

All Council Candidates Receive New Opposition

Top Student Council office candidates are no longer unopposed.

Three council offices have received new competition. Running for president are Donnell Echols and Neal Pipkin. Entered in the race for vice president are John Osserle and David Steinman.

Dan Howard and Roger Loter are vying for Council Business manager.

STUDENT COUNCIL secretary candidates are Mary Catherine Birkelbach, Gail Peterson, Rosa Elia Riojas and Leta Merle Roberts.

Some 127 petitions had been issued by 2 p.m. Wednesday for the 36 positions to be filled in the April 16 elections.

Candidates' expense accounts must be filed by April 14. Failure to do this will result in the candidate's being dropped from the race.

THE TECH government department and Pre-Law Club have made it possible for those running for office to present campaign speeches before the 233 and 234 government classes. Approximately six to eight minutes will be provided the speaker in each class. Candidates are requested to place applications for time at the Student Council office as soon as possible. They will be notified by the Pre-Law Club, when and where to speak.

Eight boys and nine girls have

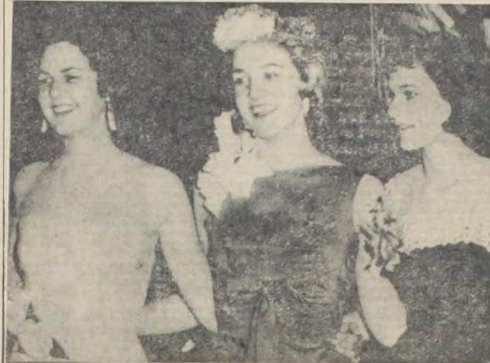

taken out petitions for cheerleading positions. Three boys and two girls will be elected.

THREE COUNCIL representatives from the School of Agriculture will be elected. Seven are running.

Twenty-seven candidates are vying for the nine places as Arts and Sciences representatives.

The School of Business Administration will have five representatives. Twenty-eight are running for these offices.

Twenty-two engineers will compete for eight positions, and two home economics representatives will be elected from the 11 candidates.

JEAN GROESBEECK, Texas Tech freshman, was recently crowned queen of the Arnold Air Society National Conclave at San Francisco. Pictured are attendants Dottie Parnell, Southwest Texas State Teachers College; Miss Groesbeeck and Jackie Myers, Penn State.

Jean Groesbeeck Chosen Air Queen

Jean Groesbeeck, Texas Tech freshman from El Paso, was crowned Queen of the Arnold Air Society National Conclave at San Francisco April 3.

Chosen from members of the Angel Flight present at the conclave, Miss Groesbeeck will be featured in a film being made by the Air Force for use by the AFROTC.

SHE ALSO MET such people as Mrs. H. H. Arnold, wife of the late general; Gen. William Dean, the "Dogface Soldier;" Gen. Doolittle; Brig. Gen. Robert L. Scott, author of "God is My Co-Pilot;" Lt. Gen. William E. Hall, commander of the Continental Air

Command; Maj. Gen. Turner C. Rogers, commandant, AFROTC; and Maj. Gen. James E. Biggs, superintendent of the Air Force Academy.

Miss Groesbeeck was accompanied by Leroy Hellman, Leroy Plumlee, Ronald Wetherington, Edward Jo Foster, James-Willis and Kenneth Lockhard.

HER ATTENDANTS were Yvonne Burman, San Diego State; Dottie Parnell, Southwest Texas State Teachers College; Jackie Myers, Penn State; and Sarah Graesser, Colorado State College. She is a home economics major and is now the choreographer for the Varsity Show, "Guys and Dolls."

Choir Plans N. Y. Tour

The Tech Choir, scheduled to appear on the Ed Sullivan Show Sunday will spend four days in New York.

The group will leave Friday evening by plane. They have a lay-over in Dallas where they will present a brief program at the new Love Field Terminal.

The choir will leave Dallas at midnight and are scheduled to arrive at Newark, New Jersey, at 6:10 Saturday morning.

From Newark, they will go by bus to New York, where they will register at the Wellington Hotel.

Saturday morning they will leave the hotel to tour New York, visiting Radio City, St. Patrick's Cathedral, and seeing the shops along 5th Avenue.

They will take the "shuttle" across town to Times Square, go up Broadway to see the theater district, and then return to the hotel.

Saturday afternoon will be free. Saturday night they will see "The Music Man."

The choir will be in rehearsal all day Sunday at CBS television studio in preparation for their appearance on the show that night.

Monday morning they will go on a Grey Line Tour, which includes Times Square, Washington Square, Greenwich Village, and the Bowery, Lower East Side, Chinatown, the Battery, the waterfront, the Statue of Liberty, the United Nations building and Beekman Hill.

A second tour, Monday after-

noon will include St. John the Divine, Columbia University, the Julliard School of Music, International House, Riverside Church, Grant's Tomb, Riverside Drive and 5th Avenue.

