## Heavy Snow

Heavy snow began falling in Hansford County on Tuesday, March 17, 1987 St. Patrick's Day. The snow fell so hard that many thought it was green snow commemorating St. Patrick's Day.

Approximately 4 to 6 inches of snow fell Tuesday morning by noon. It was still snowing extremely hard at 1:30, press time Tuesday afternoon.

Many schools are being cancelled in the Guyman, and Boise City, Okla-

homa area. Probably many more schools will be cancelled by Wednesday morning if the snow continues.

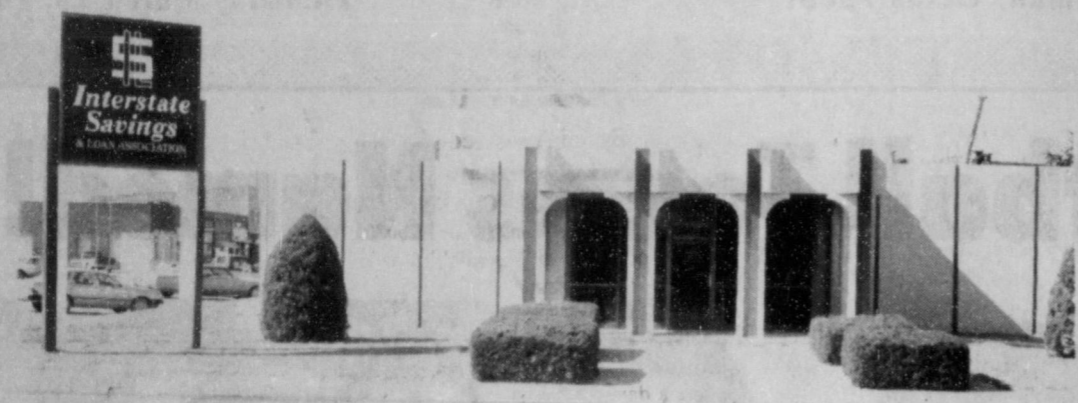

The Spearman schools were dismissed at 2:00 p.m. Tuesday because of the heavy snow. .75 inch of moisture fell in the Spearman-Gruver area Monday night and early Tuesday morning before the rain turned into heavy snow.

Four wheel drives are in demand.

# Interstate Savings & Loan

Pictured is Interstate Savings and Loan and its fabulous staff. Pictured l-r are: Vera Mae Hays - Teller; Robert Queener - Vice presi-

dent of Spearman office, and also Manager of this branch; D'Anda Widener - Loan Service Officer; Linda Close - Teller; and Alton Garner -

President of Association in Perryton Office.

In 1972, the officers of Interstate Savings & Loan Association saw the needs of mortgage borrowers in Hansford County and opened a branch office in Spearman. G.K. Rupprecht was the branch manager until his death in 1974 and was succeeded by Eddie Limbocker in 1975. In 1979, Robert Queener was hired as a loan officer and was promoted to Vice President and branch manager when Eddie retired in 1980. Interstate Savings and Loan offers their customers savings and checking accounts, mortgage loans and home improvement loans. Currently Interstate has three employees in addition to Robert; two tellers, Vera Mae Hays, who has been employed at the Spearman office since 1972 and Linda Close who has been employed for one year. D'Anda Widener has been employed for five years and is in the loan services department. The staff at Interstate Savings invite you to come by and let them assist you in any way.

Robert Queener was born in Memphis, TX and moved to Perryton in 1955. After graduating from high school in Perryton, he attended college in Alva, OK for three years. He moved to Scott County, Tennessee in 1972. While living in Tennessee, he was employed at the First National Bank of Oneida for 2 years and at Daugherty Bros. Coal Company for 2 years. After completing his degree in Business Administration at Cumberland College in Kentucky, Robert went to work as the Business Manager at the Scott County Hospital. While employed at the Hospital, he met and married Cora, who is the manager for the Spearman Chamber of Commerce. In December, 1978 the Queener family moved to Spearman. They are the parents of four boys: Adam-11, Damon-11, Benjamin-10 and Loren-6.

