Lynx Hook Hooker -- Beaver Next!

HOOKER — It was a night for firsts as Spearman won their first game of the season and Hooker lost theirs. The Lynx won in Hooker, 34-20, but the victory didn't come as easily as the score makes it seem.

The first half was uneventful until after the two minute warning. The Lynx had started on their own 17 and put together the only sustained drive of the half. It was capped with 1:27 left on the clock when quarterback Brett Davis slipped over the goal from two yards out. He then passed to tailback Monte Morris for a two point conversion and a lead of 8-0.

The Spearman touchdown seemed to fire up the Bulldogs as they took the ball from good field position on their 39 and moved quickly downfield on a series of pass plays orchestrated by quarterback David Gibler. With 23 seconds left a toss from Gibler to halfback Kevin Wright got the Bulldogs on the board with six points. A run for two points failed and the half ended with Spearman having an 8-6 edge.

Spearman lengthened their lead in the third quarter when a Davis pass bounced off halfback Michael Lopez and into the arms of end Carl Urban for a touchdown. Davis then rushed in for two more points, giving the Lynx a 16-6 lead.

Early in the fourth period Monte Morris hit pay dirt from five yards out. The PAT failed but Spearman had a comfortable 22-6 advantage.

Less than a minute later, the Bulldogs had cut the lead with a touchdown pass from Gibler to Wright which was good for 13 yards. A run for two extra points failed and the score held at 22-12.

On Spearman's next possession, a fumble gave Hooker the ball on the Bulldog 36 and they quickly marched it back for another touchdown with 5:02 left in the game. It was Gibler to Wright again on a 15 yard pass play. Wright then swept the right end for a two point conversion

which brought the Bulldogs within two points of the Lynx, 20-22.

A big pass play by the Lynx proved to be the turning point of the game. On third down with about 13 yards to go from the Lynx 35 yard line, Davis tossed a long pass to Urban which carried Spearman down to the Bulldog 14. A few plays later, Davis scored on a one yard dive. A two point conversion attempt failed but Spearman and stretched their lead to 28-20 with just 1:12 left to play.

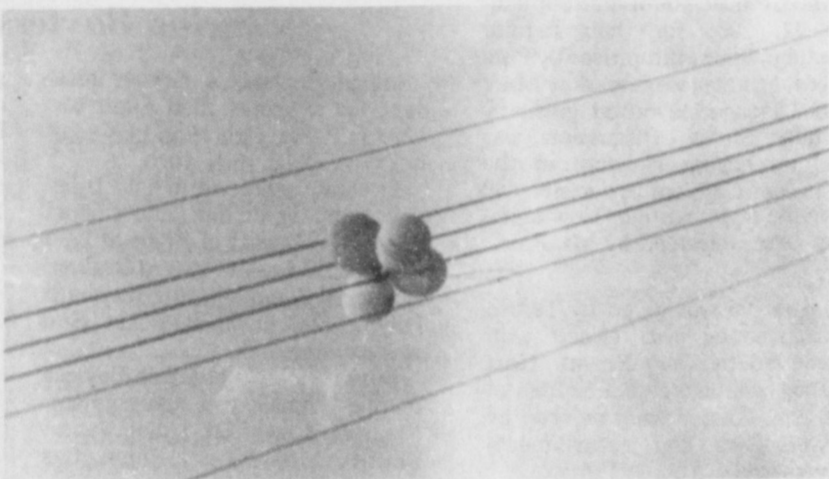

Hooker took the kickoff and started to move again but Monte Morris picked off a Hooker pass and ran it back 45 yards for a touchdown. The extra point kick failed but with just 30 seconds left, the game was out of Hooker's reach.

Lynx Homecoming

Shelley Dunnihoo was picked as Queen for the Homecoming festivities this week. The King is Monte Morris. Attendants are: Linda Evans, Senior; Anne Marie Jarvis, Junior; Kathy Pool, Sophomore; and Margie Evans, Freshman.

The King and Queen will be crowned at pre-game ceremonies Friday night, 7:30 p.m. at Lynx Stadium, where the Lynx will meet the Beaver Dusters at 8 P.M.

Message from Rangers

HELLO SPEARMAN! These balloons drifted into Spearman from Perryton during the high winds Sunday afternoon...probably from the Perryton homecoming celebration.

Spearman-Hooker action

Spearman's quarterback Brett Davis hands off to tailback Monte Morris. The lightweight Morris carried the ball an incredible 41 times and picked up 166 yards while scoring 14 points for the Lynx.

Morris, who weighs only 145 pounds carried the ball 41 times. He took some hard hits but never stopped going. He accounted for 166 of Spearman's 222 yards.

Besides completing some key passes for Spearman, Brett Davis carried 14 times for 53 yards.

For Hooker, Kenny Behne picked up 37 yards on six carries and made two fine returns of a punt and a kickoff while Kevin Wright made several fine pass receptions and scored all of Hooker's points.

Sunday storm damages crops, cars, homes!

A heavy rain and hail storm struck Sunday about 5:30 p.m. in Gruver with water flooding streets, breaking out windows and hailing out feed crops about 1 1/2 miles east of Gruver and also west of Gruver.

