Rodeo First Nighters See Fast, Smoothly-Run Show

Probably 5,500 persons looked on Wednesday evening when the setting of a couple of good times ushered in Big Spring's 15th Annual Cowboy Reunion and Rodeo.

First nighters got to see a fast, smoothly-run string of performances in a near-perfect coliseum. The conclusion of the first go-round comes up at 8 o'clock this evening with other cowboys trying for some of the \$3,400 purse and prizes.

Best time of the evening was turned in by Royce Sewalt of Brownwood in the professional calf roping event. Sewalt, 1946 calf roping champion of the world, shackled his animal in 17.2. A close second timing event went to Paul Young of Lovington, N. M., who laced up his calf in 17.6, and coming in third was Mack Yates, Jr., San Saba, with 17.7. Big Spring's Sonny Edwards trailed fourth with 18.

St. Laurent May Be New Canada Head

OTTAWA, Aug. 5. (AP) — Louis Stephen St. Laurent, Canadian minister for external affairs, emerged a heavy favorite today to become Canada's next prime minister, but the race is still wide open.

Most of the delegates to the National Liberal party convention opening today are uncommitted. The convention was called to name a successor to Prime Minister W. L. Mackenzie King.

James Garfield Gardiner, minister of agriculture, is the second leading contender. The convention's primary responsibility is to select a new party leader. King has said he wants to retire after more than 20 years in office. He has served as the elected head of a British commonwealth country longer than any other person in history. He first was elected prime minister in 1921 but his leadership has had two breaks in service.

Under Canada's political system, the leader of the dominant political party automatically becomes prime minister. The liberals now are the strongest party.

King plans to remain as prime minister for a few months after his successor is chosen to give him time to find his political feet. And some think the convention may ask King to continue as leader, at least until the next national election in 1950.

St. Laurent, 66, is a suave corporation lawyer. King brought him into the cabinet in 1941. He is said to be the personal choice of King and most of the cabinet.

Gardiner, however, is one of Canada's ablest politicians. He is 65. A farm-born westerner, he has been in politics most of his life.

Truman May Start His Campaigning In Detroit Speech

WASHINGTON, Aug. 5. (AP) — President Truman said today that Detroit is among the cities he has under consideration for opening his presidential campaign.

Mr. Truman told a news conference he has not mapped out his campaign plans—the program is just not ready yet.

A group of labor leaders have invited the President to open his campaign with a labor day speech in Detroit, and he said he is considering it.

He couldn't say whether he contemplates a speech in Wisconsin. Truman wouldn't comment when a reporter asked whether he thought his Republican opponent for the presidency, Gov. Thomas E. Dewey, had been "negligent" in not using his influence with Congress for the passage of legislation recommended by the administration.

Solon Declares Uranium Supply Sent To Reds

Story Details Are Withheld By McDowell

WASHINGTON, Aug. 5.

(AP)—A story of uranium—raw material for atomic bombs—being shipped to Russia during the war was told today to congressmen investigating Communist activities in the government.

Rep. McDowell (R-Pa.) told it, but withheld details.

It came as the whole issue of congressional hearings on the Communists flared into a first class row between the White House and Capitol Hill.

These were developments:

1. Rep. Rankin (D-Miss.) proposed that the House Un-American Activities Committee call in Henry A. Wallace for questioning. He said it appeared communists got into "key positions" in the Commerce Department while Wallace headed it. Acting Chairman Mundt (R-S.D.) said the matter would be considered.

2. Alger Hiss, former State Department official, went before the House committee at his own request and swore: "I am not and never have been a member of the Communist Party." Whittaker Chambers, who says he is a former Communist, testified two days ago that he knew Hiss to be a member of the "Red underground" in Washington.

3. Samuel Klaus, a lawyer with the State Department, told a Senate investigating committee that Commerce Department officials knew William W. Remington was the subject of "an active investigation for espionage" when they hired him. Remington has been in a job where he helped pass on what goods should be shipped to Russia. He is now under suspension while being investigated.

NEW PRESSURE

Reds Put Up More German Road Blocks

BERLIN, Aug. 5. (AP)—Border police said today the Russians are putting up more road blocks on the British-Soviet zone border near Luenberg.

A dispatch from Hamburg, reporting this development, said small roads crossing the border in the area are being closed. The Russians are digging ditches through the roads and felling trees across them, the police said.

The Russians said 43 trains would be made available for exhibitors and buyers from Western Germany at the Leipzig Fair in their zone late this month. A U. S. transport official predicted no train would be permitted to leave the American zone for the fair unless the Berlin blockade is lifted.

Train traffic to and from the Russian zone was cut off last month in retaliation for the Berlin blockade.

Three Americans who wandered into the Soviet zone of Berlin were released after the Russians held them three days. A fourth man still is being held. The U. S. provost marshal's office said.

The United States and Britain stepped up their air lift yesterday. The Americans smashed their own record again yesterday, carrying in 2,104 tons of supplies in 303 flights. U. S. Air Force headquarters said. The RAF made 242 flights in the same 24-hour period, carrying an estimated 1,000 tons.

American, British and French envoys conferred for three hours in Moscow last night on their next step in negotiations with Russia.

Talks Set Today

WASHINGTON, Aug. 5. (AP)—Rep. Worley (D-Tex.), author of a bill to increase the size of Amarillo veterans hospital, plans to confer today with Veterans Administrator Carl Gray about the hospital. He said he would invite Gray to visit the hospital this fall and see for himself how badly the proposed expansion is needed.

KEFAUVER PROVIDES CHALLENGE

Tennessee Primary Expected To Test Crump's Machine

NASHVILLE, Tenn., Aug. 5. (AP)—Tennessee Democrats and Republicans name their choice for United States senator and governor today in a primary election expected to provide a major test for the E. H. Crump Democratic organization at Memphis.

