## AP HIGHLIGHTS

### Missile Control Sought by U. S.

UNITED NATIONS, N. Y., Oct. 9 (AP)—The United States stressed today the need for U. N. approval of a disarmament plan which emphasizes control of outer space missiles.

U. S. Ambassador Henry Cabot Lodge will go before the U. N. General Assembly's 82-nation Political Committee tomorrow to lead off debate bound to be influenced by Soviet developments in the field of space missiles.

### Troop Withdrawal Wanted

LITTLE ROCK, Ark., Oct. 9.—Gov. Orval Faubus said today the only solution to the Little Rock integration crisis is withdrawal of nine Negroes from Central High School.

Six Negro girls and three boys are attending integrated classes under protection of federal troops sent into Little Rock Sept. 24 by President Eisenhower. Faubus has demanded—and the White House refused—withdrawal of the soldiers.

### Ike Hopeful on Mixing

The President said today that "certainly I am very hopeful" that conditions may be stabilizing to the point that integration, now enforced by federal troops, can be left to local authorities. As soon as local people get things in hand, he said, "we no longer have a function there."

### Cox Trial Continues

AUSTIN, Oct. 9 (AP)—A prime state witness testified today that former Rep. James E. Cox acted scared and threatened suicide after admitting his part in a \$5,000 bribe plot but said nothing about trapping lobbyists.

The state rested its case at 4:44 p. m. shortly after House Speaker Waggoner Carr completed his testimony.

### Rayborn Gets Tribute

BONHAM, Tex., Oct. 9.—Friends, colleagues and former colleagues, Democrats and Republicans, joined hands in this northeast Texas farm town today to pay tribute to Speaker Sam Rayburn.

Headed by former president Harry Truman, Secretary of the Treasury Robert Anderson, and Senate Democratic Leader Lyndon B. Johnson, they converged on Bonham from almost every part of the nation for the dedication of the \$500,000 Rayburn Library.

### Sputnik Speeds On

WASHINGTON, Oct. 9.—Sputnik sped around the world on a steady course today, speaking to earthbound scientists with a strong new radio voice.

The Soviet satellite was estimated by the Naval Research Laboratory here to be circling the globe once in every 96.1 minutes at an average altitude of about 400 miles.

## Seven Class Candidates Ousted by Committee

Seven candidates were disqualified from today's class elections during a meeting of the student council elections committee Tuesday night.

Six freshmen candidates were declared ineligible to compete for office due to failure to submit statements on campaign expenses.

A candidate for junior vice-president was found to have inadequate grades and his name was removed from the ballot by the group.

## Famous Bull Picture Tops Tech Exhibit

"How much do you want for your wife?" Roy Turner, former governor of Oklahoma, used this statement in answering a hereford breeder's question on price concerning Turner's famous bull, Hazford Rupert 81st.

A painting of the famous animal by Tom Lea highlights West Texas Museum's exhibit, "Cattle, Cowpokes and Cowboys."

"Rupe" became well-known in beef breeder circles by becoming International Grand Champion at Chicago in 1936 and American Royal Champion at Kansas City in 1937.

Turner purchased the bull from Robert H. Haslett Ranch, Eldorado, Kansas.

The bull was part of a group often that Turner paid \$18,600 for to help stock his ranch located at Sulphur, Oklahoma.

Tom Lea painted "Rupe" in 1946.

Two hundred fifty of Rupert's calves have sold for more than \$101,000 apiece.

Rupert was born in 1935 and died in 1947.

Tom Lea, who was born in El Paso in 1907, also painted a history of the life of beef cattle and wrote a book entitled "King's Ranch."

Carl Hertzog, printer of "King's Ranch," will speak at the Museum Member's Dinner, Oct. 15.

**BSO MEETS**

Tech's Board of Student Organizations will meet at 6 p.m. today in an organizational buffet at the Tech Union, according to James Thompson, executive chairman of the BSO.

The meeting time had to be moved up because of the conflict with the Pep Rally, set for 7 tonight.

Texas Tech students will go to the polls today to elect class officers and AWS representatives from a slate of 81 candidates.

Ballot boxes will be open from 8 a.m., being placed in the Student Union, Administration, Home Economics, East Engineering and Agriculture buildings.

**FROM NOON TO 1 p.m.** boxes will be placed in the dorms. Students will need their I. D. cards to vote.

Senior candidates are president, Dean Rea and Ted Carthel; vice president, Wayne Frost and Don Gray; secretary, Patsy Green, Shirley Key, Pat Curry, Julia Reed, Betty Alice Lovelace, Marcia Hebert, Joan Roberts and Mary Massey; AWS representatives, Dottie Sue Horchem, Janice Green and Billie Sue Gregory.

