising. Crop varieties, which are more resistant to moisture stress than those currently available, are under scrutiny. Agronomists and soil scientists are looking at yields in relation to the amounts of water used by the plant, Stoecker said. "At one time, scientists were looking only for the maximum yield of a new variety," he said. "Now they study the yield in relation to water." Another area with potential, Stoecker said, is alternative irrigation methods. Some, such as the surge-flow technique, lose less water to percolation than more traditional methods. Running water down alternative furrows at specific intervals is the concept of the developing surge-flow technique. Although the idea is new, it produces good yields with less water. "In addition, farmers who irrigate need to be aware of pump efficiency," he said. Constant attention and pump replacement when needed will help farmers reduce costs, Stoecker said. Another hope is secondary recovery of water, Stoecker said. Air is forced below the ground and capillary action makes water, otherwise unavailable, retrievable. The idea comes from the petroleum industry which uses secondary recovery to extract oil from the ground. He said that this technique seems a bright prospect for finding water, but is not yet economically feasible for crop farming. Agriculture is the biggest water user, Stoecker said, and irrigation potential will affect agricultural production. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion, handicap, or national origin.

## Attention Joggers and Runners

### The Wheatheart 10,000 Meter Run

Come to the Wheatheart Country Run in Perryton on Saturday, August 20. There'll be a 10,000 Meter Run (6 1/4 miles), or a One Mile Fun Run. The 10K starts at 8:30 a.m., and the One Mile Run starts at 8:40. It happens at City Park.

Complete this registration and return it within three days. Pre-registration fee is \$6. Registration on day of the race is \$7. Entrants receive special runner caps.

Make it a fun experience, whether you're a serious runner or weekend jogger. Run with a friend. Bring your entire family. Enjoy the free breakfast, free barbeque at noon, the parade, and all-day Wheatheart events.

Certified by Road Runners Club of America. Sponsored by

URGES RECALL  
DETROIT -- The National Highway Traffic Safety Administration is urging Ford Motor Co. to recall about 345,000 of its 1981 and '82 front-drive subcompact Escort, Lynx, EXP and LN7 models because of alleged safety defects that may cause them to catch fire.

**SMILES**

**Speaking About Time**  
 "Pardon me, but have you the correct time?"  
 "Don't keep any artificial time, mister. It's just milkin' time and I don't pertain' to be any statistician. If you're a city daylight savin' man you kin do your own addin', subtractin', or multiployn'."

**The Borrower**  
 The neighborhood borrower approached Mr. Smith Sunday noon and inquired: "Say, Smith, are you using your lawnmower this afternoon?"  
 "Yes, I am," Smith replied warily.  
 "Fine. Then you won't be wanting your golf clubs--I'll just borrow them."

**Lost!**  
 "You say that Maude lost her engagement ring, how?"  
 "Washing her hands of Jack."

**First Things First**  
 The judge pounded his gavel for court to come to order, then turned to the woman in the witness box.  
 "The witness will please state her age," he ordered, "after which she will be sworn in."  
**Ask Dad**  
 "How many kinds of milk are there?"  
 "Why, there's condensed milk and evaporated milk and--but why do you ask?"  
 "Well, I was drawing a picture of a cow and I want to know how many faucets to put on her."

**The Promise**  
 "My, how careful you are of your toys--you've picked up every one. I supposed your mother promised you something for doing it."  
 "No, she said I'd get something if I didn't."

**Vocational Nurse commencement set**

Four Spearman women will graduate from the Vocational Nurse program which is co-sponsored by Frank Phillips College at Borger and Hansford Hospital, Spearman.  
 Those receiving diplomas will be Cathy Booth, Carole Crawford, Helen Pracher and Sharon Whitefield.

The commencement exercises will be held August 19 at 7 p.m. in the Fine Arts Building of Frank Phillips College.  
 A reception will be held following the program in the cafeteria. Everyone is invited to attend.

**WINS \$8.8 MILLION**  
**HARRISBURG, PA.** -- Nicholas Jorich, 59, a retired steel worker collected the first installment of an \$8.8 million jackpot in the Pennsylvania lottery recently, the largest such prize in U.S. history, and said his wife can now quit her night job as a waitress.

Stoner meets with Salvadoran rebel leader.

**BREAKTHROUGH**  
**WAUKEGAN, ILL.** -- An engineer's plan to destroy toxic PCB's by heating contaminated mud or oil may be a "breakthrough" in the nation's fight to dispose of the chemical, federal environmental officials say.

