

Techsans To Pick Favorites Today

By ROBANNA SUMRELL
Toreador Staff Writer

Today's elections will determine the 1963 Mr. and Miss Texas Tech and class favorites.

Mr. Texas Tech will be chosen from a field of 9 nominees, while 13 women have been nominated for the corresponding honor. Forty-five students have been nominated for class favorites.

Polling Places Announced

Polls are located in the Ad Bldg., Union, East Engineering Bldg., and C & O. The Union booth will be the only one open during the noon hour. Alpha Phi Omega, service fraternity, and Women's Service Organization will be in charge of the booths.

Mr. and Miss Texas Tech will be announced Friday night at the Coronation Ball at the Union. Miss Texas Tech will attend Round-Up at the University of Texas during spring vacation.

Wayne Underwood, 1962 Mr. Texas Tech, commented, "Since this is awarded to seniors who are nearing the end of their undergraduate work, it is a very meaningful honor. To my knowledge, past Mr. and Miss Texas Techs have been active in many facets of college, not just a few."

Must Have Worked Four Years

"This is an award to be given to representatives of persons who have worked for the school the last four years, and who have really contributed to Tech," said Karen Anderson, student body secretary.

In last year's election, 1,950 seniors, 2,002 juniors, 2,071 sophomores, and 2,966 freshmen voted. "Due to the outstanding candidates for Mr. and Miss Texas Tech, we're expecting an even greater student turnout than in any previous election. This is a time to show appreciation for people who have worked for Tech," added Miss Anderson.

Mr. Texas Tech Nominees

Nominees for Mr. Texas Tech are Kenny Abraham, nominated by Pi Beta Phi and Chi Omega, business manager of the Student Council; Charlie Aycock, Town Girls, president of the student body; Bill Barrett, Tech Rodeo Assn., a member of Block and Bridle; Amon Barton, Phi Upsilon

Omicron, Mortar Board, chief justice of the Supreme Court; Arthur Chandler, Honors Council, Channing Club president; Paul Dinsmore, WSO, Campus Service Council; Jim Riley, Sigma Alpha Epsilon and Gaston Hall, BSO; Mark Murdoch, Kappa Kappa Gamma, cheerleader; Jim Sudduth, Mu Phi Epsilon, president of the Tech band.

Miss Texas Tech Candidates

Miss Texas Tech will be chosen from Carol Bray, WSO, Horn Hall AWS representative; Jan Barton, Chi Omega, president of Delta Sigma Rho; Polly Dahl, Delta Delta Delta, Tri-Delt rush chairman 1962; Carolyn Davis, Pi Beta Phi, Tech band head twirler; Carolyn Horschler, Zeta Tau Alpha, La Ventana Beauty; Kay Kagay, Kappa Alpha Theta, Mortar Board president; Carolyn Kirby, Honors Council, Mortar Board treasurer.

Also Sherry McClung, Tech Rodeo Assn.; Rowena McKenzie, Mortar Board, AWS president; Dixie Ward, Town Girls, Mortar Board; Kristi Martin, Delta Gamma, Panhellenic Council; Anne Weaver, Wells Hall and Phi Upsilon Omicron, WRC president; and Pam White, Kappa Kappa Gamma, 1962 homecoming queen.

Candidates for senior girl favorite are Betsy Baker, Lynn Buckingham, Ginger Butler, Ann Morrow and Susan Taylor. Boys nominated are Pete Feather, Larry Maddox, Lee Pfluger, Charlie Steinman, Mark Taylor and H. C. Zachary.

Junior Girl Nominees

Junior girl nominees are Carolyn Buxton, Karen Capps, Cathy Gordon, Diana Harbert, Jeannie Jones, Nancy Jones, Judy Price, Beth Reavis, Sue Ring and Marilyn Timney. Cliff Mowery is the only eligible boy nominated.

Tommie Allen, Lady Jane Henry, Lynn McElroy, Neida McQuien, Cynthia Myrick and Nan Taylor are the sophomore girls on the ballot. James Ellis is the only boy running.

Freshman girl candidates are Becky Collins, Ann Courtney, Jan Fauske, Kay Farrell, Carol Fritz, Kay Keeling, Rita Reynolds, Tanya Tarkington, Mira Taylor and Vala Dawn Taylor. Boys are Roland Anderson, Tim Evans, Barry McNeil, Joe Murfee and Clark Pfluger.

TO THE POLES . . . ER POLLS—Susan Taylor, Dallas senior, seems to have the wrong idea about going to the "poles" to vote, but some "polls" will be open Thursday for voting on Mr. and Miss Texas Tech and class favorites. Winners will be announced at 8 p.m. Friday at the Coronation Dance in the Union Ballroom.

Yearbook Dedicated To 'Friendly' Phil

The 1963 La Ventana is dedicated to the friendly fellow who has been instrumental in developing the yearbook's award-winning format style.

Phil Orman, 29, director of student publications since 1958, Wednesday received the honor in the office of Marshall Pennington, vice president for business affairs. John G. Taylor, business manager, was present in the absence of Pennington.

CO-EDITORS JOYCE WOODY and Kay Kagay presented a framed cover of "Tyne Magazine," featuring his picture on the cover.

Miss Woody said, in presenting the award, that "We are very proud to present our 1963 La Ventana to a person we feel most deserving."

Travis Peterson, assistant editor of the yearbook, said Wednesday that "It was Phil's ability to carry through plans that helped the La Ventana to realize its full capacities as a yearbook."

ORMAN'S REACTION WAS LESS objective, "What in the world is coming off," he said, as several members of THE DAILY TOREADOR and La Ventana staffs and the journalism faculty filed into the office for the surprise ceremony. "I didn't approve it . . . I don't think it will go through," he quipped. "I can't say anything, I'm tickled to death to say the least . . . thank you all," he said simply.

THE CREW-CUT ORMAN — known only as "Phil" to most of the students around the Journalism Bldg. — is viewed by those who know him best as a mixture of get-tough-quick and infinite patience . . . a guy whose not too old to play touch football . . . one who earns a lot of respect from his "kids" by operating on the informal level.

He was graduated from Tech in 1958, where he served part time as assistant publications director while still a student. He assumed duties as full-time director of publication after graduation.

ORMAN RATES HIS JOB as "actually the same thing as a publisher would do. It's hard to lay down set patterns."

He originally came to Tech as a pre-veterinary major, but he changed his major to advertising after a hitch in the Air Force. Orman was instrumental in the organization of the student and was a charter member of that group.

chapter of Alpha Delta Sigma, national advertising fraternity HE STARTED AS AN advertising salesman for the TOREADOR as a student. W. E. Garets, head of the journalism department, said "his outstanding capabilities and organizational ability soon earned him the promotion to advertising manager."

A member of the Lubbock Junior Chamber of Commerce and several other civic organizations, Orman last October was also elected second vice president of the National Council of Publications Advisors, made up of 300 collegiate publications advisors from 47 states and Canada.

ORMAN AND HIS WIFE, the former Sylvia Harvey, have three daughters. They reside at 1822 East First Place.

The 1963 La Ventana, to be distributed at the beginning of the fall semester, will feature Orman on the cover of "Tyne Magazine," the first section of the annual. A picture story layout on Orman will continue on the inside pages of the "Tyne" section.

PUBLICATIONS DIRECTOR HONORED—The 1963 La Ventana staff Wednesday announced dedication of the yearbook to Phil Orman, left, director of student publications. Joyce Woody, center, and Kay Kagay, co-editors, present him with a framed copy of the cover of the yearbook's "Tyne Magazine," on which he is featured. —Staff Photo

Sunday From 12-6 P.M.

Infirmary Gives Type Three Oral Vaccine

Type three Sabin oral polio vaccine will be available to Tech students from noon to 6 p.m. Sunday at the Infirmary.

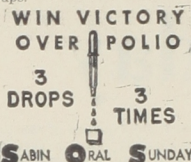

Cost to users is free but students are urged to make a donation, if possible, to help defray expenses. Vaccine types one and two need not have been taken previous to type three.

"In massing for this final round of immunizing, Tech joins the local community in completing

'Sabin Oral Sunday' anti-polio campaign," said Leon Harris, Lubbock SOS project co-ordinator.

Dr. Albert E. Sabin, developer of the vaccine, said in the March issue of "Medical World News," "Discussion of potential risk in either type one or type three polio virus vaccine is based on speculation rather than fact... no proved case of polio has been traced directly to the use of Sabin vaccine."

The Lubbock - Crosby - Garza County Medical Society recently recommended type three Sabin oral polio vaccine for all age groups.

For those unable to get their sugar cube Sunday, make-up clinics will be open from noon to 4 p.m. March 31 at Lubbock's nine junior high schools.

BA School Starts Professional Course

A special short course in administrative management for Lubbock area businessmen began Tuesday at Tech.

"Helping businessmen operate their businesses more effectively through modern management principles is the purpose of our course in administrative management," John Reese, assistant dean of business administration, said.

This course is designed for the owners and operators of small businesses and will meet each Tuesday from 7:30 to 10 p.m. until May 7.

At the classes, participants will hear various business topics discussed including the job of managing, writing business letters, effective tax planning, increasing sales, record analysis and profits, financing growth and planning for the future.

Concluding the course will be the awarding of completion certificates by Dr. George Heather, business administration dean, to participants who have attended six of the eight meetings.

