## Science Show Set

### Missile Displays Highlight Event

A Thor-Able missile will be set on the launching pad at Tech this weekend as the annual Science and Engineering Show opens.

The 92-foot missile will be exhibited Friday and Saturday in the Science Quadrangle. The missile is the same type used to launch Discoverer satellites. The eight-foot-diameter missile will be shown courtesy of Congressman George Mahon and the Air Force ROTC.

Techsians also can view a replica of Telstar, the Bell Telephone system's communications satellite, in the East Engineering Bldg. foyer.

Besides these two exhibits each participating department will present exhibits demonstrating the work done in that department and showing the newest equipment and techniques.

Departments participating will be: agricultural engineering with a display in the West Engineering Bldg.; architecture, and Computer Bldg.; chemical engineering, Chemical Engineering Bldg.; chemistry, Chemistry Bldg.; civil engineering, East Engineering Bldg.

Other displays include: electrical engineering, West Engineering Bldg.; geology, Science Bldg.; industrial engineering, Textile Engineering Bldg.; mechanical engineering, Mechanical Engineering Bldg.; military science, Science Quadrangle; petroleum engineering, Petroleum Engineering Bldg.; textile engineering, Textile Engineering Bldg.; and physics, Science Bldg.

There is no admission charge.

GET THE MESSAGE?—This satellite relays through space the message of Tech's annual Science and Engineering Show Friday and Saturday. Some of the latest developments in science will be displayed.

# Rally Tops SC Races

Vigorous campaigning via speeches, posters and a rally will precede Friday's election of Student Council officers and cheerleaders.

Today candidates will campaign in the men's dorms with speeches from 6:30-8:05 p.m.

"The elections are proving to be very interesting; there has been a lot of competition already," said Jerry Parsons, vice president of the Student Council.

### Campaign In Classes

Some candidates have spoken to government classes, with students using part of the class period to question them about their platforms. Candidates also are campaigning at Greek and other campus organizational meetings.

Candidates for the two top executive offices will debate at noon Thursday in the Union.

Parsons also said, "We feel that Thursday's election rally is an opportune time for students to go and see their candidate in action and see if they want this person to be their leader." The rally will start at 4 p.m. on the Municipal Auditorium parking lot with such activities as skits, booths and combos.

### Nominating Speeches

At 7 p.m. the rally moves into the auditorium for nominating speeches.

After Thursday's rally candidates for representatives may put up posters. Representatives will be elected Wednesday, April 24.

Voting for Student Council officers and cheerleaders will be in the Ad Bldg., C&O Bldg., the Union and the Engineering Bldg. Friday. ID cards are necessary to vote.

## Election Platforms Due

Candidates for Student Council executive and cheerleader positions must turn in their platforms to THE DAILY TOREADOR by 3 p.m. today. The information will be used in Friday's special election issue.

Each candidate also should turn in a billfold size photograph. TOREADOR offices are in the Journalism Bldg., rooms 206, 102.

## Tech Hosts ASAE Meeting This Week

Tech will host the annual meeting of the Southwest Section of the American Society of Agricultural Engineers (ASAE) today through Friday in the Union.

Theme of the event will be "Engineering Changes Agriculture."

### Registration Today

Registration will be from 3-9 p.m. today in the Pioneer Hotel lobby. Thursday's registration will be from 8 a.m. to noon in the Union.

The meeting will begin at 8 p.m. today with informal interest group discussion led by Billy Bryan, professor of agriculture engineering at the University of Arkansas.

### Technical Sessions

Two technical sessions Thursday morning will spotlight soil and water utilization and conservation, and new equipment and methods for agriculture production.

Leadership discussions Thursday afternoon will feature talks by A. W. Farrall, national ASAE president, and J. L. Butt, national ASAE executive secretary.

### Irvin To Speak

Robert C. Irvin, sales manager for Ford tractor division,

will speak at the annual banquet at 6:30 p.m. Thursday.

Following the technical session Friday morning, a bus tour will be made of Lubbock agriculture installations.

A. W. FARRALL

**SOMETHING BUGGING YOU?**—Don't be surprised if you start seeing little men like this one floating around before your eyes. The pressure of term projects and finals is beginning to take effect on several Tech students.

## Tech Group To Organize For Course

A student seminar is being organized for the rest of this semester as a springboard for an honors seminar to be initiated next fall.

Louis Irwin, chairman of the organizational committee for the seminar, said that honors students interested in participation should submit their names and proposed topics of discussion to him or Kay Irwin either personally or at their home at 2405 10th St.

The spring seminar will plan details for next year's student seminar course and determine procedures of individual presentation and group discussion for such a course.

Each participant in the spring seminar will present a paper he has done for another course for group criticism and discussion.

Sessions for the spring seminar are tentatively scheduled for two- or three-hour periods weekly on Sunday nights.

Although no credit will be given for the spring seminar, participants will be given preference in future programs, Irwin said.

He explained that the "Man and the World" lecture series provided the impetus for these seminars. Spokesmen for the series feel that a natural sequel is a student seminar to give students a chance to develop thoughts into papers for presentation and criticism.

### Scabbard & Blade

Newly elected officers of Scabbard and Blade, national honorary military society, are Russell Denison, Lubbock, captain; Richard Linnartz, Lake Jackson, first lieutenant; Terry Forbes, Houston, second lieutenant; Thomas Cox, Amarillo, first sergeant; and O. K. Jones III, Stamford, reporter.

# Exam Schedule

## EXAMINATION SCHEDULE FOR THE SPRING SEMESTER, 1963

Time of Examinations—For Classes Meeting On:

**Tuesday, May 21**

8:00—10:30—10 TTS

11:00—1:30—2 MWF

2:00—4:30—ALL sections of **BIOLOGY 141 and 142**. Room numbers will be announced in respective classes.

**Wednesday, May 22**

8:00—10:30—8 TTS

11:00—1:30—3 MWF

2:00—4:30—ALL sections of **FRENCH 141-142, GERMAN 141-142, LATIN 131-132, and SPANISH 141-142**. Room numbers will be announced in respective classes.

**Thursday, May 23**

8:00—10:30—11 MWF

11:00—1:30—4:30 TT and ALL **MILITARY SCIENCE CLASSES**. 2:00—4:30—ALL sections of **CHEMISTRY 141-142**. Room numbers will be announced in respective classes.

**Friday, May 24**

8:00—10:30—11 TTS

11:00—1:30—2:30-4 TT

2:00—4:30—10 MWF

**Saturday, May 25**

8:00—10:30—9 TTS

11:00—1:30—4 MWF and **Saturday Classes ONLY**.

2:00—4:30—9 MWF

**Monday, May 27**

8:00—10:30—8 MWF

11:00—1:30—1 MWF

2:00—4:30—ALL sections of **ENGLISH 131, PHYSICS 143 and 236, and ACCOUNTING 234 and 235**. Room numbers will be announced in respective classes.

**Tuesday, May 28**

8:00—10:30—1-2:30 TT

11:00—1:30—ALL sections of **PSYCHOLOGY 130 and 230**. Room numbers will be announced in respective classes.

Examination time for classes meeting for more than one hour (as 1-2:30) will be determined by using the first hour of the class period to find the corresponding examination period for that class meeting.

Requested changes in the schedule for individual students will be considered by the Dean of the School in which the student is registered.

## EXAMINATION SCHEDULE FOR EVENING COURSES

**Tuesday, May 21**

6:30—9:00 PM—Classes meeting 6:30-8:00 PM, TT, and Tuesday only.

**Wednesday, May 22**

6:30—9:00 PM—Classes meeting 6:30-8:00 PM, MW, and Wednesday only.

**Thursday, May 23**

6:30—9:00 PM—Classes meeting 8:00-9:30 PM, TT, and Thursday only.

