Regional NIRA Rodeo Set for Two-Day Run

by DONNA CHRISTOPHER

Cowboys and cowgirls, buckin' broncs and snortin' steers will all be present as the Tech Rodeo Association sponsors its regional National Inter-Collegiate Rodeo, tomorrow and Saturday.

Three performances are scheduled for Lubbock Municipal Coliseum, at 8 p.m. on both days with a 2 p.m. performance on Saturday.

A rodeo parade tomorrow afternoon will include bands from Reese Air Force Base and Dunbar High School, and riding clubs from Lubbock, Idalou, Abernathy, Paducah and Slaton. The parade will tour the downtown area and proceed to and through the campus.

QUEEN contestants will ride in convertibles in the parade, and the queen will be announced at Friday night's performance.

Tech is now second in the Southwest Region team standings, with Sul Ross State leading. Teams entered in Tech's rodeo are

Sul Ross, Hardin-Simmons University, Arizona University, New Mexico A&M, West Texas State College, San Angelo Junior College, Howard County Junior College and Tech.

Members of Tech's team are Tom Neff of Colorado City, Donald "Polly" Hollar of Guthrie, Brad Long of Lubbock, James Taylor of Lubbock, Bobby Burnett of Hobbs, N.M. and Gerald Leonard of Ropesville.

NEFF WAS president of the NIRA last year and a member of the national NIRA championship team from Tech in 1955 and the regional championship team in 1956. He is entered in the roping and bull dogging events.

Coming from the 6666 ranch in Guthrie, Polly Hollar led the Red Raiders on the field this past fall as the man behind the mask—the Red Raider rider. He is entered in riding, roping and dogging events.

Long is the only team member not enrolled as an Aggie. He is a

business administration major and will compete in the riding and dogging events.

AT THIS TIME, James Taylor is leading all individuals for the "all-around cowboy" title, pacing Tech's team with 350 points. He will enter the roping events.

Bob Burnett qualified last year for the national meet in Colorado Springs, Colo., in roping. He was second at regional and finished third in the national competition.

Alternates on the team are Wendy Mayo of Petrolia, who is Goat Mayo's son. The elder Mayo has produced all of Tech's rodeos in the past. Dale Burnett of Ropesville will be the other alternate.

THE SHOW this year will be produced by Walter Alsbault of Alamosa, Colo., who is an RCA producer. He has produced two of the shows prior to Tech's in the NIRA meets.

Rodeo manager is Bob Law of Borger. Dave Hopper will be a riding judge and B. F. Yates will

IFC Announces New Grade Point Ruling for Pledge

A new ruling concerning fraternity pledging has recently been passed by the Inter-fraternity Council.

Taking effect in the spring of 1959, the new requirement states that any man pledging a fraternity must have a 1.0 grade average the semester before he pledges.

Thus a student wishing to pledge must not only have a 1.0 to be initiated, but must maintain this same grade average to become a pledge.

James Whitehead, dean of student life, said that the new ruling was not because fraternities had displayed bad grades, for this year they had maintained a grade average above the all school average. He stated, "It has, I think, been passed because Tech fraternity men realize that this is a standard which should be met before pledging."

This ruling is not expected to lower considerably the number of pledges. It is, however, expected to raise the number of initiates each semester.

Mile of Pennies Drive Successful; Better Than Last Year Says Riojas

The Mile of Pennies drive was "a big success" according to Richard Riojas, chairman. The line of pennies extended down both sides of the sidewalk in front of the Tech Union to the corner light posts and according to Riojas amounted to approximately \$70. This figure is well over last year's total.

The Mile of Pennies drive was part of Tech's participation in the World University Service Fund program to raise money. Tech's first "wet function", a swimming meet, will be Saturday with entries from all campus organiza-

tions. The entry fee is \$5 and 50 cents admission will be charged. Gail Peterson or Carolyn Williamson may be contacted for information about the meet.

Men and women's dorms are participating in the drive by sponsoring such activities as a Stunt Night in the women's dorms. The coeds pay to have a friend perform and ask the men to contribute when they call for their dates.

The drive is sponsored jointly by the Student Council and Alpha Phi Omega under the chairmanship of Richard Estes.

S.C. Members Installed

by BEN McCARTY

Installation ceremonies for new executive officers and representatives for the 1958-59 Texas Tech Student Council were conducted Tuesday night at the council's annual Spring Banquet at Hillcrest Country Club.

