

FLAG LOWERED OVER MINE—This scene is at the Number 3 mine of the Ford Collieries Co., at Curtsville, Pa., as the mine reverted to control of its owners. The flag, symbolic of government control, is lowered by Foreman H. L. Rommers. Mine buildings are in the background. (AP Wirephoto).

European Program Appears Doomed

PARIS, July 1. (AP)—The foreign ministers of Russia, Britain and France discussed Secretary of State Marshall's proposal for American aid to Europe for an hour and a half today, and French sources said there would be another meeting tomorrow afternoon.

Earlier there was speculation that today's session—their fourth—might be the last, since Soviet Foreign Minister V. M. Molotov virtually has vetoed Marshall's suggestion.

British Foreign Secretary Ernest Bevin and French Foreign Minister Georges Bidault were reported ready to proceed in continental economic planning without the Soviet Union if the conference does end in a deadlock.

Bidault, in an attempt to save the conference, will offer a compromise proposal, the French press agency said earlier. Terms of the proposal were not disclosed.

Both British and French circles said "only a miracle" could save the conference from failure.

SOVIET CRITICISM
MOSCOW, July 1. (AP)—The official Soviet news agency Tass said in Paris dispatches today that the British-French approach to the Marshall aid-for-Europe plan would force small European countries to "pursue an economic policy benefiting Britain and France as well as the U. S. x x x at the expense of the small fry."

Of the proposal that the nations of Europe draw up an economic balance sheet and help themselves as much as possible before seeking aid, Tass declared: "It is not difficult to visualize in what a grave position weaker countries would find themselves were they confronted with the necessity to adjust their economic life to a universal program giving expression to the requirements of stronger states whose policies are actually determined by powerful capitalist monopolies."

"American credits," the agency went on, "are meant to be used as a means of pressure, as a bait for small states."

Jester Facing Busy Schedule
AUSTIN, July 1. (AP)—A travel-packed itinerary for the Fourth of July weekend awaits Gov. Beauford H. Jester.

Tomorrow he leaves his capitol office for the Stamford rodeo, will spend Thursday in Floydada, the Fourth in Amarillo where he will ride in a parade with the Will Rogers Range Riders, participate in Whitney dam ground-breaking ceremony in Hillsboro Saturday and address the State Bar in convention at Dallas on Saturday night. He will return to Austin Sunday morning.

Italian Ammunition Vessel Explodes
ROME, July 1. (AP)—The Italian news agency Ansa reported that 80 persons were believed killed today when ammunition exploded while being unloaded from a transport ship at Porto Santo Stefano, northwest of Rome.

REAL ESTATE LOBBY ACCUSATION STIRS POLITICAL HORNET'S NEST
WASHINGTON, July 1. (AP)—President Truman's plea that Congress investigate what he called the "brazen operations" of real estate lobbyists today generated a broadside of clashing reaction with political overtones.

CIO Shipyard Strike Hits Other Ports

Work Stoppage Spreads In East, Gulf Ports

NEW YORK, July 1. (AP)—A strike of CIO shipyard workers—presumably confined to 10 yards in four states—spread to additional East and Gulf Coast plants today as a walkout of 80,000 more unionists got underway—threatening a shutdown of virtually all major shipbuilding and repair work on the Atlantic Coast.

The new walkout—began at 12:01 a. m. and announced in Camden, N. J., by an official of local 1 of the industrial union of marine and shipbuilding workers—brought to approximately 120,000 the number of men involved in the strike—some 42,000 having struck last Thursday in 10 plants in Maryland, Massachusetts, New Jersey and New York.

"The strike is on," the union official, who declined to be identified by name, said shortly after midnight. "The strike will affect at least 22 of the 30 shipyards on the East and Gulf coasts."

Pickets began patrolling at the main gate of the huge Federal Shipbuilding and Dry Dock Company yards at Kearny, N. J., shortly after midnight but an office worker at the yard said less than 100 men, all maintenance workers, were the only employees due in at midnight and that they would be permitted to enter anyway.

The yard employs some 4,000 men.

The only other plant in the metropolitan area to be affected by the new work stoppage is the Sullivan dry dock and repair yards at Brooklyn, with 1,500 employees.

Last minute negotiations were conducted yesterday by the union with the two companies but they collapsed.

The union seeks a 13-cent hourly wage increase, six paid holidays a year, and three-week paid vacations after 20 years' employment. Skilled workers receive \$1.38 an hour and laborers 94 cents under present contracts.

Train Derailed In The Panhandle
TURKEY, July 1. (AP)—Tracks on the Burlington route five miles east of here, torn up by derailment of a freight train yesterday, were expected to be cleared by tonight.

The engine and 19 of 48 wheat-laden cars were derailed, spilling an estimated 2,000 bushels of wheat along the right-of-way. No one was injured.

Railroaders Laid Off
WASHINGTON, July 1. (AP)—The Southern railway system reported today it has laid off "between 3,000 and 3,500" workers because of the bituminous coal miners' vacation. It said the current lay-off orders followed a "curtailment of coal hauling."

Dooley Decision Near—O'Daniel-Connally Feud At Climax
WASHINGTON, July 1. (AP)—The nomination of Joe B. Dooley of Amarillo to be a federal district judge for North Texas, in controversy since President Truman sent it to the senate Jan. 8, faced possible final approval or rejection today.

Senate leaders agreed to take up the matter during the afternoon, so that Texas senators Connally and O'Daniel, democrats, could state their opposing views. The leadership hoped for a final vote before night.

Whether or not the debate could be wound up today was questionable, however, for O'Daniel told reporters it "might take him 'hours' to present all the material he has compiled in opposition to the appointment."

While Connally prepared to receive testimony taken before the senate judiciary committee—which overwhelmingly recommended confirmation, O'Daniel said he planned to tell the senate Dooley is "personally obnoxious" to him.

Mississippi Flood Damage Mounting

New Levee Breaks Force Evacuations

RIVER RISES—An avalanche of water moved into the St. Louis area, bringing the highest stage in 100 years. The high water mark shows 39.1 feet. The Mississippi later had crept by the 39.14 feet mark of April 1944 (lower arrow). The top arrow is the 41.3 feet, all time high in 1844. (AP Wirephoto).

ST. LOUIS, July 1. (AP)—New levee breaks along a 90-mile stretch of the Mississippi River forced evacuation of additional thousands today as the rampaging river, already at a 103-year peak, continued to rise from heavy overnight rains.

The town of Dupu, Ill., (Pop. 2,600) eight miles south of here, was abandoned when the rising floodwaters breached a secondary levee on the Illinois Central Railroad tracks about a mile behind the first levee which was abandoned during the night.

The waters also bypassed the Missouri Pacific railroad embankment which saved Dupu in the last big flood of 1944.

The 600 residents of nearby East Carondelet and 800 in the surrounding area also were evacuated.

Eighty miles to the south the river broke the Degonia-Fountain Bluff levee in two spots driving approximately 600 persons from the villages of Gorham and Neunert, Ill.

As a result of this break, floodwaters pouring down an inland valley threatened to isolate the town of Grand Tower, Ill., (pop. 1043).

Mayor Jesse Grammer estimated about one third of Grand Tower was in danger of being flooded but said he expected residents in the higher part of the town would be able to care for those forced from their homes.

The Mississippi reached a 40.1 foot stage here at 10 a. m. with the Weather Bureau predicting a crest of 40.3 this afternoon. The high water marks compare with a 39.14 reading recorded in the 1944 flood which had been the highest since the 41.39 stage reached here in 1844.

Army engineers reported the new breaks probably would inundate 27,800 acres before the communities of Grand Tower, Gorham and Neunert and 2,600 acres around Dupu and might overspread the big switching yards of the Missouri Pacific railroad at Dupu.

An earlier break today in the vicinity of Nameoki and Venice, Ill., just south of St. Louis, threatened to spread over 5,000 acres, but the towns were not endangered.

Continue Inquiry In Woman's Death

No charges had been filed Tuesday noon as authorities continued their investigation into the death of Mrs. Nettie L. Griffith, 26, Lamesa, on U.S. 87, approximately 15 miles north of here early Sunday.

Sheriff Bob Wolf and County Attorney George Thomas indicated the probe had run up against a brick wall so far as capital charges might be concerned. Immediate course may be the lodging of charges of driving while intoxicated.

In any event, said Wolf, the investigation may continue.

Mrs. Griffith was dead when she was brought to Lamesa about 3:30 a. m. Sunday. Two men who have been held for questioning left their car about a mile south of the Knott road on U.S. 87 and then later another car stopped and the unidentified driver reported she had been struck by an automobile.

Thomas said Mrs. Griffith suffered head wounds and a crushed chest, but that the immediate cause of her death may have been a puncture wound from the back down through the abdomen. It was, he said, a clean puncture. Efforts to locate a possible instrument were fruitless.

The county attorney was working with Wolf and Sheriff Buck Bennett of Dawson county on the case.

Thomas said that statements by the men contended that Mrs. Griffith had left the car after an argument.

This was about 2:30 a. m. A short time later, he quoted the statements, an approaching car stopped to report the woman lying prone on the west side of the highway. A third car was then supposed to have struck the woman.

She was picked up and placed in the back seat of the car, but occupants noticed there was a flat tire. Statements indicated that when the tire was repaired that a trip was made back to Big Spring, then to Lamesa where it was discovered the woman was dead.

The men were quoted as saying they had met Mrs. Griffith and a Big Spring woman at a tavern here shortly before midnight Saturday.