Cooperating with Tech in sponsoring the course, which is the third in a series, are the Small Business Administration, the Lubbock Chamber of Commerce, Board of City Development and the Retail Merchants Association.

"The previous courses have been very well received, and subsequent reports from participating businessmen indicate a high percentage of satisfaction with the course," said Reese.

Eight Toreador Staffers Attend Denton Meeting

Eight Tech journalists will go to Denton Thursday for the 33rd annual Southwestern Journalism Congress.

Charles Richards, DAILY TOREADOR editor; Max Jennings, managing editor; Gayle Machen, assistant managing editor; Johnnie Lu Raborn, society editor; Carrie Chaney and Jody Allen copy editors; Cal Wayne Moore, head photographer; and Jerry Treadwell, assistant advertising manager will attend from Tech.

This year's theme is "The Revolution in Communication."

Felix R. McKnight, vice president and executive editor of the Dallas Times Herald and Peter Hickey, photography department manager of the Rochester (N.Y.) Times-Union, will speak on "Communicating with the Reds." They were among the 12 American journalists who interviewed Premier Khrushchev last summer.

Other speakers will be author Carl E. Lindstrom; Leonard Marks, communications lawyer and incorporator of President Kennedy's Communication Satellite Corporation; Bill Moyers, Peace Corps deputy director; Blair Justice, science writer, Fort Worth Star-Telegram; Donald M. Wilson, U.S. Information Agency deputy director; and William Giles, editor, "The National Observer."

Pikes Charged With 'Rules' Violation

An otherwise uneventful Interfraternity Council meeting was highlighted Wednesday night by

Burton Heads Model U.N.

Amon Burton, senior pre-law major, was elected president of the Tech Model U.N. General Assembly Wednesday night.

In a mass orientation session in the Union Coronado Room, delegations representing many of the world's countries elected Burton on the third ballot after a floor struggle for the presidency.

Narrow Margin

On the final ballot Burton, from the Denmark delegation, defeated Gary Gore, from the Cuban delegation, by a narrow margin. In the political fight for the presidency, the Soviet bloc and neutral countries strongly supported Gore while the large Western bloc backed Burton.

Other Candidates

Candidates on the first ballot besides Burton and Gore were James Cole, Asian bloc; Larry Gibbs, African bloc; Dixon Healy, Soviet bloc and Saadallah Saadallah, Middle East bloc.

Burton is chief justice of the Tech Supreme Court and a member of Phi Delta Theta, which sponsored his delegation.

"I feel that it certainly is a great honor and I appreciate the opportunity to have the responsibility to be president," he said.

Special Address

Burton added, "It's going to be one of the most stimulating things that has happened on this campus in the last four years."

The steering committee also announced Tuesday that Henry Cabot Lodge, former U.S. ambassador to the U.N., is sending a special taped address to the Tech Model U.N. The tape will be played at the first General Assembly on March 29.

formal charges against a fraternity for violation of the council's "function" and "silence" rules.

Pi Kappa Alpha was accused of violating the two rules in an incident during rush week earlier in the semester.

Function Defined

A function is defined, in IFC rules, as a gathering of "more than three rushees in company of members, pledges and alumni of any one fraternity during rush period."

The silence rule declares "there will be no communication, written or oral, between rushees and members, pledges and alumni of fraternities during the silence period." The silence period begins

after midnight of the day before the pledging convocation near the beginning of each semester. The convocations are on Saturdays.

Charges Not Discussed

There was no discussion on the charges by the court, except for an informal meeting with Pi Kappa Alpha representatives immediately after adjournment.

Formal arbitration on the court's accusation will be Tuesday. The charge was pressed through the office of the Dean of Student Life.

Other Business Discussed

Earlier, IFC delegates heard Feather give results of a recent joint meeting with the Panhel-

lenic Council. Sorority representatives at that meeting tabled a proposed amendment to allow fraternities to begin construction on permanent lodges on campus. The two groups are bound by a housing corporation contract which stipulates that both must begin at the same time.

Amendment Tabled

The amendment was tabled until it could be determined if Tech

would be allowed 10 additional acres on which to build lodges, and where they would be. The two groups currently have 25 acres set aside for lodges but need more.

In other action, Feather urged delegates to push efforts for a new fraternity on campus. Applications for the new social group will be accepted in the Dean of Men's office until Wednesday. Six have already applied.

Studying N.C. School

Allen Serves On Evaluation Board

James G. Allen, dean of student life, will represent Texas Tech in Raleigh, N.C., Sunday through Wednesday, as a member of the evaluation committee for the Southern Association of Colleges and Secondary Schools.

The committee has been invited to evaluate the self-study program of North Carolina State College, conducted during the past two years at the advice of the association.

This is similar to the program conducted by Tech, culminated by the visit of an objective committee last semester.

Of the several hundred schools in the Southern Association, 11 will be represented by the group. They are: Florida State University, University of Southern Florida, University of Georgia, Tulane University, Auburn University,

University of Alabama, Georgia Tech, Clemson College in South Carolina, Purdue University, Texas A&M and Texas Tech.

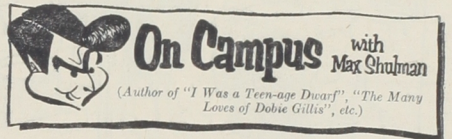

North Carolina State College, a part of the University of North Carolina system, has an enrollment of over 7,000 students, Allen said.

It has schools of agriculture, design, education, engineering, forestry, general studies, physical science and applied mathematics, and textiles, he added.

Dean Allen's primary responsibility will be evaluation of the student personnel program.

NOMINATIONS DUE

Nominations for "Woman of the Year" and "Faculty Woman of the Year" must be turned in by 5 p.m. today to Ann Dennison, Box 363, Weeks Hall.

AMONG MY KINFOLK

My favorite cousin, Mandolin Glebe, a sweet, unspoiled country boy, has just started college. Today I got a letter from him which I will reprint here because I know Mandolin's problems are so much like your own. Mandolin writes:

Dear Mandolin (he thinks my name is Mandolin too),

I see by the college paper that you are writing a column for Marlboro Cigarettes. I think Marlboros are jim-dandy cigarettes with real nice tobacco and a ginger-peachy filter, and I want to tell you why I don't smoke them.

It all started the very first day I arrived at college. I was walking across the campus, swinging my paper valise and singing traditional airs like *Blue Tail Fly* and *Death and Transfiguration*, when all of a sudden I ran into this here collegiate-looking fellow with a monogram on his breast pocket. He asked me was I a freshman. I said yes. He asked me did I want to be a BMOOC and the envy of all the in crowd. I said yes. He said the only way to make these keen things happen was to join a fraternity. Fortunately he happened to have a pledge card with him, so he pricked my thumb and I signed. He didn't tell me the name of the fraternity or where it is located, but I suppose I'll find out when I go active.

She carried me to a chic French restaurant

Meanwhile this fellow comes around every week to collect the dues, which are \$100, plus a \$10 fine for missing the weekly meeting, plus a \$5 assessment to buy a headstone for Spot, the late, beloved beagle who was the fraternity mascot.

I have never regretted joining the fraternity, because it is my dearest wish to be a BMOOC and the envy of all the in crowd, but you can see that it is not cheap. It wouldn't be so bad if I slept at the frat house, but you must agree that I can't sleep at the house if I don't know where the house is.

I have rented a room which is not only grotesquely expensive, but it is not at all the kind of room I was looking for. I wanted someplace reasonably priced, clean, comfortable, and within easy walking distance of classes, the shopping district, and San Francisco and New York. What I found was a bedroom in the home of a local costermonger which is dingy, expensive, and uncomfortable—and I don't even get to use the bed till 7 a.m. when my landlord goes out to mow his coisters.

Well anyhow, I got settled and the next thing I did, naturally, was to look for a girl. And I found her. Harriet, her name is, a beautiful creature standing just under seven feet high and weighing 385 pounds. I first spied her leaning against the statue of the Founder, dozing lightly. I talked to her for several hours without effect. Only when I mentioned dinner did she stir. Her milky little eyes opened, she raised a brawny arm, seized my nape, and carried me to a chic French restaurant called *Le Clippoint* where she consumed, according to my calculations, her own weight in chateaubriand.

After dinner she lapsed into a torpor from which I could not rouse her, no matter how I tried. I banged my glass with a fork, I pinched her great pendulous jowls, I rubbed the legs of my corduroy pants together. But nothing worked, and finally I slung her over my shoulder and carried her to the girls dorm, slipping several discs in the process.

Fortunately, medical care for students is provided free at the college infirmary. All I had to pay for were a few extras, like X-rays, anesthesia, forceps, hemostats, scalpels, catgut, linen, towels, amortization, and nurses. They would not, however, let me keep the nurses.

