

Ivy Crowned At Lazbuddie Homecoming

LAZBUDDIE QUEEN AND COURT

At 7 p.m. at Lazbuddie's Longhorn Stadium Friday night, senior candidate Lori Ivy was crowned 1982 Homecoming Queen for Lazbuddie High School. She was escorted by Jeff Jesko. Lori is the daughter of Mr. and Mrs. Robert Ivy of Lazbuddie. Other contestants were Becky Schacher, daughter of Mr. and Mrs. Eugene Schacher, sophomore candidate, Anne Guy, daughter of Mr. and Mrs. Terry Guy, junior candidate and Wendy Jarman, daughter of Mr. and Mrs. Gene Paul Jarman, freshman candidate. Following the coronation, the queen and her court were present-

ed in a victory drive around the field after the presentation of a bouquet of red roses. Escorts for the candidates were Mark Lust, Jeff Jesko, Danny Powell and Lee Scott. Belinda Waddell served as flowergirl and Matthew Elliott served as crown bearer. Immediately following the coronation and victory drive, a welcome to Lazbuddie past graduates for the years between 1975 and 1982 was given. Lazbuddie Longhorns triumphed in their Homecoming game over the Silverton Owls to the tune of 28 to 20, scoring 14 points in the second half and evening up

their record to 4-4 for the season. Two Lazbuddie rushers went over 100 yards with Casey McBroom and Mark Lust hooking up for two scoring passes and Jimmy Garcia adding a pair of running touchdowns to the tally. The Longhorns, however, worked hard for their win. McBroom threw three TD passes of two and three yards to Lust and Garcia scored from 9 and 3 yards enroute to 103 yards on 17 carries. Bart Elliott helped the Owls to the win with 150 yards on 17 carries. Cont. Page 6, Col. 4

Mules Suffer District Loss To Littlefield 'Cats

A sort of down-in-the-field Mule squad came off the field Friday night after a defeat on the scoreboard by the Littlefield Wildcats to the tune of 27-12. The Mules not only have class, they have character, and by the time they loaded on the bus to come home, most had recovered and were talking about another possible shot at the Wildcats for the District title.

Against a Wildcat team who mixes the run and the pass with precision, the Mules came out on top as far as statistics go. They

outpassed, out-caught and out ran the Littlefield team having the leading passer, rusher and receiver out of the entire game. The win will push Littlefield to 3-0 in district, while the Mules take one step back to a 2-1 district record.

The Mules kicked off to the game when Gregory took the opening kick on their 20 yard line and after several attempts at yardage by Green and Cantu, the Cats hit paydirt first time in the game when Gregory took the ball from the 23 yard line on a keeper over for the touchdown. Coleman, Gleason, Wilson, and Hamilton, along with Ramos and Gonzales, put us some super defense on this series. Gregory's PAT was good and had the Cats on the board for 7 to 0.

The Mules then took possession after return kickoff and Shaw brought the ball

from the 12 to the 27 yard line where he was brought down by Demel. On the third play of that series, Gonzales drilled a pass to Hamilton from the 28 to the 43, which Hamilton caught by reaching way above his head to get. Orozco gained some yardage up through the middle, but it was slight since the Cats were ready for him and he got swarmed each time he had the ball. Paz came into play after the third first down of the series and began to gather some yardage, crawling at times for the extra needed. From where this reporter sat, he was hit at least three different times, that he got back up and made an extra five after the hit. Shaw also was in on the play. The Mules finally gave up the ball when a pass by Gonzales was picked off by Scott Lewis, the 205 pound center for the Cats and they took possession on the Mules 33 yard line. with Cont. Page 7, Col. 1

MULE DEFENSE WORKS HARD--Roby Wilson #88 and Chubby Ramos #45, along with #55 (on the ground) Jay Gleason put a big pass play rush on Littlefield's tough quarterback Bryan Gregory. Gregory is probably one of the most versatile and excellent quarterbacks in high school football this year. The Mules had their job laid out for them, and kept up a super good defense throughout the game.

Homeowners May Apply For Reduced Premiums

As of October 1, Muleshoe homeowners will be able to apply for an insurance premium reduction credit for certain security devices in and around their homes.

According to a new rule promulgated by the State Board of Insurance in compliance with House Bill 764, Acts of the 67th legislature, the rule permits a premium reduction of five percent for homeowners who have installed security devices such as deadbolts, solid core doors, and special locking devices on windows and garage doors. Only those specific devices named in the law will make the homeowner eligible for the credit.

The procedure for certification is as follows: A person who desires a premium reduction on homeowners insurance shall apply to the institute for a premium reduction certifi-

cation inspection. Application for the inspection shall be made in writing and in the form required by the institute.

Upon receiving an application for an inspection, the institute shall assign an inspector to inspect the property to be covered by the applicant's homeowners policy.

The inspector who is assigned by the institute shall inspect the property and shall file a written report with the board stating the inspector's findings and whether or not the property qualifies for a premium reduction.

Sergeant Wayne Holmes of the Muleshoe Police Department is the trained inspector for Muleshoe.

If the inspector's report states that the applicant's property qualifies for a premium reduction, the board shall issue to the applicant a premium reduction certifi-

cate entitling him or her to a premium reduction on the homeowners insurance.

The premium reduction certificate must be signed by the person to whom the certificate is issued, the inspector, and the insurer issuing the policy or the insurer's agent.

A certificate is valid for a term of three years and Cont. Page 6, Col. 1

Sheriff's Office, DPS Record Activities

The Bailey County Sheriff's office has reported a number of incidents, along with the Department of Public Safety over the past two and one half weeks from October 5 until October 21.

On October 3, the burglary of an unoccupied farm residence was reported to the Sheriff's office. Norris Conklin, owner of the property reported approximately \$750 worth of tools taken from the residence which was being remodeled.

