

REW Opens Monday

'Bridge' Begins Monday

A unique scene design which ignores the conventional stage boundaries will bring action out into the audience during the speech department's presentation of "A View From the Bridge," by Arthur Miller, Monday through Saturday. The action of the play centers around Eddie Carbone, a generous husband who makes room in his home for two of his wife's cousins who are smuggled in from Italy. One of the illegal immigrants falls in love with Eddie's niece, whom Eddie has brought up. Eddie is opposed to the romance because of his intense love for his niece, not because of his dislike for the boy, as he thinks. The tragedy which follows provides two hours of drama.

CURTAIN TIME for the drama is scheduled for 8:15 p.m. Tickets are on sale in the speech auditorium office for \$1. The box office is open from 8 a.m. to 5 p.m. Monday through Saturday until performance time next week. Reservations may be made by calling PO 6-8541, extension 356.

The play, directed by Ronald Schult, associate professor of speech, features Bob Nelms, as Eddie Carbone, a longshoreman; Jo Fields, as Beatrice, his wife; and Carolyn Calvert, as Catherine, his niece.

OTHER MEMBERS of the cast are Tom Worstell and Bill Thornton, two "submarines," Eddie's relatives; Lee Sullenger, Alfieri, a lawyer; Rick Malone, Bill Leonard and Barry Corbin, longshoremen. Bill Shannon and Ron Butler, immigration officers; Marvin Field, Mr. Lipari, a butcher; Theresa Denman, Mrs. Lipari; R. D. Rowland and Howard Carlyle, "submarines;" and Glenda McCarty, Mrs. Sonderso. Scene design and technical direction is by Shirley Cadle, speech instructor.

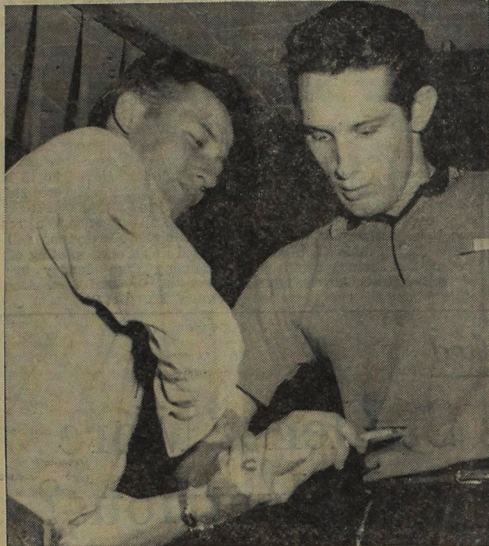

Officer Seeks AF Personnel

The Air Force's new officer's training program will be explained to potential Tech applicants Tuesday and Wednesday by Lt. G. Dennis Leadbetter, officer selection specialist.

Interviews will be in the Placement Office on the second floor of the West Engineering Bldg. from 9 to 5 p.m.

The program is open to both men and women between the ages of 20½ and 27½ with a college degree. College seniors may apply four months before graduation. Both married and single men are eligible. Women applicants must be single.

Successful applicants will be assigned to three months of officer training at Lackland Air Force Base, San Antonio. After graduation they will be commissioned and sent to an Air Force unit for duty, for further training in a technical field or flight training.

Those vying to represent the School of Engineering are Clark Bennett, Jim Brock, Gary Bush, Karla Jo Cox, Rodney Hill, David Hutson, Bert Pope, Doranna Scott, Carlye Smith, Ray Thompson, David Wight and George Wynn.

Petitions are available in the Student Council Office. The deadline for the petitions and expense accounts is Monday at 5 p.m.

Virgil Trout Leads Team Of Speakers

Virgil Trout, minister of the Sunset Church of Christ, will be the principal speaker for Religious Emphasis Week, Monday through Thursday.

"Christianity—Farce or Fact?" is the REW theme. Trout, a member of the American Association for the Advancement of Science, has spoken on "Christianity and Scientific Concepts" at Cornell University, Oklahoma State College, Michigan State University, Massachusetts Institute of Technology, and Kansas State University.

A **FORMER CAMPUS** chaplain at the University of New Mexico, he is a member of the editorial council of "Power for Today" and "Teenage Christian" and is the associate editor of "The Norge News," a monthly publication about mission activities.

Trout is a member of the advisory boards of New Mexico Christian Children's Home, Portales, N.M. the Bible Chair of Eastern New Mexico University; and Lubbock Christian College.

