

Club Announces New Members At Dance Friday Night

Las Vivarachas Club Honors Five New Members With Dance

Presentees Step From Picture Frame; Ned Bradley Officiates; Is Annual Dance

Las Vivarachas club presented five new members at an annual formal dance in the ball room of the Hilton hotel last Friday evening.

The presentees stepped from a large modernistic photograph frame and were met by their escorts. Ned Bradley officiated at the presentation. Two hundred guests from the town and college attended the dance and presentation, the latter occurring at 10 o'clock.

The presentees and their escorts were Miss Norma Richards and Mr. James Potts, Miss Maye Grundy and Mr. George Finley, Miss Edith Young and Mr. Tommie Zorns, Miss Alice Joy Bowlin and Mr. Clarence Wakefield, Miss Oceola Scott and Billy J. Welch.

Club members and their escorts were Miss Frances McKee and Mr. Edward Redmond, Miss Emily Davis and Mr. Jack Bradley, Miss Ruth Hurnance and Mr. Eldon Rawlings, Miss Lois Houston and Mr. Graham Holmes, Miss Idell Bacon and Mr. Phil McKee.

Patronesses and alumnae included in the list of special guests were Mr. and Mrs. Richard Heineman, Mr. and Mrs. Albert Kimbro, Mr. and Mrs. Homer Maxey, Mr. and Mrs. Jack Hanna, Mr. and Mrs. Doyle Jordan of Plainview, Mr. and Mrs. Owen McWhorter, Mr. and Mrs. C. C. Lindsey, Mr. and Mrs. Harry N. Roberts, Mr. and Mrs. Maple Wilson, Mr. and Mrs. B. E. Pirtle, Mr. and Mrs. W. L. Bradshaw, Mrs. J. S. Johnson, Miss Pat Hopping, and Mr. Garland Smith.

Other special guests were Dr. and Mrs. Bradford Knapp, Mrs. Mary W. Doak, Miss Ruth Pirtle and Mr. Durwood Bradley. Miss Pirtle is sponsor of the club.

Ko Sharis Initiate At Sponsor's Home

The KoShari club initiated new members last evening in the home of the sponsor, Mrs. W. C. Holden, 3109 Twentieth street.

The new members initiated will be formally presented at the club's annual dance Saturday evening in the Auditorium. They are Misses Lorena Owens, Carolyn Whitworth, Frances Mayhugh, Pauline Phillips, Maxine Burrus, Sophie Alice Hardgrave, Rachel Lindsey, Katherine Johnston, Frances Moore, Margaret McAllister, Cora ox Yonge, Rosamond Langdon, Wade Moore, Inez Earle, Lella May Zorns, Jean Walker, and Adeline Gilbert.

The final phase of the girls' club initiation will be completed in the ceremonial kiva excavated by the Archeology class at Glorieta Pass, New Mexico, twenty-two miles east of Santa Fe. The group leaves on this trip March 29.

Dinner Dance Is Given Friday Eve

A dinner dance for special guests was given at the Home Management house last Friday night by girls staying there this semester. Dinner was served at 7 o'clock, and stags called at 8:30 for dancing.

A St. Patrick's motif was carried out. Table appointments were spring flowers with individual bouquets for each table. Hostesses and their dates were: Misses Helen Frances Elland, Lu-

Frances Ford Will Be Page At D. A. R. Meet

Miss Frances Ford, graduate of Tech and now taking graduate work at the University of Virginia, has been elected for the second time by Mrs. W. H. P. McFadden of Beaumont to be a page at the national convention of the daughters of the American Revolution in Washington, D. C. next month. Mrs. McFadden, the retiring state regent of the D. A. R., asked Miss Ford to page last year while studying at Smith College.

Miss Ford last attended Tech in 1932 and was a member of Las Chaparritas club.

Profs List Summer Language Courses

Eight courses, in addition to advanced and graduate work, will be offered by Tech's foreign language department in the 1934 summer session.

Anyone can make up entrance requirements with beginning courses offered, and work toward a degree may be done with others of the summer courses, department heads announce.

On the summer curriculum are beginning courses in French, Spanish, and Latin; second-year courses in French, Spanish, and German; and Spanish 331 and 332.

Advanced and graduate work is offered in the following sections: Spanish epic literature contemporary drama, and a course in methods, with a review of major grammar problems and a study of phonetics.

Engineers Show Drawing Exhibit

Four exhibits of student work in engineering drawing are now on display in the north wing of the engineering building, according to Prof. O. A. St. Clair, new head of the department.

