STAGE SET FOR VIOLENCE

MacArthur Seems Headed For Jap Red Showdown Fight

TOKYO, June 7. (U. S. — Gen. MacArthur appeared headed for a showdown fight with Japanese Reds tonight after purging 17 policy makers of the bombastic party newspaper Akahata. The new order brings to 41 the number of Red wheelchairs banned in 24 hours from Japanese political life. Eight of them are members of parliament. The two moves set the stage for possible strikes, violence and world wide repercussions. The Reds were caught napping by the new order. They had just named a "leading group" of eight members to replace the 24 politburo leaders who fell MacArthur's wrath yesterday. But, far from quailing before MacArthur, Akahata blazed back with a headline today declaring "the Communist Party together with the people is indestructible." Another banner screamed for party members "to defend the Communist Party." A general strike was called by Akahata. But there was no indication party members were rallying to the call. Japanese police raided union headquarters searching for a letter denouncing MacArthur and calling for termination of the occupation and ending of occupation troops. The letter was read at a Communist meeting Saturday. Prime Minister Shigeru Yoshida, whose government is trying with the idea of outlawing the Communist Party, went into immediate conference with MacArthur. As they met, rumors flashed around the city there would be more purges. One hinted the Russian mission might be asked to

leave Japan. William J. Sebald, chairman of the allied council of which Russia is a member, said he had heard nothing to substantiate or even indicate such a move. Russians were active over a

School District Due Petitions For Enlargement Vote Thursday

Petitions for assumption elections for the enlarged Big Spring Independent School district are due to be received by the board in its meeting Thursday evening. Expedient action is anticipated on the heels of the attachment of the dormant Hartwells district to the Big Spring Independent. The county school board unanimously attached the Hartwells district to the local district last Saturday afternoon. This had the effect of adding 35 square miles of territory to the Big Spring district. However, the district as enlarged must now vote on the assumption of any indebtedness and in confirming the \$1.50 tax rate. This will complete a course of action which has been forecast for several months since Hartwell common school district voters declined an invitation to join the Stanton district in Martin county. Under statutes, the Hartwells district became dormant at the end of the school year by reason of not having held school there in two terms. The Big Spring district will add a bus to transport the approximately two dozen schoolsters in the district to school here. The enlarged district will contain 102-125 square miles. At the board meeting Thursday at 7:30 p.m., reports will be heard of meetings with the state commissioner and the state board of education. Florence McAllister

To Attend Meeting Police Chief Pete Green is to attend the meeting of the Texas Police Association in San Antonio next week. The state-wide gathering is to be held June 12-14.

Probe Opens Into Crash Of C-46 Transport

MIAMI, Fla., June 7. (U. S. — A searching investigation began today into the crash of a C-46 plane in which 28 Puerto Ricans apparently lost their lives. Representatives of the Civil Aeronautics Board and the Puerto Rican government flew to San Juan and Charleston, S. C., to open inquiries. The destroyer USS Saufley steamed toward Charleston with 37 survivors. Eight were known dead and scant hope was held for 20 others aboard the twin-engine plane that went down in the Atlantic 375 miles east northeast of Miami Monday night. The 165-foot cutter, Aurora, three Coast Guard planes and one Air Force craft continued to search the area for possible survivors, but official said there was little hope of finding any more. The pilot, co-pilot and steward were among those rescued from the plane, which was en route from San Juan to Wilmington, N. C., with 62 Puerto Rican migrant workers aboard. Fernando Sierra, Puerto Rican commissioner of labor, flew to Charleston to meet the survivors. He was accompanied by Howard Davidson, assistant to the director of the employment and immigration bureau of the Department of Labor of Puerto Rico. A representative of Westair Co., a subsidiary of the Douglas Aircraft Co., was also on the plane. The CAB said in Washington that Gordon Matthews, assistant chief of its accident investigation branch, flew to San Juan to begin an immediate inquiry there. The Civil Aeronautics Administration said the airline operators currently are under investigation for alleged violation of safety regulations. A complaint was filed with the CAB in October against the Avia Corp., of Seattle, Wash., which does business under the name of Westair Co., the CAA said. The complaint asked for revocation of the company's operating authority. It alleged the company's planes had been overloaded, that equipment had been operated while not in good condition, and that there had been other departures from federal regulations. A CAB examiner completed hearings on the complaint last month but has not yet submitted his findings.

T And P Pickets Still Active Here

Picket lines were still up here today as 12 local T&P transport drivers remained on strike. The drivers, members of local No. 583, Teamsters International, AFL, have been on strike for wage increases since 6:30 a. m. Tuesday. Picket lines went up at that time. T&P transport drivers and pick up and delivery crews strike number about 500, covering an area from El Paso to New Orleans. Outbound car loadings dropped slightly from the April total during May, while inbound traffic increased slightly, G. L. Brooks, T&P general agent, reported this morning. Both exceeded the totals for last May. Outbound cars in May numbered 901, a drop of more than 300 from the 814 in April. There were a total of 308 inbound cars, up 44 from the 265 of April. Outbound loadings in May, 1949, were 541. Inbound cars for the same month numbered 306.

Marshall Tells Group To Sit Impotent Is A Dangerous Thing WASHINGTON, June 7. (U. S. — Gen. George C. Marshall today said "the most dangerous thing" the United States can do is to sit impotent in the face of Communist aggression. The wartime Army chief of staff conceded that the mutual defense aid program might encourage rather than deter Russia to act before western Europe is able to defend itself. "There is a hazard," he said, "but I am convinced that to sit impotent is the most dangerous thing we can do." The general, who as secretary of state authorized the Marshall Plan for European recovery, appeared before the House Foreign Affairs Committee. He urged Congress to continue the program of arms aid to western Europe, calling it vital to morale as well as military defense. President Truman's request for \$1-

Roosevelt Appears Governor Nominee Warren Backed By Republican Voters

SAN FRANCISCO, June 7. (U. S. — Republican Earl Warren, by near acclamation, and Democrat James Roosevelt, by a slim but growing margin, stacked up today as California's party nominees for governor. The voters in yesterday's primary election forged another sharply defined November runoff for the U. S. Senate. It's between Rep. Helen Gahagan Douglas, Los Angeles New Deal Democrat, and Rep. Richard Nixon, Whittier Republican. Sen. Sheridan Downey, a Democrat, did not seek re-election. All incumbent congressmen were leading on their own party tickets — 11 Republicans and nine Democrats. Of these, five Democrats and five Republicans were out in front on both major party slates. Two Democrats held the edge in the contest for the vacated Douglas and Nixon seats. Atty. Gen. Frederick N. Howser, a Republican, was kicked out by the voters on the basis of incomplete but indicative returns. Republicans picked Edward S. Shattuck, wartime colonel under Gen. Douglas MacArthur, to go into the finals. Democrats chose San Francisco's 44-year-old district attorney, Edmund G. (Pat) Brown. California election law permits office-seekers to try for as many party nominations as they like. Thus, Democratic voters can support registered Republicans on the Democratic ticket. If a candidate wins his own nomination and winds up high man on the rival slate, he is elected in the primary. If he gets only the opposing nomination, he is disqualified. Warren crossed. So did Roosevelt. Roosevelt, 43, political apprentice of his late presidential father, chimed in early with a victory statement on the Democratic race. Warren, 59, winner of both party nominations in the 1948 primary, said nothing on the Democratic out-come. He drew a heavy popular vote in getting the Republican bid for his third term effort and pressing Roosevelt on the Democratic side. The tally: 7,842 of California's 18,022 precincts: governor, Republican: Warren 431,674; Roosevelt 47,656. Governor, Demo 7,039 precincts: Roosevelt 315,429; Warren 312,223. U. S. Senate, Republican: 7,288 pcts: Nixon 218,815; Douglas 53,086; Boddy 44,101. U. S. Senate, Demo, 7,528 pcts: Douglas 239,401; Nixon 107,128; Boddy 104,579. Statistically, it showed that Roosevelt, like his father, had the big city Democratic vote—his own Los Angeles County most importantly. Los Angeles has 2,066,000 of the state's 4,925,000 registered voters. Of the 58-county total, 2,862,000 are Democrats, 1,826,000 Republicans.