MORNING WATCH at 7:30 a.m. each day in the Tech Union Ballroom will begin REW activities. Theme speeches in the mornings by Trout, two luncheons, three afternoon seminars, vesper services given by campus ministers and nightly dorm bull sessions to discuss the seminar topics complete the week's activities.

Monday's activities include dorm bull sessions at 10:15 p.m. Virgil Trout and the Rev. David Richmond will be in Bledsoe; Mr. Wayne Harris and Rev. Ralph Macy, Gordon; the Revs. Bob Platt and Helmut Klaus in Dorms 7 and 8; and Father Joseph James and the Rev. S. L. Harris, Horn.

"CHRISTIANITY" — The Scientific Approach" will be discussed in a seminar Monday at 3:30 p.m. in the Tech Union. Participants include a geologist, physicist, biologist, and a chemist. At 5:15 p.m. the Baptist Student Center will hold vesper services.

Moderators at dorm bull sessions Tuesday will be the Revs. Cecil Matthews and Elmer Neunaber, Sneed; Bob Platt and Helmut Klaus, Dorm 5; Father Joseph James and S. L. Harris, at Knapp; Virgil Trout and David Richmond, Doak and Weeks; and Wayne Harris and Ralph Macy, Drane.

THE SEMINAR theme Tuesday will be "Christianity—Its Place in Society." Dr. W. G. Steglich, sociologist; Dr. Robert Rouse, economist; and a minister and a psychologist will participate in the seminar at 3:30 p.m. Tuesday in the Union.

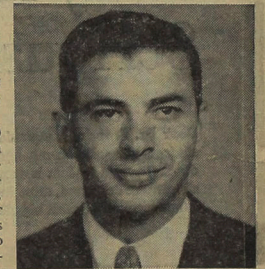

Vesper services will be in the Methodist Student Center at 5:15 p.m. and Virgil Trout will speak to the Student Council at 7 p. m. Tuesday.

DR. CHESS LOVERN, Father Joseph James, and Rabbi Kaplan will discuss "What is the Essence of Our Faith" at 3:30 p.m. Wednesday in the Union. Team speakers will meet with the sororities and fraternities Wednesday night.

Trout will climax REW Thursday with an address on "Christianity—Farce or Fact?" Lubbock residents as well as Tech students may attend.

VIRGIL TROUT

Fellowship Announced

John V. Gilbert, Tech senior from Amarillo, will be awarded one of the 1,259 Woodrow Wilson National Fellowships.

THE AWARD will provide Gilbert with \$1,500 plus family allowance and full costs of a year's graduate study.

After receiving two degrees from Tech in June, a B.A. degree in English and a Bachelor of Music degree, Gilbert plans to enter the Columbia University graduate school of music to work towards a Master's Degree.

GILBERT and his wife, the former Kay Atkins, Tech graduate from El Paso, live at 3209 35th.

Three other Tech senior contenders for the Woodrow Wilson Awards received honorable mention and are eligible for alternate awards; Carol Burrow of Dallas, Marlan Blissett of Paris, and Paul J. Nicholson, Jr., of Midland.

Deadline Set For Petitions

Petitions and expense accounts for cheerleaders, student council officers and representatives will be due at the Student Council Office before 5 p. m. Monday March 14.

The officers and cheerleaders election will be March 23 and the election for representatives will be March 30.

A Phi O Sets Contest For Beauty, Beast

"Beauty and the Beast" contest, sponsored by Alpha Phi Omega, national men's fraternity, is scheduled from March 23-25.

Men's organizations will sponsor a beauty and women's organizations will sponsor a beast candidate.

Proceeds will go to pay the balance owed on the contract for the Saddle Tramp Circle.

Nominations, with the \$5 en-

trance fee, must be turned in to Jerald Linsley, contest chairman, at the Student Council Office no later than 5 p.m. Thursday.

Trophies for winning organizations and candidates will be on display in the Tech Union next week.

Voting for the beauty and beast will be at a poll in the Tech Union on March 23, 24, and 25. Presentation of the winners will be at a dance in the Tech Union, March 24.

Lucky Strike's Dr. Frood is asked

Why Are Today's Students More Serious, Dedicated, Industrious?

Dear Dr. Frood: In your day, college students were all rah-rah and raccoon coats. Today's student is more responsible, more dedicated, more industrious. What accounts for this big change?

Studios

Dear Stu: Today's world is more complex, more challenging. Ideologies clash. Our planet grows smaller. The cold war strikes fear into our hearts. There is a shortage of raccoons.

