## Faculty Committee Urges Emphasis On Academic Laurels in Annual Fete

Faculty members are studying recommendations submitted by the Faculty Advisory Committee in their annual report for the year ending Jan. 31.

Academic standards received consideration in a joint meeting with the Council of Deans and the F.A.C. Three positive proposals by the committee were to reduce the number of unnecessary withdrawals by requiring prior consultation with the instructor, and by shortening the period for withdrawal without grade penalty; to issue warnings at appropriate times against unauthorized dismissal of classes; and to put the primary emphasis in the All-College Recognition Service upon the academic achievement of students.

At the request of the Student Council, the F.A.C. studied the question of regulations governing "Dead Week," and submitted a report to the Council of Deans.

President E. N. Jones received reports from the committee on philosophy and practices of the college in disciplinary matters, and on improving the effectiveness of absence regulations and the reporting system. Some of the suggestions will be incorporated in substance in the regulations of the college when they are next revised.

## Major-Minor Tea To Honor Seniors

Frances Edwards, Suzy Ely and Patsy Donn will be honored at the annual Major-Minor Club tea from 3 to 5 p.m. Sunday at the K. N. Clapp Party House. A Valentine theme will be carried out in decorations. The three women are graduating seniors of the physical education department.

Officers of the club are: Frances Edwards, president; Diane Thomas, vice president; Shirley Herrington, treasurer; Bobbie Blocker, secretary; Kay Porter, reporter; Mary Nelson, A.W.S. representative; and Assistant Professor Dorothy Hoyle, sponsor.

## 'Coffee Grounds' Offers Informal Ideas For Stepping Up Tech School Spirit

Nearly a dozen concrete, though informal, suggestions for improving school spirit on the campus were presented at the first "Coffee Grounds for Discussion" program Sunday afternoon in the Student Union.

The session, attended by nine persons, was the first of a new Student Union series open to all Tech students who wish to present their views on campus problems.

With Glenn Rainer, student body president, leading the way, the group first attempted to arrive at a positive definition of school spirit.

Each participant outlined his ideas on the principle of school spirit. A final conclusion: "Spirit is a broad thing including loyalty to the department, loyalty to the school on other campuses and a feeling of pride at being identified with the college," was approved.

Wayne Davis summed up his version by saying, "School spirit in general is difficult to evaluate. You cannot place your finger on some things that must be listed

under spirit. Some people feel that the school is a cold, mechanical thing because of the growth of the school—causing them to lose the personal touch with others around."

## Many Openings Still Available At KTTC Radio

Many openings are still available in secretarial work, script writing, record filing, and other departments on the KTTC staff it was announced this week. In a recent meeting, auditions were held for KTTC announcers and the regular broadcasting schedule for the semester was compiled.

Students interested in helping are invited to the studio in the Speech Building Monday or Friday at 4 p.m. Credit will be given students who work three or more hours per week; no experience is required.

Members of the current staff include: John Baccus, Charles Bartlett, Ladimir Brosta, Richard Bullock, Dwight Carver, Charles Erwin, Hugh Fallis, Maurice Fawcett, Dwayne Grimes, Patsy Harris,

Also, Martha Heard, David Jones, Cynthia Loveless, Maurice McClanahan, Gene Miles, Edward Moore, Charlene Perkins, Bill Pittman, Celina Roberts, Porter Schultz, Chuck Strehli, Barbara van Horn, Harriet Webster, and Frances Winn.

## Pat Harkleroad Is Society Editor

Pat Harkleroad, Lubbock senior, has been appointed society editor for The Toreador, according to announcement by Editor David Clark.

Miss Harkleroad is a journalism major with previous experience as assistant society editor in the spring of 1954.

## Union Chairmen Named for Spring

Student Union committee chairmen were chosen this week for the spring semester. Chairmen serve under five general areas and are supervised by a coordinator.

Ken Johnson is coordinator for the dance area and he has as his chairmen: Jack Pruitt, record dances; Ann Rathjen, Friday dances; and Don Owen, square dances. Joan Roberts supervises the recreation area. Recreational chairmen are Tom Friday, crafts; and Chuck Strehli, games and tournaments. Sylvia Dietering is coordinator of the cultural area.

Her chairmen are: Gary Gilliland, movies; Shirley DuPriest, World Traveler; and Glenn Rainer, lectures and debates.

The entertainment area has as its coordinator Virginia Carr. Chairmen are: Bill Cormack, music; Ann Hogg, hospitality; and Ann Davidson, special events. Pat Harkleroad is coordinator of the house area. Her chairmen of building and dance decorations have not been selected. The arts and exhibits chairman is Ruth Ann Cummings.

