## Visitors Find Yaqui Indians Going Modern

Third Expedition Returns With Many Reports On Native Man

TECH'S third Yaqui expedition, which returned early this week, found that the Indians of Sonora, Mexico, are gradually adopting some of the more modern products of civilization.

Dr. William Curry Holden, head professor of history and anthropology, explains that modern slippers are being worn by many of the Indian women and children and that the former are discarding many of the petticoats they customarily use. Several of the men have abandoned the traditional sandals for modern oxfords; however, the use of sandals is still predominant.

### Observe Festival

For five days the expedition observed "La Fiesta de Gloria," Easter festival of the Yaqui Indians, at its headquarters at Torin, Sonora. Both motion pictures and still photographs were made of the ceremonies, which are to serve as complementary material for Yaqui studies begun by the first Tech group in 1934.

The expedition not only gathered material concerning the Easter festival, but it continued studies of health and customs of the dark race, with three Lubbock physicians working among the Indians, studying the general conditions and giving them the benefit of modern medicine.

### Plans Another Trip

Dr. Holden says that likely within the next three years another expedition to the Yaqui territory which is located some 70 miles southeast of Guaymas, Sonora, will be made.

Members of the late expedition were: Dr. Holden; Dr. C. J. Wagner, chief of surgical staff at West Texas Hospital, Lubbock; Dr. G. C. Turner, Lubbock dentist; Dr. J. C. Anderson, Lubbock optometrist; Winston Reeves, college instructor in news photography; Reeves Henry, editor-elect of the Toreador, newspaper; and Winford Lee and Lewis Jones, Tech letter men, cooks and drivers of the expedition supply truck.

## Artist Course Engages Band

Little Jack Little Signs For Appearance Here Tuesday, May 10

Little Jack Little, nationally known orchestra leader and entertainer, will appear here on the final program to be given by the Tech artist course Tuesday evening, May 10.

Fourteen musicians will accompany him to Lubbock. Little is a pianist and usually sings during his performances. He has appeared in all the leading cities of America, having playing at Caliente Island during the last summer.

### Lists Two Hours

The program is scheduled to last two hours beginning at 8:00 o'clock, and will be given in the Lubbock High school auditorium. Besides the regular musical numbers, some individual performances are expected to be given.

Students will be admitted upon presentation of artist course tickets. General admission price for others has been set at \$1. R. A. Mills, chairman of the committee, said: Acceptance was sent by him to the Dallas agency sponsoring the program Thursday morning.

## Eyewitness Gives First Hand Story Of Easter Festival By Indian Tribe

### By REEVES HENLY

One of the weirdest pageants of the modern world was unfolded Easter before the eyes of eight individuals who constituted Texas Tech's third Yaqui expedition. It was the "Fiesta de Gloria," annual observance of the Yaqui Indians of Sonora, Mexico.

Wednesday afternoon, the day that two thousand years ago Christ's "passion week" was begun, four devil chasers appeared in the plaza of Torin, capital of Sonora until it was destroyed by revolutionists' shelling in 1913. These strange looking creatures, who were really the fiesta clowns dressed in ridiculous masks, began a show that lasted four days and nights.

### Tribesmen March

That night, a blood-red full moon rose over the palms in Torin's plaza, and the devil chasers were joined by "fascists," high-ranking Yaqui tribesmen who wore black capes that cover their faces and drooped to their waists. Together with a group of riflemen that composed the governor's staff, these Indians formed a procession that marched almost un-

## Dancers Celebrate Easter Festival

One of the three main groups of dancers that performed during the Yaqui Easter celebration at Torin, Mexico was the plume dancers shown above. Heavily ornamented, carrying plumes in one hand and a rattle gourd in the other, the Indians danced a series of steps resembling a schottische.

These ceremonies were viewed by Tech's third Yaqui expedition.

## Faculty Group Attends Four-Day Science Meet

### Tech Livestock Seen At Annual Plainview Show

Plainview's annual Panhandle-Plains Dairy show which ended yesterday exhibited representation of livestock from Tech. Twenty-three college Jersey, Guernsey, and Holstein dairy cattle were exhibited. Tech cattle were also entered in the production contest. Casey Fine, assistant professor of animal husbandry, was in charge of the exhibit.

W. L. Stangel, head professor of animal husbandry, attended as a member of the executive committee. Ray C. Mowery, animal husbandry professor, was a member of the educational committee. K. M. Renner, head professor of dairy manufacturing, was a member of the educational committee and a judge in the cheese contest. Mart G. Pederson, assistant professor in dairy manufacturing, and L. G. Harmon, creamery superintendent, took active parts in the show.