In room 255, operation of a printing machine and actual making of blueprints may be observed. Drawings, lettering, and models may be seen in room 261, and in room 262 a display of methods of reproduction of prints for engineering purposes. Stages in manufacture of a pencil, and a mosaic of the aerial surgery of the Brown county water improvement project are exhibited in room 263.

The department of engineering drawing has recently been reorganized and renamed department of engineering drawing and industrial education. It now offers courses adapted to the requirements of agriculture majors as well as special courses in engineering drawing, sketching and lettering.

elle Hunt, Agnes Abernathy, Winelle Ward, and Mayme Twyford; Messrs L. Keaton, Jason Gordon, Cotton Simms, William Nells, and Cy LaMaster. Special guests were: Misses Brooksie Spurlock, Roberta Hunt, Merle Walker, Vera Tate, and Inez Hensley; Messrs Garland Nystel, Robert Bloomintread, Ed Aycock, Hicks, Frank Ward, Bob Peterson, Mart Peterson, Maston Jones, and John Lowery.

Windy Days Las Chaparritas Attend Two Affairs

"When the sand blows we can't go anywhere" mourned a Las Chaparritas club member Saturday. "Then come to my house to a real 'get-together' and call some of the other girls," invited Miss Charlotte Ratliff.

And so it happened that part of Las Chaparritas club spent Saturday afternoon in the home of Miss Ratliff, 2413 Nineteenth street, enjoying a lively "stay-at-home" party.

Miss Sara Sue Stewart set aside Tuesday afternoon of this week and invited the other club members to her home, 2318 Broadway, to play bridge. Four special guests attended each affair.

The special guests were Misses Edwyna Wintrey, Westernman, Lee McIntosh, and Maurine Alexander. The club members spending Saturday afternoon at Miss Ratliff's were Misses Harriette Roach, Virginia Brown, Jane Schneeman, Pauline Yeager, Betty Pack, Eugenia Smith, Dinaween Bridgeman, Gene Dubberly, Ruth Rutledge, Sara Lou Stevens, Julia Mae Bihl, Maxine Clark, Sue Michle, Frances Campbell, and Corinne Pigk.

The club members playing bridge at Miss Stewart's Tuesday afternoon were Misses Muffie Murray, Margaret Duff, Addie Brown Benton, Linda and Ann Caldwell, Dot Lisenby, Reba Wayne Williams, Bird L. Glass, Judith English, Eleanor Crenshaw, Margaret Birdson, Glyds Grimsley, Jane Tinsley, and Lea Beth Drewry.

L. Carter Named D. F. D. Prexy

Miss Lorena Carter was elected president of D. F. D. club at a recent meeting. Other officers were Miss Geraldine Wicker, vice-president; Miss Lillian Parrish, secretary; Miss Josephine Powell, business manager; Miss Jane Woodruff, rush captain; and Miss Evelyn Spaulding, reporter.

Retiring officers are Miss Marjorie St. John, president; Miss Lorena Carter, vice-president; Miss Sara Tom Jones, secretary-treasurer; Miss Martha Davis, business manager; Miss Evelyn Parrish, rush captain; and Josephine Powell, reporter.

The club is entertaining with a Twilight tea Friday evening from 6 until 7 o'clock in the F. R. Friend resident, 2005 Broadway.

Wranglers In Sunday Meet Members, Guests, And Dates Eat Breakfast At Hilton Hotel And Attend Church

Wrangler club and guests attended a breakfast at the Hilton hotel Sunday morning at 9:30 o'clock. The group attended services at the First Presbyterian church afterward.

Special guests were Dr. and Mrs. James M. Gordon, Mrs. Mary W. Doak, Mr. and Mrs. Richard Heineman, Billy Cage, Carl Harkins, and Bill Viles.

Club members and their dates who attended were Jimmie Lauderdale, Jerry Lee Dean, Aubrey Edwards, Gene Mitchell, John Mast, Doyle Harris, Charles Still, Bill McMurtry, Lindsay Austin, R. E. Mills, Charles Truett, James Hunt, Elvis Hightower, Bill Jones, Lewis Kerr, Fleming Austin, Raymond Barrier, Donavon Stafford, Mark Halsey, Jr., Noel Cason, Jimmie Daniel, Henry Godeke, Richard Godeke, Thomas Bucy, Bedford Caldwell, Ed Weils of Plainview, Austin Davis, Ralph Penney.

