Homecoming

It's Homecoming time for the Spearman Lynx.

A week of preparations and spirit boosting activities will culminate Friday night with traditional Homecoming pageantry, followed by the Lynx Homecoming clash with the Sunray Bobcats.

The Lynx, hobbled by injuries so far this season, emerged from the 7-6 loss last Friday to the Stinnett Rattlers without any new injuries, and will be closer than ever this season to full strength when they host the Bobcats.

Game time is 8 p.m. following the pageant crowning the one of five girls as Homecoming Queen '83. The Lynx will try to return to winning form, and will strive to break the .500 mark and move to 3-2 on the season with a victory over the Bobcats.

Two years ago, Sunray had a solid team that finished 7-2-1. Last year with a very inexperienced squad, they finished 0-10. This year, they are still young and inexperienced but are learning fast and improving every week.

Speaking of the Lynx Homecoming opponent, Head Coach Athletic Director Larry Lanier said, "They're tougher than their record. They played River Road a real tough game. River Road couldn't do much against them in the first half, River Road got both touchdowns in the second half."

Lanier said the Bobcats have a pair of "real strong tackles and a very fast running back." The tackles are James Chisolm and Phil Beavers and the Bobcats have not one but two capable running backs in Gary Cooper and Charles Mireles.

Other mainstays include the quarterback Robert Washburn and linemen Ken Bumpas at guard and Tim Ottosen at center.

The defensive backfield is built around Kevin Wilson and Carroll Harrison. In all Bobcat Head coach Jim Cain, in his 18th year as head coach, has 12 returning lettermen.

When the Lynx have the ball they will be going primarily against a 52 defense, Lanier said.

"They use a lot of motion, screens, slot back, traps, and counter options. If they ever get their timing down on their blocking, they will be tough to stop." So far, they haven't got it down pat, yet, and I just hope it's not against us that they finally get it together."

The homecoming activities at Spearman High began Monday with Stuff 'em Day, with the students bringing stuffed animals to school to show their spirit. The students also began piling wood for the annual bonfire Monday.

Tuesday was Bandana Day with students wearing colorful bandanas. And on Wednesday they were

scheduled to wear old shirts to get signatures on.

Today (Thursday) is Go Hawaiian Day and students were to show up wearing Haaian style clothes.

Thursday evening the bonfire pep rally will get under way at about 8, "after the Junior High games here", on the vacant lot east of the tennis courts.

Actually there will be twin bonfires, with the junior - freshmen bonfire closest to the tennis courts and the senior-sophomore bonfire to the east.

Friday will be purple and white day, and students are asked to "wear all the purple and white you can get on."

The SHS students will be dismissed from classes at 2:44 p. m. Friday so that they can attend a

school-system-wide pep rally to be held in the "LITTLE GYM" at Spearman Junior High School.

Two senior girls, chosen by the Lynx football team, are vying for Homecoming queen honors. Either Cinda Novak or Kayla Russell will be crowned as Lynx Homecoming Queen as a highlight of the pre-game pageant Friday night.

Attendants will include junior Loree Morris, Sophomore Shelly Dunnihoo and Freshman Michele Savage. Escorts had not been announced at presstime.

The Homecoming Dance, for students, ex-students and their guests will be held from 9 p.m. on Friday night. Dance admission prices are \$3 for singles and \$5 per couple.

Two bids for purchase of the old, fire-damaged City Hall-Fire Station and undamaged Police Department were received and opened Monday afternoon at temporary City Hall.

According to City Secretary Donna Thomas, the bids were \$12,500 from High Plains Conoco and \$25,000 from Mike Skinner.

The bids were to be taken before Spearman City Council for a final decision Tuesday night (after press deadline).

Lynx win battle but lose war

The Spearman Lynx have learned just what it means to "win a battle but lose the war."

Friday night the Lynx battered and bounced the Stinnett Rattlers, decisively winning the battle of the stats. But Stinnett won the war on the scoreboard 7-6 in a defensive duel not settled until a pass from Lynx quarterback Ross Donahue was jarred loose from the grasp of ace receiver Mac McLain in the Rattler end zone on the last play of the game.

It was ever close, a game decided by inches and split seconds. Fired up for their homecoming, the Rattlers played a tremendous defensive play when it counted.

On the defense, they were matched by a bristling Lynx defense that kept the Rattlers bottled up, except for three plays, but those three plays resulted in Stinnett TD, and was followed by the extra point kick that won it for the Rattlers.

The Lynx scored first, after forcing a Rattler turnover. The touchdown came on the Lynx favorite pass and catch combination -- a 26-yard bread and butter pass from Donahue to McLain. The Lynx touchdown came with 4:43 left in the first quarter for a 6-0 Spearman lead.

Then came one of the key defensive plays of the game for the Rattlers. Mark Guthrie toed the ball for the Lynx on the extra point try, but Rattler defensive back, Alex DeLuna broke through to block the kick, plays that later proved decisive as the Rattlers margin of victory was their successful conversion kick.

In fact, it was the fantastic all around defensive play of DeLuna that more than anything else did the Lynx in. He teamed with Stinnett sophomore guard Jay Young to block a 27-yard field goal attempt by Steve Burke that would have, if successfully kicked, have lifted the Lynx to a 9-7 victory.

DeLuna also intercepted three

Lynx passes. It was his interception of a first and goal from the three yard line pass by Donahue that killed an almost certain Lynx come-from-behind TD in the last two minutes of play. And he knocked the pass out of McLain's grasp on the final play of the game.

A short Lynx punt into the 35-40 m.p.h. gale force winds gave the Rattlers the ball at the Lynx 30 late in the third quarter and set up the tying Rattler TD and winning PAT.

Two pass plays were broken up by the alert Lynx secondary, and penalty set the Rattlers back to the Lynx 45. But on third and 15 from that point, Rattler quarterback Critch Greer dropped back to pass, managed to elude a strong rush by Burke, tucked the ball away, and ran all the way to the Lynx eight for a first down. Two plays later Greer a state high hurdles champion--carried across from the 2 for the TD and with 11:18 left to play, the score was knotted, 6-all.

David Luman then booted the point after conversion for the 7-6 Stinnett lead, the eventual margin of victory.

The Lynx threatened several times. Early in the third quarter, a Spearman drive was snuffed by an end zone interception. Midway through the fourth quarter, after the Rattler TD, Guthrie gave the Lynx excellent field position when he reached in and stripped the ball from Rattler running back Mike Drake at the Rattler 25.

