Commissioners set 1987 budget

The Commissioners Court has made many changes in the 1987 budget.

The Jury Fund, which consists of expense of the Court, was raised from \$49,250 in 1986 to \$51,169 in the 1987 budget. Attorney fees and Dist. Judge expenses consume much of the increase. Attorney fees rose from \$3000.00 in 1986 to \$5000.00 for 1987. Dist. Judge expenses rose \$1500 from \$5000 in 1986 to \$6500 in 1987.

Cuts were also made in many areas of the fund. D.A. salary made the most substantial drop, from \$25000 in 1986 to \$23750 in 1987.

The General Fund of the Hansford County 1987 budget dropped from \$850,900 to \$818,619 for 1987.

However, the budget does not expect to have any beginning balance for 1987 where it had \$200,000 in 1986.

Mostly though, the items making up the General Fund took an overall cut. The biggest cut was made by custodians who dropped from \$83,000 in 1986 to \$60,756 in 1987. Other major cuts were made by the County and Dist. Clerk \$86,000 in 1986, \$80,910 in 1987, and Veterans Office and J.P., \$4,000 in 1986 to \$28,899 in 1987.

The only item in the General Fund making a raise was the Dist. Judge and Probation which rose from \$93,500 in 1986 to \$35,489 in 1987.

The Road and Bridge Funds for Precincts 1 and 2 both took a decrease in the 1987 budget. Precinct 1 had \$180,400 in 1986 to only \$157,513 in 1987. Precinct 2 dropped from \$168,000 in 1986 to \$152,363 in 1987.

Precinct 3's Road and Bridge Fund went up for 1987. In 1986 they spent \$148,000 and are budgeted \$154,646 in 1987.

Precinct 4 remains basically the same with \$145,000 in 1986 and 142,663 for 1987, that's a \$2,337 drop.

Tax collections are expected to be \$1,089,936 in 1987 as opposed to \$940,800 in 1986.

Boys Ranch Rodeo

The 42nd annual Cal Farley's Boys Ranch Rodeo will be held this Labor Day weekend when over 200 young cowboys compete for belt buckles and

for the titles of Junior and Senior All-Around Cowboys. Several popular specialty acts will include a wild steer race, FFA project parade and calf scramble. Even the five and six year old boys will be seeking applause during barrel races on stick horses. Up to 10,000 people are expected to attend this nationally famous rodeo on Sunday, August 31, and Monday, September 1.

Rodeo action will begin at 2:30 both afternoons. Riding clubs from area communities will join the award-winning Boys Ranch Honor Patrol during the rodeo grand entries. The Boys Ranch Alumni will also be represented as part of their annual reunion. Many of the Ranch's boys will be playing in the rodeo band, selling concession items or helping in other ways to make this year's event successful.

Reserved bleacher seats are still available for \$3.50 each. General admission tickets are \$2.50 and children (6-12) are admitted for \$1.00. Barbecue plates will be prepared and served by the boys for \$3.50 at noon each day. The public is also welcome

to attend the Sunday morning chapel service at the Ranch at 10:30, and rodeo dress is appropriate.

The Boys Ranch Rodeo is the only one of its kind in the nation with boys of all ages riding professional rodeo stock. Further information and reservations are available by calling (806) 372-2341, or by writing P.O. Box 1890, Amarillo, Texas 79174.

Texas History?

Members of the Hansford County Historical Commission have been approached by some local citizens, asking to have a class on Texas History. The Sesquicentennial Year for Texas seems to have sparked an interest for those who never attended school in Texas and want to know some of it's history.

The Historical Commission is considering such a class, if there is interest. Mr. G.W. Robinson, former history teacher in the Spearman Schools and present Chairman of the Commission, is willing to hold the classes. There would be no testing, and no cost, other than a minimal contribution to the Commission.

There are bound to be those who did not attend school in Texas who would like to learn more about the state in

which they reside. If you are interested in such a class, please contact one of the members of Hansford County Historical Commission.