Crump's endorsement of a candidate in the past has meant anywhere from 40,000 to 60,000 Shelby County votes, and the candidates he had supported have almost always won.

In today's democratic primary, Crump is backing Gov. Jim McConcord for a third term and Circuit

Judge John A. Mitchell for U. S. Senator.

Rep. Estes Kefauver is Mitchell's opponent and he confronts the Crump Shelby County organization with one of the sharpest challenges it has faced in more than a quarter of a century.

Also seeking the democratic nomination is Sen. Tom Stewart, out for his third term. It is his first try without Crump's endorsement.

Crump threw his decisive Shelby County support to Stewart six years ago, but shouldered him aside this year in favor of Mitchell. Stewart's aggressive campaign,

however, has aligned with him many organizations which heretofore have followed Crump's lead.

House Passes GOP Anti-Inflation Bill

Truman Program Is Completely Blocked

WASHINGTON, Aug. 5. (AP)—The House today passed a Republican anti-inflation bill after blocking any consideration of President Truman's limited price, rationing and wage control program.

The vote was 264 to 97, or 23 more than the two-thirds necessary for passage under a suspension of the rules that limited debate to 40 minutes, and barred all amendments to the GOP measure.

Just before its passage, President Truman assailed the bill as "feeble compromises" in the fight against inflation, and some Democrats predicted a prompt veto.

The bill was sent to the Senate,

Senate Group Throws Out Housing Bill

WASHINGTON, Aug. 5. (AP)—The Senate Banking Committee today threw out a housing bill prepared by a Senate-Home subcommittee and voted to send an amended version of the Taft-Elliender-Wagner bill to the Senate floor.

Chairman Tobey (R-NH) said the surprise action was taken by a 7 to 5 vote.

Sen. Flinders (R-Vt) offered the motion to substitute an amended version of the T-E-W Bill for the subcommittee bill drafted principally by Sen. McCarthy (R-Wis.). The T-E-W bill contains provisions for slum clearance and public housing. The subcommittee bill did not.

It was understood before the committee meeting that McCarthy's measure had been given tentative approval by key Republicans in both houses. It was designed principally to spur production of low cost homes and large-scale rental properties. It did not provide for government-financed housing.

McCarthy told reporters he will fight on the Senate floor to substitute the subcommittee measure for the approved bill.

He predicted that if the Senate passes the modified T-E-W Bill there will be no housing passed at the extra session.

Mercury Drops Over Texas

The weather bureau calls it a "large mass of cool Canadian air" but to Texans, it's just wonderful.

Cool temperatures were breaking records left and right throughout most of the Lone Star State. It's last at least through tonight but regular Texas weather may return tomorrow, the bureau said.

The Dallas temperature dropped to an unheard-of 65 this morning—lowest August 5 temperature ever recorded in Dallas. The previous low was 70 in 1920.

A bureau spokesman said there was no doubt records were being broken in a similar manner in many another Texas city.

Along with the relief from the heat, the Panhandle and Del Rio areas had showers, but there was nothing which warranted much more than what the weather bureau calls a "trace" of rain.

This morning's lowest reading was 60 at Amarillo and Pampa—a far cry from yesterday's Texas high of 103 at Crystal City. For tomorrow the forecast is for warmer weather in the north portion of East Texas and in West.

WHO'S WHO AT THE ZOO

Scientists Match Wits With Beasts

NEW YORK, Aug. 5. (AP)—Four university psychologists are busy on a new research project—in the Bronx Zoo.

They're trying to find out about animal brainpower and behavior. Obtained for the job by the New York Zoological Society, the psychologists expect to find out such things as:

Whether humming birds prefer red flowers.

Why the gorilla beats his chest.

Why sea lions hate to have their offspring learn to swim.

The research team believes their study will help uncover some of the secrets of the evolution of intelligence.

Each day, they go through a complicated process of matching wits with the beasts.

The experiments include such procedures as testing whether a chimpanzee can choose a string with

a grape on the other end of it whether an elephant can remember that an apple is tied to a string that terminates under a piece of black paper instead of white paper.

Two of the psychologists—Dr. Bernard Riess, assistant professor of Hunter College, and Samuel B. Lyerly, instructor at the University of North Carolina—sleep in the zoo at night.

The other two are Dr. Herbert G. Birch, assistant professor at the City College of New York, and Dr. Sherman Ross, associate professor at Bucknell University.

The psychologists already have learned a little about how to get along in the animal kingdom.

For instance, said Dr. Riess, it wits with the beasts.

The experiments include such procedures as testing whether a chimpanzee can choose a string with

SIGNS STATEMENT — Broshay Franklin, 35-year-old Negro from Austin, signs a statement late Monday night, admitting he fought with Arden Johnston, 42, Fort Worth, who died earlier in the evening. Sheriff R. L. Wolf and County Attorney George T. Thomas, who secured the statement from Franklin, look on. Johnston, a machinist, had been working on the S. R. Vinson farm near Elbow for 10 days prior to the time he was discovered unconscious in a clump of weeds below the Gregg street viaduct. He died, presumably of internal injuries, three days later in a hospital here. (Jack M. Hayes' photo).

DISGUSTED WITH UNIONS

Met Opera Quits After Squabble

NEW YORK, Aug. 5. (AP)—The internationally famous Metropolitan Opera has cancelled plans for its 1948-49 season after failing to reach agreement with unions representing its employees.

Officials of the Met, one of America's most distinguished musical institutions, said union demands for wage increases could not be met.

Declaring it was faced with a "large deficit" for the coming season, Opera Associated said:

"To increase this deficit by meeting further demands involving still higher costs of production would, we believe, be imprudent to the point of irresponsibility."

Last year's deficit was \$220,000. Previous economic crises have been met by personal contributions by directors of the Metropolitan Opera Assn. and by public contributions.

Closing of the Met, on whose stage the world's most celebrated singers have performed, stunned opera lovers and artists alike.