On the running of Julio Vasquez and Lopez, the Lynx moved the ball to the Rattler 15, but the Stinnett defense stiffened, and Spearman tried the field goal by Burke, blocked by DeLuna and Young, with 8:18 left to play.

At that point the never-say-die Spearman defense held the Rattlers to minus yardage and forced a punt.

With 6:16 left to play, the Lynx again mounted a drive this time from their own 36. Donahue rifled a

pass to Burke and the big strong end broke a couple of tackles carrying the ball for a first on the Rattler 48. Donahue came back to Burke again on a crossing pattern, moving the ball to a second and three on the Rattler 41. After an incomplete pass to McLain, Vasquez picked up a clearing block and rambled to a first on the Rattler 37.

Two running plays netted only a yard, but a Donahue to Vasquez sideline pass kept the drive alive with a first down on the Rattler 13. There was a two yard loss on the next play, a wide pitch to Vasquez, but a penalty on the following play moved the ball to the Rattler 10.

Vasquez drove to the five and Donahue moved the ball to a first on the three on a keeper. At this point Donahue tossed a pass. It was picked off in the end zone by DeLuna and returned to the two.

Greer gave Stinnett some breathing space with a sneak to the six. Three plays later the Rattlers punted--right back into trouble. With 57 seconds left, the Lynx took to the air trying to pull out a win.

The first pass was short, but a second to McLain gained five yards. With third and five at the Rattler 36, Donahue tossed to McLain in the end zone, but the swift wide receiver could not hang on.

Then it was all down to one play, fourth and five at the Rattler 36 with seven seconds left. Again Donahue tossed for McLain in the end zone, and McLain made a good grab, but the ball was knocked loose by DeLuna and that was the game.

The Lynx dominated the stats, rolling to 11 first downs while holding the Rattlers to five, and amassing 130 yards rushing to 98 for Stinnett. The Lynx passed 21 times and completed seven for 70 yards, but suffered three interceptions, while the Rattlers passed 11 times, completing two for 12 yards and were intercepted twice.

Commissioners, microfilming

Hansford County commissioners voted additional financial support for Gruver Fire Department's fire-fighting efforts in rural areas of the county during a commissioner's court session Monday.

The commissioners also discussed at length the possibility of installing some \$30,000 worth of microfilming equipment in the County Clerk's office, but tabled the item for further study.

Gruver Mayor J.C. Harris and Gruver City Manager A.J. Ratliff appeared before the commissioners court and made a presentation on the needs and services provided by Gruver Fire Department.

They told the commissioners that the Gruver firefighters were called out to 32 fires and that of these, 27 were outside Gruver city limits.

The county has been paying Gruver fire fighters on an on-call basis for runs out into the rural areas, but the fire department needs additional operating funds, the commissioners were told.

After lengthy discussion, the commissioners voted unanimously on a motion by Commissioner B.J. Renner, seconded by Commissioner Val Winger, to contract with the City of Gruver for the county to provide an additional \$2,700 per year, to help support the fire department's rural fire fighting capability and efforts.

Hansford County clerk Amelia Johnson presented facts on micro-film equipment that could be utilized in the clerk's office. She told the court the micro-filming system would allow the micro-filming to be done in the courthouse and eliminate the current practice of using a Dallas firm to process the film.

This would make for a quicker "turnaround" on microfilming and save time, the commissioners were told. The Dallas microfilming service requires films be shot at the courthouse and be sent to Dallas for processing. Under this system, the clerk's office must make a plain paper copy for the files.

The new system would eliminate the microfilming service's processing charge, the freight charges back and forth, and would result in approximately 75 percent saving in storage space she said.

According to County Judge R.I. McClellan the county is not cramped for filing storage space at the present but, he said, Mrs. Johnson can foresee a storage problem "down the line" in the future.

It currently costs the county some \$6,000 to \$7,000 a year for the Dallas firm's microfilming service, including freight charges both ways.

After a long discussion the commissioners tabled the microfilming topic for further study.

Snow village at Bulls' Inn

It has been "Fruit Basket Turn Over" at Bulls' Inn the past two weeks. What used to be upstairs is downstairs and what was downstairs is upstairs. Charlene Bulls has reorganized and redecorated the General Store, after closing the Cupboard, to make room for merchandise which she purchased at the markets all over the United States. Since July, Charlene has been to seven markets from Los Angeles to New York, meeting with representatives of her Bulls' Country Line, taking the opportunity at the same time to buy for her annual Fortnight. "When the merchandise started arriving, I realized I did not have the space to prepare for the Fortnight", Charlene said, "and it was then I made the decision to close the Cupboard and turn the whole hotel

into a Christmas Place in lieu of the Fortnight." Her original idea was to have a "Half-Fortnight" and feature a Market Area a Day for seven days, thus, her reason for buying special things from the market areas. She has many interesting items from the different areas of the country.

The middle room of the General Store features a "Snow Village" with an array of miniature lighted houses, churches, stores and even a train station, which the young and old will enjoy. Upstairs features a Basket Room, Candle Room, Kitchen Gallery, Dining Room with gifts galore. The hallway features a "Factory-reject" with sale items.

Charlene hopes you will come visit the Bulls' Inn, which is now open, a little ahead of her projected October 1st opening.

Harvest ball

Come on all you Texas Two-Stepers! Time is running out for you to reserve your ticket for last year. September 30th is the deadline for those who purchased tickets last year to the Harvest Ball (Formerly the T-Bird Ball) to get their tickets. After that date the tickets will go on sale on a first come first serve basis. And now that you've gotten the Dallas Freeze down pat from your dance lessons at the Y--Don't you want to strut your stuff to the delightful music of the Saddle Tramps. And if you get tuckered out from all those dances of Cotton-eye Joe or Amos Moses, you can just sit back and enjoy the mouth-watering viddles that the Perryton Shriners are fixin' at their chuck wagon.

So don't forget to call and reserve your ticket from Kerry Henton or Mona Beth Windom for the 1983 Harvest Ball. Then circle your calendar for November 12th at Exco! Chevrolet-Olds, 7 p.m. And don't forget to make a BIG note and see the 1984 white Toronado.

Fabric shop new owners

Jack and Dolly McWhirter are announcing the sale of their fabric shop, the Kaleidoscope, to Clayton and Jo Cochran.