Keynote speaker was Curtis Sterling, Brownfield newspaper publisher. Sterling is presently serving as president of the Tech Ex-Students Association, and while attending Tech was president of the student body.

THE TITLE of his speech was "Background for Success." He

pointed out the advantages people who serve in student government have over other students who remain inactive in school activities.

"You're lucky to be able to serve on the council," Sterling told the newly-elected members.

HE CHALLENGED the new council members to make student government more powerful than ever, and the Student Council the best ever.

He then commended the past council for the good job done this year. "From all indications," he

said, "the Student Council this year has accomplished much."

APPROXIMATELY 100 people were present including present and past council members and their dates. Other guests were introduced by Pat Rainer, past council secretary.

Don Ledwig, outgoing business manager, gave background information on Sterling then introduced him.

PAST COUNCIL PRESIDENT, David Thompson, administered the oath of office to all incoming members and delivered a farewell address.

"Working for the betterment of Texas Tech should be the primary idea for all new members," Thompson stated.

HE ALSO recognized the 1957-58 council members for performing a "wonderful job."

"I think this is shown by the fact that all 15 members of the council running for re-election were elected," he added.

TAKING OFFICE at the ceremonies were Donnell Echols, president; David Steinman, vice president; Gail Petersen, secretary and Dan Howard business manager.

Representatives installed are:

Agriculture — Bob Byrd, Duery Menzies and Roy J. Milhoan.

Arts and Sciences—David Edwards, Richard Estes, Wayne Gibbons, Mary Ann Lindley, Stan Powers, Pat Rainer, Ken Talkington, Gaynelle Williams and Johnanna Zournas.

Business Administration—Linda Bunger, Bill Dean, Don Ledwig, Larry Merriman and Bill Pfluger.

Engineering — Bob Dyer, Larry Pinson, Claude Rogers, Don Spencer, Hollis Swafford, Champ Turner, Milton Vaughn and Gerald Seeman.

Home Economics — Deann Buske and Janet Vines.

Cardboard Man Causes Turmoil

A rather short, always smiling "man" dressed in housepainter's carb has caused quite a disturbance in Drane Hall in recent weeks.

Henry, as he has been dubbed, is a life-like cardboard figure originally designed for advertising purposes, but he has gained much greater fame as "man about the dorm".

Numerous girls have been quite startled when they opened their closet doors only to find Henry "riding" inside, and he has been stationed outside the doors of unknown girls' rooms on every floor of the dormitory.

Even those who have "met" Henry cannot get used to his unexpected presence in rooms, halls, etc.

Probably the most popular male in Drane, Henry remains seemingly oblivious to his coed admirers, and never says a word.

He belongs to Gale McDougal, freshman from Abernathy.

THESE SEVEN COEDS may be seen participating in Texas Tech's first Wet Function beginning at 2 p.m. Saturday in the new men's gym pool. The function's profits will go to the World University

Service Fund. Left to right are Marletta Mallitate, Juanita Hayden, Joanne Darsey, Cookie Puig, Marsha Queen, Cathy Conklin and Ginger Halsall.

New Look Appears On Tech "Boys"

Around the campus the last few weeks several "boys" have appeared to be wearing skirts. These "new students" are invading our institution.

Fashions are known to change, but the hair styles have something to do with this funny look of the "new" boys.

The hair is clipper short. It lays on the back of the neck and hangs over the forehead.

Sometimes the crown of the head is in a crew cut. These "boys" have rosy cheeks and ruby red lips with dark glowing eyes, somewhat resembling makeup.

The truth has just been discovered. These are just some of the beautiful tech females with the new Pixie haircut.

Awards Feature Feed

The annual Aggie Club Barbecue was highlighted Tuesday evening by the presentation of the Aggie of the Year and dedication of the Aggie Lounge to Agriculture Dean W. L. Stangel.

Dean Rea, senior class president, was presented the Aggie of major from Bushland, Rea received the award for his "outstanding service and leadership in the club."

ARVILLE MARSHALL also received an award for service to the club. Marshall was named Aggie of the Month. This award is not given monthly, but only when a member renders outstanding service. Others receiving the Aggie of the Month title for the 1957-58 school year were Archie Dwyer, Dean Rea and Bob Young. Marshall was presented the award by Bob Young, last month's top Aggie.

Don Smith, Aggie club officer read the lounge dedication while

Mrs. Charlotte Dowdy, secretary in the office of Agriculture, unveiled a picture of Dean Stangel to be placed in the lounge.