### Alumnus Attends Carolina College Birthday Program

A. J. Hewett, 1929 graduate with a bachelor of science degree in architectural engineering, will represent Tech at the celebration of the 100th anniversary of the chartering of Greensboro college at Greensboro, North Carolina, May 20 and 21.

Hewett was one of the first students to register in the college in 1925 and was graduated in 1929 with an excellent record.

Immediately after graduation Hewett went to work with the Truscon Steel company, Greensboro, and has been with that com-

### Association Gathers For Convention Monday In Albuquerque

Eighteenth annual meeting of the southwestern division of the American Association for the Advancement of Science at Albuquerque, N. M., will hold a four-day program beginning Monday. Several Tech faculty members will attend.

A paper on "Development of Gemma and Scale of the Aquatic Liverwort" will be presented by Dr. R. A. Stuhlhafer, head professor of biology, botany, and zoology, and Martha E. Cox, graduate fellow in biology. Other faculty members appearing on the program will be Dr. W. M. Craig, professor of chemistry, "The Present and Future Aspect of the Southwest as an Industrial Center"; Dr. R. S. Underwood, professor of mathematics, "N-tic Residue". Dr. E. F. George, head professor of physics, will address a special meteorology symposium on "Magnetic Phenomena in the Stratosphere".

Dr. Craig is chairman of physical science section; Dr. Underwood, vice-chairman of mathematics section; and Dr. F. W. Sparks, professor of mathematics, member of executive committee.

Tech was officially admitted to the southwestern division in June of last year at the national meeting in Denver. The 1941 meeting of that division is scheduled to be held here with Tech as host college.

### Tech Steer Wins Ft. Worth Ribbon

Fifth prize in dressed carcass contest of Southwestern Exposition and Fat Stock show held at Fort Worth was awarded the Texas Technological steer which won first prize in its class.

Carcass yields on all ten of the Tech steers have not been learned, though yield on five ranged between 67.34 and 69.69 per cent according to notification received by W. L. Stangel, head professor of animal husbandry.

Tech's steers have maintained an unusually high record in the dressed carcass contests. In 1936, Tech won third, seventh and tenth places; 1933, first, sixth, ninth; 1934, first, second, third, tie for fourth; 1933, first, second, fifth; 1932, first, fourth. In 1935 it tied the all-time record in the exposition contests of 71.49 per cent yield.

### Weeks And Staff Visit Dairy Show

Home demonstration work at Panhandle-Plains Dairy show at Plainview was visited by three home economics faculty members Wednesday.

Attending the show were Dean Margaret W. Weeks, Miss Mozzelle Craddock, head professor of institutional management, and Miss Mayma Twyflock, associate professor of foods.

Chloe Huffaker, Hazel Phelps, and Ruth Grimes, Tech home economics graduates, are home demonstration agents in this area.

### WILEY JUDGES CONTEST

D. O. Wiley, Tech band director, left Wednesday to attend a four-day meeting of the North Texas division of Texas School Band and Orchestra association at Vernon Wiley will be one of the judges of the contests ending today.

## Ogdon Goes To Law Meet In Capitol State

Professor Plans To Read Paper Before Group In Washington, D. C.

DR. M. E. OGDON, associate professor of government, is in Washington, D. C., where he will read a paper before members of the American Society of International Law in its annual convention Thursday. Subject of his discussion will be "Teaching of International Law in Secondary Colleges."

The American Society of International Law is composed of lawyers, judges, justices and teachers interested in the advancement of international law and relations. Ogdon left for Washington from Oklahoma City, where he attended the annual meeting of the Southwestern Social Science Association April 15-16.

Returns May 3

Dr. Ogdon is the first member of the Tech faculty to receive an invitation to speak before the American Society of International Law. He was awarded a degree of doctor of philosophy from Columbia university in 1935 and attended the University of California on a Carnegie fellowship in 1933-34. Dr. Ogdon has been a member of the Tech faculty since 1929. He will return from Washington about May 3.

### Band Group Plans Picnic; Schedules Banquet And Trip

Members of Kappa Kappa Psi, national music fraternity, and pledges and dates picnic tomorrow at Silver Falls.

Julian Paul Blitz, head professor of music, was voted honorary member at the last meeting, at which plans were made for a banquet on Mary 13. Plans were also discussed for sending representatives from the Tech chapter to the national fraternity dance and banquet to be held at the University of Oklahoma, Norman, May 8.

The Alpha Omicron chapter of Tech has the first Kappa Kappa Psi chapter in Texas, and is the thirty-third unit in the United States. Famous bandleaders who have been members during existence of the fraternity since its organization in 1919 at Oklahoma A and M college include the late John Philip Sousa, Edwin Franko Goldman, and Fred Warling.

