

JIM MURRAY  
Spearman City Manager

## The HANSFORD REPORT

by JAMES JARRETT

Just a few short weeks ago I shared with our readers the story of Diane Pape, the niece of Linda Coombs of Spearman.

If you will remember, Diane is the young California mother of two who was fighting breast cancer in an Anaheim hospital.

Diane died early Monday morning. She leaves behind Jessica who is five and Joshua who is four and her husband, Dennis.

We had promised reports. This is not the report we had hoped for.

Our Sunday column seemed to strike a responsive cord. That's the one where we discussed the anomalies of the English language.

A Mexican woman explained to me the other day how she had been teaching her husband -- who, incidentally, is from Old Mexico -- to write in the English language.

In an attempt to write the word "weight", he spelled "wait". She corrected him and he asked why it was done that way. "I don't know," she said, "That's just the way it is."

And that probably is the best explanation there is.

Of course, other languages have anomalies as well, albeit not as many as English.

Take the Spanish language, for example. In Spanish, all nouns are either masculine or feminine. They do not recognize a neuter gender.

And, the people themselves -- either true Spanish or Mexican -- are very, very proper in denoting gender. Perhaps it's part of the "macho" aspect the Latins have.

Yet the Spanish word for police is "Policia", the "a" ending denoting this particular noun as feminine. There are, however, few Spanish women police.

I would like to ask the Mexican lady's husband about it. I can almost hear him saying, "Yo no se. Asi es." Loosely translated as "I don't know. That's just the way it is."

I've always heard that things come in three's. If so, I'm still missing one -- let's rephrase that, I'm still lacking one -- I'm not missing anything.

Monday's have been infamous for as long as I can remember. So when my Monday started out with a leaking radiator hose, I chalked it up to another typical Monday.

Other than that, the day seemed pretty uneventful other than the fact that I ran behind most of the day due to taking care of the faulty radiator hose.

And, it's not unusual for me to work late getting stories and features for both the Gruver and the Spearman papers.

So, when I hopped in the car Monday evening to head for an interview with Chester Juroksa, so what if it was already dark. Chester didn't expect me until 9:45 and here it was only 9:20.

As I said, up to that point, other than being busy, the day had been pretty unremarkable since the radiator hose incident.

In fact, it was the furthest thing on my mind whenever I ran out of gas on the highway. Late at night. Still several miles from Gruver.

I saw my interview going down the drain. Needless to say, I felt disgust. We won't discuss any of the other thoughts racing through my mind.

But my dad always told me that God takes care of fools and little children. Then he would gently

remind me that I no longer was a little child. Dads can be that way at times.

You have to understand that I have met and made quite a few acquaintances in Gruver by this time.

But, I've only met two families who live inbetween Spearman and Gruver. I ran out of gas smack dab in front of Pete and Fran Maupin's place.

So, you can see I appreciate the fact that God takes care of fools as well as children. And, there are instances -- such as Monday evening -- when I don't even mind falling into the prior category. Especially when I have difficulty arguing my way out of it.

Anyway, Pete was the typical country gentleman. Not only did he give me a couple of gallons of gas, but he followed me on into town to make sure I got there alright.

Obviously I did, and not only got the interview with Chester, but then had the boldness to visit coach Steele at his home -- around 10:30.

So as you can see, I'm still waiting for the third in that series of three. But, I'm patient. I can wait. A lifetime, if necessary.

Our final thought: There is nothing -- absolutely nothing -- half so much worth doing -- as simply messing about in boats. -- Water Rat in "The Wind in the Willows".

## 3 Spearman lovelies place during 1987 Miss Wheatheart Pageant

Three Spearman beauties walked away with at least a portion of the Miss Wheatheart Pageant honors this past weekend at Perryton with Margie Evans taking the Miss Junior Wheatheart title while Rae Lynn Scribner was first runner up in that competition and Kellie McWhirter -- the reigning Miss Hansford County -- claimed second runner up honors in the Miss Wheatheart competition.

Margie is the daughter of Mr. and Mrs. Jim Evans of Spearman while Rae Lynn is the daughter of Mr. and Mrs. Jerald Scribner, also of Spearman.

Kellie is the daughter of Mr. and Mrs. Steve Benton of Spearman and Mr., and Mrs. Lloyd McWhirter of Golden, Co.

