

Gracie Gives Serious Advice

Gracie Allen says her secret for looking young is being happy. But, she confesses, she has to diet to keep her figure. Gracie and her husband George Burns, star in a weekly CBS television series.

HOLLYWOOD BEAUTY

By Lydia Lane

HOLLYWOOD — Friends who have known Gracie Allen since her vaudeville days comment on how little she has changed. "How do you manage to keep your birthdays from showing?" I asked Gracie one afternoon as I visited her in her lovely Beverly Hills home.

Gracie explained in her distinctive voice that this was quite simple. "If you are happy, you feel well and if you feel well, you look well." And she added that having the right husband was the secret of her happiness.

"But what is the secret of a happy marriage?" I insisted.

"Consideration. I never take George for granted and I never ask him to wait on me. When he does, I always thank him. We have the same manners with each other as we have with friends.

"George and I are a rare couple because we really like the same things—all except golf," Gracie added. "But even if you don't have similar tastes, I think you should try to enjoy the same things."

A maid brought in tea and I noticed that Gracie used no cream or sugar.

"Are you dieting?" I asked.

"Yes," Gracie beamed. "I've lost four pounds and as I weigh only 101, percentage-wise that's a lot."

Gracie is only five feet tall but

she dresses to give the impression of more height.

I wanted to know if she followed any special diet.

"Yes," Gracie announced proudly. "It's one I made up myself. It works very well and I am staying on it as long as I am on TV. I weigh myself everyday and as long as I don't gain weight, I allow myself little indulgences."

"Such as?" I prompted.

"Gracie rolled her eyes. "I'm mad about potatoes but if I find my weight is up, I give up all starches. Then when I get back to normal, I indulge again."

"What do you consider your top beauty secret?" I asked.

"I'm not a glamour girl so I can't afford to neglect anything. I never leave the house without wearing my best clothes. And as soon as I come home, I have them brushed, aired and carefully put on a hanger so they don't get out of shape. I always put trees in my shoes the moment I take them off."

Gracie continued: "I'm a great believer in a stitch in time saves nine. Wash your stockings and girdles as soon as you take them off and if you don't let chores accumulate, you'll find being well groomed is an easy habit to cultivate and one which will bring you lots of compliments."

GRACIE'S DIET

Now you'll be able to get Gracie Allen's own "Basic Diet for Reducing and Maintaining Weight" along with Gracie's list of "indulgences" which turn the diet into a weight maintaining menu. Church Services Are Set; Methodists Complete Study

GARDEN CITY, (Sp1)—The first services will be held Sunday in the recently completed Pioneer Memorial Methodist Church, five miles south of Spraberry.

The Rev. J. P. Spowell, pastor of the Garden City Methodist Church, will also serve as pastor of the new church. He will preach his first sermon in the building Sunday at 11 a.m.

The service will mark the beginning of a week's revival, to be conducted by the pastor.

The Rev. Spowell has expressed the hope that following the revival the church can be officially organized.

The study of the Old Testament was completed by the Methodist WSCS when they met Monday in the home of Mrs. Roy Carter.

Mrs. J. L. Parker gave the opening prayer. Sketches of Biblical characters were given by Mrs. Will Simpson, Mrs. Edward Bryans, Mrs. D. W. Parker, Mrs. Carter and Mrs. Parker.

Mrs. Carter, leader, directed an examination following the program. Mrs. Bryans led the closing prayer.

Refreshments were served by Mrs. Simpson and Mrs. W. K. Scudday.

All junior and senior high school girls and their mothers are urged to attend the showing of the film, "Breast Self-Examination" at the school auditorium Friday at 2:45 p.m.

Dr. Floyd R. Mays Jr. of Big Spring will be present to answer questions. Mrs. Lorin McDowell, county chairman for the Cancer Crusade, has announced.

Among those giving coffees or teas to raise money for the Crusade have been Mrs. J. B. Calverley, Mrs. Jack Cook, Mrs. Alton Cook, Mrs. Vena Lawson, Mrs. Glenn Riley, Mrs. Fern Cox and Mrs. R. T. Newell.

It was announced that the Does will serve as hostesses at the Servicemen's Center. The group will sponsor a western party May 2 Admission will be 50 cents per person. Refreshments will be served to Does, Elks and their guests.

Plants For Texas Gardeners Suggested At Garden Club

Plants recommended especially for Texas gardeners highlighted Mrs. J. B. Knox's report of the national convention of Garden Clubs for the Big Spring-Garden Club meeting Wednesday.

Mrs. Knox, president of the local group, was the delegate to the convention, held recently in Houston. The Wednesday meeting was held in her home, 113 Lexington.

Mrs. Knox gave a resume of a speech by Mrs. Ben Neal at the president's breakfast, a celebration of the 25th anniversary of Garden Clubs.

Mrs. Neal recommended five

types of roses for Texas growers: Fashion, Ma Perkins, Chrysler Imperial, Dwight Eisenhower and Mamie. The last two are new types.

Mrs. Neal also suggested the Spider and Spoon type of chrysanthemums and the Regal and Reburn type of Niles, Comanche, a new annual, is also good for Texas gardeners, she said.

Mrs. A. Randolph Wilson of Waco was installed president of the Texas Garden Clubs, Mrs. Knox reported.

The local group voted to close the membership at 35 members, the present number. Mrs. Norman

Read was appointed chairman of the planning committee to investigate possibilities of forming a new Garden Club.

Twenty members attended.

Court Fight Resumes On Spraberry Flaring

By BO BYERS
AUSTIN (AP)—Oil operators and gas processors renewed their court attack today on the Railroad Commission's order shutting down the Spraberry field to prevent gas flaring.

Three top independent operators and the presidents of two processing plants testified yesterday they face severe losses if the policy is upheld.

John Barnett of Roswell said he would lose income of about \$41,000 a month from 35 Spraberry wells in which he has an interest and would be under threat of foreclosure on loans totaling \$900,000 for financing of those wells.

"I would be at the complete mercy of my creditors," he told Judge Charles Betts in 98th District Court.

Asst. Atty. Gen. C. K. Richards repeatedly objected to testimony about prospective loss.

He said such testimony was "speculative."

Others testifying on potential loss were Arch Rowan and Arthur (Tex) Harvey, Fort Worth and Midland oil operators; John Oley of Tulsa, president of Texas Gas Products Corp.; and Joe Wright of Tulsa, president of Anchor Gasoline Corp., which operates the Tex Harvey gasoline plant.

Harvey said he had invested vast sums of money in the interest of construction in the 500,000-acre Spraberry field and is heavily mortgaged as a result.