Misses Lorene Fryar, Margaret Duff, Pauline Yeager, Corinne Pigk, Ruth Rutledge, Ann Caldwell, Lena Grace Sanderson, Jane Schneemann, Eunice Cone, Glyds Grimsley, Kathryn Gray Kirk, Betty Pack, Virginia Brown, Janet Hambricht, Julia Mae Bihl, Mary Genevieve Harberger, Chrystella Scudder, Jane Tinsley, Harriette Roach, Christine Bundy, Frances Burns, Addie Brown Benton, Evelyn Spaulding, Dot Lisenby, Velma Conner, Helen Barstow, and Mr. and Mrs. William Warren of Pomona, California.

Graduate Gets Job

Miss Orene McClellan, a home economics graduate of June, 1931, has recently accepted a position as home demonstration agent of Houston county with headquarters at Crockett.

Spring Football To Start Monday; All Boys Are Invited Out

Under The Double "T"

BY ELMER FORTNER
Treador Sports Editor

FOOTBALL—
When Pete Cawthon and "Dutch" Smith return from their trip up north the latter part of this week, they will both be ready to give the football aspirants some intensive training. They have been up there visiting where football teams consist of as many boys as the colleges do down here and the football coach is a much bigger man than the president of the university, so the Tech mentors should have plenty of new ideas on the Notre Dame system of play.

Cawthon was evidently inspired by the large number they have out there, for he wrote back to the Treador asking them to announce that he wanted every boy in school, who was at least interested in football, to come out for the spring work.

BASEBALL—
Baseball is getting under way; the meeting held to organize the two leagues revealed that there would be some good competition. The Martin drug nine has jumped the gun a little and has already played one game against the Anton all stars, ending out a 9-10 victory. A good early season guess is that the drug store boys will take the title this year. Their lineup, consisting of Nelson, 2b, Baird, 3b, Anderson, ss, Wigginton, 1b, Watson, lf, p; Thompson, cf, Ramsey, cf, Bunyard, rf, and Payne, c, consists of some men who have had considerable experience with country baseball teams during their summer vacations.

TRACK—
Dell Morgan should be able to place more than one man on the track who can win a place in the conference meet to be held in Tucson this year. Laurence Priddy was the only man to win a place in the '33 meet, that was in the mile run, (it was not a first place).

DANCING ATHLETES—
Miracles do happen, Miss Zella Riegel is finally about to get those football and basketball men to learn to dance for their stage show that will be put on at the high school auditorium next Wednesday night at 8 o'clock. Any time a bunch of college athletes take to the stage to do songs and dances, there is going to be something worth witnessing.

An editorial carried recently in the Tempe, Arizona college paper says that the Border conference is the "goat" for letting Texas Tech stay in the loop. They declare that Tech is only using the Border conference to stay in the association of colleges and to have some standard of rules to follow. To leave such implications is indeed not showing the proper respect to the conference. That writer must stop to consider that Texas Tech did not even ask for entrance the last time they attended a Southwest conference meeting. The Tempe writer insinuates that the Border conference is not as good as the Southwest loop; what else could he mean when he says that Tech is using it as a stepping stone to the Southwestern league. Even if a member of any conference thinks, or even knows, that his conference is not quite as good as some other one, he should at least not come right out in a newspaper and say so.

The same writer didn't seem to like Lomer Nelson's selection of an all-Border conference basketball team. He seemed to imply that Nelson was wrong in putting four Tech men on the team. About the only reason that we can see for not putting five Tech men on the selection is that many people might not know that it was an all-conference team if there was not at least one variation.

"Moon" Martin and "Bear" Curfman put on a grand show in their burlesque wrestling match at the national guard armory Tuesday night. Too bad the thing had to end in a draw, with both men working as they did, someone should have received some great prize. Curfman is getting to be quite popular with his "Burlly" wraaslin' performance. Only recently he and Bennie McWilliams stole the days show at the Texas Tech invitation boxing and wrestling tournament. Martin seems very good at "Doc" Muehler's famous sleep hold. "Bear" had a very nice little rest, said that he had some wonderful dreams. Maybe that is the reason the match ended in a draw, Curfman had a rest while Martin was standing agashed waiting for the "Bear" to awaken.

Coach Issues Call For Spring Grid Training

Cawthon And Smith Will Return This Weekend To Begin Six Weeks Of Training

When coaches Pete Cawthon and Russell Smith return from their trip to Purdue and Notre Dame, they will have a lot of new ideas in football to start teaching their boys when they take the field Monday afternoon for a six weeks' season of spring training. Coach Cawthon will be starting the task of re-building a team for the 1934 season after losing 11 regulars last fall.