Child Located After 48 Hours

LASSEN NATIONAL PARK, Calif., July 1. (AP)—Shivering in the 25-degree mountain cold, but otherwise unharmed, two and a half year old Great Mary Gale was found early today on the boulder-strewn sides of Mt. Harkness after a 48-hour search.

She was found just 12 hours after her grandfather, former Congressman John H. Tolson of Oak land, died of a heart attack induced by the shock of her disappearance Sunday from the Tolson summer home in this Plumas county mountain area.

Greta was found by Francis W. Keeler, 42, a state lion hunter of French Gulch, about 8 a. m. less than a mile from the cabin.

She was rushed to Westwood hospital by her tearful parents, Mr. and Mrs. William Gale, Jr., for examination and treatment for hunger and exposure after two days and a day in the mountain wilderness.

Ohio Lad Who Ran Away, Caught Here
A 13-year-old, freckled-faced youngster from Springfield, Ohio was being held in the juvenile quarters here today on a delinquency complaint.

Apparently a run-away, the lad put in his appearance at a service station operated at E. 2nd and Johnson by Rufus Davidson. He said he had been going to the West Coast with an aunt, who was supposed to have been asleep in a hotel. Davidson fed the youngster a meal, but later in the evening when he checked his cash register, he found the money gone. Officers located the tyke at midnight Monday at a bus station with a ticket for El Paso. The father of the boy has been notified.

Asks Probe Of Army Power

WASHINGTON, July 1. (AP)—Gen. Dwight D. Eisenhower's statement that the United States army is a "poor second" to Russia's was labeled "propaganda for universal military training" today by Rep. Short (R-MO).

Short suggested a congressional investigation of the army's status among world powers.

Eisenhower made the statement last week to a Senate appropriations committee in support of a plea that house cuts in the War department's military budget be restored.

Short, second-ranking member of the House armed services committee and an announced foe of universal training, was joined in his suggestion for an investigation by Chairman Leo E. Allen (R-ILL) of the House rules committee.

Discussing Eisenhower's testimony with a reporter, Short declared: "That is propaganda for universal military training intended to frighten and scare the American people."

"It is up to Congress to make an investigation to find out what has caused our army to become a 'poor second' to Russia's in the face of huge appropriations and unheard-of surpluses of materials. Our army leaders should be called upon to explain what they have done with the unprecedented peacetime military appropriations. There has been too much double talk."

Dean Field Merged With Other Areas

AUSTIN, July 1. (AP)—Dean Field in Cochran county today lists its designation as a separate field and became part of the Slaughter field in Cochran, Hockley and Terry counties.

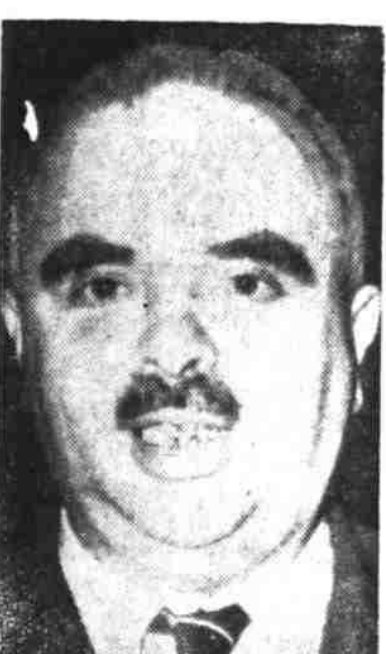

The Railroad commission ordered the change yesterday, following a hearing June 5 which produced evidence indicating that the two fields were producing from a common source of supply.

'Black Maquis' Still Working?

PARIS, July 1. (AP)—A self-described leader of the 'Black Maquis' said today in a clandestine interview that 25,000 armed men were ready to lead "A march on Paris at the appropriate moment" to establish an "Anti-communist" government.

Existence of the "Black Maquis" was disclosed yesterday by the interior ministry, which announced that it had arrested leaders of the movement for plotting to overthrow the Republic and establish a "military dictatorship."

In today's interview the self-described "Black Maqui" boasted: "For every one of us they arrest there are two to take his place."

EDOUARD DEPREUX—France's interior minister who announced discovery of the revolutionary plot.

Arrivals, Departures In Ackerly News Items

ACKERLY, July 1 (Sp1)—Mr. and Mrs. Balford Adams and daughter, Janice, spent the weekend with Dr. and Mrs. W. R. Cates. Mr. and Mrs. B. E. Hale and family of Hamilton and Velma Hale of San Antonio, Arrie Hale of Abilene and Mr. and Mrs. Curtis Sandridge of Big Spring spent the weekend with Mrs. Taylor.

Mrs. A. D. Adcock and daughter of Little Rock, Ark., are spending several days with her mother, Mrs. A. L. White.

Mr. and Mrs. Leonard West of Big Spring spent Sunday with Mr. and Mrs. Bob Mabry.

Mrs. C. A. Nichols is visiting at Decalb, where her father, J. L. Smith, is seriously ill.

Morene Lewis and Sally Robert Middleton visited over the weekend with Mr. and Mrs. M. Y. Bowlin and S. Y. Bowlin.

Mr. and Mrs. Leonard Higgins have been in Roswell, N. M., where they are planning to move.

Coming Events

TUESDAY
ORDER OF THE EASTERN STAR members are to meet at 8 p. m. in the Masonic Temple.

BUSINESS AND PROFESSIONAL WOMEN will meet in the Hotel Settles at 7:30 p. m.

WEEKEND LODGE will meet at 7:30 p. m. in the IOOF hall.

WEDNESDAY
JUNIOR GUILD AUXILIARY of the First Baptist church will meet in the church at 10 p. m.

WOMAN'S GUILD will meet at 3 p. m. in the WOV hall.

FIRST CHRISTIAN CHURCH will meet at 7:30 p. m. in the church.

FIRST BAPTIST CHURCH will meet in the church at 7:30 p. m.

PHILADELPHIA CLASS of the First Methodist church will meet at 11 a. m. in the church parlor.

42 CLUB members will meet in the home of Laura Grandstaff at 8 p. m.

THURSDAY
KOPILES DANCE CLUB will meet at 8:30 p. m. at the pavilion on scenic mountain.

CREDIT WOMEN'S CLUB will meet at a luncheon at 12 noon in the First Methodist church.

FRIDAY
DOUBLE FOUR BRIDGE CLUB meets at 1:30 p. m. in the home of Mrs. W. J. Gerritt, 412 East Park street.

YOUNG WOMAN'S AUXILIARY of the First Baptist church will meet at 8:30 p. m. in the church.

ART STUDY CLUB members will meet at 7:30 p. m. in the home of Mrs. A. L. Anderson, 1511 Main street.

Musical Program Given At Council Of Church Women

Approximately 60 members of Big Spring churches were present at the quarterly business meeting and musical program of the Federated Council of Church Women which met Monday afternoon in the First Methodist church.

Mrs. Bernard Lamun, president, was in charge of the business session during which contributions for the organization's Westside nursery were acknowledged from the 1905 and 1930 Hyperion clubs, Woman's Forum and Howard County Home Demonstration club.

Goals for 1947 and 1948 were set and a special letter to the Council from the state president, Mrs. I. B. Covey, was read to the group. Mrs. Lloyd Thompson gave the opening prayer and Mrs. W. W. Laswell offered the closing prayer.

In the musical program which followed, Mrs. W. K. Edwards, Jr., sang "The Holy City" accompanied by Mrs. Champ Rainwater at the piano. Helen Duley was at the piano as Mrs. Harold Talbot sang "A Prayer of Thanksgiving." A solo by Jean Seiler, "The Lord's Prayer," and a vocal duet by Mrs. A. B. Brown and Mrs. Noble Kennemur, "Jesus, Lord of My Soul," were also accompanied by Mrs. Rainwater.

Visits And Visitors

Alfred Adams, who is in ROTC summer camp at San Antonio, spent the weekend with his wife and parents, Mr. and Mrs. T. G. Adams.

Mr. and Mrs. J. C. Airhart and daughter, Diane, returned last week from a visit in Raymondville with Airhart's parents, Mr. and Mrs. J. F. Airhart and family.

Guests in the home of Mr. and Mrs. Frank Timmons and Mrs. Vic Balch, Sunday, were Mr. and Mrs. A. G. Ely of Los Angeles, Calif. and Mr. and Mrs. Dee Smith, Mr. and Mrs. Harve Smith of Tahoka and Forest Smith of Kermit.

Jane Beale will be in Big Spring July 4 to visit her parents, Mr. and Mrs. R. L. Beale. Miss Beale is a summer school student in Texas State College for Women, Denton.

Charles Cecil Sanders, who is working in Amarillo is visiting with his parents, Mr. and Mrs. T. E. Sanders.

Mr. and Mrs. Glynn Jeffcoat left parents, Mr. and Mrs. Y. D. Jeffcoat. They will visit relatives in Smithport, Pa. before returning to their home in Los Angeles, Calif.

Mr. and Mrs. W. A. Stall have as their guests, Stall's sisters, Mrs. James Forbis of Long Beach, Calif., Mrs. G. R. Greenhaw of Memphis, Tenn., Mrs. George Richards of Olton and Mrs. R. F. Curry of Wellington. Mr. Stall has just returned from a two-week business trip to Odessa.

Mary Martha Class Has Picnic At Park

Members of the Mary Martha class of the First Baptist church were entertained with a picnic Monday evening in the city park.

Names of secret pals were revealed and new names drawn.

A short business meeting was directed by the president, Mrs. Leola Clere.

