### Raw, Biting Blue Norther Hits State

#### West Texas May Get 14 Degree Snap

By The Associated Press  
A raw, biting blue norther swept over Texas today, and may bring temperatures as low as 14 degrees in West Texas tonight, the Weather Bureau said.  
Cloudy weather and drizzles accompanied the cold wave, but rain is expected to stop in time for tomorrow afternoon's football games.  
However, tonight's high school games in many places will be played in sub-freezing weather made worse by light rains, the weather man said gloomily.  
The cold wave is expected to continue through the week-end.

Much colder weather is predicted for west Texas, with a low of 14 to 20 in the Panhandle, 18 to 26 in the South Plains, and 24 to 28 elsewhere in that area. The Del Rio-Eagle Pass area will be slightly warmer — around freezing.

A low of 25 degrees is forecast for the north and west portions of East Texas. The bureau said temperatures tonight and early tomorrow would range from 25 to 32 in the extreme northwest portion. The weather would be "much colder" in the south and east portions where occasional rains are predicted.

Light rains, prevalent over the state today, are expected to continue this afternoon and tonight. Low readings this morning was 27 at Pampa. Only other below-freezing reading was Amarillo's 28. High yesterday was 79 at Brownsville.

Rains today were general, but did not exceed a quarter of an inch except at Corsicana which had 1.39 inches, the weather bureau reported.

### Government Will Return Airfield Land

Land at the Municipal airport and the former Big Spring Army Airfield will be returned to the city by the Federal government within the next few days, city officials announced this morning.

Involved are approximately 1,259.77 acres which the government leased from the city when the Bombardier school was established here in 1942.  
City Manager H. W. Whitney said this morning that official papers terminating the lease have been received from the War Assets Administration's Dallas office. The documents already have been signed for the government, and Mayor G. W. Dabney will sign for the city as soon as the instruments are approved by the city attorney.  
The lease cancellation will become effective immediately after the mayor signs.  
In addition to the land, buildings granted the city as airport property several months ago are listed on the official transfer, along with a quantity of utility materials. The buildings involved are those located along the east boundary of the airport which are restricted to airport use and maintenance exclusively.  
The lease cancellation is a normal procedure in accordance with plans mapped jointly by the city and the WAA several months ago.

### More Violence Flares In Italy

ROME, Nov. 21. (AP)—Peasants battled Carabinieri today in the streets of Bitonto, near Bari, in a new outbreak of violence which has taken a growing toll of lives throughout Italy in the last week.  
The fight was touched off by an attack by an unidentified assailant upon a priest, the Rev. Pasquale Pileo. The cleric, on his way to say mass, was shot three times in the back. In the subsequent fight, two Carabinieri were gravely wounded. Armed mobs ranged the streets. Headquarters of the Christian Democratic and the rightist Uomo Qualunque (common man) parties were reported wrecked.  
Disorders turned into bloody skirmishing in the strike-bound Apulia region in the heel of Italy yesterday, and four persons were killed, dispatches to Rome newspapers said.  
The total dead in the recent epidemic of leftist-led disorders throughout all Italy was near 20.  
In this capital, Premier Alcide De Gasperi, whose Christian Democratic government is a target of a concentrated leftist attack, conferred with the general commander of the Carabinieri.

# Blum Charges Reds Have Declared War

## Leader Says French Democracy In Peril

PARIS, Nov. 21. (AP)—Premier-designate Leon Blum told the national assembly today "international communism has openly declared war on French democracy" and that "the republic is in danger" also from Gen. Charles De Gaulle's right wing People's Party.  
"The situation is grave," the 75-year-old socialist leader declared.  
Blum sought assembly authority to form a government to replace that of socialist Premier Paul Ramadier, who resigned Wednesday. As he spoke, a half million workers were on strike in critical industries throughout France and the labor situation hourly was growing worse.  
All workers in Paris transport, chemical, building, leather, paper, glass and pharmaceutical industries planned a one-hour work stoppage for this afternoon to demonstrate their sympathy with the strikers throughout the nation and as a protest against the government's use of troops in coping with the labor situation.

With emphasis on the need of support for welfare and character building agencies within the community, workers in the special gifts division were in the field Friday on behalf of the Community Chest.  
Too, the importance of understanding that the current campaign represents six appeals rolled into one was stressed by volunteers making contacts. For that reason, donors were urged to make the most liberal and representative investment possible in the Community Chest.

While special gift workers took the field in what Lewis Price, one of the co-chairmen described as an unusually fine turnout and enthusiasm, the general canvass group held a breakfast Friday morning at the Settles to shape up organization for the kick-off Monday at 2 p. m. at the Settles.  
G. H. Hayward and Dr. R. B. G. Cowper were continuing contracts on large gifts for the fund.  
Participating in the special gift group were Marvin Saunders, A. Swartz, Gene Hutchins, Ben LeFever, Clyde Waits, Worth Peeler, H. C. Stupp, C. W. Norman, Jim Zach, C. C. Williamson, Joe Pond, Champ Rainwater, Willard Sullivan, Marvin Miller, Oscar Glickman, Bill Cox, Shine Phillips.