Candidates for junior class offices are president, Roy Milhoan, Hollis Swafford, and Dennis Knight; vice president, Kelly Mack Sears and Jimmy Whitacre; secretary, Wanda Murray, Marilyn Adrian, Marilyn Morris, Toni Banister and Linda Shile; AWS representative, Marlys Harris, Kay Adkins, Theda Howze, Jerry Brown, Jo Jones, Carol Crews and Ann Graves.

**SOPHOMORE CANDIDATES** include president, Ken Talkington, Chris Clark and Bill Dean; vice president, Dewey Bryant and David Edwards; secretary, Ruth Sewell, Rebecca (Becky) Pierce Leta Merle Roberts, Linda Bunker, Carolyn Porter, Kathryn Flichtner, Judy Harris, and Bev Jones; AWS representative, Johanna Zournas, Kathy White, Judy Hightower, Donna Pearson and Mary Etta McDuffie.

Freshman candidates are president, Fred Baker, Don Rone, Jerry Storseth and Dan Williams; vice president, Howard Jones, Johnny LaGrange, Bill Curry, Ken Alredge, Dick Toll, Mike Montgomery, Jimmy Bond, Pat Copeland.

Candidates for secretary: Linda Jobb, Della, Close, Jeannie Davidson, Mary Lynn Peveto, Arden Stone, Lynn Richards, Winn Sue Sherrill and Martha Edwards; AWS representative, Mary Jane Cashion, Carol Simpson, Nancy Hector, Gay Terry, Virginia Shields, Celia Burnett, Ann Van Atta, Judy Hart, Jane Adamson and Mabel Tate.

Sixty candidates will compete for remaining positions on the freshman council.

However, the election committee stated that the council members had no authority to okay campaign publicity unless they were members of the election committee or an executive officer. Neither one of the two members qualified for these categories.

After hearing both sides, the committee voted unanimously to place the candidate on the ballot and issued a written statement which included:

"The election committee feels it was an unfortunate situation in which an honest mistake has been made and the election rules were too general."

## Larsen Pitches Today

NEW YORK (AP) — DON Larson, the New York Yankee no-hit pitching star of the 1956 World Series, is scheduled to start the final game of the Series today for the Yankees against either Warren Spahn, Milwaukee's ailing left-hander, or Lew Burdette.

Spahn, bedded by a sore throat,

again spent the day confined to his hotel room.

The Yankees tied the Series yesterday at three games a piece by defeating the Braves 3-2 in a battle of home runs.

A CROWD OF 61,408 saw the Yankees back up the four-hit pitching of Bob Turley with a record long range hitting display. Homers by Yogi Berra with one on base in the third inning and by Hank Bauer with the bases empty in the seventh accounted for all the Yankee scores.

## Fraternity Formal Fall Rush Parties Begin Tomorrow

Fraternities will begin their formal fall rush tomorrow with parties in the Rec Hall for rushees, according to the Dean of Men's office.

Men eligible to participate in formal rush must have completed one full semester, either fall or spring, at Tech; must not be on scholastic or disciplinary probation; and must be taking nine semester hours in the semester in which he pledges.

Rush parties will be given by each fraternity between tomorrow and Oct. 25. These parties are by invitation only and are scheduled between 6:30 and 9:30 p.m. The purpose of the parties is to acquaint rushees with fraternities in general and with individual fraternities. They also offer fraternity members the chance to get to know all the rushees.

Following the last party Oct. 25, a period of silence goes into effect and rushees are not to communicate with members of alumni of fraternities. He is given this time to decide on his fraternity choice. Silence period lasts from 9:30 p.m. Oct. 25 until 6:15 p.m. the following day. Rushees meet in a convocation Oct. 26, with the dean of men and submit their bids. Fraternities also submit their list of choices. The Dean of Men's office matches the two choices and pledge results will be posted in the Union that day not later than 10 p.m.

## Delta Gams Slate Mountain Retreat

About 60 members and pledges of Delta Gamma social sorority will leave at noon tomorrow for their fall retreat at Camp Davis Mountains near Las Vegas, N.M.

Besides planning activities for the spring semester, the DG's plan to get better acquainted with their new pledges. Informal entertainment such as horseback riding, tennis, hiking and mountain climbing will be available.

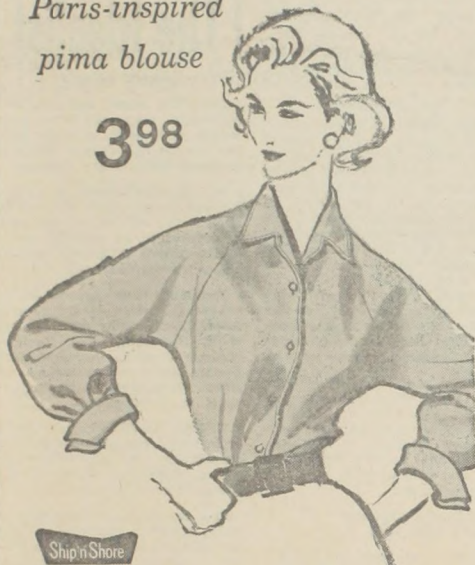

Formal entertainment during the retreat, under the direction of Marilyn Adrian, will include, the DG Combo, composed of Sara Sheveland, Leta Merle Roberts, Janice Green, Laine Porter, Joan Abel and Charlotte Hargis.

