Kennedy Asks Aid For Unemployed Not Now Covered

WASHINGTON (AP)—Sen. Kennedy (D-Mass.) said Monday that Congress should consider extending jobless benefits to some of the two million idle presently excluded from receiving any unemployment compensation aid.

THERE ARE more than five million idle. The government reportedly will announce that at mid-February unemployed totals 5,100,000. A little more than three million are receiving or have received UC benefits. But the nearly two million remaining are not covered by such aid.

"They are just as unemployed and they have no coverage at all," Kennedy told a reporter.

Shah Talks to Advisors

TEHRAN, Iran (AP)—The Shah of Iran summoned nine royal advisers Monday to talk over his childless marriage to Queen Soraya. He is concerned about an heir to his throne.

The queen, 25, is in Cologne, Germany. While the high-level conference was under way here, she went to a movie.

THE SHAH, 38, heard a report from Sen. Sardar Bakhtiari on a reconciliation. Bakhtiari returned downcast from Cologne Sunday night with what he said were her final words on the possibility of coming back home.

The senator declined to discuss the queen's proposals but there seemed little hope they would patch up the marriage.

Company Begs For Time

AUSTIN (AP)—Officials of Estate Life Insurance Co. begged today for more time in attempting to rescue the financially-stranded Amarillo firm.

State Insurance Commissioner William A. Harrison said he would announce a decision tomorrow afternoon on whether or not Estate Life should be put into receivership.

Have Jobs—

All persons interested in staff positions on the 1959 La Ventana are requested to meet with Billy Ellis, editor-elect, at 5 p.m. today in the Reading Room of the Journalism Building.

Interested persons who cannot attend the meeting are urged to contact Ellis at extension 431 before 5 p.m. today.

Editorial positions on La Ventana will be open in sports, class sections, organizations and student life. Assistantships in the various sections also need to be filled.

Band Schedules Tour

Texas Tech's 72-piece concert band will make its annual spring tour March 31-April 2, band director Dr. D. O. Wiley has announced.

The band will make appearances at Crosbyton, Paducah, Vernon, Seymour, Anson, Abilene, Snyder and Post.

The repertoire of the "Big Red" band will have 20 to 25 numbers ranging from "When You Wish Upon a Star" from Walt Disney's

THE TECH CHOIR, under the direction of Dr. Gene Hemmle, is keeping busy these days with long hours of rehearsal as they make ready for their

appearance on the Ed Sullivan Show. The date of their New York appearance is April 13. Part of the money to cover expenses of the trip has been raised by the choir itself.

Service Will Recognize Scholars and Leaders

Tech's outstanding scholars and student leaders will be honored Sunday at the 12th annual All-

College Recognition Service.

President Jones will be the principal speaker at the 2 p.m. ceremonies in the Municipal Auditorium. He will honor more than 300 top undergraduates. Music will also be on the program. The choir and concert band will perform.

HIGHLIGHTS of the service will be Dr. Jones' presentation of College-Honors keys to students who have received scholarship recognition at four straight ceremonies.

Students who have been in the upper three per cent of their school either the previous spring or fall semester and who have a grade-point average of not less than 2.25 in the two previous semesters will be honored.

School honors will go to students recognized three consecutive years, class honors to those recognized two straight years, and individual honors to those recog-

nized for the first time.

TOP SCHOLARS in each of Tech's five undergraduate schools will also be honored.

Honors will be given campus organizations whose members have compiled outstanding scholarship records collectively, outstanding student leaders, athletes and scholarship holders who have compiled at least a 2.00 average.

A NEW FEATURE this year will be recognition of outstanding student achievements that do not fit any of the specific categories previously mentioned.

Immediately following the service, the honored students and their parents will be guests at a tea and reception in Drane Hall.

Wilson Foundation Sends McCutcheon

Dr. Roger P. McCutcheon will visit Tech Wednesday to meet with faculty members and students interested in Woodrow Wilson fellowships.

McCutcheon is southern coordinator for the Woodrow Wilson Fellowship Foundation, a private organization supplying grants to help overcome the shortage of college teachers.

Grants provide at least \$1,400 plus fees and expenses for promising students planning graduate work and eventually entering college teaching.

Persons interested in conferring with McCutcheon should get in touch with Dr. W. Bryan Gates, Graduate School dean.

Summer School Sets Saturday Classes

Saturday classes will be held in Tech's summer school this year.

W. P. Clement, Tech registrar, announced that classes will be held on five Saturdays during the two six-week terms to enable the Summer School to end August 23.

Previously, when no Saturday classes were held, the summer session ended as late as August 28.

Registration for the first summer term will begin at 2 p.m. June 3 and continue on June 4. Classes will begin at 7:20 a.m. June 5. The first term will close July 15, with finals scheduled July 14-15. During this time Saturday Classes will be held on June 7 and July 12.

Second summer term registration will begin July 16. During this session, Saturday classes will be held on July 19-26 and August 2.

Dean Heather Ill

George G. Heather, Tech Dean and professor of Business Administration suffered a light heart attack last Friday. Dean Heather, who is in West Texas Hospital, is reportedly in satisfactory condition. According to Mrs. Heather, her husband is in good condition, but the length of his hospitalization is undecided as of yet.

Cadets Tour School

Eleven Texas Tech Army ROTC cadets and three faculty members will make a tour of the Artillery School at Fort Sill, Okla., Friday and Saturday.

Faculty members making the trip will be Dr. S. M. Kennedy, assistant dean of Arts and Sciences at Tech, John H. Baumgardner, associate professor of animal husbandry, and Haskell Taylor, professor of accounting and finance.

SENIOR CADETS making the trip will be James R. Barnett, junior from Tahoka; John H. Bates, junior from Breckenridge;

In Sumatra

Indonesian Units Shell and Bomb Rebel Position

Central Sumatra (AP)—Indonesian warships and planes lightly shelled and bombed Padang Monday after landing troops on the west coast of Sumatra in a showdown with the rebel regime based in this mountain capital.

The American oil company Caltex, caught in the middle of what seemed to be the outbreak of civil war, closed down operations at its 125 million dollar installations and sent some employees' families to Singapore.