### HOW SECRET KEPT

## Lawmaker Tells Of A-Bomb Spies

WASHINGTON, Nov. 21. (AP)—Rep. Cannon (D-Mo.), reported today a House committee learned on a secret wartime visit to the Oak Ridge, Tenn., atom bomb plant that foreign spies were working there.  
"In fact," Cannon said in an interview, "we were told there were spies from all the enemy nations."  
After their discovery he said, they were permitted to stay on the job so they could be watched and the spy network traced. He added: "We were told these spies couldn't do any damage because workers in one building were never allowed to know what workers in another building were doing. Besides, a system was set up to fool them."  
He said he never had heard what the government did with those who were known to be enemy agents.

### Freedom Of Press Is Theme Of Meet

WACO, Nov. 21. (AP)—Freedom of the press underlines all themes at the Texas Editorial association meeting here.  
Speakers to scores of delegates yesterday delved into increasing production costs, the critical supply of newsprint, and the evaluation of the postwar newspaper. In almost every instance, these problems were underscored with remarks pertaining to an ever free press.  
William B. Ruggles, editor in chief of the Dallas Morning News, chose this subject for one of the principal addresses today.  
Ruggles told the newspapermen that "we find ourselves subject to the condemnatory criticism of our young generation at the precise moment that the existence of a free press itself is threatened throughout the world."

### RED FACED, FLUSTERED

## Meyers Admits Signing Of False Affidavits At Probe

WASHINGTON, Nov. 21. (AP)—Red-faced and flustered, Maj. Gen. Bennett E. Meyers acknowledged today that he once signed a false affidavit concerning use of the Cadillac automobile which has figured in the Senate investigation of his wartime activities.  
The acknowledgment came as members of the Senate war investigating committee cross-questioned him on his story that he set up the Aviation Electric company solely to help "my girl friend," Mrs. Mildred Lamarre, wife of the man who became its president.  
Mentioning the Cadillac, which B. H. Lamarre said Aviation Electric bought for Meyers, Senator Ferguson (R-Mich.) asked Meyers whether the car ever had been used by Aviation Electric prior to the Jan. 1, 1942—that is, prior to a wartime government freeze order on deliveries of new cars.  
"No," Meyers replied.  
Then why, Ferguson shot back, had Meyers signed an affidavit to the District of Columbia auto license bureau that the car had been "bought paid for and used by the Aviation Electric company before Jan. 1, 1942."  
"Is that your signature?" Ferguson demanded, turning the affidavit over to Meyers.  
Flushing, Meyers said it was, but that he had signed it as "just a routine thing." He said "anybody would have signed it."  
"Why would an officer in the United States Army file a false affidavit when there was a rationing order coming up?" Ferguson demanded.  
Meyers repeated that he had signed it simply as a routine matter. When Committee Counsel William Rogers took issue with him on this, Rogers shouted:

# Papers Are Delayed By Labor Dispute

CHICAGO, Nov. 21. (AP)—Publication of Chicago's two morning newspapers, the Tribune and the Sun, was delayed for nearly eight hours last night and today because of a labor dispute.

The papers said the delay in publishing their Friday editions was because of slowdowns of composing room employes, shop meetings and conferences between printers and management.

The first editions of the two newspapers, which normally are on sale at newsstands about 6:30 p. m., were not available until about 3 a. m., about an hour after the meetings and conferences broke up. Both papers missed three editions.

The Sun, which at 1:15 a. m. said its composing room employes had been attending a union meeting which had lasted more than six hours, said it regarded "action of the typographical union as a strike."

A statement at that time by the Sun and Times—both papers use the same facilities and are owned or controlled by Marshall Field—said composing room employes had refused to end their chapel meeting "of several hours duration."

"No wages will be paid to any employe who remains in the composing room and does no work," the statement said.

There have been previous delays in publication of the two morning papers and delays in publication also have been reported by the three afternoon dailies, the Daily News, the Herald-American and the Times; since a breakdown in contract negotiations between the publishers of six Chicago dailies and the Chicago local of the AFL Typographical union. The Chicago Journal of Commerce, a morning financial paper, said it was 27 minutes late in going to press last night and it had reduced the size of its paper 15 per cent to cut composition work.

John J. Pilch, president of the Chicago local of the ITU, did not comment on the publishers charges of "slowdown."