On October 3, DPS Trooper Fernandez arrested Lucas Garcia on a DWI charge. He was placed in county jail and later released on a \$265 bond and 18 months probation. Also on the 3rd, the same officer arrested Ben Charles Harvey on a charge of no drivers license, and a left turn from the wrong lane. He laid out his fine in the County Jail.

Don Julian Leno was arrested on October 10, and charged with DWI, possession of marijuana and possession of drug paraphernalia. Trooper Kirk made the arrest and Leno was

Farm Tax Exemption Figures Given By Chief Appraiser

With only a few weeks left until November 2, General Election date, absentee voting has already begun in Bailey County with about 20 persons having voted absentee. Absentee voting will remain open until 5 p.m. on October 29. Handicapped or ill and elderly persons may request a ballot by mail and then return it to the County Clerk.

In addition to the numerous candidates on the November General Election Ballot, there will also be six proposed amendments to the Texas Constitution. Due to the limited space available on the ballot, only summaries of each amendment will actually be printed on the ballot, therefore, the Journal has made an effort to explain these amendments in slightly more detail for the general public. Constitutional amendments are extremely important, and it is essential that Texas Voters be made educated as well as possible, according to Secretary of State David Dean.

Probably one of the most controversial amendments on the ballot is that of Proposition No. 3, or the farm machinery and equipment amendment, as it is sometimes referred to. This

is a senate joint resolution (no. 8) that would exempt machinery and equipment used in the production of farm and ranch products from taxation. No dollar limits would be imposed the the exemption would apply to corporations and partnerships as well as to families and individuals.

While most farm and ranch owners and operators at this stage feel that everything they might be able to swing their way could help their economic situation, many small school districts and communities are split on this particular amendment, because it cuts their tax base back considerably.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment exempting the implements of husbandry (agricultural machinery and equipment) from ad valorem taxation." Voters will either vote for or against on the ballot on each amendment.

The limits on farm tax exemptions at this time limit the exemption to \$15,000 for farm or ranch equipment owned by an individual or \$30,000 for that owned by a family.

The Journal questioned Dale Jones Bailey County Chief Appraiser as to the impact of the passage of Proposition 3 in the November election. According to figures compiled in the Appraisal District office, at least \$17,219,000 of farm and ranch equipment would be exempted from tax for Bailey County alone, by the passage of Proposition #3 Cont. Local Dealers Honored For Seed Service, Sales

A number of local and area businesses have been honored for years of service to farmers on the western Central Plains of Texas and the Central and Southern New Mexico Plains as dealers for Pioneer brand seeds. These awards were presented recently by Clarence Kerns, general sales manager for the Southwestern Division of Pioneer Hi-Bred International, Incorporated.

The Farmers Cooperative

Elevator of Muleshoe and Clauch Gin of Bula were both honored for their 15 years of service and were presented a plaque by Pioneer District sales manager Dwight Clower. "Without our dealer force, which is now almost 650 strong, we could not have achieved our success, and dealers such as Farmers Coop and Benny Clauch, who have demonstrated the ability

MOST APPRECIATED—Pastor and Mrs. Lee Rich, pictured with a plaque awarded him at a youth rally at the First Assembly of God Church, Monday night. The competition was for the West Plains Section, which includes 26 churches. Rules of the contest were for services to the pastor such as cash gifts, clothing, food, washing the pastor's car, cutting the law, cleaning the parsonage and any other service to the pastor. "The youth group of First Assembly worked hard to see their pastor become 'Most Appreciated Pastor,' of the West Plains Section," said Kay Griswold. Pastor and Mrs. Rich have been pastors at First Assembly of God since August.

TOPS Weekly Meeting

TOPS Chapter No. 1163 met Thursday night, at Summit Savings and Loan with nine members present. The meeting was called to order by Edna Haynes, president. Fern Gregory led the opening prayer.

Pledges were recited and the fellowship song sung. Minutes of the previous meeting were read and approved.

Following roll call, Mary Garcia was named weekly best loser. First runner up was Linda Vinson and second runner up was a tie between Jim Ella Clemmons and Dovie Knowles.

The kitchen contest was won by Ellawese Norman. A new contest called "Auction", was started.

The meeting was dismissed with the singing of the goodnight song.

Mr. And Mrs. Dail Burnett Honored On 50th Anniversary

The daughters and grandchildren of Mr. and Mrs. Dail Burnett honored them with a reception observing their 50th wedding anniversary, in the home of their daughter, Doretta Reid, in Sudan, Sunday, October 10. Their other daughter, Nell Blankenship assisted along with the grandchildren.

Suzanne Reid, granddaughter, presided over the registration table, which was decorated with an arrangement of yellow mums, daisies and carnations. Ac-

centing the table was a gold basket of scrolls that were passed out to the guests by Jill Reid, granddaughter.

The serving table was covered with an ecru crocheted cloth of gold. The cloth was made by the late Mrs. E.W. Parmer. An ar-

rangment of silk flowers in shades of gold in an antique glass basket, given to the couple by his aunt Ollie Burnett Holland, centered the table.

Gold appointments and crystal and gold sandwich dishes were used. The three tiered cake was accented with gold centered daisies.

Special guests during the afternoon were Mrs. Robert Newell of Anton, who ac-

companied the couple to Clovis, N.M., on their wedding day, along with her husband. Also a special guest was the mother of Burnett, Mrs. Nellie Burnett of Littlefield.

More than 250 persons attended the reception and many other expressed their congratulations in various ways. They received a congratulations from President Ronald Reagan and also one from Kent Hance.

Progressive Home Club

The Progressive Homes Club met Wednesday, Oct. 20, in the home of Wenona Gibson. Club was called to order by the president, Wenona Gibson and roll call was answered by household hints.

Vera Engkeling read a poem entitled, "Beatitude of an Aged Lady."

Due to the absence of the secretary, no minutes were read. The treasurer report was given. The club planned their annual Thanksgiving dinner to be held on November 17, at the Dinner Bell.

