Heinrich's Excel Chevrolet-Olds Grand Opening Graduation Programs

Gerald Heinrich's Excel Chevrolet-Olds, Inc., on State Highway 207 South in Spearman, is holding grand opening activities May 19-21 featuring a number of special items for this event, complimentary coffee and cakes and some prizes for which one must register but none is present to win.

Heinrich is the new owner, the proprietorship of the dealership having changed hands earlier this year, and he invites everyone to come in and meet him as the host of the friendly folks who staff the largest new and used car dealership in this area.

As featured grand opening special during the three days, the firm is spotlighting a Delta 88 Oldsmobile, a Monte Carlo, a Camaro Sports Coupe, a Half-ton Chevrolet pickup truck and a Libra custom van. Additional details about these vehicles can be found in the advertisement elsewhere in this newspaper.

Special trade-in allowances on quality used cars in stock are being offered during the grand opening.

The giveaways include some boots on May 19, a 40 channel CB radio on May 20 and 100 gallons of gasoline on May 21.

As authorized General Tire dealer in this area, the firm offers complete vehicle service. Grain trucks are rigged and ready to go.

A grand opening special for General Motors cars only, on a first come, first served basis between 8 a.m. and noon May 21 is an oil change, filter and lube job for \$9.99. The special calls for a five-quart oil change, a new oil filter, proper chassis lubrication and a check of differential and transmission fluids.

In inviting everyone to participate in this three-day grand opening event, Heinrich noted that "We're in business because we make good deals."

Lady Fair, the store in the Plains Shopping Center on State Highway 207 South in Spearman specializing in women's wearing apparel, is holding its grand opening sale.

Featured during this event are graduation gift ideas, a group of summer jewelry and other items.

Summer merchandise is

being featured at 20, 30 and 40 percent off, according to the announcement from the trio of owners, Mrs. Clark Mires, Mrs. Bill Pittman and Mrs. Frank Pittman.

The new owners of the store took over May 5. They are all residents of Spearman and vicinity, acquiring the retail outlet from Mrs. Lloyd Buzzard and

Mrs. Sonny Windom. Name brands such as Dalton, Intuition, Therna-Jac, Naris, Johnathon Logan, Tami, Levi's, Young Society and Vanity Fair are featured lines.

High winds, ominous storm clouds and some rain did no damage in Spearman Tuesday.

Members Praised For Behavior

Editor's Note: The following letter was received by Superintendent James Cunningham of Spearman Schools from the Inkeeper at Holiday Inn in Arlington where members of the Spearman Lynx Bands stayed during their recent visit at Six Flags.

Dear Mr. Cunningham: During the spring of each year we host numerous high school groups coming into the area for band festivals, senior trips, etc. The majority of the groups cause problems for us due to their often complete vehicle service. Grain trucks are rigged and ready to go.

However, Spearman High School was the exception. They were well disciplined, polite, and behaved like adults. In addition, I would like to commend Vic Kyles and the other chapters for the fine job they did in supervising the group.

Spearman High School was definitely a breath of fresh air and a pleasure to accommodate. I hope they will stay with us again soon. Sincerely, Steven D. Jorns, Inkeeper

Tax Rebate Checks Mailed

A check in the amount of \$4,232,857 Spearman and one in the amount of \$1,348,75 for Gruver are among the monthly city sales tax rebate checks totaling \$2 million mailed out by the office of State Comptroller Bob Bullock to 867 Texas cities and towns that assess the one per cent sales tax.

The May checks bring to \$235.3 million the total rebates for the eight months of the current fiscal year, a \$4 million increase over the same period for fiscal 1976, Bullock said.

But he cautioned that the 23 per cent increase is somewhat misleading. "The May rebate check actually covers collections for a five week period instead of the usual four weeks, so the June checks obviously will be smaller," he said.

The net payment to Spearman is ahead of the \$2,634,61 payment for the same period last year. Payments to date to the city for 1977

amount to \$34,277.75, up from \$31,834.54 for last year at this time.

The net payment to Gruver is off from the \$2,118.93, just a year ago. Payments to date to Gruver for 1977 amount to \$7,705.04, just about equal to the \$7,575.16 payments to the city last year at this time.

Bullock said that procedural changes have resulted in a substantial increase in early filings by sales tax permit holders, also inflating the year-to-date total.