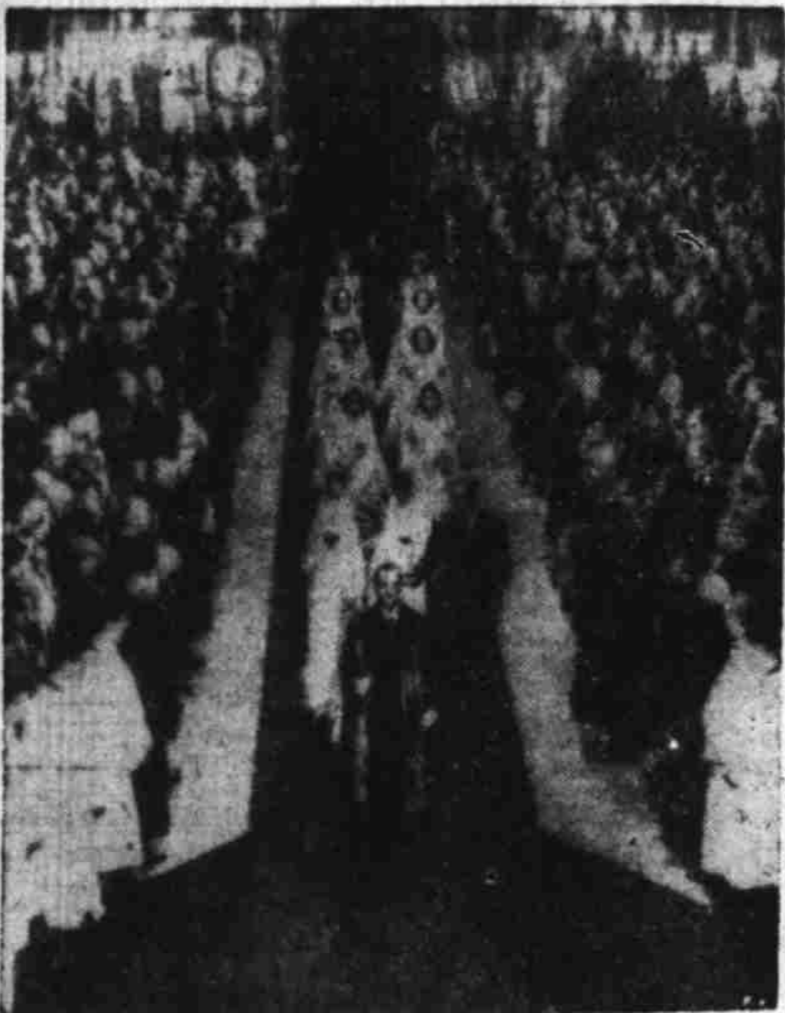

The publishers association has filed charges with the National Labor Relations Board asking an investigation of the alleged slowdowns.

In the negotiations for a new contract for one which expired on Oct. 21 the union proposed posting "conditions of employment" rather than entering into a contract with the publishers.

## AT NEGRO BAPTIST CHURCH

# Wallace Address Hits Wall Street

ATLANTA, Nov. 21. (AP)—Former Vice President Henry Wallace spoke to a non-segregated audience from the pulpit of a Negro Baptist church here last night, said he was for peace and the U. S. bill of rights, but was against Wall Street interests, Wall Street stooges in Congress, universal military training, racial discrimination, the poll tax, and "Red hysteria."

Wallace, who mounted the rostrum while an all-Negro choir sang "Joshua Fit the Battle of Jericho," stood before a huge mural of the crucifixion and was flanked by the American flag.

Back of Wallace was a four-foot long bank of blue, artificial flowers inscribed with white letters: "Mr. Wallace."

About 60 per cent of the persons who filled the 3,000 seat church were Negroes. Wallace's speech was virtually the same one he delivered the night before at Macon, Ga., where his listeners were segregated by police order.

## IN FAMILY

# Dispute Raging On ACC Attendance

ABILENE, Nov. 21. (AP)—A family dispute over whether two 16-year-old Amarillo twins should remain in Abilene Christian College academy raged on today.

An early morning court order yesterday restrained Robert Monroe Burgess, 41, Amarillo shoe repair man, from interfering with the twins, Glen and Gwen, their attendance at Church of Christ services and attendance at classes at the academy.

But last night Glen was at Abilene and the boys' father said Gwen was at home in Amarillo with him.

The elder Burgess said Gwen was withdrawing from the petition under which the father was temporarily restrained from interfering with his sons.

Glenn said yesterday that his father and his older brother, Carl, entered the boys' dormitory here at 3 a. m. and announced he was taking the twins home on "orders from the Lord."

Glen said he and Carol scuffled in the dormitory and police were called.

Judge J. R. Black of 42nd District Court issued the temporary

Injunction on a petition which had been prepared before the dormitory episode.

G. W. Cox of Canyon, the twins' maternal grandfather, joined them as next friend in their petition for the order.

Glen Burgess said his father is a member of the Full Gospel Assemblies of Christ church.

The petition said that Burgess whipped the boys with a quirt for non-attendance at services of his church.

County attorney Theo Ash said a charge of assault was filed in Justice Bill Ward's court against Carol Burgess.

Aubry Armstead and Jones played outstanding defensive games in the Big Spring line. The Sweetwater team never threatened the Big Spring goal line.

Weldon Bryant was surprised with a birthday anniversary party on his birthday Thursday when his mother, Mrs. E. E. Bryant, entertained in their home.

### Local Teachers Attend Association Banquet

Entertaining their wives and husbands and other guests, the Big Spring Classroom Teachers association turned their regular monthly meeting into a banquet affair Thursday evening at the Settles hotel.

Dr. P. D. O'Brien, First Baptist pastor, reminded teachers that the public, whether right or wrong, expected a higher social and intellectual level from teachers, and that the happy solution was for teachers to strive for that higher plane.

As a member of the teaching profession, Stanley Cameron said

that teachers should strive to fulfill the expectations of parents and the community; that schools would be as strong as the staff; that progress depended upon effectiveness of education; that the real reward to teachers came through achievement of their students.