Vera Engkeling presented the program, showing the making of Kleenex carnations and trinket box.

Mozelle Rippee drew the hostess gift and Ms. Engkeling was recipient of a birthday gift from her secret pal.

The club adjourned to meet Nov. 17, with Roxie Hoover or Lucille Harper.

Refreshments were served by the hostess, Wenona Gibson to Mozelle Rippee, Lucille Harper and Vera Engkeling.

When heat and air make the difference

A crowd gathered in the country square, curious to see the large, strange-looking contraption of paper and cloth. The on-lookers laughed at Joseph and Etienne Montgolfier as the two men ignited the pile of straw and rags beneath their invention.

The unbelieving crowd gasped as heated air began to fill out the paper and cloth of the world's first hot-air balloon as it climbed steadily to the then-astronomical altitude of about six thousand feet.

As the inventive partners had managed the dynamics of heat and air to give flight to their idea, you and SPS and the High-Efficiency Add-On Heat Pump can make a difference with the everyday management of heat, air and electricity in your home.

When you install a High-Efficiency Add-On Heat Pump you increase the heating efficiency of your existing furnace, and add cooling efficiency next summer. You also qualify for a special electric rate from SPS for seven months of the year. Call us to see what your savings could be.

4-H Club News

The fifth grade girls of the Muleshoe 4-H Club held their first meeting on foods and nutrition Monday, October 11, in the food lab in the Home Ec. department of Muleshoe High School at 3:30 p.m.

They studied about food preparation and how to measure ingredients accurately. They also learned to follow a recipe to insure

good quality food. As an attention getter, each member was asked to choose one piece of baking equipment from a paper sack and describe the piece and how it is used.

All of the members participated in preparing butterscotch brownies while they were baking the group discussed breads and cereals as one of the basic food groups necessary for good health, as they furnish protein, iron, several of the B-vitamins and food energy.

Those attending were

Amy Montgomery, Christy Pena, Wendy Green, Amber Green, Misty Taylor, Amy Harrison, Shelly Sain, teen leader and Mrs. Walter Sain, adult leader.

On Monday, October 18, the group met to learn the importance of good nutrition and understanding the daily food guide. They studied the five classes of nutrients which help the body grow and stay healthy. They also played a game of "Guess the Nutrient."

Each member prepared a milk shake and when they had finished drinking them, they discussed the impor-

tance of milk in the diet as a leading source of calcium.

Those participating in these fun activities were Amy Harrison, Wendy Green, Amber Green, Amy Montgomery, Holly Huckaby, Christy Pena, Shelley Sain, and Zanna Huckaby, teen leaders and Mrs. Walter Sain, adult leader.

Friendship Club

The Friendship Club met in the home of Mrs. E.W. Johnson on Thursday, Oct. 14.

Following the regular business meeting and social, snacks, pies, coffee and tea were served from two fall decorated dining tables.

Those present included: Kathryn Cole, Gladys Dorsey, Erma Ray, Jewel Griffiths, Sammie Ethridge, Olena Watts, Lois Witherspoon, Ruth Shafer, Sally Schuster, Adelyn Swafford, Rob Damron and a guest, Helen Chandler of Gorman.

Hobby Club

The Muleshoe Hobby Club met Thursday, October 21, in the community room of the Muleshoe State Bank. Opal Robison, acting president, presided over the meeting.

Sixteen members and three visitors, Linda Harbin, Vivian Hastings of Bonham and Francis Bruns, were present.

A "thank you card" was acknowledged by Myrtle Creamer. Plans for raising funds were discussed. It was decided that each member would bring an article to be purchased by a club member. This is to defray upcoming expenses of the club for gifts.

Mae Provence drew the hostess gift. There were two birthday gifts and two anniversaries at this meeting.

Articles on display in-

cluded a stuffed cat toy, tray made from black walnuts, quickpoint Kleenex box cover, phone book cover of quickpoint, two wall hangings, crocheted pillow, kitchen towel with crocheted top, plaque, crocheted doll, bun holder and three pot holders, star fish, bottle filled with water from Niagra Falls, antique butter dish, two wash clothes with crocheted edging, and a spoon holder hanging.

Those present included Mae Provence, Opal Robison, Bernice Amerson, Allie Barbour, Vickie Hendricks, Blanche Awbrey, Jane Williams, Fidel Shafer, Nan Galtin, Ruth Bass, Myrtle Chambless, Myrtle Creamer, Ola Epperley, Jo Wilson, Mae Loyd, and Verna Dement.

Soft drinks and coffee were served by the hostess, Jo Wilson.

Ruth Bass will be the hostess for the next meeting, November 4.

Devin Sizemore On Tarleton Judging Team

Tarleton State University's meat judging team, one of which is a local graduate, Devin Sizemore, placed first in pork judging and third in overall rankings in the junior division of the Excel - High Plains Meat Judging Contest held recently in Plainview.

Twenty teams from throughout the nation competed in the two divisions of the contest which is the largest meat judging event in the nation. More than 120 individuals competed for prizes with approximately 50 competing in the junior division.

The TSU team placed first in pork, second on total question scores, second in beef grading and fifth in lamb and beef judging. The top five teams in the junior division were Eastern Oklahoma State, Cal Poly of California, Tarleton,

West Texas State, and Tst of Waco.

Members of the TSU team are Matt Montfort, Corsicana; Devin Sizemore, Muleshoe; Terry Baize, Crawford; and Luther Davis, Ferris. Alternates are Wayne Ivey, Clint; and Glynn Krueger, Hamilton.

Individually, Montfort finished third in lamb judging and fourth overall with Sizemore finishing fifth in pork judging.

Ellen Eckert, Doss; Danni Odom, Lancaster; and Kelly Snodgrass, Lake Worth represented Tarleton in the senior division.

The Tarleton team is coached by Randy Hines, agriculture instructor. The next meet for the TSU team will be the National Western in Denver, Colo., in January.