Some did not believe the association would stand by its decision, which would mark the first time in 50 years the Met has not presented a season of opera.

An association spokesman, however, indicated the decision, was final.

"This business of long drawn-out negotiations with the unions has been going on 'every year,' he said. "The directors think it is time to meet the issue."

The cancellation brought an immediate protest from Local 802 of the American Federation of Musicians (AFM)—one of several with which the Met has failed to reach agreement.

Food Price Resistance Up

WASHINGTON, Aug. 5. (AP)—Increasing resistance to rising food prices was reported today by the Agriculture Department.

Demand for milk and most dairy products was said to have weakened in many parts of the country during July. Likewise, there was a shift from red meats, now at record price, to such substitutes as eggs and poultry.

Department reports also showed that speculators shared consumers' lack of interest in butter at current prices.

"Speculative . . . caution was attributed largely to the current sold consumer demand, difficulty in financing storage ventures, and prospects that August production would exceed last year's when drought sharply reduced midwestern output," the reports said.

Although fluid milk supplies produced for metropolitan areas were smaller than a year ago, there was a surplus which had to be diverted to manufactured dairy products. The department said consumer demand for the fluid milk—also at record levels for the month—was relatively slow. However, evaporated milk was a strong market item.

'INKY' INFANT ON RUGGED SIDE

SOUTH BEND, Ind., Aug. 5. (AP)—The smallest surviving baby in the history of South Bend Memorial Hospital tipped the scales at just over two pounds today—23 days old.

Little Jeannette Dzikowski—named for her mother but called "Inky" by her parents because she still lives in an incubator—is described by doctors as normally hungry and active baby. But she gets food through tube placed in her throat to relieve her of the effort of eating.

Polio Spreading Rapidly Over U. S.

WASHINGTON, Aug. 5. (AP)—Infantile paralysis is spreading in more than half the states of the nation, with North Carolina, Texas and California suffering epidemics.

The public health service issued a report yesterday which showed that figures for the week ending July 31, for the month of July and for the year up to the end of last month all topped the scores for 1946—second worst polio year in history.

North Carolina had 212 new cases last week against 206 the previous week; California had 224 and 192; Texas 82 and 68.

These states had more than 100 cases for the seven months ending July 31: North Carolina, 1,103; California, 1,027; Texas, 980; New York 190; Ohio, 177; South Carolina, 124; Nebraska, 122; Oklahoma 119; Florida, 116; Virginia, 113; Illinois, 113 and New Jersey, 103.

Tribesmen Said Revolting In China

NANKING, Aug. 5. (AP)—An official source said today several thousand tribesmen on the Szechwan-Sikiang border had revolted.

The spokesman said the Yi tribe, centered about 100 miles southwest of Chengtu, attacked national garrisons staffed by some 2,000 troops.

Government reinforcements were rushed to the scene. One report said a peacekeeper for the government forces was held hostage by the rebels.

Extradition Hearing

BATON ROUGE, La., Aug. 5. (AP)—Gov. Earl Long has set next Tuesday for an extradition hearing for Mrs. Theresa Weikert, who is wanted by Orange authorities.

She is charged with the pistol whipping of Mrs. Burton Roan there last May 18th. Her home is in Lake Charles, La.

TEXANS IN WASHINGTON

Stevenson And Johnson Keep Names In Headlines While Visiting Capitol

By TEX HANLEY
WASHINGTON, Aug. 5 (AP)—Both of Texas' candidates in the runoff race for U. S. Senator were in Washington last weekend and gave Texas newspapers here a taste of the political campaign reporting they used to do in the Lone Star State.

Rep. Lyndon B. Johnson was attending the special session of congress. Former Governor Coke Stevenson came up to "observe" things in the capital.

Stevenson called his trip "non-political"—but obviously his very presence here and any utterance was news, and news with a bearing on the Aug. 28 Democratic run-off primary election.

Rep. Lyndon B. Johnson of the Austin-District, Stevenson's opponent in the contest for the seat now held by Senator W. Lee O'Daniel, has as good a news sense as most any reporter. So, he left no stone unturned in digging up news to keep himself on the front pages alongside the amiable ex-governor.

After the initial stories of his return for the special session on, along with predictions of run-off victory, Johnson arranged a conference with Defense Secretary James Forrestal.

At the meeting they discussed the preparedness program in general, with emphasis on Texas angles such as the assembly of flying-wing jet bombers at Fort Worth.

Stevenson, not to be outdone, was

meeting at almost the same moment with State department officials, and the next day held his own confab with Forrestal.

Interspersed with news, Johnson would take a few pot shots at his pipe-smoking opponent. They were subtle, but with a little barb. Coke usually had a comeback. For example:

At one press conference Johnson observed that a check of records shows that since the turn of the century Texas had sent only one man to the senate, for his initial term in that body, who was 60 years of age or older.

He called attention to the fact that the exception, the late Senator Andrew Houston, had died 24 days after taking office. (A son of the original Sam Houston, the senator was appointed by the then Governor W. Lee O'Daniel, and died a week after his 57th birthday. That was in 1911.)

Johnson is 39, and throughout his campaign he has emphasized his youth, contending he has ample vigor for the job along with an opportunity to build up much seniority in the years ahead. He also emphasized his 11 years experience in the house.

Stevenson replied: "Well, I can't help my age. Everybody knows my age."

"I think that in these critical times the country needs men of mature judgment and experience in office. Especially mature judgment."

"As far as experience is concerned, I think holding the Governor's office is qualification recognized by both parties."

Reporters told Stevenson that Johnson announced his intentions to concentrate during the run-off campaign in the spots where he (Johnson) had been weakest on the first vote, principally the big cities.

"I'll just concentrate all over Texas," jibed the former governor.

Stevenson picked up a moral supporter promptly after arriving here, a taxicab driver in this voteless city.