The choir will divide into groups Monday night to stage shows, the opera, or the New York Philharmonic.

Tuesday will be a free day and the choir will leave New York Tuesday night by plane.

They are scheduled to arrive in Lubbock Wednesday morning. Accompanying the choir will be Mrs. E. N. Jones and Mr. and Mrs. Wayland Stephens. Stephens was president of the choir for two years prior to his graduation last year.

The choir is under the direction of Dr. Gene Hemmle.

Attention

Candidates:

In a meeting yesterday evening of the Elections Committee, feeling that number 3 of letter B under Roman numeral II of the election rules misrepresented the views of the Student Council, amended it to read:

"Posters and placards must conform to the above mentioned dimensions and none can be attached to the outside of campus buildings. However, these approved posters may be used on personal property. This does not exclude the use of hand bills and cards."

Eight Disqualified

Eight students have been disqualified for the spring election because they failed to turn in petitions.

They are: Roger Loter, business manager; Jerry Wood, cheerleader; Jean Smith and Janie Norris, Business Administration representatives; Judy Jo Jones and Martha Kenley, Arts and Sciences representative, and Al Richardson and Diane Wilcox, Engineering representative.

Cat On A Hot Tin Roof

Drama Opens Friday

"Cat On A Hot Tin Roof", Tennessee Williams' famous drama of the deep south, opens at Lubbock Municipal Auditorium tomorrow at 8 p.m. for a one-night stand.

For the first time, Williams' controversial third act will be seen when George Brandt brings his production of the prize-winning play to Lubbock. Theatre history indicates that never were there as many changes made in a distinguished playwright's work as those made in "Cat On A Hot Tin Roof" by Elia Kazan, director of the Broadway hit. Brandt decided to leave the play in its original version which he believed had more integrity despite the fact that it was much lustier.

VICTOR JORY, one of America's most distinguished actors, will star in the production. Jory enacts Big Daddy Pollitt, the wealthy Mississippi Delta Plantation owner who is torn between an alcoholic son, a wife he no longer loves, and the fate of his estate when he dies. The action of the play takes place in the bed-sitting room of a plantation on

Big Daddy's estate. Joey portrays an uneducated, often coarse field hand who became overseer of a cotton plantation. Inheriting the plantation, he turns it into "Twenty-eight thousand acres of the richest land this side of the Valley Nile" to become a multi-millionaire.

Jory has played important roles in many Broadway hits including "The Two Mrs. Carrolls", "Henry the Eighth", "Androcles and the Lion" and "Season in the Sun", in addition to 127 films.

JEAN INNES, who has 25 screen accomplishments to her credit, including "Friendly Persua-

sion," portrays Big Mama, bewildered mate of the mudland ruler. William Daniels is the hard-drinking son, Brick, who is Big Daddy's favorite son. Olga Bellin plays Brick's wife, Maggie, the "cat" of the title and whose portrayal of Blanche in Mr. Williams' "Streetcar" brought her to producer Brandt's attention.

Directed by Albert Lipton, the supporting cast includes William Major, Philip Lindsay, Michael Myers, Maxine Fertel, Guy Pelletier, William Bush and Donald Marye.

Tickets range in cost from \$4.40 to \$2.20.

Illness Delays 'Macbeth'

Texas Tech Speech Department's production of "Macbeth" has been postponed due to "illness in the cast", Ronald Schulz, director, announced Wednesday.

Matinee performances are now scheduled for April 19 and 20 at 2:30. Evening performances will

be given April 21 to 25 at 8:15 in the Livestock Pavilion as previously planned.

THE PAVILION has been secured from the Agriculture Department because of its resemblance to the famous Globe Theatre **Page 5, 'MACBETH' . . .**

Seven scholarships were awarded last night at the annual chemistry and chemical engineering awards dinner.

Students receiving awards were J. B. Copeland, Texas Co. Scholarship; Samuel Jackson Park, Eastern States Petroleum & Chemical Corp. Scholarship; Raymond B. Knezek, Conoco Scholarship; Karin Ann Smith, Monsanto Chemical Co. Scholarship; Jimmie Dale Auten, and Don Kerr, Dow Chemical Co. Scholarships; and Eugene E. Poirot, Frontier Chemical Co. Scholarship.

Dr. E. H. Shine presented the awards. Master of ceremonies was Dr. Joe Dennis. Others on the program were Prof. W. M. Slagle, Dr. R. C. Goodwin, and Dr. W. W. Wendlandt.

Dr. S. H. Lee presented 32 recognition awards and achievement certificates, based on attitude, initiative and grade point.

Dr. Hans B. Jonassen, Tulane University chemist, was the principal speaker. Dr. Jonassen has been on the Tulane faculty since 1946 and has specialized in the study of metal ions. A native of Hanover, Germany, he earned his bachelor and master of science degrees at Tulane before getting his Doctor of Philosophy at the University of Illinois.