Chan Gurney Upset In Re-Election Bid

SIoux Falls, S. D., June 7. (U. S. — U. S. Sen. Chan Gurney, seeking his third six year term, was defeated for renomination in yesterday's South Dakota Republican primary by Rep. Francis Case. Case, a veteran of 14 years in the House, led Gurney by some 13,000 votes with 1,633 of the state's 1,946 precincts reported. Gurney, ranking minority leader of the Senate Armed Services Committee, conceded defeat last night with more than two-thirds of the vote counted. Case's opponent in the general election next fall will be John A. Engel, Avon attorney and also the Democratic nominee in 1948. Engel, a supporter of President Truman, refrained from endorsing the Brannan farm price support plan. Case, who pledged he would fight to balance the National budget and work more ardently for peace, conducted what his supporters described as a "personal push" campaign. Friends of Case said it was not issues involved but hard work in "beating the bushes" that won for him. He devoted nearly all of his time campaigning in the East River congressional district. He made only token appearance in the West River district which he has represented in Congress for 14 years. Gurney, in offering his congratulations to Case, said that "Case and the other Republican nominees should receive the wholehearted support of all Republicans to assure a victory in the general election this fall." Latest tabulation in yesterday's South Dakota primary election: Republican U. S. Senate — 1,633 of 1,946 precincts: Case 52,973; Gurney 39,218. Democratic U. S. Senate — 1,338 of 1,946 precincts: Tschetter 10,845; Engel 15,233. Republican Congress, Second District—420 of 619 precincts: Bottom 10,614; Berry 10,701. Republican governor — 1,628 of 1,946 precincts: Foss 59,138; Leonard 19,610; Anderson 32,615; Erickson 3,254; Dahlborg 7,297.

U. S. Opposes Rearmament Of West Germany

WASHINGTON, June 7. (U. S. — Secretary of State Acheson said today the United States opposes any rearmament of western Germany as a means of bolstering the security of the West. Acheson made this statement at a news conference in commenting on the testimony of Gen. Omar Bradley before a congressional committee yesterday. Bradley said that rearming western Germany would strengthen the west "from a strictly military point of view." Acheson told reporters that Bradley made it quite clear that he is not advocating rearming the Germans—and that his opinion was strictly a military judgment. Acheson also said the United States is willing to consider "any possibility" proposed by Gen. Omar Bradley for settlement of East-West differences. But he added, "there is no magic" for ending the cold war. Lie, secretary general of the United Nations, recently toured European capitals, including Moscow. Acheson said the Western Powers must go forward with their plans "to create conditions of strength" against Russian expansionist pressures. He added bluntly that "we can't afford to wait" for the Russians to change their policies in the UN-policies which he assailed as "obstructionist." Lie informed President Truman, Acheson said, that his talks in the big power capitals showed that the UN "remains a primary factor in the foreign policy of each of the four governments he visited."

Chavez Beaten In New Mexico

ALBUQUERQUE, N. M., June 7. (U. S. — U. S. Rep. John E. Miles Tuesday turned back the bid of Sen. Dennis Chavez and his brother, Judge David Chavez, for control of the New Mexico Democratic Party. Sen. Chavez has been closely allied with the national administration. Administration policies or national affairs were not campaign issues. Sen. Chavez campaigned for his brother. Miles served two terms as New Mexico chief executive in 1939-43. He appeared the victor in a primary election race against Judge Chavez and two other candidates for the Democratic nomination for governor. With over half the vote counted, his margin of 7,000 votes seemed too big to be overcome by Judge Chavez, who resigned from the federal bench in Puerto Rico to make the race. Even late-reporting northern counties where Chavez is conceded a commanding edge appeared unlikely to change the picture. Republican nominees were opposed. The candidates for governor is Edwin L. Meche, young Las Cruces attorney. The vote: 532 of 910 voting divisions in New Mexico Democratic primary gave for governor: Miles 29,146, Chavez 22,045, Lake J. Prader 15,485, Ingram Pickett 4,907. For Democratic congressional nomination (two to be nominated at large)—329 of 910 voting divisions—John J. Dempsey 49,617. Rep. A. M. Brantley 27,450. Lt. Gov. Joe M. Montoya 22,753. Robert F. LaJollette 11,189. State Rep. Joe A. Montoya 4,881.

John Chase First Negro Student To Enter Texas

AUSTIN, June 7. (U. S. — John Chase of Austin today became the first Negro to enroll as a student in the hitherto all-white University of Texas. His acceptance as a student seeking a master's degree in architecture follows the United States Supreme Court's decision ordering the university to admit Herman Marion Sweatt of Houston as a law student. Sweatt does not plan to enroll in the university until next fall. Chase moved routinely in line with white students registering for the summer session at the university. He filled out the necessary forms in the registrar's office and proceeded to Gregory Gymnasium where he actually was enrolled. It was the same registrar's office where Sweatt appeared more than four years ago, setting in motion the litigation that led this week to breaking down the long-existing barriers that barred Negroes as students in Texas state schools. "I'm very happy to be here," Chase was quoted as saying in his enrollment forms. His presence apparently attracted little attention from other students going through the same process. Chase was accompanied by J. H. Morton and W. D. McClellan, both faculty members in Samuel Houston College for Negroes here, who said they also planned to enroll as graduate students next fall. University officials yesterday said three Negroes have been recognized as eligible for non-segregated admission.

Exports Not Up To Expectations

WASHINGTON, June 7. (U. S. — United States exports in the first three of 1950 tended to drag below expectations, Census Bureau figures showed today. But imports were doing well—at least until April. Bureau data showed exports for January, February, March and April totaled \$3,195,100,000, equivalent to an annual rate of \$9,585,300,000, compared with a \$12 billion actual total for 1949 and official expectations of \$10 billion to \$10,500,000,000 this year. Imports for the same four months totaled \$2,470,900,000 against \$2,325,700,000 for the corresponding months of 1949.

SERVICES ARE THURSDAY Mrs. Barbara Reagan Civic Leader, Dies

Mrs. Barbara Anderson Reagan, 78, religious and civic leader here for more than half a century, died here last night. Mrs. Reagan, wife of B. Reagan, passed away at 10:22 p.m. following a long illness. Services will be held in the First Baptist church at 3 p.m. Thursday. The body will lie in state at Valley chapel until shortly before time for last rites. For more than 50 years Mrs. Reagan had played a prominent role in the major activities of the First Baptist church. In recognition of this, in 1948, the church proclaimed Barbara Reagan day and presented her with 50 red roses. The daughter of Rev. and Mrs. W. D. G. Anderson, she was born in Grimes county on Dec. 8, 1873. Attending Baylor University, she then began teaching school. But shortly thereafter, she was married on Aug. 15, 1893 to Burney Reagan near Blanket in Brown county. As a young married couple they went to Richland Springs where he was principal of schools. Then in 1898 they came to Big Spring where he was head of the schools. This became their permanent home, for with the exception of a brief time spent at San Marcos in 1929-34, they resided here continuously. For 28 years Mrs. Reagan taught the Ruth class of the First Baptist church. The Barbara Reagan class was named for her. She was the only woman member of the building committee for the church when the present plant was erected, and she was recognized as the church historian. Mrs. Reagan was a long-time leader in the Women's Missionary Union, and in this she made her greatest gift—a daughter—to the cause of missions. Lucille Reagan died on the field of service in Nigeria, S. Africa on July 12, 1937. She and Harkness, a son of Stephen V. Harkness, one of the founders of the Standard Oil Co., were married in 1904. They had no children. Like her husband, Mrs. Harkness was a retiring giver. She was closely associated with him in planning many of the benefactions and in addition carried on without publicity similar activities of her own. Two Are Fined For Passing Hot Checks Tom Morgan and E. A. Hary were fined \$1 and costs each in justice court this morning on charges of passing hot checks. Justice W. O. Leonard suspended the fines. G. B. Anglin was being held on \$100 bond pending action by county court.

Man Owes Ex-Wife 8 Years Of Labor

CHICAGO, June 7. (AP)—Joseph Kulbarsh, 47, is out of jail today. And if he works hard and meets all the payments, he'll be out of debt to his former wife in eight years.

Kulbarsh was released yesterday after 57 days in jail for being behind \$4,405 in child support payments to his former wife, Lillian, at the rate of \$5 weekly.

Kulbarsh was released when he paid his ex-wife \$300. He promised to pay the rest at the rate of \$10 weekly for the next eight years.

The \$5 weekly payments were ordered by a court 25 years ago. Kulbarsh's son, Harold, now 27, is a lawyer.