The cabbie heard questions of reporters who rode with Stevenson from the depot to the hotel. As they neared the hotel, the driver whipped out a notebook and got Stevenson's autograph.

Texas members of Congress carefully avoided getting in a position of appearing to favor either Stevenson or Johnson. Their colleague.

Only Rep. Clark Fisher of San Angelo was in a position to be particularly cordial to the visiting ex-governor, without any undue political significance being attached to it. He is Stevenson's congress-

man, since junction is in the San Angelo's district.

Fisher had Stevenson to lunch in the House restaurant seated at a table near them, incidentally, were two Longview business men

Crucial Series In Texas Loop Open Tonight

By WILBUR MARTIN
By The Associated Press

Four crucial series open tonight to give the Texas League an almost forgotten air of suspense. Dallas moves into Oklahoma City with rock bottom as the prize; Tulsa gets its biggest chance to whistle Fort Worth's five-game lead, and the Houston-San Antonio, Shreveport-Beaumont pairings can change the fourth place occupant.

Shreveport moved within half-game of fourth-place San Antonio last night by blanking Dallas, 1-0. The defeat left the Rebels only half-game ahead of last place Oklahoma City, which lost a 6-3 decision to Houston.

Fort Worth shutout Beaumont, 2-0, and Tulsa outlasted San Antonio, 6-5, to set the stage for the next three days.

Bob Austin won his 18th game when he set Beaumont down with five hits and squeezed in the final run in the eighth inning. The Cats had scored first in the fourth.

Clarence Iott held Shreveport to three hits, but a bold gamble by Jack Richards paid off for the Sports in the first inning. Richards stole home for the game's only run. It was the tenth defeat for Dallas in the last 13 games.

Dick Mulligan, recently traded to Houston by Dallas, turned in a good job of relief pitching to protect an early Houston lead.

Tulsa made seven errors, but Tommy Tatum's ninth inning double provided the winning margin.

The shift in sites has Oklahoma City, Tulsa, San Antonio and Beaumont as host teams.

States Righters To Open Campaign

JACKSON, Miss., Aug. 5 (AP)—States' Rights Democrats will open their national campaign in Kentucky—home state of democratic vice-presidential candidate Alban Barkley—next week.

Plans to invade the Kentucky ballot battle were announced last night by national

who were guests of Rep. Lindley Beckworth of Gladewater. They were Earl J. Calk and G. P. Craig.

East Texas District Judge Clyde Smith of Woodville, a friend and supporter of Stevenson, sat beside the West Texan in the Senate spectators' gallery. They sat in the section reserved for friends and relatives of senators, having been escorted in by Senator Tom Connally.

A recent report of the Bureau of Internal Revenue showed that Texans paid \$1,283,059,480 (B) in federal taxes in the fiscal year ended June 30.

Personal income taxes accounted for \$786,745,307 (M) of the total corporation taxes amounted to \$2,82,000,000. Payroll taxes amounted to \$78,000,000 and excise taxes on such items as train tickets, telephone calls and luxuries totaled \$156,000,000.

Congressman J. M. Combs of Beaumont won't go along with Bolters.

"I'm not trying to suggest what all other Democrats should do," he says.

"But as far as I'm concerned, I'm not supporting any third or fourth party; I'm not in favor of walking out and turning our party completely over to people I don't agree with."

Tucker Agency Is Announced

Announcement of the establishment of a dealership here for the new, rear-engine Tucker automobile was made today by Ray Moser. Moser is moving here from Amarillo to handle the agency. He said he is negotiating for permanent quarters, but temporarily will be in room 1104, Settles hotel, to handle inquiries and other affairs in connection with the new Tucker setup.

Although exact date of a showing of the Tucker is indefinite, Moser said indications are that models may be available soon for public display.

The highly publicized Tucker will be an offering in the medium priced field, yet boasts a 166 horse power engine. It is only five feet from road to roof. Most distinguishing feature is the location of the engine at the rear.

Bollworm Problem Becoming Acute In Soash Section

Bollworm infestation in the Soash area is acute in isolated fields. This is the word from County Agent Durward Lewter, who said that in the Gene Cates field the degree was up to 25 per cent and about as heavy as he had seen since he became farm agent in this county.

Four miles away in the Vealmoor community, scarcely any bollworm damage has been reported.

Lewter recommended prompt spraying or dusting with 10 per cent DDT and sulphur mixture for effective control on the current cycle, which will expire this week.

U. S. Protests China Travel Permit Order

NANKING Aug. 5 (AP)—The U. S. Embassy today formally protested a Chinese police order requiring Americans to obtain inland travel permits.

The protest specified that Chinese in the U. S. are not required to obtain such permits. The protest further charged the order was a violation of the Sino-American treaty of friendship.

Braniff Airways Reduces Rates

MEXICO CITY, Aug. 5 (AP)—Aerovias Braniff (Braniff Airways) has been authorized to reduce rates between Nuevo Laredo, Mex., and Laredo, Tex., the communications department said last night.

The rate reduction is six cents on weights from 2.2 to 98.8 pounds and four and one-half cents less on packages weighing more than 9.9 pounds.

Galileo, who was born in Pisa, Italy, used the famous tower to demonstrate his principle that objects of different weight fall at the same rate of speed.

TO THE PUBLIC

Our cab fares have been held at the same level since 1940, and during all that period costs have climbed to the point where it is absolutely necessary for us to make a revision of charges.

- Effective August 9, 1948, the following fares will be in effect:
- Former 25c Zones Will be 35c, and extra passenger charge will be advanced from 10c to 15c per passenger.
 - Former 35c Zones Will be 50c, with 15c for each additional passenger.
 - Former 50c Zones Will be 75c, with 15c for each additional passenger.
 - Airport and City Park Will be adjusted from 75c to \$1.00, and the 25c additional passenger charge remains unchanged.
 - Cosden Refinery Will be \$1.25 instead of \$1.00, and the 25c additional passenger charge remains unchanged.