Parents expect teachers to train youth in fundamental skills such as reading, speaking, writing, and co-operative living, said Joe Pickle, to inspire and encourage children, understand and to lead with patience, to instill moral values.

Mrs. A. C. Kloven read an humorous poem in which she traced the fall and rise of "10 teachers," showing how conditions and attitudes were reflected in the teaching situation.

Presiding at the affair in the Settles ballroom was Jo Hestand, president of the association. Invocation was given by W. C. Blankenship, superintendent. Cameron announced that local teachers were 100 per cent in professional organizations with the exception of the National Education Association. Mrs. John A. Coffey, program chairman, announced that the December meeting would feature a Christmas party. Approximately 70 persons attended the Thursday banquet.

### AUTUMN THEME USED AT CLASS DINNER PARTY

Autumn colors provided an attractive decorative background in all appointments at a banquet program given at the First Baptist church Thursday evening by members of the Friendship class of the Sunday school. Members' husbands were honored guests.

The long dinner table was arranged in a Thanksgiving motif. Runners of brown and gold crepe paper ran the length of the table, and at intervals on these were upright standards of autumn leaves fashioned into letters to spell "November." At the center of the table a large bowl held baby chrysanthemums, into which were placed large gold candles. Favors were turkey baskets filled with candy.

Autumn flowers and brown and gold color effects graced the dining room and an adjacent entertaining room.

After "get-acquainted" games, class members and their guests feasted on a meal of turkey with all the trimmings.

Mrs. Fred Thompson presided for the after-dinner program, which included vocal solos by Bobby Jack Stevenson, piano selections by Darlene Agee and Susan Logan, and a humorous reading by Mrs. Jack Irons. R. W. Whipkey was speaker, talking on traditional meanings of Thanksgiving.

Mrs. S. A. Ritter played piano selections during the dinner. Mrs. Chester Cluck is president of the Friendship class, and Mrs. Vernon Logan is the teacher. Those attending included Mr. and Mrs. J. D. Elliott, Mr. and Mrs. Chester Cluck, Mr. and Mrs. R. V. Cobb, Mr. and Mrs. A. L. Tamplin, Mr. and Mrs. H. J. Agee, Mr. and Mrs. M. B. Beam, Mr. and Mrs. J. B. Knox, Jr., Mr. and Mrs. W. F. Frey, Mr. and Mrs. T. J. Clark, Mrs. Clayton McCarty, Mrs. Harvey Wooten, Mrs. Jack Y. Smith, Joe Tuckness, Mr. and Mrs. Vernon Logan, Mr. and Mrs. R. W. Whipkey, Mrs. Ritter, Mrs. Thompson and Mrs. Irons.

When served on mashed potatoes, hot biscuits, bread dressing, spaghetti or rice, gravy not only extends the good flavor of meat, but also adds nourishment to the meal. The fat in the drippings has energy value; and research has shown that some of the vitamins in the meat go into the drippings during cooking.

**Are you on a party line?**

If you have a party-line telephone, here's a suggestion...

Party-line service is best when everyone on the line is thoughtful and courteous. You can get the most value from your party line by doing these simple things:

1. Keep your calls short and space them as much as possible. That will give the other fellow a chance to call, or be called.
2. Hang up quietly if the line is in use when you try to call. Wait awhile before calling again.
3. See that everyone in the family does his or her part at observing party-line telephone courtesy.

**INDIVIDUAL LINES** for all who want them will be available after we have served all the people waiting for telephones. That's our first job now — and it's a big job! When it's finished, we can begin to install the equipment needed to give people the kind of service they want and need.

# Steers Invade Eagles' Nest Tonight In Final Road Game

### Locals' Attack Is Looking Up

The War Birds do no command the respect they once did in Texas high school football circles but whether or not all their finesses and know-how has exited through the gates of Valhalla remains a subject for conjecture.

That conjecture will be dissolved in an adventure booked for 8 o'clock in the Eagles' nest. If it is so much apple strudel, the Bovines may be in for a bruising licking, if not, then their third consecutive victory is in the offing.

Performance of the Steers last week was little short of spectacular. They picked on a scrappy but outmanned Midland gang and checked in with a Letter A. Number One show, winning a 20-0 decision.

That was the identical margin by which the Abilene corps was able to thrash the Canines. That, alone, would indicate the Flock is in for a rough engagement.

If the Eagles take it on the chin tonight, they'll have no excuse to offer. Their chief cannon, Jim Dobyn—who gave the Bovines a pack of trouble a year ago—is ship-shape. Dobyn aims to find the cracks in the Steer suit of mail with his oft-fleeting slants.

Lloyd King, who did some thread needle passing to help torpedo the Longhorns in 1946, is back but his favorite targets, Duane Hendley and Ruper Middlebrooks, has departed.

The Big Springers will be at a weight disadvantage in the line but not enough to hurt, unless the rains continue and turn the field into a quagmire.

There is nothing in the way of a rapid guy in the Big Spring secondary to match Dobyn but Harold Berry and Company have been looking better on the attack lately. Their passing game for one thing, has improved. The ground offensive is a slicker item than it once was and improving by the hour.

