Masonic Area Workshop will be here Friday 30th

John E. Jack Kelly, Grand Master of Masons

Worshipful Master W. L. (Bill) Stevens & Hansford Lodge #1040 cordially invite all area Masons to attend the Area Workshop on January 30, 1986 at 6:30 p.m. in Spearman.

Grand Master John Kelly will conduct the meeting. John E. (Jack) Kelly is a 33 year member and past master of Blue Bonnet Lodge 1219 in San Antonio. He worked in the Gran Lodge of Texas for over 20 years, first as a District Deputy Grand Master, then as a member of the Committee on Masonic Education & Service. He served as chairman for 9 years.

In 1963, Brother Kelly was the founding editor of THE TEXAS FREEMASON magazine, and served as its Managing Editor for five years.

First appointed as State Coordinator for the Grand Lodge Regional Conference Program in 1978, he also held the post in 1980, 1982, and in 1983, attending over 75 of the Conferences in every corner of Texas.

He was twice served as an appointive Grand Lodge Officer; as Grand Orator in 1980, and as Grand Tyler in 1982.

Brother Kelly is nationally known in the field of Masonic Education, and has spoken twice before the Midwest Conference on Masonic Education. He has been awarded three Citations by the Grand Lodge of Arkansas for developing their Masonic Institute program in 1979, 1980 and 1981. He is the author of the Masonic history, "Behold, How Good," and many papers, articles and other material on Masonic education and administration, including the current Texas Lodge Officer Training Program, and the Texas Lodge System of Candidate information. He was the principal architect and instructor for the comprehensive District Deputy Grand Masters' Seminars instituted in 1982 and 1983.

The motion picture, "This is Freemasonry," produced in 1979, was created, written and narrated by Brother Kelly. In 1979-80, he developed a new Masonic audio-visual, "Glimpses of our Texas Masonic

Heritage," which was produced as a motion picture in late 1983.

Master of Texas Lodge of Research in 1983-84, he is also a member of all York Rite Bodies, and of Texian York Rite College No. 60, from which he received the York Rite Gold Honor Award in 1980.

In the Scottish Rite, he is currently in General Secretary of the San Antonio Bodies, and was coroneted a 33 Inspector General in 1983.

He is a member of the Red Cross of Constantine, Royal Order of Scotland, Masonic Rosicrucians, and President of Southwest Chapter, Philaethes Society, 1983-84. A member of Alzar Temple of the Shrine, he served as Deputy Chief of Staff for Masonic Liaison, 1982 and 1983.

He holds DeMolay's highest awards, the Honorary Legion of Honor and the DeMolay Cross of Honor, and has served on Boards of both DeMolay and Rainbow. He has twice served as Patron of Star Chapter 782, Order of Eastern Star, and on the Grand Chapter Masonic Awareness Committee in 1983-84.

Brother Kelly spent 32 years in the Federal Civil Service, retiring at age 51 as Deputy Chief, Material Services, at San Antonio Air Logistics Center. A Navy veteran, he saw service in both World War II and during the Korean conflict as an electronics technician.

He has been active in numerous civic and charitable organizations, including membership on the Board of Directors, American Cancer Society; State Secretary, the Air Force Association; President, San Antonio Knife and Fork Club, 1982-83; and Optimist International. He has been named a Kentucky Colonel and an Arkansas Traveler by the Governors of those States.

A longtime member of Jefferson United Methodist Church, San Antonio, he served as a captain of ushers for eleven years and is currently a member-at-large of the Official Board.

He and his wife, Helen, have a daughter and son-in-law, Dr. and Mrs. Wayne Mundahl, and a grandson, Michael.

TDC inmate suing Hansford County sheriff

By KENDA BURROWS
Globe-News Staff Writer

An inmate serving a life sentence for killing a Gruver man is suing the Hansford County sheriff because he claims a letter the sheriff sent to the parole board is keeping him behind bars unnecessarily.