The business at 715 W. 7th, Spearman, Texas, will be closed Monday and Tuesday, Oct. 3 and 4 for inventory and will reopen Wednesday, Oct. 5 under new ownership.

The new owners will be operating the business under the name of Cochran's Fabrics.

Jack and Dolly thank all their customers for their patronage during the past four years, and hope you will continue to patronize the fabric store under its new management.

Max Murrow

Funeral services for Max Murrow, former Santa Fe Depot agent of Spearman, were held Sunday in the First Christian Church at Slaton, Texas.

Mr. Murrow died Thursday at his home from a heart attack. He would have retired this week.

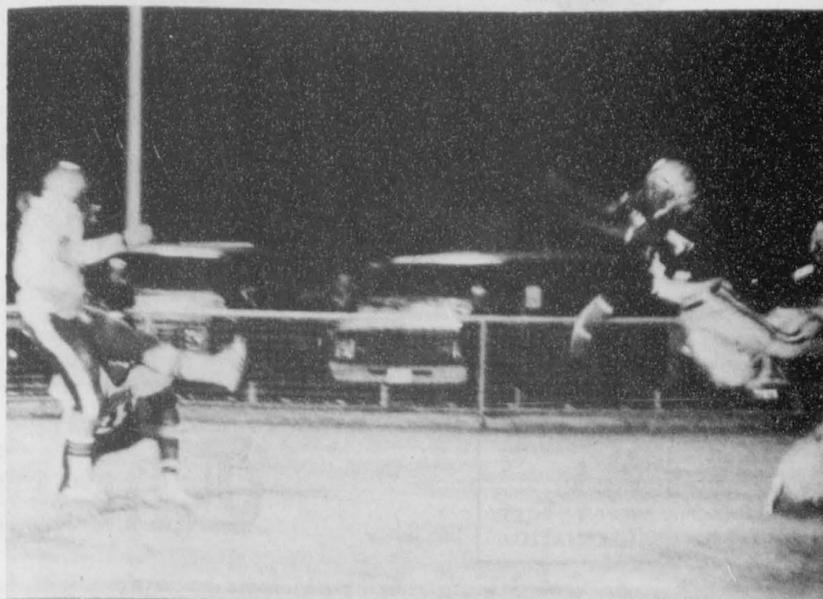

He worked for Santa Fe here in Spearman many years. The company moved him to Slaton when the Railroad depot was closed here.

Gene Cluck dies in Amarillo

Memorial services for Gene Cluck, 70, of 3618 E. Interstate 40 in Amarillo, were held at 2 p.m. Tuesday, Sept. 27 in Gruver United Methodist Church with Andy Burleson, an Amarillo layman, officiating. Burial was in Gruver Cemetery by Boxwell Brothers Funeral Home in Spearman.

Mr. Cluck died Saturday. He was born in Hitchland, Texas, and was a farmer and rancher in the Gruver area for 40 years. He was a member of the Southwestern Cattle Raisers Association. He graduated from Gruver High School in 1933.

Survivors include his son, Laddie of Amarillo; a daughter, Mrs. Glenda Cox of Sun Valley, Idaho; three brothers, Eldon of Amarillo, Pete of Gruver and Pike of Dumas; a sister, Mrs. Mary Rae Lamb of Amarillo; and two grandchildren.

Those pesky Rattlers blocked this Mark Guthrie kick to win the game at Stinnett Friday night. Notice the ball as it drops to the ground in front of the defender.

Betrothal Revealed

The parents of Laura Jane Nelson and Garland Keith Dahl are pleased to announce their engagement and approaching marriage. Laura is the daughter of Amelia C. Johnson, Spearman and Garland is the son of Mr. & Mrs. Elmo J. Dahl, Gruver.

The wedding will be November 26, 1983 in the Oslo Lutheran Church, Gruver. Laura is employed by Speartex Grain Co., Spearman. Garland is a graduate of Tarleton State University, Stephenville, Texas and is presently engaged in ranching and farming.

C of C Women's Division

The meeting was called to order by President Nancy Graves. Helen Melton gave the invocation. The first item of business was discussion of cookbooks. Suggested titles and pictures for the cover of the cookbook were passed around and voted on. Results will be tallied after today's meeting. Charlene Bryan is the chairperson of the committee in charge of organizing the recipes to give to Jimmy Bates of Gateway Fund Raising Systems. Mr. Bates will be here Monday, September 26, 1983, to start selling advertisements. There was discussion on whether or not to purchase an extra 100 cookbooks. Charlene Bryan made a motion and Carolyn Cummings seconded it in favor of the purchase. Motion carried. There was discussion on limiting the number of recipes in the book to 100. It was agreed to let the committee decide on this since they will know how many recipes there are after all are turned in.

President Nancy Graves appointed a nominating committee for 1984 officers. The committee consists of June Sexton, Sheila Caldwell, Cecilia Hill, Pearl Pierce and Pat Sutterfield. A motion was made by Carolyn Cummings and seconded by Judy Nelson for November to be the membership drive month with our regular meeting to be a night salad supper. Motion carried. It was mentioned that the Chamber picnic held on August 25, received several nice comments and had a turnout of approximately 250 people. Carolyn Cummings gave a brief report on the Regional Chamber of Commerce Conference that was held in Borgerville on Saturday, Sept. 17. Nancy Graves, June Sexton and Carolyn Cummings attended. Carolyn mentioned that Spearman had been asked to be the 1984 host for the Regional Conference. Helen Melton made a motion and it was seconded by Marlane Schutter that we plan to be the

host for this conference. Motion carried. There was discussion on having a meal for pheasant hunters the second week in December, but this was not brought to a vote. Virginia Fowler gave an interesting program on her trip to Guatemala this past February with the Christian Crusades. With no further business, the meeting was adjourned. Guest of Betty Elbert was Lynanne Maize. Guests of Mary Lou Wysong were Jan Beasley and Stephanie Crossland. Members present were Sheila Caldwell, Nancy Graves, Pearl Pierce, Emma Lou Collins, Betty Elbert, Byrnic Callaway, Donna Thomas, Sheri Benton, Mary Lou Wysong, Virginia Fowler, Cecilia Hill, Helen Dry, Verna Gail Keim, Amelia Johnson, Muriel Boyd, Karen Harruff, Altha Townsend, Judy Nelson, Mary Brock, Charlene Bryan, Marlane Schutter, Carolyn Cummings, Ginger Pittman, Rita Curtis and Helen Melton.