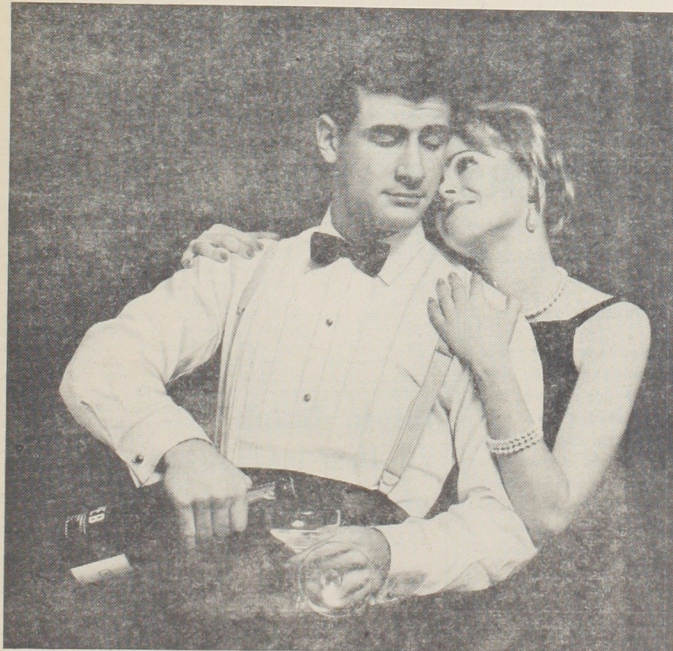

So, dear cousin, it is lack of funds, not lack of enthusiasm, that is keeping me from Marlboro Cigarettes—dear, good Marlboros with their fine blend of choice tobaccos and their pure white Selectrate filter and their soft pack and their flip top box.

Well, I must close now. My pencil is wore out and I can't afford another. Keep 'em flying.

Yr. cousin Mandolin Glebe

© 1963 Max Shulman

The hearts of the makers of Marlboro go out to poor Mandolin—and to poor anyone else who is missing out on our fine cigarettes—available in all 50 of these United States.

Does a man really take unfair advantage of women when he uses Mennen Skin Bracer?

All depends on why he uses it.

Most men simply think Menthol-Iced Skin Bracer is the best after-shave lotion around. Because it cools rather than burns. Because it helps heal shaving nicks and scrapes. Because it helps prevent blemishes.

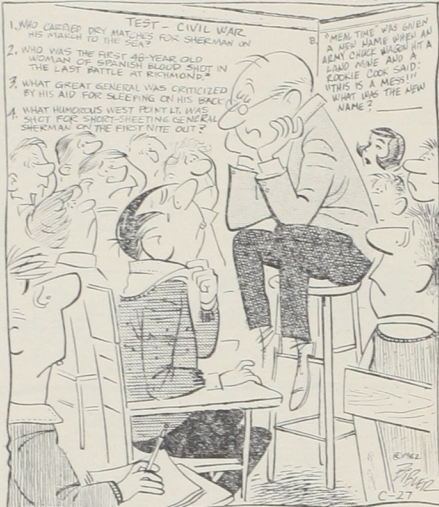

So who can blame them if Bracer's crisp, long-lasting aroma just happens to affect women so remarkably?

Of course, some men may use Mennen Skin Bracer because of this effect.

How intelligent!

THE TEXAS TECHNOLOGICAL COLLEGE

Serving Texas Tech Since 1925

A Look At Tuition . . .

The proposed \$50 tuition increase at Texas' state-supported schools is being hotly criticized by many Tech students. There is widespread feeling that the state is trying to harass us, collectively and individually, and a common cry is, "Why me? I'm paying through the nose already."

Unfortunately, higher education is expensive, and undoubtedly will become moreso. However, this is not due to any sadistic desires of the State of Texas to persecute college students. It is the result of well-defined national trends that have been apparent for a good many years.

Three reasons are basic to rising costs. First, there are more students to educate at all levels due to the post-World War II population explosion, and a much higher percentage are going to college. In 1939, 14 per cent of all young people between 18 and 21 were in college. Today more than one-third of this age group seeks higher education. Tax-supported schools are absorbing most of this enrollment increase.

Buildings and equipment are another cost factor. Increased enrollments and contemporary advances in knowledge give rise to a demand for physical plant expansion and new equipment.

Teachers' salaries are a third source of increased expense. More students and greater knowledge create a need for additional teachers, and in order to attract qualified teachers, colleges must in-

crease salaries. At present, most college instructors earn less than high school teachers.

In the light of these facts, tuition can be expected to go up. Other, more significant, expenses such as dormitory charges, are also on the rise. However, we don't have to say, "Well, we were born and that's what brought most of this on, so we'll just have to accept it." Steps can be taken to keep college expenses from mushrooming unnecessarily.

Suggestions for keeping down costs include avoiding luxury facilities and cutting low-enrollment courses out of the curriculum. Better use of facilities, sharing between schools, joint purchasing, minimizing personnel and use of students as teacher aids have also been proposed. A three-term college year with the summer session adding a full semester is one suggested possibility for getting maximum benefit from available facilities.

Some of these proposals are neither feasible nor desirable for all state-supported schools in Texas, and there are other possibilities for cutting costs. We should discover and implement the methods that will work for us. An organized joint research effort by college students, faculty members and administrators and state officials seems a plausible way to determine exactly where we are and what we can do.

Also, a sound financial program for the state as a whole would lead to improved financial conditions for education. Support of officials favoring economic reform and programs designed to effect it is an immediate way to help bring about reasonable college cost adjustments.

The proposed tuition increase is important to us individually but it is also a manifestation of trends and conditions of greater significance, and a large part of the responsibility for the outcome is ours. Often we are accused of being inept and irresponsible, and perhaps we will be content with a token protest and a lot of griping about the high cost of going to college. If so, this is one case where we can be prepared to pay the piper — and handsomely.

LETTERS TO THE EDITOR

Editor,
Congratulations to the "men (?) of Carpenter" Hall. They deserve the utmost recognition because they "worked hard" in entering two candidates in the Beauty and the Beast contest.

I am referring to the letter from the officers of Carpenter which appeared in the March 19 Toreador. These "men" were "chagrined" because they "failed to secure proper reward for our efforts."

Really, now! Let's face reality. Think of the thousands of things that are done on this campus every year that are never recognized. Why are these things never recognized? Not because they aren't worthy of recognition, but because MEN don't cry for recognition for doing something that they should do as students of Texas Tech.

Wise up, "men" of Carpenter. There are more important things than bathing in the lime-light of the public.

Bob Allen

EUROPEAN TOUR

There are a few openings in the group which will be going to Europe this summer. Mrs. Strout, conductor of the tour, has an option on ship space through March. Anyone who signs up this month is assured of a good reservation. Eleven countries will be visited. For information see Mrs. Strout, C&O 115.

1112 BROADWAY — DOWNTOWN

AND THEN

by BooKout

AND THEN

The purpose of this column is not that of a SOAPBOX on which to stand and cry out against the injustices of the universe. But once in a while an issue appears which deserves comment.

We feel the current outcry against the deluge of rules outlined by this institution to govern its women is an issue worth mentioning.

AND THEN

For a long time an undercurrent of dissatisfaction has been rising higher and higher among many Tech coeds who are bound to live under petty rules which insult both their maturity and intelligence. Recently this displeasure reached the boiling point and spilled out into the open.

AND THEN

It all came about when a coed a little more perceptive and brave than most wrote a letter to the editor complaining of the fact that she pays to live in a small room and yet, cannot have the privacy which is rightfully hers because of room checks to make sure she has made her bed and emptied her wastebasket.

Since that time the subject of rules for Tech women has been no small part of those enlightening discussions called "bull sessions" among both men and women at Tech.

AND THEN

No one will deny the fact that where a great number of people must live and work together, there must be laws which govern.

Still no one will deny that the rules set out for second graders must be more inflexible and specific than those which govern adults.

Yet, many rules Tech coeds are expected to follow are about as elementary as those imposed upon irresponsible children.

AND THEN

Take for example a rule plastered on the wall of one dorm which states, "If you cut in line, you will receive a calldown," or try this one, "You must not read newspapers in the cafeteria," and "Do not put coke bottles in the telephone booth."

The multitude of edicts not only concern the handling of coke bottles, newspapers and cutting in line, but reach into a coed's wardrobe and pick out what she can and cannot wear.

She is told she cannot wear sandals in the cafeteria or coulottes to class or slacks in the dorm lounge.

Neither can she take cookies from the cafeteria. (Sometimes cookies are used in pudding. If cookies are taken with pudding that means she is guilty of taking the dish holding the pudding. Never mind taking cookies not served in pudding.)

AND THEN

The huge number of involved rules to which coeds must conform imply immaturity on the part of women who have reached the age of responsibility and who are passed the "training" period.

THESE RULES CREATE AN ATMOSPHERE OF "DON'T" instead of a positive one of cooperation. Therefore, at times a coed is tempted to break the trivial rules in order to follow a sensible and sane course of action.

AND THEN

It's not the well-planned rules which are necessary for the discipline of adults who must live together daily in great masses that we speak of here.

We are calling attention to the fact that it's the unimportant, annoying ultimatums that bind Tech women which sometimes make life nearly unbearable.

AND THEN

College is supposed to be a place where education prepares citizens for a useful and responsible life ahead. THE NEGATIVE ATTITUDE toward the women of Texas Tech reflected in some of the rules now in effect are not meeting this challenge.

Chapter Takes New Initiates

The Omega chapter of Phi Upsilon Omicron, Tech's home economics professional fraternity, initiated 17 new members Sunday in the Home Economics Bldg.

A breakfast honoring the new initiates followed the ceremony. The group attended services at the First Baptist Church.