John L. Grissam filed suit in U.S. District Court in Amarillo seeking \$5 million from Sheriff R.L. McFarlin Jr. Grissam claims McFarlin is using his job as sheriff to exact revenge against Grissam because the man he killed is McFarlin's uncle.

The suit also seeks to block McFarlin from continuing his protest

of Grissam's parole.

McFarlin, in an interview from his office in Spearman Monday, said the murdered man was no relation to him and his rejection of Grissam's parole is not based on revenge.

Grissam, who is currently an inmate with the Texas Department of Corrections at Rosharon, originally was convicted and sentenced to die in the electric chair in 1965 for the murder of P.H. "Mickey" Westerfield, 62.

Westerfield, a former Gruver mayor and North Plains businessman, was shot to death in his dry goods store. Grissam reportedly ad-

mitted shooting Westerfield during a burglary attempt.

But because of errors in Grissam's first trial, he was granted a new trial.

He pleaded guilty after waiving a jury trial and was sentenced to life in prison.

Grissam claims in his suit that he has served his term and been eligible for parole, after passing the approval of the State Parole Board. But, he claims protests by McFarlin are keeping him in jail.

A copy of a Dec. 23, 1985 letter allegedly written to Grissam by McFarlin and filed with the suit said:

"You were the first, and are the second inmate at TDC to whom I have ever replied. My reply this time is the same as it was the first, at such time as Mickey Westerfield rises from his grave; then, and only then, will I consider giving you a favorable recommendation."

The suit charges that the letter shows McFarlin is using his office to deny Grissam parole as a "personal vendetta and not based on any form of justification or rehabilitative standard."

It also charges that the letter and McFarlin's stance violate his right to fair review of the facts in his case.

Tom Wicker

Hansford Lodge 1040 A.F. and A.M., was honored by the official visit of R. W. Tom R. Wicker here Monday night. The meeting started at 7:30 p.m. Wicker is a member and Past Master of Plemons Lodge, in Stinnett, Texas. The Masons really turned out for this important meeting.

R. L. MCFARLIN

R. L. McFarlin Hansford County Sheriff stated to this newspaper this week, that he was still being payed to enforce the law.

The newspaper visited with a friend of the murdered man P. H. "Mickey" Westerfield this week.

Willard Davis of Spearman remembers Mickey Westerfield very well. Mickey drove an old pick-up for the Russell Dry Goods and Grocery Store when Willard was a young man.

Mickey would often take Willard on deliveries. Willard was called to serve on the jury but could not because "his mind was made up".

Editor Miller still recalls the "Stunned Feeling" of the entire county at the loss of then Mayor Mickey Westerfield of Gruver, Texas.

Sheriff McFarlin stated that he is ready to go to trial concerning releasing John L. Grissam.

STINNET GAME

This game is like that big fish that slipped from the hook when you were just about to reach for the net. It seemed we were close enough to challenge but would always let their big men make the play when we came close. Defensively we were not aggressive.

Offensively we fell apart in the third quarter with only six points. For the game we shot 33% from the field. Overall the players gave a great effort. Offensive Player of the Game: Tim Woolley with fourteen points and seven rebounds.

Defensive Player of the Game: Brett Davis. Davis held Stinnett's 2nd leading scorer to a total of 8 points for the game.

HIGHLAND PARK GAME

The players combined an aggressive defense with a steady offensive effort to put together three solid quarters of basketball. With the Hornets having to scramble in the final quarter both teams are at times at the mercy of the referees. The players allowed neither the officials nor the Hornets to unnerve them; for that they should be complimented.

BOOSTER CLUB MEETING

Booster Club

The Spearman Lynx and Lynxettes Booster Club will meet on Thursday, January 29th at 7:30 P.M. The meeting will be held at the High School in the Home Economics Room. Ya'll come!

At this point I would like to praise the players for their actions Friday night. Things have not always gone well in our games, yet our players have neither complained towards the officials or the opponents.

Offensive Player of the Game: Carl Urban and Brett Davis. Urban had twenty two points and twelve rebounds while Davis tallied twenty eight points and nine rebounds.