SMALL APPLIANCE GIFT-GIVING

There's hardly a food preparation task on earth that cannot be done with one of the many small electric appliances on the market. You can deep fry single servings of food, cook a single hamburger, grill sandwiches, fill cream puffs, make hors d'oeuvres, peel potatoes and fry perfect bacon electrically.

Many of these appliances are quite useful. Most are relatively inexpensive and take little energy to operate. Does this make them ideal Christmas gifts for those special people on your list? Maybe yes, maybe no.

First, ask yourself if the intended receiver has a place to put another appliance. If the answer is "no" you might want to consider a magazine subscription, a box of Texas citrus, or a gift package of homemade preserves instead.

If the answer is "yes", then consider whether the person will actually use the appliance.

A gift will be much more appreciated if it is actually used than if it is this season's "hot item" that sits on a shelf the rest of the year. We know from research that people are less likely to use electrical appliances received as gifts than those they select for themselves. So it's probably a good idea to get some idea of the person's opinion and preferences about a small appliance before buying one.

Some other questions to guide the would-be gift giver include:

--Does the appliance do a task now performed by another appliance? If so, will it do the job faster and less expensively?

--Will it serve more than one function? If so, are these functions truly useful?

--Does it have an Underwriter's Laboratory (UL) seal certifying the electrical safety of both the appliance and the cord.

--Is adequate wiring available? Too many small, especially heat producing appliances can overload a circuit.

--Is there a warranty? Does it cover parts and service?

--Is service available locally? Or will the appliance need to be sent to a central service center at the owner's expense?

--Is there any test data available you can use to make brand comparisons before buying the item?

We often say that it's the thought that counts rather than the gift itself. But a truly thoughtful gift is one that considers the real needs of the receiver.

If you're that receiver with a shelf full of unneeded appliances, try clipping this article to your Christmas list to give Santa a hint.

EDUCATIONAL PROGRAMS CONDUCTED BY THE TEXAS AGRICULTURAL EXTENSION SERVICE SERVE PEOPLE OF ALL AGES REGARDLESS OF SOCIO-ECONOMIC LEVEL, RACE, COLOR, SEX, RELIGION, HANDICAP, OR NATIONAL ORIGIN.

Caspar Weinberger, Defense Secretary, at refugees' camp near San Salvador:

"I promise I will try to provide more aid for you, and God willing, may you return to your homes soon."

Humor is a rare gift; if you can laugh at the world, and yourself, you're lucky.

Most people can stand tragedy but few can master the small irritations of life.

There comes a time in the life of every man and woman when there is work to be done.

It is much better, a lot easier and less expensive, to keep your health than to regain it.

Updating wardrobe is program topic

The Town & Country Extension Homemakers met September 20 in the home of Patti Hudson. Vice President Debi Rogers presided over the meeting. A devotional was given by Cindy Holton and roll call was answered to "how many pairs of shoes do you have?" Minutes of the last meeting were read and approved. Cindy and Denise volunteered to bring refreshments to the commissioners meeting on October 10.

On October 6 there will be a festive foods program at the Gruver State Bank at 12 noon.

Everyone is urged to attend.

It was decided that there will be an election committee this year to compose an election ballot for next year's officers. These officers will be voted on the next meeting. The election committee consists of Dixie, Lynna and Cindy.

Karen Harruff brought the program on accessories and updating your wardrobe. She showed many different ways you can use accessories to

enhance and update a wardrobe. The program was very informative and was enjoyed by all. The raffle was won by Dixie Smith.

Those attending the meeting were Joan Brown, Linda Close, Denise Harbour, Cindy Holton, Janie Kunselman, Nancy Kemp, Jeanie Laughlin, Lynna Renner, Debi Rogers, Dixie Smith, and Patti Hudson. One guest, Karen Harruff, was present.

Cowboy Artist Goes Home

Ace Reid, nationally-known artist and creator of the COW-POKES cartoon series, came home last week and visited the ranch country where he grew up.

Reid was born in the little Panhandle town of Lelia Lake in 1925 but spent most of his youth on his father's ranch near Electra.

It was on the ranch that he began sketching the cowboys, horses, and ranch scenes that would later make him America's best-known western artist.

Reid's self-syndicated cartoon series appears in 500 newspapers and his calendars

and books have sold in the millions.

When Reid left Wichita County in 1952 and moved to Kerville, he had a wife, a car and a dream of becoming a famous artist, even though he had received almost no formal training.

Now, three decades later, he has come back to Wichita County to relive his early years. "It's a kind of ROOTS," says Reid, "an old cowboy coming home."

Reid is traveling with Panhandle author John R. Erickson, who is gathering material for a book on Ace Reid, to be published by Maverick Books in September of 1984.

County Saving Bond sales noted

During the first half of 1983, sales of U.S. Savings Bonds in Texas amounted to \$137,573,100, an increase of 38.2% over the same period a year ago, John W. Dixon, Chairman of the Board & CEO of E-Systems, Inc. in Dallas and Volunteer State Chairman for Texas, announced today. These sales represent 61.2% of the state's 1983 assigned dollar goal of \$224,700,000.

Sales of series EE Bonds were \$2,034.00 during June, 1983, for a total of \$16,863.00 for the first six months of 1983 in Hansford County, C.A. Gibner Volunteer County Chairman, said. These sales represent 22% of the County's 1983 assigned dollar goal.

Nationally, June 1983 sales of Series EE Savings Bonds amounted to \$332 million, up 33% over June 1982, making and January-June 1983 total of \$2.11 billion, an increase of 37%. Redemptions of Bonds for the first six months of 1983 were \$3.3 billion, a decrease of 31 percent from 1982.

According to County Chairman Gibner the new competitive interest rate that EE Bonds now pay is the primary reason for sales being up and redemptions down. The new market-based rate for Bonds held five years or more was effective November 1, 1982. The rate is adjusted each six months, i.e. May 1 and November 1, and is 85 percent of the rate paid on 5-year Treasury marketable securities. The rate on EE Bonds for the first six months ending April 30, 1983 was 11.09 percent. For the second six-months period ending October 31, 1983 the rate is 8.64 percent for a first year average rate of 9.87 percent.