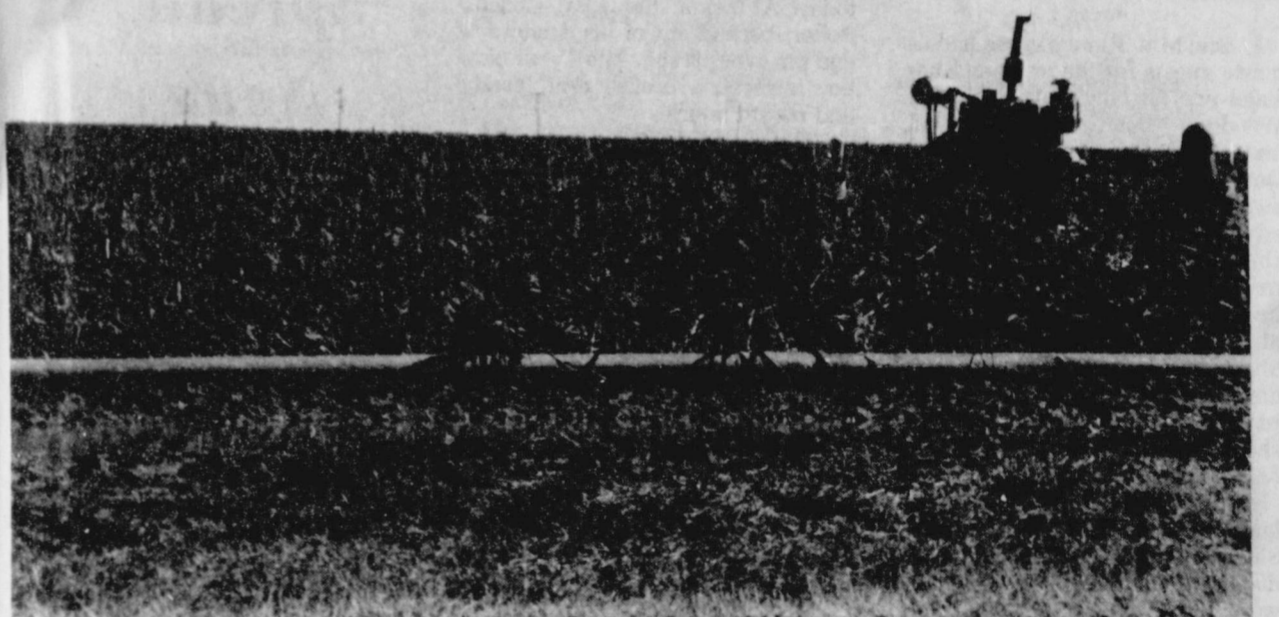

The same storm with hail and winds up to 35 mph hit Spearman about 30 minutes later, where cars, trees and homes suffered minor damages. The hail lasted for about 15 to 20 minutes and then moved on.

The National Weather Service also reported heavy thunderstorms Sunday in Southern Ochiltree and Lipscomb Counties.

This horse trailer was blown into the crazy corner intersection during the storm Sunday afternoon. A wrecker hooks onto the trailer to remove it.

"Horsin' Around"

"Hail on Milo"

This milo crop was hailed out. It is located next to the Ned Turner farm between Spearman and Gruver.

"Busted Windshield"

This broken windshield was a grim reminder of the Sunday hailstorm at old Hansford. This pickup belongs to Bill Hutton. He also lost the windshield out of his car.

Annual Sale for blind

James Cunningham announced today that the Spearman Lions Club will be conducting its annual Blind Made Broom and Mop Sale on October 3, 1985. In addition to providing jobs for the blind who make all of the products, proceeds

will be used to fund local projects. The Lighthouse for the Blind truck will be located at the Post Office, where you may make your purchases directly, or contact James Cunningham at 659-3549 to have your order delivered.

Among The Neighbors

The Woodrow Gibners have been unable to get any information from Mexico City since the earthquake concerning friends who live there. Tito and Frances Ramirez lived here about 30 years ago and were with the Hughes Tool Co. They have visited here several times and the Gibners have visited them in Mexico City.

James Lair was relieved to learn that his brother and wife, Mr. and Mrs. M. W. Lair of Canyon, had returned safely from Mexico City after the earthquake. They had gone with friends to view the Folk Ballet, staged annually by various tribes of Mexico. Mr. and Mrs. James Lair had attended the ballet in a previous year, and this summer had toured Ireland, Scotland, and London, but had experienced nothing as drastic as an earthquake.

Mrs. Mary Alice Gibner took daughter, Lea Ann, to Amarillo Sunday to emplane for Austin. Lea Ann had participated in the Hagerman-Huber wedding. She is a Junior at Texas University, and is an English Major.

Ray Miller and a T.V. crew from Channel 11, Houston was at the J. B. Buchanan farm Saturday. They were filming a documentary about the windmills. It will be viewed on the "Eyes of Texas" program.

Mrs. Mae Lynn Schubert attended her 1937 class re-union in Perryton last Friday and Saturday. Mae Lynn quips that she was feeling ancient when she went, but after seeing the condition of some other classmates, she left feeling like a schoolgirl!!!

Mr. and Mrs. Bernard Byers returned from Grand Junction, Colorado, where they had visited in the home of her son, Mr. and Mrs. Jerry Black. Jerry is still with the Northern Natural Gas Company.

Soon after the Byers' return, she was called to Quitman, Texas to assist in the care of her daughter, Nedra Gray. Nedra had recently undergone surgery. Mrs. Byers enjoyed her three year old grandson, and seven year old granddaughter.

Mr. and Mrs. Blant McGee had as house guests for the week-end her sister and husband, Mr. and Mrs. Woodrow Thompson of Houston, and also her mother, Mrs. Mary Davis of Hollis, Oklahoma. However, the week-end was not devoted entirely to visiting and fellowship. Mr. Thompson has a macrame business in Houston and brought some of his craftwork for his booth at the Arts and Craft Show here on Saturday and Sunday. He was well pleased with the results and said that the Spearman show is one of the better shows that he attends.

Not to be out-done by her son-in-law was 86 year old Mrs. Davis. She also had a booth where she displayed and sold her own handiwork. She, too, felt that her booth was quite successful.

Mr. and Mrs. Bill Partridge of Amarillo, former residents of Spearman, were in Spearman for the week-end in the home of her parents, Mr. and Mrs. Slim Cates. Four of their children, Melanie, Eric, Eschelle and Justin accom-

panied them. Other guests in the Cates home were her sister and husband, Mr. and Mrs. Charles Pruitt of Lufkin, Texas.

Bill and Lemmie Russell are happy to have visitors this week. Their granddaughters arrived Monday for several days visit with the Russells and other relatives. Mrs. Nancy Wilmeth McGee lives in Plano and Mrs. Jan Wilmeth Viglini is from Texas City.

Among the Spearman residents who have relatives in Mexico City during the earthquake are the Roy Garcia's who farm east of town. He was unable to contact a friend who lives north of Mexico City who flew there and checked on the Garcias and found them safe.