## Houston Symphony Plays For 1,300

By DAVID CLARK  
Toreador Editor

An appreciative audience of about 1300 persons heard the Houston Symphony Orchestra demonstrate its technical mastery Feb. 3 at the third Artists Course presentation in Lubbock High Auditorium.

Beginning with the overture to "Le Corsaire," by Berlioz, the orchestra proceeded with Brahms' "Symphony in E Minor No. 4, Op. 98," which was probably the best received work of the evening.

After intermission, excerpts from Copeland's "Rodeo" and the overture to Tchaikovsky's "Romeo and Juliet" were presented.

The enthusiastic audience was not to be denied; three encores were demanded. "Perpetual Motion," from Don Gillis' "Symphony No. 5-1/2" was the first. Mr. Gillis is a brother of Dr. Everett Gillis, associate professor of English. "Spieleerei," or "Playing Around," another light number which the orchestra obviously enjoyed almost as much as the audience, followed. The evening was concluded with Sousa's "Stars and Stripes Forever."

## Men' Rush Rules To Be Explained At Sunday Meet

Are you interested in belonging to a men's social fraternity?

If so, the Interfraternity Council invites you to attend a short convocation at 2 p.m. Sunday in Aggie Auditorium. Rules governing men's rush will be explained.

If you have completed and received credit for one long semester, you are eligible to pledge a fraternity.

Brad Wilde, president of the Council, encourages all prospective rushees to attend this meeting for their own information and for the benefit of the fraternities in which they are interested.

## 'Yeomen of the Guard' Set For Two Day Run Monday

With all the color, glamor and pageantry of the 16th century England, plus the gay, spine-tingling music of Gilbert and Sullivan—"Yeomen of the Guard" will be presented on the stage of the Lubbock Senior High Auditorium Monday and Tuesday nights.

When the curtain rises at 8 o'clock the audience will see members of the Tech music department in authentic costumes of their respective roles as common citizens, Yeomen of the Royal Guard, the strolling jester, the head jailer, the beautiful bride the beefy beheader, and many others—all outfitted by the Tracy Music Society of Boston, official representative of Gilbert and Sullivan Society of London. Soloists and choruses will be accompanied in their operatic renditions by a 35-piece orchestra directed by Paul Ellsworth, instructor of music.

### Cast Named

In order of appearance, the cast includes Phoebe Meryll, Alice Ann Yates; Wilfred Shadbolt, Bill Cormack; Dame Carruthers, Ann Hogg; Sergeant Meryll, Bert Tandy; Leonard Meryll, Clarence Whiteside; Sir Richard Cholmondeley, Wayland Stephens; Colonel Fairfax, Ross Cass; Jack Point, Don Armstrong; Else Maynard, Gloria Snell; headsmen, Bob Howe; Kate, Carol Schultz.

Yeomen of the Guard are: Royce Acuff, Truett Allison, Roger Coil, Kyle Effinger, John Matson, Myron McCartor, Cecil Morris, James Schoeld, Eudell Spitzer, and Dick Watkins.

Included in the chorus of citizens are: Sue Applegate, Shirley Caudwell, Barbara Carthal, Jean Collette, Louise Crook, Joanne Dean, Buddy Douglass, Roberta Elliott, Glen Finney, Erlece Green, Mary Jane Hartley, Nancy Hays, Sandra Hemmle, Lawan Horton, Glenda Keyton, Bob Line.

Cynthia Loveless, Shirley McGowan, George Anna Meadors, Mary Jane Miller, Jim Nuckels, Leo O'Gorman, Celina Pember, Anita Powers, Janet Ramsour, Margaret Schindler, Sarah Beth Simpson, Frank Slattery, Betty Taylor, Jennie Ruth Thompson, Jean Tyrone, Wilida Wells, Jimmy Williams, Ernestine Wood.

### Production Committees

Members of production committees include: Set — Bob Butler, Gene Hamby, Nancy Tucker, Dean White, and David Wiggins; Publicity—Louise Crook, Phyllis Elson, Cynthia Loveless, Nina Kay Porter, and John Wright; Make-up — Nancy Alexander, Lawan Horton, Doshia Lusk, Warren Forsythe, and Carolyn Taylor. ## Varsity Tryouts To Begin Tonight

Tryouts for Tech's 1955 Varsity Show, "Good News," are slated for 7:30 tonight and tomorrow night in Aggie Auditorium, said Roy Smith, chairman.

Mary Ann Ponewczynski, Lubbock junior, has been chosen dialogue director.

Joe Ray Goodin, Claude senior, has applied for chorus director and Virginia Carr, Lubbock junior, has submitted application for dance director.

Anyone interested in trying for singing, speaking or dancing roles are urged to attend the tryouts. Also asked to attend are personnel desiring such tasks as lighting, makeup, costuming and backstage jobs.