**Friday, May 24**

6:30—9:00 PM—Classes meeting 8:00-9:30 PM, MW, and Monday only. Also Classes meeting Friday 6:30-8:00 PM.

# Lubbock C C Sends Student To Spain

The Lubbock Chamber of Commerce, in cooperation with a program known as Experiment in International Living, is sponsoring a 1963 Community Ambassador to be sent to Spain.

The Community Ambassador Committee, headed by David Heste, has the purpose of improving international relations among the youth of today.

Murrell Foster, director of public relations for the Lubbock

— Bulletin —

**Gay Nelle Haight, Lubbock sophomore, was named Lubbock's Community Ambassador to Spain. She was selected by the local Chamber of Commerce Tuesday night.**

Chamber of Commerce, said, "The program will improve international relations and also acquaint others with living in other countries."

Finalists for the ambassadorship are William C. Dennis, freshman; Jerry Gibson, junior; Gay Nelle Haight, sophomore; and Mary Lynn McElroy, sophomore.

The ambassador will have a six week all expense paid trip to

Spain. The ambassadors from various cities will spend one week in June at Miami, Florida, in a briefing program before leaving for Spain.

Three weeks will be spent living with a typical Spanish family, while the last three weeks will be spent touring all of Spain. The tour will be taken with 10 or 15 other college students from various parts of the country.

The Lubbock ambassador will agree to spend a period of six months speaking three times a week to various social groups in Lubbock about his experiences in Spain.

## Union Displays Wall Hangings

Texas Tech's art and design committee is sponsoring an exhibit of contemporary wall hangings on the Sun Porch of the Student Union Bldg.

The display, from the Bertha Schaefer Gallery in New York, includes 18 pieces of weaving, needlework, Gobelin tapestry or applique and stitching created by artists prominent in the field of stitchery and weaving.

The list of artists whose work appears in the exhibit includes Mariska Karasz, David Van Dommelen, Alice Adams and Maria Bilger.

## Tech Editor Accepts Post

Charles Richards, DAILY TOREADOR editor, has accepted the editorship of the Curry County Times in Clovis, N.M. His appointment to the weekly newspaper post is effective the first week in June.

Richards

Richards a Jayton senior, has been on the TOREADOR staff since his freshman year. During his sophomore and junior years he was sports editor.

Richards was managing editor during the past fall semester and in January became editor.

His father edits the Jayton Chronicle, and his grandfather was a former editor.

### RED RIVER PROJECT

SHREVEPORT, La. (CP) — Sen. Russell B. Long, D-La., said Tuesday he hopes to see the Senate pass a bill by 1965 to authorize a navigation project on the Red River.

Long spoke at the conclusion of the 38th annual conference of the Red River Valley Association, composed of delegates from Louisiana, Arkansas, Texas and Oklahoma.

## Speech Department Plans Theater Trip

The speech department has announced plans for an American theater tour Aug. 3-22 throughout the western portion of the United States.

Providing three semester hours of extension credit only, the tour will be limited to 25 students who take the course for credit as Speech 3312.

The summer's itinerary includes visits to outstanding theatrical centers and attendance at a wide variety of professional and non-professional performances.

Travel will be by chartered, air-conditioned bus, with en route discussions of current plays and developments in American theater.

Ten persons will be accepted for additional enrollment, over the 25 limit for those taking the course for extension credit, making a total of 35 persons who may sign up for the course.

A standard rate of \$250 will be charged, which includes tuition, transportation, hotel rooms and tickets to all scheduled performances.

A deluxe rate of \$375 includes a private room, tuition, transportation and theater tickets, including main floor seats in all theaters.

Persons wishing to take the course, for credit or non-credit, may contact the speech department, and make an initial deposit of \$50. The remainder of the fee must be paid at the time the second summer session, July 17. The deposit is refundable if notice of cancellation is received by July 1.

Cities on the tour include Santa Fe, N.M.; Phoenix or Tucson, Ariz.; San Diego and San Francisco, Calif.; Ashland and Portland, Ore.; Seattle and Spokane, Wash.; Virginia City, Mont.; Salt Lake City, Utah; and Denver, Central City and Boulder, Colo.

## Fraternity Sponsors Spring Sing

The old-fashioned sing-song is returning to Tech. The sing-song, sponsored by Phi Mu Alpha, is 7:30 p.m. Friday in the Municipal Auditorium.

Participating in the annual event are 11 sororities and six fraternities.

The sororities and their songs are: Chi Omega: "The Wonderous Word," "Chi O Chi O"; "Sigma Kappa: "They Call The Wind Maria," "Down at the Rainbow's End," Kappa Kappa Gamma: "Three Brahms Folk Songs," "I Walk Thru a Forest," Alpha Phi: "Alpha Phi Chant," "Medley-April Showers," "Singing in the Rain," "Pennies from Heaven," Alpha Chi Omega: "Old Man River," "Sing and Jada," Delta Gamma: "Coming Thru the Rye," "DG Aloha," Pi Beta Phi: "Western Medley," "Remember," Delta Delta Delta: "Tri Delta Moon," "Moonlight Medley."

Also Phi Mu: "You'll Never Walk Alone," "Mutual Admiration Society," Zeta Tau Alpha: "Good Old Mountain Dew," "I Hear the Call of Zeta," and Gamma Phi Beta: "To Us Salvation Now Is Come," "Eve."

The fraternities and their songs are: Alpha Tau Omega: "South Pacific Medley," "For God and Our Fraternity," Sigma Chi: "Then Here's To Our Fraternity," "Politics and Poker," Kappa Alpha: "Dixie," "Aura Lee," Phi Gamma Delta: "Two Silhouettes," "Whiffenpoof Song," Phi Kappa Psi: "Noble Fraternity," "Mary Had a Baby," Sigma Alpha Epsilon: "SAE Medley," and "Stout-Hearted Men."

## SC Candidates Stage Debate

"What's Wrong With Texas Tech" will be the debate topic when candidates for Student Council executive offices meet Thursday noon in Tech Union, room 205.

Gary Strickland and Royal Ferguson, presidential hopefuls, will meet each other in the first round. After talks from the two vice presidential candidates, James Cole and Doug Gibbins, questions from the audience will be entertained.

Meal tickets, priced at 51 cents, may be obtained at the Union news stand before 10 a.m. Thursday. No ticket to the debate necessary unless the student plans to eat.

# Dr. Bennett Named Associate Ag Dean

# NASA Awards Grant

Dr. J. Wayland Bennett will succeed Dr. George Elle as associate dean of agriculture at Texas Tech in September.

Dr. Bennett came to Tech in 1948 as an assistant professor. From 1950-1953 he served as a research assistant at Louisiana State University and then returned to Tech as assistant professor.

Dr. Bennett now heads the agricultural economics department. He has a bachelor of science degree from Tech and master of science and doctor of philosophy degrees from LSU.

Dr. Bennett is a member of Alpha Zeta, agricultural honorary; Phi Kappa Phi, national scholastic honorary; and Kappa Sigma, social fraternity.

"We are very pleased with the appointment of Dr. Bennett," Dr. Gerald Thomas, agriculture dean, said. "He has exhibited outstanding leadership in agricultural education and research."

Dr. Bennett has conducted market surveys of Egypt and the West African nations of Sierra Leone,

Liberia and Nigeria in work done through the U.S. Feed Grains Council.

J. W. BENNETT

Texas Tech's Board of Directors has accepted a grant of \$101,600 from the National Aeronautics and Space Administration to be awarded to six pre-doctoral students studying space oriented subjects.

Selection of the six students will be based on undergraduate records, scores on an aptitude test and faculty recommendations. Appointees must also qualify for doctoral studies in chemistry, geoscience or psychology.