Flying Nursery Lands With Lot Of Unhappy Parents

BOVINGDON, Eng. June 7. (AP)—A flying nursery which left California six days ago landed here today with its disgruntled, weary load of 40 wives, 35 children, and seven husbands.

All were dishevelled. Most were isolate at air travel technicalities which shuttled their airliner—chartered to bring former British women married to Americans back with their children for an English holiday from California to Connecticut, then to Miami, Havana, and Newfoundland before crossing the Atlantic.

The ordinarily simple flight from California to England had been complicated and delayed by an international dispute over landing rights for the chartered airliner.

LEGS ARE "REMADE"

Steel Rods Help Girl Walk Again

CHICAGO, June 7. (U) — Little Marilyn Kay Howard—a girl who broke her legs easier than most kids skinned their knees—is learning to walk again.

Her once useless legs have been "remade" and reinforced inside with steel rods.

The 13-year-old Charleston, Ill., girl underwent a series of rare leg operations several months ago at the University of Illinois Research Hospital.

Physicians said there now is a good chance her legs will grow back to normal.

"I never gave up hope, but I sure was surprised when they told me I would walk again," said the pretty-blond, blue-eyed girl. "It's wonderful."

Marilyn was born with a rare bone condition called osteogenesis imperfecta. It made her leg bones as brittle as matchsticks. By the time she was six, her legs had been broken seven times. The bones bowed sharply forward from knee to ankle.

She had to quit walking at six years of age. Once seated in a chair, she broke a bone simply by uncrossing her legs too fast. Another was fractured above the knee when she turned in the front seat of a car to speak to a girl companion in the rear seat.

Her legs have been broken 22 times since she was two years old.

At Illinois Research, surgeons tried a radical new operation used probably less than a half dozen times in the United States.

From both her legs, they removed sections of the main bone between ankle and knee. Then they cut this bone into slices less than an inch thick, threaded slices onto a straight stainless steel rod and put the reinforced bone back into her legs. The legs mended as expected.

Physicians said the brittle bone condition usually clears up at the age of puberty, with the bone growing stronger and thicker. They expect to remove the steel rods from her leg bones if her condition warrants. There already is x-ray evidence her leg bones have grown thicker.

Grapefruit Juice Concentrate Price Cut Almost In Half

DADE CITY, Fla., June 7. (U) — The giant Pasco Packing Co. has slashed wholesale prices for grapefruit concentrate to a point it figures will let the frozen juice retail at two six ounce cans for 29 cents. That's about half the present price.

Pasco said it was making the reduction to create sufficient demand to take care of a 1950-51 national grapefruit crop it expects to hit 60 million boxes. This season's crop is about 36 million boxes. Last season's was about 45 million.

The price of single strength canned orange juice is being boosted 10 cents per dozen 46-ounce cans. The new figure is \$3.30.

INVASION EXPECTED

Nationalists Await Move On Tachens

TAIPEI, June 7. (U) — A Red invasion of the Tachen Islands, 190 miles south of Shanghai and an important Nationalist blockade base, was anticipated today.

Official dispatches said the Communists were massing troops on the mainland preparatory for an assault on the island. The Nationalists have been trying to convert the Tachens into a stronghold since the loss of the Chushan Islands last month.

Reports here said 300 Chinese junks and four steamships had been assembled at the mainland port of Haimen for the assault. Nationalist warships were credited with sinking three of eight Red motorboats near Haimen.

In the meantime, naval headquarters here said British planes had flown at a low altitude over Nationalist warships in the Pearl River estuary, which leads Canton, and in the vicinity of the Wanshan Islands southwest of British Hong Kong.

In a special communique, naval headquarters said: "In order to insure safety, our ships have taken measures to meet any eventually."

This seemed a hint the Nationalist warships, which have shelled American and British vessels trying to run the Nationalist blockade of Red China, would fire on the British planes if the low altitude flights were repeated.

In Taipei Minister without Portfolio Wu Te-chen, a general, said upon his return from Korea, Japan and the Philippines that he was convinced a new world war was inevitable.

During his stay in Japan he said he was received by Gen. Douglas MacArthur "who expressed great concern over the situation in China."

Dispatches from the mainland said Nationalist guerrillas had driven the Communist government from its seat in the northwestern province of Tsinghai to another town.

Douglas Advised To Watch Horses

WASHINGTON, June 7. (U) — Rep. Jackson (D-Wash.) hopes one prospective new voter in his second congressional district back home will stay off horses until he gets a chance to cast his ballot.

The prospective voter, U. S. Supreme Court Associate Justice William O. Douglas, who now has a home at 1801 Washington, advised Jackson for information about registering.

Jackson gave detailed instructions along with a word of advice: "No horses."

Justice Douglas was injured seriously several months ago when his horse fell with him.

Cowboy Lyricist Dies In California

GLENDALE, Calif., June 7. (U) — Mrs. Dede Lee Hill, who helped her late husband Billy Hill write some of his most popular cowboy ballads, is dead.

The 48-year-old lyricist succumbed of an undisclosed cause at home here Friday night.

She collaborated with Hill, who died seven years ago in Boston, on song hits including "The Last Roundup" and "Wagon Wheels."

Church Hits Hungary

ROME, June 7. (U) — The attack by Hungary's minister of education against the Roman Catholic Church was described today by Quotidiano, official organ of Italian Catholic action, as a "new wave of the persecution that already has seen the infamy and pseudo-scientific atrocity of the trial against Joseph Cardinal Mindszenty."

GOP CAMPAIGN MOVE

Jump On Brannan Plan As Top Issue

WASHINGTON, June 7. (AP)—Republicans hopped on the Brannan plan as a top campaign issue today with certainty that Truman administration candidates in the Midwest will be split over it.

Sen. Brewster of Maine, who heads the Republican senatorial campaign committee, told a reporter the GOP welcomes the new Iowa opportunity to test out the popularity of Secretary of Agriculture Brannan's proposed "production payments" plan for farmers.

Brewster predicted the plan will be made the top issue in Iowa, where Albert J. Loveland, former undersecretary of agriculture and Brannan supporter, will contest Sen. Bourke B. Hickenlooper (R-Iowa) for the senatorial seat in November.

President Truman and Brannan probably will do some campaigning in Iowa for Loveland.

But Sen. Lucas of neighboring Illinois, the Democratic leader, made it plain he doesn't want the Brannan Plan brought into his bid for re-election. He is opposed by

former Rep. Everett Dirksen, Republican.

"I am against the Brannan Plan and socialized medicine and I have told the people of Illinois that," said Lucas, who has charge of handling President Truman's "fair deal" program in the Senate.

Mr. Truman was reported to have told recent White House visitors that he doesn't regard the Brannan Plan as a perfect solution for the farm problem. But he has said that its critics haven't come up with anything better, and he will be for it unless a better idea comes along.

Although Brannan apparently felt that Loveland's victory over four opponents in the Iowa Democratic primary was a boost for his plan, Brewster said he can't see it that way.

"Loveland got less than 12 percent of the total primary vote," Brewster said. "If that represents the strength of the Brannan Plan in Iowa, the Democrats are welcome to what comfort they can get out of it."

The Maine senator noted that Hickenlooper, who has been the target of critics of his actions in Atomic Energy Commission and Communist-in-government investigations, got more votes than all of the five Democrats and the two other Republicans who opposed him.

Mitchum Kin In Films

HOLLYWOOD, June 7. (AP)—If Robert Mitchum's brother, John, makes good in the movies it won't be because he traded on his more famous relative's name. The young actor yesterday adopted the name John Mallory. He has had featured roles in several films.

MUFFLERS FOR POWER MOWERS

HAMILTON, O., June 7. (AP)—Mufflers on power lawnmowers? Yes, says Councilman Edward Beckett. He suggests that something be done to compel owners of the motor-driven grass-cutters to equip them with mufflers. Charles Schwalm, acting city manager, said persons making too much noise with motorized lawnmowers might be guilty of violating the general ordinance against noise. He promised to look into the matter.

CHARGE ABUSES

Hungary Catholics Threatened Again

BUDAPEST, Hungary, June 7. (AP)—Hungary's Roman Catholics were threatened today with what appeared to be a new government campaign against their church. Criticism was leveled, too, at segments of the Jewish and Protestant churches in the country.

Minister of Education Jozsef Reval, deputy secretary-general of the Hungarian Communist Party and a

member of its politburo, attacked the Vatican-led Catholic clergy as an "imperialist agency." He said the teaching of religion probably would be abolished in secondary schools.