Classes would be held this fall, 1986, once or twice a week from 7:00 to 8:00 p.m. This is for the adults in the community.

Contact by September 1, 1986, one of the following:

- Spearman:
G.W. Robinson, Clementine (Mrs. B.F.) Renner, Rubyjo (Mrs. J.D.) Wilbanks, Sylvia (Mrs. T. Ray) Robertson, or Juanita (Mrs. J.L.) Pierce.
Gruver:
Helen Boyd (Mrs. Irvin), Joyce Johnson (Mrs. Wm.L.), and Melba Rasor (Mrs. Aubrey).
Morse:
Jenny Blankenship (Mrs. Sonny).

AMERICAN LUNG ASSOCIATION of TEXAS

The American Lung Association of Texas is reminding people 65 years of age and older that it is time to get their 1986 immunizations against pneumonia and flu.

Safe vaccines exist, but are under utilized, particularly against pneumonia.

In the United States today, pneumonia is still the sixth leading cause of death. There are as many as half a million cases occurring annually with approximately 54,000 deaths a year.

Older persons and people with chronic diseases are less likely to fight off pneumonia and its complications. Studies show that the death rate due to bacterial pneumonia for people 64-74 years of age is two-and-a-half times higher than the population as a whole. For those 75-84 years old, the rate is ten times greater.

The centers for disease control recommend vaccination against pneumonia for adults 65 years and older; for adults with chronic illnesses like lung and heart diseases, Hodgkins disease, liver and kidney diseases, alcoholism, and other ailments that increase the risk of pneumonia. Medicare pays for such immunizat-

ions. In the long run, immunization will substantially reduce the \$63 million now paid to Medicare to treat pneumonia in the elderly.

The American Lung Association is the oldest voluntary health agency in the United States. Originally founded in 1904 to combat tuberculosis, today, the Association, its 139 affiliated Associations throughout the country and its medical section, the American Thoracic Society, is dedicated to the control and prevention of all lung disease and their related causes including smoking, air pollution and occupational lung hazards. For information about flu and pneumonia contact the American Lung Association of Texas, 3520 Executive Center Drive, Austin, Texas 78731-1606 or call toll free 1-800-252-LUNG.

Poor Dad!

Mother announced that a prize would be given every Saturday to the most obedient member of the family during the week.

Almost with one voice the five children protested: "Oh, that isn't fair. Daddy will win every time."

We would like to thank the following for their help and support in our recent Servitor's Softball Tournament. Donnie Sales for working on the field, George Rex and Allen Varmon for rebuilding the bleachers and Northern Natural Gas for donating the lumber for the bleachers. Also we would like to thank the following businesses for donating trophies: Rexall Drug, Gordons Drug, Brocks Insurance Agency, John R. Collard Insurance, John Hutchison, The Spearman Reporter, Berry Cleaners, The Desk Set, and Sacks Third Avenue.

We're Serious About Power Line Safety

Power lines are essential to deliver the electric service that makes possible most of the conveniences we take for granted. Texas-New Mexico Power Company takes great care to construct each power line safely, but these safety measures alone can't prevent accidents. Here are some important rules to remember about power lines.