Each basic stipend is \$2,400 a year, with up to \$1,000 additional allowance for dependents.

Purpose of the grant is to help meet future needs for highly trained scientists and engineers in the national space program.

Tech is one of 88 colleges and universities in the nation and one of the five in Texas to receive the three-year grant.

### DORM LEGISLATORS

Deadline for applications for legislators of the new dorm has been extended to Friday. Applications should be turned in to Box 341, Doak Hall.

## News Briefs

# Car Accident Injures Coed Near Snyder

Claudia Collins, junior from Sterling City, suffered minor injuries Monday in a car accident near Snyder. Miss Collins received emergency treatment at the Snyder hospital and was released.

the annual meeting of the Southwestern Sociological Society in San Antonio. Dr. Mylvia Minnis and Walter Cartwright presented research papers.

Dr. Warren Youcum and Mrs. James C. Allen of the Tech faculty will be given emeritus ranks upon their retirements at the end of the current semester.

Tech will hold its annual summer music camp for high school, junior high and elementary students beginning June 10.

Tech speech department will conduct a high school speech workshop starting July 21.

All persons interested in applying for BSO chairmanships must have applications in to Dean Allen's office by 5 p.m. Friday. Applicants must be current delegates to BSO.

Tech Village Apartments officials announced Tuesday that applicants who have been notified of available housing in Building A must notify the rental office of acceptance within 10 days because of a long waiting list.

The deadline in the Tech Union sponsored campus art contest has been extended to noon Friday. The art work should be turned in to the Union Program Office.

Paul Duggan, senior electrical engineering student, is attending Southwestern Institute of Radio Engineers Conference and Electronics Show in Dallas. Duggan will also represent Tech in the S.W.I.R.E.E.O. Student Paper Contest. His paper is "Some Properties of the Chebyshev Polynomial."

Walter Lee, senior E.E. student, is representing Tech at the Southeast District American Institute of Electrical Engineers Student Paper Contest. His paper is "Use of Transistors in Ignition Systems."

Five members of Tech's sociology department participated in

Now a clean-filling, smooth-writing, money-saving Parker cartridge pen... only \$3<sup>95</sup>  
New PARKER ARROW

This pen can save you important money on cartridges. Ours are BIGGER and last longer (each is good for 8 or 9 thousand words). But, even if you didn't save a dime, this pen would be worth the extra price. It's a Parker.

And only Parker gives you a solid 14K gold point tipped with platinum—one of the hardest, smoothest alloys ever developed. It should last you for years no matter how much you use it.

The pen won't leak the way the cheap ones do. It has a built-in safety reservoir, and it must meet most of the tough specifications we set for our

\$10 pens.

**☞ If you have trouble saying it, say it with a Parker.** If you're a little shy and have difficulty saying "I love you" or even "I like you very much"—say it with a Parker.

The new Parker Arrow makes a beautifully expensive gift and looks as if you paid a small fortune for it.

The new Parker Arrow comes in black, dark blue, light blue, light gray, and bright red, with a choice of four instantly replaceable solid 14K gold points. Gift-boxed with five free cartridges.

# Tech Coeds Vie For Rodeo Queen

WHOA, JAKE!—Horse Jake gives cowboy Jerry Don Smith a rough ride. Smith will be seen riding at the Tech Rodeo this week.

By ELAINE CRAWLEY  
Toreador Staff Writer

Eight coeds will begin competing today for Tech's Rodeo Queen in a riding contest at the Lubbock Arena.

The entries are Carol Ann Norman, Pi Beta Phi; Diane Gillard, Newman Club; Sharon Nugent, Delta Delta Delta; Suzanne Dudley, Delta Gamma; Sherry Beadle, Block and Bridle and Rodeo Association; Florene Gulley, Alpha Chi Omega; Sallie Ilseng, Sigma Kappa; Peggy Pedigo, Sigma Kappa; and Rebecca Ramsey, Chi Omega.

The judging will include competition in a riding pattern of walking, trotting and roping. The beauty contest will be Thursday in the Union Ballroom. The entries will wear western clothes and will be judged on a point system.

The six finalists chosen from the two contests will compete in a penny-a-vote contest Monday through Thursday. Boxes will be placed in the Union.

The votes will be counted at 5 p.m. April 25 and the queen will be announced in the grand entry of the rodeo April 25-27.

The rodeo activities will begin with a parade at 4 p.m., April 25. Area riding clubs and bands will

appear in the parade. First, second and third place trophies will be given to the best entries in these two fields. Rex Allen, screen, radio and recording star, will ride in the parade and will appear at the rodeo.

Entry blanks for contestants in the rodeo are due Friday. Blanks may be obtained at a table in the Union today and returned to the rodeo office in X6. Tech students are eligible to enter.

The entries and fees are bare back riding, \$15; calf roping, \$20; ribbon roping, \$20; saddle bronc riding, \$15; girls barrel race, \$15; girls goat tying, \$10; bull riding, \$15; and steer wrestling, \$20.

Teams have entered from West Texas State University, Lubbock Christian College, Sul Ross College, Eastern New Mexico University, Hardin - Simmons University, Abilene Christian College and New Mexico Western University.

Entries for fraternity wild mare race and the sorority calf dressing contest are due at 5 p.m. Tuesday at X6.

## BIDAULT IN BRAZIL

RIO DE JANEIRO, Brazil (P)—Ex-Premier George Bidault of France flew to the interior city of Belo Horizonte today. He will live there during his semi-exile in Brazil.

Tickets for the rodeo are on sale at the Furr's Supermarkets, Cowboy Corral, Bill Price Western Wear, and Opal's Western Wear.

Admission prices are 75 cents for children, \$1 for Tech students, \$2.25 for reserved tickets and \$1.75 for general admission.

## College Man

This photo was taken 20 years ago. But it seems like only yesterday to his proud parents, who'll watch their "baby" graduate from college this year.

Life is growth. You get married. Have a child. Buy a home. More children come. Your circle of responsibility grows with the years.

But has your life insurance program grown to cover these expanding needs? Will it provide

funds to raise and educate your children, pay off the mortgage, take care of your retirement?

If your old insurance can't meet your new requirements, now's the time to do something about it. Now's the time to call The Man from Equitable. He'll help you plan a Living Insurance program designed to cover your circle of responsibility as it exists today. So call him today—at The Equitable Life Assurance Society of The United States.

# Tech Splits Baseball Tilts With Wildcats

By JIM WESTBROOK  
Toreador Staff Writer  
Home runs were the order of the day as Texas Tech gained a double-header split with the Abilene Christian Wildcats Tuesday at Hodges Field.

A total of 12 home runs were knocked out of the park as ACC took the opener 7-6, and Tech the nightcap 7-4.  
ACC clubbed five round-trippers in the opener as it scored six of its seven runs in the third inning.

The Wildcats jumped on Tech starter Kippy Williams for six runs and seven hits in three innings.  
Walter Billings and Norman Scott hit back to back homers to lead off the third, this was followed by a walk and two more home runs by Robert Kennedy and Roger Youngblood for ACC.

Tech picked up two runs in the second frame, on a double by Ronnie Ayers, a fielder's choice and an error by the shortstop. Then in the fourth inning the Raiders scored three more on a walk to Robert Fielder, a hit batsman, another walk and a double by pitcher Ramsey Brandon, who had taken over for Williams in the third.

Tech scored its final run in the fourth on a homer by catcher Doug Cannon. ACC won the game in the top of the seventh when Kennedy hit his second home run of the day. Sam Carpenter who gave up only three hits got the win for ACC, while Williams was charged with the loss.

# Intramural Corner

By JIM WESTBROOK  
Toreador Sports Writer

Edsel Buchanan, Intramural Program Director for Men, announced that competition in wrestling and weightlifting will start today and Thursday, respectively.