## Virginia Carr Is Junior Favorite

Virginia Carr of Lubbock was named junior class girl favorite in a special election Tuesday.

The all-day election was necessitated by a mix-up in the Jan. 11 favorites election.

Running against Miss Carr were: Patti Price Chambers, Lubbock; Bette McGhee, Canyon; Mary Alice Braselton, Plainview; and Virginia Mitchell, Ft. Worth. A total of 109 votes were cast. The Student Council, in an effort to get a larger turnout, had placed ballot boxes in the dormitories during the day.

## Junior Sponsor Skits Wednesday

Junior Stunt Night, featuring skits by student organization members and individuals, will be held in the Union Ballroom Wednesday at 7:30 p.m. Admission is 50 cents.

Spurred by the junior class, the stunt night proceeds will be used to finance the Junior-Senior Prom in May. Don Brice, project chairman, invites all student organizations to enter an act.

AT THE UNION

Jazz Concert Set; Will Be Sunday

The Union will resume monthly jazz concerts Sunday at 2 p.m. Students and faculty members are invited by the music committee to participate in the music sessions held in the snack area.

The World Traveler, a series of lectures on interesting parts of the world, will feature a color slide narration on Hawaii tonight at 7 p.m.

The ballroom will be decorated in the theme of a Winter Garden tomorrow as the Esquire play for the weekly dance starting at 8:30 p.m.

"Yellow Sky," starring Richard Widmark and Anne Baxter will be shown Monday night at 7 p.m. There will be no admission charge.

Wednesday night at 7:30 there will be a square dance in the ballroom. Also scheduled is the first of three warm-up bridge tournaments in preparation for the National Intercollegiate Bridge Tournament to be held March 15. The Wednesday night warm-up session will be held in Room A.

The Union will initiate the first in a series of foreign films next Thursday at 7 p.m. with the presentation of "Pygmalion," an English play by George Bernard Shaw. A film featuring a different country will be shown each month.

Sneed Hall Elects Davis President

Wayne Davis was elected president of the Sneed Hall Dormitory Association for the spring semester at a smoker Friday.

Other officers elected were: Billy "Chick" Little, vice president; Charles Sanders, secretary-treasurer; Bill Waddle, social chairman; and Jerry Caskey, athletic director.

Wing governors, elected at wing meetings held last week, are: Ben Colburn, Jimmy White, Ben McGlamery, Ray Gordon, GERAL Cathey and Donald Hay.

Tentative semester activities were discussed at the first executive council meeting Monday night.

Tech Passes Up TISA Gathering

Texas Tech will not be represented at the executive council meeting of the Texas Intercollegiate Students Association to be held at Texas A&M Saturday. The council will discuss plans for the annual convention of the TISA.

"It was decided that a meeting held so far distant could be attended by so few Tech students that no real good could be done," said Ronnie Averyt, Tech's corresponding secretary to the TISA. Averyt added that "a delegation will be sent to the annual TISA convention at Trinity University in April."

TISA is an organization of Texas students which maintains a steady flow of correspondence between student government leaders throughout the state.

Mr. and Mrs. Frank E. Atwell Jr., 2408 7th St., are the parents of a son born Monday in Taylor Hospital.

Alpha Chi Omega Names New Slate

Alpha Chi Omega recently installed new officers, entertained a visiting national officer and named a "best pledge" from their pledge class.

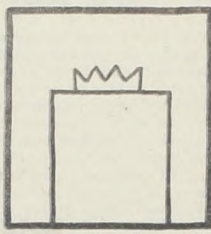

New officers of the local chapter are: Bernadine Weatherford of Odessa, president; Pat Howard, Lubbock, first vice president; Jimmie Faye Maxwell, El Paso, second vice president; Earlene Blackmore, Canadian, recording

secretary; and Beverly Thomas, Floydada, warden.

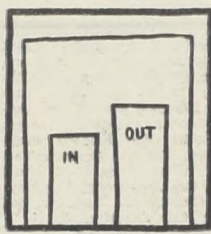

Linda Helly of Fort Worth was named "best pledge" at the senior banquet held last month.

Mrs. Kenard Jones, national collegiate vice president of Alpha Chi Omega, from Spokane, Wash., visited the chapter last week. She attended the officer installation ceremony and conducted a workshop for the sorority.

ALL NEW! LUCKY DROODLES!

WHAT'S THIS? For solution see paragraph below.

