4 Inch Snow Falls Here

It is cream of wheat weather in Hansford County! On Friday Jan. 16, 5 inches of snow fell. On Sat. Jan. 16, 3 inches of snow fell. Sunday Jan. 18, 3 inches of snow fell. On Monday Jan. 19, 2 inches of snow fell, leaving Hansford County with a total of 13 inches of snow. Frosty the snowman took a day off Monday, allowing city workers to clean up the streets in Spearman and Gruver. However at 10:30 p.m. Monday night Jan. 19 snow began falling again in the county. A total of 1 inch on Monday and Tuesday night to put our total of snow 14

Two things in Hansford County seem to prevail at all times. Basketball and Church continued despite the heavy snow fall. The Gruver Greyhounds and their fans attended the homecoming games in Spearman Sat. despite the heavy snow and all churches had services Sunday morn-

State Police Spokesmen in the Texas Panhandle, Oklahoma Panhandle, and Eastern New Mexico said there had been no highway deaths despite the heavy snow. A special thanks to the city crews and the sheriff and police officers who assisted during this heavy snow period.

Road between Spearman and Perryton were snow packed as of Tuesday afternoon. Roads between Spearman and Gruver were open and excellent shape as of Tuesday.

Amarillo International and Will Rogers World Airport in Oklahoma City were both open and operating on Monday. Drive carefully! Watch for black ice!

Tim Sheppard will be appearing in concert on January 24, 1987 at the High School Auditorium, Sheppard, known as the "Songtailor", has been weaving classic Christian lyrics with memorable music for over a decade. His songs heavily reflect his extensive musical training in classical, as well as his interest in contemporary styles.

As a songwriter, Sheppard is virtually unequalled by any other artist in his field. He has written songs that have been recorded by such groups as Dallas Holm and Praise, the Imperials, The Cruse Family, Truth, Andrus-Blackwood and Company, Gary McSpadden, and Cynthia Clawson, to name a few. In addition, Sheppards's music has been adapted to numerous church ensemble groups, choral collections and musicals.

Sheppard is also an internationally-known recording artist. His albums have gained prominent positions on the respected charts of the contemporary music industry. The two latest releases, on Greentree Records, are FOREVER, his fourth solo album, and HOLM, SHEPPARD, JOHNSON, a popular album recorded with Dallas Holm and Phil Johnson.

As a concert artist and a minister, Sheppard performs over 100 concerts annually at festivals, colleges and universities, churches, concert halls, and prisons throughout the United States, Canada, Mexico and Europe. On stage, Sheppard is noted for communicating the gospel of Jesus Christ to a broad age-span by utilizing intense contemporary piano and explosive vocal artistry. His distinguishing strong convictions serve as a challenge for Christians to deepen their commitment; his sincere motives present an example to the unsaved to discover the Christ.

Tim Sheppards concert begins at 7:00 p.m. The concert is absolutly free. So don't miss out on this wonderful opportunity. For more information, contact FCA.

All retired school employees are eligible for membership also interested adults are eligible to be associate members. Meetings are on the second Tuesday night of each month. Programs have been on a variety of subjects, informative, and most enjoy-

In September Mrs. Bernice Beck, Darrouzette presented a program on Elderhosttes. At the October meeting James Cunningham showed pictures, slides, and related his adventures as a Participant in the Cross country antique care race last summer. Perryton's Tom Ellzey came in November showing slides and talking about Indian archeological sites in this area. Members of the adult Texas history class were guest at this meeting. Wilma Clark was hostess to a Christmas dinner and evening of fun in December. This new year 1987 began with a visit to the Stationmaster's House Museum. The historical

society opened the museum Tuesday night with some of their members present to guide and answer questions everyone was amazed at the improvements and beautiful displays. The Stationmaster's House is now a showplace where Spearmanites should be excited to take friends & guests. After enjoying this visit the retired teachers & employees went to Dorothy Roden's home for a business meeting, refreshments, and an evening of visiting. A great time was had by all present!

The recent snow turned Spearman into a "Fairy Tale" land. This is a scene outside Debbie's Day Center on Bernice Street.