Wrestling competition will be in the Intramural Gym starting with lower weight classes and progressing upward to the heavier weight divisions. Two wrestlers will qualify for the finals which will be in the Lubbock Municipal Coliseum during the Noche de Conquistadores.

Weightlifting competition will be under the Olympic weightlifting rules and will qualify two men in each class for the finals. The finals will be the same night as the wrestling competition.

Pi Kappa Alpha beat Kappa Sigma April 9 for championship of the Fraternity Volleyball "B" League. In route to the championship, Pi Kappa beat Sigma Alpha Epsilon, Sigma Chi's and Kappa Sig's.

In the Fraternity Volleyball "A" League, Delta Tau Delta plays Phi Delta Theta for the championship April 10 in the Intramural Gym.

The Chicks won the Independent Volleyball League and Bledsoe won the Dormitory Volleyball League. The Chicks beat Phi Epsilon Kappa number two team, and Bledsoe rolled past Gordon Hall for their respective championships. The All-College Championship in volleyball will be played the night of Noche de Conquistadores.

There is a three-way tie in the Fraternity Bowling League. Tied with identical 23-9 records are: Pi Kappa Alpha "A", Sigma Nu "B" and the Chinese Bandits.

They are followed in the standings by Sigma Alpha Epsilon "A" 21-11, Phi Kappa Psi "A" 19-13, Phi Delta Theta "A" 15-13, Sigma Alpha Epsilon "B" 13-19, Sigma Nu "A" 12-20, Phi Kappa Alpha "B" 12-20, Sigma Chi "A" 11-21, Delta Tau Delta "B" 8½-23½ and Delta Tau Delta "A" 7½-20½.

In the dormitory bowling league the Bandits are holding on to first place with a 24½-7½ record. Thompson Hall "A" and Gordon Hall "A" are tied for second place with 24-8 records followed by Carpenter "A" 21-11 fourth, Bledsoe "A" 16-16, fifth Gaston "A" 15-17, sixth, Thompson "B" 13-19, Carpenter "B" 11-21, Bledsoe "B" 7-25 and Gaston "B" 5-27 last place.

Softball scores from Fraternity League play April 7: Phi Deltas 12, Kappa Sig's 2; ATO 6 Pikes 3; SAE 7, Fijis 6; Phi Psi 9, Kappa Alpha 5; Sigma Nu bye.

In the dormitory softball league action April 9, Gaston beat Gordon, 9-12; Thompson toppled Bledsoe, 4-0, as Wess Johnston tossed a no-hitter for the winner; and Sneed edged Carpenter 9-7. The standing in the Dormitory League is as follows: Gaston 3-0, Carpenter 2-1, Sneed and Thompson 1-1, Gordon 1-2, and Bledsoe 0-3.

Tuesday, after the DAILY TOREADOR had gone to press six teams in the dormitory league squared off. Thompson played Gaston; Sneed met Gordon and Carpenter tried Bledsoe.

The Rebels and the Phi Epsilon Kappa are in a first place tie within the Independent Softball League with identical 2-0 records. The rest of the league shapes up as follows: Crusaders, Air Force ROTC and BSU are in a three-way tie for third with 1-1, and tied for sixth are Newman Club and the Rodeo Association with 0-2.

Results of the slow pitch league April 9 found the Mets taking AFROTC 6-5; Gaston 10 Bledsoe 1; Deltas 6, Pikes 5 and Delta Sigma Pi 13, Fijis 6.

### TECH HAS HAD SIX COACHES

Texas Tech has had six head football coaches since the school opened in 1925. E. Y. Freeland was Tech's first football coach, serving from 1925 through 1928. Grady Higgenbotham took over during the 1929 season and was followed by Pete Cavthon, 1930-40. Dell Morgan became coach in 1941 and was succeeded by DeWitt Weaver in 1951. Next season will mark J. T. King's third year as head coach.

# SPORTS X-RAY

by Ray Finfer

Tech will have a really busy weekend coming up, sports-wise. Hundreds of high school athletes will swarm the campus for their Region One Interscholastic League Meet. Participants in conferences B, A and AA in tennis, golf, track and volleyball will show their wares.

Texas Tech's athletic teams, who spent most of the holidays working will continue their blistering schedules.

Coach Berl Huffman's baseballers will entertain Eastern New Mexico at 1 p.m. at Lowery Field in a doubleheader.

The tennis team will be on the road, playing Southern Methodist in Dallas Friday and TCU in Fort Worth Saturday in Southwest Conference matches.

The Tech tracksters home from a successful tour of Mexico tracks will head north this time to Lawrence, Kansas, for the Kansas Relays Friday and Saturday.

Looking a little further ahead, the final spring training game will be at 4 p.m. April 27. In conjunction will be the football coaching clinic conducted by J T King and his staff for area high school coaches.

The same weekend—April 27—will be the Red Raider Relays, one of the state's finest high school track meets, with qualifiers for the state meet testing each other a week before the real test.

It may have been my imagination, but before the holidays I read on the sports page of the DAILY TOREADOR, where the Baltimore Orioles were the team that would sweep away from the Yankees and carry on to American League victory.

It had to be my imagination, because Saturday and Sunday, via the national network, the "old podners," Dizzy Dean and Pee Wee Reese, between complimentary pats on their own backs about their own earlier abilities, hosted the Orioles and the mighty Yankees, at Yankee Stadium.

Now I'll grant you this: the Yankees were at home and only Mickey Mantle, Roger Maris and Bob Stafford (slight losses) missed the game for the Yankees (the rest of the team was there) and the Orioles had taken 10 straight games from the Yanks over a series of time spanning from last season through the Grapefruit League. But, friends, the Bronx Bombers, despite the losses of most of its power, put down the Orioles twice and climbed to the top spot in the league, where (unless Tom Tresh, Cleve Boyer, Tony Kubek, Bobby Richardson, Ralph Terry, Whitey Ford, Stan Williams, Joe Pepitone and say 10 others get hurt) they will stay.

# Gridders Resume Work

After a week's layoff for spring vacation the candidates for the 1963 Tech football team resumed workouts Tuesday, pointing toward the fourth scrimmage of the spring training session Saturday.

According to Coach J T King, the Raiders are eager to go and he feels there will be spirited workouts all week.

In the third scrimmage of the session Saturday, April 6, the Whites, topped twice in the two earlier outings, beat the Reds 14-7.

### Running Game Improved

King noted that the running game of the Raiders has been coming along strongly, but more work is necessary in the throwing game with the overall defense improved but in need of more work.

Tech will open the season next fall against Washington State here. Washington State is one of the nation's finest passing teams,

and that was one of Tech's departmental weaknesses last season. Work to improve the defensive team will be a major item in the concluding six workout sessions.

The Tech coaching staff has made a number of position changes during the spring workouts.

### Fullbacks Move To Center

A pair of fullbacks have looked real good at center. Butch Thompson of Lubbock and Kenneth Gill of McKinney have made the switch to pivot. A pair of wingbacks, David Rankin of Midland and Sam Cornelius of Spearman, are now at end.

Tackle Bill Shaha of Dumas and guard Jimmy Walker of Seminole have traded positions. Tackle Buck Washerlesky has transferred to guard and end Ronnie Reeger of Merkle had switched to tackle. Three-time All-State end from Albany, Rocky Hill has moved to halfback. Bill Worley of Midland is now a

quarterback after starting as halfback last season. Both he and quarterback Jim Ellis of Lubbock had knee operations in the winter and are being held out of drills.

### Zanios Now At Fullback

Jim Zanios of Albuquerque, N.M., who played nearly everywhere in the backfield last fall, will be where he ended the 1962 campaign—at fullback.