A STUDENT'S BEST FRIEND is Lucky Strike. At any rate, the greatest, up-to-date college survey shows that college smokers prefer Luckies to all other brands—and by a wide margin. Once again, the No. 1 reason: Luckies taste better. They taste better, first of all, because Lucky Strike means fine tobacco. Then, that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, good-tasting tobacco to make it taste even better. Luckies taste better anywhere, any time, as illustrated in the Droodle

### Spring Rushees' Convocation Held

Approximately 40 rushees attended convocation for women's spring rush Feb. 3 in the Student Union. Informal coke parties, which all rushees must attend, began Friday and continued through Sunday.

Each sorority had an hour-long party. Monday and Tuesday were periods for open rush. Silence, during which members and rushees cannot discuss sororities, began Wednesday.

Preference cards will be signed by rushees before 5 p.m. Feb. 18. Bids will be issued the following day and pledging will begin Feb. 19.

### Bearden Elected Chi Sigma Head

Gary Dee Bearden of Amherst was elected president of Tech's newly-organized Chi Sigma fraternity, it was announced today by Jack Tice, fraternity reporter. He replaces Jerry Clark, elected interim president last December.

In a Chi Sigma election held last week, Richard Ridgway of Brownfield was named vice president; Mel Lemos of Copius Christi, second vice president; Gerald Dietz of Borger, secretary; Doyle Simes, Sidney, Ohio, treasurer; Henry King of Littlefield, marshal; and Jack Tice of Littlefield, reporter.

### Shirley Massey Is New Pi Phi Head

As the result of a special election, Shirley Massey will serve as president of Pi Beta Phi, for the remainder of the year. Other officers serving this spring include Nancy Roberts, treasurer; Carol Cheney, assistant treasurer; and Betty Pitzer, corresponding secretary.

The election was held to fill offices vacated by mid-term graduates.

### Rush Is Limited To 7 Hostesses

Old errors die hard. Last year the Panhellenic council handed down a decision concerning "entertainment" being provided by sorority members of pledge groups at Tech for fraternities. Today, according to Mrs. Jane Lawrence of the Dean of Women's office, there is still misunderstanding on the part of some students about that ruling.

The Panhellenic statement, issued Oct. 5, 1954, in the form of a letter to the Men's Interfraternity Council was that sorority women were not to be present at men's rush, or following chapter meetings, except as hostesses. This excludes cigarette girls and program entertainment, but includes a maximum of seven hostesses. This statement was supplemented by an Association of Women Students' report on a ruling they had made.

"The purpose of these rulings was to eliminate cigarette girls and things of that type," explained Mrs. Lawrence, "and to keep the entertainment allowed on a high level."

AN EDITORIAL

A Step in the Right Direction

A current move to amend the Tech Student Association Constitution so that all five cheerleaders (instead of only two) will be elected is an indication of concern over deeper matters.

This concern is evident in campaigns, debates and other programs sponsored by responsible people who realize that what is termed "school spirit" is conspicuously absent from Tech campus.

When normal college students take no interest in affairs affecting daily college life, something is wrong. When only a handful of students manage the affairs of student body and the turnout at election time is consistently small, something is wrong.

The problem is not how to make students show interest in college activities, but rather, how to discover why they do not have this interest. When the correct answer to the second question is found, the solution to the first will become clear.

No one will seriously argue that election of all five cheerleaders will immediately create school spirit at Texas Tech. It is merely a minor step in a larger effort to enable students to take more part in student government.

Unless, however, a serious attempt is made to uncover the true reasons for student apathy, even this minor step will be in vain.

Letters to the Editor

Dear Editor:

For some months the leading question on this campus has been, "Where is our school spirit?" But, as is usually the case in such instances, there have been more mouths and tongues wagging than hands working.

Last Sunday the Union sponsored a discussion on our school spirit, and I would like to take this opportunity to thank the large number of eleven people for being present. This would seem that there are only eleven people interested enough to sit down for a few minutes and formulate a few constructive ideas concerning such a grave situation. If this is really the true picture, I must say that I am very disappointed in a few thousand people.

I am well aware of the fact that there were a number of functions in progress at the time, but I was not aware that the whole student body was concerned with such functions.

Possibly another of these discussions will be held in the near future, and if so, I, personally would like to see a better representation of our fine student body. We must remember that this is not a project for a few, but for every student enrolled at the present time.

Sincerely, Wayne H. Davis Sneed Hall

Toylift Sponsored By German Club

Oberlin Seminar, a German kindergarten in West Berlin, will receive a touch of Texas when it receives the first "Operation Toylift" shipment from the Texas Tech German Club.

The club's year-around Santa Claus project begins this month. Toys, paints, clothing, crayons, handicraft materials and books for the school are included in the first shipment.

Oberlin Seminar, according to Professor Theodore W. Alexander, cares for underprivileged and crippled children.