We trust the public will understand that increased capital charges and a great advance in operating costs require these adjustments. It will be our aim to continue providing you with fast, efficient and courteous cab service.

THIXTON'S CYCLE SHOP ONE OF BEST EQUIPPED IN WEST TEXAS

Motorcycle owners throughout the Southwest have declared the Cecil Thixton Cycle Shop in Big Spring to be the best equipped establishment of its kind in West Texas.

Thixton, who also serves as distributor for Harley-Davidson motorcycles in this area, operates under the slogan "We Sell the Best and Repair the Rest."

The local firm, which is located at 908 West Third street, is the only motorcycle repair facility situated directly on U. S. 80 between Fort

Worth and El Paso. Consequently, many cyclists from other parts of the country schedule stops there when they are travelling in this area.

Thixton also is a booster for his home town. When he contributes to any one of the several magazines published for motorcycle enthusiasts, he always mentions that his shop is located in Big Spring and that Big Spring is located where the two longest highways in the country, U. S. 80 and U. S. 87, cross.

Thixton markets all Harley-Davidson models, which include two big twins, one medium-sized twin and the small Harley-Davidson 125, a powerful, compact unit that travels 100 miles on one gallon of gasoline.

He also provides sales and serv-

with the Super-Balloon casing acquire much of the style and comfort of the 1948 styles.

Other Firestone tires available to the public include Super-Champion and Firestone Standard, both of which have become very popular with the motorist. Like the Super-Balloon, the two tires carry a lifetime guarantee.

New tractor tires made by Firestone have been developed for use in fields where traction is a problem due to spongy ground.

Tractor operators in field tests, demonstrations and actual crop work have found that it is practically impossible to bog down equipment mounted on the new Firestone Champion Spade Grip tires, even when pulling heavy implements and despite extremely unfavorable weather conditions.

Besides offering the best in all kinds of tires, the local Firestone store also had on sale all types of household appliances as well as automobile accessories.

Western Folk Don Garb And Pack Grandstand For Opening Rodeo

Western folk all know it's rodeo time in Big Spring and they don't waste time donning the chick garb of said season! At least, a peep at the population gave so much indication. Whether the fan be one month old or eighty years old, most turned out to pack the grandstand, bleachers and fences at the opening night of the 15th annual Cowboy Reunion and Rodeo. The bleachers were filled before 7:30 o'clock.

Housewarming And Gift Showers In News At Stanton As Well As Visitors

STANTON, Aug. 5. (Sp.)— Mr. and Mrs. Jack Bentley and small daughter of Texon have moved here and recently purchased a residence in the north part of town. He is employed as bookkeeper at Alsip Chevrolet Company. Mr. and Mrs. B. F. Sanders of Pecos visited with their daughter and family, Mr. and Mrs. Dale Kelly a short time Saturday as they passed through on their way to Big Spring. A surprise housewarming was given by hostesses, Mrs. Dale Kelly, Mrs. W. E. Kelly, Mrs. Ohmor Kelly and Mrs. Wallace Kelly for Mrs. C. C. Kelly Friday night. A large crowd attended and a selection of gifts were given to the honoree. Mr. and Mrs. Kelly moved into their new farm home recently. Out of town guests were Mr. and Mrs. John Telly Atchison and family, Mr. and Mrs. J. W. Smith, all of Midland, Mr. and Mrs. Dave Carter of Big Spring. Mr. and Mrs. Dick Hitson and son Dicky of Breckenridge were here over the week-end attending business. Betty Spinks of Abilene has gone to Kermit this week to visit other relatives and will return by here on her way home. Mr. and Mrs. Dudley Anderson left Sunday for Ranger to be at the bedside of his mother. Friends here were notified Tuesday that she had died and will be buried today. Mrs. George Billy Wilkerson and son, Sammy Don is visiting this week with her sister, Mrs. Lloyd Hastings and family in the Courtney community. Gene Davis attending Nursing school in Dallas arrived Tuesday to spend her week vacation with her mother, Mrs. Ann Davis. Mrs. Ada Baize of Midland is visiting friends here this week and is attending the Church of Christ meeting. On a chartered bus arriving from Colorado City with N. H. Norris as sponsor, a few of our Boy Scouts left to spend the week-end in the Davis Mountains. Those going were Bobby Shankle, Wayne Butcher, James McCoy and Billy Rowden.

Several Sports Entertain Class

Horseback riding, swimming, rabbit hunting and eating were among the activities the Anti-Can't Sunday school class of the First Baptist church participated in at a party Tuesday evening at the country home of Dr. and Mrs. Otto Wolfe.

Girls of college age attending were Marjorie Moore, Evelyn Hudleston, Charlene Tucker, Ruth and Martha Hobbs, Babe Snyder, Melba Preston, Mamie Jean Meador, Lina Jane Wolfe, Frances Weir and Arlys Atkins. Mrs. J. F. Jones, teacher, and Jackie Bramwell, youth director, were the chaperones. On the program was a demonstration of life-saving techniques by Babe Snyder and Martha Hobbs. Later in the evening, Mrs. Otto Wolfe led in a discussion of how to send clothes and food to the needy peoples of Europe.

Philathea Class Has Luncheon

Mrs. Harold Parks' group was hostess for the Philathea class luncheon at the First Methodist church Wednesday noon. Assisting in the group were Mrs. Tom Slaughter, Mrs. Charles Watson, Mrs. W. N. Norred and Mrs. Albert Smith. Mrs. Marie Stewart gave the devotion on "God's Light". During the business session, Mrs. Jake Bishop, Mrs. Garner McAdams and Mrs. Albert Smith were appointed to serve on the nominating committee for new officers. Pink and red roses were decorations for the white linen laid tables. Those attending were Jane Watson, Mrs. Paul Darrow, Mrs. Iva Humeycutt, Helen Humeycutt, Mrs. A. J. Butler, Mrs. R. B. Reeder, Mrs. Gus Brandon, Mrs. Lina Fiewellan, Mrs. W. C. Carr, Mrs. Bill O'Neil, Mrs. Roy Carter, Mrs. Jake Bishop, Mrs. Fred McGowan, Mrs. M. E. Ooley, Mrs. Aisie Carleton, Mrs. S. H. Newberg, Mrs. Ben Smith, Mrs. J. D. O'Barr, Mrs. J. B. Apple, Mrs. T. G. Adams, Lucille Hester, Mrs. Maxine Lowrey and Mrs. H. B. Crocker.