PHI DELTA THETA members directing the chapter's Community Service Day this Saturday at the Children's Home of Lubbock are, from left to right, Tom Shelby, general chairman; Wilson Scaling, Jerry Stockton and Chuck Key.

Phi Delta Thetas Plan Service Day Saturday at City Children's Home

Phi Delta Theta's third annual Community Service Day will be Saturday at the Children's Home of Lubbock.

Community Service Day is a nation-wide affair with 121 other Phi Delta chapters participating. It has been scheduled every spring for the past three years on a day designated by the General Council of the Fraternity.

This is the third time that Texas Epsilon has decided to hold the project at the Children's Home. Since they worked there last year two more houses and an athletic field have been added.

Under the direction of Tom Shelby, Lubbock junior, 135 mem-

bers and pledges and 35 local alumni will begin work at 8 a.m. and finish at 7 p.m. Saturday. It is estimated that there will be 1600 man hours of labor put into the job.

The work to be done will include landscaping the home area, planting trees, garden seeds and shrubbery, painting playground equipment, clearing the new athletic field and building fences for the animal area where the 150 children of the home keep their pets.

The plants and seeds are being donated to the Phi Deltas by Tom's Tree Place, Dodson Nursery and McClain Nursery.

Union Events

Thursday—Music Listening Hour, 2 p.m.
Square Dance, Rec Hall, 7 p.m.
Movie, "Mister Roberts," Ballroom, 4 and 7 p.m.
Friday—Dance, "Tune Tones," Ballroom, 8:30 p.m.
Saturday—Alpha Zeta, "Cotton Ball," Ballroom, 8 to 12 p.m.
Sunday—Raider Revue, Snack Bar, 5:30 p.m.
Monday—Wilson Lectures begin, "Pops Night," Municipal Auditorium.
Movie, "The King and I," Ballroom, 4 p.m. only.
Tuesday—Dance, Rec Hall, 7 p.m.
Hospitality Hour, Ballroom Lounge, 3:30 to 5 p.m.

Around the Circle

—carolyn minna

How did Sir Easter Bunny treat everyone? Of course everyone had a hopping good time.

For the people remaining in Lubbock, all of the holiday was not exactly sunny and bright, but we all lived over it.

So here we are again and the organizations around the Circle are planning a rather lively weekend.

Kappa Alpha Theta sorority and Sigma Alpha Epsilon fraternity are having a mixer in the SAE lodge at 7:10 p.m. today.

Square dancing is being sponsored by the Union in the Rec Hall at 7 p.m. today.

Phi Delta Theta fraternity is planning a record dance at K. N. Klapp Partyhouse at 6 p.m. tomorrow.

Sigma Kappas will have a party of their alumnae in their lodge tomorrow.

Gamma Phi Beta is having its annual dinner dance at the Hillcrest Country Club from 6:30 to 11 p.m. tomorrow. Theme of the formal event is "The Garden Gate" featuring flowers, butterflies and picket fences.

Alpha Zeta will crown the 1958 Cotton Queen at its annual Cotton Ball at 8 p.m. Saturday in the Union.

Pinafores will be the fashion of the evening at Delta Gamma sorority's Pinafore Party in the Lubbock Hotel at 8 p.m. Saturday.

Girls, here is your chance to get out and show the men that you know something about sports too. Phi Gamma Delta fraternity is planning its Fiji Olympics at 2 p.m. Saturday. The games will be in front of the women's dorms.

Alpha Chi Omega sorority will have its annual dinner dance Saturday at 6:30 p.m. at the Caprock Hotel. The Keynotes will play for the dance, and Alpha Chi's will crown their "Dream Guy."

Tau Beta Pi has scheduled its spring banquet for 7:30 to 11 p.m. Saturday in the Chicken Shack.

Kappa Kappa Gamma sorority will leave on its spring retreat at

12:30 p.m. Saturday. They will have the retreat at Buffalo Lakes at Amarillo and will return Sunday.

Three fraternities are having hops this weekend.

Phi Kappa Psi is having its "Blast" dance in the Palm Room at 8 p.m. tomorrow.

Sigma Alpha Epsilon will have its "Basin Street" dance at 8 p.m. tomorrow in the VFW Hall.

Pi Kappa Alpha is planning a "Playboy" dance for 8 p.m. in its lodge Saturday.

High School senior girls will be honored at a Panhellenic tea from 2 to 4 p.m. Sunday in the Union.

This tea is being sponsored by the Tech and city Panhellenic to acquaint Lubbock senior girls with campus and sorority activities.

Monday will be family night for the Agriculture Economics Club. Members of the club will honor and entertain their families from 7 to 9 p.m. in the Ag Building.

The annual Wilson lectures will begin Monday and continue throughout next week.

That is all for this week.

Delta Taus Elect Wood President

Delta Tau Delta fraternity recently elected Jerry Wood, senior from Pecos, president of the Epsilon Delta chapter for 1958.