THE REVOLUTIONARY regime said 300 government troops landed Friday on the east coast island of Bengkalis, plugging one of Caltex' coastal oil terminals.

A rebel platoon on the island, an old-time Chinese smugglers' base, clashed with the troops and then withdrew to the jungle.

Strict military censorship was reported in force in Jakarta, the Indonesian capital. But the Jakarta correspondent of the Dutch newspaper Vrije Volk in Amsterdam, said 8,500 Indonesian troops launched a three-pronged attack against the rebels early Monday.

Three Mustang fighter-bombers attacked a bridge in Padang, but the revolutionary regime said its anti-aircraft guns forced the warplanes to drop their bombs prematurely.

ALL ALONG the coastal beaches rebel troops waited in camouflaged positions. In swamplands behind the east coast beaches, other rebel troops also waited in the places of most likely attack.

Rebel Premier Saafuddin Prawiranegara declared definitely the invasion would be "President Sukarno's last breath — when it falls he has nothing."

The rich Caltex fields, which produce 150,080 barrels of oil a day, appeared to be the prize sought by both sides in an economic squeeze.

HE SAID THE 10 battalions launched air and sea-borne operations from Tandjong Pinang off Central Sumatra's east coast, Medan in North Sumatra, and the Bintawai Islands off Padang on the west coast. He said they hoped to take the major rebel towns by March 23, the start of the month-long Moslem observance of Ramadan.

Attacks today by planes and warships on Padang, chief rebel center, raised expectations of a government attempt to land troops on the west coast to support the east coast landing.

John G. Campbell, junior from Spearman; Bobby Coleman, junior from San Saba; Boyce W. Irvin, junior from Lubbock, and Fred D. Martin, junior from Lubbock.

James L. Mays, junior from Van; Wayne Mitchell, junior from Welch; Benjamin F. Stewart, senior from Cameron; James G. Renfro, senior from Littlefield, and Theo D. Terry, junior from Lampasas.

Each cadet will spend the first day with an officer on routine duties. A demonstration of the latest missiles and artillery will be given the second day of the tour.

Fraternity Rush Ends With 256 Tech Men Pledged

Texas Tech's ten social fraternities are pledging 256 men this spring.

Phi Delta Theta is pledging the largest number, 45, followed by Sigma Alpha Epsilon, 37; Kappa Sigma, 36; Phi Gamma Delta, 30; Sigma Chi, 26; Pi Kappa Alpha, 24; Delta Tau Delta, 20; Alpha Tau Omega, 16; Phi Kappa Psi, 15 and Sigma Nu, 7.

Pledges are:

ALPHA TAU OMEGA—Frank Posey Brown Jr., Letore; Floyd Ous Cole, McCamey; Richard E. Emory, El Paso; Aro Ship Johnson, Texas City; Edward Lonnie Langston, Lubbock; Reuben T. Lambert Jr., Idaho; Wm. Curry Mills, El Paso; George Patrick Noakes, Fort Worth; Wm. Hugh Patton, Clyde; Phillip Edwin Pendley, Lubbock; Buford M. Seward, Dallas; Thomas P. Simes, Lubbock; William A. Sims, Lewisville; Jack C. Spargo, Roman; Paul Stomlin, Amarillo; and Henry W. Whitehead, Houston.

DELTA TAU DELTA—Marvin Arthur

Carpenter, Monahans; Clarence Marshall Chase, Midland; Thomas Bruce Craig, Lubbock; Don D. Davis, Sherman; Bruce M. Faust, Barth; Pat J. Fletcher, Midland; Hamilton W. Jenkins Jr., Gladiewater; James Reginald Kleiner, Cisco; Wm. Carter Mueller, Fort Worth; Charles Ray Price, Pecos; Richard W. Price, Amarillo; Jean Alvin Rawlinson, Fort Arthur; Thomas Eugene Sanders, Odessa; Charles Hugh Smith, Welbert; Earl Cordell Smith, Arzonic, N.M.; Joseph Clark Smith, Fort Worth; John Myers Stokes, Galena Park; Robert S. Webb, Lubbock; Lee Roy Whitley, San Angelo; and Gregory Lawrence Wiseman, Littlefield.

KAPPA SIGMA—Delaney Edwin Adams, Lubbock; Thomas Andrew Bacon, Dallas; Wm. F. Baker, Amon; Pat L. Coplin, Paris; John Joe Corrigan, Houston; Jimmie Ray Cramer, Hereford; George Tho-

mas Crowder, Fort Worth; John Raymond Deboen, Houston; John Richard Early, Andrews; Henry Stephen Fort, Wichita Falls; James Edward Fox, Pecos; Chesley Doyle Gammill, Lubbock; Larry Green Ablene; Johnny B. Hastings, Wichita Falls; James M. Hill, Lubbock; Rodney Culver, Hill, Lubbock; David W. Hurt, Amarillo; Harry D. Johnson, Kress; Mickey Claude Kirkpatrick, Dallas.

Donald Eugene Lambert, Wichita Falls; Bobby Dean Langley, Gainesville; Earlton Wayne McCutchen, Brownfield; Joe M. McMahon, Tyler; Jim Nelson, San Angelo; Paul Mason Nichols, Fort Worth; Ben L. Nicol, Houston; Gene Owens, Fort Worth; Truett Wm. Poer, Monahans; James Henry Prentice, Wichita Falls; Phillip Bruce Reid, Galatin; David Lud Rutherford, Waco; Michael D. Shipman, Lubbock; Joe Rex Vardeman, Lubbock; Mike Lee York

Dallas; Wm. Charles Worley, Dallas and Tony John Younger, Whitney.

PHI DELTA THETA—Burl Michael Abel, Lubbock; Regis Wm. Alexander, Lubbock; Bobby DeWayne, Lubbock; Fred Lee Baker, Lubbock; Marilyn K. Beyer, Abilene; James Walter Brock, Fort Worth; Woodrow O. Brownlee, Dallas; Johnny C. Campbell, Spearman; Billy Lee Curry, Amarillo; Charles Thomas Draper, Amarillo; Dan Michael Elder, Bridgeport; Michael Bonham Fry, Lubbock; George Bruce Gibson, Dallas; Dan Carol Gurley, Fort Worth; Dusty Arde Ham, Amarillo; Morgan Clark Hampton, Abilene; Gene Haudley, Lockney; James Walter Haynie, Lubbock; Charles C. Henry, Fort Worth; Gerald Wilson Hodges, Dallas; Don Gray Hunt, Lubbock; Johnny Wayne Janak, Amarillo; James Phillip Johns, Dallas; Arthur Fred Jones, Dallas.