He said his Spraberry investments—oil wells, water company, crude-oil pipeline system, and gasoline plant—since drilling of the Tex Harvey discovery well have totaled \$5,400,000.

If his Spraberry income were cut off by the shutdown action a considerable time, Harvey said his consolidated bank debt of \$2,950,000 would be subject to foreclosure.

Betts allowed the testimony over Richards' objection.

A challenge of another commission order was injected into the trial when Plymouth Oil Co. contended the Benedum area at the south end of the Spraberry is separated from the rest of the Spraberry as an oil-producing structure.

Plymouth said if its contention is true, the Benedum area should be exempt from the shutdown if there is no wasteful flaring from the 150 Spraberry wells in the Benedum.

Richards objected. He said Plymouth had never before attacked the commission order combining the Benedum, Tex Harvey and Pembroke fields as a common reservoir known as the Spraberry Trend Area.

Betts upheld Attorney Ireland Gruber, who contended Plymouth had never been hurt under that combining order until the shutdown order was issued.

Plaintiffs in five suits were still putting on witnesses today, with the state yet to offer its side.

Commission Chairman Ernest Thompson testified yesterday that the field-wide shutdown was a new step, "a frontal attack" on the problem of waste of this natural resource.

Reorganization Of Departments Is Considered

WASHINGTON (AP)—President Eisenhower is considering a broad reorganization of the Defense and State Departments to increase their efficiency, and talked over his ideas today with congressional leaders.

Sen. Taft said after the White House meeting that there was general discussion covering such possibilities as:

1. Removing the Voice of America and associated information programs from the State Department and making them an independent agency.
 2. Transfer of the Point Four aid program from the State Department to the Mutual Security Agency. This program aims at spreading technical knowledge to underdeveloped areas of the world.
 3. Reorganization in the Defense Department to eliminate certain boards and give these responsibilities to civilian assistant secretaries. Taft said this included the Munitions Board.
 4. Approval of new procedures in the Defense Department to give the secretary of defense and the armed forces secretaries a closer grip on "what is going on."
- Taft said the meeting was taken up mostly by presentations of the reorganization proposals by Roger Kyes, assistant secretary of defense and Nelson Rockefeller, who heads a group of civilians named by President Eisenhower to study reorganization of the federal agencies.
- Taft said there was no discussion of the reported desire by some Republican leaders for a complete change in the membership of the Joint Chiefs of Staff. Some Republicans have said such a personnel change should be made to get a fresh approach to the problems of defense.

Gruenther Says West Lacking In Reserves

By ERNEST B. VACCARO
WASHINGTON (AP)—Congress was told today that Western military forces in Europe "probably could cope with any surprise Russian attack but lack the reserves to meet long-range requirements."

This testimony came from Gen. Alfred M. Gruenther, chief of staff to Gen. Matthew B. Ridgway at Supreme Allied Headquarters in Europe. Given at a closed session of the Senate Foreign Relations Committee April 1.

Gruenther asserted NATO's situation was "vastly improved" over what it was at the start two years ago when its leaders worried "we might wake up some morning and find the whole (Soviet and satellite) force just pouring through, with warning that was no more than a matter of minutes."

He cautioned against cutting foreign aid so drastically that the French and other Allies might fear "we are getting ready to pull out" of European defense.

Highly placed officials said Tuesday the Eisenhower administration is talking in terms of about a two billion dollar cut in former President Truman's \$7,600,000,000 foreign aid request for the year starting July 1.

Gruenther told the committee there are still four million men under arms in the NATO forces. Included are 175 land divisions, 20,000 operational aircraft and upwards of 300 submarines.

Of the 175 divisions, 30 are stationed in Europe, the large part in forward areas, with others on the Western borders of the Soviet Union where they "can be quickly brought up for reinforcement."

He called the Russian MIG15 one of the finest interceptor airplanes in the world, but said that in long range or strategic aircraft, "we have better types."

The NATO forces, Gruenther said, have "an emergency plan."

"That plan envisages the actions that would be taken if the Soviet force should move today," he said, adding:

"That doesn't mean that we necessarily have enough force now to meet this threat successfully. In fact, we think we do not, but you fight with what you have and you do the best you can."

A long-range plan, envisaging what the strategy should be, has been presented to the North Atlantic Council, he said.

"There are strains on the Soviet side, and particularly on the satellite side, but those strains, with the gun in the back keeping people in line, are not enough to give us any reason for believing that the empire is about to collapse in the fashion of the Roman Empire," he said.

Odessa Files Suit For Mishap Damages

Jose Orona of Odessa filed a \$316.19 damage suit in Howard County Court today against George W. Wilson. The suit results from a collision on Highway 80 near the Martin-Howard County line.

Orona alleged that the accident occurred when Wilson attempted to pass some other vehicles by swinging over to the left side of the highway. Orona was going west, and Wilson east.

The petition alleges Wilson was negligent by not keeping a proper lookout, driving on the wrong side of the road, not having proper control, not yielding right-of-way, and driving at excessive speed. John H. Hall is Orona's attorney.

Five Americans Are Arrested By Argentine Police

BUENOS AIRES (AP)—The U. S. embassy said today five U. S. citizens connected with Texas cotton firms are being held under house arrest by Argentine authorities in Resistencia in Northern Argentina.

The men were seized by 15 to 20 police Monday night. They were held in prison for 24 hours and then permitted to return to their homes and hotel but under house detention.

They are being investigated for presumed violation of Argentina national security, the embassy added, but Argentine authorities declined to say what illegal acts they are suspected of carrying out.

The five are Jesse Root, Argentine manager for the Anderson Clayton and Co., of Houston, E. R. Connally and G. E. Turbeville, both of the company's Houston office; James Griffin, in charge of a ginning operation for the company in Northern Argentina and Walter Stindt, also in the cotton business at Houston.

Police said at first they received a tip five cotton men were holding a public meeting without police authority as is required by Argentine law. Later, the accusation was changed to presumed violation of the law governing the security of the state. The prisoners were repeatedly questioned during the 24 hours they were held in jail, but they were unable to learn what was back of their detention.

Scurry Offers Funds To Improve Highways

AUSTIN (AP)—The Highway Department is considering new requests for road improvements with an eye on its dwindling funds.

"With higher construction and maintenance costs, and no more money from this session of the Legislature, we may have to curtail our construction program for the next two years," said chairman E. H. Thornton Jr., yesterday to several delegations.

Scurry County officials had one answer. They offered \$250,000 left over from their last farm-to-market funds to help finance six more F-M roads. The projects would total 28 miles and cost \$456,000. The commission said it would think the offer over.