☺ ☺ ☺

Dear Dr. Frood: I am disgusted with my classmates. All they think about is women and parties. How can I get them to talk about important things?

Serious

Dear Serious: Throw a large party. Invite plenty of women. Then, around midnight, say something important, like "We're out of beer."

☺ ☺ ☺

Dear Dr. Frood: Modern girls go to college for four years. Then they get married and don't even know how to change diapers. What is this leading to?

Old-Fashioned

Dear Old-Fashioned: Self-sufficient babies.

Dear Dr. Frood: Why doesn't everybody smoke Lucky Strike?

Lucky Smoker

Dear Lucky: Why doesn't everybody get straight "A's"?

☺ ☺ ☺

Dear Dr. Frood: Grandfather's will provided a rather handsome allowance on the stipulation that I showed "the courage and strength of character" to stay in college. Frankly, however, I am tired of college. I have been here 40 years. Is there any way I can quit and still collect?

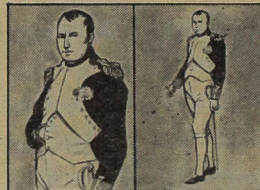

Senior

Dear Senior: Your question brings up a considerable number of legal problems, with interesting technical ramifications. Having given the matter much thought, I have this suggestion: enter Law School.

Dear Dr. Frood: Here are two portraits of Beethoven. One was done by an old master. The other by a student. Which is the masterpiece?

Art Lover

Dear Art: The one on the left is the master's work. The stroke is deft, clean, authoritative. Every detail is authentic Beethoven, even the gesture of keeping his composing hand warm.

☺ ☺ ☺

Dear Dr. Frood: Has college ever really helped anyone in business?

Practical

Dear Practical: Of course. Think how college has helped the people who make pennants, footballs, fraternity pins.

Easter Parade Style Show Set

The Tech Dames Club will sponsor an Easter Parade style show Tuesday at 8 p.m. in the Tech Home Economics Building.

The styles, chosen from Dunlap's Ready to Wear, Sports Wear, and Oval Room, will depict incoming spring fashions for the Easter season, with a few after-five dresses and sports wear.

Bill Childers, a buyer for Dunlaps, will be the commentator. Models for the show include Casolyn Brown, Pat Cammack, Jean Chapman, Patsy Coleman, Linda Dickson, Darlyne Freeman, Dorothy Gregory, Barbara Hancock, and Reta Rucker.

The Tech Dames Club was organized last January by the wives of Tech students. Anyone interested in joining the club is invited to

playing for the Tech Union Friday, at 4 p.m. in the Ballroom.

This will give students a chance to see Anderson and his band before the big dance that night. Admission will be free.

MOVIE

"The High and the Mighty," starring John Wayne and Robert Stack, will be the free movie showing Sunday and Monday in the Tech Union.

It will be shown Sunday at 2 p.m. and Monday at 4 p.m. and 7 p.m.

THURSDAY SQUARE DANCE

Guest callers from a local club, Levis and Laces, will call the square dance in the Rec Hall from 7-8:30 p.m. Thursday.

WESTERN DANCE

The Western Dance Committee will sponsor a dance featuring the "Starlighters" from 8:30 to 11:30 Thursday night in the Rec Hall.

CHANNING CLUB

"The Investigation," a record satirizing McCarthyism, will be played at an open meeting of the Channing Club Sunday at the home of Dr. and Mrs. Alan L. Strout, 2512 21st St.

Soph Dance Slated Friday

Tech students are invited to welcome the arrival of spring at the annual all-campus Sophomore Hodge Podge Friday in the municipal coliseum.

Music will be furnished by recording star Royal Earl and his band who are now playing at Jimmy's Club in Dallas.

The dance will be informal. Anything from ivy league to bermuda shorts or levis will be accepted.

Tickets will be on sale in all dormitories next week. Admission is \$1 a person.

WHAT IF IT HAD BEEN A BOY'S DORM

"Why don't they have the names of the dorms out in front, in big black letters?" exclaimed a bewildered freshman.

It seems that she had gone to Weeks Hall to pick up one of her friends. Believing that she was on the right track, she proceeded to the room number given to her.

Although no one was in the room, she made herself comfortable by playing some records and eating some vanilla wafers.

After a while, another girl entered the room. Thinking that this girl might be her friend's roommate, the red-faced freshman hastily explained who she was and whom she was looking for.