Saturday's scrimmage will be at 7:30 p.m. in Jones Stadium. No admission will be charged for the game. The final scrimmage of the season will be at 4 p.m. April 27. Tickets for the final tilt will be \$1 for adults and 50 cents for students.

## How Ford economy won for Tiny Lund at Daytona

The Daytona 500 is one of America's toughest stock car events. It measures the toughness, stability, over-all performance and economy characteristics of the cars that take up its challenge—in a way that compresses years of driving punishment into 500 blazing miles. This year mechanical failures claimed over 50 per cent of the cars that entered. That's why Tiny Lund's victory in a Ford (with four other Fords right behind him) is a remarkable testimony to sheer engineering excellence.

Lund attributed his victory in part to the "missing pit stop." He made one less pit stop for fuel than his competition—proving that Ford economy can pay off in some fairly unlikely situations!

Economy and the winner of the Daytona 500 might sound like odd bedfellows at first. Yet economy is basic in every car we make . . . yes, even the Thunderbird is an economy car in its own way. Here's what we mean . . .

Economy is the measure of service and satisfaction the customer receives in relation to the price he pays for it. It does not mean, however, austerity . . . you have taught us this. Americans want—and we try hard to give them—cars that are comfortable to ride in, fun to drive, and powerful enough to get out of their own way. Not many Americans want to settle for basic transportation. You see this in our sales figures—more than half of our 1963 sales are coming from the top of each model line. We're selling convertibles, hardtops, the jazzy cars . . . the bucket-seat, high-performance, luxury editions are going like hot cakes.

Yet for all the fun that people are demanding in their cars, they still are

very conscious of the element of thrift—of avoiding unnecessary expense. This is the kind of economy we build into every car from the compact Falcon to the luxurious Thunderbird.

There's a special economy, for instance, in Ford's freedom from service. Every car and virtually every wagon can travel 86,000 miles before it needs a major chassis lubrication. Other routine service has been reduced, too—because these Fords are simply built better—and of better materials—than ever before.

In its own elegant way, even the Thunderbird gives you economy. It will travel 100,000 miles or 3 years before you have to lubricate the chassis. Thunderbirds have a way of becoming classics—as a look at their remarkably high resale value will quickly tell you. This, too, is economy.

Once, long ago—before the arrival of the Income Tax—a wealthy lady was asked to comment on the solid gold plumbing of her latest villa at Newport. "So thrifty, my dear," said the dowager . . . "it will never, ever rust."

Economy then, is many things to many people. Whatever economy means to you, you're pretty sure to find it in a Ford.

America's liveliest, most care-free cars!

# Executive Platforms Voiced

## Furgeson Seeks One-Day Break

In many conversations with Tech students across the campus, I have found a desire for strong programs and for new ideas from the Student Council. With this in mind, I have tried to develop a platform to meet the desired needs of the student body.

Presently Tech is accelerating its academic growth just as fast as its physical growth. In this realm I feel the Student Council can promote activities.

The speaker convocation should be greatly intensified in order that Tech students can get a first hand report on national and international activities. These convocations could help us coordinate our in-class instruction with practical, on-the-spot information.

Since I have mentioned the classroom, let me explain another idea I have in relation to academics. At Tech and at other universities in this nation, grades are of chief importance. Since the pressure to make high grades is so great and since final examinations usually determine a grade to a large extent, I feel that we, as students, should have longer to prepare for our tests.

With this explanation I propose to work for a one-school-day break between dead week and final exam week.

I feel that Tech is definitely a university, and next year, I will work to bring university status to our name. These above four programs are the ones I plan to stress in the realm of academics.

Another realm of the Student Council which has not been examined closely in the past is the area of communications between the Council and the student body. I would like to remedy this problem by printing a column in THE DAILY TOREADOR from the Council.

I also feel that we need to have the executive officers before the students for criticisms and suggestions. This could be accomplished by having monthly meetings in the Union composed of the officers and all students who wish to attend. We would also have these mass meetings in the dorms.

Another area where I feel communications need to be improved is between Tech and other Southwest Conference schools.

With these other programs I have mentioned, I would like to emphasize some of the established programs of the Student Council. The Traffic Program is one that needs continual work and supervision. Our Athletic Recruiting Program is also one which can add strength to our athletic system in future years.

All these programs are the ones that I feel Tech needs to enable it to continue to keep pace with the changing times. Since they are important, I have made them the basic points in my platform.

NOT EVEN WIND CAN STOP 'EM—A strong West Texas wind seemingly proved no obstacle to this couple attending Thursday's campaign rally. Perhaps the girl received a lift to obtain a better view of campaign proceedings or merely to provide a balance against the winds. —Staff Photo

## Strickland Sees Small Minority

Will we ever have another chance? If so, when? Do you really care if we have another chance? If so, read on.

Will we let a small minority of students set the policies and procedures of this campus for another term of office? I hope not. Will we continue to permit the leaders to blame the lack of voting on students' indifference? Again I hope not.

The main question is, will we face the following true fact?—We have never had a real reason to vote, mainly because of the self-centered policies and practices of this small minority.

As you read you will be able to understand how my platform isn't constructed to make me sound popular — because frankly, I'm not for everything that is "popular." I stand for the issues that back the rights of every Tech student.

First, I will inform students with a President's Column in THE DAILY TOREADOR, giving factual information of Student Council and administrative decisions and viewpoints.

Secondly, I will earnestly seek possible solutions to the growing parking problem.

Thirdly, I am not completely against a tuition hike if scholarships and other benefits are provided to balance the extra expense, but I will personally lead a campaign against any action that does not enhance the Tech student.

Fourthly, I will use any influence I have to obtain student rates at local theaters.

Other areas of my platform are: further stressing of honors program, hush discontentment about dorm food, reconstruct girls' restriction codes and eliminate out-of-date restrictions, ballot boxes in each dorm, something done about the name change, obtain athletic intergration if Techsians want it and continue study of purposes of class officers.

My platform also includes: unifying Tech organizations to work for advancement of Tech, obtain big - name speakers, raise money for name marker at campus entrance, make Model UN an annual event and work with IFC and Panhellenic to promote TB fund drive.

Let me ask you to study each candidate's platform and make a decision on your own. Then vote.

## Prexy Candidates List Qualifications

### Royal Furgeson QUALIFICATIONS

- ✓ Two-year member of the Student Council, serving on Publications Committee and Athletic Recruiting Committee
- ✓ Saddle Tramps
- ✓ Who's Who in American Colleges and Universities
- ✓ Varsity Basketball Letterman
- ✓ Interfraternity Council
- ✓ Honors Program in English
- ✓ Leadership Recognition in All-College Service
- ✓ High School Senior Class President
- ✓ Sports Editor of High School Annual
- ✓ National Honor Society
- ✓ High School Varsity Basketball

### Gary Strickland QUALIFICATIONS

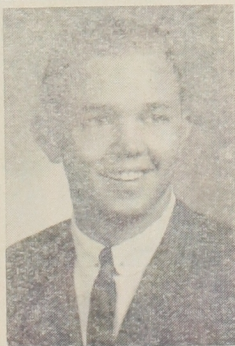

- ✓ Engineering Representative on Student Council
- ✓ Chairman of Class Committee Student Council
- ✓ Co-Chairman of WUS
- ✓ President of Sophomore Class (61-62)
- ✓ Vice President of social Fraternity
- ✓ Activities Chairman of social Fraternity
- ✓ Member of IFC
- ✓ Member of BSO
- ✓ Member of Alpha Phi Omega (service fraternity)
- ✓ On Committees at BSU
- ✓ Participation in advance ROTC
- ✓ Cheerleader in High School
- ✓ Student Council in High School

## President's Duties

- Preside over meetings of the Student Association.
- Serve as presiding officer for the Student Council.
- Be chairman of the Executive Committee.
- See that rules and regulations are executed.
- Appoint all committee personnel not otherwise provided for in the Constitution.