**AMC & LOSS**  
**DETROIT** -- American Motors Corp. lost \$76.9 million in the second quarter of 1983, the automaker's 13th straight quarterly loss, company officials said recently.

# Double ring ceremony unites couple

MRS. DAVIN WINGER

In an impressive double ring ceremony, Miss Mary Teague Johnston became the bride of Davin Val Winger, Saturday afternoon, July 30 at 2 o'clock. The ceremony was held at St. Rita Catholic Church in Dallas with Rev. James Shea officiating.

The bride is the daughter of Mr. and Mrs. Claude E. Johnston of Dallas. Parents of the groom are Mr. and Mrs. Val Winger of Gruver.

The altar setting was emphasized by potted ferns, white mums, crescent and spiral candelabra bearing white cathedral tapers decorated with greenery and baby's breath.

The organist offering the musical setting for the nuptials was Bob Hurley, who also accompanied Moya Gowing as she sang the Lords Prayer, Sunrise Sunset, The Sabbath Prayer, and Wherever You Go.

During the ceremony two scriptures from the Bible, chosen by the bride and groom were read by Rev. Shea. The marriage vows were exchanged before lighting the Unity Candle.

The radiant bride who was escorted to the altar and given in marriage by her father, chose a formal length gown of silk taffeta applied with alcon lace and seed pearls. It was fashioned with a fitted bodice from which the full skirt fell sweeping to a full chapel train. The lovely gown featured an irregular scooped neckline which was enhanced by Lady Di sleeves. The bride's elbow-length veil of silk illusion fell from a crowned cascade of flowers. Her nosegay bouquet was Phalaenopsis orchid and baby's breath beribboned with streamers of lover's knots. She

carried out the lovely bridal tradition of something old, something new, something borrowed, and something blue. The something old was a sapphire she wore in her shoe which was a gift from the groom's paternal grandmother, Mrs. Alma Gruver. Something new was her dress, something borrowed was a string of pearls belonging to the groom's mother, Mrs. Val Winger and something blue was a blue garter.

Miss Laura Johnston, sister of the bride, from Dallas, served as her maid of honor. Bridal attendants were Laura Delin, Danielle Lang and Claire Landry all of Dallas and Marva Winger, sister of the groom from Gruver. They wore identical floor length gowns of pink chiffon and carried nosegays of pink and white phebrum lilies and baby's breath.

Attending the groom as best man was his brother, Darin Winger, of Gruver. Grooms-men were Monte Shaw of Dallas, Tim Puddy and Kenny Gammon of Canyon, and Tim Carmichael of Plainview.

Guests were seated by Ryan and Matt Johnston of Dallas, brothers of the bride, Paul Hudspeth of Pilot Point, and Kelly Mills of Gruver.

Men of the wedding party wore black tuxedos with white pleated shirts complemented by black bow ties and white rosebud boutonnieres.

For her daughter's wedding, Mrs. Johnston chose a gray lace dress with matching accessories. Mrs. Winger, the groom's mother, chose a light blue chiffon dress with light beige accessories. Both mothers wore white gardenia corsages.

Special guests attending the wedding included the bride's maternal grandmother, Mrs. Lucy Mahorner of Mobile, Ala.; the groom's grandmothers, Mrs. Pauline Winger, and Mrs. Alma Gruver, of Gruver; Miss Elizabeth Johnston, sister of the bride; Miss Courtney Johnston, sister of the bride; and Miss Manda Winger sister of the groom. Each wore a gardenia corsage.

Out of town guests attending were Mr. & Mrs. Tom Johnson and Miss Erin Bidez from Mobile, Ala.; Mrs. Bill Bidez, Miss Leary Bidez and Mr. & Mrs. Charley Fouts of Houston; Mrs. Aline Henderson, Todd and Ty Williams, Mr. & Mrs. Dayton Barkley, Mr. & Mrs. Leon Hobbs, Bret and Clay, all from Gruver; Miss Robbie Hendrick of Spearman; Mr. & Mrs. Monty Harbour of Stinnett; Mrs. Joette Riley of Austin; Mrs. Ray Lunn of Wichita Falls, Mr. & Mrs. Dale Blackburn of Abeline; Miss Cindy Clark of Perryton; and Chris Cooper of Lubbock.