The same man checked on Mike Madurana's family and was able to locate all the family except Mike's oldest son. This report came to Mike on Saturday and all during the week-end, they were very concerned. On Monday, Mike's daughter, who is a nurse drove to Sonorra where she could contact her brother and learn that he and his family were safe, tho there were many deaths and much destruction where he lived. Mike has lived in Spearman since 1962 and has been employed by Newell Allen.

Many in Spearman watched the ESPN channel Thursday night to see a local girl perform in the American Junior Quarter Horse Association National Finals. Andrea Archer, daughter of Mr. and Mrs. Bobby Archer was televised for the barrel racing in which she won 7th. She won the National Reserve Champion in the Poles and also the National Reserve Champion in the Stakes. Spearman is justifiably proud of Andrea and this record. She is enrolled at Texas A & M University at College Station and is happy to have Mary Ann Kenney as her roommate. Mary Ann is the daughter of Mr. and Mrs. Byron Kenney.

Roller boy injured

Coach Roller, local high school girl's basketball coach, is thankful that his four year old son is alive today. At 6 p.m. Saturday, Coach Roller, backed out of his driveway and ran over his son. The 4 year old boy received a broken arm, head and mouth injuries.

The entire community is so thankful that the young boy is out of danger at this time.

He will need some corrective surgery on his mouth and a little rest to get over the bruises and bumps he received.

Also injured over the weekend was June Day, who fell down several flights of stairs at the Coliseum in Amarillo. Extent of her injuries is not known.

HOSPITAL

Patients in Hansford Hospital are Gladys Gibson, Everett Sullins, Fred Chase, Jewel Renner, Michelle Sumner, Edith Roper, Viola Fickling, Viola Graves and Mamie Dry.

Dismissed were Rita Underwood, Cecilia Randall, Phill Martin, Joyce Noble, C. W. Perk, Leslie Goodson and Barbara Scroggs.

Hagerman-Huber vows read

Mrs. Mark Patrick Huber

Wedding vows were exchanged by Valerie Suzann Hagerman and Mark Patrick Huber in a ceremony read Saturday evening by Rev. Lane Boyd at the First United Methodist Church of Spearman.

The bride is the daughter of Lucille Hagerman and Verlin Hagerman, both of Spearman, and graduated in 1980 from Spearman High School. She attended West Texas State University and currently attends Amarillo College. She is employed as the practice manager for Acoma Pine Animal Clinic.

A 1980 graduate of Canyon High School, the bridegroom is the son of Mr. and Mrs. George Huber of Amarillo. He previously attended West Texas State University and currently attends Amarillo College. He is employed by the water department for the City of Ama-

rillo.

Three brass candelabras, including a central arch framed by two heart-shaped candelabras, were used for altar decor. Candles were lit by Clay and Courtney Smith of Amarillo. Seating guests were Steve Hagerman of Roscoe and Robert Hagerman of Houston, brother of the bride; Rex Reid of Spearman, brother-in-law of the bride; and Jim Kunselman of Plainview.

Guests were registered by De Netta Booth.

Pre-nuptial music was furnished by Miss Callie Gerald on the violin accompanied at the piano by her grandmother, Mrs. Tom Gerald. Eddie Martin, organist, played the traditional wedding music as the bride entered the church and as the couple left.

Soloist James Piece, Canyon, sang "The Wedding Song;" Laura Rogers, soloist sang "The Greatest of These is Love" and James & Laura sang a duet, "To Know Thou Art," and they were accompanied at the piano by Debbie Rogers.

Escorted and presented in marriage by her father, the bride wore a gown of white chantilly lace and organza with a Queen Anne neckline, accented by inlaid pearls. An overlay apron of chantilly lace accented the organza skirt which dropped to form four organza ruffles with a flowing cathedral train. Her bridal hat, accented with chantilly lace, held a bouffant trailing bow and wedding veil. Her bridal bouquet featured silk flowers in purple, red and pink colors.

Matron of honor was the bride's sister, Kathy Reid of Spearman, with other attendants including Rhonda Freeman of Amarillo, Barbara Parker of Cahoma, sister of the bridegroom, and Lea Ann Gibner of Austin. Junior Bridesmaid was Abby Steger of Spearman. They wore tea-length dresses of plum-colored satin and carried wedding fans accented with floral arrangements matching the bridal colors of purple, red and pink.

Best man was Brad Brooks of Amarillo and groomsmen included Jake Huber of Amarillo, the bridegroom's brother, Eric Rook of Amarillo and Larry Hagerman of Spearman, brother of the bride. Junior groomsmen was Joshua Kunselman of Plainview, nephew of the bride. They wore matching silver tuxedos.

Flower girls were Stephanie Hagerman of Roscoe, niece of the bride, and Jackie Parker of Cahoma, niece of the bridegroom. Ring bearer was the bride's nephew, Shawn Kunselman of Plainview.

The mother of the groom wore a teal street length dress and the mother of the bride wore a dark green street length dress, with white silk rose corsages.

Distributing rice bags were Brandy Hagerman of Houston, niece of the bride, and Tiffany Huber of Amarillo, niece of the bridegroom.

The newlyweds will be establishing their residence in Amarillo.

At the reception immediately following the ceremony, the three tiered wedding cake accented with

white columns and lighted water fountain and topped with large white doves, and the groom's cake were made and decorated by the mother of the groom. Servers for the reception were Mrs. Jim Kunselman, sister of the bride, Mrs. Leon Hagerman, sister-in-law of the bride; Claudene Gorham, Amarillo; Melody Bell, Amarillo; and De Netta Booth, Gruver.

Out of town guests attending the wedding were Mrs. Ellen Hagerman, Weatherford, Okla.; Mr. and Mrs. Charles Hagerman and Vicky Harold of Sweetwater, Okla.; Mr. and Mrs. George Caudell and Mr. and Mrs. Jim Pierce of Guymon, Okla.; B. J. Milward, San Antonio, Tx.; Charles Heck, Sunray; Mr. and Mrs. Bill Bauman, Dr. and Mrs. Earl Smith, Dr. and Mrs. Tom Gerald III, Mr. and Mrs. Donnie Mason and girls, Mr. and Mrs. Richard D. Mason, Mr. and Mrs. Archie Burgess, Mr. and Mrs. Melton McCurry, Lori Boyett and Candice, and Harold Peterman, all of Amarillo. Leon Hagerman and Tanner of Plainview; Stan TeBeest of Gruver; and Mr. and Mrs. Daniel Ellis, Midland, Tx.