CHARGE ABUSES

Catholics, he said, had "abused the loyal and patient attitude of the government and the (Communist) Party toward religious education."

The minister's statement was published in the press as the text of a recent speech. In it he also attacked certain elements of the Jewish existence of 63 various Catholic orders of monks and nuns with more than 11,000 members in 646 cloisters and monasteries.

"They tour the country in hundreds and thousands as imperialist agitators and reactionary news mongers," he declared.

He reported the country in Hungary for "supporting reactionary Zionism" and predicted an "increased fight" against such "servants of American imperialism" as the Baptist and Adventist Protestant groups.

Two small groups of Jewish emigrants already have left Hungary for Israel. Recently negotiations were reported under way between the Israeli and Hungarian governments for a possible largescale emigration of Jews.

Boy Is 'Glad' He Murdered His Father

CHARLESTON, W. Va., June 7. (AP)—A 15-year-old charged with the murder of his father calmly told a jury he thought he had done the "right thing."

Jimmy Hasham, East Bank High School sophomore, said yesterday he hated his father.

Why?

"Because he threatened to kill me and because he had beaten me and mother many times."

The slight youth is charged with slaying his father, Charles Ted Hasham, 45, a coal miner, with a .22 calibre rifle as the parent slept in a chair in the living room of the family house at Hansford last April 2.

The boy pleaded innocent.

Prosecutor Frank L. Taylor said the death penalty would not be asked because of his age.

Asked by defense counsel whether he thought he would be punished for killing his father, the youth replied, "It didn't make much difference. He added:

"Even if I have to go to an institution or something it would be better than staying at home the way things were."

Mother Cuts Hair From Blonde Who Has Been Seeing Hubby

FRANKFURT, Germany, June 7. (AP)—Because she suspected her husband had been seeing a blonde Lithuanian girl, an American mother of three children cut off the blonde's hair and beat her with a shoe. The Lithuanian testified before a U. S. high commission court today.

Elsa Kerwiskaeta, 25, told the court Mrs. Alma Victoria Wall of Shreveport, La., sheared off half her locks while a Polish girl held a gag over her mouth.

Mrs. Wall, wife of T-Sgt. Burney M. Wall of the U. S. Air Force in Wiesbaden, went on trial today on charges of assault and cutting the hair of Miss Kerwiskaeta. The Polish girl, Lydia Grzegorzczkow, faces the same charges.

After cruising around in a taxi for several hours, they picked up the Polish girl, who is a maid, and went to Mrs. Wall's home. Mrs. Wall suddenly became friendly and invited the blonde to sleep on her sofa. Some time later she was awakened by a gag pressing over her mouth. She saw Mrs. Wall standing over her with scissors in one hand and blonde hair in the other.

When she tried to get up, Mrs. Wall pushed her back and struck her repeatedly with a shoe. The Polish girl threatened to leave her out of the third floor bedroom.

Principal of High School No Longer Has Nervous Stomach

Wants Others to Profit By His Experience Who Suffer Heartburn, Gas, Indigestion and Nervousness Because Their Systems Lack Vitamins B₁, B₂, Iron and Niacin!

Vincent, Alabama
March 25, 1950

Dear Sir:
I am principal of Vincent High School and I have been subject to much worry. My doctor told me it was my stomach and advised me to go on a diet. I weigh 210 pounds, I did as he said but was unable to keep up with my school work.

Then it happened! I heard of the wonderful medicine "HADAACOL," so naturally I was seeking relief for my illness. After the second bottle of HADAACOL began to feel much better and I was soon able to go about my school work. I don't exactly know how to thank HADAACOL. It is a wonderful medicine so I hope this will benefit you.

Yours very truly,
D. B. Smith

and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to maintain good health and physical fitness.

Bear in mind—HADAACOL is not a quick-acting antacid. Rather it treats the cause of your trouble due to such deficiencies. And continued use helps prevent such nervous and stomach distress from coming back. That's what you want!

Sold on a Strict Money-Back Guarantee

Be sure to start this wonderful HADAACOL treatment today. If you don't experience relief almost beyond belief—if you don't notice a great improvement in your physical well-being within a few days' time—your money back. You can't lose a cent!

Don't continue to suffer with your life made miserable from all sorts of vague sicknesses because your system is deficient in this way. You owe it to yourself—to your loved ones to get better. No. 1 Holly Tops The Reef At 6,887 Feet

Rutherford No. 1 Holly, half a mile west of the Cosden No. 1-A Holly, now in process of completion, topped reef at 6,887 in the Reinecke pool of southeastern Borden.

This gave it a datum minus of 4,524. The 5½-inch string reportedly was set at 6,921 and hole was bottomed at 6,941. The top of reef was far low to the Cosden well, which had a datum minus of 4,358 as the highest well structurally in the field. Location is in the C NW SW section 22-25, H&TC.

Half a mile north of the Cosden test, Livermore No. 1 Holly, in the northeast corner of the section, had topped the reef at 6,885, a datum minus of 4,534.

Aurora No. 1 Engle, C SW NW, 2½ miles northwest of the west extended to the Reinecke pool, milled on junk at 2,576 with bottom of hole at 6,270.

Cosden No. 1-A Holly was rigging flow lines for potential test Wednesday morning.

Brown No. 1 Branon, two miles south of the Wilson pool, drilled past 4,343. It is in section 22-27, H&TC. Livermore No. 1 W. B. Hardy, 12 miles north of town and in section 33-31-2n, T&P, passed 7,914 feet in time and shale. Shell No. 1 O'Daniel, six miles north of Coahoma and 2-30-in. T&P, passed 6,096 in sandy shale.

Ameche No. 1 Johnson, seven miles northwest of southwest Borden's Good pool, drilled below 9,237 feet in time and shale.

Prison Terms Await 11 In Contempt Case

By The Associated Press
WASHINGTON, June 7. — Dr. Edward K. Barsky, convicted of contempt of Congress in a row with the House un-American Activities Committee, is due to be committed to prison today to begin serving a six-month sentence.

Ten other New Yorkers, convicted with Barsky and associated with him in the joint anti-Fascist refuge committee, also were ordered to report to U. S. District Court so sentences could be carried out. One of the 10 is Novelist Howard Fast.

Friday comes the turn of Screen Writers John Howard Lawson and Dalton Trumbo. They also have been convicted and sentenced for contempt of the House Committee.

The Barsky case goes back to the spring of 1946. Barsky as chairman, and the 10 others as members of the board of directors of the anti-Fascist Refuge Committee refused to give the un-American Activities Committee records that would show the organization's members and financial supporters. They maintained such things were none of the committee's business. They said the organization was devoted mainly to aiding Republican Spanish refugees.

But the committee and the Justice Department have called the organization a Communist front. During the trial the government produced testimony and cited State Department, FBI, Army and Navy records to show that the organization was "honeycombed with Communists" and that Barsky was a member of the Communist Party's executive committee.

SENTENCE
Barsky was sentenced to six months in jail, the other 10 to three months, and all were ordered to pay \$500 fines.

Mrs. Bernard Bitterman, Dallas, 90; Mrs. M. Burns, Dallas, 86; vs. Mrs. C. C. O'Neal, Odessa, 82; Betty MacKinnon, Mount Pleasant, 80, vs. Mrs. Al Mortenson, Houston, 90; Marianne Villegas, New Orleans, 86, vs. Mrs. Jack Munger, Dallas, 82; Mrs. H. C. They and eight other Hollywood figures had been charged with contempt for refusing to tell the un-American Activities Committee whether they ever had been Communists. That was during the committee's 1947 probe for Reds in the movie capital.

Dawson and Trumbo have been sentenced to a year in jail each plus \$1,000 fines. Trials of the other eight, postponed until the Supreme Court acted, now have been set. Albert Maltz, Alvah Bessie and

Samuel Grutz are slated for trial last long. All eight agreed to accept the Supreme Court's findings except the Supreme Court's findings of law in the Dawson-Trumbo cases, to accept records of the congressional hearings as accurate, and to be tried without juries.

Anniversary Of Panama Hat Observed

WASHINGTON, June 7. (AP) — Because some of the miners in the California gold rush of 1849 hit it rich enough to return east by boat, President Truman gets a new hat today.

It's a special Panama hat made in Ecuador where, according to Ecuadorian Ambassador Augusto Dillon, all "genuine" Panama hats are made.

Dillon had the hat sent here for presentation to Mr. Truman to commemorate the centennial of the Panama hat in North America.