Present were Mrs. W. E. Mann, Mrs. J. S. Peden, Mrs. Boone Horne, Mrs. Robert E. Lee, Mrs. Cecil Long, Mrs. J. L. Billings, Mrs. W. C. Blankenship, Mrs. J. W. Stephenson, Mrs. C. W. Nevins, Mrs. Wayne Williams and Mrs. C. L. Lumpkins.

Mr. and Mrs. W. L. Mead and Mr. and Mrs. Gene Combs left Monday morning for an extended vacation in New Mexico.

News From Knott

KNOTT, July 1 (Sp1)—Odell Roman of San Antonio visited here recently with his parents, Mr. and Mrs. E. L. Roman.

Wallace Thornton, Jr. is home following discharge from the armed forces.

Shorty Airhart of Harlingen is spending the summer with his aunt and uncle, Mr. and Mrs. Edgar Airhart.

W. J. Thames and children visited recently with her sister, Mr. and Mrs. A. P. Anderson.

Mr. and Mrs. W. H. O'Daniel of Coahoma were Sunday guests with their daughter, Mrs. Ed Brown. Mrs. Luther Witt and son have returned from a three-week vacation in Los Angeles and Pasadena, Calif.

Weekend guests of Mr. and Mrs. Fred Roman were her brother, W. W. Reed, and Mrs. Reed of Lawn Mildred Brown is visiting in Whiteface with her sister, Mrs. J. M. Battenfield.

Ice Cream Supper Scheduled For Scouts

An ice cream supper has been announced for members of Boy Scout troop 2, who meet Wednesday evening at the First Methodist church, 7:30.

Ruth Cox, R.E. Wellman Marry Here

In a double ring ceremony read Saturday, Mrs. Ruth Cox was married to R. Ellis Wellman in the home of Mr. and Mrs. J. E. Felts, Jr., Big Spring.

The Rev. P. D. O'Brien, pastor of the Big Spring First Baptist church officiated in the service.

The bride, daughter of Mrs. Mollie Dial Frankling of Dallas, was given in marriage by J. E. Felts, Jr. She wore a powder blue dress of sheer with black accessories and an orchid corsage. For something old, she wore an heirloom bracelet of her mother's; for something new, a handkerchief and for something borrowed a string of pearls with matching earrings belonging to Mrs. J. E. Felts, Jr.

Mary Felts was maid of honor and candles were lighted by Debra Bradford.

"Oh Promise Me" and traditional wedding music was played during the ceremony.

A reception was held immediately following the ceremony. The table was laid with a lace cloth over white satin. The two-tiered wedding cake was surrounded with fern.

Out-of-town guests included Mr. and Mrs. D. A. Owens of Anson and Dr. J. E. Felts of Herber Springs, Ark.

Whitfield, Dallas, Texas Sup. Deputy, began thinking about next year's convention in El Paso. (AP Photo)

Sikes To Go With Cowboy Band To San Francisco

ABILENE, July 1—Charles Sikes of Big Spring, drum major of the Hardin-Simmons university band which will accompany Texas Lions to the International Convention in San Francisco July 25 to 31, has other tasks to prepare for the trip than those relating to music. Sikes is a member of the "shipping committee" which is preparing the equipment and instruments for the two-way train and auto travel.

The Cowboy Band, directed by Marion McClure, will be a part of the Texas delegation which will take a special train to San Francisco. It will play for the Texas night at the convention and participate in the parade in San Francisco.

Sikes, as drum major, has led the band in appearances in Austin at the inauguration of Governor Jester; in Dallas at an international meeting of the Junior Chamber of Commerce; in Phoenix at the rodeo, and in numerous parades throughout West Texas. He is leading the band in the Stamford Cowboy reunion and will perform also at the Pampa Top o' Texas Rodeo and Horse Show August 6, 7, 8 and 9.

Speech Course To Be Offered By Toastmasters

Persons interested in the basic elements of speech will have the opportunity to take such a course during the next two months.

In undertaking a "Speechcraft" series, the Toastmasters club has extended an invitation to the public to share in the streamlined instruction. Only charge will be the regular membership rate of \$5 per month, which covers meals and incidentals.

Eight major divisions are made in the course, which covers as many weeks. In turn, each of these divisions is broken down into three or four main points, which are developed by speakers. Material for background is being furnished by Toastmasters International.

Persons interested in the course should contact Joe Burrell, secretary, Joe Pickie, president, or any other member of the club. The first of the series is set for Monday at 6:30 p. m. in the St. Mary's Episcopal Parish house.

ANCIENT HUPP FAILS TO MAKE IT TO MUSEUM, BUT WILL TRY AGAIN

Museum visitors looked in vain Sunday for a 1904 model Hupp mobile, but officers of the B&WP club, which is keeping the museum open on week ends now, hopes to have it on display by July 4.

When the "ancient" machine was hauled out of storage last week in anticipation of putting it on exhibit at the museum, its long storage had left it in such a state of repair that it could not be readied for the occasion.

Scores of people, particularly youngsters, called to ask about the car, which now is in its 43rd year. The city is having the early-day model renovated and Mrs. Moree

Soil Conservation Program Scheduled At Lions Meeting

Soil conservation is to be featured at the regular weekly meeting of the Lions club at noon Wednesday in the Settles hotel.

M. H. Ulmer, winner of a plaque from Lions International for being the outstanding conservationist in the Martin-Howard district the past year, will be presented with his award. Certificates also are due to be given to 18 others who qualified by completing and maintaining all points in a conservation plan developed for their farms and ranches.

Gordon Stone, chairman of the district board of supervisors, is to make the presentation, and other members of the board are due to be present, as well as E. J. Hughes, district conservationist for the Soil Conservation Service.

Woman's Missionary Union Observes Baptist Ministerial Relief Program

In observance of the Baptist ministerial relief program, a seated coffee was held in the parlor of the First Baptist church Monday morning in connection with a joint meeting of all circles of the church's Women's Missionary Union.

Following opening prayer by Mrs. P. D. O'Brien, president of the WMU, the group sang "Savior, Like A Shepherd Lead Us." Selected from Psalm 23 and John 10:1-18, the devotional was conducted by Mrs. Willard Hendricks. Mrs. R. D. Ulrey read James H. Lande's "Message to the Women of Texas," which introduced a solo, "I've Firmly Built on Christ the Rock," sung by Billy Talkeington.

Feature of the program was a skit by costumed members of the WMU who depicted actual incidents in the lives of retired ministers of Texas, who benefit from the Baptist relief fund. Taking part in the playlet were Mrs. Lonnie Coker, Mrs. Kate Irons, Mrs. Leroy Talkington and Mrs. Jack Haynes.

A solo, "God Will Take Care of You," was given by Mrs. C. W. Norman at the piano. Mrs. H. E. Choate read a special letter from

Corbett Clantons Host Family Dinner

Climaxing a weekend of activities for members and friends of the Clanton family who were in reunion here, Mr. and Mrs. Corbett Clanton entertained with a dinner Sunday at their home.

A large arrangement of varicolored gladioli centered the dining table.

Attending were Mr. and Mrs. Charles Clanton and daughters Charlene and Reba Fayrene, La Rev. and Mrs. Elvis Bishop, La Neva Ann Bishop, Glenda Ruth Bishop, Carwin Redale Bishop, El Wanda Gaylene Bishop, Boyce Dean Bishop and Peggy Bishop, all of Ralls.

Mr. and Mrs. Morris Clanton, Ronald Louis and Donald Morris Clanton, Mr. and Mrs. Louis Stall, Stephen Lewis and Stanley Eugene Stall, the Rev. and Mrs. Amos Watkins and daughter Linda Joyce, Billy Clanton and Pearlie Mae Clanton, all of Big Spring.

Here for a two-week visit with Mr. and Mrs. G. A. Barnett is Mrs. Barnett's mother, Mrs. Anna Nicholson of Dallas.

James Gatlin, son of Mrs. Gracie Gatlin, and Darrell Plynt, son of Mr. and Mrs. C. A. Plynt, are enrolled in summer courses at Abilene Christian college.

The CHIROPRACTOR—and You

No. 13 of a series of articles published in the public interest to explain and illustrate the practice of Chiropractic.

STOMACH TROUBLE. All forms of stomach trouble can be classed under two great divisions, namely, the organic and the neuritic. Organic disorders consist of those diseases which involve structural changes in the wall of the stomach. For example, ulcers of the stomach. Neuritic disorders are those conditions wherein the gastric juice is not normal in quality or in quantity. For example, or nervous dyspepsia.

There is often a confusing similarity between the symptoms of many forms of stomach trouble. A correct diagnosis is difficult to obtain. That is why one practitioner will often diagnose your case as one thing and another diagnose it as an entirely different condition. However, Chiropractic does not depend for its success upon a diagnosis of the case. The Chiropractor does not concern himself with whether the patient is suffering from gastritis, peptic ulcer or nervous dyspepsia.

THE CHIROPRACTOR KNOWS that something is wrong with the stomach; he knows that there are certain nerves supplying the stomach; and that these nerves branch out from the spine. He knows that these nerves must be

free to carry nerve energy from the brain to the stomach, and that the only point along the entire course of the nerves where the carrying capacity can be interfered with is where the nerves emit from the spinal column.

So what does the Chiropractor do? He analyzes the spine, and where he finds a subluxation—a condition where the segments of the spine are not in proper alignment, he adjusts it with his hands, and because of this adjustment the pressure or pinching is removed from the nerves supplying the stomach. Now the nerves can carry their vital energy in normal quality and quantity to the stomach and under those conditions disease cannot exist.

PERMANENT RELIEF. The relief which follows Chiropractic adjustments for stomach trouble or any condition of abnormality is not a temporary one, but permanent, because the cause of the disorder has been removed, and without cause there absolutely can be no disease.