WHEN ASKED to say a few words to the group, Stangel's voice broke as he attempted to thank the Aggies for the honor. He said that "this honor" thrilled him more than any other he had received.

Stangel was a member of the original Tech faculty in 1925 and has been named by the West Texas Chamber of Commerce "Top West Texan", and the 1957-58 La Ventana was dedicated to Stangel, who is referred to as "Mr. Agriculture."

New Aggie Club president, Bob Anthony, was presented a gavel by Bob Byrd, outgoing president.

THE ENGINEERS HAVE HAIRY EARS

Today in this age of technology when engineering graduates are wooed and courted by all of America's great industries, how do you account for the fact that Rimbaud Sigafoos, who finished at the very top of his class at M.I.T., turned down hundreds of attractive job offers to accept employment as a machinery wiper at the Acme Ice Company at a salary of \$20 a week with a twelve-hour day, a seven-day week, and only fifteen minutes for lunch?

...Engineering grads are wooed and courted...

I know what you are thinking: "Cherchez la femme!" You are thinking that Mr. Acme, head of the Acme Ice Company, has a beautiful daughter with whom Rimbaud is madly in love and he took the job only to be near her.

Friends, you are wrong. It is true that Mr. Acme does have a daughter, a large, torpid lass named Clavdia who spends all her waking hours scooping marzipan out of a bucket and staring at a television set which has not worked in some years. Rimbaud has not the slightest interest in Clavdia; nor, indeed, does any other man, excepting possibly John Ringling North.

So how come Rimbaud keeps working for the Acme Ice Company? Can it be that they provide him with free Marlboro Cigarettes, and all day long he enjoys that filter, that flavor, that flip-top box?

No, friends, no. Rimbaud is not allowed to smoke on the job, and when he finishes his long, miserable day, he has to buy his own Marlboros, even as you and I, in order to enjoy that estimable filter, that incomparable flavor, that crazy flip-top box.

Well, friends, you might as well give up because you'll never in a million years guess why Rimbaud works for the Acme Ice Company. The reason is simply this: Rimbaud is a seal!

He started as a performing seal in vaudeville. One night on the way to the Ed Sullivan show, he took the wrong subway. All night the poor mammal rode the B.M.T., seeking a helping hand. Finally a kindly brakeman named Ernest Thompson Sigafoos rescued the hapless Rimbaud.

He took Rimbaud home and raised him as his own, and Rimbaud, to show his appreciation, studied hard and got excellent marks and finished a distinguished academic career as valedictorian of M.I.T.

Rimbaud never complained to his kindly foster father, but through all those years of grammar school and high school and college, he darn near died of the heat! A seal, you must remember, is by nature a denizen of the Arctic, so you can imagine how poor Rimbaud must have suffered in subtropical New York and Boston, especially in those tight Ivy League suits.

But today at the Acme Ice Company, Rimbaud has finally found a temperature to his liking. He is very happy and sends greetings to his many friends.

Picador Bats Down Odessa Wranglers, 5-2

End Season Friday

Tech Raquetees Finish SWC Play as Runners-up

Texas Tech's tennis team, in their first year of Southwest Conference competition, have, barring a complete change of form by Rice Institute, claimed the runner-up slot in the SWC tennis race with a 25-11 record in six matches.

The Raider raquetees conclude regular season play Friday, meeting Hardin-Simmons University today and Trinity University tomorrow. Both matches, non-conference affairs, will be on the Tech courts at 1:30 p.m.

IN THEIR INITIAL start in the SWC tennis wars, Tech downed Baylor University, 4-2, at Waco. From there the netters moved to College Station where they defeated Texas A&M 5-1.

Swinging on south, the Raiders traveled to Houston where they suffered their only loss of the season, a stinging 4-2 setback at the hands of the league-leading Rice Owls.

Returning home, Tech tied the University of Texas 3-3, something of a moral victory. For in tying

the Longhorns, Tech's No. 1 doubles team of Billy Edd Gowan of Wichita Falls and Bob Macy of Coral Gables, Fla., broke a winning doubles string which had extended through 65 matches. Not since 1951 had Texas' No. 1 doubles team lost a match.

STILL ON their home court, the Raiders bounced back with vengeance to defeat Southern Methodist 5-1. Three days later they whitewashed Texas Christian 6-0.