'Messiah' planning begins

Members of the Perryton Musical Arts and Enrichment Foundation held their first "Messiah" planning meeting at noon Tuesday and began the initial steps in preparing for the 1983 presentation of the popular oratorio by George Friderick Handel.

The first item of business was the announcement that this year's production will be held on Sunday evening, November 27, at 7 p.m. in the Perryton high school auditorium.

Consenting to direct this year's production is PHS choral director Cloys Webb. He will take the responsibilities as conductor from George Biffle, Amarillo Symphony Chorus director, who led the production last year. The area-wide concert drew a large crowd and was performed by a 100-piece chorus along with accompaniment by the Amarillo Symphony last year.

As was the case last year, according to Tracy Wilson, pastor for the First Christian Church

and current president of the Perryton Ministerial Alliance, most local churches will again turn out services that Sunday evening and encourage their memberships to attend the "Messiah" production. Wilson noted that the Ministerial Alliance is planning a separate Thanksgiving service this year, rather than combining the two as was done last year. That Thanksgiving service has been tentatively set for the Tuesday prior to Thanksgiving. The

Ministerial Alliance will again this year help with the mechanics of welcoming, free-will offering and benediction at the "Messiah."

April Simpson will again serve as soloist chairman, and will announce audition dates and times in the near future.

John Ellzey, president of the Perryton Musical Arts and Enrichment Foundation, said simply that the foundation is excited already about this year's production of Handel's "Messiah," and invites all interested vocalists to put the date on their calendars now, and plan to participate in this year's production.

Sales Tax down again

State Comptroller Bob Bullock sent checks totaling \$41.1 million in local sales tax payments to the 974 cities that levy the one-percent city sales tax Sept. 14.

"Last September, we were reporting the biggest allocation based on a single month's tax collections in the history of our state," Bullock said. "This month, with sales tax receipts running about one percent behind last year, shows us just how fast things can change."

September checks were for taxes collected on sales made in July and reported to the Comptroller by the end of August.

The City of Spearman received a check for \$9,090.25 for this period, compared to \$11,518.54 payment last year.

1983 payments for Spearman to date amount to \$144,386.66 compared to \$150,511.56 for 1982, down 4.07%.

The City of Gruver's payment for this period is up slightly over last year. The net

payment for this period is \$1,509.36 compared to \$1,478.59 for 1982. The City of Gruver's payments to date are \$28,494.48, up 21.07% from the \$23,535.65 from last year.

In Hutchinson County, Borger's tax is off 21.18%, Fritch off 3.62%, with Sanford up 22.37% and Stinnett up 31.90%.

In Ochiltree county, Perryton's sales tax continues to decline, off 27.65 for the year to date.

Buzzard receives plaque for association

James A. Rogers (left), president of the Federal Intermediate Credit Bank in Austin, presents a plaque to Canadian man Lloyd R. Buzzard in honor of the association's 50th anniversary. The award came during the 1983 PCA Directors Production Credit Association Vice Chair-

ing Farm Credit. Featured speaker for the occasion was Peter J. Carney, president of the Federal Farm Credit Banks Funding Corporation. Carney explained how the Farm Credit System obtains the funds eventually passed along to the nation's agriculture industry. A highlight of the conference was presentation by J.A. Rogers, president of the Federal Intermediate Credit Bank of Texas, of a commemorative plaque honoring the Production Credit Association's 50th anniversary. The association was chartered in January of 1934. Canadian PCA is one of 30 member-owned Production Credit Associations in Texas.

Collectively they serve more than 16,000 of the state's agricultural producers. Last year more than \$2 billion was loaned through Texas PCA's. At mid-year the Canadian Production Credit Association had approximately \$36 million loaned to 382 member-borrowers in Gray, Hemphill, Lipscomb, Ochiltree, Roberts and Wheeler counties. PCAs have been a source of agricultural loans since the first association was chartered on September 11, 1983 in Champaign, Illinois. On October 10, the first PCA loan was made to Milton W. Warren at Mansfield, Illinois. The loan was for \$830.50 and was used to purchase 30 head of 850

ound cattle. Today, there are 422 PCAs with more than \$22 billion in loan volume. Nationally they serve the credit needs of more than 380,000 farmers and ranchers.

Noted guitarist to visit schools

Melodious sounds of classical guitarist and guest artist, Hansford Johnson, will fill the classrooms of selected school districts throughout the Panhandle during the months of September and October as

they participate in the Artist In Residency Program. The program, sponsored jointly by Region XVI Education Service Center and Texas Commission On the Arts, avails the guest artist a multitude of classroom experiences whereby students may gain insights into a variety of cultural perspectives reflected in the arts. Mr. Johnson has studied in the United States and in Italy under the internationally renowned guitarist Jesus Silva, protege of Andres Segovia, and holds a Masters degree in guitar from the Virginia Commonwealth University. After graduating from Amarillo High School, Mr. Johnson studied at the North Carolina School of the Arts as well as taking Master classes with Oscar Ghiglia. In addition to a recently completed Italian tour. He has appeared in radio and television performances and special award recitals throughout the East Coast, Colorado, and Texas.

Club members enjoy musical program

The Dahlia Flower Club met with Martha Batton in the Cattleman's Restaurant Monday, Sept. 26th. The president Nelle Evans conducted the business meeting. The pledge of Allegiance opened the meeting. The minutes of the last meeting were read and approved and treasurer's report was given.

Gracious thank yous for bud vases were given by Hazel Loftin and Mabel Edwards. A thank you card was read from Hollie Riley. The report on meals on wheels was given by Myrna Biggers. She was also in charge of the program. She played favorite hymns of the group while everyone enjoyed singing.

The nominating committee of Margaret Shedeck, Jewel Turner, and Sada Hoskins was appointed by the president. Cora Smith brought the first place arrangement of Tropicana roses. Martha Batton's specimen of a Tropicana rose bud was also a first place. Those present were Margaret Shedeck, Cora Smith, Mabel Edwards, Jewel Turner, Myrna Biggers, Nelle Evans, Louise Archer, Sammie Bishop, Ruth Mary Whitson, Ora Sanders, Deta Blodgett, Sada Hoskins, Hazel Loftin, Nellie Albrecht, and the hostess Martha Batton.

