Kilcullen Tops Cast As 'Casey'

Over 100 talented Techsians who make up the cast of "The Mighty Casey" will perform for the second time tonight in the Gymnasium at 8:15 p.m.

Tech athlete, Bob Kilcullen, was revealed last night in the title role of Casey. His identity was withheld until nearly time for the first performance, which found several hundred spectators seated in the "stands" and rooting for the Mudville and Centerville teams much like an actual baseball game.

The light operetta by William Schuman and Jerome Gury is one of the first audience-participation presentations ever performed on campus, and features the largest cast of any Tech production, according to Cleve Genzlinger, director.

Four Scholarships Given At Banquet

Four Tech students were awarded scholarships at the chemistry and chemical engineers department's annual banquet Saturday.

Raymond Knezek of Olney received a \$600 scholarship from Eastern States Petroleum Co. Ray Lewis of Lakeview was awarded \$500 from the Monsanto Chemical Co. James L. Barnard and Ashley G. Osborn, both of Amarillo received \$250 each from Dow Chemical Co.

Certificates of merit were presented to outstanding freshmen and sophomore engineers, Joseph Lee Black, Lordsburg, N.M., and Marl Gale Seale, Wichita Falls, received the freshman honors. Sophomores honored were Richard Clark Estes, Lubbock, Samuel Jackson Park, Odessa and Don Morris Kerr, Lubbock.

Dr. Calvin A. VanderWerf, University of Kansas educator, delivered the principal address. He spoke on the theme of Scientific Miracles.

The banquet was held in the Union ballroom.

Two Texas Tech Engineering Deans, Holcomb and Bradford, have bachelors degrees in Chemical Engineering from Tech.

Assisting Genzlinger in the director's role are instructor Paul Ellsworth and student directors Bruce Jackson and Kay Adkins. Robert Wham serves as student administrator and Don Stewart as narrator.

Students portraying leading roles in the production include: Louise Crook, Merry; Don Stewart, the watchman; Carl Mathis, Thatcher, the catcher; Richard Watkins, Snedeker the pitcher; Wayland Stephens, the umpire; Kenneth Prickett, the concessionaire; Wham, manager; Cecil Morris, a male fan; Carol Schulz Carthel, a female fan; and Chuck Pijan, 9-year-old son of Mrs. Dorothy Pijan, as Charlie.

Mariana Wilson will be choreographer for the production's dance team, the Hawks. The seven members of the team include: Lynita Jacobs, Martha Keenley, Sally Miller, Carlton Holloway, Stan Powers, Clyde Carroll and John Montgomery.

"The Mighty Casey" will be done in Greek fashion with Stewart as narrator. A parade precedes the actual production which is done in three scenes: "Before the Game," and "After the Game."

Tickets may be purchased for \$1 from members of the five sponsoring organizations: the Allegro Music Club of Lubbock, Phi Mu Alpha Sinfonia, Mu Pi Epsilon, Tau Beta Sigma and Kappa Kappa Psi.

THREE "AMBASSADOR" TECHSANS—Three Tech students will serve as good-will ambassadors in foreign countries this summer. Gordon Graves, right will be Lubbock's community ambassador to India. La Verne Dierschke, who points to the country she will visit, is San Angelo's ambassador to Germany. Roger Scott, left, will represent Tech's Circle K in Paris, France.

"Cramming" Begins In Earnest May 16

Dead week on the campus begins May 16 and final exams are scheduled May 23-29, according to W. P. Clement, registrar.

Pre-registration for summer school is tentatively set to begin May 15 and registration will start June 6. Classes open the next day and the term runs through July 17. Registration for the second term of summer school will start the next day and the term ends Aug. 19. A student may get six hours of credit a semester.

Summer school is a good time for students to take certain courses that are normally crowded in the fall and spring semester, the registrar suggests.

Foreign Students Schedule Banquet

By BEN McCARTY
Toreador Staff Writer

The Tech Cosmopolitan club's annual banquet is set for 7 p.m. Saturday in the Catholic Parish Hall, 2305 Main.

Guest speaker will be Mrs. John W. Lynch, immediate past president of Lubbock's United Nations Council, chairman of Lubbock Community Ambassador Committee and an active member in the League of Women Voters.

Foreign students at Tech sponsor this annual occasion to give Tech students and townspeople an opportunity to enjoy foreign dishes, foreign entertainment and to promote good international relationships.

Menu Announced

Menu will consist of a main dish, representative of Spain, Puerto Rico and France; salad of Mexico, coffee of Syria and dessert of Iran.

Cesar Fleve, president of the Cosmopolitan Club, will be master of ceremonies for the banquet. Club sponsors helping with arrangements are Dr. Faye Bumpass and Dr. Henry J. Shine.

Graham Turnbull, graduate student from Canada, will play guitar music for guests as they enter and wait for the program to begin.

After dinner entertainment will be by Servando Trevino and his Latin American Combo. The group will play unannounced, surprise numbers.

Decorations Include Flags

Decoration will include 38 flags from the countries of the United Nations, an exposition of photos and products from different countries. White roses placed in a large bowl of dry ice and water with colored lights shining on it result in a multi-colored vapor rising through the roses.

A few tickets are still available. Those wishing to attend should contact club sponsors or a foreign student.

Scholarships, Awards Highlight Banquet

Graduating seniors, majoring in speech were the guests of honor at the Speech Department's awards banquet held Sunday night in the Union. Scholarships were handed out and recognition given to outstanding speech students.

Guests of honor were: Barbara Van Horn, Mrs. Opal Exum, Dale Karpe, Patsy Harris, Nancy Alexander, Nancy Henson, Shirley King, Rooss Cass, Mrs. Johnnye Smith and Lon Amason.

Upper class scholarships were presented to Judy Hyatt, Marsha Reilly, Marlys Harris, Patsy Mullins, Roland Myers and Betsy Donovan.

Recognition in the form of certificates of outstanding achievement and honorable mention were given to speech students who had contributed the most to the Tech speech program during this school year.

Those honored include Forensics certificates: Virginia Bray, Joe Ben Hudgens, Jerry Fletcher, Jack Gibson, Miss Donovan and Willis Taylor; honorable mention: Miss Mullins, Miss Harris and Pat Worley.

Third Place Tie Won By Debaters

Tech debaters tied for third with TCU in the Southwest Conference Speech Tournament held last weekend in Dallas.