Wm. Robert Koehler, Dalhart; Dennis Michael Lamphere, Lamesa; James Kenneth Lee, Fort Worth; Hally Steven Lee, Hale Center; Mike Scott Lundy, Lubbock; Frank Conrad Neal, Belaire; Joe Melvin Nelson, Denver City; Don Edward O'Neal, Brownfield; Jo Phillip Page, Lubbock; Michael James Owen, Dallas; Michael Philip Rattiff, Lubbock; Jerry G. Ricker, Lubbock; Ralph Michael Robinson, Lubbock; Robert Sproule Rodgers, Lubbock;

Daniel H. Seales, Lubbock; Stacy Moore Smith, Dallas; Lynn Vesta Stanton, Lubbock; George Ronnie Thompson, Dallas; Billy Ray Venning, Belton; Billy Ray Walters, Irving; Gilbert Ray Weaver, Kilgore.

PHI GAMMA DELTA—Glenn Douglas Amerson, Midland; Edgar Eugene Arrington, Amarillo; Bryan Richard Baxter, Lubbock; Gary Bryan Bean, Burkburnett; Jerry Mack Blair, Lubbock; George C. Boecker, Jal, N.M.; Wm. Timothy Campbell, Lubbock; Carl Allan Cannon, Mexia; Jack Lewis Douglas, Lubbock; Robert D. Echols, Amarillo; Don Wayne Esslinger, Fort Worth; Robert Alton Fielden, Canton; Homer Irwin Henderson, San Angelo; Ronnie Dale Holley, Kermit; Emil Joe Holub, Lubbock; Glen V. Jenkins, Big Spring; Alexander Johnson, Fort Worth; Martin Leroy Koonsman, Irwell; Rodney Gall Kring, Abilene; Larry Ray Littlejohn, Irving; James Franklin Loper, Dallas; Michael Montgomery, Borger; John Greer Seville, Dallas; Royce Gariand, Newton; Lubbock; John Bruce Parks, Clifton; Gray Scott Pepper, Lubbock; Bert Edward Pope, Temple; Sue Simmons, Fort Worth; James Harold Sparks, Lubbock; James Harold Stove Jr., Abilene.

PHI KAPPA PSI—Tommy Elmore Anderson, Vernon; Alvin Gene Born, Foltlett; Edward Glenn Cope, Big Lake; Addison Donwin Emory Jr., Amarillo; Gordon Alexander Graves, Lubbock; Charles Ervin Lebas, Vernon; Edmund Lewis Long, Lubbock; George Allen Piel, Eolan; George Robert Phenix, Lubbock; Stanley Gordon Scott, Dallas; Robert D. Southland, Amarillo; John Chas. Stinson, Amarillo; George Taylor Waldrop, Odessa; Daniel George Webster, Dallas; and James Stephen Wutcher, Lubbock.

PI KAPPA ALPHA—Sheridan Kelly Atchey, Tulsa; Morris Walter Baynes, Houston; Larry Wain Carvajal, El Paso; N.M.; John Marcus Connally Jr., Lubbock; Jack Damon, Crane; Winston Wiley Durr, Hobbs, N.M.; James W. Foster, Cressler; Big Spring; Ollie O. Hammer, Houston; James Thomas Hughes, Wichita Falls; Howard E. Jones, Fort; Gerald Nettleton, Lubbock; Aspermont; Bobby Frank McLaughlin, Aspermont; Billy Jack McLaughlin, Aspermont; Larry McLaughlin, Balingier; Wesley Will Masters, Hale Center; John Alfred McLaughlin, Aspermont; Franklin Rittberg, Fort Worth; Tommy Mack Schmidt, Mason; James Dee Swinney, Fabens; Stephen Eugene Tackett, Stephenville; Thomas Eugene Taylor, Bonham; Gerald Dan Thompson, Kermit; Lewis Darwin Tibbatts, Kress; and Richard Bell White, Lubbock.