Berry was the mastermind in Big Spring's victories over San Angelo and Midland and he played his role to the hilt. B. B. Lees turned in far and away his top performance in the Midland go. Moe Madison was never better than when he got his sky hooks on a Midland pass and applied the vanishing cream. Paul Shaffer is becoming more and more an integral part of the Steer attack.

Tonight's engagement winds up the Steers' schedule away from home. They ring down the curtain on the 1947 program with Sweetwater here Thanksgiving Day.

## LOOKING 'EM OVER

With TOMMY HART

Each of the men participating in the Daily Herald football poll is riding with an "underdog special" this week. The writer goes against public opinion and looks for Baylor to upset SMU. (The Mustangs seem to be choking up under pressure). Joe Pickle expects North Carolina State to come in ahead of Virginia. Bob Whipkey expects Indiana whipping Purdue while Wacil McNair "lone-wolfs" on Tennessee in Vols' game with Kentucky.

### CLAASSEN'S CHOICES

**Michigan, Kansas Grid Favorites**

By HAROLD CLASSEN

NEW YORK, Nov. 21. (AP)—This is the final big weekend of college football this season and it is the Saturday of tradition—when previous form and records go out the window.

But here's hoping that the form will hold true enough to permit a duplicate of last week's efforts when 70 winners were named correctly and 12 were missed for an average of .854. That lifted the season's totals to 463 correct, 102 incorrect for an average of .819.

This week's selections:

Southern California - UCLA. A Southern California triumph would give the Trojans the opportunity of playing in the Rose Bowl and they should get that victory on the quarterbacking and passing of Jim Powers and George Murphy. Shaky field leadership has cost UCLA several games and could be fatal in this fray. Southern California.

Ohio State-Michigan: It is doubtful whether the Wolverines will duplicate their 58 to 6 massacre of a year ago. But they have the talent to do it. Michigan.

Tulane-Notre Dame: This game is important only in that it ends for the time being at least, another series. The Irish have too much power for Tulane. Notre Dame.

Harvard-Yale: Yale.

LSU-Alabama: Since the Alabama linemen have lost their excess weight they have yielded just two touchdowns in their last five games. And they have Lowell Tew and Harry Gilmer on their side, too, Alabama.

Southern Methodist-Baylor: They take turns beating each other in the Southwest Conference but why should SMU wait until now for its first beating of the year. Doak Walker to star again. SMU.

Furman-Georgia Tech: Go pick on someone your own size. Georgia Tech.

Missouri-Kansas: A victory for either team could mean the Big Six title for that club, depending on what happens in the Oklahoma-Nebraska affair. Kansas.

North Carolina-Duke: North Carolina.

St. Mary's-Boston College: Boston College.

Penn State-Pittsburgh: Penn State to win and finish undefeated. Skipping over the others in a hurry:

Friday  
College of Pacific over Fresno, Wake Forest over Duquesne, Florida over Miami.

Saturday  
East: Colgate over Boston university, Columbia over Syracuse, Georgetown over George Washington, Holy Cross over Fordham, Princeton over Dartmouth, Delaware over Washington & Lee, Muhlenberg over Bucknell, West Virginia over Temple.

Midwest: Illinois over Northwestern, Oklahoma over Nebraska, Purdue over Indiana, Wisconsin over Minnesota, Detroit over Tulsa, Cincinnati over Butler.

South: Clemson over Auburn, Georgia over Chattanooga, Mississippi State over Mississippi Southern, Tennessee over Kentucky, Vanderbilt over Maryland, William & Mary over Bowling Green, Louisville over Washington university.

Southwest: Rice over Texas Christian, Texas Mines over New Mexico A & M, West Texas State over Arizona State of Tempe.

Farwest: California over Wyoming, Colorado A & M over Wyoming, Marquette over Arizona, Oregon over Oregon State, Texas Tech over New Mexico, Washington over Washington State, Brigham Young over San Diego State, Pepperdine over California Tech.

Sunday  
Scranton over St. Vincent, San Francisco over Villanova.

**WALCOTT TAPERS OFF**  
GRENLOCH, N. J., Nov. 21. (AP)—Jersey Joe Walcott, training here by his Dec. 5 fight with Heavyweight Champion Joe Louis, is tapering off his ring work because his manager, Joe Webster, fears the challenger is "getting down to fine."

If you're planning to put up fruit preserves this year, keep this tip in mind. Weigh rather than measure the ingredients because the weight of a quart will vary with the kind of fruit, the way it is packed, and the shape and size of the pieces. Weighing is more accurate and gives better results than does measuring.

## Forest Engages In Fourth 0-0 Tie Of Season

By The Associated Press

Two more titles can be set tonight and standings straightened in several districts as Texas' Class AA schoolboy grid race nears its finish.

Harlingen can wrap up 16-AA honors by defeating Brownsville and Wichita Falls can clinch a tie in 2-AA by downing Vernon.

A victory for Wichita Falls' undefeated, untied Coyotes will almost assure them the championship. Vernon is the only club which could tie for the title if Wichita Falls loses its final district game next week. District rulings in case of a tie generally award the championship to the victor in the game between the co-leaders.