The affirmative debate team, Joe Ben Hudgens and Virginia Bray, placed second, while the negative team, Jerry Fletcher and Barbara Van Horn placed fourth.

Thursday, the debaters took on debate teams in Norman and Durant, Okla., for practice before going to the Conference competition.

Theater certificates: Dale Karpe, Arthur Evans, Oris Robertson and Miss Mullins; honorable mention: Miss Harris, Katherine Jeffus and Miss Hyatt. Speech correction certificates: Deanie Edwards and Mrs. Weynona Harrin; honorable mention: Miss Harris, Barbara McCoy and Dorothy Duffey.

Radio certificates: Dwight Carver, James Messersmith and Jean Whitley; honorable mention: Tommy Pelt, Troy Fields and Keith Elliot. General speech certificates: the Misses Van Horn, Harris, Mullins and Donovan.

Zeta, Phi Psi Win Interfraternity Sing

Zeta Tau Alpha sorority and Phi Kappa Psi fraternity won the annual inter-fraternity sing before a large attendance in Monterey High School auditorium Saturday evening. Kappa Alpha Theta sorority and Phi Gamma Delta were second-place winners in the event.

Selections for the winning groups were: "Black is the Color of My True Love's Hair" and "Zeta Song," Zeta Tau Alpha, under direction of Judy Calmes; "In Dat Great Gittin Up Mornin" and "Noble Fraternity," Phi Kappa Psi, directed by Ray Moore; "Spring Fantasy" and "Kappa Alpha Theta to You," Kappa Alpha Theta, Glenda Keith, director; "Begin the Beguine" and "Phi Gamma Delta Medley," Phi Gamma Delta, directed by George Nelson.

Trophies were presented to first and second place winning sororities and fraternities.

Other sororities and fraternities that participated in the program, their songs and directors are as follows: Delta Delta Delta, "Sentimental Journey" and "Fraternity Song," directed by Patty

Scott; Alpha Chi Omega, Medley from "Carousel" and "Firelight Serenade," under direction of Roberta Elliott; Gamma Phi Beta, "Liza" and "Gamma Phi Sweetheart," directed by Sandra Hemmle; "Spring is Here" and "Pi Phi Farewell," Pi Beta Phi, Billy Sue Gregory, director; Kappa Kappa Gamma, "Garden of Blue" and "Getting to Know You," directed by Janelle Ohlenbusch; Alpha Phi, "Let's Pledge Ourselves Again" and "Teddy Bear's Picnic," under direction of Bunny Watson;

Sigma Kappa sang "Sigma Kappa Sweetheart" and "When You Wish Upon a Star," directed by Sue Dickson; Delta Gamma, "When You Go Away to College" and "Snow White Serenade," with Sara Sheveland directing; Pi Kappa Alpha, "Fraternity Song" and "Winter Song," directed by Stan Powers; Sigma Nu, Medley of Cowboy Songs and "Fraternity Song," Bill Price directing.

Bob Wham directed Sigma Alpha Epsilon in singing "Just Come From the Fountain" and "Songs of the Service;" Phi Delta Theta,

Changes In Traffic Controls Explained

By WAYNE JAMES
Toreador Editor

Several major changes have been made in the past 20 months in an effort to help cut down Tech's traffic and parking problems.

In the Fall of 1955 the Campus Traffic Control was established with 1 chief officer and 3 officers. In addition several students were employed part time to assist them.

In a crack down on violations the campus officers issued 10,251 tickets during the fall semester of 1955. The number of violations continued to rise until the college was forced to install a new plan which made traffic tickets cumulative.

Under the new plan violations were to be cumulated for the entire period in which a student is enrolled at the college, instead of

the old plan of erasing the record at the end of each semester. The plan called for the first ticket to serve as the first warning, the second as final warning and the third would automatically bar the car from the campus. Upon receipt of the fourth ticket a student could be dismissed from school. This plan is still in effect.

Last year both the campus and city officers issued 19,767 tickets to students, faculty members and visitors. There were 734 students restricted from bringing cars on the campus for receiving too many violations.

This past fall the Campus Traffic Control and the campus night-watchman service was combined to give the campus better supervision and security. The new Con-

See TRAFFIC, Page 2

TRAFFIC PROBLEM — Contributing to the number one problem at Tech is the rapid increase in enrollment and the increase in the number of cars on the campus. Approximately 4,052 students and 1,182 faculty and staff members have cars registered on the campus. Despite the increase in enrollment and the number of cars no campus pedestrian has been injured since the fall of 1955.

Chief Thomson Releases Report On Security - Traffic Department

The following information is furnished to provide a better understanding, as to the functions of the Security-Traffic Department on the campus.

First, our primary purpose is to protect property and lives. In order to carry out a program consisting of these two, you must have cooperation of the group you are serving. In protecting lives you must have regulations pertaining to the group as a whole. Here on the campus, this department gives the pedestrian the first consideration on the traffic program. With pedestrian traffic being as great as it is, the control of speeding or careless drivers must be kept to a maximum.

During the past semester we were fortunate in not having a pedestrian struck by an automobile. During the fall semester, 1955 two students were struck by automobiles. In each case if the vehicles had been traveling at a slower rate of speed, the students could have been avoided being hit. The spring semester, 1956 was marked without any pedestrian being struck. If the presence of a patrol car, on the campus, had anything to do with preventing a student from being injured, it is difficult to say in dollars, how much it was worth.

Six accidents, on the parking lots, were reported to this department during the fall semester. In all cases there were no personal injuries. The Lubbock Police Department, Traffic Division, investigates the accidents if they occur on a street. In assisting the student to make a claim on his insurance, we deem it necessary to investigate the accidents on the parking lots and help the student with the necessary forms.

Two different drivers were arrested, on the campus, for driving while intoxicated. Both subjects were filed on by Texas Tech security officers and convicted in county court. One other driver was filed on an convicted for driving while license was suspended.

The following is a summary of moving violations and traffic tickets issued during the fall semester 1956.