Initiates were Jo Beth Barnes, Jan Barton, Mary Behrends, Pat Caraway, Ellisene Davis, Carol Dennison, Ellen Denton, Charlotte Dorsey, Lynn McElroy, Nadyne Faulkenberry, Helen Fay Foster, Carolyn Gottschalk, Marcheta Hale, Emily Hejl, Kim Morris, Sherry Stephens and Jean Wilcox.

Others include scholastic chairman, Carol Fursman; marshal, Harriet Maxey; AWS representative, Jenny Mathews; house manager, Nancy Handley; activities chairman, Beverly Fouch; intramurals chairman, Sally Lomerson; historian, Linda Cate.

RUSH CHAIRMAN, Eddie Kay Smith; parliamentary, Judy Jones; standards chairman, Jane Feild; editor, Carole Stanley; chaplain, Susan King; archivist, Cherie Cailloux; project chairman, Teena Brown; campaign chairman, Geneva Billings; and float chairmen, Nancy Henry and Mira Taylor.

SORORITY SCHOLARSHIP

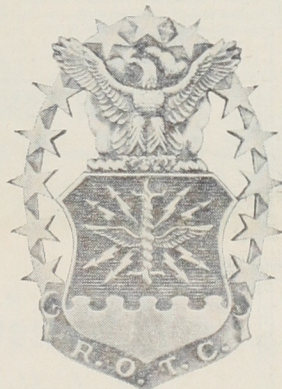

PHI BETA PHI led the sororities scholastically by maintaining a 2.8 average for both actives and pledges. Following was Kappa Kappa Gamma with a 2.7 average.

IN RATING THE GROUPS, DECIMAL POINTS ARE USED TO DETERMINE THEIR POSITION.

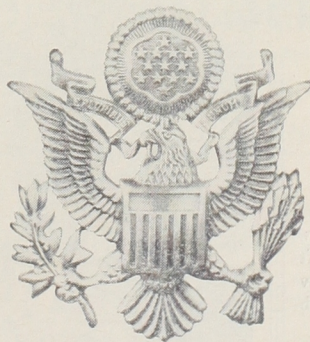

The other sororities were rated Delta Gamma, 2.7; Kappa Alpha Theta, 2.6; Chi Omega, 2.6; Delta Delta Delta, 2.6; Gamma Phi Beta, 2.5; Alpha Chi Omega, 2.5; Alpha Phi, 2.5; Sigma Kappa, 2.4; Phi Mu, 2.4 and Zeta Tau Alpha, 2.3.

FRATERNITY SCHOLARSHIP

ALPHA TAU OMEGA placed first among fraternities in scholarship with a 2.3 average. Sigma Nu rated second with a 2.3 also. Other standings were Phi Kappa Psi, 2.2; Sigma Alpha Epsilon, 2.2; Sigma Chi, 2.2; Phi Delta Theta, 2.1; Kappa Alpha Order, 2.1; Phi Gamma Delta, 2.1; Delta Tau Delta,

Missed A. F. R. O. T. C. ?

Go A. F. O. T. S!

These letters stand for Air Force Officer Training School—a three-month course for those who realize they want to become Air Force officers, but don't have enough school time left to enroll in AFOTC.

We prefer our officers to start their training as freshmen, so we can commission them directly upon graduation. But right now we're accepting applications for another fine way to become an Air Force officer—OTS. We can't guarantee that this program will still

be open a year or so from now.

As an Air Force officer, you'll be a leader on the Aerospace Team, serving your country while you get a flying headstart on the technology of the future. The U.S. Air Force sponsors one of the world's most advanced research and development programs—and you can be part of it.

If you're within 210 days of graduation, get more information on OTS from the Professor of Air Science.

Students Travel To Conference

Bill Benner, Lubbock graduate student, and Bob Covington, junior from El Paso, will represent Tech's Presbyterian Student Assn. at a church vocations conference in Austin, Friday through Sunday. The conference at Austin Theological Seminary is intended to acquaint students with various phases of church work.

Sailing Club Meets Today

With one session behind, Tech's new sailing club plans another day at Buffalo Lakes at 2 p.m. Sunday. A business meeting will be at 7:30 today in Ad Bldg., room 266. Members will ratify the constitution and elect officers. The meeting will include finalization of campus approval.

With Fellowship, Lectures

Centers Vary Activity

Eight religious student centers serving the Tech campus offer more than classes in Bible Literature. Each week finds the various centers involved in activities ranging from hayrides to lecture series.

This week the councils of the religious groups have plans for weekend parties as well as weekly and Sunday evening programs.

The **CHRISTIAN STUDENT CENTER** and the **CATHOLIC NEWMAN CLUB** will both be "cleaned" Saturday during Clean-Up Day at the respective centers. The Christian Student Center is also having a Sock Hop at 7:30 p.m. Friday, followed by a slumber party for the girls. Newman Club meeting will be at 7:30 p.m. Sunday. Father Fitzgerald of Christ the King Church is speaker for the program.

PRESBYTERIAN GROUP PRESBYTERIAN UNIVERSITY BLDG. will be the meeting place for the Presbyterian student group at 5:30 p.m. Sunday for supper, worship, and a program on "Christian Scientists." Rev. Houston Hodges is the director of the PUB.

Basketball, ping-pong, and volleyball will be featured in a **BAPTIST STUDENT CENTER**

"Sports-a-roma" Saturday. BSU members will leave the student center at 12:30 p.m. Saturday for Wayland College in Plainview. Tech's BSU will be in competition with Wayland and West Texas, according to Dale Crusing, BSU athletic director.

CHRISTIAN WORSHIP

The **CANTERBURY ASSOCIATION** is continuing a series of study on "Christian Worship" at Seamon Hall each Sunday. Evening prayer time, supper, and program will begin at 5 p.m. and last until 7:30 p.m. An "Inquirers Class" studying the Christian faith and the Episcopal Church is conducted each Wednesday at 7 p.m. at Seamon Hall throughout the semester.

Films will be shown at the

BIBLE CHAIR at 6:40 each night this week. Discussion will follow each film. The films are entitled: "Christian Stewardship," "Christian Honesty," "Christian Concern in Politics," "Responsibility — Work or Home," and "Race Relations." Leon Couch is the director of Bible Chair.

FOLK-DANCE PARTY

THE WESLEY FOUNDATION will have a "Folk-Dance Party" at 7:30 p.m. Friday at the Methodist Student Center. Keitha Davis and Russell Denison are chairmen of the event. Sunday activities at the MSC will include Dine-a-Mite Supper at 5 p.m. and a program on "Application of Christian Faith to Vocations in Science and Math" by Dr. Sam Lee, professor of chemistry, at 5:40 p.m.

Knapp Wins Championship In Mural Basketball Series

Knapp Hall ended the women's intramural basketball series by defeating Pi Beta Phi Tuesday night for the all-school championship.

Captained by Lynn Hardee, Knapp's team was Gail Masten, Sue Christian, Kathy Finger, Billie Ward, Suzi Jenkins, Juanna Jo Moore, and Joe Anne Green.

The Pi Phi team consisted of Maggie Heard, Cissy Clark, Dar-

lene McDougal, Rosemary Patterson, Paula Hanson, Celia Forrest, and captain Barbara Suddeth.

The elimination tournament in softball begins Monday, with all teams participating in one league instead of the usual sorority and independent leagues.

Intramural swimming will be held March 30 at the Men's Gym. Sign-ups for softball and swimming are now complete.

Engagements...

Carolyn Garrett is engaged to George Tamplen. Carolyn is a sophomore from Lubbock majoring in secretarial administration. She is a member of Phi Gamma Nu. George is a sophomore from Denison majoring in pre-law.

Linda Robertson is engaged to Donald May. Linda is a freshman from Lamesa. She is a secondary education major. Donald is a graduate student attending Tech. He is a mathematics major from Hermleigh. They plan a June wedding.

Women Pledge Music Society

Seventeen women received pledge pins for Mu Phi Epsilon.

Pledges are Roya Harris, Lubbock; Mary Frances Freeborn, Roswell, N.M.; Frances Beebe, Amarillo; Edith Coberly, Amarillo; Janis Carthel, Lockney; Martha Sue Hollar, Amarillo; and Annie Lou Williams, Raymondville.

Other pledges are Jane Ann Sides, Lubbock; Sandra Redwine, White Deer; Marilyn Lutener, El Paso; Lillian Pierce, El Paso; Judy Sell, Petersburg; Kara Anderson, Lubbock; Barbara Stone, Lubbock; Beverly Barton, New Deal and Nan Nall, Lubbock.

Tech To Host Triple Track Meet Saturday

Clyde Beatty and his three-ring circus will have nothing on Texas Tech's track stadium here Saturday, as three meets swing into action simultaneously.

The cinder oval will see Tech's varsity corps engage the University of Colorado Buffaloes in a dual meet, while the Picadors play host to Abilene Christian College's frosh, Lubbock Christian College and Fort Worth Christian. During all this a Lubbock Public Schools conducted meet between Lubbock Monterey, Lubbock Midland Lee, Midland, Odessa Permian, Odessa, Amarillo, Borger, Pampa, and Plainview high schools will be going on.

Lineups Announced

Texas Tech's varsity and freshman track and field lineups for the meet have been announced by Tech coach, Don Sparks.

Noel Carter, Richard Vogan, Norman Donelson and Walter

Cunningham, whose collective best time is 43.5 will be running the 440 relay for the varsity squad.