When working around your home or business, be certain to avoid any contact with

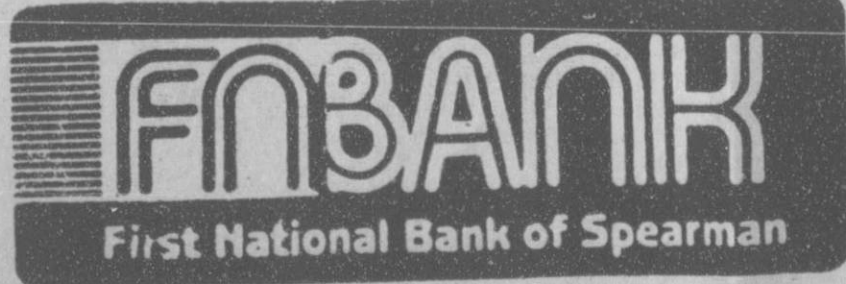

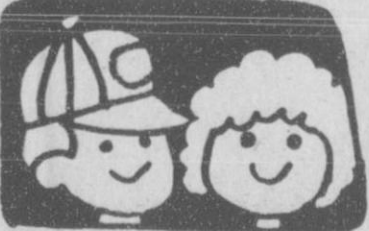

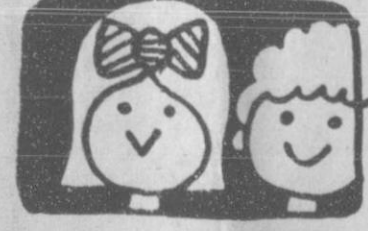

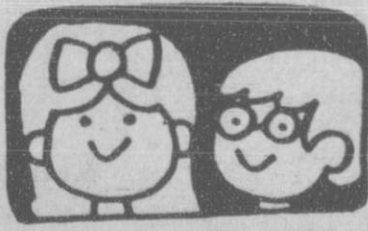

power lines. Always take extra care when using ladders or tree pruning equipment. When at the lake, be sure to keep sailboat masts away from power lines. Overhead and underground power lines are constructed to be safe, but it is up to you to treat them with respect and avoid them at all times. Remember, electricity is your safest power choice, but contact with power lines can result in serious shock. We're here to help with information about power line safety. Contact us today.

School Time

The beginning of the new school year is at hand.

Capable school administrators--from superintendent and principals down--are not easy to find. Really good officials in this field are the subject of much competition.

Parents have an obligation to cooperate with school authorities in every way possible. That makes their task easier as they attempt to guide, train and educate the children of this community.

Children must be disciplined, as well as educated. If not disciplined, they can't be educated.

News

Did you take a vacation from exercise this summer? Did you indulge in too much homemade ice cream and cook-outs? Do you have an extra five pounds now you didn't have the last of May? If so, there are exercise classes offered at the "Y" which will fit ANY schedule and which will help you get rid of that five pounds or more. Times are:

8:30-9:15 a.m. each morning Fitness Plus taught by Judy Davis nursery available (women).

12:05-12:50 p.m. each day Fitness Plus taught by Stephanie Crossland (an excellent time for mothers working outside the home). For women.

4:15-5:00 p.m. - Mon., Weds., Fri. - Low Impact Fitness Plus taught by Wanda Archer for women.

5:15-6:00 p.m. - Weds. & Fri. - NEW COED LOW IMPACT CLASS by Wanda Archer.

5:30-6:30 p.m. - Mon., Tues., Thurs. and 8:30-9:30 Sat. - Tuned Up Fitness class taught by Christy Brock. 6:30-7:30 p.m. - Tues. & Thurs. - Power Aerobics/Circuit Weight Training taught by Wanda Archer.

The Fitness Plus women's classes taught by Judy Davis and Stephanie Crossland consist of a warm-up, about 20 to 25 minutes of aerobic movement choreographed to music and the rest toning floor exercises and cool-down stretches.

The Tuned Up Fitness class taught by Christy Brock has a warm-up, about 20 minutes of aerobics (mainly jogging with varied arm movements) and the rest floor and spot exercises.

This is a coed class. This is also to music.

The Power Aerobics/Circuit Weight Training class (also coed) consists of a warm up, 15 to 20 minutes of easy-to-follow aerobic movements done up-tempo, then a dash to the fitness center to the weights machine. There, for 20 minutes, class members do as many repetitions with light weights as they can do in one minute, have 10 seconds to get to an aerobic station (exercise, mini-trampoline, jump rope, etc.) and go as hard as they can for one minute, and have 10 seconds to get back to a weight station. This class is NOT a body building class. It is designed to decrease body fat and tone all muscle groups FAST. The working heart rate is kept up for 35 to 40 minutes and since, during aerobic exercise, the body uses glycogen as fuel the first 12-15 minutes and only begins to burn fat for fuel AFTER that time, it is claimed that this type of exercise will get rid of fat fast! It is different and fun, and all is done to music.