When the occupant of the room told her that no one lived with her by that name, the embarrassed young lady excused herself and hurried down to the desk. There she began looking for her friend's name.

Before she had looked very far, she glanced at the top of the list and saw in bold letters—DOAK HALL.

3-Year-Old Needs Blood, Quick!

A three-year-old girl needs help.

She needs eight pints of type O-negative blood for open heart surgery by Thursday.

Students wishing to donate this blood should see Asst. Dean of Men Bob Hillard, or their dorm supervisor.

The family cannot afford to pay donors, but the blood is needed for the girl to have the operation.

Tri Delts Elect 1960 Officers

Twenty-two girls have been elected to officers in Delta Delta Delta for 1960.

The officers are: Marcia Vick, president; Suzy Davis, vice-president; Judy Jones, chaplain; Peggy Braselton, recording secretary; Linda Wetsel, corresponding secretary; Suzanne Stafford, treasurer; Pat Martin, marshal; Suzanne Davis, rush; and Sallie Jo Williams AWS.

Also: Dina Elmore, historian; Chollis Cawley, Trident correspondent; Judy Martin, publicity; Mimi O'Kelly, lodge; and Rowena LeMond, recreation chairman.

Other officers are: Marie Du-laney, scholarship; Linda Linken-hoger, social; Jay Keller, fraternity education; Jane Crockett, activities; Linda Edwin, service projects; Babele Tate, choir sponsor; Judy Harper and Beverly Brown, panhellenic.

Chemist Advocates Science in Cabinet

A special commission to examine the possibilities of establishing a cabinet-level Department of Science was advocated by Dr. Wallace R. Brode, scientific advisor to the Secretary of State, in his lecture "Steric Effects of Dyestuffs" delivered to Tech chemistry faculty and graduate students Tuesday night.

"STEPS SHOULD be taken to co-ordinate all our government-supported science programs," Brode suggested. "At the present time, 80 per cent of all basic research being done throughout the nation is supported by the government."

Commenting on the differing views concerning government support of public education, the noted chemist and educator said that county and state governments subsidize elementary school districts, while the state subsidizes high school districts, public colleges and universities.

"IT IS a different story in the graduate schools of our state colleges and universities," Brode noted. "About 85 per cent of these graduates do not make their careers in the state where they earned their higher degree, and about 60 per cent of the nation's graduate students are non-residents of the university in which they enrolled. This is because graduate students go to schools that offer the most in their specialty."

"It is the real responsibility of the government to support these areas of higher study which cut across state boundaries," Brode said.

THE DISTINGUISHED scientist was sponsored at Tech by the Robert A. Welch Foundation of Houston. He was accompanied by Dr. W. O. Milligan, director of research of the Welch Foundation.

Everyone joins the fun on March 17!

TANKERS MEET ENDS TODAY

SMU Leads Texas

A strong SMU team took the lead from Texas University Friday night and now holds an 18 point edge over the Longhorns in the Southwest Conference swimming meet.

The lack of strength in the 100-yard breaststroke and the apparent difficulty of Scott Catlett in the 1-meter diving cost Texas their come-from-behind lead.

Catlett, the defending champion from Austin, had noticeable trouble in getting off the board for his first dive and failed to dive one of his scheduled dives in the rugged competition. Stocky Catlett, leader going into the finals, settled for a fifth place honor in the event.

Texas, with only one qualifier in the 100-yard breaststroke, lost considerable ground in that event. Woody Reaves, the Longhorn contestant, placed fourth and won his team three points.

Friday's final scores placed Southern Methodist first with 91 points, Texas had 73, Texas A&M held onto third with 28, and Tech and Rice were tied for fourth with 13 points each.

Ken Hall, outstanding Tech diver all season, finished with a third place medal in the 1-meter diving event. Jim Tom Davis, who highlighted the Raider sprinters in meets this year, captured fourth place in the 50-yard freestyle with a respectable time of 23.5.

Jack Shipley, Raider distance swimmer, nabbed fifth place laurels Thursday afternoon in the 1500-meter freestyle event.

Nine champions from SMU and Texas have been crowned so far in the events

of SMU notched a first place honor in his belt in the 1500-meter freestyle and Jeff Heller, Longhorn splasher, garnered the winning time in the 200-yard individual medley.