The fraternity will have charge of publicity for the annual spring concert of the Matador band in May, and are preparing novelty numbers for the program.

Members attending tomorrow's picnic include Prof. D. O. Wiley, sponsor; Norman Heath, President; Carroll McMath, James Nevin, Paul Coe, Billy Smith, C. J. Douglass, R. E. Martin, Jack Turner, Edwin Hall, Bob Dickason, Joe Haddon, H. A. Anderson, James Stephens, Carl Hyde, Fred Stout, Leon Harris and Charles Williams.

Pledges include Richard Godeke, Lee Edwin Hale, Shelby Harper, J. W. Smith, Ed Coleman, and Joe Foote.

### Geologists Store Oil Sample Stock

Samples from oil wells in this vicinity will be deposited in care of Tech geological department, which already has a large collection of similar samples, according to Dr. Leroy T. Patton, head professor of geology. This contribution to the science department will be made through the influence of Marion Funk, district geologist of a prominent oil company.

These samples will aid in identification of sub-surface horizons in the instruction of students in the study of structure of sub-surface geological work.

### Nebraska U Instructor Plans Summer Courses

Miss Lenora K. Alway, assistant professor of physical education at the University of Nebraska, will be a visiting instructor here during the first term of summer school.

She will teach tennis, clogging, and swimming, and will also be a member of the summer school recreation committee.

Miss Alway received her master's degree from Ohio State university. She has also attended Columbia university, the University of Iowa, and the University of Nebraska.

The next three days were spent in reenacting the paganized passion play. Saturday was a day of dancing in which the brilliantly dressed plume dancers, the Pascolas or deer dancers, and the Coyote dancers danced all day and nearly all night. The dancing and a feast of "toro" and blood stew climaxed the festival that is rapidly fading among its originators.

The Yaquis, one of the few unconquered tribes of the world.

## Students Nominate Body Heads And Vote Revised Constitution At Wednesday Meeting In Gym

### Museum Exhibits Indian Skeleton Of Present Age

A modern Indian skeleton, found near Lamesa last week, is on permanent exhibit in the West Texas museum.

Museum assistants Porter Montgomery and Sybil Poteet, and Prof. E. J. Lowery of Lubbock High school excavated the bones from a gravel pit near Lamesa where they were found by a Dawson county CCC trooper.

The exhibited bones show bright green stains in several places from bronze bracelets and rings that were found on them. Artifacts recovered with the body identify age of the grave at about 65 years according to the party, and the long shape of the skull leads them to believe it was of the Comanche or other prairie tribe. Dozens of small metal bells and several beads found were similar to those of the Comanches, according to Poteet.

"Basic facts are practically the same in the revision as in the old copy of the constitution with a few added clauses and changes in phraseology for the purpose of strengthening weak places in the document for the purpose of profiting by past mistakes and experiences to meet demands of the student body," Maxine Fry, student president, asserted in an interview.

### Accept Their Amend

If a student favors the script with the exception of a few clauses, the council urges that he vote for adoption and then petition for amendments according to rights vested by Article 9, Section 2 which reads: "An amendment may originate in the Student Council, or may be presented to the Council with a petition signed by fifteen percent of the eligible voters of the Association." Fry asserted.

Candidates to be nominated this time are president, vice-president and secretary-treasurer of the student council, head yell leader and representative to the athletic council.

### Hold Vote May 4

These candidates will be elected by secret popular vote of the student body by the preferential method at the polls on Wednesday, May 4. Ballot boxes will be stationed at vantage points in the four divisions of the school and supervised by faculty and council members.

Student council members in a recent meeting voted that candidates nominated for yell leader must show their ability in performance at the spring Fiesta April 30.

Home Ec Club Is Headed By Hemby

Margaret Hemby, junior student from Sweetwater, succeeds Pauline Edgett, Lubbock senior, as president of the Home Economics club, elected at a meeting Thursday night. She won over Maretta Holloway, junior from Lubbock.

Other officers elected were Floy Glenn, junior from Lubbock, vice-president; Olga Ann Elliott, junior from Moran, secretary; and Oleta Claiborn, junior from Iraan, treasurer.

Retiring officers besides Edgett are Hermione Holcomb, vice-president, Jimmie Bailey, secretary, and Floy Glenn, treasurer.

## Students Convene At Convocation Wednesday To Nominate Officers And Vote Upon Constitution

BUSINESS of interest to every thinking student of the college will take place Wednesday morning at a convocation in the gymnasium from 10 'til 11 o'clock.

At that time students will be faced with the serious proposition of nominating student body leaders, head yell leader and representative to the athletic council for next year.

Too often students are prone to nominate and vote for friends through popularity instead of studying qualifications of the candidates as to merits and ability to hold and to perform the duties of the offices for the best interests of the college and student body.