Ready To Go
Regular practices will start Monday afternoon at 4:30 o'clock, with no time taken out for speeches, planning what to do, etc., as Pete Cawthon does not believe in waiting around to start his football when the time comes to commence. There will be approximately 50 candidates out the first day, with a steady increase expected the first week. There will be 17 letter men available for the spring work around which Cawthon can build a team. There will also be at least 15 good freshmen prospects who will be making the old men better, or taking their positions from them.

Word comes from Cawthon that he would like to have a very large squad out for the spring work. He extends a personal invitation to all boys in school who are interested in football to come out. He writes: "Please announce that I am very anxious to have LARGE squad out for spring work March 26th. Other schools are having from one to five hundred out. Tech should have 100—so I especially invite ALL BOYS who are interested to come out."

Road Trip
The spring training work will be climaxed April 28 with a practice game against the Sul Ross teachers college at Alpine. There is a possibility of two other games on this trip, one against the Texas School of Mines at El Paso, the other against New Mexico Aggies at Las Cruces.

There will be 17 letter men back for spring work, with the eleven graduating out to help the coaches in coaching and demonstrating to the new men. Coach Morgan will not be with the spring footballers, as he is coaching the track squad. The letter men who will report Monday are: E. Gilmore, Sam Jones and Malcolm Martin, ends; G. B. Morris, tackle; Woodrow Wilson, Walker Nichols and Gainer Davis, guards; Laurence Priddy and Elmer Fortner, centers; J. V. Beauchamp, Ed McKeever and Adrian Cairk, quarterbacks; Gwynn Dowell, D. M. McElroy, Ted Wilson, and Martin Harris, halfbacks, and "Bear" Curfman, fullback.

Promising Fish
Some of the most promising freshmen who will report include: Hale, Spear and Ramsey, ends; Jesse and Lester Browning, "Bull" Kotroila, and "Holbert" Holcomb, tackles; "Tubby" Graves, guard; Tom Wigginton, center; Charlie Duval "Nubbin" Reese, Baze, Garrett, Winters, and Nell, backs. There will also be several of the intramural stars who showed greatest ability in the winter games out for varsity play. In addition to these there will be squad men from last fall's club who will be battling to win positions in their second year of competition.

Coaches Cawthon and Smith will return to Lubbock some time this week-end. Advance notices have been sent to the boys to be ready to start what is to be one of the most intense spring trainings ever held at Texas Tech.

Grid Game With Louisiana Tech Is Called Off

The game between Louisiana Polytechnic Institute and Texas Tech for 1934, to have been played in Ruston, Louisiana, has been cancelled by request of the Bulldog officials.

Due to the great need for a new stadium, the Polytechnic institute athletic officers felt that they could not afford to bring the Matadors to Ruston for the scheduled game. The contest was to have been the second in a two year contract. The first, played here last fall, was won by the Matadors, 40-10.

The second game on the Matador schedule for next fall, one with McMurry Indians of Abilene will probably be changed from Abilene to Sweetwater. McMurry requested the change, saying that due to

Turn From Gridiron To Stage

The above members of the 1933 Matador football team will appear as song and dance men in the Double "T" Sports Revue, to be held at the high school auditorium next Wednesday night at 8 p. m.

Intramural Baseball Plans Made

BY JIM LINDSEY
Intramural baseball leagues were formed and managers of the clubs composing the circuits were announced by Coach Dell Morgan at a meeting in the gymnasium Tuesday. Forty candidates for berths on the various teams were in attendance.

The independent league is composed of five members. Students living in the territory from Seventh street south to Broadway and from Avenue T west to College avenue will make up one unit of the circuit. Jesse Holmes, junior student, was chosen as manager of the club. Larry Ternary, freshman from Pampa, was named manager of the nine to be selected from those dwelling between Broadway south to Nineteenth street and from Avenue T west to the campus. All students living outside of these localities will make up the third member of the loop, to be led by George Skinner. Captain Jack Dalton will direct the army entry in the circuit. Los Ratos was named as the last member of the independent league. Eli Harris, gridiron warrior, will guide this club through the current season. These rosters will carry fifteen men.

Six Clubs In Loop
Six social clubs on the campus will make up the social circuit. Los Camaradas will be guided by Merle Jones while Jimmie Lauderdale was given the task of leading the Wranglers toward the championship. At the helm of the Centaur diamond artists, Rob O'Hair. "Sonny" Schultz, star twirler of the Silver Keys, was selected to lead his associates. The manager of the Kemmas and College club representatives were not announced at the meeting.