A baby shower was given at Mrs. Paul Jones home Tuesday honoring the new adopted son of Mr. and Mrs. Emmitt Pittman. Hostesses were Mrs. Jim Sales, Mrs. T. Y. Allen, Mrs. Edmond Tom, Mrs. Lewis Roten, Mrs. Elmer Long, Mrs. Allen Kaderli, Mrs. W. E. Fuguy, Mrs. Pat Orren, Mrs. Alton Ledbetter, Mrs. B. F. White, Mrs. C. B. Jones, Mrs. Ed Williamson, Mrs. Guy Eliand, Marjorie Louder and Mrs. Paul Jones. The hostesses presented little Virgil Dwin with a baby bed. Music was played through out the evening by Mr. Edmond Tom. Marjorie Louder poured punch and Mrs. Williamson presided at the register. The program included a song, "Little Curly Head" by Mrs. O. B. Bryan and a poem "When the Baby Smiled" by Mrs. Grace Jones. Forty guests attended and out of town visitors were Mrs. Margaret Moffett of New York, Mrs. Chad, Mrs. L. M. Maddox of Celso.

Visits-Visitors

Rev. and Mrs. Charles Thrawl of Hammond, Ind. will arrive today from San Antonio to visit with Rev. and Mrs. John E. Kolar. The Thrawls are enroute to their home in Indiana. Lewis Earl France of Benton Harbor, Mich. is here visiting in the Kolar home. Mrs. Andy Price of Odessa has returned home after visiting her twin sister, Mrs. A. C. Kloven. Mr. and Mrs. Kloven and son, Alfred recently returned from a vacation tour covering 14 states in the North and Midwest. Mr. and Mrs. C. L. Wasson left Tuesday to spend a 10-day vacation in various parts of New Mexico. Mr. and Mrs. Jack Wilcox of Belin, N. M., will arrive this weekend for a visit with Mr. and Mrs. T. E. Jordan. Visitors in the M. Weaver home this week are members of R. H. Weaver's wedding party: Grover Cunningham, Jr., of Austin, Fred Jones of Bonham, Richard Fowler of Memphis, Allen Barnard of Lamesa, and Creed Coffee of Alice.

Many horses cut up during the grand entry and EARLYNN WRIGHT'S is one we could name. Riding with her were MARY GERALD ROBBINS, SUE CAROL WASSON and BETTY HEWITT. The American Business Club members looked bright with their club red shirts. Among those who were assisting with the mechanics of the various concessions were ROY REEDER, MERRILL CREIGHTON, HARVEY WOOTEN, TED PHILLIPS, JACK THOMPSON. MR. AND MRS. ROXIE DOBBINS and redheaded daughter, BEVERLY (complete with jeans and plaid shirt) arrived early enough to get good seats. Spied MR. AND MRS. PAT STASEY and their young daughter, PATRICIA. She was wearing her jeans and cowboy shirt. Just before the show began at 8:15 p. m. MR. AND MRS. OTIS GRAFA, SR. carrying their grandson, followed by MR. AND MRS. OTIS GRAFA, JR. and MR. AND MRS. JACK MURDOCK arrived. Shivering and wishing for coats before the show was half over were MRS. J. A. ETHERIDGE, MRS. B. N. RALPH, MRS. WEATA GREEN and NATALIE MARTEZIE. Among other interested spectators were MR. AND MRS. ERNEST BROOKS, MR. AND MRS. JOHN CHANEY and granddaughter, JUNE A N N JOHNSTON, CHOCK SMITH, PAUL RICKER and MARLJO THURMAN, MR. AND MRS. DON BURHAM, MR. AND MRS. MORRIS ROBERTSON, and young son, MR. AND MRS. J. B. WHEAT, PATSY ANN TOMPKINS, MR. AND MRS. CHARLES TOMPKINS and son, MRS. JAMES BROOKS and FANNIE STEVENS. A good rider, BEVERLY VAUGHN looked experienced riding beside her father, DOYLE VAUGHN in the parade and grand entry. It always is nice to see ANNABELLE TAYLOR riding in a Big Spring rodeo. She was wearing a gold outfit and riding a good mount. She clocked 20.7 in the Cowgirls Clover Leaf Race. When do peanuts, popcorn, cotton candy and soda pop taste better than at a rodeo? MR. AND MRS. BURL CRAMER and daughter, DONNA FAYE were trying them all. (Me, too!). Saying greetings as they climbed to the top of the stand were MR. AND MRS. LOU CARROTTERS, MR. AND MRS. J. C. WAITS, JR. and MR. AND MRS. J. C. WAITS, SR., MRS. HAYES STIPLING, JANE STRIPHLING and escort, WESLEY STRAHAN. One of the best rides in the bareback bronc riding, at least the most thrilling, was that made by JIM BRANNON of Ozona. JACK and BOBBIE KNAPP of Van Nuys, Calif. were superior in their aerobic trick roping act. Must not fail to mention how nice the COAHOMA BAND looked in their new uniforms of gray and red. They furnished music in the grandstand during the show.

QUILTING BEE... This circular quilted skirt in rayon tricort knit sharkskin is one of the season's hits because it combines crispness and drapability, and resists wrinkling. Worn over a play suit, it's perfect picnic garb.