Other officers elected were Morris Scales, vice president, junior from Lubbock; Jerry Lobhill, treasurer, junior from Fort Worth; Glenn Himmelberg, corresponding secretary, junior from Phillips; Don Grimes, recording secretary, junior from Seagraves.

Wayne Lambert, guide, junior from Stinnett; Dan Moore, assistant treasurer, junior from Cleburne; Pat Groves, pledge trainer, junior from Midland; Bob James IFC representative, junior from Fort Worth, and David Shoemaker, sergeant-at-arms, junior from Midland.

Committee heads chosen were James Lake, social; Tommy Priddy, intramurals; Don Hunter, activities; Jerry Martin, scholarship; Joe Muckelroy, alumni relations; Charles Williams, historian; Gerald Dabbs, reporter; Norris Green, rush and John Sparar, assistant pledge trainer.

Area Approved For Sunbathing

Sunbathing season is here! Now, there are those who might beg to differ on this point in view of the stubborn low temperatures which persist in putting a damper on warm weather activities.

Nevertheless, on those occasional warm afternoons, which still give one hope that spring is surely here to stay, sunbathing is most acceptable—in its place.

The place designated for one's exposure to the solar radiation is the area between Horn and Knapp Halls, on the south side of the dorms, according to the Deal of Women's Office.

Bike Race Highlights Tech Spring Festival

One of the Texas Tech Spring Festival highlights will be the Bicycle race at 2 p.m. April 19, last day of the festival. The Spring carnival begins April 14.

Deadline for entries is noon, April 12. Entry fee will be \$5 per team.

Each team will be composed of six people. There will be four riders and two pitmen. Teams may be independents as well as sponsored by organizations. Each organization may sponsor as many teams as they wish.

All officials and team members will meet April 12 in the Tech Union to be briefed on the rules. At this time all bikes that will be used in the race will be inspected. The course will be studied to familiarize the riders with it.

The course is the east-west boulevards connecting the campus with Broadway, and the Memorial Circle. About 40 laps will constitute the race. Riders may be changed as often as wished.

SANDRA HENDRIX and Ben Pilchur rest after a hard work-out in preparation for the Bike Race in the Spring Festival. (Tech Photo)

NEA Meets Today To Elect Officers

Tech's Student National Education Association will meet today at 7 p.m. in the Tech Union to elect officers.

NEA, formerly known as the Future Teachers of America, is an association for future teachers which, Dr. Bruce Browning, associate professor of education, says "helps young people going into teaching by giving them a chance to discuss education and its problems."

Geologists Attend Van Horn Meet

Fifty Tech geology students and faculty members will leave today to attend a two-day meet at Van Horn.

The annual trip is sponsored by the Permian Basin Section of the Society of Economic Paleontologists and mineralogists, and University of Texas and Professor John P. Brand of Tech.

About 250 representatives from other Texas schools will compose the group which will study mountains in the area.

Dancers Praised By Groesbeck

Hard work and success go together according to Jean Groesbeck, choreographer for the varsity show, "Guys and Dolls."

Miss Groesbeck stated during workouts this week that, "We want people to realize that hard work goes into a show. Perfection is a necessity and it doesn't come overnight."

Jean, who originated all the steps for the production, has been dancing since she was 10 years old and was choreographer for several high school shows. She is a freshman from El Paso.

Pleased with the showing the dancers are making, Miss Groesbeck said Friday, "The dancers are working as hard as professionals and the guys and dolls working in the dancing choruses are giving all they have to make this show's dancing the best ever."

Sixteen girls and ten boys comprise the dancing groups which will wear original costumes designed by Carolyn Porter, Lubbock sophomore.

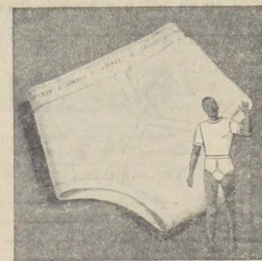

Mary Harrington, Odessa sophomore, is assisting Miss Groesbeck. They will present a preview of the chorus line to the public at a date yet unannounced.

"Jockey brand underwear made me Phi Beta Kappa!"

"Amazing scholarship," said the Dean. "Cheating!" cried my fellow students. But I knew the real reason for my becoming an honor student. My tailored-to-fit Jockey brand briefs were so comfortable that naturally I found it easy to study better and get straight A's."

"If your brand is Jockey, you won't need any ponies," I tell my friends. It's true, too. You see, Jockey—and only Jockey brand—uses thirteen separate pieces to provide a perfectly smooth fit. You feel better—and you study better—when you wear comfortable Jockey briefs."

Jockey briefs are the most popular underwear in the world. Be sure you get genuine Jockey brand—they're tailored to fit.

Library Roof Receives New Tar

If you have been in the library recently and heard unusual noises sounding like a truck being driven across the roof, don't visit your psychiatrist—yet. There's an explanation.

The library roof, which has leaked during the many recent rains, is being repaired.