The personnel of each club must be in the athletic office by Saturday. Players appearing on these rosters cannot change their membership. great competition among college football teams in Abilene, they felt that they could not draw enough crowd to pay for bringing the Tech team there. The game can be played in Sweetwater, as arranged by Ed Williams, business manager of Tech athletics, and the chamber of commerce of that city. The game will be played on the same date as arranged for Abilene, September 29.

bership after this date, Coach Morgan stated. Registration in the college is the only qualification for playing in the loops.
Season Opens March 26
The schedule for the independent league will be announced by Coach Morgan. The bid will be priced off the current season when the Centaurs mix bats with the College club nine, March 26, on diamond one in the initial game. The first round of the season will end April 5. The winner of the championship will be determined in a series between the winners of the circuits.
In preparation for the baseball season, a new diamond has been constructed on the site of the old playing field, just north of the football practice field behind the gym. The work was done by Tech

Cadets Finish Vote For Queen Friday

Dorothy Vandagriff, Lois Watson, Madeline Neves, Gene Dubberley, and Allene Carey, candidates for cadet queen were in the reviewing stands when the cadets paraded Friday afternoon.
The cadets in each battery are casting their votes for queen at the regular class meetings, and the name of the girl elected will be announced Friday afternoon after the last class has voted.

Five Matador Basketmen On Honor Teams

Arizona university, with three men placing on the first five, wins first place in the coaches choice of an all-border conference basketball team. Dr. Emel Larsen, conference commissioner, tabulated the poll given by the coaches. The members of the first team are: forwards, Byrne, Arizona, A. Crews, Texas Tech; center, Walton, New Mexico university; guards, Johnson, Arizona, Filburn, Arizona.

The selection of the conference teams was made by the coaches of each team in the loop. While Arizona placed three men on the first team, they placed none on either the second or third group.
Three Mats Second
Members of the second team include: forwards (three named), J. Baird, New Mexico Aggies, Gilmore, Texas Tech; Biggs, New Mexico university; center, Robinson, Texas Tech; guards, Priddy Tech; Lilloco, Tempe teachers college.

Honorable mention was given to: Crumley, Flagstaff, Caplinger, Tempe, L. Crews, Texas Tech, Overson, Flagstaff, forwards; Barton, New Mexico university, Fuller, Flagstaff and Evans, Flagstaff, guards and center.
Arizona, Tempe, and Flagstaff were the only three teams in the conference to play every other team, otherwise the results might have been different. However, each player on the first or second team received the vote of four or more coaches for either first or second team choices. According to Dr. Larson, the important factor in choosing the stars was their consistent, all-round play, and not merely brilliant spurts.

Favorites Look Good In Early Season Tennis

With favorites coming through victorious, the men's singles tennis tournament is proceeding into the third and fourth rounds today. Outstanding early season form was absent in the matches played in the first and second rounds.

Symes, Taylor, Trust, Glover, Coddell, Shaw, M. Gordon, Deering and Robinson, tournament favorites, have come through with wins to stay in the running. Roberts, one of the favorites, was upset by Elder, former star at the University of New Mexico, in a third round match.
Coach Polk Robinson has requested that all entries play off their matches immediately. All quarter and semi-final contests are scheduled to end Saturday after-

Martin Drug Nine In Early Victory

Playing in a blithering sandstorm, Martin's Drug opened the baseball season by defeating the Anton Independents, 3-10 at Anton Friday, in a seven inning tilt. The Martin nine won the intramural title last year in a play-off with the Wranglers.
Although the drug store boys had not worked out prior to the game, they turned the contest into a track meet. Every member of the Martin nine connected for a circuit blow with the exception of Payne, Ramsey, centerfielder for the victors, hit three home runs.

The Martin drug line-up: Nelson 2b, Baird 3b, Anderson ss, Wigginton 1b, Watson lf, p; Thompson lf, p; Ramsey cf, Bunyard rf, and Payne c.
The final dual matches will be played Sunday.
According to Coach Robinson, after the tournament champion has been chosen, the best prospect will be selected and a ladder singles tournament arranged.
Regular varsity workouts will commence next week.

K. M. Renner and M. G. Pederson of the dairy manufacturing department inspected a new cheese plant at Levelland Tuesday.

Coaching School Teaching Staff Completed

Pete Cawthon Will Present Most Colorful Lineup Ever Offered In Summer Session

Will Bring Several Of Country's Greatest College Mentors To Tech Campus

BY ED MCKEEVER

Three Texas Tech coaching schools of previous years, with enrollments totaling approximately 1,198 students, have been conceded by mentors in general and athletic experts in particular, as being the finest of their kind ever organized, but for the cream of the All-American coaching crop—listing only names of men who have built championship teams—the 1934 school to be held on Tech Campus from July 30 to August 11, will be without an equal.