Rogers proud of new son

Rev. and Mrs. Steve (Debi) Rogers praise the Lord for the arrival of their son, Reid Eugene born September 17th in Amarillo, Tx. At birth he weighed 9 lbs. 13 1/2 oz. and was 23 inches long. He joins his 20 month old sister, Rachel Marie at home.

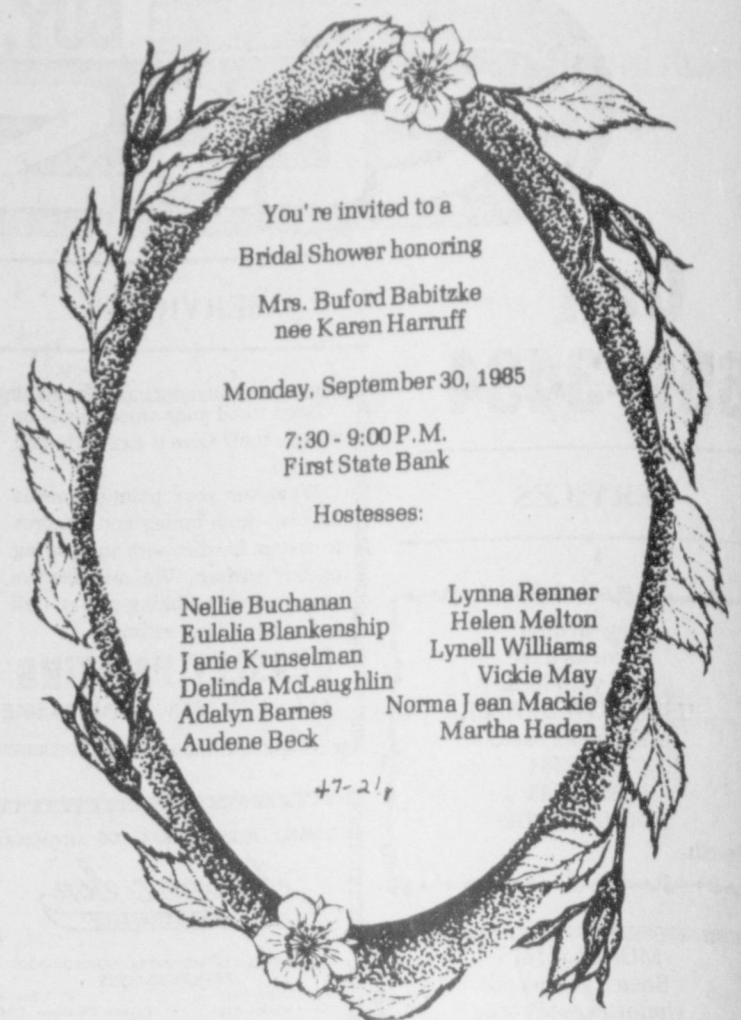

Grandparents are Mr. and Mrs. C. E. Rogers of Lubbock, Tx. and Mr. and Mrs. James Greenwood, Erie, Kansas.

Great-grandparents are Mr. and Mrs. H. O. McAdams of Hamlin, Tx.

Dahlia Flower Club met

The Dahlia Flower Club met Sept. 23rd with Margaret Shedeck, in her home. The meeting was called to order by President Nelle Evans with the pledge to the flag. Minutes of the previous meeting were read by Secretary, Sada Hoskins, and the Treasurer's report by Nellie Allbrecht. One new member Ethel Byers was welcomed into the club.

Roll call was answered with "A Plant I Enjoy in Winter."

The Program was presented by Myrna Biggers. She read "The Last Egg" by Esther Peterson.

The meeting was adjourned and flowers were judged. Louise Archer won first in the arrangements with a bouquet of purple Perennials and Margaret Shedeck first with her specimen of The Naked Lady Lily. Refreshments of carrot cake and

coffee were served by the hostess to one guest, Dolly McWhirter, one new member, Ethel Byers, and to other members: Ruth Mary Whitson, Jewel Turner, Ora Sanders, Hollie Riley, Sada Hoskins, Karen Babitzke, Nelle Evans, Mabel Edwards, Marjorie Curtis, Deta Blodgett, Sammie Bishop, Louise Archer, Myrna Biggers and Nellie Allbrecht.

Next meeting of the Club will be in the Hospitality Room at B & B Industries on October 7th; Deta Blodgett, Chairman of the Social Committee is hostess.

VILLA INN
AMARILLO, TEXAS

When hungry kids rush home from school, they'll head straight for the chips, soft drinks and sugared treats unless some nutritious snacks are ready.

The key to getting youngsters to snack wisely is having the right snacks on hand. Having nutritious foods handy for youngsters may be especially important to working parents who are not at home to supervise after school snacking.

Have the following on hand as quick, nutritious after-school snacks:

- Fresh fruits of any kind
- Fresh vegetable pieces, such as carrot or celery sticks.
- Unsweetened fruit juices.
- Wholegrain crackers or bread with cheese
- Nuts and Popcorn.
- Boiled eggs.
- Leftovers.

Parents can teach their children about nutrition and get some ideas and recipes for nutritious snacks and treats from "Be Super Snacker: Snackman Tells You How," and Extension publication especially for children.

The cattle industry pursues an "All out effort" to increase demand

Consumer publicity highlights for Nutri-Facts thus far include four stories run by Associated Press and released to hundreds of newspapers nationwide, stories in USA Today, the New York Times, US News and World Report, Business Week and the front page of the Detroit Free Press.

Television coverage included a segment on the Cable News Network carried by 89 stations, use of the video news release by 34 stations, and appearances by Meat Board staffer John Francis on "CBS Morning News" and "Good Morning America."

The Meat Nutri-Facts program was developed by the National Live Stock and Meat Board in conjunction with the American Meat Institute and the Food Marketing Institute. "This is the first time that I can ever remember the producers, packers, and retailers working side by side on a project that each one felt was in their best

interest," said John Huston, President of the National Live Stock and Meat Board.