Robert is an active member of the Spearman Lions Club, having served as club president during the 1979-80 year, and he received the "Lion of the Year" award in 1984-85. Robert and his family are members of the First Baptist Church and he currently serves on the Board of Trustees and sings in the choir. With three of his children involved with Cub Scouts Robert stays active helping with scouting projects. He has served five consecutive years as a Director of the Spearman Chamber of Commerce and in his spare time enjoys horseback riding with his children, remodeling houses and "visitin'".

The Spearman Chamber of Commerce would like to thank Robert Queener and Interstate Savings and Loan for the support they have shown the Chamber of Commerce for the past 15 years.

## Among The Neighbors

Two inevitable signs of spring made their appearance here last week. The dandelions began to show their yellow faces, and Bruce and Freda Sheets reappeared on the scene. They had spent most of the winter at Rock Port near Corpus Christi and wintered well and caught their share of big fish. They say it is good to be at home again and greet old friends; they even might tolerate the spring winds.

Dr. and Mrs. Earl Novak attended the funeral of Ben Yanda in Yukon, Oklahoma on Thursday. Mr. Yanda, 75, died on the 10th after a lengthy illness, and had been bedfast. He had visited in Spearman many times.

Earl's mother, Francis Yanda, was unable to attend the services as she is in the Baptist Hospital in Oklahoma City, and was to undergo surgery on Monday. The Novaks' children, Cindy from Utah and Hunter, from Dallas, also attended the services.

Mr. and Mrs. Ray Martin spent a pleasant week-end in Dallas. Their main enjoyment was being with their daughter, Mary Ann. They did see some shows and ball games.

The W.R. Greevers are at home after a three weeks trip to south Texas. They visited friends in Mission, then to San Benito where they enjoyed seeing the Dossetts. Sarah and Buddy and his family are all fine, and Lawrence seems to be fairly well.

The Greevers went to San Antonio for a stay with their daughter and family, the Leslie Reynolds, returning by way of Jayton and a visit with other friends there. They had spent some time on Padre Island and left just as the college students on spring break began their annual influx. Eulalie doesn't report just how much difficulty

she had in getting W.R. away from the beach and its attractions at that time!

Mrs. Sue Carpenter and her daughter, Mrs. Sharron Cavalier of Belton, Missouri spent several days this week with Mr. and Mrs. Woodrow Fulkerson and the Earl Novaks. Mrs. Carpenter is a daughter of the Fulkersons.

Bethany Laversdorf and son, Dale, from Houston are here visiting her father, Oscar Donnell, grandparents-Bill and Ruth Huttoon and other relatives. She is on Spring break from Houston where she teaches.

The Spearman citizens of the village of San Carlos, Old Mexico, returned last week and resumed their citizenship in Hansford County. Those reporting in are the Fred Holts who have wintered in San Carlos for 20 years, and the Robert Novaks, who have gone for 17 years. This little village is about ten miles from Euaymas, and is on the west coast of Mexico off the Sea of Cortez. San Carlos consists largely of Americans, American bank and stores. It has been the subject of a Jacques Coustou documentary with the marvelous beaches, fishing and swimming. However this year it was some colder than usual, with the rare snows in Arizona, just to the north. All the tomatoe crop was ruined.