Kerr County officials asked to have F-M 1273 cut from 3.9 miles to 2.5 miles, to end at the Peterson-Graham property line instead of Camp Maddox, due to right of way difficulties.

The commission offered to apply the curtailed length to some other area in the county that needed it.

A 20-man Dallas group again asked for widening and improving Highway 71 from Field Circle to the Dallas-Denton County line for 8.75 miles.

James Sewell, Navarro County judge, asked to have a 3½-mile gap to Winkler from F-M 246 closed. The cost would be \$69,300.

A U. S. highway four blocks from the center of town in place of the present one through town was asked by a Sherman delegation. They could promise 150 feet of right-of-way.

"It would have to be at least 200 feet before the federal government would give us funds," said D. C. Greer, highway engineer. The delegation offered to try to get the needed right of way.

An Amarillo delegation had five requests. They asked for a four-lane highway between Canyon and Camp Maddox; widening of northeast Eighth Avenue from Fillmore Street in Oldham County; widening of Highway 87-287 for a seven-mile stretch from northeast Eighth Avenue.

Two Men To Go On Theft Trial Friday

Trial of two men charged with theft of less than \$5 has been set for Friday morning in city court.

A third person pleaded guilty this morning to charges of shoplifting and was fined \$25.

Police said the shoplifter was arrested after he stole a bottle of bay rum from a downtown variety store. The pair accused of theft were taken into custody Wednesday after a length of garden hose was taken from another store.

Trial of a man on disturbance charges, resulting from a window peeping incident in the southwest part of town last week, has been continued until next Tuesday. The man's trial had been scheduled for Saturday, but was delayed at request of the defense.

Debt Suit Is Filed In The County Court

Bessie L. Piland, acting guardian for the Alice Merrick estate, filed suit for debt against Lad (A. W.) Caudle today.

The suit was filed in Howard County Court. It is alleged that Caudle has failed to pay a \$600 note due on Nov. 6, 1952. According to the petition, Caudle gave Allee Merrick a promissory note for the sum on Nov. 6, 1951.

Mild Weather Is Ncted Over Nation

By The Associated Press
Generally mild weather continued in most of the country Thursday.

There were some wet and cloudy spots but sunny skies were in prospect for wide areas. Showers fell in Southern New England, New York, Washington State and on the western slopes of the Rockies. Thunderstorms hit Eastern New Mexico and West Texas as a squall line moved eastward over the region.

Some cooler air spread southward over the Great Lakes and the Plains as far south as the Ohio Valley and westward into Kansas. Temperatures continued above seasonal levels. Readings were in the 90s in some parts of the mid-continent yesterday, including 98 at Garden City, Kan., and 92 at Guymon, Okla. The day's top was 99 at Presidio, Tex.

Baylor University Sets Up Scholarship

WACO (AP)—Baylor announced today the establishment of the E. S. Fentress Memorial Journalism Scholarship by Harlon Fentress, son and successor of the Texas publisher.

Dr. Guy Newman, promotional vice president, said the scholarship will cover full \$405 tuition for one year. It will be awarded to an outstanding Central Texas high school graduate.

Fentress, publisher of the Waco Times Herald and New Tribune and other Texas papers from 1917 until his death in 1951, is memorialized at Baylor also in the Fentress Library, a reading room in the Union Building.

Unloading Disrupted By Stevedore Dispute

HOUSTON (AP)—A dispute among longshoremen, a stevedoring company and Army officials has stopped loading of ammunition at the San Jacinto Ordnance Depot.

About 140 longshoremen were idle after the number of clerks working with loading gangs was cut last night from five to one.

Major E. A. Windebank, officer in charge of the ammunition pier, said the reduction was ordered to save government money.

This is an invitation to take your ease in a sampling of the 1953 Buick SUPER Riviera Sedan.

Talk about room (and you will!)—here is the roomiest six-passenger sedan made in America.

Here you will find headroom, hiproom, legroom and kneeroom so generous—big people beam.

The tall, the portly—and the in-between—they can all spread out and stretch out, and really feel unfettered.

But the marvel of this Buick roominess is the wondrous ease of handling that goes with it.

The world's newest V8 Engine is one reason—an engine so compact it permits a chassis with short turning radii, wider front tread, easier steering, better balance.

Twin-Turbine Dynaflo* with its dazzling new getaway and silky smoothness is another. Power Steering* is still another.

The thing to do, of course, is to visit us and try one of these great Buicks for room, for ride, for power—and for sheer comfort and pleasure. Why not make it soon?

Solon Charges Atomic Spending Cuts As Drastic

By RUSSELL BRINES WASHINGTON (AP)—Rep. Price (D-Ill) said today the new administration is planning to cut spending for atomic energy "to the bone" at a time when "the Kremlin is stepping up the tempo of its atomic effort."

Cuts of hundreds of millions of dollars will be made in former President Truman's two billion dollar atomic energy budget for the year starting July 1, Price said in an interview.

Price, a member of Cole's committee, cautioned Congress in a speech prepared for House delivery against "ill advised" funds cuts. He said he believes cuts already decided upon by the administration will be as deep as "any more reductions by Congress will affect the expansion program."

Three More Texas Soldiers Are Freed In Exchange Of Prisoners

By The Associated Press
A young wife jumped up and down with joy, and then cried tears of pure happiness.
A mother of eight sons—seven of them Marines—arose from her hospital bed and told fellow patients the glad news.
A teacher, feeling as if she "couldn't make it through the day," took on new life.
Their soldiers were free again—back in the hands of United Nations comrades. Hope had become reality.
Three more Texas fighting men

had been exchanged by the Communists Thursday. Pfc Samuel Armstrong, son of Mrs. Ida Barnes, San Antonio; Cpl. Jimmie Lacy, husband of Mrs. J. E. Lacy, Texarkana; and Navy hospital corpsman Thomas Waddill, son of Mrs. T. E. Waddill, Fort Worth.
Mrs. Waddill had almost lost hope her son was alive. A chaplain in Korea had written that there appeared to be no survivors of a Red attack in March from which her son was missing.
"I told my husband that after that it was just no use," she said. "He wasn't willing to give up though and kept hoping."
Like Waddill, the other two men had been in Communist hands a relatively short time. Jimmie Lacy had been reported missing March 28 after only two months in Korea.
His red-blond bride, Sue, 17, "just jumped up and down" and then settled down for a good cry when she learned her dark-haired husband was free.
Lacy's father, Otto, said Sue was visiting him and Mrs. Lacy when they first learned the news.
"Sue just jumped up and down and all around the place," Lacy said. "Then she started crying. And we began crying, too. We were so happy."
Lacy said his son lied about his age to get in the Marines. "Jimmie is just 17," he said.
At San Antonio, Mrs. Ida Barnes