Defensive Player of the Game: Carl Urban, Brett Davis and Kevin Nelson. Eight Spots: Defensive intensity vs. Highland Park.

IMPROVEMENTS NEEDED: Ability to follow instructions. Ability to slow the pace when needed and also the ability to know when not to slow the pace when an opportunity arises.

LYNX NOTES: The J.V. Lynx squashed the Hornets with their aggressive play and consistent shooting. FINAL SCORE: Lynx 62, Hornets 36. Congratulations on a job well done!

I would like to extend an invitation for everyone to attend the Athletic Booster Club meeting to be held this Thursday, 7:30 P.M. at the High School.

All Region Band Try-Outs

Ten members of the Spearman High School Band traveled to Phillips, Thursday, January 22, for All Region Band try-outs. They were required to play three designated songs for their judges. After everyone had their opportunity to play, the winners were announced.

Spearman Band members who made the All-Region Band were: Anne Sheets, Sr. 7th chair clarinet; Diane Sorgi, Sr. 2nd alternate tenor sax; Jennifer Reimer, Soph. 5th chair cornet; April Graham, Fresh. 1st

chair timpani; Becky Rosales, fresh. 1st chair alto clarinet; Nora Garcia, fresh. 2nd chair alto clarinet; and Maria Gomez, fresh. 2nd chair mallets.

Other who tried out were Mark Garcia, Chris Porter, and Londee Bradley.

The All-Region concert was held Saturday. The All-Region members rehearsed all day Saturday to prepare for the concert that evening. The concert was fantastic.

Highland Park Hornets reach for the sky in the Lynxette game here Friday night.

The Stratford Elks opened the first half of the District 1-2A season with a one point loss to Stinnett. Stratford, although they were last years champs fought a long uphill climb to qualify for the play off berth.

After beating Panhandle 61-44 Saturday night. The win puts Stratford 15-6 in a 3-way tie for the first half district title, along with Stinnett who won over Gruver 54-51, and Highland Park who were idle.

Each team has a 5-1 district mark: the play off berth will be decided based on the team's second half finishes.

The 1-2A girls - first half title will require no heavy calculations as eighth ranked Panhandle beat the defending Elkettes 49-32 to finish 6-0 in the first half.

Stratford is 4-2, 12-9 overall to be tied with Spearman & Gruver.

Panhandle won their 3rd game three nights & are 19-4 overall.

In the boy's game, Stratford led the Panthers 30-14 in the first half. The Elks still kept their lead in the second half & were not feeling threatened.

They were leading by 11 to 20 points. Doug Pittman gave the Elks and outside threat by making 8 of 12 shots en route to a game high 18 points, but 6-3 past Malcolm Waters probably was the difference.

In the girl's game Panhandle tried to bounce back from a disappointing performance in a win over Gruver Friday.

Panhandle committed 11 turnovers, held the Elkettes to 13 field goals on 35 attempts 37.1 percent & rebounded them 33 - 26.

ACS News

The 1987 Texas Breast Screening Project—part of a major national American Cancer Society campaign is being launched by Texas physicians and health professionals to provide mammograms (low dose x-rays of the breasts) at a reduced cost.

For a limited period in the spring of 1987, hospitals and clinics throughout the state will join forces with the American Cancer Society and offer screening mammography for a cost of no more than \$50. This is reduced from an average fee of \$100 per mammogram.

Texas radiologists, hospital personnel and other interested volunteers are invited to participate in the campaign and help promote early detection as the best weapon against breast cancer. Coordination of efforts on a local level are being directed through American Cancer Society volunteer task forces, which have been formed in each major Texas city and in many smaller ones.

The 1987 Texas Breast Screening Project will follow the example of a highly successful screening program held in Chicago in 1983. With media support and 80 hospitals and clinics agreeing to cut their cost to \$50, the Illinois campaign received a tremendous response: 9,000 women were examined, 43 early breast cancers were found and 164 other women with "suspicious" mammograms were referred for further examinations.

