## Pride of Panhandle 4-H Horse Show Held Here Sat.

Youngsters from throughout the area converged on Oscar Archer Arena here for the Pride of the Panhandle 4-H Horse Show Saturday and by the time the dust had cleared that evening, Hansford County boys and girls had done very well indeed in the competition.

Hansford County 4-H'ers were especially strong in their showing of halter class mares, and in Western Pleasure, Western Riding and Showmanship competition.

Shelly Dunnihoo's Alabama Lady De won Grand Champion Mare honors. Earlier Shelly and her mare won first place in the registered mares over five years old division, which also saw Kristin Dunnihoo place fifth with I'm A Girl Bars, and Bonnie Jarvis sixth with Cowgirl Dell.

Gruber's Jason Haefner showed the first place entry, Prissy April, in the Graded Mares division. Deana Turner's Nips Good Bar took fourth place and Mark Eakin's Lea's Stone Deck eighth in registered Geldings.

In Showmanship, ages 12-14, Deanna Turner took first place, Kristin Dunnihoo third, Shelly Dunnihoo fourth, and Clay Hobbs of Gruber eighth. Misty Savage took third place Showmanship honors in the 9-11 year old division, Bonnie Jarvis was eighth and Mark Eakin ninth.

Deana Turner won the Western Horsemanship, ages 12-14, competition astride Nip's Good Bar, Shelly Dunnihoo placed second on Alabama Lady De, Kristin Dunnihoo was fifth on I'm A Girl Bars, and Clay Hobbs was ninth on Justa Jetrail.

In Western Riding, ages 9-11, Bonnie Jarvis placed fourth on Cowgirl Dell, Mark Eakin was fifth on Lea's Stone Deck and Michael Whitefield ninth atop Wild Gambler.

Deanna Turner repeated her success in Western Horsemanship by capturing top honors in Western Riding. It was another strong event for Hansford County 4-H'ers as Kristin Dunnihoo took second and Shelly Dunnihoo third, for a clean Hansford Sweep of the top three spots.

In Western Pleasure, 12-14, Deanna placed second, Shelly fourth and Kristin sixth, with Hobbs placing ninth. Miss Turner was second again in Bridle Path Hack, Miss Jarvis placed sixth and Eakin seventh.

Eakin won second place in 9-11 Western Horsemanship, Amy Smith on Wild Gambler was fifth, Haefner was eighth, Miss Jarvis ninth and Misty Savage on Sierra Red Chief placed 12th.

In Western Pleasure, 9-11, Misty Savage and Sierra Red Chief finished fifth, Eakin came in seventh, Bonnie Jarvis 10th and Michael Whitefield 11th.

In the racing events, Hobbs, Eakin and Haefner led a strong Hansford showing. Eakin and Lea's Stone Deck won the 9-11 Barrel Racing, and also took first place in 9-11 Stake Race, plus a sixth in 9-11 Pole Bending.

Poetry in motion, Deanna Turner and her Nips Good Bar canter across the arena enroute to a first place finish in the Western Riding, ages 12-14 competition at the Pride of the Panhandle 4-H

Horse Show here. Deanna and her mount also won the 12-14 Western Horsemanship and the Showmanship awards and placed second in Western Pleasure.

## Angry Purple will scrimmage here Friday nite

Spearman Lynx fans will get their first chance to see the 1983 version of the Angry Purple in game-type action when the Lynx host Guymon's Tigers here Friday in a scrimmage.

Head Football Coach-Athletic Director Larry Lanier said the action will get underway at 6 p.m. when the Lynx junior varsity takes on the Guymon JV. The Lynx-Tiger varsity tussle will get started at 7:30 p.m.

Lanier said the contest will be a controlled scrimmage with no kick-offs as it is intended as "strictly a learning experience." He said the scrimmage will be filmed--"the first chance to get our kids on film"--and he hopes to make improvements in the team's future performances, using the film as a teaching tool.

He declined to name a starting lineup at presstime Tuesday, but did say that "we plan to play all our kids--we plan to get a good look at everybody."

Lanier did say the Lynx would operate on offense out of the "Winged T" as they did last year, and would deploy the Split 6 defense.

As for the Lynx' scrimmage opponents, Lanier said he knows little about this year's Tigers, but added, "They are coached by Don Beck, who is a successful coach well-known in this area, who has coached at Perryton and Dalhart.

Hobbs, astride Cinnamon, took third in 12-14 Stakes, Pole Bending and Barrel Racing. Haefner on Prissy April took sixth in 9-11 Stakes and seventh in 9-11 Barrel Racing.

## Larry Butts resigns from Sunray council

Larry Butts, Sunray mayor pro tem, resigned Thursday night from the city council there because he will move to Spearman the latter part of September.

The council seat he has held for the past 4½ years will be taken over by Sherrill Wilson.

A former city councilman, Wilson was appointed Thursday night during a council session. He will serve until Sunray voters can elect a councilman to fill the unexpired term in the April, 1984, city election.

Butts, a Sunray businessman, was first elected to the city council in 1979. He has completed two 2-year terms and was elected to a third in April of this year.

He says he will maintain his business in Sunray.

The office of mayor pro tem was not filled Thursday.

## Three 'standing tall' youths describe Rotary Camp

Three young men stood tall at the noon Meeting of the Spearman Rotary Club Monday and told "it like it was!"

The three -- Mark Guthrie, Byron Sutterfield and Bob Cook -- were guest speakers for the Rotary Youth Leadership session and described their feelings about the Rotary Youth Leadership Awards Camp they attended, under sponsorship of the local Rotarians.

All three thanked the Rotarians for the opportunity of attending the camp, and each said he benefited greatly from the experience. But they also had some good natured gibes for the Rotarians.

Guthrie said the camp helped him understand Rotary goals and the club's service to its community. He said that before the trip, he had thought of the Rotarians as just a bunch of old men who met together to eat, and "sold brooms and things like that," prompting laughter from the gathering and a rejoinder from one of the members--"Wrong club, son." (It is Lions Club members not the Rotarians, who are noted for their broom sales).

Guthrie said the camp was informative and featured a variety of speakers -- athletes, oil related industry men and business persons.

He said one message at the Rotary camp, often repeated in one form or another, came through loud and clear, "Go straight forward in life" and "have enthusiasm" for what you're trying to do.

However, Guthrie said that while he generally enjoyed the speakers, sometimes their talks "got a little long."

And with a little grin, he added, "And I didn't especially like getting up at 6:45 a.m. for calesinics, either."

Guthrie said that his community, so "the part I enjoyed most was meeting people from all over the Panhandle." He said this exposure

to others would "help a lot when I go to college."

When his turn came to address the gathering, Sutterfield said he found the Rotary camp to be a "real experience," that helped him to "get to know more about myself, and to learn about the Lord."

He made a mock grimace and spoke of the early wake up and long speeches, but also said the big thing to him was the learning experience he enjoyed and added that he "learned a lot from camp leaders like Mr. Collard (John R. Collard, Jr. who went along as a counselor.) Cook, who turns 16 today, was introduced by Collard as the youngest of the trio from Spearman who attended the camp. Cook said he "like the others," found the camp to be "pretty interesting."