EAT PLENTY AND TAKE OFF UGLY FAT

Many people have reported amazing results with this home recipe. It's easy—no trouble at all and costs little. Just go to your drugist and ask for 4 ounces of liquid Barcostrate. Pour this into a pint bottle and add enough grapefruit juice to fill bottle. Then take two tablespoonfuls twice a day. That's all there is to it. If the very first bottle doesn't show the simple, easy way to lose bulky fat and help regain slender, more graceful curves; if reducible pounds and inches of excess fat don't just seem to disappear almost like magic, from neck, chin, arms, bust, abdomen, legs, calves and ankles, just return the empty bottle for your money back.

Lost 47 Pounds
"When I commenced to take Barcostrate, I weighed 212 pounds. I now weigh 165. I lost 47 pounds on the first two bottles. I feel so much better after losing that weight. I think it is a wonderful medicine and thanks to Barcostrate."—Mrs. George Greer, Chalmers Courts 4, Apt. 1, Austin, Texas.

Lost 20 Pounds
"I lost 20 pounds taking four bottles of Barcostrate and I feel fine."—H. M. Green, 112 25th Street, Corpus Christi, Texas.

Fourteen Courses Are Added By HCJC

Fourteen new courses and one new course of study are listed in the Howard County Junior College bulletin, now off the press.

The vocational agriculture department has been strengthened greatly with the addition of courses on forage and pasture crops, farm dairying, farm poultry, breeds of livestock, and care and management of livestock. This more than doubles the offerings in the department and fits in with the announced policy of strengthening the vocational arm of the college in fields where the demands are strongest.

That accounts, too, for the addition of two courses in the department of business administration. One will be an introductory course to business problems and the other a course on mathematics of accounting. Also to meet an expanding need, two courses have been added to the department of education and psychology. One of these is on curriculum problems in the elementary school and the other is theory and practice in the elementary school.

Although German was added to the curriculum last year, it is listed in the catalogue for the first time. One is a basic course, another is German for science and premedical students, and the third for those who wish to do advanced reading in the language. In the language department, Spanish courses remain the same.

Two courses are added to the department of industrial education—advanced machine woodworking, cabinet millwork and finish.

The new course of study, announced previously, is listed under a department of business education. It is designed for the student who wishes to complete his formal education in 18 to 22 weeks. The courses are terminal and intensive and provide training in specific fields of the student's choice. Sometimes called "cycle" courses, they gain this name from the facility with which students may come and go. It is possible for students to enter the department at any six weeks period. They may leave at any period end, or they may continue until they have completed the cycle.

Calendar for the college year calls for a faculty meeting on Sept. 15, registration of students on Sept. 16-17 with classes to begin on Sept. 16. First holiday is Nov. 11 with Dec. 25-26 set aside as Christmas holidays. College resumes Jan. 3, 1949 and the fall semester exams are set for Jan. 19-22; registration of students for the spring semester Jan. 24-26; classes to start Jan. 26; Easter holidays April 15-18; spring semester exams May 25-28; baccalaureate May 29 and commencement May 30.

Rodeo

Knapp of Van Nuys, Calif. Some 185 steeds trod the arena in the grand parade.

Jess Slaughter, who headed up the parade committee, expressed thanks to all who made the event a success, both the participants and the law enforcement officers who helped to keep it moving in an orderly fashion. He added that plans were already in the making to make next year's still bigger.

Following are the best four performances in each event:

Calif. roping—Joyce Sewall, Brownwood, 17.2; second, Paul V. Lovington, N. M., 17.2; third, Mark Yates, Jr., San Saba, Tex., 17.1; fourth, Sonny Edwards, Big Spring, 16.4.

Cowgirl's Clover Leaf race—Tris Dorsett, Sweetwater, 19.5; second, Rosemary Beck, Talpa, 20.3; third, Aimey McElvray, Odessa, 20.5; fourth, Thana May Pharr, Seymour, 20.4.

Steer wrestling—Bo Chesson, Beaumont, 18.1; first, Dub Phillips, San Angelo, 18.0; second, James Byrum, Washburn, 17.4; third, Bill Barton, Abilene, 28.1; fourth, Bill Burt, Belton, 28.1.

Bull riding—Bud Humphrey, Belton, first; Roy Calloway, Raymondville, second; Bill Walker, Belton, third; Lloyd Burt, fourth.

Five riders tied.

Bareback riding—Bill Barton, Belton, first; W. N. Rice, Brooksmith, second; J. E. Bradshaw, Paducah, third; Roy Calloway, Raymondville, fourth. Three riders unseated.

Saddle bronc riding—Bob Whitelide, Imperial, Calif., first; Paul Gould, Sweetwater, second; B. Bradshaw, Paducah, third; W. N. Rice, Brooksmith, fourth. Four riders thrown.

Howard County calf roping—Rip Batley, 36.7. No other time.

Junior Boys Bull Riding—No judging.

Riding—Included: Robert Melvin Griffith, Harold Choate, Russell Long, Kenneth Williams, Bob Stewart.

Cutting horse contest—No judging.

Writers were Jess Everett, Snyder; Sonny Edwards and Bozie Gable of Big Spring, and Margaret Montgomery, Odessa.

T&P Eagle Will Change Schedule Through B'Spring

When the new Eagle schedules go into effect along the T&P on Aug. 15, Big Spring will have an afternoon instead of an evening westbound train.

This is the principal change to be brought into effect by the new timetables. Train No. 7 (westbound) will arrive at 5:55 a. m. and get out at 6:15 a. m. and No. 1 (the Texas Eagle, which replaces the Sunshine Special), arrives at 3:30 p. m. and departs for the west at 3:45 p. m. Under present schedules it (No. 11 now) arrived here at 10:30 p. m., but the Eagle is set to arrive in El Paso at 10:15 p. m.

