

Junior Prom Begins Spring Social Season On Campus

Juniors Honor Seniors At The Annual Dance In Gym Saturday

Ann Caldwell is Crowned Junior Queen By Ed McKeever, Prexy Of Junior Class

The highspot in the realm of spring semester social affairs was reached Saturday night when Miss Ann Caldwell was crowned queen of the annual junior prom which was given in the college gymnasium from 9 until 11 o'clock.

The gymnasium was elaborately decorated in a modernistic theme. A fence woven in black and white strips, giving a plaid effect, made the wall around the dance floor. High cylinders in black and white were placed in groups of three at intervals around the dance floor. Balloons were floated over the crowd at the conclusion of the coronation.

Ann Caldwell, daughter of Mrs. T. R. Caldwell, 1501 College avenue, was crowned by the class president, Ed McKeever, who was also her escort during the grand march. The duchesses in the court were other nominees for the queenship.

The queen wore an off-the-shoulder dress of white organdy over white satin and the duchesses wore organdy dresses in pastel shades.

Those in the court were Miss John Anna Boyd and Bob Tracy, Miss Christine Bundy and Jerome Stocking, Miss Bird L. Glass and Wallace Sanders, Miss Rose Healey and Charles Maedgen, Miss Judith English and J. Mason Moxley, Miss Corinne Pigg and D. M. McElroy, Ned Bradley was master of ceremonies, and his orchestra furnished music for the prom.

The chaperones were Dr. and Mrs. Bradford Knapp, Dr. and Mrs. S. S. McKay, Mr. and Mrs. James G. Allen, Mrs. W. C. Holden, and Mrs. R. M. Chitwood, Dr. McKay and Mrs. Allen are the class sponsors.

The dance committee was composed of Leon Ince, Dixie Anderson, and Bob Tracy. Miss Sue Michie and Atmar Atkinson decorated the hall.

This is an annual affair and always honors members of the senior class at Tech. About 250 guests attended Saturday night.

Soucis Honor Patronesses

Club Members Entertain With Luncheon At Hotel; Forty-Five Guests Are Present

Complimenting the patronesses and sponsors, members of the Sans Souci club entertained Saturday afternoon with a one o'clock luncheon at the Hotel Lubbock.

Patronesses of the club attending were Mesdames John Vickers, Freda Hunt, C. E. Maedgen, Roscoe Wilson, A. V. Weaver, John Crisler, Della Wilkerson, Floyd Beall, W. O. Stevens, Jerome Smith. Sponsors attending were Mrs. Lorenz Ellis and Miss Jonnie McCreary.

O. Balzer, and Mrs. Gilford Scott.

San Soucis Choose New Club Officers

Rose Mary Leaverton was unanimously re-elected president of the Sans Souci club, at a meeting held last Wednesday night. Francis Snyder was also unanimously re-elected secretary and treasurer.

Other officers chosen were: Mary Genice Hardberger, vice president; Melba Watson, sergeant-at-arms; Katherine Hill, reporter; Woody Sheridan, representative to A. W. S.; Roberta Myrick, representative to Inter-club Council.

Test Tube Will Elect Officers

Members of the Test Tube, Tech chemistry club, will elect new officers for the society in their next regular meeting, March 19. Nominations for the officers were made at the group's last meeting.

Any other nominations to be submitted may be made at the section meeting.

The nominations are: John Lowry, first vice president; Clifton Crawford, second vice president; Howard Schultz and James Ripps, secretary; and treasurer, Howard Eumence, Edwin Parker and W. A. Griffith.

Plans were started for a smoker to be held at some early date. A committee consisting of Crawford and Willard Kelton was appointed for developing these plans.

Besides the election, a program has been planned for the next meeting including two moving pictures. These pictures are each one reel, the first being entitled, "Manufacture of Wire Products" and the second "Man Against Microbe."

Baseball practice is in full swing at Fordham University. The Ram Gymnasium is humming with activity. Starting next week the entire squad will work out of doors.

Los Camas Give Annual Formal

Woodland Scene Used As Decoration For Dance; Affair Given At Club House In La Fonda

A waterfall scene was the feature of the decoration motif when Los Camaradas club members entertained with their annual formal dance at La Fonda, 2406 Main, last Friday evening. The club house apartments are in La Fonda.

Colored lights played over a waterfall which was built into the corner of one of the dance rooms. The moss and ferns created a woodland scene.

Hosts and their dates were Lloyd Marr and Miss Polly Parrott; Dick Browning and Miss Josephine Powell; Albert McGinty and Miss Lillian Parrish; Fred Williams and Miss Mary Burke; Merle Jones and Miss Ann Caldwell; J. Mason Moxley and Miss Judith English; Ralph Snyder and Miss Ila Steele Patterson.