If you're concerned about rising grocery costs, here's something you can do about it.

On November 2, you can make a positive step toward helping hold the line on rising grocery costs.

Proposition 3, one of six proposed Constitutional Amendments which will be offered on the ballot, would correct the tax exemption for agricultural machinery and equipment. The effect of passage of this amendment will be to lower production costs for food and fiber. In the long run, this will be a positive step we can take to help hold the line on grocery price increases.

For you and for your family, both now and especially in the future, this may be one of the most important votes you'll ever cast.

Mules vs Cats

Cont. from Page 1

the quarter ending at that time. The big Cats failed to move the ball on the next series, being stopped cold by Coleman and after an incomplete pass had to kick (a 63 yard kick, by the way, by Gregory) a kick that landed in the endzone. The Mules took possession on their own 20 and Demel began to put the pressure on Paez. However, the Cats put no pass

rush to speak of on Mule quarterback Gonzales. A penalty cost them some yardage gained and on a 4-5 situation Gonzales punted the ball back to the Cats 48 yard line.

By the same token, the Cats next drive led them nowhere and Gregory kicked the ball back to the Mules and into the endzone a high kick with a lot of hang time.

The Mules took possession and although Orozco and Paez picked up a little yardage, and Gonzales ended up kicking on a 4-8 play on the 23 yard line where he booted the pigskin back to the Cat 49 yard line.

As the story goes, cats always land on their feet, and when that kickoff hit the other end, the Cats came to life again and on

the first down, a Gregory pass to Demel took him driving back to the 5-yard line, where but for the speed and skill of Jeff Hamilton and Hector Flores he would have gone across for the TD. Demel is a 205 pounder. However, on the next two short plays, with the Mules holding hard and dropping both Cantu and Green in their tracks, Gregory went across from the three yard line, pulling out all the stops for the second Cat touchdown. Gregory's PAT was also good and put the Cats in the lead 14-0 with 3:55 left in the first half.

The Mules took over the ball and moved it for three first downs and ten plays in the remaining time left until on the 36 yard line of the Cats, an into the wind pass by Sam Gonzales was picked off by John Lee inside the 10-yard line. With the Cats having the ball,

they only got off one play, which was a quarterback sneak by Gregory, which gained him zip and ended the half with the Cats ahead 14-0.

The Mules came to play football though, and coming back into the second half, began a drive from the six yard line, picking up six first downs in fourteen plays, with Alex Paez being the workhorse for the Mules. Shaw and Hamilton also picked up some yardage for the Mules in this drive going up the middle and with some pass plays. The Mules drove to the Cats 10-yard line and with one yard to go for the goal, Paez literally bulldozed his way, in style, over the Cats line for the first Mule TD. Alvarado's kick for the PAT was not good, but the Mules were on the board with six to the Cat's 14.

The Cats came right back at the Mules in the next series with Lewis taking the ball on the 12-yard line and driving all the way back to the ten yard line of the Mules. Lewis would have gone all the way, except for the fact that Mule speedsters, Shaw and Alvarado interfered. Shaw turned him and Alvarado caught him from behind, dragging him down. On the next two plays, Gleason and several other Mules held the Cats to a standstill, but on a third and goal to go, Gregory handed off to Cantu who went in for the touchdown and with Gregory's PAT zeroed in, put the Cats up to 21 and the Mules 6 with 4:49 left in the third quarter.

The Mules took the ball and moved it only to the 33 yard line where a Gonzales punt put it on the 38 yard line of the Cats, a 32 yard punt for Gonzales. However the Cats' Green, while making some ground yardage, just didn't come up with a big play and the Cats were forced to punt, putting the football on the three yard line with a 42 yard boot. This took the game into the fourth quarter and the money was on the line from there on in.

The Mules came back

with a short drive, with Paez scratching out yardage until the fourth play on a 4-1 Gonzales had to kick where Gregory picked it off on the 39 yard line and was immediately buried by a pack of Mules with Contreras, Vela and Wuerlein being the front guard. However, the Cats came back in the next two plays and after an attempted QB sneak by Gregory where he was downed by Wilson, Coleman and Gleason, Gregory gave the ball to Cantu who took it in for a 59 yard touchdown run, adding six to the 21 the Cats already had and putting the score 27-6 in favor of the Littlefield Wildcats. The PAT was not good.

As the story goes, fans, the Mules just don't fold their tents and walk away, even in the face of a bitter defeat. They have character and class and it came to the top. With less than eight minutes remaining in the game, the Mules pulled out all the stops and continued the same quality football playing that they had exhibited from the first kickoff.

A short drive in the next series led the Mules to a kicking situation where the Cats picked it up on their 44 yard line. With the Cats in possession, the Mules put on a super defense coverage with Wilson, Coleman, Ramos, Flowers and Hamilton really getting into the act, big time, along with a raft of other Mules.

With 4:28 left in the ballgame, the Mules took possession on their own 38 yard line and began their move, putting Orozco up through the middle and Paez, Vela and Hamilton into play on the pass plays. The Mule blockers also put up a terrific show of strength here. The 62 yard drive was finally taken up to a 1-10 with goal to go, where Demel stopped Paez at the one foot marker. Then, Gonzales pulled the old quarterback sneak and went inches for the second Mule touchdown. Alvarado's PAT attempt was batted; Garcia had the ball and was dropped from be-

hind by Demel, who recovered it. The score with 1:09 left in the game was Cats 27 - Mules 12.

And that just about ended the game, with the Cats taking the kickoff Gregory began feeding the ball to Willard who was dropped each time, once by Flores and once, hard, by Coleman; and then on the final play, Willard was stopped hard by a Gleason tackle.

Williams had this to say of his Mules: "They moved

the ball good on the ground, they played sound football, they were fired up," and best of all, the Mules and the Mule fans kept their spirit. Whether or not they get into the District playoffs will depend upon the next two games. One is against Friona who stands the same as Muleshoe, and one against Tulia, who has not been as lucky this year.