First there is Fritz Crisler, brilliant young mentor of the Princeton bulldogs, whose teams won nine games without a defeat last season smothering the Columbia Lions 21-0, and were hailed as the surprise team of the East. Crisler will give a course in the single wing formation. He smilingly admits that he has no definite system of play, "except fitting the system to the material on hand, and sticking to fundamentals and superior blocking."

Kipke Back Again

Harry Kipke, still in his early thirties, is one of the top ranking coaches of the country and is being brought back by popular demand to demonstrate the short punt offense. His Michigan Wolverines playing the best eleven in the country, won seven games and lost only one the past season. The modest, former Michigan All-American, through his straight, clear-cut lectures was the hit of last year's school.

Noble Kizer, rating with Kipke as the most popular instructor at the 1933 school, will teach the Notre Dame system of play again this summer. An All-American guard and one of the "mules" of Notre Dame's immortal "four horsemen" brigade, Kizer took over the head coaching job at Purdue when only 29, and has been kicking at the Big Ten throne room every since. He missed the championship in 1930 by the margin of two mis-

ed kicks, tied for the title in 1931, placed second in 1932, and won six, tied one and lost one last year, hanging up a winning average of 880 over a period of four years. Not once has his team been shut out.

Warner System By Dietz

One of the immortals of the famous Carlisle Indians, Bill Dietz, former Haskell Institute coach and present mentor of the Boston Braves professional team, will show the double wing back style of offense. A former player, coach, and ardent pupil of Pop Warner's, Dietz has used the double wing system with remarkable success in both college and professional play.

Harry Newman, rated the greatest quarterback of recent years, an All-American with the University of Michigan in 1932, and winning the same honor in the professional league as a member of the New York Giants last season, will demonstrate quarterback play, the forward pass, strategy and drills.

Another "mule" of Notre Dame, Rip Miller, line coach at the U. S. Naval Academy, will show the technique and fundamentals of line play. Miller was an outstanding favorite at the 1932 school and his line at the Navy is considered one of the best in the East.

Koegen And Krause

Playing the best teams of the country the Notre Dame basketball team rolled up 22 consecutive wins this season for a new college record. The coach, George Koegen, is without an equal as a basketball mentor of the country. His high winning percentage over fifteen years rivals the record of the Notre Dame football teams. The Notre Dame of the Irish attack has been Ed "Moose" Krause, three times All-American basketball center and twice All-American football tackle, who will assist in both basketball and football demonstrations.

"Indian" Schulte, University of Nebraska's veteran track coach, whose teams have won six Missouri Valley championships in the last twelve years, will lecture and illustrate his track and field methods.

Minor Sports

Berry Whitaker, with 17 year's experience at the University of

To Teach Here

Harry Newman, who will teach at the 1934 Texas Tech coaching school.

Texas, will discuss the essentials, routine and methods of physical education.

Roy Henderson, widely known member of the Texas university staff, will devote his time to lecture and study on the explanation of the rules on the Texas interscholastic league.

D. M. Bulock, recognized as one of the foremost trainers of the Big Ten, will speak on training and show the proper technique for taping, massaging, health and injury treatments.

COLLEGES ENDORSE SKIING

WASHINGTON, N. H.—Increased interest in skiing and week-end outings was shown here at the Intercollegiate Outing Club Association, especially among representatives of girls' colleges here. The opening of new ski trails throughout New England, northern New York and the Pocono mountains has given new impetus to this sport. Delegates from Yale, Dartmouth, University of Swarthmore and the University of Maine attended the conference.

A critic is a person who looks for the cloud in front of every silver lining.

Morgan Will Have Larger Track Squad

Thirty-Seven Men Are Out For Thinly Clad Team; Prospects Are Brighter

Prospects for a winning track team for the 1934 spring season looked very promising as 38 candidates answered Dell Morgan's initial call for all interested in the track and field sports. Sixteen freshmen and 22 upperclassmen answered the call.

At the meeting coach Morgan discussed the meets to be held during the season and the prospects for a team here this year. After announcing the time for the issuing of equipment and workouts on the center path, the meeting was adjourned.

Despite the sandstorm, the varsity thinly-clad held their first workout Friday afternoon. Most of the time was spent in perfecting the start from the white marker. Limbering up exercises started the practice and laps around the track brought the session to a close.