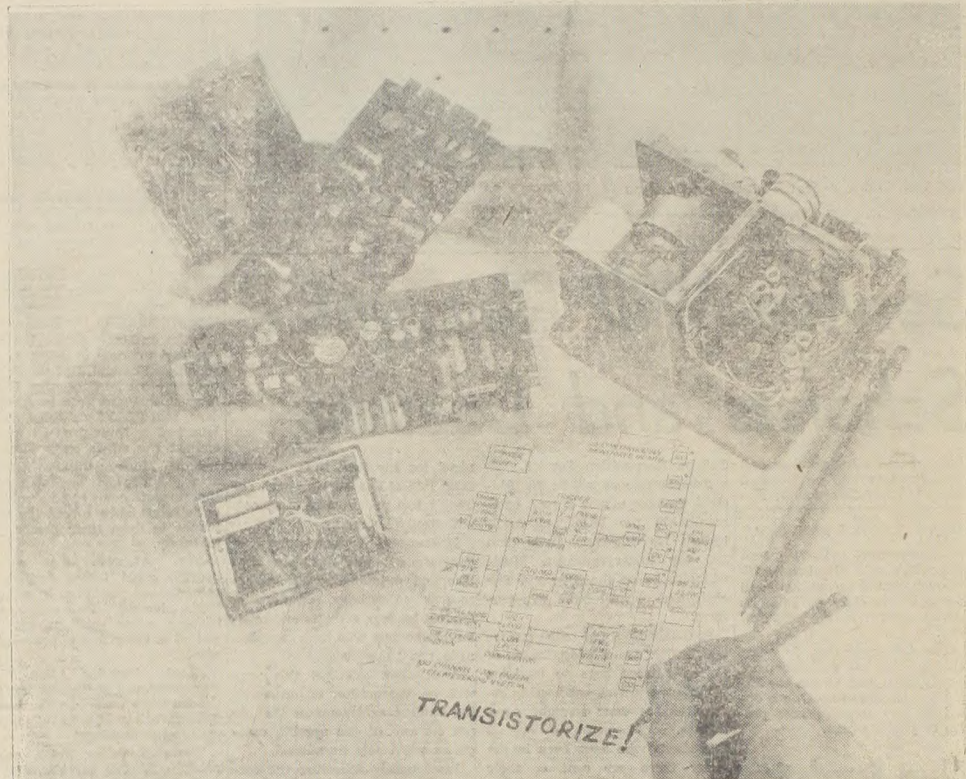

SIGMA ALPHA EPSILON—Patrick Dee Ellis, Dallas; James M. Marion, Burke Jr., Tyler; Wm. Hawthorn Butler Jr., Tyler; Charlie David Cannon, Lubbock; Ted Dwan Coker, Dallas; James Nelson Emmerse, Wichita Falls; Theodore Mountcastle Ferguson, Vernon; Giles Mortimer Forrester, Lovingston; Jean Water; Malcolm Foster, Fairburn; Eddie Don Hagins, Elgin; Herlan Raymond Heitcamp, San Angelo; Wm. Beckham Holmes Jr., Lubbock; Robert George Honta, San Antonio; James Donald Johnson, Levelland; Joe Din Kerbel, Sulphur Springs; Waldemar R. Kerbel, DeWitt, Colo.; Jack Clement Lalbett, Frisco; Wm. Byron McCauley, Lubbock.

Daniel Duane McQueen, Sweetwater; Scott L. Mack, Lubbock; Lon Clinton Nix, Hobbs, N.M.; Jimmy Loyd Fair, Fort Worth; Doyle Lane Phares, Phillips; Edward Leroy Plumlee, Cleburne; George Warner Phillips, San Angelo; John Gary Reed, Shreve; Gordon Henry Riccaurson, Phillips; Charles L. Ritterbery, Amarillo; John Lee Robinson, Vernon; Jerry Mack Robertson, Lubbock; Michael Grant Seay, Andrews; Jerome H. Schuetzenberg, Lockhart; Jerry Richard Stotson, Amarillo; John Cliff Lindsey Thompson, Lubbock; John Thomas Hano Santa Fe, N.M.; Richard Owen Williams, Elgin; and William Carter Youngblood, Dallas.

SIGMA CHI—Lester Lee Browning, Jal, N.M.; Gary Lee Bush, Houston; Don Gilbert Capson, Dallas; John Russell Crews, Chaires; Charles Ray Eatherly, Chaires; Ronald W. Edwards, Dallas; C. L. Fudy, Lubbock; Eddie Wilson Gay, Bonham; Loring Arlen Gifford, Lubbock; Bill Ray Hartsel, Fort Worth; Robert Emmett Hazlewood, Lubbock; Thomas Hoffman, Fort Worth; One Aiyis Hood Jr., Lubbock; Jerry Wade Kray, Dent; Michael Duke Morris, Lubbock; Charles Carter City, Donald; Dyer Lacy Jr., Lubbock; Richard Allan Lake, Corsicana; Lee Ronshausen, Gonzales; Donaly Ray Rutledge, Waco; Edgar Carlyle Smith, Grand Prairie; Lenny Hiram Smith, Pecos; Robert Powledge Smith, Dallas; Tommy Gene Tapp, Plainview; Richard Kellogg Toll, Pecos; Russell E. Wimberley Jr., Lubbock and George Wendell Woodard, Dallas.

SIGMA NU—Jack Sanford Burrus, McKinney; Steve Paul Homer, Groom; James Coleman, Clifton; Marshall L. Saunders, Waco; Alva Ray Theford, Newcastle; James Allan Weatherford, Pampa and Thomas Benton Wilson Jr., Austin.

CAMPUS

you can help missiles 'think' better!

Missiles are mental projectiles... "projections," actually, from your mind to paper to components to systems to complete weapons. And missile design demands our best effort to get top performance and maximum efficiency. Here's your chance to educate our missiles, applying latest techniques and newest devices in plants equipped to build components and complete systems without sub-contracting... telemetering, infrared, radar, sonar and many other systems from research through development to manufacturing.

The TI-transistorized telemetering system shown above, in this case more a "talker" than a "thinker," provides four times the radiated power in a smaller, lighter package than comparable vacuum tube systems. Not "frozen" to old design standards, it is almost completely transistorized and is completely electronic with no moving parts... a typical example of TI's policy of advanced systems engineering.

At Texas Instruments—in research, development, design, and manufacture—you will push out beyond existing limitations into new concepts and new products. You can choose from dynamic fields such as electronics, missile control and detection, infrared optics, semiconductor behavior, high speed data reduction, and many others. At TI, this pioneering approach has been so successful the company has grown 20-fold in the last 10 years to a current \$70 million volume... a growth accelerated by recognition of individual achievement... a growth you can share.

openings

ELECTRONIC AND ELECTROMECHANICAL APPARATUS—Radar, sonar, infrared, navigation, magnetics, telemetering, communications, computers, transformers.

SEMICONDUCTORS AND OTHER COMPONENTS—Transistors, diodes, rectifiers, resistors, and panel instruments.

RESEARCH—Ph.D. level for research: semiconductor materials and devices, noise, surface, ferromagnetics, infrared, microwaves, magnetics, radiation damage, high speed data reduction, etc.

MANUFACTURING—Engineers for production, planning, purchasing, cost analysis, etc.

invitation

Hitch your wagon to the Texas star... work at a plant within the city but away from downtown traffic... live within 15 minutes of your work or your play... year-around recreational, amusement and cultural activities. A Texas Instruments representative will be on the campus in a few days to give you more details. You may contact the placement office or write—

Union Committeemen Handle Varsity Show Publicity

"Guys and Dolls," 1958 Varsity Show, is being given publicity by the Public Relations Council. PRC is affiliated with the Texas Tech Student Union. Students appointed sub-chairmen for the 11 various Tech Union committees make up this standing council.

This year, PRC was asked to handle publicity for the 1958 production of the Tech Varsity Show. The council was subdivided into the type of media practiced. Tom Shamburger, PRC chairman from Lubbock, has begun publicity.