GREETINGS:

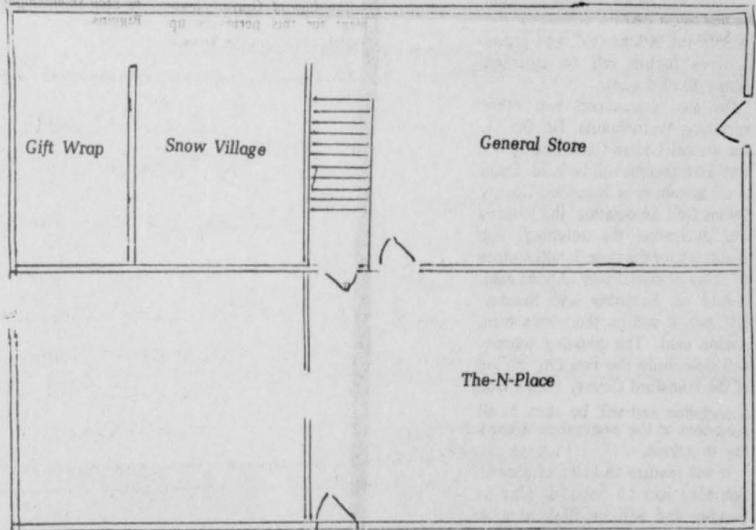

It is time for our annual Fortnight at the Bulls' Inn. Since July, I have attended every major market in the United States, from New York to Los Angeles. In addition to showing at each of these markets, I also bought with Our Fortnight in mind. I had very 'big' plans for a "COAST-TO-COAST Fortnight" only to find myself 'snowed under' filling orders at Bulls' Country and have no time to prepare.

Therefore, I have closed the Cupboard and am making the entire hotel a "Christmas Place" which we will have open for you by October 1st.

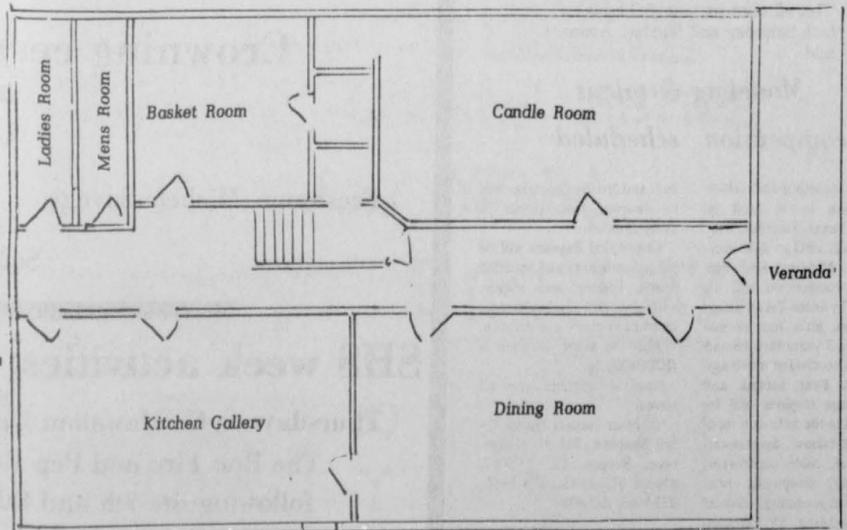

We hope you will come by 502 Davis in Spearman and meet The General Store's new manager, Dawn Bridges and her assistants;

Sincerely,
Charlene Bulls

Buzzard receives plaque for association

James A. Rogers (left), president of the Federal Intermediate Credit Bank in Austin, presents a plaque to Canadian Production Credit Association Vice Chair-

man Lloyd R. Buzzard in honor of the association's 50th anniversary. The award came during the 1983 PCA Directors Conference held recently in San Antonio.

CANADIAN--Directors of the Canadian Production Credit Association (PCA) joined approximately 160 other Farm Credit officials attending the 1983 PCA Directors Conference held recently in San Antonio.

Directors representing the association were Vice Chairman Lloyd R. Buzzard of Spearman, Gary Jahnel of Canadian, Don Morrison of Pampa, and Mack Macias of Stratford.

Larry Albin, president, and Les Lovvorn, first vice president, also attended.

The purpose of the conference, held annually, is to update members of Production Credit Association boards of directors on matters concern-

ing Farm Credit.

Featured speaker for the occasion was Peter J. Carney, president of the Federal Farm Credit Banks Funding Corporation. Carney explained how the Farm Credit System obtains the funds eventually passed along to the nation's agriculture industry.

A highlight of the conference was presentation by J.A. Rogers, president of the Federal Intermediate Credit Bank of Texas, of a commemorative plaque honoring the Production Credit Association's 50th anniversary. The association was chartered in January of 1934.

Canadian PCA is one of 30 member-owned Production Credit Associations in Texas.

Collectively they serve more than 16,000 of the state's agricultural producers. Last year more than \$2 billion was loaned through Texas PCA's.

At mid-year the Canadian Production Credit Association had approximately \$36 million loaned to 382 member-borrowers in Gray, Hemphill, Lipscomb, Ochiltree, Roberts and Wheeler counties.

PCAs have been a source of agricultural loans since the first association was chartered on September 11, 1983 in Champaign, Illinois. On October 10, the first PCA loan was made to Milton W. Warren at Mansfield, Illinois. The loan was for \$830.50 and was used to purchase 30 head of 850

pound cattle.

Today, there are 422 PCAs with more than \$22 billion in loan volume. Nationally they serve the credit needs of more than 380,000 farmers and ranchers.

Psychologist speaks to club

Pictured are Nick and Doug Breuer, sons of Debbie Breuer of Guymon, Okla.

Debbie MacKie, a psychologist from the Killgore Children's Hospital, Amarillo, Tex. gave the Sept. program at the Tristate Twosomes, Mother of Twins Club meeting. Mrs. MacKie talked about "Psychological Problems Concerning Twin Children."

Mrs. MacKie received her B.S. degree in Psychology with a double minor in Sociology and Speech from Southwest Missouri State University, Springfield, Missouri in 1979. She received her M.A. degree in Counseling Psychology from Illinois State University, Normal, Illinois in 1981. Her Master Thesis was on "Aggressive Tendencies of College Students Who Were Abused Children."

Since 1975 Debbie has worked in several interesting areas. She has worked with counseling inmates at the Missouri Department of Corrections, as a rape crisis volunteer, at the Southwest Missouri Center for Senior Citizens, as a psychology intern at the Illinois State

University Student Counseling Center, in Normal, Illinois and the Iroquois Community Mental Health Center in Watseka, Ill. Mrs. MacKie also served as a Teaching Assistant for 2 semesters at Illinois State University in the Psychology Department.