The Mules don't seem to be through with the Little-

field Wildcats, and next time, they will be a little more prepared, a little more wary and on watch for the big plays that the Cats put out against them Friday night. Whatever you can say about the Mules, you have to give them this: They have a lot of class, a lot of character and are tough competitors in anybody's game. Congratulations on a game which though not won, was well-played, with few mistakes.

Varsity Volleyball Season Coming To End

Harvest Festival Candidates Chosen

The highlights of the Fine Arts Boosters' Harvest Festival on November 6, at the Civic Center will be the Coronation of the King and Queen starting at 9:00 a.m. Candidates are chosen from art, speech, and band. The high school winners will be crowned king and queen, and the Jr. high winners will be prince and princess. One penny will count as a vote, and the candidates with the largest number of votes will win.

Art candidates are Lori Stroud and Darin Bratcher. Lori is the daughter of Truman and Martha Stroud, is 17 years old and a senior. Lori is the president of the Art Club this year and is also a member of the National Honor Society. Darin Bratcher is also a 17 year old senior and he is the son of Tom and Melba Bratcher. Darin is serving as FCA treasurer and Art Club historian, this year. He is also a member of the student council, FTA, and the varsity Mules football team.

To support their candidates, the Art Club is selling 25 cent chances on a painting done by their sponsor, Elizabeth Black. It will be raffled off the evening of November 6, at the Festival. They are also going to make money for their candidates by running the dunking board at the Harvest Festival.

Speech candidates are Belinda Clayton and Dale Hughes. Belinda is the 17 year old daughter of Carson and Betty Clayton. She is a senior and very active in the high school speech

Junior Class Supper Scheduled

Friday, October 29, the Junior class will be sponsoring their annual pre-game supper. They will be serving an old-fashioned Thanksgiving dinner consisting of turkey and dressing, mashed potatoes, green beans, giblet gravy, hot rolls, cranberry sauce, pumpkin cake, and also tea and coffee. The juniors along with their sponsors and a few parents will be preparing this complete meal for the public. They guarantee it to match the quality of all the junior meals of the past.

The meal will be served from 5:00 to 7:00. There will also be carry-outs, and deliveries. The MHS cafeteria number will be open for call-ins. Tickets are being sold for \$2.50 for children under 12, and \$4.00 for adults and they will also be sold at the door. The junior class would appreciate your support in this project.

OCTOBER BIRTHDAYS

Ricky Rasco, Judd Warner, Joe Ambriz, Raul Garcia, Esilia Nunez, Kandi Moore, Margie Torres, Eva Rejino, Coach Rosalyn Stapleton, Bobby Armstrong, and John Isaac.

The Mule's Tale Staff would like to wish these people a very HAPPY BIRTHDAY!!!!

program as the secretary for speech and also as a competitor in UIL prose reading. Dale Hughes is the son of Lee Roy and Janie Hughes. He is an 18 year old senior, is involved in the Art Club, and FTA as well as speech and drama.

The speech department has already had a luncheon to raise money for their candidates and they are also selling cupcakes with the football players' numbers on them on Fridays. Plans are also underway for a bake sale and the speech department will have two pool tables at the Harvest Festival to help raise money.

Band candidates are Karan Kelton and John Isaac. Karen is the daughter of Mr. and Mrs. Robert Kelton. Karen is 16 years old and is classified as a Junior. Her activities for this year are FTA, FHA, Band, and Flag Corp. John Isaac is the son of Mr. and Mrs. Charles Isaac. John is 16 years old and is classified as a Sophomore. His activities for this year include Band, Student Council, FTA, Football, Basketball, Track and being Sophomore Class President.

To raise money for their Band candidates, they are selling chances on \$50.00 worth of gasoline donated by Taylor Express Mart.

All of the money from the coronation will be turned in to the Fine Arts Boosters on the night of the festival. Joella Flowers will be in charge of the bank and asks that all money be turned in by 8:00 for the final count. The money will be returned to the Fine Arts Department and used for extras not included in the budget. The Fine Arts boosters pay for the meals and lodging for the out-of-town trips for the speech contestants and the band. They bought T-shirts for all the band members this year, and they also buy supplies and various things for art. The Fine Arts Booster Club meets on the fourth Monday of each month and anyone who is interested is welcome to attend.

Plans for the Fine Arts Boosters Harvest Festival are underway and several organizations have signed up to have booths at the event. According to Rhonda Carpenter, the following booths have been reserved: Jennyslippers - Go Fishing; Senior Class - Jail and Skit presentation; Junior Class - Cake Walk; Llano Estacado - Spin Art; Art Club - Picture Raffle and Dunking Board; Junior High Band - Trampoline; Fine Arts Boosters - Ring Toss; High School Speech - Pool Tables; 4-H - Country Cupboard; Kiwanis - Nail Drive; Jr. High Speech - Hay Ride; FFA - Bucking Barrel; FHA - Ye Olde Public Stocks; and WOTS - White Elephant Sale.

Any organization who would like to have a booth at the Harvest Festival should contact Rhonda Carpenter at 272-4946 before November 1. Booths cost \$25.00 with all proceeds going to benefit students of Fine Arts. The Festival will be held on Saturday, November 6, from 6-10 p.m., in the Bailey County Civic Center.

VOLLEYBALL COMES TO END...Muleshoe High School's Varsity girl volleyball team are as follows: Front row (L-R) Rachel Hodges, Florinda Mendoza, Isabel Posadas. Back row (L-R) Percilla Bachicha, June Perez, Mary Ann Ybarra, Sheila Vanclave, and Coach Stapleton.