An expert weaver turned it out after three months of full-time work, Dillon said.

"It was just 100 years ago, in June 1850, that the fabulous Panama hat was first seen in the United States," Dillon said. "Made in Ecuador for many centuries, some of these unique hats were imported into Panama, where they were bought as souvenirs by miners returning after the gold rush of '49."

This, he added, explains the misnomer "Panama hats," which has stuck to them ever since.

Physician Pulls A Needle From Boy's Stomach

BEDFORD, Ind., June 7. (AP) — A Bedford physician removed a needle from the stomach of a four-year-old boy yesterday by pulling it through the stomach wall.

The youngster, Stephen Corpa, swallowed the needle Monday. The first anyone knew of it was his complaint to his mother that "my throat hurts."

His mother, Mrs. Edward Corpa, brought the boy to Dun Memorial Hospital Monday night. X-rays showed the needle had slipped into the boy's stomach, and additional x-rays yesterday showed it was deeply embedded.

An operation into the abdominal cavity was made, and the doctor, whose name was not disclosed, said he brought the point of the needle into view by pressing on the stomach.

It then was removed by hand, leaving only a small wound. The doctor said the boy would be out of bed by the end of the week and as good as new.

MacArthur Orders 17 More Japanese Reds To Be Purged

By RUPSELL BRINES and TOM LAMBERT
By The Associated Press
TOKYO, June 7. — Gen. MacArthur tonight ordered 17 more Japanese Communists purged.

Banned were those responsible for the editorial policies of Akahata, the party newspaper in Japan.

MacArthur allied occupation commander, said in a second letter to Prime Minister Shigeru Yoshida, the new move was an alternate "method of correction" to closing the newspaper or re-establishing censorship. Both of these courses, he said, were repugnant to him.

The new MacArthur purge order

came a few hours after the Red Party had named an eight man "leading group" to replace the 24 Politburo members purged by the government yesterday on MacArthur's orders.

Included in the new purge list was Katsumi Kikumami who was named as one of the eight in the "leading group" announced at party headquarters. Others purged tonight were mainly editorial workers on the newspaper.

The announcement of the new leaders of the Japanese Party was made after Prime Minister Yoshida, had said he was considering outlawing the Communist Party in Japan.

Respectable Etou Shino, a former coal miner who was held in prison 10 years by Japan's former militarists, heads the new Communist group. It, too, may be purged. But if it survives it plans to direct Communist policies in Japan until the party congress in the autumn.

The announcement of the new Red leaders carefully refrained from calling them members of the central committee, 24 of whose members were banned from political life yesterday by the government on MacArthur's orders.

These dramatic new developments in the Japanese Communist uproar came after the Russian delegation had for a second consecutive time boycotted an allied council meeting during the day. Lt. Gen. Kumaz Derevyanko, head of the Russian mission here, slipped out of the country late last month without bidding adieu to allied officials.

\$2 BILLION MEASURE

Senate Okays Farm Price Support Bill

By The Associated Press
WASHINGTON, June 7. — The Senate passed a bill today authorizing an additional \$2 billion for government support of farm prices.

The measure, similar to one approved by the House, increases by

that amount the price supporting capacity of the Commodity Credit Corp. (CCC) which maintains the support program.

If finally approved by Congress and the President it would authorize CCC to use up to \$6,750,000,000 in bolstering price prods on basic crops. It now goes back to the House for action on a Senate amendment relating to imports of foreign farm products.

The final Senate vote — 46 to 35 — came early this morning after a long night session in which the bill's supporters beat down a Republican attempt to cut back price prop levels immediately.

This move, by Sen. Williams (R-Ind.) and seven other GOP senators, was defeated on a 50 to 18 roll call vote.

A Republican motion for adjournment also was defeated when Democratic leaders held out for the final vote.

The adjournment motion was made by Sen. Cain (R-Mo.), an opponent of a rent control extension bill which Majority Leader Lucas of Illinois had said he would move to take up as soon as the farm bill was made out of the way.

The CCC bill amendment offered by Williams and his colleagues would have eliminated the \$2 billion hike in the agency's borrowing capacity and would have immediately lowered price support levels for such commodities as wheat, cotton and corn.

Sen. Ellender (D-La.) floor manager for the bill, said the proposal would deal a "mortal body blow" to the present farm program. Williams countered that it would save taxpayers \$1 billion.

Varied Weather Spots The Nation

CHICAGO, June 7. (AP) — It was mid-summer weather for the eastern and southern parts of the country today but it was cool in the Pacific Northwest.

Temperatures headed for the 80's and 90's over most of the warm belt again today, duplicating yesterday's readings. The mercury soared above the 100 mark in the Plains States for the first time yesterday. Top marks included 109 at Pierre, S. D., 99 at Fargo, N. D., and 97 at Rapid City, S. D.

Snow fell over the higher elevations of northern California and Oregon. One inch was reported at Lake View, Ore. Showers were reported over the Pacific Northwest and southward into Nevada.

Other wet spots included the Central Gulf region and locally in the Western Plains. New Orleans reported more than four inches of rain in the last 24 hours.

Narrator Misses Lines; Oxen Fail To Catch Cues

KANSAS CITY, June 7. (AP) — It was supposed to be a quiet scene in a Kansas City centennial pageant, two oxen lumbering across the stage.

But before it was over this had happened:

The oxen bolted, wrecking their 600-pound cart.

Three hundred performers scattered all over the huge outdoor stage.

An actor portraying Daniel Boone was shaken as the oxen brushed his horse.

A technical adviser was injured.

The oxen became frightened when the wheel of their cart grated against a stage set.

Just as the scene began, the narrator intoned:

Odessa Batters Ballinger Cats

By The Associated Press
Roswell settled the second-place situation in the Longhorn League for the time being last night by beating aspiring Big Spring in a double-header.

Otherwise, Vernon went into fifth place by licking San Angelo 4-3. San Angelo fell to sixth.

Roswell won the first game 6-5 with Clyde Bell singing in the winning run to cap a four-run spurge to the seventh.

Ed Kenna hit a two-run homer in the first inning and Russ Mays singled, went to second on a balk, to third on a fly ball and stole home in the third inning to furnish Roswell with a 3-0 decision in the nightcap.

League-leading Odessa battered the Ballinger Cats 10-0.

Two singles, a walk and an error brought Vernon two runs in the seventh and victory over San Angelo.

Sweetwater blasted over five runs in the eighth to beat Midland 8-5.

Bobby Elmore And Harold Allen Exchange Wedding Vows At Tyler

Bobby Elmore of Big Spring, became the bride of Harold Allen of Odessa in the Grace Baptist church in Tyler Tuesday. The bride is the daughter of Mr. and Mrs. O. E. Elmore, 503 East 12th, Big Spring. Allen is the son of Mr. and Mrs. H. H. Allen, 608 East Elm, Tyler.

Given in marriage by her father, the bride wore an ankle length white moire taffeta dress fashioned in princess style with a bustle effect in the back, a high Victorian collar and full skirt. She also wore elbow length mitts that matched the dress. Made of white nylon net, the veil was trimmed with white roses across the top. She carried a white prayer book top-

ped with white orchids tied with long white streamers. Ruth Tippitt of Tyler, wore a green organy ballet length dress with matching mitts. She carried a nosegay of red roses. Other attendants of the bride were Ann Chambless of Tyler, and Ina Miles of Big Spring. They wore ballet length dresses of pink organy with short pink mitts. They carried nosegays of white roses.

White and red roses decorated the church. Corsages made of the roses marked the family pews. Baskets of roses banked the altar. Harry Allen of Tyler, brother of the bridegroom served as best man. Ushers were Edwin Elmore of Big Spring, brother of the bride, and Kenneth Nichols of Tyler. Shirley Watson played the traditional wedding marches and accompanied Wanda Reynolds, who sang "Always." Mary Love Hayley interpreted the poem, "How Do I Love Thee." During the ceremony, Miss Watson played "I Love You Truly."

For her daughter's wedding, Mrs. Elmore chose a navy crepe street-length dress with navy and white accessories and a white rose corsage. Mrs. Allen wore a street-length navy crepe dress with pink and navy accessories and a pink rose corsage. A reception was held in the church.