Other Spearman contestants in the Miss Junior Wheatheart portion of the Perryton pageant included Christa Sims and Amanda Hodge.

Amy Hester of Canadian won the Miss Wheatheart title and will now advance to the Miss Texas Pageant next summer in Ft. Worth. Tandra Winningham of Pampa was first runner-up.

## City hearing Aug. 25 on revenue sharing

While revenue sharing funds are no longer being doled out by the federal government, the city of Spearman finds itself with slightly over \$8,000 in unused funds and will hold a special public hearing on the funds Aug. 25 at city hall.

The \$8,247 will be earmarked at that meeting for use in the city's general fund. The hearing will begin at 8 p.m. that night.

Working in public service since 1973 . . .

# Murray is veteran administrator

As President Harry Truman was so fond of saying, "The buck stops here." And for Spearman city manager Jim Murray that's not a philosophical statement, it's a matter of fact.

As in most cities the size of Spearman, city managers wear a wide range of different hats and Murray is no exception to that rule.

Quiet and direct in both his statements and views, the Spearman city manager handles everything from public relations to budgets, personnel to contract negotiations and a good deal more.

"I enjoy working with the public and, believe it or not, working with our local elected officials has been a rewarding experience as well," he notes. "If you don't like

working with the public, you really have no business being a city manager."

According to the job description, the city manager for Spearman is the chief administrative and executive officer of the city.

He operates under the city council for the administration of all city affairs assigned by ordinance or direction of the council. He exercises broad supervisory powers over city operations.

And those operations in Spearman range from financial management to swimming pool and parks, from water and gas operations to sanitation and landfill, from law enforcement to public complaints and any and all other subheadings which might fall under those

categories and several more.

"You wear so many different hats," Murray reports. "The nice thing about it is the fact that there's always something different. You have a new challenge every day."

And the personable city manager has the credentials to back up his work and they've been borne out more than once during his tenure as Spearman's chief executive, a position he's held since 1980.

Prior to his appointment as the Spearman city manager, Murray had been administrative assistant at Spearman, a job he took in August of 1979.

When he received his discharge from the U.S. Marine Corps, Murray went to West Texas State

University at Canyon on the GI Bill and majored in public administration.

He received his Bachelor's degree in 1976 and has completed some work toward his MBA, also at WTSU.

His first job out of college was with the Panhandle Regional Planning Commission where he served as a Public Service Intern out of the Governor's office.

Here Murray conducted an in-depth study of a management information and control system for council of governments or regional planning commissions.

Later, he served as an administrative aide for the PRPC in Amarillo and duties here included

First contact drills Friday . . .

## Lynx taking shape for '87 season

As the 1987 gridiron season inches ever closer, the Spearman Lynx are beginning to take shape in early conditioning drills and will don full pads for their first contact workouts this Friday morning.

The Lynx -- under second year head mentor Don Mullins -- have a force of some 55 young men vying for positions on the varsity squad in early outings.

"We're a little ahead of this time last year," notes the Spearman coach. "Last year everything was new for them."

Meanwhile, Mullins and company are busy taking the rough edges off their Lynx crew in the early conditioning drills.

When full contact equipment is issued Friday morning, the Lynx coaching staff will get their first good look at what their 1987 edition can do.

"It's hard to tell a whole lot right now," reports Mullins. "I'm pleased with the kids attitude and they're excited about what they're doing."

The Lynx will stage a special parent's night this Saturday at 7:30 in the Lynx stadium. They will run

through their paces in an intra-squad scrimmage.

Their first test of the season, however, will come on Friday, Aug. 21 when they go to Shattuck, Ok. for a 7:30 scrimmage there.

This will provide Spearman coaches with their first good look at their charges up against another ball club.

The 1987 season will open Sept. 4 with the Lynx playing host to Memphis in an 8 o'clock contest in Lynx Stadium.