FFA Installs Farmers, Greenhands

The Muleshoe FFA Chapter held a meeting Monday, October 18, in the Ag Building at 7:00 p.m. The traditional opening ceremony was performed along with the reading of the minutes and the Treasurer's report. Candidates for the Greenhand Degree were announced. In order to receive the bronze pin

signifying the Greenhand Degree, Students must be enrolled in vocational agriculture and have a supervised agricultural occupational experience program planned for the current school year. They must have learned and be able to explain the creed, and recite from memory the FFA motto and the salute.

They must know the FFA colors, describe the FFA emblem, symbols, and the proper use of the FFA jacket. Students applying for the degree must also be familiar with historical highlights of the FFA organization, duties and responsibilities of FFA members and have an understanding of the aims and purposes. Mr. Wheeler presented the following candidates with bronze pins: Tammy Bruton, Lee Copley, Steve Espinoza, Eloy Flores, Lupe Rejino, Jodi Cruickshank, Wade King, Curtis Snell, Howard Capps, Mike Holt, Adam Espinoza, Brian Houston, Ricky Rasco, Kristi Spies, Donny Burris, Phillip Espinoza, Steven Ethridge, Dee Kinard, Larry Martin, Eloy Porras, Macario Reyes, Dennis Snell, James Stevens, and Jeff Vinson. Adam Espinoza, representing the Greenhands, recited the FFA Creed before the chapter.

The candidates for the Chapter Farmer Degree, symbolized by a silver pin, must also meet certain requirements. They must have satisfactorily completed at least one semester of instruction in vocational agriculture, and they must hold the Greenhand Degree. They must be familiar with the purposes and program of activities, the chapter constitution, and at least five parliamentary procedure abilities. Candidates for the degree must have led a group discussion for at least fifteen minutes and have earned at least \$50 from their supervised agricultural experience program. They must also actively participate in chapter activities, have paid dues for the current year, be enrolled in a vocational agriculture class, and have a satisfactorily supervised agricultural experience program. The candidates receiving this degree were: Chris Hopkins, Eddie Flowers, Joey Chancey, Jeff Kline, and Ray Vinson.

The chapter voted to sponsor the bucking barrel at the Harvest Festival to be held Saturday, November 6, from 6:00 to 10:00 p.m. Todd Holt appointed a committee consisting of Joey Chancey, Macario Reyes, Ray Vinson, and Chris Hopkins to be in charge of this project. Officers stayed after the meeting was adjourned to discuss their plans for attending the National FFA Convention. This will begin November 11, and continue through November 13.

This week we would like to recognize the MHS Volleyball teams. Even though the Volleyball teams did not do as well as they would have liked this year, both teams gave it their very best. We would also like to thank Coach Stapleton for working really hard with both teams.

Angie Salas, the daughter of Mr. and Mrs. Lino Salas, is the manager for both teams. Angie is 16 years old, and is classified as a Junior. Angie's comments on the team were, "Being a manager on the team is really great. I have played volleyball for two years and it was really hard getting used to the fact that I could not play this year. I got to know the girls individually and they are a great bunch of girls. There were a lot of new girls in Volleyball and the sport was really new to each one of them. They have all improved and I think we can really have a winning team for the coming year."

The other volleyball manager was Gabby Bachicha. Gabby is the daughter of Mr. and Mrs. George Bachicha. Gabby is 16 years of age and is also classified as a Junior. Gabby's comment was, "As a volleyball manager, I have enjoyed being in volleyball. I get the opportunity to encourage our team when they get ready for their next game. At least I have one year left and I am more than ready to play volleyball next year."

One of the Varsity players this year is Mary Ann Ybarra who is 16 years old. She is the daughter of Mr. and Mrs. Jesse Ybarra. Mary Ann is classified as a Junior this year. She has played Volleyball for three years, and had this to say about the team, "I was proud of the Varsity and J.V. teams this year. They learned to work together and always gave 100%. They are a really enthusiastic group and they have the potential and ability to do well next year."

Another player on the Varsity team is June Perez. She is the daughter of Mr. and Mrs. Andy Perez. June is 18 years old and is classified as a Senior. June is very active in school. She is in Flag Corps, Art Club, Volleyball, and Student Council. June has played

Volleyball for four years. Her comments for this year's team was, "I think volleyball is a great sport. It is a challenging sport, but we really need the support of the school. I encourage all girls to join this sport."

Sheila Vanclave is the daughter of Mr. and Mrs. Jim Pearson. She is a Senior this year and is 17 years old. Sheila is also very active in National Honor Society, Volleyball, and Cowboys for Christ. This is Sheila's first year to play Volleyball and she has done very well.

The next Varsity player is Percilla Bachicha. Percilla is the daughter of Mr. and Mrs. George Bachicha. She is 17 years old, and is classified as a Junior. Percilla states, "Even though this is my first year to play in Volleyball, and as a Varsity opponent, I feel it is a great sport to participate in. This year has not started off too well, but we will be more than ready for next year."

Rachel Hodges is 17 years old and is classified as a Junior this year. She is the daughter of Mr. and Mrs. Johnny Hodges. Her activities include FTA, FHA, Volleyball, and Foods Lab. Rachel's comment for this year was, "I feel that our team has a lot of enthusiasm and spirit, but if we had more support from our school, I think we would improve. Also we want to say 'Thanks' to everyone who has encouraged us and has cheered us on. Our Bi-District game is in a few weeks and we want your support."

Florinda Mendoza is the daughter of Mrs. Maria Mendoza. Florinda is a Sophomore this year and is 16 years old. This is Florinda's first year to play Volleyball. She is on Varsity and has this to say about the team, "I have enjoyed playing with these girls. These girls play hard and deserve a lot of support from the school."

Isabel Posadas is a Sophomore this year. Isabel is 15 years old and is the daughter of Mr. and Mrs. Alfonso Posadas. Isabel stated, "This is my first year in Volleyball. Even though we did not win all our games, I still enjoyed it. We did our best and that is what it takes to

make a good team. You don't have to win to be good. Next year the team will be ready for them."