jumped out of her hospital bed when told her son was safe. She has had seven sons in the Marines at one time or another. Recently three returned as Korean War casualties and two were discharged. Her other son plans to enlist in the Corps in June.
Mrs. Barnes, wife of a retired soldier, is at Brooke Army Hospital recovering from radium burns received under care of a physician.
T. E. Waddill at Fort Worth said his wife had been "sick as a horse, but she's all right now."
"I'm a teacher and had gone to school today and when I came home, I felt like I couldn't make it through the rest of the day. Then I heard this broadcast," Mrs. Waddill said.
She fell from a divan when her son's name was flashed on a television screen, her husband said.
Before Wednesday, three other Texans had been freed.
They were Sgt. Gerald Neighbors of Hereford, Cpl. Theodore Jackson of Palestine and Pfc. Eddie Vidal of San Antonio.
Sam Armstrong, 18, was the first of the Americans to arrive at Freedom Village. He said he reached the hospital seven days after he was captured on Vegas Hill, where bloody fighting occurred on the Western Front.
"He said he was exceptionally well treated. 'I know of 10 other Americans captured on Vegas who are still up there,'" he said.
Armstrong had a broken right hand and grenade wounds. He was notified two days ago that he was coming back, he said. Like some other prisoners, he said the medical treatment afforded by the Communists was "more than I expected." Sulfu drugs and penicillin were used.
Lacy told of the fighting at outpost Reno where he was captured March 28.
Mortar firing started at 6:15 a. m., he said. "We were on the outpost several hundred yards in front of our main line. We tried to get out of our position to defend the hill but we found the fire too heavy."

Gilmer-Aiken Repeal Bill Goes To House

By MARTHA COLE
AUSTIN (AP)—It's a hot potato—the bill repealing the Gilmer-Aiken public school laws dumped into the House's hands.
The House Appropriations Committee did it yesterday by approving a bill cutting out the very heart of the public school program the Legislature passed four years ago.
School teachers fought for that program then just as hard as they're fighting this year for a \$600 pay raise.
Nobody had paid much attention to the bill by Rep. Joe Burkett, Kerrville, to repeal the Gilmer-Aiken laws. The committee took it up; Burkett spoke for it; School Superintendent Fred Kaderil of San Marcos spoke against it; the committee voted it out. It was a voice vote, and three members asked to be recorded as voting "no."
"The Gilmer-Aiken program, the foundation fund, is socialism from the beginning," Burkett declared. Under the program the state guarantees the same education to a Texas child, whether he lives in a rich school district or a poor one. To do that, the state has to supply minimum foundation funds to help out the poorer districts.
What Burkett wants to do is reverse that whole principle. He would have the state spend 171 million dollars a year on public school education—then let the local district make up whatever else they want to give the kids.
"Let the local trustees decide how much they want to pay a

teacher, instead of the state," he said. (The state now guarantees a minimum salary.)
His figuring would give the schools about \$145 per student a year from the state. He figured that was about the same they're getting now.
Under Burkett's bill, the money would go to all districts, rich or poor, and the state wouldn't supplement poorer districts.
"That would bring back the old rural aid program—a political football for years," Kaderil objected. "It would make the richer districts richer and the poorer ones poorer."
"It will practically destroy all the small schools," he said of Burkett's bill.
Burkett said he thought the local school districts' trustees should decide whether they want a bus route.
The committee also approved a bill giving the state prison farm \$3,500,000 to build a new 1,000-unit prison at Eastham Farm.
The committee with the job of figuring ways to raise money for any increased state spending finished up its hearings on proposed increases on beer, oil, gas, sulphur and chemical taxes yesterday. A subcommittee headed by Rep. Joe Pool of Dallas, was assigned to the job of evaluating all the testimony and reporting back to the full committee Monday.

Chinese Put On Show For POWs

FREEDOM VILLAGE, Korea (AP)—Marine Pfc. Richard L. Owen of Buffalo, N. Y., said today the Chinese had decorated the roadside from Kaesong to Panmunjom with signs bidding returning Allied prisoners "Farewell, Quick Recovery" and "Bon Voyage."
He said the Communists also had placed signs around the Kaesong camp urging Allied repatriates to tell the "people back home that the Chinese want peace."
Another Marine, Pfc. Joseph Britt Jr., Long Beach, Calif., said that for the last couple of days at Kaesong the Chinese "had really put on a show."
"Oh, they put on the dog, man!" he exclaimed.
Britt said the Chinese gave him a fountain pen and two cartons of Chinese cigarettes. Then he emptied his pockets on the table before him displaying the pen, cigarettes, a mirror and other trinkets and said "look at some of the trash they gave us."

Just think of it!

You and I and one out of every four Americans are doing it! Realizing all of the wonderful benefits of U. S. Defense Bonds. Saving money! Investing in our future and the peaceful future of our country! And discovering all the happiness and peace of mind that financial security can bring! Right this very minute we own more than 50 billion dollars worth of our country's interest earning Bonds! That's the greatest success story of its kind the world has ever known! And the most exciting part of all is that we're doing this of our own free will. Not only because we've found U. S. Defense Bonds are one sure way to save money. But because we believe they represent something we can do about building peace and security for ourselves and our country—in a world where we have learned *peace is only for the strong!*

Great News!
New money-earning features for U. S. Defense Bonds!

FIRST—Thanks to new Treasury regulations, every Series E Bond you invest in begins earning interest after only 6 months. It earns 3% interest compounded semi-annually when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start.

SECOND—Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date—without your lifting a finger!

THIRD—During the 10-year extension period, every unexpired Bond earns at the new, higher interest rate (average 3% compounded semi-annually). Your original \$18.75 can now pay you back \$33.67. \$37.50 pays back \$67.34. And so on.

FOURTH—If you want to be paid the interest your Bonds are earning every six months, ask at your bank about the new Series H Defense Bond.

Broncs, San Angelo Try Again Tonight

Storm Delays Wednesday Go

Stalled by the sand and the rain last night, the Big Spring Broncs and the San Angelo Colts are set to meet at Steer Park tonight in the official Longhorn League opening game here. Starting time is 8:15 p.m.

More than 2,000 people sat huddled in the stands awaiting action last night, despite the fact that the wind storm hit about 7:15 p.m. and the misting rain started about 8 p.m.

Ray Machado is still set to work for Big Spring. Lefty Bobby Greig is due to open on the slab for the Colts.