If every student will study qualifications of these nominated candidates before naming his choice by ballot on May 4, and vote his own conscientious convictions free from popularity, friendship and political pressure the best men will be on top at the final count.

It is a matter not to be taken too lightly. Heretofore too few students have been present for nominations and too few have voted for these—the officers who are to direct student government for the next year. LET'S TURN OUT EN MASSE FOR THIS OCCASION.

Another important problem that will face the students at this convocation Wednesday is a revision of the student constitution. Much time and serious thought has been given to this job by council members in an effort to strengthen weak places in order to profit by past mistakes and experiences and to better meet the demand of the student body. Phraseology has been simplified and some changes have been made.

We are printing this proposed revision again in order that every student will have ample opportunity to read and to study it before the final vote Wednesday. We will also point out some of the changes so the students will be aware of major difference in the two documents.

Article 4: Executive department which formerly called for president, vice-president and secretary-treasurer of the student body now specifies an additional office, that of Business Manager. Section 4 and 5 of this article outline the duties of the Secretary and Business Manager respectively.

Under Article 5: Section 3, division c, the Double T club is vested with the authority to elect the representative to the Athletic council to fill an unexpired term.

Under Article 7: Eligibility of candidates; scholastic standards are raised by the new quality point system adopted to coincide with specifications in the general catalogue. Under this system grades of "F" are averaged to determine eligibility.

Under section 3: division (1) of this article, provisions are made for a girl cheer leader. Nominations for the two cheer leaders are made through recommendations of the Double T association.

Section (2) requires that the Double T Association must make a public announcement in the Toreador asking for applicants for the position of yell leader, the deadline for applications to be set by the Double T Association.

Section (3) reads: Candidates approved by the Double T association shall make a public appearance at the spring football game and shall be elected by popular vote at the Student Association election.

Division (b) of Section 4: The Method and Rules of election, reads: the order on the ballot of the names of all candidates for offices in the Student Association shall be as follows: The secretary shall place the name of each eligible candidate on separate cards of the same size. In the presence of the president and vice-president of the Student Association and of all candidates who care to be present, the secretary shall draw the names separately and place the names of the candidates on the ballot in the order drawn.

Under Article 8: Section 5; specific occasions are given for the ringing of the Victory bells.

This revision of the constitution is printed in order that students may know what they are voting for when they are asked to rise in favor or against the issue and we repeat that EVERY CLEAR THINKING STUDENT SHOULD CONSCIENTIOUSLY STUDY THIS SCRIPT AND VOTE TO PASS IT IF THEY BELIEVE THAT IT IS MORE COMPLETE AND CLEAER THAN THE OLD DOCUMENT, OR VOTE TO DEFEAT ITS PASSAGE IF THEY DO NOT CONSIDER THE CHANGES NECESSARY.

## THE TOREADOR

## Student Constitution

Preamble: We, the students of Texas Technological College, in order to better to exercise the powers delegated to us by the College, to develop student government; to bring about a closer relationship between the College Administration, the faculty, and the Student Body, to recommend to the Administration, the student organizations action which we deem advisable; to uphold student rights; to promote democracy and in general to promote the highest ideals and service for Texas Technological College, do hereby establish the following constitution:

ARTICLE 1: Name

The name of this organization shall be The Student Association of Texas Technological College.

ARTICLE 2: Membership

The membership of this organization shall consist of all undergraduate students of Texas Technological College.

ARTICLE 3: Meetings

There shall be no regular meeting times, but the Association shall at all times be represented by the President of the Student Association. Fifteen percent of the membership shall constitute a quorum for transacting business.

ARTICLE 4: Officers

Section 1.—The officers of this Association shall be a President, a Vice-President, a Secretary, and a Business Manager, elected by the members of the Association.

Section 2.—The President shall preside at all meetings of the Student Association and shall be ex-officio chair of the Student Council, and shall vote only in case of a tie.

Section 3.—The President shall recommend such measures as he shall judge expedient, shall have the power to call special meetings, and the Vice-President shall see that the rules and regulations of the Association are faithfully executed and shall appoint all committees of the Association. The President shall perform all and all other duties properly incumbent on the chief of the Student Body.

Section 4.—It shall be the duty of the Vice-President to act as President in case of the absence or temporary inability of the President. The Vice-President shall be ex-officio a member of the Student Council, and shall be entitled to a seat therein.

In case of a vacancy in the office of the President, the Vice-President shall assume the office and duties of the President until a new President is elected.