A new class has been added this fall. Starting Wednesday, September 3rd, from 5:15 to 6:00 on Wednesdays and Fridays, there will be a LOW-IMPACT class held. Low impact does NOT mean that this class will be less effective than the others for increasing endurance, cardio-vascular and muscular fitness. It will do all these good things. The difference is that it is designed to lessen the chance of injuries to feet, ankles, shins and knees. There is NO JOGGING OR JUMPING. Just the same, the movements are vigorous and do the job. This is an excellent class for beginners, the overweight, and those who are presently in exercise classes and want to add more without increasing the risk of injury. Call Wanda Archer at 3519 if you have questions. This is done to music, also.

In all the exercise classes at the "Y" the heart rate is carefully monitored during the aerobic portion of the class. All the instructors are certified and all have current CPR cards.

Give up your excuses for not

exercising regularly! Join one or several of these classes, have fun and look and be fit. "Energize" your life, get rid of stress and/or depression and feel better about yourself. GO DOWN TO THE "Y" AND SIGN UP! You'll be glad you did.

and the Lions will meet in Slo-Pitch game at Jaycee Park in Spearman.

Families in Action met at 7:30 in the First State Bank in Spearman and there was a board meeting Tuesday.

Pioneer Develops Two New Inoculants

The Microbial Genetics Division of Pioneer Hi-Bred International, Inc. has developed two new inoculants: Pioneer brand 1174 water soluble silage inoculant and Pioneer brand 1186 water soluble inoculant for high-moisture corn.

Available this fall, 1174 and 1186 are highly concentrated formulations packaged in 150 gm foil pouches.

Pioneer 1174 silage inoculant is recommended for all forage crops. It contains special strains of naturally-occurring beneficial bacteria isolated by Pioneer and used exclusively in Pioneer inoculants. These bacteria help promote a faster and more efficient fermentation.

Pioneer 1186 high-moisture corn inoculant is recommended for high-moisture shell and ground ear corn. It contains corn-specific naturally-occurring beneficial bacteria isolated by Pioneer and unique to Pioneer products.

Both products are mixed with water and applied to forage at the time of ensiling. These products offer farmers an alternative to Pioneer brand 1177 silage inoculant, which comes in 50-lb bags and is applied dry.

For more information, contact your local Pioneer sales representative.

Spanish Benefit Dance a Success

Any kind of contest is tough especially when there are lots of people competing. There are three girls from Spearman that are in three different contests, yet are all working together to raise money for each category. These are the only ones entered from Spearman, but they have competition from other area towns. The title that these girls will receive in all three categories will be "Reyna".

Leticia Vela, 17 years old daughter of Aurora Vela and the late Willie Vela, is participating in the El Centro Contest in Perryton. All the money that Leticia collects will be used by the El Centro of Perryton. Their money is to help all those families with financial difficulties and so that utilities will not be "turned off". The winner for "Reyna" of El Centro will be crowned September 13, 1986 in the Exposition Center on HWY 15 in Perryton.

Maria Luisa Vela, 4 year old granddaughter of Aurora Vela and the late Willie Vela, is participating in the "Reyna" contest of the St. Peter's

Catholic Church of Guymon. She is running in the little girls category. Denise Rojas, 17 year old daughter of Oscar and Dennis Rojas, is running for "Reyna" of the St. Peter's Catholic Church in Guymon in the teen category. This contest that Maria Luisa and Denise are in is a fund raiser for St. Peter's Catholic Church, so all the money will be used as funds for the Church. The crowning for these two different categories in the same contest will be held in the Parish Hall of St. Peter's Catholic Church in Guymon on October 18, 1986.