The reception was held immediately following the ceremony at the Brookheaven Country Club. The betrothed couple were driven to and from the reception in a chauffeur driven limousine.

During the reception hours the brides cake, the groom's cake, an assorted fruit bowl, finger sandwiches, hors d'oeuvres mints, nuts, champagne and punch were served.

For the wedding trip to Ruidoso and Carlsbad, New Mexico. Mrs. Winger traveled in a white suit with blue accessories accented by a corsage which formed the center of her bouquet.

Mrs. Winger is a graduate of the Ursuline Academy high school in Dallas. She is also a graduate of Texas Tech University with a BBA degree in

marketing. She is a member of the Chi Omega Women's Social fraternity.

Mr. Winger is a Gruver High School graduate. He is also a graduate from Texas Tech University in Lubbock with a BS degree in Agriculture economics. He is a member of Sigma Nu fraternity.

Following the honeymoon trip the couple will make their home in Gruver where the groom is engaged in farming and ranching.

A rehearsal dinner honoring Teague and Davin was hosted Friday evening, July 29 by the groom's parents, Mr. & Mrs. Val Winger at the Westin Hotel Galleria Dallas.

## Gladiola Flower Club plans picnic

Gladiola Flower Club met Aug. 4 in the home of Wanda Brown. Meeting was called to order by President Judy Martin. Adella Lopez was introduced and gave a very informative program on flower arranging. Roll call was answered by giving "a safety tip". Minutes of last meeting was read and approved. Next meeting will be a picnic in the home of Kathleen Sutton on Aug. 18 at 7:30 with Dorothy Haner and Virginia Head as co-hostesses. The nominating committee will be Rose Cummings, Estelita Jackson, Charis Baker. It was decided we will have a home tour this year. Flower winner - Home Grown arrangement - June Jackson. Members present were Charis Baker, Myra Berner, Dorothy Buzzard, Rose Cummings, Dorothy Haner, Virginia Head, Estelita Jackson, June Jackson, Lorene Kunsleman, Judy Martin, Frances Newell, Mike Hergert and hostess Wanda Brown.

Writing a consumer complaint letter  
Even when they are dissatisfied with a product's performance, very few consumers will write the manufacturer to complain. There are probably many reasons why consumers don't complain: they forget to write, don't have the time, or believe it won't do any good anyway. But there may be other consumers who simply don't know how to get started.

Finding out where to write can be the most difficult part of writing a complaint letter, especially if the address cannot be found somewhere on the product or sales receipt. Your librarian can help you find the manufacturer's address and the name of its president or consumer service representative. If you are unsure about where to write, check with a local Better Business Bureau or consumer protection agency, or the county Extension office.

When you write the letter, make it brief and informative. Try to get all the facts on one page. In the first paragraph record the name of the product; its serial, model or identification numbers; when and where you bought it; its price; and your method of payment. Then clearly describe the problem avoiding sarcastic comments or outrage. Venting your anger is not likely to help.

After describing the problem, state the objective of your letter. Tell the manufacturer exactly what you want done about your problem: whether

you want the item repaired or replaced, or that you expect a refund.

Finally, explain what action you will take if you don't get an appropriate response to your complaint. You might indicate that you will write to the attorney general's office, contact the appropriate licensing agency, or call the consumer protection agency. And if you don't get a reply within a month, follow through on your promise.

Never send an actual warranty or sales receipt with a complaint letter. It could be lost. But you should attach copies of pertinent papers to your complaint.

When you have a legitimate complaint about a product, take the time to write a letter. It's easier than you think. If you would like further information about consumer recourse, stop by the County Extension office, and pick up the publication entitled, "Be A Smart Shopper About Consumer Complaints."

Educational Programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of Socio-Economic level, Race, Color, Sex, Religion, Handicap, of National Origin.

**COSTS UP 10%**  
NEW YORK -- The cost of a year at college will be up an average 10 percent this fall, and the most expensive school will be Massachusetts Institute of Technology, with a tab of more than \$15,000, according to a survey by The College Board.

City or Special District: PALO DURO RIVER AUTHORITY

### NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Helen Dry, Tax Assessor-Collector for Palo Duro River Authority in accordance with the provisions of Sec. 26.04, Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the P.D.R.A. without holding a public hearing as required by the code. That rate is as follows: \$.01188 per \$100 of value.  
The estimated unencumbered fund balance for Maintenance & Operation fund: \$ 190,000. The estimated unencumbered fund balance for Interest & Sinking fund: \$ 0.

CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE	
<b>I. DATA</b>	
1. 1982 Total tax levy from the 1982 tax roll	\$ 43212
2. 1982 Tax rate (\$.011 M&O and \$ . I&S)	\$ .011 /\$100
3. 1982 Debt service (I&S) levy	\$ 43212
4. 1982 Maintenance and operation (M&O) levy	\$ 655
5. 1982 M&O taxes on property in territory that has ceased to be a part of the unit in 1983	\$ -
6. 1982 M&O taxes on property becoming exempt in 1983	\$ 321
7. 1982 M&O taxes on taxable value lost because property is appraised at less than market value in 1983	\$ 362178271
8. 1983 Total taxable value of all property	\$ 6945440
9. 1983 Taxable value of new improvements added since Jan. 1, 1982	\$ -
10. 1983 Taxable value of property annexed since Jan. 1, 1982	\$ -
11. 1983 Tax levy needed to satisfy debt service (I&S)	\$ -
*12. Rate to raise 1982 tax levy due to appraisal roll errors (rate that should have been less rate that was levied) (\$ /\$100 - \$ /\$100)	\$ - /\$100
*13. Rate to recoup taxes lost in 1982 due to appraisal roll errors (lost dollars divided by 1983 taxable values) (\$ /\$100)	\$ - /\$100

\* Steps necessary for appraisal roll errors (if more than 1% of total appraisal roll) effective for taxing units on June 17, 1983.

II. CALCULATION	
<b>MAINTENANCE AND OPERATION (M&amp;O) TAX RATE</b>	
1. (A) 1982 Total tax levy (Data 1)	\$ 43212
(B) Subtract 1982 Debt service levy (Data 3)	\$ -
(C) Subtract 1982 Taxes on property no longer in unit (Data 5)	\$ -
(D) Subtract 1982 Taxes for exemptions (Data 6)	\$ 655
(E) Subtract 1982 Taxes for productivity valuation (Data 7)	\$ 321
(F) Adjusted 1982 M&O levy	\$ 42236
2. (A) 1983 Total taxable value of all property (Data 8)	\$ 362178271
(B) Subtract 1983 Value of new improvements (Data 9)	\$ 6945440
(C) Subtract 1983 Value of annexed property (Data 10)	\$ -
(D) Adjusted 1983 Taxable value for M&O	\$ 355232831
3. (A) Divide the adjusted 1982 M&O levy (F above) by the adjusted 1983 taxable value for M&O (D above) (\$ /\$355232831)	\$ .0001188
(B) Multiply by \$100 valuation	\$ .01188 /\$100
(C) Calculated maintenance and operation (M&O) rate for 1983	\$ .01188 /\$100
<b>INTEREST AND SINKING (I&amp;S) TAX RATE</b>	
4. (A) 1983 I&S levy needed to satisfy debt (Data 11)	\$ -
(B) 1983 Total taxable value of all property (Data 8)	\$ -
(C) Divide the 1983 I&S levy (A above) by the 1983 total taxable value (B above) (\$ /\$ -)	\$ -
(D) Multiply by \$100 valuation	\$ - /\$100
(E) Calculated interest and sinking rate (I&S) for 1983	\$ - /\$100
<b>APPRAISAL ROLL ERROR RATE</b>	
5. (A) Rate to raise 1982 levy due to appraisal errors (Data 12)	\$ - /\$100
(B) Add rate to recoup taxes lost due to errors (Data 13)	\$ - /\$100
(C) Total rate to adjust for appraisal roll errors	\$ - /\$100
<b>TOTAL EFFECTIVE TAX RATE FOR 1983</b>	
6. (A) Calculated maintenance and operation (M&O) rate (3-C above)	\$ .01188 /\$100
(B) Add calculated interest and sinking (I&S) rate (4-E above)	\$ - /\$100
(C) Add rate to adjust for appraisal roll errors (5-C above)	\$ - /\$100
(D) Calculated 1983 Effective Tax Rate	\$ .01188 /\$100

City or Special District: NORTH PLAINS WATER DISTRICT

### NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, Helen Dry, Tax Assessor-Collector for the Water District in accordance with the provisions of Sec. 26.04, Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the W.P. DIST. without holding a public hearing as required by the code. That rate is as follows: \$.01076 per \$100 of value.  
The estimated unencumbered fund balance for Maintenance & Operation fund: \$ 60000. The estimated unencumbered fund balance for Interest & Sinking fund: \$ -.

CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE	
<b>I. DATA</b>	
1. 1982 Total tax levy from the 1982 tax roll	\$ 40488
2. 1982 Tax rate (\$.01 M&O and \$ . I&S)	\$ .01 /\$100
3. 1982 Debt service (I&S) levy	\$ -

# Wheat planting time is here

With wheat planting time just around the corner, questions about what variety or varieties should be planted. Jim Smith, County Extension Agent, says that growers might look at the variety demonstration results in Hansford County 1981 and 1982 and Bushland in 1982.

One wheat variety test in Hansford County in 1981 was on the Fred Groves farm south of Spearman in cooperation with Cargill Wheat Research. The wheat was planted on summer fallow ground on the 10th of October at 60 lbs. per acre with two waterings in the spring.

Yield Bu./ac.	Test Wt.	Height Inches	Maturity Index*	
Tam 101	68.8	62	34	1.2
TAM 105	64.8	61	35	2.7
Vona	62.8	60	35	2.8
Larned	62.0	61	39	1.3
Centurk	61.5	61	39	3.0
Newton	62.0	60	37	1.5
Triumph 64	55.9	60	39	1.0

\*Maturity Index - 1 = early, 5 = late maturity. Sheildknight Wheat Test '82, South of Spearman. Planted on 9-11-82 on summer fallow ground, 123 lbs. of N/A; one fall and one spring irrigation. Harvested on 7/3/83. TAM 105 was used as a check in three plots.

Variety	Bu./per acre

## Growth of denomination

SPRINGFIELD, MO.-- A denomination that started in 1914 with some 300 people attending a national convention in Hot Springs, Ark., has grown to a fellowship that has been called by some of America's leading publications one of the fastest-growing church bodies in the country and the world.

The denomination is the Assemblies of God, a body of more than 10 million people in 110 countries around the world and headquartered in Springfield, Mo.

In the United States, the Assemblies of God has more than 10,000 churches and more than 1.8 million people who identify with one of those churches. By the end of 1982, the Assemblies of God had increased the number of its churches in the United States by 243 to 10,173, and the number of its ordained and licensed ministers by 561 to 24,129 from the previous year.

Overseas, the fellowship has some 98,318 churches and more than 10.2 million adherents. More than 1,200 foreign missionaries and 81,000 ministers work in countries outside of the United States. The 1982 World Ministries giving by the Assemblies of God totaled more than \$91 million.

Among the publications noting and recording the growth, the Saturday Evening Post reported the Assemblies of God "is on the leading edge of the evangelica wing of Christianity, and it is one of the fastest-growing church bodies in the country and the world."

According to a study by the Yearbook of American and Canadian Churches published in Christianity Today stated the Assemblies of God has a "growth curve that shows no signs of leveling off."

Moody Monthly magazine reported the Assemblies of God has the fastest-growing Sunday schools in the United States with 6 of the fellowship's churches ranking in the nation's top 10 and 24 placing first in their state. The fastest-growing Assemblies of God Sunday school (First Assembly in Paris, Texas), which took second place in the nation, more than quadrupled its Sunday school attendance during a

9-month period from fall 1981 to spring 1982. Nationwide, the Assemblies of God has nearly 10,000 Sunday schools with an enrollment approaching 1.5 million persons.

Assemblies of God churches range in size from a handful to thousands of people. The world's largest church is an Assemblies of God church in Seoul, Korea, with more than 280,000 members. Although the churches differ in character, they are usually typified by lots of music and audience participation.

Accompanying the growth in numbers, the Assemblies of God is attaining increasing favor and influence. The Rev. Thomas F. Zimmerman, general superintendent of the fellowship, has been a key leader of the National Association of Evangelicals, and was recently named Protestant vice-chairman for the Year of the Bible, declared by President Ronald Reagan earlier this year.

The Assemblies of God is also the place of worship for such persons as Interior Secretary James Watt, Reagan aide Herb Ellingwood, Missouri Attorney General John Ashcroft, internationally acclaimed operatic baritone Dale Duesing, and Gordon-Conwell Seminary President Robert Cooley.

The denomination has 9 Bible colleges in the United States, a liberal arts college, a graduate school of theology, and more than 1,000 Christian schools. At the fellowship's international headquarters in Springfield, more than 900 persons are employed in various divisions which oversee the denomination's ministries. The varied ministries of the Assemblies of God include a chaplaincy program with more than 200 chaplains, a child placement service, children's home, retirement-health care complex, and a printing plant--Gospel Publishing House--that daily produces 20 tons of literature, including the international Pentecostal Evangel magazine with a weekly circulation approaching 300,000.