In addition to the "Toylift" project, the club is working on its fifth annual musical show. The production will be presented the last week in March.

Club officers are Karl Dockray, president; Alvin Gregg, vice president; Faith Christine Macina, secretary-treasurer; and James K. Dowling, reporter.

Circle K Club to Organize In Student Union Tomorrow

The organization of a Circle K Club on the campus will be launched at a luncheon meeting at 12 noon tomorrow in the Workroom of the Student Union.

The Circle K Club is an organization of the Kiwanis Club for college students who are interested in becoming business and professional men. All college men interested in learning about the organization may attend the meeting.

Reservations for plates for the luncheon may be obtained in Dr. Howard Golden's office in room 355 of the Administration Building until 3 p.m. today.

Dr. Golden is an associate professor in marketing, and district chairman for organizing Circle K and Kiwanis Clubs.

THE MAIL BAG

If the spirit should ever move you to write me a letter—and it's always a pleasure to hear from you—take pen and paper and address me c/o Philip Morris, 100 Park Ave., New York 17, N. Y. Or if you don't have any paper, snap open your Snap-Open pack of Philip Morris, remove the fine vintage cigarettes, turn the neat brown wrapper inside out and use it for stationery. The regular size Philip Morris pack is perfect for short notes. For longer letters use the king size pack. For chain letters and petitions, glue several packs together.

This week's column is devoted to a few of the many interesting letters that have been coming in:

SIR:

Maybe you can help me. I came up to college eight years ago. On my very first day I got into a bridge game at the Students Union. I am still in the same bridge game. I have never gone to a class, cracked a book, or paid any tuition. All I do is play bridge.

To explain my long absence and keep the money coming from home, I told a harmless little lie. I said I was in medical school. This made Dad (my father) very proud. It also enabled me to keep playing bridge. We were both terribly happy.

But all good things must come to an end. Mine ended last week when I was home for spring vacation. I arrived to find that Sister (my sister) was in the hospital with an ingrown spleen. Dr. Norbert Sigafos, the eminent ingrown spleen surgeon, was scheduled to operate, but unfortunately he was run over by a hot-food cart on the way to the scrubbing room.

"Oh, never mind," chuckled Dad (my father). "Harlow (me) will fix Sister (my sister)."

Well sir, what could I do? If I told the truth I would make a laughingstock out of Dad (my father) who had been bragging about me all over town. Also I would get yanked out of school which would be a dirty shame just when I am getting to understand the weak club bid.

There was nothing for it but to brazen it out. I got Sister (my sister) apart all right, but I must confess myself completely at a loss as to how to put her back together again. Can you suggest anything? They're getting pretty surly around here.

Harlow Protein

Dear Harlow,

Indeed I do have a solution for you—the solution that has never failed me whenever things close in: Light up a Philip Morris! Knots untie as you puff that rich vintage tobacco. Shade becomes light as you taste that mild fragrant flavor... And as you watch the pure white smoke drift lazily upward, you will know that nothing is as bad as it seems, that it is always darkest before the dawn, and that the man worthwhile is the man who can smile!

SIR:

Do you think a girl should kiss a fellow on their first date? Blanche Carbohydrate

Dear Blanche,

Not unless he is her escort.

SIR:

Here is a rather amusing coincidence that may amuse your readers. Just off the campus where I go to school there is a lake called Lake Widgiwagan where students from time immemorial have gone fishing. Thirty years ago when my father was an undergraduate here he went fishing one day at Widgiwagan and dropped his Deke pin into the water. Though he dived for it for many weeks, he never recovered it.

Just yesterday—thirty years later, mind you—I went fishing at Widgiwagan. I caught a four pound bass. When I got the fish home and opened it up, what do you think I found inside of it? You guessed it! Two tickets to the Dempsey-Firpo fight.

### Placement Service Slates Interviews With Industrial Firm Representatives

A week-long interview session by representatives of leading U.S. industrial firms with Tech candidates for several technological fields of work began today with the Boeing Airplane Company of Wichita, Kans., interviewing job-seekers in fields of architecture and civil, electrical and mechanical engineering.

Interviews will be held between today and Thursday, Feb. 17, according to the College Placement Service, under the following schedule:

Friday: chemical, mechanical, petroleum, electrical and civil engineers with the Socony-Vacuum Oil Company, Wright Air Development Center, and The California Company.

On Monday, Feb. 14, the Creole Petroleum Company, the Freeport Sulphur Company and Procter and Gamble of Amarillo will interview 1955 graduates in chemical, mechanical, petroleum, civil and electrical engineering, and graduate geologists, physicists, industrial engineers, management majors, and psychology and mathematic graduates.

The Continental Oil Company of Houston will interview Tuesday, Feb. 15, graduates in business ad-

ministration, chemistry, and chemical, industrial and mechanical engineering.

