READING

WRITING

By John Selby

at rarely reads an author

GAR ALLAN POE," by Ed

urbs it so much that it wants

the neck and shake him. For

nks, an Englishman with a tip-

ed nose (speaking in a literary se)has attained that eminence. e has done so by writing what terms a critical biography of

ar Allan Poe which will seem

nany of his readers maliciously

air. He appears to have set a

se of misunderstanding, some almost misrepresentation, in advance, and to have sub-

ated a considerable literary

at to that end. Not occasion-

as might happen to anybody

e emphasizes Poe's notorious

re his virtues. Mr. Shanks con

ntly allows Poe's dipsomania

the merit of certain of his

e) ons were to discount Mil-because he was for quite a

a cantankerous old fool, or re-

honor to Shapespeare because

respondent pauses to announce that the first few weeks of tinue to resort to violence, and if summer have been made less endurable by a brand new counter-violence flames up in the epidemic of practical-joking.

For months it had been fondly imagined that the breed to be settled in the areas of force, was dying out, but past moaning saxophones, stuffy court this column fears greatly for the rooms and jangling intersections come reports that the workers. pests have only begun to make life a jittery experience for For the middle class is over the trusting and the unwary.

A classic example of what these numb lads call fun oc- this country, as it proved to be in curred in the pleasantly exotic setting of Ben Marden's Germany. It is strongest numerical-Riviera club the other night. As the crowd surrendered ly and psychologically. Numerical-itself to the enjoyment of Mickey Alpert's music, some dizzy of workers who are somewhat hypochondriac engaged Mickey in conversation while his above the general level, own homes pal slipped a match into the wedge of the orchestra leader's actiously to the hope of bettering they could watch the fun from a safe distance. This is call-ifting their children by education ed giving a man the hot-foot, and the results are sometimes into clerical positions or professtartling to behold. The match usually sets the cuff of the sions, associate their ultimate instartling to behold. The match usually sets the cuff of the trousers on fire, and finally burns down to the shoe where, after a pause, it sends a stab of pain into the victim's foot. Men who have been hot-footed invariably are badly blistered.

Td like to be on hand, just to witness the mayhem when they do. Tincidentally, Marden announced several months ago that he was spending a half million on his new club. Most of us mut that down as just a publicity story, but this is where he was spending a half million on his new club. Most of us put that down as just a publicity story, but this is where one skeptic at least will have to bend the knee. High on the rim of the Palisades, with the blue Hudson in the fore-ground and the stars overhead, it is a dream palace of soft by hts and exotic music. The need for additional revenue senumely fears that crusade. For constitution no leas certainly than the reddest of Red revolutions each.