The list of special guests included Dr. and Mrs. Bradford Knapp, Dr. and Mrs. James M. Gordon, Dean and Mrs. A. H. Leidigh, Dr. and Mrs. W. B. Gates, Mr. and Mrs. B. T. Thomas, Mr. and Mrs. G. W. Woodbury, Mrs. Mary W. Doak, Miss Ruth Pirtle, Miss Vonelle Gilkerson, C. E. Russell, Durwood Bradley, and Jimmie Wilson. Mr. Woodbury is club sponsor.

Pledges and their dates were Fred Barron and Miss Madeline Neves, Foy Pribble and Miss Allie Eason, Hillman Brown and Miss Evelyn Spaulding, James Sturdivant and Miss Mary Frances Seif, F. H. Richards and Miss Norma Richards, Jim Vowell and Miss Elsie Fay Barron of Wichita Falls, Eli McAngus and Miss Ethel Murray, George Finley and Miss Alma Brown, Jack Bradley and Miss Phelan Leggett, Herbert Rule and Miss Lois May Grundy, O. B. Haight and Miss Jane Tinsley. Club alumni attending were Messrs Curtis Williams, Jason Gordon, Ordis Forbess, and Earl Dodd. Their guests were Misses Tommy Echols and Lucille Hunt.

The stand of those American athletic groups which voted to hold the 1936 Olympic game in Berlin was deplored here by Judge Irving Lehman, president of the Y. M. H. A. board. Judge Lehman said that "the issue involved is the violation of a basic principle of the international Olympic protocol."

NMMI Winners In Golden Gloves Boxing Tournament

Tech Fighters Win Two Second Places Out Of Four Entries; Season Ends

New Mexico Military Institute won the Golden Gloves boxing tournament held in Roswell last Friday and Saturday, winning five out of the eight weights. They won the 125, 135, 155, 165 and 175 pound division losing only the 115 pound, the 145 pound, and the heavyweight events.

Texas Tech entered four boxers in the tournament, bringing home two second places. The men to enter were: Alvin Kotrola, Marion Harris, Andy Jones, and Harry Guthrie.

Tech Entries

Kotrola drew a bye in the preliminaries held Friday to get his chance to fight in the finals the following night. In the concluding match the "Bull" was knocked out in the first round by Cull, a 240 pounder from New Mexico A and M.

Jones, the hard-hitting 155 pound Swede of the Matador team, whipped Boyd, of N. M. M. I., on Friday night to earn a chance to fight against Livingston, of New Mexico university, who gained a decision after the fight had gone one extra round to determine a draw match.

Chairmonte Wins Again

The other two bullfighters representatives were defeated in the Friday night preliminary bouts. Marion Harris, who had taken on the great Chairmonte once before this season, took another chance against the "Wop", only to lose by a technical knockout at the end of the first round when he was unable to continue the battle. Chairmonte is the holder of approximately 70 knockouts and has fought some of the leading middleweight professionals of the country.

Guthrie, a smart boxing Tech 175 pounder, lost a decision to Sullivan, of New Mexico university. Harry, who had been cut about the face in a fight at the Jack Dempsey show here four days prior, had many bad bruises and cuts when he entered the ring. Had it not been that these cuts were re-opened in the fight, the final decision would probably have been different.

Four Schools

There were four schools, New Mexico university, New Mexico Aggies, New Mexico Military Institute and Texas Tech represented at the tournament.

This trip ended the season for the Matador boxers.

A. Crews Scores High For Season

Co-Captain Alvin Crews by the the closing games led the scoring of the Matadors with one hundred and seventy-nine points for the entire season. Trailing Crews is Wilson Gilmore with one hundred and forty-two markers. With one hundred and forty points, Co-Captain Robison is third. Leroy Crews next with one hundred and nine points for his initial year on the varsity.

During the season Coach Dell Morgan's cagers registered seven hundred and sixty points to six hundred and forty-three markers chalked up by opposing fives.

Tech Coaches To Travel Prior To Spring Football

Coaches Pete Cawthon and Russell Smith left last Saturday for Lafayette, Indiana, where they will visit Purdue University during spring football practice held there. They will probably make a trip to South Bend to visit at Notre Dame during their football training before returning to Lubbock in two weeks.

The Tech mentors intend to watch the two teams work, with a watchful eye open for any tips on the Rockne style of play, which is used here. Cawthon says: "I consider Noble Kizer of Purdue one of the best coaches in the country using the Notre Dame style of play. We hope to get some valuable information before returning to Lubbock to start our spring work on March 26."

Ring Sports To Be Given Recognition

Athletic Council Votes To Award Letters In Boxing and Wrestling; Season Ends

The athletic council of Texas Tech voted last week to make boxing and wrestling minor sports at this institution, and to give letters in the two popular ring sports the same as they are given in football and basketball. The letters will be smaller than those given in either of the other two sports.