In the mile run Jerry Brock of Fort Worth, whose best time is 4:18.7, will run with Eldon Mongold of Amarillo, Ron Davis and Richard Palmer will run the mile for the frosh.

Carter, whose best time is 48.5, will run the 440 along with Donelson and Vogan for the varsity. Nippert and John Semetko will carry the hopes of the freshmen in that event.

The Century will see Cunningham, who has run it in 9.9, from the varsity, and a number of freshmen trying to bring home the ribbon.

Biffle To Run Hurdles

Ronny Biffle of Anton will run the high hurdles.

Gary Don Bowe of Happy, with a best time of 1:56.0, will compete in the 880 along with Mongold. Davis and Palmer will do the running for the frosh.

Cunningham, Smith and Carter will lead the way in the 220, while Ron Biffle tries to bring home the 330 hurdles ribbon.

Bill Meador of St. Jo and Brock will be running in the two-mile.

Donelson, Bowe, Vogan and Carter will attempt the mile relay for Tech.

Field Events Entries

Twink Terry of Amarillo is the leading high jumper with a jump of 6-0.

In the broad jump event Smith will attempt to better his 20-11 top jump, as Frank Barker of Adrian throws the discuss for the varsity squad. Barker will also throw the javelin.

The varsity does not have a shot put entrant.

Devils Meet Delts; PEK's Play Phi Delts

Texas Tech's Intramural Gym has been set by men's intramural director, Edsel Buchanan, as the scene of the All-College Basketball Tournament semi-finals today at 7 p.m.

Delta Tau Delta "B" and the Devils will meet at 7 p.m. and Phi Epsilon Kappa will challenge Phi Delta Theta at 9 p.m.

The Devils, Independent League No. 3 champs, downed Gordon Hall, Dormitory "A" victors, 53-51, Tuesday in a hard fought battle. The Devils are now 9-1.

Delta Tau Delta "A", Fraternity League "A" champs, routed the Chinese Bandits, Independent League No. 4 winners, earlier, 50-38. The Delts have now won ten straight games.

Phi Delts Meet PEK's

Phi Epsilon Kappa, Independent League No. 1 champs, defeated the previously undefeated Baptist Student Union five, Independent No. 2 winners, 74-66, Tuesday. Phi Epsilon Kappa's record now stands at 8-0.

Earlier in the week Phi Delta Theta squeezed by Thompson Hall, Dormitory League "B" winners, 48-46. The Phi Delts are now 8-0 and were winners of the Fraternity "B" League.

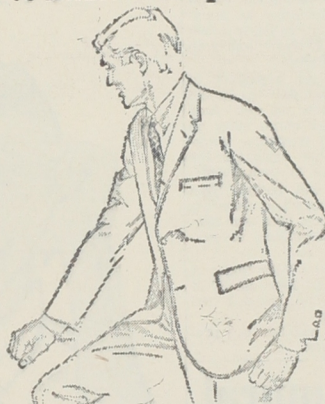

Finals Next Week

The two winners will meet early next week to determine the All-College Basketball championship, according to Buchanan.

ALLOCATION FORMS

Any organization desiring allocations for the 1963-64 school year should obtain forms from the Student Council office. For further information contact Ken Abraham at that office.

The natural way to make an impression!

"Dacron-worsted" Tropical Suits

Express yourself unobtrusively, yet unmistakably. This tropical is a classic of understatement. ABC Rodeo Draws Top Cowboys

One hundred fifty-five cowboys from across the nation will vie today through Saturday in Municipal Coliseum for \$9,400 in prizes at the annual Lubbock American Business Club Rodeo.

Terry Condrey, president of ABC, said, "This year, as in the past several years, the rodeo here will be the only major show on the circuit this particular weekend, and we are expecting the leading cowboys in each event."

The events will feature Tom Nesmith, reigning world champion all-around cowboy, who won \$32,611 in rodeo competition last season.

A parade led by "Miss Rodeo of America of 1963," Joyce Shelly of Silver City, N.M., opened the rodeo yesterday.

Elra Beutler and Son are producers of the show.

SPORTS X-RAY

by Ray Finfer

SO MANY PEOPLE seemed to get such a pleasure out of my missing the predictions of the Cincinnati-Duke basketball championship, which Cincinnati was supposed to have won. Unfortunately, Loyola of Chicago slipped past Duke and toppled the mighty Bearcats in the finals in overtime 60-58.

A NUMBER OF PEOPLE have also commented that since I so resoundingly missed my predictions perhaps the guess that the Yankees will win the pennant might be wrong too. However, upon thinking it over, consulting my roommate and a few other devout Yankee fans, I find that it has been agreed upon that the Bronx Bombers will once again become World Champions.

I NOTICED ON the wire Monday that the Yankees won their sixth game of the Grapefruit League against only 10 losses and that we have moved ahead of Minnesota in the standings. We're all the way up to ninth place now. Grass doesn't grow around the spikes of a Yankee.

TEXAS TECH STAR sprint swimmer Phil Simpkins, sophomore from Houston, will begin competition in the National Collegiate championships in Raleigh, N.C., this weekend. Simpkins will swim in the 50 and 100 and may possibly compete in the 200. His appearance there marks the first time in history that a Tech swimmer has gone to the nationals.

Simpkins was first in the Southwest Conference 100 with a record-breaking 48.6.

COACH GEORGE PHILBRICK is in his 11th year of tennis coaching at Texas Tech and has one of his finer teams in competition this year. Led by the duo of Daryl Allison, senior from Lubbock, and Beau Sutherland, junior from Kerrville, 1962 SWC doubles champions, Tech has a team of young tennis players, with a lot of desire and ability. In the next few years, the Raider netters will be high in the SWC in all categories.

Other varsity tennis men are Don Draper, junior from Houston; Don Foles, sophomore from Harlingen; Greer Kothmann, sophomore from Junction; Robert Peterson, sophomore from Wichita Falls; and Fred Wickett, sophomore from Fort Worth Arlington Heights.

Next tennis action will be Saturday with Hardin-Simmons in the morning at 9 a.m. and Abilene Christian in the afternoon at 2 p.m. on the varsity courts.

Both Win, 1-0

Tech, ACC Split Two

Fans in Abilene Monday were treated to some exciting baseball as the Texas Tech Red Raiders and the Abilene Christian Wildcats exchanged 1-0 wins in a doubleheader.

The highlight of the dual match was the sparkling pitching per-

formances in the first game by ACC's Sam Carpenter and Tech's Morris Huddle. Carpenter tossed a one-hitter at the Raiders in the opener with shortstop Foy Williams getting a single in the first inning.

Dudley, pitching his finest game of the year, was barely outdone as he threw a two-hitter at the Wildcats. His losing effort brought his season record to 1-1.

Raiders Came Through

In the second game, ACC again handled the Raider batsmen seemingly with ease, but Coach Berl Huffman's baseballers came through when needed.

ACC's Don Lewis allowed Tech only four hits in the nightcap, but the Raiders fashioned a run in the fifth to win the ball game for ex-Abilene Eagle Frank Ray, taking his first win of the season against two losses.

McCrummen Scores For Tech Marshall McCrummen, batting for third baseman Richard Barker in the fifth, led off the inning by reaching first on ACC's Norman Scott's error. Lewis then hit

Yippy Rankin, batting for left fielder Doug Gibbins, to advance McCrummen to second. Ray fanned and Ronnie Ayers went out. Then Tech first baseman Bob Fielder hit a sharp single past third baseman Duncan Boyer to drive McCrummen in. That was the only run Ray needed to win, allowing ACC seven scattered hits.

Fielder Was Big Gun

Fielder was the big hitter of the second game with two-for-three. Williams added another single in the second game to his lone single in the opener. Richard Perry in a pinch-hitting role got Tech's other hit of the second game.

The Raiders are now 2-4 for the season. They will remain idle until April 5-6 when they will meet New Mexico Highlands.

Golfers Meet Texas Western

Texas Tech's golfers tackle Texas Western here Wednesday, then take on defending Southwest Conference champion Texas A&M at College Station Saturday.

Coach Jay McClure's linksmen for the two matches probably will be chosen from three lettermen—Housty Brewer of Andrews, Jim Davidson of San Angelo and Bruce Doble of Worcester, Mass.—Gary Littlejohn of Midland and Richard Yates of Corpus Christi. Yates is Texas amateur champion.

Texas Tech did not meet Texas Western last year. Despite finishing sixth in the conference race, the Red Raiders upset finalist A&M here 5-1 in the 1962 season finale.

PARIS... for study's sake

The Paris Honors Program. A ten-month academic program for superior juniors and a few exceptional sophomores. Includes full liberal arts curriculum under French professors, opportunities for study in the University of Paris, intensive French, residence with Parisian families or in student homes, field study, ocean passages. ★ ★ ★

BULLETIN

Phi Epsilon Kappa won the All-College Championship in basketball Tuesday night 43-42 over the Devils. Bickie Williams was the leading point scorer for Phi Epsilon with 26, while Bill Logsdon scored 15 points for the Devils.

★ ★ ★

★ ★ ★

Team totals for the fall semester and for two of the spring sports have been compiled and in first place is Phi Delta Theta with 136 points. In second place is Thompson Hall, with a total of 121; in third place, Carpenter Hall with 94 points. These totals are for the leading teams in this year's intramural program.