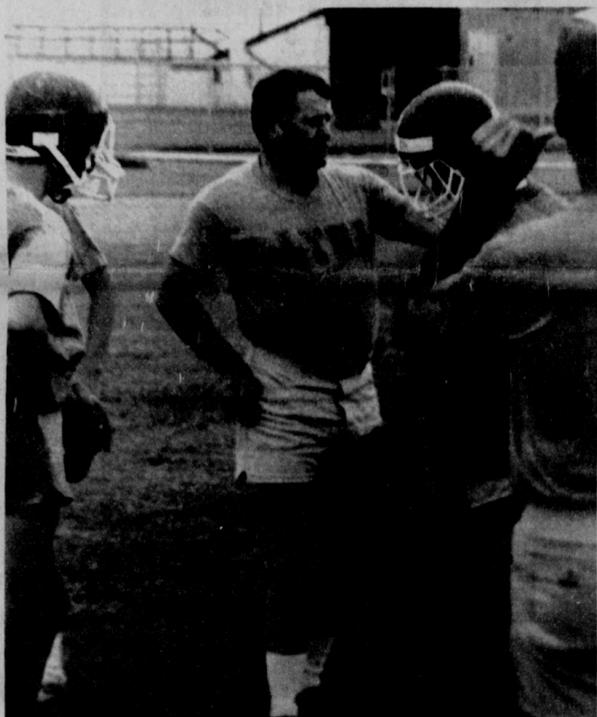

They'll be on the road Sept. 11 when they go to Hooker, Ok. again for an 8 p.m. game. Then it's back to Spearman for the final non-conference game of the season as the Lynx host the Sunray Bobcats.

District 1-AA competition opens on the road with Spearman going to Stratford to face the Elks in the 1-AA opener for both clubs, Sept. 25.

Oct. 2 will find Spearman hosting White Deer. This game will be followed by an open date the next week.

After the lay off, the Lynx will travel to Gruver to take on the

See "LYNX", p-2

SPEARMAN LYNX HEAD MENTOR Don Mullins instructs his charges during practice sessions at Lynx field this week. The gridiron hopefuls will don full pads Friday for their first day of contact work, then will host a special Parent's Night Saturday evening at 7:30 in the Lynx Stadium.

## New city budget nears record \$2-million

Spearman city councilmembers got their first look at a proposed budget for the 1987-88 fiscal year Tuesday night with projections calling for an increase in the tax rate from the current \$.68 per \$100 valuation to \$.7405, a difference of 6.05 cents.

Expenditures for the next year were targeted at \$970,333 for the general fund and \$1,026,864 for the city's services which include gas, sewer, and water departments.

Total expenditures for the 1987-88 year will amount to slightly under \$2-million with tax-generated revenues of \$345,674 based on the \$.7405 rate.

Murray also noted that fees for sanitation services would increase by 12 percent under the proposed budget. Residential rates would go from the current rate of \$5.35 to \$6 per month. Commercial rates, which vary according to the sum of containers required, will also increase by the same 12 percent, he notes.

Revenue from a host of sources -- including the one percent city sales tax, numerous fees and utility revenues are expected to bring in the remaining funds necessary to operate the city government, re-

ports Jim Murray, city manager. Murray also recommended to council members that a study of the city's pay scale be made by Stephens Management Consultants, a firm hired several years back to perform a similar study for the city government.

"Rather than an across the board pay raise, I feel any inequities which might exist can be located and corrected by an outside firm," Murray stated.

While the budget presented to councilmembers at Tuesday night's regular meeting did not reflect any pay raise, a \$30,000 float was built in by the city manager in the event a pay raise is granted by the city commission.

Capital expenditures are at a minimum in the 1987-88 budget with two new vehicles -- one for the police department and a pick up for city crews -- the main items on the list. Also included is the city's share of the purchase of a new fire truck.

Commissioners are expected to study the budget and hold their first public hearings at the next regular meeting, scheduled for

See "CITY BUDGET", p-2

RAE LYN SCRIBNER

## County raises tax rate

Hansford county commissioners tacked on an additional 4.4 cents to their existing tax rate and voted to levy an additional \$5 vehicle licenses tag fee during their meeting Monday at the Hansford County courthouse.

The tax increase brings the 1987-88 tax rate to \$.33.37 per \$100 valuation and is expected to raise some \$1.151 million in revenues for the upcoming year.

The \$5 tag fee will provide another \$27,000 for the upcoming tax year which will have only nine months in the fiscal year. The new fee goes into effect Jan. 1, 1988.