Cook said he was very interested in athletics so he was pleasantly surprised -- I guess I expected a bunch of wierdoes" -- by the athletes who were there. He said he enjoyed very much the presentation by Craig Bradshaw, "little brother" of Pittsburgh Steeler ace quarterback Terry Bradshaw.

He also enjoyed the competition in sports such as volleyball and softball, he said, "but he thought the 6:45 wake up "was a little out of hand."

He mentioned Craig Timerlakem a man who had gradually gone blind but was nevertheless studying to be an attorney and spoke out on developing a positive mental attitude--"keep on Keeping on."

Cook closed by saying, "I hope whoever goes up next year has a good a time as I had."

Collard also described the adventures in camp and enroute, including a humorous account of bus troubles.

He mentioned Warren Adams, education-business liaison officer for Region 4 of the Education Services Center, who told quite "a promoter of the free enterprise system," one

who told the young camp attendees "there is nothing wrong with making an honest profit."

He also told of Dan Hemphill, one of the owners of Camp Summerlife, who treated the camp attendees to popcorn and soft drinks.

And Collard said author and Borger Rotary Club member Mel Marshall, also a camp counselor, gave the boys attending some tips on fly tying. Collard said he would try to line Marshall as a guest speaker for the Spearman Rotarians "just before June vacations."

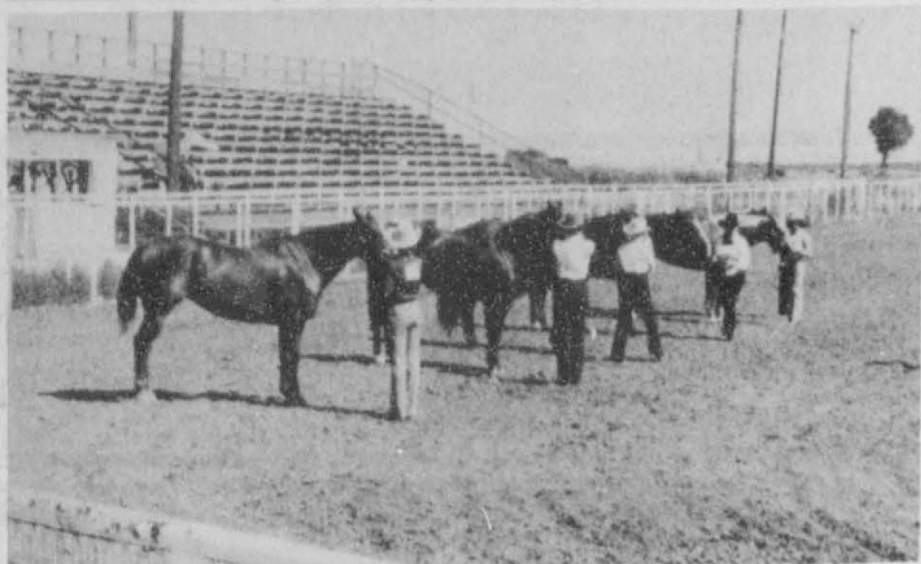

He said the "boys caught enough fish to feed the entire group two meals while we were there." Some of the boys also got an opportunity to sightsee in Taos, N.M., some 19 miles northeast of the camp.

After the boys and Collard spoke, a member mentioned Coy Palmer who had recently suffered an apparent heart attack and had been transferred to an Amarillo hospital. The club decided to send flowers and a get well card to Palmer.

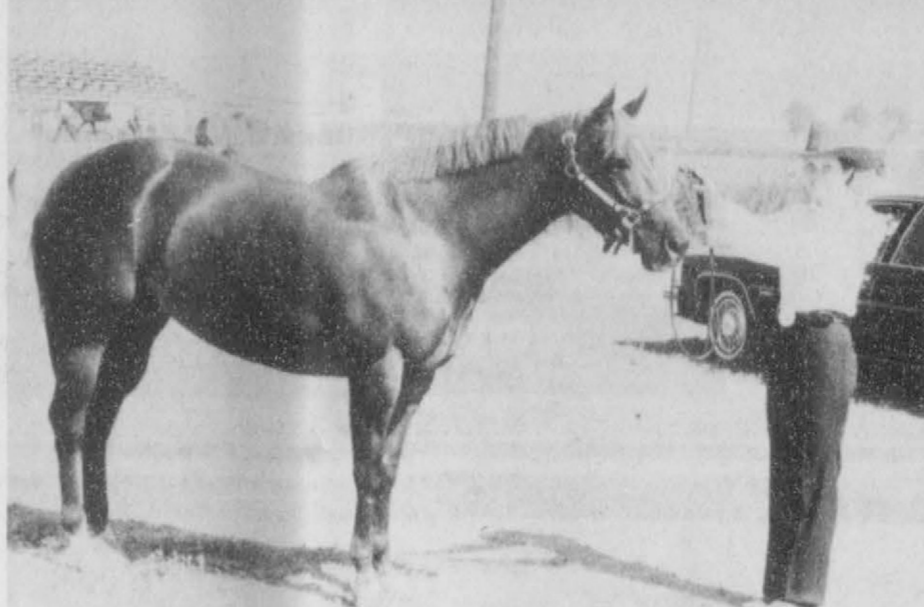

Recognized were three new members, Winn Crenshaw, Danny Howell, and J.E. "Chunky" Blackburn.

Don E. Smith  
improved,  
Coy Palmer  
transferred to  
Amarillo

Don E. Smith who has been in intensive care in an Amarillo hospital is much improved and was moved to a private room Monday night. Coy Palmer was transferred from Hansford Hospital to an Amarillo hospital for further tests.

All lined up and waiting on the judges' decision, these young contestants and their horses withstood withering 100-plus temperatures to compete in the Pride of the Panhandle 4-H Horse Show here Saturday.

Shelly Dunnihoo poses her Grand Champion Mare just after it won top honors for her in the show arena.

'Bear' and a friend take in the horse show Saturday.

Watching a show horse cool down with a deep drink, these 4-H Show spectators squeeze every bit of shade they can out of their pickup trying to find respite from the 106 degrees Saturday that blistered the area during the horse show Saturday.

## Attention Joggers and Runners

### The Wheatheart 10,000 Meter Run

Come to the Wheatheart Country Run in Perryton on Saturday, August 20. There'll be a 10,000 Meter Run (6 1/4 miles), or a One Mile Fun Run. The 10K starts at 8:30 a.m., and the One Mile Run starts at 8:40. It happens at City Park.

Complete this registration and return it within three days. Pre-registration fee is \$6. Registration on day of the race is \$7. Entrants receive special runner caps.

Make it a fun experience, whether you're a serious runner or weekend jogger. Run with a friend. Bring your entire family. Enjoy the free breakfast, free barbeque at noon, the parade, and all-day Wheatheart events.