Section 5.—It shall be the duty of the Secretary to keep an accurate, complete and carefully worded record of all Student Association records, including the Minutes of the Student Council, (2) Minutes of the Publications Committee, (3) Minutes of the Artist Course Committee, (4) Detailed reports from all offices under the direction of the Student Council, (5) All official correspondence of the Student Council, (6) Reports of all elections supervised by the Student Council, and (7) All annual and monthly financial reports of the Business Manager.

All minutes of the Student Association and of the Student Council shall be made available to the secretary, and copies filed in the office of the President of the College one week after the minutes are read and approved at a meeting of the Student Council.

Section 6.—It shall be the duty of the Business Manager, (1) To keep an accurate and complete record of all receipts and expenditures of the Student Council, (2) To keep a monthly and detailed report of all sales of the Student Activity tickets, (3) To keep an accurate and detailed report of all sales of the Artist Course tickets, and all expenditures made by the Artist Course Committee, (4) To be responsible for the payment of all Student Council expenditures which shall be signed by the President of the Student Association and by himself, and approved by the Dean of Men and the Dean of Women, (5) To present monthly and annual itemized statements to the secretary, such reports to be made after approval by the Student Council.

Section 7.—The officers of the Student Association shall assume the duties of office for one day, immediately preceding the execution of their duties of office, the above officers shall take the following oath given by the retiring President of the Student Association.

I do hereby solemnly swear (or affirm) that I will faithfully execute the duties of my office and will to the best of my ability, preserve, protect, and defend the constitution of the Student Association, and the rules and regulations which may be made in pursuance thereof!

ARTICLE 5: Legislative Department

Section 1.—Executive power shall be vested in a Student Council, consisting of:

The President, Vice-President, Secretary, and Business Manager of the Student Association.

(b) The student representative to the Student Council.

(c) The President of the senior, junior, sophomore, and freshman class, and one honor, one junior, and one sophomore from each of the four main divisions, namely: Artistic, Arts and Sciences, Economic, and Industrial.

(d) One second semester freshman from each of the above divisions during the spring semester.

Section 2.—Before entering upon the duties of office, each member of the Council shall take the same oath as that provided for the officers of the Student Association.

Section 3.—The Student Council shall have the power:

(a) To determine the eligibility of its own members.

(b) To control all money belonging to the Student Council, from whatever source derived.

Section 4.—It shall be the duty of the Student Council:

(a) To have jurisdiction over all elections of the Student Association, and any of the four classes.

(b) To appoint some eligible member of the Association to fill the unexpired term of any officer in the office of Vice-President, Secretary, or Business Manager of the Association.

(c) To determine, with the aid of the Registrar and Deans, the number of eligible candidates for each office.

(d) To consult with the College authorities on any matter concerning the welfare of the Institution.

Section 5.—The Council shall meet regularly twice each month, at a time and place designated by the College Social Calendar Committee, but shall at all times be called to the call of the President of the Association, or upon written request of six or more members of the Council.

Section 6.—A majority of the Council shall constitute a quorum for transacting business.

Section 7.—All requisitions of the Student Association funds shall be signed by the President and the Business Manager of the Association, and approved by the Dean of Men and the Dean of Women.

Section 8.—Every measure passed by the Student Council shall be published in the issue of the "TOREADOR" next succeeding the final passage.

ARTICLE 6: Student Publications

Section 1.—The officers of the Student Association, the publications manager, editor, assistant editor, and assistant business manager of the Toreador, and an editor and business manager of La Ventana.

(a) The editor and business manager of the Toreador and La Ventana shall be selected by large by members of the Student Association.

(b) The Assistant Editor and Assistant Business Manager of the Toreador shall be appointed by the Editor and Business Manager, respectively, of the Toreador, with the approval of the Publications Committee.

Section 2.—(a) The Publications Committee shall be composed of faculty members appointed by the President of the College and an equal number of students appointed by the President of the Student Association, and subject to change at any time by the President of the College, but shall not be ex-officio a member of this committee, but shall have a vote only in case of a tie.

(b) The Publications Committee shall be conducted by secret ballot. Printed ballots shall be prepared by the Student Council.

(c) The committee shall determine the number of publications officers and members of the staffs.

(d) This committee shall have the power to remove any publication officer from the publications committee for neglect of duty; or for other malfeasance or other damage to the reputation of the College or of an individual; for the neglect of duty; or for other gross abuse of the functions of his office.

(e) The committee shall be filled by the President of the Student Association appointed by the Student Council.

## Golfers Begin Tours

Coach J. W. Jackson's golf squad play the third in a series of matches against Southwest Conference schools when they invade Texas Aggeland Monday. Other of the matches follow soon.

## Seniors Flock To Tech

Athletic heads expect seniors and athletes from 80 Texas and New Mexico high schools to attend the third Annual Fiesta, which is reputed to be greater than ever before.