Rudy Briner, the Angelo Sox, is apparently determined to employ as many lefties as possible against the Broncs this year. The Steeds are due to look at an abundance of wrong-handed pitching all over the league, for that matter, because of the southpaws in the Big Spring lineup.

"The field got a good soaking last night and this morning and attendants were working feverishly to get the diamond in shape. Indications were the game would go on, unless another shower descended.

The two teams move back to San Angelo Friday night to complete their series. On Saturday night, Midland moves in here to begin a three-game series.

There'll be nothing but straight baseball offered the fans tonight. Pre-game entertainment has been cancelled.

Harlingen Makes It Nine In Row

Harlingen made it nine straight victories in the Class B Gulf Coast League Wednesday night when the Caplids had to go 10 innings to take a 4-3 victory from Lake Charles.

In other games, Galveston took over second place on an 8-1 decision over Corpus Christi; Laredo blanked Texas City, 4-0 and Brownsville whitewashed Port Arthur, 5-0.

Paul Eames scored the run that kept Harlingen's streak intact—and a two-game lead on Piny Higgins' bun and an error by Doug Walker.

Royma Rodriguez set Texas City down with five hits and Laredo banged out 10 to split the Class B baseball league series.

Bob Miller allowed Corpus Christi only three hits in seven and one-third innings as the White Caps won easily, thanks to two home runs by Charlie Schmidt and another by Bob Pugh.

Another three-hitter was served up by Babe Brazee against Fort Arthur. Two of the Sea Hawk safeties came in the final frame.

Thursday night Lake Charles shifts over to Brownsville, Port Arthur is at Harlingen, Corpus Christi at Texas City and Laredo at Galveston.

Gainesville Loses Sooner State Go

The Sherman-Denison Twins, a second-division club last season, have at least a brief moment of glory today sharing the Sooner State League lead with Lawton after two baseball games in the Class D loop.

The Twins romped past Texas rival Gainesville, 15-3, last night for a sweep of the opening two-game series, while Lawton made it two in a row over Ardmore, 6-1.

Sherman-Denison got to three Owl pitchers for 15 hits and took advantage of eight errors for the lopsided triumph. Jay Blomer, pitching a six-hitter for the Twins, never was in trouble.

Ada got even with McAlester, 14-2, in a 22-hit, three-hour slugfest. A two-run triple by Don McGregor, along with a double and two-run single and two walks gave the Herd four runs in the seventh and the winning margin.

Shawnee evened its series with Pauls Valley, 10-9, while collecting only two hits. The difference was 16 walks by four Raider hurlers.

The teams open new series to night with McAlester at Ada, Gainesville at Sherman-Denison, Lawton at Ardmore and Shawnee at Pauls Valley.

Shreveport Takes Over Top Spot In League Standings

Shreveport didn't win or lose in its game with San Antonio Wednesday night but did gain in the standings. All doubt as to just which team was pacing the Texas League was eliminated by Oklahoma City, which tumbled Tulsa into a tie for second, 8-2.

Shreveport, now leading by a full game, and San Antonio battled to an 11-inning, 6-6 draw. The game was called to enable San Antonio to catch a train.

LEO'S STRATEGY PROVES RIGHT

By BEN PHILEGAR
AP Sports Writer

Leo Durocher is fast becoming a firm believer in the theory that every club has a silver lining. And Bobby Hofman is one of the reasons.

The New York Giants' manager was forced to dig deep into his infield reserves when Davey Williams, h's preferred choice for second base, injured his leg back Tuesday night. First-at-batch catcher Leo Durocher also was hurt and the club was in last place.

Leo switched Daryl Spencer, a shortstop by trade, from third base, where he had been performing, to second, and settled for Hofman, a utility man used so infrequently that his name doesn't appear in many baseball books, at third. Sal Yvars did the catching.

Only Leo's strategy proved right. Hofman, batting leadoff against the Pirates at Pittsburgh last night, made Durocher look good in the first inning. He opened with a double and scored. In the third inning he hit a home run for the Giants' second rally. He singled in the fifth and then completed a perfect night with his second home run, this time with pitcher Jim Hearn on base, in the eighth as New York whipped the Pirates, 4-2.

Hofman has been in the Giants' organization for 10 years since he played American Legion baseball in St. Louis on the same team as Yoss Berra. He saw action last year in only 32 games and his total home run production was ex-

actly equal to his total of last night—two.

The victory jumped the Giants from last to fifth place, enough to make Durocher happy even though he was tossed out of the game for arguing in the ninth inning. Bill Stewart, working at second base, drew the honor of being the first umpire this year to kick Leo out of a game.

First place in the National League also changed hands as the Philadelphia Phillies made it two in a row over Brooklyn, this time by a 5-4 margin, and St. Louis defeated Cincinnati, 8-3, in two other night games. The Phils and Cardinals now share the lead with Brooklyn half a game behind. Milwaukee swamped Chicago, 15-6, in the only National League day game.

The New York Yankees took over sole possession of first place in the American League by whipping Boston, 6-2, while the St. Louis Browns were idle. A five-run ninth-inning rally fell short for Detroit as the Tigers bowed to Chicago, 9-7, and Philadelphia beat Washington, 7-4, in a night affair. Cleveland, along with the Browns, wasn't scheduled.

Billy Loe, who pitched 39 1/3 innings—38 of them scoreless—for Brooklyn against Philadelphia last night, couldn't fool the Phillies last night. They got to him for all of their five runs before he departed in the fourth. Karl Drews struck out seven in winning his first game.

The Cardinals battered Cincinnati pitching for 12 hits, half of them for extra bases, to put down the Redlegs at St. Louis. Vinegar Bend Mizell walked six and committed two errors, but he struck out seven and lasted until two were out in the ninth before needing help from Al Brazee.

The Braves bashed everything in sight for 17 safe blows and 34 bases at Chicago. Third baseman Ed Mathews led the raid with two homers and a double, good for six runs.

Boston's kiddie crop, youngest team in the majors, bowed to old age at Yankee Stadium. Johnny Mize, 40, punched a pinch hit single with the bases loaded and the score tied in the eighth inning to put the Yankees on the winning trail. Vic Raschi picked up his first victory of the season.

Harry Byrd shut out Washington until there were two down in the ninth, then had to holler for help as the Senators rallied for four runs off Philadelphia.

Vern Stephens, Sherman Lollar and Sam Mele homered for the White Sox off Milt Jordan, Detroit rookie starting his first major league game, as the Tigers lost their fifth in a row and their seventh in eight games.