The J.V. team this year had several excellent players. One of these players was Virginia Garcia. Virginia is the daughter of Mr. and Mrs. Acension Garcia. She is 17 years old, and is classified as a Junior. Virginia made a comment on the team. She says, "Even if we have not won any games, the team still has hope for the tournament. We are working hard and doing the best we can. Let's get them next year!"

Sylvia Posadas is 14 years old, and is the daughter of Mr. and Mrs. Alfonso Posadas. She is classified as a Freshman and has this to say about the team, "I feel that everyone gave everything they had on the court. This year all the girls on Jr. Varsity were starting their first season, and I feel we did well. The Varsity girls had really tough competition and they handled them well. We are looking forward to a better year next year."

Gloria Chavez is the daughter of Mr. and Mrs. Leo Chavez, Jr. Gloria is 16 years old and is classified as a Sophomore at MHS. Gloria's comment for this year was, "I feel that our team has a lot of enthusiasm and has what it takes to be a team."

Suzette Rojas is a Junior this year and is 16 years old. She is the daughter of Mr. and Mrs. Tony Rojas. Suzette's activities for this year include Volleyball, and Art Club. Suzette says, "Even though we did not win any games this year, I think that both J.V. and Varsity tried very hard. I say that success is not how many games we win; it's how hard we try. Let's get 'em next year!!!!"

Tammy Nowell is another of the J.V. players. Tammy is the daughter of Mr. and Mrs. Derrell Nowell. She is 15 years old and is a Sophomore this year. Tammy's activities for this year are Volleyball, and Cowboys for Christ. Her comment for this year was, "I enjoyed volleyball very much. The team has a lot of enthusiasm and school spirit."

Another person who was in Volleyball this year was Rosa Irma Alarcon. Rosa Irma is 15 years old and is classified as a Sophomore. She is the daughter of Mr. and Mrs. Benito Alarcon. Sr. Rosa stated, "I think the Muleshoe High School volleyball team is a very good team. We may not be the best team, but we sure try. To my view, our team has improved in many ways from the beginning of the year. Our teammates are the type of girls who are always willing to lend a helping hand. Even though we haven't won any games, I am proud to be a part of the MHS Volleyball team."

Heather Merriott, daughter of Mr. and Mrs. Thomas Merriott, is a Freshman this year. She is 14 years old and is a substitute for the J.V.

Maria Nunez is 17 years old and is a Junior this year. Maria's guardians are Mr. and Mrs. Thomas Kirven. Maria states, "Even though we didn't win any games this year, we really tried and gave it our all. We'll get them next year."

Even though the season is over for the J.V., the Varsity would like your support for the tournament and the Bi-District game. The Mule's Tale staff would like to wish them the best of luck.

MHS Band Begins Contest Preparations

On Saturday, October 23, the MHS Band attended a pre-marching contest at Jones Stadium in Lubbock. The purpose of this event was to allow the band a chance to practice for the actual UIL contest. According to director, Eddie Chance, "The Freshman especially ought to have an opportunity to march in Jones Stadium because it is so different from any other stadium that we march in. Being concrete, it reverberates the sound." Assistant director, Martha Anthis, added, "Jones Stadium does have astroturf which makes a difference, too."

In addition to allowing the band practice time at the stadium, the pre-marching contest provided three judges to critique the band, although the band was not rated as they are at the actual UIL contest. This year the judges were Bill Woods from Hardin-Simmons in Abilene, Van Ragsdale from Klein High School in Houston, and Tony Clines from Waco Robinson High School. Bill

Woods is the father of Bruce Woods, of Muleshoe and Tony Clines is a former Muleshoe High School band director.

Then on Tuesday night, October 26, the Mighty "M" will attend a marching exhibition in Clovis. This is not a contest, but it will give the band a chance to march their contest show in front of a large crowd of people. Clovis and other West Texas area schools will be participating in this exhibition at Wildcat Stadium at 8:00 central daylight time.

The Mighty "M" Band is really working hard to prepare for UIL Marching Contest which will be held on Wednesday, November 3, in Jones Stadium at Lubbock. They will march at 9:50 and the Mule's Tale staff wishes them good luck!!!!

Texas Unemployed Decline In August

According to a September report, unemployment in Texas declined for the second consecutive month during August, but still remained at an unusually high level. Since 1970, the State's unemployment rate has been 7.0 percent or more only five times; three of those five times were reached over this past summer. Fortunately, each successive month this summer has seen the rate drop a little more.

The summer months generally represent a period of

high unemployment due to students and other seasonal jobseekers who enter the labor force in June and cause the number of unemployed to swell. This summer was no exception in that respect. The usual surge occurred in June and the seasonal factors were familiar, but other influences were also evident. Unemployment has not dropped below a half million jobseekers all summer; and only once before, in June of 1981, has the number of unemployed ever topped

500,000. There continued to be a sizable number of layoffs across the State, some of which were very large. More layoffs are likely, particularly along the border with Mexico, as the effects of the peso devaluation are realized.

Total employment in Texas climbed modestly over the month, but was

still almost 20,000 below the high of 6,875,000 reached in March of this year. The slight gain was encouraging, however, particularly since it marked the third straight month that employment has managed to edge upward in spite of extremely high unemployment levels. The actual Statewide unemploy-

ment rate is 7.0 percent for August, down slightly from 7.3 percent in July. The actual rate for the Nation was 9.6 percent, also down a little from July's figure of 9.8 percent. The seasonally adjusted rate for Texas was 6.7 percent for August, while the seasonally adjusted rate for the United States was 9.8 percent.

The average adult, with all his wisdom, rarely understands how much the average child understands.

Faith is a great help to men and women as they go through life, but there's no synthetic substitute.

TRU-TEST PAINTS
PAINTING HELP
SPOKEN HERE.