**Spring Fiesta Plans Move Forward; Expect 6000 For Game**By SAM DRAKE  
Toreador Sports Editor

**A ROUND the horn** comes the Texas Tech athletic program for the year as activity along the sports front progresses into its final stages. That borrowed baseball term aptly applies to the situation as students realize that six short weeks remain for them to do or die in the classroom and on the athletic field.

BREWING the spring fiesta plans, Business manager "Bo" Williams of the athletic department reveals quite a few interesting facts. Close to 600 high school visitors are expected for the game with Sul Ross Teachers next Saturday night. Other features of the fiesta include activities of interest to Tech students and townfolks alike. Browse over the fiesta news item on this page for complete info about the year's athletic highlight.

**T**HE preview held last night for the benefit of those most interested in Raider spring football work proved highly satisfactory. The hour scrimmage naturally was the center of interest. Banging away at each other with mid-season vigor the Raider squadrons at least convinced those attending they intend to cause trouble next fall . . . in the good old Matador fashion.

**B**ACK from their long jaunt over Texas, Coach Jimmie Allen's netters had hardly got rackets out of their presses until the University of New Mexico team dropped in for a competitive visit. The Texas Tech team tangled with the visiting Lobo aggregation yesterday morning and afternoon—and the experience the locals gained during their trip showed up well in their play.

**T**HE call of the Kansas relays in Lawrence, Kansas today finds five Double T cindermen and Coach Berl Huffman awaiting the opportunity to carry the Red and Black against the nation's crack tracksters. The scarlet track quintet and Huffman left Thursday morning for the Kansas track and field meet, one of the most important events in the track world this year. Holmes, Farmer, Tarbox, Foster, and Case made the trip with Huffman and they plan to enter several of the track carnival's events.

**S**LIVER Keys bounced Kansas, three year guardian of the Social loop baseball diamond, from the undefeated ranks Wednesday afternoon with a 4 run rally in the fifth stanza—which netted the Keys a 7-3 win. One of the best played games of the year in the Social league the contest was close all the way until the Keys 4 tally spurt in the final inning.

**RACEHORSE" BASKETBALL** CHICAGO, ILL. (ACP)—"Racehorse" basketball, as played on college and university courts during the past season, will be slowed up when the hoopsters resume play next winter.

The group also approved the use of a four-foot instead of a two-foot out-of-bounds margin behind backboards and barred the making of substitutions after a goal is made until the ball is back in play.

**Raiders Test Sul Ross Lobo Next Saturday Night To Climax Event**

Physical Education Department, Matador Band And ROTC Plan Participation In 3rd Annual Athletic Carnival; Raiders Drill For Contest

**B**ETWEEN 6500 and 7000 high school seniors and athletes from 80 West Texas and eastern New Mexico schools are expected for the Tech athletic department's Third Annual Fiesta.

Requests for 2,669 tickets have been received from 28 high school superintendents, "Bo" Williams, graduate manager of athletics announces, and several hundred more are being received daily.

The climax of the Fiesta will be a regulation football game between Tech's Red Raiders and the Lobos of Sul Ross State Teachers college, Alpine, at 8 p. m.

**Ball Game Added**

An added attraction of this year's program will be a professional baseball game between Lubbock's Hubbers and a Clovis nine at 3 o'clock Saturday afternoon. At 2 p. m. Coach Jimmie Allen's raiderettes engage a squad from West Texas State college at Canyon. Tech has triumphed in previous contests against the Buffaloes this season.

Demonstrations by the women's and men's physical education departments are scheduled for the half period. The Matador band and Tech's ROTC unit will also perform.

**Reserved Sections**

Sections C and S of the stadium will be reserved for the general public with general admission price set at \$1. Complimentary guests of the college will occupy sections A, Q, R, T, and U. Section B has been set aside for faculty members. Students with activity books will sit in sections D and E.

General admission tickets will go on sale at the Hilton hotel desk at noon Monday.

Lubbock high school, which will have the largest number of representatives at the Fiesta, has asked for 650 tickets. Slaton, which will be second in attendance, intends to send 171 persons. Floydada is third with 170 requests for passes.

Other high schools planning to send representatives include: Andrews, Brownfield, Crosbyton, Floyada, Dickens, Lorenzo, Lamesa, Levelland, Meadow, Morton, New Home, Post, Popes, Spur, Tahoka, White Deer, Wilson, Jal, N. M., Spade, Patton Springs, Amherst, Burkhardt and Littlefield.

**Softball League Reopens Matches**

The wheel of fortune in the Horn hall softball league once more began to turn Wednesday afternoon when First West chalked up a two point victory over the boys from Third East—score 10-8. This victory shoved the First West gentlemen into second position with four wins and three losses to their credit, making a percentage of .571. Third East slipped into third place with four wins and four losses.