Thereafter the \$5 tag fee is expected to raise some \$37,000 annually, reports county judge R.L. McClellan.

Expenditures for the 1987-88 fiscal year are budgeted at \$1,758,643 with the difference between the expected tax revenues and the proposed expenditures to be made

up from fees and fines collected by the different agencies within the county.

In other action, commissioners gave sheriff R.L. McFarlin the green light on purchase of a new typewriter, but tabled action on radios requested by the sheriff when the disparity between a pair of bids could not be answered by the sheriff. No representatives from either firm bidding on the radios were present for the commissioner's court to question.

Commissioners also passed a resolution supporting a regional drug law enforcement agency which would be provided by the Panhandle Regional Planning Commission and Amarillo law enforcement agencies.

The Hansford court joins both Gruver and Spearman city commissions who have already endorsed the proposal.

# Double Ring Ceremony

Jean Davis, daughter of Mr. and Mrs. Jim O. Davis and Ricky Bracy, son of Mrs. Joe Whitefield of Iredell, were united in marriage last Saturday, at 3 o'clock in the afternoon. The Rev. Russ Gibbs read the double-ring ceremony in the sanctuary of the First Baptist Church.

The couple exchanged vows before an altar area featuring candelabra holding ivory-white cathedral candles standing amid greenery and decorated with arrangements of candlelight satin bows.

The pew decorations also featured candlelight satin bows and the brides colors, apricot and azure.

Mrs. Neil Pack, organist, presented a prelude of traditional wedding selections and accompanied Mrs. Russ Gibbs as she sang "Household of Faith" for the candlelighting portion of the ceremony. Mrs. Gibbs sang "The Wedding Prayer" later in the ceremony.

Candles were lit by Luanne McClellan of Granbury and Nan Vanderburg of Dalhart, cousins of the bride. Both were attired in floor-length gowns of apricot taffeta.

Escorted to the altar and given in marriage by her father, the bride wore the bouffant veil of imported candlelight illusion and the formal wedding gown of candlelight peau de soie worn by her mother on her wedding day.

Jan Davis attended her twin sister as maid of honor and Jana Callaway and Jill Callaway of Amarillo, twin cousins of the bride, served as bridesmaids.

Junior bridesmaids were Elesha and Keesha Whitefield, sisters of the groom.

Barney Stagner of Houston served as best man and James Davis, brother of the bride, and Ronnie Whitefield of Stephenville, brother of the groom were groomsmen. Ushers were Troy Vanderburg of Dalhart and Tim Vanderburg of

Mrs. Ricky Bracy

Dalhart, cousins of the bride, and Ron Manchester of Houston. All wore grey tuxedos.

Wedding guests were registered by Mrs. Hank Sutterfield of Amarillo and Kristen Jacobson of Plano.

Following the ceremony a reception was held in the fellowship hall.

Nan Vanderburg, Luanne McClellan, Kristen Jacobson and Bet-

ty Sutterfield assisted with the serving tables.

The bride is a graduate of Spearman High School and Texas Tech University where she received her B.S. degree in Elementary Education this summer. She is currently employed by Ralls I.S.D.

The bridegroom graduated from Iredell High School and is attending Texas Tech University majoring in Agricultural Education.

# Patterson-Serafino vows exchanged

Wedding nuptials for Brenda Jonette Patterson and Chuck Serafino were read in ceremonies July 25, Dr. Dudley Dancer officiated. The nuptials were held at Highland Park United Methodist Church in Dallas.

The former Miss Paterson is the daughter of Mrs. Patricia Cator Patterson of Santa Fe and John Bailey Patterson of Houston. The

groom's parents are Mr. and Mrs. Charles Serafino of Houston.

The bride escorted by her father wore a formal silk taffeta gown embellished with beaded French Alencon lace trim. The full circular gathered skirt flowed from an elongated waistline into a scalloped lace-edged hemline. Beaded lace appliques adorned the skirt and cathedral train that was accented with a waist bow.

Mrs. Dana Christian was matron of honor. Bridesmaids were Andrea Winters, Mary Bode, and Susan Maher.

Mr. Charles Serafino, father of the groom, served as best man. Groomsmen were Tony Kinney, Kyle Whisman, John Maher. Ushers were Chris Kouros and Pete Zummo.