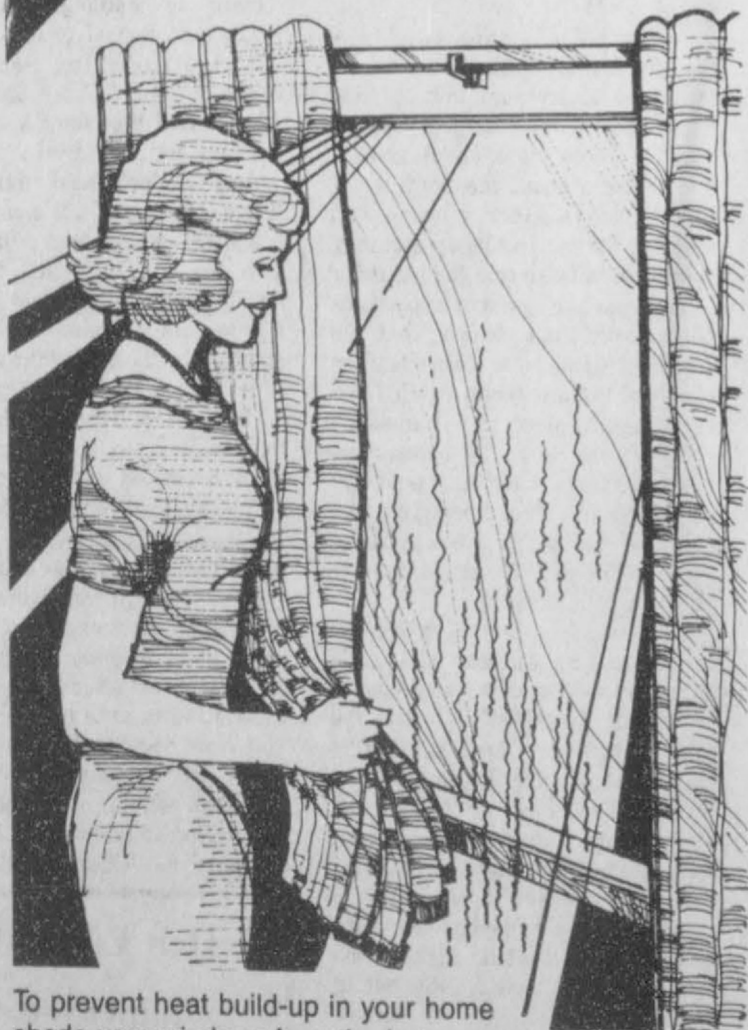

Certified by Road Runners Club of America.

Use Energy Wisely...

## YOUR WINDOWS

To prevent heat build-up in your home shade your windows from the hot summer sun with awnings, blinds, and thermal or insulated draperies. Keep draperies closed during the day. Plant trees and shrubs to provide natural shade on the west side of your home where the sun's rays are strongest. For more energy-saving tips ask for our free booklet, "A Guide To Better Home Energy Management."

### County winners to district contest

The Farm Bureau District Queen's Contest and Talent Find will be held in Amarillo Thursday, August 25 at 8 p.m. at the Hilton Inn.

Hansford county contestants are Kim Nelson, Queen, and Teresa Miesner, County talent find winner. Kim is the daughter of Mr. and Mrs. Dennis Nelson and Teresa is the daughter of Mr. and Mrs. Louis Miesner.

All farm bureau members are urged to go to the contest and support these Hansford County girls.

### A "Centerpiece"

Well-It's Friday and the first week of August is over. We here at the center are busy as usual and do appreciate the volunteer workers who come in each week to help with projects underway.

The weather is still hot and dry with no rain prospects in sight. Takes a lot of work and water to keep the yards green and the flowers blooming. Was sorry to see our park in Southwest part of town turning brown from lack of water but with a day and night of watering by the city the grass was green again in a few days.

We have a good crowd out on Tuesday for a covered dish dinner at 6:30. Some 50 people came and later played games of their choice. If you haven't been coming, prepare your special dish and come join us. You will always be sure of a delicious meal and you'll never meet friendlier folks.

On Thursday several ladies brought food and dinner was served at 12 noon. During the day quilting was resumed and blocks were finished and set together for the new Dresden plate pattern. This is going to be a beauty when finished with

its bright colors of tans, browns, yellow and green printed pieces and design. If you like to quilt come on in and join us, it is not only fun but is a beautiful service to our senior citizens as a way of raising money to help keep the center open.

If you know of someone who lives alone and would like our assurance service we will be glad to call them each morning for a chat and check to see if they are OK or might need some assistance. Do let us hear from you.

Alma Remy

### Farr-Hartfelder wedding announced

Mr. and Mrs. Bob Farr are announcing the marriage of their daughter, Barbara Jo to Charles (Chuck) Hartfelder on Saturday, Aug. 6 at St. Mary's Catholic Church, Amarillo, Texas.

### Dahlia Flower Club Meets

The Dahlia Flower Club met with Cora Smith at the Cattleman's Restaurant on Monday, Aug. 15. Roll call was answered with "Favorite Texas Beauty Spot." Nelle Evans, president, conducted the business meeting.

The display table of flowers was truly a beauty spot. The first place specimen, a white perennial phlox was brought by Jewel Turner. The colorful arrangement of gladiola which was voted to be first place was brought by Nelle Evans.

Martha Batton received the door prize. All the members signed a get well card for Hollie Riley.

The next meeting will be Sept. 12th with Hazel Loftin.

Members enjoying the lovely refreshments were: Louise Archer, Martha Batton, Myrna Biggers, Sammie Bishop, Deta Blodgett, Cleo Denman, Mabel Edwards, Nelle Evans, Sada Hoskins, Hazel Loftin, Ora Sanders, Margaret Shedeck, Jewel Turner, Ruth Mary Whitson, Karen Harruff, and the hostess Cora Smith.

### History books

ONLY FOUR MONTHS UNTIL CHRISTMAS!!!

THE HANSFORD COUNTY HISTORY BOOK VOLUME 2 IS STILL AVAILABLE BUT THERE AREN'T MANY LEFT.

STOP BY THE STATION MASTERS MUSEUM AND PURCHASE A COPY.

### Arts & Craft Guild Meets

The Arts and Crafts Guild met for their regular meeting on August 12 in the home of Blanche Fuller. The afternoon was spent painting china after which lovely refreshments were served to one visitor, Carrie Marie Berry and members Sada Hoskins, Lemmie Russell, Deta Blodgett, Freda Sheets, Athalie Trayler and Jewel Turner by the hostess, Blanche Fuller.

The next meeting will be on August 19th at the Cattleman's Restaurant with Margaret Gibner hostess.

### Hospital

Patients in Hansford Hospital are Josephine Gruver, Faye Hickerson, Dorothy Welch, Mary Latham, Hope Moore, Pete Jesch, Harriet Wilmeth, Richard Yancey, Ruth Garner, Ricky Watkins and Junior Long.

Dismissed were Andrea Bayless, Dorothy McElroy, Maude McClellan, Trenna Munns and son, Cecilia Favela and daughter, Coy Palmer and Grayline Tucker.

\*\*\*\*

People who extend liberal support to the churches seldom worry about what they get in return.

### Blood pressure screening clinic

To help make the Hansford County area more health conscious, the Hansford County YMCA will be conducting a free Blood Pressure screening at the Thriftway Grocery Store, 505 S. Hwy. 207 on Saturday, August 27. The screenings will be available from 10 a.m. until 4 p.m. Anyone suspected of having high blood pressure will be referred to a physician.