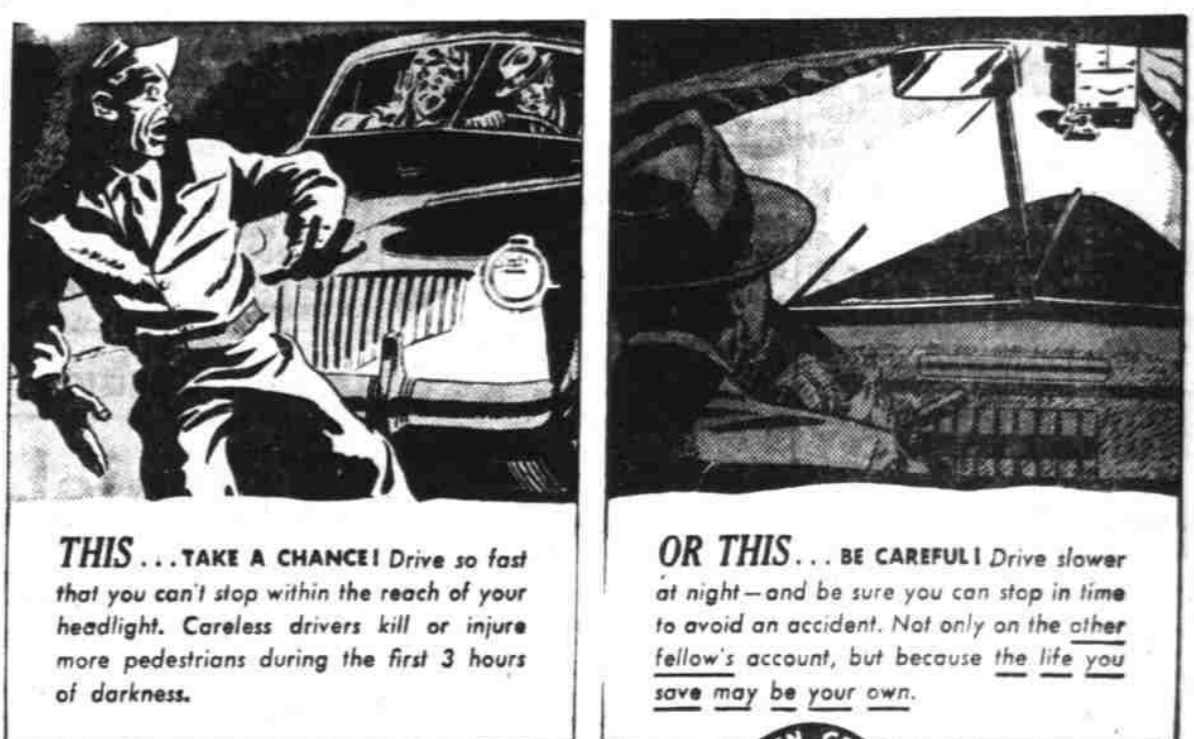

FOR FURTHER INFORMATION concerning the modern Chiropractor and what he can do for you, Phone 419.

Be Careful—the life you save may be your own!

GREEN CROSS FOR SAFETY

An official public service message prepared by The Advertising Council in cooperation with the National Safety Council.

DRINKING AND DRIVING don't mix. Drinking, either by a pedestrian or a driver, plays a part in 1 out of every 4 fatal traffic accidents.

SPEEDING is a cause of 1 out of every 3 fatal traffic accidents—even careful about "stepping on it" even though the coast looks clear.

RACING TO RAILROAD crossings accounts for 10 deaths or injuries every day. Stop for flashing red lights. Look, listen, be careful when you approach a crossing.

Violence Alarm In Jerusalem

JERUSALEM, July 1. (AP)—Sirens screamed a general alarm throughout Jerusalem in mid-morning today—usually the signal for an outbreak of Jewish underground activity.

First police reports said there had been a disturbance and some shooting in Ben Yehuda street near the center of the city. Large numbers of troops and armored cars concentrated swiftly in that area.

Training Meet Held For Sorority Pledges

Ann Douglas conducted a Beta Sigma Phi pledges training meeting Monday evening in her home, 401 Pennsylvania street.

Frankie Nobles, a pledge, was appointed chairman. Other pledges present were Louise O'Daniel and Clarice McCasland.

Britain Refuses To Halt Execution Of Jew Terrorists

LONDON, July 1. (AP)—The British government rejected today a move by the United Nations special committee on Palestine to halt the execution of three Irgun Zvai Leumi members convicted of terrorism.

A Foreign Office announcement also said the government regarded the United Nations general assembly resolution of May 15, calling for an end to all violence in Palestine, as having no bearing on "the normal processes of the administration of justice."

A guest in the home of Mr. and Mrs. Zollic Boykin is a niece, Joy Boykin of Fort Worth.

Sybil Howard, formerly of Roby has assumed duties as clerk in the office.

Radio Programs On New Schedule

The weekly chamber of commerce radio program will be broadcast over KBST at 7:15 p. m. today, chamber officials reminded today.

Heretofore, the chamber broadcasts have been conducted on Sunday afternoons, and this evening's program is the first under the new schedule.

L. D. Thompson Visits Here

L. D. (Dale) Thompson, former Big Spring resident, is visiting here before returning to his home in Van Nuys, Calif. He came here from Arlington where his wife, the former Lois Ross, was buried two weeks ago. Thompson was commanding officer of the Texas Defense Guard company here for a time.

East Fourth WMU Meets In Church

East Fourth Baptist Woman's Missionary Union members met in the church Monday afternoon.

The meeting opened with the song, "Faith of Our Fathers" led by Mrs. A. W. Page. Mrs. George McLellan gave the devotional and discussed the ministerial relief program.

An offering was taken for ministerial relief. Mrs. L. O. Johnson led in prayer following the song, "God Will Take Care of You."

Mrs. McLellan directed the business meeting. Reports were made by chairmen including Mrs. J. B. Riddle, Mrs. A. E. Gilliland, Mrs. Buckner and Mrs. A. W. Page.

During the social hour Mrs. Buckner and Mrs. Page directed games. Mrs. Garland Sanders, Mrs. J. W. Croan, Mrs. Buckner, Mrs. Page, Mrs. Wats and Mrs. Gilliland served refreshments, which featured the WMU color theme of royal blue and white.

Others present were Mrs. M. S. Warren, Mrs. A. J. Allen, Mrs. Lula Satterwhite, Mrs. T. B. Clifton, Mrs. Leroy Menchew, Mrs. Walter Grice, Mrs. F. C. Grice, Mrs. V. A. Cross, Mrs. Sam Bennett, Mrs. C. D. Lawson, Mrs. H. V. Hancock, Mrs. Jim Bennett, Mrs. T. F. Hill, Mrs. H. Reeves, Mrs. Dick Lytle, Mrs. W. T. Bolt, Mrs. O. R. Smith, Mrs. Coley Arender of Smyer and Mrs. Clyde Arender.

Cub Pack Meets

Members of Cub Scout pack 46 from Forsan conducted a meeting Monday evening in City park.

A wiener roast and a swimming party were the chief activities at the session, which was supervised by E. N. Baker, cubmaster.

Plans Mapped For Army Advisory Committee Here

Plans for setting up an Army Advisory Committee in Big Spring were mapped Monday at a meeting in the Settles attended by seven local men and Maj. W. R. Shurley, assistant to the executive of the Texas Military district.

H. W. Whitney was named temporary coordinator of the proposed committee, and Maj. Shurley explained the purpose of forming such an organization here.

Current plans are to establish committees in approximately 100 cities in Texas, Oklahoma, Louisiana, Arkansas and New Mexico to assist and advise military authorities on matters which affect both the Army and civilians in various localities.

Construction Here Gains

Estimated cost of construction work launched in Big Spring during June totaled \$120,335. F. W. Bettle, city building inspector, announced Tuesday.

The June total more than doubled May figures, which aggregated \$55,215. The grand total for the first half of 1947 is \$710,924, which represents a decrease of some \$90,000 under last year's figures for the bulk of the total for the past month, with 24 permits totaling \$79,955. Other permits during the month included five remodeling projects for \$26,900; 15 additions for \$10,725; eight re-roofing, for \$1,030; three for moving structures, \$1,725; one for demolishing a building, \$50.

Markets

WALL STREET
NEW YORK, July 1. (AP)—Stocks generally pushed upward in today's market with oil and associated industrials touching new highs for the year with gains of fractions to around 2 points.

Irregularly ruled at the opening. Dealings slow for a while, picked up before the second hour as prices hardened in virtually all departments.

At new 1947 tops were Chrysler, Texas Co., Standard Oil of Cal., Texas Gulf Producing and Joy Mfg.

COTTON
NEW YORK, July 1. (AP)—Non-cotton prices were 55 cents to 51 1/2 a bale lower than the previous close. July 37.40, Oct. 32.22 and Dec. 31.70.

LIVESTOCK
PORT WORTH, July 1. (AP)—Cattle 4,800; calves 1,800; medium to good slaughter steers, yearlings and heifers 18.00-22.50; common kinds 11.00-15.50; good fat cows 13.50-17.00; common to medium 12.00-15.00; bulls 10.50-14.00; good and choice fat calves 15.50-22.50; common to medium calves 12.50-18.00; stocker and feeder calves, yearlings and steers mostly 15.00-21.00; some steers calves 21.50; stocker cows 9.00-13.50; Hogs 400, good and choice 290-400 lb. 22.00-24.50; good and choice 150-175 lb. 23.75-24.75; sows 18.00-20.00; stocker pigs 17.00-23.00.