Wednesday, Feb. 16, the Sperry Gyroscope Company of New York has scheduled an interview session with electrical, industrial, and mechanical engineers, and math and physics majors, it was disclosed by the College Placement Service. Also, Dowell Incorporated will interview juniors with majors in mechanical and petroleum engineering and petroleum geology for summer employment.

1955 graduates in civil, electrical, industrial, and mechanical engineering, accounting, economics, management, and marketing are invited for interviews Thursday, Feb. 17, by the National Supply Company, Shell Pipe Line Corporation, and the Hughes Tool Company.

### Tech Delegates Attend Seminar

Iris Brunson and Gwen Williams, Tech seniors, are attending the Christian Citizenship Seminar in New York and Washington, D.C.

The Seminar is sponsored by the Methodist Student Movement and the Lubbock students were among 50 chosen in the nation to attend.

The students are spending three days in New York studying the United Nations. In Washington they will study functions of the federal government. The seminar will close Saturday.

Both Miss Brunson and Miss Williams are active in the Wesley Foundation. Miss Brunson is president of the Association of Women Students at Tech. Miss Williams was named "Miss Texas Tech" recently.

#### CHOIR OFFICERS

Two new officers were elected at a business meeting of the Tech Choir February 4. They were Sandra Hemmle, secretary, and Don Elliott, co-social chairman.

The officers were previously held by Joyce Miller Cunningham and Bill Key. Mrs. Cunningham now lives in Bowie, where her husband directs the high school band. Key is a member of the Air Force.

"Unaccustomed as I am, ladies and gentlemen . . ."

If that's your trouble, there's news for you. Students interested in learning to be toastmasters are invited by George Wilkinson to attend the first meeting of a Tech Toastmasters Club. The group will assemble at noon Wednesday at the Student Union, according to Wilkinson, senior from McCollough.

"Experience in talking on their feet" will be included for persons who participate in the toastmaster training, it was announced.

Reservations may be made at the Union concession stand.

### Mozart Makes Comeback In Lord's Puppet Revue

A Broadway musical, an ice show, or Mozart concert could be seen at the Tech Union at 7 p.m. Tuesday when Daniel Llords presented his Puppet Revue.

Mr. Llords used more than 100 puppets in his marionette show, designed particularly for adults, that was presented in the Student Union ballroom. He used lighting, various costuming, and even a puppet-size rainstorm in his production.

Llords has spent over 5,400 hours entertaining servicemen. The revue was sponsored by the Tech Union Special Events Committee.

### Boeing offers engineers long-range careers

Throughout its 38-year history, Boeing has consistently pioneered advanced new types of military and commercial aircraft, and new methods of production. This history of leadership has meant continued growth for the company. It means continued opportunities for Boeing engineers to move ahead according to their ability in Research, Design and Production.

Today Boeing is producing the jet age's outstanding bombers, the B-52 and the B-47. Other Boeing projects that mean continued growth and stability include: America's first jet transport (the Boeing 707). Research in nuclear-powered and supersonic flight. And one of the nation's major guided missile programs. These and other new-horizon

projects are expanding at such a rate that Boeing now employs more engineers than even at the peak of World War II.

The high inherent interest of these programs, together with the stimulation of expanding opportunities, add to the stability of careers at Boeing. One measure of stability is given in this chart.

It shows that 46% of Boeing engineers have been with the company for five or more years; 25% have been here 10 or more years, and 6% for 15 or more years. Another measure is the increasing pro-

portion of engineers to total employees. Fifteen years ago the figure was one to 16. Today one out of each seven employees is an engineer.

Boeing promotes from within and holds regular merit reviews to assure individual recognition. Engineers are encouraged to take graduate studies while working and are reimbursed for all tuition expenses.

Boeing has openings for virtually all types of engineers—electrical, civil, mechanical, aeronautical and related fields, and for applied physicists and mathematicians with advanced degrees.

## Raiders Trample Arizona, 82-70, In Saturday Stand Against Wildcats

The two Border Conference basketball Goliaths—Texas Tech and West Texas State—will go at it tooth and nail again in a fight for an inside track to the conference championship at the Tech Gym at 8 p.m. Saturday.

Both teams have lost only one game in conference play. West Texas was upset by Arizona University at Tucson, 56-55, and Tech dropped an 87-78 decision to the Buffaloes at Canyon last week before 4,000 fans.

However, West Texas is leading the loop with a 7-1 mark while the Raiders are 5-1 in conference activity.

Polk Robison's Raiders are currently on a four-game winning streak. The Matadors have knocked off Hardin-Simmons 72-59, Texas University, 79-74, Arizona State, 107-81, and Arizona University, 82-70, in that succession.