High blood pressure is the silent killer of millions each year through heart attack, stroke, kidney failure and diabetes. Even though it effects millions, it has no visible symptoms for most people. In spite of the fact that millions die from high blood pressure,

it can be effectively treated in most cases. So come by the Thriftway on Saturday, Aug. 27 and let the YMCA check your blood pressure. It could be the most important one minute investment of your time you can make.

\*\*\*\*

The average youngster can tell his, or her, parents, how life should be lived, and then some.

\*\*\*\*

Human beings waste a lot of time trying to appear important to others who know they are not important.

### Bridge Club

The Senior Friday Bridge Club met at the Golden Spread Center Aug. 5 with Ada McLain as hostess. Members present were Ruth Lackey, Viola Graves, Addie Novak, Alice Lackey, Ruth Baker, Mathilde Entekin and Ora Sanders.

Ora Sanders had high score and Mathilde Entekin had second high.

The Senior Friday Bridge Club met at Golden Spread Center August 12 with Addie Novak as hostess. Members present were Addie Novak, Ruth Baker, Ora Sanders, Mathilde Entekin. Guests were Martha Batton, Willie Wallis, Dickie Allen and Juanita Tucker.

Mathilde Entekin had high score and Ora Sanders had second high.

### Acrobatic classes to begin

Fall acrobatics classes will begin the week of August 29. Classes will consist of learning individual stunts on mats and routines where several stunts are combined. All classes will meet once a week for 45 or 60 minutes depending on the age group. Classes will be divided by age and skill. These classes will be offered thru April 1984, ending with a recital where students will demonstrate skills and routines. Boys and girls ages three and older may enroll by calling Mollie Holton at 659-3973 before August 26. Age groups three thru third grade will meet for 45 minutes once a week while anyone in the fourth grade and older will meet for 60 minutes once a week. All classes will meet at 303 South Main.

# Increased spending in public schools

AUSTIN—Texans increased spending on local public schools by \$900 million last year, as trustees in 1,071 school districts adopted school budgets totaling \$8.5 billion. That provided more than \$300 in additional funds for each of the 2,678,000 students in the state, according to the Texas Research League.

Texas Research League is a private, nonprofit, Austin-based, educational corporation engaged in governmental research.

School budgets adopted for 1982-83 called for spending \$2,610.23 per student for current operations. Spearman ISD's budget provided for \$3314.73. per student based on the 804 students in average daily attendance in 1981-82.

Locally, the Spearman ISD's tax levy was increased by 7.5 percent for 1982-83 as compared to a 14.8 percent increase for the average school district in Texas.

The average salary for classroom teachers paid by Spearman ISD in 1981-82 was \$19,338 which was 28.2 percent above the minimum salary prescribed by the state. The average among all school

districts in Texas was \$17,537 per classroom teacher, or 20.6 percent over the minimum. The legislature further increased the state minimum schedule by \$88-\$196 a month for 1982-83.

There was an average of one teacher for 13.9 students in Spearman ISD compared to a statewide pupil-teacher ratio of 1 to 16.4. The pupil-teacher ratio is not the same thing as the average class size because teachers and students are not necessarily in class the same number of hours each day.

The report noted that the share of the total school payroll paid to classroom teachers has dropped from 73.4 percent of the total in 1969-70 to 60.4

cents of each payroll dollar last year as many more non-teaching personnel have been hired. Locally, classroom teachers were paid 69.2 percent of the school payroll in 1981-82.

The average school property tax rate in 1981-82 was \$0.531 per \$11 of market value (selling price) so that the school tax on a property selling for \$10,000 was \$531 in the average school district. Locally, the rate on market value in Spearman ISD was .478 or \$478.00 on a property selling for \$100,000.

If the property were a homestead or owned by a senior citizen, the school tax would be less because of

various exemptions. Open-space land if qualifying would be valued on productivity value rather than market value and would be taxed less.

The report noted that the 68th Legislature increased appropriations for public schools by almost a billion dollars (\$962 million) for the next biennium. However, only an additional \$192 million increase (5.4 percent) in foundation aid to local school districts will be available for 1983-84 school budgets that school trustees are now working on.

Gruver ISD's budget provided for 3839.44 per student based on the 460 students in average daily attendance.

The Gruver ISD's tax levy was increased by 13.0 percent for 1982-83 as compared to a 14.9 percent increase for the

average school district in Texas.

The average salary for classroom teachers paid by Gruver ISD was \$19,548 which was 24.4 percent above the state minimum salary.

Gruver had an average of one teacher for 11.6 students.

Gruver classroom teachers were paid 66.8 percent of the school payroll.

Average school property tax rate in Spearman ISD was .317 or \$317.00 on a property selling for \$100,000.

The Pringle-Morse School with an average daily attendance of 70 students budget provided for \$7490.44 per student. The Pringle-Morse ISD's tax levy was increased by 14.5 percent for 1982-83.

Average salary for classroom teachers paid by Pringle-Morse in 1981-82 was \$17,912 which was 21.9 percent above the state minimum salary.

There was an average of one teacher for 7.7 students in Pringle-Morse.

Pringle-Morse teachers were paid 57.8 percent of the school payroll.

Average school property tax rate in Pringle-Morse was .310 or \$310.00 for property selling for \$100,000.

## Edith L. Martin dies

Edith L. Martin, 65, of Everman died Sunday, July 31, 1983 at a Fort Worth Hospital. She was a retired nursing home nurse's aide.

She was a native and former resident of Spiro and was preceded in death by her husband, Everett Ray Martin.

She lived in Spearman before moving to Everman. Graveside services were held Tuesday, August 2, 1983 at New Hope Cemetery with Rev. Gus Martin officiating.

## IT'S A FACT!

A carpet and computer may seem like an odd couple to some, but for many consumers this year, buying one may mean a free gift of the other.

Consumers who purchase 50 square yards or more of any carpet of "Antron" nylon from a participating dealer, say the people at DuPont, will receive a free Texas Instruments model 99/4A home computer, complete with a Home Financial Decisions software cassette. The offer is good only at participating dealers; those listed in the September 24 cover issue of TV Guide, on sale September 21. This offer runs from September 23 through October 8.

### AAM District meet set for Dumas

The American Agriculture Movement of Texas Inc., District 1, will be having a meeting at Duffer's Restaurant in Dumas, Texas on Saturday, August 20th, 1983. There will be a meal to start at 7:30 p.m. with a business session to follow.

V.B. Morris, the Dist. 1 Delegate and the National Secretary for the American Agriculture Movement Inc. will report on the last months legislative session in Washington, D.C.

The cost of the target price freeze to the producers, 10% lowering of the loan rate and

various FmHA programs will be discussed.

All farmers, ranchers and interested persons are urged to attend. All area business people are urged to attend and get involved because a weak farm economy effects your business every day.

\*\*\*\*

Gossip spreads much faster than the truth; that's why there is so much talk of scandal and so little about really important matters.

### Aubrey Yarbrough services held

Memorial services for Aubrey Yarbrough, 65, of Perryton were held at 2 p.m. Wednesday, Aug. 17, 1983, who died Sunday. The Rev. Leonard Forsythe, pastor, officiated at the service held in Bible Baptist Church, of Borger. Burial was in Sunset Memorial Cemetery in Stinnett by Minton-Chatwell Funeral Directors in Borger.