Even so, Bullock said state and local sales tax collections are growing at a rate well ahead of the national average, reflecting the muscle of Texas' economy.

"We are confident that trend will continue," he added. As usual, Texas' largest city, Houston, gets the biggest rebate check \$4.8 million. Dallas will receive a check for \$2.3 million. San Antonio will get \$1.7 million and Fort Worth, \$924,257.

Drive-in Theatre Opening May 18

For theatre calendar watchers, that time is drawing nigh to the May 18 opening date for the 1977 season of the Holiday Drive-in Theatre on State Highway 207 South in Spearman.

The show begins at dusk with a donation for every night and four different shows each week, it has been announced by the manager, George Young. His wife, Virginia, will be in charge of the snack bar.

Young also announced that the theatre has new projection equipment for the benefit of patrons.

Rotary

The annual Spearman Rotary Club RYDE Auction, also called this year a White Elephant auction, conducted during the afternoon of May 15 in the 200 block of Main in Spearman was a success.

How much of a financial success it was will be announced at a later date as soon as the tally is completed on the items sold and the amount of the annual event to raise funds for youth work in Hansford County by the Rotarians.

Club members and auctioneers worked through the afternoon, selling the donations, ranging from a incinerator through household and automotive items of personal clothing, to the interested crowd which had gathered for the event.

HANSFORD ROUNDUP
May 30-June 4.

Mrs. Sam Graves recently returned from a two week visit with her son and his wife, Mr. and Mrs. Albert Graves, and her granddaughter and her family, Mr. and Mrs. Gary Walker and daughter Kristi, in Kawleigh, N.C. Debbie Graves of Boone, N.C. also visited in the home while her grandmother was there. Mrs. Graves returned via Oklahoma City where she spent a few days with friends before returning home to Spearman.

Swim-a-Thon Set For Saturday

The Spearman Swim Club will have its Swim-a-Thon this Saturday at 9:00 a.m. at the city pool. The funds raised from this effort will be used to support the local team. The funds will be also used to help the Swimming Pool Hall of Fame and the International U. S. Swim team. Another part of the funds will be given to the city for use to buy something at the pool. The teams part will be used for the summer program entry fees and travel. And also for the purchase of warm-ups for new members.

All girls will have a good enjoyable experience from being in the contest.

Applications to enter may be obtained from any Lin's Club member or at the principals office of both Gruver and Spearman. Miss America of '75, Shirley Colbran will emcee again this year. She was the emcee last year and was a big attraction and the Lin's Club members feel fortunate to have her coming again this year.

Contestants Sought

The time is now for girls to enter the Miss Hansford Contest which is sponsored each year by the Lions Club and held during the Hansford Roundup. A bigger and better contest is planned for June 4.

The theme for 1977 is "Rodeo & Fun" for the contestants. The girls will have an opportunity to perform as a group, with instruction from a professional instructor. Entertainment will be provided by known performers, from Dallas, Denton, Argyle, Gruver, and Spearman.

1977 Athletic Banquet

The 1977 Spearman High School Athletic Banquet was held Monday night and it was quite a program. The Rev. Russell Pogue delivered the invocation.

Coach Greg Sherwood introduced sports writer, Gret Von Netzer who presented a special award from the Amarillo Globe to the State Champion Lynettes. The only graduating Lynette, Carla Harper accepted the award, making the first of three trips Carla would make to accept an award. Lynette Coach Ralph Newton was introduced to present the Lynette awards. Carla Harper had no more to say when her name was announced again as the Outstanding Lynette. Coach Newton, who has recently been chosen as the Class 1-A Girls Basketball Coach of the Year, presented the Lynette Fighting Heart Award to Cindy Gressett. Then the tables turned as Lynette Coaches Ralph Newton, George Franklin, and Bill Hamilton received appreciation plaques from the Lynettes. Coach Sherwood then in-

roduced Lynx Basketball Coach Ed Moore to present the Lynx awards. Coach Moore has been an even better entertainer than he is a coach, and in particular, a stand up comedian.