Wrong way on one-way street	43
Disregarding a red light	16
Exceeding the legal speed	8
No operators license on person	3
No lights on rear license plate	2
Displaying an invalid inspection sticker	1
Operating a motor vehicle at night with one head lamp	1

No. of vehicles towed	134
No. of students restricted	250

No. permits (student) issued Fall Semester	4982
No. permits (student) issued to date Feb. 6, 1957	4052
No. permits (staff) issued to date	1090

The number of tickets issued and the number of drivers that are stopped and warned varies greatly. The number warned exceeds the ones filed on by approximately 5 to 1 ratio. In order to have a safe campus you must have enforcement - enforcement which includes all individuals that operate a motor vehicle on the campus.

Three students reported their cars stolen during the fall semester. Two of these cars were recovered by this department, the other by the Lubbock Police Department.

The officers working the night shifts check all suspicious individuals who they encounter on the campus. The week previous exam week, three different occasions, the officers working at night curtailed some unknown individuals who were attempting to enter by force into three different offices. No property was taken from any of the locations.

This department is making arrangements to notify all of the dormitories in case of a severe storm. We will receive any warning via radio and will alert the dorms. A complete program on the warning system will be completed in the near future.

With this information furnished I hope it will be of some use to you.

S. E. Thomson
Chief Security Officer

TECHSANS TALK BACK

Dear Editor,

Although it is my opinion that Ben Ratliff's letter to the Toreador of May 2 is inclined to deal with sensationalism and lack of concrete reasoning, I must commend his "spunk."

I am sure that no student or administrative official of Tech would disagree that the parking and traffic situation on our campus is at the present time very critical. However, I contend that said parking and traffic problem is only one of many problems that face Tech all of which have a much deeper foundation.

I wonder if our administrative officials have not been so busy getting into the Southwest Conference, generating economic activity by an ever expanding building program, lobbying in the State Legislature, constructing management and organizational charts, and exploiting the students, that they have forgotten the purpose for which institutions of higher learning were established and financed by the State of Texas.

Don't misunderstand me, I

would be the first to advocate a progressive and forward looking expansion policy at Tech. However, let our progress not be at the expense of the enlightened mind which the inscription carved upon the entrance of our Administration building reminds us is the guardian genius of Democracy.

On my daily tours of our campus I am constantly reminded of the subject of my present train of thought. You can hardly get to class without bumping into a campus cop, complete with badge, uniform, arrogant and superior attitude, club, tow chain, hand cuffs, and yes, even his trusty "38" police special.

These are campus security officers? A stranger to the Tech campus would swear he was in the midst of a Federal Reformatory rather than an institution of higher learning made up of "young, red-blooded American men and women."

This is where our \$3.50 goes for the privilege of parking in sand, mud and entering in a miniature Mexican Road race every morning in which you take your life in your hands jockeying for parking places. I ask you, have these conditions the right to exist on the campus at Tech?

You can write articles and cuss all day long about whose to blame for the presence of these conditions. However, in the last analysis is only our administrative officers have the power to actually remedy the conditions that plague our campus.

In addition, I extend my personal petition and appeal to our administration's better judgement to consider more thoroughly the problems that face the present students at Tech as well as those who will tread the path to higher learning in the future. In the Administration's deliberations, may it be that they will not lose sight of the fact that what we are producing in this "plant" is enlightened guardian geniuses of Democracy.

Rex McKay

TRAFFIC . . .

(Continued From Page 1)

trol system, called the Security Traffic Patrol, consists of a chief officer and seven other officers.

In order to pay for the increase in services rendered the parking fee for students was raised from \$1 a semester to \$3.50 a semester.

Since it was impossible to provide additional parking spaces near the center of the campus and the number of cars registered each semester continues to mount the college officials were forced to take steps to ease the situation.

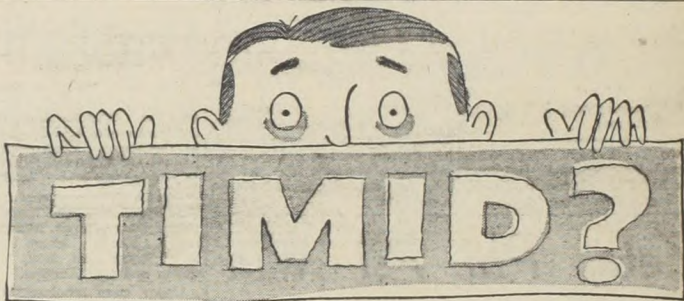

Instead of forbidding freshmen to have cars, like the University of Texas does, the college set aside the area east of the football stadium for freshmen. This move dropped the number of freshmen registering cars on the campus

from 1,285 in the fall of 1955 to 803 this past fall and 441 this spring.

In addition, this past fall a "towing system" was put into effect. Under this system all cars that are illegally parked or breaking a city ordinance may be towed away. However, usually it is determined that a car is a multiple violator before it is towed away.

The seven member traffic committee supervises Tech's traffic and parking program. The committee, made up of five faculty members and two students, is strictly a recommending body. The committee recommends rules and regulations regarding traffic and parking to the President.

So far this year 197 cars have been towed away and 415 cars have been restricted from campus. The Security-Traffic Patrol has issued 7,228 tickets this spring.

'Sable' Is Knapp Hall Favorite

SABLE

**By DEANIE KILLION
Toreador Feature Writer**

Familiar to most Knapp Hall co-eds is a loyal Tech fan—Sable. This pet Great Dane owned by Knapp Hall counselor, Miss Lucille Pontius, weighs 125 pounds, stands 31 inches tall and is "still growing."

Two-year-old Sable greets one by placing both paws on her shoulders. This friendly gesture is expressed when encountering any of his friends from Tech. Miss Pontius relates that Sable, when off-campus, has a good memory and is quick to recognize his friends.

Equally admired by Knapp girls, Sable eats twice a day food scraps collected during chow time. Although a good guard dog, Sable is considered a better companion.

At first, one is likely to wonder whether the honey-colored dog intends to harm when he runs fiercely to greet her. Miss Pontius has often seen Sable run after a smaller animal as if to tear it apart, but when he reaches his destination, he just plays. Once she recalls seeing him catch a small bird, only to leave it unharmed.

Scholarships, Election Highlight Annual Engineers' Award Meeting

Announcement of the winners of 12 engineering scholarships for 1957-58 and election of new officers will highlight the annual awards meeting of the Tech Engineering Society at 7:30 tonight in the Union Ballroom.

Exhibit winners in this year's Engineering show are also to be revealed at the session, according to Daniel R. Smith of Colorado City, Engineering Society president.