Taking care of campus publicity is Glenn Cope, junior petroleum engineer from Big Lake. He is also helping with the area publicity. Nancy Carlock, sophomore from Honeygrove, is in charge of campus and town posters.

News Service is in the hands of Rosa Elia Riojas, newspaper publicity chairman. Miss Riojas, sophomore from Ropesville, is a home economics major and is assisted by Ernestene Green and Lynda Oglesby. Miss Green and Miss Oglesby are freshmen from Amarillo and Dallas respectively.

The three are from the World Traveler's Committee. Jill Jost, a Marlin elementary education major, is taking care of TV and radio publicity. Rodney Hill, Lubbock, is in charge of the Lubbock public schools.

Other PRC members are: Martha Kaiser, Houston; Johnanna Zournas, Lubbock; Debbie Patillo, Fort Stockton; Sharon Posell, Fort Worth; Peggy Malinek, Temple; Mack Robertson, Peggy Braselton, and Elizabeth Brown of Lubbock.

The committee's password is: "See Tech's 'Guys and Dolls,' April 17 and 18."

Union and students were appointed from 11 Union committees to make up this standing committee. Each member is assigned different news media and locations in which to publicize the 1958 Varsity Show, April 17 and 18. Shamburger is chairman of the Council. (Staff Photo)

Pi Phi's Initiate Pledges Saturday

Twenty-six pledges were initiated Saturday by Pi Beta Phi sorority. Pre-initiation banquet was held Friday evening at Walden's Restaurant.

Initiated were Elective Blair, Doll Martin, Abilene; Donna Sue Christopher, Brownfield; Delia Close, Judy Hart, Barbara Underwood, Ann Kerr, and Sharon English, Lubbock; Jo Ann Craver, Sulphur Springs; Carol Curry, Carla Jo Rice, and Sue Springer, Fort Worth; Rolfe Fort, El Paso; Marilyn Gardner, Anne McElheny, Kay White, and Caryl Yontz, Dallas.

Also initiated were Celeste Ulrich, Houston; Shirley Stephens, Denton; Roasmund Rawlings, Amarillo; Nell Kuin, Brady; Jan Pfleger, Eden; Alice Ann Peters, San Antonio; Karen O'Brien, Woodville; Kay Karr, Corpus Christi; and Margaret Moore, Seguin.

Award of Best Pledge went to Donna Sue Christopher. Kay White received the award for highest scholarship. Initiation activities ended Sunday with the attendance of morning services at the First Methodist Church.

Sticklers!

Don't just stand there...
STICKLE! MAKE \$25

Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) We'll shell out \$25 for all we use—and for hundreds that never see print. So send stacks of 'em with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, New York.

WHAT IS THE SLEIGHT-OF-HAND THAT MAKES A PACK OF LUCKIES VANISH?
(SEE PARAGRAPH BELOW)

NEAT FEAT? No! Slick Trick? A thousand times no! When a magician makes a pack of Luckies vanish, it's a plain case of *Tragic Magic!* Connoisseurs claim there's one approved way to make Luckies disappear. That's to smoke (Yum!) every last one of 'em! That way, you get the wonderful taste of Luckies' fine tobacco... light, good-tasting tobacco that's *toasted* to taste even better. So, Ladeez-ann-Genlemen, observe a pack of Luckies closely. Then carefully remove one (1) cigarette and light up. Presto! You're puffing on the best-tasting cigarette you ever smoked!

Placement Announcements

Thirteen companies are interviewing today through Friday in the Placement Office. Opportunities are for both men and women and include summer employment. Men may apply regardless of military status with all companies. Appointments may be made afternoons at 2 p. m. at the Placement Service.

Attention: 1958 Graduates in Home Economics
Organization: Extension Division of Texas, Room 104, Agriculture Building, Texas Tech College.
Date of Interviews: Tue., Wed., Mar. 11, 12.

Openings for HOME DEMONSTRATION AGENTS and ASSISTANT AGENTS in West Texas counties. Openings occur from time to time during the year. August graduates interviewed at this time for these positions available later.

Attention: Men and Women.
Majors: RETAILING, MARKETING, ADVERTISING, OTHERS INTERESTED IN MERCHANDISING
Organization: Titcher-Gottling; Dallas 1, Tex.
Date of Interviews: Wed., Mar. 12.

Firm has openings in "Executive Training Program," for persons who wish to go into field of merchandising.

Majors: Bachelors or Advanced degrees; MATHEMATICS, PHYSICS, CHEMISTRY, ELECTRICAL ENGINEERING, MECHANICAL ENGINEERING, INDUSTRIAL ENGINEERING.
Organization: INTERNATIONAL BUSINESS MACHINES CORP., 390 Madison Ave., N. Y. 22, New York.
Date of Interviews: Wed., Mar. 12.

Opportunities with company in research, development, manufacturing, customer engineering, defense field engineering as well as in sales. Immediate openings have recently developed at the San Jose, California, for which IBM is searching for men of specialized capacities.

Attention: 1958 Graduates
Majors: ELECTRICAL ENGINEERING
Organization: UNITED STATES DEPT. OF AGRICULTURE, Rural Electrification Admin.
Date of Interviews: Wed., Mar. 12.

REA assists in financing central-service electric service to farmers and others living in rural areas. REA engineers are concerned with design, construction, operation, maintenance of telephone systems, rural electrification distribution.

Majors: MARKETING, RETAILING, OTHERS INTERESTED IN SALES.
Organization: HUMBLE OIL & REFINING CO.; Houston 1, Tex.
Date of Interviews: Thurs., Mar. 13.

Marketing activities of firm in Texas, and are being expanded in West Texas.

Attention: 1958 Graduates (or Alumnae) Women.
Majors: FOOD AND NUTRITION.
Organization: SKY CHEFS, INC.; 122 East 42nd St., N. Y. 17, New York.
Date of Interviews: Thurs., Mar. 13.

Organization is subsidiary of American Airlines, Inc. Through their units, provide flight meals to major airlines, operate dining rooms in airports all over country. Starting salaries range from \$92.50 to \$129.50 per five-day week. Additional benefits.