# STRICKLAND

# ROYAL FURGESON FOR

# PRESIDENT COMPARE AND VOTE

# VP Hopefuls Give Platforms

**James Cole**

I propose to work for a compulsory evaluation of the faculty in the hope that such evaluations, if required, will make department heads more aware of teacher deficiencies. I also propose to work for increased student voice in the area of determining, to some degree, academic policy.

I propose to do this by working for joint student-faculty committees on which student opinion is voiced as to departmental policies. I propose to work for ad-

ministrative convocations at which the administration explains its policies and then subjects itself to question and answer periods about administrative matters.

I propose to work this summer on the feasibility and value of a book swap and then incorporate it next year if it is a good proposal for Tech students. I propose a very active name change program to the point of student referendum votes.

I propose to study our freshman orientation program and try to come up with a better orienta-

tion into the areas of campus activity, student life, and school spirit.

My qualifications are as follows:

President of Wells Hall in 1961-62, vice president of Men's Residence Council in 1961-62, member of Saddle Tramps, president of BSO in 1962-63, student council in 1962-63, chairman of the traffic committee, member of the elections committee, Who's Who in American Colleges and Universities, 1962-63, College Awards Board member, Tech Union Board member, committee on student organizations member.

**Doug Gibbins**

I would like to decrease student apathy through more student participation in Student Council and student government.

I propose to do pioneer work toward athletic integration. I also propose to continue and improve upon the athletic academic recruiting program.

I propose to study fraternity and sorority lodging plans and formulate some ideas and plans that would be workable in the future. Also, I would like to find more definite and satisfactory reasons for the tuition hike before we let it be put into effect.

My qualifications are as follows:

Chairman of the special events committee, in charge of the Freshman Dance and Freshman Convocation during freshman year; Games and Tournaments Committee at Tech Union; Wells Hall Social chairman in 1960; Campus Religious Council in 1961; secretary of the Double T Assn.; president of junior class in 1962-63; member of Phi Delta Theta; member of the Saddle Tramps; member of Phi Epsilon Kappa.

# Botkin, Cornell Compete

**Ronnie Botkin**

The position of Business Manager of the Student Association is usually greatly underrated by the average student. Only at election time is anything really heard about the office. The position requires a great deal of work, and only with prior experience on the Student Council and a working knowledge of the duties of the office would anyone be able to do the job correctly and efficiently.

I feel that by being a member of the Student Council and working on the Allocations Committee I have gained the needed experience and knowledge. The responsibilities of the position are great and I think that I will be able to deal with any situation that might arise with the best interest of the students and Texas Tech in mind.

If you choose to select me as Business Manager of the Student Association, I will serve you and this 'university' to the best of my ability.

Jess Cornell is also a candidate for Student Council business manager. His platform does not appear as he failed to submit it to the Toreador by Thursday's deadline.

## VP Duties

- Perform the duties of the President in the event of his absence or inability;
- Succeed to the Presidency in the event that the office should become vacant;
- Perform such duties as designated by the President or the Council;
- Be in charge of the annual school trip.
- Keep a complete and accurate record of all financial transactions of the Student Association.
- Serve as chairman of the Allocations Committee of the Student Council.
- Direct the financial activities of the varsity yell leaders.
- Educate all yell leader candidates in regard to the responsibilities and limitations of their positions.
- Be responsible for the approval of all money-making activities of the four undergraduate classes.
- Write an article to be printed in the TOREADOR during the month of December of each year to inform all students graduating at the end of the first semester of the deadline for submitting requests to the office of room reservations for the return of their room deposits.

for  
SEC.**

**REMEMBER**...  
**TO VOTE!**

**Pat Hamilton**  
*Secretarial Candidate*

In both leadership and service capacities, I have served and am serving Texas Tech:

**Through school** — I have worked in the Home Economics Club,

and am past CANDLE Editor and incoming President of Phi Upsilon Omicron.

**Through organizations** — I am a member of President's Hostesses, will be a legislator of Doak Hall, and have recently been selected to membership in Mortar Board.

**Through Student Council** — I have served on the Elections, Current Events, and Allocations committees.

If elected your Secretary, I would like to accomplish the following things during my term of office.

- Continue the present secretary's program of opening up the campaigns and putting the candidates in front of the voters.
- Make arrangements so that all counting of votes can be done by IBM computer. This would insure fast and accurate tabulation of votes.
- Hold Freshman Council elections as early as possible in the fall so they may work on a more united freshman class; they could reserve a section of the football stadium for the freshmen whose enthusiasm might boost our school spirit.

**Cecile Camp**  
*Secretarial Candidate*

My qualifications for Student Council secretary are: EXTENSIVE secretarial training, GOVERNMENT minor, EIGHT consecutive year's service on student councils.

My platform is:  
 Ready to serve YOU in:  
 1. Better communications for a better Tech—

- Council members should report back to their organizations
- Minutes of meetings should be printed in the TOREADOR

DOR  
 2. Fairer elections for a better Tech—  
 ● Re-evaluation of officer qualifications  
 ● Filling cheerleader and class officer vacancies

- 3. More special events for a better Tech—  
 ● Another all-school program such as the Model U.N.  
 ● Top national speakers
- 4. Safer traffic for a better Tech—  
 ● Let the students decide

**Judy Price**  
*Secretarial Candidate*

Qualifications:  
 Student Council 62-63, Elections Committee 62-63, Recognized by Student Council for leadership,

Freshman Council 60-61, Junior Council, Sigma Kappa, Phi Gamma Nu, Pi Delta Phi, President's Hostesses.

As Secretary of the Association, improved communications would be one of my goals. As a member of the election committee this year, lack of student interest in campus elections has been painfully evident. Campus positions are often filled by a very small percentage of voters. Integration of students into Tech's student government could be achieved through a coordinated program with the TOREADOR.

I would also work this summer with IBM in the Engineering Department to set up a program for elections. All elections then would be held on IBM cards and counting would be done electronically.

**Office Duties**

The secretary's duties are:  
 KEEP the minutes of meetings of the Student Association and of the Student Council; BE responsible for the maintenance and preservation of the official version of the Student Association constitution and all rules and regulations of the Student Association; SEE that a copy of the official version of the constitution and all rules and regulations of the Student Association remain on file in the office of the president of the college; SEND a copy of the minutes of each meeting to the following: President of the College, Dean of Student Life, Dean of Men, Dean of Women, Student Council sponsor, Vice President and Comptroller, Academic Vice President.

AT all times maintain and preserve the official copies of the Student Association constitution and bylaws in the Student Council office.

**PRICE IS RIGHT for SEC.**

**CECILE CAMP**

**Business Manager**

**WHO WILL IT BE?** — Techsians voting by secret ballot today will choose three boys and three girls from the 18 candidates for cheerleaders to rally students behind the Raiders next fall. Run-off elections are set for Monday. —Staff Photo

# Cheerleader Candidates

## And Duties

Candidates for cheerleader are Carolyn Buxton, Linda Edie, Carol Fursman, Gay Gillespie, Jeannine Jones, Nelda McQuien, Camella Moore, Kathy Osthoff, Sandy Sample and Jami Steinhoff.

head cheerleader who shall be a male student and shall serve as their chairman.

Other candidates are Myrna Stephenson, Lynn Wallace, Dennis Ashmore, Mike Bohn, Smiley Irvin, James Perry, John Ward and Bobby King.