TOTALS ARE COMPILED in the order a team finishes in its respective league. Points are for first and second place teams. A first place is worth 50 points and a second place merits 40 points. Any team finishing first or second in open play receives five and three points respectively.

OVERALL OUTSTANDING team this year has been Delta Tau Delta; it has netted 1122 points.

The Deltas are followed in order by: Pi Kappa Alpha, 1084; Bledsoe Hall, 707; Carpenter Hall, 679; Thompson Hall, 661; Sigma Nu, 617; Sigma Alpha Epsilon, 575; Gaston Hall, 572; Phi Kappa Psi, 567; Kappa Sigma, 501; Air Force ROTC, 486; and Phi Gamma Delta, 421.

EDSEL BUCHANAN, intramural director, has announced the final results of the fall-spring semesters curling championships. Gordon Hall and the Pi Kappa Alpha "B" team tied for the championship with four wins and one loss each, but Gordon was given the title because of a win over the Pikes in season play, 6-2.

Delta Tau Delta "B" team was second, followed by Sigma Nu, the Delta "A" team and the Pikes "A".

SOFTBALL RESULTS — Several leagues are underway in intramural softball competition. The Phi Deltas lead the fraternity "A" league with a perfect four wins, followed by Sigma Chi and the ATO's with two wins and one loss.

Sunday's results of the fraternity leagues had the Sigma Chi with a bye; Phi Deltas 14, ATO 4; Sigma Nu 18, SAE 13; Kappa Sigs 7, Phi Psi's 25; KA's 17, Deltas 11; and Figs 24, Pikes 10.

MONDAY'S RESULTS in the independent league found the Crusaders 1, Rodeo Association 0; Phi Epsilon Kappa 15, AFROTC 3; and BSU 12, Newman Club 7.

Phi Epsilon Kappa leads the independents with two wins and no losses.

VOLLEYBALL STANDINGS—In the dorm league, Gordon beat Thompson's "B" 2-0, and Bledsoe's "C" team topped Bledsoe's "B" team 2-0. Gordon will meet Bledsoe's "C" team at 7 p.m. Monday for the dorm league championship.

The Chicks beat the PhiEK's No. 1, 2-0 and the PhiEK No. 2 team beat AFROTC No. 2. The Chicks will meet the PhiEK's No. 2 at 8 p.m. Monday to decide the independent champ.

Simpkins Vies In Meet At Scene Of Big Upset

By BILL HOLMES

Tech Sports News Director

Although it will be a definite upset for Phil Simpkins to win a National Collegiate swimming title this week, at least he'll be competing at the scene of probably the biggest surprise a Texas Tech team ever pulled. In December 1951, the Red Raider basketballers beat by 63-62 in Raleigh, a North Carolina State team ranked in the top ten. The Raiders, down 10 at halftime, caught up via the zone press and went ahead in the final seconds as Jim Sexton stole the ball, passed to Jack Alderson, whose shot stayed on the rim long enough for Paul Nolen to dunk it.

TT TT TT TT

Speaking of upsets, Texas Tech's Don Sparks used his secret weapon to nip Abilene Christian's freshmen 65-63 in last Saturday's meet. The weapon? Reinforcements from freshman footballers, who delayed suiting out for Saturday's scrimmage long enough to account for 20 points.

Center Steve Stephens of Roswell, N.M., won the shot put; tackle Don Wagner of Perryton, the discus; and fullback Bobby Carbone of Albuquerque, N.M., the javelin. Tackle Roy Brown of Carlsbad, N.M., placed third in the discus, and quarterback Ben Elledge of Brownwood, second in javelin.

Elledge's javelin effort apparently was a good warm-up for the scrimmage, since he threw two touchdown passes and connected on

RAIDERS USED TO MATADORS

During the 1930's Collier Parris, hen sports editor of the Lubbock Avalanche - Journal was inspired by a combination of Texas Tech's coast-to-coast schedule and the all-red football uniforms, to dub the team the Red Raiders. Coach Pete Cawthon liked the new nickname and although the official name for Tech is the Matadors, the team is called the Red Raiders.

ROBISON SUCCESSFUL

Polk Robison, head basketball coach at Tech for 18 years, had a 500 or better mark in conference play with every SWC member. He had a similar mark as a Border Conference member before Tech left that league to join the SWC.

two extra point tries as his Red team won 38-20.

TT TT TT TT

Junior Arterburn, who set Texas Tech's one-game total offense record as a quarterback in 1951, frequently can be found in Tech's whirlpool, treating a leg broken in a church league basketball game. He was playing against Elmer Tarbox's team at the time. Tarbox, a member of Tech's Athletic Hall of Honor for his three-sport stardom in the late 30's, has moved his athletics weights business to Lubbock.

TT TT TT TT

Bill McClure, the Abilene Christian track assistant, and Jay McClure, Texas Tech golf coach, are brothers.

TT TT TT TT

Rocky Hill, the former Albany

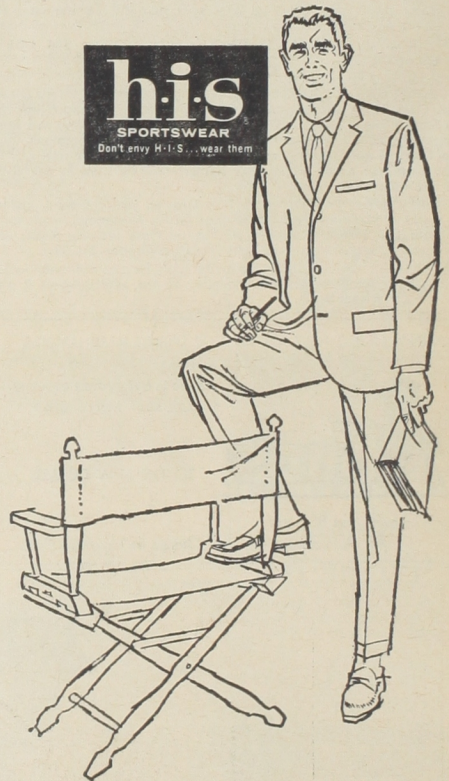

all-state end, now in the Texas Tech backfield, placed third in the Conference A state high school golf tournament and ran on the Lions' fourth place 440 relay team.

TT TT TT TT

Texas Tech's football spring training wind-up game will be played at 7:30 p.m. April 27. In conjunction, Tech will conduct a high school coaching clinic for 300 high school coaches.

TT TT TT TT

Texas Tech's Don Sparks, track and field coach, will serve as referee of the San Angelo Relays Friday and Saturday. Tech will enter the relays, but the Picador thin-clads, upset victors over ACC Saturday, will resume action at the Texas Relays next week.

Doms LTD
2420 Broadway PO3-8516

REMEMBER...
TO VOTE!

Pat Hamilton Secretarial Candidate

In both leadership and service capacities, I have served and am serving Texas Tech:

Through school — I have worked in the Home Economics Club,

and am past CANDLE Editor and incoming President of Phi Upsilon Omicron.

Through organizations — I am a member of President's Hostesses, will be a legislator of Doak Hall, and have recently been selected to membership in Mortar Board.

Through Student Council — I have served on the Elections, Current Events, and Allocations committees.

If elected your Secretary, I would like to accomplish the following things during my term of office.

- Continue the present secretary's program of opening up the campaigns and putting the candidates in front of the voters.
- Make arrangements so that all counting of votes can be done by IBM computer. This would insure fast and accurate tabulation of votes.
- Hold Freshman Council elections as early as possible in the fall so they may work on a more united freshman class; they could reserve a section of the football stadium for the freshmen whose enthusiasm might boost our school spirit.

Cecile Camp Secretarial Candidate

My qualifications for Student Council secretary are: EXTENSIVE secretarial training, GOVERNMENT minor, EIGHT consecutive year's service on student councils.

My platform is:
 Ready to serve YOU in:

1. Better communications for a better Tech—
 - Council members should report back to their organizations
 - Minutes of meetings should be printed in the TOREADOR

2. Fairer elections for a better Tech—
 - Re-evaluation of officer qualifications
 - Filling cheerleader and class officer vacancies

3. More special events for a better Tech—
 - Another all-school program such as the Model U.N.
 - Top national speakers
4. Safer traffic for a better Tech—
 - Let the students decide

Judy Price Secretarial Candidate

Qualifications:
 Student Council 62-63, Elections Committee 62-63, Recognized by Student Council for leadership,

Freshman Council 60-61, Junior Council, Sigma Kappa, Phi Gamma Nu, Pi Delta Phi, President's Hostesses.

As Secretary of the Association, improved communications would be one of my goals. As a member of the election committee this year, lack of student interest in campus elections has been painfully evident. Campus positions are often filled by a very small percentage of voters. Integration of students into Tech's student government could be achieved through a coordinated program with the TOREADOR.

I would also work this summer with IBM in the Engineering Department to set up a program for elections. All elections then would be held on IBM cards and counting would be done electronically.

Office Duties

The secretary's duties are:
 KEEP the minutes of meetings of the Student Association and of the Student Council; BE responsible for the maintenance and preservation of the official version of the Student Association constitution and all rules and regulations of the Student Association; SEE that a copy of the official version of the constitution and all rules and regulations of the Student Association remain on file in the office of the president of the college; SEND a copy of the minutes of each meeting to the following: President of the College, Dean of Student Life, Dean of Men, Dean of Women, Student Council sponsor, Vice President and Comptroller, Academic Vice President.