With the continuance of the sandstorm through Saturday, the their workout until Monday. The freshmen were forced to postpone routine of their work will be much the same as that of the varsity men.

Veterans Back

Several members from last year's squad put in their bids for berths on the team as they appeared for the first drill. The Austin brothers, Lindsey and Fleming, will be seen in action again, doing the 400 yard dash and as members of the relay team. They are both letter men from last year. Epperson, member of the relay team last year, was out to get in trim for the coming meets. C. Brown, Priddy and Cantrell will display their wares again in the mile run. McElroy, football speed demon, will join J. V. Beauchamp, also a fleet-footed little footballer, in the dashes. Owen,

Dowell, Smith and Cowan will take turns at the discus, shot put and javelin for the Matadors.

Fleming, who has earned track letters at Tech in former years, but was not in school last year, is back to see if the team will be as hard to make as it was a few years ago when he ran wild in the distance runs. Cowan will appear again this year on the vaulting pole for the Techmen.

Good Fish Prospects

Morgan finds that he has many good prospects among the freshmen who are reporting. Jim Neill, star Picador footballer and former outstanding track star of Brownfield high school, is trying for the hurdles, discus and shot put. Neill is the lad who ran so wild in everything that he entered in the Tech relays in 1932. Clois McGuire, who once set a state record in the 220 yard low hurdles, will be out to offer his competition.

The tracksters will participate in the Border conference to be held at the University of Arizona in Tucson May 12 and 13. The tentative schedule includes six meets, with Simmons, New Mexico university, Canyon teachers and others appearing on the calendar.

May Meet Texas

Negotiations are being held with Texas university for a dual meet with the Longhorns, who have already shown that they will undoubtedly have the strongest track team in the Southwest conference this year.

Varsity men reporting for practice were: Epperson, Frank Neill, Milton Davis, C. Brashuar, T. G. Defee, Glen Reed, Woodrow Montgomery, Lindsey Austin, Fleming Austin, Bill McMurry, Travis Dickson, Baily Hair, Thomas Kral, Cowan, Truett Owen, Fleming, Priddy, Claud Brown, Cantrell, Beauchamp and McElroy.

The freshmen include: Travis McGuire, Bob Case, Henry Mosely, Lee Gordon, Charles Wilson, Morris Daine, Kendrick Green, Wright Epperson, Clois McGuire, Owen King, E. O. Christianson, Simpson, Burrus, Neill and Caldwell.

QUALIA RETURNS TUESDAY

Dr. C. B. Qualia foreign language department head, returned Tuesday from Austin, where he attended a meeting of the foreign language curriculum committee of the Texas

Date For Double 'T' Show Changed

The date for the Double 'T' Sports Revue has been changed from March 23, as was announced last week, to March 28. The change was necessitated because of a conflict in dates at the high school auditorium.

The prices of admission are 40c for adults and 25c to students holding athletic tickets. Tickets are being sold by members of the varsity and freshmen football teams and the basketball men. Students have the privilege of purchasing as many tickets on one athletic ticket as they desire.

Ray Morrison Gets The "Razz" On Grid Tactics

Dallas, March 15.—It isn't often a college football coach can laugh off criticism but Ray Morrison, head mentor at Southern Methodist university, had to chuckle at a remark his daughter, Mammie, made.

Morrison donned a nondescript uniform and spent a large part of the afternoon spring session demonstrating the finer points of blocking. Mammie slipped into the stadium to watch the practice and at the dinner table she exclaimed: "Daddy, you sure did look funny out there this afternoon showing those men how to block; they were doing it better than you all the time!"

MACCABIAH ATHLETES RECEIVE INVITATION

NEW YORK, N. Y.—College athletes of all classes, both men and women, are being invited to enter their names for the International Maccabiah meets to be held in Palestine, Syria, Egypt, and the capitals of Europe next year. David White, head of the American section, has notified all entrants to forward their names for outdoor and indoor trial events. Outdoor preliminaries will be held in September of this year; indoor preliminaries in February 1935.

Teachers' association. Appointed by the State Board of Education, the committee met to discuss problems of teaching foreign languages in Texas colleges.

Watch out for the telltale signs of jangled nerves

Other people notice them—even when you don't—little nervous habits that are the danger signal for jangled nerves. Get enough sleep—fresh air—recreation—and make Camels your cigarette, particularly if you are a steady smoker. For remember, Camel's costlier tobaccos never jangle your nerves—no matter how many you smoke. So it pays to watch your nerves.

COSTLIER TOBACCOS

Camels are made from finer, MORE EXPENSIVE TOBACCOS than any other popular brand of cigarettes!