All three girls have been working as a group raising money equally on their behalf. The support that they have received, so far, from all the Spearman locals has been very much needed and appreciated. As one of their group events, Leticia, Maria Luisa and Denise decided to ask Los Turrys—the local Spanish Band that is very, very good—to be the main attraction in this dance. The members of the band include, Jose Luis Moreno Sr., Sergio Vargas, Sr., Arturo Vargas, Sr., Pedro Vargas, Sr., and Jose Vargas all from Spearman and Victor Medina from Perryton. The dance was held Sunday, August 24 from 7:00 to 11:00 p.m. The dance was a great success, people from Spearman, Perryton, Gruver, Waka, Morse, Guymon, and other surrounding towns, all enjoyed the music as well as the menu for supper. There were not any problems as many Spanish dances are "known" for, it was just a great dance with a lot of fellowship and eating supper was even nicer. Los Turrys are a very popular band, they play in Spearman, Perryton, Guymon and other Oklahoma towns, in Kansas towns like Garden City, and of course, other Panhandle towns in Texas. This dance was the most successful event that Leticia, Maria Luisa and Denise have thought of.

The support that you, the people, give these girls is greatly appreciated. So let's as a community, keep supporting these three girls because it would be great to have 3 local "Reynas"

reigning for a whole year. There are still lots of other fund raisers that these girls still have including Mexican food fresh off the stove which is one of the local favorites. If you want

to help these girls and find out what they are selling or raffling, please give them a call: Leticia and Maria Luisa Vela call 659-5270, for Denise Rojas call 659-2158.

The Office of the County and District Clerk of Hansford County is taking applications for the position of Deputy Clerk.

To God a note of Thanks

By: Mrs. E.A. Greever

Friends, of late we have been renewing our mind of Gods' plans from the beginning to the end so it is now time for all of us to fully decide whether we want blessings or curses, good or evil, life or death. It is sure to be one of the two for Jesus in His sermon on the mount Matt. chapter 7; verses 13 and 14 says; Enter ye in at the strait gate for wide is the gate and broad is the way that leadeth to destruction and many there be which go in there at because strait is the gate and narrow is the way which leadeth unto life and few there be that find it. That word strait means we have to be born again to go through that gate for it means restricted, strict and difficult and we who walk the earthly sod are on one of them, and it is left entirely for all to make their decision. Our end will be eternal life or death, and there is a judgment day ahead for every one of us and Jesus the judge will give to all of us exactly righteous judgment.