The references he made to the Lynx basketball philosophy (or the lack of it) and some of his other comments kept the audience howling with laughter for twenty minutes. Coach Moore introduced Windy Williams to present the Outstanding Lynx Award recipient was really no surprise. It went to the High Grade Offense Award to Denise Ware. The Outstanding Lynx Track Award recipient was really no surprise. It went to the Purple Pride Award to Denise Ware. The Outstanding Lynx Football Award recipient was really no surprise. Coach Sherwood also recognized State Typing Champion Kristi Collier and junior teacher-coach, Mrs. James Robin Denham introduced the guest speaker, Head WTSU Football Coach Bill Yung. Coach Yung displayed his deep Christian Faith, enthusiasm, optimism, and humour all during his entertaining and informative speech. WTSU certainly could not have hurt themselves when they selected Valerie Hageman; and junior people displayed their support of WTSU with a standing ovation at the conclusion of Bill Yung's speech.

When We Care

Soil Stewardship Week - May 15-22, 1977

II CORINTHIANS 13:15 "Not boasting of things without our measure that is, of other man's labors, but having hope, when some faith is increased, that we shall be enlarged by you according to our rule abundantly."

Consider Why You Care

Why do you care about the place where you live?
 Why lend a hand when you've something to give?
 It's the sense of belonging; a matter of heart,
 It's the conscience within you that says: "do your part!"

Why do you care whether your child grows strong,
 Or learns the difference between right and wrong?
 It's the deep inner feeling we sometimes call love,
 That was born within you and comes from Above.

Why do you care about a neighbor's sorrow,
 Or join in working for a brighter tomorrow?
 It's the spirit of grace; your God-given soul;
 It's the love without which no man is whole.

Why do you care about the Commandments and peace?
 Why strive to add beauty and see kindness increase?
 It's part of the need to hold your head high;
 To give life more meaning as time goes by.

Why care about freedom and justice for all?
 Why so quick to defend when liberty calls?
 It's the devotion we owe to the land that we cherish;
 It's the American way we've sworn shall not perish.

Why care about wildlife, tall trees and good soil?
 Why worry about water that pollution can spoil?
 It's the force deep within you that says you should try
 To better the earth as you look to the sky.

"What's in it for me?" Is the selfish man's test
 And answers himself: "I couldn't care less!"
 No, we're not yet all brothers, sad to say,
 But your care can help, if you decide it that way.
 Consider why you care. Consider it well.

1 PET. 1:8 "For which the Lord the Lamb searcheth for the eyes of the Lord they find and always upon it, from the beginning of the sea even unto the end of the sea."

ST. LUKE 14:28 "For which of you, intending to build a tower, sitteth down first, and counteth the cost, whether he have sufficient to finish it?"

Many psychologists say that it's possible to prepare yourself in advance to cope with emergencies, such as the ones which can crop up while driving, by setting in your mind a specific plan of action and learning it until your reaction is almost automatic.

Many travelers feel more comfortable, psychologically, if they know there's a room waiting for them at the end of a day. So they make reservations at reliable places like a Holiday Inn, with its Holiday automatic reservation system and its standard of excellence.

Fight to the Finish

by Bob Fight

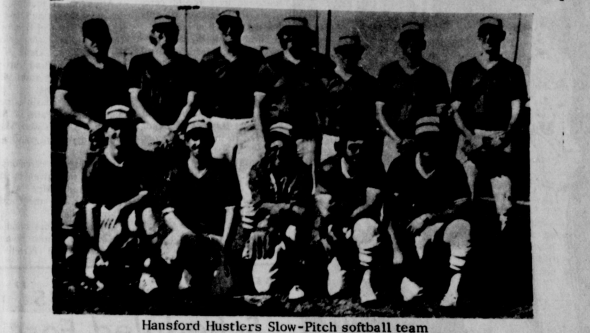

I've attended more banquets in the last few weeks than I have had an opportunity to in the past few years. The Athletic Banquet seemed to be a little different than the rest. The food was as great and the mood was tremendously humorous. All of the outstanding high school athletes received their due awards Monday night. I agree with the coaches that it's a shame every single sports participant can't receive an award. Carla Harper seemed to be very popular and I was glad to see an academic stand-out receive a word of recognition at an athletic banquet when Christy Coffey and her teacher-coach, Mrs. Jones, were acknowledged.