Four scholarships totaling \$2,500 will be presented to petroleum engineering students by department head William L. Ducker. The grants have been set up by the Gardner-Denver Co., South Plains Chapter of the American Petroleum Institute, Olson Drilling Co. (AIME), and Standard

Oil Co. of Texas.

Mechanical engineering head, Louis J. Powers is to award five scholarships totaling \$2,750 to students in his department. They include grants from Southwestern Public Service Co., Atlantic Refining Co., Hughes Tool Co., Cabot Co. and iCites Service Oil Co.

A \$750 Texas Electric Service Co. scholarship and a \$250 Rowan Drilling Co. scholarship will be presented to two electrical engineering students by Charles V. Bullen, head of the department.

Dr. Joe Dennis, head of chemistry and chemical engineering, is to announce the winner of a \$400 chemical engineering scholarship set up by the Cabot Co.

Release Date Set For '57 La Ventana

The 1957 La Ventana will be released between May 15 and 18, according to Barbara Pearce, editor.

Students will be able to pick up their annuals at Tech Union. The yearbooks will be available there for about five days, then will be taken to La Ventana office in the Journalism building.

If possible, students should have their ID cards, but the annual may be obtained without the card.

Dr. Edward Newton Jones is the sixth president of Texas Tech.

Lucky girl!

Next time one of her dates bring up the Schleswig-Holstein question, she'll really be ready for him.

Ready for that test tomorrow, too... if that bottle of Coke keeps her as alert tonight as it does other people.

RAY 8236

Carolyn Reynolds To Head Home Economics Fraternity

Carolyn Reynolds, junior from Enochs, has been elected president of Phi Upsilon Omicron, home economics honorary fraternity, for the 1957-58 session.

McAdams Named Fraternity Head

Carey McAdams was recently elected president of Sigma Nu fraternity.

Other new officers are Joe Dick Westbrook, vice president; Robert Clark, recorder; Lewis Stone, treasurer; Wayne Ramsey, chaplain; Jim Valliant, sentinel; Russ Ekblad, reporter; Wayne Waldrep, alumni contract; Jim Leary, historian and Don Crowley, marshal.

The new officers will be installed during the annual retreat to be held this year at Lake Thomas May 10 through 12.

While on the retreat, officers will discuss plans concerning attendance of the national leadership conference in Indianapolis near the end of August. Sigma Nu's social and athletic activities for next semester will be planned during the retreat.

Dairy Club Banquet Scheduled Tonight

The Dairy Industry Club will have its 19th annual banquet at 6:30 tonight in the Union Ballroom.

M. G. Pederson, vice president and production manager of an El Paso creamery, will be the principal speaker at the banquet.

The Mrs. A. M. Williams Memorial Award of \$100 will be presented to the outstanding junior majoring in dairy industry. Judging team medals will also be awarded. Dr. J. J. Willingham, dairy industry department head, will present the awards and medals.

Other officers named for next year include Sammie Fowler, vice president; Betty Smith, corresponding secretary; Sandra Dudley, recording secretary and Maynette Derr, treasurer.

Janet Vines will serve as historian, Pat Curry, chaplain; Billie Sue Gregory, marshal, Radora Massey, librarian, Mary Alice Kenney, candle editor, and Merideth Brooks, AWS representative and money-making chairman.

The women will be installed Tuesday. Following the installation, a social hour will climax the year's activities.

Oxford Debate Cancelled

The Oxford Debate, scheduled for tonight at the Tech Union, has been canceled, according to Pat Tyson, vice president of the Union Program Council.

Linda Chappell Named SAE Pledge Sweetheart

Linda Chappell, freshman from Lubbock, was named Pledge Sweetheart by the 1957 pledge class of Sigma Alpha Epsilon fraternity Saturday night during a reception honoring SAE parents.

Miss Chappell, active member of Kappa Alpha Theta, was chosen by the pledges for having attended a majority of SAE functions this year. Mack Robertson,

pledge president, presented Miss Chappell with a trophy during the reception.

The reception, which followed interfraternity sing, began a weekend of entertainment for SAE parents. On display during the reception in the Old Rec Hall were trophies won by Sigma Alpha Epsilon and the fraternity scrapbook. Following the presentation of

Pledge Sweetheart, the entire chapter sang fraternity songs.

The weekend honoring parents was concluded with a banquet Sunday at the Lubbock Hotel. Rob Brown was master of ceremonies for the occasion. James G. Allen, dean of student life and SAE alumnus, spoke about Sigma Alpha Epsilon and the purpose of fraternities.

Union Slates Awards Banquet

Sixty-one persons will be recognized at the fourth annual Union Awards Banquet Thursday night in the Tech Union Ballroom at 6:15.

Four types of awards will be given in addition to the W. B. Rushing Award which goes to the person who has contributed the most to the Union this year.

Other awards to be given are: freshmen recognition; certificates for those who have worked with the Union for a year and are not freshmen; keys for those who have done two or three years' work; and trophies for those who have done three or four years' work. These awards are all based on the individual's contribution to the Union program.

Chuck Strehll, president of the Union Program Council, will serve as master of ceremonies and present the various awards. Dr. D.

Alpha Phi Lauds Seniors

Alpha Phi Sorority entertained graduating seniors with a breakfast at the Chicken Shack Sunday.

Following the breakfast, the Alpha Phi's attended church together at the First Methodist Church.

Mandy Moore, social chairman, was in charge of arrangements for the breakfast.

Four members of the present faculty were members of the original Tech faculty. They are Dean William B. Gates, and Professors Charles D. Eaves, Charles B. Qualla and Richard A. Studhafer.

M. Wiggins, past president of Texas Tech, will be guest speaker. Entertainment will be provided by a quartet, the Squares.

Names of the 61 receiving awards will remain secret until the banquet.

Bobbie Reynolds Named FTA Head

Bobbie Reynolds was recently elected president of Future Teachers of America.

Others elected are Ernestine Wood, vice president; Dolores Gage, secretary; Sally Boyd, treasurer; Sarah Watkins, reporter; Jane Horn and Virginia Peacock, historians.

Members of FTA will honor graduating seniors in the organization with a picnic at Mackenzie Park Friday. Members and guests must sign their names to a list in the education office if they plan to attend.

Those wishing to obtain a ride to the park must meet in front of the Tech Union at 5:15 p.m. Friday. Members of the Education faculty are invited to the picnic also.