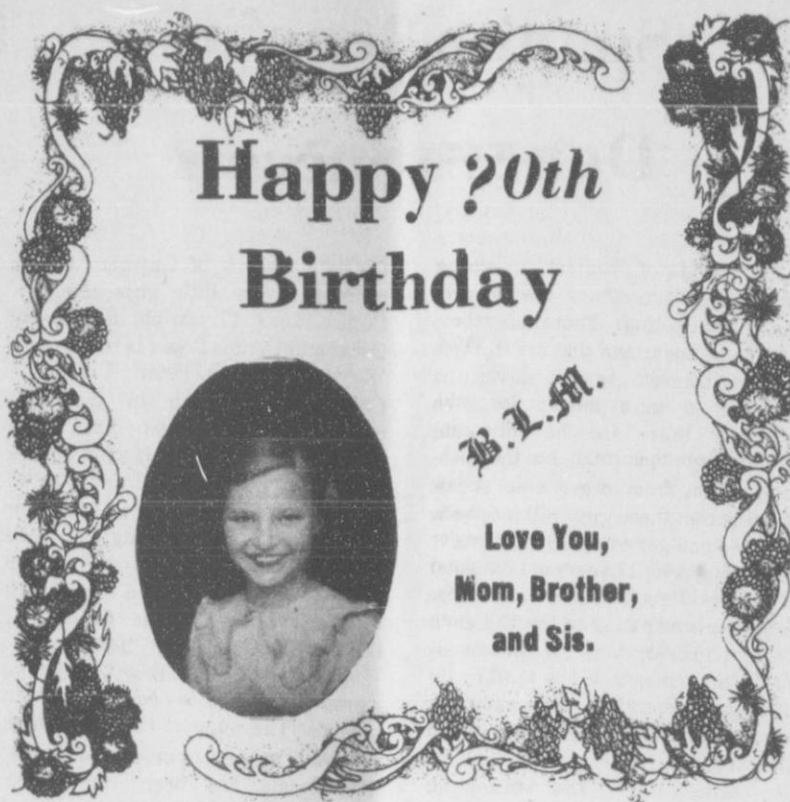

It is not wise for any to say at a more convenient time I'll decide for Gods word declares we have no promise of a tomorrow, so if we hear His voice Lord help us not to harden our heart. We have recently studied that word good and in almost every message we read about life through Christ so now we hear the words of Jesus at the very beginning of His sermon on the mount and seeing the multitudes He went up into a mountain and when He was set his disciples came unto Him and He opened His mouth and taught them saying, Blessed are the poor in spirit (needed) for theirs is the kingdom of heaven. Blessed are they that mourn (a hope of a resurrection) for they shall be comforted. Blessed are the meek (humble) for they shall inherit the earth; Blessed are they which do hunger and thirst after righteousness for they shall be filled (Their hunger and thirst satisfied), Blessed are the merciful (forgiving) for they shall obtain mercy, Blessed are the pure in heart for they shall see God (in the holy city the New Jerusalem) Blessed are the peacemakers for they shall be called the children of God. (Pov. 16:7 when a man's ways please the Lord He maketh even His enemies to be at peace with Him). Blessed are they

which are persecuted for righteousness sake for theirs is the kingdom of heaven. (In 1 John 3:13; we read, marvel not my brethren if the world hate you. (11 Tim. 3:12; Yes and all that will live godly in Christ Jesus shall suffer persecution). Now friends, all these promised blessings to whosoever will bring to us a rejoicing and an exceeding gladness for the great reward that lies ahead. The word tells us Jesus is the life that now is and the one to come and in Col. 3:3-4 are scriptures that bless me above words. For ye are dead (to sin) and your life is hid with Christ in God when Christ who is our life shall appear then shall ye also appear with Him in glory (we put on immortality). Thank you Lord. Now to know were we stand before God and the way we are going let us go to Gal.: 5:19 through verse 23. Now the works of the flesh are manifest which are these adultery, fornication, uncleanness, lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders, drunkenness, revellings, and such like of the which I tell you before as I have also told you in time past that they which do such things shall not inherit the kingdom of God (the broad road to destruction); (The narrow road) But the fruit of the Spirit is love, joy, peace, long suffering, gentleness, goodness, faith, meekness temperance against such there is no law. Deut. 30:15; I have set before thee this day life and good, death and evil (the same in our day). In Jer. 21:8 we read almost the same scripture (because of evil against a city) In 11 Peter 3:9 we read, The Lord is not willing that any should perish but that all come to repentance, so beyond a doubt we decide as to whether we want eternal life or death in the lake of fire. Oh Lord to live worthy of life I pray!

Let no man deceive you with vain words.

-Ephesians 5:6.

Among The Neighbors

The bustle of household activity, conversation and good kitchen aroma again permeated the T.D. Sansing residence for several days this week. Mr. Sansing's daughter, Tynelle Jordon of Katy, Texas and her three children left Thursday.

The grandchildren were Greg who graduated from Tulane with an engineers degree, worked for Atlantic-Richfield, then decided to pursue a law degree and will be in college; Michael, who is a pre-med student at Baylor University; and Laurie, who graduated from Baylor and is going to Paris, France to study art and French. Both sons were National Merit Scholars.