Liz Brown and Annette Rose are in charge of general arrangements for the retreat. The group will return to Lubbock about 9 p. m. Sunday.

## Election of AFROTC Sweethearts Heads List Of Campus Activities

**THE SWEETHEART** election for the Air Force ROTC will take place this afternoon from 4 to 5 on the drill field south of the Music building.

Eight Tech Coeds will be elected to fill sweetheart positions for the two Groups, four Squadrons, Band and Sabres. Miss Top Flight, Mary Katherine Birkelbach, was elected at the Military Ball last spring and will take charge of the Angel Flight with the rank of honorary colonel.

This year will be the first time for the Sabres to have a sweetheart. Last year, Miss Top Flight marched with the Sabres.

Voting will be done by squadrons with the ballot system being used.

Miss Top Flight is elected from the sweethearts each year at the Air Force Military Ball. Cadets wishing to enter candidates should have them at the drill field prior to 4 p.m.

**PI MEGA PL** business education club will have its first meeting today at noon in Room B of the Tech Union.

Officers elected last spring are Carolyn Black, president; Paula Bell, vice president; and Jean Hennings, secretary-treasurer.

**FOR ALL** those who like to square dance, polka, waltz, and learn some folk dances, the Rec Hall is the place to go, tonight at 7:30. This is the beginning of a series that will continue throughout the year on Thursday nights.

Dean Rea, Personnel Director and Jerry Henderson, of Lubbock will be the callers for the square dance. For those just learning there will be special instructors.

**THE BLOCK** and Bridle club will hold a Smoker for all Animal Husbandry majors tonight at 7:30 in the Aggie Pavilion.

President Jack McAnich says that the purpose of the meeting is to raise interest in club membership and explain eligibility rules for those who are interested in becoming members of the organization.

Several animal husbandry professors will speak on different phases of the club.

Refreshments will be served to all who attend.

**STUDENTS** in the school of Home Economics pattern class will visit representative manufacturing companies in Dallas during Oct. 10-12.

The class will be permitted to

observe the organization of the companies, the designing and construction of garments and sales methods.

Students making the trip are Kay Alexander, Mary Baker, Patricia Coleman, Judith Cone, Pat Copeland, Doris Elkins, Jean Elliott, Barbara Haek, Nella King, Dolores Knight, Helen Marie Lusk, Geneva McLain, Ann Nichols, Carolyn Reynolds and Betty Weeks. Dr. Gene Shelden, Head of Clothing and Textiles Department, will conduct the trip.

## Tech Directories On Sale Tomorrow

Student directories, sold this year by Alpha Phi Omega, will be on sale tomorrow, Saturday and Monday.

Sales will be conducted from booths in the Student Union, Agriculture Bldg., Administration Bldg., Home Economics Bldg., and East Engineering Bldg. between 9 a.m. and 5 p.m. Friday, 9 and 12 noon on Saturday and Monday according to Richard Holder, reporter for Alpha Phi Omega.

## Ventana Will Set Picture Deadline

Deadlines for having 1958 LaVentana pictures made will be set within the next two weeks. Only an approximate 1,000 students out of a remaining 8,000 students have had pictures made to date.

Since graduate, senior and freshman picture deadlines will fall first, these people are asked to come in immediately, according to Koen's Studios, official LaVentana portrait photographers.

No appointment is necessary and pictures are being made at Koen's 2222 Broadway location, or at the 1311 College Ave. Studio.

Students who have not purchased LaVentanas are eligible to have their pictures included in the yearbook for a \$1 fee. If at a later date they decide to buy the book the price will be \$6, instead of \$7.

# TWC Miners Set for Tech Go

by MITCH MAYBORN  
Toreador Sports Writer

Texas Western College's Miners hope to arrive at full strength for Tech after a week of colds and flu.

With two first team players out last weekend, the Miners still managed to squeak by New Mexico University 15 to 13. Other members of the team had been feeling ill prior to last week's game. However, it was anticipated that they would be fully recovered by Saturday night's game.

**THE MINERS** have 16 lettermen back from a team that copped the Border Conference Championship with a 9-1 record last year, plus one letterman of 1952 returning from the service.

So far this year things have looked good for the Miners. They have consistently trailed in statistics yet have won three games and lost none.