By *Bonnie Blaire*
TRU-TEST COLOR CONSULTANT

Dear Bonnie:

What can you say to my husband, the penny pincher, to persuade him that cheap paint is no bargain? I'm looking for a color to repeat the blue of my Willow-ware. I know I will not find it at the discount store.

Signed, Mrs. Penny Pincher

Dear Mrs. Pincher:

Your husband should know that one generally gets what he pays for. A cheap paint may cover the surface but will it have good coverage, spreadability, quicker dry and be non-drip? If your spouse is still unconvinced, try this on him. Tell him that if you can't have your Willow-ware blue paint (at approximately 30¢ per square yard of coverage) you may have to buy the color in the form of a carpet at 10 to 20 dollars a square yard or in a custom drapery at 5 to 15 dollars a square yard. Advise His Frugality, your husband, that per square yard of color effect, paint is the best bargain in the whole interior design business.

Area Woman's Mother Dies In Lubbock

Services for Mrs. Ima Craft, 74, of Lubbock were held at 2 p.m., Thursday, Oct. 21 at the First United Methodist Church, Bowman Chapel, with Dr. Sam Nader, pastor, officiating. Interment was in Rest Haven Memorial Park under the direction of Rest Haven Funeral Home. Mrs. Craft died at 9:45 a.m., Tuesday in the Methodist Hospital at Lubbock following a brief illness.

A Walters, Okla., native, she married Rev. Truett G. Craft on Oct. 10, 1926, in Whitesboro. They moved to Lubbock in 1966, from the Muleshoe area, where he was pastor of the YL Methodist Church. She served with the Methodist Pastors in Missouri, New Mexico, and Texas, for 40 years. She was a member of the Order of Eastern Star and the First United Methodist Church.

Survivors include her husband, Rev. Truett G. Craft; two daughters, Mrs. Foy (Mary) Langford of Lubbock and Mrs. James (Betty) Jennings of Muleshoe; one son, Truett Craft of Lubbock; two brothers, Clay Knox of Amarillo and Morrison Ragsdale of Ashland, Mo.; five grandchildren; and four great grandchildren.

Open Letter To The Public

The time is nearing when we must decide the course for Bailey County for the next four years and beyond. We must revise our methods of operation and institute modern practices for increased efficiency.

I do not advocate change for the sake of change, only change for the sake of improvement. The statement "We do it this way because that's how it's always been done" just does not wash anymore. Our inefficient methods of operation have resulted in twelve consecutive years of tax increases. We cannot continue to support dubious budgeting practices, self-serving interest, lack of planning for future requirements and poor leadership.

I studied copies of the county budget, going back more than ten years. I am amazed that someone did not notice the downward trend and try to correct it by methods other than pumping more money into it. It is obvious that we must increase our efficiency by adopting modern, more acceptable practices.

If I am elected, I will suggest budgetary, financial and general policy changes that will put Bailey County in an enviable position when compared to similar counties. The City of Muleshoe has been a model of administration for other towns to copy, thanks to a responsive and intelligent city council. Bailey County can enjoy a similar status but we must work at it. Industries that are looking for a place to build are impressed with efficient, progressive local government because it reflects the attitude of the people. We can and must attract new industry to our county. New industry creates new jobs, broadens our tax base and tends to keep our youth from moving away.

As a full County Judge, I will work in concert with any public official, civic organization, Chamber of Commerce, or individual with an idea that will benefit our county. We can't let Bailey County remain stagnant. We must improve our lot and move ahead with the times. We can wait no longer. My twenty years of experience in administration, budgeting and planning makes me the most qualified candidate. Your vote for me will signal a change to a more progressive, responsible administration.

Respectfully,
 /s/Thomas S. Freeman

1982 Water For Texas Conference Set

The 1982 Water for Texas Conference, scheduled Nov. 18, and 19, at Texas A&M University, will address major water issues facing the state: planning, financing, understanding and managing water resources.

"Water Issues for Today, for Tomorrow" will be the theme of the conference, the eighteenth to be held by the Texas Water Resources Institute.

Texas legislators will face many important issues dealing with water in the next legislative session which opens in January, points out Dr. Jack R. Runkles, Institute director. The Institute funds statewide research to manage and conserve water resources, and is a special unit of the Texas Agricultural Experiment Station, the state's agricultural research agency.

"Federal funding for water development and for

water and wastewater treatment has literally 'dried up'. Additionally, water users from throughout the state -- in cities, on farms, in energy and industrial development -- all are pressuring the legislature for a statewide effort to assure adequate water in the future," Runkles explains.

Participation in the Water for Texas Conference is expected from many diverse groups.

Among speakers will be state agency heads, river authority managers, attorneys, engineers, water users, and several state senators.

Keynoter for the conference,

which opens at 9:30 a.m., Nov. 18, in the Rudder Theatre, will be State Senator Grant Jones of Abilene, chairman of the Senate Finance Committee. His subject will be "Water Issues Facing Texas."

Conference sessions will continue through noon Nov. 19.

More details about the program are available by contacting the Texas Water Resources Institute, College Station, Texas 77843.

A Mighty Hunter

The story of the dog as a faithful hunter and companion for man is a fabulous one. Doubtless some of our very own ancestors were kept from starvation by the skill and service of the dog, finding game where no man could hunt it out, keeping at the chase when man would have given up. Small wonder that many authors have talked of God as a Mighty Hunter for man, but in a quite different way; the game in this case is man himself. God never gives up in His search for us no matter how we try to hide from Him. Wherever we go, there He will follow though it be the end of the earth. He follows because He loves and He will have nothing less than love in return. No one is shut out from His love; He stands at the door of every heart asking for entrance—only the individual can keep the door shut.

EVERYONE IN THE CHURCH
 THE CHURCH IS EVERYONE

Is something wrong with your life...
 The answer to every human problem comes only from God our Maker. He alone can forgive and restore.

Through the church God has committed the promises and provisions of His forgiveness and relationship to us in a secure relationship to God. Everyone should be in the church and the church is every...