Sheep 11,000; good and choice spring lambs 20.00-23.00; common to medium spring lambs 14.00-19.50; good yearlings up to 17.00—old ewes and ewe weathers 4.00-4.25; spring feeder lambs 16.00 down.

Water Usage At New High

Another gain in city water consumption was recorded Monday as the June total reached 98,286,000 gallons, or an average of 3,276,000 gallons a day.

Monday's total was 3,955,000 gallons, a gain of 15,000-gallons over Sunday figures, the previous high for the year.

Moss Creek and Powell Creek lake's, the city's two surface reservoirs, supplied 43 per cent of the water used during June. There were 42,570,000 gallons pumped from the lakes. The O'Barr well field furnished 33,184,000 gallons, or 33.8 per cent, while other supplies were drawn as follows: Section 33, 10,934,000 gallons, 11.1 per cent; Section 17, 9,648,000, 9.8 per cent; Park wells, 2,250,000 gallons, 2.3 per cent.

Governor To Give Radio Talk Tonight

AUSTIN, July 1. (AP)—Gov. Beauford H. Jester said today that he will have to "talk fast" if he says everything he intends to in his "report to the people" tonight over two state networks.

The 10-page, 1,400 word address which the governor was completing this morning is considerably more than he is accustomed to delivering in 15 minutes on the air.

The speech will deal with the accomplishments of the 50th legislature and prospect for expanded services of the state within the next two years. It will be carried from 8 until 8:15 p. m. over the Texas Quality and Texas State Networks.

Tax Equalization Board May Meet

Members of the Howard County Commissioners court were in Abilene Tuesday on business, but there was a possibility they might return in time to go into session as a board of equalization during the afternoon.

The court is to make an examination of the tax rolls before sending out notices to taxpayers and posting dates for a public hearing.

The court met a month ago as an equalization board to review assessments on oil and industrial properties, which were raised in the approximate amount of two and a quarter million dollars.

Curb-Gutter Work On 17th Progresses

The street department has completed installation of curbs and gutters on the first block of the West 17th paving project, city officials reported this morning.

Forms were being put down for the second block today and at the same time, workers were to begin moving in base materials for the 100 block of West 16th street.

Holiday Slaughter

AUSTIN, July 1. (AP)—If drivers are as careless as statistics have proved them to be in the past years, the 1947 Fourth of July accident toll will be the greatest in history.

That is the prediction of George Clarke, managing director of the Texas Safety association.

In Plane Crash Tail Failure Cited

WASHINGTON, July 1. (AP)—The Civil Aeronautics Board said today its investigation indicates "some unit or assembly" in the tail failed in flight of the Eastern Airlines plane which crashed near Bain-

bridge, Md., May 30, carrying 53 persons to death.

The board's preliminary report said, however, "the inference is that nothing fell from the aircraft until just before it crashed."

There were widespread reports originally that part of the tail had fallen from the plane while it was in flight, or during its descent.

BELLS GOING HOME — Church bells from every part of Germany, collected by the Nazis for wartime metal, await return to their home bellries from the docks at Hamburg.

NAGYS IN U. S. — Safe in the United States, Ferenc Nagy, former Hungarian premier, is embraced by his four-year-old son, Laszlo. The boy reportedly was held a hostage until Nagy agreed to remain in exile.

STILL A RAILROADER — Retiring after 38 years as telegrapher for the Texas & Pacific railroad, B. B. Campbell (left, beside train) now is president of his own road, a quarter-mile of scenic track in a Longview, Tex., amusement park. J. D. Fisher, builder of the train, is in the engine; Alec Williams, (right) retired track boss, maintaining the road.

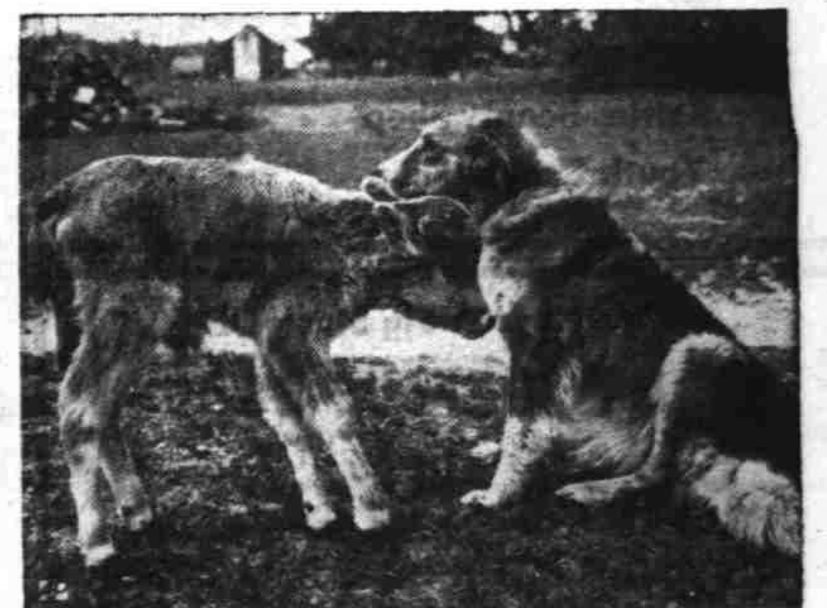

SAILING IN POOL — Singer Dick Haymes' three-year-old daughter, "Pigeon," doesn't seem quite sure about going sailing, even in daddy's pool at Encino, Calif. "Skipper," 5, already is a good swimmer.

JOCKEY — Model Janice Cooper, (above) in costume appropriate to her selection as Monmouth Park race track's "jockey girl," will present awards to winners of special events.

INSPECTING YANKS — Lord Tedder, (second from left) marshal of the RAF, inspects personnel of a USAAF B-29 squadron on a goodwill tour at Norfolk, Eng. At left is Col. Charles L. Somers of Colorado Springs, 15th Air Force chief of staff.

8-POUND CALF — Dusty, Brown Swiss calf shown with a collie dog on the farm of Will Faskell of New London, Wis., was only 16 inches high and weighed but 8 pounds at birth. Normal birth weight is about 120 pounds.

HAITIAN RODENTS — Two hutia from Haiti, a mother and her young, (above) have been added to the Lincoln Park zoo in Chicago. They're an unusual species of rodent.

SNOW FLATTENS WHEAT — G. E. Wood, farmer near Sidney in western Nebraska, surveys effects on his wheat field of an unseasonable snowfall which struck in mid-June.

RED HOT — Ewell Blackwell, (above) Cincinnati hurler, joined baseball's no-hit stars with a 6-0 defeat of Boston.

YOUNG ACTOR — Paul Brinkman, Jr., two-month-old son of film actress Jeanne Crain, (above) takes his first appearance before a camera very calmly. Miss Crain's husband, Paul Brinkman, is a radio manufacturer.

PALESTINE PATROL — Police cavalry usually assigned to mountain towns in Palestine, pass down King George Avenue, Jerusalem, during exercises.

GOODBYE TO BAMBI — Susan, young daughter of Jan Peerce, Metropolitan Opera tenor, says goodbye to her parents and Bambi, a Mexican Chihuahua, as the Peerces and their pet leave New York for a trip to Mexico.

TOMB REBUILT — The Mahdi's tomb at Khartoum, Anglo-Egyptian Sudan, is shown as it appears following its restoration. For 80 years the ruin had been a landmark.

Texas July Fourth To Have Decided Wild West Flavor

By The Associated Press
Texas' observance of July Fourth this year will have a decided wild west flavor.

At least a half-dozen cities will celebrate with rodeos. Preparations in cities and towns for the second post-war independence day indicate a return to rip-roaring, old-fashioned celebrations.

An air show, a boating show and a bathing beauty contest are on the state list. And, of course, there will be fireworks displays.

Mayor Jimmie Temple of Dallas has appealed to residents not to let the "bright day" there be darkened by the tragedy of suffering dealt by accidents.

Two of the biggest rodeos will be held at Amarillo and Stamford. At Amarillo, Gov. Beauford H. Jester will open the three-day Will Rogers range riders rodeo topping off the waddy-week celebration. The governor also will lead a parade of 1,000 horsemen, floats and vehicles of old west vintage which will open the celebration Monday.

The Stamford rodeo, the chief event of the Texas cowboy reunion, will open July 2 and come to its roaring climax on the fourth. Seven or eight chuck wagons will cater to the visitors.

A rodeo sponsored by the Corsicana Corral Club will feature the Navarro county observance of July Fourth and will extend over the fifth. Several annual picnics also will be held in Navarro county on the fourth when all business will come to a standstill.

Other rodeos will be held at Peoria, Falfurrias, Robstown and Ponder.

Galveston looks forward to the biggest July Fourth celebration in history. Beach front hotels there have been booked full for the holiday for a month. A big fireworks display will climax the day's program, which will be marked by personal appearances of Phil Harris and Alice Faye, radio and screen stars.

Galveston's celebration will open with a sunrise service by El Mina Shrine Temple at which school students winning American history contests will be presented American flag awards.

Denton's air show will be a three-day celebration climaxed by formal opening of the Denton Municipal airport Sunday. Included in the aerial display will be a flight of B-29 superfortresses from Fort Worth army air field. Speakers will include Brig. Gen. Roger Ramey, commander of the Eighth Air Force and State Adjutant General K. L. Berry, both Denton natives, and Rep. Ed Gossett, Wichita Falls.

On July 2 and 3 the Denton Town and County Roundup Club will stage its fourth annual horse show. More than 150 horses in 38 classes already are entered.