Mr. Yarbrough had been a Borger resident from 1943 to 1973, when he moved to Perryton. He was a truck mechanic for E.W. Larkey and Son. He was born in Rooston. He was preceded in death by

his wife, Marion Yarbrough in 1975.

Survivors include two daughters, Mrs. Helen Martinez of Stinnett and Mrs. Carolyn White of Borger; three sons, Eugene Yarbrough of Spearman, Aubrey E. (Pete) Yarbrough of Canadian, Raymond Yarbrough of Sayre, Okla.; two sisters, Mrs. Audrey Darnell of Borger and Mrs. Velma Foster of Weatherford; two brothers, Paul Yarbrough of Borger and Bob Yarbrough of Irving; 18 grandchildren and 13 great-grandchildren.

### Home ec teachers attend conference

Susan Daniel and Claudine Clark, teachers at Spearman High School, participated in a four-day State Inservice Conference for the professional development of vocational home economics teachers. The conference, held in Houston August 8-11, was arranged and planned by the Vocational Home Economics Division of the Texas Education Agency.

Twenty special interest sessions offered a diversity of subjects to expand the teaching skills of the 2,800 vocational home economists in attendance. National business authorities and educators presented sessions on strategies for computer instruction, curriculum development, entrepreneurship, tomorrow's homeowner, consumer education, education for parenthood, industrial sewing, the aging family in contemporary society, and other timely topics.

Special emphasis was given on ways to integrate the new knowledge and instructional techniques into the classroom and on the training and motivation of students with special needs.

### In Fashion

Designers have created classic fashions for the coming fall with combinations of fabric and color. Soft wool, fine hand-woven tweeds and mohairs will be seen in suits, skirts and coats.

Fur-trimmed coats, tailored suits and soft wool dresses are now seen in many shops.

\*\*\*\*

# Felony cases will jump to \$750.00 Sept. 1

Hansford County Sheriff R.L. McFarlin leaned back in his chair, shook his head, and tried to describe the tremendous impact newly passed theft punishment legislation will have on law enforcement at all levels in the state.

"Effective Sept. 1, through new legislation just passed by the state legislature, the felony theft law has been changed," McFarlin said.

McFarlin explained the current law sets \$200 as the dividing line between misdemeanor and felony theft—a theft of any amount over \$200, or of anything valued at more than \$200, is a felony and may be punished by a term in the state penitentiary.

But, the sheriff said, after the first of next month, the "magic" figure will be hiked all the way from \$200 to \$750.

That means the theft of less than \$750, or of anything valued at less than \$750, will be classified as a misdemeanor, and will be tried as such before the county judge rather than as a felony tried in district court, he said.

And persons found guilty of theft less than \$750 and sentenced to incarceration, will be placed in county jails instead of being "sent up" to the state pen.

"This will throw a lot of responsibilities handled before by the state back on the counties," McFarlin commented.

As a result, McFarlin foresees a much heavier workload in county courts, with a docket backlog in many counties such as is common in some district courts today.

He also sees a strain on the capacities of county jails because of the new legislation. Relating the problem to Hansford County, he remarked, "I expect it will throw us in a bind all right," and he added that sheriffs in many small county seat towns throughout the state will feel similar effects from the new law.

But the biggest impact of the shift from state to county resulting from upping the misdemeanor limit, will be felt in the bigger county seat cities, McFarlin said.

Despite the bind the new felony theft law may put the counties in, the Hansford County sheriff does not fault the state legislators for passing it.

"It's all in the way you look at it," McFarlin said. He said his first reaction was "What have they done?" but that "if you just sit down and think about it for awhile, you can realize their standpoint."

McFarlin explained the Texas State Penitentiary in Huntsville is filled to capacity, or at least to the capacity specified by the federal government. In fact, he said, the federal government "closed" the Texas pen to the admission of new inmates for awhile.

"That was the reason that 'tent city' was constructed down there," he remarked, and it caused an even greater than usual crowding prob-

lem in bigger city jails, because prisoners could not be sent on to the state prison during that time," he said.

"They're doing all they can—they're building steadily every day—but they just can't keep up," McFarlin said.

So McFarlin can be philosophical about the new change in the felony law. "Why, it hasn't been so many years ago that any theft over \$50

constituted a felony. They now have about 37,000 inmates in the state penitentiary. Think of how many more we'd be looking at right now, if

the law had not been changed from theft over \$50."

(See FELONY, page 8)

**New law to increase burden of Hansford County law officers.**

**Process of Elimination**  
After grandmother had given Susie a scolding, she overheard the youngster remark to herself: "Somebody is cross in this room: 'taint me, 'taint kitty, I wonder who it is?"

Sheriff R.L. McFarlin studies an arrest report. McFarlin expressed confidence in the county's ability to adjust to the new felony theft law. The Hansford Sheriff was elected third vice president of the Texas Sheriff's Association at the recent convention of the statewide lawman's association in Amarillo. A director at the time, he served as sergeant-at-arms for the convention.

Jailer-Deputy Bob Massingill shows a comfortable jail situation that could get a mite crowded when the new law on upping the amount to constitute a felony theft from \$200 to \$750. The new law goes into effect on Sept. 1.

# District Court Action

In district court here Monday, Walter Elliott entered a guilty plea to a charge of forgery, and was sentenced to two years in the Department of Corrections by Judge J.E. Blackburn, according to Sheriff R.L. McFarlin.

McFarlin also reported that James Wyrick, 28, appeared before the judge for a probation revocation hearing, but that Wyrick made full restitution to the court and was released.

The sheriff said he picked up two illegal aliens on Hwy. 207 after receiving an erratic driving report. The driver was picked up on a no driver's license, no insurance charge. The two were turned over to the Border Patrol for return to Mexico, according to McFarlin.

At 4 a.m. on Aug. 13, McFarlin said he and Deputy-Jailer Bob Massengill arrested Jimmy Lester Womack, 20, in Gruver on charges of public intoxication and disorderly conduct. Womack, from Alpine, was arrested at a Gruver residence. He had been visiting relatives in Gruver, the sheriff said.

Womack was arraigned before Justice of the Peace Pete Vernon who set a fine of

\$37.50 for disorderly conduct and \$30 for public intoxication. Womack paid the fines and was released.

A 17-year-old Spearman man was also arrested at 8:13 a.m. Saturday morning and charged with DWI following an accident near Hansford Implement Co. Arraigned before County Judge Roy McClellan, the suspect paid a fine and was released.

And Jose Luis Flores, 22, of Spearman was arrested on a charge of aggravated assault. He was released Sunday pending further investigation.

At 2:30 a.m. Saturday, the Sheriff's Department investigated a cattle truck, pickup collision on Hwy. 760. According to the report filed by the investigating deputy, Ricky Lee Watkins, 29, of Canton, was driving a pickup belonging to Holt Bros. Farm of Gruver, and was attempting to pass the American Transfer and Storage Co. of Dallas cattle truck being driven in the same direction by James Weston Martin, 40, when the accident occurred. The pickup rolled over.

Sheriff McFarlin said the pickup was "totaled" and that Watkins was hospitalized but later released.

**NOTES --- COMMENTS**  
Not everyone who plans a life can live it.

\*\*\*\*  
In case you haven't realized it, 1983 is moving along.