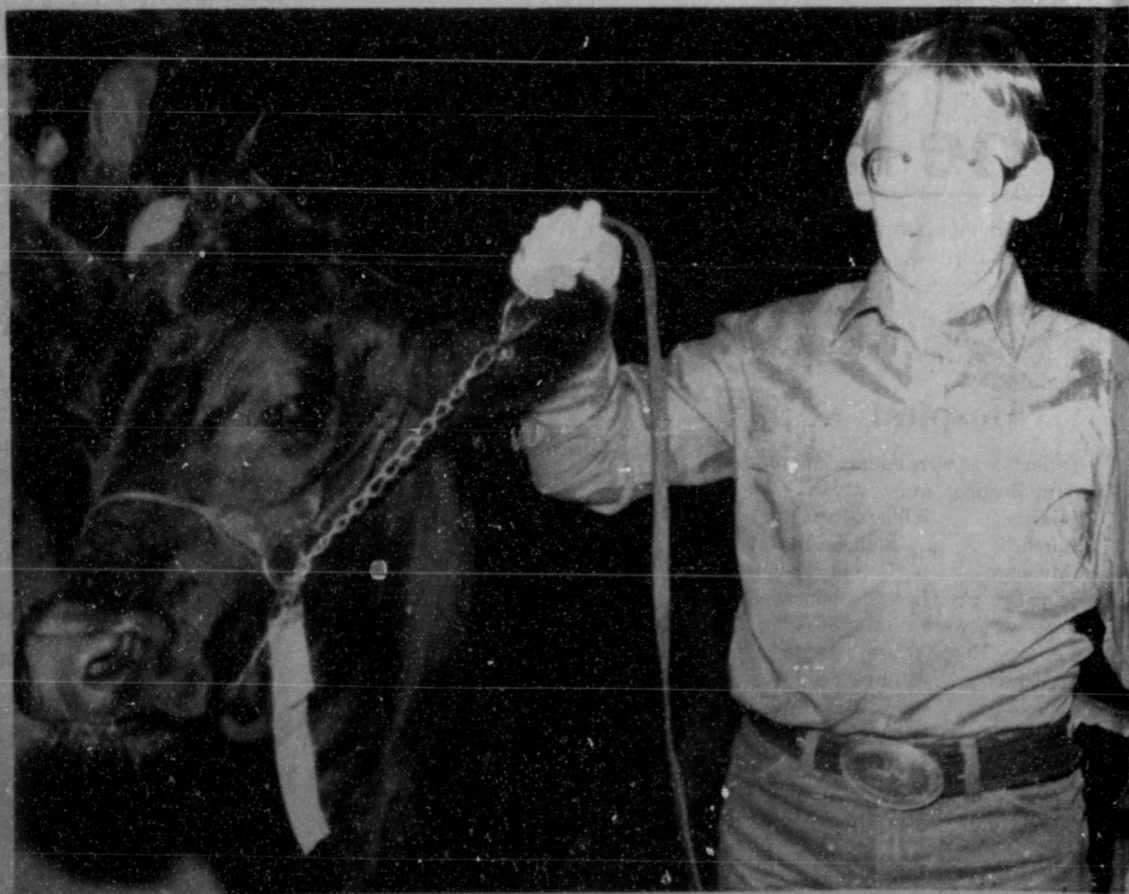

Several families known in Spearman were there also. They are the in-laws of the Novaks daughter-the Ralph Rentfrows from Davis, Oklahoma, former residents of Morse; the Delbert Sagers of Balco and the Dick Naylors of Perryton.

## To God A Note of Thanks

by Mrs. E.A. Greever

Friends when waking from a perfect night's rest on March eleventh (11th) nineteen hundred eighty seven a sweet spirit filled and surrounded me. 'Twas the Holy Ghost sent down from heaven. It seemed throughout the morning hours I was lifted to a heavenly sphere. Though surrounded on earth by darkness and sin His sweet presence was so very dear. Without Christ's blood shed at Calvary that had cleansed my life from all sin I know this wonderful unseen Guest could never have entered in. Oh how marvelous to live in heaven below. Oh My desire and prayer Lord today by your grace may I never grieve Him away to live in his presence I pray.