Positions: Menu Planning Directors, Food Supervision, others. Training positions to prepare qualified persons for assignment.

Majors: CIVIL ENGINEERING, ELECTRICAL ENGINEERING, MECHANICAL ENGINEERING, ALSO, SUMMER EMPLOYMENT FOR (1959 Graduates) IN ABOVE MAJORS.
Organization: DEPARTMENT OF INTERIOR; Bureau of Reclamation, P. O. Box 1609, Amarillo, Tex.
Date of Interviews: Thurs., Mar. 13.

Work of Bureau includes irrigation projects, conservation power, recreation programs in connection with conservation work. Assignments in Western States.

Majors: CIVIL ENGINEERING, CHEMICAL ENGINEERING, MECHANICAL ENGINEERING.
Organization: CABOT CARBON CO.; Cabot Shops, Inc.; Pampa, Tex.
Date of Interviews: Thurs., Mar. 13.

Organization has openings in companies listed above. Activities include manufacture of oil field pump equipment, oil, gas production, the production of carbon black.

Majors: CIVIL ENGINEERING, ELECTRICAL ENGINEERING, MECHANICAL ENGINEERING.
Organization: McDonnell Aircraft Corp.;

St. Louis 3, Mo.
Date of Interviews: Thurs., Mar. 13.
Divisions of company: Airplane Engineering, Flight Test Department, Helicopter Engineering, Missile Engineering, Research, Manufacturing, and Customer Service.

Majors: ELECTRICAL ENGINEERING, MECHANICAL ENGINEERING, PHYSICS (All degree levels).
Organization: Texas Instruments, Inc.; Inwood Sta., Box 7045; Dallas 9, Tex.
Date of Interviews: Thurs., Fri., Mar. 13.

Company produces high temperature silicon transistors suitable for complex computers, airborne electronic systems. Also, high frequency germanium transistors for radios and other products. The work is located in Dallas.

Majors: (All degree levels). ELECTRICAL ENGINEERING, MECHANICAL ENGINEERING, PHYSICS.
Organization: Motorola Inc.; Phoenix, Ariz.
Date of Interview: Fri., Mar. 14.

Firm is manufacturer of electronic equipment. Work involves design, research, development of communication devices, equipment.

Majors: ELECTRICAL ENGINEERING, MECHANICAL ENGINEERING.
Also: Freshmen, Sophomores, Juniors in the SE majors.
Organization: Public Service Company of Colorado; Denver, Colorado.
Date of Interview: Fri., Mar. 14.

Organization headquarters in Denver, Colo. Operations in Colorado, Wyoming. Positions open are in Denver area. Informal training program for new employees. Opportunities in Electrical and Gas Operating Departments.

Sophomores and Juniors: Assigned to an Engineering office as student engineers. Freshmen: Laborers, helpers and utility men.

Majors: ACCOUNTING, ECONOMICS, FINANCE, PERSONNEL MANAGEMENT, MARKETING, RETAILING, OTHER MAJORS.
Organization: The New York Life Insurance Co.; Lubbock National Bank Bldg; Lubbock.
Date of Interviews: Fri., Mar. 14.

Firm has openings in auditing, actuarial, accounting, investments, individual and group sales, Home Office underwriting, mortgage loans. Some openings in New York, others in local offices in Texas.

Camp Counselors Interviewed Today

Prospective counselors for Camp Longhorn, Texas boys' camp, will be interviewed today from 10 a.m. to 4 p.m. in the Placement Service Office, Ad. 150.

Freshmen and sophomore students are preferred. Camping experience is desired but not necessary.

The camp will have three sessions beginning June 2, June 30 and July 28. Salaries range from \$120 to \$170 per session for male counselors and \$90 to \$150 for female counselors. Room and board is included.

Students Play, Work

With 22 inches of snow on the ground, 70 Tech students invaded Cloudercroft last weekend for the annual Board of Student Organizations Retreat.

Highlighting the retreat was the inauguration of new officers. They are: Gayland Pool, executive chairman; Bill Pittman, executive vice president; Gaynelle Williams, secretary; and Glenn Reynolds, treasurer. Discussions led by Jack Holland, dean of men at Texas University, were among featured events.

In his talks Dean Holland stressed the need today for leadership. He qualified this by emphasizing that a leader must love people.

Mixed discussion groups were held on general topics such as "Are Too Few People Doing Too Much?", "Role of a Sponsor," "Methods of Selecting Committee Chairmen", and "Means of Communication." Student discussion leaders were Dewey Bryant, David Steinman, Gaynelle Williams, Bob Byrd, Kathy White, Don Ludwig and Donnell Echols.

Impromptu speeches were made Saturday by students and faculty leaders at a Toastmaster's

Luncheon. The Serious speech topics were "Sex Life of a Straight Pin" and "Why I Would Like To Be On The Board of Directors."

Tobogganing led off social activities Saturday afternoon for the Tech crew. A smorgasbord and a pajama dance completed the full day. As sophomore class representative Ken Talkington said,

Ponies-Hogs Hold Showdown Tonight

by **BILL DEAN**
SMU and Arkansas will decide the outcome of the wildest basketball race in the history of the Southwest Conference tonight at Shreveport.

Actually, both will go into the record books as co-champions but the winner tonight will be the league's official representative in the NCAA regional playoffs.

SMU AND ARKANSAS both posted identical 9-5 marks for the season. Texas Tech and TCU, both 8-6, tied for third while Texas A&M and Rice finished in a tie for fifth with 7-7 records.

Texas, 5-9, was seventh and Baylor, 3-11, was last.

The Mustangs and the Hogs split their pair of games this

year, trading wins at each other's home courts.

The game will match two of the conference's standouts in SMU's Rick Herscher and Arkansas' Fred Grim.

HERRSCHER led the conference in scoring with 263 points in 14 games. He trailed TCU's Ron Stevenson in scoring for the season 428 to 425 in 24 games. Stevenson, with 243 was second in the conference.

Grim is the scoring leader for the Hogs. He has been the pacesetter all year with his long set shots from the corner. Both were selected All-Southwest Conference by the Dallas Morning News.