\*\*\*\*  
Wise persons keep their reputations by keeping their tongues at rest.

## FELONY...

(From page 7)

McFarlin said he suspects that quite a number of penitentiary inmates are getting paroles earlier than they would normally have to make room for admission of new prisoners.

\*\*\*\*  
Never induce a person to make a promise you know will not be kept.

Because from top to bottom in the state, prisons and jails are overflowing--or filled to the capacity permitted by astringent federal regulations--he expects there will be more and more probated sentences and out-of-jail work and rehabilitation programs.

Meanwhile, as citizens become more aware of the effects of the new law, "I think most taxpayers will be willing to come up with a little bit more money," to expand the capacity of the state penal facilities," McFarlin said.

McFarlin knows that in just a little over two weeks, Hansford County will start feeling the brunt of the new law. With the jail full this past week under the old law, he knows there will be problems. Yet he remains optimistic.

"I have visited with the county judge and the county commissioners. They all realize we're facing a problem. But they're also ready to work together to meet this problem.

"It'll be a problem all right--there won't be easy solution--but I feel real good about our ability to work together and handle it."

City or Special District: CITY OF SPEARMAN

### NOTICE OF CALCULATION OF EFFECTIVE TAX RATE AND PUBLICATION OF ESTIMATED UNENCUMBERED FUND BALANCES

I, ALICE PERRY TAX ASSESSOR COLLECTOR for CITY OF SPEARMAN  
In accordance with the provisions of Sec. 26.04, Property Tax Code, have calculated the tax rate which may not be exceeded by more than three percent by the governing body of the CITY OF SPEARMAN without holding a public hearing as required by the code. That rate is as follows: \$ .748 per \$100 of value.  
The estimated unencumbered fund balance for Maintenance & Operation fund: \$ 4,000. The estimated unencumbered fund balance for Interest & Sinking fund: \$ -0-.

Alice Perry  
JULY 26, 1983

#### CALCULATIONS USED TO DETERMINE EFFECTIVE TAX RATE

I. DATA	
1. 1982 Total tax levy from the 1982 tax roll	\$ 352,805
2. 1982 Tax rate (\$ .267 M&O and \$ .157 I&S)	\$ 72 /\$100
3. 1982 Debt service (I&S) levy	\$ 78,763
4. 1982 Maintenance and operation (M&O) levy	\$ 274,042
5. 1982 M&O taxes on property in territory that has ceased to be a part of the unit in 1983	\$ -0-
6. 1982 M&O taxes on property becoming exempt in 1983	\$ 328
7. 1982 M&O taxes on taxable value lost because property is appraised at less than market value in 1983	\$ -0-
8. 1983 Total taxable value of all property	\$ 49,324,670
9. 1983 Taxable value of new improvements added since Jan. 1, 1982	\$ 2,589,990
10. 1983 Taxable value of property annexed since Jan. 1, 1982	\$ -0-
11. 1983 Tax levy needed to satisfy debt service (I&S)	\$ 80,300
12. Rate to raise 1982 tax levy due to appraisal roll errors (rate that should have been less rate that was levied) (\$ <u>-0-</u> / \$100 - \$ <u>-0-</u> / \$100)	\$ -0- / \$100
13. Rate to recoup taxes lost in 1982 due to appraisal roll errors (lost dollars divided by 1983 taxable values) (\$ <u>-0-</u> / \$ <u>-0-</u> )	\$ -0- / \$100

\* Steps necessary for appraisal roll errors (if more than 1% of total appraisal roll), effective for taxing units on June 17, 1983.

#### II. CALCULATION

##### MAINTENANCE AND OPERATION (M&O) TAX RATE

1. (A) 1982 Total tax levy (Data 1)	\$ 352,805
(B) Subtract 1982 Debt service levy (Data 3)	\$ -78,763
(C) Subtract 1982 Taxes on property no longer in unit (Data 5)	\$ -0-
(D) Subtract 1982 Taxes for exemptions (Data 6)	\$ -358
(E) Subtract 1982 Taxes for productivity valuation (Data 7)	\$ -0-
(F) Adjusted 1982 M&O levy	\$ 273,684
2. (A) 1983 Total taxable value of all property (Data 8)	\$ 49,324,670
(B) Subtract 1983 Value of new improvements (Data 9)	\$ -2,589,990
(C) Subtract 1983 Value of annexed property (Data 10)	\$ -0-
(D) Adjusted 1983 Taxable value for M&O	\$ 46,734,670
3. (A) Divide the adjusted 1982 M&O levy (1-F above) by the adjusted 1983 taxable value for M&O (2-D above) (\$ <u>273,684</u> / \$ <u>46,734,670</u> )	\$ .005856
(B) Multiply by \$100 valuation	\$ 100
(C) Calculated maintenance and operation (M&O) rate for 1983	\$ .5856 / \$100

##### INTEREST AND SINKING (I&S) TAX RATE

4. (A) 1983 I&S levy needed to satisfy debt (Data 11)	\$ 80,300
(B) 1983 Total taxable value of all property (Data 8)	\$ 49,324,670
(C) Divide the 1983 I&S levy (4-A above) by the 1983 total taxable value (4-B above) (\$ <u>80,300</u> / \$ <u>49,324,670</u> )	\$ .001627
(D) Multiply by \$100 valuation	\$ 100
(E) Calculated interest and sinking rate (I&S) for 1983	\$ .1627 / \$100

# Bank withholding law repealed

AMARILLO -- Local and area banks will not withhold 10 percent of their customers' interest and dividend payments now that the withholding tax law has been repealed. President Ronald Reagan signed into law legislation repealing incoming tax withholding on interest and dividends late last week.

Reagan had opposed the legislation and at one time threatened to veto it. That probably would have been futile, though, as the measure passed both the House and Senate by margins wide enough to override a veto, after a massive lobbying campaign by the banking industry.

About six weeks ago, Jack Hightower's office reported he had received 13,500 letters from his constituents in the 13th Congressional District

concerning the tax withholding law.

The law would have required banks and other financial institutions to withhold 10 percent of interest and dividend payments to promote taxpayer compliance and speed tax collection.

Sharon Brown of the First National Bank of Amarillo is a member of the American Bankers Association Marketing Committee which was instrumental in organizing bank customers for a letter-writing campaign to their legislators.

"Part of the reason for the campaign was to inform the public and let them know about the tax," Brown said. "We also wanted to give them the opportunity to respond to their legislators."

"We didn't expect the response to get the bill repealed," Brown said. "I think it is important for the public to understand that if they will speak out, their representatives in Washington will listen."

## Invitation to Artists

You are invited to participate in the ART SHOW & SALE on September 8, 9 and 10 at First National Bank in Perryton.

Amateur and professional artists within a 100 mile radius of Perryton can show their work (limit 2 pieces of art) at the bank. Any medium is acceptable. Art pieces should be framed and suitable for hanging.

Artists may select their subject, as no particular theme is designated.

Contact First National Bank in Perryton at 435-3676. Call for Juanita Brillhart.