Immediately following the ceremony of the bridegroom's parents with the bride's parents as host and hostess. Elaine Petty of Longview, presided at the bride's book. Pat Branson of Tyler, and Mrs. Edith Smyrl of Houston, served the cake. Mrs. Dorothy Nichols poured coffee from the silver service. Bouquets of red and white roses decorated the reception rooms. Covered with a white linen cloth the refreshment table held a tiered wedding cake topped with a miniature bride and groom. Rosebuds completed the table decorations.

Following the reception, the couple left for a wedding trip to Galveston and other coastal cities. Mrs. Allen chose a pink organy over pink taffeta dress which was fashioned with a round neck, a fitted waist and a full skirt. Her accessories were white. She wore an orchid corsage. The Allens will reside at 608 West 15th, in Odessa, where the groom is employed. Mrs. Allen is a graduate of Tyler High school and attended Howard County Junior college. Big Spring. Allen is a graduate of Tyler High school and Tyler Junior college.

Parties honoring the bride included: a miscellaneous shower on June 2, given by Mrs. Ed Smyrl, 703 East Earle, Tyler; a crystal and silver shower given by Mrs. R. D. Glover, 1021 Glenwood, Tyler, on June 2, and a miscellaneous shower given by Mrs. Walter Kelly, Route 5, Tyler, on June 5. Out-of-town wedding guests included: Mr. and Mrs. Gordon Horton, Marshall; Mr. and Mrs. Richard Smyrl, Houston; Clara Thomas, Big Spring; Mr. and Mrs. C. E. Snowden and family, Beaumont; Mr. and Mrs. John Petty and family, Longview; and Mrs. Bell Mecklenberg, Dallas.

Mrs. Edna Tanner Is Worthy Matron Of Coahoma Order Of Eastern Star

COAHOMA, June 7 (Sp1)—Mrs. Edna Tanner and Melvin Tindol were installed as Worthy Matron and Worthy Patron, respectively, at the installation of the Order of the Eastern Star Friday evening. Their corps of officers were also installed.

Sky blue drapes hung in the East centered with a large star formed the background for the ceremony. The Worthy Matron's chosen colors of ivory, blue and gold were used in a chain which was draped to form an outline of the sky and star scene. A similar chain was also draped across the back of each of the officers chairs.

The call to order was given by Ada Daniel, retiring Worthy Matron and Elmo Daniel, retiring Worthy Patron. Lucile Kuzis ushered in the following installing officers: Bert Shive, master of ceremonies, Christine Tindol, installing officer, Emmalee Becham, installing marshal, Hattie Bell Shive, installing chaplain, Claudia Adams, installing organist, Ada Daniel, installing secretary. All installing officers were past matrons with whom Mrs. Tanner had served.

The Worthy Matron, Mrs. Tanner, gave an address recalling her years of service and announced her committees for the ensuing year. She presented her motto, "I can do all things through Christ, Who strengthens me". Her emblem is the golden chain and her theme for the year will be "Strengthening the golden chain". She chose for her theme poem, "Drop a Pebble in the Water" and her flower is the gladiola. Other officers installed were Eleanor Garrett, Associate Matron, M. R. Turner, Associate Patron, Addie Phillips, secretary, Minnie Thompson, treasurer, Marlon Barber, conductress, Jean Row, associate conductress, Bertie Turner, chaplain, Eula Bell Westmoreland, marshal, Emmalee Becham, organist, Bama DeVansy, Adah, Mildred Gibson, Ruth, Cora Roxburgh, Esther, Lella Birkhead, Martha, Elizabeth Martin, Electra, Mattie Wolf, warden, A. W. Row, sentinel.

Following the installation special numbers were given by Helen Joyce Engle who sang "You're the Only Star in My Blue Heaven" and Bama DeVansy, who read the Worthy Matron's chosen poem. Eleanor Garrett and Bert Shive presented gifts to the retiring Worthy Matron and Worthy Patron. Refreshments were served from a lace covered table centered with an arrangement of summer flowers. The flowers and other table appointments carried out the chosen colors of the Worthy Matron. Approximately 50 persons were present. Five guests from the Big Spring chapter attended.

RIBBON RAMBLINGS By Mildred Young

Guess we should have taken our vacation this week. Notice that king-sized people from all over the United States and Canada will start a 4-day meeting of American Tail Clubs at Bandera Thursday to give the taller-than-average folk a taste of Texas dude ranch life.

Male delegates to the annual meet must be at least 6-foot 2 inches tall. The women must be 4-foot 10 inches or better. Tail clubs were organized three years ago. The idea started in Hollywood, California. We're not exactly in the class with tall club members yet, but two inches could get us a membership.

Russia, believe it or not and so the reports go, has bought a book "The (Texas) Constitution and the Circumstances of its Adoption." It was written by A. Garland Adair, curator of history in the Texas Memorial Museum. It was prepared to help a "know your constitution" campaign by the Texas Heritage Foundation.

C. V. Terrell, president of the foundation, said the book was sent to a university library in Moscow on order of its New York agency. All people seem a little impatient at times, but there was a Manhattan bus driver who grew so impatient waiting for a bus to go home that he took one and kept going.

We don't blame the guy, there's nothing we had rather not do than wait for some service which we need or want at that particular moment. Rebekah Lodge Elects Officers On Tuesday Night

Ida Mae Cook was elected Noble Grand, and Audrey Cain, Vice Grand, when the Big Spring Rebekah Lodge held an election of officers Tuesday night in the IOOF hall. Initiation was held for Buelah VanAuker and Nan Brownfield. Marvin Louise Williams' application was submitted.

Big Spring Methodist Youth Pledge To Be Made At Assembly Tonight

ABILENE, June 7.—Highlight of today's program as the Methodist Youth Assembly goes into its third day at McMurry College will be a pledge service at 7:45 p. m. when each church of the Northwest Texas Conference makes commitments to the Methodist Youth Fund.

According to Dorothy Sue Stanford of Amarillo, treasurer, young people of the conference have contributed more than \$8,300 to the Special Missions and Youth Fund during the past 12 months. This represents an increase of \$1,200 over last year's offering. Miss Stanford revealed. Big Spring First Methodist Youth division, only Big Spring group represented by delegates at the assembly, will make a pledge of \$200 to the Methodist Youth Fund tonight.

The 450 young people will trek to the McMurry gymnasium for a joint "Fun Night" after the pledge service this evening. Introduced to the assembly delegates yesterday were two Latin American delegates from Albuquerque, N. M., who are guests of the assembly and of Dr. Harold G. Cooke, McMurry president. The New Mexican visitors are Aquiles Trujillo and Noah Gonzalez.

Francys Weir To Marry June 17

Mr. and Mrs. W. J. Weir, 410 Bell, have announced the engagement and approaching marriage of their daughter, Francys, to Ray Dunlap of Ackerly. Dunlap is the son of O. R. Dunlap of Big Spring. Wedding vows will be solemnized in the home of Dr. P. D. O'Brien, pastor of the First Baptist church, Saturday June 17 at 7 p. m. Dr. O'Brien will officiate at the double ring ceremony.

The program consisted of group singing typifying the period of July 4, Thanksgiving poetry reading, Christmas poems and carols with Frank Perry of Texline playing Santa Claus; and a psalmers' quartet singing several Valentine's songs. Key speaker for the six-day assembly is the Rev. Alsie Carleton, pastor of the Big Spring First Methodist church, who speaks each morning at 8:30 o'clock on the assembly theme, "Jesus' Way, Our Way—Through Church and Vocations."

Invitation for the banquet was offered by Itabbi Isadore Garsak of Fort Worth, a visiting teacher for the assembly. Welcome for the assembly.

Lipon Helping Detroit Cause In Junior Loop

By JOE REICHLER
Associated Press Sports Writer
Around Detroit they're saying that Johnny Lipon is the real reason why the Tigers are giving the New York Yankees and Boston Red Sox the battle of their lives in the tense American League pennant race.

That's a far cry from what the experts said of Lipon only a couple of months ago. Back in April, the experts, appraising the Tigers' pennant chances, took one look at the shortstop post and said: "Give Red Rolfe a capable guy to replace that Lipon at short and the Tigers may upset all the dope."

The experts had nothing but praise for the Evers-Wertz-Groth outfield or the Newhouse-Houtteman - Hutchinson - Gray - Trucks mound staff. They lauded newcomers Gerry Friday and army pitcher George Kell. Then they'd take another look in the direction of Lipon and shake their heads sadly.