The bathing beauty contest—a three-state affair—will be held at Ashburn veterans hospital at McKinney. The contestants, representing veterans administration offices in Texas, Mississippi and Louisiana, will compete for the title "Queen" of the three-state area as the high-light of a day of activities including sporting events and a picnic for patients and their families.

The boating show will be on Lake Texoma at Denton, which plans the most elaborate July 4th celebration in its history. Resident Engineer Richard C. Pyle has given spectators permission to line the banks of Denton dam for a close-up view of the races, scheduled to start at 12:30 p. m. with a grand review. A racing feature will be an entire-city challenge event in which cities on the Lake's edge will match single contestants in 22-horsepower outboards. Three classes of outboard boats will race and aquaplane, water ski and hydroplane exhibitions will be held.

At Amarillo, Gov. Beauford H. Jester will open the three-day Will Rogers range riders rodeo topping off the waddy-week celebration. The governor also will lead a parade of 1,000 horsemen, floats and vehicles of old west vintage which will open the celebration Monday.

The Stamford rodeo, the chief event of the Texas cowboy reunion, will open July 2 and come to its roaring climax on the fourth. Seven or eight chuck wagons will cater to the visitors.

A rodeo sponsored by the Corsicana Corral Club will feature the Navarro county observance of July Fourth and will extend over the fifth. Several annual picnics also will be held in Navarro county on the fourth when all business will come to a standstill.

Other rodeos will be held at Peoria, Falfurrias, Robstown and Ponder.

Denton's air show will be a three-day celebration climaxed by formal opening of the Denton Municipal airport Sunday. Included in the aerial display will be a flight of B-29 superfortresses from Fort Worth army air field. Speakers will include Brig. Gen. Roger Ramey, commander of the Eighth Air Force and State Adjutant General K. L. Berry, both Denton natives, and Rep. Ed Gossett, Wichita Falls.

State Board Must Give Nursing Exams

AUSTIN, July 1 (AP)—The board of nurse examiners is not authorized to delegate to another its duties of examining applicants for registered nurse licenses, the attorney general help Monday.

Mrs. Elvoren Mesch, secretary-treasurer of the state board of nurse examiners, asked for the ruling. She said some directors of schools of nursing had been urging the board to use examination questions prepared by the national league of nursing education.

The league requires that all questions be used and the answers forwarded to the league for grading.

"Such duties are delegated by the legislature to the state board of nurse examiners, and the board is not authorized to re-delegate the duties to another agency," Assistant Attorney General J. A. Amis wrote.

TEACHES FOR 55 YEARS

Open At Salt Lake

SALT LAKE CITY, (AP)—The Salt Lake Country club course will measure about 6,500 yards for the Western Open golf tournament Aug. 29-Sept. 1. Par will be 72. This will be the first time the Western has been staged in the Utah capital. Eighteen holes will be played on each of the four days in the 72-hole medal play test.

NOT WHAT THEY SEEM

ITHACA, N. Y. (UP)—Any confusion among bird watchers around the Cornell campus can be explained by the ornithology students. It is not necessarily a new species of chickadee, junco, tree sparrow, white-breasted nuthatch or song sparrow if you see some of these birds sporting bright orange tails. That's just one of eight colors being used by the students to mark birds for study.

HERE ARE MAJOR PROVISIONS OF NEWEST RENT CONTROL LAW

WASHINGTON, July 1. (AP)—Under the new rent control law:

1. Federal controls in rental housing areas are continued eight months, until March 1, 1948.
2. Landlord and tenant may "mutually agree" to a rent increase of up to 15 per cent with a lease running through December 31, 1948. Senator Hawkes (R-N.J.), author of this clause, says a tenant doesn't have to agree to a boost. However, by refusal he might risk a bigger one next March.
3. A landlord who wants to evict a tenant may go straight to court and get an eviction notice.
4. Evictions are permitted if the tenants are immoral or a nuisance, or if the landlord wants the property for his own use or wants to remodel or demolish it, or sell it to someone who wants to move in.
5. State governors are to appoint local boards of five citizens for each federal rent control area. These boards can, through recommendations to the area director, wipe out all rent controls in their areas if they deem it wise.
6. A tenant can still sue his landlord for triple damages for over-celling rates but the area director can not.
7. Government controls over non-residential building are scrapped except those over amusement and recreation projects.

Jester To Make Report To People

AUSTIN, July 1.—Gov. Beauford H. Jester said today that his "report to the people" will be carried over the Texas Quality Network and the Texas State Network at 8 p. m. today.

Jester said he will review the accomplishments of the regular session of the 50th legislature and will discuss the prospect for expanded services of the state during the next two years.

Todd Handcuffs Stanton Girls

STANTON, July 1.—Nell Todd barely missed a perfect game here Monday night when she limited the Stanton girls' team to one hit, a single in the fifth by Halslip, as the Big Spring girls took a 9-1 decision.

Todd was just about as much of a problem at the plate as in the field, drawing a base on balls four successive times.

Ethel Trotter led the Big Spring girls in their 10-hit attack, collecting a home run, a triple and a double. Laverne and Lois Kinman and Catherine Redding, each collected two safeties for the Big Spring team.

Gerry Davis was the losing pitcher for Stanton.

Jewelers Drill For Roscoe Tilt

The Big Spring Jewelers, semi-pro baseball team, will meet Roscoe in a game at Steer park here Thursday night. Manager Fred Acton announced this morning.

The game will get underway at 8:15 p. m. At the same time, Acton issued a call to all members of the local team for a batting practice session today. He plans on sending his aggregation through a drill at 6 p. m. at the Bombardier school practice field.

Vincent Crew Tags Von Roeder, 9-2

COLORADO CITY, July 1.—Vincent opened the second half of softball league play here Monday night with a 9-2 victory over Von Roeder on the four-hit pitching of Glenn Bredemeyer.

Bredemeyer, who did not walk a man in the contest, walloped a triple with the bases loaded to aid his team's scoring attack.

Bears have a keen sense of smell but see poorly with their small eyes.

Odessa's Rally Fails As Broncs Triumph

Martin, Stasey Hit For Circuit To Pace Attack

Gerry Rodriguez is scheduled to go to the hill tonight as the Big Spring Broncs seek their second straight triumph over the Odessa Oilers at Steer park.

The game is scheduled for 8:15 p. m.

The old No. 13 jinx almost, but not quite, caught up with Jose Cindan Monday night, as the Odessa Oilers crossed the plate with four unearned runs in the ninth inning before the locals finally emerged on the long end of a 6-5 decision.

Cindan, apparently as strong as when the game opened, halted proceedings, however, by cutting the last man down on strikes to insure his 13th win of the campaign.

The Oilers were able to touch the hefty Cuban for only three safeties. Two of them came in the fourth, a double by Charlie Sierra and a single by Harvel Jakes which produced the visitors' only earned run for the night.

The Broncs started to work on Lefty Coniff in the second, when Pepper Martin lofted his 17th home run of the season with T-Bone Varona on base. Pat Stasey followed with a round-tripper in the third.

Bunching three hits in the seventh, the Broncs pushed across three more tallies. Orrie Moreno, Jake McClain and Gaspar Del Toro each lined out singles, with the latter's blow putting Moreno across. Pat Stasey sacrificed and then McClain scored when Tom Perez muffed Pepper Martin's grounder. While Coniff was recovering from the effects of the outburst, Del Toro galloped across the dish with ease, to give the Broncs their second steal of home plate in as many games.

Cindan's support all but collapsed in the ninth, when three errors and a base on balls set the stage for an Oiler uprising. With the sacks loaded, Tom Perez punched a sharp blow into short centerfield which bounded over Pepper Martin's head and rolled to the fence.

LOOKING 'EM OVER

Eira Phillips, one of the Broncs' staunchest supporters believes he has an extremely good prospect for the local high school diamond enrolled in his Boy Scout troop. The youngster is 15-year-old Wilmon White, son of the new Wesley Methodist Church pastor and Mrs. White.

Phillips, never one to discourage a tendency toward sporting events among members of his troop, became alerted to young White's talents at a recent troop meeting. As is his custom during the summer months, the veteran scoutmaster joined his boys in a brief baseball practice session at the outset of the meeting, and in short order, the White lad began to sparkle.

Shorstop is his chosen position, and Phillips said he must have hit at least two dozen ground balls in the lad's direction during the drill, and all were handled perfectly. Phillips also is confident that the boy has a capable throwing arm to go with his classy fielding.

Although he definitely has designs on pro baseball, Wilmon told his scoutmaster that he plans to get in four years of college ball, probably at McMurray. However, he still has two years of high school before him, and his is expected to be a leading candidate for Conn Isaac's nine next spring.

Andy Cohen, the Boston Red Sox ivory hunter, witnessed the series opener between the Broncs and Odessa Oilers last night. Cohen is in this section chiefly to look over semi-pro and amateur prospects, but at the same time he indicated that any youngsters with good possibilities not already controlled by a major league organization would warrant a look from his direction.

Jack Haupt, the former Lamesa tosser who was released this spring after he lost part of a finger on his pitching hand, has turned down an offer by the Broncs. Haupt reportedly wanted a bonus to sign a contract, and the Broncs, with two new moundsmen in and another due soon, were reluctant to incur further expenditures for the mound staff.

Manager Pat Stasey reported Monday that a lefty should put in appearance here in the near future. Joe Camaria, the Washington scout, notified the local club that he was shipping a southpaw here from Havana, but past port troubles have delayed his trip. Incidentally, Hugh Olds, whom the Abilene Blue Sox optioned to the Broncs according to reports from Abilene last week, has turned up at Ballinger according to the grapevine. Olds is a combination outfielder-first baseman.