Forest (Dallas) last night remained among the state's undefeated teams, though the Lions recorded their fourth scoreless tie in eight games this year in a draw with Adamson (Dallas).

The result eliminated Adamson from the 8-AA race and left it to Forest, North Dallas and Sunset (Dallas).

Other results last night saw San Jacinto (Houston) a 20-6 winner over John Reagan (Houston), Oklahoma City Central defeat El Paso High, 20-7, and Thomas Jefferson (San Antonio) beat San Antonio Tech, 32-13.

Highland Park (Dallas) and Denton settle leadership in 6-AA tonight, with the victor almost certain title.

The four leaders in the complicated 9-AA chase square off tonight. The results of the Breckenridge-Mineral Wells, Brownwood-Weatherford tilts would straighten the district somewhat.

District 15-AA's wild race has an important issue in the Austin-Corpus Christi game. Brackenridge and Harlandale, both of San Antonio, meet in another district contest.

Temple and Corsicana highlight the 10-AA schedule this week. Corsicana is one of three teams remaining in the running. Temple, ineligible for the crown this year, holds the key to the throne room.

Seven district champions have been determined. The race ends next week, with playoffs starting the first week in December.

The undefeated, untied list is down to three teams—Odessa, defending state champion, Wichita Falls and Longview, also undefeated, on Goose Creek and Forest are undefeated but tied.

### Identity Sought On Crash Victim

DALLAS, Nov. 21. (AP)—Police officers and morticians today were trying to establish the identity of the charred body of a pilot killed last night when his plane crashed in East Oak Cliff.

A drifting rain was falling when the light airplane smashed into a power line and crashed into a newly constructed fish pond in the back yard of Mrs. H. C. Marshall.

By the time neighbors arrived on the scene, flames were climbing skyward from the twisted wreckage. The plane apparently burst into flames when it hit the power line. Efforts to save the pilot were too late, and the plane was nearly destroyed by the time a fire department company arrived on the scene.

Police were contacting all airports in this area to determine if a plane is missing.

### FIGHTERS ILL

POPTON LAKES, N. Y., Nov. 21. (AP)—Several members of Joe Louis' training camp retinue were ill with dysentery and nausea today, but the malady had no apparent effect on the heavyweight champion as he prepared for his Dec. 5 meeting with Jersey Joe Walcott.

August is the peak month for motor travel in the United States, but the peak in traffic accidents is in December.

## Yanks Complain Browns Betray Junior Circuit

ST. LOUIS, Nov. 21. (AP)—The mighty New York Yankees have added their voice to the cry of alarm emanating from several baseball quarters over the St. Louis Browns' startling trading activities.

Yankee President Daniel R. Topping, claiming he doesn't want "to see the American league become a seven-club league," yesterday asked for a "complete investigation" of the Browns' player trades.

The Browns who finished eighth in 1947 have already transferred six of their best players to the Boston Red Sox and the Cleveland Indians in exchange for players of unknown quality and an unannounced amount of cash.

Topping's statement said the Yanks will request that, through Baseball Commissioner A. B. Chandler and League President William Harridge, "a complete investigation of the situation be made."

William O. Dewitt, vice president and general manager of the Browns, declined comment on the Yankees' protest. He said the answer would have to come from President Richard Muckermann of the Browns who is out of the city.

Chandler and Harridge also declined comment for the time being.

Glen L. Waller, St. Louis Globe-Democrat sports writer who reports American League games, however, defended the right of the club to make trades.

He said, in a Globe-Democrat story, the Yankees' protest was "ridiculous" and pointed out it was nothing new for a team to break up its roster.

Conair Mack, who traded a big share of his Philadelphia team in 1933, said the deal by the Browns would not "help our league any."

## Mustangs Could Clinch Invite

By The Associated Press

Southwest Conference teams swing into the next to last go-around tomorrow as Southern Methodist's unbeaten, untied Mustangs seek to nail down the Cotton Bowl invitation in a joust with Baylor at Waco and resurging, awesome Rice crashes into Texas Christian at Fort Worth.

S.M.U. needs only a victory over Baylor to march into the Dallas bowl classic on New Year's Day. The Mustangs could lose to Texas Christian next week and still get the invitation even though Texas should lick Texas A. and M. and finish in a championship tie with the Methodists.

In such a circumstance, precedence decrees that the team that lost to the other in season play withdraw from the Cotton Bowl picture.

Texas, Texas A. and M. and Arkansas do not have games this week. Texas A. and M. will close out the campaign next Thursday when they battle for the fifty-third time. The game, at College Station, will mark 54 years of rivalry.

Arkansas also plays Turkey day, meeting Tulsa at Tulsa.

Southern Methodist and Rice each is a two touchdown favorite in tomorrow's games.

## Sterling Eagles Leave Today For Title Test With Tribe

### Winner To Earn Region Honors

STERLING CITY, Nov. 21.—The Sterling City Eagles, six-man grid champions of District Seven, were to leave at noon today on the first leg of their bi-district tilt, with the Fort Davis Indians in Fort Davis, which will be played starting at 3 p. m. Saturday.

The Eagles, at full strength for the crucial test, take their final workout at Barstow this afternoon and then push on to Pecos to spend the night.