## Baboon News

Newspapers recently carried a story that the first test-tube baboon had been born.

The baboon, born in San Antonio, was named E.T. and weighed two pounds.

Which shows that newsprint is plentiful.

## BRIEFS

Bond default of Washington utility largest in history.

Polish court grants amnesty to 187.

Battleship New Jersey heads to C. American waters

Deep South heat wave death toll near 200.

Crime crackdown causes Illinois prison overcrowding.

Honduras & U.S. troops plan maneuvers.

Senate approves deployment of MX missiles.

No dogs to be used to train military doctors.

U.S. reaffirms desire to keep Persian Gulf open.

Government to borrow \$209 billion to cover deficit.

Israeli pullback first stage in withdrawal.

Volcker is confirmed by Senate.

Repeal of withholding law ready for President to sign.

Grain agreement reached by U.S. & Soviets.

Labor contracts net smallest net gain in 15 years.

William Brock, U.S. Trade Representative: "...Sometimes you have to take one step backward in order to take two steps forward."

Ernest Hollings, Senator, (D-SC): "The all-volunteer military has failed to provide the necessary number of combat troops."

### HANSFORD COUNTY

#### NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

1. HELEN DRY, TAX ASSESSOR-COLLECTOR for HANSFORD COUNTY, in accordance with the provisions of Sec. 26.04, Property Tax Code, has calculated the tax rate which may not be exceeded by more than three percent by the Commissioner's Court of HANSFORD COUNTY without holding a public hearing as required by the code. The rate is as follows:

- \$ .05977 per \$100 for farm-to-market/flood control tax;
- \$ .15191 per \$100 for the general fund, permanent improvement fund and road and bridge fund tax;
- \$ .05967 per \$100 for public road maintenance tax; thus
- \$ .27135 per \$100 TOTAL COUNTY EFFECTIVE TAX RATE

The estimated unencumbered fund balances are as follows:

Farm-to-Market/Flood Control	Public Road Maintenance
Maintenance & Operation \$ 178002	Maintenance & Operation \$ 80466
Interest and Sinking \$ 0	Interest & Sinking \$ 0
<b>General Fund</b>	
Maintenance & Operation \$ 635630	
Interest & Sinking \$ 0	

HELEN DRY, TAX ASSESSOR-COLLECTOR  
August 9, 1983

#### CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE

Separate calculations are performed for each type of tax rate levied by HANSFORD COUNTY in order to determine a 1983 total effective tax rate. The following guide corresponds with the calculations shown: A - Farm-to-Market/Road/Flood Control Tax; B - General Fund Tax; C - Maintenance of Public Roads Tax

I. DATA	Type of Tax: A	Type of Tax: B	Type of Tax: C
1. 1982 Total tax levy from the 1982 tax roll	\$ 215,287	\$ 552,060	\$ 216,879
2. 1982 Tax rate	\$ .055/\$100	\$ .140/\$100	\$ .055/\$100
3. 1982 Debt service (I&S) levy	\$ -	\$ -	\$ -
4. 1982 Maintenance and operation (M&O) levy	\$ 215,287	\$ 552,060	\$ 216,879
5. 1982 M&O taxes on property in territory that has ceased to be a part of the unit in 1983	\$ -	\$ -	\$ -
6. 1982 M&O taxes on property becoming exempt in 1983	\$ 3,275	\$ 8,332	\$ 3,275
7. 1982 M&O taxes on taxable value lost because property is appraised at less than market value in 1983	\$ 1,603	\$ 4,084	\$ 1,603
8. 1983 Total taxable value of all property since Jan. 1, 1982	\$ 3,896,384.0	\$ 3,621,782.71	\$ 3,621,782.71
9. 1983 Taxable value of new improvements added since Jan. 1, 1982	\$ 694,544.0	\$ 694,544.0	\$ 694,544.0
10. 1983 Taxable value of property annexed since Jan. 1, 1982	\$ -	\$ -	\$ -
11. 1983 Tax levy needed to satisfy debt service (I&S)	\$ -	\$ -	\$ -
12. Rate to raise 1982 tax levy due to appraisal roll errors (rate that should have been less rate that was levied)	\$ -0.0/\$100	\$ -0.0/\$100	\$ -0.0/\$100
13. Rate to recoup taxes lost in 1982 due to appraisal roll errors (lost dollars divided by 1983 taxable values)	\$ -0.0/\$100	\$ -0.0/\$100	\$ -0.0/\$100