Delta Sigma Pi Initiates Four

Delta Sigma Pi, international business fraternity, initiated four new members during ceremonies Saturday afternoon.

The new members are Bob Lynch, Sudan, Jimmy Spenser, Lubbock; Bob Johnson, Lubbock and Dr. Lester Levy, assistant professor of economics.

During a banquet honoring the new members Saturday night at the Western Ways Motel, George Dupree delivered a speech concerning concepts of American business. Following Dupree's speech, Joe Hefner, co-sponsor of the Reed-Hefner Award, presented that award to Bob Lynch as outstanding pledge.

Also during the banquet, officers for next year were installed. They are Don Ledwig, president; Kent North, senior vice-president; Charles Allen, vice-president; Bill Ewan, secretary; Harold Wright, treasurer; H. R. Harris, comptroller; Odie Rippy, historian; Don Reynolds, chancellor; Jim Tinsley, professional chairman; John Buchanan, social chairman; William Mitchell, scholarship chairman; Bill Sandy, efficiency chairman and Jim Childs, service chairman.

Terrell Named "Mr. Sneed Hall"

During Sneed Hall's awards banquet at Mackenzie Park Sunday night trophies were presented to outstanding athletes and "Mr. Sneed Hall."

Charles Terrell was chosen as "Mr. Sneed Hall." Candidates for the honor were Jack Burgess, Fred Lebeau, Enoch Dawkins and Harold Ellege. They were selected by the supervisory staff as the individuals who had done the most for Sneed Hall.

Trophies were given to John R. Black as outstanding athlete and best football player; Harold Elledge, outstanding in basketball and Harley Stivers for softball.

Watch chains with small keys were presented to Harley Henry, Jack Burgess and Henry Elledge, Sneed Hall presidents for this year. Gifts were also given to the staff of Sneed.

Regular Dance Scheduled Tonight

The regular Tuesday night Dance will be held in the Snack Bar of Tech Union tonight from 7 to 9 p.m.

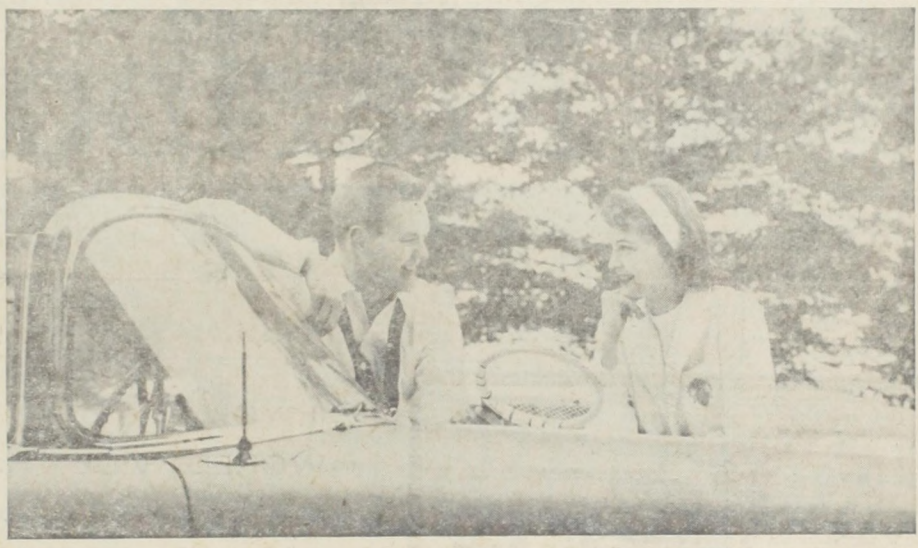

The dance will have no special theme, and the Tuesday Night Dance committee asks everyone to bring records providing the owner's name is on the records.

Purpose of the Tuesday Night Dance is to provide free popular music for Tech students to dance to in a relaxed, informal atmosphere.

Burroughs Sales Representatives enjoy the pleasures of success early

Your career's off to a fast start—the rewards of success are yours early—as a Burroughs Sales Representative.

You'll take pride in representing such a top "name" company, too, as you make day-by-day business contacts with high-level executives. You'll be a systems counselor—with a company that's a leading producer of business machines, electronic computers, data processing systems and other electronic equipment for business, government, industry and defense.

As a Burroughs Sales Representative, you'll be paid while receiving thorough training designed to equip you fully for your career ahead. Your training is continuous, too—for you'll be kept up to date always on the latest developments and techniques required for top performance.

After your formal training and some experience under the guidance of experts, you'll be ready to go on your own, analyzing your clients' special needs, recommending appropriate systems, and implementing them with the necessary Burroughs equipment. And, of

3 — BSU won Independent League No. 2 and lost to Doak, winner of the Dorm League
Phi Psi will meet the winner of the Fraternity League and the Independent No. 1 League at a later date.

Picadors Seek First Tech Victory In SWC AT Track And Field Meet

A Southwest Conference title in Tech's first attempt—this is the goal pursued by Coach Delmar Brown's Picadors this weekend in Austin as they compete for the freshman crown in the SWC track and field meet.

The meet will be the first in which Tech will be trying for Conference laurels. Should the Picadors win—and they stand an outside chance—it would be an ideal way of celebrating the first anniversary of SWC membership. Tech was admitted to the Conference last May 12, climaxing a long, hard fight for membership.

Picadors Have Won Three

The junior Raiders have been victorious in all three of the meets entered. Coach Brown's thinly-clad won their division in the Southwest Recreation Meet to kick off the season; won a quadrangular meet involving Baylor, Texas and Victoria College; and were the unofficial freshman-junior college champs of the Texas Relays. Two attempts at a fourth meet were thwarted by the weather.