Candlelighters were Tamisha Underwood and Gwen Gallagher. Flower girl was Melissa Maher, ring bearer was Christopher Underwood.

Attending from Spearman were Pat, Cathy, and Travis Patterson, Larry, Lori and Bruce Scroggs and Brenda's grandmother Maudine Patterson.

The bride graduated from Service High School in Anchorage, Alaska and Trinity University in San Antonio. She attended SMU Law School in Dallas, and is an

attorney at Smith, Underwood & Hunter in Dallas.

The groom graduated from Stratford High School in Houston, and graduated cum laude from Princeton, New Jersey. He attended SMU Law School in Dallas and is an attorney at Vial, Hamilton, Koch & Knox in Dallas.

The couple honeymooned in California and Hawaii.

After which they will reside in Dallas.

# Gladiola club has meeting

The Gladiola Flower Club met this week in the home of Nan McCloy. Tentative plans for the annual home tour were made with the first week in December slated for the event.

Wild flower reports were given by Kathleen Sutton and June Jackson. Sutton reported on the water lily while Jackson spoke on the large-headed sunflower.

Judy Martin was awarded both the Home Grown Arrangement and Specimen honors during the meeting.

Nancy Blocker of Sunray was a guest on hostess Nan McCloy. Mrs. Blocker presented the program, entitled "Oriental Flower Arrangements".

Members present included Allen, Berner, Buzzard, Cummings, Davis, Evans, Flowers, Haner, Hergert, Holt, E. Jackson, J. Jackson;

Kunselman, Larson, Martin, Smith, Sutton and the hostess, McCloy. The club's annual picnic will be held Aug. 20 at the home of Tom and Kathleen Sutton.

# Booster club to organize

The Spearman Lynx and Lynx Athletic Booster Club will hold an organizational meeting Thursday evening at the Spearman High School.

The meeting will begin at 7:30 in the Home Ec room in the high school building, report supporters of the Spearman Booster group.

"It's important that we have as many people out as possible, for our organizational meeting," they note.

# Commodities distribution

U.S.D.A. Surplus Commodities will be distributed on Wednesday, August 19, from 1 to 5, in the County Judge's office at the County Courthouse in Spearman.

Eligibility to receive commodities is based on income and size of household. Proof of income is required for new applicants.

Those receiving A.F.D.C. (Aid For Dependent Children); Food Stamps; M.A. O. (Medical Assistance Only); and S.S.I. (Supplemental Security Income) are automatically eligible upon proof of receipt.

# Notice of 1987 Effective Tax Rate for PALO DURO RIVER AUTHORITY

The purpose of this notice is to inform you about your taxes. The 1987 effective tax rate is a tax rate that would levy the same amount of operating taxes the taxing unit levied last year on property taxed in both years, plus the amount the unit needs to pay certain long term debts this year. The rate is calculated as follows:

1986 total tax levy:	\$	193,560	
Less taxes for 1986 debt, 1985 appraisal roll errors, and adjustments for lost value:	-\$	252	
Equals adjusted 1986 maintenance & operations levy:	-\$	193,308	
1987 total tax base:	\$	1,433,464,170	
Less adjustments for value of new property:	-\$	27,962,444	
Equals adjusted 1987 tax base:	-\$	1,405,501,726	
The adjusted 1986 levy divided by the adjusted 1987 tax base and multiplied by 100 equals the effective maintenance & operations tax rate:	\$	.013753	/ \$100
Plus rate to correct for appraisal roll errors:	+\$	-0-	/ \$100
Plus rate needed to pay debts and obligations:	+\$	.030083	/ \$100
Equals 1987 effective tax rate:	-\$	.043836	/ \$100
1987 effective tax rate:	\$	.043836	per \$100 of value
The maximum rate the governing body can adopt without publishing notices and holding a hearing is:	\$	.045151	per \$100 of value
The maximum rate the governing body can adopt before taxpayers can initiate rollback petitions is:	\$	.047342	per \$100 of value

This notice contains a summary of the calculations used to determine this year's effective tax rate. You can inspect the full calculations at HANSFORD CO. TAX OFFICE, SPEARMAN, TEXAS

### SCHEDULE A: Unencumbered Fund Balances

This taxing unit estimates that the following balances will be left in the unit's accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Fund	Balance
MAINTENANCE & OPERATION	\$ 254,925
INVESTMENTS	\$ 3,004

### SCHEDULE B: 1987 Debts Paid From Property Taxes

This taxing unit estimates that the unit will pay the following amounts out of property tax revenues for long-term debts that are secured by property taxes.