II. CALCULATION MAINTENANCE AND OPERATION (M&O) TAX RATE			
1. (A) 1982 Total tax levy (Data 1)	\$ 215,287	\$ 552,060	\$ 216,879
(B) Subtract 1982 Debt service levy (Data 3)	\$ -0-	\$ -0-	\$ -0-
(C) Subtract 1982 Taxes on property no longer in unit (Data 5)	\$ -	\$ -	\$ -
(D) Subtract 1982 Taxes for exemptions (Data 6)	\$ 3,275	\$ 8,332	\$ 3,275
(E) Subtract 1982 Taxes for productivity valuation (Data 7)	\$ 1,603	\$ 4,084	\$ 1,603
(F) Adjusted 1982 M&O levy	\$ 210,404	\$ 539,653	\$ 212,000
2. (A) 1983 Total taxable value of all property (Data 8)	\$ 3,896,384.9	\$ 3,621,782.71	\$ 3,621,782.71
(B) Subtract 1983 Value of new improvements (Data 9)	\$ 694,544.0	\$ 694,544.0	\$ 694,544.0
(C) Subtract 1983 Value of annexed property (Data 10)	\$ -	\$ -	\$ -
(D) Adjusted 1983 Taxable value for M&O	\$ 3,201,840.9	\$ 2,927,238.71	\$ 2,927,238.71
3. (A) Divide the adjusted 1982 M&O levy (1-F above) by the adjusted 1983 taxable value for M&O (2-D above)	\$ .05977/\$100	\$ .15191/\$100	\$ .05967/\$100
(B) Multiply by \$100 valuation	\$ x \$100	\$ x \$100	\$ x \$100
(C) Calculated maintenance and operation (M&O) for 1983	\$ .05977/\$100	\$ .15191/\$100	\$ .05967/\$100

INTEREST AND SINKING (I&S) TAX RATE			
4. (A) 1983 I&S Levy needed to satisfy debt (Data 11)	\$ -0-	\$ -0-	\$ -0-
(B) 1983 Total taxable value of all property (Data 8)	\$ -0-	\$ -0-	\$ -0-
(C) Divide the 1983 I&S levy (4A above) by the 1983 total taxable value (4B above)	\$ -0-	\$ -0-	\$ -0-
(D) Multiply by \$100 valuation	\$ -0-	\$ -0-	\$ -0-
(E) Calculated interest and sinking rate (I&S) for 1983	\$ -0-	\$ -0-	\$ -0-

APPRAISAL ROLL ERROR RATE			
5. (A) Rate to raise 1982 levy due to appraisal errors (Data 12)	\$ -0-	\$ -0-	\$ -0-
(B) Add rate to recoup taxes lost due to errors (Data 13)	\$ -0-	\$ -0-	\$ -0-
(C) Total rate to adjust for appraisal roll errors	\$ -0-	\$ -0-	\$ -0-

1983 EFFECTIVE TAX RATE FOR EACH TAX			
6. (A) Calculated maintenance and operation (M&O) rate (3C above)	\$ .05977/\$100	\$ .15191/\$100	\$ .05967/\$100
(B) Add calculated interest and sinking (I&S) rate (4E above)	\$ -0-	\$ -0-	\$ -0-
(C) Add rate to adjust for appraisal roll errors (5C above)	\$ -0-	\$ -0-	\$ -0-
(D) Calculated 1983 Effective Tax Rate for this tax	\$ .05977/\$100	\$ .15191/\$100	\$ .05967/\$100

TOTAL EFFECTIVE TAX RATE FOR 1983			
7. Add calculated 1983 effective tax rate for each tax together	\$ .05977 /\$100 + \$ .15191 /\$100 + \$ .05967 /\$100 =	\$ .27135 /\$100	

City or Special District: HANSFORD HOSPITAL DISTRICT

#### NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

1. Helen Dry, Tax Assessor-Collector for Hansford Hospital District in accordance with the provisions of Sec. 26.04, Property Tax Code, has calculated the tax rate which may not be exceeded by more than three percent by the governing body of the Hospital District, without holding a public hearing as required by the code. That rate is as follows: \$ .25093 per \$100 of value.