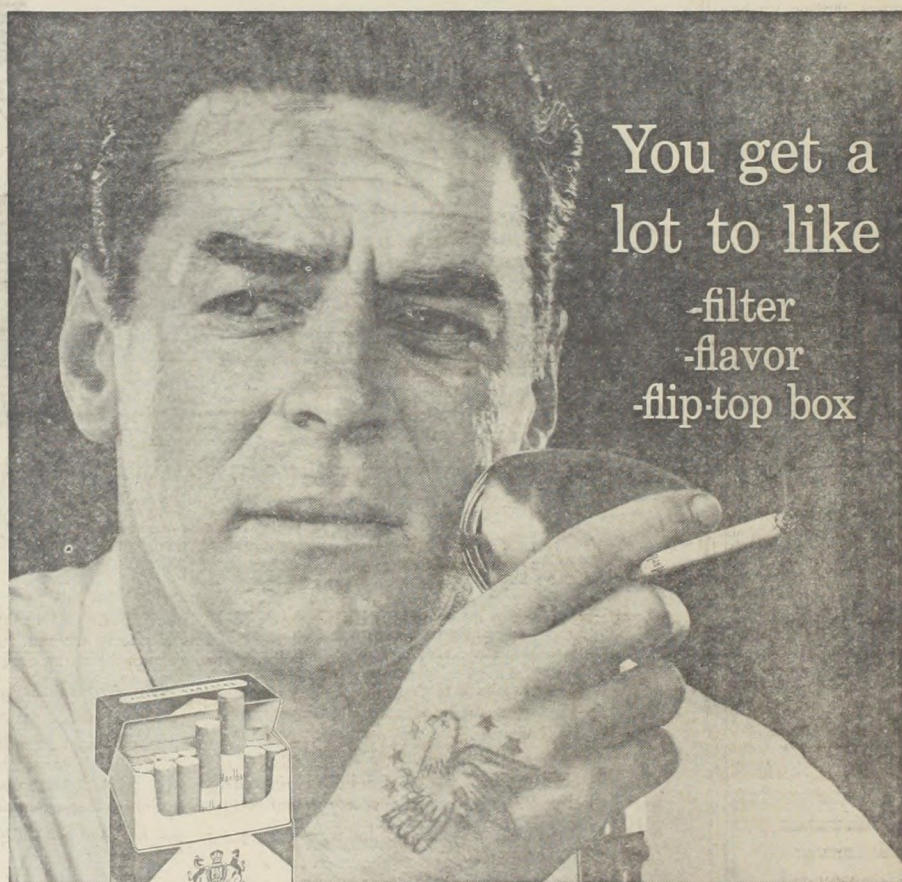

Texas Is Favored

The Texas frosh will be expected to outpoint the Picadors, although Tech has beaten the Short-horns in two previous meets. The reason lies in the overall depth of the UT team. The State University team expects to score heavily in the weight events—where Tech is comparatively weak.

The two teams are about equal in relay strength, and the Picadors, with luck, can pick up valuable points in the baton races. Tech should dominate the hurdle races. The threesome of Tommy Patterson, Charles Bode and James Harvey is counted upon for its usual supremacy in these events. Tommy Davis, sprinter and anchor-man for the relays, will play a major role in Tech's final outcome.

If the Picadors can win their division title, it will mark a one-year rebuilding achievement in track at Tech. Last year in the Border Conference meet held on the Raiders' own track, Tech finished last among member schools competing.

Marlboro

You get a lot to like

- filter
- flavor
- flip-top box

Here's old-fashioned flavor in the new way to smoke.

The man-size taste of honest tobacco comes full through. The smooth-drawing filter feels right in your mouth. It works fine but doesn't get in the way. Modern Flip-Top Box keeps every cigarette firm and fresh.

MANAGERS
\$1000.00 per Month

House of Distinction would like to interview people who have had part-time or full-time direct selling experience.

Earnings upwards to \$1000 per month plus paid vacation and special benefits.

Write to House of Distinction, Box 1504 Wichita, Kansas for personal arrangements.

Give full particulars — age, experience, etc.

NEW FLIP-TOP BOX
Sturdy to keep cigarettes from crushing.
No tobacco in your pocket.

Phi Delta Theta Takes Intramural Track Meet

Phi Delta rode home with 40 points to sweep the all-college championship in the intramural track and field event Saturday.

Trailing the Phi Deltas were the Roman Rushers with 34 points. The third place finisher, Sigma Alpha Epsilon, chinked up only 14.

Blocker Is High Man

High point man for the meet was Norman Blocker of Phi Kappa Psi. He scored all 12 Phi Psi points. Behind Blocker in points honors was Dewey Bryant of Phi Delta Theta and Bill Whitesett of the Roman Rushers with eight each.

There were no new records established and only one was tied, that being Bryant's 15:4 in winning the high hurdles. Cold weather caused most of the trouble with athletes not being able to get good and loose.

Phi's Take Five Firsts

In winning the meet, something unusual for a fraternity, the Phi Deltas chalked up five firsts, two seconds, five thirds and one fourth place.

Phi's taking top honors were Johnny Henderson in the 220, Gerald Seeman in the shot, Bryant in the 120 high hurdles, the team composed of Vernon Brewer, Seeman, Durwood Miller and Henderson in the mile relay and the team composed of Jimmy Joe Stanford, John Riddle, Wick Alexander and Henderson in 440-relay.

Needing only a third place in the last race, the mile relay, to win the crown the Phis left no doubt about the outcome of the meet with a thrilling win-by-anose victory by Henderson over Zeek of the Roman Rushers.

Roman Rusher firsts came from Bill Whitesett in the pole vault, Charles Zeek in the 440, a tie for first by Charles Moore in the broad jump and David Taylor in the 880.

Other first place finishers were Bob Kinney of SAE in the 100, Neil McMullen of Phi Gamma Delta in the 220 low hurdles and Blocker's tie in the broad jump and win in the high jump.

THE RESULTS

Broad Jump — (tie) Norman Blocker (Phi Psi) and Charles Moore (R. Rusher) 20' 9 1/4". 3. Larry Merriman (Phi Gam), 4. Dewey Bryant (Phi Delt).

120-Yd. High Hurdles - 1. Dewey Bryant (Phi Delt), 2. Charles Waller (Phi Delt), 3. Billy Hale (Pi K A), 4. Joe Gilleland (SAE), Time: 15.4.

100-Yard Dash — 1. Bob Kinney (SAE), 2. Norman Blocker (Phi Psi), 3. John Riddle (Phi Delt), 4. Berkely Shofer (Kappa Sig). Time: 10.4.

440-Yard Dash — 1. Charles Zeek (Roman Rushers), 2. Jerry Thompson (Bledsoe), 3. Fred Cross (BSU), 4. Tom Chisholm (Sigma Nu). Time: 46.6.