Breast cancer is a leading cancer killer among women in the U. S. One out of ten American women will be diagnosed with the disease sometime during her lifetime. Since the cause of breast cancer remains unknown, early detection offers the best defense. Chances of cure are excellent when breast cancer is detected and treated early, while a tumor is still small.

Mammography can detect cancers that are too small to be felt by even the most experienced examiner. With an accuracy rate of about 90 percent, mammography can detect breast tumors while they are still microscopic in size.

Screening mammography, that is, mammography of asymptomatic women, can provide a "baseline" by which a woman's future mammograms can be compared. While extremely useful and in some cases, life saving, screening mammograms are not covered by most medical insurance plans.

The ACS recommends a screening baseline mammogram for women between the ages of 35 and 40 and then annual or biannual mammograms between ages 40 and 50. After age 50, women are encouraged to have a mammogram every year. Women with a personal or family history of breast cancer should consult their physicians about how often they should be examined and have mammography before age 40.

Mammography, together with monthly breast self-examination by the woman and an annual physical examination by a physician, provide the best means of early detection.

Mammography scored especially high in the Breast Cancer Detection and Demonstration Project (BCDDP), a major study funded jointly by the ACS and the National Cancer Institute. Yet a recent Gallup survey indicated that only 15 percent of women over age 50 have a mammogram every year. The poll also showed that 75 percent of all U. S. women are aware that mammography exists.

Major deterrents for getting a mammogram include fear of radiation, high cost and lack of information. These areas of concern will be a major focus of the Texas screening project. ACS public education efforts will stress the fact that potential benefits of mammography in terms of lives saved, far outweigh the slight health risk from a very low dose radiation.

For more information about breast cancer or the 1987 Texas Breast Screening Project, please contact your local American Cancer Society.

Mattox and Bullock Join Forces

A joint effort by State Comptroller Bob Bullock and Attorney General Jim Mattox will target the collection of more than \$37 million in delinquent taxes from some 3,100 taxpayers.

"We've got back taxes over the last year that will take the aggressive and dedicated efforts of someone like Jim Mattox to get settled," Bullock said.

Bullock said that his office will hand over problem accounts to the Attorney General after normal collection attempts don't produce results.

In a one-year period that ended December 31, 1986, Bullock identified 3,162 problem accounts which collectively owe the state \$37,377, 956.86.

Overdue sales tax accounts make up the largest number of uncollected

accounts, totaling more than 2,800 and amounting to some \$30 million in taxes.

"Bullock's office is the most professional tax collecting agency in the nation and when they can't get what's due the state, it's time the state's lawyer gets in on the act," Mattox said.

Mattox said his office initiates a series of demand letters on overdue taxes and tries to settle the accounts. The state's last option is to file a lawsuit to collect this money, he said.

Both statewide officials say a joint effort will reduce the likelihood that taxpayers can avoid paying delinquent taxes.

Contest

High School students in six districts throughout the state are invited by the Second Division of the American Legion to compete in the Fiftieth Annual National High School Oratorical Contest. The invitation to enter the competition was extended today by Division Commander Jerry Hutya.

The contest will be conducted at Texas State Technical Institute (TSTI) in Waco on Friday, Jan. 30 from 7-9 p.m. in the J. H. Kultgen Automotive Center. TSTI faculty and staff will assist with contest arrangements. The public is invited.

The subject in the prepared oration portion of the contest must be about

some phase of the Constitution of the United States, emphasizing the duties and obligations of a citizen to the U. S. government. The prepared oration must be the original effort of each contestant and must be 8-10 minutes in length.

Students will be competing to go to the state and national competitions. Scholarship awards are presented to the four finalists in the National Contest ranging from \$16,000 to \$8,000. Each state winner who is certified into the next level of the National Contest will receive a \$1,000 scholarship, and each regional winner who advances to the Sectional, but not to the National Finals, will receive an additional \$1,000 scholarship.

Students interested in entering the competition, or for more information, should contact Austin C. McElfish at (817) 754-0892.