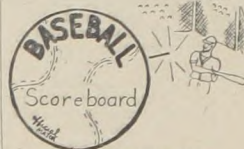

With actual conference play behind them, the Raiders are eyeing the Southwest Conference tennis tournament at Dallas, May 8-10. Tech has been accorded an outside chance of taking the title, but must get by Rice to do so.

Tech racked up a likewise impressive record in non-conference competition, losing only to Trinity, 0-6, in San Antonio.

Non-conference wins were notched against North Texas State, Abilene Christian College and Hardin-Simmons.

TECH BLANKED North Texas 6-0 in Denton and again in Lubbock. Against ACC in two matches the Raiders again turned in 6-0 wins. The Raider netters dropped Hardin-Simmons 5-1 in the other non-conference meeting.

Spearheading the Tech tennis group are Macy, No. 1 singles; Gowan, No. 2 singles; David Kent, Amarillo, No. 3; Dick Spiers, Kermit, No. 4 and James Harvy, Wichita Falls, No. 5. Gowan and Macy combine to give Tech its No. 1 doubles team, with Spiers and Kent composing the No. 2 unit. Gowan and Kent teamed in 1956 to give the Tech Page 7, TENNIS . . .

Green, Knostman Go On Hit Spreed; Reliever Beck Chalks Up Victory

by RON CALHOUN

Texas Tech's Picadors downed the Odessa College baseball team yesterday, 5-2, behind the clutch pitching and hitting of Don Beck, Amarillo right hander.

Beck relieved Tech's starting pitcher, James Coffey in the top of the fourth inning with the score at 3-1, Tech leading. With the bases loaded, Beck struck out the first two batters and then forced the next to pop up to end the inning.

Odessa College	32	2	7

Outside of the fourth inning, the Wranglers of Odessa gave the Picadors little trouble. Tech scored runs in the first, second and third innings and two the fifth to win easily.

THE FIRST RUN was made the virtue of a wild throw to second base by the Wrangler catcher as Tech shortstop, Tom Pritchard was trying to steal second. Pritchard went on to third on the error and scored on third baseman Larry Green's single.

Odessa College could not muster a run in the second as Coffey struck out the first two batters and threw another out in the third. Tech upped the score to 2-0 in the fifth inning as John Knostman scored on an error.

Green singled to open the third inning but was thrown out at second as the next batter, second baseman Joe Reeves, hit an infield grounder. Reeves stole second, the third and scored on Knostman's single.

Raiders Entertain Buffs Saturday

After sweeping a two-game series from Hardin-Simmons University Monday and Tuesday, Texas Tech's varsity baseball team goes back into action Saturday, hosting West Texas State here at 3 p.m.

The meeting between Tech and West Texas will be the second of the year. In their first encounter, the Raiders downed the Buffaloes 8-4.

Tech's record stands at 6-6, the first time this season that the Raider baseballers have compiled an even .500 winning percentage.

In Tuesday's game, righthander Billy Tombs came out of the bullpen in the seventh inning to defeat Hardin-Simmons 5-4, and earn his second victory over the Cowboys in two days. The day before he handcuffed the visitors for a 7-3 win.

Odessa College's first run came in the third inning as Ke Walker scored on a wild throw to second base. Walker had walked to get on base and then gone to second on another walk. He reached third on Wrangler second baseman, Pat Fowler's sacrifice hit and then scored as third baseman Zan Miles was attempting to steal second.

Then came the crucial fourth inning in which Coffey was relieved by Beck.

Tech's big inning was the fifth. With the bases loaded, Beck hit double to the left center field to score two runs and ice the game.

In the sixth inning, the Wranglers scored one more run; but in the seventh and final inning could only get one man on base before Beck struck out the Odessa College pitcher Pat Gibson to end the game.

BECK STRUCK OUT three men and allowed only three hits in winning his third game of the season against only one loss. The Picadors have now won four and lost three for the season.

Knostman and Green tied for the days hitting honors each reaching base all four times at bat. Knostman hit two singles, a double and collected a walk. Green hit two doubles, a single and reached first one time on a fielders choice.

Pat Gibson, Wrangler starting pitcher, struck out four Raiders and allowed eight hits until relieved by James Foster in the fifth.

Tigers Clobber Yanks; Giants Regain NL Lead

NEW YORK (AP)—Detroit clobbered Whitey Ford Wednesday 9-1 as the Tigers became the first club this season to defeat the New York Yankees at Yankee Stadium.