Among The Neighbors

Diana Parker was notified of the death of her aunt, Avalee Robinson Riemer of Lubbock on Thursday. Mrs. Parker was unable to attend services due to her ill health. Mrs. Riemer was a former resident of Spearman, leaving here about 30 years ago. She was the daughter of the last Mr. and Mrs. W.I. Robinson who owned a restaurant here for some years. She was survived by three children and her brother, Buck. Buck is the last member of the family and is the father of Mrs. Parker. He is now living in Hemet, California.

Mrs. Coleen Schaefer, who underwent open-heart surgery last week in St. Anthony's Hospital is reported recovering, but will remain at the hospital for an indefinite period.

Funeral service for Hershell Rogers, 70, of Stinnett were conducted Saturday. He was the father of Linda Bodey. Linda and Calvin attended the services despite the extremely inclement weather. A number of Spearman friends also attended.

Dr. and Mrs. Scott Martin, with 1 year old Garrett, left the latter part of the week to return to Lexington, Kentucky after a week's visit here with his parents, Mr. and Mrs. Ray Martin. The previous week all the Ray Martin family spent several days at the Trafton's condo at Angel's Fire. Mary Ann Martin flew in from Dallas, and Steve and Rajan Trafton with Jessica, of Amarillo completed the group. Not only was it a first ski party for Garrett and Jessica; it was the first time they had met.

Don Knox recently returned from a deer hunting expedition--literally hunting was the only result-no deer. However he was fortunate in bagging his limit of quail. He and his son, Danny of Odessa, hunted around Irran, south of Odessa.

Family members report that Peggy Archer is recovering rapidly from back surgery performed Friday at Northwest Texas Hospital. She is in room 445 and expects to be there for some time. Mary Francis Dixon returned Monday and expresses satisfaction with her progress.

Mr. and Mrs. Curtis Covington, Jennifer and Michael, returned late Monday from a week-end of skiing at Angel's Fire. They left here after school on Friday and had no difficulty on the roads in spite of the storm.

A tragedy was narrowly averted last week when 3 month old Macy Harbour daughter of Mr. and Mrs. Roy Harbour, inhaled some obstruction which caused a lung to collapse. They brought her into the emergency room at Hansford Hospital and after preliminary treatment, she was rushed by ambulance to Amarillo. She was in Northwest Texas Hospital for two days, but is doing well at home now and is expected to fully recover. The Harbours express their appreciation and gratitude to Dr. Taylor and the ambulance personnel for the expert ****

Mr. and Mrs. Craig Vinson, Doug and Terry Burke and Mr. and Mrs. Royce Siedman of Canadian enjoyed a week-end in Taos. The skiing was excellent and the highways all open.

Roy Russell, 88, fell in his home Sunday morning and suffered a broken hip. He was found by Mrs. Teena Easley, who has been assisting in his care. He was taken to St. Anthony's in Amarillo, accompanied by Irvin and Betty Davis. His son, Roy Franklin, Denver arrived Sunday night. A hip replacement was performed Monday morning and apparently his condition is satisfactory.

Work at Home Schemes

Each year the American public loses millions of dollars through fraudulent schemes operated through the United States Mail. With the increase of unemployment, especially in the oil related industries, work at home promotions have become more prevalent. These promotions are aimed at the elderly, shut-ins, the unemployed, and housewives who want to supplement their family income.

Work at home fraud schemes such as envelope stuffing, home addressing, and multi-level marketing sales distributorships always include "opportunities" to earn an unusually high income with relatively small investment and with little or no effort on the part of the customer, and in most cases, by someone they've never even met. They are usually schemes to sell the plan to do the work rather than doing the work itself, and no one has ever become wealthy through such schemes.

Any promotion where the success of any operator (regardless of whether "a product" is offered) depends on recruiting people to recruit more people, etc., to participate in the program is an endless chain or

pyrimid. These are forms of lottery and violate the Postal Lottery Statute.