Championship of Districts Seven and Eight will be decided in the struggle. The Eagles went through the season with the loss of only one game. They were tied with Coahoma until the final game of the season but were unexpectedly handed the title when Coahoma was upset by a fighting Forsan troupe.

The Indians have not been defeated but have been tied twice. Fyote held them to a deadline early in the season and Van Horn fought them to an 18-18 standstill last week.

Jackie Tweedle, Sterling's all-conference back, will be ready to wheelhorse the Eagles to victory.

## Burns To Face Szasz At AC

Wrestling fans are in for another rollicking time at the Big Spring Athletic club Monday night.

Round-man Bobby Burns, the Helena, Mont., mauler, is returning to square away with Al Szasz, the St. Louis veteran, who made Ace Abbott throw in the towel last Monday night.

For an appetizer, Promoter Pat O'Dowdy is pitting Abbott against Otto Nickelson, the Russian Bear.

## Two Southwest Games On Air

Big Spring's radio station, KBST, will carry a play-by-play broadcast of the Rice-Texas Christian football game starting at 1:30 p. m. Saturday.

The SMU-Baylor contest at Waco will be aired by WBAF-WFAA, Fort Worth-Dallas. The game will go on the air at 2:20 p. m.

## Modern, Nathan's Bowling Winners

Modern Cleaners and Nathan's Jewelry emerged winners in the Wednesday evening round of the Women's Bowling league, the former making a clean sweep of its match with Settles Beauty while the latter edged Youth Beauty 2-1.

Nellie Mathis was high individual with 180 for game, and also captured high series with 481.

Youth Beauty, against some red hot rolling, rallied with an imposing 748 for high game honors, but Nathan's pace of 2,081 was too much on the series stretch.

## Local Woman Bags Four-Point Deer

A sure shot with a rifle is Mrs. L. N. Brooks of Big Spring.

Last year Mrs. Brooks bagged two deer in a hunting expedition in the Southlands. She returned yesterday with a prize kill she felled four hours after the season opened, a four-point beauty shot near Llano.

Brooks was more fortunate on this trip than he was in 1946, when he returned empty handed. He killed an eight-point buck.

## Dick Dunkel's College Football Averages

For week ending November 23

Explanation: The Dunkel system presents a factual, unbiased picture of the relative strength of teams as revealed by the scoring records of the season. This method averages the scores of all teams in the strength of the opposition to date. The teams are listed in order of their average scores relative to the strength of their opponents. Averages are listed numbers—not percentages. They indicate each team's potential standing in the nation. A 100 team has been 10 scoring points stronger than a 92.5 team. In this manner past performance of any two teams can be compared regardless of location. The ratings have been continuous since 1928.

### STOCKHOLDERS ARE UNKNOWN

CLEVELAND, Nov. 21. (AP) — City officials disclosed today that they are holding \$17,910 that should have been picked up five and a half years ago.  
 The sum represents 398 shares of capital stock in the Cleveland Railway Co., which was sold when the city began operation of the local transit system, plus \$195 in second dividends.  
 About 40 persons own the stock, but the city doesn't know who they are.

### USDA Says Tender Crops Hurt By Cold

AUSTIN, Nov. 21. (AP) — Tender crops suffered some damage from the low temperatures occurring the week end of Nov. 8, while hardy crops were improved by rains of the following week end, the United States department of agriculture reported today.  
 The USDA's Texas truck crop report said the main damage resulting from the early November cold front was limited to the winter garden and Eagle Pass districts. Crops affected were beans, eggplant, peppers, tomatoes and squash.  
 Approximately two inches of rain fell in the non-irrigated coastal bend, where all planting operations has been held up because of a serious moisture deficiency.  
 USDA reported the Raymondville district "badly in need of more rain."  
 Movement of some hardy type vegetables, including beets, cabbage, carrots and broccoli, was getting underway in the Laredo and lower valley districts.

### 'Green Bowl' Banned By Navy

WASHINGTON, Nov. 21. (AP) — The Navy today issued orders banning forever the 40-year-old Annapolis secret society known as the "Green Bowl," because of "rumor and speculation" that its members had the inside track for promotions and high-ranking jobs.  
 A Navy "memorandum to the press" said there is no evidence that the group had any such influence. But there had been, it said, an "adverse effect to a limited degree on service morale, because of the fear of the potentialities of an alleged self-serving secret society."  
 The report said a total of 158 naval and marine officers now on active duty belonged to the "Green Bowl" in midshipman days. Armed forces, an official service publication, said recently 18 of these are Admirals.

### Strike Stymies Food Deliveries

DALLAS, Nov. 21. (AP) — Delivery of hundreds of tons of food to Safeway Stores, Inc., was still stymied today as 50 members of Local 835, AFL teamsters union, remained on strike.  
 The union men yesterday voted to continue the strike which began Wednesday in a dispute over the seniority rights of Jimmy Griffin, Jr., driver in the produce department.  
 Shipments of bakery products to stores in three states halted at midnight Wednesday when union bakers walked off their jobs in sympathy. The baker in Dallas supplies Safeway stores in parts of Texas, Oklahoma and Arkansas.