Description of Debt	Principal or Contract Payment to be Paid	Interest to be Paid	Other Amounts to be Paid	Total Payment
BONDED INDEBTEDNESS	\$ 65,000	\$348,984	-0-	\$ 413,984
Total Amount Required for 1987 Debt Service				\$ 413,984
Less Amount That Will Be Paid From Funds Listed in Schedule A				-\$ -0-
Total To Be Paid from Property Taxes This Year				-\$ 413,984
Amount Added in Anticipation That the Unit Will Collect Only 96 % of its Taxes in 1987				+\$ 17,249
Total Debt Tax Levy				-\$ 431,233

### RIG COUNT COMMENTS FROM T. BOONE PICKENS, JR.

July 31, 1987  
U.S. RIG COUNT:  
Week July 27, 1987 Count 917  
Change From Previous Week  
Down 5

**comments:**  
Oil analyst Sanford Margoshes notes that the second-quarter results of oil companies indicate that the industry is now in transition. "It's moving back to higher levels of profitability from the disaster of last year," he said.

Margoshes added that, despite the relatively poor showing of the refining and marketing units of major oil companies, the earnings of those units should improve in the third and fourth quarters. The reason is that, as crude oil prices remain between \$18 to \$20 a barrel, oil companies will gradually pass on those increased costs to consumers.

Last month, the average retail price of gasoline in the U.S. edged over \$1 a gallon for the first time since January 1986, and many industry analysts expect it to increase further because gasoline demand has thus far significantly exceeded expectations.

### NEW LOCATION, COMPLETION & PLUGGING REPORT

**Intentions to Drill**  
Week Ending August 6, 1987  
**CARSON [PANHANDLE]** San-Ora Production Co., #12 Barnard (260 ac) 1650' from South & West line, Sec. 23,4,1&GN, 4 mi northeast from White Deer, PD 3400', start on approval (Box 779, Pampa, TX 79066)

## SOLVE THE NEW TAX LAW MYSTERIES. ENROLL IN H&R BLOCK'S 1987 TAX COURSE!

Interested in learning which tax laws change and which will remain the same in 1987? Want to gain some tools for dealing more effectively with new rules and regulations?

Enroll in the H&R Block Income Tax Course. Learn how to cope with the tax law changes and use them to your advantage. Find out how you can save money on your taxes during 1987.

The 13-week basic course starts on September 1 with evening classes at our Perryton location. Course works covers all aspects of tax preparation including the changes in tax laws affecting 1987 returns. Experienced Block instructors will teach tax law, theory, and applica-

tion. In addition, you receive hands-on experience in preparing individual returns.

Qualified course graduates may be offered job interviews for positions with Block. However, Block is under no obligation to offer employment, nor are graduates under any obligation to accept employment with H&R Block.

One low fee includes all materials, supplies and textbooks. Successful course graduates receive a Certificate of Achievement and 7.5 continuing education units.

Contact the H&R Block office at 111 S. Main, Perryton, 435-5616 for more information and a registration form.

**Special Notice**

**NOTICE TO BIDDERS**  
Notice is hereby given that the City of Spearman, Texas, will receive sealed proposals for the depository and custody of the City funds from any banking corporation, association, or individual banker doing business within the City of Spearman, on September 4, 1987, at 10:00 a.m. at City Hall. Any banking corporation, association, or individual banker doing business in the City of Spearman desiring to submit a proposal to be designated as the depository for the funds of the city of Spearman shall deliver to the City Manager, on or before the date and time specified, its proposal for depository and custody of such funds, which must be accompanied by a statement of assets and resources of the applicant. The proposals must comply with the applicable statutes and be subject to the laws governing depositories.  
The City of Spearman reserved the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the City. All bids received after the above closing hour will be returned unopened.  
Specifications and bidding documents may be secured from the office of the City Manager, P. O. Box 37, Spearman, Texas 79081.