Doug Jones, who won the West Texas Open for the second time Sunday at Odessa, was a visitor here Monday. While here he disclosed that he may plan to enter the Invitational Tourney booked for Labor Day on the local courses.

Ghezzi Qualifies For Golf Tourney
HOYLAK, England, July 1.—Vic Ghezzi, smiling pro from Kansas City, toured the par 71 Arrow park course in 72 today for a 151 that is expected to place him among the 100 low scorers who will shoot 75 holes the remainder of the week in the British Open golf tourney.

Ghezzi, one of five Americans seeking to win the title Sam Snead failed to defend, registered a fat 79 yesterday over the Hoylake layout, but found the Arrow layout much easier.

With the second round barely under way, it was believed that scores of 154 or 155 would qualify for the tourney proper starting tomorrow. Cyril Tolley, former British amateur champion who also had a 79 yesterday, withdrew.

TL Attendance Mark Believed Set
HOUSTON, July 1.—Shreveport and Houston are believed to have set an all-time attendance record for a three-day stand of regular Texas League play which ended here last night. Saturday night they played to 10,345 paid fans, Sunday it was 7,856, Monday it was 6,928, making a total of 25,129 fans not counting some 2,700 ladies who were admitted free last night.

U. S. Domination Of Wimbledon Tennis Cracked

LONDON, July 1.—The United Kingdom broke through the U. S. domination in the all-England tennis championships today when Mrs. Sheila Summers, blonde racket swinger from South Africa, defeated Mrs. Patricia Canning Todd of Hidden Valley, Calif., 7-5, 6-4.

Mrs. Summers was seeded No. 7 in the women's division while Mrs. Todd was fourth. It was a quarter final round match.

The American team, however, sent Doris Hart of Miami, Fla., into the semifinal round. The Florida girl, seeded No. 3, came from behind to eliminate Mrs. Jean Bostock of England, 4-6, 6-1, 6-2.

The Todd defeat was the first break in the women's seeded list. Despite last night's rains and two light showers early today, the stands again were filled. Weather conditions were such that heavy rains might start at anytime.

Bobus Cernik and Miss Straubova of Czechoslovakia, moved into the third round of the mixed doubles when the Italian pair of Gianni Cucelli and Mrs. Annali Bossi defaulted. The Czech team led, 6-4, 5-4 when darkness halted the match last night and the Italians withdrew this morning.

With the top seeded American team of Jack Kramer and Bob Falkenberg leading great Britain's Derek Barton and Geoff Paine, 6-2, at the end of the first set, a heavy rain drove all contestants off the courts.

Hubbers, Amarillo Continue Battle

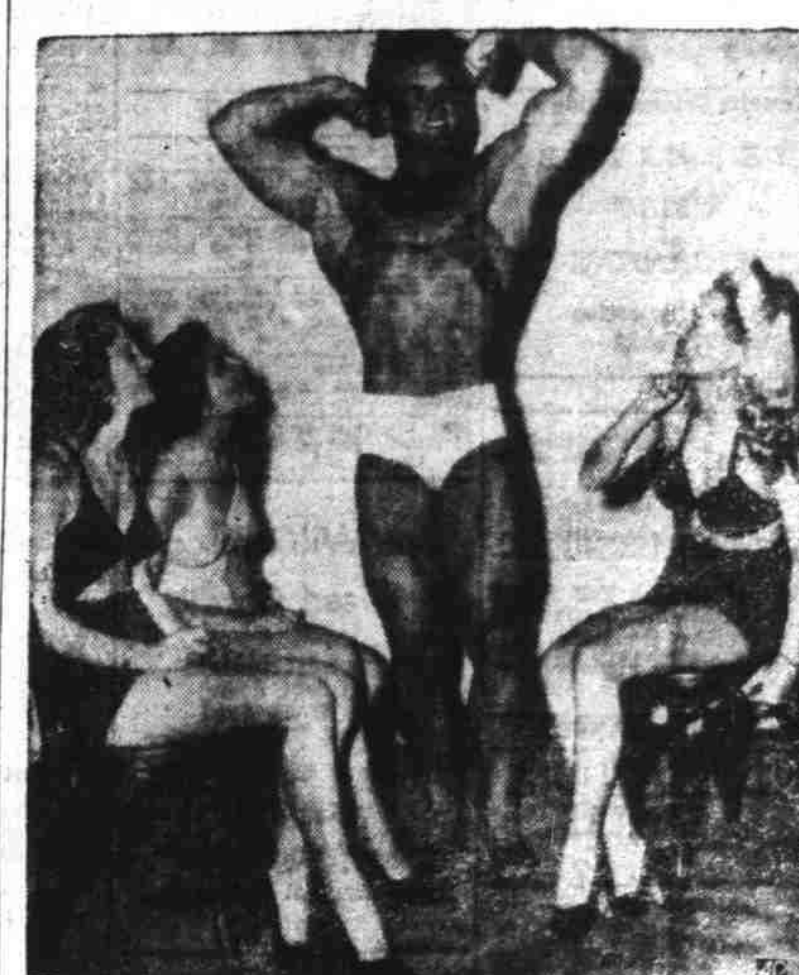

Amarillo and Lubbock stayed within shouting distance in the West Texas-New Mexico league yesterday coming through with easy victories.

Second place Lubbock jumped all over Borger, 15-2, as Rosson limited the Gassers to four hits. Borger Manager Gordon Nell hit his 21st home run, marking the fifth straight game he has put one over the fence. Serena and Richardson homered for the winners.

In other games, Abilene outlasted Clovis in a 14-inning battle, 4-3, and Lamesa walloped Albuquerque, 11-7. Pacesetter Amarillo easily blanked Pampa 8-0.

GEE! LOOK AT THOSE MUSCLES—Jackie Hattan (left), Helen Strickland (right), and Toni Karan, all of Chicago, cast admiring glances at Steve Reeves of Oakland, Calif., as he displays his muscles after being named "Mr. America of 1947" in the ninth annual Mr. America contest. The event was held at the conclusion of the National AAU weight lifting championships. (AP Wirephoto).

Locke Is "Guaranteed" \$5,000 To Enter Tam

CHICAGO, July 1.—Some of the better known pros now think there's not enough glitter in them than their partner, and are giving up prospecting at golf's gold rush—the \$36,000 Tam O'Shanter tournament.

Maybe Promoter George S. May, frequently called the King Midas of golf, is losing his touch, for the best attraction he has to offer at the moment for his four-day jamboree starting Thursday is Bobby Locke.

The sensational South African was "guaranteed" \$5,000 by May to make the Tam his first appearance in Chicago, thus skipping the British Open and the Chicago Victory National, whose proceeds went to benefit wounded U. S. veterans.

If this move set golf circles buzzing in Britain, it blew the lid off among many of the pros in this country.

Ben Hozan and Jimmy Demaret, the leading money winners. They insist the reason they are bypassing the Tam extravaganzas—a world's richest despite nearly a 50 percent reduction from the 1946 prize list—is May's two separate purses which award twice as much swag to leaders wearing identifying numbers than those who refused to enter the carnival spirit.

Low Worsham, 1947 National Open champion, is the latest to stray from May's fold. He bluntly admits he wants a substantial guarantee.

"He'll wait till the cows come home before he gets it," cracked May.

Today, May was trying to get in touch with Babe Didrikson Zaharias, reported enroute from New York to Denver to tend to her rose garden, apparently neglected while she was in Scotland winning the British Women's crown.

"I think Babe will forget about her gardening and show up at Tam, all right—she promised me," said May.

Despite these uncertainties, the entry list promises to be attractive, for many pros cannot afford the luxury of such an expensive snub when a top prize of \$7,000 waits the All-American open winner.

Frankie Shea Offers Challenge To Feller By Grabbing 10th Win

By the Associated Press
Rookie Righthander Frank Shea of the New York Yankees, who not long ago was unofficially labeled as the best freshman hurler of the major leagues, today challenged Bob Feller of Cleveland and Hal Newhouse of Detroit as well as his own teammate Spud Chandler for the designation as the number one pitcher of the American league.

Shea last night gained his 10th victory against only two defeats when he defeated the American league champion Red Sox in Boston 3-1.

Shea, whose three shutout victories rank him behind only Feller and Walter Masterson of Washington in that department, has allowed more than three runs in a game only once. That was a 9-6 victory over the same Red Sox. His two defeats were by the narrowest of margins, a 1-0 loss to the Red Sox in which he allowed only three hits and a 3-2 defeat by the Chicago White Sox in 10 innings. Three times he has topped Newhouse in pitching duels.

The Brooklyn Dodgers, led by their new home run slugger Pee-wee Reese, their new outfielder Arky Vaughan and their new cleanup clouter Carl Furillo, downed the Phillies in Philadelphia 7-4 to move within two percentage points of the National league leading Boston Braves.

Ewell (The Whip) Blackwell, Cincinnati's no-hit pitcher, recovered from a poor start to register his 11th straight and 13th victory

ABC Wins, 7-6 In 12 Innings

Pitcher Willis Carleton won his own ball game Monday night when he crossed the plate with the winning tally in the 12th to give ABC a 7-6 triumph over Moore in City softball league play.

The two teams battled for four scoreless innings after ABC counted twice in the seventh to knot the count at 6-6. Froggie Koger kept ABC in the running during the early stanzas with a three-run homer in the third. In the 12th, Carleton doubled and then came home on Skeeter Salisbury's one-baser.