Since early last week, a crew of workmen have been scraping the old tar from the roof and replacing it with a fresh layer. The job should be completed soon, and the traditional quiet of the library restored.

 Dates of Interviews: Friday and Saturday, April 11, 12.
 Students selected will be employed for summer on 40-hour week basis. They will be given consideration on permanent engineering jobs following graduation.

Room and Board Survey Starts

A survey on room and board payments has been sent out, according to H. L. Burgess, director of the Office of Room Reservations.
 The survey is to determine the number of students wishing to pay their room and board by the semester rather than by the month.
 Since semester payments would involve more bookwork, the plan will be used only if there are enough students wishing to pay by the semester to offset the extra work.
 This plan would not affect students who wish to continue paying by the month, Burgess stressed.
 "It is strictly a survey, and the decision lies with the students," he said.

Fashion Shows Will Be Feature Of Annual Home Ec Open House

Everyone likes a fashion show, especially when the models are Tech coeds!
 Three fashion shows are being planned by the home economics department during the Spring Festival. Each department will have a different display with the theme centering around "Focus."
THE EXHIBITS in the applied arts department during the twenty-first annual Home Economics Open House will consist of art education, experiments in design, crafts exhibit, and hand-weaving exhibits. Demonstrations of textile design and jewelry will be held Friday, April 18 from 1-8 p.m. and Saturday, April 19 from 9 a.m. to 5 p.m.
 The child development department will illustrate the family life

cycle and family relations. Six exhibits will focus on each age level. The various classes in this department will prepare the exhibits with appropriately dressed potatoes representing levels of the family.
THE NURSERY SCHOOL laboratory will be open to the public from 2-5 a.m. and 7-9 p.m. Friday and 10-12 a.m. and 2-5 p.m. Saturday. The creative work of the nursery school and kindergarten children will be on display.
 The fashion show will be presented Friday at 2:30, 4, and 7:30 p.m. Saturday it will be at 10:30 a.m., 2:30, and 3:30 p.m.
 Dresses for the event were made by Tech clothing classes.

President Jones Announces Council To Better Tech's Teacher Training

Dr. E. N. Jones, Texas Tech president, has announced a council to recommend policies and procedures in the betterment of Tech's teacher training program.
 "Today's educational crisis demands more quality in teaching as well as more teachers," Dr. Jones said in announcing the 19 member inter-departmental council.

Dr. Ray Kireilis, health and physical education; Dr. Jesse Sealey, biological sciences; Dr. Samuel H. Lee, physical sciences; Richard Heineman, mathematics; Dr. Scotti Mae Tucker, foreign languages; Dr. William Oden, social sciences; and Dr. Alan M. Gunn, English and speech.

Chairman of the council, which is to function for two years, is Dr. Morris Wallace, education department head and director of teacher education.

The following have been asked to serve two-year terms on the council:

Dr. George Mecham, elementary education; Dr. Berlie J. Fallon, secondary education; Dr. Elizabeth Sasser, fine arts; Ray Chappelle, agricultural education; Dr. William Pasewark, business education; Vivian Adams, home economics education.

Tech Coeds Vie For Queen's Title

Cotton Ball Queen will be named Saturday at the first Cotton Ball, sponsored by Alpha Zeta, honorary agriculture fraternity.
 First of its kind at Tech, the Cotton Ball will be an all-school dance in the Student Union Ballroom.

Queen candidates were nominated by various dorms and campus organizations. They will receive cotton ball bouquets.

Candidates are Gwen Nix, Alpha Phi; Lajuana Rabb, Delta Delta Delta; Carolyn Baggett, Weeks Hall; Shirley Stephens, Drane Hall; Beth Davidson, Kappa Alpha Theta; Perry Thompson, Zeta Tau Alpha; Madalyn Maddox, Knapp Hall; Pat Rainier, Pi Beta Phi; Anease Pritchett, Sigma Kappa; and Gail Cooper, Gamma Phi Beta.

The Norman Petty Trio will play and tickets are \$2.50.

...Macbeth

in London where Shakespeare's plays were produced. The stage will be patterned after theatre models with seating areas on the sides and in the "pit".

General admission will be 50c and reserved seats \$1. Tech students may use their I.D. cards to get tickets. Advance reservations may be made by phoning PO 5-8541.

MACBETH will be portrayed by O. C. Renfro and Nancy Mahan will play Lady Macbeth.

Doolittle Shot

AUSTIN (AP)—Maj. James Doolittle Jr., 38, son of the World War II hero, was found dead Wednesday in his office at Bergstrom Air Force Base here.

Officials said he had been shot in the right temple with a .38 caliber service pistol, found on the floor.

There's an important future ahead for the men who wear these wings

GRADUATE THEN FLY

The Air Force pilot or navigator is a man of many talents. He is, first of all, a master of the air—and no finer exists. In addition, he has a firm background in engineering, electronics, astro-navigation and allied fields. Then, too, he must show outstanding qualities of initiative, leadership and self-reliance. He is, in short, a man eminently prepared for

an important career in the new Age of Space. As a college graduate, you will be given priority consideration for the Air Force Aviation Cadet Program. While openings are limited, you will be tested and advised immediately of qualification status. Find out if you measure up. Paste the attached coupon on a post card and mail it now.