Today, the Tigers, with Lipon playing every one of their 41 (correct) games, were in first place prior to the start of their three-game series at the Yankee Stadium. The home-bred Tiger shortstop, whose job was in jeopardy at the start of the season, is enjoying his greatest year. The 27-year-old shortstop is hitting .335, trailing only Kell and Evers on the club. He's hit safely in his last 19 games, the best mark in the majors this season. His fine work at shortstop is responsible for the Tigers owning one of the best double play records in the loop.

Lipon is not the only Tiger on a hitting spree. Kell, last year's batting king, is back at the head of the class with a .388 figure. It also tops the highest National League figure. Hoot Evers is hitting .362 and Vic Wertz .318. The latter has driven in 47 runs, third highest in the circuit.

All but Wertz contributed heavily to the Tigers' 11-8 slugfest victory over the Washington Senators yesterday. The triumph, seventh in succession for the Bengals, pushed them into first place by two percentage points over the Yankees.

The Yankees were blasted from the top by Cleveland's Indians, who pummeled two pitchers for 22 hits in ringing up a lopsided 16-2 triumph.

Luke Easter and Bob Kennedy each collected four hits for the Indians.

The White Sox gave McCarthy's Red Sox a rube shock when little Kenny Holcombe won his first game of the year, turning back Boston's sluggers, 8-4. The Red Sox had scored 51 runs in their last four games at friendly Fenway Park.

The St. Louis Cardinals deadlocked Brooklyn for the National League lead by shading Philadelphia, 5-4, after Chicago dumped the Dodgers, 7-6.

Walks with the bases filled decided both games.

At St. Louis, Curt Simmons passed Johnny Lindell in the eighth inning, forcing in Harry Walker with the tie-breaking run.

Brooklyn reliever Jack Banta walked pinch hitter Emil Verban with none out and the bases full in the 10th inning at Chicago in the deciding run for the Cubs.

A DIVER DEMONSTRATES — Zoe Ann Olsen, of Oakland, Calif., shows one of the figures that won the diving championship in the annual AAU women's title meet at Daytona Beach, Fla.

Odessa And Abilene Meet For AA Baseball Crown

AUSTIN, June 7. (U) — Odessa's Bronco, who already hold one championship this year—in track—clash with Abilene tonight for the Texas schoolboy Class AA baseball title.

Odessa rolled into the finals last night with a 6-1 victory over Marshall. Abilene got there by licking Sherman 13-2.

Odessa got all its runs in the first two innings in felling Marshall in last night's semi-finals. Whitt limited Marshall to three hits, while fanning 13 batters.

Abilene had to go only five innings in defeating Sherman. The game was called because of the 10-run rule and Abilene was leading by that margin in five frames.

The Eagles also pulled a triple play—the first ever seen in this tournament. Abilene scored six runs in the first inning without the benefit of a hit to sew up the decision early.

In reaching the semi-finals Odessa beat Laredo 7-6 while Abilene took out Beaumont 7-0. Marshall had a 3-2 decision over Waxahachie while Sherman edged Amarillo 1-0.

Marshall bumped the favored Waxahachie team as the Indians committed three errors in the second frame to give Marshall all its runs. Odessa came from behind in the seventh to score two runs and beat Laredo. Sherman and Amarillo went an extra inning to decide their game, a two-base error bringing in the winning tally, Abilene counted three runs in the second inning and went on to win easily over Beaumont.

Wildcats Seek Second Victory
AUSTIN, June 7. (U) — The Arizona Wildcats will send right-hander Robin Risher to the mound against Texas today in an effort to clinch the NCAA district 6 baseball playoff.

The Wildcats chalked up two unearned runs in the ninth inning yesterday to edge the Longhorns 5-4 in the first game of the two-out-of-three series. A third game will be played tomorrow if necessary.

Texas will call on Charley Gorin, southpaw, to hurl them into the victory column today.

LOOKING 'EM OVER

With Tommy Hart

Some Odessa baseball observers, flush with success, have short memories.

A few of the enthusiasts out that way are referring to the present Odessa baseball team as the greatest in the history of the Longhorn league.

That's a tall statement, but understandable in view of the fact that Odessa has never before had anything to offer in the way of a threat for the leadership.

We would prefer the 1949 Big Spring ball club over the present Odessa team in almost every department. Only after the Oilers have won the pennant by 21 games, then swept the playoffs in eight straight contests can their claims begin to take on some authority. That was the amazing record of the 1949 Steeds.

AL VALDEZ WAS INVALUABLE BEHIND DISH
Compare the catchers of the two outfits, Al Valdes of the 1949 Big Springers and Manny Escobedo, the present Odessa backstop. Who would you take? As far as we are concerned, Valdes was more durable, had a better throwing arm and worked his pitchers to perfection. What more could you ask of a catcher?

The Odessa mound corps is built around two men, Al Sokowski and Ray Knoblauch. Sokowski is good, but he wasn't any more effective than Julio Ramos, who won 22 decisions for the 1949 Cayuses.

The locals beat Knoblauch regularly last year. He has yet to prove himself the equal of Bert Garcia, a great hurler for Big Spring in 1949.

Ramos and Garcia had help in the form of Ernie Mayorquin, Eddie Noreiga and Pancho Perez in 1949.

Jim Carson, Frank Dugger, Marty Diaz and Manny Rodriguez, members of this year's Odessa team, may be great hurlers but they have yet to prove it.

WAYNE BATSON ONE OF LEAGUE'S BEST
Odessa batters have a regular in Wayne Batson, their first sacker. Two men, Herlor Bonnet and Bert Bass, divided time at the initial sack for last year's Bronco. Bonnet showed flashes of brilliance. Bass was a utility man who played everywhere, a reliable hand who got his share of base hits. Batson is dangerous all the time and a good first fielder in the bargain.

MONCHAK GOOD BUT LOPEZ IS NO SLOUCH
The 1949 Alex Monchak had a good year in all departments but the present version is a pale copy of that player. Jorge Lopez, who played the keystone for the Steeds last year and is back to steady the team this season, is one of the most valuable hands ever to wear local livery.

Rockets Sweep Double Header From Cayuses

ROSWELL, June 7. — Roswell's Rockets shoved the Big Spring Bronco near the second division by subduing the Texans, 6-5 and 3-0, in a hectic double bill played here Tuesday night.

The Rockets won the first engagement the hard way, scoring four runs in the seventh inning to change the complexion of the contest. Frank Hill hit a two run home run for the winners to send the Rockets on the way in that big frame and Clyde Bell broke it up with a single that plaid Tom Jordan.

Carlos Pascual, who started on the pitching rubber for Big Spring, was banished in the seventh for arguing with the umpire. He left with the sacks jammed and his relief, Angel Gonzales, couldn't hold the New Mexicans.

Vic Michalec shaded Luis Gonzalez in a mound duel in the second game, limiting Big Spring to three hits.

Ed Kenna hit a first inning home run for Roswell, the blow coming with Russ Mays on base. Mays tallied again in the third on a single, a balk, a forced play and a double steal.

The double win enabled the Rockets to sweep the series from the Big Springers and represented the fifth win in six starts against the 1949 champions.

Table with columns: BIG SPRING, ROSWELL, AB, R, H, PO, A, Errors, Conception, Gomez, Stacey, Pascual, A. Gomez, Lopez, B. Gonzalez, Delatorre, Rios, Roswell, Kenna, Jordan, Pascual, Lindolf, Bell, Crumley, Rios, Hill, Mays, Batson, Gonzales, Hernandez, Michalec, Jordan.

Padres Nipped By Panthers
By HAROLD V. RATLIFF
AP Sports Editor
The reason the Fort Worth Cats are on top of the Texas League and boast an unworried margin is that they're able to get that one run.

They don't hit much heavier than a pitcher but they either get it in the proper spot, cash in with dazzling base running or use the squeeze to perfection.

The Cats have played 56 games this season and won 18 by one run. That's more than one-third of them.

They did it again last night, beating San Antonio 1-0. They used three bases on balls and a double play that didn't work right to push over a tally in the fourth. John Rutherford led the Missions in check with a five-hit performance.

Second-place Tulsa held the pace seven games back — by edging Beaumont 6-5. It tumbled Beaumont to sixth place. The Oilers spiked the plate three times in the seventh to win the game. Rudy Minarcin got credit for the victory but wasn't around at the finish.

Dallas pushed into fifth place with a 5-4 victory over Houston. Don Watkins had to come to the aid of Walt Lantranconi in putting out a Buff fire in the ninth that got three runs. Lantranconi had himself scored the deciding run in the eighth.