220-Yard Low Hurdles — 1. Neil McMullen (Phi Gam), 2. Charles Moore (R. Rushers), 3. Dewey Bryant (Phi Delt), 4. Wayland Mullens (R. Rushers). Time: 27.4.

High Jump — 1. Norman Blocker (Phi Psi) 5'11", 2. Bill Whitesett (R. Rushers) 3. (tie) Charles Waller (Phi Delt) and Bill Waddie (Phi Gam).

440-Yard Relay — 1. Phi Delta Theta (Jim Stanford, John Riddle, Wick Alexander, John Henderson), 2. SAE (Pat Hartsfield, Ken Cobb, J. D. Snyder, Bob Kinney), 3. Bledsoe (Jerry Thompson, Mic-

key Wiles, Cohler Jameson, Woody Kelley), 4. Kappa Sigma Berkley Shofer, Gene Steele, Don McGuire, Rusty Herrington). Time 54.5.

880-Yard Dash — 1. David Taylor (R. Rushers), 2. Wayland Mullens (R. Rushers), 3. Durwood Miller (Phi Delt), 4. Bill Berley (Phi Gam). Time: 2:08.4.

220-Yard Dash — 1. John Henderson (Phi Delt), 2. Vernon Brewer (Phi Delt) 3. Robert Benton (Phi Gam), 4. Joe Ben Turner (Pi K A). Time: 22.9.

Shot Putt — 1. Gerald Seeman (Phi Delt) 46'9", 2. Bob Kilcullen (SAE), 3. Larry Knight (R. Rushers), 4. Bill Jones (Kappa Sig).

Pole Vault — 1. Bill Whitesett (R. Rushers) 10'11", 2. Bill Womble (Kappa Sig), 3. Gary McLeod (Phi Delt) and Bob Parish (West Hall), 4. Dale Roseleius (Phi Gam).

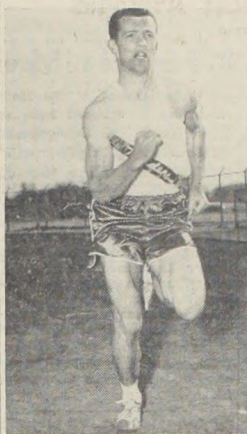

Lt. Col. Will Join Tech ROTC Staff

Lieut. Col. James B. Carvey, replacement for Col. Henry Douglas, and replacements for Major Leo Dietrich and Lyman Richardson, to be named later, will round Army ROTC's faculty for next year.

Mile Relay — 1. Phi Delta Theta (Vernon Brewer, Gerald Seeman, Durwood Miller, John Henderson), 2. Roman Rushers (Don Roberts, Charles Moore, Wayland Mullens, Charles Zeek), 3. Sigma Alpha Epsilon (Jerry Pearson, Jerry Craft, Tom Hamilton, Edwin Robertson), 4. Sigma Nu (Tom Chisholm, A. V. Hill, Jr., Ted Campbell, Charles Ripley). Time 3:42.1.

STANDINGS

1. Phi Delta Theta, 40; 2. Roman Rushers, 34; 3. Sigma Alpha Epsilon, 14; 4. Phi Gamma Delta, 12 and Phi Kappa Psi, 12; 6. Kappa Sigma, 6; 7. Bledsoe, 5; 8. Pi K A, 3; 9. Sigma Nu, 2, West 2 and BSU, 2:10. Independentites, 0.

JUST A MOMENT, PERCY, WHILE I SEE IF YOUR PAPERS ARE IN ORDER!

As nearly as we can determine, it is true that girls have been put on earth largely for the pleasure of men. Their function is to divert the mind from the task of keeping body and soul together. By the use of red, red lipstick, clinging garments and hot-eyed glances, they manage to do an excellent job in this regard.

However, they too have their feelings, their hopes, their plans. And since happy girls mak for happy boys, the cool operator takes these under consideration.

First and foremost of these is the desire for security. We have cases on record of sweet young things who insist on checking a man's NATIONAL COLLEGE LIFE portfolio before letting him within arm's length. Small wonder! A NATIONAL COLLEGE LIFE contract is the mark of a man with a future . . . best savings plan available PLUS the very finest investment program. Only college men are eligible.

Make sure your papers are in order by checking with one of your NATIONAL COLLEGE LIFE campus representatives today!

ROTC Commands Name Top Students

Medals for the outstanding Army and Air Force students will be presented to Cadet Col. Michael A. Burkholder, Army, and Cadet Lewis G. Wood, Air Force, by Clifford B. Jones, president emeritus of Tech today at the joint ROTC change of command.

Major John T. Henry, Col. John Webb and Major Leo Dietrich chose the outstanding Army student and Major Harry Collins, Capt. Arnold L. Grover and Lieut. Billy R. Morgan chose the outstanding Air Force student.

Incoming Army ROTC officers are: Cadet Major Richard Price, Regimental Commander; Captains Sheldon Cunningham, 1st Battalion; Gary Fowler, 2nd Battalion; Gerald Hill, 3rd Battalion; Lieutenants Gary Smith, A Company; James Tyler, B Company; Don King, C Company; Arthur Montgomerie, D Company; Vernon Ramsey, E Company; Max Blessingame, F Company.

New Air Force ROTC officers are: Neal Pipkin, Wing Commander; William Mathis, Deputy Wing Commander; Don Smith and Layton Raun, commanders of groups 821 and 822 respectively; Wylie Berry, A Squadron; Harlie Henry, B Squadron; Leroy Hellman, C Squadron; Jimmy Stamford, D Squadron.

Museum Features Water Color Show

On display at The Museum on campus through May 13 is the eighth annual exhibition of the Texas Water Color Society, sponsored by the South Plains Art Guild.

Four art critics who selected the show include: James Pinto, Delta Gamma; Deway Myers and Eleanor Omslerdonk. To make the selection the men "applied the criteria of well-integrated composition, color and sincerity of expression without prejudice toward any given stylistic approach."

On view with the traveling show will be works of two Lubbock artists, Mrs. Thelma Lawrence and Mrs. Mona Pierce. Mrs. Lawrence's work is entitled "Remember Goliath" while Mrs. Pierce contributes "Still Life With Bottles."

Model Airplane Contest Scheduled

Everyone interested in model airplanes is urged by Teddy Carthel, chairman of the Tech Union Games and Tournaments Committee, to enter the model airplane contest next Saturday.