There are three elements of a lottery--consideration, prize, and chance. IN typical work at home promotions involving stuffing envelopes, the consideration is usually called an "application or introduction fee" or could be the price of a "startup kit." Consideration in multilevel marketing schemes is the money paid to a promoter in order for the participant to become a distributor and to recruit new distributors. The prize is always the promised "big money" that can be made quickly after the promotion has progressed several levels, and the chance is that investors will not recruit all the people

necessary to fill the pyrimid and recoup the initial investments much less earn the "big money" prize. In fact, the chance that all participants will receive mail is mathematically impossible. If a scheme requires participants to mail to six new participants, who in turn must mail to six, etc., by the eleventh level of mailing, the entire United States population would be exhausted; and by the thirteenth level, the world population (over four billion) would be exhausted.

The U. S. Postal Inspection Service, who investigates mail fraud and Postal Lottery Statute violations, says that promoters as well as participants in work at home fraud schemes can be found in violation of Federal law even if they did not realize the promotion was illegal when they first got into it. If you receive information about a work-at-home promotion you feel may be in violation of the law, turn it in to your Postmaster or mail it to the Postal Inspector, in charge, P. O. Box 162929, Fort Worth, TX 76161-2929. Remember, if it sounds too good to be true--it probably is.

Farm & Ranch Safety

The search is under way for a rural hero for 1986, according to Ben Bullard of Waco, president of the Texas Farm & Ranch Safety Council, which presents the annual rural heroism award.

The 1986 recipeint will be announced Monday, March 23, at the 48th annual Texas/Southwestern Safety Exposition to be held at the Hyatt Regency Hotel in Houston.

Deadline for submitting 1986 entries will be March 2, Bullard said. Send all nominations to Texas Farm & Ranch Safety Council, P. O. Box 2689, Waco, Texas, 76702-2689.

To qualify for the honor, a candidate must have performed a heroic act of human-life saving within Texas boundaries during the calendar year 1986. The entry should preferably related to farming or ranching, Bullard noted.

The 1985 winner was C. R. Marsh of Crosbyton, who rescued a tractor operator from her tractor after the cotton stripping basket made contact with a power line.

water put out by caring people.

The victims jumped from the tractor but was pulled back into the vehicle by the high voltage current which necessitated the rescue.

Marsh later won the Carnegie Medal, a national award for heroism.

Letters of nomination should include a written account of the accident with names, addresses and telephone numbers of all persons involved. When available, newspaper clippings and photos should accompany the nominations, Bullard said.

Bullard is associate director for safety and health for the Texas Farm

Chain Letter **Promotions**

Have you ever been asked to participate in a chain letter which is guaranteed to earn you lots of money with one small investment? Don't wast your money-chain letters are a form of lottery and may violate federal mail fraud laws. The same three elements that apply to lotteries (payment, prize, and chance) also make chain letters schemes illegal. The payment may be money or any other item of value. The prize is the large amount of money you are led to believe you will receive in the end if you participate. The chance is that the chain will break, and it must, because the chance that all participants in a chain letter will receive mail is mathematically impossible. For example, a typical chain letter may require participants to mail letters containing money to six new participants, each of whom must mail six letters to six more individuals and so on. By the eleventh level of mailing, the entire population of the United States (almost three-hundred million) would be exhausted. By the 13th level. the population of the world (over four

billion) would be exhausted. And remember, even if the chain letter itself is not mailed, as long as the payment or prize is sent through the mail, the entire scheme is illegal.

Some chain letters masquerade as Multi-Level Marketing (MLM) Plans. These require an original promoter to sell a product and enlist several other people to become sellers, who in turn recruit others. Most Multi-Level Marketing Plans are schemes to sell the plan rather than the product, and the fact that selling a product is involved, instead of winning money or statements saying the plan do not violate federal law, do not ensure legality.

Do not confuse regular chain letters or Multi-Level Marketing Plan chains with prayer chains that promise good luck but require no investment. These are not illegal-they're a nuisance. You should not be intimidated by implied threats of bad luck, personal injury, or disaster for breaking the chain. Feel free to throw the chain letter away.