Bill Yung impressed me with his sincere Christian faith and determination. The man entertains, while at the same time he makes a lot of sense. Those who did not hear him talk are indeed fortunate. Coach Sherwood was certainly right when he said that WTSU did themselves a proud deed by hiring that man. It may take him a while, but I have no

With fuel prices at all time highs, and the prospect of even higher prices in the future, economy of operation has been put way up on the priority list of many prospective homeowners. Before a home can display this sign, it is checked by one of our representatives for features such as proper insulation, energy-efficient air conditioning and heating units, distances from water heaters to points of use such as laundry rooms and bathrooms, weatherstripping, just to name a few. You can help hold down the cost of operating your home if you look for the Energy Checked Efficiency Home sign before you buy. It's another service from your friends at

Typing 1 Classes Have Contest

On Friday Purple and White Day. Typing 1 classes divided into Purple and White Teams and played Typing Football. Students are issued a football field with rules to follow. Each play is a one-minute speed test and Coach Jones called the play to be either a pass or running play. Each type of play has a scale designed to tell each student the number of yards they made on each test. Example: 33 words a minute was 10 yards. If the student had a perfect copy; however students must deduct 2 yards from score for each error. If a player had 3

errors then, he fumbles and no yards could be gain. Students goal was to reach Touch Down Area and score 6 points for their team. At the end of the period an awards program was held and the following received the following honors:

being presented with one of three awards

The big, big moment last Tuesday when Kristi Seider put her hand into the ticket drum at the Southwestern Public Service lobby and drew three winning numbers for the three halves of beef—lucky ticket purchasers were Carroll Harper of Spearman; Mrs. Ted McClellan and Mrs. Billie Jo Chesser, both of Gruver. Alpha Mu Psi Beef Drawing Chairman Mrs. Tony Shapley aids pet Kristi in the drawing.

Beef Drawing Held

Three extra ordinarily lucky people in the area have "filled-with-beef freezers as the result of the \$2,089 Alpha Mu Psi Beef Drawing held this past Tuesday afternoon at the Southwestern Public Service Company lobby. Winners were Carroll Harper of Spearman, Mrs. Billy Jo Chesser and Mrs. Ted McClellan, both of Gruver. The Seider family was presented with the other half of beef plus a check for \$2,089. The Alpha Mu Psi Sorority would like to thank Cargill and DGC Feeders for donating the beef for the drawing and to Brown's Food Locker for processing one half of the three beefs for them, the Sorority standing the other half of the processing and the tickets for the drawing. The wonderful people of the area who were so very generous of course come in for a fair share of the appreciation. "Without the people behind us, we could do nothing," said Mrs. Tony Shapley, chairman of the Beef Drawing.

Can Girls Play Football?

The drums rilled and all the colorful gaiety was there. If one listened as he approached Lynx Stadium he may have thought it was another high school football game. When he entered the stadium, it became a different story. Everything seemed to be turned around. Boys were wearing cheerleader outfits, and when the teams (Cowboys and Indians) took the field they were made up of only girls.

The event was the "Powder Puff" football game and one could imagine what turmoil could come from a bunch of girls trying to play football. The girls took to the field, preparing for the opening kick off. Silence fell over the stands, and tension quieted those standing on the sidelines. The kicker sent the ball flying and the game was under way. Normal football game sounds bounced across the field, cheering, hoops and hollers, commands from the sideline, and groans and shouts on the field itself.

The Indians took an early command. In the first few minutes of the game, they blocked a punt, and scored. The cowboys tried a blitzing passing attack. The Indians put a stop to that with an interception and threatened to score again.

If there was any surprise at all, it was the fact that with only one week's practice the girls played with a discipline that would have made many boys' teams envious and many boys' coaches proud. This displayed the fine training and coaching the young student coaches executed.

And in other ways it was like a normal football game. The play was rough and determined. It was to be played like a flag-type game, with a ribbon pulled from the opponent's belt to signify a tackle, but it seemed that there were actually more physical tackles made than there were ribbons pulled. And as in any other game there were injuries. Most of these were minor accidents, with someone having their breath knocked out, something that, although being minor, is a very uncomfortable injury for the victim. There were some moments of tension and at one time this reporter thought that the young student coaches were going to have words, as their older adult peers sometimes do, but all in all it was a good game. Yes, girls can play football. The Indians won 28-6.