MAIL THIS COUPON TODAY
 Aviation Cadet Information, Dept. C-21
 Box 7608, Washington 4, D. C.

Please send me details on my opportunities as an Aviation Cadet in the U. S. Air Force. I am a U. S. citizen, between the ages of 19 and 26½ and a resident of the U. S. or possessions. I am interested in Pilot Navigator training.

THE POSTMAN COMETH

I have recently received several letters from which have been so interesting, so poignant, so *je ne sais quoi*, that I feel I must share them with all of you. The letters and my replies follow:

SIR:

Maybe you can help me. I came up to college eight years ago. On my very first day I got into a bridge game in the student union. I am still in the same bridge game. I have never gone to class, cracked a book, or paid any tuition. All I do is play bridge.

To explain my long absence and keep the money coming from home, I told a harmless little lie. I said I was in medical school. This made Dad (my father) terribly proud. It also enabled me to keep playing bridge. We were both very happy.

But all good things must come to an end. Mine ended when I came home for Christmas vacation. I arrived to find that Sister (my sister) was in the hospital with an ingrown spleen. Dr. Norbert Sigafos, the eminent ingrown spleen surgeon, was scheduled to operate, but unfortunately he was run over by a hot-food cart on the way to the scrubbing room.

"Oh, never mind," chuckled Dad (my father). "Harlow (me) will fix Sister (my sister)."

Well sir, what could I do? If I told the truth I would make a laughingstock out of Dad (my father) who had been bragging about me all over town. Also I would get yanked out of school which would be a dirty shame just when I am beginning to understand the weak club bid.

There was nothing for it but to brazen it out. I got Sister (my sister) apart all right, but I must confess myself completely at a loss as to how to put her back together again. Can you suggest anything? They're getting pretty surly around here.

Sincerely,

Harlow Protein

Dear Harlow:

Indeed I do have the solution for you—the solution that has never failed me when things close in: Light up a Marlboro! *Knock* untie as you puff that fine rich tobacco. Shade becomes light as that grand flavor comes freely and friendly through that splendid filter. Who can stay glum when Marlboro gives you such a lot to like? Not I. Not you. Not nobody.

SIR:

Just off the campus where I go to school there is a lake called Lake Widgwigan. Thirty years ago when my father was an undergraduate here he went fishing one day in Lake Widgwigan and dropped his Deke pin in the water. He dived for days but never found it.

Just yesterday—thirty years later, mark you!—I went fishing in Widgwigan. I caught a four-pound bass. I took the fish home, cut it open, and what do you think I found inside?

You guessed it! Two tickets to the Dempsey-Firpo fight.

Sincerely,

Willis Wayde

This column is brought to you by the makers of Marlboro Cigarettes who suggest that if your mail has recently been blessed with some money from home, invest it in the cigarette with the long white ash—Marlboro, of course!

RAY ERXLEBEN, TECH'S baseball nemesis, kept Lutheran's record of never having lost to Tech going, by besting the Raiders, 2-1 in 13 innings.

Here, Raider second-baseman Rob Hill fishes for an Erxleben fast ball. (Staff photo by Joe Spears).

TLC Edges Tech 2-1

By RON CALHOUN

Tech's baseball team went down 2-1 in 13 innings here yesterday to the Texas Lutheran Bulldogs in the face of a blue norther which caused both teams to commit errors at crucial moments in the game.

The stout pitching of Ray Erxleben paved the way to victory for the Bulldogs. The Texas Lutheran ace struck out ten and walked only two men. Tech had 12 hits but they were scattered too thinly through the 13 innings.

HOUSTON POWELL started for Tech and matched Erxleben pitch for pitch but was replaced at the start of the 13th inning with the score tied at one all.

Vision Related to Reading

Powell struck out five and walked only one man. Only one long ball was hit against Powell as Bulldog first-baseman David Holstrom swatted a long fly over the head of right fielder Bill Dean.

The small crowd came to its frozen feet as Holstrom rounded third base on his way for a what looked like a sure run. Three Tech relays to home plate saved the game momentarily as Cullen Hunt tagged Holstrom in the most spectacular play of the day.

BRUCE BOYD, Raider left-hander, relieved Powell as the thirteenth inning started. The first batter up, Bulldog catcher Jim Green, reached first base on an error. Erxleben then laid down a bunt sacrifice to move Green to second base.

A good, old-fashioned rhubarb developed as Bulldog coach John Kramer declared interference against Tech catcher Cullen Hunt. Kramer rushed the second base

umpire about Boyd's pitch to Steve Maurer, stating that Hunt's glove touched the bat and that Maurer should be allowed to move to first base.