E. J. Husky of Fleming Foods (one of the largest wholesale food distributors in the U.S.) in conference with the Beef Industry Council said, "This is the best thing the beef industry's done in years!"

Exactly what is Nutri-Facts... nutrition information for 31 specific retail cuts of meat, stickers indicating less than 200 calories or 250 calories per serving, recipes, lots of focus and features, and brightly-colored bar graph used to communicate the low calorie, low cholesterol nutrient profile of each on a three-ounce, cooked, trimmed serving of beef, pork, and lamb.

In conjunction with Nutri-Facts, the beef industry is in the midst of one of the largest promotional campaigns ever, which includes a new television commercial, "Beef. Good News for People Who Eat," combining Beethoven and 16 beef

meals in 22 seconds, new radio spots with the "Beef. Good News" theme, a print campaign, "Middle Management" (attached) in 9 magazines (Bon Appetit, Country Living, Feeling Great, Glamour, New Woman, Parents, Red Book, Self, and Newsweek.) Combined with Nutri-Facts and TV commercials to create a consumer awareness rarely seen by the beef industry. The circulation for nine magazines totals 15.9 million and the impressions for our target audience of women will total 36.9 million for all six insertions in each magazine during the 12-month period. Adding to this never-before-seen exposure for the beef industry is an effort by a total of 1689 supermarkets in Texas to display the Beef Industry Council's point-of-purchase materials encouraging the consumer to "Take it Along. It's Nutritious." This information is calculated to reach 75% of all Texas consumers. More than 26,000 retail outlets across the country will receive the promotion kits—which include case headers, rail banners, mobiles, and product use cards all trying to persuade those two out of every three consumers

who have no supper plans—to try beef tonight.

Cooperative promotions are also on the schedule this fall. Preliminary results about the Kingsford Charcoal Sunday newspaper supplement coupon that offered \$1 off on beef: so far 64,000 coupons have been redeemed. Significant increases in this number are expected. Kingsford Charcoal was joined by Royal Oak Plus charcoal who had a similar offer good toward \$1.50 off on a meat purchase. Joint promotions are proving to be quite a catchy concept. Minute Rice is offering a \$1.00 off beef coupon in a national insert in Sunday papers. Thomas' English Muffins offered similar coupons and Heinz and Velveeta offered \$2.50 worth of free beef this past month.

Keeping in mind that beef is the largest agricultural commodity in Texas as well as the fact that Texas is the largest beef producing state, Roy Wheeler, cattleman from Texas, said, "We still believe in old-fashioned capitalism. Thus we as cattlemen believe it is our responsibility to help ourselves. The 25 cent checkoff program is providing us the necessary funds to help

us reestablish beef as a part of every well-balanced diet."

Anne Anderson of the Beef Industry Council states that "We know our job with the consumer is just beginning—but we've recognized what we have to do, made our plans, and 'got going.' Beef's got a lot to offer Texans, and we're going to convince them."

For the beef industry, 1985 should go down in history, not because prices were low, but because the industry accepted the challenge of changing an eroding market for its product. Nutri-Facts... the consumer information campaign pioneering this change is establishing its place in supermarkets throughout Texas. "One of the advantages of this new program is the fact that the busy shopper can see at a glance the nutrients contained in a serving of the meats. Meat Nutri-Facts takes the principle of cost-per-serving and transforms it into nutrition-per-serving," explained Byrom Crain, director of merchandising for K roger's Dallas marketing area.

Safeway, H.E.B., Tom Thumb, and Affiliated assure us that Nutri-Facts is "on a front burner with us," and they will soon be using it in all their stores. Albertson's a large Texas chain, has taken a giant step in the right direction by instituting a four-page advertising with beef as the feature attraction. This is a sharp contrast to beef-less features just a short time ago.

Ag. Teacher.

From now until late December the days grow shorter.

We're now ready to see a few good football games.

KAYE MCFARLIN

TEXAS LAWMAN OF THE YEAR GREG MCFARLIN-MAX BANKS AWARD

The "Greg McFarlin-Max Banks" Award was instituted at the close of the 1985 Annual Conference to recognize an outstanding Law Enforcement Officer in the State of Texas for his outstanding work and significant accomplishment and/or service rendered which was above and beyond the call of duty during the previous year, beginning August 1, 1985.

The Award was established in memory of Greg McFarlin, son of President R.L. McFarlin, Jr., and Kaye McFarlin, who died at the age of 9½ years, due to an unfortunate accident. He was born August 16, 1962, in Dumas, Texas.

Greg had already discussed with his parents his desire to be a lawman. Needless to say, this boy's interest in law enforcement made his father extremely proud since law enforcement has always been his life.

Max Banks is owner of Baker and Taylor Drilling Company of Spearman, which is one of the largest oil companies in the State of Texas and is a very staunch supporter of law enforcement.

The Award is named for Mr. Banks because of a donation to the Sheriffs' Association of Texas for investigative work done by Sheriff McFarlin, President of our Association.