Debbie and her husband were also blessed with a new baby in August and this meeting was the end of her maternity leave.

The Tristate Twosomes meeting was held Sept. 15 in the Reddy Room in Guymon, Okla.

The next meeting will be held Oct. 18 at 7:30 in Guymon, Okla. with the program being given by Dr. Manarson on "How Children Affect Your Marriage."

Anyone interested in attending th meeting is welcome, whether a parent of multiples or not. If you would like more information on Tristate Twosomes or the October meeting please call Melyn Johnson, 806-339-7109.

Noted guitarist to visit schools

Melodious sounds of classical guitarist and guest artist, Hansford Johnson, will fill the classrooms of selected school districts throughout the Panhandle during the months of September and October as

they participate in the Artist In Residency Program. The program, sponsored jointly by Region XVI Education Service Center and Texas Commission On the Arts, avails the guest artist a multitude of classroom experiences whereby students may gain insights into a variety of cultural perspectives reflected in the arts.

Mr. Johnson has studied in the United States and in Italy under the internationally renowned guitarist Jesus Silva, protegee of Andres Segovia,

and holds a Masters degree in guitar from the Virginia Commonwealth University. After graduating from Amarillo High School, Mr. Johnson studied at the North Carolina School of the Arts as well as taking Master classes with Oscar Ghiglia. In addition to a recently completed Italian tour. He has appeared in radio and television performances and special award recitals throughout the East Coast, Colorado, and Texas.

Club members enjoy musical program

The Dahlia Flower Club met with Martha Batton in the Cattleman's Restaurant Monday, Sept. 26th. The president Nelle Evans conducted the business meeting. The pledge of Allegiance opened the meeting. The minutes of the last meeting were read and approved and treasurer's report was given.

Gracious thank yous for bud vases were given by Hazel Loftin and Mabel Edwards. A thank you card was read from Hollie Riley.

The report on meals on wheels was given by Myrna Biggers. She was also in charge of the program. She played favorite hymns of the group while everyone enjoyed singing.

The nominating committee of Margaret Shedeck, Jewel Turner, and Sada Hoskins was appointed by the president.

Cora Smith brought the first place arrangement of Tropicana Roses. Martha Batton's specimen of a Tropicana rose bud was also a first place.

Those present were Margaret Shedeck, Cora Smith, Mabel Edwards, Jewel Turner, Myrna Biggers, Nelle Evans, Louise Archer, Sammie Bishop, Ruth Mary Whitson, Ora Sanders, Deta Blodgett, Sada, Hoskins, Hazel Loftin, Nellie Albrecht, and the hostess Martha Batton.

Fruit Basket Turn Over at the Bulls' Inn!

THE GENERAL STORE
502 DAVIS
SPEARMAN, TEXAS 79081
(806) 657-2767

GREETINGS:

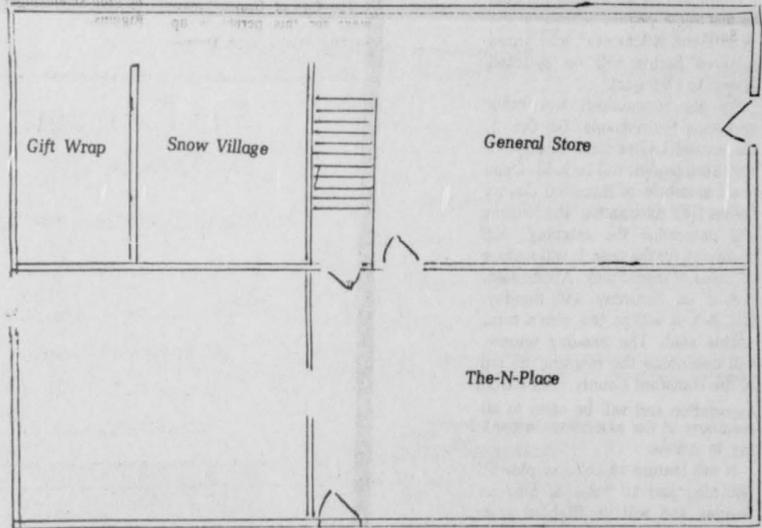

It is time for our annual Fortnight at the Bulls' Inn. Since July, I have attended every major market in the United States, from New York to Los Angeles. In addition to showing at each of these markets, I also bought with Our Fortnight in mind. I had very 'big' plans for a "COAST-TO-COAST Fortnight" only to find myself 'snowed under' filling orders at Bulls' Country and have no time to prepare.

Therefore, I have closed the Cupboard and am making the entire hotel a "Christmas Place" which we will have open for you by October 1st.

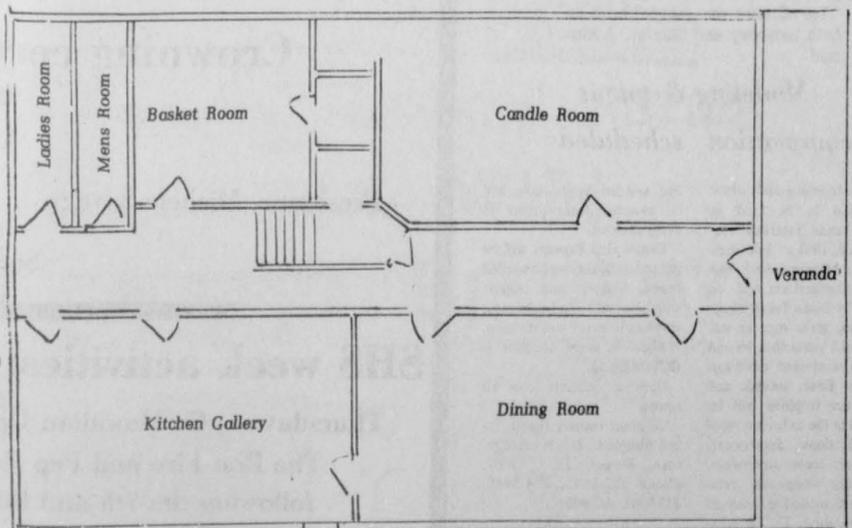

We hope you will come by 502 Davis in Spearman and meet The General Store's new manager, Dawn Bridges and her assistants;

Sincerely,
Charlene Bulls

JV's drop thriller at Guymon

Sometimes it's Mires to Cook and sometimes it's Cook to Mires, as the two alternate between quarterback and split end for the Spearman JV.