Mr. and Mrs. O.C. Holt are resting and remembering the good vacation they had last week. It began Wednesday at Red River where their lodge guests were: their daughter and family of Corpus Christi, Mr. and Mrs. George Eisenhaur, George and Bill; Dr. and Mrs. Newton Holt of Dallas; and from Spearman, Mr. and Mrs. Fred Holt, Mr. and Mrs. Mike Holt and family, Susan Kidder and Bryan, Nolan Holt, Mr. and Mrs. Larry Holt and family, Mr. and Mrs. Britt Jarvis and family, and Merle Farrington.

These 28 family members gathered to observe the birthdays of 4 of them, O.C. Holt, Fred Holt, Wren Holt, and Newton Holt.

A pleasant summer for O.C. and Louise has ended with their grandson, 14 year old George returning to Corpus Christi after spending the summer with them. His brother, Bill, who is a senior in high school, toured 7

countries in Europe with UP WITH PEOPLE group.

Hollie and Earl Riley returned Saturday after three weeks in the mountains of New Mexico. Beginning by teaming up with old friends at the XII reunion in Dalhart they went to the Red river area. The first week-end they attended the Andrews family re-union, then visited a number of other towns in the region. They had planned to return earlier, but after hearing the weather reports from home, couldn't leave the cool climate.

Vernon King first came in 1944 to visit his relatives, the Garrett Allens. As a youth he worked in the harvest, and since then has returned many times. He and his wife, Jane, are now visiting in the home of Mrs. Annie Allen and other members of the family. They are from Asheboro, North Carolina.

Mr. and Mrs. Steve Krug have purchased the home of R.E. and Mary Lee at 805 Barkley. Mr. Krug is associated with the C & O Supply Company and Mrs. Krug is employed by the Farmer's Home Administration at Perryton. Mr. Krug was formerly the manager of the Ideal Food Store here.

Mr. Lee Keys, who underwent surgery in St. Anthony's hospital recently, is recuperating at home now.

Lisa and Joy Sloan of Krum have been visiting with their grandparents, the Troy Sloans. They are the children

of Pat and Diane Sloan who left them here when they were returning from Colorado, then met them in Vernon on Sunday to return home.

Mr. and Mrs. Darrell Nelson of Grandbury visited the Owen Pendergrafts, the C.W. Kirks and Travis Regars several days last week. Mr. Nelson is a cousin of Ollie Pendergraft and C.W. Kirk.

Immediately after their visit, Mr. and Mrs. Pendergraft, Glenia Purcell with Justin and Crystal of Stinnett went to Gridley, Kansas. They attended the Beck family reunion thru the week-end. It was held in the community hall and included 35 family members, some coming from as far as Dixon and Fairfield, California.

Mr. and Mrs. Phil Jenkins attended a family dinner in honor of her birthday in Amarillo on Sunday. It was in the home of her sister, Mr. and Mrs. Jerry Simon and other guests were her brother, Mr. and Mrs. James Stevens.

No telephone, no television, just cool, quiet for Mr. and Mrs. Earl Goodheart for the last ten days at Lake City, Colorado. Mr. and Mrs. Mike Davis accompanied them and Mrs. Goodheart's sister and husband, Mr. and Mrs. Bill Rome, of Omaha, Nebraska joined them. The fishing was excellent, Earl reports, and rested and refreshed he is ready for the telephone and television problems.

Mrs. Neil DeWitt left Tuesday to return to her home in San Marina, California after a visit in the home of her aunt, Freda and Bruce Sheets. Last week-end Mr. and Mrs. Sheets accompanied her to Lakin, Kansas where they visited another of her aunts, Nina Taylor. They were guests of the Del Taylors and other family members.

Mr. and Mrs. Dennis Cline and children recently spent 5 days in the mountains, visiting Taos, Pagosa Springs and Colorado Springs. Even tho it rained every day, they enjoyed the trip.

Last week-end Mr. and Mrs. Cline and Mr. and Mrs. Bobby Brown attended the State Fair at Pueblo, New Mexico. Their primary purpose was the John Denver Concert which they enjoyed.