### SUNDAY SCHOOL LESSON

## Love Is Key To Peace

By NEWMAN CAMPBELL  
 (The International Uniform Lesson on the above topic for November 23 is I John 1-3; John 21:15-22, the Memory Verse being John 13:35. "By this shall all men know that ye are My disciples, if ye have love one to another.")  
 LOVE IS the subject of this lesson. Love to God first, then love to man. One cannot truly love God if he loves not his fellowmen.  
 In writing his first epistle to his fellow Christians, John says: "Brethren, I write no new commandment unto you, but an old commandment which ye have heard from the beginning." Since they became Christians they had known these truths that John now writes them; that is the old commandment that they have known. Then he writes, "Again a new commandment I write unto you, which thing is true in Him and in you: because the darkness is past, and the true light now shineth." God is that light, "and in Him is no darkness at all."  
 "He that saith he is in the light, and hateth his brother, is in darkness even until now."  
 "He that loveth his brother abideth in the light, and there is none occasion of stumbling in him."  
 "But he that hateth his brother is in darkness, and knoweth not whither he goeth, because that darkness hath blinded his eyes."  
 How can one see, even in the shining light, if his eyes are blinded by that worst of all darkness, hatred? Cain killed his brother Abel because he was jealous of him, and after that Cain's life was all darkness. Our daily newspapers are full of accounts of men and women who hated someone and killed them in their anger. How full of darkness must these people's lives be after such a dreadful deed. They may obtain forgiveness from God if they truly repent, but they never can be truly happy. Even little children who hate a playmate know well how such a feeling darkens their lives, and only after they have "made up" with the one they hate, can the sun shine again for them.  
 Normally one loves his own family and relatives, but how sad it is when family feuds cut those natural family ties and make those who should be happy in one another's society into enemies. Love creates light; makes life shining.  
 In this epistle John calls those to whom he writes "little children." He addresses the older men, young men, and children, too, in this affectionate manner. "And now, little children," he writes, "abide in Him; that when He shall appear, we may have confidence, and not be ashamed before Him at His coming."  
 How love could transform this sad world: Wars would be no more, for each would seek understanding of others, and settle their differences in that understanding, even if it meant sacrifice. If we truly love people, we want to give them the best, and forget our selfish desires. It is sad indeed, that nearly two thousand years since Christ was on earth, we still forget His words, which we have taken for our Memory Verse today: "By this shall all men know that ye are My disciples, if ye have love one to another."  
 John also entreats these older men — fathers — young Christian men, and children, to renounce worldly things for the sake of their Christian lives.  
 "Love not the world, neither the things that are in the world, . . . For all that is in the world, the lust of the flesh, and the lust of the

eyes and the pride of life, is not of the Father, but is of the world. "And the world passeth away, and the lust thereof; but he that doeth the will of God abideth forever."  
 Do you remember the story of the Risen Christ appearing to the disciples on the Sea of Galilee in northern Palestine? They had been fishing all night with no results and were weary. He stood on the shore waiting for them. At first they did not know Him, but John recognized Him first, and He had prepared a meal for them on the beach. Once more He was with them in happy communion.  
 After they had eaten Jesus said to Peter, "Simon, son of John, lovest thou Me more than these?" Peter answered, "Yes, Lord, Thou knowest that I love Thee. He said, Feed My lambs."  
 Three times Jesus asked Peter the same question until Peter was grieved that the Lord doubted his love. The last time Peter said, "Lord, Thou knowest all things; Thou knowest that I love Thee. Jesus said unto him, Feed My sheep."  
 Then, indicating by what martyr's death Peter would die, the Lord reminded him that when he was young he could dress himself and walk whither he would, but when he should be old, "thou shalt stretch forth thy hands, and another shall gird thee, and carry thee whither thou wouldest not." It is thought Peter was martyred under Nero, Roman emperor.

### Mexican Labor Plans Do Not Mention Texas

EL PASO, Nov. 21. (AP) — Mexico's tentative draft of a new migratory labor contract makes no mention of Texas, or whether it will remain on the republic's labor blacklist.  
 Dr. Alfonso Guerra, executive officer of the Mexican department of foreign affairs, did not comment on Texas' status yesterday during the international labor conference being held here.  
 Texas was rejected earlier this year for continued receipt of migratory workers on the grounds of "discrimination" against the Mexican laborers.  
 Guerra said yesterday that Mexico seeks a just agreement under which its workers, without discrimination, may become available for employment in the United States.  
 George Webber, vice president of the Texas state federation of labor, challenged farm employers to prove there is need for any Mexican laborers.  
 S. L. Stumberg, Sanderson Texas, rancher, was named a member of an advisory committee composed otherwise of U. S. farmers who will make recommendations to the labor conference.  
 Stumberg said Mexico now wants Texas ranchers to pay cowhands from Mexico \$75 a month and board. He added that many Mexican cowhands do not have saddles.

 He felled the gobbler on the run at 200 yards.  
 The party brought back eight deer and two gobblers.  
 Others in the group included Tommy Hutto, Ward Hall, George Hall, H. M. Rainbolt, Charles Staggs and young son and Bondy Chrane.