# Payment - in - kind Program, USDA

WASHINGTON--The U.S. Department of Agriculture today issued procedures to assure normal marketing practices are not disrupted for farmers who participate in USDA's payment-in-kind program. Previously, USDA could require that some farmers either pledge their 1983 production as collateral for a price support loan and then immediately redeem the loan col-

## Old photographs

Interest in preserving and restoring historic buildings has reached every corner of Texas. However, it is still difficult for people who care

about Texas' heritage to find photographic documentation on buildings because material is scattered over the state. But now the largest collection of interior photographs of Texas homes and public buildings to date is being compiled. Already more than 200 views have been

located and more are being sought both in public and in private photographic collections. Area residents have a chance to use their old photographs to help this effort.

This project, "Images of Victorian Texas: 1860-1920," which has the support of many preservationist groups throughout the state, aims to

locate photographs of the interiors of Texas buildings, especially houses, taken before 1920. These interior views show what kinds of furniture, draperies, carpets and accessories were in use at a point in time in a specific place. They document characteristic room arrangements, seasonal

changes, special efforts to accommodate the climate as well as ethnic and regional variations in interiors. Such a comprehensive survey of photographs of Texas interiors will enrich preservation and restoration efforts.

As many people know, interior photographs are rare when

compared with the number of surviving portrait photographs and exterior building views. Some interior photos survive in library and archival collections but many interior views are in individual collections and in family photograph albums. Dr. Cynthia Brandimarte, director of the project,

is eager to hear from individuals or institutions that have interior photographs taken between 1860 and 1920. She wants to make sure that interiors from all areas of Texas and interiors of all groups of people are well-represented in the publication produced from this research. If you have, or know someone who has, such photographs, please write to Dr. Cynthia Brandimarte, Images of Victorian Texas: 1860-1920, 1010 Winstead Lane, Austin, Texas 78703 or call (512) 472-1833.

eral and sell it to USDA's Commodity Credit Corporation for PIK purposes, or redeem earlier crop year loan collateral and sell it to CCC to fulfill the needs of the PIK program. In either case, the action would have been required before Jan. 1.

According to CCC Executive Vice President Everett Rank, many farmers normally do not repay CCC loans in the same year the loans were obtained nor would some farmers normally repay a 1982 or earlier crop year loan this year. Rank said for these reasons, CCC will allow producers who would have been required to obtain or liquidate a loan for PIK purposes this year to extend both the date for doing so and their PIK availability date to Jan. 16.

Rank said this action covers only farmers who have PIK availability dates that begin Aug. 1 or earlier and who request the extension. CCC storage payments on PIK commodities will end about five months after the PIK availability date for farmers who request the extension, he said. Producers should request extensions at their county offices of USDA's Agricultural Stabilization and Conservation Service before the end of the PIK availability period, Rank said.

## Cash flow important in wheat insurance decision

Reducing production risk is a management concern of wheat producers. Crop insurance is one means available to reduce that risk, note economists with the Texas Agricultural Extension Service. It offers the farmer protection when risks of weather and nature bring production declines.

One way of thinking through the crop insurance decision is to look at the expected cash flows per planted acre of wheat for the 1984 crop, explained Dr. James Ahrenholz, Extension management economist at Texas A&M University, College Station.

"Suppose the producer expects a yield of 20 bushels and a harvest price of \$3.50 a bushel. This would bring expected cash receipts of \$70 an acre," he said.

The expected cash operating expenses for this producer might be \$40 an acre, the economist noted. These are the preharvest expenses, including seed, fertilizer and fuel, and the harvest expenses.

Other cash obligations against this wheat crop might be debt service on land or machinery and possibly some portion of the family living expenses, he said. "Most often, these aren't thought of in a per acre manner, but they are cash outlays that cannot be ignored," Ahrenholz said.

"For example, let's say they amount to \$20 an acre. This leaves a \$10 net cash flow per acre. This isn't calculated as a profit, but as a \$10 expected positive net cash flow."

This doesn't include a premium cost of crop insurance. Therefore, if the crop production and price expectations were met, and this wheat producer had carried crop insurance, his net cash flow would be less than \$10 by cost of insurance, the economist explained.

"One of the primary considerations of the wheat produ-

cer's choice to insure is the financial ability of his operation to withstand a crop loss," Ahrenholz said. What, the producer must ask, are the financial consequences to his business of a lower than expected crop yield?

This producer might ask what would happen if his yield across the entire farm unit was lowered to 10 bushels. Keeping the expecting price the same, this would provide \$35 an acre cash receipts, less about \$60 an acre for expenses and obligations, or a negative \$25 cash flow an acre, without crop insurance.

"A question this producer must face is whether his business is in a financial position to withstand this situation," the Extension economist stressed.

The Federal or Multiple Peril Crop Insurance program offers three levels of coverage and three price election options to the wheat producer. Coverage levels are 50, 65, or 75 percent of the area yield or the individual yield coverage established for the insurance unit. Price selections for the 1984 wheat crop are \$2.50 or \$4 a bushel.

"Using the yield established for his insurance unit and the premiums established for the level of coverage and price election combination, the wheat producer can now examine the net cash flow results of various harvested yields with insurance. This requires some calculating, but a part of risk management is understanding the consequences to business of crop losses with or without crop insurance," Ahrenholz said.

"The crop insurance decision is unique for each wheat producer, depending to a great extent upon the financial ability of that producer to withstand a crop loss."

Ahrenholz noted that Aug. 31 is the sales closing date for the Federal or Multi-Peril wheat insurance in Texas.

# 1984 Wheat Program Announced

WASHINGTON--Deputy Secretary of Agriculture Richard Lyng today announced provisions of the 1984 wheat program and set the sign-up period from Jan. 16 through Feb. 24.

Lyng said because Congress took no legislative action on a proposed freeze in the wheat target price before its summer adjournment, he is now putting into effect provisional measures previously announced on July 29. The U.S. Department of Agriculture is required by law to announce the wheat program for the following year no later than Aug. 15.

The 1984 wheat program includes:  
--A \$4.45 per bushel target price.  
--A \$3.30 per bushel national average loan rate.

--An acreage reduction requirement of 30 percent.

--No advance deficiency payments.

--To be eligible for program benefits, producers must limit 1984 wheat planted acreage to no more than 70 percent of the farm's wheat base and devote to conservation use an acreage of eligible cropland equal

to 42.86 percent of the 1984 planted and payment-in-kind (PIK) acreage.

--The 1984 acreage base will be the average of the acreage planted and considered planted to wheat in 1982 and 1983.

--Farmers participating in the acreage reduction program may divert an additional 10 to 20 percent of their wheat base and receive payment-in-kind equal to 75 percent of the established yield times the acres diverted.

--PIK program participants will not receive wheat from Commodity Credit Corporation stocks. Producers signing up in the PIK program will agree first to use their outstanding reserve or regular CCC price support loans. Producers with no outstanding loans agree to harvest for PIK. Those producers with no outstanding loans and who are unable to harvest for PIK will not receive a PIK payment.

--Land designated for conservation use must have been devoted to row crops or small grains in two of the last three years except for a summer fallow farm. Under summer

fallow rules the land must be acreage that would have been planted to small grains or row crops in 1984 in the absence of the 1984 wheat program.

--Haying will not be permitted on the conservation use acreage. However, the acreage may be grazed except during the six principal growing months.

--Offsetting and cross compliance will not apply to the 1984 program.