TECH COACH Beattie Featherers protested, pointing out to the umpire behind the plate should make the decision and had not done so. A conference was held by the umpires and Maurer was allowed to take first base.

Boyd then struck out the next batter but walked center-fielder Weiser to load the bases. Coach Featherers then pulled Boyd and put in Bill Tombs. Tombs walked the first batter to force in the eventual winning run. The next batter was thrown out at first base.

In the bottom of the thirteenth, the Raiders went down in order on two fly outs and a grounder to end the game.

TECH SCORED in the second inning on a double off the bat of Bill Dean, Raider cleanup man. Gehrig Garrison singled to move Dean to third. Dean scored on a wild pitch by Erxleben.

The one-run lead held good behind Powell's fine pitching until the seventh inning. Texas Lutheran's Marburger singled and then stole second base. A pop fly was hit to short center and on an attempted double play a wild throw allowed Marburger to score, tying the game at one all.

THE GAME then rocked back and forth with neither team able to get into scoring position until the twelfth inning when Cullen Hunt hit a long drive into center field for a stand up triple. Jackie Miller came into the game as a pinch hitter for Powell, but could not drive in the winning run.

The two teams play again this afternoon in the final game of the series. Admission is free.

Entries Lagging For 'Mural Meets

Entries are lagging for the intramural bowling tournament, according to Edsel Buchanan, intramural director at Tech. The tourney, set for Saturday, April 26th, will be run on a team basis.

Entries will close April 21 at the intramural office.

Intramural track entries are now being accepted, and will be until April 30. The meet is set for Saturday, May 10, with entries again on a team basis.

The intramural golf meet, with 29 entrants, will begin play Monday. There will be both match (individual) and team (medal) play. There are 10 teams entered.

Brown Says "Poo"

W. L. "Dub" Thornton and James Leonard were the main point-getters for Coach Delmer Brown's Raider tracksters at the ABC Relays at Big Spring last weekend.

Thornton jumped 6 feet, 6 inches to tie SMU's Don Stewart for second place in the high jump. The event was won by the Ponies' other ace high jumper, Bertil Holgren from Sweden, who cleared the bar at a record-setting 6-9.

AFTER THE Texas Relays, SMU's high jumpers and their coach raised the roof over Thornton's use of a padded shoe (1/8") in taking the laurels after playing second fiddle in that event to the Pony jumpers most of the season.

Coach Brown answered the grumble by calling the glory-seekers "cry babies" and threatening to withdraw his team from the ABC Relays if a protest was made about the shoe.

BROWN POINTED out that there was no NCAA ruling on the shoe and that it was used to absorb shock. No protest was made at the ABC meet as "Dub" turned in another fine jump to remain one of the top jumpers in the Southwest.

James Leonard made his best jump of the season with a 13 foot pole vault to tie David Clark of NTSC for second place. SMU's Gerry Peters won the event with a 13-foot 9-inch performance.

OTHER RAIDER points were made by the 880-yard relay team which placed third behind ACC and the University of Houston. The 440-yard relay team paced fourth behind ACC, NTSC and Texas U.

Of course, the spotlight of the meet was taken by Duke's Dave Sime, who ran a 96 100 to beat Bobby Morrow in only the second loss for Morrow since high school days. The ACC flash actually finished third in the race, behind teammate Bill Woodhouse.

The Raider thinclads are idle this week, with their next scheduled competition set for April 19, when the varsity and freshmen will take part in a three-way meet at Abilene, with Abilene Christian and North Texas State.

'Mural Softball Spotlights Fraternity League Action

Eight teams are still undefeated in intramural softball action, but that number is sure to be narrowed with today's action in the Fraternity League, where two of the three spotless teams meet.

THE FIJIS collide with the Phi Deltas in a 5 p.m. game at Field No. 1, in a contest that will thin out the ranks at the top of the league. The other undefeated fraternity team is Pi Kappa Alpha.

In the Independent League, the Bums and Sluggers, both with undefeated marks, clash in a Friday game that will mean temporary first place.

DOAK IS the only team with a clean record in the Dorm League, while the T-Squares are the only such squad in Independent League No. 2.

The Standings:

FRATERNITY LEAGUE	
Phi Delta Theta	3-0
Pi Kappa Alpha	3-0
Phi Gamma Delta	3-0
Phi Psi	2-1
ATO	1-2
SAE	1-2
Kappa Sigma	0-3
Sigma Chi	0-3

Thursday's schedule: Phi Gamma Delta vs. Phi Delta Theta, Field No. 1; SAE vs. Sigma Chi, Field No. 4; ATO vs. Kappa Sigma, Field No. 6; Delta Tau Delta vs. Sigma Nu, Field No. 8; Pi Kappa Alpha vs. Phi Psi, Field No. 3. All games 5 p.m.