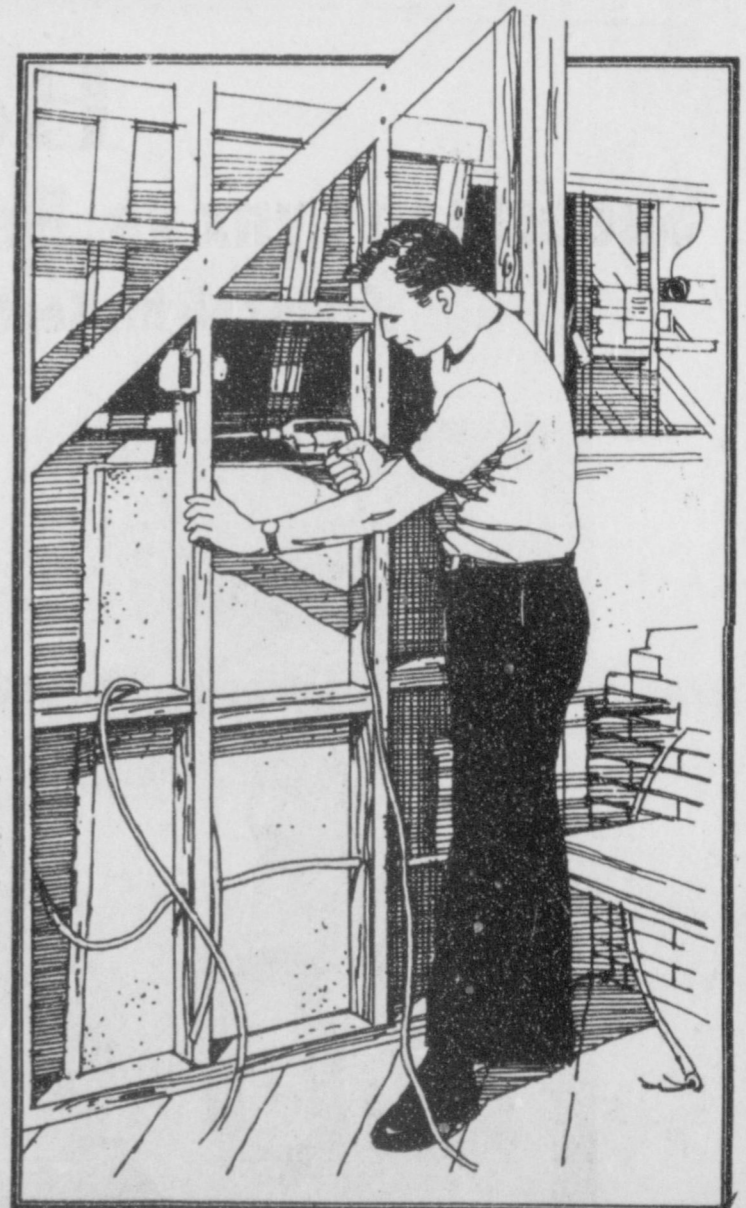

The Annual Award will include a Colt Python Pistol and a plaque which will be presented by the Association to the recipient each year at the Conference Banquet.

Saturday, September 28

Time: 10 a.m.-1 p.m.
2 p.m.-4 p.m.

The football homecoming king and queen will be crowned and attendants presented at the homecoming ceremony Friday, September 27, at 7:30 p.m. in the football stadium. The homecoming game against Beaver will begin at 8:00 p.m. Immediately after the game until 1:00 a.m. the cheerleaders are sponsoring a homecoming dance. All students, alumni of Spearman High School and their guests are invited to attend. Admission is \$3.00 for singles and \$5.00 for couples.

The cheerleaders are in need of someone who has a front end loader and a dump truck to help clean up after Thursday's bonfire. If you know where they may find these items, contact one of the cheerleaders or Gerri Maize at the high school, 659-2584.

Food, rest, mental peace and exercise are the four golden keys to old age. Why not take advantage of this advice?

Rotary News

The Spearman Rotary Club had an enjoyable program Monday, as Larry Trosper brought a film entitled Strategy for Peace Through Strength.

Last week the club learned something about the modern art of antique firearms from Mike Schnell who is a collector.

Guests last week at the Rotary meeting were Murphy Allen of Elk City, Bill Turner of Spearman and Billy Miller of Spearman.

Absentees last week included Pete Fisher and Mansel Bryan.

The Crime Watch program was discussed Monday, and block captains are still needed in Spearman. A special meeting of the crime watch group will be held in October. Also, the signs have arrived and Judge Albert Graves has a list of them if you wish to purchase some of them.

Spearman man barely escapes watery grave

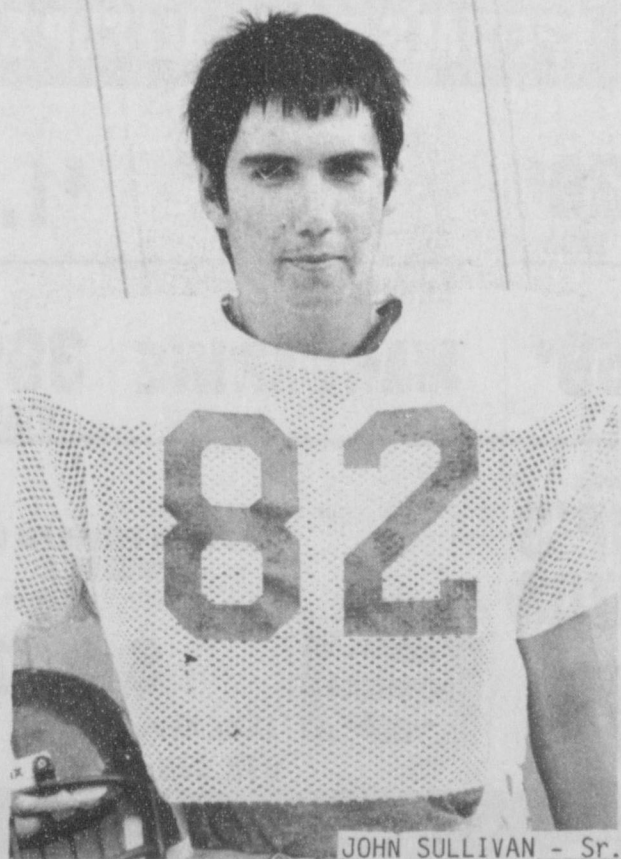

WEATHER BULLETIN-Cecil Biggers of Spearman was another one of the Spearman people who barely survived last weekend. Cecil was driving to Lubbock, and as he entered Plainview another car passed him splashing mud on his windshield where he could not see. He lost control of his Blazer and ended up in a deep ditch full of water. Like the "Keystone Cops" Cecil opened the door and immediately the car filled with water. He was not injured however and secured aid to pull his car from the deep water. At last report Cecil and car were both able to percolate. He did say, however, that the onrushing water did put out his cigar.

Equity shows \$3 million profit

The Perryton Equity Exchange celebrated their sixty-sixth year at their annual stockholders' meeting Thursday night. The cooperative posted profits of \$3,060,466 on sales of \$79,263,028. This represents a 10 per cent increase in sales of 1984.