To be eligible for the awards the candidates must have competed in at least four contests, although an exception is made in the case of Herman Payne whose jaw was broken in a match against New Mexico University. The upperclassmen will receive varsity letters and the freshmen will obtain numerals.

The boxers include: John Prim, 165 pounds, freshman; Marion Harris, 155 and 165 pound classes, Junior; "Bull" Katrola, heavy-weight, freshman; Robert Graham, 115 pounds, upper-classman; Herman Payne, 155 pounds, sophomore; Andy Jones, 155 pounds, freshman; Morris Alford, 145 pounds, upper-classman, and Harry Guthrie, light heavyweight, upper-classman.

The wrestling candidates are: Winston Watkins, 135 pound division, freshman; James May, 155 pound class, upper-classman; and Everett Williams, 155 pound weight, upperclassman.

The season consisted of a dual contest with New Mexico university here, February 16, which the Matadors won and a dual meet with New Mexico Military Institute at Roswell, February 23, eTch winning by a score of 26-20. The Texas Tech Invitation AAU Meet held at the gym March 2 and 3, which gave Tech its first big time boxing and wrestling tournament, and in which the Matadors won a surprise victory in boxing by defeating NMMI in a two way race, was the feature event of the boxing season. The NMMI boxing tournament held at Roswell, March 9 and 10, gave Tech two second places to conclude the season.

Double T Show Will Be Revue Of Athletic Seasons At Texas Tech

The annual Double T show for this year will be different from those of former years, in that it will not be a minstrel but will be a sports revue of the year's athletics at Tech carried out in dances to illustrate each of the major sports of the college.

The football revue will be dances done by members of the past season's varsity football squad. The dance steps will illustrate the Notre Dame style of football used at Tech, with shifting and formations carried out by the players wearing football uniforms.

The basketball season will be done by members of the varsity

basketball squad, wearing basketball uniforms to illustrate a game played on the stage. There will be no girls in these first two dances.

The third revue will be to illustrate the fun nights put on by the athletic department during the year. The dances will illustrate boxing and wrestling matches and the awarding of honors to members of the football and basketball teams.

The show will be held at the high school auditorium on March 23, under the direction of Misses Zella Reigal and Johnnie Gilkerson, of the department of girls physical education.

Besides the three dances to illus-

trate the major sports, there will be shorts and comedy sketches along with tap and clog dancing done by the girls of the physical education department.

Judgers Win Second At Fort Worth

Fort Worth Star-Telegram photo, by Bill Davis, Texas Tech

Junior livestock judges representing Tech at the Southwestern Exposition and Fat Stock Show at Fort Worth last Saturday placed second in the judging contests to rank above college teams from four states. Kansas State Agricultural college was first.

Team members are, left to right:

Casey Fine, Posey; Herbert Davis, Silverton; Prof. Ray Mowery team coach; Henry Elder, Cuero; Billy Murray, Lubbock; and L. M. Hargrave, Hale Center. (See story Page 1.)

They were run last year, with the exception of advertising matter.

Officers of the annual event are: Jim Frank Potts, general manager; Fred Fairly, assistant manager; "Chick" McElya, publicity manager.

These directors are expecting this year's attendance to equal if not surpass last year's record of 5,707, by actual count.

Judging Contests Slated For April

Texas Tech's ninth annual vocational agriculture judging contests will be held Monday, April 2, C. Luker, vocational supervisor announces. Ray C. Mowery, associate professor of animal husbandry, will be director general of the events.

Invitations are being mailed to approximately 135 high schools in this section that offer vocational work. Around 70 teams from 35 or more schools are expected to compete this year. In addition to the schools in the Panhandle-Plains territory, a group as far south as San Antonio, and east to Cisco, is expected to attend.

Contests will include judging of dairy and beef cattle, hogs, sheep and horses in the livestock divisions; wheat and grain sorghums in the grain division and three breeds of poultry, White Leghorn, Rhode Island Red and Barred Plymouth Rocks.

Students in the division of agriculture at Tech will assist in the handling of the contests. Mr. Mowery is expected to name the group in the near future.

Even so.. you can say Chesterfields are "not like others"

NO two people in the world look alike... act alike. So it is with tobacco... just like folks.

No two leaves are the same.

And it's the same with cigarettes... no two brands are alike.

Furthermore, not only are the tobaccos different, but the way the tobaccos are handled is different.

This, you can understand.

You know just as well as we do that no two manufacturers use the same kinds of tobaccos, or blend them or cross-blend them or weld them together in the same manner.

We do everything that science knows and that money can buy to make CHESTERFIELD as good a cigarette as can be made.

We hope you like them. They are "not like others."