Last Thursday evening in Guymon it was Allen Mires, in at quarterback, hooking up with Bob Cook at end, on a sensational 65-yard touchdown pass play. It was one of the brightest spots in a mostly "dark" game for the Spearman JV'ers as they fell 24-6 to the Guymon Tiger junior varsity.

It was one of those "closer than the score indicated" games. One of Guymon's TDs came on a blocked Spearman punt, and the other came on a "bomb" pass on the last play of the game.

The first touchdown of the game came in the second quarter after the teams had battled through a scoreless first quarter. Guymon scored on a short run set up by a long run by the quarterback on a keeper play.

At the end of the first half, Guymon JV took a narrow 6-0 lead off the field.

Guymon got a big break, and capitalized on it for a touchdown by

blocking a third quarter Lynx JV punt. Faced with fourth and long yardage at their own 13, the Spearman JV went into punt formation. A Tiger JV'er broke through and blocked the punt, and the ball rolled into the Spearman end zone, where a Tiger player pounced on it for six Guymon points, and a 12-0 Guymon lead.

Later in the third quarter the Guymon JV hiked its advantage to 18-0 with a razzle-dazzle play. The quarterback handed off to a halfback who dove into the line, then pitched back to the quarterback heading around end. The quarterback carried until he was hit, then pitched back to a trailing back who raced down the sideline all the way for a score.

Just when it seemed the Tiger JV might rout Spearman, the Lynx offense roared to life on a drive of its own.

The touchdown came on a quick flick of the wrist by Mires and a surehanded grab by Cook. With the ball at the Spearman 35, Mires faded and arched a long pass to Cook. The swift receiver took the ball in stride at about the Tiger 40

and outprinted the secondary for a touchdown.

The try for two point conversion failed when Mires was sacked by a big Tiger rush before he could pass. The Guymon JV, with the game already won, shot the works for another score on the last play of the game, catching the scrambling Lynx defense by surprise, and the play went for a touchdown.

The Lynx junior varsity will try to snap a two game losing streak when they travel to Dalhart today (Thursday) for a game with the Golden Wolves JV. The game will be played after a Dalhart freshman contest with another school, and should start about 6:30 p.m., Coach Lockett said.

Lockett said the opposing team is another typically tough Dalhart team, and he is looking for a good, hard hitting game.

To get to know life fully doesn't mean that one has to get down into the gutter.

Ladies' Golf tournament underway

Postponed from this past weekend, the Hansford County Ladies Golf Tournament gets underway today (Thursday) at Hansford County Golf Course, according to course Pro Keith Atkins.

Sponsored by Hansford County Ladies Golf Association the tourney will feature 18-hole, two ball scramble medal play and will be open to all members of golf associations throughout the Texas and Oklahoma panhandles, Atkins said.

There will be an awards banquet for the lady golfers following the tournament, Atkins said, and prizes in three flights will be awarded during the banquet.

He also announced two other upcoming tournaments. On Oct. 3, the annual Ladies Club Championship Tournament will be held. Open to all members of Hansford County Ladies Golf Association, the tourney will determine the reigning club champion for the year. It will feature 18 holes of medal play, Atkins said.

And on Saturday and Sunday, Oct. 8-9, it will be the men's turn, Atkins said. The two-day tourney will determine the reigning champ of the Hansford County Men's Golf Association and will be open to all members of the association according to Atkins.

It will feature 18 holes of play on Saturday and 18 holes of play on Sunday and will be flighted after Saturday's round.

Trophies will be awarded in each flight for first place medal play, Atkins said. Entry fee will be \$10 per person, and tee time will be on a "Tee off when you want to" basis on both Saturday and Sunday, Atkins said.

PSAT Test helps students 'Learn from mistakes'

Students taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this year on October 18 will be able to "learn from their own mistakes" by using information in their score report provided by the College Board, according to Margie Alford, director of guidance at Spearman High School.

"After taking the PSAT/NMSQT, all students receive a Report of Student Answers which includes the correct answers and their own responses and scores," said the local guidance official. "They also receive their own test booklets so that they can review the actual questions, see which ones they got wrong, and try to figure out the correct answer and why they may have missed it."

This process can help students learn from their own mistakes by encouraging them to understand the reasoning involved in finding the right answer, an ability which will be useful for future school work. Looking at the kinds of mistakes made on the test can help students identify areas in which they may be weak and need more work.

Before taking the PSAT/NMSQT, students receive a Student Bulletin containing a complete practice test with an answer key and scoring instructions. After the test, they receive a booklet, About Your PSAT/NMSQT Scores, that

helps them to interpret their test results and to plan for college.

Other services that enable counselors and other school personnel to better understand and interpret the test results to the students and parents include school summaries of students' answers, profiles of the academic characteristics and career interests of students taking the test, and a special publication for use with students as part of a general guidance program.

The PSAT/NMSQT is co-sponsored by the College Board and the National Merit Scholarship Corporation. Since 1959, more than 26 million students have taken the test, which measures verbal and mathematical abilities.

By taking the test, students discover how they rank among juniors (or sophomores or seniors) taking the test across the country. It also provides a preview of the College Board's Scholastic Aptitude Test (SAT), taken by many college-bound students. The PSAT/NMSQT is also the qualifying test for students wishing to participate in competitions of the National Merit Scholarship Corporation.

Brucellosis Battle making headway

The Texas livestock industry has achieved a first in its continuing battle against brucellosis.

For the first time in history, more than one million calves have been vaccinated in a fiscal year in this state. The total as of Aug. 31, 1983 was 1,000, 278. That means 35.7 percent of all eligible calves were vaccinated for brucellosis in Texas for fiscal year 1983.

"The number of vaccinated calves has almost doubled in the past three years. That is significant since basic changes were made and incorporated into the Texas brucellosis program in 1980.

"It shows livestock producers are accepting those changes," John B. Armstrong, Kingsville, chairman,

Texas Animal Health Commission, said.

One of those changes included regulations which encourage freer movement of the vaccinated animal versus the non-vaccinate.

"We want to thank the Texas Agricultural Extension Service through its county agricultural agents in helping us get the information about the value of vaccination to producers throughout this state.

"Veterinarians, livestock organizations and mass media have also worked closely with us in this endeavor," Armstrong said.

Everything is good in its season.