Profits were down for the same period by nearly 19 per cent. Kenneth Allen, in his report to the stockholders, pointed out the considerable expenditures on the cooperative to modernize the facilities and computer capabilities of the company. The Equity Exchange spent nearly \$1 million on repairs and maintenance in the fiscal year ending March 31, 1985.

In other remarks Allen discussed the general poor situation of the world grain market. "Only one third of our domestic wheat is used in the United States, the remaining two thirds of the wheat must find an export market. There is intense competition in the world marketplace to sell wheat. Many other countries grow wheat and there has been a bumper crop worldwide. This has led to the present oversupply of wheat and the low prices for the produce, he said.

Paul Tucker, controller of the company, announced that the financial position of the coop was "strong and healthy." He also announced the following rebates to the members of the Equity; wheat, 9.8 cents per bushel, milo 13.75 cents per hundred weight, storage, 15.8 cents per one dollar, anhydrous ammonia \$8.80 per ton,

petroleum 6 cents per gallon, and merchandise 3 cents per dollar. Tucker also said that all 1985 stock will be redeemed this year, keeping with the Equity policy of not having any stock over twenty years outstanding. Both the rebate checks and the stock checks will be mailed by November 4, 1985, Tucker said.

In other business, the Equity elected new members of the board of directors. The recommendation of the Nominating Committee was followed for each position except Area 5. The Nominating Committee had proposed William E. "Bill" Miller from Perryton to fill the position. Two other nominations were received from the floor of the meeting, Terry Pattison from Perryton and Tom Snodgrass from Perryton. Snodgrass won the race on the first ballot. The directors elected were in addition to Snodgrass, Area 4 Wendel Peckenpaugh, Area 6 Banks McGarraugh, Area 15 Roger Odegaard, Area 16 John Trindle, Area 10 Richard Dorman, and Area 23 Kenneth Rose.

Ronald Reagan, President, on Soviet's hint of arms reduction:

"Now is the time for them to spell out their intentions; now is the time for both sides to move forward."

The key to happiness in life lies in unselfishness.

Before the homecoming game the cheerleaders will be selling purple and white balloons. These will be \$1.00 each. Profits will go toward uniform costs and the Athletic Banquet the cheerleaders host every spring. Support your cheerleaders and team by purchasing balloons, making a victory line for the team, and letting the balloons go at the beginning of our 1985 Homecoming Ceremony and game!

The 11th Annual Allsup's Road races were held over the weekend and attracted approximately 250 runners from across the Southwest. Cool, cloudy weather proved to be great racing conditions for competitors from as far away as Houston and Denver. Running enthusiasts of all ages competed in Allsup's one mile race, 10,000 meter event, and the half and full marathons.

Pointers For Parents

For Ear Infection See A Doctor Promptly

More children may suffer middle ear infections than ever before.

These infections, known as otitis media, are responsible for millions of office visits a year.

"Ear infections have become the most common medical diagnosis of childhood," reports Charles D. Bluestone, M.D., director of the Otitis Media Research Center in Pittsburgh, Penn.

Causes
In the young child, the anatomical construction of the tube leading from the ear to the back of the nose, and bacteria are thought to be responsible for most ear infections.

Physicians cannot change the anatomy, which nature improves as the child grows, but they can treat the infection with antibiotics.

Unfortunately many of the bacteria produce an enzyme called beta-lactamase that inactivates the antibiotics commonly used to treat ear infections as well as those of the sinuses, throat and remainder of the respiratory tract.

Dangers
Persistent fluid in the ear after an acute attack of otitis media is extremely common and potentially dangerous. Jerome O. Klein, M.D., professor of pediatrics at the Boston University School of Medicine, reports that 70 percent of children will still have fluid in their ears after two weeks of antimicrobial therapy, and that 40 percent will have it at one month, 20 percent at two months and 10 percent at three months.

Hearing impairment associated with this fluid can be a special problem for millions of children who have three or more ear infections each year.

Dr. Charles Bluestone examines a seven-year-old for signs of middle ear infection (otitis media).

They're off! Over 250 runners from across the Southwest competed in the 11th Annual Allsup's Road races on September 14th. The event, sponsored by Allsup's Convenience Stores, is held each year in Clovis, New Mexico.

Lions Club

Broom Sale

Editor B. Miller today praised the Lions Club for its efforts to help the blind citizens who manufacture the products of the Lighthouses for the Blind, and at the same time raise funds for local projects. The Spearman Lions Club will be conducting a community-wide sale of Blind Made Products on October 3, 1985. "There is a definite need for funds to further our local Lion's worthwhile projects" he stated, "and it is heartening to see the Lions devote their time and effort to raise these funds, and at the same time provide employment and dignity to our blind citizens who make all of the products that are being sold. We are cooperating to the fullest to help make this year's Broom and Mop Sale their biggest and best yet!"

Lion Cunningham, chairman of the drive, announced that this year's Blind Made Products Sale will be headquartered at Post Office, where you can make your purchases directly from the Caravan Truck, or to have your purchases delivered contact James Cunningham at 659-3549.

Beef promotion initiated by TDA and grocery stores

(AUSTIN)—Three of the state's largest retail grocery chains have joined with the Texas Department of Agriculture to launch a special promotion of Texas-grown beef, that began over the Labor Day weekend and continues through mid-October. "This Taste-of-Texas promotion is an extra effort by TDA's Marketing Division and the supermarkets to increase the sales of Texas beef," said TDA's Assistant Commissioner for Marketing and Agriculture Development Susan DeMarco. "There is a massive surplus of beef that has built up in Texas feedlots this year, causing cattle prices to plummet to the lowest level in seven years and threatening many ranchers with bankruptcy. To cut into this price-depressing surplus, and to help Texas consumers benefit from cheaper beef prices, we're asking Texas supermarket chains to join in a

statewide September beef sale," said DeMarco. Food chains that already have agreed to participate in the month-long promotion of Texas beef are the Houston Division of Safeway, all Kroger food stores in Texas, and the HEB Stores of Texas. The HEB and Safeway promotions got underway over Labor Day and the Kroger participation began September 15. These three chains will put the unique Texas beef promotion in over 430 Texas grocery stores. In addition, TDA is inviting all other Texas grocery chains to participate in this Texas beef promotion. Texas ranchers have been losing as much as \$150-a-head in recent months on the animals they've sent to slaughter. Producers are being paid an average of 53 cents-a-pound for their choice steers, the lowest since 1978. Nationwide, the