On Eastbound schedules, the No. 2 (Eagle) will arrive at 9:30 a. m. instead of 7:15 as at present, and will depart at 9:45 a. m. No. 8 is unchanged, arriving at 10 p. m. and departing at 10:20 p. m.

Big Spring Granted Utilities Equipment

Although types and quantities still were unknown, city officials received word today that Big Spring had been granted some surplus utilities equipment at the former Army Air Field.

In a wire addressed to City Manager H. W. Whitney and J. H. Greene, chamber of commerce manager, Congressman George Mahon said he had been advised by the War Assets Administration that such a grant had been made to the city.

Whitney said details of the action probably would not be known until communication is received from the WAA.

The city applied for all water distribution equipment for use in bolstering and repairing the local system. At the same time a separate application was submitted in bid form for electrical equipment at the field.

Officials here were particularly anxious to obtain the water distribution equipment, and the chamber of commerce and several other organizations, including all civic clubs, submitted data in support of the application.

School Boards Sate Pre-School Sessions

Both the Big Spring Independent School District and the Howard County Junior College boards of trustees will meet this evening.

The city school board was slated to convene at 7:30 o'clock to consider matters pertaining to opening of the schools, election of some teachers to replace those who have resigned.

Half an hour later at the college, the junior college board is to convene for similar purposes and to hold a joint confab with the county board of trustees concerning operation of the Howard County Vocational School.

Entries Increase For Cycle Race

A record pace for entries was reported by the Big Spring Motorcycle club Thursday for its two-star motorcycle races here Sunday afternoon.

Elliott Yell, president of the club, said that eight additional entries from the amateur division came from out-of-town riders Thursday, bringing to 15 the total to date.

This does not include five local riders who have heretofore held back on entering the event because of lack of experience. But now, said Yell, they have had sufficient seasoning to mix it with the best the area has to offer.

Among them are Jim Bucklew, who will ride for the Indian Sales Service, Jack Ewing, who will ride for the Harley-Davidson shop, Eddie Harris, Bob Eisbach and Raymond Dennis.

B. K. Pounds, state referee for the American Motorcycle association, under whose sanction the nine-race event here Sunday is being run, is to be here.

Races are set to start at 2 p. m.

Vealmoor Pool Outpost Staked

Seaboard No. 1 Mamie Clinton, an 8,000-foot exploration for southwestern Borden county, has been announced.

Location will be 1,980 feet from the south and 600 feet from the west lines of section 20-32-2n, T&P, about one and one quarter miles northwest of the nearest of three completed Pennsylvania producers in the Vealmoor pool. Drilling is to start immediately and, of course, rotary will be used.

Seaboard No. 2 Caldwell, east offset to the discovery well, was at 7,730 feet in shale and chert. Some sources said that the test appeared to be running geologically high and that the pay horizon, picked at the Strawn in other wells, should be logged by the weekend. Location is in section 32-32-2n, T&P.

Seaboard No. 1 Zant, east offset to the No. 1 Dora Campbell, the heaviest producer in the pool, was below 5,005 feet in lime and shale was boring ahead.

WALL STREET

NEW YORK, Aug. 8 (AP)—The stock market moved forward at the start of trade today but soon lost its forward momentum. Although business slowed, gains of fractions to around a point were generally maintained.

Plus signs were well distributed, with steel, rail and oil issues holding a slight edge over the balance of the market. Early improvement was a carryover from late yesterday, when the market staged a last-minute sprint.

Two factors continued to receive credit for the upward trend.

First, prospects that the special session of Congress will soon adjourn without approving legislation might be considered hostile or unfavorable to business interests; and,

Second, further optimism over outcome of top-level discussions of the Berlin situation.

WHAT GIVES 'ROUND TOWN

This week we hate those who got to town with the rodeo boosters in their trips to surrounding cities on Monday and Tuesday. A whole day of western regalia, dancing in streets to string bands and clowning acts, ah, me... Making the itineraries were Bill Merrick, in his expected disguises; Jim Dean, Dublin man who visits Bill here from time to time; Mary Alice

Dorsey, Rebekah Lloyd, Jimmy Jones, Jean Pearce, Mary Gerald Robbins, Nancy Lovelace, John Currie, Bobby Wheeler.

Members of the 20-30 club or those who associate with them will remember Bill Raymond of Lubbock. Bill was among a group of Lubbock men who met here Monday evening with the Toastmasters club to pick up a few tips on the organization and work of such a group.

Ruby Dell Bell spent the weekend in Roswell, N. M. ... W. E. Eubanks is running about in a new Chevrolet as of Monday afternoon ... Cpl. Bobby Bell came in Tuesday evening to spend a few days from Randolph Field ... Joyce Bugg is due home some any time from a week's respite in Colorado, Washington and other states along that way.

Twoosoms at Saturday night's dance at the Legion Hut: Ethel Lomax, Bill Burnam (of Midland); Edna Shannon, Gray Birkhead; Marcelle and Bill Bell; Betty Baker, Art Franklin; Patsy Spikes, Russ Shannon; Lil Luce, G. C. Eroughton; Mary Nell Cook, Junior Gay; Juanita Sewell, Clark Sunday (from Tech); Peggy Uhart, Don Richardson; Mae Barnaby, Cecil Heith; Jo Barnaby, Dave Platt; Janice Corning; Bill Beauchamp; Mozelle Isaacs, Jack Gullif (of Monahan); Jean Duncan, Lynn Jeffcoat; Wanda Richardson, O. F. Priest; Helen Blount, Ned Dudley (med student from Galveston school); Kay Tollett, Jimmy Harlan (likewise a med student from the coast city); Beverly Stulting, Harry Davis (also a Galveston collegian).

Jimmy Harlan and Harry Davis were weekend guests of classmate Ned Dudley, who is spending the summer here and working at Malone and Hogan hospital. Ned is Dr. J. E. Hogan's brother-in-law.