Bobby Taylor, Texas swimmer, started off Friday night's session in fine form as he posted a 2:12.4, winning mark in the butterfly stroke event. Other first places were Jerry Katz and Dick Rantow, Texas and SMU respectively, both setting a new conference record in the 50-yard freestyle; Charles Lucas, Texas in the 200-yard backstroke; Aubrey Burer, SMU, 220-yard freestyle; Pat Ryan SMU, 100 yard breaststroke; Wayne Cole, Rice, 1-meter diving; and the SMU 400-yard freestyle relay team.

Kappa Sigma and the Chinese Bandits, both undefeated and practically untested for the year, continued to show their dominance in intramural basketball Thursday night.

IN THE semi-finals of the all college championship tournament both teams displayed massive power in victories over their respective foes. Kappa Sigma breezed by Sneed Hall 53-36 to chalk up the tenth consecutive win of the year and the Chinese Bandits won the ninth straight with a decisive 66-53 win over the Sports Club.

Paced by Harvey Klinkerman 11 points, the Bandits took an early lead and held on for the victory. Orren Fairly and Robert Reagar scoring 16 and 8 points respectively for the Sports Club, fouled out in the encounter to damage the sportsmen's chances. Al Mirts also tallied 16 for the Sports Club. Backing up Klinkerman in the Bandit attack were Johnny Love and Bill Turnbow who scored ten each.

THE SPORTS Club outscored the Bandits 25-16 from the charity line, but the Bandits outscored their opponents where it meant the most—in the field, getting 2 field goals to the Sports Club's 14. A total of 43 fouls was called in the foul-heavy contest in which four players left on fouls.

In Kappa Sigma's march to the finals, the fraternity league winners had to overcome a first period deficit to gain the win. Trailing Sneed 10-9 at the end of the first quarter, the Kappa Sigs pushed 18 points through the hoop the second quarter to gain a 27-12 lead they never lost.

REX VARDEMAN led in the win with 18 points and Jerry Moore had 10. For Sneed Hall, Charlie Flanagan tallied 20, and Tom Nash contributed 6.

The victories by Kappa Sigma and the Chinese Bandits set the stage for the intramural 'game of the year.' The time of the championship match has been set for 7:15 Tuesday night in one of Lubbock's junior high gymnasiums. The winner will meet the West Texas State College intramural champion March 23 and 24 in a home-and-home two game series.

Feathers Expects
Better Ballclub

Baseball swung into full action Thursday with the season's first practice in preparation for the opening game at West Texas Wednesday March 16.

"THIS YEAR'S ball club is not as experienced as last years but from all indications they will come out with a better record than last year's 7-5 record," Coach Beattie Feathers said.

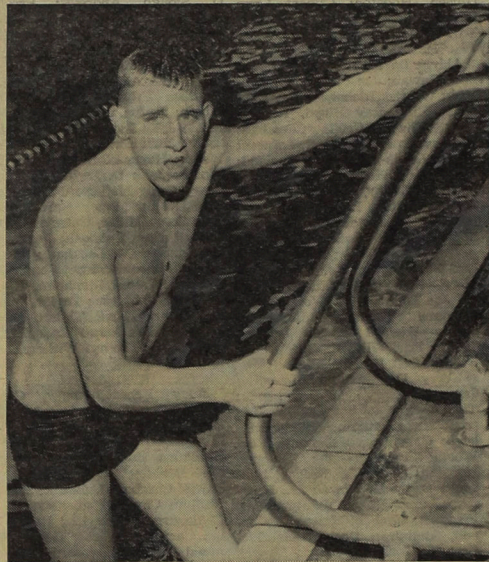

Del Ray Mounts is expected to report for practice next week. Mounts was last year's leading freshman pitcher. The 5-10 left handed flinger should be a big help to the team. Tech has been lacking in southpaw pitching for three or four years.

BESIDES MOUNTS will be right handers Charles Flanagan of Cactus, James Johnson of Boling and Zan Miles of Odessa lending their talent to the pitching staff. The starting hurler has not yet been chosen.

Bag man at home base will probably be Elton Howard of Midland.

BRUCE BOYD of Abilene, a probable starter at first base, is a fine ball handler who throws and bats left-handed.

Keystone man, Joe Reaves of Snyder, is slated to start at second base. Tom Prichard, also of Snyder will lend his hand at the

short stop position. The hot corner spot (third base) will be filled by an outstanding sophomore, Lawrence Savage of McAllen.

BILL DEAN of Lubbock, George Gibson of Dallas and Ken Warren, a much improved batter, also of Dallas, will see action at outfield positions.

The 1960 schedule includes 15 games. Sheppard Air Force Base and Highland University of New Mexico will be two teams which Tech has not played before.