beef industry's deficit during the first half of 1985 is estimated at \$1 billion. "If we don't do something, that kind of loss will inflict deep and lasting economic wounds in Texas, which is the nation's number one beef-producing state, where rancher-sales of beef have traditionally totaled \$5 billion a year," shelf talkers available to stores to help consumers identify Texas-grown beef. Likewise, Pam Morris, public relations manager for the Houston Division of Safeway, says promotions of Texas beef have been successful for her company. "We expect this special promotion in cooperation with TDA to increase our beef sales even further." "This kind of cooperation helps both Texas consumers and Texas ranchers," said Peter Larkin, director of public affairs for Kroger in Dallas. "When TDA asked Kroger to assist, we

eagerly jumped at the promotion." Paulette Schwartz, director of commodity promotion at the Agriculture Department, says there are several concurrent steps TDA will take. "TDA will make its Taste of Texas price cards and the surplus off the backs of ranchers, so the Texas Department of Agriculture initiated talks with Safeway, Kroger and HEB to discuss the plight of our cattle raisers. The retailers responded quickly and positively by agreeing to work with TDA on special in-store promotions that will sell more Texas beef." According to company officials, the September-October promotion of Texas beef will consist of price reductions on different cuts of meat, special utilization of the Taste of Texas logo, developed by TDA to help consumers select Texas-grown beef, along with special in-store, printed circular and media advertising. "HEB has always been aggressive in promoting Texas beef," said Chuck Hendryx, vice president of meat marketing for HEB, of San Antonio. "Beef is the number one-selling commodity in our chain. We are especially proud to support the Texas cattle industry and TDA's campaign to promote the sale of more Texas beef."

Broom Sale

The Spearman Lions Club will conduct an all-out drive on October 3, 1985 to sell quality Blind Made Products to residents and local businesses, according to an announcement made today by Lion Cunningham. All of the items are manufactured by blind and visually-impaired workers in the various Lighthouses for the Blind. In addition, the Lions Club's earnings from this sale will be used for local projects. The entire membership of the Lions Club has been organized to supply friends and neighbors with these quality items. The Broom and

Mop Sale will be located at the Post Office where citizens may purchase directly from the Caravan Truck, or contact James Cunningham at 659-3549 to have your purchase delivered. Sales of Blind Made Products in previous years have been very successful and Lion Cunningham expressed his confidence in reaching a new all-time goal this year. "Every home and business can use some of these cleaning aids, and every item purchased helps to provide the dignity and security of regular employment for our Blind citizens."

To God a note of Thanks

Mrs. E.A. Greever

Friends today we want to study about sin and its remedy. Let us first go to Gal. chapter 5 and begin reading at verse 19. Now the works of the flesh are manifest (to be seen) which are these Adultery fornication uncleanness lasciviousness idolatry witchcraft hatred variance enulations wrath strife seditions heresies envyings murders drunkenness revellings and such like and adds by saying they that do such things shall not inherit the kingdom of God.

In reading Gods holy word we do not find he told us one sin in his sight was worse than another and the word also tells us if we are guilty of one we are guilty of all. James 2:10-11, and this refers to the ten commandments for Moses to give the people. Read Ex. 20 verse 12 through 17. Honour thy father and thy mother that thy days may be long upon the land which the Lord thy God giveth thee. Thou shalt not kill. Thou shalt not commit adultery. Thou shalt not steal. Thou shalt not bear false witness against thy neighbor. Thou shalt not covet (desire or crave) thy neighbors house. Thou shalt not covet thy neighbors wife nor his manservant nor his maid servant nor his ox nor his ass nor anything that is thy neighbors. When these words were given there was a terrible shaking going on at that time thunderings and lightnings the mountain smoking and the people feared and said to Moses you speak to us and we will hear but let not God speak with us lest we die, and now let us hear what is said in Matt. chapter 13. For all who offend and do iniquity (sin) the time is coming when there will be wailing and gnashing of teeth. Please read verses 41 through 43 and verse 43 ends by saying, who hath ears to hear let him hear.

Jesus said Come unto me ye who are weary and heavy laden and I will give you rest. Matt 11:28 The Bible also tells us no one can come to God except he draw us and he certainly cannot draw us except we have a desire above all else. Before going further with this study we find we could be self righteous and what does God say about that, Isa 64 verse 6 All our righteousness are as filthy rags. Let us read a scripture in Luke chapter 18 verses 10 through 14 concerning a Pharisee and publican. We find in reading this one prayed thus with himself God I thank thee that I am not as other men, the other smote upon his breast saying God be merciful to me a sinner.

God's word tells us if we say we have no sin we make him a liar and the truth is not in us.

The only remedy for sins we have committed and for the cleansing of the sin nature is the blood of Jesus shed at Calvary. Without the shedding of blood is no remission Hev. 9:22 We are not redeemed with corruptible things as silver and gold but with the precious blood of Christ 1 Peter 1:18-19. By the one offering he hath perfected forever them that are sanctified. Therefore it is made plain to us there is two definite works of Gods grace. The blood covers all committed sins and we are forgiven, the blood cleanses and we are made new creatures in Christ Jesus and the spirit witnesses the work is done, Thank God.

The foundation of God standeth sure having this seal The Lord knoweth them that are his and Let every one that nameth the name of Christ depart from iniquity (sin) 11 Tim 2:19. Being born in sin for this we cannot repent and if we will read in Rom. chapter 7 verses 14 through the remainder of the chapter of Paul's experience we will learn how it can be done. In verses 24 and 25 we read Oh wretched man that I am who shall deliver me from the body of death? I thank God through Jesus Christ our Lord. Friends if we can point the Devil our adversary to the very spot where the Lord forgave us and to the place he accepted our life and sanctified and make plain to him since that time we have striven to live a life pleasing to the Lord he is defeated and we are more than conquerors through Jesus. Christ the Lord who loved and gave himself for us.