If that is so, and some of the others of us are to get nothing, I want no part of the tournament," he added.

Eagles Will Pass Two Relays Events

DENTON (AP)—North Texas State will enter the sprint medley, two-mile and distance medley relays in the Drake Relays this week, passing up the 440 and 880-yard relays, in which it is defending champion.

The Eagles won't run the sprint relay events because of the loss of Bill Walters, member of the winning teams, who is out with an injury.

North Texas had won the 440 relay three straight years and the 880 two straight.

Walter Lindsey, Dale Imel, Victor Rodriguez and Paul Patterson will run in the two-mile relay, with Charlie Teague and Ken Smith joining Lindsey and Patterson in the sprint medley. Teague, Smith, Rodriguez and Imel will make up the distance medley relay team.

three runs in the sixth, swapped runs with the Sports in the seventh, then caught up in the ninth. Oklahoma City used 11 hits to stomp Tulsa as Russ Burns and Joe Damato combined for six hits and five runs between them. Damato hit a three-run homer in the fifth and Burns went three for three.

Five Houston players and Buff Manager Al Hollingsworth got chased for too many arguments with the umpires, but Houston still had enough bench strength to nick the Exporters.

Dallas made it look easy in chalking up its second straight over arch rival Fort Worth.

Thursday night Oklahoma City is at Fort Worth, Tulsa at Dallas, Houston at Shreveport, and Beaumont at San Antonio.

Odessa Nudges Tornadoes, 5-4, In 8 Innings

ODESSA — Odessa had to go an extra inning to defeat the Lamesa Tornadoes in a District 3-AA baseball game here Wednesday.

Louis Ray drilled a single into left field to score Houston Kirby with the winning run. Kirby had walked. Kirby was forced to second on a free pass issued to Edd Tyler to set the stage for the winning blow.

Jim Reeves, who came on in relief of Von Rose in the eighth, was the losing hurler. Rose had spelled the Lamesa starter, Carlos Berry, in the sixth.

Odessa managed only four hits but one of them was a two-run triple by Jimmy Jackson in the fifth.

Gerald Miles and Carl Schlemeyer worked on the mound for Odessa, with Schlemeyer getting credit for the win.

Las Vegas Meet Gets Underway

LAS VEGAS, Nev. (AP)—Taking aim at the top target of \$10,000 in a \$35,000 purse, 20 of the nation's leading golfers tee off today in the first round of the first annual Tournament of Champions.

Leading threats to capture the big prize are Lloyd Mangrum, Samuel Jackson, Snead and Cary Middlecoff.

The scene is the new Desert Inn Country Club, which stretches out 7,102 yards over what used to be desert wasteland and now is a green, par 36-72 course.

Kirkwood, Conrad, Cherry Added To Colonial Field

FORT WORTH (AP)—Professional Joe Kirkwood Jr. and amateurs Don Cherry and Joe Conrad were added to the field today for the \$25,000 Colonial National Invitation Golf Tournament, bringing the number of entries to 42.

At the same time three players declined invitations. They included Sam Snead, who was quoted by Gene Gregston, golf writer of the Fort Worth Star-Telegram, as saying he wasn't coming because the fans didn't like him here. Others declining bids were Henry Ransom and amateur Willie Turnesa.

IN RIVER OAKS

Savitt Is Upset By Hal Burrows

HOUSTON (AP)—Hal Burrows, a steady traveler along the tennis tournament trail, faced Billy Talbert, the nation's sixth-ranked player, today and hoped to add another name to his victims.

Burrows, ranked 18, got his quarterfinals chance against the New Yorker by eliminating fourth-ranked Dick Savitt in yesterday's fourth round of the 19th annual River Oaks Invitation.

Two weeks ago, Burrows knocked out Tony Vincent and Vic Seixas out of the City of Miami Tournament before bowing to Gardner Mulloy in the final.

Mulloy, Seixas and Vincent were among those breezing into the quarterfinals while Burrows was registering his mild upset over Savitt.

Mulloy and Seixas, seeded one-one, were paired today against Noel Brown, Los Angeles and L. Straight Clark, Pasadena, Calif., both of whom narrowly survived the fourth round.

Vincent, seeded eighth, was to meet third-seeded Art Larsen, San Leandro, Calif., who bowed to Mulloy in last year's final.

Savitt, who has played only week-end tennis since entering the oil business here last winter, folded before the relentless pressure of Burrows, 2-6, 6-3, 6-1. The former Wimbledon champion passed Burrows frequently in the first set with whistling backhands but Burrows took command at 3-2 in the second set and allowed Savitt only two games in the next 11.

Longhorns Host Cats Saturday

Roy Baird's Big Spring High School Steers will seek a return to winning ways in a 2 p.m. game here Saturday against the San Angelo Bobcats.

The contest starts the second round of play in the double round-robin schedule for the Steers.

The Longhorns need the win to bring their average to 500 in conference play. They have won two and lost three games.

Indications are Charley Rose will toe the pitching rubber for the locals.

Jayhawks To Play Odessa Tuesday

Howard County Junior College's Jayhawks, who split a baseball double header with Clarendon Tuesday, will next see action against Odessa JC in Odessa next Tuesday.

Coach Harold Davis hopes to have his athletes in their best shape of the season for that one.

The Hawks' West Zone record now stands at three wins and three losses.

Entire Longhorn Card Postponed

Rain and blowing stand wiped out the entire schedule in the Class C Longhorn Baseball League Wednesday night.

The same teams meet again Thursday night: Odessa at Midland, San Angelo at Big Spring, Carlsbad at Artesia and Lamesa at Roswell.

Stretch Failed

Gene Woodling, New York Yankee outfielder, is tagged with emphasis by Philadelphia-Athletics catcher Ray Murray in the eighth inning of the second game of a Sunday double-header at Philadelphia. Woodling attempted to make a homer out of a triple off the centerfield scoreboard. The ball was relayed from Al Clark to infielder Cass Michaels to Murray in time to nip Woodling at the plate. The A's won the second game, 3-0, after the Yanks won the first, 5-2. (AP Wirephoto).

GROSS TO COMPETE

Unbeaten Aggies To Host Triangular Track Meet

COLLEGE STATION. (Sp) — Texas A&M's great track and field squad, undefeated in six meets this year including sweeps of the Texas and Kansas Relays, return home this week for a triangular meet with Rice and SMU before Saturday afternoon.

Col. Frank Anderson's thincads doubled the score on their nearest competitor at the Kansas classic last week end in Lawrence, scoring three first, four seconds, two thirds and two fourths to outpoint Kansas, 37 1/2 to 17 1/2.