How are YOUR nerves? THIS FREE BOOK WILL TELL YOU

Shows 20 ways to test nerves—all illustrated. Instructive and amusing! Try them on your friends—see if you have healthy nerves yourself... Mail order-blank below with fronts from 2 packs of Camels. Free book comes postpaid.

CLIP AND MAIL TODAY!

CAMELS—SMOKE AS MANY AS YOU WANT... THEY NEVER GET ON YOUR NERVES!

TUNE IN! CAMEL CARAVAN with Casa Loma Orchestra, Stoopnagle and Budd, Connie Boswell, Every Tuesday and Thursday at 10 P. M., E.S.T.—9 P. M., C.S.T.—8 P. M., M.S.T.—7 P. M., P.S.T., over WABC-Columbia Network

New! New! Whispers Spring--

What man, woman or child, regardless of position in life, does not respond to the feeling of spring with a yearning for something new to wear, new to do, new to live and plan for. Spring, most bewitching of seasons—when every bud and chirping bird says dress up, clean up, be gay. Spring—when Winter's dreams take form in vibrant action—when every being feels Nature's urge to buy new things, to wear new things—to enjoy life to its fullest.

Test Tube Elects Officers Monday

John Lowry was elected first vice-president of the Test Tube, chemistry society, Monday evening in a meeting of the society in room C101.

Other officers chosen were Carl Hoefs, second vice president; James Ripps, secretary; and Edwin Parker, treasurer. Other candidates were Clifton Crawford, Howard Schultz, Howard Hurmence and W. A. Griffith.

The president and publicity director will not be elected until the fall semester. Oquin Meyers now holds the office of president.

Following the election two motion pictures were shown. "Man Against Microbes" and "The Manufacture of Wire Products" were titles of the reels. Frank Spuhler was in charge.

PRESS CLUB WILL MEET
Members of the Press club will meet in room 314 of the Administration building at 7:30 next Monday night to discuss plans for the Southwest Journalism congress to be held here April 20 and 21.

HOW WAS YOUR TONGUE?

Perhaps it was coated, but let's forget that. You take a bath to get rid of B. O.; you gargle three times a day; brush your teeth and watch out for pink tooth brush. What are you after that? A social success, of course!

It's getting to a point where you can't even comb your hair without somebody trying to make you a social bug. But there is still one thing you can count on other than your fingers, and that is Carlton Thomas—he won't guarantee you to be letter perfect. But it WILL help.

Former Students Are Parents Of Daughter

A daughter, Marcia Ruth, was born to Mr. and Mrs. James G. Holcomb March 18. Mrs. Holcomb is the former Faye Kemp. She received her B. S. degree in home economics from Tech in June, 1930. Holcomb was graduated from the engineering division the same year. They are now living at Denton,

Texas, where Holcomb is in business.

STANGEL SUPERINTENDENT

W. L. Stangel, professor of animal husbandry at Tech, will serve as superintendent of the baby beef division during the Lubbock Quality Meat show to be held March 28, 29, and 30. Ray C. Mowery, associate professor of animal husbandry, is to be judge.

HERE'S YOUR INVITATION . . .

It's always nice to give the girl friend a bit of refreshment after the show or dance. Or if you just want to have a friendly little chat, bring her around for coffee and those good French pastries in one our quaint and secluded booths. You'll like the booths as well as the coffee. M-m-m-m. Try it on your next date—but be sure you get her home on time.

for a "CLEAR" Easter! SHEER Ingrains
—by McCallum

Of all days, Easter's the day when your stockings should be as clear and sheer as possible. Pull on a pair of these exquisite ingrainings and feel the gossamer glamour of really luxurious stockings! Every silken thread is dyed before the stockings are made—that's why you notice such an extra-even, transparent texture.

Three styles, all in the new McCALLUM Master Colors, blended to go with Easter costumes.

—about Cigarettes

Practically untouched by human hands

WE'D like you to see Chesterfields made. We know you'd be impressed by the absolute cleanliness of our factories.

The tobaccos are the best that money can buy.

Expert chemists test for cleanliness and purity all materials used in any way in the manufacture of Chesterfield cigarettes.

The factories are modern throughout. Even the air is changed every 4½ minutes.

When you smoke a Chesterfield you can be sure that there isn't a purer cigarette made.

In a letter to us an eminent scientist says: "Chesterfields are just as pure as the water you drink."

Inspectors examine Chesterfields as they come from the cigarette making machines and throw out any imperfect cigarettes.