Second East continued to lead the field Wednesday afternoon in the league which has only another month to go. They hold the record of winning six out of six games played.

Monday sees First West meeting Second West in another seven inning contest. Second East plays Third East Tuesday afternoon.

**Tech Golfers Battle Aggies**

Traveling Linksmen Meet Farmers At College Station Monday

Four Texas Tech golf aces invade Texas A and M's varsity links in College Station Monday for their third in a series of match play against Southwest Conference schools.

Next Thursday Coach J. W. Jackson and his squad journey to Austin for a tourney with Texas university's Longhorns. Teams from T W C and T C U in Fort Worth were met by the Raiders last Thursday and Friday respectively. No contests have been scheduled for the return trip from the capital to be made April 29.

**Four Make Trip**

Members of the squad making the trip are Manson Allen, Tech's number one player and consistent medalist; Lindsey Telford, Border conference champion and recent winner of the Toreador tournament; Donald Doherty, winner of the 1937 tourney; and Ford Sturdivant.

Three team wins and three losses was the record hung up by the four Raiders on their recent jaunt.

Coach Jimmy Allen's team won over North Texas State Teachers college 4-2; beat Texas A. and M. 6-0; lost to Texas university 5-1; dropped several close matches to Baylor for a total of 4-2; played S. M. U.'s Mustangs to a standstill to win 5-1; and were defeated 4-2 by A. C. C.

**Fiesta Play Slated**

Next meet of the squad will be April 30 when W. T. S. C. visits the campus during the Spring Fiesta. Hardin Simmons university is scheduled to engage the

**Varsity Net Squad Opens Home Play In Preparation For Border Tourney**

Texas Tech's tennis squad played the University of New Mexico netters here yesterday morning, their first contests after returning from a 10-day tour of east and south Texas.

Three team wins and three losses was the record hung up by the four Raiders on their recent jaunt, Coach Jimmy Allen's team won over North Texas State Teachers college 4-2; beat Texas A. and M. 6-0; lost to Texas university 5-1; dropped several close matches to Baylor for a total of 4-2; played S. M. U.'s Mustangs to a standstill to win 5-1; and were defeated 4-2 by A. C. C.

"We have a very good chance to successfully defend our singles and doubles titles won at the Border meet last spring," Coach Allen said. He also holds an optimistic viewpoint toward the team's chances of winning the Best All-Team cup, a new prize this year.

**JONE SIS DIRECTOR**

Alma Jones, senior physical education student, has been selected to serve as recreational director of Bambi Lodge at Las Vegas, New Mexico from June 15 to July 15, according to Miss Zella E. Riegel, assistant professor of physical education for women.

**Play Resumes Along Baseball Front With Post-Easter Tilts****Squad Enters Relays Today**

Huffman And Five Boys Expect To Win Laurels In Kansas Events

Coach Berl Huffman and five of Tech's track squad who left Thursday for Lawrence, Kansas, are scheduled to compete today in the annual Kansas Relays, one of the nation's most spectacular outdoor track and field carnivals.

Marsh Farmer, one of the southwest's best hurdlers; Elmer Tarbox, hurdler and sprinter; Bobby Holmes, javelin ace and sprinter; James Foster, relay man; and John Case, distance runner, comprise the squad which will be entered against some of the major athletes of the country.

Bobby Holmes, having recently recovered from a pulled muscle, is once more displaying his fine sprinting ability. Huffman believes that at least two of his men will carry away honors.

Clubs Entertain Council

Members of DFD, Las Chaparral, and KoShari clubs will be hostesses at an 8 o'clock breakfast Sunday morning at the Hilton hotel for the girls' social inter-club council.

Mrs. Mary W. Doak, dean of women, will speak. Plans are to be outlined for the all-college dance sponsored by the girls' social clubs next week.

Vocal selections by the DFD trio and Bette Krauss, and a reading by Mary Beth Whiteman are included on the program. The trio is composed of Virginia Knapp, Merle Haynes, and Ina Bacon.

Special guests will be Mrs. Doak, Mrs. J. G. Allen, Mrs. Elizabeth Young, Miss Mozelle Craddock, and the following club sponsors: Mesdames Edna Lyles, Lonnie Langston, George Langford, Misses Johnnie McCrory, Dorothy Rylander, Zella Riegel, Lorene Chilvers, Ruth Pirtle, and Anna Jo Pendleton.

Partoness Honor Girls

Senior members of KoShari are honor guests at a luncheon given today at 1 o'clock by Mesdames H. J. Skidmore and A. B. Strehli, club patronesses, at the Skidmore residence, 2421 Twenty-second street.