**THEY TRAIL** in first downs, yards rushing, and yards passing. They have obtained 29 first downs to their opponents 40. They have gained 585 yards rushing to their opponents 706, and trail in passing yardage 137 to 155. However, they have only been penalized 45 yards to their opponents 120.

The West Texas State, Buffalo, who dropped Tech 19-0 in the opener, fell 20-13 to Texas Western. North Texas State lost by one point 13-14, and New Mexico University lost by two points, 13-15.

**RETURNING** to the lineup are fullback Charles Ward, 195 pound senior and 185 pound guard Bill Hannon.

Ward, who didn't get to play against New Mexico, has carried 17 times this year for 123 yards. This is the highest average ground gainer for the Miners with a 7.2 yards per try.

**LEADING RUNNER** is half-back Jimmy Bevers with 144 yards. Bevers has carried 38 times for a 3.8 yards per try average, and has returned two kickoffs for a total of 70 yards.

Don Maynard, the other half-back, weighs in at 175 pounds. So far this year he has turned in 60 yards in rushing in 19 tries, and caught four passes, one of which scored, for a total of 52 yards.

**STARTING QUARTERBACK** Bob Laraba is the leading passer of the Miners squad, having passed for two touchdowns. He had completed 12 of 22 passes for 137 yards. Last year Laraba scored against Tech with a touchdown in the third quarter.

Ends Saturday night will probably be 190 pound Jack Gothard, and 175 pound Dick Forrest. Gothard has caught five passes for 44 yards while Forrest has caught two for 23 yards. However one of these was a scoring play.

**DAN BOYD**, 206 pounder, and 235 pound Robert Bobo will fill

the guard slots, while Bill Hannon, and Doyle Watkins start in the tackle position. Hannon weighs in at 185 and Watkins at 190.

Vernon Mitchell two-year letterman will start at center for the Miners.

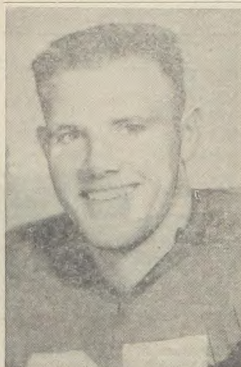

Only one change has been made in the first two units since the

game with New Mexico. Freshman, Charles Bradshaw, 155-pound featherweight fullback was moved to the second team. Bradshaw streaked 24 yards for the winning touchdown against the Lobos of New Mexico. Coach Colins said however, that the promotion was mainly for his defensive playing.

ENTRIES DUE

All men interested in intramural tennis should turn in applications at the office of intramural sports before the extended deadline of Oct. 16. There will be a trophy for both first and second place winners.

# Student Hears Beeping Sound --Satellite, Not Roadrunner

Traveling at 18,000 miles per hour, 560 miles from the surface of the earth is a Russian satellite.

Scientists all over the world are tracking, plotting, and listening to the space traveler as it speeds through the near void on the fringe of space.

Not only are world famous scientists and astronomers listening to it, but so are Tech students.

"IT SOUNDS SORT of like a 'tick' then a 'beep,' stated James

Bonine, freshman student from Monahans. "I could hear it pretty good for about 15 minutes; then it faded out." He went on to add that due to its speed it would pass from above the horizon in about that time.

He said, "The ionosphere reflects radio waves when they are broadcasted from the earth so that distance doesn't matter. However the satellite is above the ionosphere so unless the broadcast is in a straight line we can't

receive it. This is the same principal as television."

AT THE TIME the signals were coming in, he figured that the satellite was somewhere north of Labrador. Broadcasting on 20,005 megacycles, the signals were received for about 15 minutes, faded out for three hours then came in again.

An amateur radio fan, Bonine is a member of the Texas Tech Amateur Radio Club. His call letters are K5LJC.

## IRC Slates Talks

Tech's International Relations Club will this year sponsor a series of appearances by speakers in the field of international relations.

The first program of this series, October 22, will feature Austin Wheatley of the British Consulate-General in Houston. The program will be a joint project with the Cosmopolitan Club.

The organization's first meeting of this academic year was Monday.

The purpose of the club is to help Tech students learn more about international affairs.

### VETERANS NOTICE

All former veterans attending Tech this fall are asked by the Office of Veteran Affairs cards as soon as possible. Checks cannot be made out until the enrollment cards are complete. As a result the September checks will not be available until October 31.

## Of Two Minds

On the one hand, you have Thirsty G. Smith. Good taste to him means zest and zip in a beverage, sparkle and lift and all like that . . . On the other hand, T. Gourmet Smythe perceives good taste as the right, fit and proper refreshment for a Discriminating Coterie. So? . . . Have it both ways! Coca-Cola . . . so good in taste, in such good taste. Et vous?