### Both Strong Offensively

Both clubs have powerful offenses. West Texas will boast the nation's free throw percentage leader in James Scott (who was high point man for the Buffs against Tech last week with 25), Ray Burrus, Bill Clifton, John McClure and Harold Robinson. Burrus had 20, Clifton 14, McClure 18, and Robinson 10 in the game with Tech at Canyon. All five men played the entire 40 minutes of the contest.

Coach Gus Miller's Buffs have a 13-5 season record and have scored 1,255 points as compared to Tech's overall mark of 14-5 and a total of 1,322 points.

### Reed Leads Tech Scoring

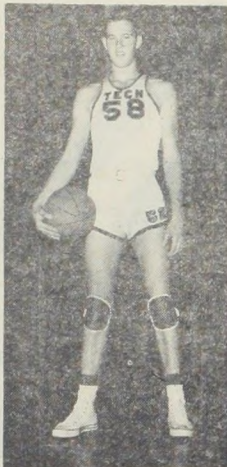

Probable starters for Tech in the do-or-die clash will be Jim Reed, leading scorer, DuWayne Blackshear, Gene Carpenter, Carl Ince and Harry Sealing.

Against the Texas Longhorns Reed grabbed scoring honors with 20 points, followed closely by Blackshear with 19. The Raiders had to sidetrack a late desperate Texas rally to win at Austin.

Most recent wins were over Arizona State's Sun Devils and the Arizona Wildcats. Against Tempe State, Tech jumped the 100-mark for the second time this season, the only other time when the Raiders ripped Furman, 111-103.

Reed hit 22 against the Sun Devils with Blackshear and Ince both meshing 20.

Carpenter was high point man in the Arizona win Monday night with 26 points on 14 free throws and six field goals. Reed was runner-up with 15.

## Baseball Hopefuls Begin Workouts

Between 65 and 70 candidates for the varsity baseball team began practicing Monday afternoon, according to Coach Beattie Feathers.

The more experienced players are working out daily at 4:30 and those lesser experienced are practicing at 3:30 p.m. On Tuesdays both groups will practice together. This schedule will be followed until football spring training opens, when the boys will then work individually.

The Tech team will open its schedule April 1 against Sul Ross at Alpine. Coach Feathers has scheduled 14 games for the team and is trying to schedule additional games with West Texas State.

### The schedule is:

- April 1-2 Sul Ross at Alpine
- April 5-6 University of Colorado, here
- April 15-16 Texas Lutheran, here
- April 22-23 Texas Lutheran at Sequin
- April 25-26 Sam Houston State at Huntsville
- April 29-30 Sul Ross, here
- May 9-10 Sam Houston State here

Practice sessions are being held on a new diamond constructed near the Auditorium-Coliseum site. Home games will be played at Odom Field.

## Raiders-All Stars Meet In Exhibition

Texas Tech's basketball team will meet the Armed Forces All-stars Tuesday at 8 p.m. in Tech Gym. This will be an exhibition game with the proceeds going into the 1956 Olympic fund.

The All-Stars have such players as Don Lance of Sudan and Rice Institute fame. The team is coached by Norm Pilgrim, formerly of Oklahoma A&M.

Tickets will go on sale Saturday night following the Tech-West Texas State game at the Gym. Tickets may also be obtained at Jones Stadium beginning at 8 a.m. Monday.

Since this is a benefit game student activity books will not be valid. Ticket price for students and faculty is \$1.00 and for general public \$1.50.

## Raider Swimmers Meet Texas Here After Losing Tilt to Rice, 58-35

Texas Tech's swimming team will hit the water Saturday against the University of Texas' aquatic squad at the Lubbock Boys Club Pool.

The Raider swim squad, coached by Dr. Ray Kirellis, dropped a telegraphic meet to Rice Institute, 58-35, Saturday. Tech swam in the Boys Club Pool, while Rice proved its might in Houston.

Bob Shackelford showed the greatest promise for the Raiders with first place wins in the 100, 200, and 400-yard free style events.

Bill La Shier placed first in the 200-yard back-stroke event, and the combination of Fritz Munzinger, Jack Chisum, and Curtis Morrisett was good enough to provide the Techs with another top place in the 300-yard medley relay.

Other than top honors, La Shier placed second in the 100-yard back-stroke event and third in the 150-yard individual medley. Chisum finished third in the 50-yard free style race and Morrisett finished behind pace-setter La Shier in the 200-yard back-stroke event.

James Donnelly finished third in both the 100 and 200-yard breast stroke events, and the combined efforts of Malcom Daniel, Fred Jöbe, James Donnelly, and James Miller were good enough for second place in the 400-yard medley relay.