Darrow Hooper, A&M's great Olympic shot put and discus star, became the first man in history to win the Kansas Relays shot and discus titles three straight years and he capped his Lawrence competition Saturday walking off with the outstanding athlete's trophy. He'll be A&M's lone entry in the Drake Relays at Des Moines Saturday while his mates battle at home against Rice and SMU. Buddy Davis, former Aggie great and Olympic high jump champion, will high jump in an exhibition at Des Moines this week.

Sharing the honors with Hooper Saturday were Malcolm Marks, Pete Maveaux, Bobby Ragsdale, Bobby Gross, Glenn Spradlin, and the relay runners. Gross hauls from Big Spring.

Marks won the vault at 13-8 1/2 while Spradlin tied for second. Ragsdale became the Southwest conference's first 25-foot broad jumper when he took second with a leap of 25 feet, one-half inch. Pete Maveaux won second in the javelin. Gross took third in the discus and fourth in the shot while Pratt won third in the shot. The Aggie relay teams won second in the 4-mile and distance medley relays and fourth in the 440-yard relay.

Hooper, who had a 55-3/4 shot put and a toss of 163-2/4 in the discus, will be shooting for his second double crown at the Drake Relays Saturday. Only the dual with USC last year kept the star athlete from winning his two events at all three big relays his three years in college. He now owns the double-triple crown at the Texas and Kansas Relays and is favored to win his second such crown at the Drake event this week.

He'll cap his Southwest conference career May 15 and 16 at the loop meet in Fort Worth. Col. Andy's fine crew will be heavily favored to win the school's third straight SWC title next month at Fort Worth.

Between then and now, however,

stand this week's tri meet with Rice and SMU at College Station and a triangular with Rice and Texas at Austin May 7. No action will be held May 2.

A&M sent 15 men to Lawrence last week to bring home the Aggies' second big relays unofficial team title and sixth win of the season.

LOOKING 'EM OVER

With Tommy Hart

Bill Valentine, the Longhorn League's sophomore umpire, spent the winter working in the advertising department of a newspaper in his native Little Rock, Ark.

Orville Eckstine, who worked with Valentine last season, won't be seen around the wheel this year. Orville between seasons sold his contract to the Class-A Western League.

Early impressions gained of the Big Spring Longhorn League team: **PLAYER WITH THE MOST HUSTLE**—Jess Jacinto, who is in there trying, even if the club is 17 runs behind.

HARDEST WORKER—Bill Heater, who goes through rigorous limbering up exercises even on the days he's not working.

MOST MANNERLY PLAYER—Harry Dooley, who addressed most everyone as "mister" and answers with "yesir" and "no-sir."

GREATEST NEED—A left-handed hurler, with a power hitter a close second.

CLUB'S STRONG POINT—Down the middle, from catcher through the keystone combination into center field.

MOST PROMISING PLAYER—Aymie Fals, potentially a fine hurler who may get there if he learns to bear down on every pitch.

BIGGEST SURPRISE—Joe Riney's ability to play third base.

TOUGHEST MAN TO RETIRE—Jacinto, who bids fair to lead the league in walks.

MOST RELIABLE FIELDER—A tie between Al Costa and Al Valdes. Costa makes plays that other players wave at. Valdes is big league when it comes to handling pitchers.

BEST NATURED PLAYER—Pancho Perez, who refuses to take anything too seriously.

MOST SERIOUS—Quiet spoken Jerry Fetrow, who seems to lend everything deep thought and concentration.

MOST COLORFUL—Mandy Diaz, the little centerfielder with a waddle, who gives it the All-American try at bat or in the field.

When Metz LaFollette declined to report to Big Spring after being sold to the Bronco by Lubbock, Manager Bill Metz of the Hubbers started to send Ed McConnell here instead of Tom Azinger. He had seen neither player. What influenced him into keeping Ed was his size. At 230 and 6-foot-3, he's the biggest man in the Lubbock camp.

Time will tell whether he made a mistake. Azinger seems to be coming around, could turn into quite a winner for the Steeds.

CONTROL PITCHING BEST AGAINST FERNANDEZ

Al Valdes, the Big Spring catcher, was asked recently what was the best pitch to throw to Bobby Fernandez, the ex-Steed who is now hitting the cover off the ball for Lubbock.

"Right down the middle," Al replied. "Control pitching can generally get him out. The fact that he is a bad-ball hitter is what kept him out of higher classification baseball."

A big high school boy in California is already putting the shot 60 feet with the 16-pound shot (which collegians use), at that.

He is Don Vick of Chaffey, Calif.

People out that way are expecting him to shatter all records in that event.

Do six-man footballers go on to make good in collegiate and pro circles?

Not only can, but do. A good example is Ken Konz, who averaged 46.5 minutes of play per game as a halfback at LSU and who joins the Cleveland Browns this fall. Konz is from Wiemar, Texas, which fields a six-man team.

Texas Wrestling War Spreading

DALLAS (Sp) — The wrestling war that started in Dallas last January spreads next week to San Antonio and Corpus Christi.

Ed McLemore, Dallas promoter, said today he was opening at San Antonio Monday and Corpus Christi Tuesday in direct competition with Morris Siegel, Frank Burke and Karl Sarpollis, operators of the Texas Wrestling Agency, a booking operation in Houston.

It is retaliation against Siegel and associates for opening up a wrestling show in Dallas in competition with McLemore Jan. 6. Until then Sarpollis was associated with McLemore in the Dallas promotion as McLemore's matchmaker.

Fort Worth, which had been under the TWA banner, joined forces with McLemore March 2.

The McLemore alignment now is Dallas, Fort Worth, Wichita Falls, Tyler, San Antonio and Corpus Christi, and McLemore said he was going into Waco and Houston soon.

The TWA group, which is in the National Wrestling Alliance, which McLemore now shuns, has had wrestling at Dallas, Austin, Corpus Christi, Waco, Galveston, Beaumont, Houston, San Antonio, Raymondville and McAllen and is reportedly opening at Port Arthur Monday.

Texarkana Picks Up Ground In Big State League Race

By The Associated Press

Texarkana picked up a little ground in the Class B Big State League Wednesday night as it buried Wichita Falls, 15-2.

Greenville and Temple climbed into a tie for second by beating Paris, 7-2, and Tyler, 11-10, respectively. In the other tilt, Waco beat Austin, 3-1.

First Baseman Bill Ankoviak paced Texarkana's 21-hit attack with two home runs and drove in six runs. John Monopoli limited Wichita Falls to five hits.

Austin lost its eighth game in nine starts as three singles in the ninth inning scored a run that iced the decision for Waco.