Coach Glen Rose of Arkansas will probably start Grim (6-0) Tommy Rankin (6-2) at guards, Larry Stolzer (6-4) or Harry Tompson (6-5) and Larry Grishman (6-3) at forwards and Jay Carpenter (6-6) at center.

SMU MENTOR DOC Hayes will probably use Max Williams (5-10) and captain Ned Duncan (6-0) at guards, Bobby James (6-5) and Herscher (6-3) at forwards and Wilbur Marsh (6-5) at center.

All basketball action on the home front is over until spring practice starts later this semester.

Leon "Podd" Hill led the Raiders in scoring this year while

Gerald Myers and Charley Lynch both turned in outstanding performances.

MYERS WAS named to that All-Southwest Conference first team last week. Hill and Lynch were both second team picks.

Hill averaged 16.8 for the season and 15.7 for conference play. He led in field goals (160-94), total points (386-221) and re-

bounds (189-102).

Myers was second with a 15.4 season mark and a 14.8 conference record. He led the team in free throws with 107 and 59.

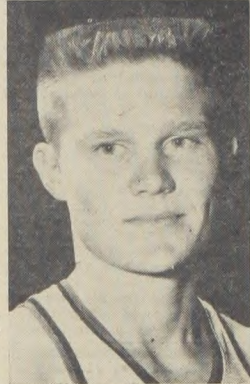

LYNCH posted a 12.1 season mark and a 13.7 conference output. He led the team in rebounds for conference play with 107 to Hill's 102 but trailed 189-149 in rebounding for the season.

Following these three were Wade Wolfe (7.9-6.2), Pat Noakes (6.7-6.7), Gene Arrington (6.0-7.0), Chuck Key (5.7-5.1), Dale McKe-

han (1.9-0.4), Bobby Wilson (1.5-1.9), James Wiley (1.3-1.1), Don Apple (1.1-0.3), Robert Echols (0.5-0.0) and Sid Seligman (0.2-0.3).

HAROLD HUDGENS led the freshmen with an 18.6 average. He was followed by Don Perkins (12.4), Carlisle Smith (11.9), Steve Lee (9.2), Don Davis (5.2), Jim Johns (8.2) and Dusty Ham (3.6).

Hudgens, Smith, Lee, Johns, Ham and Davis are expected to move up to the varsity next year.

Humble offers OPPORTUNITY in the Oil Industry

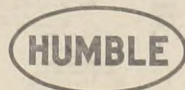

Interviewing teams from Humble Oil & Refining Company will be on the campus March 13 to interview students graduating in **marketing**.

Young men at Humble share in the dynamic progress and growth of a leader in the petroleum industry. Humble is the leading producer of crude oil in the United States. Its Baytown Refinery is one of the largest in the world. Research centers in Houston, for development of better methods of exploration and production, and at Baytown for research in refining, are making valuable contributions to the petroleum industry.

A QUICK LOOK AT THE HUMBLE COMPANY

Area of Operation:	Texas, New Mexico, Florida, Alabama, Georgia, Mississippi, Louisiana, California, Washington, Arizona, Oregon.
Wells Drilled Annually:	900-1000
Crude Oil Production:	Averages 350,000 barrels daily.
Refining Capacity:	280,000 barrels daily.
Retail Sales:	Texas and New Mexico. Leading Texas Marketer.
Humble Pipe Line Co.:	Operates crude oil and products pipe lines in Texas; transports an average of 750,000 barrels daily.

For a rewarding career in the petroleum industry, discuss your future with the Humble Company interviewing team. Check at your Placement Bureau for time and place for interview.

Varsity, Freshmen Prep for Ft. Worth Recreational Meet

The Texas Tech varsity and freshman track teams began preparations yesterday for the Southwest Recreational Track and Field Meet at Fort Worth Friday.

The varsity team took fourth in the Border Olympics last Saturday at Laredo. There were ten universities entered.

TOMMY PATTERSON took first in the low hurdles, E. H. Davis took fourth in the 100, Dub Thornton placed third in the high jump, and Tommie Davis took fourth in the 220.

The mile relay, consisting of Johnny Henderson, Tommy Davis, Doyle Herring, and Roger Crawford placed fourth. The sprint relay, consisting of E. H. Davis, Doyce Herring, Tommie Davis, and Tommy Patterson placed second.

THE FRESHMAN track team will have their first competition at Fort Worth this Friday. Members of the team are: Curtis Hart, 880 and mile relay; Preston Love, 440, mile relay, and sprint relay; Robert Vaughn, 440, 220, and mile relay; Reggie Alexander, 100, 220, and sprint relay; Web Corbin, 880; Donnie Foster, 440, sprint relay, and mile relay; Dick Murphy, high and low hurdles and high jump; Charlie Drapper, 440 and 880; Mannie Connell, high hurdles and discuss; Harold Donahoe, broad jump, 440, 220, and javelin; and Johnny Janak, 100, 220, and sprint relay.

VARSIETY TRACK members are: Tommy Patterson, high and low hurdles and sprint relay; Pete Dyson, 880 and mile; Ken Osborne, high and low hurdles; Johnny Henderson, 440, 220, and mile relay; E. H. Davis, 100, 220, and sprint relay; Tommie Davis, 220, 440, sprint relay, and mile relay; Doyce Herring, 440, sprint relay, and mile relay.

Roger Crawford, 440, and mile relay; W. L. Thornton, high jump; Don Holt, 100 and 220; James Morris, broad jump; and James Leonard, pole vault.

West Virginians Tackle Manhattan

by WILL GRIMSLEY

The Associated Press West Virginia, whose 26-1 record is best in the country, and Maryland, giant-killer of the Atlantic Coast Conference, bid for berths Tuesday night in the National NCAA major basketball tournament.

The West Virginians, with one of their top scorers on the sidelines, play Manhattan and Maryland, winner of the tough ACC Tournament title, opposes Boston College in two-thirds of a triple-header at New York's Madison Square Garden.

THE OTHER game, opening the program at 6 p.m., EST, sends Dartmouth's Ivy League champions against Connecticut.

These three games are part of a widespread playoff pattern to reduce the big college field in time for the weekend regional eliminations at Charlotte, N.C., Lexington, Ky., Lawrence, Kan., and San Francisco. All begin Friday.