PROCLAMATION

SUPPORT OF THE GRAND MASTER'S LODGE OFFICER WORKSHOPS BY THE MASONS OF TEXAS

The 1987 Grand Master's Lodge Officer Workshops are designed for the purpose of establishing closer harmony, improved communications and understanding among and between the officers of the Grand Lodge and the officers and members of the Constituent Lodges of Texas.

The Grand Master's Lodge Officer Workshops present information of major importance to the officers and members of Texas Lodges, and provide a forum for the discussion of mutual problems and concerns.

I, THEREFORE, PROCLAIM AND DIRECT:

That, except for the purpose of holding regular stated meetings or for conducting Masonic funerals or memorial services, no Lodge or organization listed in Article No. 506 of the Laws of the Grand Lodge of Texas shall hold a meeting or assembly for any purpose at any place within fifty miles of where a Grand Master's Lodge Officer Workshop is being held, and further,

That Texas Lodges are authorized to cancel Stated or Called Meetings which would interfere with or prevent Lodge Officers' attendance at a Grand Master's Workshop.

This Proclamation shall be read at the first Stated Meeting of the Lodge held after January 1, 1987.

This Proclamation shall expire and be of no further force or effect at midnight, Friday, December 4, 1987.

JOHN E. JACK ERLEY
Grand Master of the Grand Lodge of Texas, A.F. & A.M.

HARVEY C. BEEDY
Grand Secretary of the Grand Lodge of Texas, A.F. & A.M.

Keep Your House Warm with a special blanket

Nothing keeps you warmer in the winter than a cozy blanket. When you're wrapped in its warmth, cold air stays out, and warm air stays inside.

This same principle can also work to keep your house comfortably warm for a reasonable cost. When you invest in proper insulation, you're using a different kind of blanket on your house.

Without proper insulation, your home loses warm air in the winter (and cool air in the summer). Your heating and cooling system must work harder to maintain a comfortable temperature. The proper amount of insulation will make your home more energy efficient and comfortable.

Learn if your home meets the recommended "R" value for your area by contacting us today for a free booklet on energy efficient homes.

Military Wedding

Lt. & Mrs. Chris Tray Sultemeier

Paige Lene' Mitchell and Lieutenant Chris Tray Sultemeier were united in marriage Saturday, January 3, 1987, at 3:00 p.m. in a military wedding at First Baptist Church, Spearman, Texas. Reverend Doug Dubose of Pampa, Texas, officiated.

Given in marriage by her father, the bride wore a gown of white taffeta. The high illusion neckline featured alencon lace and pearls at the collar. The long fitted sleeves and draped waistline accented the full skirt with a sweeping chapel length train trimmed with alencon lace appliques and pearls. Pre-embroidered alencon lace, seed pearls, and sequins also accented the sleeves, bodice and skirt.

The fingertip veil worn by the bride was attached to a tiara of lace, pearls and sequins.

For her bouquet the bride carried white silk roses with a touch of red, accented by greenery and ribbon.

The matron of honor was Shelley Baloglou, sister of the bride, from Lubbock, Texas. The bridesmaids were Veva Caughlin, Lewisville, Texas, Carolyn Gille, Irving, Texas, college friends of the bride, Sharon Tye, a dietitian friend at Kansas State University, Manhattan, Kansas, and Terri Powell, Poplar Bluff, Missouri, a dietetic internship friend of the bride. The flower girl was Denee' Odiome, Cypress, Texas, cousin of the groom. The bridesmaids carried out the colors chosen by the bride and groom, red and white, by wearing red moire taffeta dresses, carrying white silk

roses, and wearing white silk flowers with a touch of red in their hair.

The best man was Lieutenant Robert Duguay, Clarksville, Tennessee. The groomsmen were Dr. Keith Sultemeier, Odessa, Texas, Dr. Kenneth Sultemeier, San Antonio, Texas, brothers of the groom, Lieutenant David Knapp, Tacoma, Washington, and Lieutenant Tom Chapman, Radcliff, Kentucky. The best man and lieutenants were West Point friends of the groom.