Honorees include: Frances Real, Sophie Alice Hardgrave, Helen Hollingsworth, Gretchen Liser, Doris Jobe, Elsie Tucker, Dorothy Walker, Nell Armstrong, Nell Walker, Maxine Burrus, and Misses Dorothy Rylander and Lorene Chilvers, KoShari sponsors.

A white fence entwined with smilax and spring flowers formed a garden setting for the Women's dormitory annual spring dance from 9 to 12 p. m. Thursday.

C. A. Rogers' orchestra played for the semi-formal affair.

Approximately 400 guests attended.

Duck Inn residents were entertained with a dance Friday from 9 to 12 o'clock, and a dance will be given tonight at Seaman Hall. Open house at the Baptist Student center is also included on the calendar for Saturday night.

**Romance Rears Pretty Head-Quoth Reporter**

By MARGARET DEFENBAUGH

Being broke in some of the avenue's best hangouts means nothing at all to many of our local swains who are perfectly content to swing by the nickelodeon music evolved by someone else's nickel. It is on the avenue that romance rears its pretty head. Love affairs begin and end to the strains of "Loch Lomond" and "Ti Pi Tin."

Texas Tech students eat, dance, study and some even fall asleep in avenue dives. The outstanding characteristic of the avenue is that it is patronized almost exclusively by Techsters. After the show it is fun to truck it on down the avenue, dancing in each dive in its turn in glorious razzmatazz. The Big Apple is very appropriate in such a setting, and it is sometimes fun to improvise one's own dance steps.

Frequenting the avenue on certain occasions are curious looking crowds because of the wide diversity in style of dress. Girls wearing formal and boys tuxes, girls in print dresses and boys in plain suits, girls in sweaters and skirts, and boys in sweaters and trousers; girls in wash dresses and ankiets and boys in coveralls. This motley crowd looks especially odd when they tag back and forth.

Sometimes the avenue is a living thing. Every hangout is crowded, the old and dingy places as well as the new and shiny places. During exam periods the avenue bears a desolate and chilly appearance with each hangout seeming to say, "Buried in 1810." The avenue is truly the barometer of the social pulse of Texas Tech.

**Dr. Thorn Plans Baptist Revival**

Dr. F. B. Thorn, pastor of the Second Baptist church at Houston, will conduct an eight-day revival meeting at the First Baptist church beginning Sunday morning.

He will be on the college group Sunday school program at 9:45 o'clock. Dr. Thorn was formerly pastor of the Columbus Baptist church at Waco.

He will preach at 10:00 o'clock each morning and at 8:00 o'clock each evening. The services begin April 24 and close May 1.

Leo White, educational director, will conduct the choir.

Rev. C. E. Hereford will go to Houston Sunday to fill the pulpit of Rev. Thorn.

Book reviewer's club will meet at 5 o'clock next Tuesday in the Doak hall lounge.

## Constitution

(Continued from page 2) Constitution all articles and provisions, except such as may be called traditions, not herein set forth, shall be declared null and void.

Section 2.—The head yell leader shall appoint two male assistants. The elected girl yell leader shall appoint a girl assistant. The three appointed yell leaders shall have at least full sophomore standing. There shall be no freshman yell leader.

Section 3.—Election of representatives of the Association not heretofore provided for.

(a) All queens and others who are to represent the Association shall be elected by a plan provided by the group or presenting the plan, such plan to be approved by the Student Council. The Student Council shall also have charge of any similar activities as may be provided for if deemed necessary or advisable to supervise.

(b) In case of a popular vote for these elections, only one ballot box shall be used and shall be located in a prominent place on the campus. The judges of the election shall be one Student Council member, and one faculty member. Rules for these elections shall be the same as for Student activities, except that a student directory may be used instead of the official list used by the Registrar. The voting procedure of the balloting shall be the same as the Association's.

(c) All beauties featured in La Ventana shall be selected in accordance with a plan proposed by the editor of La Ventana and approved by the Student Council, from a list composed of twice the number to be featured, which list shall be selected by the editor of La Ventana, or by the Student Council.

(d) It shall be the duty of the Secretary to notify all members, of all the meetings of the Committee, and meetings to be called by the Chairman or by the President of the College.

(e) The Secretary shall receive all minutes of proceedings, applications of the Committee, one copy to be filed in the Secretary's Book and the other copy filed in the office of the President of the College.

ARTICLE 9.—Amendments.

Section 1.—This constitution may be amended by a majority vote of the members present at a meeting of the Student Association.

Section 2.—An amendment may originate in the Student Council, or may be proposed to the Council with a petition signed by fifteen percent of the eligible voters of the Association.

Section 3.—Any proposed amendment must be published in the Toreador in at least two editions before it is voted on by the Association.