--There will be no immediate entry into the farmer owned reserve for the 1984 crop of wheat. Further, USDA intends to review the size of the reserve before regular price support loans for the 1984 crop reach maturity. A ceiling may be placed on the size of the wheat reserve at that time which will effectively preclude entry of the 1984 crop into the reserve.

--Contracts signed by program participants for either the acreage reduction or PIK program will be considered as binding and will provide for liquidated damages for failure to comply with program requirements.

## August 31 deadline for crop insurance

AMARILLO, TX--August 31 is the last day to apply for crop insurance for BARLEY AND WHEAT in HANSFORD County, TEXAS, according to GENE HAMILTON, Director for the Federal Crop Insurance Corporation (FCIC).

Crop Insurance covers unavoidable loss of production from damage caused by adverse weather conditions, insects, plant diseases, wildlife, earthquake or fire. "Insurance begins when the crop is planted," HAMILTON says.

Producers may choose from three coverage levels: 50-, 65-, or 75-percent of the established farm yield for

insurance protection. "Three optional price elections for valuing production lost or damaged also are available," HAMILTON says.

Producers of wheat, barley, and oats who can qualify for a new Individual Yield Coverage (IYC) plan are offered higher yield guarantees at no additional cost. For information about eligibility under the IYC plan, producers should contact an authorized crop insurance agent well in advance of the AUGUST 31 deadline.

To select an agent, producers should check the list of agents available at their county county ASCS office.

You might as well laugh at yourself at times --everyone else does.

## Laws effect motor vehicles

### OF INTEREST TO THE PUBLIC

Several new bills were made "law" in the last regular session of the Texas Legislature. Helen Dry, County Tax Assessor-Collector, says many of these laws affect the registration and titling of motor vehicles.

Effective August 29, 1983, the temporary 72-Hour Permit will increase from \$10.00 to \$25.00. A 144-Hour Permit will be available at a fee of \$50.00.

Effective September 1, 1983, the following laws will be in effect:

1. A 5% penalty will be assessed if the Motor Vehicle Sales and Use Tax is not paid within 20 working days of purchase. Another 5% penalty, making a total of 10%, will be assessed if the tax has not been paid within 30 calendar days after its due date. The penalty is based on the amount of tax due.
2. A "moped" or "motor-assisted bicycle" must be licensed and titled. An individual owning a moped on September 1, 1983 must have a title in his name before selling the vehicle.
3. A five (5) day grace period is allowed, without the 20% penalty, on vehicles with expired registration.
4. The registration fee for motorcycles (and mopeds) will be increased from \$5.30 to \$6.05.
5. Duplicate License Receipts will increase from \$1.00 to \$2.00.
6. A Certified Copy of a "lost" title will be \$2.00 instead of 25 cents.
7. The title fee on a motor vehicle will increase from \$3.00 to \$10.00.
8. Transfer License Receipts will increase from 50 cents to \$2.50.
9. Delinquent Transfer Penalty will increase from \$5.00 to \$10.00.

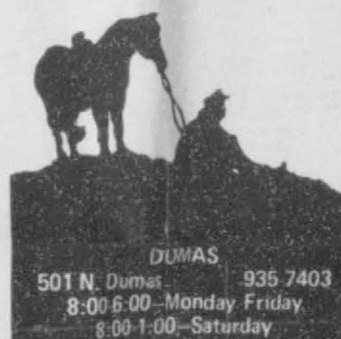

### REFLECTIONS OF YOU

On August 9 in Canyon, seven Hansford County 4-H'ers participated in the District I Fashion Show. Reflections of you was this year's theme. Each contestant came away with flying colors. Hansford County was well represented, all seven brought home a blue ribbon. Four of the 4-H'ers also made it in the top four of their category.

These were the 4-H'ers participating and the division entered. Bonnie Jarvis, daughter of Mr. & Mrs. Britt Jarvis, Junior Daytime - Non-Tailored, top four; Eva Babbs, daughter of Mr. & Mrs. Mike Babbs, Junior Active Sportswear, top four; Davonna Cator, daughter of Mr. & Mrs. Bill Cator, Intermediate Daytime Non Tailored; Carol Poole, daughter of Mr. & Mrs. Lloyd Poole, Intermediate Daytime Tailored; Kathy Poole, daughter of Mr. & Mrs. Lloyd Poole, Intermediate Active Sportswear; Alicia Thomas, daughter of Mrs. Shari Thomas, Intermediate Evening-Specialty wear, top four; Anne Marie Jarvis, daughter of Mr. & Mrs. Britt Jarvis, Senior Daytime Non Tailored, top four.

Over two hundred area 4-H'ers participated in this program which strives to develop leadership and build self confidence. The program also tries to develop knowledge of the fashion industry and career opportunities in this field. Area home economists were the judges. Penny Ralston represented Hansford County.

Other award categories were Best Model, Best Wool, and Best Cotton. The top four winners in the Senior category will continue on to the State Show to be held in San Antonio on September 15 and 16.

## Funk & Wagnalls New Encyclopedia 1983 EDITION Volume 1 only 9¢ With \$5 purchase

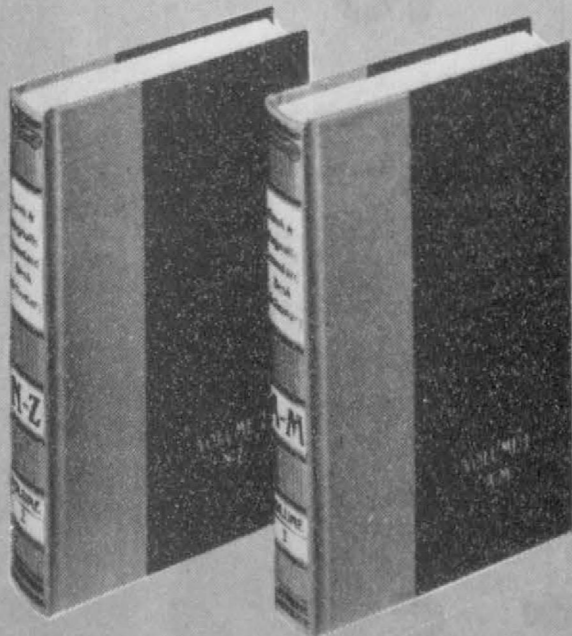

### Volumes 2-29 only \$3.99 each

If you've been wanting a good encyclopedia, but figured you would have to spend hundreds of dollars for it, we've got a surprise for you...Funk & Wagnalls New Encyclopedia.

This week we're offering Volume 1 at the incredibly low price of 9¢! Which is our way of introducing you to an encyclopedia that contains over 9,000,000 words in 25,000 articles; more than 7,500 illustrations, many of them in full color. In addition, you'll find over 300 maps, plus up-to-date census revisions for U.S. and Canada and other nations.

You can complete your set as you shop each week. In no time at all, you'll have what you've always wanted: an encyclopedia set that contains a wealth of information. But hasn't cost a fortune.

## FREE 2-Volume Matching DICTIONARY

Get Funk & Wagnalls 2-volume Standard Desk Dictionary FREE when you purchase Vols. 2 and 3 of the Encyclopedia.

We're trying to keep the cost of a good education down.