Those persons elected will:

- Be responsible for all Texas Tech pep rallies
- Coordinate the generation of enthusiasm at all recognized college athletic events
- Be responsible for furnishing a representative to the Southwest Conference Sportsmanship Committee
- Encourage good sportsmanship on the campus
- Be responsible to the business manager for the management of their finances
- Elect, from their number, a

**PRICE IS RIGHT for SEC.**

# It Takes More Than Yelling To Be A Tech Cheerleader

Lots of people can yell and cheer with gusto when the Red Raiders go over for a touchdown. Quite a few can turn flips, inspire enthusiasm and attend all athletic events.

But there are a few special qualities, perhaps best classified under the term, gung-ho, that sets a good cheerleader apart from the football crowd.

Special qualities don't include regular cheerleader duties such as coordinating pep rallies and being on hand at ballgames.

One Tech cheerleader called it a year-round job. "A cheerleader must attend teas for visiting athletes, entertain visiting yell leaders and when away, attend all planned functions at other schools," she said.

High on her list on what makes a cheerleader really go is being able to perform yells well, en-

thusiasm, and devotion.

"A good cheerleader above all to develop sportsmanship and his enjoys cheerleading," she reflects. "He should at all times strive to develop sportsmanship and his own potential to its fullest."

## Industrial Engineers Win First

Industrial engineering department took its fifth straight first place in the recent Science and Engineering Show.

Industrial engineering exhibits demonstrated techniques in production control, plant design, materials handling, work measurement, statistical quality control, product design, manufacturing analysis and organizations research.

Displays in the 31st SE annual show were judged on appeal to the public, explanation of department curriculum and presentation of exhibits.

The industrial engineering display received 3,705 points of a possible 4,000.

Bud Lanham was chairman of the department's exhibit. American Institute of Industrial Engineers and Alpha Pi Mu set up the displays.

**READY TO STOMP**—Judy Richards, junior, and Bob Fouts, senior, are all decked out for the Phi Mu western dance 8-11:30 p.m. today. Jimmy Heap's Band will play for the open dance at Vann's Catering Service. —Staff Photo

## Delegations Plan Trips

Delegates from Tech's history department will scatter to state and regional history meetings in Austin and Albuquerque this weekend and next.

Four faculty members will represent Tech at the Texas State Historical Assn. meeting this weekend. The Austin meet begins today and continues through Saturday. Dr. David Vigness, department head; Dr. Ernest Wallace, professor; Billy Mac Jones, instructor and Richard Marcum, teaching assistant, will attend.

Tech's chapter of Phi Alpha Theta, history honorary, will send five representatives to a regional meeting in Albuquerque, N.M., Friday and Saturday, May 3-4.

Attending will be Dr. Paul Woods, history professor, and Lt. Col. George R. Hull, professor of air science.

Ronald Benson, teaching assistant, will present a paper on the Hay-Pauncefote treaty.

Nancy Vincent, Alpha Theta president, and Sarah Gaston, Austin junior, are Tech's student representatives.

## Why Do You Read So Slowly?

A noted publisher in Chicago reports there is a simple technique of rapid reading which should enable you to double your reading speed and yet retain much more. Most people do not realize how much they could increase their pleasure, success and income by reading faster and more accurately.

According to this publisher, anyone, regardless of his present reading skill, can use this simple technique to improve his reading ability to a remarkable degree. Whether reading stories, books, technical matter, it becomes possible to read sentences at a glance and entire pages in seconds with this method.

To acquaint the readers of this newspaper with the easy-to-follow rules for developing rapid reading skill, the company has printed full details of its interesting self-training method in a new book, "Adventures in Reading Improvement" mailed free to anyone who requests it. No obligation. Simply send your request to: Reading, 835 Diversey Parkway, Dept 9894, Chicago 14, Illinois. A postcard will do.

## Zsa Zsa Stars In Union Show

**Mel Ferrer and Zsa Zsa Gabor** star in "Lili," a technicolor movie, at 4 p.m. and 8 p.m. today and 2:30 p.m. Sunday in Tech Union Coronado Room. The Special Events Committee is sponsor.

## Grads Discuss Negro Novelist

Grover Lewis and Nolan Porterfield, graduate English students, will lead the discussion at today's Noon Forum in the Tech Union Blue Room.

Discussion topic is contemporary Negro novelist, James Baldwin. Baldwin is author of "Another Country."

## Purdue Prof Lectures On European Market

Competition from the European Common Market will force the U.S. to move rapidly if it is to hold onto its world markets or consider expanding them, according to Dr. James Greene, industrial engineer and visiting lecturer at Tech.

His ideas may carry some special weight since he has recently been a consultant to the European Production Agency, a division of the Common Market's organization.

"The U.S. must find ways to produce goods with more efficiency," he declared. "This presents a challenge to our industrial engineers."

Dr. Greene, a Purdue University professor, is spending three days, Monday through Wednesday, at Tech. He is conducting seminars in general industrial engineering research, production control and operations research.

## Positions Open For L-V Staff

Applications are now being accepted for associate editor, copy editor and staff artist for next year's La Ventana.

Students interested in these positions should write a letter giving their qualifications, past experience on an annual or newspaper, why they want the job and any new ideas they may have for next year's La Ventana.

Past experience is not necessary, but preferable. Applications should be turned in to the La Ventana office or to either Johnnie Lu Raborn or Travis Peterson by May 1.

These are paid positions, and applicants should be willing to put in a great deal of time.

### HONORARY MEETS

Psi Chi, psychology honorary, will meet at noon today in Tech Union, Elmer's Lounge. The group will initiate members and present a slate of officers. Those attending must sign up in the psychology office, X-31.

**SURROUNDED**—Carol McCormick, Ennis sophomore, was surrounded by cadets from England's Royal Air Force after their captain said, "If I were you blokes, I wouldn't let these ladies sit alone."

## As I see it . . .

by johnnie lu raborn

"You think we speak the same language, but we don't," said one cadet from Cranwell, the Royal Air Force Academy in England. I had to agree with him.

Tech's Angel Flight was visiting the Air Force Academy in Colorado Springs. Some were dated with English cadets, who were also visiting. It was a real education.

For years, I've heard the English stereotype come out with "jolly good," "old chap" and "ra-ther." They are all true with the addition of an occasional "quite" and "Oh, my yes."

In England, you are not "out to lunch" but "around the corner." When we have a lousy date he is called "cull" or "bad head," but Cranwell calls them "grimmies."

### 'MAKING OUT'

It is a mystery how they got it but "cupeake" is said for "making out." Tennis shoes are called "blimp shoes," and a resounding "dash it" means darn or damn.

We Americans take much for granted. These cadets had never seen a drive-in movie or drive-in restaurant. Motels were also new, for they don't exist in England. Some of the guys got their first taste of pizza, Mexican food and pretzels. They didn't like it.

### 'STATUS SYMBOL'

It is a status at our Air Force Academy for the "firsties" or seniors to have Sting Ray Corvettes. That vast parking lot is full of them. I didn't see five cars under two years of age. The Cranwell "chaps" find it "marvelous" to get to ride bicycles when seniors. They do have cars, but generally these are somewhere in the 30's models. A car 10 years old is relatively new.

I did notice one thing about the cadets as a group. They abounded with national pride. One said, "There will always be an England." To which some of the U.S. cadets sort of laughed. A Cranwell "troop" recounted with a "Don't scoff at it, national pride is a wonderful thing." Their pride was so emphasized that it made me wonder if we "came over" the same way about our country.

On Saturday night, a formal ball was given for our flight, Cranwell and first classmen (seniors) at the academy.

The British boys taught us one way to live up a rather stiff dance. During one of the songs, one Cranwell "troop" yelled "Ants." The cadets immediately fell down on the floor, rolled over on their backs and kicked their feet and arms into the air. At the sound "dead ants," the legs and arms went stiff. Rather quaint, I'd say, but still effective enough to break everyone up.