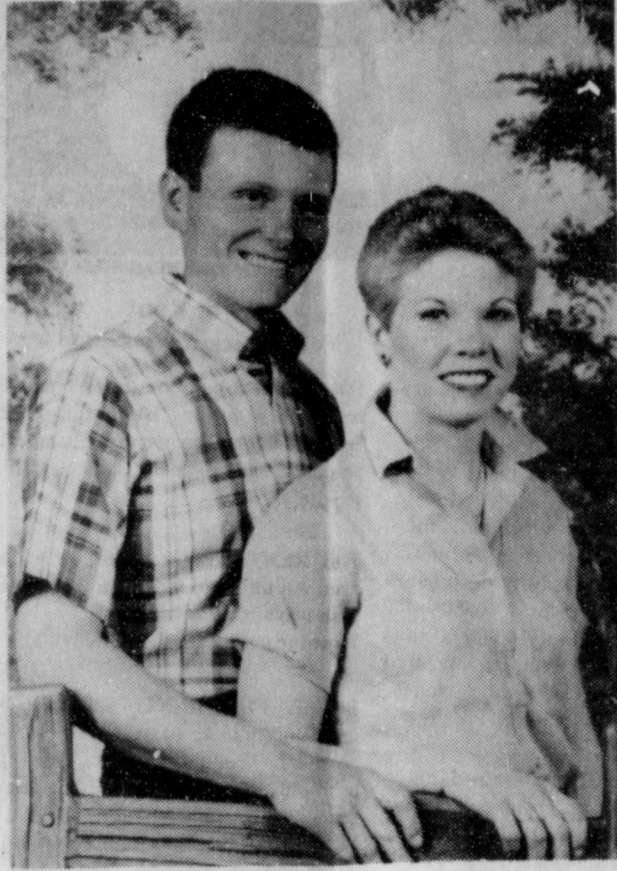

Lord I need Him when sadness comes my way for a Comforter He has promised to be. I need Him to guide into all your truth to help me show others the way.

While I'm living in a world of sin and strife waiting for the change to immortality when He, the Holy Ghost is lifted from earth may I be ready for this reality.

This experience being mine this week, I have been made to feel it would be profitable to hear some of God's word about the Holy Ghost and the need of Him in our life as God's children. In John chapter 16; Jesus tells His followers He is going to Him (God) that sent Him. Nevertheless I tell you the truth it is expedient for you that I go away for if I go not away the comforter will not come unto you but if I depart I will send Him unto you and when He is come He will tell of all things I have told you. He will reprove the world of sin and of righteousness and of judgment. Of sin because they believe not on me of righteousness because I go to my father and ye see me no more of judgment because the Prince of the world (Satan) is judged. I have yet many things to say unto you but ye are not able to bear them howbeit when He the spirit of truth is come He will guide you into all truth for He will not speak of Himself but whatsoever He shall hear that shall He speak and He will show you things to come. He shall glorify me for He will receive of mine and will show it unto you. John 14: 26. But the Comforter which is the Holy Ghost

whom the Father will send in my name, He shall teach you all things and bring all things to your remembrance whatsoever I have said unto you. So beyond a doubt the Holy Ghost must abide for we mortals to teach and preach Christ. When Jesus walked among the people He spoke their sins forgiven and in John 15: 3-4; He said to His disciples now ye are clean through the word which I have spoken unto you. Abide in me and I in you, this same experience we must have by His blood shed at Calvary. A surrendered life sanctified made holy. The Holy Ghost could not or would not abide in an unholy body. We can plainly see they were cleansed from all sin before He told them to tarry for the Holy Ghost, and all must be since He shed His blood and went back to the Father. The beginning of the Holy Ghost dispensation of time we read about in Acts the second chapter. They and we by Jesus Word have been warned to beware of false teachers prophets and Christs who have a form of godliness for righteousness who deny the power there of so unless we enter in through the door (Jesus) we are in danger of false teaching for He is the truth life and way. The only evidence when the Holy Ghost comes in our life is that we speak in another tongue and we certainly have to stay free from all sin for Him to continue to abide. Friends in our study of Acts the second chapter the very first verse tells us they were all in one accord in one place. (Accord- In mutual agreement yes perfect harmony and in one place) What a drastic change we can see all about us and it is the same anywhere we may chance to go. How could this be brought about since there is only one God the Father and His word is forever settled in heaven one Saviour Jesus Christ that the word declares is the same yesterday today and forever one Holy Ghost one narrow road that leads to life everlasting and one broad road to destruction. To me beyond a doubt it is only reason it could be brought about by the doings of man. In John chapter 17 we read Jesus prayed for all of us the Father gave Him that we be one even as He the Father are one.

## American Lung Association

The American Lung Association of Texas has set aside the month of March to remind women who smoke during pregnancy that they are smoking for two: Their unborn babies and themselves.

Studies covering 500,000 births have shown that a woman who smokes during pregnancy significantly increase her risk of having a miscarriage a stillbirth, a premature baby or a baby with low birthweight. The newborn infant faces increased risks from respiratory disease syndrome and Sudden Infant Death Syndrome. In addition, children of smokers tend to be smaller and shorter and have more respiratory ailments and to score lower on math and verbal tests than children of nonsmokers.