Rain Hampers Raider Work

Texas Tech's baseball Red Raiders begin final preparations this week for the season opener here Friday with Hardin-Simmons.

"We only had one real good practice session last week due to the poor weather," Coach Beattie Feathers reported. "However, if the weather is good for the rest of this week we should be in fair shape for the Cowboys," he added.

FEATHERS IS undecided on his starting assignments with several boys waging strong fights for different positions.

Either Houston Powell or Billy Tombs will start on the mound for the Raiders Friday. Powell is a veteran; Tombs, a sophomore.

Behind the plate will be junior Cullen Hunt. He is expected to start with catchers Earl Parker and Paul Cato right behind.

THE OUTFIELD is fairly set with junior Norm Huggins in left, junior Gehrig Garrison in center and senior B. A. Donelson in right. Sophomore Dewey Bryant will be used as a utility outfielder.

However, the infield is anything but firm with every position up for grabs.

At first sophomores Ken Warren and Bill Dean, both outfielders on last year's freshman team, are waging a hot battle to take over the spot left when Walter Bingham became ineligible.

AT SECOND sophomore Rob Hill and junior Dave Allen are the top candidates while junior Jackie Miller and sophomore David Burland vie for the nod at short.

At present it appears that David Potter will probably start over sophomore Gary Wetter at third. Potter looks the stronger due to his experience.

Feathers has been pleased with the squad thus far but is hoping for more decent weather to get in some much needed work between now and Friday.

Dr. Alter Speaks, Students Write Letters

Dr. Alter Speaks At Joint Banquet

Dr. Chester M. Alter, Chancellor of the University of Denver, will be the featured speaker at the Alpha Lambda Delta-Phi Eta Sigma banquet at 7 p.m. Saturday in the Tech Union.

Dr. Alter's research contributions have won him top offices in some of the country's leading organizations: the Bronze Medal and Certificate of Merit from the War Department and consultant to the Research and Development Board of the Department of Defense.

BORN ON a farm near Rushville, Indiana, Dr. Alter has risen from a farm boy to a significant figure in education. He began teaching in 1923 as a public school teacher. In 1931 he became chemistry instructor at Boston University. From there he rose through the academic ranks to become Dean of the Graduate School in 1944.

He received his B.A. from Ball State Teachers College in 1927; M.A. from Indiana University in 1928; did graduate work at the University of Pittsburg, 1928-29; received his Ph.D. from Harvard University in 1936.

DR. ALTER was given honorary degrees from Ball State Teachers College, Colorado College and Northeastern University.

Some of the various scientific and professional organizations Dr. Alter has belonged to are American Chemical Society, the American Association for the Advancement of Science and the American Association of University Professors.

Write Love Letter, And Date Sandra

A Secret Lover contest is being conducted in connection with the first annual Bledsoe Sweetheart Dance. The secret lover this year is Miss Sandra Hendrix.

Any resident of Bledsoe Hall may enter the contest. All the contestant need do is write a "love" letter to Sandra. Deadline for the letters is March 12, and the winner will be notified by March 14. The letters will be judged by a group of Tech coeds.

THE WINNER will be treated to an expense-paid date with Sandra Hendrix the night of the Sweetheart Dance, March 21. Both will be honored the night of the dance.

Sandra is a sophomore from Lubbock. She is a graduate of Tom S. Lubbock where she was a cheerleader, a nominee for

Black and Gold Queen, and senior favorite. At Tech she is a member of Kappa Kappa Gamma. She was a La Ventana Beauty in 1957 and a finalist this year. She is this year's sophomore favorite.

Also, the Sweetheart of Bledsoe will be crowned the night of March 21.

VOTING WILL begin March 17, and the winner will be announced the night of the dance. The nominees are: Jean Gilliland, Leta Merle Roberts, Joan Hill, Judy Ecklund, Sherry Stafford, and Mary Lynn Peveto.

Original Cast Set For Lubbock Play

"No Time for Sergeants," a recent hit in New York, will be presented March 28 and 29 in the Lubbock Municipal Auditorium.

The cast which will appear in Lubbock is the original New York cast, and the production, including scenery, costumes, sound and lights is also the same.

Tickets are available at the auditorium box office and prices range from \$4.50 to \$2.

Dean James Allen Will Speak Today

James G. Allen, dean of student life, will give the keynote address at a meeting of the South-

western Association of Student Personnel Administrators today in Stillwater, Okla.

He will speak on "The Philosophy of Student Personnel Services."

Mr. Allen will be accompanied by Lewis N. Jones, dean of men.

Delta Sig's Choose Judy Ecklund Queen

Miss Judy Ecklund was chosen as Rose of Delta Sigma Pi, international business fraternity, Friday night. She is a member of Pi Beta Phi sorority.

Runner-ups were Sandra Hendrix and Barbara Jane Hail of Kappa Kappa Gamma.

Miss Ecklund, chosen by secret ballot, was escorted by Blake Baugh down an aisle lined with members and presented a dozen roses while the band played "Rose of Delta Sigma Pi."

Miss Ecklund will be honored in the Homecoming Parade of 1958 and will also compete on the international level for Rose of Delta Sigma Pi.

Music for the dance was provided by Sam Baker's orchestra.

St. Patrick's Day Features Dance

A Saint Patrick's Day theme will be featured at a dance in the Recreation Hall tonight 7-8 p.m. The dance, sponsored by the Union dance committee, will feature six disc jockeys from radio station KDUB.

Disc jockeys who will be present include Misty, Jim Spann, Don Bowman, Bob Sewell, Jim Pooteet and Sam Riddle. They will play records and hold contests with albums as prizes.

Albums to be given away are by Buddy Holly, Count Basie and Percy Faith.

AWS Delegates Journey to Dallas

Eight members of Tech's Association of Women Students will attend the Southern Regional AWS Convention in Dallas this weekend.

Representatives are Marilyn Adrian, Barbara McDougal, Mary Etta McDuffie, Mary Alice Richardson, Carolyn Scott, Sylvia McAden, Jean Schepers and Mari-helen Jones.

Assistant dean of women Dorothy Garner, will accompany the girls to the convention on the SMU campus. Dean Garner is sponsor.