AT all times maintain and preserve the official copies of the Student Association constitution and bylaws in the Student Council office.

Business Manager

WHO WILL IT BE? — Techsians voting by secret ballot today will choose three boys and three girls from the 18 candidates for cheerleaders to rally students behind the Raiders next fall. Run-off elections are set for Monday. —Staff Photo

Cheerleader Candidates

And Duties

Candidates for cheerleader are Carolyn Buxton, Linda Edie, Carol Fursman, Gay Gillespie, Jeannine Jones, Nelda McQuien, Camella Moore, Kathy Osthoff, Sandy Sample and Jami Steinhoff.

Other candidates are Myrna Stephenson, Lynn Wallace, Dennis Ashmore, Mike Bohn, Smiley Irvin, James Perry, John Ward and Bobby King.

Those persons elected will:

- Be responsible for all Texas Tech pep rallies
- Coordinate the generation of enthusiasm at all recognized college athletic events
- Be responsible for furnishing a representative to the Southwest Conference Sportsmanship Committee
- Encourage good sportsmanship on the campus
- Be responsible to the business manager for the management of their finances
- Elect, from their number, a

head cheerleader who shall be a male student and shall serve as their chairman.

PRICE IS RIGHT for SEC.

It Takes More Than Yelling To Be A Tech Cheerleader

Lots of people can yell and cheer with gusto when the Red Raiders go over for a touchdown. Quite a few can turn flips, inspire enthusiasm and attend all athletic events.

But there are a few special qualities, perhaps best classified under the term, gung-ho, that sets a good cheerleader apart from the football crowd.

Special qualities don't include regular cheerleader duties such as coordinating pep rallies and being on hand at ballgames.

One Tech cheerleader called it a year-round job. "A cheerleader must attend teas for visiting athletes, entertain visiting yell leaders and when away, attend all planned functions at other schools," she said.

High on her list on what makes a cheerleader really go is being able to perform yells well, en-

thusiasm, and devotion.

"A good cheerleader above all to develop sportsmanship and his enjoys cheerleading," she reflects. "He should at all times strive to develop sportsmanship and his own potential to its fullest."

Industrial Engineers Win First

Industrial engineering department took its fifth straight first place in the recent Science and Engineering Show.

Industrial engineering exhibits demonstrated techniques in production control, plant design, materials handling, work measurement, statistical quality control, product design, manufacturing analysis and organizations research.

Displays in the 31st SE annual show were judged on appeal to the public, explanation of department curriculum and presentation of exhibits.

The industrial engineering display received 3,705 points of a possible 4,000.

Bud Lanham was chairman of the department's exhibit. American Institute of Industrial Engineers and Alpha Pi Mu set up the displays.

READY TO STOMP—Judy Richards, junior, and Bob Fouts, senior, are all decked out for the Phi Mu western dance 8-11:30 p.m. today. Jimmy Heap's Band will play for the open dance at Vann's Catering Service. —Staff Photo

Delegations Plan Trips

Delegates from Tech's history department will scatter to state and regional history meetings in Austin and Albuquerque this weekend and next.

Four faculty members will represent Tech at the Texas State Historical Assn. meeting this weekend. The Austin meet begins today and continues through Saturday. Dr. David Vigness, department head; Dr. Ernest Wallace, professor; Billy Mac Jones, instructor and Richard Marcum, teaching assistant, will attend.

Tech's chapter of Phi Alpha Theta, history honorary, will send five representatives to a regional meeting in Albuquerque, N.M., Friday and Saturday, May 3-4.

Attending will be Dr. Paul Woods, history professor, and Lt. Col. George R. Hull, professor of air science.

Ronald Benson, teaching assistant, will present a paper on the Hay-Pauncefote treaty.

Nancy Vincent, Alpha Theta president, and Sarah Gaston, Austin junior, are Tech's student representatives.

Why Do You Read So Slowly?

A noted publisher in Chicago reports there is a simple technique of rapid reading which should enable you to double your reading speed and yet retain much more. Most people do not realize how much they could increase their pleasure, success and income by reading faster and more accurately.

According to this publisher, anyone, regardless of his present reading skill, can use this simple technique to improve his reading ability to a remarkable degree. Whether reading stories, books, technical matter, it becomes possible to read sentences at a glance and entire pages in seconds with this method.

To acquaint the readers of this newspaper with the easy-to-follow rules for developing rapid reading skill, the company has printed full details of its interesting self-training method in a new book, "Adventures in Reading Improvement" mailed free to anyone who requests it. No obligation. Simply send your request to: Reading, 835 Diversey Parkway, Dept 9894, Chicago 14, Illinois. A postcard will do.

Zsa Zsa Stars In Union Show

Mel Ferrer and Zsa Zsa Gabor star in "Lili," a technicolor movie, at 4 p.m. and 8 p.m. today and 2:30 p.m. Sunday in Tech Union Coronado Room. The Special Events Committee is sponsor.

Grads Discuss Negro Novelist

Grover Lewis and Nolan Porterfield, graduate English students, will lead the discussion at today's Noon Forum in the Tech Union Blue Room.

Discussion topic is contemporary Negro novelist, James Baldwin. Baldwin is author of "Another Country."

Purdue Prof Lectures On European Market

Competition from the European Common Market will force the U.S. to move rapidly if it is to hold onto its world markets or consider expanding them, according to Dr. James Greene, industrial engineer and visiting lecturer at Tech.

His ideas may carry some special weight since he has recently been a consultant to the European Production Agency, a division of the Common Market's organization.

"The U.S. must find ways to produce goods with more efficiency," he declared. "This presents a challenge to our industrial engineers."

Dr. Greene, a Purdue University professor, is spending three days, Monday through Wednesday, at Tech. He is conducting seminars in general industrial engineering research, production control and operations research.

Positions Open For L-V Staff

Applications are now being accepted for associate editor, copy editor and staff artist for next year's La Ventana.

Students interested in these positions should write a letter giving their qualifications, past experience on an annual or newspaper, why they want the job and any new ideas they may have for next year's La Ventana.

Past experience is not necessary, but preferable. Applications should be turned in to the La Ventana office or to either Johnnie Lu Raborn or Travis Peterson by May 1.

These are paid positions, and applicants should be willing to put in a great deal of time.

HONORARY MEETS

Psi Chi, psychology honorary, will meet at noon today in Tech Union, Elmer's Lounge. The group will initiate members and present a slate of officers. Those attending must sign up in the psychology office, X-31.

SURROUNDED—Carol McCormick, Ennis sophomore, was surrounded by cadets from England's Royal Air Force after their captain said, "If I were you blokes, I wouldn't let these ladies sit alone."

As I see it . . .

by johnnie lu raborn

"You think we speak the same language, but we don't," said one cadet from Cranwell, the Royal Air Force Academy in England. I had to agree with him.

Tech's Angel Flight was visiting the Air Force Academy in Colorado Springs. Some were dated with English cadets, who were also visiting. It was a real education.

For years, I've heard the English stereotype came out with "jolly good," "old chap" and "ra-ther." They are all true with the addition of an occasional "quite" and "Oh, my yes."

In England, you are not "out to lunch" but "around the corner." When we have a lousy date he is called "cull" or "bad head," but Cranwell calls them "grimmies."

'MAKING OUT'

It is a mystery how they got it but "cupeake" is said for "making out." Tennis shoes are called "blimp shoes," and a resounding "dash it" means darn or damn.

We Americans take much for granted. These cadets had never seen a drive-in movie or drive-in restaurant. Motels were also new, for they don't exist in England. Some of the guys got their first taste of pizza, Mexican food and pretzels. They didn't like it.

'STATUS SYMBOL'

It is a status at our Air Force Academy for the "firsties" or seniors to have Sting Ray Corvettes. That vast parking lot is full of them. I didn't see five cars under two years of age. The Cranwell "chaps" find it "marvelous" to get to ride bicycles when seniors. They do have cars, but generally these are somewhere in the 30's models. A car 10 years old is relatively new.

I did notice one thing about the cadets as a group. They abounded with national pride. One said, "There will always be an England." To which some of the U.S. cadets sort of laughed. A Cranwell "troop" recounted with a "Don't scoff at it, national pride is a wonderful thing." Their pride was so emphasized that it made me wonder if we "came over" the same way about our country.

On Saturday night, a formal ball was given for our flight, Cranwell and first classmen (seniors) at the academy.

The British boys taught us one way to live up a rather stiff dance. During one of the songs, one Cranwell "troop" yelled "Ants." The cadets immediately fell down on the floor, rolled over on their backs and kicked their feet and arms into the air. At the sound "dead ants," the legs and arms went stiff. Rather quaint, I'd say, but still effective enough to break everyone up.

GHOUL POOL

The Angels with U.S. Academy dates were wondering that night if they were included in the "ghoul pool." It goes like this. The academy hosts arrangements for blind dates for the formals. Cadets within each squadron enter a "pool" for 25 cents. At the dance, squadron officers act as judges and dance with the dates of each cadet entered in the pool. Afterwards, these officers decide which had the worst date and he wins the money. If we did it here, I would be rich.