Contestants may sign up at the newsstand in the Union. They will assemble in the Rec Hall Saturday afternoon. The actual contest will take place on the drill field in front of the Music Building.

Contestants will be judged on their flying ability and the appearance of their planes.

Weaving Classes Return From Meet

Weaving classes of the Home Economics department have returned from the Contemporary Handweavers of Texas convention at Fort Worth where they displayed hand woven fabrics.

Students whose work was exhibited were: Anna Margaret Motes, Enochs; Joan Ford, Gloversville, N. Y.; Margaret Gibson, Bryan; Lucinda Birteiel, Leveland; Jean Crass, Silverton; Bonnie Sullivan, Andrews; Ruth Bates, Coahoma; and Joe Penrod, Ann Foster and Barbara McClain of Lubbock.

Experiments in stuffing, upholstery and rug design were included.

DOWLING TO TEACH AT U. OF T. IN FALL

Dr. John C. Dowling, foreign languages department head, will teach a course in 19th century Spanish literature at the University of Texas as a visiting lecturer during the coming fall semester.

Dowling, who has been department head at Tech since 1933, has studied in Europe and last fall won a 25,000 pesetas prize for an international manuscript competition on the 17th century, Spanish writer-diplomat, Diego Saavedra Fajardo.

Aggie Memorial Auditorium is dedicated to the alumni and students of the School of Agriculture who lost their lives in World War II.

Textile Course Slated For June

Textile engineering's annual short course in cotton classing will be held June 3-14 at the United States Department of Agriculture's classing laboratories, 610 23rd.

Tuition will be \$20 and the course is non-credit. L. E. Parsons, textile engineering professor, is head of the course.

The course is open to all interested persons, but is aimed at area cotton ginners and interested Tech students, says Parsons. USDA testing laboratories, whose staff members will be instructors.

Practice will be every day 9-12 a.m. and 1-1:30 p.m.

This will be the first year that instrument grading will replace hand grading at the course.

Instrument testing is much more exact than hand testing in grading the strength and firmness of cotton, says Parsons.

'Cowboy' To Speak At BSU Roundup

"Cowboy" Joe Evans, El Paso, will be the speaker for the Baptist Student Union Roundup at 5 p.m. Saturday at Mackenzie Park.

The affair features a barbecue supper, program, games and contests between the "Nesters" and the "Cowpokes." Tickets are 25 cents and will be on sale through Friday at the BSU Center.

A recent honor awarded 1956 Tech graduate student, Robert Paul Bentz, is a research assistantship grant in the Cornell University agricultural economics department.

Bentz, who received a bachelor's degree in agriculture last August, will work toward a Ph.D. in that field while residing at Ithaca, N.Y. during the 1957-58 term.

IT'S FOR REAL! by Chester Field

OUR LAWLESS LANGUAGE*

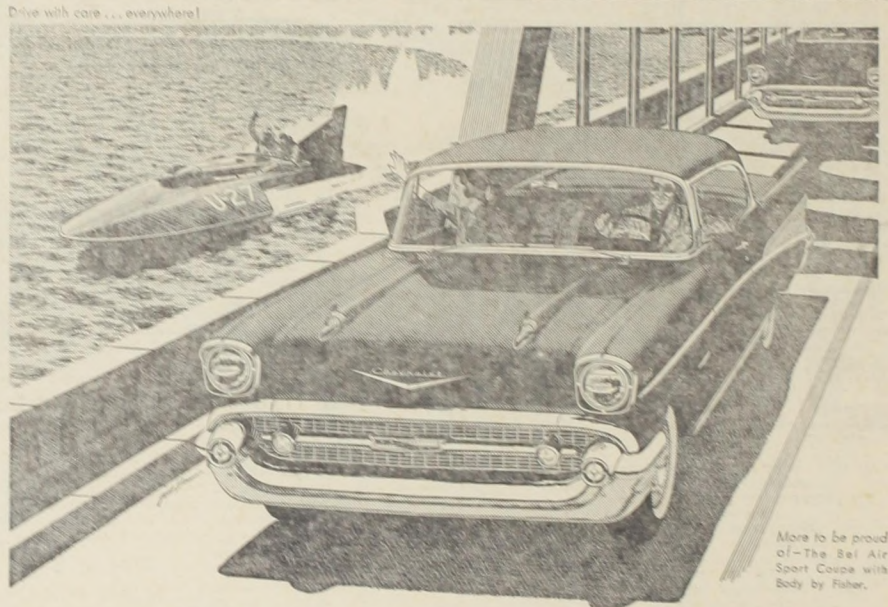

The laws that govern plural words
I think are strictly for the birds.
If geese in plural comes out geese
Why are not two of moose then moose?
If two of mouse comes out as mice
Should not the plural house be hicc?
If we say he, and his, and him
Then why not she, and shis, and shim?
No wonder kids flunk out of schools
... English doesn't follow rules!

MORAL: The singularly plural pleasures of Chesterfield King make a man feel tall as a hicc. So don't be a geese! Take your pleasure BIG. Take Chesterfield King. Big length... big flavor... the smoothest natural tobacco filter. Try 'em.

Chesterfield King gives you more of what you're smoking for!

*\$50 goes to Paul R. Salomone, City College of N. Y., for his Chester Field poem.
\$50 for every philosophical verse accepted for publication, Chesterfield, P. O. Box 21, New York 66, N. Y.

loves to cut loose and cover the miles!

If you're looking for a real "escape artist," a car that loves to step out and get away from it all—well, it just happens that Chevy was born with that urge.

If there ever was a car that loved to cut loose and cover the miles, it's this one. Yet it's so easy to handle that it even makes city traffic seem a bit lighter and parking places a bit bigger.

Chevy's pretty easygoing out on the highway too. Not pokey. Far from it. You find, for example, there isn't a hill around that can make it breathe hard

—not with Chevy's high-performance V8 on the pulling end. You've got up to 245* horsepower here for the biggest helping of driving pleasure found in the low-price field!

Chevy's new Positraction rear axle (optional at extra cost) adds still more pleasure. It delivers greater power to the wheel that grips, not the wheel that slips. You have surer control and better traction on any road surface.

Stop by your Chevrolet dealer's before another good driving day goes by.

*Optional at extra cost. 270-h.p. high-performance engine also available at extra cost.

Only franchised Chevrolet dealers  display this famous trademark