The ABC batters touched Bill Franklin, Moore pitcher, for 11 safeties, while the Moore crew nicked Carleton for nine.

The game between Hartwells and Forsan was postponed.

The line score:
ABC 123 100 200 011—7
Moore 310 011 000 000—6
Carleton and Arcand; Franklin and Long.

Paint Your Car, \$5.95

DAB is the original wipe-on auto paint. DAB is guaranteed for two years not to chip, crack, peel, fade. Insured by Lloyd's of London. Be sure you get DAB, the miracle auto paint. Nationally advertised, radio and magazines. Just wipe it on with new powder puff (has no lint), and your paint job will be dust-free in an hour with a smooth, gloss finish. Free literature and color cards. Dealers in most towns; if you have none, then order from us. \$5.95, COD, postage paid. Lubbock Cover Co., 1911-N. Lubbock, Tex.

Plane Sends Dry Cleaner To Indians

WINSLOW, Ariz.—Many times each day when Wayne L. Troutner's airplane glides to earth on remote Northern Arizona landing strips, Indian natives—both young and old—cry a greeting "Ka-Ya-Pa-Ne-Sha."

"Ka-Ya-Pa-Ne-Sha" means "the cleaner who flies." It describes Troutner's three months' old aerial pick-up and delivery service to the widely scattered Northern Arizona trading posts, ranches, and resorts.

For the service, which gives the natives and others residing as far as 175 miles from Winslow, one or two day dry cleaning deliveries, Troutner uses a 4-place Stinson Voyager with removable rear seats.

Before he obtained the plane, Troutner's truck drivers could cover only a part of the territory with any frequency.

"After we proved to the Indians that we could improve the appearance of their rugs and ceremonial garments, our aerial service was literally swamped," Troutner said.

World Needs Spiritual Aid More Than Financial Support

By Edwin D. Canham Editor of the Christian Science Monitor.

SAN FRANCISCO, July 1.—The world is filled with unsolved problems and its nations and people gravely need American aid. But this help should not be limited to money, which in many ways is the most transient and valueless of aid. It should rather consist of technical know-how, of practical tutelage and example along the many lines in which we are proficient. We should make democracy-in-action as vigorous and revolutionary as communism seems to be.

These are my chief conclusions after twelve days and some 20,000 miles of travel around the world as one of the newspapermen taken by Pan American-World Airways on their first regularly scheduled "Round-the-World Flight."

During this time, we not only travelled many miles and caught swiftly changing glimpses of many lands. We also spent about nine of our thirteen days on the ground, observing social and economic conditions and absorbing impressions which are all the more vivid because they were so fleeting.

Everywhere, nations and peoples face grave difficulties. Peace is not a reality in the world today. There is serious danger of chaotic collapse in at least two vast areas—India and China—which combine between them about one-third of all humanity on this planet. I am not forecasting this collapse as inevitable. But the national governments of China is certainly in severe difficulties, and the outcome on Aug. 15 if India's division and the withdrawal of British rule is deeply uncertain.

Everywhere, governments and people look to America for help. Obviously, material aid on the scale desired is far beyond the capacity of the United States. Nor would it be desirable, if poured out simply as manna from heaven. Rather, nations need to learn how to make democracy work better. Not that we have learned all we need to know in this respect. But there is still much in the American experience which we could teach.

In many respects, it is not a physical problem which faces the nations of the world but a question of moral—a spiritual problem. It is not necessary that India, facing the long-awaited historical plunge into self-government, should break down into internecine strife.

Similarly, there is no inevitable reason for Chinese collapse. If the selfishness of grafting and dishonesty in government and business could be replaced by the kind of cooperation which momentarily flowered in China in the early days of the Kuomintang revolution, many of the present difficulties would be solved.

These utopian reflections point the need for a voice of leadership in the world. During the war, the United States provided that voice. Now, as ever, we represent the hope and light to much of the world. But we are not carrying out that mission very well. Rather, what America means has degenerated in many nations into a

hope for dollars, which comes close to greed.

Basically, the need is to help nations solve their own problems. Many of them are making excellent progress in this direction. We were impressed by the "feel" in Turkey, in Siam, in the Philippines in Japan. The indomitable pluck of the British was apparent as we talked to Clement Attlee, the prime minister, at 10 Downing Street, despite their eight years of shortages and sacrifice. But Britain has a long way to go.

Our flight again emphasized the narrowing lines of global interest. It should be "one world" and yet it is not. Great competitive forces are at work. Communism, which thrives on chaos, is a pervasive world influence to which an adequate reply is not yet being made. That reply depends upon America's success in making democracy a tangible, practical export in action more than in precept.

MYSTERIOUS FLYING DISKS

LUBBOCK, July 1.—A Lubbock couple said today they had seen a silver disk-shaped object flying at high speed at an undetermined altitude near here yesterday.

The Lubbock Avance-Journal said the couple would not give their names for a fear of ridicule.

However, they said the disk was moving toward the southwest, and "was about the size of the moon." They said it was impossible to determine whether the object was an airplane, or if so how it was powered.

It was seen by them near Smyer, a small community 12 miles west of here.

Similar flying disks have been reported over various parts of the central states the past few days.

Scientific Expedition In Big Bend Set

LUBBOCK, July 1.—Seeking bones or skeletons of dinosaurs for addition to the West Texas museum and for research at Texas Technological College, a seven-week scientific expedition will enter Big Bend national park July 18.

Wann Langston, geology instructor, will head the expedition, accompanied by H. C. Bailey of Clarksville and Owen Jofacket of Levelland.

The department of the Interior recently issued the party a permit to excavate dinosaur remains in the park during 1947.

The group will search specifically for remains of sauropod dinosaurs of the upper cretaceous age, which closed about 75 million years ago. Only two skeletons of this type, both incomplete, have been discovered in North America. One is in the national museum, Washington, and the other at the University of Oklahoma museum.

Langston hopes to supplement this material by further discoveries this summer. He also expressed hopes that the party may unearth remains of an entirely new dinosaur fauna, one never previously described.

The sauropod dinosaur is one of the largest of the group. Sometimes attaining an overall length of 82 feet, it is characterized by a short body and long neck and tail.

Center of the search will be about 100 miles south of Marathon.

New National Jaycee Head Backs Freedom

GLADEWATER, July 1.—With a pledge to accept "a challenge of leadership which points toward re-educating Americans with the gospel of democracy," 30-year-old John Ben Sheppard today prepared to take over as the new president of the junior chamber of commerce of the United States.

The Gladewater attorney, youngest man ever to head the national organization, spoke last night at a civic banquet honoring him on the eve of his taking office.

As part of the ceremonies, Sheldon Waldo, Gainesville, Fla., retiring president, presented Sheppard with a gavel.

Sheppard told the group that "increasingly in the past few years, some people have sought to foster the impression that the youth of America is treading the path of radicalism." He said the answer of young business and professional men who are members of the junior chamber of commerce is "it just ain't so."

He said, "It is a challenge to the Jaycees of the nation to fight back against the in-roads foreign political ideologies are making. In this fight we fervently appeal to the established business leaders of the nation for help and guidance in firmly re-establishing the doctrine of free-enterprise which gives us young men our best and only opportunity to utilize our talents and abilities."

"In the coming year," he promised, "Jaycees will take an ever-increasing part in public affairs and will encourage every man, woman and child to examine closely and to absorb those principles of democracy under which we have lived and prospered so long."

Approximately 300 East Texans attended the banquet.

Italy Debates Approval Of Treaty

ROME, July 1.—The constituent assembly's committee on treaties today began consideration of proposed legislation for ratification of the Italian peace treaty. Formal debate on the legislation is expected to begin in the assembly next week.

Thief Must Have His Holidays Mixed

CORSICANA, July 1.—A thief with either an eye for the future or a misunderstanding about the upcoming holiday took 66 "firing size" turkeys from a farm near here this week-end. The birds were reported stolen from J. S. Shaddix of the Angus community.

Baseball Is Tough

BINGHAM CANYON, UTAH—Bailey Santistevan, who has coached Bingham Canyon high to six state baseball championships, contends baseball is the hardest of all high school sports to coach. This is because each player must be given so much individual attention if the coach expects to produce a consistent winner. Santistevan was a baseball star at Colorado A & M.

Judson's of San Antonio Fine Chocolates

Judson's Exquisite Pack Chocolates. Assorted Milk and Dark Chocolates... Nut, Fruit and Cream Centers.

1 Lb. Box \$1.50 2 Lb. Box 3.00

Going places

New travel-wise size of your favorite Fabergé cologne... spill-proof... a weekend "must" to tuck in your beach bag or to walk where you walk in the moonlight. Yours in STRAW HAT... WOODHUE

TIGRESS... APHRODISIA Travel-wise size \$1.25 Regular sizes \$2.00, \$3.50, \$6.00

LIP-STAE by Rencoir \$1.00

Rencoir's thrilling new clear liquid cosmetics. Lip-Stae... makes your favorite lipstick stay on for hours longer. Banishes smears. Make the Kiss Test and see for yourself.

Big Spring's Favorite Department Store

LUCKY STRIKE presents THE MAN WHO KNOWS—

THE TOBACCO WAREHOUSEMAN!

"IN 25 YEARS I've seen a good many tobacco crops sold at auction. And season after season, I've seen the makers of Lucky Strike buy tobacco that's really fine... good, ripe tobacco... tobacco you just can't beat for smoking quality."

Frank A. Brown

F. A. BROWN, INDEPENDENT TOBACCO WAREHOUSEMAN of Stoneville, North Carolina (29 YEARS A LUCKY STRIKE SMOKER)

JOHN FAULTER