Frank Lary, twice a loser, broke into the winning column with a seven-hitter to snap the Yanks' six-game home winning streak. A crowd of only 7,191 saw the game on a cool, windy afternoon.

The Tigers ripped into Ford for 2 of their 14 hits while Lary mowed down the Yanks without too much trouble. Successive doubles by Ford and Hank Bauer accounted for the New York run in the third.

Al Kaline doubled twice and added a single as everybody in the Tiger starting lineup except Teno Berioia collected at least one hit. The Tigers were minus the services of first baseman Ray Boone and shortstop Milt Jolliffe, who were sidelined by mild virus attacks.

CHICAGO (AP)—Four Chicago homers, two by Ernie Banks, swept the Cubs to an 8-2 triumph Wednesday over the Milwaukee Braves whose Bob Buhl absorbed his first defeat after three victories.

Banks and ex-Brave Sammy Taylor each slammed two-run homers in the seventh.

It was the season's eighth for Walls, pushing him one ahead of San Francisco's Hank Sauer for the National League lead.

Right-hander Jim Brosnan, winning his second decision against two defeats, scattered five Milwaukee hits and held the Braves to one hit after the third.

BOSTON (AP)—Boston hitmaster Ted Williams joined nine other famous major leaguers Wednesday when he polled his 1,000th extra base hit, a home run in a losing cause, as the Kansas City Athletics rapped the Red Sox 11-4.

Williams' homer was on the first pitch to him in the ninth inning and scored Pete Runnels who had singled.

It was not one of Williams' majestic clouts although a solid line smash into the stands just beyond the foul pole in right which is 302 feet from home plate.

Sox fans had little to crow about until the ninth.

Up to the time Williams blasted his homer the A's Bob Cerv and Ned Garver had been the whole show, abetted by some loose Boston infield play.

Cerv walloped his fifth and sixth homers of the season. Garver won his third without defeat this year and had a four-hitter until the ninth when the Sox made their other four.

SAN FRANCISCO (AP)—The San Francisco Giants parlayed a six-hit pitching performance by lefthander Johnny Antonelli and four home runs into a 10-1 victory over Philadelphia and Robin Roberts Wednesday to grab back first place in the National League.

A crowd of 7,886 saw rookies Bob Schmidt, Orlando Cepeda and Jim Davenport along with veteran shortstop Daryl Spencer slam homers. Antonelli came out winner for only the second time in 11 career meetings with Roberts. Home runs accounted for nine of the ten runs.

The victory gave the Giants nine wins against five setbacks.

Varsity, Frosh Tracksters Schedule Saturday Action

Texas Tech's varsity and freshman track teams will each see action this weekend. The University of New Mexico and Coach Delmer Brown's upper classmen compete on the Tech track Saturday at 1:30 p.m. and the "fish" travel to Abilene for a special triangular meet with ACC and New Mexico Military Institute.

OF THE FIVE boys, only one, Macy, returns next year. The rest are seniors. However, Johnny Kniffen, red-shirted this year, will be eligible for next season's action. He is from Clyde.

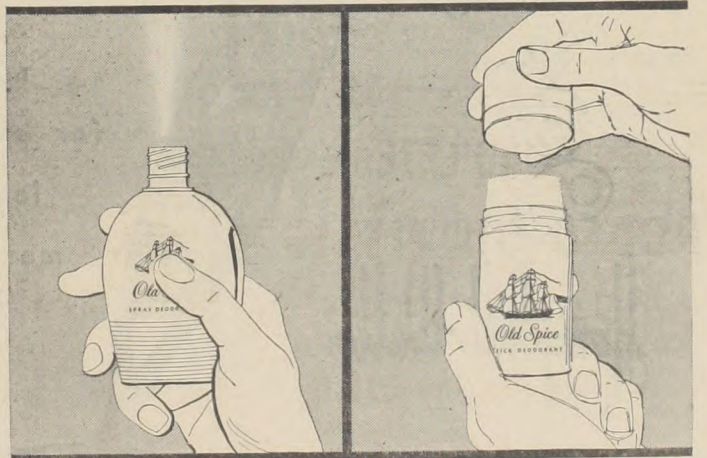

Coaching tennis players at Tech since 1953, George Philbrick is confident that the team, "has a good chance" in the SWC tournament.

Philbrick, a 1939 graduate of Tech, received his masters degree in physical education from the University of Texas. He has coached at Tech since 1947, but didn't take over the tennis team until 1953.