The military men as well as the groom were attired in the Army's dress blues while the other groomsmen and candlelighters were attired in black tuxedos.

Candlelighters were cousins of the bride, Brad and Ryan Roberson, Oklahoma City, Oklahoma.

Ms. Audette Rackley, Irving, Texas, college friend of the bride, greeted guests at the guest register, and guests were given a printed program by Charles and Jim Mitchell, cousins of the bride, from Austin, Texas.

Ushers for the wedding were Chris Baloglou, Lubbock, Texas, brother-in-law of the bride, Lieutenant Michael Murfee and Lieutenant Dave Brinkley, Manhattan, Kansas, stationed at Ft. Riley with the groom.

The ceremony began as Mrs. Carol Pack, pianist, Stinnett, Texas, and Mrs. Kathy Mitchell, organist, aunt of the bride from Hooker, Oklahoma, played various selections, favorites of the bride and groom. During the ceremony Roger Muse, Kansas City, Kansas, sang "The Wedding Song," "Christian Love Song," "The Lord's Prayer," and "Sometimes." Roses were presented to the mothers by the bride and groom while the song "Sometimes" was being sung.

The saber bearers performed the traditional arch after marching down the center aisle of the church under the command of CPT Mike Pfening. Upon reaching the grandparents' pew, the military men halted, turned center face, and executed the saber movement. The bride and groom then proceeded down the arched row until they were stopped at the end of the arch as the last sabers were dropped. At this time, the groom kissed the bride, the sabers were raised, and the bride and groom proceeded down the aisle as the last saber bearer traditionally swatted the bride with his saber. The eight saber bearers were the best man, Lieutenant Robert Duguay, the two military groomsmen, Lieutenant David Knapp and Lieutenant Tom Chapman, the military ushers, Lieutenant Michael Murfee and Lieutenant Dave Brinkley, CPT Mike Pfening, Lieutenant Scott Tarrant, and Lieutenant Wayne Smith, all of Ft. Riley, Kansas, completed the saber bearers.

Mrs. Claudine Clark, Spearman, Texas, was the coordinator of a reception that followed in the fellowship hall where the bride's table, covered with a floor-length white eyelet tablecloth, was centered with a sampler made by Mrs. Richard Melton, Spearman, Texas. The table was adorned with the traditional wedding cake and punch. Assisting in serving were Audette Rackley and Mrs. Pam Ortega, Lubbock, Texas, high school friend of the bride.

The groom's table was centered with an antique car and adorned with a silver coffee service and chocolate

groom's cake. Serving at the groom's table were Dr. Kathy Sultemeier and Lori Sultemeier, sisters-in-law of the groom.

The hors d'oeuvre table, draped with a floor-length white cover, was centered with an array of seasonal fruits. The table featured an assortment of meats, cheeses, crackers, fruits, and dips.

The bride is the daughter of Mr. and Mrs. Dwayne Mitchell, Spearman, Texas, and the granddaughter of Mr. and Mrs. Oscar Doshier, Hardesty, Oklahoma, and Mrs. Thelma Mitchell, formerly of Adams, Oklahoma, and the late Leslie Mitchell.

Mr. and Mrs. George Sultemeier of Ft. Stockton, Texas, are the groom's parents. Mr. and Mrs. Felix Sultemeier, Johnson City, Texas, and Mr. and Mrs. Truman Odiome, Uvalde, Texas, are the grandparents of the groom.

After a honeymoon in Cozumel, Mexico, the couple will be at home in Manhattan, Kansas, where Paige is a registered dietitian at Kansas State University, and Chris will continue his duties as First Lieutenant at Ft. Riley, Kansas.

PSU

Homecoming

Panhandle State University will celebrate basketball homecoming Friday, Jan. 30. Using the theme, "PSU-The Only One," the day's activities begin with Lady Aggie basketball at the Oscar Williams Fieldhouse at 5:30.