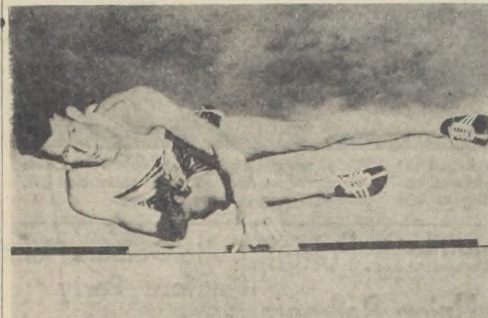

INDEPENDENT NO. 1	
Bums	3-0
Sluggers	2-0
Horticulture Club	1-1
Athletes	1-1
Church of Christ	1-1

Tennis Team Resumes SWC Wars Friday Golfers Open Conference Play

Texas Tech's Red Raider golfers, under Coach Warren Cantrell, will open their first season of action tomorrow, meeting the tough Baylor Bears on their home course at Waco.

Playing a SWC member on its own course is enough in itself, but added to the fact that the Bears are defending conference champions, the Raiders will have their work cut out for them.

Tech was able to best Baylor in the recent Southwest Intercollegiate Golf Tournament at Houston, where the Raiders finished third. The Bears, however, downed the University of Houston in a meet this spring in Waco. The Cougars ran away with the SW Intercollegiate last week, which they hosted.

Three of the Tech foursome who will square off against the Bears were on Tech's Border Conference Championship teams of 1955 and 1956—John Paul Cain of Sweetwater, John Farquhar of Amarillo and Don Kaplan of Borger.

Coach George Philbrick's tennis squad resumes Southwest Conference action on Friday, travelling to Houston to do battle with the Rice Owls.

The Red Raiders, who lost their first match of the season, a 6-0 non-conference blasting by strong Trinity University, will be looking for their second SWC win.

The Raiders, now 5-1 on the season, will probably go with Macy in the number one game Friday, with seniors Billy Edd Gowan, David Kent and Dick Spiers in the numbers 2, 3 and 4 matches.

THE ORGANIZATION MAKING the largest net profit will be presented this winner-take-all trophy at the spring festival, according to Don Gray, senior class vice president. Profits from the contest will be used for the senior class gift. Fifteen organizations are competing.

Annual Spring Event Begins Wednesday

Texas Tech's first Spring Festival will begin with an all-college convocation at 2 p.m. April 16. The convocation will feature an address by Dr. E. N. Jones, president.

Classes will be dismissed at 2 p.m. for the convocation and the Senior Carnival. All campus organizations are invited to compete for a trophy and prizes to be awarded for the most outstanding booth. Organizations may still enter booths by sending entries to the senior class.

THE KING AND QUEEN of Tech's Spring Festival will be elected Tuesday, April 15, in an all-college election.

Deadline for nominations for king and queen is 5 p.m. tomorrow. Nominations and a snapshot of the nominee should be turned in to the Student Council office, according to Pat Rainer, council secretary.

THE LIST of nominees will be narrowed to five candidates for each race by a special student

committee prior to Tuesday's balloting.

Ballot boxes will be located in all dorms with voting to take place between 11 a.m. and 1 p.m. There will be five locations where Techsians may vote from 8 a.m. until 5 p.m. These will be Tech Union, the East Engineering Bldg., Home Economics Bldg., Administration Bldg. and Agriculture Bldg.

A western dance in the Tech Union is scheduled the first day. Three western bands will play for the dance.

THE WILLSON Lecture Series will be a part of the first two days of the festival. April 17 is scheduled as Varsity Show Day with the opening performance of "Guys and Dolls" in the Municipal Auditorium.

April 19, following the bicycle race from 4 to 5 p.m., Techsians will have a school-wide barbecue. The barbecue is to be at Jones Stadium in order to give students an opportunity to watch the Raider football team in a scrimmage.

Willson Lectures Schedule Dr. Poteat, Held April 14-17 in Union Ballroom

Dr. William H. Poteat of the Episcopal Theological Seminary of the Southwest, located in Austin, will be the speaker for the 1958 Willson Lectures at Tech April 14-17.

The lectures will be delivered in the Union Ballroom at 9 a.m. April 14 and 15, and at 10 a.m. April 16 and 17.

DR. POTEAT will be available for limited appearances in classrooms and religious student centers. He is professor of philosophical

theology and Christian criticism at the seminary. Before joining the seminary in 1957, Dr. Poteat was a member of the philosophy department faculty at the University of North Carolina for 10 years.

Dr. Poteat is a member of Phi Beta Kappa, scholastic honorary society, the American Philosophical Assn., Southern Society for Philosophy and Psychology and the National Council for Religion and Higher Education.

Delta Gamma Plans Pinafore Party

Delta Gamma sorority has scheduled its annual Pinafore Party Saturday from 8-12 p.m. in the Lubbock Hotel ballroom.

Decorations will be in keeping with a kiddie-land theme, and everyone attending should dress as small children.

Delta Gamma President Jean Smith stated that everyone is invited to the annual affair.