Oklahoma City battered across four runs in the tenth to beat Shreveport 5-2. Both teams scored in the ninth to send the game into extra innings.

Tonight Dallas moves to San Antonio, Fort Worth to Houston, Oklahoma City to Beaumont and Tulsa to Shreveport.

Savold Stops Bruce Woodcock In Fourth

LONDON, June 7. (U) — It's an odds-on bet that Bruce Woodcock is through with boxing.

The fighting Woodcock from Doncaster in Yorkshire was battered into submission in four rounds by Lee Savold, of the United States, last night in their scheduled 15-rounder for the British and European version of the world's heavyweight championship.

The British champion was a gory mess as blood streamed from a deep cut over his left eye, his nose and his mouth when his seconds called a halt at the end of the fourth round.

A sellout crowd of 36,000 (gross gate \$24,000) saw Savold, once considered as has-been back in the states, batter Woodcock into submission.

Savold, with bone crushing left jabs and right hooks warmed up to his best after two rounds in which he took a couple dozen right hand punches on the chin in order to keep close to the British boy.

Woodcock waited away with first two rounds, but as Savold got to work with those left hand jabs it was obvious to ringsiders that the 34-year-old Englewood, N. J., fighter would be the winner.

NEW YORK, June 7. (U) — Lee Savold, newly crowned "world" heavyweight boxing champ of Britain and Europe, has glittering offers to fight Joe Louis, Essard Charles or Jersey Joe Walcott.

Abe Greene, commissioner of the National Boxing Association, made public the bids from an unidentified promoter today.

Harlingen Caps Gain Ground
By The Associated Press
Corpus Christi's Aces lost ground in their fight for first place in the Rio Grande Valley League last night.

A combination of victory by leading Harlingen and defeat for Corpus Christi dropped the Aces two full games back.

Harlingen beat Del Rio 11-5 with a 12-hit volley, with Manager Sam Harshaney setting the pace with three, one a homer with two mates on base.

Laredo got all its runs in the last three innings to edge Corpus Christi 7-6. Dan Parra was doused for four runs on six hits in the second but from there on was well-nigh invincible.

McAllen nosed Brownville 11-11 with Hal Jackson scoring the winning run in the ninth.

Del Rio ... 100 000 004-5 8 5
Harlingen 004 310 038-11 12 0
Rogas, Guthrie and Harshaney, Labrador, Garner and Mormino.

"I am empowered to speak for persons who will guarantee a \$350,000 purse for a Savold-Louis fight," said Greene. "A \$175,000 purse for a Savold-Charles bout or \$150,000 for a Savold-Walcott contest. The fighters to agree on their own percentage split."

COAHOMA, BENGALS PLAY TO 2-2 DRAW

COAHOMA, June 7.—The Coahoma Bulldogs and Ynez Yanez's Tigers of Big Spring played to a 2-2 nine inning draw here Tuesday afternoon, called after that time because of darkness.

Both teams scored in the fourth and again in the ninth frame.

Gus Nako walked with one out in the fourth and counted the first Big Spring run on H. Yanez's two-baser.

Coahoma came right back to tally when Bill Davis came in on Wendell Shive's double.

The contest was booked for only seven frames, but it went into the second extra round before Gus Piarro reached first on a misplay and found his way home on Elias Gamba's blow.

Coahoma was not yet through. Shive singled to open the Bulldog half of the ninth, moved to second when R. J. Echols was hit with a pitched ball and came home on a boot by La Mascota Perez, the Big Spring hurler.

Perez limited the Coahoma team to four hits. The Tigers got only one off B. Read, youthful Bulldog hurler.

Garcia Slated To Take Hill

The Big Spring Bronco return to the home diamond tonight to open a two-game series with the Vernon Dusters.

Bert Garcia, who will be seeking his seventh victory of the season, will go to mound for the Bronco. Cotton Russell will probably start for the Dusters.

Tonight's game will start about 8:15 o'clock.

AUSTIN NEEDS Study Problem Of State Office Space

AUSTIN, June 6. — Need for state owned office space will be studied by the staff of the newly created legislative budget board. The agency yesterday instructed Executive Director Vernon McGee to look into possibilities of financing a state office building by creation of a legislative building authority. McGee offered a tentative plan which would utilize money now being paid out in rent by state agencies, to finance a bond issue. McGee reported that the state pays out \$230,000 a year in rent for office space. The board also took these ac-

Youth Dies Of Gun Wounds Suffered In Fight In Cafe

CRYSTAL CITY, June 7. — Henry Cobb, 20, died in a hospital here yesterday of a gunshot wound received at La Pryor, Tex., Sunday night. Cobb was shot by the gun of Deputy Sheriff Jack Van Cleave, who had been called to a restaurant to quiet a disturbance. Van Cleave's left forefinger was shot off in a struggle for possession of the gun.

Trio Of Negroes Approved For UT Admission

AUSTIN, June 7. — Three Negroes have been recognized as eligible for non-segregated admission to the University of Texas by Dr. T. S. Painter, president, and Dudley K. Woodward, Jr., of Dallas, chairman of the school's board of regents. Herman Merion Sweatt of Houston, whom the Supreme Court ordered admitted to the university's law school, Horace Lincoln Heath of Waco, and John Saunders Chase of Austin are qualified applicants for graduate and professional work. Painter and Woodward said yesterday. The two officials said a reading of the Supreme Court decision and a conference with Atty. Gen. Price Daniel and University Atty. Scott Gaines made it apparent that admission of the three men is clearly required. "All agree that no further interpretation of the Supreme Court's opinion is necessary at this time," Painter and Woodward said in a jointly prepared statement. "By unanimous decision, the Supreme Court has held that the present law school of the Texas State University for Negroes at Houston is not substantially equal to the law school of the University of Texas and therefore that Sweatt must be admitted to the University of Texas. The others, Horace Lincoln Heath, candidate for a doctor's degree in government, and John Saunders Chase, seeking a master's degree in architecture, have no courses offered for them now in any state Negro institutions and therefore the Sweatt opinion is clearly applicable to them."

more than the budget board thinks necessary. Authorized McGee and his staff to include the matter of state aid to junior colleges in their study of the needs of higher education.

Rotary Luncheon Hears Outline Of Club's Projects

Obie Bristow conducted the program at the Rotary club luncheon Tuesday, outlining the projects of the organization. The speaker urged Rotarians to stimulate interest in the community phase of the club's activities. Referring to the Rotary student loan fund he asked club members to help in locating prospective students who might need and benefit from such a loan. President Walton Morrison read a letter from the State Health

SOIL CONSERVATION Alfalfa Grows Well On Hamlin Ranch

M. L. Hamlin, rancher cooperation with Martin-Howard Soil Conservation District, has 12 acres of alfalfa making good growth on his ranch 15 miles north of Big Spring. Hamlin said the alfalfa is knee high and will be ready to cut for hay in a week or two. He planted the alfalfa last October and got only an inch of rain on it all winter and up to April. The crop is growing under dryland conditions and will improve the soil by adding nitrogen. The deep root system will also loosen the tight soil and help it soak up more water. C. H. Hyden has 15 acres of blue panic grass up to a good stand on his farm in the Gay Hill soil conservation group. Hyden planted his grass with a maize plate using ground maize for a filler. He will use the blue panic for grazing and soil improvement. Terraces on the farms of W. C. Hecker and W. F. Paschall helped save a lot of water from rains in May. They said their fields looked like a lake of water after the rains. H. C. Ernst in the North Vincent soil conservation group plans to plant 80 acres on his farms with two rows to cotton, two rows to summer peas and two rows blank. The peas will be used as a soil improving crop. He plans to inoculate the seed to insure more and better growth and to add nitrogen to the soil. He will use a disc plow to turn the peayines back to the soil for green manure to build up the soil by adding nitrogen and organic matter. Soil improving crops are part of the coordinated soil and water conservation program followed by Ernst in cooperating with the Martin-Howard Soil Conservation District. Irrigation borders were staked out Thursday on Ed Schwarz irrigated farm two miles east of Big Spring. Schwarz plans to plant alfalfa, vetch and rye, and pasture grasses along with feed and other small grain on his level borders. Water was still standing against terraces on the Jim Hodnett and B. O. Brown farms at Vincent last week. These terraces were large district size terraces and ends were closed. By closing the ends of the terraces the water was held on field instead of running out the end of the terrace, down the road or across the field.