Between the men's and women's games, activities for PSU students will be staged by the Student Senate. At 7:30 the men's basketball game will commence and the crowning of the 1987 Basketball Homecoming Queen will take place at halftime of the game.

Candidates for Basketball Homecoming Queen include Christy Lancaster, sophomore home economics major, from Stratford, Texas. Lancaster is active in Lady Aggie basketball. She is the Sophomore Class president, Zeta Gamma president, a Student Senate officer and the reigning 1986 "O' Club Queen. She will be escorted by Mike Yell of Guymon. Her parents are Mr. and Mrs. Max Keenan.

Teresa Peterson, senior business administration major from Boise City, will be escorted by Kurt Moler of Cimarron, Kan. Peterson serves as executive assistant president of the Student Senate and is a member of Phi Beta Lambda. Her parents are Don and Mary Osborn of Boise City.

Pam Shuler is hte 19-year-old, sophomore, business administration major from Perryton, Texas. She is the daughter of Leo and Gwen Shuler of Perryton. To God a Note of Thanks

by Mrs. Greever

Friends, before reading this article I suggest though you may at different times since becoming a disciple of Jesus Christ have read Matt. chapter 24 and Luke chapter 21 please prayerfully read them again, for the teaching of Jesus to His disciples before going back to heaven. They were so anxious to know what would be the end of all things and of His coming and surely since so many years have lapsed we, His disciples in 1987 should be as or more so anxious for the time draweth nigh. How marvelous it is to me as one of His disciples the way God reveals the secrets of His divine plan. And of the things in our day made known to the prophets of Old Testament times. And now we go to the Book of Daniel. He saw the time of trouble as had never been nor would never again be and His spirit so troubled that he had no strength left in Him. And in chapter 10 verse 8 He said O my God what shall be the end of these things and He (God) said, "Go thy way Daniel for the words are closed up and sealed unto the time of the end." Many shall be purified and made white (By Christs blood) and tried but the wicked shall do wickedly and none of the wicked shall understand but the wise shall understand and in verse 11 the Lord told Daniel to go thou thy way till the end be for thou shalt rest (asleep in the Lord) and stand (resurrection day) in thy lot to the end of the day. And now we go to the Book of Revelations by John the divine who also tells us of the time of the end when in the Spirit on the Lords day. In chapter 1 verse 7 we read, Behold He (Jesus) cometh with clouds and every eye shall see Him and they also which pierced Him (at Calvary) and all kindreds of the earth shall wail because of Him verse 8 I am Alpha and Omega the beginning and the ending saith the Lord which is and which was and which is to come the almighty. We of late have been studying the scriptures of the false Christs and prophets that wax worse and worse as the days come and go and now at the return of Christ sin has so abounded we have an Anti Christ and He and His many followers have taken over but they come to an end and now we will read about it in 11 Thess. chapter 2. It begins by saying

Now we beseech you brethren by the coming of our Lord Jesus Christ and by our gathering together unto Him that ye be not shaken in mind or be troubled neither by spirit nor by word nor by letter as from us that the day of Christ is at hand. Let no man deceive you by any means for that day shall not come except there come a falling away first and that man of sin (the Anti Christ) be revealed the son of perdition who opposeth and exalteth himself above all that is called God or that is worshipped so that He as God sitteth in the temple of God showing Himself that He is God. Remember ye not that when I was with you I told you these things (this is Paul speaking) and now ye know what with holdeth that he might be revealed in his time. For the mystery of iniquity (sin) doth already work only he who letteth will let until he be taken out of the way (the Holy Ghost lifted) and then shall the wicked be revealed. (This tells us when the Holy Ghost is lifted the Anti Christ is made known.) And now what takes place? Whom the Lord shall consume with the spirit of his mouth and shall destroy with the brightness of His coming and now we read about the group who have followed his evil devices in Rev. chapter 17 Mystery Babylon. The great the mother of harlots and abominations of the earth. The 18th chapter of Rev. tells us all about them. O thank the Lord when the kingdoms of this world are no more and we are ushered into the heavenly kingdom. One of our old poets has said, "truth crushed to earth shall rise again." And what does II Thess. chapter 2 tell us about the ones who had not received the love of the truth that they might be saved? The answer is; and for this cause God will send them strong delusion that they should believe a lie that they all might be damned who believed not the truth but had pleasure in unrighteousness In II Cor. 13:8, we read, we can do nothing against the truth but for the truth. And in the book of Proverbs we are admonished, "Buy the truth and sell it not also wisdom and instruction and understanding Pro. 23:23, Jesus said, I am the way the truth and life. Now let us read in the 12th chapter of Heb. See that ye