He also presented letters of recommendations and a letter from their insurance agent. Mr. Reynosa made

Mr. Gumfory also asked the Board to give serious consideration to Mr. Reynosa's bid. Mr. Okes asked Mr. John Hutchison if days were not an important point. Mr. Hutchison stated that time was money. Mr. Cox also commented that days was a part of the bid form. Mr. Gumfory thanked the Board for the opportunity to appear.

Mr. Strickland's company does an annual business of approximately \$16,000,000, and that they had many projects that are repeat call backs 2 or 3 times. Mr. Strickland stated they would not run another business down and thanked the Board for the opportunity to speak.

The Annual Budget hearing was then held with Mr. Powers presenting the 86-87 budget. A vote to approve

the budget was made by John Trindle, seconded by Leslie Barkley, and approved by a vote of 6-0.

The Board then took up the business of setting the tax rate. Mr. Powers presented 4 options for the Board's consideration.

The Board, after careful consideration, decided to go with option #4, which set the tax rate of .262 cents. A motion was made by Leslie Barkley, seconded by Alton Ellsworth, and approved by a vote of 6-0 to approve the rate.

The Board wanted to express their sincere gratitude to all the staff for their support and sacrifice during our time of extremely low census.

Reagan In '88 Fog

Republicans have recently mailed out hundreds of thousands of letters from Washington seeking contributions based on the possibility that President Reagan could run again.

How anyone who knows U.S. history can seriously think Congress will pass a constitutional amendment, by two-thirds majorities in both houses, and that this amendment will be adopted by three-fourths of the states, by 1988, is a mystery.

Chances are at least 100 to 1 that the House, with a heavy Democratic majority of its total membership, will not pass such an amendment by such a margin, or even pass it at all.

As a money-raising technique the appeal might be successful. On the other hand, looking at the close party membership in the

Senate and the Democratic majority in the House, and the fact that Democrats control more governorships and state legislatures than Republicans, chances that Mr. Reagan can be made eligible are nil.

Whether or not the money appeal is successful, the effort seems to undercut Vice President George Bush and other potential Republican candidates; they would like to see Republicans work for, and spend their money for, candidates who will be eligible.

One suspects Congress and the states will eventually repeal the bar to a third term, enacted by Republicans in the aftermath of the four victories of Franklin Roosevelt in 1932, 1936, 1940 and 1944. But it won't be in time for Ronald Reagan to be a candidate in 1988 and the political pros know it.

The Grain Glut

Objections were raised recently when the Reagan Administration decided to subsidize grain sales to Russia. The State Department said this would antagonize other nations, which felt this violated the spirit (at the least) of trade accords.

The reason the U.S. acted is very clear. Eight years ago U.S. farmers provided the Russians sixty percent of their grain. President Carter, in a protest against the invasion of Afghanistan, stopped much of the grain trade.

President Reagan resumed it. But a certain percentage had been lost. The high cost of U.S. grain, the price propped up artificially by government crop support, has also worked to reduce the export per-

centage. The net result is that U.S. farmers now sell the Soviet Union less than 25 percent of its grain. This greatly reduced export volume has meant backed up supplies and grain storage facilities full to capacity. There is presently a grain glut, and officials don't know today were they can find adequate facilities to store the 1986 crop surplus.

Because of the glut, and a once-in-a-century drought crisis in the Southeast, many have argued that the federal government should send some of this grain, as emergency aid, to distressed farmers. There is no precedent for this and some farmers might com-

plain that they aren't being given grain.

Meanwhile, the government is subsidizing sales to Russia, as the only way to recapture the huge Soviet market and reduce the huge U.S. surplus.

If the federal government is spending dollars to help grain farmers in non-drought areas, what's wrong with spending some to help farmers in drought areas? That's a tough question for the White House and the Department of Agriculture--precedent or no precedent.