Remember, you are under no obligation to participate if you receive a chian letter, and to do so may be a violation of federal law. Turn the letter in to the local post office or send it to the Postal Inspector in Charge, P. O. Box 162929, Fort Worth, TX 76161-

Hoop-La

Coach Jones

HOOP--LA

Individuals who persist that there is always a bright side to every situation are labeled eternal optomists. As a team we are eternally optomistic that we will never again turn the ball over seven out of fourteen possessions in the first quarter.

The following situations contributed to the first quarter break down. 1. Inability of the coach to recognize

the type of press and use a clear out to 2. The players picking their dribble up immediatly after crossing mid court. 3. Losing concentration defensively

and allowing an easy lay-up. 4. Making one pass only before a shot

Lets give credit where credit is due. The Gruver ball club was extremely patient on offense, but they had to be successful. Our kids played well defensively except for the few times we went to sleep and allowed a player to sneak under for a lay-up.

The kids played extremely hard the second quarter and second half, but when you put yourself into a situation where you are behind by 20 plus points and you do not get the calls in crucial situations, sometimes, as in our case, you just do not catch up. The effort was there and I appreciate that type of reaction to a tough situation.

Offensive and Defensive player of the Game:

Kevin Nelson Bright Spots: The determination and

Improvements needed: Patience offensively. We made two passes on offense twice during the night. The remainder of the night it was either one pass or none at all. That is not a team effort, that will be corrected. Lynx Notes: Setbacks are not permanent. Our team has Potential. It is up to us to reach that potential! One thing is certain, we will keep working, trying, and believing in ourselves!!

To God a Note of Thanks

Friends, the scripture revealed to me for our study this week is found in II Cor. chapter 5; and really seems suitable at the beginning of the New Year 1987. Now we read it, "Examine yourselves whether ye be in the faith. Prove your own selves. "We certainly have or should have learned in our study of Gods Holy Word we were all born with a nature to sin and that a remedy was made by God and His beloved Son by the shedding of the blood of Jesus at Calvary. What is sin? To me it seems it would be easy understood by saying to fail to do that commanded by God in His Holy Word and Jesus said, Man does not live by bread alone (That we daily eat) but by every word that proceedeth out of the mouth of God. By experience I learned when starting to school many years ago yes 93 years going to a subscription summer school at age 5 that when examination day came we were asked questions concerning what we had studied and now for you and me yes everybody we are to examine ourself concerning things God has commanded of us and we will find they can all be answered by two small words. "Yes and No." We will begin with about the first one found in the Bible. Do you have other Gods before me?

the Lord thy God with all of your heart, soul mind, and strength? Do you keep the Sabbath Day Holy or for worldly work or pleasure? Do you love your neighbor as yourself? Do you do unto others as you would have them do unto you? As much as lieth in you do you live peaceably with all people? Do you honor your father and mother? Have you been true to your marriage vows? Do you reverence your husband? Do you cherish your wife? Are you obedient to your parents? Are you committing adultery? Do you desire your neighbors wife? Do you covet anyting of thy neighbors? Do you love your enemies? Do you bless them that curse you? Do you pray for them that despitefully use you? Do you bear false witness against your neighbor? Are you a talebearer? Do you have envy, malice, wrath, or strife in your heart toward anyone? Do you pray without ceasing? Do you in everything give thanks? Do you study Gods word to show yourself approved unto Him rightly dividing the word of truth? Are you ready or making ready for Christs return? Are you daily living a life that gives you beyond doubt a hope for immortality eternal life? Are Gods commandments grievous to you?

And now we continue. Do you love

Can you as Jesus say I love to do thy will O God? Do you pay tithe? Do you give offerings? Do you give alms to the needy? Are you fully surrendered spirit soul and body? Many other questions I'm sure could be asked us that are recorded in the Bible and as you and I answer these written yes or no. I'm sure the Lord will know whether or not we have been honest with ourself God and man. May He help all of us to run the race set before us looking unto Jesus the author and finisher of our faith that we may obtain mercy and be given eternal life.