refuse not Him that speaketh, For if they escaped not who refused Him that spake on earth much more shall not we escape if we turn away from Him that speaketh from heaven whose voice then shook the earth but now He hath promised saying yet once more I shake not the earth only but also heaven. You remember in Matt. 24, you read the sun shall be darkened and the moon shall not give her light and the stars shall fall from heaven and the powers of the heavens shall be shaken and then shall appear the sign of the Son of man coming in the clouds of heaven with power and great glory. If God leads more on this subject next week.

Speed Limit to 65 MPH

U.S. Sen. Phil Gramm of Texas has introduced legislation which will allow states to increase speed limits to 65 miles per hour on rural stretches of interstate highways.

Gramm, R-Texas, a longtime opponent of the 55 mph cap, noted that the energy crisis which prompted imposition of the lower limit by the federal government "no longer exists."

"There is no reason to maintain federal control over what is inherently, traditionally and constitutionally a state prerogative," the senator said. "Washington, D.C. was never meant to be the traffic cop for the continent."

"This legislation does not mandate a change in any speed limit, it simply restores the power of state governments to make that decision," Gramm said.

"I urge those who live in other part

of the country who want to preserve the 55 mile-an hour speed limit to do that," he said. "But those of us who live where there are huge driving distances should be allowed to set a limit that makes sense, that we can enforce, that will be respected."

Last year, the Senate approved similar legislation co-sponsored by Gramm, but the House of Representatives failed to act.

Rural Carrier

Donald S. Boyd, Sectional Center Manager/Postmaster, Lubbock, Texas has announced that the Rural Carrier Examination for Lakeview, Texas will be open from February 2 through February 6, 1987.

Persons who are interested may fill out application blanks at the Lakeview, Texas Post Office. Starting salary is approximately \$21,688 per year. Further details may be obtained from the Lackview, Texas office.

Rotary

The Spearman Rotary Club met Monday January 26, 1987. Due to illness, the program scheduled for Rotary on security systems was cancelled. A film shown by John R. Collard Jr. featured the Shrines Hospitals.

Last week we viewed a video presentation on Camp RYLA.

Our absentees this week were: Kevin Bynum, Ronnie Lusby, Jack McWhirter, Jim Shirley, Larry Trospier.

**Don Hawkins is program arranger for the month of February.

We would like to congratulate Kelly McWhirter, granddaughter of Jack, on being selected to the Texas All State Choir first chair. Kelly is the second girl from Spearman to ever be selected to the All State Choir and the first one chosen first chair. This is truly an honor and the entire town of Spearman should be proud for Kelly to represent us.

Waka's Pancake Supper

The annual pancake (groundhog) supper of the Waka Church of the Brethren will be held Friday starting at 6:00 p.m. David Burger is assembling an excellent crew for preparing the meal and for serving it. The public is invited to come and bring their appetites. The cost? A free will offering to be used in the work of the church.

Education Committee

The Education Committee of the Spearman Chamber of Commerce met Jan. 15, at the Chamber office, with Chairman John R. Collard, Jr. presiding. Committee members are; Tamara Boyd, Tom Latta, Larry Butler, Bill Pittman and Cora Queener.

The Education Committee works with the school and Rotary Club to host "Career Day" for Spearman High School students. Career Day is held every other year and provides our students information on more than 25 career choices.

This year the Education Committee will focus on actual free enterprise activities that the students themselves can be involved in.