Jodie Phipps made good on

"Jodie Phipps" Night at Greenville, scattering seven hits to Paris. A crowd of 1,011 turned out to celebrate his appearance in a Greenville uniform after six years.

Four runs in the first inning just about sewed up the game for Greenville.

Temple went 12 innings to nudge Tyler, 11-10, in a three-hour and 48-minute marathon. A three-run rally—highlighted by Ted Browning's two-run single—won for the Eagles after Tyler had gone ahead in the top of the 12th by scoring two runs off an error and three singles.

Joe Campbell socked two home runs for Tyler, his third and fourth in two nights.

SPEC GOLDMAN OUSTED IN NORTH-SOUTH MEET

By KEN ALTYA

PINEHURST, N. C. (Sp) — Frank Strafaci, the Woodhaven, N. Y., veteran, came up with a gimmick yesterday in the North and South Amateur Golf Tournament enroute to his one-up third-round victory over Frank Stranahan, defending champion.

Meanwhile, Bill Campbell of Huntington, W. Va., met Dick Chapman of Pinehurst and Maurice McCarthy, Muskegon, Mich., took on William Hyndman, Abingdon, Pa.

Darien, Conn., 2 up, then took Hobart Manley, Savannah, Ga., 2 and 1.

Maurice McCarthy outshot Curtis Person, Memphis, Tenn., 2 and 1 and Alex Welsh, Rockford, Ill., 2 and 1, to advance to a meeting with Hyndman, who tripped Bob Hackett, Duke University, 5 and 4, and Walter Peek, Seaside, N. Y., 4 and 3.

Gridder Undergoes Shoulder Operation

FORT WORTH — Malcolm (Pug) Wallace, regular TCU offensive guard from Greenville last season, is recovering from a recent shoulder operation. The shoulder, rehurt during spring training, should be as good as new, doctors said.

John Harville, Frog right half who ended his eligibility last season, underwent a knee operation earlier. He has signed a pro contract.

Local Golfers To Sweetwater

Shirley Robbins, W. O. Maxwell Jr., Claud Ramsey and John Pipes were to leave today for Sweetwater to compete in the pro-amateur tournament to be held in conjunction with the Sweetwater Invitational Golf Tournament.

Qualifying will also be held for the tournament today. Match play continues through Sunday.

Among favorites in the tournament are Ernie Vossler, Fort Worth; and Raymond Marshall, Lubbock.

The Charley Hodges trophy will go to the foursome with the low score in today's pro-am.

The championship flight in the tournament will be limited to 16 players. Two rounds of play will be completed Friday and two more on Sunday.

Bolling May Be A Prize Find

NEW YORK (Sp) — The boys in the dugouts say Milt Bolling, Boston Red Sox rookie, looks like one of the best young shortstops to come up in years. It's much too early to rate the kid but he does make all the moves.

It didn't figure this way down at Sarasota, Fla., when the Sox reported for spring training in late February. Bolling was the No. 3 boy on the list behind Johnny Lipon and Al Richter.

At the start of the exhibition games, Manager Lou Boudreau told writers that Richter looked like his shortstop. But Bolling didn't read the papers. He forced his way into the lineup with his fine glove work and unexpected good hitting. Opening day found him winning the job.

"Richter had all the past record in his favor," said Boudreau yesterday at Yankee Stadium. "But Bolling just won the job. We don't know yet how he'll stand up. But he never quits on himself."

stand this week's tri meet with Rice and SMU at College Station and a triangular with Rice and Texas at Austin May 7. No action will be held May 2.

A&M sent 15 men to Lawrence last week to bring home the Aggies' second big relays unofficial team title and sixth win of the season.

Early impressions gained of the Big Spring Longhorn League team: **PLAYER WITH THE MOST HUSTLE**—Jess Jacinto, who is in there trying, even if the club is 17 runs behind.

HARDEST WORKER—Bill Heater, who goes through rigorous limbering up exercises even on the days he's not working.

MOST MANNERLY PLAYER—Harry Dooley, who addressed most everyone as "mister" and answers with "yesir" and "no-sir."

GREATEST NEED—A left-handed hurler, with a power hitter a close second.

CLUB'S STRONG POINT—Down the middle, from catcher through the keystone combination into center field.

MOST PROMISING PLAYER—Aymie Fals, potentially a fine hurler who may get there if he learns to bear down on every pitch.

BIGGEST SURPRISE—Joe Riney's ability to play third base.

TOUGHEST MAN TO RETIRE—Jacinto, who bids fair to lead the league in walks.

MOST RELIABLE FIELDER—A tie between Al Costa and Al Valdes. Costa makes plays that other players wave at. Valdes is big league when it comes to handling pitchers.

BEST NATURED PLAYER—Pancho Perez, who refuses to take anything too seriously.

MOST SERIOUS—Quiet spoken Jerry Fetrow, who seems to lend everything deep thought and concentration.

MOST COLORFUL—Mandy Diaz, the little centerfielder with a waddle, who gives it the All-American try at bat or in the field.

When Metz LaFollette declined to report to Big Spring after being sold to the Bronco by Lubbock, Manager Bill Metz of the Hubbers started to send Ed McConnell here instead of Tom Azinger. He had seen neither player. What influenced him into keeping Ed was his size. At 230 and 6-foot-3, he's the biggest man in the Lubbock camp.

Time will tell whether he made a mistake. Azinger seems to be coming around, could turn into quite a winner for the Steeds.

Sharing the honors with Hooper Saturday were Malcolm Marks, Pete Maveaux, Bobby Ragsdale, Bobby Gross, Glenn Spradlin, and the relay runners. Gross hauls from Big Spring.

Marks won the vault at 13-8 1/2 while Spradlin tied for second. Ragsdale became the Southwest conference's first 25-foot broad jumper when he took second with a leap of 25 feet, one-half inch. Pete Maveaux won second in the javelin. Gross took third in the discus and fourth in the shot while Pratt won third in the shot. The Aggie relay teams won second in the 4-mile and distance medley relays and fourth in the 440-yard relay.

Hooper, who had a 55-3/4 shot put and a toss of 163-2/4 in the discus, will be shooting for his second double crown at the Drake Relays Saturday. Only the dual with USC last year kept the star athlete from winning his two events at all three big relays his three years in college. He now owns the double-triple crown at the Texas and Kansas Relays and is favored to win his second such crown at the Drake event this week.

He'll cap his Southwest conference career May 15 and 16 at the loop meet in Fort Worth. Col. Andy's fine crew will be heavily favored to win the school's third straight SWC title next month at Fort Worth.