### GHOUL POOL

The Angels with U.S. Academy dates were wondering that night if they were included in the "ghoul pool." It goes like this. The academy hosts arrangements for blind dates for the formals. Cadets within each squadron enter a "pool" for 25 cents. At the dance, squadron officers act as judges and dance with the dates of each cadet entered in the pool. Afterwards, these officers decide which had the worst date and he wins the money. If we did it here, I would be rich.

### AS I SEE IT

Sigma Kappa will choose a "Mr. Pledge" at 8 p.m. today in the National Guard Armory. Mr. Pledge will be chosen from fraternity pledges. The Caravans will play for the all-school dance.

Phi Mu will have a western stomp, 8-11:30 p.m. at Vann's Catering Service. The open dance will feature Jimmy Heap's band. Tech Union also is having a western dance from 8-11:30 p.m. in the Ballroom. Jimmy Mackey is playing.

### KAPPA KAPPA GAMMA

An informal "German Beer Garden" will be the setting for the Kappa Kappa Gamma dinner dance at 6:30-11:30 p.m. today.

Delta Sigma Pi will have its Rose Dance from 7:30-12 p.m. Saturday at the Pioneer Hotel.

Newman Club will go on a picnic Sunday to Palo Duro Canyon.

# Red-White Skirmish Ends Spring Training

## Scarborough, Ben Elledge Opposing QBs

By ARTIE SHAW  
Toreador Sports Editor

A pair of shining freshman quarterback prospects will be opposing each other at 4 p.m. in Saturday's final spring training scrimmage.

Featured will be Danny Scarborough of Quanah and Ben Elledge of Brownwood.

The annual contest is the rubber game of the series, as the Reds jumped to a quick two-game advantage, only to have it taken away from them in the last two outings by the underdog Whites.

Two upperclassmen quarterbacks, Bill Worley of Midland and James Ellis of Lubbock, underwent knee surgery in December and will probably not see action, although they will be suited.

### Statisticians Overworked

With both the Reds and the Whites threatening to "loosen-up" their previously tight offenses, the stress could be worse on the statisticians than on any one else.

Last week the Reds gathered 364 yards of total offense in a losing cause, while the Whites haled and threw for 277 in their 20-12 victory.

Long gainers have been the word of the day thus far, and any

## Tech Linksmen Meet UT At Meadowbrook

Texas Tech, in an effort to get back into the Southwest Conference golf race, engages the University of Texas here on Lubbock's Meadowbrook golf course today.

Tee-off time at Meadowbrook is 12:30 p.m.

Coach Jay McClure's linksmen, 4½-1½ losers to Texas Christian University here Monday, will also be motivated by a desire for revenge. Texas sports five lettermen from the squad that downed the Red Raiders 5-1 in Austin last year.

Texas Tech currently has a 14½-9½ standard. The Raiders lost to Texas A&M, knocked off Rice 6-0 and defeated Baylor 5-1 before dropping the match to TCU.

Texas' players will probably be Bill Munn of Midland, Randy Geiselman of Houston, Oscar Goode of Austin and Pat Thompson of Mission.

Texas Tech golfers for the match will probably be Bruce Dobie of Worcester, Mass., Richard Yates of Corpus Christi, Housty Brewer of Andrews and Jim Davidson of San Angelo.

Yates is Texas amateur champ, and lost his first-SWC match of the year to Jack Montgomery of TCU last week.

BILL WORLEY

. . . Will not see action

more would be just icing for the cake.

Jim Zanios, Albuquerque full-back, for example, took a handoff from Red quarterback Ben Elledge and raced 52 yards off tackle in a spectacular gainer.

Elledge connected on two long passes, one to all-Southwest Conference end, David Parks, for 44 yards and another to Stimmert half-back, Donny Anderson, for 41 yards.

For the rubber game, each having won two contests, lineups will be exactly the same as last week. There may be a trade at half-back between David Baugh of Rotan, a Red last week and Jimmy Edwards of Roysie City, who played for the White squad last week.

Admission is \$1 for adults, 50 cents for students and Tech students will be admitted by showing their identification cards.

### Traffic and Security

The staff is comprised of a chief, 10 commissioned officers, one night sergeant, two radio operators, one secretary, one clerk and two part-time employees. There are three radio-controlled patrol cars. In October, 1962, there were 6,240 cars registered to park on campus.

# Tech Netters Challenge Rice, Texas In Important Matches

Texas Tech tennis players, in their next two matches, have a chance to influence the outcome of the Southwest Conference championship campaign.

In successive matches—against Rice University here Saturday and against University of Texas in Austin Monday—the Red Raiders tackle the teams currently sharing the lead.

Coach George Philbrick's netters, besides playing the role of potential spoilers will be out to guarantee or better their own third place position. Tech is 14-4 following wins over Baylor University 5-1 and Texas Christian University 6-0 and a split with Southern Methodist University 3-3.

Raiders' netters will be Daryl Allison of Lubbock, Greer Kothmann of Junction, Beau Sutherland of Kerville and Robert Peterson of Wichita Falls.

Rice University is led by the 1962 Southwest Conference finalist in both singles and doubles, Fritz Schunck. The Owls, coached by Sammy Giamalva, are defending Southwest Conference team champions.

Last year Rice downed Tech 6-0, and the Longhorns battled the Raiders to a 3-3 draw.

A re-match of last year's SWC finals doubles match, won by Allison and Sutherland over Schunck and DeEdward Greer, has been virtually ruled out by re-pairings on both teams.

Matches, on the Varsity Courts, will start at 1:30 p.m. The public is invited free of charge, Coach Philbrick pointed out.

GEORGE PHILBRICK  
... Tech tennis coach

## Pics Down AFB, 20-12

Texas Tech's Picadors picked up their eighth win of the season Wednesday as they ran away from Reese Air Force Base, 20-12.

The game, which took three hours and twenty minutes to play, was called at the top of the ninth inning due to darkness. Tech slammed out 17 hits, as converted basketballer Dadid Schmidly picked up his first mound victory of the season. Schmidly pitched the first four innings and left the game with a 15-5 lead. In his four innings stint, Schmidly allowed only four hits, while striking out six and walking three.

The Picadors were led at the plate by second-baseman Buzz Henderson, who collected four hits out of five at bats. Jim Murrell and Ronnie Holly drove in the most runs with five RBI's apiece.

"FLORA-SCENT" makes The Perfect MOTHER'S DAY Gift

## Raiders Visit Highlands Nine

Two improved baseball teams—Texas Tech and Highlands University—clash in a doubleheader at Las Vegas today.

Since Texas Tech posted a pair of wins, 5-2 and 3-0, here earlier this month, the Cowboys have won six straight and now are 10-10 for the season.

The Red Raiders have a three-game streak, and five of the six, going for them. Their only loss came at the hands of the Abilene Christian College nine. Other wins are the twin-killing of Highlands and a double victory over ENMU.

## ★ Sports Shorts ★

If a sports fan wants to stay busy here this weekend, he won't have much difficulty.

Touching off the crowded schedule was an NRA Rodeo, which begins at 8 p.m. Thursday. Other night sessions are carded for tonight and Saturday night. One is also slated for 2 p.m. Saturday afternoon.

★ ★ ★

A football clinic gets underway at 2 p.m. today and continues through Saturday. It is being hosted in conjunction with the annual Red-White scrimmage and will include a barbecue tonight and sessions Saturday morning. Head Coach J T King and his staff are holding this clinic for high school coaches.

★ ★ ★

Starting at 1 p.m. Saturday will be finals in the Red Raider Relays, open to state track and field meet qualifiers. The strongest events prior to the start of the Relays appear to be the 100-yard dash, pole vault and high jump.