The estimated unencumbered fund balance for Maintenance & Operating fund: \$ 1000. The estimated unencumbered fund balance for Interest & Sinking fund: \$ 0.

Helen Dry, Tax Assessor-Collector  
August 9, 1983

#### CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE

I. DATA		
1. 1982 Total tax levy from the 1982 tax roll	\$ 656018	
2. 1982 Tax rate (\$ .086 M&O and \$ .081 I&S)	\$ .167 /\$100	
3. 1982 Debt service (I&S) levy	\$ 334572	
4. 1982 Maintenance and operation (M&O) levy	\$ 321446	
5. 1982 M&O taxes on property in territory that has ceased to be a part of the unit in 1983	\$ -	
6. 1982 M&O taxes on property becoming exempt in 1983	\$ 5121	
7. 1982 M&O taxes on taxable value lost because property is appraised at less than market value in 1983	\$ 2506	
8. 1983 Total taxable value of all property	\$ 362178271	
9. 1983 Taxable value of new improvements added since Jan. 1, 1982	\$ 6945440	
10. 1983 Taxable value of property annexed since Jan. 1, 1982	\$ -	
11. 1983 Tax levy needed to satisfy debt service (I&S)	\$ 588885	
12. Rate to raise 1982 tax levy due to appraisal roll errors (rate that should have been less rate that was levied) (\$ /\$100 - \$ /\$100)	\$ - /\$100	
13. Rate to recoup taxes lost in 1982 due to appraisal roll errors (lost dollars divided by 1983 taxable values)	\$ - /\$100	

\* Steps necessary for appraisal roll errors (if more than 1% of total appraisal roll, effective for taxing units on June 17, 1983)

#### II. CALCULATION MAINTENANCE AND OPERATION (M&O) TAX RATE

MAINTENANCE AND OPERATION (M&O) TAX RATE		
1. (A) 1982 Total tax levy (Data 1)	\$ 656018	
(B) Subtract 1982 Debt service levy (Data 3)	\$ 334572	
(C) Subtract 1982 Taxes on property no longer in unit (Data 5)	\$ -	
(D) Subtract 1982 Taxes for exemptions (Data 6)	\$ 5121	
(E) Subtract 1982 Taxes for productivity valuation (Data 7)	\$ 2506	
(F) Adjusted 1982 M&O levy	\$ 313819	
2. (A) 1983 Total taxable value of all property (Data 8)	\$ 362178271	
(B) Subtract 1983 Value of new improvements (Data 9)	\$ 6945440	
(C) Subtract 1983 Value of annexed property (Data 10)	\$ -	
(D) Adjusted 1983 Taxable value for M&O	\$ 355232831	
3. (A) Divide the adjusted 1982 M&O levy (1-F above) by the adjusted 1983 taxable value for M&O (2-D above) (\$ 313819 / \$ 355232831)	\$ .000834	
(B) Multiply by \$100 valuation	\$ x \$100	
(C) Calculated maintenance and operation (M&O) rate for 1983	\$ .0834 /\$100	

INTEREST AND SINKING (I&S) TAX RATE		
4. (A) 1983 I&S levy needed to satisfy debt (Data 11)	\$ 588885	
(B) 1983 Total taxable value of all property (Data 8)	\$ 362178271	
(C) Divide the 1983 I&S levy (4-A above) by the 1983 total taxable value (4-B above) (\$ 588885 / \$ 362178271)	\$ .0016259	
(D) Multiply by \$100 valuation	\$ x \$100	
(E) Calculated interest and sinking rate (I&S) for 1983	\$ .16259 /\$100	

APPRAISAL ROLL ERROR RATE		
5. (A) Rate to raise 1982 levy due to appraisal errors (Data 12)	\$ - /\$100	
(B) Add rate to recoup taxes lost due to errors (Data 13)	\$ - /\$100	
(C) Total rate to adjust for appraisal roll errors	\$ - /\$100	

TOTAL EFFECTIVE TAX RATE FOR 1983		
6. (A) Calculated maintenance and operation (M&O) rate (3-C above)	\$ .0834 /\$100	
(B) Add calculated interest and sinking (I&S) rate (4-E above)	\$ .16259 /\$100	
(C) Add rate to adjust for appraisal roll errors (5-C above)	\$ - /\$100	
(D) Calculated 1983 Effective Tax Rate	\$ .25