## Vengeful Picadors To Meet West Texas Frosh Saturday

Texas Tech's Picadors will be seeking their 10th victory in 12 starts at 4 p.m. Saturday against the West Texas State freshmen in the Tech Gymnasium.

The Picadors won their ninth of the campaign by staving off a late Odessa College rally Monday and then went on to a 74-69 victory over the stubborn Wranglers.

The junior Buffs edged the Picadors 66-65 in the last meeting of the two teams at Canyon. The other Picador loss was to powerful Howard County Junior College.

Logan Cummings and Rony Reales led the Picador offense against Odessa with 16 points apiece.

### Audience Can Participate Segregation Question To Be Argued Tuesday In Oxford Style Debate

Resolved: That Texas Tech should open its doors to Negroes.

This is the subject of an Oxford style debate to be held in the union ballroom Tuesday at 7 p.m. sponsored by the union lectures and debates committee. The Oxford debate is to be distinguished from the regular debate in that it allows audience participation. Fifteen minutes are allowed after team rebuttals for questions and opinions from the audience.

Formality and stiffness are eliminated in the Oxford debate and yet the strong argumentative spirit is retained. According to Glenn Rafner, one of the debaters, no holds will be barred in presenting the pros and cons of this problem.

The decision of which team won will rest in the audience. As they come into the ballroom, each person will enter under a sign reading, "For," "Against" or "Undecided," according to his personal feelings. Then as they leave each person will again walk under the sign of his choice, and the winner of the debate will be determined

### German Movie Is Films '55 Debut

"Cabinet for Dr. Caligari" was the feature movie of Films '55 debut in the Student Union Tuesday.

Films '55 is a presentation of famed examples of motion picture craftsmanship and art and is presented by the Tech Museum.

Subsequent attractions to be shown at the Museum are: Jean Cocteau's French film, "Orpheus," on Mar. 1; John Steinbeck's "Forgotten Village," and one of the early Garbo productions. Date of showing will be announced later.

#### CONTRACT TALKS

Three Raider footballers have been talking contracts with pro teams. Rick Spinks talked to Paul Bixler of the professional football champion Cleveland Browns last week. Tuesday Walter Bryan and Dean White discussed contracts with B. G. Eubanks of the Baltimore Colts.

The affirmative side will be taken by Donnie Dean and Dr. J. W. Davis and the negative side will be argued by Glenn Rainer and Warlick Carr. Dean is president of the Student Religious Council and a member of the Student Council. He has appeared in a number of debates. Dr. Davis is head of the government department. Rainer is president of the Student Council and has also appeared in several Tech debates. Mr. Carr was recently named "Lubbock Man of the Year." He is a Lubbock lawyer and businessman.

There will be no attendance charge and members of the lectures and debates committee invite everyone to attend.

### Greek Ex-Airman Wins Scholarship

A former Reese Air Force Base airman, who has entertained more than 100 South Plains audiences, has won a competitive music scholarship at Tech. Constantinos (Gus) Mitchakes surpassed 24 others with his vocal ability to take the scholarship.

After his separation this month from a four-year training program at Reese, Mitchakes is fulfilling a dream of a music education in an American school.

Mitchakes holds many honors. In 1952 he won three Reese talent contests, and in 1953 he won second place in the Horace Heidt talent show held in Lubbock. He reached the finals in the Air Force contests, which included world-wide competition.

Mitchakes was born in Nafpaktos, Greece, and graduated from high school there. In 1949 he and his father came to America and settled in Saginaw, Mich. He later became a naturalized citizen of the United States.

### Tech Women Named to College Board

Texas Tech affairs, prominent enough for national attention, will be reported by Sylvia Deitering and Pat Harkleroad as representatives of Tech on Mademoiselle's national college board this year. They are among 700 students

who competed with applicants from colleges all over the country to win places on the board, according to Mademoiselle.

While reporting, the girls will be further competing for the 20 Guest Editorships to be awarded by the magazine at the end of May.

Guest Editors will go to New York for four weeks in June to help write, edit and illustrate Mademoiselle's August 1955 College Issue.

In addition to the salary the guest editors will receive, they will interview outstanding men and women in their chosen fields to help clarify their career aims, and will be Mademoiselle's guest in a round of party and theatre going.

#### PHI MU ALPHA ELECTION

Phi Mu Alpha, honorary music fraternity, elected new officers at a meeting last Tuesday. They are: Bill Cormack, president; Ted Trippe, vice president; James Carthal, corresponding secretary; David Wiggins, recording secretary; Don Elliott, treasurer; James Webster, warden; Jerry Cunningham, pledge trainer; and Ed Carrell, assistant pledge trainer.