AS I SEE IT

Sigma Kappa will choose a "Mr. Pledge" at 8 p.m. today in the National Guard Armory. Mr. Pledge will be chosen from fraternity pledges. The Caravans will play for the all-school dance.

Phi Mu will have a western stomp, 8-11:30 p.m. at Vann's Catering Service. The open dance will feature Jimmy Heap's band. Tech Union also is having a western dance from 8-11:30 p.m. in the Ballroom. Jimmy Mackey is playing.

KAPPA KAPPA GAMMA

An informal "German Beer Garden" will be the setting for the Kappa Kappa Gamma dinner dance at 6:30-11:30 p.m. today.

Delta Sigma Pi will have its Rose Dance from 7:30-12 p.m. Saturday at the Pioneer Hotel.

Newman Club will go on a picnic Sunday to Palo Duro Canyon.

Red-White Skirmish Ends Spring Training

Scarborough, Ben Elledge Opposing QBs

By ARTIE SHAW
Toreador Sports Editor

A pair of shining freshman quarterback prospects will be opposing each other at 4 p.m. in Saturday's final spring training scrimmage.

Featured will be Danny Scarborough of Quanah and Ben Elledge of Brownwood.

The annual contest is the rubber game of the series, as the Reds jumped to a quick two-game advantage, only to have it taken away from them in the last two outings by the underdog Whites.

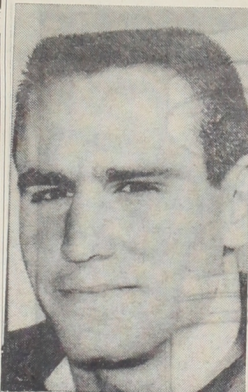

Two upperclassmen quarterbacks, Bill Worley of Midland and James Ellis of Lubbock, underwent knee surgery in December and will probably not see action, although they will be suited.

Statisticians Overworked

With both the Reds and the Whites threatening to "loosen-up" their previously tight offenses, the stress could be worse on the statisticians than on any one else.

Last week the Reds gathered 364 yards of total offense in a losing cause, while the Whites haled and threw for 277 in their 20-12 victory.

Long gainers have been the word of the day thus far, and any

BILL WORLEY

. . . Will not see action

more would be just icing for the cake.

Jim Zanios, Albuquerque fullback, for example, took a handoff from Red quarterback Ben Elledge and raced 52 yards off tackle in a spectacular gainer.

Elledge connected on two long passes, one to all-Southwest Conference end, David Parks, for 44 yards and another to Stimmert halfback, Donny Anderson, for 41 yards.

For the rubber game, each having won two contests, lineups will be exactly the same as last week. There may be a trade at halfback between David Baugh of Rotan, a Red last week and Jimmy Edwards of Roysie City, who played for the White squad last week.

Admission is \$1 for adults, 50 cents for students and Tech students will be admitted by showing their identification cards.

Traffic and Security

The staff is comprised of a chief, 10 commissioned officers, one night sergeant, two radio operators, one secretary, one clerk and two part-time employees. There are three radio-controlled patrol cars. In October, 1962, there were 6,240 cars registered to park on campus.

Tech Linksmen Meet UT At Meadowbrook

Texas Tech, in an effort to get back into the Southwest Conference golf race, engages the University of Texas here on Lubbock's Meadowbrook golf course today.

Tee-off time at Meadowbrook is 12:30 p.m.

Coach Jay McClure's linksmen, 4½-1½ losers to Texas Christian University here Monday, will also be motivated by a desire for revenge. Texas sports five lettermen from the squad that downed the Red Raiders 5-1 in Austin last year.

Texas Tech currently has a 14½-9½ standard. The Raiders lost to Texas A&M, knocked off Rice 6-0 and defeated Baylor 5-1 before dropping the match to TCU.

Texas' players will probably be Bill Munn of Midland, Randy Geiselman of Houston, Oscar Goode of Austin and Pat Thompson of Mission.

Texas Tech golfers for the match will probably be Bruce Dobie of Worcester, Mass., Richard Yates of Corpus Christi, Housty Brewer of Andrews and Jim Davidson of San Angelo.

Yates is Texas amateur champ, and lost his first-SWC match of the year to Jack Montgomery of TCU last week.

Tech Netters Challenge Rice, Texas In Important Matches

Texas Tech tennis players, in their next two matches, have a chance to influence the outcome of the Southwest Conference championship campaign.

In successive matches—against Rice University here Saturday and against University of Texas in Austin Monday—the Red Raiders tackle the teams currently sharing the lead.

Coach George Philbrick's netters, besides playing the role of potential spoilers will be out to guarantee or better their own third place position. Tech is 14-4 following wins over Baylor University 5-1 and Texas Christian University 6-0 and a split with Southern Methodist University 3-3.

Raiders' netters will be Daryl Allison of Lubbock, Greer Kothmann of Junction, Beau Sutherland of Kerville and Robert Peterson of Wichita Falls.

Rice University is led by the 1962 Southwest Conference finalist in both singles and doubles, Fritz Schunck. The Owls, coached by Sammy Giamalva, are defending Southwest Conference team champions.

Last year Rice downed Tech 6-0, and the Longhorns battled the Raiders to a 3-3 draw.

A re-match of last year's SWC finals doubles match, won by Allison and Sutherland over Schunck and DeEdward Greer, has been virtually ruled out by re-pairings on both teams.

Matches, on the Varsity Courts, will start at 1:30 p.m. The public is invited free of charge, Coach Philbrick pointed out.

GEORGE PHILBRICK

Pics Down AFB, 20-12

Texas Tech's Picadors picked up their eighth win of the season Wednesday as they ran away from Reese Air Force Base, 20-12.

The game, which took three hours and twenty minutes to play, was called at the top of the ninth inning due to darkness. Tech slammed out 17 hits, as converted basketballer Dadid Schmidly picked up his first mound victory of the season. Schmidly pitched the first four innings and left the game with a 15-5 lead. In his four innings stint, Schmidly allowed only four hits, while striking out six and walking three.

The Picadors were led at the plate by second-baseman Buzz Henderson, who collected four hits out of five at bats. Jim Murrell and Ronnie Holly drove in the most runs with five RBI's apiece.

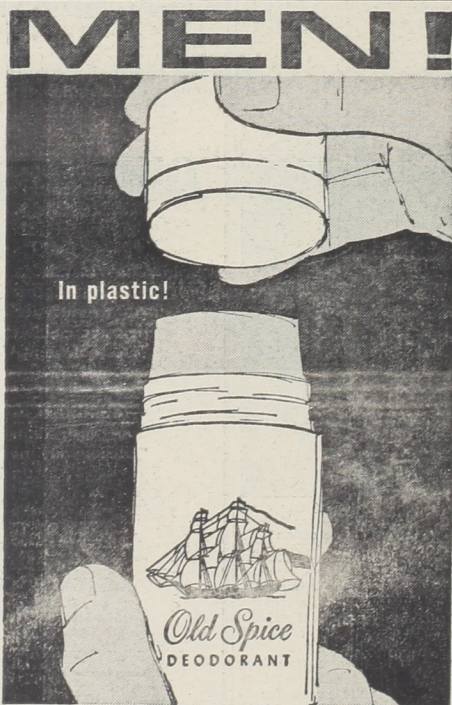

"FLORA-SCENT" makes The Perfect MOTHER'S DAY Gift

Raiders Visit Highlands Nine

Two improved baseball teams—Texas Tech and Highlands University—clash in a doubleheader at Las Vegas today.

Since Texas Tech posted a pair of wins, 5-2 and 3-0, here earlier this month, the Cowboys have won six straight and now are 10-10 for the season.

The Red Raiders have a three-game streak, and five of the six, going for them. Their only loss came at the hands of the Abilene Christian College nine. Other wins are the twin-killing of Highlands and a double victory over ENMU.

★ Sports Shorts ★

If a sports fan wants to stay busy here this weekend, he won't have much difficulty.

Touching off the crowded schedule was an NRA Rodeo, which begins at 8 p.m. Thursday. Other night sessions are carded for tonight and Saturday night. One is also slated for 2 p.m. Saturday afternoon.

★ ★ ★

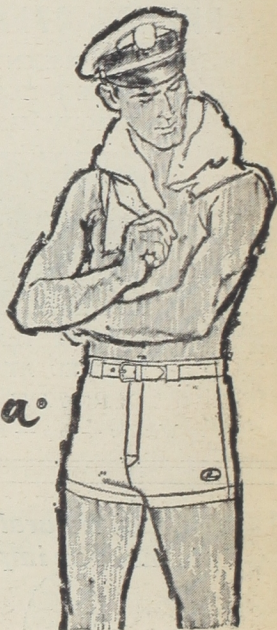

A football clinic gets underway at 2 p.m. today and continues through Saturday. It is being hosted in conjunction with the annual Red-White scrimmage and will include a barbecue tonight and sessions Saturday morning. Head Coach J T King and his staff are holding this clinic for high school coaches.

★ ★ ★

Starting at 1 p.m. Saturday will be finals in the Red Raider Relays, open to state track and field meet qualifiers. The strongest events prior to the start of the Relays appear to be the 100-yard dash, pole vault and high jump.

POOLSIDE SURFSIDE TOPSIDE

MALIBU — a square rig latex trunk of acetate, cotton and rubber — the Tailored Look in Lastex. Good taste in styling and a wide selection of fashion right colors.