The Lung Association has an information kit for pregnant women who smoke. Questions such as: "What are some specific effects of smoking during pregnancy?" are answered in the comprehensive question and answer portion of the kit. The kit will be distributed free-of-charge during March and April.

Workshops for nurses and other healthcare professionals will be held around the state. Physicians will present physiological information concerning smoking during pregnancy. Each hospital or clinic represented will receive extensive information and materials to be used when counseling expectant mothers about the hazards of smoking.

For more information about smoking during pregnancy contact the American Lung Association of Texas, 3520 Executive Center Drive, Suite G-100, Austin, Texas 78731-1606 or call toll-free 1-800-252-LUNG.

CRY FROM THE MOUNTAIN, an adventure film from World Wide Pictures, centers around Larry Sanders and his 10-year-old son Cal who are on a camping trip in the Alaskan Wilderness. It was to be the last trip they would have together before Larry and his wife Carolyn got a divorce. Majestic scenery, a life-threatening accident, an old hermit and encounters with wild animals combine to make this a spellbinding film.

James Cavan, Wes Parker, Rita Walker, and Chris Kidd head the cast of this feature, which was filmed on location in Alaska.

Cavan, who portrays the hermit living in a deserted mining camp, is a

veteran actor with vast experience in stage, television and film. He has done more than 40 commercials and played in such television shows as "Dukes of Hazzard," "Remington Steele," and "St. Elsewhere."

Parker has made more than 35 national commercials and his work in film and television include the "James Dean Story," "Paradise Cover," "All That Glitters," and "Gibbsville." Prior to acting, he had a successful career as first baseman for the L. A. Dogers.

For over 12 years, Rita Walter played "Carol" on the soap opera "As the World Turns."

Chris Kidd makes his acting debut in CRY FROM THE MOUNTAIN.

Chris is fifth grader at St. Mark's Episcopal School in Altadena, California.

World Wide Pictures is the film organization of the Billy Graham Evangelistic Association; and the renowned evangelist is featured in the film from his Anchorage, Alaska Crusade.

CRY FROM THE MOUNTAIN, a World Wide Pictures presentation, stars James Cavan, Wes Parker, Rita Walker, and introduces Chris Kidd. The screenplay was written by Daniel L. Quick and directed by James F. Collier. Coleen Gray and Allison Argo are also featured in the film, produced by William F. Brown.

Formula for a good leader: Be ready to listen, be thoughtful, be prompt, be generous, and be resourceful. This should apply in Rotary and in the everyday world.

An Economic Principle of Happiness: George Bernard Shaw said:

"We have no more right to consume happiness without producing it than to consume wealth without producing it." Some of our most successful community projects have been those which put this principle into action.

Broadly speaking, community service embraces everything Rotarians and Rotary clubs do to help improve their communities. It is guided by resolution 34, adopted in 1923 by the international convention. In summary the resolution says: What is the job that needs doing? Is there a community agency which can do the job? If so, cooperate and strengthen, don't duplicate. If not, start the ball rolling with the appropriate project which may in time generate its own agency.

## Farm Bureau News

Texas consumers and homeowners would be the eventual losers and out-of-state banks could be big winners if a home-equity loan law is passed by the Texas Legislature, according to S.M. True president of the Texas Farm Bureau.

"Farmers and ranchers know all too well the pain of losing their property to bank foreclosure and this proposed law could worsen the predicament of rural and urban homeowners in tough economic times," he said.

Members of the state's largest farm organization have repeatedly voted approval of the restrictions on home-equity loans in Texas. State law prohibits lending institutions from using a homeowner's equity as collateral except for a home improvement loan.

"Now that out-of-state banks can do business in our state, a Texan could be foreclosed on by a New Jersey bank holding his home as collateral," True said. "The interstate banking community sees Texas homesteads as an untapped source of capital."

The elderly, especially, are concerned about losing this homestead protection law because they fear becoming prey to unscrupulous lenders or even to a family member

wanting money. True said.

One provision of the bill limits the amount a homeowner could borrow to 80 percent of his home's appraised value, yet in a foreclosure he could lose 100 percent of his home, the farm leader said.

"The Texas Farm Bureau feels that the homestead protection against second mortgages has served Texans well and we are opposed to changing it," True said.
